BELMONT HAS ALWAYS BEEN THE GOAL FOR LOWS WITH INTREPID HEART

Intrepid Heart | *Coady*

By Christie DeBernardis

ELMONT, NY--It is not often in racing, or with horses in general, that things go exactly according to plan, but **Intrepid Heart** (Tapit) is one of the rare exceptions. When Robert and Lawana Low purchased the $750,000 colt as a 2-year-old at OBS April with the help of bloodstock agent Jacob West, they did so with Saturday's GI Belmont S. in mind.

The gray's sire Tapit is responsible for three Belmont winners in Tonalist, Creator and Tapwrit. His dam is by Touch Gold, a Belmont winner himself, and his half-brother Commissioner (A.P. Indy) finished just a head behind the aforementioned Tonalist in the 2014 Test of a Champion.

"We really admired his breeding," said Robert Low. "Being a Tapit out of a Touch Gold mare, he has Belmont written all over his pedigree. With him kind of coming to hand late, it was too late for the [GI Kentucky] Derby and [GI] Preakness, but perfect for the Belmont. We have been thinking Belmont from the day we bought him. Todd Pletcher guaranteed us the win."

The owner of the trucking company Prime Inc. paused a moment and laughed, "I thought I'd get a chuckle out of you with that. None of these horses come with any guarantee, but we did talk about the Belmont when we bought him. Actually, [Pletcher] did say something like that, but I think it was in jest." ***Cont. p3***

THURSDAY'S TRACKSIDE BELMONT STAKES 151 REPORT

by Steve Sherack

ELMONT, NY--With the star-studded GI Belmont Stakes card right around the corner, the main track was in terrific shape for training hours early Thursday morning despite receiving a soaking from heavy overnight rains.

Hall of Fame trainer Bill Mott, sporting a New York Yankees cap, got a feel for the track walking the freshly harrowed surface, labeled "good," under a dense cloud cover and extremely humid conditions just after 6 a.m.

Mark Casse watched a set train from the rail, including the GI Longines Just A Game S.-bound **Got Stormy** (Get Stormy), and began contemplating whether or not to send his Belmont S. duo of **War of Will** (War Front) and **Sir Winston** (Awesome Again) out a little earlier than usual due to the sticky, summer-like conditions. ***Cont. p5***

Belmont Always the Plan for Intrepid Heart cont. from p1

Intrepid Heart proved he was special right from the start, graduating by 7 3/4 lengths at first asking at Oaklawn Feb. 18 and earning the **'TDN Rising Star'** nod. He followed suit with a wide-trip Keeneland optional claimer win Apr. 5 and finished third last time as the favorite in Belmont's GIII Peter Pan S. May 11 after stumbling at the start.

Robert & Lawana Low with Magnum Moon | *Coady*

"He stumbled out of the gate and kind of chased a pretty fast pace, running up within two or three lengths of the pace," Low said. "It just set that race up in a way that is not suited to what he wants to do. After the wire, he galloped out very strongly in front of everybody. It just wasn't a good setup with the poor start and the fast pace. If we had to do it over again, and you could predict how these things are going to come out, you might do it differently. But, we all thought it was a fairly good race considering the situation. He gave us hope."

Intrepid Heart will be piloted by Hall of Famer John Velazquez Saturday. Pletcher and Velazquez each have two Belmont wins to their credit, including one as a team with Rags to Riches.

"Johnny V rode Capote Belle to our first Grade I win in the Test," Low said. "We love Johnny. We are very fortunate to have this trainer/jockey combo."

The Lows got hooked on racing early on in their career as owners thanks to Capote Belle, who won the Test in their first year in the business in 1996.

"We got hooked early on," said Low, who lives on a farm in Primatara, Missouri, with his wife and their band of 14 broodmares. "One of the first fillies we bought named Capote Belle won the GI Test S. at Saratoga, so we were hooked for life after that. We had to wait for that next Grade I for a long time, but we have had some good horses and really enjoy the game and enjoy being on the farm with the mares and babies."

That second top-level score came just last year courtesy of **'TDN Rising Star'** Magnum Moon (Malibu Moon) in the GI Arkansas Derby, which was extra special to Low as he grew up going to Oaklawn Park.

"We are in Missouri and always went to the races at Oaklawn Park," said Low. "Winning the Arkansas Derby is right up there, for us with winning the Kentucky Derby. It was very exciting for us. He also won the [GII] Rebel up there. He is just a really nice horse. He is a fast horse and, it turns out, a very courageous horse. You may recall, he had a broken leg, a very bad injury, and he is still recovering from it. He is at the Cornell [Ruffian] Clinic at Belmont."

In addition to his time spent at Oaklawn Park, Low grew up around horses and always dreamed of one day owning a racehorse.

"I was a farm kid," said Low, who has 14 horses in training and 11 2-year-olds in the pipeline. "My mom and dad went to Oaklawn Park to the races. I got some exposure to it early and it has kind of stuck with me. If I ever hit a home run, I was going to buy a racehorse and, finally, it was fortunate enough to happen for us."

Low's wife Lawana did not have the same equine upbringing, but her passion for horses is quite strong.

"She just kind of got sucked in, but she was a country gal and it kind of came naturally to her," said Low. "She loves it, probably more than I do."

When the Lows first got into racing, back in the Capote Belle days, they started with a trainer who, coincidentally, had a relative working in their company.

"We started with a young guy from down there named Danny Peitz. I am in the trucking business and his brother worked in the parts department in our shop, so we just kind of made a connection," said Low. "We were with Danny for several years. In the last four or five years, we have spread around a little bit more. We got hooked up with Todd Pletcher through Jacob West. Todd has most of our store-bought horses. Our homebreds still go primarily to Danny and Steve Margolis."

The Lows have come a long way in the past 23 years and have had quite a bit of success, but a win in the Belmont would be a dream come true.

"To win one of the Triple Crown races would just be awesome," Low said. "I think every owner has a goal of winning one of the Triple Crown races or all of them if possible. It would mean a lot to us. I am getting amped up already."

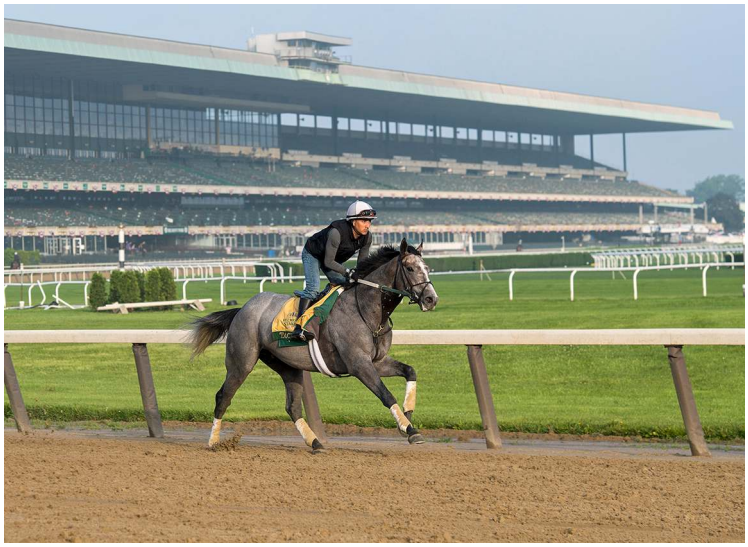
Thursday's Belmont Trackside Report cont. from p1



Tacitus gallops over Big Sandy Thursday | *Sarah Andrew*

Former Doug O'Neill assistant trainer Jack Sisterson, meanwhile, off to a promising beginning since striking out on his own last summer, kept a close eye on the galloping gray **Bandua** (The Factor), who lines up in the GI Manhattan S. He will also saddle **Lexitonian** (Speightstown) in the GI Woody Stephens S. and **Vexatious** (Giant's Causeway) in Friday's GII New York S.

While Belmont S. live longshot **Spinoff** (Hard Spun) went about his business for Todd Pletcher at the adjacent training track, 9-5 morning-line favorite **Tacitus** (Tapit) enjoyed another very impressive session galloping over Big Sandy with Mott watching aboard a stable pony while the sun began to play a bit of hide-and-seek just after 6:40 a.m.

Speaking of the mighty Tapit--sire of three winners in the last five Belmonts--he will also be represented in this year's final leg of the Triple Crown with **Bourbon War** (Tapit) and **'TDN Rising Star' Intrepid Heart** (Tapit). The former, looking to rebound from a disappointing eighth in the GI Preakness S., was getting over the ground nicely while galloping over the main oval at 7 a.m.

Casse, in fact, did decide to call that audible, and sent his aforementioned pair, led by the Preakness winner War of Will, out to train about 20 minutes later. They had previously visited the track following the 8:30 a.m. break since shipping in to New York. Under a nice hold once again by exercise rider Kim Carroll, War of Will seemed a bit more relaxed during Thursday's exercise while striding powerfully down the lane.

With Tammy Fox aboard and equipped with a camera on her red helmet, longshot Preakness runner-up **Everfast** (Take Charge Indy) trained after the renovation break as did two-time G1 Dubai World Cup winner **Thunder Snow (Ire)** (Helmet {Aus}). The latter, fitted with a pair of cheek pieces and a Godolphin blue saddle towel, remained on his left lead for most of the stretch while blowing out three furlongs in :36.42 for an absolutely loaded renewal of the GI Runhappy Metropolitan H.

Everfast trains at Belmont beneath Tammy Fox Thursday | *Sarah Andrew*

With training hours winding down as the temperatures continued to rise, GII Wood Memorial S. runner-up and former claimer **Tax** (Arch) closed things out galloping over the sun-splashed training track just after 9:30 a.m.

THE TDN BELMONT PREVIEW, PRESENTED BY WINSTAR

War of Will | *Sarah Andrew*

by T.D. Thornton

This week's *TDN* Triple Crown feature examines the GI Belmont S. entrants listed in "likeliest winner" order.

1) WAR OF WILL (c, War Front--Visions of Clarity {Ire}, by Sadler's Wells)
O-Gary Barber. B-Flaxman Holdings Limited (KY). T-Mark Casse. Sales History: $175,000 RNA Ylg '17 KEESEP; €250,000 2yo '18 ARQMAY. Lifetime Record: GISW, 10-4-1-1, $1,491,569.
Last Start: 1st, GI Preakness S., PIM, May 18
Equineline PPs. Caulfield on War of Will.

War of Will's torqued-up tactical speed and his ability to punch back hard when encountering in-race adversity is what sets him apart from everyone else in the 12-furlong Belmont. The betting logically drills down to this GI Preakness S. winner and top-notch rival Tacitus (Tapit), but even if those two are very close in talent and stamina, this €250,000 ARQMAY War Front colt gets the edge because of his consistent ability to make his own breaks by getting out of the gate alertly, settling into high-cruise mode, and responding with an admirable reserve of power when called upon in the stretch. Trainer Mark Casse said War of Will has put on a good 40 or 50 pounds since the Preakness, and there is no shortage of speed drawn to the inside for him to target from a post nine draw. War of Will can become the first horse since Afleet Alex in 2005 to complete the Preakness-Belmont double, accomplished by just 12 other horses (excluding the 13 Triple Crown winners). That list includes Man o' War (1920), Native Dancer (1953), Nashua (1955) and Damascus (1967).

2) TACITUS (c, Tapit--Close Hatches, by First Defence) O/B-Juddmonte Farms, Inc. (KY). T-Bill Mott. Lifetime Record: MGSW & GISP, 5-3-0-1, $953,000.
Last Start: 3rd, GI Kentucky Derby, CD, May 4
Equineline PPs.

Tacitus went straight to the top of a lot of people's Belmont S. bet lists the moment he splashed home fourth (elevated to third via DQ) in the GI Kentucky Derby. This large-framed Tapit homebred for Juddmonte got a very meaningful schooling out of that effort, breaking a stutter-step slow, checking off heels, settling, responding when cued three-eighths out, and getting fanned six wide into the lane. His pedigree is stout with stamina (by Tapit out of an Eclipse champion mare who excelled in dirt routes), and while I had early-season reservations about Tacitus being a bit too lackadaisical and untested against top-level competition, both his traffic-troubled GII Wood Memorial S. win and his Derby showing under arduous circumstances suggests he's toughening up and maturing. Another Juddmonte colorbearer, Empire Maker in 2003, was the last horse to turn the Wood-Belmont double. ***Cont. p7***

3) MASTER FENCER (c, Just a Way {Jpn}--Sexy Zamurai, by Deputy Minister)
O/B-Katsumi Yoshizawa (JPN). T-Koichi Tsunoda. Lifetime Record: SP-Jpn, 7-2-2-0, $234,392.
Last Start: 6th, GI Kentucky Derby, CD, May 4
Equineline PPs.

Master Fencer (Jpn) figured to have no shot on paper in the Derby and was probably underlaid at 58-1. But this homebred son of Just A Way {Jpn) ran a deceptively good seventh (put up to sixth) after settling on the rail far behind the field. He was still last at the quarter pole and tried to pulse through at the fence while being driven through both mud and the traffic of stalled contenders, but once he found a seam, Master Fencer uncoiled like he meant business and jockey Julien Leparoux had him gallop out past everyone except for Maximum Security (New Year's Day). "He's very easy to be around. He's a kind horse and very calm and professional. It makes my job easy," said Leparoux. "A lot depends on the pace in front and how the track plays."

4) SIR WINSTON (c, Awesome Again--La Gran Bailadora, by Afleet Alex)
O/B-Tracy Farmer (KY). T-Mark Casse. Sales History: $50,000 RNA Ylg '17 KEESEP. Lifetime Record: SW & MGSP, 9-2-1-1, $161,773.
Last Start: 2nd, GIII Peter Pan S., BEL, May 11
Equineline PPs.

Sir Winston's form doesn't exactly leap off the past performance page, but he does have some subtly good lines that could signal a turnaround over 12 furlongs. This Awesome Again homebred is out of an Afleet Alex (2005 Belmont winner) mare, and three of his four starts in 2019 have come over nine furlongs, so the distance appears within his scope. The 100 Beyer he earned when six wide off the turn and finishing well to get second over this same surface in the GIII Peter Pan S. last month is the top speed figure among the Belmont entrants, and Sir Winston only finished four lengths behind the then-blossoming Tacitus in the GII Tampa Bay Derby. Beware of this "other" Mark Casse trainee at double-digit odds.

5) SPINOFF (c, Hard Spun--Zaftig, by Gone West)
O/B-Wertheimer et Frere (KY). T-Todd Pletcher. Lifetime Record: MGSP, 5-2-0-0, $260,000.
Last Start: 18th, GI Kentucky Derby, CD, May 4

"Spinoff just hated the track," said trainer Todd Pletcher after this Hard Spun colt's next-to-last Derby run in the slop. "He didn't really want any part of it." Spnioff was a pace presence while five wide into the first turn and down the backstretch, but soon opted out of the battle. I kind of like his better-than-it-looks GII Louisiana Derby second in which he was bumped leaving post 10, then got hooked four wide on club turn while seeking the lead. He forced the issue through legit splits, then got run down in the final sixteenth of the long Fair Grounds stretch. Pletcher has won three Belmonts (2007, 2013, 2017) while jockey Javier Castellano is seeking his first.

6) TAX (g, Arch--Toll, by Giant's Causeway)
O-R. A. Hill Stable, Reeves Thoroughbred Racing, Hugh Lynch & Corms Racing Stable. B-Claiborne Farm & Adele Dilschneider (KY). T-Danny Gargan. Lifetime Record: GSW, 6-2-2-1, $326,300.
Last Start: 14th, GI Kentucky Derby, CD, May 4
Equineline PPs.

Tax might have been ranked a little higher on this list were it not for the concerns about his latest workout that trainer Danny Gargan voiced to *Daily Racing Form* last Saturday. His final pre-Belmont breeze was termed "good, but it wasn't awesome," yet Gargan emphasized he wouldn't enter unless he "loved" how this Arch gelding came out of that workout, so apparently Tax is on the upswing. His Derby 15th (14th via DQ) is a tossout--he broke alertly, patiently held a rail spot, was only about five lengths off the lead when the field began to bunch, but had no stretch kick and reportedly didn't appreciate the sloppy kickback. A more representative race in his past performances is the Wood Memorial, in which he fought resolutely but was worn down by the imposing Tacitus when beaten 1 1/4 lengths and galloping out on even terms with the winner. His 15-1 odds make him worth a flyer in exotics.

7) INTREPID HEART (c, Tapit--Flaming Heart, by Touch Gold)
'TDN Rising Star'. O-Robert E. & Lawana L. Low. B-WinStar Farm LLC & Winchell Thoroughbreds LLC (KY). T-Todd Pletcher. Sales History: $750,000 2yo '18 OBSAPR. Lifetime Record: GSP, 3-2-0-1, $140,400.
Last Start: 3rd, GIII Peter Pan S., BEL, May 11

This $750,000 OBSAPR Tapit gray is arriving a little late to the Triple Crown party, but at healthy double-digit odds you get the Classics-tested Todd Pletcher/John Velazquez tandem and a 2-for-3 up-and-coming colt who boasts solid speed figures, tactical speed, and a pedigree that resonates with staying power. ***Cont. p9***

"Intrepid Heart is clearly bred for this race," Pletcher said. "He's by Tapit, who's had a lot of success [as a sire] in the race. He's out of a Touch Gold mare. Touch Gold won the Belmont. He's a half to Commissioner [second in the 2014 Belmont]. If you look at his pedigree, it's A.P. Indy and Seattle Slew. There's a lot of Belmont history supporting his pedigree. And, out of the three Triple Crown races, I think pedigree plays the biggest role in this one."

8) BOURBON WAR (c, Tapit--My Conquestadory, by Artie Schiller)

O-Bourbon Lane Stable & Lake Star Stable. B-Conquest Stables (KY). T-Mark Hennig. Sales History: $410,000 Wlg '16 KEENOV; $525,000 Ylg '17 KEESEP. Lifetime Record: GSP, 6-2-1-0, $202,100. Last Start: 8th, GI Preakness S., PIM, May 18 Equineline PPs.

Bourbon War strikes me as a sophomore who is still a work in progress. The blinkers will come off for the Belmont after a one-race try in the Preakness that resulted in a non-threatening eighth. As one of three Tapit-sired horses in the third leg of the Triple Crown, this $525,000 KEESEP colt is going to have to either shake the reputation that he's a pace-dependent closer or show some other tactical dimension under new jockey Mike Smith. He's winless beyond the first-level allowance condition, but don't forget that sneaky-good second in the GII Fountain of Youth S. when Bourbon War pounced into a collapsing pace scenario and did surge past the winner a jump after the wire.

9) EVERFAST (c, Take Charge Indy--Awesome Surprise, by Awesome Again)

Last Start: 2nd, GI Preakness S., PIM, May 18
Equineline PPs.

This $47,000 KEEJAN Take Charge Indy colt has bankrolled nearly 10 times his auction price despite losing 10 straight races after breaking his maiden at first asking last August at Ellis Park. Although I'm sure his connections would like him to win another race, those are some pretty nice paydays for picking up the pieces, and Everfast is a typical Calumet Farm trainee in that he is not shielded from racing and often overachieves with an admirable grinder's style. Given his past performances, he'll likely drop far back and attempt a prolonged bid, which is exactly what Everfast did to nail second at 128-1 in the GII Holy Bull S. and second at 29-1 in the GI Preakness.

Raised & Grazed at FRANKFORT PARK FARM

10) JOEVIA (c, Shanghai Bobby--Peace Process, by War Front)
O-Michael & Jeff Fazio. B-Ikhana Farm (KY). T-Gregory Sacco.
Sales History: $34,000 RNA Wlg '16 KEENOV; $50,000 Ylg '17 FTKJUL; $32,000 2yo '18 OBSAPR. Lifetime Record: SW, 5-2-2-0, $131,600.
Last Start: 1st, Long Branch S., MTH, May 12
Equineline PPs.

Joevia figures to be the longest shot in the field and looks like sacrificial speed pegged down at the rail. Although gunning it to the front is not as imperative in the 1 1/2-mile Belmont as it is in other major stakes, this $32,000 OBSAPR Shanghai Bobby colt is coming off a wire job in the slop going 1 1/16 miles against only three other entrants in a watered-down $95,000 stakes at Monmouth. He attempted to make the pace but caused dangerous crowding into the first turn of the Wood Memorial and got DQ'd from seventh to last for that trouble.

Best of luck to all the connections!

DISTORTED HUMOR COLT FASTEST AT OBS THURSDAY *by Jessica Martini*

Hip 254 | *Tibor & Judit Photography*

A colt by Distorted Humor worked the fastest furlong of Thursday's second session of the under-tack preview ahead of next week's Ocala Breeders' Sales Company's June Sale of 2-Year-Olds in Training. Consigned by de Meric Sales, hip 254 covered the distance in :9 4/5, tying the fastest time of the week so far.

"We were happy with the work--we were expecting him to work really well and he did not disappoint," said Tristan de Meric.

The bay colt is out of the unraced Driven (Forestry) and is a half-brother to multiple stakes-placed Glamoride (Ide). Driven is a half-sister to multiple stakes-placed Out for a Spin (Distorted Humor) and graded-placed Wise Action (Wise Times).

The juvenile, bred by Russell Reineman Stable, RNA'd for $245,000 after working a quarter in :20 3/5 at the OBS March sale.

"We've only had the horse for a short amount of time," de Meric said. "Tami Bobo sent him to us about six weeks ago. He got some time after the sale--she took him back to her farm. He's been really straightforward and it's been a pleasure to have him."

The five-session under-tack preview continues through Sunday and de Meric said the results so far are in line with expectations.

"It's going about as expected in most spots," he said. "There have been no big surprises either way."

De Meric Sales has enjoyed plenty of success at the juvenile auctions this spring. The consignment sold two seven-figure lots at the OBS April sale, including the $1.3-million sale topper.

"We've been very fortunate," de Meric said. "It's been a great year."

Of expectations going into next week's last major 2-year-old sale of the year, de Meric said, "I think there will still be demand. I think we'll see the same trends we've seen all year. The right horses will sell well and we'll hope there are enough people here to buy the rest of them because there are quite a few."

Two horses shared the fastest quarter-mile breeze Thursday in Ocala. Hip 388, a filly by Adios Charlie, covered the distance in :20 4/5. Bred and consigned by Ocala Stud, the gray filly is out of Holiday Tune (Concorde's Tune) and is a half to stakes-placed Angel's Tune (Hight Cotton). Holiday Tune is a half to graded winner R Holiday Mood (Trippi).

A filly by Shakin It Up (hip 427) matched that :20 4/5 quarter-mile breeze time. Consigned by CM Thoroughbreds and bred in Florida by Pedro Gonzalez, the juvenile is out of Italian Rose (Forestry). Her second dam is multiple stakes winner Extend (Unbridled's Song).

Under-tack sessions begin daily at 7:30 a.m. The sale will be held next Wednesday through Friday with bidding commencing each day at 10 a.m.

Cambier Parc, a well-beaten fourth over good going in the GIII Edgewood S. on the GI Kentucky Oaks undercard, powered past her highly regarded stablemate Newspaperofrecord in deep stretch to pull off the upset in Thursday's GIII Wonder Again S.

Last year's GI Breeders' Cup Juvenile Fillies Turf heroine was an overwhelming 1-9 favorite looking to bounce back from a first defeat when second in the Edgewood, but it was more or less a repeat of that outing, with the heavy chalk completely controlling things up front before getting run down late.

Cambier Parc was always traveling nicely while saving ground in the compact field in third as Newspaperofrecord led through fractions of :23.96 and :48.58. Locked and loaded on the far turn, the Oxo Equine colorbearer was tipped out for the stretch run and kicked home nicely to get the money.

"I'm not surprised Cambier Parc ran this well," winning trainer Chad Brown said. "That's why we had her in the race. She's a much better horse on firm ground. That race at Churchill didn't do her any justice. She has the bloodlines to do it. Her mother was second in the Breeders' Cup Filly and Mare Turf. As you saw today, she's an up-and-comer in this division."

Fourth as the even-money favorite after getting steadied at the start in her debut sprinting over a muddy Aqueduct main track Nov. 3, the bay switched to grass in style with a runaway maiden win over the Gulfstream lawn Jan. 2 and posted her first stakes victory with a decision in the GIII Herecomesthebride S. Mar. 2.

As for Newspaperofrecord, Brown added, "Newspaperofrecord was disappointing. She couldn't stay a mile and an eighth today. I didn't see any excuse for the trip she got, or the fractions. The only thing I would say about her is what I'd like to see next time against a bigger field if we go on to the Belmont Oaks. I would like to see her have someone to follow deeper into the stretch."

Pedigree Notes:

Cambier Parc, bred on the same cross responsible for dual-surface GISW Mshawish, was the most expensive of 44 yearlings sold by her sire in 2017 when bringing $1.25 million from Larry Best's OXO Equine at the Keeneland September Sale. The winner's dam, a three-time Canadian champion, was bought by Bonne Chance Farm for $750,000 at Keeneland November in 2015 with Cambier Parc in utero. ***Cont. p13***

Female Sprinter-Can & GSW, $282,265; Belle Hill (Sky Mesa), GSW, $180,725; and Gale Force (Giant's Causeway), GSW, $138,611, has another Medaglia d'Oro filly who went for $425,000 to Whisper Hill Farm at KEESEP in the fall, and she produced a colt by Into Mischief last spring. She was barren on a Distorted Humor cover for the 2019 season.

Significant Form got up just in time for her first graded score in the GIII Intercontinental S. at Belmont Thursday evening.

In no hurry early, the gray raced in mid-pack off the fence as Fire Key clocked an opening half in :45.99 while pushed along by Broadway Run (Prospective). Blocked in with nowhere to go in the lane, she split horses late to deny Fire Key in the shadow of the wire. Stella di Camelot (Ire) completed the trifecta.

Winner of the 2017 GIII Miss Grillo S., Significant Form romped in the 2018 Memories of Silver S. and was second in that year's GIII Wonder Again S. Fourth in the GI Belmont Oaks Invitational S. last summer, she checked in fifth to stablemate and MGISW Rushing Fall (More Than Ready) in the GII Lake Placid S. at Saratoga last August and was subsequently shelved. Returning at Aqueduct Nov. 22, the 4-year-old ran fourth in the Winter Memories S.

"I had so much horse, so I knew that whatever hole I could make, I was going to get through," said winning rider Irad Ortiz, Jr. "I just waited there and was patient and tried to make the right decision with her. It worked out well."

Pedigree Notes:

Significant Form is out of the unraced Harlan's Holiday mare Church By the Sea, who is a half-sister to GSW & GISP Hellow Liberty (Forest Camp) and GISP Pious Ashley (Include). Her first foal was Grade III-winning turfer Hay Dakota and her recent produce include the 2-year-old filly Seastone (Cairo Prince), purchased by Stoneway Farm for $300,000 at FTKOCT. She was barren for the 2018 season and had a Curlin filly Feb. 11 of this year.

CATALINA CRUISER RETURNS IN TRUE NORTH

by Joe Bianca

There were few more exciting horses last summer than Hronis Racing's **Catalina Cruiser** (Union Rags), but after going four-for-four to start his career, the chestnut went up in flames at odds-on in the GI Breeders' Cup Dirt Mile. He'll make his much-anticipated return and debut as 5-year-old in Friday's GII True North S. at Belmont.

Victorious on debut in October of 2017 at Santa Anita, the $370,000 Keeneland September purchase repeated in an optional claimer there last May and had his coming-out party when romping by 6 3/4 lengths in the GII San Diego H. July 21 at Del Mar. He added to his legend with a similarly easy score in the GII Pat O'Brien S. Aug. 25, but faded to finish a well-beaten sixth at 9-10 at Churchill Downs. The John Sadler trainee shows a half-dozen works at his Arcadia base in preparation for this comeback, capped by a half-mile spin in :47 3/5 (3/37) June 2.

Courtlandt Farms' **Strike Power** (Speightstown) returns to the big stage looking to reclaim the cachet he earned last winter at Gulfstream. An eight-length debut graduate to earn 'TDN Rising Star' honors in December of 2017, he scored in the GIII Swale S. next out and was a good second stretching out in the GII Fountain of Youth S. The wheels fell off after that though, as he could manage no better than fourth in his next four outings and was beaten by double-digit lengths each time.

Catalina Cruiser | *Sarah Andrew*

Laid up for nearly eight months and dropped into optional claiming company when resurfacing Apr. 25 at Gulfstream, the homebred looked much like his old self, going wire to wire in a five-length score that produced a 101 Beyer, easily Strike Power's best output since the 102 he earned in his unveiling.

Whitmore (Pleasantly Perfect) looks to avenge a tough beat from last year's True North as the most accomplished runner in the group. Missing by a neck to the brilliant MGISW Imperial Hint (Imperialism) in the 2018 renewal, the gelding was runner-up by the same margin in the GII Belmont Sprint Championship before picking up his first Grade I success in the Forego S. Aug. 25 at Saratoga. Completing the exacta behind champion Roy H (More Than Ready) in the GI Breeders' Cup Sprint, he debuted as a 6-year-old with a conquest of the Hot Springs S. before running into the streaking buzzsaw Mitole (Eskendereya) when second in the GIII Count Fleet Sprint H. and fifth in the GI Churchill Downs S. last out.

BEAUGAY TOP TWO REMATCH IN NEW YORK

by Joe Bianca

The first two finishers in the May 11 GIII Beaugay S. at Belmont, led by the extremely promising winner **Homerique** (Exchange Rate), will re-engage and stretch out to 1 1/4 miles in Friday's GII New York S. at Big Sandy.

An impressive debut winner at Chantilly last spring, Peter Brant's Homerique was third, beaten just a neck, two starts later in the G1 Prix de Diane Longines. Annexing the G3 Prix de Psyche next out, she was seventh against males in the G1 Prix du Moulin de Longchamp before earning a career high when third in the G1 Prix de l'Opera Longines Oct. 7 at ParisLongchamp. Transferred to the Chad Brown barn after that, she made an auspicious North American debut when closing into a slow pace to capture the Beaugay, circling the field and running her final five-sixteenths in an absurd :27.40 to get up. The gray tuned up for this stretchout with a five-furlong breeze over the local turf in 1:01 2/5 (7/10) June 1 (video). ***Cont. p15***

Homerique (outside) edges Competitionofideas | *Horsephotos*

Second choice on the morning line is Homerique's stablemate **Competitionofideas** (Speightstown). Owned by Klaravich Stables, the $325,000 Keeneland September graduate rallied from last to first to take the GI American Oaks going this trip Dec. 29 at Santa Anita. She also ran a fast late fraction (:27.66) to grab the runner-up spot in the Beaugay, but enjoyed a ground-saving ride unlike her barnmate that day.

The most likely upsetter of the Brown train appears to be Stronach Stables' **Holy Helena** (Ghostzapper). The 2017 Queen's Plate S. heroine, she picked up victories in the GIII The Very One S. and GII Sheepshead Bay S. last season and was fifth in this event. Winless in six starts heading into this year's The Very One, she rallied determinedly to defend her title by a head.

ARKLOW TAKES ON EUROPEAN TRIO IN BELMONT GOLD CUP

by Molly Rollins

The multiple graded-stakes winning **Arklow** (Arch) looks to be America's best hope in claiming Friday's two-mile GII Belmont Gold Cup over a trio of European invaders.

Since the Brad Cox pupil broke his maiden over the turf course as a 3-year-old in April 2017, he has strung together eight in-the-money finishes in his last 14 starts, including victories in the 2017 GII American Turf S. and the GIII Kentucky Turf Cup Sept. 8.

Arklow | *Reed Palmer*

Owned by Donegal Racing, Joseph Bulger and Peter Coneway, Arklow concluded his 4-year-old campaign with an encouraging fourth to the brilliant filly Enable (GB) (Nathaniel {Ire}) in the Nov. 3 GI Breeders Cup Turf. ***Cont. p16***

In the bay's first try of 2019, he unseated his rider at the start of a Apr. 5 Keeneland optional claimer before turning in a career best performance in the
May 11 GI Man 'O' War S. Arklow posted the highest Beyer Speed Figure of his career, earning a 105, when just failing to catch Channel Maker (English Channel) by a neck at the wire after unleashing a powerful stretch run.

"On paper, we think he's as good as the best there is in the country, but the mile and quarter is a little shorter than he would like so we decided to give the Belmont Gold Cup a whirl," Donegal Racing's Jerry Crawford told the NYRA notes team. "There's a little fear of the unknown in going this long but he's showing signs of being able to get the two miles and we know that he likes the turf at Belmont."

Raa Atoll | *Sarah Andrew*

Leading the European contingent is Luke Comer's **Raa Atoll** (GB) (Sea the Stars {Ire}). Previously trained by John Gosden, the 4-year-old was transferred into Comer's barn and triumphed off a 10-month layoff in the May 12 G2 Comer Group International Oleander Rennen S. at Hoppergarten (Ger). The race was contested over the same grueling two-mile distance of the Gold Cup.

Sheikh Mohammed's **Mootasadir** (GB) (Dansili {GB}) boasts a six-for-nine lifetime record, including a win in the Sept. 28 G3 Recruit Island Diamond S. over the Dundalk (Ire) synthetic. Hugo Palmer conditions the colt, who captured his first two starts of this year routing over synthetic surfaces before failing to threaten when sixth in the May 17 G2 Matchbook Yorkshire Cup at York (GB).

The Alessandro Botti-trained **Amade** (Ire) (Casamento {Ire}) has twice proven victorious over the two-mile distance this year, albeit on a synthetic surface, including a Mar. 7 allowance score at Chelmsford two starts back.

MCINGVALE TO OFFER 'RUNHAPPY BONUS' AT SARATOGA IN 2020

Jim McIngvale, who owned champion Runhappy (Super Saver) during his racing career, is offering a $100,000 bonus paid to the connections of any of Runhappy's offspring who win an unrestricted maiden race at Saratoga in 2020, when he will be represented by his first crop of 2-year-olds. McIngvale told *TDN* that a similar bonus is likely to soon be announced at Del Mar, saying that it's just a matter of working out some final details.

"Team Runhappy is delighted to award a $100,000 bonus to add even more excitement to the great atmosphere at the nation's oldest sporting venue," McIngvale said. "The bonus is designed to support the people who are key to horse racing--the breeders, owners and trainers. They are the ones who bring the game to life."

Runhappy currently stands for $25,000 at Claiborne Farm and is the title sponsor of Saturday's GI Metropolitan H. at Belmont.

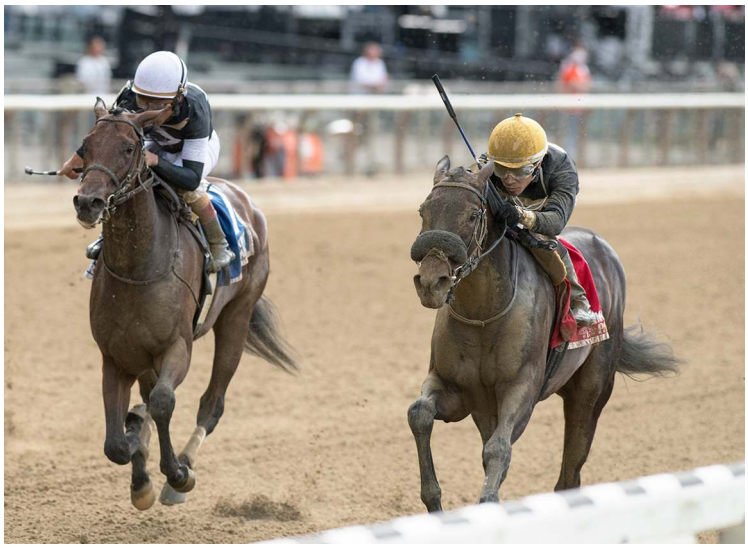
MARYANORGINGER OFF THE CANVAS TO BREAK MAIDEN IN ASTORIA



Maryanorginger | *Sarah Andrew*

Maryanorginger (Strong Mandate) looked to be in deep water after finding early trouble her rail draw in Thursday's Astoria S., but she showed ample determination and talent to find a way to win, garnering her diploma, first black-type tally and the **'TDN Rising Star'** distinction all at once.

Backed at 3-1 with some buzz behind her as the lone first timer in this historic event, she stutter-stepped at the start, and found further trouble soon after that to get shuffled back to second last. The bay came alive heading for home while scraping paint, and tipped out for clear sailing into a :45.53 half. Perhaps idling slightly once she hit the front, she "skipped" on from there to deny race favorite **Perfect Alibi** (Sky Mesa)--who seemed to be checking out of it on the turn--by about 3/4 of a length in 1:03.94.

Jorge Vargas, Jr. & owner Al Gold | *Sarah Andrew*

"The first time out it's really not the way you want to start against winners, but she's really been professional," said trainer Jeremiah Englehart of the graduate of the late J.J. Crupi's New Castle Farm. "Other than a little rear up in the paddock, she's been really good and really smart. And I thought Jorge [Vargas, Jr.] did a good job. He let her settle and didn't get nervous."

Of the decision to debut in this tough spot, the trainer said, "I was actually targeting a turf race, but everyone at the barn was telling me do dirt. And [owner] Al [Gold] likes to run his horses the first time on dirt. And I said, 'all right.'... [After her last workout I said] "Why don't we take a shot at the Astoria? It'll be a tough field, but she's nice. We took a shot and it paid off."

Maryanorginger is the fourth black-type winner for her young sire Strong Mandate (Tiznow) and is out of a winning half-sister to GII Del Mar Futurity winner Icecoldbeeratreds (In Excess {Ire}) and his MSW full-sister Controlled, the dam of Sovereign Award winner and MGSW Bear Now (Tiznow) and SW & GSP Controlled Meeting (General Meeting). Timetobegone is the dam of a yearling filly by Temple City and a filly foal by Connect (Curlin).

FRIDAY'S INSIGHTS: CHAD BROWN DUO LOOKS TOUGH IN FIRST AT BELMONT

Sponsored by Alex Nichols Agency

Sweet Lulu (inside) | *Coglianese Photo*

1st-BEL, MSW, $90k, 3yo/up, 7f, 12:50 p.m. ET

Chad Brown boasts two intriguing prospects in Friday's Belmont opener. Gainesway bred and owns, in partnership with Peter Brant, first-time starter **Per Capita (Tapit)**. The chestnut colt is out of the Grade III-winning mare Successful Outlook (Orientate) and is a half-brother to Grade I winner and **'TDN Rising Star'** Sweet Lulu (Mr. Greeley) and a full-brother to multiple graded stakes winner Anchor Down and millionaire Iron First.

Ahead of Plan (Big Drama), the even-money chalk on David Aragona's morning line, returns off a 10-month layoff that last saw the Klavarich Stables colorbearer lose a neck decision after setting all the pace in his Aug. 18 Saratoga debut. He earned a strong 88 Beyer Speed Figure for that outing and was flattered when the third and fourth-place finishers came back to score.

The $475,000 OBS April purchase (:10 flat) is a son of the stakes-winning mare Daisy Dukes (Ghazi) and a half-brother to Japanese stakes winner Surplus Singer (Songandaprayer).

Christophe Clement trainee **Just for One Day (Will Take Charge)** hammered for $210,000 at the Fasig-Tipton Sale in 2017 after selling for $420,000 in utero at the previous year's Keeneland January sale to current co-owner Highland Yard. The son of MSW Mother Ruth (Speightstown) is a half-brother to last year's GIII Rancho Bernardo H. winner Yuvetsi (Bodemeister). **TJCIS PPs**

ROWAYTON (c, 3, Into Mischief--Rosemonde, by Indian Charlie) capped a big day for owner Larry Best's OXO Equine, running down a horse conditioned by the same trainer--Chad Brown--who provided Best with a score in the GIII Wonder Again S. earlier on the card via pricey Cambier Parc (Medaglia d'Oro). A popular debut winner at Del Mar last July, Rowayton finished second in the GI Del Mar Futurity and third in the GI American Pharoah S. in September before hitting the bench. He resurfaced to be fifth at 7-10 after a tough trip at Oaklawn Apr. 13, and was installed the 14-5 second choice behind Brown pupil Payne (Paynter). Hard ridden for the early lead, Rowayton was relegated to second and steadily dropped back while saving all the ground but somewhat bottled up heading for home.

Payne, meanwhile, uncorked a head-turning, sweeping rally to strike the front in upper stretch. Rowayton soon found daylight at the rail, however, and made a nifty move to inhale the leader and prevail by 1 1/4 lengths. The winner's dam is a half to Canadian champion Miss Mischief (Into Mischief). Rowayton's 2-year-old full-sister was a $375,000 Fasig-Tipton Saratoga yearling and RNA'd for $400,000 at this year's OBS March Sale. Rosemonde produced a Frosted colt last term and was bred back to that stallion. Sales history: $320,000 Ylg '17 FTSAUG. PILLAR MOUNTAIN (IRE) (c, 4, Kodiac {GB}--Bryanstown {Ire}, by Galileo {Ire}) broke his maiden over the all-weather surface at Dundalk as a juvenile for then owner/trainer Paddy Twomey before being purchased privately and sent to the U.S. into Todd Pletcher's barn. **Cont. p4**

The bay colt was winless in a trio of subsequent starts but closed well to finish an encouraging third in his prior start in a May 2 Churchill optional claimer to Voting Control (Kitten's Joy), who completed the trifecta in last year's Nov. 3 GI Breeders' Cup Juvenile Turf. Dispatched as the 7-5 favorite here, the 4-year-old was content to sit behind the pace in fourth along the rail as the early leader opened up 11-lengths on the field after a half-mile in :47.08. Pillar Mountain found himself with nowhere to go turning for home, but was able to split horses in deep stretch, dueling with He's No Lemon (Lemon Drop Kid) until the wire and winning the photo by a nose in a tight finish. The winner hails from the family of European champions Warning (GB) (Known Fact) and Commander in Chief (GB) (Dancing Brave). He is a half-brother to an unamed 2-year-old colt by Free Eagle (Ire). ALEC AND ARTHUR (c, 2, Successful Appeal--Great Connection, by Dayjur) debuted Apr. 10 during the Keeneland spring meet and edged away to score a gritty victory. Trying stakes company in his next start, the $22,000 KEESEP buy tired to finish third in the May 1 Kentucky Juvenile S. The bay went to the post as the overwhelming 1-5 favorite here, broke on top and led every step of the way, shaking off his rivals at the top of the stretch to open up 3 1/4 lengths at the finish. Megan Marie (Clubhouse Ride) caught Street Flyer (Street Sense) to secure the place spot. The last foal produced from Great Connection, a granddaughter of the great blue-hen mare Lassie Dear (Buckpasser), Alec and Arthur is a half to Guana (Fr) (Sillery), SW & GSP-US, SP-Fr, $137,382; Great News (Fr) (Bering {GB}), SW-Fr; and Lord Sinclair (Mizzen Mast), SW-Fr, $414,645. PAMINA (f, 4, Street Cry {Ire}--Pamona Ball {SW & GSP, $185,640}, by Pleasantly Perfect) concluded her 3-year-old season last year by finishing in the money in half of her six starts, including a second-place effort in the Aug. 11 GIII Pucker Up S. at Arlington behind recent GII Naussau S. victress Secret Message (Hat Trick {Jpn}). The $330,000 OBSMAR purchase lost her rider in her prior start in Aqueduct's GIII Long Island S. Nov. 24. Favored here at 4-5 off the seven-month layoff, the dark bay came out at the break and then was taken back as the leaders rolled through a quick first quarter in :22.45. Rider Alex Cintron moved the filly three-wide around the turn and battled with Frippery (City Zip) down the lane, prevailing by 3/4 of a length over that rival late. The winner is out of the stakes winning mare Pamona Ball, who produced the Group 1-placed Snowy Winter (Elusive Quality), an unraced juvenile colt named Hieronymus (Girolamo) and a Hard Spun yearling colt. STIFLE YOURSELF (f, 3, Cairo Prince--Gloria S, by Tapit) provided a fitting tribute to her late breeder, who passed away at the beginning of this year. By the best horse Harvey Clarke co-campaigned in MGSW Cairo Prince, and out of a half-sister to the best horse he bred in GI Kentucky Derby and GI Preakness S. winner I'll Have Another (Flower Alley), Stifle Yourself was let go at 9-1 for a typically patient barn in a race filled with noteworthy pedigrees. **Cont. p5**

She was away well to press the pace from the two path through an opening quarter in :22.47 before taking over into a :45.62 half. Floating a bit wide into the straight, she hit another gear when asked for a bit more and reported home clear by 2 3/4 lengths while geared down. My Happy Place (Tapit--My Happy Face) put in a promising late run to be second. The winner's unraced dam was a $240,000 buyback as a 2-year-old at the 2012 Fasig-Tipton November sale, and her own dam Arch's Gal Edith (Arch) RNA'd for $950,000 at the same sale some six months after I'll Have Another's Classic exploits. CATCH A BID (f, 3, Real Solution--Elusive Champagne, by Elusive Quality) was seen as the lesser of the two Chad Brown entries in this maiden contest but at 7-2, the bargain $30,000 FTKOCT purchase, from her sire's second crop, rallied home a winner in her first lifetime start. The bay filly broke evenly and ran mid-pack as the early leader Miss You Blues (Big Drama) set swift fractions of 22.54 and 46.64. Jockey Javier Castellano roused Catch A Bid around the turn after three-quarters ran in 1:10.94, she launched a 4-wide move into the stretch, barreling down the lane to hit the wire 4 1/2 lengths in front of her stable mate Queen Medb (Ire) (Kodiac {Ire}).

In this continuing series, Alan Carasso takes a look ahead at US-bred and/or conceived runners entered for the upcoming weekend at the tracks on the Japan Racing Association circuit, with a focus on pedigree and/or performance in the sales ring. Here are the horses of interest for this weekend running at Hanshin and Tokyo Racecourses:

Saturday, June 8, 2019

7th-TOK, ¥9,550,000 *($88k)*, Maiden, 3yo, 1400m

LAS VEGAS TESORO (c, 3, Tiznow--Garden District, by Dixie Union), a $450K purchase out of the 2017 Fasig-Tipton Saratoga sale, did not find the grass to his liking two starts back, but has run well on the dirt, including a strong third over this track and distance May 26 (video, gate 8). His Grade III-winning dam is a daughter of GSP Brisquette (Unbridled's Song), who is also responsible for GSW & MGISP Medal Count (Dynaformer), third in the 2014 GI Belmont S. and recently represented by his first winner. *B-Lochlow Farm (KY)*

Sunday, June 9, 2019

3rd-HSN, ¥9,550,000 *($88k)*, Maiden, 3yo, 1800m

NOIVA (f, 3, Temple City--Malibu Pier, by Malibu Moon) has finished second or third in four of five starts on the main track, most recently rounding out the triple in two-turn races at Kyoto in February and at Kokura in March. A $475K Keeneland September graduate, the dark bay was the priciest of her sire's 54 yearlings to sell in 2017 and her MGSW & GISP dam has already produced SW & GISP Coasted (Tizway) and MGSP Malibu Stacy (Tizway). Top jockey Mirco Demuro is engaged. *B-Spendthrift Farm LLC (KY)*

7th-TOK, ¥14,250,000 *($132k)*, Allowance, 3yo, 2100m

BERGEN HARBOR (c, 3, Noble Mission {GB}--Two Harbors, by Pulpit) struggled in a pair of turf tries to kick off his career, but the $90K Fasig-Tipton Turf Showcase grad turned it around in no uncertain terms with a slow-starting, late-running maiden success over course and trip May 12 (video, gate 8). The blaze-faced chestnut is out of an unplaced daughter of MGSW Santa Catalina (Cure the Blues), dam of GISW Golden Missile (A.P. Indy). *B-Tim Thornton (KY)*

HOW DUBAWI HAS HELPED EASE THE BLUES

Dubawi at Dalham Hall Stud | *Alayna Cullen*

By Emma Berry

Almost two decades ago, on a June day that still sparkles in the memory while others have faded into dim recesses of the mind, a horse named with considerable portent by his owner and breeder Sheikh Mohammed held Royal Ascot in his thrall. Just as he had done in the Dubai World Cup that March, Dubai Millennium (Seeking The Gold) rendered pursuit almost pointless when stringing along his five rivals in the G1 Prince of Wales's S. to have them finish at an eight-length remove or more.

Up high in the old stand that day, those at Ascot with the serious business of racing on their minds began their applause while the colt was still only halfway along the straight, so unquestionable was his impending victory. What we didn't realise then was that it was the last time we would see Dubai Millennium in his majestic pomp. As Jerry Bailey tipped his hat to the injured Frankie Dettori and flew to the ground in an extravagant dismount, with him landed dreams of further glory. For on the day that Dettori returned to action after the plane crash that so nearly claimed his life, Dubai Millennium suffered his own reversal with a hind leg fracture sustained at morning exercise in early August.

NOSEDA TO RETIRE FROM TRAINING

Jeremy Noseda, who has been training in Newmarket since 1998 and whose greatest wins include a St Leger and a Breeders' Cup, is set to retire from training.

"The time is right for me to walk away," said Noseda. "I will be leaving the sport with a smile on my face and with a lot of great memories."

In 2004, Noseda notched an excellent training feat when sending Wilko (Awesome Again) to Lone Star Park in Texas for the GI Breeders' Cup Juvenile for the 11th start of his 2-year-old campaign.

A maiden winner and multiple group-placed, Wilko sprang a 20-1 shock under Frankie Dettori in his first start on the dirt, with the subsequent dual Classic winner Afleet Alex (Northern Afleet) in second.

How Dubawi Has Helped Ease The Blues cont.

What would have seemed a devastating blow then was a mere forerunner to a far greater tragedy that was to befall the horse. On Apr. 29 the following year, his life was ended desperately prematurely by grass sickness, midway through his first season at Dalham Hall Stud.

Less than a year after his demise, his truncated first crop appeared, with many of the resulting 56 foals being bought privately by the sheikh in a bid to find his champion's heir. The ninth to be born was already in his ownership, having been foaled at Kildangan Stud to the Oaks d'Italia winner Zomaradah (GB) (Deploy {GB}) on Feb. 7, 2002. In a beautifully produced book commemorating Dubai Millennium and depicting all of his offspring, the strong bay colt who would come to be known as Dubawi (Ire) is the final foal to feature. It wasn't the last time he would be prominent on the back pages.

By a wide margin, Dubawi was his sire's best runner, winning the G1 National S. during an unbeaten juvenile campaign. He became a Classic winner in the G1 Irish 2000 Guineas and then emulated his father with victory in the G1 Prix Jacques le Marois after a valiant effort over a trip just beyond reach when third in the Derby.

In 2006, he again followed in his father's footsteps, this time to stand at Dalham Hall Stud, though at a fee a quarter of the size of that commanded by Dubai Millennium. Though robust and obviously talented, the compact Dubawi did not share his sire's film star swagger and, for a stallion who now stands for £250,000–10 times greater than his opening price--it seems scarcely believable that he was once on offer at just £15,000 in that 'difficult' fourth season.

In the age of Galileo (Ire), it's all too easy to overlook the achievements of Dubawi. The significance of his stud career will not be lost on Sheikh Mohammed's operation, however, especially since Dubawi notched a key milestone last Friday at Epsom when the Charlie Appleby-trained Space Blues (GB) posted the 100th stakes victory for his sire in the royal blue of Godolphin.

That the 'home team' accounts for so many of Dubawi's 169 individual stakes winners, and indeed 12 of his 39 Group 1 winners, should come as no surprise. After all, the Godolphin mares not only have first call on his book, but Sheikh Mohammed and his sales team routinely snap up many of his elite offerings at public auction. Nevertheless, from Sand Vixen (GB)'s first strike in the Listed St Hugh's S. on Aug. 14, 2009, which was followed a month later by the G2 Champagne S. victory for another first-crop member, Poet's Voice (GB), the stream of black-type winners from this fertile source has greatly boosted Godolphin's racecourse success over the last decade. Those two early winners would go on to make their mark at stud. Sand Vixen, later winner of the G2 Flying Childers S., is the dam of G1 Jebel Hatta winner Dream Castle (GB) (Frankel {GB}), while Poet's Voice went on to claim Group 1 success himself in the Queen Elizabeth II S. before carving out a respectable stud career which was cut short by a fatal heart attack at the age of just 11.

Darley currently stands two of Dubawi's sons at Dalham Hall Stud in Night Of Thunder (Ire) and Postponed (Ire), while Frontiersman (GB) is at Overbury Stud and Hunter's Light (Ire) at Haras du Logis. He is also represented at the Aga Khan Studs' Haras de Bonneval by Zarak (Fr) and by two Juddmonte-bred sons, Time Test (GB) at the National Stud and New Bay (GB) at Ballylinch Stud. Meanwhile, Makfi (GB), the first of Dubawi's two 2000 Guineas winners, is at stud in Japan after standing in England-during which time he sired the Poule d'Essai des Poulains winner Make Believe (GB)--and then France.

These are early days when it comes to assessing whether any of these young stallions can go on to add another postscript to the Dubai Millennium story. It is, however, fair to say that Seeking The Gold, who lived to the age of 31 at Claiborne Farm but had scant representation in Europe, now has a worthy line in existence in this part of the world even if his most celebrated son to race here was granted so little time at stud.

The story is far from being fully written.

How Dubawi Has Helped Ease The Blues cont.

This year alone, Dubawi has been represented by a chart-topping 20 black-type winners, with 14 of those being group or graded winners. In the past week those figures were boosted by victory in the G2 Badener Meile for The Revenant (GB), a Grade III win at Belmont Park for the Newsells Park Stud-bred Demarchelier (GB), and a second Epsom stakes success, following that of Space Blues, for Anna Nerium (GB) in the G3 Princess Elizabeth S.

As that snapshot shows, Dubawi's success is far-reaching, but it is enjoyed most strongly closest to home.

Noseda To Retire From Training cont. from p1

Noseda enjoyed an excellent spell through the spring and fall of 2006, collecting the G1 Irish 2000 Guineas and G1 St James's Palace S. with Araafa (Ire) (Mull of Kintyre), and later the G1 St Leger with Sixties Icon (Ire) (Galileo {Ire}). Sixties Icon won an additional five group races.

In 2010, Noseda registered one of the more remarkable performances of his training career when sending the Coolmore partners' Laddies Poker Two (Ire) (Choisir {Aus}) out to win the Wokingham S. at Royal Ascot off a one year, eight month layoff. Laddies Poker Two is now best known as the dam of Coolmore's dual Guineas and four-time Group 1 winner Winter (Ire) (Galileo {Ire}).

Noseda To Retire From Training cont.

Later in 2010, Noseda took the G1 Irish St Leger with Sans Frontieres (Ire) (Galileo {Ire}). Another standout for Noseda was Fleeting Spirit (Ire) (Invincible Spirit {Ire}), winner of the 2009 G1 July Cup.

"I have been lucky enough to enjoy many fabulous days as a trainer and also earlier in my career," Noseda said. "I would like to thank my owners for their support over the last 20 years and, in particular, I would like to thank my staff for all of their highly skilled work and dedication. If there is sadness at this time it is that I will no longer be here for them. Several worked with me at Godolphin and then for me in Newmarket. Indeed there are those who I would count as very good friends. I know that they are among the very best staff in Newmarket and will have no trouble finding good positions within other stables.

"I have no immediate plans for the future, except for the fact that I will be taking a two-week summer holiday with my sons Richard and James. It will be the first time I have enjoyed a proper summer holiday with them and I'm really looking forward to that."

CALYX OUT OF ROYAL ASCOT

Last year's G2 Coventry S. winner **Calyx (GB)** (Kingman {GB}) has been ruled out of this year's Royal meeting and a shot at the G1 Commonwealth Cup after sustaining a pastern injury.

The John Gosden-trained Calyx was shelved after Royal Ascot last year due to injury, and returned with a four-length victory in the G3 Pavilion S. at Ascot on May 1. He was a shock second as the heavy favourite, however, in the G2 Sandy Lane S. at Haydock on May 25, after which the injury was uncovered.

Teddy Grimthorpe, racing manager for owner/breeder Khalid Abdullah, said, "Following his run in the Sandy Lane S., it has been revealed that Calyx sustained a pastern injury which is now being investigated. This will rule him out of the Commonwealth Cup at Royal Ascot, but we are hopeful that he could run again in the latter half of the season."

BRANDO (GB) (g, 7, Pivotal {GB}--Argent du Bois, by Silver Hawk) posted a last-out seventh in York's May 15 G2 Duke of York S. and was let go as the 7-2 third choice in a hot renewal of this dash. Held up behind all five rivals from the break, the 2017 G1 Prix Maurice de Gheest hero cruised into contention approaching the final furlong and kept on strongly under a drive up the hill to prevail by 1 3/4 lengths from Donjuan Triumphant (Ire) (Dream Ahead). Last term's G1 British Champions Sprint S. hero Sands of Mali (Fr) (Panis) was a further three lengths behind in third. "Everything panned out well and that was great," said trainer Kevin Ryan. "We didn't enter him for [Royal] Ascot this year so we weren't tempted. He loves downhill tracks like the July Course and Rowley Mile at Newmarket and it will be the [July 13 G1] July Cup [at the former track] next. As first foal of these connections' G2 Blandford S. and G3 Blue Wind S. winner and G1 Epsom Oaks runner-up Tarfasha (Ire) (Teofilo {Ire}), Rakan has family honour to uphold and he took an important first step towards that with this game black-type breakthrough. Off the mark in style over a mile here in October, the bay had finished fourth in the G3 Derrinstown Stud Derby Trial S. at a mile and a quarter on his 3-year-old bow on May 12 and this served as a natural progression. Provided with a lead by Barbados, he was sent up to wrest the advantage off that Ballydoyle representative passing the two pole and gradually asserted as Eminent Authority got going late to make it tight.

Rakan | *Racing Post*

Trainer Dermot Weld is happy to let Rakan go to The Curragh's G1 Irish Derby on June 29. "Three-horse races are notorious and he's an extremely idle colt," he said. "He had a hold-up over the winter, so he's only on his way back. He needed the run in the Derrinstown and I think he'll progress a lot from today's run. He got there to win easy and got a bit tired again.

Ideally what he'd love is a real true-run race where you can ride him from off the pace and produce him. We'll see how he comes out of this race and speak to the owner, but the Irish Derby is a definite possibility--the logical place to go with him. He's a good-actioned horse and handles good-to-firm ground well. That's lovely ground out there and perfect for every horse. He's bone idle and that's why he's difficult to get fit. He does absolutely nothing at home."

The aforementioned Tarfasha, who found only the same operation's Sea the Stars filly Taghrooda (GB) too strong in the Epsom Classic five years ago, is a half-sister to four black-type performers including the G2 Doncaster Cup and G2 Goodwood Cup hero Saddler's Rock (Ire) (Sadler's Wells) and Galileo Rock (Ire) (Galileo {Ire}) who was placed in the G1 Epsom and Irish Derbys and the G1 St Leger of 2013. The second dam Grecian Bride is a half-sister to the G1 Grand Prix de Saint-Cloud-winning sire Gamut (Ire) (Spectrum {Ire}), while the family also features the GI E. P. Taylor S. and GII Sheepshead Bay S. winner Tannery (Ire) (Dylan Thomas {Ire}). Having started off his racing life at this level, Flight Risk was remarkably taking part in a handicap for the first time when last seen on his 41st outing at The Curragh on May 24. Reliably consistent once again when runner-up in that seven-furlong contest, the veteran chestnut, whose last win came in the G3 Ballycorus S. over seven here in June 2017, was arguably at a peak here as he dealt a blow to some useful rivals. Racing with one behind early, he was delivered with a powerful surge down the outside to take command at the furlong pole and stretched out with enthusiasm to the line.

Flight Risk, who also captured the 2015 G3 Gladness S. and was a narrow runner-up in the following season's G2 Greenlands S., is a half-brother to another tough and reliable money-spinner from this stable in the G3 Derrinstown Stud 1000 Guineas Trial S. and G3 Concorde S. winner Marionnaud. The dam Raghida, who was runner-up in the G3 Molecomb S. and G3 Curragh S. and produced two other black-type performers, is a half-sister to some classy runners headed by Sholokhov (Ire) (Sadler's Wells) and Affianced (Ire) (Erins Isle {Ire}) who produced Soldier of Fortune (Ire) (Galileo {Ire}) and his full-brother Heliostatic (Ire).

Driven to challenge A New Dawn (Ire) (Zoffany {Ire}) in the final furlong, the gritty chestnut gained the upper hand 50 yards from the line en route to a 3/4-of-a-length success. Petite Mustique (Ire) (Galileo {Ire}), the €1.1-million full-sister to Jan Vermeer (Ire), helped force the early pace and paid for it as she faded to fifth. "She's a lovely filly, but I was surprised last week when [jockey] Shane [Foley] said she's ready to go," trainer Jessie Harrington told *Irish Racing.com*. "I thought being by Australia that she might need a bit more time, but he said no. I'd say we'll take our time with her and she was bought to be a 3-year-old. She has a good temperament and did it right. She has no big entries, but I'd say we'll put her in the [G1] Moyglare [Stud S. at The Curragh on Sept. 15] when the time comes. [Royal] Ascot comes up very soon and I think she's going to be a mile filly anyway. She needed every bit of that seven furlongs." The winning dam, who also scored on debut for Shadwell before being sold at the 2015 Tattersalls Ireland Ascot November Sale for just £8,500, is a granddaughter of the G3 Lingfield Oaks Trial runner-up Allegretta (GB) (Lombard {Ger}) who later achieved immortality as the dam of the great Urban Sea (Miswaki) and the brilliant G1 2000 Guineas-winning sire King's Best (Kingmambo). RECORD DUNDEEL COLT LIGHTS UP NATIONAL SALE

The record-priced Dundeel colt | *Magic Millions*

By Bren O'Brien

Hawkes Racing lit up Day 2 of the Magic Millions National Yearling Sale, paying a combined $1.35 million for three lots including a record $850,000 for a Dundeel (NZ) colt.

At A Glance

- Lot 2267, by Dundeel (NZ) out of Santa Rocks (Fastnet Rock), fetched a record price for this sale of $850,000
- The sale average surged to $52,556 at the end of Book 1, nearly $10,000 more than last year
- The clearance rate was down on last year, from 71% to 69.2%
- The median remained at $30,000, the same as it was 12 months ago
- The gross for the sale rocketed from $9.9m in 2018 to $12.56m in 2019

Hawkes, Orbis get Dundeel colt

Team Hawkes and Orbis Bloodstock acted decisively to secure what they believed was clearly the top lot of the sale, going to new heights to secure the Dundeel colt from Arrowfield's Draft.

The bidding stopped at $850,000 for the Lot 2267, setting a new record for a yearling through this sale.

He is the first foal out of the three-time winner Santa Rocks (Fastnet Rock), who John, Michael and Wayne Hawkes trained for a syndicate of clients which included Arrowfield and Henry Field. She hails from the family of multiple American G1 winner Harlan's Holiday (USA) (Harlan {USA}).

Arrowfield's bloodstock manager Jon Freyer said while the colt was a standout, it was an excellent result in the current market.

"We thought he was a particularly good colt, in fact we thought he was a special colt. The way the sale was we were pleasantly surprised with how he sold," he said. "A lot of the good judges had liked him. It was just a matter of how far they were prepared to go. I think they bought him on behalf of Orbis Bloodstock. The Hawkes trained Santa Rocks, the dam, for us, and she was really about to hit her straps and she went wrong and retired. They had a good opinion of her and thought she was a black type filly, and she is a Fastnet Rock mare."

It is the second highest price ever for a Dundeel yearling, just short of the $900,000 for the colt out of Champion mare Miss Finland (Redoute's Choice) purchased by Boomer Bloodstock at the 2017 Magic Millions Sale.

"He was the best horse in the sale," co-trainer Wayne Hawkes said. "Unfortunately when you come to Magic Millions you have to pay for them – they don't give them out at the front door!

"We really liked him. We think he will be a real classic three-year-old type horse and we thought he was the best Dundeel of the year to be totally honest. We hadn't seen one that we'd really fallen in love with by Dundeel – this was the first one this year, so we made sure we got him. You know when you break a record it's dear," Hawkes added. "I think John Moore might have been the underbidder and they obviously wanted him too. If he's a good horse he will be cheap – it's as simple as that."

Dundeel has enjoyed a fantastic season, with Group 1 winners in Australia, New Zealand and South Africa, highlighted by Castelvecchio, who won the G1 Champagne S. He ended Book 1 as the leading sire, having sold 12 yearlings for a total of $1.88m. Arrowfield barnmate Snitzel claimed honours for leading sire by average (more than 3 lots), selling four at $211,500 apiece.

Group 1 stamped all over him

Team Hawkes had earlier gone to $330,000 to buy Lot 2207, a Redoute's Choice colt, again from Arrowfield's draft.

He is out of the South African and UAE Group 1 winner National Colour (SAF) (National Assembly {Can}), who has already produced a pair of Group 1 winners who are full brothers to this colt in Rafeef and Mustaaqem. He is the penultimate foal from National Colour, who produced a Snitzel filly last year.

"He was a very good Redoute's colt out of a Group 1 winner, and a full brother to two Group 1 winners, quite a rare thing to see in a yearling sale." Freyer said. “I'd suspect he's the only one in the world this year that would have those credentials."

The Hawkes also paid $170,000 for Lot 2358, a Mossman colt from the draft of Baramul Stud to end Book 1 as the biggest buyer for the sale, with $1.43m across four lots.

Redoute's Choice colt out of National Colour

Arrowfield boasted the biggest draft and ended up the most successful vendor, selling 19 for $2.1 million including three of the top four lots on Day 2.

Hong Kong-based Muskoka Farm paid the equal second highest price of the day, $430,000, for Lot 2303, a Not A Single Doubt colt who is the full brother to recent G3 Ken Russell Memorial Classic winner Stronger.

Stronger went for seven figures at last year's Easter Sale, and this colt was less than half the price. Their grand-dam is the quality racemare and excellent producer, Ain't Seen Nothin' (Nothin Leica Dane), who has produced the stakes-winning trio Bachman (All American), Stepitup (Hussonet (USA) and Ain'tnofallenstar (Starcraft {NZ}).

Enuff to secure colt

George Moore Bloodstock set a new mark for a price for the first crop of Woodside Park's Rich Enuff, paying $430,000 for a colt catalogued as Lot 2319.

He was the first foal born on Rae-Louise Farmer's Fernrigg Farm and is from Tanzanite (Jet Spur) the half-sister to stakes-winner Any Suggestion (Lion Hunter) from the family of Group 1 winner Show A Heart (Brave Warrior). He was also the only Rich Enuff sold for the week.

"Nobby as he’s known at home was the first foal born on Fernrigg,” Farmer said. “Bernie Howlett (the breeder) is a good friend of ours and he sent us mares in the first season. He had a bit of a setback earlier on and missed another sale and I was so happy when Bernie rang and asked if we would prepare him for this sale. We loved him from the day he was born. He was the first horse I foaled on my own, I was a nervous wreck. I grew attached to him from the first day I laid my eyes on him. To bring him up here and get that result for Bernie was huge,” she added.

Lot 2240, a Snitzel colt from Quaintly (Giant's Causeway {USA}) offered by Highgrove Stud sold to Aquis Farm for $250,000, while the top Zoustar for the day was a colt from Esker Lodge, which sold to Emerald Bloodstock for $200,000.

Confirming the pre-sale predictions that it was a colts' sale, the top ten lots on Day 2 were all colts. The top two fillies on Day 2 both went for $150,000. Lot 2554 is by So You Think (NZ), offered by Rosemont Stud and was sold to Cornerstone Stud, while Lot 2368 is a Dundeel (NZ) filly offered by KBL Thoroughbreds and was sold to Shane Nichols Racing.

While there were some highlights for Arrowfield, Freyer said Book 1 had been a difficult one for a lot of vendors.

"It was a tough sale in many ways. While there were buyers there for the particularly good horse. The other ones, with the clearance rate you would have liked to have been a little higher," he said.

Marked overall improvement

Magic Millions Managing Director Barry Bowditch was happy with the way the sale improved.

“I’m really pleased on the whole,” he said. “The clearance rate is obviously a little bit disappointing but the average has climbed from $43,000 to $52,000 – that’s a considerable increase.

“We had some awesome bidding duels with the $850,000 colt and the two other $430,000 sellers in particular. It goes to show if you bring the right article here you can get a huge result.”

The sale concludes with Book 2 of the Yearling Sale on Friday followed by the National Racehorse Sale, with 34 lots on offer.
