EPICENTER WIRES RISEN STAR

Epicenter | *Hodges Photography*

Winchell Thoroughbreds' **Epicenter** (Not This Time) made up for his close call in the GIII Lecomte S. with a front-running score in the GII Risen Star S. at the Fair Grounds, moving himinto first place with 60 points in the GI Kentucky Derby rankings. Winchell Thoroughbreds and winning trainer Steve Asmussen also teamed up to take this event in 2016 with future Horse of the Year Gun Runner.

Away a breath slower than the rest, Epicenter quickly got his hooves beneath him and tugged his way up to the front under Joel Rosario. **Bodock** (Street Boss), a 63-1 shot, kept the pacesetter honest through early splits of :23.79 and :47.97 with **Pappacap** (Gun Runner) saving ground to Bodock's inside in third. Meanwhile favored **'TDN Rising Star' Smile Happy** (Runhappy) bided his time in sixth with GII Remsen S. runner-up **Zandon** (Upstart) sitting off his heels. Epicenter continued to lope along comfortably at the head of affairs, putting up three-quarters in 1:12.25. Rosario sat chilly in the saddle as Epicenter cruised clear with ease in the lane for a decisive victory. Smile Happy rallied for second with Zandon closing right behind him for third.

Fading to sixth in his seven-panel Churchill Downs unveiling in September, Epicenter returned with a good-looking graduation going a mile at that venue Nov. 13. Running away to a 6 1/2-length triumph in this venue's Gun Runner S. Dec. 26, he did most of the heavy lifting in the Lecomte S. last time Jan. 22, only to be headed by Call Me Midnight (Midnight Lute) late. ***Cont. p3***

TURNERLOOSE UPSETS RACHEL ALEXANDRA S.

Ike and Dawn Thrash's **Turnerloose** (Nyquist) sprung a 17-1 upset to put herself on the GI Kentucky Oaks trail while making her first start on dirt in the GII Rachel Alexandra S. at the Fair Grounds. Away alertly, the dark bay hustled up intotention before settling back in a ground-saving fourth as the well-related and previously unbeaten Silverbulletday S. winner **La Crete** (Medaglia d'Oro) dictated terms with GSW **Hidden Connection** (Connect) hot on her heels through a :23.94 opening quarter. La Crete was pulled up sharply as the half went up in :48.18, plummeting to the back of the pack, leaving Hidden Connection in charge.

Turnerloose inched closer, but was instantly shuffled back again as a slew of rivals charged up on her outside. Florent Geroux was undeterred, sitting chilly atop the Brad Cox pupil turning for home. He swung his mount out two wide in the lane as **Goddess of Fire** (Mineshaft) charged up alongside the pacesetter. ***Cont. p4***

"He did run a really big race today," Rosario said. "That was really nice. He looked like he was enjoying what he was doing and put in a really nice race today. We'll see going forward how far he can go."

"A little different than his last race in that every quarter was perfect," owner Ron Winchell said. He looked nice and comfortable we were just hoping he would finish off the race and he did. He looked great."

Pedigree Notes:

Epicenter is the fifth graded winner and one of 17 black-type scorers for his young sire Not This Time. He is also the 14th graded scorer and one of 30 black-type winners out of a daughter of Candy Ride (Arg), who was also the broodmare sire of GIII Fair Grounds H. winner Cavalry Charge (Honor Code). Westwind Farms purchased the winner's dam Silent Candy for $130,000 at the 2014 KEENOV sale carrying a foal by Scat Daddy. Her recent produce includes a juvenile colt by Always Dreaming and a yearling filly by Tapiture. She was bred back to Outwork.

Turnerloose | *Hodges Photography*

Turnerloose was grinding along the outside and forged clear late to win by a half-length. Goddess of Fire held second and **Awake at Midnyte** (Nyquist) filled the show spot.

La Crete's owner Stonestreet Stable tweeted that the filly suffered a condylar fracture and is a good candidate for surgical repair.

"To be honest I didn't know if she could handle the dirt," said trainer Brad Cox. "She worked well enough last fall. I gave her a little bit of a break. She worked well enough here at Fair Grounds. She tries hard. Always tries hard. We saw a better version of her today than we did in California [at the Breeders' Cup]. The two logical spots are the [GII] Fair Grounds Oaks or the [GI Central Bank] Ashland." ***Cont. p5***

A debut winner on the grass at Ellis Park July 16, Turnerloose romped by five lengths in the Aristocrat Juvenile Fillies S. at Kentucky Downs Sept. 6. Setting the pace in Keeneland's grassy GII Jessamine S. Oct. 13, she was run down late by **California Angel** (California Chrome) and forced to settle for third and faded to 14th when last seen in the GI Breeders' Cup Juvenile Fillies Turf S. at Del Mar Nov. 5.

Pedigree Notes:

Turnerloose is the fourth graded winner and one of seven black-type achievers for her young sire Nyquist. She is one of 247 black-type winners for her legendary broodmare sire A.P. Indy and the 117th graded scorer out of one of his daughters. The winner's unraced dam Goaltending is a daughter of Grade I winner Game Face (Menifee). The 11-year-old mare did not have a foal in 2020, but had an Arrogate filly in 2021 and a City of Light filly Jan. 12 of this year.

Olympiad | *Hodges Photography*

Bill Mott's patient handling paid off with the well-regarded Olympiad, who earned his graded stakes badge in the Mineshaft Saturday. Stalking Silver Prospector from second through early splits of :24.18 and :48.11, the even-money favorite turned up the heat on the backstretch run and jumped clear in the lane to win with ease. Silver Prospector held second and Miles D completed the trifecta.

Graduating at Saratoga in September of 2020, Olympiad checked in second behind GI Runhappy Malibu S. runner-up Baby Yoda (Prospective) in a Saratoga allowance exactly 364 days later. The $700,00 KEESEP buy captured a Keeneland allowance in October and was fourth next out to **'TDN Rising Star'** Americanrevolution (Constitution) in Aqueduct's GI Cigar Mile H. Dec. 4. Olympiad ran away to a 7 1/4-length score in a two-turn optional claimer at Gulfstream Jan. 15, earning a gaudy 101 Beyer Speed Figure.

Pedigree Notes:

Olympiad is the 63rd graded winner and 128th black-type scorer for the timeless Speightstown. The winner is also the 18th graded winner and 52nd black-type victor out of a daughter of Medaglia d'Oro. The Speightstown/Medaglia d'Oro cross is also responsible for Grade I winners Rock Fall and Competitionofideas. Olympiad is the second foal out of GSP Tokyo Time, who is also the dam of the once-raced 3-year-old filly Friendship Road (Quality Road); a juvenile filly by War Front, who brought $450,000 from Larkin Armstrong at KEESEP; and a yearling colt by American Pharoah. The half-sister to MGSW & MGISP Hungry Island (More Than Ready) and MGSW Soaring Empire (Empire Maker) is currently expecting a foal by Quality Road. This is also the family of GISWs Preservationist (Arch), Harmonize (Scat Daddy) and Keen Ice (Curlin).

Cavalry Charge was sent to the front from his rail draw and never looked back at longshot odds of 35-1 in Saturday's GIII Fair Grounds S. The bay led them through easy fractions of :24.79 and :49.70, turned them in at the top of the stretch as the one to catch and dug in gamely to just get saved by the wire over the fast-finishing French Group 3 winner Adhamo (Ire), who was making his U.S. debut for Chad Brown.

Cavalry Charge, a winner of three of four trips to the post in 2021, including a Keeneland allowance Oct. 8, tired to ninth while making his stakes debut in the Colonel E. R. Bradley S. at Fair Grounds last time Jan. 22.

Pedigree Notes:

Cavalry Charge becomes the fifth graded/10th stakes winner for young sire Honor Code. He is the 13th graded/30th stakes winner for broodmare sire Candy Ride (Arg).

Glass Ceiling kept her hot streak going with her first graded score in the GIII Barbara Fritchie S. Away well, the heavy favorite pressed Jakarta from second through a :23.08 first quarter and :46.21 half-mile. Taking command on the backstretch, the bay battled Jakarta down the lane, edging clear late to score.

"The distance was the main thing why we came here. I was looking for a graded stake while she was running good, and this was the obvious race," trainer and part-owner Charlie Baker said. "It was close. She's a fighter, so I was confident."

Claimed by Baker for $40,000 back in May, Glass Ceiling has only been off the board once in seven starts for her new connections. A dominant allowance winner at Belmont Sept. 30, the bay missed by a head to next-out GIII Go For Wand H. winner Lady Rocket (Tale of the Cat) in a sloppy renewal of Belmont's Pumkin Pie S. Oct. 31. Rallying to a good-looking score over another sloppy track in Aqueduct's Garland of Roses S. Dec. 11, she rolled clear to a 5 1/4-length optional claimer score at the Big A Jan. 23.

Pedigree Notes:

Glass Ceiling is the 19th graded winner and one of 30 black-type scorers for her red-hot sire Constitution. She is also the 32nd graded winner and one of 68 black-type achievers out of a daughter of the late Empire Maker. The winner is bred on the same Constitution/Empire Maker cross as Grade II winner Amalfi Sunrise.

General George cont.

Cordmaker | *MJC/Jim McCue*

Veteran Cordmaker, already with eight black-type wins and another eight stakes placings on his CV, added the first graded stakes win to his record with a score in Laurel's GIII General George S. Saturday. The chestnut lacked speed out of the gate, but had moved up on the rail to secure a midpack spot as the first quarter clicked by in :22.77. Up to second by the half, which passed in :45.33, Cordmaker squeezed through on the rail on the turn and drifted continuously to the outside down the stretch in spite of right-handed urging. He held on resolutely to best War Tocsin by three-quarters of length despite switching to his wrong lead in the final strides.

"My plan with this horse is always to give him some daylight around horses, because I feel like he's a better horse outside. I got the two hole and I have guys on the outside of me that aren't going to let me out when you're on the favorite," said winning rider Victor Carrasco. "I was patient and when we passed the five-sixteenths [pole] I saw [War Tocsin] drifting out a little bit I said, 'It's now or never.' I took advantage of that. When I asked him he responded well, and we got our picture taken."

Winner of his fourth straight, all stakes, including the Jennings S. last out over this surface Jan. 29, Cordmaker hasn't seen anything but black-type conditions in the last 18 months. The consistent stakes performer got the highest Beyer Speed Figure of his career--102--two back at Laurel in his Robert T. Manfuso S. win and placed in back-to-back editions of the GIII Pimlico Special S. in 2019-20 in his previous graded efforts.

Pedigree Notes:

Cordmaker is the 47th graded winner for Hill 'n' Dale stalwart Curlin, who also has 86 black-type winners from 10 crops to race. The two-time Horse of the Year's most recent champion to be crowned was last year's GI Kentucky Oaks winner Malathaat, who won the 3-year-old filly Eclipse at the Feb. 10 ceremony. Four of Curlin's stakes winners are out of Polish Numbers mares, including Cordmaker and MGSW Irish War Cry. Those four equal almost 9% of the 47 stakes winners out of daughters of Polish Numbers.

Cordmaker is one of three black-type winners out of his dam, who has a 2-year-old colt named Lucked In (Madefromlucky) that was a $55,000 RNA at the Fasig-Tipton Midlantic yearling sale last October. She also has a yearling filly by Honor Code and was bred back to Curlin's 2019 champion older horse Vino Rosso.

HORSEMEN'S REP SAYS VITALI METH POSITIVE IS ENVIRONMENTAL CONTAMINATION

by Bill Finley

Marcus Vitali | *Coglianese*

In his fight to get out of as one-year suspension after a horse of his tested positive for methamphetamine, controversial trainer Marcus Vitali will have at least one person in his corner. Todd Mostoller, the executive director of the Pennsylvania Horsemen's Benevolent and Protective Association, which represents horsemen at Penn National and Presque Isle Downs, said that the methamphetamine positive was a result of environmental contamination and that Vital should not have been suspended

"This is somebody who did absolutely nothing wrong," Mostoller said.

On Friday, the Pennsylvania Racing Commission published its ruling in which Vitali was suspended for one year and fined $10,000 after the horse Single Lady (Shanghai Bobby) tested positive for d-methamphetamine after winning a Aug. 21 maiden special weight race at Presque Isle Downs. ***Cont. p12***

Vitali cont.

Vitali has appealed the suspension.

Mostoller believes the filly came into contact with someone who had been using the drug, and that's how it got into her system.

"The bottom line is that this is environmental contamination," he said. "There have been a number of methamphetamine positives in Pennsylvania. They've all been at the extremely small picogram level. No one gave methamphetamine to a horse. It's in the environment around us. It's a problem. And our industry has yet to really deal with the problem."

Mostoller said there have been "three or four" other methamphetamine positives between Presque Isle Downs and Penn National in recent months and that in all other cases the stewards found there were extenuating circumstances and the trainers were not held responsible. The *TDN* was not able to confirm Mostoller's contention.

In 2017, a Peter Miller-trained horse tested positive for methamphetamine after running in the Pennsylvania Governor's Cup at Penn National. The Pennsylvania Racing Commission ruled that there were "mitigating circumstances" and fined Miller $1,500 but did not suspend him.

In 2016, five horses at Lone Star Park tested positive for meth. The Texas Racing Commission concluded that the horses were contaminated by their handlers and, while the horses were disqualified, the trainers were not penalized

Mostoller hinted that Vitali, who has been in and put of trouble for years, might be treated differently than others.

"This is absurd. It goes beyond common sense," he said. "Unfortunately for Vitali, he is a hot-button name."

But Mostoller went on to explain that in the other recent meth cases, it was confirmed that someone handling the horses had used meth. That has not happened with Single Lady.

"In this case, nobody tried to find the source," he said. "No employees were tested. So, you're certainly not going to find the source of environmental contamination if you don't look for it. This is under appeal and we'll see where it goes from there."

Single Lady is owned by Carolyn Vogel, 80, who races under the name of Cross Sabres Farm. Prior to Vitali filing for an appeal, Single Lady was placed on the stewards' list for 90 days. Vogel has been one of Vitali's most loyal owners and has stuck by him despite the trainer's history. She said she has seven horses with him and when asked if she intended to keep them with Vitali she responded, "I will stick by him until further notice."

When asked what she likes about Vitali, she responded: "He is very good with legs and he is very hands on. He doesn't have too many horses and he is not real expensive. He makes it more affordable and fun."

Is she concerned about his reputation?

"I don't think he is a cheater," she said. "He might push the envelope, but he doesn't cheat."

Vitali is currently racing at Turf Paradise and, due to the appeal, has remained eligible to race there. He has horses entered there on Tuesday and Friday. Both are owned by Vogel.

VAZQUEZ REMAINS ELIGIBLE TO RACE AT NYRA TRACKS...FOR NOW

by Bill Finley

Juan Vazquez | *MJC*

Trainer Juan Vazquez has been granted a stay of a recent suspension handed down by the Pennsylvania Horse Racing Commission, which will allow him to continue to race at the NYRA tracks for the time being. He has three horses entered on Thursday's card at Aqueduct.

However, NYRA issued a statement Saturday in which it said it will consider filing charges against Vazquez, which could lead to his being banned.

Vazquez received two consecutive 15-day suspensions after two of his horses tested positive for the dewormer levamisole in races at Parx. One, Hollywood Talent (Talent Search), tested positive after winning the GIII Turf Monster S. at odds of 108-1.

Because NYRA is affiliated with the state of New York, a court ruled in the Bob Baffert matter that it cannot ban trainers without adequate due process. Since the court decision, it has gone ahead with a hearing for Baffert and another, for Marcus Vitali, is scheduled for next month.

"Since Juan Vazquez was granted a stay of the Pennsylvania suspension, he retains his license to participate in New York," the statement read. "In the July decision, and in subsequent rulings, the court was clear that NYRA is required to provide adequate due process prior to revoking privileges to participate at NYRA tracks." ***Cont. p13***

Vasquez cont.

It continued, "To refuse entries or prohibit Mr. Vazquez from accessing the property, for example, are actions that NYRA could take against a licensed trainer only after he is provided satisfactory due process. That process is deliberative and not immediate, which is why Juan Vazquez is permitted to participate at NYRA while he appeals his suspension in Pennsylvania. Any suspension handed down in Pennsylvania will be reciprocally implemented in New York and Vazquez will be suspended from participating in all racing activities at NYRA tracks for the duration of the suspension. NYRA is gathering information that could inform a statement of charges and subsequent hearing, should that be required."

Vazquez has numerous suspensions and violations on his record. In one ruling, issued in 2017 in Pennsylvania, it was noted that Vazquez had eight drug positives during a 23-month period.

Vazquez has maintained a stable at Parx and in New York this year. He is just 2-for-22 (9%) at Parx while going 7-for-30 (23%) at the Big A.

NUMBER OF GRADED STAKES IN CANADA DECREASED

The Jockey Club of Canada's Graded Stakes Committee held its annual review of the graded and listed stakes races in Canada and the number of graded stakes in Canada will decrease to 40. The decrease is due partially to individual racetracks choosing to place selected races on hold for the 2022 season and other races that have felt the repercussions of the pandemic. Additionally, two graded stakes races were downgraded.

After reviewing the NARC figures and the RQS numbers for all listed and black-type races in Canada, the committee determined that the Grade I Highlander S. will be downgraded to Grade II status and the Grade III Ballerina S. will be downgraded to listed status. Additionally, the Ascot Graduation Stakes (L) and the British Columbia Oaks (L) are required to reapply for black-type status having not run in 2020 or 2021.

Other changes include the GI Northern Dancer S., GII Nijinsky S. and the GII Play the King S. will not return in 2022 and the GI Pattison Canadian International will be placed on hold for 2022.

YORKTON REPRESENTED BY FIRST FOAL

Crestwood Farm's freshman stallion **Yorkton** (Speightstown) was represented by his first foal in Indiana Feb. 3. A colt out of Bayerly Seen (Bayern) was born at Arrowhead Thoroughbred Center in Fairland. Bayerly Seen is a half-sister to GI Kentucky Derby contender and GIII Lecomte S. winner Call Me Midnight (Midnight Lute).

"This colt is very correct, and has been the best foal to be the first one born on our farm," says farm co-owner Brandi Steele. "Momma is a wonderful maiden and handles his feisty attitude very well."

Dixie Belle S. cont.

Only a 2 1/4-length defeat to eventual Grade II stakes-placed runner Nakatomi (Firing Line) against the boys on Keeneland debut Apr. 14 stands between Happy Soul and a perfect record. She has since been dominant against her peers, with a near 12-length victory May 13 at Belmont Park and a carbon-copy masterclass June 3 in the venue's Astoria S. as the 1-9 chalk.

Making her 3-year-old bow here, the even-money favorite broke in line with the field and was asked to track the front-runner from third on the rail. Shoulder to shoulder with her competition but not yet asked, Happy Soul kicked clear of the longtime leader in midstretch to win by three lengths under wraps. Gulfstream Park Sprint cont.

Now on his third win in a row, Miles Ahead has taken leaps and bounds forward in his career from humble beginnings in the claiming ranks to a victory in the GIII Smile Sprint Invitational S. at this venue last year in July. Finishing second Sept. 5 in a handicap, he crowned his 2021 campaign with a victory in the Dec. 4 Claiming Crown Rapid Transit Starter S.

The 5-year-old made his seasonal bow Jan. 16, coming home gamely to win by 1 1/4 lengths as the heavy 1-5 favorite. Left the 3-1 second choice behind overwhelming 3-5 favorite Drain the Clock, Miles Ahead watched the race unfold from next to last after the break as the frontrunners dueled on the lead. Taking the overland route, he followed Drain the Clock wide into the lane past tiring pacesetters, and gradually ran the favorite down, refusing to be denied despite being drifted out late. The pair was 4 1/4 lengths ahead of a stretched-out field.

"He's just gotten better and better. Each race, he just seems to go forward. I felt real confident going in that it was going to take an exceptional effort by somebody to beat him," said Plesa, confirming no firm next-out plans for his 11-time winner. "He's found his niche and we're taking advantage of it. Who knows what the future holds, but it makes you think about a lot of things."

Miles Ahead is a half to stakes -producing mare Augusta Queen (Forestry), graded stakes-placed runner turned stakes producer La Grange (Curlin), and GII-placed Magic D'Oro (Medaglia d'Oro). Making his first start around two turns, Sumter was given a letter-perfect ride from the front by Flavien Prat to win Saturday's Pasadena S. at Santa Anita.

Kicked straight into the lead, the homebred relaxed kindly for the Frenchman, who never panicked in the saddle when a pair of rivals tried to put him to the sword in the middle furlongs. Still traveling well in hand on the turn, just awaiting his cue, Sumter accelerated nicely when popped the question in upper stretch, pinched a break and maintained a safe margin to the line.

Well-beaten in a single try on the dirt to begin his career, Sumter was runner-up in five-furlong turf sprints at Del Mar Sept. 2 and at this track Oct. 1 before besting a couple of next-start winners at the seaside venue Nov. 14.

Bloodstock agent Steve Young purchased Sumter's dam on behalf of Ramona Bass for $220,000 and the filly, trained by Michael Matz, won the 2014 Edgewood S. and was twice placed in graded company before producing last year's California Oaks winner Pizzaz as her first foal. **Cont. p3**

KEYFLOWER (FR) (f, 4, Kheleyf--Heather Flower {Ire}, by Lope de Vega {Ire}), previously trained by Spaniard Mauricio Delcher-Sanchez, broke her maiden in the French provinces against males and was second to Saturday's GIII Fair Grounds S. runner-up Adhamo (Ire) (Intello {Ger}) in allowance company before capping the European portion of her career with a victory in the Listed Prix Occitanie at La Teste last September. Sourced by Shawn Dugan and Marc-Antoine Bergracht's MAB Agency, the dark bay made her first start for this partnership in last year's GI E.P. Taylor S., finishing a close sixth, and was the second choice by $90 to Moraz (Empire Maker), as both were 17-10 when the gates flew. After a lackluster sixth in the GIII Lecomte S. Jan. 22 at this venue, the $400,000 Saratoga Select graduate was returned to what worked in his maiden-breaking score for this start. Hammered down to 9-5 favoritism right before the jump, the chestnut broke well and cruised to the outside of his rivals in third through the first turn. Cyberknife tugged his way to second down the backstretch, and was even keener coming off the final turn. Under mild urging, he spurted clear of his rivals to win by three in a dazzling 1:42.53 for 8 1/2 furlongs. Kupuna (Hard Spun) came on in the lane to claim second. 1st-Tampa Bay Downs, $28,600, Alw (NW1X), Opt. Clm ($75,000), 2-19, 3yo, 7f, 1:24.10, ft, head.
BELGRADE (c, 3, Hard Spun--Miss Prytania, by Eskendereya), a $700,000 KEEJAN purchase earlier this year off the heels of a six-length debut graduation for owner Randy Bradshaw and trainer Brendan Walsh in a maiden special weight reserved for horses that sold or RNA'd for $45,000 or less at auction at Fair Grounds Dec. 18, delivered as the 1-2 favorite after some anxious moments in his first start for his new connections at Tampa Saturday. Off to a stumbling beginning from his rail draw, Belgrade trailed the field of six in the early stages. Racing in some traffic while under a snug hold following a :23.29 opening quarter, he rolled up into the clear four deep to challenge for command on the far turn, and kept on coming in the stretch with a sustained rally to wear down Morgan Point (Jess's Dream) by a head. The winner's dam, a half-sister to GI Belmont S. third Medal Count (Dynaformer), has a Practical Joke filly of 2020 ($150,000 KEENOV purchase by OXO Equine) and an Accelerate colt of 2021 in the pipeline. She was bred to Army Mule for 2022. Sales history: $45,000 Ylg '20 FTKSEL; $700,000 3yo '22 KEEJAN. Lifetime Record: 2-2-0-0, $35,400. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

IN ORDER OF PURSE:
5th-Aqueduct, $70,000, (S), Msw, 2-19, 3yo, f, 6f, 1:14.24, ft, neck.
SALSA A PARTE (f, 3, Into Mischief--Memento d'Oro, by Medaglia d'Oro), produced by a winning daughter of MGISW Intangaroo (Orientate), had only one beaten in seventh through an opening half-mile in :47.28. Still with plenty to do as they turned for home, she came rolling down the center to nail favored True Empress (Classic Empire) by a neck. After producing a filly by Empire Maker in 2020 and a filly by Speightstown in 2021, the winner's dam was bred back to Kantharos. INCREASE STAKES (f, 3, Square Eddie--Ann Summers Gold {GSP-Eng}, by Yankee Victor) began her career in December with a second to eventual California Cup Oaks winner Rose Dawson (Grazen), but never held on for the win despite hitting the front in two subsequent starts. That changed Saturday as she made the lead by the first quarter mark in :22.38. She threw down a :45.08 half and drew clear at 2-1 to win by 2 1/4 lengths over fellow Reddam homebred Rosie Forecast (Nyquist). Increase Stakes is a full-sister to Sprouts, MSW, $207,440; and to Radish, MSP, $213,036; as well as a half to Hockey Dad (Nyquist), MGSP, $188,140. Ann Summers Gold lost her 2021 colt by Nyquist and was bred back to I'll Have Another. Lifetime Record: 4-1-1-1, $59,980. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

TALEOFREADYCHIANTI (f, 3, Tale of Ekati--Ready for Chianti, by More Than Ready), overlooked by the betting public at 18-1, broke a step slow after initially being reluctant to load and settled four off the fence at the back of the field. Tracking the leading pack up the backstretch, the dark bay filly swung six wide into the lane before slowly running down the leader in the late stages, beating Georgetown Road (Speightstown) by half-a-length. The victress is a half to a 2-year-old colt by Perfect Soul (Ire) named Good Soul and a yearling filly by Tale of Verve. The mare is expecting a full-sibling to the yearling this season. FREEDOM'S WAY (c, 3, Declaration of War--Wonderfuladventure, by Tiz Wonderful) broke outwardly on debut at Keeneland Oct. 16, finishing a distant sixth in an off-turf 8 1/2 furlongs, and again experienced trouble at the break Nov. 27 over this course, finishing seventh with first-time Lasix. Getting a better break last out at 20-1, the Eddie Kenneally trainee overcame a bumping incident at the head of the stretch to finish a strong second on the turf Dec. 26 at the Fair Grounds. Off at 87-10 here, Freedom's Way settled in fourth from the rail after a fair break and tracked the leaders down the backstretch. Roused coming into the lane, the chestnut kicked into gear from the overland route and ran down even-money favorite More Than Work (Outwork) to break his maiden by

1 1/2 lengths. The winner has a 2-year-old half-sister by Always Dreaming. After coming up barren last season to the stallion, the mare revisited Omaha Beach for this year. STRONG QUALITY (c, 3, Quality Road--Tiz So Sweet {SP, $211,100}, by Tiznow) debuted a green third Jan. 23 at the Fair Grounds behind next-out '**TDN Rising Star**' Zozos (Munnings) after coming through the lane on the wrong lead. Stretching out to 8 1/2 panels here, the flashy pink silks of Gary Barber were tucked comfortably in second on the rail through the first turn. Strong Quality was eager to move, however, forcing Adam Beschizza to guide the colt to the outside of Scotland Yard (Quality Road) and the pricey auction pair took their battle into the lane with the $500,000 FTKNOV graduate striding home 1 1/4 lengths best at 5-1 odds. The longtime leader managed to maintain second by a head. Strong Quality has a yearling half-brother by Constitution and the dam is expecting a full-sibling to that one this season. Sales history: $500,000 Wlg '19 FTKNOV. Lifetime Record: 2-1-0-1, $38,720. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

BIG INVASION (c, 3, Declaration of War--Curls in Place, by Curlin), a debut second behind the well-meant American Starlet (Twirling Candy) on course-and-distance debut Jan. 7, was the 11-10 chalk for this second go and was away alertly from the inside gate. Settled nicely in the slipstream of 53-1 pacesetter Capture the Time (Uncaptured), Big Invasion was steered out to deliver his challenge nearing the stretch and kicked home strongly to graduate by 4 1/4 lengths. The $72,000 Keeneland September purchase is a half to the stakes-placed turf sprinter Unitedandresolute (Violence), a 2-year-old filly by Empire Maker and a yearling colt by Air Force Blue.

Curls in Place most recently visited another son of War Front, dual-surface Grade I and Classic winner War of Will. Sales history: $72,000 Ylg '20 KEESEP. Lifetime Record: 2-1-1-0, $42,930. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Big Invasion | *Lauren King*

4th-Fair Grounds, $55,000, Msw, 2-19, 3yo, 6f, 1:09.58, ft, head.

MOMENTOUS (c, 3, Speightstown--Glory and Power, by Medaglia d'Oro) amassed a solid worktab at this conditioner's South Florida base at Palm Beach Downs and was sent off at just shy of 5-1, the third pick behind fellow firster and 7-5 pick Marsalis (Curlin x Hot Dixie Chick). Momentous was first to break the line from gate 10, but the favorite--a homebred half-brother to recent GIII Houston Ladies' Classic heroine Pauline's Pearl (Tapit)--was driven through by Joel Rosario to take up the running inside the opening furlong and took the field past the half-mile marker in :22.29 seconds. Momentous confronted Marsalis in earnest at the five-sixteenths and led narrowly while racing on his incorrect lead passing the eighth pole. Marsalis was in for the fight and boxed on gamely inside, but Momentous did slightly the better work and proved best by a head while remaining on his right leg under the line. The top two had some 5 1/4 lengths on Major Contender (Distorted Humor) in third. The winner is out of a full-sister to SW Dance d'Oro and hails from the deeper female family of Horses of the Year Saint Liam (Saint Ballado) and Gun Runner (Candy Ride {Arg}), as well as GISW Funtastic (More Than Ready).

4th-Fair Grounds, cont.

Momentous is bred on the highly productive cross that has been responsible for the likes of the late GISW Rock Fall, GISW Competitionofideas and additional GSWs Souper Stonehenge, Strike Power and Saturday's GIII Mineshaft S. hero Olympiad. Glory and Power is also represented by a 2-year-old Tapit colt that sold for $400,000 at KEESEP last fall and a yearling colt by Street Sense. The mare is due to Good Magic this season. Lifetime Record: 1-1-0-0, $33,000. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

O'BRIEN DUO SET FOR SAUDI

Joseph O'Brien | *Goffs*

Joseph O'Brien has already collected an impressive haul of international trophies in less than seven years with a trainers' license, including two Melbourne Cups and a Breeders' Cup, and he will look to expand that collection when sending **Baron Samedi (GB)** (Harbour Watch {Ire}) and **Thunder Moon (Ire)** (Zoffany {Ire}) to next weekend's Saudi Cup card.

LECH Racing Limited's 5-year-old Baron Samedi rose rapidly through the ranks after being gelded in 2020, with four straight handicap wins followed by victory in the G2 Prix du Conseil de Paris, and he picked up where he left off last year, winning the G3 Vintage Crop S. at Navan before traveling to America to take the GII Belmont Gold Cup S. over two miles. After finishing third in the G1 Irish St Leger, Baron Samedi was last seen checking in sixth in the G2 British Champions Long Distance Cup, and he lines up in the Red Sea Turf H.

"He's a good, solid horse who just keeps progressing and always seems to turn up on the day," O'Brien said. "He seems in good form at home and this is the race we've always had in mind to start him off this season. We've had some great days around the world so far and this looks a really good opportunity to have a go at a big pot again."

OUTBOX LANDS AMIR TROPHY FOR WATSON, DOYLE *by Alan Carasso*

A stakes winner in England and stakes-performed in France and in Sweden, **Outbox (GB)** (Frankel {GB}) added a stamp from Qatar to his passport for Saturday's His Highness The Amir Trophy in Doha and walked away with the lion's share of the US$1-million in prize money on offer. The Amir Trophy is one of three races contested locally that is recognized internationally as black-type eligible.

Ridden aggressively from a wide alley by Hollie Doyle, Outbox took up a pace-pressing position from second, as **Qatari Gold** (Lemon Drop Kid), with Tom Marquand in the irons and ostensibly in the race to set things up for 2017 winner and fellow 9-year-old stablemate **Noor Al Hawa (Fr)** (Makfi {GB}), was intent to lead over the very quick ground. Shadowing the front-runner's every step into the second bend, Outbox went for home 400 metres out and stayed on very gamely under energetic handling to prevail narrowly.

O'Brien Duo Set For Saudi cont. from p1

"It looks as if those middle distance to staying races are where we will run him this season. He might perhaps prefer a little shorter than the trip in Saudi, but it's a tight enough track and I think the trip should be OK for him. He won on a tight track in America in that Grade II last year, so he's proven he can handle this sort of test and I'm hopeful he'll run very well."

Baron Samedi winning the Belmont Gold Cup | *Sarah Andrew*

Chantal Regalado-Gonzalez's Thunder Moon is on a recovery mission; he won the G1 National S. at two, but was beaten in all six starts at three last year, albeit finishing second by a head in the G1 Prix Jean Prat. Thunder Moon filled the same position in his seasonal reappearance at Dundalk Jan. 21. Thunder Moon is set for the 1351 Turf Sprint. "He was unlucky not to be a Group 1 winner last year having been beaten a head in France and if he gets a good draw, we'd be hopeful he could run into some prize money," O'Brien said. "I think it's fair to say he's not the most consistent, but on the pick of his form he's not without a chance, and I think we've finally found his optimum conditions."

Outbox Lands Amir Trophy For Watson, Doyle

cont. from p1

Mutabahi (Fr) (French Fifteen {Fr}), a full-brother to last year's winner **French King (GB)**, missed the break and endured a wide passage, but boxed on tenaciously in a luckless effort. King Power's **Fox Tal (GB)** (Sea The Stars {Ire}), midfield and keen early, rallied well enough once into the clear to finish third.

Outbox made the first eight starts of his career for his breeder and Simon Crisford for a solid record of 3-2-2, but missed the entirety of the 2020 season and changed hands for 16,000gns at the Tattersalls Autumn Horses In Training Sale.

HOME AFFAIRS WINS THE LIGHTNING

Coolmore's Home Affairs edges Nature Strip for G1 Lightning S. win at Flemington Saturday. **Click or tap here to go straight to TDN Aus/NZ.**

Third to Al Aasy (Ire) (Sea The Stars {Ire}) in the G3 John Porter S. last April, he caused an upset when besting 2019 G1 St Leger hero Logician (GB) (Frankel {GB}) in the Listed Fred Archer S. at Newmarket last June and earned further group black-type when runner-up in the G3 Stockholm Cup International at Bro Park in September. Outbox was last seen finishing down the field in listed company over the Deauville all-weather in December.

Immaculately bred, Outbox is out of a Group 2-winning daughter of Group 1 winner Zomaradah (GB) (Deploy {GB}), whose legend has been cemented as the dam of the prolific Dubawi (Ire) (Dubai Millennium {GB}). Emirates Queen is the dam of the 3-year-old filly Emirates Empress (GB) (Dark Angel {Ire}) and a yearling colt by Kingman (GB).

COOLMORE'S HOME AFFAIRS WINS LIGHTNING

Home Affairs winning Flemington's G1 Black Caviar Lightning S. *Bronwen Healy*

by Bryan Littlely

The new kid on the block Home Affairs makes the most of bad luck for fighter Nature Strip to build on an impressive resume in G1 Lightning S. thriller. (race replay). Chris Waller labelled the start of the G1 Lightning S. a “tragedy’’ for his star Nature Strip (Nicconi) but said that should take nothing away from the 'new boy on the block' I Am Invincible colt Home Affairs who won the race in an absolute thriller to claim a second Group 1 title.

Jumping from barrier five Nature Strip was crunched out of the gates by Eduardo (Host {Chi}) alongside him and Profiteer (Capitalist) on the other side to be left with he and jockey Jamie Kah languishing at the rear of the field through no fault of their own.

Home Affairs, with James McDonald aboard after electing to ride the 3-year-old over Nature Strip, was not bothered by the commotion behind him, taking the lead only to be challenged late by the Champion Nature Strip, surviving to post a short half-head win, and give Waller the quinella. Eduardo, while not particularly impeded by the clumsy start, ran in to take third.

"He is just such a star colt," McDonald said. "I knew that he would be in for the fight, even though the first half didn't go to plan, but that is just how good he is.

"Trained by Chris [Waller], who would have had both horses peaking on the day and there was a hair in it. So Nature Strip is the World's Best Sprinter at this stage and this fella is banging down the door."

Waller Talks Duo Up

Waller said while connections of Nature Strip could be expected to be devastated about the start, nothing could be taken away from the winner.

"The new boy on the block, Home Affairs, it was a bit of a gamble bringing him here today," Waller said.

"He raced against the young horses and dominated last preparation and now he's come back and beaten the best at weight for age. So it's pretty exciting going forward."

Going forward is likely to mean taking on the world stage for both Home Affairs and Nature Strip at Royal Ascot in June but Waller said at this stage he was concentrating on autumn racing in Australia.

“At this stage I’m talking up racing in Australia. At the end of autumn, we’ll talk about how tough we are against the rest of the world,’’ he said.

Everything Coolmore Hoped for

Coolmore Australia, though is already talking about how good Home Affairs is and, rightly so, also about how good the ownership group behind their new star was to secure the I Am Invincible colt from Flying Spur mare Miss Interiors.

Bred by Torryburn Stud and sold at the Inglis Easter Sale to Coolmore for $875,000, he was among the first group of colts bought by the Coolmore-led group of breeders seeking star stallions. Coolmore Australia's Racing Manager Rob Archibald said to have a horse of this calibre in the first group is a huge endorsement to everyone that was involved in purchasing those horses and was a huge reward for the faith they have in the system.

"It is really everything you hope to have in a stallion and it is incredible,'' said Archibald.

"It just further enhances his credentials. To win at weight for age as a 3-year-old over 1000 metres. He's all speed, he's just a powerful, beautiful horse with a great pedigree and it has really solidified what everyone thought of him.

"We always knew he was an exceptional horse and it has just confirmed that. You put him against the best sprinters in Australia, and arguably the world, and he puts in a performance like that.. it was pretty amazing,'' he said. "It is what every stud dreams of, owning a horse like him.''

Lots of Opportunity

The ownership group of Home Affairs was put together by Coolmore's Magnier family and Chris Waller with the purpose of buying, developing and managing horses into stallions that will stand at Coolmore.

"A lot of those people who bought in are big breeders themselves so it means he will get an amazing start at stud,'' said Archibald. "When he does eventually go to stud, whenever that may be, he will get an amazing opportunity.

"The Australian market loves speed, and he's all speed. I would like to think he will be highly sought-after. He's building a really good resume,'' Archibald added.

"He's a very fast horse. Very good-looking with a great pedigree. I don't think you could want any more. Everything you'd hope to achieve looks like it is being achieved."

Pedigree Notes:

Bred by Torryburn Stud and purchased by Tom Magnier for $875,000 at the 2020 Inglis Easter Yearling Sale, Home Affairs is just the second foal for the up-and-coming broodmare Miss Interiors (Flying Spur) whose first foal is the Group 1-placed Aysar (Deep Field) - whilst her third Wilbury (a $1.05 million Inglis Easter graduate by Capitalist) is a recent jump-out winner who ran soundly when debuting in the G3 Maribyrnong Plate last spring. Last year paying a return visit to Yarraman Park's I Am Invincible (Invincible Spirit {Ire}) having foaled a Dundeel (NZ) (High Chaparral {Ire}) filly, Miss Interiors has a Dundeel colt due to go through the ring at the Inglis Easter Sale.

One of his high-achieving sire's 75 stakes winners, Home Affairs hails from one of the world's great families, his fifth dam being Northern Dancer's (Can) wonderful daughter Fanfreluche (Can). And his dam is bred on a 4 X 4 cross of that mare, also third dam of Flying Spur (Danehill {USA}). What a family this is, Miss Interiors being a half-sister to the dual Group 1-winning sprinter Russian Revolution (Snitzel) who has made such an encouraging start to his stud career whilst others to win at the elite level amongst this clan include Encosta De Lago (Fairy King {USA}), Majestic Roi (USA) (Street Cry {Ire}), Medici (Chi) (Sir Cat {USA}), L'Enjoleur (Can) (Buckpasser {USA}), Aube Indienne (Fr) (Bluebird {USA}) and Holy Roman Emperor (Ire) (Danehill {USA}).
