SUN SETTING ON SUMMERLY'S CAREER

Summerly (Summer Squall) will have her career finale in today's GII Falls City H. at Churchill, the track over which she captured the GI Kentucky Oaks in the spring of 2005. Sidelined for 13 months, the chestnut was a front-running winner of a restricted stakes at Saratoga Aug. 4, but missed in her next two outings, both in Grade I company. She ran fifth in the GI Ruffian H. Sept. 1 at Belmont, then lost the lead late when a close seventh in the GI Spinster S. over Keeneland's

Polytrack Oct. 8. Summerly went through the ring Nov. 5 at Fasig-Tipton, selling for \$3.3 million to WinStar Farm, and has been booked to Distorted Humor for 2007. Summerly will have to be at her best to go out a winner. Also in the Falls City field are **Sangrita** (Mr. Greeley), an up-and-coming half-sister to GISW Offlee Wild who defeated MGSW **Joint Effort** (Runaway Groom) in the GII Chilukki S. Nov. 2; and **Ermine** (Exchange Rate), runner-up in the Kentucky Oaks this past spring. Sangrita's lone previous try at two turns was a fifth to Bushfire in the Florida Oaks Mar. 18, but that precipitated a seven-month lay-off. "We always thought that the distance never was a problem with her," trainer Michael Matz said. "Offlee Wild could certainly get the distance, and I really feel that she can get the distance, also. She's had four throat surgeries. We had some difficulties with that and finally, hopefully, that's behind us right now." Cont. p2

KYLLACHY COLT TOPS TATTS 2ND SESSION

The second session of Tattersalls' December Foal Sale was topped by a Kyllachy (GB) colt out of Haste (GB) (Halling) bred by Cyril Humphris and consigned from the Elms Stud. County Tipperary-based pinhooker Ger Hourigan bought the February foal for 72,000gns after outbidding BBA Ireland agent Eamonn Reilly. "He was a lovely horse and he'll be coming back here next year," said Hourigan, who is based at Whitehall Stud. "It's been a great trade here and only going to get stronger--there aren't enough nice horses, so everybody wants the same ones." Gay O'Callaghan's Co. Kildare-based Yeomanstown Stud stepped in early to spend 62,000gns on another Kyllachy, a 3/4-brother to stakes-winner Mrs Meggy (GB) offered from Peter Balding's Throckmorton Court Stud. A Xaar (GB) colt from the family of Zafonic, offered by Jim Mitchell from Beechgrove Stud, was another to make 62,000gns when selling to Paul McCartan, manager of Denis Brosnan's Croom House Stud in Co. Limerick. "He's by a sire I like and was one of the nicest colts here today. He was bought for resale," said McCartan. The sale continues today with a session starting at 10:30 a.m. Complete results are available on www.tattersalls.com. Tattersalls cont. p2-3

Joint Effort has never been worse than second in eight starts under the Twin Spires, including victories in the GIII La Troienne S. May 6 and the GIII Dogwood Breeders' Cup S. June 3. In her only previous try at this distance, the chestnut faded to be a distant seventh in the GI Mother Goose S. at Belmont July 1, and she comes here off a second to Sangrita in the Chilukki. "She loves this racetrack," said trainer Dale Romans. "It's a tough race--like it should be. Anytime you run in a Grade II against those type of fillies, they're going to be tough. But she's doing good, and they're on her course." **Previews cont. p4**

HIP HAPPENINGS

Hip 922, c, Oasis Dream (GB)--Wunders Dream (Ire), by Averti (Ire)

Consigned by Trickle-down Stud

Close up, this colt's pedigree is all about speed, as his dam was the top-class juvenile who captured the 2002 G2 Flying Childers S. and G3 Molecomb S. Also on the page are the top-class Hong Kong performers Industrialist (GB) and Firebolt (Ire).

Hip 923, f, Invincible Spirit (Ire)--Nassma (Ire), by Sadler's Wells

Consigned by Meadowlands Stud

By this year's leading sire of juveniles, this is a sister to the Listed Dragon S. winner Bahama Mama (GB), who was also placed in the G3 Molecomb S. and G2 Flying Childers S. this term. The family also includes this year's outstanding stayer Yeats (Ire).

Hip 938, c, Refuse to Bend (Ire)--Sombrefe (GB), by Polish Precedent

Consigned by Rathasker Stud

From the first crop of Darley's Refuse to Bend, this is a half-brother to the 2003 G1 Grosser Dallmayr-Preis victor Ransom o' War from the family of Snaadee, Russian Bond and Cristofori. This family received a major boost this year due to the exploits of Ballydoyle's high-class juvenile Holy Roman Emperor (Ire).

Hip 941, f, Dansili (GB)--Achieve (GB), by Rainbow Quest

Consigned by the Castlebridge Consignment

This filly is out of a sister to the 1990 G1 Epsom Derby hero Quest for Fame (GB) and a half to the smart Yenda (GB), the dam of last year's G3 Rose of Lancaster S. winner Notable Guest. This is also the family of Poliglote (GB) and Indian Danehill (Ire).

Hip 953, f, Danetime (Ire)--Lindfield Belle (Ire), by Fairy King

Consigned by Cobhall Court Stud

The late Danetime has had a stellar year with his juveniles; this is a sister to Baltic King (GB), who has proved a durable stakes performer in recent years and registered a rare feat of weight-carrying in this year's Wokingham H. at Royal Ascot.

REMSEN S.-GII, \$200,000, 2yo, 1 1/8m

The highly regarded **Nobiz Like Showbiz** (Albert the Great), a troubled second in the GI Champagne S.

Oct. 14, will look to rebound in this spot. "I think he'd

still be undefeated if it weren't for some bad luck in the Champagne," trainer Barclay Tagg said.

"That was a big jump from a maiden race to a Grade I, and he showed a little greenness." The Elizabeth Valando homebred's

education has continued since the Champagne. "We've worked him out of the gate and worked

him around sharper turns on the training track at Belmont, and that seems to have helped," Tagg added.

The big colt has been nominated to the \$1-million GIII Delta Jackpot S. next Friday, but will almost certainly opt for the short van ride over to the Big A from his Belmont base. "I'd prefer to run in the Remsen," Tagg continued. "I really want to give him three races this year."

DEMOISELLE S.-GII, \$200,000, 2yo, f, 1 1/8m

Successful Outlook (Orientate) will look to extend her unbeaten record while stretching out to two turns.

After a big maiden win at Belmont, the chestnut captured the one-mile GIII Tempted S. over this surface Nov. 3. "She's a special filly," said Toby Sheets, assistant to trainer Scott Blasi. "She's about 17 hands, but she has good natural speed and a nice stride. In the Tempted, she was the only one going on at the end of the race."

POLYTRACK FOR DEL MAR Del Mar will install a new Polytrack surface in time for its 2007 summer racing season. A five-member committee of the Del Mar Thoroughbred Club voted to select the Martin Collins Surfaces and Footings LLC surface in a process overseen by the California Construction Authority and the State Race Track Leasing Commission. Polytrack is an engineered racing surface consisting of silica sand, fibers and recycled materials and has been employed at racetracks in the United Kingdom, Turfway, Keeneland and Woodbine. The installation project already has the support of the city of Del Mar and the 22nd District Agricultural Association, but still awaits approval of the California Coastal Commission in mid-December. "The key to the future is safety," said DMTC President and General Manager Joe Harper. "Polytrack is going to make our racing surface a safer place for our horses and riders--and we know if we do that, good things will follow. We are in the horse business and our top priority must be the horses and riders." Pending approval from the Coastal Commission, Del Mar could begin installation of the new track in January. The current main track would be skimmed down and removed, a drainage pipe system installed, followed by a covering of porous macadam and dense aggregate rock, followed by the Polytrack. MCS&F is an affiliate of the Keeneland Association. The five-member panel consisted of trainer Richard Mandella, DMTC director Rollin Baugh and three members of the 22nd District Agricultural Association. Del Mar's 68th racing season is scheduled to run from July 18 and Sept. 5.

GYGISTAR RETIRED Grade I winner **Gygistar** (Prospector's Music--Starr County, by Ogygian) has been retired to owner Edward Evans' Spring Hill Farm. The seven-year-old gelding had not raced since finishing fifth in a June optional claimer at Belmont for trainer Mark Hennig. The chestnut enjoyed his best season as a three-year-old in 2002, when he captured the GI King's Bishop S., GII Riva Ridge BC S. and GII Dwyer S. He added a pair of victories in the GIII Westchester H. in both 2004 and 2005, and was also third in both the 2003 and 2004 renewals of the GI Forego H. Gygistar concluded 2005 with a third in the GI Cigar Mile and made three starts this year, with a third in the Artax H. at Gulfstream Apr. 1 as his best showing. An Evans homebred, Gygistar retired with a record of 34-11-4-7 and earnings of \$1,110,385. He is a half-brother to SW & GSP Stellar (Grand Slam).

has been shipped from trainer Kieran McLaughlin's New York barn to Palm Meadows. McLaughlin told *DRF* that it was almost certain the colt, who carried the Darley colors to victory in his first two starts, would be transferred to Godolphin and trainer

Saeed bin Suroor. "I'm very much on their team," McLaughlin told the publication. "[Sheikh Mohammed] owns the horse, and I get the privilege of training him for a while." Day Pass was acquired earlier this year for \$725,000 at Keeneland April.

CHURCHILL DOWNS LAWSUIT AGAINST TVG INVOLVES INTERNATIONAL DEALS

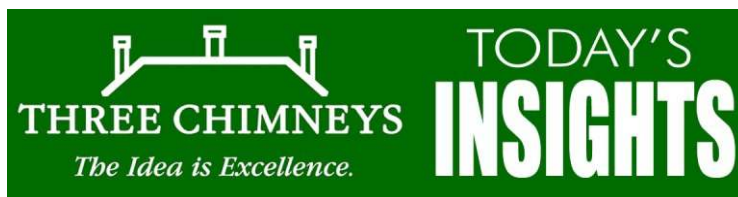

by Ryan Conley *courtesy www.bloodhorse.com*

Churchill Downs has filed a two-tier lawsuit against the operating company of TVG, seeking damages connected to the racetrack operator's joint broadcast venture in Great Britain and Ireland called "Racing World." The lawsuit, which was filed Nov. 20 in the U.S. District Court division in Louisville, Ky., claims that Churchill Downs pursued interest in the racing program only after TVG said it had no plans to expand internationally, and that TVG broke certain sub-licensing agreements with Churchill when it signed on to be a partner in the new program called "The Racing Network International." Damages being sought weren't specified, though the lawsuit claims that Churchill Downs had invested at least \$750,000 "and significant personnel resources" into the development of "Racing World," which was launched in March. Magna Entertainment and a consortium of about 30 British racetracks called Racing UK are also part of the interests involved in "Racing World." The specific defendant in the suit is ODS Technologies, which is the limited partnership that does business as TVG. ODS Technologies is a subsidiary of Gemstar-TV Guide International. Churchill Downs claims it questioned TVG officials about its intentions for international development last December in a meeting that included then-Churchill Downs CEO Thomas Meeker and TVG president Ryan O'Hara. The lawsuit claims that O'Hara told Meeker "TVG's expansion would come from the United States domestic market, and it was not actively considering any international expansion." **Click [here](#) to continue.**

Excelsior Pleased with Ad-Hoc Recommendation:

Following the New York State Ad-Hoc Committee on Racing's recommendation that Excelsior Racing Associates assume control over Thoroughbred racing in New York, Excelsior issued a statement. Today is the beginning of a new era in New York horse racing. For the past several years, New York fans and taxpayers have been waiting for the transparency, accountability, and racing integrity they deserve. Excelsior is happy to announce that the wait is almost over. We have a considerable amount of work to do in the coming weeks and months, but are confident in our team's expertise and ability to deliver the very best racing experience in the world to our fans. We appreciate the hard work that the Committee has invested in the evaluation process, and look forward to working with New Yorkers and their elected officials to return our state to its rightful spot atop the world of Thoroughbred racing."

The six-furlong, NW3X event on the main track has been carded as the Black Bayou S. Sorcerer's Stone was unbeaten in three starts before the Juvenile, having won the Honest Pleasure S. at

Arlington Park in July and the GIII Arlington-Washington BC Futurity by 8 1/2 lengths in September. Off at 7-1 in the Juvenile, he ran sixth, beaten 11 3/4 lengths, by champion Stevie Wonderboy. Trained by Patrick Byrne as a two-year-old, Sorcerer's Stone makes his comeback for the Brandon Marks barn. "Any horse coming off a layoff of more than a year is not going to be 100 percent at the top of his game, but we think he's good enough to win in this spot," said his new trainer.

Fair Grounds Celebrates Opening Day with Donations:

Fair Grounds Race Course will celebrate its first opening day since Hurricane Katrina devastated the New Orleans area track by making donations to local charities Thursday. Donations of \$2,500 each are being made to LSU Equine Health Studies, the New Orleans Council on Aging, New Orleans City Park and the Urban League of Greater New Orleans. After each of the first four races, Fair Grounds representatives will present checks to each organization, and representatives from each group will make trophy presentations to the winning connections after each race.

Dash of Humor won the HBA H. at Ellis Park in July, then two starts later added the Kentucky Cup Ladies Turf at Kentucky Downs Sept. 26. Fourth to Gorella (Fr) in the GII First Lady S. at Keeneland Oct. 14 and sixth to Sabellina in the GIII Cardinal H. Nov. 5, she was looking to get back on track in this easier spot. The chestnut made a strong bid nearing the quarter pole and, after opening a clear lead in upper stretch, maintained well to register the score.

POOLETTA (f, 3, Hennessy--Social Set, by Raised Socially) was runner-up in two turf sprints to begin her career, then romped by seven lengths in an off-the-turf Arlington Park maiden Sept. 12. On Keeneland's Polytrack next out, she closed to be second in a NW2L Oct. 25. The bay, the 2-1 pick in her first start on a fast main track, tracked the leader in second before taking command with an inside run and inching away to win by a length over the rallying Cuaba (Smoke Glacken). The victress, a \$130,000 KEENOV weanling, \$100,000 FTSAUG yearling and \$150,000 FTMMAY juvenile, is a half to G.W.'s Deputy (French Deputy), SW, \$239,991. Lifetime Record: 5-2-3-0, \$69,264.

STORMIN MON (f, 3, Maria's Mon--Stormin Cat, by Storm Cat) was claimed away from her breeders for \$50,000 when second by a narrow nose facing maiden claimers at Del Mar Aug. 7. Reappearing at Churchill Nov. 7, the grey ran an even third when stepped up to the special weight level and was the 9-5 pick to improve here. Racing well off the rail while in fifth and then fourth, she forged to the lead with a quick move two furlongs out and lengthened away to notch the 4 1/4-length success. The 2-1 second shot Succeed (Coronado's Quest) was second. The winner was produced by Stormin Cat, a daughter of GISW Stormy but Valid. Lifetime Record: 3-1-1-1, \$40,612. GREAT DISCOVERY (c, 2, Maria's Mon--Espresso Cat, by Storm Cat) never threatened when seventh on debut at Saratoga Aug. 16 and was given a bit more time. A 7-1 chance here, the Overbrook homebred pressed the pace while wide and drew off to win by 3 1/4 lengths over Tactical Joe (Tactical Cat). It was the second race on the card won by a horse bred on a Maria's Mon/Storm Cat cross. Lifetime Record: 2-1-0-0, \$30,326. O/B-Overbrook Farm (KY). T-Dallas Stewart.

RECORDS SMASHED AT READY TO RUN SALE

New Zealand Bloodstock Ltd. concluded its two-day Ready to Run Sale of Two-Year-Olds with new records

for gross receipts, average and median. A total of 197 juveniles were reported as sold for a turnover of NZ\$9,866,750, a 10-percent increase on 2005, despite fewer horses being sold. The average of NZ\$50,085 was better by 15 percent versus a year ago, while the median

Sales-topping hip 131 (near side) nzb.co.nz

leapt by 43 percent to NZ\$40,000 from NZ\$28,000. "To see such a significant increase in turnover with fewer horses sold is a fantastic result for this sale and a huge credit to this year's vendors," said NZB Marketing Manager Petrea Vela. "The international buying bench was as strong as we have ever seen here, and we are particularly pleased with the significant participation from Singapore and Hong Kong buyers which underpinned the sale." A colt by Galileo (Ire) topped the event, falling to Hong Kong-based conditioner Michael Chang for NZ\$350,000. The Australian-bred grey colt was consigned by Lyndhurst Stud. It is the second highest price ever achieved at this auction, topped only by the NZ\$420,000 paid for a colt by Zabeel (NZ) at last year's sale.

WORLD'S BEST INVITED TO HONG KONG

A total of 54 horses representing nine racing jurisdictions have been extended invitations to the Cathay Pacific Hong Kong International Races, scheduled for Sunday, Dec. 10 at Sha Tin. The invitees include 33 international Group/Grade 1 winners eligible to compete for a record HK\$62 million (about US\$8 million) in combined purse money. Three of last year's four winners have been invited back to defend their respective titles, including the world's leading turf distaffer, **Ouija Board (GB)** (Cape Cross {Ire}), who will try to go back-to-back in the 2400-meter G1 Hong Kong Vase. Her participation hinges on a clean journey in this weekend's G1 Japan Cup in Tokyo. **Vengeance of Rain (NZ)** (Zabeel {NZ}) will be heavily backed to repeat in the G1 Hong Kong Cup, the richest 2000-meter turf race in the world with purse money of HK\$20 million (\$2.6 million). To do so, he will need to topple a formidable group of distaff turfers, including last year's runner-up **Pride (Fr)** (Peintre Celebre), whose reputation has been enhanced by her troubled second in the G1 Prix de l'Arc de Triomphe and a victory in the G1 Champion S. Also in with a chance are **Alexander Goldrun (Ire)** (Gold Away {Ire}), victorious in the 2004 Cup; and **Mandesha (Fr)** (Desert Style {Ire}), a treble Group 1 winner in France this term and the newly anointed champion three-year-old filly in Europe. **Natural Blitz (Aus)** (Maroof), the upset winner of last year's G1 Hong Kong Sprint, faces a difficult task as he faces **Takeover Target (Aus)** (Celtic Swing {GB}), the Global Sprint Challenge winner who looks to secure a US\$1-million bonus with a victory. Also in the list of invitees is **Silent Witness (Aus)** (El Moxie), winner of the Sprint in 2003 and 2004. He has lost some of his former glory, but his decent fourth in the Sprint Trial last weekend sets him up well. America has an entry in GII Nearctic S. winner **Fast Parade** (Delineator). The race is contested for the first time over 1200 meters. The G1 Hong Kong Mile looks to be an open affair, with reigning local Horse of the Year **Bullish Luck** (Royal Academy) leading the way. The field could also include the mare **Dance in the Mood (Jpn)** (Sunday Silence), a good runner-up in the G1 Mile Championship at Kyoto last Sunday and a pair of American invitees in Team Valor's **Becrux (Ity)** (Glen Jordan {GB}) and IEAH Stables' **Rebel Rebel (Ire)** (Revoque {Ire}). First and second in the G1 Woodbine Mile in September, both horses are entered for Friday's GI Citation H. at Hollywood Park.
