MIND OVER MUCHO IN THE HOPEFUL

Mind Control (inside) holds off Mucho | *Sarah Andrew*

Red Oak Stable and Madaket Stables' **Mind Control** (Stay Thirsty), privately purchased by the latter out of a maiden win a little over three weeks ago at Monmouth, shook off some early pace pressure and dug in late to hold off heavily favored **'TDN Rising Star' Mucho** (Blame) in the GI Hopeful S. at Saratoga. Given a 10-1 chance in the closing-day feature, the bay broke well and dueled early on with **'Rising Star' Nitrous** (Tapit) through splits of :22.96 and :45.68. Cutting the corner into the lane, he appeared likely to be overhauled by the imposing Mucho in the three path, but kept on finding to deny that one by just under a length, completing the seven furlongs in 1:22.99 and giving veteran trainer Gregory Sacco the first Grade I of his career.

"Our intent was to let Nitrous go because the way he rated last time, we thought if we got him in position, Johnny [Velazquez] could make a move on him when he thought it was the right time," Sacco said. "He has gears. He ran a great race against Call Paul [in his debut July 5 at Delaware Park] and then at Monmouth, but then you have to do it on the big show. We had a lot of horse at the quarter pole. Johnny said he was actually waiting a little bit. He's still a little green and learning."

Velazquez added, "He settled pretty easy along the backstretch and got settled to the turn. Once we reached the three-eights pole and I asked him, he was full of run. I was real proud of the way he finished. He came on and never relinquished." ***Cont. p3***

GAME WINNER GIVES BAFFERT 14TH DEL MAR FUTURITY

Gary and Mary West's **Game Winner** (Candy Ride {Arg}), tabbed **a 'TDN Rising Star'** after a debut victory at Del Mar Aug. 18, broke free of the shadow of his much-hyped stablemate and fellow **'Rising Star' Roadster** (Quality Road) to win the GI Del Mar Futurity Sunday evening, giving trainer Bob Baffert his 14th victory in the race. Game Winner had 1 1/2 lengths on pacesetting **Rowayton** (Into Mischief) at the finish, with Roadster a half-length back in third.

"We're an equal opportunity barn and sometimes I just throw them in there when they're doing well and they even surprise me," Baffert said after watching his 8-5 second choice best his 3-5 favorite.

QURBAAN ON TOP IN BERNARD BARUCH **7**
Shadwell Stable's Qurbaan (Speightstown) made his stateside debut a winning one with a dramatic finish in the GII Bernard Baruch H. at Saratoga Monday.

PURE SENSATION A TURF MONSTER AGAIN **9**
Pure Sensation (Zensational) continued his love affair with the Parx turf course to win a third GIII Turf Monster S.

NEW RISING STAR FOR MACLEAN'S MUSIC **1RR**
Klaravich Stable's Complexity (Maclean's Music) was tabbed the newest 'TDN RISING STAR' with a 4 1/4-length debut victory at Saratoga Monday.

Mind Over Mucho in the Hopeful *(cont. from p1)*

The Sacco family has been staples of the Monmouth Park backstretch for decades; Sacco's father William was the leading trainer at the New Jersey oval in 1962.

"It's my first Grade 1 [win], so it's real special," Sacco said. "I'm the son of a trainer. My dad never had the opportunity to train these types of horses. It's very meaningful. It's a great feeling. I have my whole family here and I can't be any happier."

Gregory Sacco (center) celebrates Hopeful win | *Sarah Andrew*

Mind Control was second behind subsequent GII Saratoga Special S. winner Call Paul (Friesan Fire) in his July 5 debut at Delaware Park. The Red Oak homebred graduated going six furlongs at Monmouth Park Aug. 12 and Sol Kumin's Madaket Stables joined the ownership line after that convincing three-length victory.

Sacco said the Nov. 2 GI Breeders' Cup Juvenile at Churchill Downs was a logical goal for Mind Control.

"I'll have to discuss it with the [owners], but I would think so," he said. "I don't think the distance will give him limitations. The way he's trained and galloped out in his last race, he's just a genuine horse. He has a ton of ability. The main thing is that he's so smart. He acts like an older horse and does everything right. For a young horse, it's a big plus. He'll go back tomorrow morning to Monmouth. We'll savor this win and go from there."

Pedigree Notes:

Stephen Brunetti, son of the late Hialeah owner John Brunetti, recently added Grade I winner Unbridled Mo to the Red Oak broodmare band, which is based at Darby Dan and already includes stakes-winning homebred full-sisters Feel that Fire and Ima Jersey Girl. Feel that Fire, winner of the 2011 Blue Sparkler S. at Monmouth Park, produced a filly by Bodemeister in 2017 and, with no reported foal in 2018, was bred back to Mineshaft.

Ima Jersey Girl has a weanling filly by Goldencents and was bred back to Street Boss. Both mares are by MSP Lightnin N Thunder (Storm Cat), whose dam Things Change (Stalwart) won the 1998 GI Spinaway S. at Saratoga.

Mind Control's second dam is the unraced Ubetwereven (French Deputy), who produced a filly by Orb this year for Red Oak and was bred back to that GI Kentucky Derby winner.

Mind Control is the first North American Grade I winner for 2011 GI Travers S. winner Stay Thirsty (Bernardini). The stallion was also represented by last year's GII Amsterdam S. winner Coal Front and multiple graded stakes placed Thirstforlife.

Game Winner Gives Baffert 14th Futurity Winner *(cont. from p1)*

Away well from his outside draw, Game Winner was unhurried early and dropped back toward the rear of the field as Rowayton tore away through a :22.53 quarter. Game Winner began to advance in tandem with Roadster passing a half in :45.35, but they both still had several lengths to find at the top of the lane. Rowayton, however, started to hit a wall inside the furlong grounds while never switching leads, and Game Winner, the less fancied of the two Bafferts, had the stronger late punch to take over in deep stretch and score by 1 1/2 lengths in 1:23.18.

Game Winner | *Benoit*

"Going down the backside that other horse [Rowayton] was way out there and sometimes if you get out there like that you can steal a race," Baffert said. "I just hoped my guys knew they were in good spots. I knew they'd have to sprint home. I knew coming in that [Game Winner] was coming back a little quick, but he's a big strong heavy horse and I knew he could handle it. I'd rather run him again than keep working him."

Game Winner went wire-to-wire for an eye-catching debut victory going six furlongs of the Del Mar track Aug. 18. He tuned up for the Futurity with a best-of-33 five-furlong drill in :59 3/5 and was shedding the blinkers for this second start.

Baffert had tabbed Roadster as his next superstar well before the gray colt had made his racetrack debut a winning one July 29.

"I'm a little disappointed in [Roadster], but it was only his second outing and sometimes the second out when you break their maidens they can get a little flat on you," Baffert admitted.

Rowayton, a debut winner at Del Mar July 21, may have gotten an education Monday, according to the meet's leading rider Drayden Van Dyke.

"That was the plan--to just go for it," Van Dyke said. "He did and he ran good. He fought me on changing leads once more; he fought me on the right [lead]. But he'll learn; he'll get better."

Pedigree Notes:

Game Winner's dam Indyan Giving is a daughter of Eclipse champion Fleet Indian (Indian Charlie), who was acquired privately by Jane Lyon's Summer Wind Farm after she RNA'd for $3.9 million while in foal to Storm Cat at the 2007 Keeneland November sale. That Storm Cat foal was a $2.05-million yearling purchase at the 2009 Keeneland September sale.

Fleet Indian died from complications of colic in 2011. The unraced Indyan Giving is her second foal and RNA'd for $385,000 at the 2010 Keeneland September Yearling Sale. Game Winner is her most recent reported foal.

Shadwell Stable's Qurbaan got the best of a three-way blanket finish over a pair of Juddmonte homebreds to win his U.S. debut in the GII Bernard Baruch H. at Saratoga Monday. Allowed to settle into stride, the bay was second last in a strung-out field of five as favored Voodoo Song (English Channel) set the pace through :24.13 and :47.89. The field began to bunch up on the pacesetter turning for home and Voodoo Song had little left at the top of the stretch. Projected was first to take over, but Qurbaan was putting in his run on the outside and Forge was grinding his way between the top two as the wire neared. In an all-out sprint to the wire, Qurbaan just got his nose in front when it mattered most.

"We were trying to run him in an allowance race that didn't go for a while," admitted winning trainer Kiaran McLaughlin. "We didn't have many options but to go into the stakes. He's a stakes horse, obviously. He's won five races all around the world. I was worried right up until the wire, but thankfully we got there. I'm very happy with the photo; we've had a couple of close ones this meet. After :24 and :47 [fractions], I thought we had no chance, but he responded very well and ran great.

Cont. p8

Aisling Duignan, Dermot Ryan, Charlie O'Connor or Adrian Wallace. Tel: 859-873-7088. Fax: 859-879 5756.

As for where Qurbaan might start next, McLaughlin added, "He's run at various distances and obviously with Shadwell being the sponsor of the [Oct. 6 GI] Shadwell Mile [at Keeneland], we may have to try that next now that we have a horse that can go there. Hopefully, [he has] a bright future."

Qurbaan, group placed in France last July, was making his first stateside start in his first outing since finishing fifth in the G3 Prix Andre Baboin last October for trainer Francois Rohaut.

Pedigree Notes:

Flip Flop, a stakes winner in France before selling for 270,000gns at the 2004 Tattersalls December sale, came stateside for a 2005 campaign in which she was second in the GI Yellow Ribbon S. The mare most recently sold to Irish bookmaker Justin Carthy for $115,000 while in foal to Elusive Quality at the 2011 Keeneland November sale.

Dull Knife, her 2-year-old colt by Scat Daddy, sold for €80,000 at last year's Arqana August sale before RNA'ing for €190,000 this year at the Arqana May sale. He captured his debut at Deauville Aug. 11. Flip Flop produced a filly by Munnings in 2017--catalogued as hip 925 at next week's Keeneland September sale--and a colt by Speightstown this year.

Pure Sensation continued his love affair with the Parx turf course to win this race for a third time. After capturing the Turf Monster last September, Pure Sensation failed to find the winning thread in his next four attempts, including a close fifth in the GI Breeders' Cup Turf Sprint at Del Mar Nov. 4 and a third-place finish in Belmont's GII Jaipur S. July 7. The 7-year-old entered off a third-place finish behind Vision Perfect in the GIII Parx Dash S. July 7. Drawn on the fence here, the gray battled up front through fractions of :22.44 and :44.58. Stacked up three across the track in the stretch, he dug down deep to find the wire first. From six attempts over the Parx lawn, Pure Sensation boasts five wins and one third-place finish. His other two wins here are in the Parx Dash.

Pedigree Notes:

Patricia A. Generazio homebred Pure Disco--a full-sister to Captain Gaughen, MSP, $394,274 and a half-sister to Crafty Concorde (Crafty Friend), SP, $521,801--is also represented by a Street Sense filly of 2016 and a Bodemeister filly of 2017. She was bred to Will Take Charge this year.

You're to Blame outbattled War Story in a dramatic stretch run to win the GIII Greenwood Cup at Parx Monday. Making his first start beyond nine furlongs, the bay colt settled in second as War Story was unchallenged on the early lead through moderate splits.

You're to Blame snuck through an opening along the rail entering the final bend to confront the pacesetter approaching the lane and the two rivals turned for home together before battling it out to the wire.

You're to Blame was third in last year's GIII Bay Shore S. and second behind West Coast (Flatter) in the Curlin S. while campaigned by Woodford Racing and trainer Chad Brown. Bloodstock agent Steve Young signed the ticket at $440,000 to acquire the colt at last year's Keeneland November sale. The colt won his second start for new owner Bortolazzo Stable and trainer Todd Pletcher with an optional-claiming score at Gulfstream in February. Most recently, he was third in the July 6 State Dinner S. at Belmont and was coming off an Aug. 13 optional-claiming victory at Saratoga.

Pedigree Notes:

Bon Jovi Girl was purchased for $950,000 at the 2010 Keeneland January sale. Steve Young's name was also on the ticket when the mare's now 3-year-old Super Metrix (Medaglia d'Oro) sold for $300,000 at last year's OBS March sale, eight months before Young purchased You're to Blame. Bon Jovi Girl, third in the 2009 GI Gazelle S., produced a colt by American Pharoah this year and was bred back to Gun Runner. The mare is a half-sister to champion Gio Ponti (Tale of the Cat).

SECOND HIGHEST HANDLE FOR SARATOGA

The 2018 Saratoga racing season concluded Monday with the second highest all-sources handle in track history, despite a meet plagued by rain-soaked days. With 50 races forced off the turf, total all-sources handle generated during the meet was $659,083,459. It was $676,709,490 in 2017 when only 27 races were taken off the turf.

The 2018 season also witnessed the largest all-sources handle in Travers Day and Woodward Day history, and the second largest wagering ever on opening day. On the final Saturday of the season, NYRA set another record for handle when $31,030,034 from all-sources was wagered on Woodward Day, easily eclipsing the previous Woodward Day record set in 2017 by 11.3%.

Brown, Ortiz, Jr. Take Spa Titles

Chad Brown earned his second H. Allen Jerkens training title with a record-setting 46 victories during Saratoga's 40-day meet which concluded Monday.

"It's been an outstanding meet," said Brown, who was bettering the previous record win total of 40 he set in 2016 and which was equaled by Todd Pletcher in 2017. "We're just thankful for all the good fortune we've had. Saratoga always holds a special place in my heart being from the area. Being so up close with all the fans, friends and family all meet on a daily basis makes it extra special to win here. I'm just so proud of the horses that have shown up and ran so well for us. My staff of course, they deserve all the credit. They're in here working 24-7 and making sure everything's checked and prepared, which makes it easy for me coming to the barn every day."

Jockey Irad Ortiz, Jr. also captured his second title at the Spa, taking the Angel Cordero, Jr. award after riding 52 winners at the stand.

"We worked really hard to win the title and now we can enjoy it," Ortiz said. "My agent, Steve Rushing, did such a great job and all the owners and trainers who gave me an opportunity. Without them it wouldn't have been possible. I won on a lot of nice horses this summer, I can't name them all at the moment, but each of them was special. Diversify winning the [GI] Whitney was a top moment, but they were all special."

The meet's leading owner was Seth Klarman's Klaravich Stables with 21 victories and earnings of more than $1.429 million. Klaravich ended Michael Dubb's four-year streak of leading owner titles in Saratoga.

BARKER WINS UNDER 20 CLAIMING CHALLENGE

Trainer Ed Barker earned $18,000 for winning the New York Racing Association's first 'Under 20's Claiming Challenge.' Launched in April, the contest was open to trainers with 20 or fewer horses. Those trainers were required to submit a list of horses who would be eligible to accrue points in the contest. Only claimed horses could be deleted or added to that list. Points were awarded on those horses' performances at the Belmont meet in claiming races or when they ran in an optional claimer with a claiming tag.

Barker's roster of horses accumulated 41 points in claiming races at the Belmont meet. Robert Falcone, Jr. was second with 28 points and received a $15,000 bonus and Jim Ryerson was awarded $13,000 for finishing third with 27 points.

"It was a great, innovative program, particularly for the smaller trainers at NYRA like myself who need help making ends meet," Barker said. "I think the contest created a nice level of competition among the trainers for the prize money and it helped fill the entry box with some extra starters. It was a win-win for us and NYRA."

Martin Panza, NYRA's senior vice president of racing operations, added, "For doing it the first time, we were pleased with the results. The contest was designed to help the small trainers and the trainers who run their horses frequently. It's a difficult environment for them and this is a way to help keep them in business. It also rewards them and recognizes them for running their horses here with us. Ed Barker is a trainer who runs his horses and, if you're an owner, you need trainers like that because you can't make any money keeping your horses in the barn."

The contest will be offered again at the Aqueduct winter meet.

IT'S NOT COMPLICATED: MACLEAN'S MUSIC COLT ANOTHER KLARAVICH/BROWN RISING STAR AT SARATOGA

Complexity | *Sarah Andrew*

Complexity took all the play for his debut on closing day at Saratoga and ran to the money with an impressive score to earn **'TDN Rising Star'** honors.

Showing a string of sharp local breezes, culminating in a 1:00 2/5 (3/18) five-furlong move Aug. 26, the $375,000 Keeneland September graduate was backed down to 85 cents on the dollar and broke about a length slowly from his inside draw. Quickly recovering and punching through at the rail under his own power, he dictated terms past splits of :22.14 and :45.02. Quietly ridden on the turn, he quickly shook clear once given his cue by Jose Ortiz as heads pointed toward home and never faced a serious threat from there, coasting home in hand 4 1/4 lengths to the good of longshot Harvey Wallbanger (Congrats) in a sharp clocking.

Complexity was the third 'Rising Star' at the meet for Saratoga's leading owner Klaravich Stables and record-setting leading trainer Chad Brown, following up Feedback (Violence) and Newspaperofrecord (Ire) (Lope de Vega {Ire}). He is a half to fellow 'Rising Star' Valadorna (Curlin), GSW & GISP, $560,920. His unraced dam, a half to juvenile GSW Springside (Awesome Again), is responsible for a yearling filly by Astrology and foaled a Curlin filly this season before visiting Pioneerof the Nile. Second dam Folly Dollar was a stakes winner and Grade II-placed.

Summering, who was given a 'TDN Rising Star' nod when impressively capturing her course-and-distance unveiling July 29, returned with a more workmanlike victory to stay unbeaten in Monday's Juvenile Fillies Turf S. at Del Mar. Dueling on a fast pace when favored in her bow, the Glen Hill homebred still had plenty in the tank to romp by five lengths. Crushed down to 3-10 off the strength of that effort, Summering wasn't away all that great and pulled some early, but soon settled to sit a close-up second through splits of :23.57 and :48.91. Taking charge from the longshot pacesetter at the quarter pole, she edged clear into the lane and kept to her task to score by 1 1/2 lengths. Lady Prancealot (Ire), making her North American debut, finished up full of run from last to be second.

"This is sweet; to win a stakes in these silks [Glen Hill Farm, where he got his start riding for trainer Tom Proctor] makes this so special," said winning rider Drayden Van Dyke. "Today, I had what you'd call a golden trip. She was always there and fired big. And I had a tough time pulling her up; she wanted to keep on going. She's a good one."

Graded winner Wishing Gate, who also raced in the colors of Glen Hill Farm, died after producing her second foal, a full-brother to Summering named Food and Wine, last year. Summering's second dam was also a productive carrier of the Glen Hill orange and black, having secured a pair of Grade III wins on the Churchill turf.

"This is a very special place for our family," said Glen Hill's Craig Bernick. "I think this is my 24th consecutive summer coming out here and the second since my grandfather [Leonard Lavin] passed away. It's nice to have a filly like this--the fourth generation in the family that we've owned--win a stakes in her second start. We'll go on to Santa Anita and if she wins again we'd consider the [GI] Breeders' Cup [Juvenile Fillies Turf], but she'd have to win well. One step at a time." **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Miss Sunset, winner of last fall's GII Lexus Raven Run S. at Keeneland, just missed Grade I glory at that oval when second by a nose in the GI Vinery Madison S. Apr. 7 at Keeneland and filled the same slot behind returning GI Ballerina S. victress Marley's Freedom (Blame) last out in the GIII Desert Stormer S. May 27 at Santa Anita. Backed into odds-on returning to California-bred company here, the bay broke well and tracked the speed of longshot Dis Smart Cat from second through fractions of :22.56 and :45.94. Taking a bit longer than expected to put that foe away while confidently handled by Mike Smith, she surged to the front at the sixteenth pole and edged clear late to score. Show It N Moe It nailed Dis Smart Cat for second on the line. Miss Sunset has an unraced juvenile half-sister by Smiling Tiger named Smiling Sunset and a yearling half-brother by the same sire. Segment, the 1-5 favorite, was part of a three-way duel with Garci (Super Saver) and Wild Appointment (Grand Appointment) through solid early fractions. While Wild Appointment started to fall back in the stretch, Garci and

Segment remained locked in battle. However, Segment proved gamest late to post a 1 3/4-length victory over Garci. The winner is a half to Apart (Flatter), MGSW & GISP, $735,360; and Unlatch (Horse Chestnut {SAf}), SW, $127,030. Segment has an unraced juvenile half-brother by Blame and yearling brother by Orb. PRINCESA CAROLINA (f, 2, Tapit--Pure Clan {MGISW, $1,987,498}, by Pure Prize) showed a bit of early foot before fading to be last behind returning GI Spinaway S. upsetter Sippican Harbor (Orb) in a local off-the-turf spot Aug. 12 and took some nibbles to be 13-2 getting on her intended surface here. Settling third-last behind fractions of :23.81 and :48.53, the gray was held up to save ground in the two path on the far turn before swinging six deep at the top of the lane. Sidling up to Toy Moon (Malibu Moon) at the eighth pole, she gradually wore that rival down to prevail by three-quarters of a length. The winner's dam, bought for $4.5 million by Three Chimneys at the 2012 Keeneland November Sale, captured the GI American Oaks Invitational S. and GI Flower Bowl Invitational S. on grass. The half-sister to MGSW Greater Good (Intidab) failed to produce a foal in either of the last two seasons and was bred to Gun Runner this term. RAYANA (f, 2, Scat Daddy--Tipping Point, by Speightstown) showed speed from her outside draw and never looked back, taking them all the way and giving Bob Baffert a rare turf juvenile winner on closing day at Del Mar. Picked up for $130,000 as a Keeneland September yearling by Yeomanstown Stud before reselling for 240,000gns at the Tattersalls Craven Breeze-Up Sale in April, the Arkansas-bred showed a steady string of stamina-building works for this unveiling, capped by a six-furlong spin in 1:14 flat (3/3) on the local main Aug. 28. Given a 3-1 chance, the dark bay broke sharply and pulled her way to the front, leading clear through fractions of :22.97 and :46.98. Held together strongly by leading rider Drayden Van Dyke, she turned for home with her ears pricked, lengthened her stride to create an unassailable advantage and came home a one-length victress over odds-on Colonial Creed (Jimmy Creed). The running time for the mile was 1.19 seconds faster than 'TDN Rising Star' Summering (War Front) clocked in taking the Del Mar Juvenile Fillies Turf S. four races earlier. The winner has a yearling half-sister by Icon Ike named Tailorbeswift and a weanling Blame half-brother. Her dam was bred to Ordained this season. MORE ICE (r, 2, More Than Ready--Coal and Ice, by Tapit) debuted with a third going 5 1/2 panels over the Los Alamitos dirt July 8, before finishing fifth stretching to a mile on the grass here July 28. Alleva (Goldencents) and Fortnite Dance (Liaison) went straight to the front and 10-1 chance More Ice was allowed to reside in a stalking position through early splits of :23.69 and :49.46. Receiving some encouragement leaving the quarter pole, the chestnut swung out four wide turning for home, zeroed in on the leaders in the stretch, drove past late and was 1 1/2 lengths clear of Alleva with favored Omaha Beach (War Front) closing to take third. Toshio (Declaration of War), who had a wide berth down the middle of the course, ducked out suddenly, dropping jockey Drayden Van Dyke in the process. Van Dyke was not injured in the fall. Coal and Ice foaled a pair of fillies in 2017 and 2018 by More Than Ready and was bred back to Hard Spun. Sales History: $240,000 Ylg '17 OBSOCT; $52,000 2yo '18 OBSAPR. Engaged in an tussle for the early lead, Street Band promptly took command, was

clear turning for home and galloped home an easy 7 1/4-length winner over Fun Paddy (Paddy O'Prado). Little Gemma (Gemologist) was third. IRISH WILLOW (f, 2, Paddy O'Prado--Whomping Willow {SP}, by Mineshaft) made no impact when sixth debuting over the local dirt Aug. 19 and was let go at 29-5 in this turf bow. Settling in fourth behind a contested :23.56 quarter, the homebred moved into a joint second passing a :47.51 half, drew on even terms with odds-on pacesetter Our Bay B Ruth (Candy Ride {Arg}) going by three-quarters in 1:10.74 and ground that one down in the final furlong to triumph by one length. Our Bay B Ruth just held for second from longshot firster Ladymidtown (Midshipman). The victress is the first foal out of a dam whose subsequent produce is a yearling filly by Daredevil. CLASSIC FIT (f, 2, Bernardini--True Style, by Forestry) finished third over yielding turf after pressing the pace Aug. 9 at Laurel and was made the 9-10 favorite in this move to the main track. Away in good order, the homebred tracked the pace from second through splits of :24.07 and :48.63, took charge five sixteenths from home and skipped clear into the stretch before holding off the inside bid of Super Tigress (Super Saver) by a neck on the wire. The winner's dam is a half to the late MGISW and sire sensation Scat Daddy (Johannesburg), as well as GSW/GISP Antipathy (A.P. Indy). The $1.4-million KEESEP yearling purchase failed to hit the board in either of her first two starts, finishing fourth around two turns at Churchill June 17 and fifth going a mile at Ellis July 27. Adding blinkers and trying a synthetic surface for the first time here, the 8-5 favorite led through an opening quarter in :24.38. She had some company to her outside as they hit the turn for home, but she had plenty left in the tank for the stretch, drawing off to score by 3 1/2 lengths over Good Girl I Am (Bernardini). Quiet Giant, a $3-million KEENOV purchase by Besilu Stables in 2011, had a Tapit filly in 2016 and a Candy Ride (Arg) colt in 2017. WINSTAR BRED

4th-Thistledown, $22,500, Msw, 9-3, 2yo, f, 6f, 1:14.00, ft. **COOL IRIS (f, 2, Flashback--Magnolias N Roses, by Strong Hope)** was backed down to even-money favoritism to become the fourth winner for her freshman sire (by Tapit). Cool Iris settled in a tracking second behind Hasty Lady (Hey Mister), who carved out an opening quarter in :22.64 and a half in :47.02. Swinging to the outside of that rival turning for home, she left that one behind and drew clear to graduate by two lengths over the oncoming Straight Madness (Weiglia). Magnolias N Rose is a half sister to MSW Turkappeal (Turkoman), dam of Rehear (Coronado's Quest), who is responsible for Grade I winner Mani Bhavan (Storm Boot), GSW Hear the Ghost (Ghostzapper); and SW & GISP Closing Bell (Tapit). Magnolias N Roses produced a filly by Medal Count last season followed by a Commissioner colt this term and was bred back to that stallion. This is the extended family of Canadian champion juvenile filly Silken Cat, the dam of champion sprinter Speightstown. Sales History: $5,000 Ylg '17 KEEJAN; $11,000 Ylg '17 OBSOCT. PEDIGREE INSIGHTS: TOO DARN HOT AND TEN SOVEREIGNS

Regally bred Solario S. winner Too Darn Hot | *Racing Post*

As a lover of quality two-year-old racing, the action at around 3:30 last Saturday was something of a treat for me, with two wide-margin maiden race winners and 'TDN Rising Stars' proving similarly impressive when they stepped up to Group 3 company. Firstly, the Round Tower S. at The Curragh was taken in very dominant style by No Nay Never's substantial son **Ten Sovereigns (Ire)** and then the Solario S. threw up a potential Classic winner when the regally-bred **Too Darn Hot (GB)** (Dubawi {Ire}) forged four lengths clear of the Chesham S. winner Arthur Kitt (GB) (Camelot {GB}).

These eye-catching victories led to some significant changes to the *Racing Post*'s list of the year's top juveniles, with Too Darn Hot taking over the top spot with a figure of 118, 2lb above Kingman's sidelined G2 Coventry S. winner Calyx (GB), who has also won his first two starts in style. Ten Sovereigns has been given a figure of 113, which places him third equal among the 2-year-old olds, equal with the Coventry S. second and G1 Phoenix S. winner Advertise (GB) (Showcasing {GB}). It is worth adding that the next colt on the list, on 112, is the G2 Superlative S. winner Quorto (Ire), who shares the same sire, Dubawi, as Too Darn Hot.

Too Darn Hot has such an illustrious pedigree that it's hard to find anything new to say about it. With Dubawi as his sire, the international Group 1 winner Dar Re Mi (GB) as his dam and the celebrated broodmare Darara (Ire) as his second dam, Too Darn Hot is a full-brother to those very talented fillies So Mi Dar (GB) and Lah Ti Dar (GB). Anyone thinking of backing Too Darn Hot for the G1 2000 Guineas should note that So Mi Dar never tackled a distance shorter than a mile and a quarter after the age of two, while Lah Ti Dar is unbeaten in three starts from 10 to 12 furlongs.

Too Darn Hot also represents the remarkable Dubawi-Singspiel cross which has produced 10 black-type winners from a total of only 30 foals--a terrific 33%--with the Group 1 winners Left Hand (GB) and Wuheida (GB) and this year's Group 2 winner Old Persian (GB) among them.

Again, it should be noted that Left Hand's group victories came over 10 and 12 furlongs, while Old Persian's Group 2 successes were both gained over a mile and a half. **Cont. p2**

Too Darn Hot and Ten Sovereigns

cont. from p1

Rare Rhythm (GB) landed his Group 3 victory at Meydan over a mile and three-quarters. Even Wuheida's wins in the GI Breeders' Cup Filly & Mare Turf and G2 Dahlia S. were gained over a furlong more than a mile, as was the listed race won by Crystal River (GB).

There are a couple of exceptions to this general rule, though, as Laugh Aloud (GB)'s stakes successes have been gained at around a mile and Majestic Dubawi (GB) was speedy enough to become a six-furlong Group 3 winner at two.

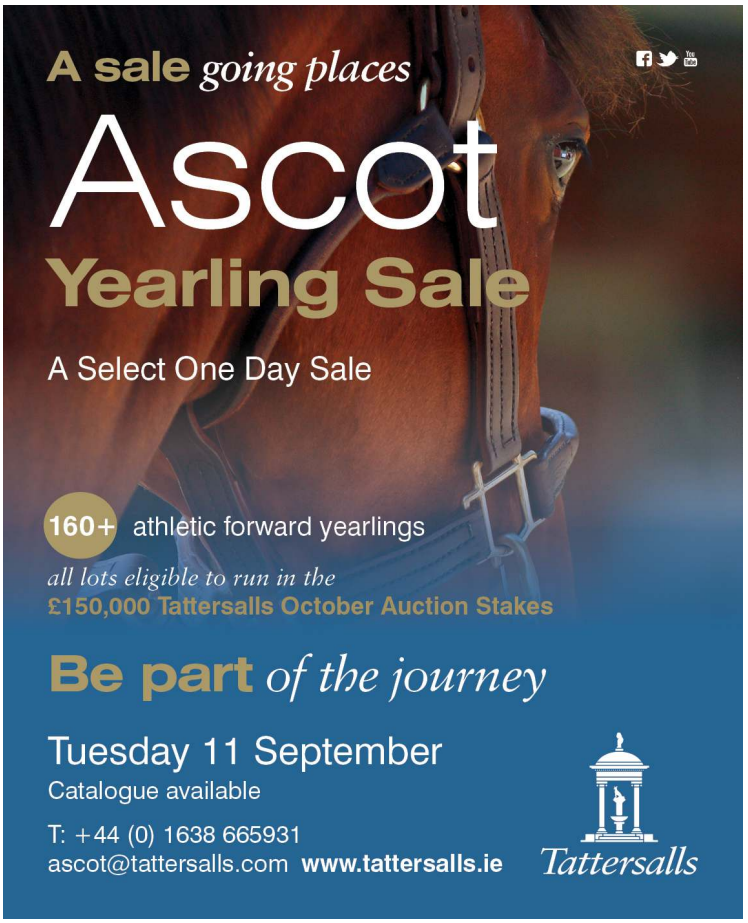
Moving on to Ten Sovereigns, the question is whether a mile will suit a son of No Nay Never, a horse who was never asked to tackle more than seven furlongs during a career which stretched only to six starts. His solitary effort over seven furlongs was probably a career low for a horse who shone in winning the G2 Norfolk S. over five furlongs and the G1 Prix Morny over six. Anyone who backed No Nay Never to win the GI Breeders' Cup Turf Sprint over 6 1/2 furlongs will remember that he looked like justifying favouritism until he was run down by Bobby's Kitten (Kitten's Joy) close home.

This perception that No Nay Never had distinct stamina limitations is strengthened by the fact that his sire Scat Daddy has also been represented in Europe by such precocious speedsters as Lady Aurelia, Acapulco, Caravaggio, Sioux Nation, Scitter Scatter, So Perfect, Van Beethoven and Sergei Prokofiev. However, this impressive collection represents only one aspect



of Scat Daddy's talents, as we have seen from this year's Triple Crown exploits of Justify, and from the American-raced fillies Daddys Lil Darling, Lady of Shamrock, Dacita (Chi) and Harmonize, all of whom stay at least a mile and a quarter.

No Nay Never started his stallion career at a fee of €20,000 in 2015, before Scat Daddy had enjoyed most of his European success (Acapulco won the G2 Queen Mary S. in June 2015 but her win was too late to help No Nay Never in his first season). By Coolmore standards, No Nay Never wasn't rushed off his feet, with a book of 118 mares, compared to the 157 mares covered by Australia, another Coolmore newcomer. No Nay Never ended up with a first crop of 88. His second, from a book of 154, is quite a lot larger.

By the time No Nay Never's first crop reached the yearling sales, Scat Daddy's reputation as a wonderfully effective stallion had been justified time after time and buyers were happy to pay many times No Nay Never's fee to obtain his most promising youngsters. The colts sold for up to 850,000gns, the fillies for up to 420,000gns and his overall average exceeded 114,000gns.

I must admit that I wondered whether this was another example of yearling-sale hype. There's usually an example every year, when demand for a new stallion's stock seems to be out of proportion to his fee, and quite often the bubble bursts when the youngsters start to race.

This time, though, the hype is proving well justified.

In addition to Ten Sovereigns, No Nay Never has been represented by the Group 2 winner Land Force (Ire) (RPR 111) and the Group 1-placed The Irish Rover (Ire) (RPR 109), as well as the above-average performers Neverland Rock (GB), Cosmic Law (Ire), Servalan (Ire), We Go (Fr) and North Wind (Ire). He also has a black-type winner on dirt in the U.S., where Mae Never No (Ire) won the five-furlong Colleen S. at Monmouth Park in August by seven lengths.

What must be especially pleasing for the Coolmore team is that No Nay Never, whose pedigree is free of Sadler's Wells and Danzig, is shaping up as a valuable outcross for Ireland's large numbers of Danehill line mares. As many as six of his eight black-type earners are out of mares by sons of Danehill.

The Irish Rover and We Go are out of Danehill Dancer (Ire) mares, while the Group 2-placed Neverland Rock has a Fastnet Rock (Aus) dam. The Group 2 winner Land Force is out of a Rock of Gibraltar (Ire) mare and the listed winner Servalan has a dam by Oratorio (Ire). Ten Sovereigns completes the sextet, as he is out of a daughter of Exceed And Excel (Aus).

The fact that Exceed And Excel did his winning at up to seven furlongs would normally sound alarm bells when assessing a son of No Nay Never as a 2000 Guineas candidate, but Ten Sovereign's dam Seeking Solace (GB) was not a typical daughter of the speed-oriented Australian stallion.

Seeking Solace raced seven times for Andre Fabre in France and this Darley homebred never tackled less than a mile and a quarter as a 3-year-old. After winning over a mile and a quarter on her seasonal reappearance, Seeking Solace raced exclusively in black-type company, notably finishing a two-length fourth in the G3 Prix Penelope and a length second in the Listed Prix de la Seine over 11 furlongs.

Seeking Solace was clearly useful, but it was quickly decided that she was surplus to requirements at the huge Darley operation and she was offered for sale at the Tattersalls 2011 July Sale, carrying her first foal, by Halling. BBA Ireland secured her for 65,000gns. Seeking Solace's dam Flamelet was culled by Darley the following year, when she sold for only €7,500 as a 12-year-old.

Ten Sovereigns is Seeking Solace's fourth foal, second starter and first winner, but the mare's record looks set to improve significantly as her 2017 and 2018 foals are sisters to Ten Sovereigns. The first of them is in Book 1 of the October Yearling Sale.

Seeking Solace's story raises two questions. Why did she stay so well for a daughter of Exceed And Excel? And why was she not considered good enough for retention by Darley?

The answer to the latter question is that standards are very high in the Darley/Godolphin breeding operation. Although Ten Sovereigns's first three dams all earned black-type, none of them quite managed to win a group or listed race.

As to Seeking Solace's stamina, I am surprised that she stayed so well. Although her dam Flamelet managed only three starts for Sheikh Mohammed, she nearly became a Group 3 winner when a close second in the Derrinstown Stud 1000 Guineas Trial over a mile. The chances are that this daughter of Theatrical would have stayed further, as her family produced Labirinto, a well-travelled Group 3 winner over a mile and a half, to Theatrical (Ire).

Flamelet failed to produce a black-type winner but Ten Sovereigns's third dam, the Capote mare Darling Flame, was second in the G3 Cherry Hinton S. at two and now ranks as the second dam of two good fillies by Dubawi. Interestingly, neither stayed well, with the Australian Group 1 winner Shamal Wind (Aus) shining at around six furlongs and the Group 2 winner Al Thakhira (GB) doing best over seven furlongs.

OSARUS RIDES MOMENTUM INTO FLAGSHIP SALE

Guillaume Vitse of Normandie Breeding | *Emma Berry*

By Emma Berry

LA TESTE DE BUCH, France--A Grade I winner from the 2016 sale and a Group 1 entrant from last year's graduates are just two of the factors which will boost the confidence of the Osarus team heading into the September Yearling Sale, which starts its two-day run on Tuesday.

Fatale Bere (Fr), from the first crop of Pedro The Great, became her sire's first top-level winner when landing the GI Del Mar Oaks on Aug. 19. Her brother is among the draft of Haras de la Haie Neuve, which stands the 8-year-old son of Henrythenavigator, and he is set to sell for breeder Jean-Luc Rouxel as lot 275, just five lots before the close of the sale tomorrow.

There should be plenty of action to come before then, and indeed the spacious parade grounds at La Teste de Buch racecourse played host to plenty of yearling inspectors on Monday, including trainers Mark Johnston, Archie Watson and Jean-Claude Rouget, as well as Peter and Ross Doyle, who are visiting the Osarus sale, close to Bordeaux, for the first time.

The Middleham Park Racing team of Tim and Tom Palin and Mike Prince are also in France and on the hunt for the next Boitron (Fr) (Le Havre {Ire}), who was bought from this sale last year by Nicolas de Watrigant of Mandore International and Sylvain Vidal for €45,000. The first horse to run in the

partnership of prolific French owner Gerard Augustin-Normand and Middleham Park Racing is now unbeaten in three races, most recently scoring impressively in the Listed Denford S. in mid-August. Trained by Richard Hannon, he is now likely to be supplemented for the Vincent O'Brien National S. on Sept. 16.

Along with the recent stakes performers, last year's sale can also boast of 33 individual 2-year-old winners to date this season, the most recent addition to the group being Australien (Fr) (Olympic Glory {Ire}), a winner at Pornichet on Friday and one of 17 purchases by Con Marnane at the sale last year to make him the leading buyer.

'King Con' was one of the first to arrive at the sale and was busy on Monday perusing this year's offerings with his wife Theresa and daughters Amy and Olivia.

In the years since the September Yearling Sale was first staged in 2008, plenty of improvements have been made to the stabling and viewing facilities at La Teste de Buch. It has less swank than France's premier yearling auction in Deauville but it offers a viable alternative selling option for the rising number of domestic and international breeders taking advantage of the resurgence in the French breeding industry, not to mention the generous premiums on offer for owners and breeders of French-bred runners.

New on the consignors' list this year is a draft name that will be unfamiliar to some, though the man behind it is known to many. Guillaume Vitse, former manager of Guy Pariente's Haras de Colleville for 11 years, is now operating his own business with his wife Camille under the banner of Normandie Breeding, which offers four yearlings over the next two days.

"The opportunity came up to buy our own farm at Beuvron-en-Auge close to our home and it seemed the right time in life to do it," said Vitse. "It was a pleasure to be at Colleville for the rise of Kendargent. That was very exciting, and the French stallion market is very strong now, so I'm doing what I love--breeding horses and boarding mares for clients--right in the heart of Normandy, which was why we decided on the name."

The first of the Normandie Breeding draft to go through the ring this week is lot 10, La Chambotte (Fr), a filly by Wootton Bassett (GB) and the first foal of the four-time winner One And Only (Fr) (Muhtathir {GB}).

Vitse's former employer, Haras de Colleville, also has four yearlings catalogued, all by resident stallions Kendargent (Fr) and Galiway (GB). They include lot 7, named Norwegian Sir (Fr), a brother to Kendargent's Listed Prix Marchard d'Or winner Princedargent (Fr) and a half-brother to another stakes winner, the five-time scorer Private Jet (Fr) (Aussie Rules {GB}).

By the end of play last year, just over €4-million had been traded for 201 yearlings sold (including private sales) at an average of €21,674 and median of €16,000. A slightly larger catalogue has been formed for this year's sale and after withdrawals, 264 will be offered over the next two days, starting from 1 p.m. local time today.

CHAMPAGNE TARGET FOR TOO DARN HOT

The G2 Champagne S. on Oct. 15 is the likely next port of call for unbeaten G3 Solario S. winner and 'TDN Rising Star' Too Darn Hot (GB) (Dubawi {Ire}). Jockey Frankie Dettori had predicted a jump to Group 1 level after Saturday's Solario, but trainer John Gosden told the *Daily Mirror* on Monday, "I think the Champagne at Doncaster is the logical target for him--there's a two-week gap, so that works out pretty well--and that's probably where we'll head. There is the [G1] National S. at The Curragh, but it closed in June and he wasn't put in that, because he hadn't even done a piece of work by then. If that goes well, then we've got options in October."

IFHA ANNOUNCES APPOINTMENTS

The International Federation of Horseracing Authorities has appointed Dr. Terry Wan as chairman of its Advisory Council on Equine Prohibited Substances and Practices, and Dr. Ludovic Bailly-Chouriberry as vice president. Wan is chief advisor of Doping Control for the Hong Kong Jockey Club, and Bailly-Chouriberry is the director of Laboratoire des Courses Hippiques.

"Ensuring the quality and fairness of racing in the interest of all industry stakeholders is the most critical mission of the IFHA," said IFHA Chairman Louis Romanet. "Our Advisory Council is the peak body to advise racing authorities on best governance for doping control, to provide recommendations on benchmarks for testing and standards of research, and to promote ways of attaining international uniformity in these areas."

"We are extremely fortunate to now have two of the foremost leaders in the research of equine prohibited substances to guide the Advisory Council. Dr. Terry Wan and Dr. Ludovic Bailly-Chouriberry have served on this group for many years, both being directors of two of the most cutting-edge analytical laboratories in the world, with Dr. Wan only recently retiring from that role. Both the Hong Kong Jockey Club Racing Laboratory and the Laboratoire des Courses Hippiques are among the five analytical laboratories that were appointed as IFHA Reference Laboratories in 2017, a testament to their scale of operations, resourcing, research activity and capability to detect the use of prohibited substances, including the major doping agents."

MISTRESS OF LOVE (f, 2, Scat Daddy--Beloveda {GSP-US, $244,926}, by Ghostzapper), who cost $1-million at Keeneland September, was only fifth when too green as the 2-5 favourite on debut at Ayr Aug. 13 but whereas she was slowly away there she proved the picture of professionalism this time by breaking smartly and tracking the leaders. **Cont. p8**

Taking control approaching the last furlong, the 9-2 shot quickly asserted and may have been idling close home en route to a 2 3/4-length success from Al Hayette (Union Rags). HANCOCK TO OPEN RACING CENTRE FACILITY

Matthew Hancock MP, Secretary of State for Health and Social Care, will on Friday formally open a new facility at The Racing Centre at the National Association of Racing Staff headquarters in Newmarket that will accommodate the first intake of racing staff studying a new course in mentoring, leadership and team skills. Hancock will be joined at the opening by British Horseracing Authority Chief Executive Nick Rust some of the students who will partake in the course.

The enhanced facilities and extended educational programmes offered by NARS are the result of combined contributions from Unionlearn, the learning and skills organisation of the Trades Union Congress, the E B Moller Charitable Trust and JenningsBet, who in May this year pledged £100,000 to support the course over the next five years.

George McGrath, Chief Executive of NARS said, "The diversity of the funding and the support this project has received is a perfect demonstration of the broad appeal of investing in racing's future. I am very grateful to all our supporters and benefactors and look forward to congratulating the first graduates of this innovative educational programme."

Maifalki registered a trio of handicap scores in eight starts this term, including one such success at Haydock last time out Aug. 9, and continued his positive trend to claim a first black-type triumph in this maiden overseas venture. Steadied three lengths off the pace for the most part, he was scrubbed along rounding the home turn and kept on relentlessly under continued urging in the straight to nail French King on the line for a career high.

Maifalki, whose only younger sibling is the 4-year-old maiden filly Malika (Fr) (Stormy River {Fr}), is the leading performer out of an unraced half-sister to the stakes-winning G3 Hamburger Flieger Trophy third Cadeau For Maggi (GB) (Cadeaux Genereux {GB}) and the dual stakes-placed Finikas (GB) (Desert Prince {Ire}), themselves out of Listed Prix de la Vallee d'Auge victress Maggi For Margaret (GB) (Shavian {GB}). WORLDWIDE NEWS

RACEDAY ANCHORS BUSY WEEK IN CHINA

The fourth conference of the China Horse Owners Alliance was held on Aug. 30 at the Yulong International Hotel. Zhang Yuesheng, owner of Yulong Horse Group, was elected as the chairman of the CHOA, while a new race was also announced: the 1600-metre, 2 million RMB ($300,000) Chairman Cup, to be held in 2019. The purse dwarfs that of the 1.75-million RMB ($256,000) Chengdu Dubai International Cup and the former 1-million RMB ($146,000) Inglis China-Australia Cup.

The Yulong Autumn Sale was held the following day. The majority of the 174-horse catalogue were Thoroughbreds, with an additional 33 horses such as Akhal-Teke horses, warmbloods, Arabian horses, ponies and Friesian horses. In total, 173 lots were offered and 87 sold, delivering a 50.3% clearance rate. The turnover is 19.6 million RMB ($2.87-million), which is 6.6-million RMB more than the Yulong Thoroughbred Sale in May.

Eagles Cleaved Sky (Aus) (lot 47), a 4-year-old colt by Purrealist (Aus), is the highest-rated horse in the Yulong Jockey Club.

He was offered for sale but failed to reach his reserve at 1.8-million RMB ($270,000). The defending champion of the China-Australia Cup was confronted with the first rainy raceday of the Yulong International Racing Tournament since 2017 and was defeated by Club Star (Aus) (lot 52), a 7-year-old son of Starcraft (NZ).

The sale topper was Guan Yi Zhan Shen (Aus) (lot 11), a 3-year-old colt by Sepoy (Aus) sold for 750,000 RMB ($110,000) to Mr. Chen Hongwei, who is also a horse owner in the Hong Kong Jockey Club. But the topper's thunder was stolen in the inaugural 800,000 RMB ($117,000) Inglis Cup by the bought-in Ji Di (Aus) (lot 19). The 3-year-old son of Artie Schiller is owned by Yulong and the winner's prize of 500,000 RMB eclipses the 420,000 RMB at which he was unsold.

With purses of 2.8-million RMB ($400,000), the Sept. 1 raceday is the richest in mainland China. The first two races, the Inglis China-Australia Cup and Inglis Cup, are sponsored by Inglis. Andrew Munce, the COO of Inglis, attended the meeting and said, "Mr. Zhang has been a great supporter of our company in Australia and we express our great thanks to him. We would also like to express our thoughts and congratulate him on the amazing job he's done up here, building this complex. This racecourse is amazing and world-class and as good as anywhere else in the world."

The third race is the 200,000 RMB ($30,000) Tattersalls European 2YO S. The fourth and fifth races are both worth 600,000 RMB ($88,000) and sponsored by Yulong. These two races are the Yulong Breeders' Cup and the Yulong Derby. The last race is a 100,000 RMB handicap (1800m) won by Group 3 winner Excess Knowledge (GB) (Monsun {Ger}).

Q&A WITH TEO AH KHING

Michael Wallace (left) with Teo Ah Khing (centre) and Mick Flanagan (right) | *Christie DeBernardis*

By Christie DeBernardis

Christie DeBernardis sits down with China Horse Club Founder and Chairman Teo Ah Khing to discuss CHC's success in Australia and plans for the future.

TDN AusNZ: The China Horse Club (CHC) and partners have won a host of Group 1 races in Australia. What particular race and horse springs to mind?

TAK: I think the Oakleigh Plate with Russian Revolution (Snitzel) was a milestone victory for CHC and partners. A long-term plan was set to buy yearling colts and turn them into champion sprinters we want to stand at stud. Russian Revolution was secured in our first year of planning such a project and to achieve it with such a high-quality colt was especially satisfying.

Achievements in Australia To Date:

-Nine Group 1 wins: Dissident (2), Russian Revolution (2), Extreme Choice (1), First Seal (1), Invader (1), Press Statement (1) and Pride of Dubai (1).

-First owner to win the Australian Horse of the Year title, NSW Horse of the Year Title and Victorian Horse of the Year Title in the same season.

-Dissident crowned Australian Horse of the Year and Australian Sprinter of the Year for season 2014/15.

-Dissident crowned Victorian Horse of the Year for season 2014/15.

-First Seal crowned NSW Horse of the Year, Three-Year-Old of the Year and Queen of the Autumn for season 2014/15.

-Yearling sales: A$-1.3 million (Fastnet Rock x Defiant Dame colt, buyer Gerald Ryan)

-Sold sale-topper at the 2016 NZB Ready To Run Sale with our partners (Sebring x Joleur colt).

-Landmark wins: CHC records its first win in Australia in April 2013 with Scarlet Moretta and its 400th win globally in Australia when Lion's Head won at Kembla Grange in June 2018.

TDN AusNZ: Russian Revolution is obviously an extremely exciting stallion prospect. Will you be supporting him with many of your own mares?

TAK: We plan to send 30 mares, including Group 1 winners and dams of Group 1 winners. We intend to support him extremely heavily in all seasons and in the sale ring. He's the most exciting stallion prospect in Australia this season.

Teo Ah Khing and Russian Revolution | *Bronwen Healy*

TDN AusNZ: You must be looking forward to Dissident (Sebring)'s first 2-year-olds this season?

TAK: Extremely excited to see these Dissidents hit the tracks. The early reports are good and while I don't expect a host of pre-Christmas 2-year-olds we will again be supporting him with a number of mares this season.

TDN AusNZ: Neutrality (Sebring) finished a good second resuming; what are the plans for him going forward? What made you decide to donate his winnings to the drought relief?

TAK: He will run in the Heritage S. in a couple of weeks, then the G2 Roman Consul S. with a view to the G1 Coolmore Stud S. He needs very good ground to show his very best but is a highly talented individual.

The donation for the drought is reflective of CHC being a part of the NSW farming community. We have seen the struggles some are facing and felt a small gesture would help a much larger cause.

China Horse Club's Dissident at Newgate Farm | *Newgate*

TDN AusNZ: What's your long-term goal for the CHC?

TAK: CHC is in its second five-year plan at present. This plan focuses on education, charity and business networking.
As a lifestyle, business and Thoroughbred racing club it is our goal to continue to offer better experiences and better business opportunities to our members. It is part of our club's mantra to give our members a reliable entry into this sport and to let them go "racing to the world."

But we are also cognizant of our responsibilities to contribute to the continued growth of China's domestic Thoroughbred industry and the global industry at large. Our club's global footprint has grown quickly and significantly in the last five years. Right now, we are independently ranked among the world's top 10 owners which is very rewarding. But this level of investment is immense and it does make a notable contribution to supporting local industries and creating jobs in locations around the world.

In terms of social responsibility, it is important that we offer more and more opportunities to talented Chinese men and women in this industry; to have them learn "world's best practice" overseas and bring these skills back to China to help grow the domestic industry. A current example of this is Chinese jockey Qin Yong who is an apprentice in NSW and doing very well.

> AUSTRALIA IS A LOCATION WHERE WE HAVE INTENTIONALLY BEEN VERY PROACTIVE AND I SEE THAT CONTINUING.
>
> Teo Ah Khing

Our second five-year plan also sees CHC continue its focus on the China Equine Cultural Festival (CECF). This event promotes cultural exchange and business networking under the banner of "Bringing the World to China, China to The World." Since 2013, it has been hosted in China in Hohhot, Shanghai, Wuhan and Ordos. In 2015, it was hosted internationally for the first time in Singapore. In 2019, a new frontier will open up with the CECF being held in the Caribbean island of Saint Lucia and we are inviting Australians to participate here.

TDN AusNZ: And how does Australia fit into that plan?

TAK: Australia is pivotal to the CHC continuing to provide exceptional opportunities for members to race and/or invest in elite Thoroughbreds. In Australia alone, we have a portfolio of stallions that stand across five studs, a commercial broodmare band and a quality racing team.

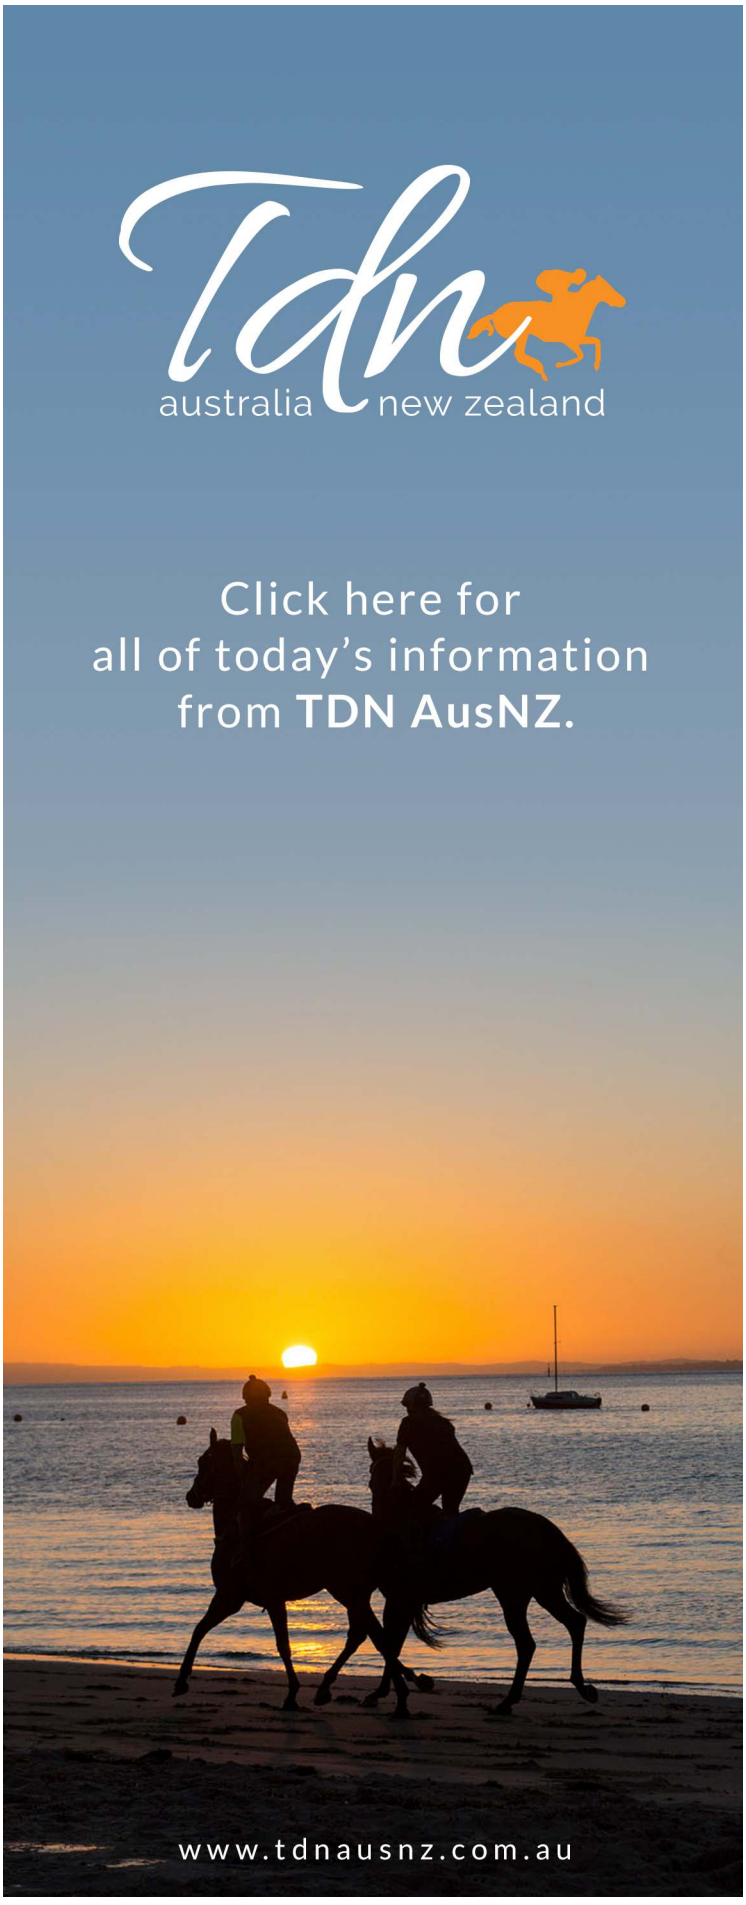
Many of the lessons we have learnt in Australia have also allowed us to fast track our growth in the U.S. and other centres. So, Australia is a location where we have intentionally been very proactive and I see that continuing.

Going forward, I can see CHC having a strong presence in both Australia and the United States and in trying to help forge stronger relations between the industries in China and these countries. Centres like Australia should be encouraged to proactively contribute to China's emerging industry, especially with knowledge sharing. Having legislation in place that supports educational facilities like TAFE NSW and industry bodies like Racing NSW should be encouraged. These organizations want to help educate industry participants from countries like China but are challenged by unfriendly visa policies.

But it is also important to acknowledge those organizations that continue to be leaders in this field through their proactive approaches. The Australian Turf Club, Inglis and Magic Millions have been wonderful supporters of clubs like CHC in both Australia and in China and that support is vital to grow interest and participation in all levels of Australia's industry. Praise should also be given to private companies like Horserail who have supported the growth of the industry in China. Last year Thoroughbred Breeders' Australia also brought Chinese to Australia on a scholarship and that was a positive step forward. Educational opportunities through knowledge sharing cannot be underestimated; these steps must continue to be encouraged and applauded.

TDN AusNZ: Has Justify (USA) (Scat Daddy {USA}) winning the Triple Crown in the CHC colours fully sunk in yet?

TAK: The impact of Justify winning the Triple Crown in both WinStar and CHC colours is immeasurable. It was a big deal to win the 2017 Kentucky Oaks with Abel Tasman (USA) (Quality Road {USA}) in our silks but Justify's run to glory was at a level we have never experienced before and may never experience again.

In 2015, we broke ground by sending Thoroughbreds from Mainland China to America. The value of this was reinforced when Beat of the Drum won at Santa Anita and became the first horse from China to win in the U.S. That triumph stirred a lot of emotion and encouraged members to look to race in America in CHC silks. Beat of the Drum was an ambassador; if not for her, we may never have raced Abel Tasman or Justify.


Justify's Triple Crown triumph has elevated CHC to a level in America that is beyond our expectation and for that we will always be thankful. It also helped promote American racing to our members and, in time, the impact of that will play out with greater involvement at all levels in the U.S. industry. I fully expect more Chinese will participate in the U.S. because Justify won the Triple Crown in CHC's silks.
