J'RAY OF SUNSHINE

Unbeaten going 1 1/16 miles on the grass, J'ray (Distant View) looks to keep that record intact in today's GII Mrs. Revere S. at Churchill Downs. The chestnut filly capped a four-race winning streak in the Jan. 1

J'ray Jim Lisa Photo

Tropical Park Oaks, then went to the bench. Returning as the 6-5 favorite in the Apr. 23 Appalachian S., she was bumped late and had to settle for third, then was sidelined once again. "She got banged up at Keeneland and we just decided to give her a little bit of a break," said Mike McCarthy, assistant to trainer Todd

Pletcher. Out of action for six months, the New York-bred made her comeback on the Keeneland Polytrack, running a close-up sixth in the Oct. 20 GIII Valley View S. "She just had a couple of little things that held her back," McCarthy said. "Hopefully we can get her on schedule here." Valley View winner **Meribel** (Peaks and Valleys), first or second in five of seven on grass, won two in a row at Saratoga before falling a neck short behind **Precious Kitten** (Catenus) in the Sept. 30 Martha Washington S. at Laurel. She turned the tables last time, beating that rival by a half length. **Quite a Bride** (Stormy Atlantic) took her first four on turf, including the July 4 GIII Boiling Springs S. Third in the GIII Lake George S. and seventh in the GI Garden City BC S., she wired the field in the Oct. 9 Pebbles S. last time out.

NOVEMBER FOALS STAGE ROUSING FINALE

It was a tumultuous final session of the foal section of the Goffs November Sale yesterday, with the average rising more than 20 percent and the median showing an increase of 48 percent on 12 months ago. Just last year, a strong last day saw the average soar by 71 percent on the 2004 session equivalent, resulting in a 44-percent increase in average over the five days, but that achievement was put in the shade by record trade yesterday. Last year's gross, €17,711,200, was surpassed by nearly €6 million, and a total of 35 foals made €100,000 or more. Managing

Director Matt Mitchell heralded the dramatic surge in the sale's fortunes. "This sale has gone from strength to strength in recent years and we must acknowledge with gratitude the terrific support of our vendors for what has been an incredible week," he said. "There is strength in all sectors of the market, with the domestic market being particularly strong. This week's sale has been helped by the presence of new purchasers, many of whom are based in Ireland." At the center of the storm was bloodstock agent Richard O'Gorman, who paid €320,000 for the sale's top-priced foal, a colt by the Dalham Hall incumbent Tiger Hill (Ire). Consigned by Eimear Mulhern's Abbeville and Meadowcourt Studs, hip 998 is a half brother to His Highness the Aga Khan's smart juvenile filly Four Sins (Ger), who took a competitive Curragh conditions event in August and hails from the family of Running Stag. O'Gorman revealed that the foal was purchased for John Ferguson and Darley. "He is a half brother to a very smart two-year-old and the sire did extraordinarily well from covering ordinary mares early in his career," he commented. Later in the day, Anthony Stroud went to €310,000 for Kilfeacle Stud's hip 1127, a half-brother by Fasliyev to Paul and Susan Roy's Majors Cast (Ire), who was third in last year's G1 Prix du Moulin and runner-up in this year's G1 Lockinge S. before he was euthanized after being injured on the gallops in June. **Goffs cont. p2-3**

Offered on behalf of Howard Spooner, she was knocked down to Bloodhorse International Ltd for €240,000.

Another Coolmore stallion enjoying the limelight was High Chaparral (Ire), who made his own waves during yesterday's session. The dual Derby and Breeders' Cup Turf hero was responsible for hip **1063**, Athassel House Stud's half brother to 2001 G2 Richmond S. third Anna Walhaan (Ire). From the family of 1992 G2 Gimcrack S. winner Splendent, he was purchased by Paul Shanahan for €230,000. Hawthorn Villa Stud was the name on the docket at €220,000 for another one of his sons, hip **1056**. Along with hip 988, the half brother to Pearly Shells and Frenchpark made it a night to savor for Lord Harrington and the Glen Stud. Selling of the fillies and mares begins today at 9:30 a.m. Full catalogue, results and updates can be viewed on www.goffs.com.

LEMON DROP KID FILLY TOPS KEENELAND

FRIDAY Nesselrode (Lemon Drop Kid--Desert Stormette, by Storm Cat), a three-year-old broodmare prospect, brought \$185,000 to top Friday's session of the Keeneland November Breeding Stock Sale. Hip [4381](#) was consigned by Mill Ridge Sales, agent, and purchased by Machmer Hall TBS. Bred by Norfields Farm, the chestnut filly is a half to SW Desert Gold, and is out of a half to GI Breeders' Cup Sprint winner Desert Stormer, herself the dam of GSW Sahara Gold. Hip [4469](#), four-year-old **Stavinsky's Gal** (Stravinsky--Reinfree, by Unbridled), brought the second highest bid yesterday, going to Limerick Road Bloodstock for \$150,000. Sold as a racing or broodmare prospect from the Karrington Stables consignment, the multiple stakes-placed bay has five wins and \$107,087 in earnings to her credit. Her dam, a half to GISW and sire Quiet American, was sold for \$190,000 while carrying the filly in 2001, and she herself was a \$16,000 Adena Springs juvenile purchase. The third lot to bring six figures was hip [4524](#), the four-year-old colt **Hurricane Force** (Seattle Slew--Dokki, by Northern Dancer). Bred by Juddmonte Farms, the unraced bay is a 3/4 brother to MGISW and GI Kentucky Derby and GI Belmont S. runner-up Aptitude, and a full brother to GISW Sleep Easy. Belgravia, a \$2,000,000 FTFEB purchase, rallied to take his career opener on the Keeneland Polytrack Oct. 18. He makes his stakes debut in his second start.

Notional earned a 105 Beyer when stopping the timer in 1:09 in his first start, an Oak Tree maiden test Oct. 21. He also makes his second appearance. **Dilemma**, a \$650,000 KEENOV weanling, broke his maiden at Del Mar Sept. 3 and came back to take the Oct. 22 Sunny Slope S. at Oak Tree.

I would submit to you that my horse, Gorella, merits very strong consideration for this year's Eclipse Award.

In last month's First Lady at Keeneland, she ran the mile in 1:34, three ticks off the track record and recorded a 112 Beyer figure, the highest for any turf filly this year. In Gorella's previous race, the Beverly D., she dominated the best older fillies in the U.S. She ran the 1 3/16 miles in 1:53 3/5, which was two ticks off the stakes record, and beat Film Maker by 1 3/4 lengths and Honey Ryder by 2 1/2 lengths. In other words, she has beaten the same horses that Ouija Board defeated in the Breeders' Cup.

Adam Coglianese

Gorella's only two defeats this year occurred at Churchill Downs where she faced colts. In the Woodford Reserve, she finished fifth, 1 3/4 lengths behind after a very troubled trip at the rail. In [the] Mile, 3/4 lengths separated the second through seventh-place finishers. Gorella has beaten every filly she has faced this year. In her earlier victory in the Just a Game at Belmont Park, she came from 10 lengths back in the last quarter of a mile to sweep to victory with a brilliant closing kick. In the aforementioned Beverly D., she swung six wide on the turn and ran the last quarter in :22 3/5 with a dynamic turn of foot. Her last five Beyers this year including the Breeders' Cup Mile have been a model of consistency: 101,112,105,106 and 104.

By comparison, no one would ever question Ouija Board's body of work. In her career she is one of the all time greats. She ran in three Breeders' Cups and recorded Beyers of 108, 106 and 108. However, this year's Eclipse Award should not be a lifetime achievement award, but rather for what occurred in the United States during all of 2006. Gorella deserves consideration for being undefeated against the fillies this year.

It is my hope that Gorella, like Ouija Board, can return next year for her five-year-old campaign and be as terrific as she has been this year. Her late running style has made her a fan favorite and her owner a nervous wreck. Horse racing desperately needs stars and Gorella is one of them with her explosive style. I would hope the Eclipse Award would not be given for a horse starting in one race, but reflect the performance throughout the year in the United States.

Thank you,
Martin Schwartz

☆ LETTERS TO THE EDITOR ☆

In the aftermath of Ouija Board's second Breeders' Cup victory in three years for the Filly and Mare Turf division, a number of columnists have anointed her with this year's Eclipse Award. In the immortal words of football commentator, Lee Corso, "Not so fast my friends." Should a horse that runs once a year in the U.S. be eligible for the Eclipse Award? One columnist told me that in Canada a horse must have a minimum of three starts to be eligible for the Sovereign Awards. Shouldn't we support our own owners in the U.S. with a similar requirement?

Given a bit of a breather thereafter, the homebred set the pace in a Sept. 13 allowance at Belmont only to flatten out late en route to a runner-up effort. Motion Celebrates Won 1,000:

Trainer Graham Motion picked up his 1,000th win at Laurel Park Thursday, saddling Lucky Bachelor to victory in the eight race. "It was nice to have it happen here," said Motion. "It is pretty nostalgic because this is where I started. I was actually driving around the back-

side earlier on and went by my old barn. It was nice to do it here with [assistant trainer Adrian Rolls], who has been with me since the start. It is not something you aim for but it is neat to do it. I have had backing of some tremendous owners throughout the years and the owners that got me started were right here in Maryland."

The 42-year-old native of England won the first race of his career with Bounding Daisy at Laurel in 1993. His first Grade I winner was Film Maker, who took the GI Queen Elizabeth II Challenge Cup in 2003, and he sent out Better Talk Now to upset the 2004 Breeders' Cup Turf at odds of 27-1.

"I'm very excited about becoming part of the Gulfstream Park team," Collmus said. "The opportunity to call the outstanding races that Gulfstream offers is an announcer's dream. It's something I'm very much looking forward to." The 2007 Gulfstream meet opens Jan. 3.
