FINAL BC TUNE-UP FOR OUIJA BOARD

Ouija Board (GB) (Cape Cross {Ire}), the 8-5 morning-line favorite for GI Breeders' Cup Filly and Mare Turf, had her final tune-up for Saturday's race with a three-furlong move over the Churchill lawn in :44. The well-traveled mare impressed trainer Ed Dunlop. "She flourishes whenever she goes and puts on weight whenever she goes abroad," Dunlop said. Ouija Board will be making her third appearance in the F/M Turf after winning the race in 2004 and finishing second last year. In 2006, the five-year-old has made seven starts. "There have been a lot of questions about the amount of racing she has had this year, but Ouija Board's a freak. She takes her racing well and looks after herself at home. She'll give her best [on Saturday], I hope," Dunlop added. After ending the year with a trip to Asia, Ouija Board will be retired. "It's been well-documented this is her last year--she goes to Kingmambo--and hopefully she'll go from here to Japan and then Hong Kong before retirement. It's been a great story and I'll certainly never have another one like her," her trainer concluded.

JUVENILE HOPEFULS ON TRACK

A pair of juveniles completed preparations for Saturday's Breeders' Cup yesterday at Churchill. English invader **Satulagi** (Officer), prepping for the Juvenile Fillies, went four furlongs from the gate in :50 4/5. "She was very good at the stalls," said trainer Stan Moore. "She jumped off at the sound of the bell, and breezed to the finish post. The assistant starter said she did everything perfectly and that he was happy with her." The Juvenile Fillies will be Satulagi's first start on the dirt, although she did debut with a third-place finish over the all-weather track at Lingfield in March. She is coming off a fourth-place effort in the Sept. 23 G1 Fillies' Mile S. Juvenile hopeful **Street Sense** (Street Cry {Ire}), third in the Oct. 7 GI Breeders' Futurity, worked an easy four furlongs yesterday in :50 4/5. "We wanted :51, :52," said trainer Carl Nafzger. "I guess that fifth of a second won't bother us. He did it perfect. I think we're ready."

SANGRITA WINS CHILUKKI

Sangrita (Mr. Greeley), looking to win her second straight off a seven-month layoff, drove clear to a two-length victory in yesterday's GII Chilukki S. at Churchill Downs. Sent off at 9-2, the bay filly attended the pace through fractions of :23.00, :46.17 and 1:10.76. She put her head in front entering the stretch, turned back the challenge of **Indian Flare** (Cherokee Run) and was pulling clear as favored **Joint Effort** (Runaway Groom) closed for second. "This filly is lightly raced, but she has lots of heart," said winning trainer Michael Matz, making his first trip to Churchill since Barbaro captured the GI Kentucky Derby in May. "She showed that today."

CLASSIC - POWERED BY DODGE, \$5,000,000, 3yo/up, 1 1/4m

Surrounded by cameras, Classic favorite **Bernardini** (A.P. Indy) went out for his first visit to the Churchill track yesterday morning. After the striking sophomore galloped 1 1/4 miles and schooled in the gate, trainer Tom Albertrani pronounced himself satisfied with his charge's condition. "He's doing super," Albertrani said. "I couldn't be happier with him at the moment."

MG1SW **David Junior** (Pleasant Tap), scheduled to make his dirt debut in the Classic, schooled in the paddock and galloped on the main track Thursday. "I was very happy with what I saw today," trainer Brian Meehan said. "We let him stand in the paddock and have a look around to get him used to his surroundings." Meehan isn't concerned about David Junior handling the dirt. "We have a Polytrack at the farm [in Manton, England]," he explained. "And we have several bends on it, so he's trained for American racing, even though he hasn't run on anything but turf."

Frankel. "I'll be on the lead, I'll be saving all the ground and I'll be 10-1," Frankel said. "There are some reasons to like him." According to Frankel, the Mile might just set up perfectly for Badge of Silver. "I looked at the race pretty good and there's not a lot of speed in it this year," he said. "In other years there has been, but not this

year. I don't think [anyone] is going to want to run with him. If they do, they'll compromise themselves. So if he gets loose up front..." Badge of Silver will retire after Saturday's race. "If he can win a Breeders' Cup race--well, obviously, that's greatly to his advantage," Frankel said. Since running in January, Badge of Silver had surgery to remove chips in his ankle, then an abscess knocked him out of the Saratoga meet, but Frankel thinks the six-year-old will be ready to run Saturday. "I didn't have any trouble getting him fit," the Hall of Famer said. "He's there. He's a very generous horse in the mornings. He's ready--and you never know."

G1 Acorn S. winner **Bushfire** (Louis Quatorze) has never started on the turf, but she tried out the lawn yesterday when the main track came up sloppy at Churchill. "I'd rather not have her gallop over the main track when it's in that condition," explained trainer Eddie Kenneally after the sophomore filly galloped 1 1/2 miles over the turf. "I had to do a little something with her, but I didn't want to risk anything in that slop. It was her first time on turf. Maybe we could run in the Mile next year?"

GII CHILUKKI S. Sangrita (Mr. Greeley) drives to second straight victory.

Sangrita Takes Chilukki (cont. from p1)

The lightly raced **Sangrita** (Mr. Greeley) romped to a 12 3/4-length maiden victory at Gulfstream last February, but went to the sidelines after a fifth-place finish behind Breeders' Cup Distaff hopeful Bushfire in the Mar. 18 Florida Oaks at Tampa Bay Downs. The Matz homebred returned with a wire-to-wire 3 3/4-length allowance victory at Delaware Park Oct. 9. "We lost the mare [Alvear] last year, but we were lucky enough to get two fillies from her," trainer Michael Matz said. "This is an exciting win for us." The race went according to plan for winning rider Edgar Prado. "We just wanted to lay a nice second or third, and just press the pedal when it was time to go," Prado said. "I was very happy where I was." Prado thinks Sangrita is on the improve. "I think she's getting better," he said. "She ran a good race down at Gulfstream. At the time she had some breathing problems. But Mr. Matz corrected those problems and today you can see what she can do."

Opened up to the original nominees and redrawn after Aqueduct's cancellation last Sunday, the Nashua has attracted a pair of stakes winners to face a number of impressive maiden winners. Unbeaten **Adore the Gold** ships in from Delaware for trainer Michael Gorham. After romping by 10 3/4 lengths against \$50,000 maiden claimers Sept. 11, the dark bay stretched out to 1 1/16 miles and captured the Dover S. Oct. 21. **Xchanger**, a game winner of the GIII Sapling S. at Monmouth Sept. 4, lost his perfect record when sixth in Scat Daddy's GI Champagne S. Oct. 14. Among those making stakes debuts are **Sightseeing**, who rallied up the rail for a game victory going 8.5 furlongs at Belmont Sept. 28 in his third start; and **Day Pass**, who put in a wide run to take his Oct. 7 debut going 5 1/2 panels.

Congressional Races Tighten

Democrats need to take at least 15 seats to gain control of the House of Representatives in the Nov. 7 elections. Pollsters predict up to a 30 seat change. The chances of a Democratic takeover have increased due to the President's low popularity numbers, the Iraq war and recent scandals, but running the table of competitive seats remains a tall order for the minority party.

Key states for House races include Pennsylvania, Ohio, Montana, Rhode Island, Missouri, Virginia, Tennessee and New Jersey.

To gain control of the Senate, Democrats need to win a net of six seats for a 51-seat majority.

☆ NEWS TODAY ☆

CAPTAIN SQUIRE RETIRED Millionaire **Captain Squire** (Flying Chevron--Dolly's Back, by At the Threshold) has been retired after being pulled up as the even-money favorite in Wednesday's seventh race. The Grade I-winning seven-year-old was in for an \$80,000 tag in Wednesday's 6 1/2-furlong optional claimer. "He bled and doesn't need to run anymore," said trainer Jeff Mullins. "The owners gave him to my wife. She's going to make a dressage horse out of him." Captain Squire won last year's GI Ancient Title Breeders' Cup S., as well as the 2002 GI Lazaro Barrera Memorial S. He was third in the 2003 G1 Dubai Golden Shaheen and fourth in that race this year. "He was my first graded-stakes winner when I probably had 10 horses," Mullins said. "He's a special horse. He was the first real horse I ever had. He was a little tough, but he had plenty of personality." On the board in 25 of 35 starts, Captain Squire won nine times and earned \$1,304,271.

WUNDERWOOD EUTHANIZED **Wunderwood** (Faltaat--Jasoorah {Ire}, by Sadler's Wells), shipped to Australia in hopes of contesting Tuesday's G1 Melbourne Cup, sustained a fractured left pastern and was euthanized, according to Racing Victoria. The seven-year-old gelding was midway through his morning exercise when the accident occurred. "I hoped he'd pulled a shoe off at the time, but we were fearful that it was something worse, and I'm afraid it was," trainer David Elsworth said at a press conference. "It's the worst kind of thing that can happen. We live with these horses and we get very close to them. It's upsetting and it's like losing a friend or a member of the family." Bred in Kentucky by Darley, the bay didn't race until four, but developed into a useful handicapper and captured the Listed Braveheart H. in 2005. He had been pointed for the Melbourne Cup by Elsworth this season and tuned up for his voyage Down Under by defeating MG1SW Collier Hill (Ire) in a Salisbury conditions race Aug. 31 in what would be his final career start. Wunderwood's record was 27-9-4-2 with earnings of £136,234.

"We say it every year," said David Chester, the company's managing director. "But next year's sale will be our best ever. We knew at the time entries closed a few months ago that we would be able to assembled a first class catalogue, and this is certainly the case." Among the established sires represented are Anabaa, Dehere, Encosta de Lago (Aus), Elusive Quality, Fusaichi Pegasus, Galileo (Ire), Giant's Causeway, Redoute's Choice (Aus), Red Ransom, Rock of Gibraltar (Ire), Sadler's Wells, Stravinsky and Zabeel (NZ). BREEDERS' CUP XXIII

November 3, 2006

LIKE FATHER, LIKE SON?

Three-year-olds have not always had the best of it in the GI Breeders' Cup Classic. While there have been seven sophomore Classic winners, they are just one-for-six when sent off the favorite. But the one that proved the exception rather than the rule was '92 hero A.P. Indy, who capped a Horse of the Year campaign with a two-length victory over Pleasant Tap as the 2-1 choice. His son, **Bernardini**, will be much shorter odds to follow in his father's footsteps tomorrow, but that hasn't discouraged the competition. A dozen rivals will crowd into the starting gate for the opportunity to bring Bernardini back down to earth. Trainer Murray Johnson, who will saddle **Perfect Drift** (Dynaformer) for an unprecedented fifth Classic attempt, believes the colt can be beaten. "He is an incredible individual, a great horse with impeccable breeding. He's dominated the three-year-olds," Johnson said, but added, "He's going to have to step up. He's in the pros now, against the very best. All the other horses have been doing it for a long time and against other good horses over the years. He's going to have to step up and show he can do it." Bernardini's connections are undaunted. "With every race he gets better and stronger," trainer Tom Albertrani said. "He's an amazing horse. Right now, he's doing as good as he's ever done. This is going to be his most difficult task, but he's up to it." A Classic victory would guarantee Bernardini year-end honors, as it did A.P. Indy, but it will be a loss if his career mirrors that of his father's in another way. A.P. Indy was retired to Lane's End after the Classic; this race could be the last chance racing fans have to see his striking bay son in action if Sheikh Mohammed decides to forego a four-year-old campaign and send the stable star to stud.

Short on Defense...

For the first time in the event's history, not one Breeders' Cup champion from the previous year will return to strut their stuff at the World Championships. Only two are still in training, with Sprint hero Silver Train on the sidelines after running fifth in the Oct. 7 GI Vosburgh S., and Juvenile winner Stevie Wonderboy trying to get back on track after a series of setbacks. But three that ran second last year will try to go one better. **Flower Alley** (Distorted Humor), beaten just a length by Saint Liam at 10-1 in the 2005 Classic, will be less fancied after a disappointing '06 campaign, but trainer Todd Pletcher is hopeful the colt will show his true colors tomorrow. "We're hoping he can go back and rediscover his old form, because if he can run back to any of those races, he belongs right with these horses," Pletcher said. **Henny Hughes** (Hennessy), runner-up in the '05 Juvenile, is the choice for the Sprint, and F/M Turf contender **Ouija Board (GB)** (Cape Cross {Ire}) is favored as well. She tries to follow in the footsteps of Da Hoss, who is the only horse to date to skip a year between BC wins, taking the Mile in 1996 and, after a long hiatus, in '98. Ouija Board earned an Eclipse after her popular triumph in 2004, but couldn't catch the free-running Intercontinental (GB) last year, coming up 1 1/4 lengths short.

Best of Luck to All the Breeders' Cup Connections!

Leader of the Pack...

What a difference six months can make. In May, a regally bred but untested colt named **Bernardini** was merely a blip on the radar of most racing fans. Now, on the eve of the Breeders' Cup, all eyes are on the superlative three-year-old, who rides a six-race winning streak into the Classic. Bernardini's skein includes the GI Preakness S.-- at what now seems an absurd 12-1--the GI Jim Dandy S., the GI Travers S., and a 6 3/4-length tally in the Oct. 7 GI

Bernardini Adam Coglianesse

Jockey Club Gold Cup. The Darley Stable homebred is now just one win away from giving Sheikh Mohammed's operation its first American Horse of the Year. "This was a plan and a vision that Sheikh Mohammed had a few years ago, with the purchase of the Jonabell and trying to establish a meaningful stallion operation in the U.S.," said Darley President Jimmy Bell. "To have Bernardini come along so early is pretty remarkable."

The Contenders...

Playing Seabiscuit to Bernardini's War Admiral is **Lava Man**. A rags-to-riches story, a \$50,000 claim with a \$3.8 million bankroll, the five-year-old gelding has been unbeatable on the West Coast this year. A perfect seven-for-seven, he completed the sweep of the GI Santa Anita H., GI Hollywood Gold Cup and GI Pacific Classic, all at 10 furlongs, and got the perfect prep for this with a facile win in the GI Goodwood BC H. at Santa Anita Oct. 7.

Lava Man Horsephotos

However, there is one knock against Lava Man. His three starts away from California last year were disastrous, and trainer Doug O'Neill shipped Lava Man to Kentucky just a few days following the Goodwood in an effort to get him as settled as possible for the biggest test of his career.

The Contenders, cont.

The other logical spoiler is **Invasor (Arg)**, the South American sensation. He has annexed all three of his U.S. starts this year, winning the GI Pimlico Special, GI Suburban H. and GI Whitney H., but did lose valuable training time in late September after spiking a fever. No South American-bred horse has ever hit the board in the Classic, and only two have even started in the race: Festin (Arg) in '91 (6th); and Gentleman (Arg) in '98 (eased). Invasor could reverse that form. There are two Europeans who hope to give the continent its first Classic winner since Arcangues' 133-1 shocker in 1993. Both are trying dirt for the first time. Last year's juvenile champ in Europe, **George Washington (Ire)** represents Team Coolmore. He won the English G1 2000 Guineas in May and recently annexed the G1 Queen Elizabeth II S. at Ascot. **David Junior's** wins this year include the G1 Dubai Duty Free and the July 8 G1 Coral-Eclipse S. Off since, he's got more than the surface switch to overcome to figure in the mix here.

Invasor Horsephotos

Wild Card...

That would be **Sun King**. He's tough, durable and is usually right there. Wins have been hard to come by this season for the Nick Zito trainee, but in his last four he's been beaten only a combined 4 3/4 lengths and, if the GI Whitney H. had been nine furlongs and two feet, he likely would have defeated Invasor that day.

Leader of the Pack...

"He fires his shot every time," Hall of Fame trainer Bobby Frankel said of Juddmonte's regally bred **Cacique (Ire)**. The five-year-old has been first or second in five of six Grade I events since transferring to Frankel's barn this term. In his only off-the-board finish of 2006, Cacique was eight wide when a narrowly beaten fourth in his U.S. bow in the Mar. 4 GI F.E. Kilroe Mile H. A winner in the GI Manhattan H. and, most recently, in the Sept. 9 GI Man o' War S., the five-year-old was second in the GI Woodford Reserve Turf Classic, GI United Nations and GI Arlington Million. "He got beat on the square in the United Nations," Frankel explained. "His other races, he could have won them all. You never saw a horse wider in your life than his first start here. He had trouble in the other races he lost, too." Frankel thinks Cacique will have an advantage with the likely course conditions Saturday as well. "One good thing about him, he likes to run on the soft grass," the trainer said. "And this course should be that way Saturday."

Cacique Adam Coglianesse

Wild Card...

Silverfoot looks to be in tough Saturday, but the gray veteran has proven he's at home on the Churchill lawn—he's four-for-four at the Louisville oval. A homebred gelding from Stephanie Clark's Chrysalis Stables, Silverfoot was sixth in last year's Turf. "[Clark] is putting up a lot of money to run him in there, but we're hoping the home-court advantage will give us some kind of an edge, maybe help him step up his game a little bit," admitted trainer Dallas Stewart. Earlier this season, Silverfoot captured his third straight win in Churchill's GIII Louisville H.

Silverfoot Four Footed Fotos

The Contenders...

English Channel has also put together a remarkable 2006 record, with three Grade I victories. One of the vast Todd Pletcher contingent, the four-year-old is coming off a win in the Oct. 7 GI Joe Hirsch Turf Classic Invitational at Belmont Park. "He's doing great," a confident Pletcher said of the chestnut colt. "He finished his last race very strongly and galloped out well. He has bounced back in good order and we're very excited about his chances." In his only Churchill appearance, English Channel won the Woodford Reserve Turf Classic. The always strong European contingent is headed by last year's G1 Prix de l'Arc de Triomphe winner **Hurricane Run (Ire)**, who was installed as the 3-1 morning-line Turf favorite. The bay four-year-old owns four wins at the Turf's 1 1/2-mile distance, but has been slightly off form since opening the year with a strong seven-length victory in the G1 Tattersalls Gold Cup. **Scorpion (Ire)** won last year's G1 Grand Prix de Paris and G1 St Leger S., but was sidelined a year after a 10th-place finish in Hurricane Run's Arc. He returned to run a closing second in the 1 1/2-mile Finale S. last out Oct. 8.

Leader of the Pack...

Fleet Indian, purchased by Paul Saylor earlier this year at KEEJAN for \$290,000, has been the class of the

Fleet Indian *Horsephotos*

division all season, going six-for-six since joining trainer Todd Pletcher's barn. The speedy five-year-old mare won her first five starts this year by a combined 31 lengths, including the GI Personal Ensign S. at Saratoga Aug. 25, but had her first real challenge last time, notching the Oct. 7 GI Beldame S. by a head over

Balletto (UAE) while coming from off the pace. "She won races before from off the pace or a little

bit off the pace, so we weren't surprised, but we were definitely happy to see it because I think it opens up our options on how we can ride her leading into this race," Pletcher commented. "We always knew she was a nice filly and she'd proven that before we got her. But she obviously has exceeded expectations to be perfect this year. We're just hoping she can give us one more big effort."

Wild Card...

Happy Ticket, first or second in 17 of 19 career starts, looks to make amends for an 11th-place finish behind Pleasant Home in last year's Distaff. The pride of Louisiana exited that 30 1/2-length defeat with an entrapped epiglottis and subsequently underwent throat surgery. She returned to her winning ways in her five-year-old bow at Evangeline, and added thrilling second-place finishes in the Mar. 11 GIII Azeri Breeders' Cup S. and the Apr. 8 GI Apple Blossom H. at Oaklawn before annexing the GII Fleur de Lis H. over this strip June 17. Shipped to Del Mar for the GII Clement L. Hirsch H. Aug. 6, she was second-best behind **Healthy Addiction**. The Stewart Madison homebred figures to go off at a solid number here off a sixth-place finish in the Oct. 8 GI Juddmonte Spinster S. at Keeneland after a tardy beginning.

The Contenders...

Even with morning-line favorite Fleet Indian and Grade I winners **Pool Land** and **Spun Sugar** entered in the Distaff, Pletcher remains modest. "Not necessarily," Pletcher said when asked if the Distaff was his best chance at a Breeders' Cup win.

"It's a very competitive race. I think a total of 14 Grade I winners are entered, so it's a large competitive field and obviously a very tough field. I'm very pleased with the way all three fillies are doing. And I think all three have chances to be right there. We're just hoping all three show up and run their race and we'll see what happens."

Pool Land enters the Distaff off a two-length tally in Belmont's GI Ruffian H. Sept. 10. Spun Sugar, heroine of Saratoga's GI Go For Wand H. July 30, didn't seem to care for the Polytrack last time, finishing eighth in the Spinster. Although winless in six attempts this season since returning from a bout with colic, it's hard not to like Balletto. The chestnut has finished second in four out of her last five starts, including narrow defeats behind Spun Sugar in the Go For Wand and Fleet Indian in the Beldame. The Darley colorbearer was runner-up behind Sweet Catomine in the 2004 GI Breeders' Cup Juvenile Fillies at Lone Star.

Leader of the Pack...

...is the ranger **Aragorn (Ire)**. Bred in Ireland, Ballygallon's homebred has thrived in the California sunshine for trainer Neil Drysdale. The liver chestnut comes into this contest flaunting a four-race winning streak: the G1 Shoemaker BC Mile, G1 Eddie Read H., GII Del Mar BC H. and, in his latest, the Oct. 7 GII Oak Tree BC Mile. "He's just a tremendous horse, a tremendous athlete," jockey Corey Nakatani said after the Oak Tree. "When you ask him, he gives it to you." Nakatani will have to time Aragorn's impressive kick perfectly in this full field. Trainer Neil Drysdale saddled War Chant to capture the Mile the last time it was contested at Churchill; that son of Danzig also prepped with a victory in the Oak Tree BC Mile. This will be Aragorn's career finale: he is slated to enter stud in 2007 at Lane's End.

The Contenders...

Gorella (Fr) came up 3/4 of a length short last year when third to two of the division's best, Artie Schiller and Leroidesanimaux (Brz). Her only loss in five 2006 outings came when fifth, beaten 1 3/4 lengths, to the boys in the nine-furlong G1 Woodford Reserve Turf Classic over this course May 6. Since then, her late burst of acceleration has carried her to victories in the GII Just a Game BC H. at Belmont June 10, the G1 Beverly D. S. at Arlington Aug. 12 and the GII First Lady S. at Keeneland Oct. 14. The chestnut will seek to become the fourth individual distaffer to capture the Mile, following Royal Heroine (Ire) ('84), Miesque ('87-88), Ridgewood Pearl (GB) ('95) and Six Perfections (Fr) ('03).

The Contenders, cont.

Araafa (Ire) bids to cap his career on a winning note. The bay shocked George Washington (Ire) in the G1 Irish 2000 Guineas and followed up with a victory in the G1 St. James's Palace S. at Royal Ascot. He was fifth as the even-money favorite in the G1 Sussex S., but returned to run an excellent second to George Washington in the G1 Queen Elizabeth II S. Sept. 23 at Ascot. Three previous Mile winners prepped in the Queen Elizabeth--Miesque ('87), Barathea (Ire) ('94) and Ridgewood Pearl (GB) ('95)--all of them finishing second at Ascot. There is also the "A" team from Ballydoyle, **Aussie Rules** and **Ad Valorem**. Aussie Rules landed the G1 Poule d'Essai des Poulains before finishing out of the frame in his next four starts. Shipped to Keeneland, the grey had blinkers added and was treated with Lasix for the G1 Shadwell Turf Mile Oct. 7. The result? He split horses late and kicked clear, prompting T.J. Comerford, assistant to trainer Aidan O'Brien, to comment, "The horses he's been taking on in Europe have been good, and he's just been knocking on the door. Today, he proved that he's just as good." Ad Valorem, ninth in last year's Mile, returned this season to land the G1 Queen Anne S. at Royal Ascot and comes here off a rallying third in the G1 Woodbine Mile Sept. 17.

Araafa Horsephotos

Wild Card...

Librettist has a great deal of history to overcome if he is to win: only two of the previous 22 winners had been worse than second in their final prep, and one of those, Singletary in 2004, had finished third. The 1985 hero, Cozzene, checked in sixth in his penultimate outing. But Librettist had a fantastic summer in the Godolphin blue, capturing his first five starts in 2006, including the G1 Prix Jacques le Marois at Deauville Aug. 13 and the G1 Prix de Moulin de Longchamp Sept. 3. His skein ended when he ran a controversial sixth in the G1 Queen Elizabeth II S. at Ascot Sept. 23.

Leader of the Pack...

He has been unbeatable in three starts this year, but **Henny Hughes** will have to buck history to become the seventh sophomore to take the Sprint. A quartet of three-year-olds have been favored in the race, but all went down to defeat. Groovy, 2-5 in 1986, was an even fourth; Forestry went off the lukewarm 7-2 chalk in 1999 and also finished fourth; Dayjur, the 5-2 choice in 1990, jumped shadows not once, but twice, and ended up a neck behind Safely Kept; and the ill-fated Lost in the Fog, a 7-10 chance last year, tired to be seventh. The six who have accomplished the feat did so at average odds of 15-1.

Henny Hughes *A Coglianesse*

Henny Hughes does have the credentials to rewrite the books: the chestnut has won six of seven sprint starts. He trounced the competition in his age group in the GIII Jersey Shore BC S. and GI King's Bishop S., and handled a solid field of older horses in the Oct. 7 GI Vosburgh S. But he may be vulnerable after posting a lackluster final work, a half in :51.12 on the Belmont training track Sunday. "He's feeling so good," said trainer Kiaran McLaughlin. "I wanted to do a little more with him [Sunday], but there was a very high wind. All is well."

Wild Card...

Is Henny Hughes the three-year-old to beat in the Sprint...or is it longshot **Too Much Bling**? The gray colt can handle just about any surface, as he proved winning at tracks as diverse as Thistledown, Santa Anita, Aqueduct and Calder. He is versatile, wiring the field in the GII San Vicente S. and coming from off the pace to take the GII Carry Back S. Trainer Bob Baffert decided after that July 15 score that the next stop would be the Breeders' Cup, and the Ohio-bred has trained like a freak for the race, posting a series of bullet works that have him on top of his game.

The Contenders...

Bordonaro would likely be undefeated this season had he not been hit in the face with his rival's whip in the GI Bing Crosby H. in July. The five-year-old gelding crossed the finish line a half-length in arrears of Pure as Gold in that test, but blazed his way to a front-running victory in the Oct. 7 GI Ancient Title BC S., stopping the timer in 1:07 4/5. He has taken his show on the road with success, winning the Sunshine Millions Sprint at Gulfstream and the GIII Count Fleet Sprint H. at Oaklawn Park. Whoever the winner turns out to be, GII A.G. Vanderbilt BC H. winner **War Front** is the perfect candidate to complete the exacta. The four-year-old has been second in five of six 2006 starts, finishing a neck behind '05 Sprint hero Silver Train in the GII Tom Fool H., 2 1/4 lengths adrift of **Pomeroy** in the GI Forego S. and missing by 2 3/4 lengths when runner-up to Henny Hughes in the Vosburgh. Can you say back wheel? **Kelly's Landing** is the horse for the course. The dark bay owns the Churchill track record for six panels, getting the distance in 1:07.59 when taking the GIII Aristides BC H. in 2005, and has been first or second in all four sprint starts at the track. He comes off a rallying victory in the Oct. 7 GIII Phoenix BC S. at Keeneland.

Leader of the Pack...

On paper, the European invader **Ouija Board (GB)** appears to be the one to beat after winning the 2004 renewal of this race and finishing runner to eventual champion turf filly Intercontinental (GB) in last year's edition at Belmont Park. No stranger to Group 1 company, the five-year-old, who comes here off 10 consecutive starts at this level, began the year with a fourth-place finish in the 12-furlong G1 Dubai Sheema Classic at Nad al Sheba Mar. 25. Shortened back to 10 panels for the G1 Audemars

Ouija Board *Horsephotos*

Piguet Queen Elizabeth II Cup at Sha Tin Apr. 23, the dark bay was only a head back in third behind winner Irridescence (SAf) and Best Gift (NZ). Moved up to face the boys for the 12-furlong G1 Coronation Cup at Epsom June 2, the champion found only last year's Turf winner Shirocco (Ger) too tough, but rebounded to defeat G1 Dubai World Cup hero Electrocutonist by a half length in the June 21 G1 Prince of Wales's S. at Royal Ascot. Fifth after encountering plenty of traffic during the running of Sandown's G1 Coral-Eclipse S. July 8, she recovered to eke out a victory over Alexander Goldrun (Ire) and Nannina (GB) in the G1 Nassau S. at Goodwood Aug. 5. Ouija Board appeared to be en route to another victory a furlong from home in the Sept. 9 G1 Irish Champion S. at Leopardstown, but couldn't hold off the oncoming surge of Dylan Thomas (Ire), who was a neck best at the wire.

Wild Card...

Mauralakana (Fr), winner of last year's G3 Prix de Cabourg at Deauville, kicked off 2006 with a win in the seven-furlong Listed Prix Imprudence Apr. 4. A respectable fifth, beaten only 3 3/4 lengths, in the G1 Poule d'Essai des Pouliches May 14, she came from well off the pace to be sixth in the G1 Prix de Diane June 11. The three-year-old concluded her European campaign--and her tenure with Jean-Claude Rouget--with a good third after tracking the early leaders in the 10-furlong G3 Prix de Psyche Aug. 1. Turned over to Patrick Biancone for her U.S. bow, the bay was third behind Karen's Cap and Pommes Frites in the GIII Noble Damsel BC H. at Belmont Sept. 23 before finishing only 3/4 of a length behind winner Vacare in the G1 Queen Elizabeth II Challenge Cup at Keeneland Oct. 14.

The Contenders...

Wait a While looked to have a world of potential with a pair of victories at two, including her only try on the turf, but bumped up her game another notch for her 2006 debut. Given a 3-1 chance over a rain-soaked surface in the nine-furlong GII Davona Dale S. at Gulfstream Park Feb. 4, the grey filly responded in style, winning by a gaudy 14-length margin over Teammate and Wonder Lady Anne L. Third behind that pair in the GII Bonnie Miss S. over

Wait a While *Adam Coglianese*

that track and trip Mar. 5, she had to settle for the runner-up spot behind Bushfire in the G1 Ashland S. at Keeneland. Let go at 8-1 for the May 5 G1 Kentucky Oaks, Wait a While came home an even fourth behind winner Lemons Forever, runner-up Ermine and Bushfire, but was later moved up to third following Bushfire's disqualification. That's the last time the three-year-old tasted defeat. A runaway winner when Belmont's GIII Sands Point S. was pulled off the turf June 3, the \$260,000 OBSFEB juvenile purchase looked like a monster when shipped to the West Coast for the 10-furlong G1 American Oaks at Hollywood July 2. Rolling to a 4 1/2-length winner on the lawn that day, she added another flashy victory in her next outing, the GII Lake Placid S. at Saratoga Aug. 18. "This filly has been most impressive in her races on the grass," said trainer Todd Pletcher. "You don't see many horses dominate on the grass like she has." Not to be denied in yet another sojourn West, Wait a While showed her rivals her heels in the Sept. 30 G1 Yellow Ribbon Invitational S., winning by 4 1/2 lengths and giving the sophomore her third consecutive Beyer figure in excess of a 100. "We have a three-year-old going a mile and three-eighths for the first time and going around three turns for the first time," Pletcher cautioned. "Obviously, when you run against a horse like Ouija Board, you have to run a top race to beat her. Hopefully, she is good enough to step up and take on an older, more experienced mare like that." Five-year-old **Honey Ryder**, winner of last year's G1 E.P. Taylor S., gives the Eclipse Award-winning conditioner's team the added edge of experience. Winner of the GIII Orchid H. and GII Sheepshead Bay H. earlier this season, the grey nosed out ultra-consistent **Film Maker** in the 10-furlong G1 Flower Bowl Invitational at Belmont Oct. 7.

Leader of the Pack...

Circular Quay is not only the lone member of the Juvenile field with a win beneath the Twin Spires. In fact, he has two very eye-catching scores over the surface. Off slowly in his racetrack debut June 15, he flew down the lane to score by 6 1/4 lengths. That was a harbinger of things to come, as the Tabor homebred was steadied at the three-eighths pole of the GIII Bashford Manor S. July 8, but dove to the rail for the drive and whooshed

Circular Quay Adam Coglianesi

home to win by a widening 1 1/4 lengths. Rested for the Saratoga meeting, the chestnut missed the break in the GI Hopeful S. Sept. 4 and found himself some 13 lengths in arrears after a quarter mile. Still last with a half-mile to race, he once again turned in his patented flying finish to hand stablemate **Scat Daddy** a 4 1/4-length defeat. Sent off the 2-5 chalk for the GI Lane's End Breeders' Futurity at Keeneland Oct. 7, he settled in midpack, but was shuffled back to second last as they raced on the far turn. He rallied outside eventual winner **Great Hunter** turning for home and, to his credit, stayed on well enough to win the photo for runner-up over **Street Sense**. "He got some education in that race, and we learned something about Polytrack, too," trainer Todd Pletcher said. "There really isn't a lot to go on, but from the races I've seen on Polytrack so far, you want to be back and make one, strong run."

The Contenders...

J. Paul Reddam knows his way to the Breeders' Cup winner's circle, having bought into Wilko ahead of his victory over Afleet Alex in the 2004 Juvenile. This year he picked up **Great Hunter** after his maiden win at Lone Star in June. The colt was runner-up in his first three starts following his purchase, including the GII Best Pal S. Aug. 13 and the GII Del Mar Futurity Sept. 6, before breaking through with his Breeders' Futurity success. The much-hyped **Scat Daddy** stretched out to the mile for his latest and came from just off the pace to win the GI Champagne S. Oct. 14, but will need to show that he can negotiate the two turns of the Juvenile. "He'll love two turns and he'll love more distance," said trainer Todd Pletcher. "He's a good energy level horse who feels good, acts good, and seems sharp." **C P West** is the most lightly raced of the Juvenile field, having made just two trips to the post. A maiden winner at first asking at Saratoga Aug. 12, he finished nicely to fill the second spot, 3/4 of a length behind **King of the Roxy**, in the seven-furlong GII Futurity S. at Belmont Sept. 23.

Wild Card...

Street Sense will try to make trainer Carl Nafzger only the second trainer to win the Kentucky Derby, Breeders' Cup Classic and Breeders' Cup Juvenile. Runner-up in his July 9 bow at Churchill, he broke his maiden at Arlington, going 6 1/2 furlongs in 1:15 4/5 Aug. 19 ([video](#)). Third in the GIII Arlington-Washington BC Futurity Sept. 19, the Tafel homebred was a deceptively good third in the Breeders' Futurity, where he covered a lot of ground, yet was beaten under two lengths. The dark bay seems to have held his form since his Keeneland race and breezed five furlongs in a solid 1:01 1/5 at Churchill Oct. 26.

11-1 when breaking her maiden Sept. 2. She was a 13-1 outsider in her stakes debut, the Sept. 30 GI Oak Leaf BC S., but earned herself the role of morning-line favorite for the Juvenile Fillies with an impressive performance that afternoon.

The \$70,000 Barretts March juvenile had to break from post 10 in what was her

two-turn bow, but quickly moved into contention. She pressed the pace early, took control on the turn and drew away to a 4 3/4-length tally. "I don't think we've seen the best of her yet," trainer Craig Dollase said. "I'm hoping she'll take to this surface here--I'm pretty sure she will. We'll keep our fingers crossed."

The Contenders...

Trainer Todd Pletcher sends out a solid duo in **Cotton Blossom**, a troubled fourth in the Oct. 6 GII Darley Alcibiades S. at Keeneland; and **Octave**, who finished in a dead-heat for second in the Sept. 23 GI Matron S.

last time out. Pletcher opted to make that Octave's final outing before the Breeders' Cup. "She ran a big race, and rather than try and squeeze another race between there, we thought it made more sense to just focus on the Breeders' Cup," he said. "I thought the extra time would help her." Last year, Pletcher mentor D. Wayne Lukas used the Matron-to-Juvenile Fillies route for Folklore, and was rewarded with a 1 1/4-length score. **Bel Air Beauty** was a 47-1 maiden while making her second start in the Alcibiades, but came from off the pace to post the upset. "She came out of her last race well and we're very happy," trainer Frank Brothers said.

Wild Card...

Her Majesty followed a four-length maiden score at Turfway with a troubled third-place finish in the Alcibiades. She prepped for the Juvenile Fillies at Keeneland, going five furlongs in a bullet :58 3/5 Oct. 25 and a half in a bullet :47 Nov. 1. Trainer Patrick Biancone believes his charge is ready for her Breeders' Cup close-up. "If she were not, she would not run," Biancone said.

NYRA FILES FOR CHAPTER 11 PROTECTION

The New York Racing Association announced yesterday that it has filed a voluntary petition under Chapter 11 of United States Bankruptcy Code with the U.S. Bankruptcy Court for the Southern District of New York. "We always viewed filing for Chapter 11 bankruptcy protection as a last option and, regrettably, NYRA's Board of Trustees felt that we were required to take this action to protect New York's Thoroughbred racing industry," NYRA President and CEO Charles Hayward said in a statement. "The goal of the filing is to maintain the current schedule of racing dates, purse structure, stakes program and all other racing operations. Chapter 11 bankruptcy does not mean going out of business. In fact, it is a constructive process that allows NYRA the opportunity to achieve financial reorganization while continuing to conduct world-class Thoroughbred racing without interruption." On Monday, NYRA rejected \$19-million of a previously approved \$30-million state bailout, citing concerns over restrictions and conditions imposed by the Non-Profit Racing Association Oversight Board. NYRA continues to wait for final approval for construction of lucrative video slot terminals at Aqueduct. "It is unfortunate and frankly inexplicable why the State Lottery Division could not work out the details necessary to get the VLT construction underway at Aqueduct," said C Steven Duncker, chairman of the NYRA Board of Trustees. "It is all the more mystifying given the fact that VLTs have been put in operation at eight non-NYRA tracks around the state."

BOWMAN'S BAND TO LANE'S END Millionaire Bowman's Band (Dixieland Band--Hometown Queen, by Pleasant Colony), whose first foals arrived this year, will stand the 2007 breeding season at Lane's End Farm near Versailles, Kentucky. His stud fee will be \$6,000 as the property of Maryland Stallion Station and Martin Schwartz and, beginning today, he will be available for inspection at the stallion open house at Lane's End. The chestnut began his breeding career in 2005 at Maryland Stallion Station, a joint venture with Lane's End. "Bowman's Band is a great looking, big-boned, very sound son of Dixieland Band that we think breeders will love and he represents great value at \$6,000," said Bill Farish. "Breeders have been very supportive of Bowman's Band since he first retired, and we think that will continue with his move to Kentucky." Winner of the 2003 GII Meadowlands Breeders' Cup S. in Schwartz's colors, Bowman's Band was the runner-up in the GI Metropolitan H. and GI Oaklawn H., and was the third-place finisher in the GI Whitney H., GI Pimlico Special H. and GI Woodward S. He retired at the end of 2004 with a record of 34-7-11-6 and earnings of \$1,315,774.

Memorial Fund Established for Kathleen Riley Torok:

A memorial endowment has been established in honor of Kathleen Riley Torok, a Keeneland employee who was killed in an automobile accident Oct. 12. The fund will be administered by Blue Grass Community Foundation. An advisory committee comprised of Kathleen's family will oversee the distribution of the funds to various organizations and programs that reflect her interests. Thoroughbred owner Martin Schwartz made the announcement of his intention to create the fund after he won Keeneland's GII First Lady S. and pledged 10 percent (\$25,000) of his winner's purse from the race. "We are so deeply touched by this outpouring of love for Kathleen," said Dale Torok, Kathleen's husband of 17 years. "She was a very special person who was passionate about helping those in need. Through this endowment, we will be able to continue supporting the many causes to which she contributed her time and talents." Tax deductible contributions to the fund can be made through Blue Grass Community Foundation, 250 W. Main St., Suite 1220, Lexington, Ky 40507, or by visiting www.bgcf.org.

Adoradora Ready for Sharp Cat:

Adoradora (Mr. Greeley) failed to draw into the over-filled GI Breeders' Cup Juvenile Fillies, so the dark bay will instead start in Sunday's Sharp Cat S. at Hollywood Park. "I know the owner was disappointed, because it was his dream to go to the Breeders' Cup," said trainer Jesse Mendoza. "But I'm wide open. Her chances are certainly better here." Adoradora has raced only twice, running second in her debut at Del Mar Sept. 6 before a fifth-place effort in the Sept. 30 GI Oak Leaf Breeders' Cup S. "She had two bullet works here and worked a half-mile in :47 Sunday," Mendoza said. "And I was able to get Alex Solis to ride her. She looks all set." Mendoza, a long-time assistant to Gary Jones, is looking for his first stakes win after celebrating his 43rd birthday Saturday. "If she comes through, that would be a pretty good birthday present," Mendoza said.
