**LOOKING FOR APPROVAL**

**T.H. Approval** (With Approval) has enjoyed a solid 2006 campaign. Kept exclusively in Grade I and Grade II company, he won his second straight GII San Juan Capistrano Invitational H. in April and captured in consecutive starts the GII Sunset BC H. and GII Del Mar H.

over the summer. He has failed to add that elusive Grade I triumph to his resume in a trio of starts at the highest level this term, but aims to conclude his year with a breakout win in today's GI Hollywood Turf Cup S. at Hollywood Park. Two starts back, T.H. Approval did come

close, missing by a head to the Arlington Million hero The Tin Man in the Sept. 30 GI Clement L. Hirsch S. at Santa Anita. That preceded a try in the Nov. 4 GI Breeders' Cup Turf, where T.H. Approval could do no better than eighth, beaten seven lengths. Trainer Eduardo Inda hopes a return to California spells a rebound for the five-year-old. Standing in T.H. Approval's way is Grade I winner **Meteor Storm (GB)** (Bigstone {Ire}), who comes off a fifth in the GI Canadian International; **Symphony Sid** (Unbridled) and **Artiste Royal (Ire)** (Danehill), the GIII Carlton F. Burke H. one-two; and **Cosmonaut** (Lemon Drop Kid). The latter likely needed more ground than he got when fourth in both the GI Shadwell Turf Mile and the 1 1/16-mile GI Citation H., over this course Nov. 24, and has the tactical speed to keep Symphony Sid honest up front.

**RECORD ON THE LINE AT HKIS**

During its relatively short history, the highest price ever paid for a horse at the Cathay Pacific Hong Kong International Sale was HK\$6 million for a son of King's Best in 2004. That record will be squarely in the crosshairs during today's event, to be held in the state-of-the-art Parade Ring at Sha Tin Racecourse. The object of the buying public's affection is likely to be hip 15, the last unraced two-year-old son of the late Danehill to be offered at public auction. Purchased by the Hong Kong Jockey Club for €360,000 at last year's Goffs Orby Million Sale, the bay colt is out of Sister Dot (Secretariat), making him a half-brother to Dehere, the U.S. champion juvenile of 1993 and a successful international sire. The colt did nothing to tarnish his image during last Sunday's breeze-up show in front of some 350 potential buyers at Sha Tin. Blessed of a fluid stride, he clearly left the biggest impression on the track ([video](#)) and, given the Jockey Club's decision to allow owners of replacement permits to join in the fray this year, the aforementioned record seems in jeopardy. Also expected to prove popular is hip 27, an Irish-bred three-parts brother to one of Hong Kong's favorite sons in Indigenous (Ire), winner of the Hong Kong Vase when it was contested as a Group 2 in 1998. The colt was purchased for €90,000 at Orby last year. A son of Street Cry (Ire), sire of GI Breeders' Cup Juvenile hero Street Sense, was the most expensive purchase from an American yearling sale. The attractive dark bay son of Slamy (Seattle Slew), catalogued as hip 6 ([breeze-up video](#)), was purchased by HKJC agents for \$240,000 at last year's Keeneland September sale. "I think if you look through the catalogue, you will find something in every price range," said HKJC Executive Director of Racing Winfried Engelbrecht-Bresges. "The club sought value for money in its purchases and I think we have accomplished that." Bidding gets underway at 10:30 a.m. A live webcast will be available through the club's website at [www.hkjc.com/english/index.asp](http://www.hkjc.com/english/index.asp) beginning at 9:30 p.m. EST Friday night.

**'Takeover' Still Under a Cloud...**

Likely G1 Cathay Pacific Hong Kong Sprint favorite **Takeover Target (Aus)** (Celtic Swing {GB}) still showed "an irregularity" when a blood sample was taken Friday morning. Hong Kong Jockey Club stewards advised owner/trainer Joe Janiak of the finding, but Janiak informed them that he did not yet wish to scratch his charge from Sunday's contest. The seven-year-old gelding could earn a \$1-million bonus with a victory in the Sprint, and Janiak was inclined to wait until the morning of the race before making his decision. "We are starting to run out of time, but at least we will know more this afternoon [Friday]," he told *Australian Sky TV*. He added, "[The shot] was administered in Japan to help him travel over here. Normally it is out of the system within two weeks, but now we are at the seven-weeks mark. It has secreted itself, I believe, in the ligaments of the neck somewhere and it won't release. We will see what sort of level it has gone down to and, if we are pretty close to the mark, we might have to sweat it out until Sunday. I have used this stuff before and I have never had any trouble with it. I gave myself plenty of time and I can't believe it hasn't gone out a month ago. It's such a shame because he was jumping out of his skin at his best weight of 514 kilos and Jay [Ford] said he was flat out trying to hold him today."

**Kastoria Out to Make Amends...**

The Aga Khan's **Kastoria (Ire)** (Selkirk), who had a three-race winning streak snapped when she faltered over soft going in the G1 Canadian International at Woodbine Oct. 22, will hope to get back on track in Sunday's G1 Cathay Pacific Hong Kong Vase over 2400 meters. "The ground was too testing in Canada," explained trainer John Oxx. "It is the end of the year and she came home a bit down in the dumps, but she recovered well, so that is why we are here. There must be a little question mark about how she will perform, but we are here to try to earn some prize money." The blaze-faced chestnut had a pipe-opener on the grass at Sha Tin yesterday, sailing through 400 meters in :25.40. Unraced until four, **Kastoria** defeated **Collier Hill (GB)** (Dr Devious {Ire}) in the G3 Curragh Cup July 1 and, two starts later, dethroned Yeats (Ire) in taking the G1 Irish St. Leger Sept. 16 at The Curragh. She wound up eighth to Collier Hill at Woodbine in her most recent outing.

**Cathay Pacific Extends Race Sponsorship...**

Hong Kong Jockey Club Chairman John C.C. Chan announced that Cathay Pacific has extended its sponsorship of the Hong Kong International Races until 2010. The original three-year sponsorship agreement began in 2004. "May I extend the Club's warm appreciation to Cathay Pacific, whose support has undoubtedly helped establish our meeting as the Turf World Championships," said Chan. Cathay Pacific's Chief Executive Officer Philip Chen added, "The partnership has certainly helped to establish Hong Kong as the events capital of the world. Earlier this year prizemoney for the richest day in Hong Kong's racing calendar swelled to a record HK\$62 million for the four Group 1 races."

**IVAN DENISOVICH TO COOLMORE** Three-year-old **Ivan Denisovich (Ire)** (Danehill--Hollywood Wildcat, by Kris S.) has been retired from racing and will commence his breeding career at Ireland's Coolmore Stud in 2007. His stud fee will be €9,000. A son of Irving and Marjorie Cowan's homebred champion Hollywood Wildcat, Ivan Denisovich raced for a partnership that included Mrs. John Magnier and Michael Tabor in addition to the Cowans. He captured the G2 July S. at Newmarket and was the runner-up in the G1 Prix Morny at Deauville at two. This year, the bay ran third in the G1 St. James's Palace S. at Royal Ascot June 20 and later shipped to

Arlington, where he was second to Showing Up in the GI Secretariat S. He returned to Ireland to land the Listed Solonoway S. Sept. 17, but was unplaced a week later to stablemate George Washington (Ire) in the G1 Queen Elizabeth II S. at Ascot, and wound up concluding his career with another trip to the States, this time to California. He finished third behind Showing Up in the GI Hollywood Derby Nov. 26, taking his lifetime mark to 14-3-3-2, with earnings of \$437,399. In addition to being the son of a champion racemare, Ivan Denisovich is also a 3/4-brother to GI Breeders' Cup Mile hero War Chant (Danzig), as well as half to the stakes-winning Double Cat (Storm Cat) and Ministers Wild Cat (Deputy Minister). "Ivan Denisovich is a magnificent-looking horse by the right sire in Danehill and was a top-class two-year-old who also showed Group 1 form over six, eight and 10 furlongs," said Coolmore's Christy Grassick. "He's sure to prove extremely popular with commercial breeders."

**APPEALS COURT UPHOLDS PLETCHER  
SUSPENSION** by Tom Precious, courtesy of  
[www.bloodhorse.com](http://www.bloodhorse.com).

A New York state appeals court has upheld the 45-day suspension and \$3,000 fine against leading trainer Todd Pletcher after one of his horses was found with a banned substance following a 2004 race at Saratoga. The Appellate Division of the New York state Supreme Court Dec. 7 rejected all of Pletcher's arguments in the lawsuit he brought seeking to overturn the fine and suspension last year by the state Racing and Wagering Board. The horse, Tales of Glory, was found to have mepivacaine, a local anesthetic, in his system after the third race at Saratoga Aug. 14, 2004. The horse finished first, but was later ruled unplaced. Pletcher, the 2004 Eclipse Award-winning trainer, said he was unaware of any illegal drugs being administered to the horse, and his defense included a number of other possible explanations for how the horse might have tested positive. The appeals court dismissed them. **For the complete story, click [here](#).**

**MIESQUE'S APPROVAL TAKES AIM AT SUNSHINE MILLIONS** Trainer Martin Wolfson said yesterday that GI Breeders' Cup Mile hero **Miesque's Approval** (Miesque's Son) will make his next start in the Jan. 27 \$500,000 Sunshine Millions Turf at Santa Anita. The seven-year-old, who upset the field at 24-1 at Churchill Downs, had his first breeze since the Breeders' Cup Wednesday, going an easy half in :51 2/5 at Calder. "He'll train right up to the race," said Wolfson Friday morning. "He's at his best when he's fresh." The Live Oak homebred found himself in the claiming ranks at the end of 2004 and was nearly retired, but came back to win five of his seven races this year, adding the GII Maker's Mark Mile, GII Firecracker BC H., GIII Red Bank H. and the Sunshine Millions Turf to his resume. He has now earned \$2,645,879. "It's been a remarkable year for him and I really think he could very well have won all of his races," Wolfson said. "He had to ship for all of his races and met every challenge. I think he deserves [the Eclipse Award]."

ABSOLUTE GLORY (c, 4, Pembroke--Grab the Glory {SP, \$247,256}, by Alphabatim)** finished sixth at Del Mar in his lone start at three and resurfaced with a second-place finish in his four-year-old bow at Golden Gate Sept. 6. Placed on the sidelines again following that effort, the \$11,000 KEESEP yearling and \$40,000 BESMAY two-year-old most recently finished seventh in a turf sprint at Hollywood Nov. 10. Removing blinkers for this start, the 14-1 chance settled in fourth through a half mile in :44.97, was swung out for the stretch run and blew by 4-5 favorite Storm Beach (Storm Creek) to take it by two lengths. Lifetime Record: 6-1-2-0, \$38,200.

**ANOTHER RECORD YEAR FOR GOFFS** Goffs capped off a record 2006 with yesterday's one-day December Flat Sale, which was held at the sales company's Kill complex. Of the 233 lots offered, 160 found buyers, helping the sale's gross break through the seven-figure barrier at €1,087,400, a 42-percent surge on 2005's returns. The average jumped an impressive 34 percent to €6,796, while the median rose 67 percent to €5,000. The day's highlight proved to be Springbank Way's Hip [1175](#), a weanling colt by High Chaparral (Ire) out of the Group 1-placed Ivowen (Theatrical {Ire}). He was knocked down to trainer Christy Roche for €44,000. The sales company also announced record annual turnover that grew to €127,455,650, a 24-percent improvement on last year's previous best of €102,558,875. At the end of business, Goffs' Managing Director Matt Mitchell announced, "2006 was an outstanding year for Goffs, as the statistics indicate, especially considering the record returns of last year. Particularly pleasing was the success of the Million and Land Rover sales. On behalf of myself and all the team at Goffs, I would like to thank all our vendors and purchasers for their support in 2006, and wish them a very happy Christmas and a prosperous new year." Catalogues and results may be viewed at [www.goffs.com](http://www.goffs.com).

**SAINT-CLOUD ABANDONED**

AUSTRALASIA

**EARLY CHRISTMAS AT INGLIS NEWMARKET**

Yesterday's Inglis Christmas Thoroughbred Sale at Newmarket saw a record Australian price of A\$520,000 for a yearling at a mixed sale. Lot [118](#), an Encosta de Lago (Aus) colt out of the Danehill mare Cashier (Aus), set the mark when selling to the Western Australian-based Wyllie Group. Already accepted to the 2007 Inglis Easter Yearling Sale, the half-brother to Group 2 winner Flying Pegasus (Aus) was sold to dissolve a partnership. Earlier in the day, the topper's elder sister **Zaloot (NZ)** (Zabeel {NZ}) was the highest-priced mare for the day, purchased for A\$285,000 by Sydney-based bloodstock agent David Lamond. Tested in foal to Starcraft (NZ), the bay, lot [67](#), was sold with her 2006 Galileo (Ire) filly at her side. She was consigned by Princes Farm. The top price for a two-year-old at yesterday's sale was A\$180,000 for lot [181](#), the unraced filly Bound (Aus) (Royal Academy). Ramsey Pastoral Pty Ltd purchased the daughter of G1SW Wrap Around (Aus) (Bletchingly {Aus}). Consigned by Tyreel Stud as agent, the bay is a half-sister to the dam of champion Fashions Afield (Aus). The auction company's Managing Director Reg Inglis was pleased with the day. "That the final sale of the year was very strong, with extremely good prices achieved, all augers well for the sale season next year," he said.
