SOPHOMORE RACES LEAD SATURDAY STAKES ACTION

Shahama | *Coady*

A pair of graded stakes for 3-year-olds highlight Saturday's racing action, starting with the GII Mother Goose S. at Belmont. Two of the five fillies are looking to rebound after off-the-board finishes in the May 6 GI Kentucky Oaks, **'TDN Rising Star' Shahama** (Munnings) (sixth) and **Venti Valentine** (Firing Line) (14th).

Shahama is making just her second U.S. start after starting her career with a perfect four-for-four record during her time in Dubai. Her trainer Todd Pletcher is looking for his seventh Mother Goose victory here.

"It was hard to gauge her racing form. The one thing we felt pretty good about was the way she had trained in company with some of our other horses," said Pletcher. "To me, she's proven she belongs in races like that, and I thought her Oaks was maybe a better race than it looks on paper. She was still closing at the end. She drew an outside post and it took her a little while to get on track. I thought it was a solid effort."

Meanwhile, Venti Valentine is a native New Yorker and has never been worse than second in her home state.

"She came out of the Oaks in good shape," trainer Jorge Abreu said. "I'm going to cross a line through that race and just regroup with her. She's been doing everything well here. I think one turn will suit her better, not that she can't go two turns because she proved she can go two turns. But I think the mile and a sixteenth and cutting back in distance will be better for her." **Cont. p3**

HISA QUESTIONS AND ANSWERS: PART FOUR *by Dan Ross*

On Thursday, the Horseracing Integrity and Safety Authority updated some important rules and deadlines concerning the impending racetrack safety portion launch of the Horseracing Integrity and Safety Act (HISA).

The Authority--the umbrella non-profit established by the Act--noted among other things that the registration deadline for certain "covered persons" has been pushed back a day, to July 2, and clarified some details about the transfer of claimed horse records.

Since issuing a cheat sheet to help guide industry participants through this process, the *TDN* has been fielding unanswered questions industry participants have about the process to register, and about the anticipated playing field come July 1, forwarding them to HISA for response. **Cont. p4**

White Abarrio | *Sherackatthetrack*

GI Darley Alcibiades S. winner **Juju's Map** (Liam's Map) skipped the Oaks and instead dominated an optional claimer on the undercard in her first start since finishing second in the GI Breeders' Cup Juvenile Fillies. She returns to stakes action in this five-horse field.

Just under an hour later at Thistledown, a trio of GI Kentucky Derby also-rans and a good-looking winner on the GI Preakness S. undercard will line up in the GIII Ohio Derby. GIII Stonestreet Lexington S. victor **Tawny Port** (Pioneerof the Nile) finished best of the three when seventh on the First Saturday in May for Brad Cox, who won this event in 2019.

GII Tampa Bay Derby hero **Classic Causeway** (Giant's Causeway) was a few spots behind him in 11th that day. Previously trained by Brian Lynch, the chestnut--one of just three from his outstanding sire's final crop--makes his first start for Ken McPeek Saturday.

White Abarrio (Race Day) finished 16th in the Derby after winning both the GIII Holy Bull S. and GI Curlin Florida Derby. The gray receives Lasix for the first time in this event.

GII Rebel S. runner-up **Ethereal Road** (Quality Road) was a late defection from the Run for the Roses, allowing winner Rich Strike (Keen Ice) into the field some 36 hours before post time. His GI Kentucky Oaks-winning stablemate Secret Oath (Arrogate) went on to the Preakness, while Ethereal Road was re-routed to the Sir Barton S. earlier on the card. The D. Wayne Lukas trainee produced an eye-catching late rally, charging home to a decisive victory.

Also worth a look at a price is New York-bred **Barese** (Laoban), who gets Lasix for the first time here. He thrashed his fellow native New Yorkers in his first three starts, but could only manage fifth behind eventual GI Belmont S. winner Mo Donegal (Uncle Mo) in the GII Wood Memorial S. and could only manage

third as the heavy favorite back against locals in an NYSS event Apr. 23.

Right in the middle of those sophomore races is a competitive sprint for older fillies and mares, the GIII Chicago S. at Churchill Downs. This test has attracted a pair of Grade I winners in **Bell's the One** (Majesticperfection) and **Kalypso** (Brody's Cause), as well as **Sconsin** (Include), who enters off wins in the Open Mind S. and GIII Winning Colors S. Don't count out GIII Go For Wand H. romper **Lady Rocket** (Tale of the Cat) or GI Derby City Distaff runner-up **Four Graces** (Majesticperfection).

HISA Questions and Answers cont. from p1

The first three batches of reader questions, alongside HISA's responses, can be found here, here and here.

The latest batch of answers is below. Some of the questions have been edited for brevity and clarity.

The *TDN* has forwarded every question received, most of them concerned with the impending launch date, but some of them much broadly focused on the federal law in general and the draft Anti-Doping and Medication Control program. Some of you might still be waiting for a response, however, because the organization has focused its attention to answering questions related to racetrack safety and registration, given the "push" to July 1, explained a HISA spokesperson.

HISA's formal website can be found here, and the online registration portal can be found here. Feedback on the draft ADMC rules should be sent to: admcfeedback@hisaus.org

Question: My main concern is with regards to the "responsible person" for a racehorse when they are given time off after

leaving the racetrack, with the intention of returning to training after a lay-up or freshening. I feel that asking owners, many of whom are hands-off or elderly, to be responsible for record keeping, etc. while their horses are out of training, is a little unrealistic. If racehorses go to a lay-up farm that is not a "covered" facility, will HISA rules still apply?

HISA: The maintenance of medical and therapeutic records is still required during a lay-up period. The trainer can remain the responsible party if the owner agrees. Veterinary records need to be uploaded by the treating vet when a horse is at a lay-up facility.

Q: How do partners register their horses? My husband and I are considered partners? Do we each file separately? Or do we file as one owner, with both our names? Do we file as we are listed in the *Daily Racing Form*?

H: You both will need to register with HISA as owners, but only one of you has to be listed as the designated owner. The designated owner will be allowed to share information with other owners if they are registered.

Q: Why aren't sales companies (and consignors that are training young horses) covered under the rules as the 2-year-olds (and some are already named) breeze at these sales and the results are published?

H: The Horseracing Integrity and Safety Act did not give HISA the authority to regulate sales companies.

Q: Where can I read the best description of what a trainer at a local training center is required to do and track?

H: Recommend reviewing this fact sheet on HISA Trainer Requirements.

Q: Why is the use of therapeutic products like Bemer blankets and Magna Wave no longer going to be allowed within 48 hours of racing? It just doesn't make sense that we're prohibiting therapeutic treatments that make horses comfortable and don't affect their performance unless being comfortable is considered affecting performance.

H: It would be incorrect to say that the use of therapeutic products (like Beemer blankets and Magna Wave) is no longer going to be allowed. Therapeutic devices can be used in the treatment of racehorses. These devices are prohibited only when they would induce a pain masking effect (not a curative therapeutic effect) that would compromise the ability to determine an unsoundness in a horse before a high-speed event (timed work or race). The intent of the rule is to prevent horses that have an injury that was masked by pain relief from having a severe or catastrophic injury by performing a high-speed work or race while injured.

Q: What treatment do you recommend for a horse that has "popped" a curb or a splint now that firing/freeze firing/blistering are off the table?

H: Please see Announcement Concerning Enforcement of HISA Racetrack Safety Rules and Registration Requirements linked here.

Q: If claims can be voided if a horse bleeds and HISA has taken the simplest and most effective of treatments off the table with the banning of Lasix, how does this help the welfare and safety of the horse? People will resort to inhumane ways (that were used before Lasix was permitted) in order to get bleeders to a race.

H: Lasix are not prohibited under the Racetrack Safety Program which goes into effect July 1.

BACK TO ARCADIA

by Chris McGrath

So we get another day of sun, after all, out in La La Land. It was not so long ago that a night without end appeared to have descended on Santa Anita. Like Ryan Gosling's character in the film, fighting his quixotic rearguard action on behalf of jazz, we were clinging to the wreckage of a culture renounced by 21st Century society. "I'm letting life hit me till it gets tired," he protests to his sister. "Then I'm going to hit back. It's a classic rope-a-dope."

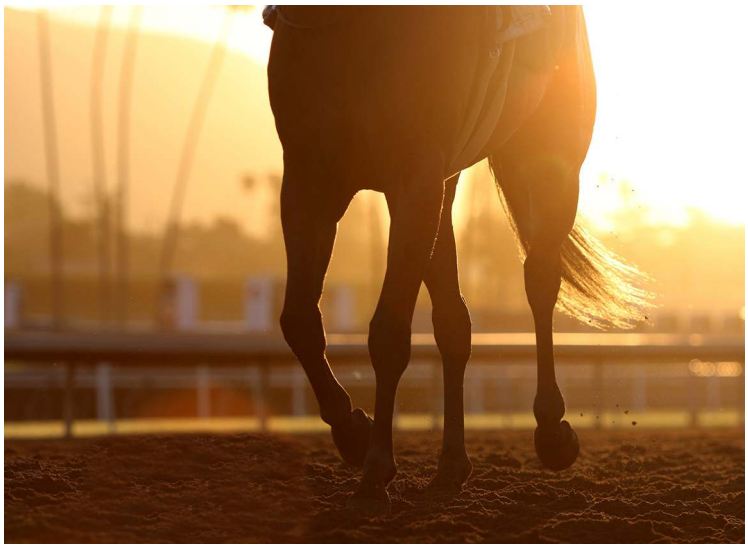
If we're honest, that's pretty much the way a lot of us reacted to what felt uncomfortably like an existential crisis in 2019. If the storm clouds could blot out the sun even over a racetrack

Click to hear this column as a podcast | *Patty Wolfe photo*

most of us would have chosen as our proudest showcase, then nowhere was safe. Steeled by the nobility of the animal with whom we share our daily lives, we professed indignation over our alienation by an ever more urban society. Nobody could love these animals more than we did, nor tend their needs more lavishly. Yet all these people, having apparently failed to give much thought to the viability of horses as house pets, were presuming to question our idea of acceptable risk.

Luckily, there were some in our community who could see where that stubborn approach was going to take us. And that was to the sporting equivalent of a dive bar at the bottom of dingy staircase, with a few diehards leaning against the bar, listening to some unappreciated genius improvising mournfully at an old piano.

Those diehards are not always immune to a certain complacency. They elevate themselves from the herd not just by superior discernment, but also by sheer fidelity to a lost cause.



The sun rises at Santa Anita | *Horsephotos*

But those who have rescued our sport from the brink did not want to reduce it some arrogant cult. They knew that we still had something very special to offer a mass audience. We just had to clean out the house before inviting anybody in.

The collective job they've done in California can't be praised enough, but that shouldn't stop us trying. Just cast your mind back to where we were after that harrowing spate of breakdowns at Santa Anita. Perhaps the most dismal moment came when the field turned for home in the final race of a Breeders' Cup staged with all those painstaking protocols. Just as the veterinary team must have been turning to each other to exchange high fives, the Mongolian Groom tragedy brought the vultures back overhead.

The transformation then already underway, however, has since proved quite incredible. The marathon winter-spring meet just concluded at Santa Anita did not feature a single musculoskeletal racing fatality on the main track, with just three in all from 4,800 starters. Right now this is operating as the safest high-volume racetrack in the land. I've no idea how the credit should be distributed, between Belinda Stronach, track superintendent Dennis Moore, and many others in between. But I do know that our community owes them a debt of gratitude; and also that there are a couple of ways of discharging it.

One, as we approach the deadline for HISA registration, is for everyone to acknowledge the bigger picture. Purposeful regulation should not be resented as draconian intrusion, but embraced as essential to the sustainability of our way of life. Remember it's not just horsemen who are making short-term sacrifices for longer-term gain. The stringent policing of medication, now so conspicuous in California, incidentally exacerbates what has come to feel like a chronic local deficiency, in field sizes. But where some racetracks in other states are prepared to turn a blind eye, in order to fill stalls and fields, here they appear willing to grasp a few nettles.

And that brings me to the other way we can repay California. Yes, the big investors now have lucrative opportunity virtually year-round in and around Kentucky, while for many Saratoga is just up the road from their Wall Street lairs. But somebody out there, surely, won't be averse to spreading a few good horses back west. California has a beautiful climate, after all; quite a few beautiful people, and not always just skin deep; perhaps the most beautiful racetrack in the world; and, importantly, Hall of Fame-eligible trainers like John Shirreffs who are only going to thrive on a level playing field.

When it was all going wrong, there seemed to be something apt about the fact that Santa Anita should be sited in the suburb of Arcadia, named for the pastoral idyll of the ancient Greeks. In many traditions, notably that of Eden, these places are poignantly unattainable owing to the culpability of humankind.

Marvelously, however, our community has proved to contain men and women to lead us back along the stony path of redemption.

Or perhaps that should be the Ethereal Road of redemption? I always had a hunch that this son of Quality Road might take an unexpected role in the Triple Crown, but not in the way he did--stepping aside from the Derby at the 11th hour, creating a vacancy for a winner who has since remained curiously resistant to the assistance of hindsight. In the event, Ethereal Road was confined to an appearance on the Preakness undercard, where he suggested that he might yet join barnmate Secret Oath (Arrogate) in the top tier of the crop. Having again been scratched from the third leg of the series, with a quarter crack, he instead resurfaces in the GIII Ohio Derby on Saturday. If he can confirm that he is now really beginning to blossom, we may yet extend our reach to a wider public through a trainer who, just like California, has persevered through dark times with an undiminished faith that we have a story worth telling.

Don't forget the way Gosling's character calls after to his sister, as she leaves his apartment in despair over his "rope-a-dope" line. "I'm a phoenix rising from the ashes!"

Wayne Lukas has done it; Santa Anita is doing it. See you at the jazz club.

ANNA HOUSE GRADUATION: CHILDCARE AND SO MUCH MORE

By Sue Finley

The children of Anna House present Michael Dubb with a painting representing their 20 years of operation. Click the photo above to watch a video on the program | *Sue Finley*

Finding affordable, quality day care is a struggle most working parents face, but for parents working on the backstretches of America's racetracks, the combination of low pay and early hours make it even more of a challenge. For years, too many backstretch parents were forced to leave their children in less-than-ideal situations or drive to work at 5 a.m. with their kids sleeping in the back of their car.

But in the late 1990s, after talking to his good friend Jerry Bailey about the situation, Michael Dubb took matters into his own hands and built Anna House, a model day care program for backstretch workers located right in the Belmont barn area.

This past Tuesday, a dozen children graduated from the program, and will head to the local public school system this fall. But the Anna House care doesn't stop there. Early-morning care, breakfast, after-school care, tutoring, summer programs, and literacy programs for parents are all a part of the remarkable and comprehensive system overseen by the Belmont Child Care Association (BCCA).

“Most of the children come from bilingual families, and so we teach them English first and foremost,” said Dubb. “We teach them computer skills. We teach them arts and crafts. We teach them interaction. We teach them gardening. We teach them how to play chess. We teach them how to climb walls. We teach them how to build character and confidence. And it really sets them up for life. These are happy, exuberant kids ready for the challenges that life is going to bring them and ready to excel.”

For the past 10 years, Libby Imperio has served as the President of the BCCA, and oversees fundraising, grants to expand the programs offered, and more.

“I became involved because my husband and I went to their Saratoga fundraiser, Racing for the Children. And they had a wish list asking for diapers, books, changing tables, formula and with the thousands of fundraisers we go to, no one had ever asked me for a specific item before, and it really tugged at my heart. That was the beginning. And I just kept asking, `What can I do? What can I do?'”

Years later, she knows the answer.

Since its inception, Anna House has gone beyond educating preschool children and has expanded its programs to parent literacy, basic childcare, and more.

“I'm so proud of our expansions,” said Imperio. “Our first expansion was after-school tutoring, which we provide to up until 13 years old. Then we took that concept and provided a school-age program, so our graduates and even kids that did not originally attend here who are in elementary school, when they have the day off or school vacation, they have now a safe and healthy and nurturing place to attend. And we have about 20 kids enrolled in that program.”

The BCCA and Dubb built Faith House in Saratoga so that workers relocated for the eight weeks could bring their children knowing they would have a safe place to go for a summer which

involves both learning and fun.

They also provide basic life and childcare skills. “We joined with the other backstretch charities, BEST and the Racetrack Chaplaincy to develop `The ABCs of Life' for the mothers of the backstretch,” she said. “That course is teaching things that we all take for granted: how to write a check, nutrition on a low income, basic health and dentistry for children, cooking, and just your basic ABCs of life. But my favorite program has become the women's literacy program. It started out with about just five moms on the backstretch, and we now have about 25 mothers. And it makes me so happy because that just will help not just themselves, but their children as they go forward in life.”

Tuesday's graduation was the 20th time that the Anna House kids left the program to head for the public schools, and Dubb said that some of them were now circling back.

“I've seen familiar faces back here at the racetrack working,” said Dubb. “But one of them, a young child at the racetrack named Angel Torres whose father was an assistant trainer, he was a child of the backstretch, and went on from here to get his college degree. And he's now one of the top financial people at my company.”

Anna House's most important fundraiser is coming up at Saratoga, said Imperio--the very event she attended all those years ago which inspired her involvement. Every year, the BCCA needs to raise $1.7 million for operations.

“Our biggest fundraiser of the year is Racing for the Children, being held in downtown Saratoga Aug. 25th at the Universal Preservation Building (at 25 Washington Street). It's a new location for us this year, so we're really excited about it. I think it will be a beautiful event.”

Dubb said that initially, he saw the need and thought as a builder, he could fix it, and move on.

“When I built this, I really just wanted to donate a building and ride off into the sunset,” he said. “But I couldn't do it. And in 20 years, I'm most proud of the children and I'm most proud of their parents. This is the real American dream. Come here to work hard and to do right by your kids. That's what my grandparents did. And I'm just so happy that I can share my good fortune and make this happen, but it's really not about me. This is the gift that keeps giving to me. It brings me more pleasure than anything else on the racetrack--more pleasure than winning any kind of race. A race is for a moment, but a child's life is for a lifetime. And knowing that we're making a difference, really, that's what really, really drives me.”

CONVICTED VETERINARIAN SETH FISHMAN WAS HOSPITALIZED FOR PSYCHIATRIC REASONS DURING TRIAL *by Bill Finley*

Seth Fishman during the trial | *Bryan Smith*

Dr. Seth Fishman was not present in a Manhattan court in the final days of his trial involving his role in manufacturing and distributing performance-enhancing drugs, an absence that had gone unexplained for months. But a motion issued Friday by his attorney Maurice H. Sercarz seeking an adjournment of his sentencing answered the question. On Feb. 2, 2022, when the jury returned its verdict convicting Fishman, he was an inpatient in the psychiatric wing at Mt. Sinai Hospital West.

Fishman is scheduled to be sentenced Monday. Fishman was originally scheduled to be sentenced May 5, but Sercarz has twice gotten the court to agree to a delay. His latest request for a delay is the first in which he raises the issue of Fishman’s mental problems and delays in completing a report covering his medical and emotional issues.

Sercarz’s filing painted a picture of a client who has battled mental health issues on an off for years and was first placed in a psychiatric unit at a New York hospital in 1996.

According to Sercarz’s motion, on Feb. 18, Fishman was remanded to the custody of the U.S. Marshals and taken to the Metropolitan Detention Center (MDC) where he was placed in isolation for over a week and continued to be evaluated by mental health professionals. Additional time was needed for doctors at MDC to come up with a cocktail of medications that could help alleviate his condition.

Fishman remained locked up at MDC into the spring when Fishman and his family agreed to put the veterinarian through tests that would yield a psychological evaluation. On or about Apr. 22, a doctor identified as Dr. Bardley was hired to conduct the evaluation. The process was delayed because Fishman was unable to sign some paperwork due to sporadic lockdowns at

MDC.

Bardley conducted his first interview with Fishman May 27. A follow-up appointment scheduled for June had to be canceled due to another lockdown at MDC. After still more problems, Bardley was able to conduct an evaluation with Fishman, who remains at MDC, on Thursday and submitted a draft of his report to Sercarz. Sercarz wrote that sentencing should be delayed until after Bardley and his staff have had a chance to complete and refine their report.

Sercarz is hoping that submission of Bardley's findings may lead to leniency when it comes to sentencing.

"While the defendant will seek a measure of leniency based upon matters relating to his mental health, we submit that the public will obtain a satisfactory understanding of the nature of the defendant's condition and the way in which it may influence the Court's judgment if limitations are imposed upon descriptions of the defendant's conditions," the motion reads.

The jury found Fishman, 50, guilty of two counts of conspiring to violate adulteration and misbranding laws and the manufacture of PEDS administered to racehorses. He faces up to 20 years in a federal prison.

ASHBROOK FARM'S GLENN BROMAGEN PASSES AWAY AT 90

Glenn Bromagen center. Son Bo left. | *SV Photography*

by Bill Finley

Owner Glenn Bromagen, who raced under the name of Ashbrook Farm, passed away Tuesday at his home in Versailles, Ky. He was 90.

An Air Force veteran, Bromagen graduated from the University of Kentucky in 1955 and shortly thereafter moved to Chicago, where he worked at the Union Stock Yards for Armour and Company. The native of Sharpsburg, Ky joined the Chicago Mercantile Exchange as a cattle broker and then co-founded the brokerage firm, Rufenacht, Bromagen and Hertz, where he flourished professionally.

He bought his first racehorses in the late 60's while living in Chicago and was known to be an avid horseplayer who frequented the Illinois tracks. Bromagen began with trainer Tommy Kelly and won his first graded stakes in 1974 when capturing the GIII Pucker Up S. at Arlington Park. That same year, he won the GIII Clark H. with Mr. Door. In 1980, he had a starter in the GI Kentucky Derby in Tonka Wakhan, who finished 10th for trainer Glynn Bernis.

In the early 1980s, Bromagen decided to return to Kentucky and purchased Ashbrook Farm in 1982. Among the reasons he returned to the Blue Grass State was that he wanted his children to be raised in his beloved Kentucky.

Bromagen enjoyed his greatest successes in racing after teaming up with trainer Rusty Arnold. They enjoyed success early on with Tricky Creek, a winner of four graded stakes, starting with the 1988 GII Brown & Williamson Kentucky Jockey Club S.

After he graduated from college in 2007, Bromagen's son Bo came on board as Ashbrook's racing manager and helped lead the stable to new heights. In 2007, Ashbrook won the GI Lane's End Breeders' Futurity with Wicked Style (Macho Uno). In 2016, Ashbrook's Weep No More (Mineshaft) won the GI Central Bank Ashland S. In 2018, the stable unveiled Concrete Rose (Twirling Candy), who won the GII Jessamine S., the GIII Florida Oaks and the GI Belmont Oaks Invitational S. The filly was owned in partnership with BBN Racing. A $61,000 Fasig-Tipton Midlantic 2-year-old, she topped the 2020 Keeneland November sale at $1.95 million.

"My father loved this game so much," Bo Bromagen said. "He loved being at the racetrack. He loved running horses. He loved putting money through the windows and he loved taking it out of there, too. He was one of those guys who wanted to make the most of his experiences. He was a guy who came from nothing and made it to where he did. He never forgot that. He always wanted to share those experiences with as many people as he could."

Bromagen is survived by his wife, Sandi; his children, Ashley (Evan Schmitt), Glenn "Bo" and Tyler (Caroline); his grandchildren, Cooper, Ella, and Owen Schmitt, and Reese Bromagen; and many cherished nieces and nephews. Graveside Services will be held Saturday, June 25 at 11:15 a.m. at Pisgah Cemetery in Versailles, KY. Visitation will be prior to the service starting at 10:00 a.m. at Pisgah Presbyterian Church. In lieu of flowers, donations can be made to the Glenn S. Bromagen Sharpsburg Memorial Fund at the Bluegrass Community Foundation, 499 E. High St, #112, Lexington, Ky 40507.

PURSE INCREASES ANNOUNCED FOR SARATOGA

Significant increases of more than $1.6 million to the purse schedule for the 2022 summer meet at Saratoga Race Course were announced Friday by the New York Racing Association, Inc. The meet begins Thursday, July 14 and continues through Monday, Sept. 5. The condition book for the Saratoga summer meet is now available online at www.nyra.com/Saratoga.

"We're pleased to be able to offer these purse increases across the middle core of our racing program," said Frank Gabriel, Jr., NYRA's Senior Vice President of Racing Operations. "We look forward to continuing to support our horsemen at the upcoming Saratoga summer meet. These purse increases should only add to the already competitive racing on offer at the nation's greatest race meet."

All open two and three-other-than allowance races will see an increase of $15,000 to $120,000 and $125,000, respectively, while a-other-than allowances will be increased by $12,000 to $115,000. Restricted one and two-other than allowances will both see an increase of $5,000 to $95,000 and $100,000, respectively. $50,000 starter allowances will increase by $8,000 and offer a $70,000 purse while $50,000 claiming races will offer an $80,000 purse, up $8,000 from last year. Additionally, there will be a $6,000 increase for the $40,000 level, a $5,000 increase for the $25,000 level, and a $4,000 boost for both the $32,000 and $20,000 levels. All claiming purses in excess of a 2:1 purse to claiming price ratio are subject New York State Gaming Commission approval. Open maiden special weight races at Saratoga will enjoy a $5,000 boost, increasing to $105,000. New York-bred maiden special weights will increase by $3,000 to $88,000.

NTRA HIRES DIRECTOR OF GOVERNMENT AFFAIRS

Edited Press Release

The National Thoroughbred Racing Association (NTRA) announced Friday the hiring of Jordan Bonfitto to serve as NTRA's Director of Government Affairs. Bonfitto will be based in the NTRA's newly opened Washington, D.C. office and will lead the organization's advocacy efforts alongside President and CEO, former U.S. Congressman, Tom Rooney.

"We're excited to have Jordan join our team to help advocate the issues critical to the Thoroughbred racing industry," Rooney said. "Jordan's experience in the Executive Branch and on Capitol Hill will be a huge asset as we build out NTRA's presence in Washington."

Prior to joining NTRA, Bonfitto served as Director of Government Affairs for the Global Cold Chain Alliance (GCCA) where he oversaw the legislative portfolio and helped expand the association's advocacy initiatives globally. Bonfitto has also served as a public servant where he was Director of External and Intergovernmental Affairs at the U.S. Department of Agriculture (USDA) for U.S. Secretary of Agriculture Sonny Perdue as well as an Agriculture Policy Advisor for the National Economic Council at the White House. Prior to the Administration, Bonfitto worked on Capitol Hill.

U.S. HOUSE COMMITTEE ADVANCES PERMANENT SLAUGHTER BAN LEGISLATION

Two key pieces of equine protection legislation advanced out of the U.S. House Committee on Energy and Commerce's Subcommittee on Consumer Protection June 24, most notably the Save America's Forgotten Equines (SAFE) Act, H.R. 3355, which would permanently ban the transport of horses bound for slaughter.

The measure was endorsed by more than 225 equine-related businesses, groups, and organizations, as well as a wide array of stake holders which included The Jockey Club; the Breeders' Cup; Water, Hay, Oats Alliance (WHOA); and the New York Racing Association (NYRA). Advancing alongside was the Prevent All Soring Tactics (PAST) Act, H.R. 5441. PAST would eliminate the use of large, stacked shoes and ankle chains that are placed on Tennessee Walkers' feet to exacerbate pain in the show ring and produce the 'Big Lick' action. It would also revamp the USDA's inspection program and provide felony level penalties to give teeth to the HPA. The action puts them in motion and creates an opportunity for additional legislating in the House and Senate.

MASQUEPARADE (c, 4, Upstart--Cry War Eagle, by Any Given Saturday), winner of the GIII Ohio Derby last year and third in the GII Jim Dandy S., began his 4-year-old campaign with a head-defeat May 13 in a Churchill Downs optional claimer. Three-wide into the first turn, the 2-5 favorite stuck a head in front up the backstretch, racing outside of Whiskey Double (Into Mischief) with Spa City (Street Sense) breathing down his neck in third. Still leading narrowly into the far turn, Masqueparade was caught by Intrepid Heart (Tapit) into the final furlong, but dug in to fend off the rival by a nose. Out of a half-sister to GSW Actin Good (Yes It's True), the winner has a 2-year-old half-sister by Collected and a yearling half-brother by Cairo Prince. Lifetime Record: GSW, 10-4-1-2, $638,752. DESIGNER READY (f, 4, Tapit--Bel Air Beauty {MGSW, $380,649}, by Smart Strike), third in the Ginger Brew S. last year for trainer Barbara Minshall, made two starts in the Bill Mott barn and started 2022 under Tom Drury's care. She was seventh Apr. 23 in a Keeneland turf test and was fourth in a rained-off contest in the slop at this oval last time May 26. Off at 9-5 for her second attempt on the dirt, the bay raced fourth along the inside, saving ground before swinging outside of pacesetter Three Tipsy Chix (Medaglia d'Oro). Good Measure (Smarty Jones) got the first jump into the lane, but Designer Ready came inside of her with a furlong to run and was clear late, winning by 2 1/2 lengths. Designer Ready is a half-sister to Stacked Deck (First Samurai), Ch. Sprinter-Can, MGSW-Can, GSP-USA, $614,951 and Valentino Beauty (Vindication), GSP, $206,242. SISTER LINDA (f, 3, Boys At Tosconova--White Wedding Day, by Crimson Guard) failed to fire when unveiled in a six-panel event at this oval in September, finishing 10th future stakes winner Venti Valentine (Firing Line). Transferred from Michelle Nevin to Horacio De Paz, she demolished a group of NY-breds going a mile here May 30, graduating by 12 1/2 lengths. Returned to Nevin, the 2-1 shot broke on top from her outside draw, but was overtaken by a pair to her inside and settled in a joint second through a :23.77 first quarter. Splitting the top pair as the half went in :47.79, the bay took command entering the far turn and charged into the lane with a head full of steam. Caragate (Arrogate) closed the gap to 1 1/2 lengths at the line. The winner is a full to Our Super Nova, SW & GSP, $351,695. White Wedding Day is also responsible for a juvenile colt named The Preferred Post (Redesdale) and a yearling colt by Leofric. SMARMY (f, 4, Liam's Map--Ebony Moment, by Smart Strike) hit the board in her first four starts and broke through in her fifth attempt at this oval in November. Kicking off 2022 with a third against fellow Florida-breds at Gulfsream Mar. 11, she faded to fourth in a similar event 12 days later. Third last out in a FL-bred allowance in Hallandale May 7, she shed the blinkers and was made the 9-5 second choice for this return to the bluegrass. Away in good order from her rail draw, the bay contested the early pace, battling through a :23.78 first quarter. Losing two foes on the backstretch, she battled Rookery (Hard Spun) into the turn, kicking clear in the lane to win by 3 1/4 lengths. Ebony Moment, an unraced daughter of MGSW Ebony Breeze (Belong to Me), is also the dam of the 2-year-old filly Trotting Gear (Girvin) and a 2022 colt by Liam's Map. IT'S GAME KNIGHT (g, 4, Violence--Quite a Knightmare {MSP, $176,092}, by Ascot Knight) was second on debut May 8, closing from off the pace over 5 1/2 furlongs on Woodbine's all-weather track. He stayed closer to the front next time out which resulted in a five-length victory to break his maiden May 29. The 8-5 favorite for his third career start, It's Game Knight rated between horses just after the break, narrowly off of early speed Jibaro (Frosted). After checking mid-turn, he rode the rail into upper stretch and came through an opening against the fence. Rockstar Ro (Gemologist) got the first jump but It's Game Knight battled back and, once clear, gained an advantage to hit the wire three-quarters of a length in front. CASHABLE (f, 4, Will Take Charge--Hidden Assets {GSW, $298,313}, by Mt. Livermore) took three tries to break her maiden, finally doing so on the grass at Colonial Downs when she wired a maiden field Aug. 31. After a nine-month layoff, she returned May 12 on the dirt at Horseshoe Indianapolis, pressing the pace early and just getting up to score by a head against winners over six furlongs. In a similar spot for Thursday's race, Cashable, dispatched at 5-2, pressed the pace outside of Show Me the Best (High Constable) in the opening furlong. She challenged into the far turn and easily overtook the lead, going clear into the stretch and fending off Current Climate (Raison d'Etat) in the final sixteenth to win by three-quarters of a length. Cashable is a half-sister to several stakes performers including: Good Deed (Broken Vox), MSW & GSP, $385,353, Country Day (Speightstown), MSW & MGSP, $503,829, Cash Back (Congrats), MSW, $180,105, Due Date (El Prado {Ire}), MSW & MGSP, $276,788, and Cash Control (Pioneerof the Nile), MGSW, $549,494. SURPRISINGLY (f, 3, Mastery--Vagabond, by Arch) won on debut at Monmouth in September and was a non-factor sixth in Belmont's Tempted S. Nov 5. She was switched to the grass and made a 7-2 chance for her 3-year-old debut Thursday. Clear in mid-pack early, she raced fifth up the backstretch a few paths off the rail. Asked for more halfway around the far turn, Surprisingly began picking off horses from the outside. Five wide turning for home, she kicked clear while switching down the inside and easily drew off to win by 3 1/2 lengths over Infinite Potential (Ire) (Invincible Spirit {Ire}. Out of a half-sister to GSW Great Island (Scat Daddy), Surprisingly hails from the extended family of MGISW Point of Entry (Dynaformer and MGISW Pine Island (Arch). 6th-Charles Town, $34,200, Alw, 6-23, (NW1X), 3yo/up, f/m, 7f, 1:25.95, gd, 1 1/4 lengths.
THE SKY IS FALLING (f, 3, Cupid--Miss Henny Penny {SP}, by Half Ours), off the board in only one career start, won Charles Town's West Virginia Triple Crown Nutrition Breeders' Classic S. Oct. 9 and the Eleanor Casey Memorial S. Oct. 30 before calling it a season as West Virginia's champion 2-year-old filly. Brought back Apr. 22 to be third in allowance company here, she improved off of that effort May 19 when she scored by 2 1/2 lengths over a similar field at this oval. The 5-2 shot settled into third from her inside post past the wire for the first time behind loose leader Unrequited Love (Despite the Odds). Still third up the backstretch and into the far turn, the dark bay began to reel in that early leader, gaining ground along the inside before switching out as she passed Unrequited Love to take the lead. Tweet Away Robin (Khozan) gave chase from second but The Sky Is Falling was clear, winning by 1 1/4 lengths. The winner is a half-sister to Door Buster (Speightster), MSW, $253,928. She has a 2-year-old half-brother named Moon Fall (Tapwrit) and a yearling half-sister named Stowe Fall (Maximus Mischief). Miss Henny Penny produced a filly by Complexity in 2022. INSIGNIA (f, 3, Curlin--Keep the Peace {GISP, $323,553}, by Touch Gold) made a single start for trainer Ronald Moquett, closing for second on her debut May 1 at Oaklawn Park. Switched to Brad Cox's barn since, the 2-5 choice was in no rush out of the gate, racing in seventh through the opening half-mile in :47.88 led by Fine Cotton (Curlin). She began to move into the far turn, going by horses on the outside until she was four wide turning for home. With a furlong to run, Insignia stuck a nose in front and went clear in the final yards to win by 2 1/4 lengths. Forever After All (Connect) just edged out She's Keen (Keen Ice) for second by a nose. Insignia has a yearling half-brother by Quality Road who is her dam's last reported foal. Lifetime Record: 2-1-1-0, $87,460. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

FORT TICONDEROGA (c, 3, War Front--Ballet Pacifica {SW & GSP-Fr, GSP-USA, $120,100}, by Minardi) took nearly a year off since his first and only start where he finished second in an off-the-turf event July 10 at Belmont. Given a 3-1 chance while adding Lasix for this return, the homebred broke in from the gate and had to race in fourth behind pacesetter Growth Capital (War Front) through fractions of :22.86 and :45.65. Three wide into the far turn, he was asked for his move as the field neared the quarter-pole. Under left-handed urging, he gained the lead with a sixteenth to run and won comfortably from there by 1 3/4 lengths. Grown Capital was the best of the rest, taking second another 3 1/4 lengths in front of Most Wanted Man (Frankel {GB}) in the show position. Fort Ticonderoga is a half-brother to Entrechat (Giant's Causeway), GSP, $170,730 and Doswell (Giant's Causeway), GSW, $339,621. He is a full-brother to Secretary At War, SW & GSWP, $452,564. Out of a half-sister to GISW Ariege (Doneraile Court), Fort Ticonderoga has a 2-year-old half-sister named You're The Top (Into Mischief). Ballet Pacifica was bred to War Front and Not This Time in 2022. Lifetime Record: 2-1-1-0, $67,500. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

FROSTED OATS (f, 3, Frosted--More Oats Please, by Smart Strike) failed to fire when last on debut sprinting on the Saratoga main track last July and was third next out going two turns on the grass upstate a month later. Second when cut back in distance on the Belmont main track in September, she finished second again when returning to action in a turf sprint at this oval May 27. Receiving Lasix for the first time here, the chestnut hustled up to contest the pace from post nine, running two wide through a :22.57 opening quarter. Keeping close through a half-mile in :45.81, Frosted Oats ran down leader Hey There (Country Day) in the lane for a head success. The winner is a half to Peace and War (War Front), GISW, $439,667, who sold to Katsumi Yoshida for $1.45 million at the 2016 KEENOV sale. More Oats Please is also responsible for the juvenile filly Spun Oats (Hard Spun) and a 2022 colt by Omaha Beach. Sales history: $250,000 Ylg '20 KEESEP. CHASING DAYLIGHT (f, 3, Mr. Z--Vision in Red, by Mr. Greeley), only given a 9-1 chance for this debut, wasted no time in grabbing the early advantage, leading narrowly with pressure from Mrs. Boomer (Speightstown) to her outside. A length in front entering the far turn, Chasing Daylight repelled a charge from Bavarian Creme (Bayern) in upper stretch and maintained the lead, easily extending her margin in the final sixteenth to win by 4 3/4 lengths. Bavarian Creme held for second. The winner has a 2-year-old half-sister by Sharp Azteca, a yearling half-brother by Get Stormy, and a newborn half-sister by Instagrand. I'M WIDE AWAKE (c, 2, Laoban--Stella Performance, by Trappe Shot) took an awkward step out of the gate, but was quickly into stride and showed good speed from the outside gate to pressure early leader Little Luca (Competitive Edge). He drew even with that rival around the far turn and easily powered away in upper stretch, motoring home much the best to win geared down by 3 1/4 lengths over Ten Cent Town (Redesdale). Stella Performance produced a yearling full-brother to I'm Wide Awake and was bred to Honest Mischief in 2022. RIDING PRETTY (f, 2, Jack Milton--High Renaissance, by Girolamo) broke a step slow and was ridden hard to keep pace with the leading pair of Carats Forever (Sea Wizard) and Baby Cakes (Hoppertunity). Fourth along the inside at the quarter-pole, Riding Pretty came along the rail with plenty of room to spare to assume the lead in the final furlong. Midnight Heiress (Midnight Storm) pressured her to the line, but Riding Pretty held on to win by a half-length at odds of 4-5. The winner is the most recent reported foal from her dam. ALTERNATE ROCK (f, 2, Alternation--Kitzys Rocket, by Parading) was a well beaten third on debut for trainer Francisco D'Angelo and was given a 7-2 chance this time for conditioner Jose D'Angelo. Sporting blinkers in this second attempt, the chestnut pressed from a close-up second through the early stages and charged up to gain a narrow lead as the first quarter went up in :22 flat. Turning for home in front, she was confronted by Nice Baby (The Big Beast) in the lane, but shook free late for a 3/4-length success. The winner's dam did not produce a foal in 2021, but had a Vino Rosso filly named Smooth Claret this year. Sales history: $32,000 Ylg '21 OBSOCT; $99,000 RNA 2yo '22 OBSMAR. TAPIO (c, 2, Blame--Queens Plaza {SW}, by Forestry), off at 8-5 for his first trip to the races, was away in mid-pack from the outside gate, racing three wide into the turn. Behind the pace duel between Chickieness (Blofeld) and Super Rocker (Race Day), Tapio began to get into stride in upper stretch and came rolling down the lane, nailing them both on the line to score by a length. Chickieness got the best of Super Rocker late for second. A full-brother to Queen Caroline, MSW, $401,608, Tapio is from the extended family of champion 2-year-old filly Folklore (Tiznow). Brought back against similar company at odds of 6-1, she initiated contact with Clementine Cutie (Gormley) to her outside shortly after the break and had to be taken back to race sixth early on. Kept off the pace into the turn, she angled out as the field straightened for home and closed past pacesetter Factor That (The Factor) in deep stretch to win by a length. ALL SET FOR DERBY DELIGHT

Tuesday | *Racingfotos*

by Tom Frary

Following a quiet few days in the aftermath of Ascot and Chantilly, things get moving again on Saturday with The Curragh staging one of the most interesting renewals of the G1 Dubai Duty Free Irish Derby for some time. A race that has from time to time in recent years been under the shadow of the European Pattern Committee's guillotine has pulled a trick out of the hat this year to ensure it keeps its exalted status for the immediate future at least.

Aidan O'Brien has come to tick off winners of this Classic with metronomic efficiency and it is that which has played a part-role in discouraging potential raiders, but connections of **Westover (GB)** (Frankel {GB}) are thankfully unwilling to allow historical precedent to sway them from the challenge. Adding an exotic flavour to this edition, the cream of the Rosegreen colts have been left at home with the baton passed to the Oaks heroine **Tuesday (Ire)** (Galileo {Ire}). Just as Balanchine (Storm Bird) conquered the Derby runner-up King's Theatre (Ire) (Sadler's Wells) the last time this scenario came about in 1994, and her predecessor Salsabil (GB) (Sadler's Wells) disposed of the Blue Riband hero Quest For Fame (GB) (Rainbow Quest) four years earlier, so Tuesday looks to quash the colts as her stable goes leftfield in its undimmed quest for Classic glory.

There's Always A First Time

Aidan O'Brien could write the book on how to win the Irish Derby as he chases success number 15, but there is always new ground to break at Rosegreen, and 2022 sees the year that he mixes things up. This is the Classic in which the runaway pacemaker Sovereign (Ire) (Galileo {Ire}) cut loose three years ago, but there will be no surprise outcome supplied by the stable this time, with the filly due to start at short odds and probably as favourite. Tuesday's success in the June 3 Epsom Classic represents strong form and, while there is an argument that Emily Upjohn (GB) (Sea The Stars {Ire}) was unlucky, there was genuine merit in the winner's performance from a compromising draw in one. Tuesday has surprised her trainer all year and has forced her way into this unique situation with her relentless progress both in training and racing.

"At one time, we didn't think she'd make the Guineas, but every week she gets stronger and stronger and we had planned to give her a break after the Oaks, so it's an unusual thing but maybe it's because she's so young," O'Brien said of the irrepressible daughter of Lillie Langtry (Ire) (Danehill Dancer {Ire}). Unlike the trainer, remarkably Ryan Moore has yet to ride the winner of this Classic and will have to be at his tactical best to get Tuesday into a position where she can deliver her dynamite surge. That is no easy task, as he is unconvinced that his mount needs a true stamina test.

"She did exceptionally well to win a strong Oaks last time, even if she probably didn't see out the trip fully," he said in his *Betfair* blog.

Keane And Eager

It is clear why Tuesday, who showed with placings in the 1000 Guineas and the Irish equivalent and with fast splits in the Oaks that she possesses the kind of pace that is dangerous in these types of tests, has no pacemaker alongside her due to the fact that she would thrive if this becomes a test of speed. Whether that happens probably depends on Colin Keane, who has been called up to steer Juddmonte's Derby third Westover around this terrain he has come to dominate as his country's undisputed leading rider. Unlike Tuesday, the colt that may turn out to be the best that Ralph Beckett has trained is more in the freight train mold at a mile and a half and the kind of remorseless galloper well fitted to The Curragh.

"When you look back at the replay of the Derby, he was the horse that caught your eye and usually the Epsom form holds up in the Curragh. A more galloping track might suit him and he looks like a very straightforward horse," his rider said.

Putting the Record Straight

Westover's trouble in running in Epsom's home straight is well-documented, but quite how much that momentum disturbance affected the result of the Blue Riband is an unknown. There is no doubt that it had consequences and adjustments for the G3 Sandown Classic Trial winner's ill fortune there put him close to Desert Crown (GB) (Nathaniel {Ire}), so the ball is in his and Keane's court on an exciting day for Juddmonte who have not been represented in this since 1996.

Westover winning the Classic Trial at Sandown | *Racingfotos*

That year saw the Derby runner-up Dushyantor (Sadler's Wells) finish a disappointing fourth as the 5-4 favourite, three years on from the operation's only winner Commander In Chief (GB) (Dancing Brave).

"He would definitely be entitled to improve a bit and it's great the family are letting us bring him over to Ireland," Juddmonte's Barry Mahon said. "There's a big operation here and for all the staff here who looked after him when he was a yearling and a weanling and broke him in and started riding him before he went over to Ralph Beckett's, they're all excited too."

A Steep Climb

Despite his obvious potential, there is a sense that Flaxman Holdings' imposing **Piz Badile (Ire)** (Ulysses {Ire}) could be one for next year and the G3 Ballysax S. winner's unplaced effort in the Derby shows he is up against it even if he is back on a track that should prove more suitable.

One who is still unexposed is Normandie Stud's Listed Cocked Hat S. scorer **Lionel (GB)** (Lope de Vega {Ire}), but that form is well short of the Epsom standard and he may need further than this mile and a half with his family featuring Duncan (GB) (Dalakhani {Ire}), who dead-heated in the 2011 Irish St Leger here. Since the aforementioned Commander In Chief in 1993, there have been only three British-trained winners showing how hard it is to wrest the prize from the home-trained contingent. Lionel's trainer David Menuisier is habitually optimistic, however.

"In my heart he always was one of the leading contenders, a lot of things are going his way so let's hope for a truly run race and the best horse will win."

Blackbeard Is Back

Away from the Irish Derby, the G2 GAIN Railway S. is the next best thing on Saturday and Ballydoyle supply another workaholic in **Blackbeard (Ire)** (No Nay Never), the first to represent the G2 Coventry S. form. Only fourth and beaten some way out as the 5-2 favourite for that juvenile feature of the Royal meeting, the Listed First Flier S. and G3 Marble Hill S. winner may have had an excuse according to Aidan O'Brien.

"He maybe found the travel a bit funny and was a bit uneasy with it all," he suggested on Friday. Ryan Moore added in his *Betfair* blog, "I'd be inclined to think that was a very strong Coventry this year, so his fourth there was a very good effort."

A short-head second to Blackbeard in the First Flier, Amo Racing's **Crispy Cat (GB)** (Ardad {Ire}) is also asked to back up after Royal Ascot where he was the chief sufferer of the much-discussed interference caused by The Ridler (GB) (Brazen Beau {Aus}) in the Norfolk. **Cont. p5**

Best Of The Rest

Also at The Curragh, the 10-furlong G3 ARM Holding International S. sees last year's Irish 2000 Guineas hero **Mac Swiney (Ire)** (New Approach {Ire}) look for a first win since that highlight as he takes on **'TDN Rising Star' Duke de Sessa (Ire)** (Lope de Vega {Ire}) and Ballydoyle's **Aikhal (Ire)** (Galileo {Ire}) who was thought worthy of a place in last Tuesday's G1 St James's Palace S. Also in that Royal Ascot feature was another **'TDN Rising Star'** in **Wexford Native (Ire)** (Teofilo {Ire}) and, while he was unable to do himself justice there, is likewise out quickly in the card's Listed Dubai Duty Free Celebration S. over a mile.

In Newcastle's G3 Pertemps Network Chipchase S., St Albans Bloodstock's exciting 3-year-old filly **Sense of Duty (GB)** (Showcasing {GB}) holds strong claims following her defeat of the top-class Flotus (Ire) (Starspangledbanner {Aus}) and subsequent listed scorer Benefit (GB) (Acclamation {GB}) in Haydock's Listed Cecil Frail S. May 20. At Newmarket, all eyes will be on Westerberg's exciting **Minnetonka (Ire)** (Kingman {GB}) in a hot-looking Listed Maureen Brittain Memorial Empress Fillies' S. following her seven-length debut win at Salisbury June 12.

NATIONAL STUD DIPLOMA GRADUATION

Edited Press Release

The 2022 Diploma cohort from the National Stud graduated on Friday 24th of June with family, friends and industry guests in attendance at the Joan Westbrook Lecture Theatre.

"This group of students come from a wide variety of backgrounds and are all going onto full time roles within the industry." said CEO Anna Kerr. "It has been one of our busiest seasons to date with a record number of mares covered and the experience they have gained will give them an excellent foundation to build from. Industry recruitment and giving our students the best possible start to their careers is a key focus, and we are continually looking at how we can expand and develop our education programme." National Stud Diploma graduates for 2022

Champion Trainer John Gosden was the key note speaker and shared experiences from the early days of his career in California, he also highlighted the international career opportunities available for those willing to work and learn.

The Tim Dunlop Memorial Award for Top Student was presented to Rosanna Rushworth from Surrey, who is going to join the team at Watership Down Stud for the sales season. "The course covers such a broad spectrum of topics, so you can develop your interests but also build on your weaknesses too. It's great working alongside people like Rob who have worked in Australia, as you learn from them too."

The Watership Down Stud Best Practical Award was presented this year to Rob Moss from Wigan. Rob is also the recipient of the Sandra Llyod Memorial Scholarship sponsored by Far Westfield Farm. He is now travelling to Kentucky for a sales season with Taylor Made. "The short term aim is to keep on travelling and learning from other people, so I'm grateful for this opportunity." said Rob. "I've already seen different ways of doing things to achieve the same success at Eureka Stud and the National Stud, so I'm looking forward to seeing how they do it at Taylor Made. I'd also like to gain experience of how things are done in a training yard at some point, but I see myself working on studs in the long term."

The Alborada Trust Most Improved Student is awarded to the individual that has made the greatest and most consistent progress throughout the course. This was awarded to Shona Murphy from Kildare who is going on to join the marketing team at Darley.

The John Pearce Foundation Award of Merit was won by Jonathan Smith. This prize is given to the student who demonstrated a commitment to a career in the breeding industry. Jonathan is going to be doing the sales season with Whitsbury Manor before taking up a position with WinStar in Kentucky.

Each year the Gerald Leigh Trust award a bursary for professional development--this year it proved too difficult to split the candidates and so two bursaries were generously awarded to Rob Moss and Dylan Williams.

Jamie Smith from Bolton is going straight from the National Stud onto the Godolphin Flying Start. "The course is amazing," says Jamie. "The lecture program is second to none and I've not missed one. It's not just about the opportunities, I feel I've learned as much from other students in the same way they think they've learned from me about racing."

Applications for the 2023 Diploma course are now open, contact students@nationalstud.co.uk for more information.

CAMORRA TAKES THE CURRAGH CUP

Struggling for form after his win in Leopardstown's G3 Kilternan S. on Irish Champions Day in September, **Camorra (Ire)** (Zoffany {Ire}) bounced back on Friday evening to win the G2 Comer Group International Curragh Cup. Sent off at 10-1, Sean Jones, David Spratt and Lynne Lyons's bay was settled in third early by Colin Keane as **Gear Up (Ire)** (Teofilo {Ire}) and **Wordsworth (Ire)** (Galileo {Ire}) made it a true test. Coming home strong to overhaul the former at the furlong pole, the son of the GI Beverly D S. heroine Mauralakana (Fr) (Muhtathir {GB}) asserted to prevail by a length.

"We love this horse and he's one of the yard favourites," trainer Ger Lyons said. "He's gorgeous physically, he has really matured but he's no good without blinkers. He surprised us when he won on Champions Weekend on top of the ground, because we always thought he was a soft-ground horse. We were sort of protecting him with the Ebor in mind and then this came around. The first text I got was from David Spratt and it said 'Melbourne Cup', so we'll tell him to get his visa sorted."

Camorra is the last foal and sole black-type performer out of the aforementioned Mauralakana, who also captured the GII New York S. and GII Sheepshead Bay H. among others. Fitting with the Melbourne Cup aspirations, this is a family of international achievers with the G1 Hong Kong Cup, G2 Dubai Duty Free and G2 Hong Kong International Bowl winner Jim and Tonic (Fr) (Double Bed {Fr}) featuring alongside the GI Breeders' Cup Filly and Mare Turf heroine Audarya (Fr) (Wootton Bassett {GB}). **Cont. p8**

POPTRONIC PREVAILS IN THE HOPPINGS

Friday's G3 Jenningsbet Hoppings Fillies S. at Newcastle represented one of the early skirmishes between the Classic generation and the older fillies and mares and it boiled down to a battle between two members of the former category with **Poptronic (GB)** (Nathaniel {Ire}) emerging on top of **Rogue Millennium (Ire)** (Dubawi {Ire}). Pitched into this by Karl Burke on the back of a five-length novice success over nearly 11 furlongs at Ripon at the start of the month, David and Yvonne Blunt's homebred looked to be doing too much early with Sam James keen to restrain her behind the pace. Keeping enough in reserve for the pursuit of fellow 3-year-old Rogue Millennium in the straight, the 8-1 shot gained the advantage at the furlong pole and stayed on to score by a length.

Poptronic, who was also successful on Wolverhampton's Tapeta over an extended mile in late December, has a big date on her dance card now. "We talked about the Yorkshire Oaks at the Ebor meeting, so I would imagine that will be her target if she was good enough," Burke said. "She obviously proved herself good enough today to have a go at it. They went pretty steady early, but we didn't really want to make it with her. She is a bit keen, but Sam said she looks a bit keener than she actually is. He said she wasn't too bad, but swings her head around a little bit. It was a great performance and she is obviously a filly on the up."

The dam Alpine Dream (Ire) (Dream Ahead), a daughter of the G2 Lowther S. winner Infamous Angel (GB) (Exceed and Excel {Aus}) connected to the G3 Hotham S. runner-up Mankayan (Ire) (Intello {Ger}). Her unraced 2-year-old filly is by Brazen Beau (Aus).

MLLE CHANEL (GB) (f, 2, Bobby's Kitten--Miss Cap Ferrat {GB}, by Darshaan {GB}), sent off the 11-4 second favourite in this four-runner affair, raced behind the leading duo early. Green throughout, the homebred stayed in touch and her finishing effort was enough to overhaul Mystical Applause (GB) (Aclaim {Ire}) and score by a head. The winner is the last known foal out of the dam, whose three black-type performers are the Danish listed scorer St Jean Cap Ferrat (GB) (Domedriver {Ire}), the Listed Gillies Fillies S. winner Miss Cap Estel (GB) (Hernando {Fr}) and the Listed Blue Riband Trial runner-up Cap Francais (GB) (Frankel {GB}). The Listed Lupe S.-winning and G2 Sun Chariot S. and G2 Nassau S.-placed second dam Miss Beaulieu (Ire) (Northfields) is also the ancestress of the smart stayer St Michel (GB) (Sea the Stars {Ire}) who was placed in the G2 Lonsdale Cup and GIII Belmont Gold Cup Invitational S. Nudged along soon after passing the three-furlong marker, the 40-1 outsider was ridden to go third entering the final furlong and kept on well to deny Courageous Knight (GB) (Dubawi {Ire}) by a neck in the dying strides, becoming the fifth winner for his freshman sire (by Kodiac {GB}). Forca Timao is the second of three foals and first scorer out of a winning half-sister to Listed Dragon S. victor Riflescope (Ire) (Raven's Pass). PURE DIGNITY (GB) (f, 3, Dubawi {Ire}--Starlet's Sister {Ire}, by Galileo {Ire}), a half-sister to the G1 Prix de l'Arc de Triomphe, G1 Prix du Jockey Club and G1 Prix Ganay hero Sottsass (Fr) (Siyouni {Fr}) who at €2.5million topped the Arqana Deauville September Yearling Sale, was settled behind the leader Light of Peace (Ire) (Dubawi {Ire}).

Briefly left behind as that 1-2 market-leader surged on approaching the final furlong, the 11-4 second favourite chased hard and gained her reward in the last half a furlong en route to a length success. "She's a lovely filly and we've liked her for a long time, but we haven't had the smoothest of runs with her at home and so I'm delighted that her owners have been so patient," trainer Roger Varian said. "She has really clicked into gear nicely in the last few weeks and I'm sure she'll come on a bundle for this run and has a bright future. It was a funny race--they went slow and then sprinted for three or four furlongs to the line, so it shows what a nice prospect she is. She will maybe have another run at a mile, as she needs more experience before moving up to ten furlongs." Along with the multiple champion Sottsass, MG1SW-Fr, $4,166,375, the dam is also responsible for Sistercharlie (Ire) (Myboycharlie {Ire}), the champion turf female who captured the GI Breeders' Cup Filly and Mare Turf, two renewals of the GI Beverly D. S. and GI Diana S., the GI Flower Bowl S. and GI Jenny Wiley S., MGISW-US, GSW & G1SP-Fr, $3,786,003; and the G3 Prix Bertrand de Tarragon and dual GIII Waya S. winner and Breeders' Cup Filly and Mare Turf runner-up My Sister Nat (Fr) (Acclamation {GB}), MGSW & MGISP-US, GSW-Fr, $1,165,672. GAIN IT (GB) (f, 2, De Treville {GB}--Gagarina {Ire}, by Galileo {Ire}) tracked the pace in third for most of this debut. Caught in traffic in the straight, the 53-10 chance was shaken up to seize an opening along the far-side rail approaching the final furlong and kept on well once gaining an edge with 100 metres remaining to deny Valdikhova (Fr) (Starspangledbanner {Aus}) by a length. Gain It is the latest of five foals and third scorer produced by a winning half-sister to GII San Clemente H. and GII Honeymoon Breeders' Cup H. victrix Altima (GB) (Zafonic) and G3 Prix des Chenes second San Domenico (GB) (Zamindar). The April-foaled bay is a full-sister to Listed Prix Volterra runner-up Gregarina (Fr). She is the fifth winner from two crops to race for her sire (by Oasis Dream {GB} x Dar Re Mi {GB}). BOLSHKINOV (FR) (c, 2, Camacho {GB}--Gonzeville {Fr}, by Le Havre {Ire}) broke well and gained an early lead in this first go. Holding sway throughout, the 63-10 chance was shaken up to go clear inside the quarter-mile marker and kept on well under continued coaxing in the latter stages to easily account for Grand Fetard (Ire) (Starspangledbanner {Aus}) by 4 1/2 lengths. He is the latest of two foals and first winner out of a half-sister to G1 Poule d'Essai des Pouliches heroine Teppal (Fr) (Camacho {GB}) and four-time Group 3 placegetter Another Party (Fr) (Pomellato {Ger}). PLESANT JANE (FR) (f, 3, Pivotal {GB}--Jane The Star {GB}, by Sea The Stars {Ire}) occupied a midfield position for most of this newcomers' test. SLAN ABHAILE (IRE) (f, 2, Territories {Ire}--Jazzy Belle {Ire}, by Caradak {Ire}) broke in rear and remained there through the initial stages of this debut. Making smooth headway from halfway, the 11-1 chance weaved a passage to the outside approaching the furlong pole and quickened smartly inside the final 150 yards to win going away by 1 1/4 lengths from Victoria

Road (Ire) (Saxon Warrior {Jpn}). "She's very immature and we've given her as much time as we possibly could," explained trainer Ger Lyons. "She's a nice filly, she showed plenty of speed and Colin [Keane] was impressed with her. He hasn't ridden her much at home, so he was pleasantly surprised. I asked Colin if he'd lost his sat-nav because he was all over the shop. She was still green pulling up and she'll improve plenty for it." Slan Abhaile, half-sister to a yearling filly by Expert Eye (GB), is the second of three foals and first scorer out of an unraced half-sister to Listed Star Shoot S. victrix Ancient Goddess (Fr) (Iffraaj {GB}). The March-foaled bay's stakes-winning second dam Jezebel (GB) (Owington {GB}), who ran third in the G3 Prix de Seine-et-Oise, is the leading performer out of Listed Criterium du Bequet winner Just Ice (GB) (Polar Falcon). NEVER ENDING STORY (IRE) (f, 2, Dubawi {Ire}--Athena {Ire} {GISW-US, G1SP-Ire & SP-Eng, $732,859}, by Camelot {GB}), posted a May 22 debut third, behind G2 Airlie Stud S.-bound Zarinsk (GB) (Kodiac {GB}), going six furlongs here last time and was alert from the gates to race in a close-up second from the outset of a contest in which stablemate Tuesday (Ire) (Galileo {Ire}) ran second to Discoveries (Ire) (Mastercraftsman {Ire}) last year. Nudged along to gain a narrow advantage passing the quarter-mile marker, the 8-11 favourite quickened smartly to poach a decisive lead entering the final furlong and was ridden out to hold the late rush of Sandy Creek (Ire) (Frankel {GB}) by 1 1/4 lengths. "She had a lovely run the first day and, stepping up to seven today, she was very happy and I'm delighted," said Aidan O'Brien. "They went steady enough and Ryan [Moore] was delighted with her. Dean [Gallagher] rides her out every day at home and he felt that she had really come forward. She's a lovely filly and a lovely cruiser. She quickens well and I think she'll be much better with a lead. She's still a baby and I'd say we'll probably stay at seven [furlongs] now." Never Ending Story, full-sister to a yearling colt, is the first of two foals out of GI Belmont Oaks Invitational victrix Athena (Ire) (Camelot {GB}), herself kin to five black-type performers headed by G1 Irish Oaks heroine Bracelet (Ire) (Montjeu {Ire}). The February-foaled bay's second dam Cherry Hinton (GB) (Green Desert) ran second in the G3 Blue Wind S. and is a daughter of G1 Prix de l'Arc de Triomphe-winning blue hen Urban Sea (Miswaki). WORLDWIDE NEWS

ALL-STAR CAST FOR TAKARAZUKA KINEN

by Alan Carasso

Efforia | JRA *photo*

Hanshin Racecourse is the site of Sunday's fan-voted G1 Takarazuka Kinen over the metric 11-furlong trip, with the winner earning a fees-paid berth in the GI Longines Breeders' Cup Turf at Keeneland Race Course the first weekend of November. And with scarcely an exception, 18 of Japan's best middle-distance horses--with formlines from all over the world--are set to face the starter.

A logical case can be made for perhaps as many as nine runners Sunday afternoon, including reigning Horse of the Year **Efforia (Jpn)** (Epiphaneia {Jpn}), who looks to bounce back from a lacklustre ninth as the $1.50 (1-2) favourite when making his 4-year-old debut in the G1 Osaka Hai at this venue back in April. In finishing four lengths adrift of the upset-minded **Potager (Jpn)** (Deep Impact {Jpn}), the Carrot Farm colourbearer was suffering the second defeat of his career, the first coming when pipped by this year's G1 Longines Dubai Sheema Classic hero Shahryar (Jpn) (Deep Impact {Jpn}) in the 2021 G1 Tokyo Yushun. Blinkers go on and his latest fast work--with the new equipment--made something of a statement.

"His preparation has gone well, and he's probably in better shape than he was for his last race," said trainer Yuichi Shikato. "He has been more switched on wearing blinkers in training, and running in between two other horses. It was too bad about his last race, so I want to see the real Efforia this time, and hope that he can show what a talented horse he is and give his best showing in the race."

Leaving votegetter **Titleholder (Jpn)** (Duramente {Jpn}) (by a shade less than 3000 votes over Efforia) made all when winning last year's G1 Kikuka Sho (Japanese St Leger) by five lengths and, since finishing fifth to Efforia in the G1 Arima Kinen in December, led throughout to win the G2 Nikkei Sho (2500m) in March and the 3200-metre G1 Tenno Sho (Spring) May 1, where he had the talented G2 Qatar Prix Foy hero **Deep Bond (Jpn)** (Kizuna {Jpn}) some seven lengths behind in second. Titleholder's pint-sized older half-sister **Melody Lane (Jpn)** (Orfevre {Jpn}) is one of three females in Sunday's test.

Two graduates of this year's Dubai World Cup program could make things tough up front for Titleholder. **Authority (Jpn)** (Orfevre {Jpn}) was one of four winners for Christophe Lemaire on Saudi Cup night when leading them a merry chase in the G3 Neom Turf Cup over an extended 10 furlongs and set the pace in the Sheema before being overhauled late by Shahryar and the fast-finishing Yibir (GB) (Dubawi {Ire}). **Panthalassa (Jpn)** (Lord Kanaloa {Jpn}) took his rivals past every pole to annex the G2 Nakayama Kinen (1800m) by 2 1/2 lengths Feb. 27 and most recently shared the spoils with Lord North (Ire) (Dubawi {Ire}) in the G1 Dubai Turf. The 5-year-old is a bit of a question mark at Hanshin and over this distance.

Stay Foolish (Jpn) (Stay Gold {Jpn}) is another with imposing Middle East form, having accounted for Sonnyboyliston (Ire) (Power {GB}) in the G3 Longines Red Sea Cup in Riyadh in February before repeating the dose--albeit from slightly off the speed--in the G2 Dubai Gold Cup at Meydan Mar. 26.

Also not without a chance are the consistent **Hishi Iguazu (Jpn)** (Heart's Cry {Jpn}), second to Loves Only You (Jpn) (Deep Impact {Jpn}) in December's G1 Longines Hong Kong Cup and a running-on fourth in the Osaka Hai; and 2020 Filly Triple Crown heroine **Daring Tact (Jpn)** (Epiphaneia {Jpn}), who was a respectable sixth to multiple champion Sodashi (Jpn) (Kurofune) first off a 15-month absence in last month's G1 Victoria Mile.

BAGGY GREEN BRINGS NZ$1.75 MILLION ON GAVELHOUSE

Baggy Green | *Gavelhouse*

by Lydia Symonds

Another Valachi Downs chapter came to a close on Friday night, as Kevin and Jo Hickman's New Zealand-based nursery completed another facet of their dispersal when they sold 51 broodmares via Gavelhouse Plus for over NZ$6 million.

Valachi Downs' General Manager, Gareth Downey told *TDN AusNZ* that he was pleased with the results and described his emotions as 'mixed' following the conclusion of the auction, which followed on from the New Zealand National Sale at Karaka last week where the farm dispersed its weanling stock.

"It's been an emotional and stressful time," Downey explained. "It is a very demanding process conducting a dispersal Sale and it has required huge energy and investment from the team, so we are pretty exhausted.

"It is emotional because it is sad to see Valachi ending and it is very sad to to say goodbye to all these broodmares we have worked so closely with, but at the same time you can't help but have a sense of celebration that the Sale has gone as well as it has, you feel like your effort has been rewarded.

"But you also feel proud that Kevin's investment, work, passion and commitment to the industry in the shape of this broodmare band has been appreciated in the way we had hoped it had been and gives us a huge sense of satisfaction."

Amazing Mare...

As expected, the high-class producer Baggy Green (Galileo {Ire}) was the headline act of the dispersal, which was conducted via Gavelhouse Plus on Friday, with the Written Tycoon Syndicate securing the daughter of Galileo (Ire) for NZ$1.75 million.

Baggy Green is famed for being the dam of multiple Group 1 winner Tofane (NZ) (Ocean Park {NZ}) and a half-sister to both Funstar (Adelaide {Ire}) and Youngstar (High Chaparral {Ire}) and she was offered carrying a sibling to Mike Moroney's star mare.

Tofane herself made headlines once again last month when she sold to Yulong's Written Tycoon Syndicate for $3.1 million at the Magic Millions National Sale and before becoming a full-time mother, the mare will get her chance to add another Group 1 to her CV early in the spring.

However, while Baggy Green's most famous produce is Tofane, she is also the dam of No Compromise (NZ) (Pins), won the G3 ATC Queen's Cup this year, while Benaud (NZ) (Reliable Man {GB}), was second in the G1 Australian Derby at Randwick, finishing 0.36l adrift of Hitotsu (Maurice {Jpn}).

Baggy Green was bought for Valachi Downs from Gordon Cunningham of Curraghmore, who paid just $23,000 for her as a breeding option at the 2013 Inglis Sydney Weanling and Broodmare Sale and Downey said the NZ$1.75 million she turned over on Friday exceeded their lofty expectations.

"You feel bad referring to a mare as a 'collector's item', but in a thoroughbred sense she really is because mares like this do not come to the market very often or at all," explained Downey. "There was really no way of valuing her, because we know that everyone in the industry would love to own her and it just came down to who was still standing at the end of the bidding.

"Whoever has bought her has got themselves an amazing mare. The price probably exceeded our expectations, but at the same time we probably expected our expectations to be exceeded, because she is just such a unique mare. If I was the purchaser I would now be celebrating the fact that I own an amazing mare carrying a full sister or brother to Tofane."

Bohemian Lily Brings NZ$680,000...

Meanwhile, Group 2 winner Bohemian Lily (NZ) (O'Reilly {NZ}) was sure to garner plenty of attention after her Savabeel colt topped the New Zealand Bloodstock (NZB) National Weanling Sale last Friday when selling for a record-breaking NZ$360,000 and on Friday the mare herself was purchased by Yulong for NZ$680,000.

Bohemian Lily won the 2015 G2 Doomben Roses and Listed Gold Coast Bracelet, while she was also placed in the G3 Colin Stephen H. and G2 Moonee Valley Cup, and is a sister to the Australian Champion filly Shamrocker (NZ) (O'Reilly {NZ}), plus a half-sister to the G1 Auckland Cup winner Rock Diva (NZ) (Lucky Unicorn).

Bohemian Lily | *Gavelhouse*

The daughter of O'Reilly (NZ) has already showed her aptitude for producing, having foaled Lily's Lady (NZ) (Contributer {Ire}), runner-up in the G2 Royal S. and she was offered in foal to Waikato's multiple Champion Sire Savabeel, who has proven time and time again his potency when crossed with mares of O'Reilly, with the nick producing 23 stakes, spearheaded by seven Group 1 winners.

"I think she certainly deserved that price and I think the buyer will feel she was well bought at that. That family is so reliable and she is the standout member of that family," said Downey.

"To be a Group 2 winner and early in her career she has already left a stakes-placed horse and her weanling sold last week for NZ$360,000 and she's in foal to Savabeel, it's very hard to see how you can go too far wrong buying a mare like that."

The sale also included eight stallion shares and they all sold for undisclosed figures. The catalogue for Valachi Downs' Unreserved Young and Racing Stock Dispersal will be launched on Gavelhouse Plus on Saturday.
