**BANDINI TO WALMAC**

Last year's GI Blue Grass S. winner **Bandini** (Fusaichi Pegasus--Divine Dixie, by Dixieland Band) will begin his stud career at Walmac Farm in Lexington, Kentucky. The four-year-old will stand the 2007 season for a fee of \$17,500, live foal, and is currently being syndicated

"under a new, innovative structure designed to make stallion ownership more affordable to breeders," according to a press release. "Physically, he's quite a specimen," said John T L Jones III, managing director of Walmac. "He is balanced and imposing with great bone, standing 16

hands, and having a lengthy hip with great depth to his shoulder and heart girth." From the family of Sadler's Wells and Nureyev, Bandini was produced by a stakes-placed half to promising young sire Stormy Atlantic. A \$500,000 Keeneland September yearling, he raced for the partnership of Michael Tabor and Derrick Smith and took his most important prize in the 2005 Blue Grass, which he won by six lengths. After injuring an ankle in the GI Kentucky Derby in his next start, he returned as a four-year-old to break the track record in a one-mile Gulfstream allowance in March before adding the GIII Skip Away H. He reaggravated the ankle injury when fourth in the May 29 GI Metropolitan H. at Belmont and was subsequently retired. "Bandini is a beautiful, well-conformed, very athletic horse, and a tremendous mover," said Todd Pletcher, who trained the colt. "Unfortunately, he never met his potential as a four-year-old because of an ankle injury, but he is a tremendous stallion prospect." Bandini concluded his career with five wins from nine starts and \$676,380 in earnings.

**GEORGE WASHINGTON TO BC CLASSIC**

The connections of champion **George Washington (Ire)** (Danehill) have opted to send this year's G1 2000 Guineas winner to the GI Breeders' Cup Classic, at Churchill Downs Nov. 4, instead of the GI Mile. "We know he would have been a short-priced favorite for the Mile, but winning the Classic would open the whole world to him," trainer Aidan O'Brien told *The Independent* Sunday. "The one thing they need to do, to handle the dirt, is travel in their races--and that's what George has always done, as much as any horse we've ever had." George Washington worked on the Polytrack at Ballydoyle Saturday after missing a scheduled flight to Southwell last Friday because of fog. "Obviously that's not the same, but I do remember in the spring, when the ground was bad, and he had mud kicked in his face working, he never batted an eyelid," O'Brien told *The Independent*.

**INVASOR NOMINATED TO BREEDERS' CUP**

Shadwell Stable's GI Breeders' Cup Classic hopeful **Invasor (Arg)** (Candy Stripes) has joined Lava Man as a late nominee to the Breeders' Cup program. The four-year-old, undefeated in three U.S. starts this year, all in Grade I company, was nominated as a horse of racing age at a cost of \$250,000. Invasor's sire, Candy Stripes, was not nominated to the Breeders' Cup Program for the 2001 Southern Hemisphere season. If Shadwell enters Invasor in the Classic at Churchill Downs Nov. 4, the operation will have to pay the standard \$125,000 in fees to start. If Invasor had not been nominated, the supplemental fee to start in the Classic would have been \$750,000. The four-year-old becomes the fourth horse to be a horse-of-racing-age nominee, following Aragorn (Ire), Declan's Moon, and Lava Man, who was nominated last week and who is also probable for the Classic. Invasor most recently won the Aug. 5 GI Whitney H. at Saratoga. Breeders' Cup Notes cont. p2

Jockey Edgar Prado has been confirmed to ride **King of the Roxy** (Littleexpectations) in the Nov. 4, GI Breeders' Cup Juvenile at Churchill Downs, according to owner Team Valor's Barry Irwin. It will be the first time that Prado will be partnered with the colt, who is coming off a 3/4-length victory in the GII Futurity S. at Belmont Park Sept. 23. Trained by Todd Pletcher, King of the Roxy was ridden by John Velazquez in the Futurity, as well as in the dark bay's runner-up effort in the Aug. 17 GII Saratoga Special BC S. Velazquez will have the pick between

**QUEEN HEADS TO CHURCHILL**

The Lamprell Partnership's **Satwa Queen (Fr)** (Muhtathir {GB}) is on course for a tilt at the GI Breeders' Cup Filly and Mare Turf at Churchill Downs Nov. 4, connections revealed yesterday. Trainer Jean de Roualle confirmed the four-year-old, who took the G2 Prix Jean Romanet at Deauville Aug. 20 before finishing runner-up to Mandesha (Fr) in Longchamp's G1 Prix de l'Opera Oct. 1, will be shipped out for the contest. "She has done very well since the Opera and will definitely go for the Filly and Mare Turf," he said yesterday. "She will be my first runner in the series and I'm looking forward to it. I know there are some tough fillies in the race, but I'm also sure we won't always have a Mandesha in our way."

**BLUEGRASS CAT TO STAND FOR \$50,000**

WinStar Farm's homebred Grade I winner **Bluegrass Cat** (Storm Cat--She's a Winner, by A.P. Indy), who was retired in August after emerging from a runner-up effort in the GI Travers S. with a fractured right hind pastern, will stand his initial season at stud at the Versailles, Ky nursery for a fee of \$50,000, live foal. "Bluegrass Cat is the realization of a lot of dreams for everyone at WinStar Farm," said Doug Cauthen, president of WinStar. "He was bred, raised, and broken right here, so to have him come

home to WinStar as such an exciting stallion prospect is special. We will support him with all our forces to ensure that he has every chance to be a successful stallion." As a juvenile last year, Bluegrass Cat won the GII Remsen S. and GIII Nashua S. He returned to be one of the most consistent members of the current three-year-old crop, winning the GIII Sam F. Davis S. and completing the exacta in two legs of the Triple Crown, the GI Kentucky Derby and GI Belmont S. His breakout performance came in the Aug. 6 Haskell, where he romped by six lengths over Praying For Cash, the largest winning margin in the history of the race. In his career finale, he ran second to Bernardini in the Travers. A WinStar press release stated that mares committed to Bluegrass Cat's book include GISW Nany's Sweep and MGSW Brushed Halory. "We are on-board for the long haul," added Cauthen. "Bluegrass Cat was bred to be a racehorse, and he's bred to be a sire." He becomes the first Storm Cat-line stallion at WinStar, which also stands Distorted Humor, Speightstown, Tiznow and Victory Gallop.

**TEOFILO TO SAINT-CLOUD?** Jim Bolger's unbeaten **Teofilo (Ire)** (Galileo {Ire}) may take in the Oct. 29 G1 Criterium International at Saint-Cloud. Following his head defeat of Holy Roman Emperor (Ire) in Saturday's G1 Dewhurst S. at Newmarket, Europe's champion juvenile elect might ship to France to secure that title in the mile contest. "If the ground is good we will have a look at running Teofilo in the Criterium International," trainer Jim Bolger told the *Racing Post*. "Those Group 1 races are sweet, but the ground will need to be good. It was softer than he likes at Newmarket."

If American racing thinks it has been hard done by, with only three Triple Crown winners since Citation in 1948 and none since Affirmed in 1978, spare a thought for the British fans. They have been able to cheer only one Triple Crown hero, Nijinsky in 1970, since Bahram in 1935.

Jim Bolger was therefore either very confident, or very reckless, in even daring to mention the words "Triple Crown" after the admirable Teofilo's victory over Holy Roman Emperor in the G1 National S. in September.

"If he wants to be the next Triple Crown horse," Bolger ventured, "then I'm not going to stand in his way!"

That quote had been prompted by the fact that Teofilo's National S. success came only eight days after his sire, Galileo, had supplied the Trifecta in the St Leger, the last leg of the Triple Crown and arguably the most difficult for a modern Thoroughbred, with its distance of more than 1¾ miles.

The enormity of the task ahead of Teofilo mustn't be under-estimated, as only two colts have managed to win even two legs of the Triple Crown since Nijinsky (Reference Point added the St Leger to his Derby success in 1987, while Nashwan took the 2000 Guineas and Derby two years later). The Triple Crown remains an exciting possibility, though, and Teofilo's record suggests that he could develop into that one-in-a-million colt blessed with the necessary brilliance, versatility and toughness. Like Nijinsky, his juvenile record stands at five wins from five starts and both colts gained their fifth success in the G1 Dewhurst S. However, the signs are that Jim Bolger, who also bred Teofilo, isn't looking too far ahead, as he is now considering sending his star colt to France for the Criterium International on October 29.

Nijinsky was a member of the second crop by Northern Dancer, a winner of the first two legs of the Triple Crown, whereas Teofilo comes from the second crop by Northern Dancer's grandson Galileo, a winner of the Derby and Irish Derby. Both come from families developed at Windfields Farm in Canada and Teofilo also possesses the size and scope which made Nijinsky stand out from the crowd, especially at two.

There is always a worry that high-class juveniles which enjoy a physical advantage over most of their rivals at two will not be as dominant at three, when their less-mature rivals have had a chance to catch up. But that didn't happen with Nijinsky and there is every reason to think that Teofilo will also stay a step ahead of the opposition.

Galileo may be out of a daughter of the fast and precocious Miswaki, but that daughter, the Arc winner Urban Sea, didn't start to establish herself at Group 1 level until the autumn of her three-year-old days. Urban Sea now has the tremendous record of having produced six stakes winners (five of them group winners) from her first seven foals, but none of the six was a stakes winner at two. Galileo, for his part, made only one appearance at two, close to the end of the Irish season, when he destroyed the opposition in a mile maiden race at Leopardstown. Andrew Caulfield cont. p5

The signs are that Galileo's progeny are generally going to require a little patience, too. From a first crop numbering 127 foals, he had no more than 10 juvenile winners in Britain and Ireland, from a total of 41 runners, in 2005 and none of them was placed at group level (although Innocent Air won a Listed race). It is proving to be a somewhat similar story this year with Galileo's second crop. He has had only 20 juvenile runners so far in Britain and Ireland, of which only five

**Galileo**  
coolmore.com

have won, and Teofilo is the only black-type winner among them so far (although the unbeaten Yazamaan has also shown distinct promise). I should quickly point out that Galileo's second crop, with 80 foals, isn't nearly as big as its predecessor, one consequence being that his fee was reduced from €60,000 in 2003 to €40,000 in 2004. The breeders who used him at the reduced 2004 fee have had every reason to be glad they did. Galileo's third-crop yearlings have sold very solidly on the back of his having come up with two classic winners, Nighttime and Sixties Icon, in his first crop, and a Group 1-winning juvenile in his second.

While Galileo's progeny mainly need some time, they are proving well worth the wait, as 16 members of his first crop currently have Racing Post Ratings of 105 or more. One of them is Teofilo's sister Senora Galilei, who earned a figure of 106 with her second under a big weight in a good 10-furlong handicap at the Curragh in July. She had previously won a handicap by eight lengths on her reappearance at three, showing much better form than she'd displayed at two. **Cont. p6**

Although Teofilo's broodmare sire, Danehill, secured the title of champion sire of two-year-olds on numerous occasions during his globe-trotting career, he didn't show his best form until he was three and neither did Danehill's numerous siblings.

Teofilo's family has also generally done better at three than two. His dam Speirbhean was reportedly already 16.2-hands tall when she won the Derrinstown Stud 1000 Guineas Trial to earn a shot at the Irish 1000 Guineas (which was to prove her final appearance). Jim Bolger, who has trained some excellent fillies, was fulsome in his praise of Speirbhean after her Listed victory:

"This filly is up there with Give Thanks, Flame of Tara and the others," he claimed. "She isn't three yet [she was born as late as May 25] and still has a bit of maturing to do. She deserves a chance at the 1000 Guineas. The long-term plan is to bring her back here for the Irish Champion S. in September. I think she'll stay up to a mile and a half."

Speirbhean's brother Cornwall was also lightly raced, but showed useful form at two. Their half-brother Graduated, by Royal Academy, was a Listed winner over 1 1/8 miles in Ireland.

Speirbhean didn't win at two and neither did her dam, the Majestic Light mare Saviour, nor her second dam, the Windfields-bred Victorian Queen. Saviour won at up to 1 3/8 miles for Jim Bolger in 1990, without showing nearly as much talent as three of her siblings. Her brother War was in fine form in the spring of 1987, notably taking the GI Blue Grass S. over 1 1/8 miles on the demotion of Alysheba. Two of Saviour's half-brothers, Judge Angelucci and Peace, also became Grade I winners over 1 1/8 miles, with Judge Angelucci being good enough to finish third in the GI Breeders' Cup Classic.

Saviour was bred to stay quite well, as her sire Majestic Light was a Grade I winner at up to 1 1/2 miles and her dam, the tough Victorian Queen, raced with distinction at up to 1 3/8 miles. Victorian Queen was inbred 3x3 to Windfields, the Bunty Lawless colt who carried E.P. Taylor's colors to victory in the 1946 Breeders' S. As Windfields raced 22 times at three and 75 times in all, it is hardly surprising that Victorian Queen was tough enough to compete more than 50 times.

Perhaps it's this ingrained durability--coupled with the renowned toughness of the Sadler's Wells clan--which is allowing Teofilo to thrive on a schedule which would have been too demanding for many a Classic hopeful.

## *Castleton Lyons*

Press Release  
For Immediate Release

October 16, 2006

### **The Great Anabaa to stand at Castleton Lyons in 2007**

The proven sire Anabaa will join the stallion roster at Dr. Tony Ryan's Castleton Lyons, the Kentucky farm announced this week. The son of Danzig previously stood at Mr. Alec Head's historic Haras du Quesnay in Deauville. European champion sprinter of 1996, Anabaa won from five furlongs to a mile, including four Group stakes and two listed stakes during his championship year. Anabaa won the Darley July Cup (**Eng-G1**), he also won the prestigious Prix Maurice de Gheest (**Fr-G1**) and was Timeform's highest rated son of Danzig ever.

Kentucky-bred Anabaa returns home already having sired two champions and eight individual Group 1 winners. His 41 stakes winners, 21 of them at the Group or Graded level, span the globe and include classic winners Anabaa Blue (2001 French Derby [**G1**]) and Martillo (2003 German Two Thousand Guineas [**Ger-G2**]). His versatility as a sire of speed and stamina is evidenced by his sons Yell, 2003 champion Australian sprinter, and Anabar, 2002 champion stayer in Hong Kong, and winner of the 1/4 mile Hong Kong Cup (**HK-G1**), the finale of the World Racing Championships. Anabaa was produced by the Gay Mecene mare Balbonella (**Fr**), a Graded stakes winner in America and a Group 1 winner in France. Anabaa's pedigree is free of Mr. Prospector, providing further opportunity for American breeders.

Danzig is the most successful sire of sires from the Northern Dancer line. His increasing value as stallion prospect as well as racing investments was proven at this year's sales. Sadly, Danzig's progeny is no longer available. Anabaa, one of the most sought-after sons of Danzig in the world, continues the success of this bloodline with a consistent record as a top sire at the sales both in Europe and Australia.

Therefore, this strategic investment to move Anabaa to the USA at a time when the Danzig bloodline has diminished and the Polytrack is spreading across North America, breeders on this continent will now have access to the most successful son of Danzig to stand on this side of the Atlantic. In light of his proven success regardless of distance or Continent, Castleton Lyons is pleased to offer Anabaa to breeders looking to the future that Polytrack promises.

His competitive fee for 2007 will be announced shortly. For more information, please contact 859-455-9222.

**Stop Press** A son of Anabaa - TERANABAA won the Group One Spring Champion Stakes in Australia last weekend. On the Polytrack at Keeneland, the DANZIG FILLY "ZOFTIG", (purchased \$900,000) won first time out with authority.

**KAFWAIN FILLY TOPS NYBSC SALE** A weanling filly by Kafwain (Cherokee Run), whose first foals are yearlings of 2006, brought a final bid of \$60,000 to top the New York Breeders' Sales Company's Fall Mixed Sale in Saratoga Springs Sunday. Consigned by Fort Christopher's Thoroughbreds, [hip 128](#), a daughter of the unraced Birthday Wire (Birdonthewire), was purchased by Dean Purdom. The sale consisted of three sessions, starting with horses of Lakland North, followed by a Select weanling session and an open mixed session. Topping the Lakland North horses was the first horse through the ring, stakes winner **Lavish Numbers** (Polish Numbers--Timeleighthness, by Sir Raliegh), a half-sister to GISW Behaving Badly. In foal to Read The Footnotes, the 11-year-old mare, sold as [hip 1](#) was purchased by trainer Gary Contessa for \$45,000. The open session was highlighted by the six-year-old broodmare **Lexy May** (Lear Fan--Ravnina, by Nureyev), [hip 153](#). The half to group winner Secret History, in foal to Ecton Park, was consigned by McMahon of Saratoga Thoroughbreds and sold to trainer Leo O'Brien for \$50,000. "We were pleased with the overall performance of the sale," said NYBSC President Chester Broman. "We created a select weanling session to offer New York breeders an outlet to sell their weanlings, which to date had been non-existent. We recognize that we need to refine the selection process for next year's sale. All things considered, you'd have to be pleased with this first go 'round with an average price per weanling of nearly \$20,000...it shows that if we work hard, we can make this sale work for everybody." Added General Manager Chip Landry, "With approximately the same number sold as last year, the sales average this year nearly doubled with only 30 percent of the horses listed as RNAs. We got real positive feedback from our consignors. Becky Thomas commented to me that she thought her horses sold as well with us as they would have anywhere in the country. This sale was a positive step forward in the evolution of New York." For complete results, [www.nybreederssales.com](http://www.nybreederssales.com).

Retired Hall of Fame rider Chris McCarron unveiled the North American Racing Academy yesterday at the Lexington Horse Park. He was accompanied by KCTCS President Michael McCall, Horse Park Executive Director John Nicholson and the academy's inaugural field of 11 students. NARA is the first jockey training academy in the U.S. In addition to training in race riding, the academy will offer classes in equine health and nutrition, personal finance, track and farm management and equine industry economics. "[Students] need to be educated in all aspects of the racing and equine industries so they can contribute more and so they can have more options after their riding careers," explained McCarron. The KCTCS is Kentucky's statewide system of 16 community colleges and 65 campuses.

**Migliore Moving Tack to California:**

Jockey Richard Migliore, long a fixture on the NYRA circuit, has decided for a change in scenery and will move tack to California later this month, according to *The Blood-Horse*. "I've spent 25 years in one place, so it's something completely brand new to me," Migliore told the publication. "I'm excited about the challenge, and dealing with new people and riding new horses. Frankly, things have been a little bit stagnant here, and I feel like I'm treading water a little bit. I've appreciated the opportunity people here have given me, but at the same time I feel like I'm capable of doing a lot more, and I need to give myself every chance to do that. It's going to be tough leaving my family, but they've all been very supportive, and I will try to get back as often as possible." Migliore is targeting the Hollywood Park meet, which begins Wednesday, Nov. 1. Ron Anderson, who has handled the books of Hall of Fame riders Gary Stevens and Jerry Bailey, will act as his agent.

**Reducing Races, Not Days, Goal of CHRB Committee:**

*By Margaret Ransom, courtesy of The Blood-Horse*

Reducing the number of racing events without the loss of a significant number of actual racing days in the North was the goal of the California Horse Racing Board's Strategic Alliance Planning Committee, which met for the final time Oct. 12 before making a final 2007 dates recommendation to the full board. Under the proposed schedule, Golden Gate Fields will not run on Wednesdays during the month of January, as well as on Feb. 8. Overall, the track will lose a total of eight live-racing days and the equivalent of approximately 18 racing days on the calendar via the reduction of the number of races on several live days. The proposal, which has been largely agreed upon by all racing jurisdictions in the North pending further analysis of how many days and races the Northern California fairs operate, calls for Golden Gate Fields to run a total of 97 days over their three split seasons, while Bay Meadows will operate for a total of 102 days in the spring and fall. The fairs--in Stockton, Ferndale, Pleasanton, Vallejo, Santa Rosa, San Mateo, and Fresno--will operate either 73 or 77 days depending on discussions set to take place between representatives of the California Authority of Racing Fairs and the Thoroughbred Owners of California.

**REGIME ON TROPHY MISSION** Michael Bell yesterday reported Highclere Thoroughbred Racing's **Regime (Ire)** (Golan {Ire}) on course for Saturday's G1 Racing Post Trophy at Newbury, for which 23 colts remained at the five-day declaration stage. Bell, who saddled Motivator (GB) to win the mile contest 12 months ago, believes that the Goffs Million runner-up holds strong claims on that Curragh form. Despite losing out to Miss Beatrix (Ire) in the Sept. 19 prize, the second horse home on his side was Finsceal Beo (Ire). "He certainly won the race on the stands' side emphatically and the second horse on that side has since won the Prix Marcel Boussac and Rockfel," he said yesterday. "He beat her fair and square, so the form is solid and he was green as grass and had nothing to race with. To do what he did was a very good performance." Aidan O'Brien could call on as many as six, with Derrick Smith, Susan Magnier and Michael Tabor's impressive G2 Beresford S. winner **Eagle Mountain (GB)** (Rock of Gibraltar {Ire}) heading the list along with Michael Tabor, Susan Magnier and The Niarchos Family's G2 Royal Lodge S. scorer **Admiralofthefleet** (Danehill). Other notables include Khalid Abdullah's G3 Somerville Tattersall S. winner **Thousand Words (GB)** (Dansili {GB}), representing the Barry Hills stable and Sheikh Mohammed bin Rashid Al Maktoum's **Kirklees (Ire)** (Jade Robbery), who may be asked to make a quick return by trainer Mark Johnston after winning Sunday's G1 Gran Criterium at the San Siro.

**DECRION BUSY AT DEAUVILLE** Alain Decrion was active during the first session of Arqana's Deauville October Yearling Sale yesterday when snapping up the top-priced colt and filly. The bloodstock agent paid €87,000 for hip [28](#), a King's Theatre (Ire) brother to the smart group performer Rhythm Mad (Fr), who was consigned by Bob Lalement. Later, he went to €72,000 to secure Haras de la Louviere's Verglas (Ire) filly consigned as hip [61](#). Through her female line, the grey traces back to the aforementioned stallion, Verglas, and to MGSW Cassandra Go (Ire). After a slight dip 12 months ago, the session average rose again by 14 per cent to €22,994 and the median was at a healthy €20,000, with the clearance rate also showing improvement. ### LONGCHAMP SET FOR RENOVATION

France Galop President Edouard de Rothschild yesterday welcomed the signing of a new lease for Longchamp and Autueil racecourse. In an agreement with the City of Paris, the way is paved for the long-awaited renovation program of Longchamp. "It is great news," de Rothschild commented yesterday. "Now we can move forward and think about some important work in building a nice racecourse for the future. Nothing has been decided yet, but we need something that welcomes a small crowd in the week and also a huge crowd on Arc day like the 60,000 last week. We can expect work to be completed in 2009, but we have to work hard and if we have to close Longchamp, we will have to decide where the Arc can be staged."
