FINLAND TOPS IN THOUSAND GUINEAS

Prior to the G1 Vinery Thousand Guineas at Caulfield Wednesday, Arrowfield chief John Messara maintained that **Miss Finland (Aus)** (Redoute's Choice {Aus}) would have to win the mile race very convincingly for connections to confirm a tilt at the

Miss Finland

2040-meter G1 Cox Plate. But Miss Finland has possibly posed more questions than she answered, getting to the line in a last-gasp effort to win by a mere eyelash from stablemate **Permaiscuous (Aus)** (Danzero {Aus}) after being allowed to amble along in last. Heading into the home straight, she was angled

out wide and set sail to reel in long-time leader Permaiscuous and **Cheeky Choice (Aus)** (Redoute's Choice {Aus}), beating the former in a finish so close that connections did not think she had won. Messara commented, "That was heart attack material!" Winning rider Craig Williams added, "She's my Miss World, and I'm pretty sure there were plenty of Miss Worlds cheering for the second horse, but we got there on the line."

'MINT' CONSIDERING SPRINT

John and Martha Jane Mulholland's **Malibu Mint** (Malibu Moon) may take on the boys in the \$2-million G1 Breeders' Cup Sprint Nov. 4. Winner of the G1 Princess Rooney H. in July, the four-year-old captured the GIII Thoroughbred Club of America S. last Saturday at Keeneland in her most recent start. "She came out of the race fine; she hasn't missed a step," said trainer Jim Chapman. "She's figuring it all out now--it's a game to her."

U D GHETTO IN GOOD FORM FOR JUVENILE

Lucky Seven Stable's **U D Ghetto** (Honour and Glory) earned a bullet for his 1:01.80 breeze over a sloppy track yesterday at Churchill as he prepares for the \$2-million G1 Breeders' Cup Juvenile. "I was really happy with the way he went," trainer Tony Reinstedler said of the GIII Kentucky Cup Juvenile hero. "He finished up the last quarter in :24 1/5 and galloped out good and strong, so we're in pretty good shape." Reinstedler said the gelding had settled in well at Churchill. "He's always had a lot of ability, but he's just kind of a joker," he said. "He's one of those horses that will try you all the time and you never know what he's going to do. That's why he's a gelding--he was real hard to break, and he's just a handful all the time." U D Ghetto's 17-1 win in the Kentucky Cup came Sept. 30, giving him five weeks between starts. "I think it's a wide-open race," Reinstedler added. "You look at the favorites and they all ran big races this weekend, and I'm coming with a fresh horse. I'm happy about that."

THE STORM IS BREWING FOR STORMY ATLANTIC

Two-Year-Old **LEONNATUS ANTEAS** remains undefeated by winning the \$250,000 Cup and Saucer Stakes at Woodbine on October 15th.

This win comes on the heels of his winning performance in the \$133,856 Vandal Stakes in which he broke his maiden.

☆ NEWS TODAY ☆

UNBRIDLED'S SONG FEE TO \$200K Taylor Made has announced its stud fees for 2007, when flagship stallion **Unbridled's Song** (Unbridled) will have his fee raised to \$200,000. This past year, the 13-year-old stallion has been represented by Grade I winner Magnificent Song and additional graded winners Barracuda Boy, Octave, Rockport Harbor, Splendid Blended and Unbridled Energy. **Forestry** (Storm Cat) will stand for \$125,000 next season, while his son **Forest Danger** will be \$20,000. **Northern Afleet** (Afleet) and **Southern Image** (Halo's Image) will each be \$15,000. The newly acquired **Officer** (Bertrando), currently second on the freshman sire list with four stakes winners to date, will stand for \$40,000 in 2007. "When setting these fees our goal was to strike a balance between breeding an appropriate number of mares the stallion can handle, maintain the stallions competitiveness in the current environment of large books yet giving breeders the opportunity to breed their mares when they need to be bred," said Ben Taylor, Taylor Made's vice president of stallions. "We are also acutely aware that a large percentage of yearlings by our stallions end up in the sales ring, so we believe that we have our stallions priced at a number where their yearlings should appeal to a wide range of yearling buyers allowing breeders a solid return on their investment."

EL GRAN SENOR EUTHANIZED Champion **El Gran Senor** (Northern Dancer--Sex Appeal, by Buckpasser) was euthanized yesterday morning due to the infirmities of old age at Ashford Stud in Versailles, Kentucky. The 25-year-old stallion had been pensioned since 2000.

El Gran Senor (1981-2006)
news.bbc.co.uk

"It's a sad day as El Gran Senor has been with us from the very beginning," said Dermot Ryan, Ashford's manager. "I'd like to make special mention of Richard Barry, who has taken great care of the horse for almost 20 years." Bred by E.P. Taylor, El Gran Senor carried Robert Sangster's colors with great distinction on the racecourse while trained by Vincent O'Brien. He was named champion at two in a season capped by victory in the G1 Dewhurst S. At three, the bay won the G1 2000 Guineas and the G1 Irish Derby, with his only loss coming by a head in the G1 Epsom Derby. He entered stud at Windfields in Maryland in 1985 before heading to Ashford. Though plagued with fertility problems, El Gran Senor did sire 53 stakes winners from 16 crops (13 percent). Among his best runners were champions/highweights Lit de Justice, Rodrigo de Triano, George Augustus, Winter Quarters, Flowing, Kundalini and Helmsman. He also sired an additional eight Grade/Group 1 winners topped by Toussaud, whose race record has been surpassed by her accomplishments in the paddocks. Named Kentucky's Broodmare of the Year in 2002, she is the dam of four Grade I winners to date, including Classic winner Empire Maker.

DARSI RETIRED His Highness the Aga Khan's **Darsi** (Fr) (Polish Precedent--Darashandeh {Ire}, by Darshaan {GB}) has been sold to Highflyer Bloodstock and has been retired, it was announced yesterday. This year's G1 Prix du Jockey-Club winner had not raced since finishing fifth in the G1 Irish Derby at The Curragh in July. "He was having a rest and we had a good offer," the Aga Khan's Racing Manager Georges Rimaud told *Racing Post*. "We looked at the options, which included keeping him in training next year, but we decided to sell. He was a brave and courageous horse who had both speed and stamina." Overall, Darsi won three of his six starts and earned €935,100. Stud plans have not been announced.

MOSCOW BURNING TO SELL AFTER CAL CUP

Millionaire **Moscow Burning** (Moscow Ballet) will make her final career start in the Oct. 28 TVG California Cup Distance H. at Oak Tree and will depart for the Midwest soon thereafter. The six-year-old is scheduled to go under the hammer as [hip 193](#) at the Keeneland November Sale as part of the Three Chimneys consignment. Most recently seventh, beaten 13 lengths behind Wait a While in the GI Yellow Ribbon S. Sept. 30, the bay mare faces a much easier task in the 10-furlong Distance H., a race she won in 2003 and 2005. Trainer Jim Cassidy has given the call to Patrick Valenzuela. The veteran conditioner is taking another swing for the fences on Cal Cup Day, sending out the three-year-old **Purfectly Fitting** (Iron Cat) against **Cambiocorsa** (Avenue of Flags) in the \$150,000 John Deere Distaff S. on the hillside turf course. Cambiocorsa is perfect in seven tries at the specialist trip, but do not count Cassidy among the frightened. "We're going to kick Cambiocorsa's ass," he said boldly.

SURGERY FOR HORSE GREELEY

Horse Greeley (Mr. Greeley), the GII Del Mar Futurity winner, is scheduled to undergo surgery Saturday to remove a chip from an ankle. Dr. Wayne McIlwraith will preside over the operation. "I'll know more about the colt's status after the procedure," Hall of Fame trainer Richard Mandella said yesterday. "You never know how bad things are until you go in there." A homebred for Ray and Martha Parfet, the son of MGISP Chile Chatte (Storm Cat) was the 13-10 favorite for the GII Norfolk S. at Oak Tree Oct. 8, but was bumped at the start, raced wide around the first turn and was eased late. To date, Horse Greeley has a pair of wins from four starts and earnings of \$192,400.

TRACK EMPLOYEE HAS TWO BOUND FOR CUP

Hollywood track feedman Steve Warner, a small-time breeder, is jointly responsible for two Breeders' Cup candidates, GI Breeders' Cup Sprint hopeful **Thor's Echo** (Swiss Yodeler) and **Dancing Edie** (Moscow Ballet), who will take her place in the GI Breeders' Cup F/M Turf. "I bred three mares to California stallions, and two are going to the Breeders' Cup," said Warner, counting his blessings. "What are the odds of that: 5,000,000 to 1?" Winless in 2006, G1 Dubai Golden Shaheen second-place finisher Thor's Echo comes into the Sprint off a one-length runner-up effort to Bordonaro in the GI Ancient Title Breeders' Cup S. Oct. 7; he will likely meet that rival on again under the Twin Spires. Dancing Edie, victorious in the GI John C. Mabee H. at Del Mar July 22, was beaten 4 1/2 lengths when runner-up in the GI Yellow Ribbon S.

HIGH LIMIT TO CLOVERLEAF II Gary and Mary West's **High Limit** (Maria's Mon--Known Romance, by Known Fact) has been retired from racing and will begin his stud career in 2007 at Cloverleaf Farms II in Reddick, Florida. "We are very excited to stand such a talented race horse," said Brent Fernung, general manager of Cloverleaf Farms II. "Like his sire, High Limit showed ability early, and we confident that he will do the same for his progeny." Bred in Kentucky by Brookfield Farm, High Limit won his first two career starts by a combined 18 1/2 lengths and became a leading representative of his generation with a four-

Horsephotos

length victory in the GII Louisiana Derby in his 2005 seasonal debut. Second to Bandini as the favorite in the GI Toyota Blue Grass S., the \$145,000 Keeneland September yearling purchase was also placed in the GIII Leonard Richards S. after contesting the first two legs of the Triple Crown for trainer Bobby Frankel. His four-year-old campaign began with victories in the GII San Fernando Breeders' Cup S. and the GII Strub S., but he was beaten by Lava Man in the GI Santa Anita H. in March, a race in which he suffered a career-ending injury. From the family of Dance Teacher and Gold Mover, High Limit heads to the breeding shed with a record of 12-5-1-1 and earnings of \$922,500. A stud fee will be announced at a later date.

FOG'S CANCER EXTENSIVE, NECROPSY REVEALS

By Debbie Arrington

Courtesy www.bloodhorse.com

The deceased champion sprinter Lost in the Fog's cancer was much more extensive than originally believed and most likely had been growing for many months. Results of the necropsy, released Oct. 18, showed a gigantic tumor that compromised several of his internal organs. Located directly below his spine, one inoperable lymphoma ran almost the length of the colt's back. Doctors at University of California at Davis, where the necropsy also was performed, originally thought that tumor to be about one foot long. "It went all the way from his pelvis to invade and erode his diaphragm and chest cavity," said Dr. David Wilson, director of UCD's large animal clinic, who was part of a large team of veterinarians and specialists who worked with the horse. "It also involved his arteries, kidneys and intestinal organs. It actually invaded one kidney and compressed both. It came right up against his aorta. He had experienced swelling in his hind legs and that was no doubt caused by the tumors pressing on blood vessels." In earlier tests, the large tumor had been partially hidden from view by other organs. In addition to the gigantic growth, Lost in the Fog also carried a tumor the size of a football in his spleen.

STRONG FINALE AT DEAUVILLE ARQANA's Deauville October Yearling Sale concluded on a high note yesterday, with the final session proving much the strongest of the three days and resulting in huge increases across the board. Trainer Pia Brandt was responsible for the sale topper when paying a record

Hip 338 - Poliglote colt
www.deauville-sales.com

€200,000 for hip [338](#), a colt by Poliglote (GB) out of the listed scorer Nouvelle Reine (Ger) offered by Haras de la Rebourriere et de Montaigu. Poliglote is the sire of this year's G2 Grand Prix de Deauville winner Irish Wells (Fr); this colt is from the immediate family of the 2004 G3 Premio Dormello winner Nouvelle Noblesse (Ger), as well as being a half to the listed

scorers Nouvelle Fortune (Ire) and Nobilissima (Ger). The Scandinavian-born Brandt, who is based in Chantilly, purchased the colt on behalf of owner Hans Troedsson, who is also the driving force behind British-based conditioner Roy Kvisla.

The session opened with a bang when Haras de Fresnay le Buffard's colt by Hernando (Fr) equaled the previous day's top price of €135,000. Bloodstock Agent Paul Nataf took away hip [321](#), a son of the listed winner Moon is Up (Woodman), herself a daughter of the great Miesque and therefore a close relative of Kingmambo and half to East of the Moon. Nicolas Clement, who has had a profitable year thanks to the exploits of his G1 Prix Jean Prat winner Stormy River (Fr), went to €100,000 to purchase a colt bred on the same lines. Hip [382](#) is by that stable star's sire Verglas (Ire) out of the second dam of Stormy River consigned by Haras de la Haie Neuve. In total, the rousing final session meant that the overall gross of €8,635,500 surpassed the equivalent 12 months ago by over €2.5 million, with the average of €21,481 up by over 27 percent and median of €16,000 up 23 percent on last year. "The Deauville October yearling sale has now advanced in each of the last five years, which is a reflection of the growing quality of commercial breeding in France," Olivier Delloye, ARQANA's managing director, commented. "Several top-class international performers have come out of this sale, including horses like Gorella (Fr), Stormy River and Linda's Lad (GB) this year, and have been sold at every range of price. In recent years, the sale has also regularly produced top juveniles." Full results are available on

Congressional Races Tighten

Democrats need to take at least 15 seats to gain control of the House of Representatives in the Nov. 7 elections. Pollsters predict up to a 30 seat change. The chances of a Democratic takeover have increased due to the President's low popularity numbers, the Iraq war and recent scandals, but running the table of competitive seats remains a tall order for the minority party.

Key states for House races include Pennsylvania, Ohio, Montana, Rhode Island, Missouri, Virginia, Tennessee and New Jersey.

To gain control of the Senate, Democrats need to win a net of six seats for a 51-seat majority.

TOP SPRINTER GOODRICKE TO OVERBURY

Last year's highweighted three-year-old sprinter **Goodricke (GB)** (Bahamian Bounty {GB}--Star {GB}, by Most Welcome {GB}), winner of the 2005 G1 Sprint Cup S. at Haydock for Darley, has been retired and will take up stud duties at Overbury Stud in Gloucestershire. Goodricke remains in Darley's ownership and will stand for £4,000, live foal. "Goodricke was a big-priced yearling, an early two-year-old and a champion sprinter at three," said Simon Sweeting of Overbury Stud. "He's the epitome of what many breeders are aiming to breed, and he's from an outstanding speed heritage. I'm delighted to be standing him." Goodricke, a 110,000gns yearling acquisition by Sheikh Mohammed, won two of his first three starts as a two-year-old of 2004 before coming back at three to place second in the G1 Prix Maurice de Gheest. In his next start, Goodricke secured a one-length tally in the Sprint Cup and was later named champion sprinter in his division off the win. Remarkably, his year-older full-brother Pastoral Pursuits (GB) was also the highweighted sprinter in England last year in his division. Her sons' accomplishments earned their dam Broodmare of the Year honors. Goodricke was first or second in nine of 13 starts and earned over \$400,000.

MUNRO OUT FOR A YEAR

Alan Munro will not ride until August 2007 as a result of investigations into his convulsion suffered in August. After attending a hearing of the Horseracing Regulatory Authority yesterday, the 39-year-old jockey was informed that he would have to undertake a 12-month "observation period" from the incident, which occurred en route to Deauville for the ride on Dutch Art (GB) in the G1 Prix Morny. "I don't see this as the end of my career," he told *Racing Post*. "They have given me a one-year observation period, at the end of which I will be reexamined and retested, then, based on that, hopefully I will be relicensed."

CAPTAIN RIO COLT TOPS FIRST YEARLING SESSION

Bobby O'Ryan is a regular buyer at Doncaster and he was on hand to purchase the top-priced lot, hip [610](#), for 40,000gns at yesterday's first yearling session of the October Sale. The bay colt, from the family of the top-class Aube Indienne (Fr) and Mare Nostrum (GB) consigned by Trickle-down Stud, is eligible to run in the £300,000 Doncaster St Leger Yearling S. Later, O'Ryan went to 20,000 guineas to secure the top-priced filly, a daughter of Namid (GB) consigned by Ringfort Stud as hip [673](#). The sale concludes today with a session starting at 11 a.m. Complete results are available on www.dbsauctions.com.

IMPERIAL STRIDE QUESTIONABLE FOR CUP

Godolphin's **Imperial Stride (GB)** (Indian Ridge {Ire}) is in doubt for the G1 Caulfield Cup on Saturday in Melbourne with spokesman Alan Byrne saying the five-year-old was sore with a suspected stone bruise. "After hand-walking this morning he was showing discomfort in his near fore," said Byrne. "On inspection he had heat in the near fore and, after the farrier removed the shoe, he was much more comfortable. It looks like a stone bruise." Imperial Stride won the Listed Foundation S. Sept. 20 and, after being reunited with him for a canter at Sandown quarantine center this week, jockey Kerrin McEvoy said he was pleased with the progress the horse had made since. Imperial Stride's record includes wins in the G2 Scottish Derby at Ayr and the G3 September S. at Newmarket.
