A field of 10 juveniles has gathered from around the country for the \$1-million GIII Boyd's Gaming Delta Jackpot S. tonight at Delta Downs. Shipping in from Maryland is **Xchanger** (Exchange Rate), a game winner of the GIII Sapling S. Sept. 4 who most recently rallied for third behind the streaking Day Pass in the GIII Nashua S. Nov. 3. He is joined by graded stakes winner **Officer Rocket** (GB) (Officer) as well as **Birdbirdistheword** (Pure Prize), a

stakes winner on turf who comes here on the strength of a fourth-place finish in the GI Lane's End Breeders' Futurity at Keeneland Oct. 7. But though the shippers include a pair from the Bob Baffert barn--**Malt Magic** (Cherokee Run) and **Pirates Deputy** (Bertrando)--a Louisiana-based colt may be the one to beat: **Go Poppa Fooze** (Exciting Story) has been unstoppable since breaking his maiden July 30. In his last out, Toby Keith's chestnut romped by nine lengths going a mile over this surface in the Jean Lafitte S. Nov. 3.

**TATTERSALLS DECEMBER SALE ENDS**

A record-breaking year at Tattersalls finished last night with the Newmarket-based company showing a 233-million guineas turnover in 2006. The December Sale, which ended yesterday, turned over a record 100,630,900gns, up 36 percent on 2005. The 55,937gns average was up 42 percent and the 25,000gns median rose by 25 percent. "What a great way to round off a marvelous year," said Tattersalls Chairman Edmond Mahony. "We knew that we had a special catalogue for the Mares' Sale, and the Foal Sale last week was spectacular, but we could never have predicted the extraordinary level of trade

this week. The Tattersalls December sales record books have been completely rewritten over the last four days and the huge number of buyers from literally all corners of the globe reflects the massive international reputation of the sale. Last year the December sales turnover went up 40 percent, to 74-million guineas, which was uncharted territory for a European bloodstock sale, but this year's sale has exploded. The turnover has exceeded 100 million guineas, which is a jump of a further 35 percent and almost double the turnover of two years ago. In addition, we have had a world-record price for a broodmare, a European record price for a filly in training, seven seven-figure transactions, and wide-margin record averages for both foals and breeding stock." **Tattersalls cont. p2**

**BAZE DRAWS EVEN WITH PINCAY**

With a win in yesterday's sixth race at Bay Meadows, the 48-year-old Russell Baze equaled Laffit Pincay Jr.'s mark of 9,530 career victories, putting the Hall of Famers on even terms as the winningest jockeys of all time. Baze was aboard **Christie's Fame** (Western Fame) in a one-mile race for \$6,250 claimers and guided that 7-5 favorite to a wire-to-wire score. Baze had a total of six mounts yesterday, racking up a win, two seconds, a third and two off-the-board finishes.

**Magical Year for Tattersalls...**

Tattersalls Chairman Edmond Mahony continued, "It has been truly breathtaking from start to finish and the 'Racing UK' live coverage of Tuesday's mammoth session which was broadcast in Britain, Ireland and America made for compulsive viewing. The obvious highlights of this extraordinary sale have been the world record 4.6-million guineas for Con Wilson's Magical Romance, the European record 3-millions guineas for the Group 1-winner Spinning Queen and the Britton House Stud dispersal, but the real feature has been the huge contribution made by people new to the Thoroughbred business. New Enterprise Investment Schemes, countless new faces from throughout the world and the great tradition of Irish breeders at the December sales have all played a major part, but above all we are currently experiencing an unprecedented global demand for quality bloodstock, and this has never been more apparent than at the 2006 Tattersalls December Sales." Yesterday's top lot was the three-year-old filly **Virginia Rose (Ire)** (Galileo {Ire}), a dual winner for James Given who was knocked down to agent Brian Grassick for 95,000gns. "I've bought her for Eimear Mulhern, who bred her," said Grassick. "Eimear lost the dam [Risipoto] recently and this filly's been bought to breed from so won't run again."

A \$16,000 Keeneland November weanling purchase, Tidie France never made much of an impact at the races and was offered for sale at this auction house's 2006 February sale. The bay RNA'd for just 18,000gns on that occasion and was covered by Dubai Destination the following month. **RECORD CATALOG FOR KEEJAN** A record 2,933 lots have been cataloged for the Keeneland January Horses of All Ages Sale, which will be held in Lexington, Kentucky, from Monday Jan. 8 through the following Monday. The number surpasses last year's record 2,508 head by 425, and includes 1,152 broodmares, 361 broodmare prospects, 224 racing or broodmare prospects, 90 racing prospects, 1,011 short yearlings, 59 racing or stallion prospects, 27 stallion prospects, five stallions and four stallion shares. The sale's second day will feature the complete dispersal of F. Eugene Dixon, Jr., consigned by Claiborne Farm and Charlton. The dispersal will include broodmares, racing/broodmare prospects, racing prospects, stallion prospects and yearlings. "The January Sale has come into its own as a truly international auction, which is reflected in last year's record-breaking growth," said Keeneland Director of Sales Geoffrey Russell. "We continue to expand the duration of the sale to accommodate our horsemen, who have come to view January as an extension of the November Sale. This is a solid catalog which offers in particular a good selection of young racing and broodmare prospects." Covering sires include the likes of established stallions Awesome Again, Cozzene, Dehere, Dixieland Band, Dynaformer, El Prado (Ire), Elusive Quality, Forestry, Fusaichi Pegasus, Gone West, Gulch, Johannesburg, Mr. Greeley, Pulpit, Rahy, Silver Deputy, Thunder Gulch, and Tiznow. Stallions with their first mares in foal include Afleet Alex, Consolidator, Eddington, Eurosilver, Forest Danger, Leroidesanimaux (Brz), Limehouse, Offlee Wild, Pollard's Vision, Powerscourt (GB), Rock Hard Ten, Roman Ruler, Saint Liam, and Southern Image, among others. Catalogues will be available from Dec. 4 on [www.keeneland.com](http://www.keeneland.com).

**REDOUTE'S CHOICE DONE FOR YEAR** Champion Australasian sire **Redoute's Choice (Aus)** (Danehill) has suffered a small muscle tear off his near side pin bone and will not service any more mares in the current breeding season. "He's not presenting any clinical signs

**Redoute's Choice**  
[arrowfield.com.au](http://arrowfield.com.au)

of injury, but the ultrasound test does show that the small tear has not yet repaired itself," Dr. Mark Wylie, a veterinarian at Arrowfield Stud, told *Australian Associated Press*. The 10-year-old stallion already has a reported 154 mares pronounced in foal with another 21 holding service. Redoute's Choice is ex-

pected to finish the 2006 breeding season with about 170 mares in foal, giving him a fertility rate of about 90 percent. "We regret that this will inconvenience some of our clients and acknowledge that we are being very conservative, but it's better to be safe than sorry," added Arrowfield owner John Messara. Dr. Wylie went on to say that the injury should not compromise Redoute's Choice's ability to breed a limited number of mares on Northern Hemisphere time beginning in February. From four crops to race, Redoute's Choice is already the sire of 23 stakes winners, including eight Group 1 winners. His progeny have earnings in excess of A\$21.2 million.

think it's a very good place for her," trainer Scott Blasi told *Daily Racing Form* about the draw. "It gives her a chance to see what the pace will do. She's very quick away from there, has very good gate speed, so I think she'll be well-placed." **IT'S NO JOKE TO STONEWALL** Stan Fulton's multiple graded stakes winner **It's No Joke** (Distorted Humor--It's Personal, by Personal Flag) will join Stonewall Farm Stallions in Versailles, Kentucky for the 2007 season, where he will stand his first season at stud for \$10,000, stands and nurses. A \$675,000 Keeneland September yearling, the four-year-old It's No Joke enjoyed his best season this year, annexing the 1 1/4-mile GII Hawthorne Gold Cup H. and the one-mile GIII Ack Ack H., won at Churchill Downs in 1:34 3/5. He also ran second in the GIII Turfway Park Fall Championship S. and third in the GII Gulfstream Park H. "Distorted Humor has emerged as an elite sire, and we're thrilled to have acquired such a good-looking son, especially one with true miler speed that we can offer to breeders at an attractive price," said Stonewall General Manager Bert Welker. It's No Joke was produced by It's Personal, a multiple graded stakes winner of \$232,836. It's No Joke retires with a record of seven wins in 16 starts and \$685,612 in earnings.

**LOVE OF MONEY TO NORTHVIEW** Jay Em Ess Stable's five-year-old **Love of Money** (Not For Love--Mescalina, by Smarten), winner of the 2004 GII Pennsylvania Derby, has been retired from racing and will take up stud duties alongside his sire at Northview Stallion Station in Chesapeake City, Maryland. His fee will be \$3,000, live foal, stands and nurses. A limited number of shares will be available, according to a farm press release. A winner of three of his first four starts by a combined 20 1/2 lengths, Love of Money capped that run with a rousing 8 1/2-length tally in the Pennsylvania Derby, beating Pollard's Vision and Swingforthefences. As a four-year-old last year, he ran third behind Rock Hard Ten and Imperialism in the GII Strub S. and in 2006 he was second, beaten 3/4 lengths by Sir Greeley, in the GIII Westchester H. Produced by a half-sister to graded stakes winner Sheila's Prospect (Not For Love) and thus closely related to that filly, Love of Money is also a half to the stakes-winner Astrid (Concern). He retires with a record of 10-4-2-1, for \$602,705 in career earnings.

**Old Forester to T.C. Westmeath Stud:**

The five-year-old **Old Forester** (Forestry--Halo River, by Irish River {Fr}) has been retired and will stand his initial season at stud at John Carey's T.C. Westmeath Stud near Shelburne, Ontario. The graded stakes winner's fee has been set at \$5,000, live foal. A \$310,000 yearling acquisition by Live Oak Plantation, Old Forester campaigned for that operation and scored his biggest win in this year's GIII Cliff Hanger S. at The Meadowlands. He also captured two other stakes, the 2004 Santa Claus S. at Calder and the 2005, 1 1/16-mile Canadian Turf H. at Gulfstream, won in a course-record 1:38 1/5 on the grass. On the board in 19 of his 22 lifetime starts, Old Forester, out of the stakes-winning Halo River and from the family of GISW High Yield, retires with six wins and earnings of \$462,632. Dermot Carty's International Bloodstock Agency brokered the deal to send Old Forester to T.C. Westmeath.

**\$65,000 raised for Tubby's Clubhouse:**

A fundraiser at Ro Parra's Millennium Farms in Kentucky raised \$65,000 to benefit a proposed new chapter of Tubby's Clubhouse. Proceeds from a live auction and from the sale of stallion seasons, as well as a matching grant from the Ro Parra Family Foundation, were donated to the program. Tubby's Clubhouse was established by the University of Kentucky's men's basketball coach Tubby Smith and Parra, a senior vice president at Dell, Inc. The program is based on Dell's TechKnow program that teaches basic computer skills to at-risk children. Upon graduation, each student receives a free refurbished Dell computer. To date, Clubhouses across Kentucky have graduated more than 500 students. "There are so many kids that are at-risk in our communities," said Coach Smith. "With these clubhouses, we can teach them skills that will serve them throughout their lives." The newest Tubby's Clubhouse will be built in partnership with The Keeneland Association at a soon-to-be-determined location in Central Kentucky. It will specialize in teaching children whose families are affiliated with the Thoroughbred industry.

**Hawthorne Cancels Thursday Card:**

Due to unsafe track conditions and an impending winter storm in the area, Hawthorne cancelled its live racing program yesterday. The Chicago-area track will also be closed for training today, with a decision on this afternoon's card to be made after an assessment of the condition of the racing surface. All of Thursday's races will be brought back as "extras" on future cards.

**BECRUX OUT, LINNGARI ADDED TO HK MILE**

Team Valor has announced that **Becrux (Ity)** (Glen Jordan {GB}), winner of this year's GI Woodbine Mile, has undergone surgery to remove a chip from a knee and will be forced to miss his next scheduled engagement in the G1 Hong Kong Mile at Sha Tin Dec. 10. The four-year-old apparently suffered the injury during his seventh-place effort in the GI Citation H. at Hollywood Park Nov. 24 and will be out of training for about 60 days, according to Team Valor President Barry Irwin.

Linngari (center) A Watkins

The gelding was also suffering from a quarter crack going into the race. Surgery was performed yesterday by Dr. Doug Herthel at the Alamo Pintado Equine Medical Center, in Santa Ynez, California. Irwin said he expects Becrux to be ready to race before the end of the winter/spring meeting at Santa Anita and could come to Hong Kong for the G1 Champions Mile Apr. 29. Becrux will be replaced in the field for the \$2-million event by **Linngari (Ire)** (Indian Ridge {Ire}). Trained by South African Herman Brown, the four-year-old has celebrated a terrific season, taking the G2 Al Fahidi Fort in Dubai and the G2 Goldene Peitsche S., the premier sprint event in Germany. A dead-heat second in the G1 Prix de la Foret Sept. 30, the chestnut was most recently a close fourth in the G3 Prix de Seine-Oise Oct. 28. Former Hong Kong-based jockey Glyn Schofield is expected to have the ride on International Races day. The lone American representative in the Mile is **Rebel Rebel (Ire)** (Revoque {Ire}), the runner-up in the GI Woodbine Mile.
