## BROTHER DEREK TUNES UP FOR MALIBU

Trainer Dan Hendricks sent out three-year-old **Brother Derek** (Benchmark) for his final piece of serious work in advance of next Tuesday's GI Malibu S. at Santa Anita.

**Brother Derek**

The colt drilled five panels at Hollywood Park in 1:00 1/5 (8/40) with exercise rider Luis Ortega in the irons. "He's thriving right now; he's doing very well," said Hendricks. "He did the last eighth in :11 and change." It's been an up and down season for Brother Derek. Owned by Cecil Peacock, he capped off a four-race winning skein this spring with a tally in the GI Santa Anita Derby, but

hasn't won in five starts since. Though he hasn't found the winner's circle, he has put up a number of solid efforts, including a good dead-heat fourth in the GI Kentucky Derby and, in his most recent, a fifth in the GI Breeders' Cup Classic. "There were a lot of highs at the beginning of the season, and things just leveled off," said Hendricks. "Of course we're very disappointed with that, and would like to get back to the winning streak he had. But when we look back, there are very few things we'd change. The horse has gone out and, in every race but the El Cajon [fourth at 2-5 odds in September], he's tried his heart out for us and done very well, and we don't want to complain or make excuses. We've got a healthy horse with very few races underneath him right now going into the new year, and we're going to start with a very prestigious race series here that we hope to finish out with the [GI] Santa Anita H. [Mar. 3]." The Malibu is the first leg of the Strub Series, which is also comprised of the 8 1/2-furlong, Jan. 13 GII San Fernando Breeders' Cup H. and the nine-furlong Feb. 3 GII Strub S. As for the seven panels of the Malibu, Hendricks added, "I don't think it suits his style--he's a two-turn horse--but it's a Grade I, and it's a great race for three-year-olds at the end of the year." As Brother Derek aims to get back on track, he may be doing it with a new jockey. A Hollywood Park release said that his regular rider, Alex Solis, has chosen to ride **Arson Squad** (Brahms) instead. "If we don't have Alex, we've got [Garrett] Gomez as a back-up," said Hendricks.

## RAMONTI TO GODOLPHIN

Italy's champion miler **Ramonti (Ity)** (Martino Alonso {Ire}) is set to race in Godolphin's royal blue next year after his fine third in the Dec. 10 G1 Hong Kong Mile at Sha Tin. According to the paper *Lo Sportsman*, the deal to secure the four-year-old from owner-breeder Emilio Balzarini of Scuderia Siba is in the process of being finalized. Last year's G2 Premio Parioli (Italian 2000 Guineas) scorer Ramonti also captured the G1 Premio Vittorio di Capua, G2 Premio Ribot and G2 Premio Emilio Turati this term. Siba also sold their homebred Becrux (Ity) to Team Valor, who went on to enjoy success in the GI Woodbine Mile.

## Barbaro Update

### BARBARO EXAMINED BY PODIATRIST

by Gail Luciani, Director of UPenn Office of Communications

KENNETT SQUARE, PA...Kentucky Derby winner Barbaro was examined yesterday by Dr. Scott Morrison, head of the equine podiatry service at Rood and Riddle Equine Hospital in Lexington, Kentucky. "Barbaro is stable and comfortable although we remain concerned about the long term management of his left hind foot," said Dr. Dean W. Richardson, Chief of Surgery. According to Barbaro's medical team, Dr. Morrison did some minor work on Barbaro's left hind foot, and made recommendations concerning the management of that foot. "There is no timetable at this moment concerning Barbaro's discharge from the hospital," said Dr. Richardson. "His comfort on both hind limbs is good and his overall condition is excellent." The next update will be posted on Tuesday, Jan. 2, unless there is a significant change in Barbaro's condition.

For more info on Barbaro, please see [www.vet.upenn.edu](http://www.vet.upenn.edu).

**TAGG DUO POINTED FOR GULFSTREAM MEET**

**Nobiz Like Shobiz** (Albert the Great) and **Showing Up** (Strategic Mission) both ended their 2006 campaigns in style and will spend the winter months at Barclay

**Nobiz Like Shobiz**  
Adam Coglianese

Tagg's Gulfstream Park barn. Lael Stables' Showing Up began his career at the Hallandale racetrack with two straight victories on the main track, but really blossomed once switched to turf. The chestnut boasted victories in the GI Secretariat S. at Arlington Aug. 12, the GII Jamaica Breeders' Cup H. at Belmont Oct. 14 and the GI Hollywood Derby last time Nov. 26.

"There's really not much to run him in at Gulfstream other than the [GI Gulfstream Park Breeders' Cup Turf H., Feb. 24], and that's at a mile and three-eighths and I'd hate to start him out at that distance,"

Tagg told *Daily Racing Form*. "It's a

long year and I'd really like to get a championship for him if I can. But you never know. We'll just see how things go." Elizabeth Valando's Nobiz Like Shobiz won two of three starts this term, including an impressive 6 1/2-length tally in Aqueduct's GII Remsen S. Nov. 25. "He's training normally, but won't work until around New Year's since he's not going to run until Feb. 3," Tagg continued. "He'll probably be a little different as a three-year-old than a two-year-old and I'll have to get a line on him as we go along, but the plan at the moment is to get him started in the [GIII] Holy Bull S., run back four weeks later in the [GII] Fountain of Youth S. [Mar. 3], and then give him five weeks to the [GI] Wood [Memorial, Apr. 7]. The back-up plan would be to keep him here for the [GI] Florida Derby [Mar. 31] if the weather in New York became too harsh."

**HUSSONET SIRES 100th STAKES WINNER**

Arrowfield stallion **Hussonet** (Mr. Prospector), who started his stud career in Chile, was represented last week by his 100th stakes winner in that country. The 15-year-old stallion has reached the milestone from just nine crops to race. His 100 black-type winners have come from a total of 458 runners, an amazing ratio of 21.8 percent stakes winners-to-runners. The sire of no fewer than 17 champions, Hussonet has sired a total of 24 Group 1 winners, including Wild Spirit (Chi) and Host (Chi), both winners at the highest level in the United States. The son of Sacahuista has gotten off to a promising start in Australia and sits atop the current first-season sire list, with three winners, including Group 3 victor Husson Lightning (Aus). Hussonet's current crop of yearlings totals 121, of which 35 will be offered at the upcoming Magic Millions Yearling Sale on the Gold Coast.

**KEENELAND SEEKS TO PROTECT SALE HORSES FROM EHV-1**

courtesy of [www.bloodhorse.com](http://www.bloodhorse.com)

Because of the recent equine herpesvirus-1 (EHV-1) outbreak in Florida, Keeneland officials have issued additional requirements that must be met before horses enter the sale grounds in Lexington for the January horses of all ages auction. "With the outbreak of EHV-1, we have to take all precautions to guarantee the health of all the horses that are going to be sold here," said Geoffrey Russell, Keeneland's director of sales. "We have horses coming here from all over North America, so we want to make sure everything is taken care of." The requirements were listed in a letter to consignors, dated Dec. 20. They are as follows:  
--Health certificates (Certificates of Veterinary Inspection, CVI) must be provided upon arrival at the sale grounds. The CVI must be signed and dated by a licensed veterinarian within 72 hours prior to arrival.

# AUSTRALASIA

**SCOBIE BREASLEY DIES** Arthur 'Scobie' Breasley, one of Australia's legendary jockeys, has died after suffering a stroke at the age of 92. As the winner of two Epsom Derbies and a Prix de l'Arc de Triomphe, Breasley was a renowned figure in Europe as well as his homeland. It was on Santa Claus (GB) in 1964 and Charlottown (GB) three years later that he captured Britain's blue riband, having partnered Ballymoss (Ire) to glory in the Arc in 1958. Breasley also took five Caulfield Cups in a career of 3,251 wins, which included four Jockeys' Championships in Britain. The Wagga Wagga-born rider retired from the saddle in 1968 before enjoying a spell as a trainer and has recently been commemorated with the Scobie Breasley Medal awarded to the year's outstanding Victorian jockey. Former commentator and racing luminary Sir Peter O'Sullivan paid tribute yesterday. "His timing was nothing short of miraculous and this was an enormous help to him," he said yesterday. "He was a very sympathetic jockey and a very instinctive one. He had a remarkable feel for horses and was one of my heroes."

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will indicate first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races.
