**PIMLICO STAKES NAMED FOR BARBARO**

The Maryland Jockey Club announced yesterday that the Sir Barton S. has been renamed to honor Kentucky Derby winner **Barbaro** (Dynaformer). "We thought it was the right thing to do," said Lou Raffetto, president and chief operating officer of the MJC. "Barbaro has become the most popular racehorse in the country because of his courageous battle to overcome such a severe injury. This change will allow the next generation of race fans to reflect upon this magnificent and beloved champion during Preakness day at Pimlico." The event, for three-year-olds going a mile and a sixteenth, is run on the undercard of the GI Preakness S. It had its first edition in 1993.

**MINEFIELD JOINS GODOLPHIN**

According to published reports, Godolphin has acquired the two-year-old colt **Minefield** (Silver Deputy) from owners Starlight Stable LLC, Paul Saylor and Donald Lucarelli for an undisclosed sum. The bay, who was previously trained by Todd Pletcher, broke his maiden by 8 1/2 lengths at Churchill Downs in his May debut before being sidelined by shin problems. He returned to take a Churchill allowance test by 3 3/4 lengths Nov. 11. A half to SP Big Cheque, Minefield was a \$190,000 KEENOV weanling and a \$400,000 FTSAUG yearling. He will be quarantined in Florida before heading to Dubai.

**CORRECTION:** In Bill Oppenheim's column in Wednesday's *Thoroughbred Daily News*, he incorrectly referenced Successful Appeal's 2006 stud fee of \$25,000. In fact, his 2007 fee of \$40,000 would have excluded him from the column, which covered stallions standing for less than \$40,000. In addition, while the column correctly listed Eddington's stud fee at \$20,000, the accompanying table did not. He regrets the errors.

**SUMII PAIR COULD HAVE 'IMPACT'**

**Deep Impact (Jpn)** (Sunday Silence) suffered his only Japanese defeat in last year's G1 Arima Kinen. The superstar looks to avenge that loss in the country's biggest race this Sunday, but a pair of runners from Katsuko Sumii's barn will look to play the role of spoiler. The Japanese-based duo of **Delta Blues (Jpn)** (Dance in the Dark {Jpn}) and **Pop Rock (Jpn)** (Helissio {Fr}), who finished one-two in an historic running of the G1 Melbourne Cup in November, return to their homeland with the credentials to spring such an upset. Delta Blues, a five-year-old who won the Kikura Sho (Japanese St Leger) in 2004, and Pop Rock, a fellow five-year-old who's just now hitting his best stride, battled tooth and nail in the latter stages of the 3200-meter Melbourne Cup, with the former asserting for the half-length tally. They face a tall order in knocking off Deep Impact, who recently bested Dream Passport (Jpn) and Ouija Board (GB) in the G1 Japan Cup, but Pop Rock especially could benefit from the drop back in distance to the 1 1/2 miles of the Arima Kinen, which is held at Nakayama. Pop Rock was well-beaten in his lone start at Nakayama in a Group 2-JRA event last year, but looks to be a different horse now.

ROARING LION (c, 2, Lion Hearted--Smartly {SW, \$172,327}, by Horatius)** gradually climbed the ladder in his first three trips postward, finishing third at Delaware Aug. 30 and runner-up in the slop at this track Nov. 16 before graduating by a length over course and distance Nov. 29. The 9-2 third choice to go back-to-back, he settled in midpack for the run up the backstretch, came three wide into the lane and drove clear to a 3 3/4-length success from Saratoga Lulaby (Brahms). Lifetime Record: 4-2-1-1, \$46,040. O/B-Buckingham Farm (MD). T-Richard W Small.

**6th-LRL, \$30,000, Msw, 3yo/up, 6f, 1:11 1/5, ft. PRINCE OF TRICKS (g, 3, Phone Trick--Medieval Princess, by Medieval Man)** was bet down to 9-2 for his five-furlong debut at this track Nov. 26, but ran into a buzzsaw in the form of Djembe and settled for second, beaten 8 3/4 lengths. Favored here at 6-5, the gelding chased A Reel Buster (Housebuster) from second, turned up the heat on that one leaving the eighth pole and drew off to a 2 1/4-length victory. The bay was bred on the same cross which produced Horse of the Year Favorite Trick. Lifetime Record: 2-1-1-0, \$23,400. O-CTH Partnership. B-Big T Stables (MD). T-Dale Capuano.

**Two Barns Quarantined at Calder:**

Two barns at Calder Race Course have been placed under quarantine as a precautionary measure after a horse that had been stabled on the backstretch tested positive for Equine Herpesvirus. That horse had shipped to Ocala before coming up positive for the disease. "As of Dec. 19, two barns at Calder Race Course have been placed under restrictions in response to presumed Equine Herpesvirus Type 1 (EHV-1) exposure," said Calder Race Course track veterinarian Dr. Mary Scollay. "Currently, there are no cases of EHV-1 at Calder Race Course. However, a horse that had been hospitalized in Wellington [Florida] and returned to Calder for five days then shipped to Ocala has been confirmed to be infected with EHV-1." In addition to the quarantine, Calder implemented the following measures: No new horses will be admitted for stabling in the main barn area at Calder for a period of seven days. Individuals intending to ship horses for arrival after Dec. 25, 2006, should contact the stall office at (305) 625-1311, ext. 3942, before finalizing arrangements; "race and go" horses will be housed in two dedicated receiving barns, one for horses shipping from Gulfstream, Payson Park, Palm Meadows and Palm Beach Downs, and one for horses shipping from Ocala and private farms; horses originating from facilities other than Gulfstream and Palm Meadows must have proof of vaccination for EHV-1 (no less than 14 days, no greater than 90 days), Certificate of Veterinary Inspection with EHV-1 specific affidavit and proof of negative Coggins Test; all horses stabled at Calder are to have their temperatures taken twice daily, and any temperatures of 102 degrees or higher must be reported to the track veterinarian. Any horse with a fever will be removed to an isolation barn and tested. Horses currently under quarantine will be given access to the track after regular training hours. To prevent the spread of the disease to its facility, Tampa Bay Downs has instituted precautionary measures similar to those of Calder.

He missed the kick here, but had made up the lost ground easily by halfway. Leading at the eighth pole, the 3,800gns TATDEC weanling and €18,000 TATIRE yearling asserted under a hand ride to best the longtime leader Fares (Ire) (Mark of Esteem {Ire}) by a cozy 3/4-length margin, breaking the juvenile track record in the process.
