**RECORD-SETTING KEENELAND SEPTEMBER SALE STRONG TO THE END**

by Jessica Martini

The Keeneland September Yearling Sale, which surpassed $400-million in gross sales for the first time in its history, concluded Saturday with new records, not just for turnover, but also for average and median and with 30 seven-figure yearlings doubling the number from the 2021 auction.

Keeneland sold a total of 2,847 yearlings through the ring for $405,495,700 during the 12-day auction, surpassing the previous record of $399,791,800 set during the 2006 September sale. The cumulative average and median prices surpassed September sale records set last year, with the average price of $142,429 up 7.83% from 2021 and the median up 7.69% from $65,000 to $70,000.

“This sale went beyond our expectations and reflects the energy and excitement in racing right now,” said Keeneland President and CEO Shannon Arvin. “We are grateful to our consignors, sellers and buyers for their support of Keeneland and the September sale. And a special thanks to the breeders. We appreciate how much hard work goes into breeding and raising quality horses, and we are very happy they were rewarded for their efforts through the ring.”

The Keeneland sales team was focused on starting off the September sale with a power-packed Book 1 and the elite section delivered right from the first hip through the ring. See p3

**GUN RUNNER TRAIN ROLLS INTO PARX**

Gun Runner may have only been second in the 2016 GI Pennsylvania Derby at Parx in suburban Philadelphia, but his first-crop 3-year-olds accounted for both of Saturday’s Grade I events, with ‘TDN Rising Star’ Taiba shooting clear in the final furlong to defeat Classic-placed Zandon (Upstart) in the $1-million betPARX Pennsylvania Derby and GI TVG.com Haskell S. hero Cyberknife (Gun Runner), while Society led them on a merry chase in the filly counterpart, the Cotillion S., where she had GI Longines Kentucky Oaks heroine Secret Oath (Arrogate) nearly eight lengths back in third.

The latter gives Gun Runner a remarkable sixth Grade I winner from 64 winners overall. Society was becoming his fourth Grade I-winning 3-year-old this season, all going a distance of ground, and a number that had already included Taiba (Runhappy Santa Anita Derby), Cyberknife and Early Voting, who became his first Classic winner in the Preakness S. “The very first hip bringing $850,000 set the tone,” Keeneland Vice President of Sales Tony Lacy said. “That first day was incredible. We really leaned into getting Book 1 solidified by listening to our buyers and our clients. This was something we needed to reestablish to make sure we had the quality forward. It really worked. The buyers appreciated it. There was almost a sense of euphoria around the grounds for a number of days and it carried all the way through the sale.”

The two-day Book 1 section produced gross sales of $113,660,000—a 25.42% increase over 2021—and included 96 horses who sold for $500,000 or more, up from 43 last year. The two-day Book 1 clearance rate jumped from 65% in 2021 to 78% this year.

Keeneland Director of Sales Operations’ Cormac Breathnach credited the sales strong results to a quality group of horses and a diverse buying bench.

“The catalogue is only as good as the support the breeders give you,” Breathnach said. “And there was a very good crop of yearlings that has been bred here and nationally and that’s a credit to the breeders and to the sellers who have presented them so well. We were really well supported. And also by the buying base, domestically and internationally, all the way through the book. If you look at the activity of the likes of St. Elias and several of our leading trainers in the last few days, it just shows the hunger for racehorses is there and we are proud of what we were able to present and very pleased with the results and happy for all of our clients.”

The 12-day September sale attracted a deep buying bench dominated largely by domestic buyers and, by the close of business Saturday, 88 different buyers had spent $1 million or more. The 30 million-dollar yearlings were purchased by nineteen different buying entities. Cont. p4
KEESEP Wrap cont.

“If you look at the number of people who bought at that [million-dollar] level, the numbers are spread across quite a large number of buyers,” said Lacy. “In the past, we were very reliant on some of the bigger entities to support those million-dollar plus purchases. I think what you saw this year, and somewhat last year, was a broad buyer base that supported that level of the market. For us, that was extremely encouraging. There were some newer players, some very established people. But the diversity of the market was very encouraging.”

For the second year in a row, the partnership of Talla Racing, Woodford Racing and West Point Thoroughbreds made the biggest purchase of the September sale. The group, which purchased a $1.7-million son of City of Light to top the 2021 auction, was forced to $2.5 million to acquire a colt by that stallion’s sire, Quality Road, to top the 2022 sale.

The sale-topper was consigned by Stonehaven Steadings, which sold 19 horses for $8,283,000.

“It’s been a tremendous market,” Stonehaven Steading’s Aidan O’Meara said. “We had a phenomenal run ourselves, but everybody across the board has had some seriously nice trading. It’s a huge turnaround from a couple of years ago at the height of COVID and we were all fretting about what was going to unfold in that scenario. To see the turnaround in such a short period of time has been phenomenal.”

Repole, Viola Repeat as Leading Buyers

The partnership of Mike Repole’s Repole Stable and Vinnie Viola’s St. Elias Stable repeated as the September sale’s leading buyer, with 31 yearlings purchased for $12,840,000, while Repole, who was seated in the pavilion for much of the first half of the sale, was, individually, the auction’s fourth highest buyer, acquiring 27 yearlings for $7,940,000. “With Mike Repole and Vinnie Viola, we bought a lot of horses and that was their game plan coming in,” said bloodstock agent Jacob West, who was active for the leading partnership as well as several other clients. “The plan was to really go after what we deemed quality and give ourselves a chance to win the big Saturday races. All in all, you sound like a broken record, but good horses always sell well. And that’s what I saw in the market.”

Won’t You Be My Partner?

Partnerships continued to play a major part in the marketplace, with the stallion-making team of SF Racing, Starlight Racing and Madaket Stables purchasing 21 yearlings for $12,825,000 to be the second leading buyers for the second straight year. Also in the market for potential future stallions, the BSW/Crow Colts Group teamed with Spendthrift and Gandharvi to buy 10 colts for $4,290,000. “It’s massive,” Lacy said of the impact partnerships have had on the market. “It’s obviously a huge investment for anybody and any individual, so to spread that investment over a number of horses increases your opportunity to gain and be part of a good individual or a good program. We all enjoy sharing success and I think that’s where people are starting to realize this is something that is actually fun. I think coming out of the pandemic, you see a lot more people who have an appreciation of the sport and want to be involved in it. It’s a great way to let people in without the high-risk investment if they were doing it alone or in a small partnership. I think this is here to stay for quite a while. I am excited about what it can do for our industry in general over the next 10-20 years.”

Other major players to team up for the top 30 lots included Winchell Thoroughbreds and Three Chimneys; Whisper Hill Farm and Three Chimneys; John Oxley, M.V. Magnier and Breeze Easy; Repole, St. Elias and West Point; and M.V. Magnier and Mike Repole.

“When you can diversify your portfolio and invest your money into multiple horses, you just give yourself a better chance to buy more quality products,” West said. “You give yourself a better chance of hitting a home run. People have realized the inherent risk that goes along with this game is very high. It’s high risk, high reward, so if you can get involved in a partnership and diversify and lower your exposure, it makes all the more sense for people.” Cont. p6
West Buying And Selling

West, along with Jill Gordon, had the first September consignment of his Highgate this year, allowing the prolific buyer to appreciate the other side of the auction ledger.

"With Highgate now, I can see both sides of it," West said. "And if I am being honest, there were some surprises, both good and bad. Some horses exceeded our expectations and then some horses didn’t meet our expectations, but it seemed like the ones that exceeded our expectations really over-exceeded our expectations. So it seemed like, if you were deemed by the public as having a quality product, you got rewarded. Which is always good for the breeders."

West said the September results reflect an overall positive attitude in the industry.

“I think, quite frankly, there is confidence in our business and in our industry,” West said. “Whether you want to say that’s from the purse structures that we have or even what some of these stallion prospects have been selling for once they retire, or the money some of the top horses are making, or a little bit of it may be that people have some belief that we are playing on a more level playing field with HISA coming into play.”

West continued, “The other thing, too, that I don’t think a lot of people give credit for, whether FOX Sports or TVG, I think we’ve done an incredible job of promoting our business. During COVID, we were the only show in town and I thought a lot of people were very interested. Every year it seems the handle keeps growing. There are still some bumps in the road, but overall, I think we have a quality product that appeals to a lot of people. There are new partnerships forming–it seems like whether it’s West Point or Eclipse Thoroughbred or whatever syndicate group–they always seem stronger buying at...
the top end because they have more people investing with them. And I think a lot of that has to do with the marketing that TVG, and especially FOX Sports, have done with NYRA and Churchill and those type of tracks that they are covering.”

Japanese Buyers Fight Exchange Rate

While facing a less favorable exchange rate than in previous years, Japanese buyers were still active at the Keeneland sale. “There were 10 groups from Japan here for the sale,” Lacy said. “That’s the busiest they’ve been at a September Sale in a long, long time.”

Hideyuki Mori led the way among Japanese buyers, joining the seven-figure parade with the $1.2-million purchase of a half-brother to Triple Crown winner Justify. Mori purchased five yearlings for a total of $2,545,000.

“We are very aware of the factors that are at play, with the currency exchanges being a major part of that,” Lacy said. “That was what was so encouraging that, even with the yen at a 35-year low against the dollar, Japanese buyers were very active. They probably couldn’t swing as hard as they could have in a more favorable market for them, but they did see the value in what they were buying. And I think that’s incredibly important. Our breeders here breed a high-quality horse that is very appealing to the international market. It just goes to show, when the currency exchanges start swinging back in their favor, I think the international markets will be even more prevalent.” Cont. p8
A September to Remember

Thank you for a record-breaking September Yearling Sale.

As we conclude the highest-grossing auction in Keeneland history, we’d like to express a sincere thank you to our community of horsemen and horsewomen. We are proud to work with you year after year to elevate this industry and the sport we all love. This incredible milestone is one we should all celebrate.

Your enthusiasm for the Thoroughbred, support for the sale, and participation at all levels of the market makes our industry stronger.

On behalf of our entire team, thank you for your steadfast support of Keeneland.
Demand continued into the second week of the 12-day auction, with leading buyers like St. Elias Stable, which purchased the top lots during the sale’s 10th and 11th sessions, joined by international buyers from Argentina, Azerbaijan, Chile, China, Ireland, Kazakhstan, Korea, Mexico, Panama and Saudi Arabia.

“It’s an incredible market. The rate of sales is amazing,” said Pat Costello of Paramount Sales, which sold 136 horses for $20,448,500. “There is depth to the market. The top-end guys kept buying back into other books [beyond Books 1 and 2] and that has driven people back into these books [5 and 6]. One of the things driving the market is the shortage of horses.”

In Books 4-6, the clearance rate never fell below 82%. During the ninth session Wednesday, a Keeneland record 329 horses sold through the ring in a single session.

“It’s been a strong sale across the board, and it’s amazing it has held up so well and above last year,” said Marc McLean of Crestwood Farm, which sold seven-figure horses for the first time, a Gun Runner colt and a Quality Road colt, each for $1.05 million. “There has been a good floor, which is nice for the horses that aren’t the stars. It had great depth. That’s a healthy market to me. We had quite a few standouts in each session. It’s nice to have horses that are the more elite of the day. It’s such a great feeling for us and the owners and breeders and the whole farm staff to have something that you feel will stand out. We’re in Book 6, and we’re busier than we ever dreamed we’d be.”

Taylor Made on Top Again

Taylor Made Sales Agency led all consignors at the September sale for the eighth consecutive year and the 24th year since 1988. Taylor Made sold 273 yearlings for $38,969,000, including three seven-figure colts by Constitution ($1.8 million), Quality Road ($1.15 million) and Into Mischief ($1 million).

Gainesway was second in total sales, followed by Paramount Sales, Lane’s End Farm, Denali Stud, Eaton Sales, Woods Edge Farm, Hill ‘n’ Dale Sales Agency and Machmer Hall Thoroughbreds.

Lane’s End Farm’s Quality Road was responsible for seven of the 30 seven-figure yearlings and he was bettered in that category only by Spendthrift Farm’s Into Mischief, who had eight. Three Chimneys’ Gun Runner had five million-dollar yearlings, while Curlin had three. Justify, Constitution and City of Light each had two, while Tapit had one.

For the third straight year, Into Mischief was the leading sire by gross, with 58 yearlings selling for $30,495,000. Omaha Beach was the leading first-crop sire with 59 yearlings grossing $12,667,000 for an average of $214,695. He was followed in that category by Audible, who had 66 yearlings sell for $10,609,000 for an average of $160,742.

English Channel Filly Tops Keeneland Finale

A filly by English Channel (hip 4108) brought a final bid of $115,000 from Tracy Farmer to top the final session of the September sale Saturday. Bred by Calumet Farm and consigned by Buckland Sales, the yearling is out of In Dy Ritz (A.P. Indy) and is a full-sister to stakes winner and multiple graded placed Ritzy A. P.

In all, 184 yearlings sold Saturday for a gross of $2,518,000. The session average was $13,685 and the median was $8,000. There was no corresponding session a year ago.

'IMPROVING' TAIBA RUNS AWAY IN PENNSYLVANIA DERBY by Alan Carasso

If the GI Kentucky Derby all came a bit too soon for 'TDN Rising Star' Taiba (c, 3, Gun Runner--Needmore Flattery, by Flatter), Saturday's GI betPARX Pennsylvania Derby showed that he is close to—or is already—the finished project, enjoying the run of the race in before shooting clear in the stretch to defeat Kentucky Derby third Zandon (Upstart) by three solid lengths.

Cyberknife (Gun Runner), who got the better trip and the better of a final-furlong tussle with Taiba in the GI TVG.com Haskell S. earlier this summer, outfinished Simplification (Not This Time) for third.

"Gun Runner is an unbelievable sire and this guy looks more like Gun Runner than a lot of them," said trainer Bob Baffert, winning his fourth Pennsylvania Derrby. "I was just so excited watching it. I was not loving it on the backside, but once he tipped out it was like, ‘Wow! Look at this guy!’ We have such a great team and to get rewarded with a win like this makes it all worth it. Fantastic."

Ridden for speed by Mike Smith, in the irons for the Derby victories of the Baffert-trained West Coast (Flatter) in 2017 and McKinzie (Street Sense) the following year, Taiba dueled early on with White Abarrio (Race Day) through an opening quarter in :23.27, but when it was clear that the latter was going to make the lead at all costs, the chestnut was eased back into a ground-saving fourth from close up. Simplification and 'Rising Star' We The People (Constitution) added some fuel to the pace fire, but Taiba continued to travel well behind the first flight of runners while being asked a bit rounding the far turn.

Angled out sharply around Simplification in upper stretch, Taiba hit the front outside the eighth pole and was punched out mostly hands and heels to hit the line a clear-cut winner.

Zandon sat an inside trip beneath Joel Rosario and made steady progress up the inside, but could not reach the winner. Cyberknife looked to exchange bumps with We The People while launching his own bid and was up in the final jump for third.

While GI Runhappy Travers S. winner Epicenter (Not This Time) is the head of the 3-year-old class, Baffert was subtly making the case for Taiba post-race. The colt does hold the distinction of being one of two members of the group to have won multiple Grade Is going long this season. Jack Christopher is a two-time winner at the top-level around one turn.

"You want to be the best 3-year-old," the conditioner said. "This was the spot that puts him right there. He is just a tough horse. He is powerful. He is a heavily muscled horse and you would not think he would run this far. He has speed but he will sit behind horses. He comes running and he is just a fighter."

A $170,000 purchase out of the 2020 Fasig-Tipton October Sale, Taiba was the second-priciest offering at the 2021 Fasig-Tipton Gulfstream Sale on Gary Young's bid of $1.7-million on behalf of Amr Zedan. The chestnut was named a no-brainer 'Rising Star' following a 7 1/2-length debut victory for Baffert over six furlongs at Santa Anita Mar. 5, but was turned over to Tim Yakteen and he did what not even Justify could do—win the Runhappy Santa Anita Derby off just a maiden victory Apr. 9. Bet to under 6-1 despite his inexperience entering the May 7 GI Kentucky Derby, Taiba never truly reached contention and tired to finish 12th. Connections were content to allow the rest of the Triple Crown to pass them by and, with Baffert off his suspension, he was routed for the Haskell. Consigned to a wide run into the stretch, he came to win the race a furlong out, but was outfinished at the fence by Cyberknife, denying Baffert a 10th win in the race. Cont. p14
Pennsylvania Derby cont.

From here, Taiba is likely to chart a course that lands at Keeneland on the first Saturday in November.

“If all is good, we are going to point to the Breeders’ Cup Classic. You know, horse racing changes day by day. I’m not looking forward to running against Life Is Good (Into Mischief) and Flightline (Tapit). Those are two very fast horses.”

Bayern (Offlee Wild) used the Pennsylvania Derby as a springboard to his much-ballyhooed success in the 2014 Classic.

Pedigree Notes:

Taiba is the lone foal to race out of Needmore Flattery, a mare that would have made E. F. Hutton proud. The Ohio-bred did it the hard way in her career, making 39 trips to the races from ages two to five for owner and Taiba breeder Bruce Ryan, resulting in 17 visits to the winner’s circle, nine of those in statebred stakes races, for earnings north of $732,000.

After producing a colt by Uncle Mo for her first foal, one that Ryan elected to buy back for $112,000 at FTKNOV in 2019, the breeder cashed out, selling Needmore Flattery to Leopoldo Fernandez Pujals’s Yeguada Centurion for $195,000 back in foal to Uncle Mo at KEENOV the following month. The mare was sent to France, foaled a filly in Ireland, and that produce--now named Tita Mimosa (Ire)--is in training and worked a half-mile in :48.60 (8/75) at Monmouth Park Sept. 18. Needmore Flattery’s last listed produce is a French-bred yearling colt by G1 Prix de l’Arc de Triomphe winner Waldgeist (GB) (Galileo {Ire}) that is catalogued as hip 51 to next month’s Arqana October Yearling Sale.

NO CATCHING SOCIETY IN COTILLION

by Alan Carasso

Taking full advantage of a track that was exceptionally kind to speed throughout the course of the program, Peter Blum’s Society (f, 3, Gun Runner--Etiquette, by Tapit) built on a big-figure victory in the GII Charles Town Oaks when last seen four weeks ago and ran them off their feet for a maiden Grade I victory in Saturday’s $1-million Cotillion S. at Parx.

Drawn the outside gate in a field of nine, the homebred was clicked up as soon as the gates flew and crossed and cleared all inside traffic, getting the first couple of furlongs in :23.33 while chased by California raider Adare Manor (Uncle Mo), having her first start since a runner-up effort in the GII Black-Eyed Susan S. May 20, and ‘TDN Rising Star’ Green Up (Upstart), whose 100 Beyer Speed Figure for her victory in the local Cathryn Sophia S. Aug. 23 matched that earned by Society in West Virginia. Cont.
Cotillion S. cont.

Moving right along down the backstretch while purposely kept far off the inside by Florent Geroux, Society was by the half-mile in :46.75, and with nothing making anything that resembled a serious bid from behind, was well clear after six furlongs in 1:10.93. Morning Matcha (Central Banker), a 45-1 outsider, skimmed the fence and made solid progress into the stretch, but it was all in vain, as she was never catching Society, who romped in by about six lengths. GI Longines Kentucky Oaks winner Secret Oath (Arrogate), who was touched out of favoritism by Green Up in the final few clicks, raced outside and in the clear down the backstretch, but was angled down towards the inside with about three furlongs to travel. Hard-ridden into the final quarter-mile, Secret Oath plugged on at one pace for third.

Society debuted for trainer Wayne Mackey at Keeneland last October and pulled clear late to graduate by a length at nearly 28-1, but was transferred this year to Steve Asmussen, who was one of the architects of Gun Runner’s career. The chestnut was the 1 3/4-length winner of a sloppy allowance about 50 minutes after Secret Oath won the GI Longines Kentucky Oaks May 6 and added a front-running victory in the June 18 Monomoy Girl S., but stumbled at the start of the CCA Oaks and beat just one home in fourth. She was well-rated on the engine in the Charles Town Oaks by Tyler Gaffalione and had plenty left when the real running started, streaking home to score by 6 3/4 lengths.

Pedigree Notes:

With the victory, Society becomes already the sixth top-level scorer for Gun Runner and is one of the stallion’s two graded winners out of a mare by Tapit, joining GII Adirondack S. victress Wicked Halo. Also bred on the Gun Runner/Tapit cross is SW Red Run, while Tapit’s sire Pulpit is the broodmare sire of SW Optionality. Also bred on the cross is Echo Again, who achieved ‘TDN Rising Star’ status for a maiden romp at Saratoga Aug. 20.

Produced by a half-sister to GSW Pleasant Prince (Indy King) and hailing from the extended female family of Sovereign Award and Queen’s Plate winner Holy Helena (Ghostzapper) and Midlantic-based sire Holy Boss (Street Boss), Society has a 2-year-old half-brother named Punctuality in training at Churchill Downs, a yearling half-sister Finesse (Street Sense) that sold to Windancer Farm for $725,000 at the just-concluded Keeneland September sale and a foal half-brother named Valor (Omaha Beach). Etiquette was put back in foal to Gun Runner this past breeding season.

That’s Right hit the board in four of his first six starts to begin his career, but shaped as a new proposition altogether when airing by five lengths in a Pimlico maiden allowance in his turf debut May 20. Following up on that Beyer Speed Figure with a similarly dominant performance against first-level allowance company at Monmouth June 17, the bay once again ran them off their feet in the July 17 My Frenchman S. at the Jersey Shore, but he weakened to finish sixth of seven behind Big Invasion (Declaration of War) after setting the pace in the Mahony S. at Saratoga Aug. 14.

Pedigree Notes:
   The sixth graded winner for Spendthrift’s Goldencents, That’s Right is a half-brother to the 2-year-old colt Tempest (Twirling Candy), who was foaled after dam Cat Ten was bought back on a bid of $29,000 at the 2019 Keeneland November Sale. The mare is also responsible for a yearling colt by the repatriated Take Charge Indy and a weanling filly by Florida-based Rogueish (Into Mischief), a 6 3/4-length maiden winner in a single racetrack appearance as a juvenile for Steve Asmussen at the Fair Grounds in late 2018. Cat Ten was bred back to Rogueish this year.

When Nick Cammarano bought Scaramouche for $20,000 at the OBS 2-year-old sale 15 months ago after a :10.4 work, he could not have known he’d have an eventual Grade II winner on his hands, his first graded winner as an owner. But that’s precisely what the dark bay gelding has morphed into after winning Saturday’s GII Gallant Bob S. at Parx.

Breaking from the extreme outside, Scaramouche was the final one to load and was quickly settled into a wide fifth under Hall of Famer John Velazquez before the first quarter expired in :21.97 as Speaking (Mr Speaker) showed the way up front. A host of challengers, including a still-wide Scaramouche, were on the move by the :45.03 half as Speaking held tough on the inside. Scaramouche extended his stride several paths out from the rail as Speaking stayed on his wrong lead and the two crossed the :57.71 five-furlong mark almost in tandem. Scaramouche hit the front, went clear for several strides, then held off Of a Revolution, who was rolling to his outside, just lasting to secure the first graded victory of his career by a half-length.

“That was very good,” said Velazquez. “That was a nice pick-up mount. The position that we had after he broke good was enough and we waited to get a little more position. As soon as we got to the turn, we were three- or four-wide. I was coming through and I thought hopefully I could save a little ground and save a little horse and he’d have something down the lane, and he did.”

Scaramouche has put together a nice CV, breaking his maiden at second asking this January at Parx, then promptly adding a first stakes win in the Rittenhouse Square S. in March, also at Parx and at the Gallant Bob distance. He faltered in his first graded try--Aqueduct’s GII Bay Shore S. Apr. 9—then reeled off three allowance wins and a Concern S. third in his next four prior to the Gallant Bob. Saturday’s win marked his shortest margin of victory--all his other wins had been by open daylight--and the 9-1 odds were the longest of his career next to his 15-1 price in the Bay Shore. All six of his lifetime victories have come at Parx.

“It’s my first graded stakes win, so I’ve got to swallow it all,” said Cammarano. “This is going to sink in eventually, but it’s just awesome. [Trainer Guadalupe Preciado] did such a great job with the horse, and the whole team we got has been really doing good. We were worried about being in the 14 post, but we had a good rider and he ran on.”

Pedigree Notes:

Munnings, the versatile Coolmore America sire whose progeny seem to master all surfaces and a number of distances, added the 26th graded winner of his sire career with Scaramouche’s Gallant Bob victory. Already among his 61 Northern Hemisphere black-type winners, Scaramouche is the chestnut’s first stakes winner out of a Bernardini mare. The late Bernardini has 70 black-type winners out of his daughters to date.

Sent to Turkey in 2020 after selling for $16,000 to M. Resat Akkan at that year’s Keeneland November sale while in foal to Lookin At Lucky, Haunting left a 2-year-old colt in this country named Pass It Around (Alternation). Hammered to Greg Green for $24,000 at the 2021 Keeneland September sale, Pass It Around is working at Remington Park toward his first start.

With his neck elegantly bowed as he led the GIII Greenwood Cup S. field through early fractions of :24.73 and :49.51 and a mile in 1:40.92, Ridin With Biden gave the impression he was out for a strong early-morning gallop. Instead he was lulling his rivals into complacency and had plenty left in the tank to hold off a threatening Magic Michael, the defending winner who had gotten as close as his flank at one point, by a length late after controlling the pace all the way. The others were strung out far behind, with Brooklyn Strong—eight lengths in arrears—the best of the rest in third. It was rider Paco Lopez’s third win on the card.

“He is no easy horse to ride, he is very strong,” said Lopez. “He rated very good. I didn’t see no other speed and I took the lead and got very good position. He gives me a lot of heart attacks to ride this horse. He is a classy horse, though. He does not want to give the lead up when he gets it.”

Ridin With Biden was making his first start at 1 1/2 miles in the Greenwood Cup and his first start ever at anything beyond 1 1/8 miles. He’d only tried anything as far as nine furlongs once before, two starts back, when he got the first black-type win of his career in the Deputed Testamony S. at Laurel July 30. His 100 Beyer that day is also his highwater mark. He had since shortened up slightly to 1 1/16 miles in the Aug. 20 GIII Philip H. Iselin S. at Monmouth, checking in fourth. His previous stakes success included a second in last year’s GIII Dwyer S. and a runner-up finish in Delaware’s July 9 Battery Park S.

“He really likes Paco [Lopez]’s feel,” said winning trainer Butch Reid. “You can’t take too much hold of this horse, because he’ll run off with you, but Paco just did a tremendous job putting them to sleep down the backside and that was it. I thought after looking at the race that he was going to make the lead. I was pretty comfortable about that once he slowed down and I saw close to :50 for the half. Then I felt good.”

Pedigree Notes:

Michael Pietrangelo bought the unraced Allemande at the 2014 Keeneland November sale with an Elusive Quality colt in utero and eventually got Ridin With Biden out of her in partnership with William Harrigan. Allemande, who hasn’t produced a foal since 2019, is out of MGISW Wild Heart Dancing, a half to GISW Man from Wicklow (Turkoman) and granddam of MGISW Casa Creed (Jimmy Creed), whose most recent conquest was last month’s GI Fourstardave H. at Saratoga, and GSW Chess’s Dream (Jess's Dream). Ridin With Biden is one of 63 stakes winners out of a daughter of Medaglia d’Oro and one of 27 Northern Hemisphere black-type winners for fourth-crop sire Constitution. Pedigree Notes:

Those who took the even-money about Love And Thunder in Saturday’s GIII Athenia S. would have been feeling the pinch, as the 5-year-old lagged back in last off pedestrian fractions, but she uncorked a wicked rally through the Aqueduct stretch to cut down pacesetting Evvie Jets in the shadow of the post for a first black-type success.

Immediately snagged back to last by Jose Ortiz, Love And Thunder raced detached from her other four rivals as Evvie Jets, attempting stakes company for the first time, was positively ridden by Eric Cancel and backed down the pace through an opening quarter in :24.35 and four furlongs in a dawdling :51.10. Hard held and tugging a bit for her head entering the final half-mile, Love And Thunder had tacked on to the back of the field by the time they hit the turn, but was still at a significant tactical disadvantage after six panels in 1:15.66. Cancel let it out a notch on Evvie Jets and the filly responded in kind, pinching what appeared to be a winning break entering the final furlong. But Ortiz had Love And Thunder in full flight down the center of the course and covered the final quarter in a very slick :21.93 per Trakus en route to a cozy success.

“I had my hands full down the backside until they picked it up again at the half-mile and I was able to drop my hands again,” Ortiz explained. “I knew the pace was slow but she likes it better on the outside, so I went wide and she gave me a great kick.”

Second in a single start for Andre Fabre to begin her career, Love And Thunder won one of three tries for John Gosden before heading across the Atlantic. A first-level allowance winner going seven furlongs at Belmont last October, the bay was fifth in the one-mile GIII Noble Damsel S. and third in the Autumn Days S. at six furlongs before getting a rest. Winner of a one-mile Belmont allowance May 15, Love And Thunder was third in the July 3 Perfect Sting S. and was exiting a third in Saratoga’s De La Rose S. Aug. 7 where she saved ground throughout, but was severely blocked at a crucial stage and could do no better than third.
the GI Garden City Breeders' Cup S. the season prior. The dam of Italian G1SP Bookrunner (Tiznow) and SP Take These Chains (Ire) (Fastnet Rock (Aus)), Take the Ribbon is a half-sister to three full black-type winners, including Glinda the Good (Hard Spun), the dam of the promising freshman sire Good Magic (Curlin).

Pretty Paper is the dam of Love And Thunder's yearling full-brother Bowood (GB), a colt by Expert Eye (GB) that is catalogued as hip 1453 in Book 3 of the upcoming Tattersalls October Yearling Sale and a weanling colt by the Gunthers' G1 St James's Palace S. hero and GI Breeders' Cup Mile third Without Parole (GB) (Frankel (GB)). --@EquinealTDN

DERBY AND OAKS DAY, OKLAHOMA STYLE

Sunday's GIII Oklahoma Derby and GIII Remington Park Oaks give the sophomore set a late-season option at age-restricted competition, with some marquee names making the trek across to Oklahoma City.

Brad Cox has sent out the winners of the last three runnings of the centerpiece of the local racing calendar--Owendale (Into Mischief, 2019); Shared Sense (Street Sense, 2020); and Warrant (Constitution, 2021) and can break the tie with Donnie K. Von Hemel should Gary and Mary West's Best Actor (Flatter) validate his morning-line favoritism. The $330,000 Keeneland September purchase has tasted defeat just once in his four-race career when narrowly runner-up in the GIII Indiana Derby July 9, but he bounced back in no uncertain terms with a 5 3/4-length romp in the GIII Smarty Jones S. at Parx Aug. 23. He swerves that track's million-dollar race and its heavy hitters for the clearly softer competition here. Florent Geroux, in the irons for Owendale's tough win four years ago, takes the call on Best Actor.

Rattle N Roll (Connect) won last year's GI Claiborne Breeders' Futurity and looks for a third Derby this year to go along with the July 2 American Derby at Churchill and the St. Louis Derby at FanDuel Racing Aug. 20. Sandwiched between those is a seventh in the Indiana Derby, a race that is best forgiven after he was hampered badly and clipped heels at the start, then trailed most of the way.

Barring something unforeseen, Juju's Map (Liam's Map) should be able to add her name to the list of Remington Park Oaks winners. Last year’s GI Darley Alcibiades S. victress returned with a smashing Oaks day allowance tally May 6, but has since disappointed at odds-on when third in the GII Mother Goose S. and GII Monmouth Oaks.

Sunday's other graded action includes the GII Gallant Bloom S., featuring 'TDN Rising Star' Kimari (Munnings), at Aqueduct and the GIII Vigil S. at Woodbine.

MENDELSOHN REPRESENTED BY FIRST JAPANESE WINNER by Alan Carasso

Coolmore America's Mendelssohn, a son of the much-missed sire of sires Scat Daddy, was represented by his first Japanese winner and 16th overall from his first crop when the 2-year-old filly Celadonite (Jpn) turned in a professional debut effort over 1400 meters on the dirt Saturday at Chukyo Racecourse.

Drawn widest in a field of 10 in a rare sex-restricted event for first-time starters, the early April foal jumped alertly and was part of the early mix, then eased back to sit a midfield trip in the clear while racing several paths away from the inside. Gradually working her way into contention on the turn, Celadonite was poised to strike three deep on the swing for home, accelerated nicely when asked by Christophe Lemaire with a little more than an eighth of a mile to race and stayed on well to record a 1 1/4-length victory as the 19-10 second favorite (video, SC 10). It was the 1,600th winner on the JRA circuit for the French reinsman.

After a six-month break between races, MGISW Mind Control returned as a 6-year-old to be third behind Speaker’s Corner (Street Sense) in the GI Carter H. at Aqueduct Apr. 9. Fifth to champion Jackie’s Warrior (Maclean’s Music) next out in the GI Churchill Downs S. May 7, he got back in the winner’s circle with an ultra-game narrow head-length victory over MGISW Hot Rod Charlie (Oxbow) in Monmouth’s Gill Salvator Mile S. June 18. Most recently third behind Art Collector (Bernardini) in the GI Charles Town Classic S. Aug. 26, Mind Control returned to Parx to defend his victory in this race as the 3-5 chalk.

Placed in a stalking second behind pacesetter Far Mo Power, he turned up the heat on the far turn. The pair came together down the stretch as Far Mo Power drifted out and bumped into Mind Control. Although Mind Control was ultimately outfought by a neck, the stewards flipped the result for the infraction down the lane to give Mind Control the win.

“He’s been a pleasure to train, such a fighter,” said winning assistant trainer Byron Hughes. “You hook him up down the stretch and he’s going to give you everything he’s got. He’s just fun to be around. I saw that second bump that he got there near the wire, he really lost his momentum. Just showing that he fought back and only got beat a little at the wire shows that he really did lose momentum.”

Mind Control has an unraced 2-year-old half-sister White Hot Gold (Candy Ride {Arg}) and a weanling half-sister by Uncle Mo. Feel That Fire visited both Uncle Mo and Curlin for the 2023 season. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

After three races this year on turf that all resulted in placings, Love in the Air made her second consecutive start and third of the year on dirt, all ending in wins. Her victory Saturday in Parx’s Plum Pretty S. was easy as you please as she went right to the front with Paco Lopez slowing her down into the :24.22 first quarter. Even as others stayed in close touch, Love in the Air had the race in control. With a half in :48.43, Lopez let her loose in
the stretch, threw a few crosses, gave her two right-handed taps of the crop, and she comfortably increased her margin with that striking blaze and flapping tongue two lengths the best after easing up before the wire.

Originally trained by Mark Casse and owned by John C. Oxley last year upon breaking her maiden in July at Ellis Park, Love in the Air was sold to her current connections for $130,000 at the Fasig-Tipton July Selected Horses of Racing Age sale and sent to the sidelines until February of this year. A second in an optional turf allowance at Gulfstream catapulted her to a 10-length optional allowance main track win in May at Monmouth. Placings in the GIII Dr. James Penny Memorial S. and Lyphard S. followed, with her first black-type win coming Aug. 22 at Parx in the off-the-turf Mrs. Penny S. The Plum Pretty marked her second consecutive stakes win.

Lovely Syn has a 2-year-old Uncle Mo colt named Brentford, who was retained by Blackstone Farm—his breeder and Love in the Air’s—and broke his maiden Sept. 22 at Penn National. The mare delivered a Bolt d’Oro filly Feb. 22 and was bred back to Justify. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

Midnight Parade, a runaway debut winner going five furlongs at Penn National Sept. 1, became the first stakes winner for her freshman sire (by Any Given Saturday) here. Drawn on the fence, she pressed on the inside from a close fourth, angled out into the clear on the far turn and rolled down the center in the stretch to get the money. The winner’s dam produced a colt by Golden Lad this year. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

A seven-length winner against fellow Pa-breds at first asking over this same track Aug. 22, Gordian Knot jumped up in class Saturday. The heavy 2-5 favorite while adding an extra furlong, he began further off the pace this go-round, settling in fifth through the opening quarter before making an outside bid around the far turn. Clear past Respirator (Peace and Justice) at the head of the lane, Gordian Knot built up enough of a margin to hold off a fast-closing Keithshendshellooo. From the family of GI Gold Cup at Santa Anita S. winner Hard Aces (Hard Spun), the winner's dam produced back-to-back full-siblings to Gordian Knot, a filly in 2021 and a colt in 2022. She was sent back to Social Inclusion for another full-sibling in 2023.

Parx Racing’s mega day of stakes wrapped up with the Pennsylvania-bred Alphabet Soup H., won by MSW Buy Land and See. The Joseph Imbesi homebred shot to the front, was quickly challenged by O’Brien (First Dude), and just as quickly rebuffed that foe. After setting fractions of :23.17 and :47.56, the gray burst as many as six lengths clear in the stretch and finally crossed the wire 3 1/4 lengths the best.

Buy Land and See's first career stakes victory came as a 2-year-old in Belmont's Awad S. under trainer Steve Klesaris and his most recent came in June in Penn National's With Anticipation S. for trainer Anthony Dutrow. Last seen finishing off the board Aug. 4 at Saratoga in an optional allowance, Buy Land and See was making his first start for Parx-based trainer Guadalupe Preciado. He's always raced as a homebred in spite of the different barns.

Imbesi bought Twiggles, Buy Land and See's dam, for $5,000 at the 2009 Keeneland September sale. She produced her last reported foal in 2019. That filly, Damanda (Liam's Map), made her first career start Sept. 18 at Pimlico and finished eighth for Imbesi in a troubled trip. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

Ancient Spirit, a four-length debut maiden optional claiming winner on the lawn here Aug. 20, delivered again as the second choice in this one. Placed in a tracking second through fractions of :22.95 and :45.96, she began to reel in the loose-on-the-lead pacesetter as they straightened, hit the front in the stretch and wasn’t for catching. After producing a full brother to the winner this year, Gemini was bred back to Signature Red.

We liked this filly since day one that we saw her, said the winning Canadian Horse Racing Hall of Fame inductee Sid C. Attard, who trained Ancient Spirit=s sire and dam. Her mother, she was very big. She broke her maiden [July 29, 2018], and the owner didn’t want her. I said, Howie, ‘Get this mare.’ This one, she’s like a bull. She’s so strong. Never off the board in five career starts, including a placing behind Elm Drive (Mohaymen) in the GII Sorrento S. at Del Mar last August, Smash Ticket entered off back-to-back wins. Following an 11-length romp against allowance horses at Lone Star May 30, the bay was last seen going gate-to-wire against optional claimers at Saratoga July 20.

Bet down to even-money favoritism Saturday, Smash Ticket sprinted between rivals to clear inside and assumed command in the opening strides. Kept well in hand against the fence, she raced patiently as Elm Drive posed a brief challenge to her outside around the turn. She responded well when asked for run in upper stretch and drew off convincingly down the lane, powering away to win by daylight over Famed, the half-sister to champion Essential Quality (Tapit).

Poulin in O T opened wire-to-wire to claim the second stakes victory of his young racing career. The chestnut gelding rushed up to grab the early lead and soon opened a clear advantage through a quarter in :22.67 and a half in :45.55. Challenged by Awesome Bourbon in upper stretch, Poulin in O T bravely battled back and was pulling away again late.

“Looking at the race and getting on him, he looked like a legit horse,” said winning rider Patrick Husbands. “I just let him do what he wanted to do. He was doing it pretty easy and when [jockey Juan] Crawford came to me, I gave him a tap and he just took off.”

Poulin in O T opened his career with back-to-back wins sprinting over the Tapeta, scoring on debut June 24 before taking the July 17 Victoria S. He suffered his first defeat when seventh when moved to the lawn and stretched an extra furlong in the 6 1/2-furlong Soaring Free S. last time out Aug. 20.

Named after Canadian hockey great Marie-Philip Poulin, Poulin in O T continues to impress trainer Steve Owens, who also co-bred and co-owns the gelding.

“It's a very fitting name,” said Owens. “He's a wonderful little horse. The Ontario-sired program is right up his alley. A lot of things went wrong the last time, but five weeks later, a different horse showed up today.” Click for the Equibase.com chart or VIDEO, sponsored by TVG.

Lights of Broadway just got up in the shadow of the wire to become the fourth stakes winner for his freshman sire City of Light (Quality Road). Sent off at 2-1, the bay colt was unhurried early and settled at the back of the pack in a strung-out field. He inched closer approaching the far turn and, asked for more on the turn, rallied three wide into the stretch. He finally found his best stride late and forged past Cheerful Charlie in the dying strides for a narrow victory.

Lights of Broadway made his third start over this track and trip, graduated with a front-running 3 1/4-length victory Sept. 10 last time out.

“He really ran well last time and came out of it well, so we said, ‘Why not take a shot?’ And we did,” said trainer Mark Casse’s South Florida assistant Nick Tomlinson. “Coming back off two weeks was definitely a concern, but he showed a lot of heart today. We’re really happy with him. He’s a bit of a late developer. He has some growing to do, but hopefully we’re starting to see the best of him.”

Tomlinson added, “I would love to see him on the turf. The City

of Lights seem to be doing well on turf. We don’t have the option now, but when the time comes, we’re definitely not going to be afraid to take it.”

Lights of Broadway has a yearling half-sister by Mitole. Drinks on Broadway, who sold carrying that filly for $150,000 at the 2020 Keeneland November sale, was bred back to Liam’s Map this year. The winner’s second dam is Broadway Gold, who produced multiple graded winner Broadway’s Alibi (Vindication).

CELESTIAL CITY (c, 3, Uncle Mo--Lunar Evening, by Malibu Moon), last seen finishing second in a dead-heat behind Annapolis (War Front) in the Gill Saranac S. at Saratoga Sept. 3, was the narrow 2-1 favorite in this step down to the allowance ranks after two straight graded-stakes races. Hard ridden from the gate, Celestial City steered out several paths off the rail up the back straightaway and stayed three wide into the far turn. MORE GROUP 1 PLUNDER FOR BLACKBEARD

by Tom Frary

Confirming the form of the G1 Prix Morny on Saturday, Ballydoyle’s Blackbeard (Ire) (No Nay Never) dominated Newmarket’s G1 Juddmonte Middle Park S. as The Antarctic (Ire) (Dark Angel {Ire}) delivered a one-two for the stable.

Not content with a haul that already included the G3 Marble Hill and G2 Prix Robert Papin as well as the Deauville juvenile feature, the 10-3 joint-second favourite tracked the fast pace set by the Morny runner-up Persian Force (Ire) (Mehmas {Ire}) and was coaxed to that rival approaching the furlong pole with Ryan Moore’s body language telling all. Sent clear with mainly hands and heels, Coolmore and Westerberg’s indomitable performer hit the line typically strongly to record a two-length verdict over his stablemate, who had run third at Deauville.

LEZOO MAKES GROUP 1 SPLASH FOR ZOUSTAR by Sean Cronin

Marc Chan and Andrew Rosen’s G3 Princess Margaret S. victrix Lezoo (GB) [Zoustar {Aus}--Roger Sez {Ire}, by Red Clubs {Ire}], who had met with defeat just once in four prior starts, made a significant breakthrough for her antipodean sire sensation (by Northern Meteor {Aus}) with a battling success in Saturday’s G1 Juddmonte Cheveley Park S. at Newmarket.

The 77,000gns Tattersalls Book 3 yearling and €110,000 Arqana Breeze-Up graduate made a winning debut at Bath in June, doubling up for a first black-type score in the Listed Empress S. later that month, before giving best to ‘TDN Rising Star’ Mawj (Ire) (Exceed And Excel {Aus}) when posting a half-length second in the July track’s G2 Duchess of Cambridge S. in her penultimate start. The Ralph Beckett-trained 11-2 chance was on snooze mode in rear through the early fractions of the six-furlong contest. Inching ever closer after halfway, she loomed large going well inside the final quarter mile to launch her challenge on the far side passing the furlong marker and was driven out on the climb to assert superiority by ¾-of-a-length from 13-8 favourite Meditate (Ire) (No Nay Never). It was the same margin back to Godolphin’s 10-1 chance Mawj in third.

Lezoo, who became her sire’s second Northern Hemisphere winner when saluting at Bath, was his first such pattern-race scorer at Ascot and now becomes the Tweenhills resident’s first at Europe’s elite level.

Persian Force faded to be third, 1 1/4 lengths away, with the 15-8 favourite Marshman (GB) (Harry Angel {Ire}) only fifth having raced too keenly early.

“He has been very progressive, always, he has been from day one,” Aidan O’Brien said. “He often has to make his own running, as they don’t go quick enough for him but always in his work he quickens very well from behind and we saw that today. He takes his work easy and is thriving, he never backs away from it.”

“He throws himself around, but there is no badness in him whatsoever,” his trainer added. He just starts stamping his feet if we ask him to stand too long and is like that at home, but he is very straightforward you just don’t ask him to wait too long. He’s that kind of personality—he’s forward-going and if he was a human being he would say ‘listen, just let me at it’—he likes going forward. He’s very fast—we weren’t sure how far he’d go early on and I think speed is his thing. I wouldn’t be sure how much further he would go, but we’ll re-assess him after today.”

Of The Antarctic, O’Brien said, “He’s progressed hand over fist and is doing very well physically. He’s on the upgrade and the stalls thing is getting better too. Tom said he stepped a little bit slow away and he has been doing that a little bit.”

Pedigree Notes

Blackbeard, whose career began in early April with a win in the Dundalk maiden won by another former stable luminary in Caravaggio, is the first foal out of Muirin (Ire) (Born To Sea {Ire}) who is a daughter of the G3 Phoenix Sprint S. winner Girouette (Ire) (Pivotal {GB}). She is a half to the dam of the G3 John Porter S. and G3 Zetland S. scorer Max Vega (Ire) (Lope De Vega {Ire}), while the family includes the G1 Prix de Diane heroine Mrs. Penny (Great Nephew {GB}) and the 1000 Guineas heroine Hatoof (Irish River {Fr}). Muirin also has a yearling full-sister and a colt full-brother to Blackbeard, with the former selling on Tuesday as lot 93 on day one of the Goffs Orby.

G1 Cheveley Park S. Cont. from p1

Zoustar has 60 yearlings still engaged at the upcoming Goffs, Tattersalls and Arqana sales. The G1 Golden Rose S. and G1 Coolmore Stud S. hero, who is to shuttle back this way for the 2023 breeding season, has eight in the Orby, three in the Sportsman’s, 12 in Book 1, 19 in Book 2, 16 in Book 3 and two at Arqana’s October fixture.

“She went slightly off after the Princess Margaret, but had four very quick runs in succession and it just caught up with her,” revealed trainer Ralph Beckett after registering a first win in the contest. “I wasn’t sure she was back on her game, she just did one easy piece of work last week on the grass and that worked well. She is obviously very good and we have never had one as good as this at this stage. She doesn’t show up at home and she caught me out first time. I told her owners that she would win a novice and that would be it and that shows how wrong you can be. She has just got better and better with racing.”

Looking ahead, the trainer added, “I would have to think about going again this year and it is possible, if we are going to go anywhere, she would go to Keeneland [for the Breeders’ Cup], but I would have think about that. We’ll see how she comes out of this and then see whether we think it is the right thing for her.

“Frankie rang me this morning to give me some really valuable insights, but it was unfortunate he couldn’t take the ride as he is suspended,” explained William Buick after adding to his success aboard Lumiere in 2015. “She jumped a bit slow, but travelled well and was always giving me confidence in the race. At the business end she really summed herself up well as she’s a real fighter and has a lot of quality. She has got plenty of gears and is an out-and-out six-furlong filly. It’s great and I was lucky to get the ride.”

Lezoo, half to a yearling filly by Territories (Ire) and a weanling colt by Invincible Army (Ire), becomes the fourth elite-level winner for her sire (by Northern Meteor {Aus}) and the first for G3 Firth Of Clyde S. victrix Roger Sez (Ire) (Red Clubs {Ire}), who has thrown four winners from five runners. **THE FOXES TAKES THE ROYAL LODGE**

_by Tom Frary_

Just minutes after the fellow Listed Chesham S. flop Crypto Force (GB) (Time Test {GB}) had caused an upset in the G2 Beresford S. on Saturday, King Power’s The Foxes (Ire) (Churchill {Ire}) did the same in Newmarket’s G2 Juddmonte Royal Lodge S., a “Win And You’re In” for the GI Breeders’ Cup Juvenile Turf at Keeneland in November. _Cont. p7_
**G2 Juddmonte Royal Lodge Cont.**

Only ninth in that June 18 Royal Ascot contest, the Andrew Balding-trained 440,000gns Book 1 graduate had come back to break his maiden in a Goodwood maiden also over seven furlongs July 30 and raised his game upped to a mile here. Comfortable sitting last of the quartet despite the moderate pace set by *Dubai Mile (Ire)* (Roaring Lion), the 17-2 shot was delivered against the far rail by David Probert to gain the edge inside the final furlong and beat the long-time leader by half a length, with the disappointing 2-7 favourite *Flying Honours (GB)* (Sea The Stars {Ire}) only third, a short head away.

“He’s matured really well this horse—both mentally and physically. He got into a lovely rhythm and handled the undulations quite well today,” Probert said of the winner who gets his title from the nickname of the Srivaddhanaprabha family’s Premier League club Leicester City. “This name was always saved for a special one and they have got one. He’s got a lovely temperament and the way he has galloped out today, it won’t be a problem going up in trip. He’s just a professional.”

Andrew Balding added, “We thought they would go a stronger gallop than that, so he has done very well to come from that position and get the job done. For King Power, we are trying to get them as many chances at Royal Ascot as we could, so we slightly rushed his programme but we always thought highly of him and had to re-group. He has an entry in the Futurity Trophy, but I think he is a horse that will go on and I’d prefer to wait until next year. Where Epsom is concerned, his brother was better over a mile and a quarter than a mile and a half, but that is something we will find out over time.”

Charlie Johnston revealed that Dubai Mile could run again in 2022. “He is still very green. He has won two novices convincingly, but he has not been in the heat of the battle. It was only when the horses came to him that he engaged into top gear. I’m sure people will pick holes in the form, but I think time will tell it was a good race. He is in the Vertem Futurity Trophy and I wouldn’t rule that [out].”

CAN YOU FEEL THE FORCE?

by Sean Cronin

Amo Racing’s £900,000 Goffs London graduate **Crypto Force (GB)** (Time Test (GB) – Luna Mare (Ire), by Galileo (Ire)) bounced back from a first reversal, when seventh in Royal Ascot’s June 18 Listed Chesham S., to loosen Aidan O’Brien’s stranglehold on Saturday’s G2 Alan Smurfit Memorial Beresford S. over one mile at the Curragh.

He had earlier accounted for subsequent ‘TDN Rising Star’ and G2 Golden Fleece S. victor Auguste Rodin (Ire) (Deep Impact (Jpn)) in his June 1 debut over seven furlongs here and employed patient tactics at the tail of the five-strong field through halfway. Making smooth headway in the straight to go second passing the quarter-mile marker, the 15-2 chance hit the front with 150 yards remaining and drew clear under a drive to subdue Ballydoyle’s 4-7 favourite **Adelaide River (Ire)** (Australia (GB)) by 2 1/4 lengths for a first stakes rosette. Jim Bolger’s **Young Ireland (Ire)** (New Approach (Ire)) finished four lengths further adrift in third.

“I’m delighted for Kia Joorabchian and Amo Racing, because Kia’s been a big supporter of mine this year and has let me go away to the breeze-ups and buy some nice horses,” said Michael O’Callaghan. “I bought this lad myself and when he won his maiden I told Kia he was going to the London Sale. He didn’t force me to sell the horse to him at home, I brought him to the sale and he paid a lot of money for him.

“The pressure was very much on me from that point on and it was a massive kick in the guts at [Royal] Ascot. It wasn’t to be, he just needed that bit more time and Kia has been very patient. I thought he wanted a mile-and-a-quarter, looking at his homework, and that’s why I was happy to see a bit of rain to make the mile a test.” Cont. p8
G2 Alan Smurfit Memorial Beresford S. Cont.

He added, “He’ll be better on fast ground and could make up into a Guineas horse over the winter, but we won’t get carried away with ourselves yet. He won that very well, so I’ll go back and sit down and talk to Kia. It would be nice to just put him away and train him with next year in mind.”

FIRE OF THE SUN DOMINATES AT DRESDEN
by Tom Frary

Runner-up in the G3 Premio Parioli (Italian 2000 Guineas) at Capannelle at the start of May, Syndikat Rapido’s Fire Of The Sun (Fr) (Areion {Ger}), who was third last time in the G2 Oettingen Rennen over a mile at Baden-Baden Sept. 4, continued his progression to enjoy a breakthrough moment in Sunday’s G3 Grosser Preis der Landeshauptstadt Dresden. Having done enough to warrant 11-5 favouritism in this seven-furlong test, the Peter Schiergen-trained bay was soon in front and after taking the field to the stand’s side in the straight maintained his momentum to score by 1 1/2 lengths from Namos (Ger) (Medicean {GB}).

Pedigree Notes

Fire Of The Sun, who becomes the 28th group winner for his sire, is the second and last known foal out of Morera (Ire) (Echo Of Light {Ire}) who is kin to three black-type performers headed by the G3 Premio Ambrosiano winner and G1 Gran Premio di Milano-placed Saratoga Black (Ire) (Pyrus). This is the family of the G1 Prix Vermeille-winning champion Indian Rose (Fr) (General Holme), the sires Vert Amande (Fr) and Groom Dancer (Blushing Groom {Fr}) and the G1 Prix de l’Arc de Triomphe and G1 King George VI & Queen Elizabeth Stakes heroine Danedream (Ger) (Lomitas {GB}).

PREIS VON EUROPÄ THE SUNDAY FEATURE

by Tom Frary

While the world holds its breath for the upcoming Arc weekend, Sunday’s action is relatively low-key with Cologne’s G1 Preis von Europa the main attraction. Won last year by the rampant Alpinista (GB) (Frankel {GB}), the 12-furlong test is a competitive affair this time with Godolphin’s Rebel’s Romance (Ire) (Dubawi {Ire}) looking to emulate her by adding this to his success in Hoppegarten’s G1 Grosser Preis von Berlin Aug. 14. Last year’s third Sisfahan (Fr) (Isfahan {Ger}) re-enters the fray and along with Sammarco (Ire) (Camelot {GB}) boosts the line-up as the last two heroes of the G1 Deutsches Derby.

Sammarco beat the subsequent G2 T von Zastrow Stutenpreis scorer Amazing Grace (Ger) (Protectionist {Ger}) in the G1 Grosser Dallmayr-Preis over 10 furlongs at Munich July 31 and holds the Arc prospects of Mendocino (Ger) (Adlerflug {Ger}) and Torquator Tasso (Ger) (Adlerflug {Ger}) up to the light having finished behind them in the Sept. 4 G1 Grosser Preis von Baden.

At the Curragh, the seven-furlong G3 Weld Park S. for 2-year-old fillies sees Marc Detampel and Michael Buckley’s Caroline Street (No Nay Never) back up 15 days after her gallant second to Auguste Rodin (Ire) (Deep Impact {Jpn}) in Leopardstown’s G2 Champions Juvenile S. Sept. 10.

on the European racing scene

**HOW THEY FARED**

**1.30 Haydock, Novice, £10,000, 2yo, f, 7f 212yT**
Cherry (GB) (Dubawi {Ire}), the daughter of the G2 Ribblesdale S. runner-up Mori (GB) (Frankel {GB}), made progress into third behind the easy winner.

Saturday’s Results:

1st-Chester, **£10,475**, Novice, 9-24, 2yo, 7f 1yT, 1:28.50, g/s.

**STENTON GLIDER** (f, 2, Dandy Man {Ire}--Crystal Malt {Ire}, by Intikhab), sent off at 18-1 on this debut, recovered from a tardy start to race behind the leading pair throughout the early stages. Looming alongside Prepense (GB) (Kingman {GB}) a furlong out, the bay drew away to beat that 1-4 favourite by 2 1/2 lengths. The winner is the first runner for the dam, whose daughter of Holy Roman Emperor (Ire) had been snapped up for just €17,000 by Stefano Botti two days previously at the Tattersalls Ireland September Yearlings Sale Part II. A granddaughter of the G3 May Hill S. scorer Solar Crystal (Ire) (Alzao), her 2022 foal is a filly by Decorated Knight (GB). Sales history: £35,000 Ylg ’21 TATIRY. Lifetime Record: 1-1-0-0, $5,858.

CONSERVATIONIST (GB) (f, 2, Muhaarar (GB)--Zuhoor Baynoona {Ire} {SW-Eng}, by Elnadim), runner-up in a novice over this trip at Newmarket on debut Aug. 26, had instant control on the front end. Having already had all rivals beaten approaching the final two furlongs, the 5-2 favourite was pushed out to score easily by 2 1/2 lengths from Orange Martini (GB) (Roaring Lion). “She travelled up very strong and put it to bed very quick,” jockey John Fahy said. “There were some good pedigrees there when you flick through the race, but she was one that the team have always liked at home.” The winner is currently the last known foal out of the Listed Lansdown Fillies S. scorer, who is a half to four other black-type performers including the G1 Haydock Sprint Cup and G1 Diamond Jubilee S. hero Hello Youmzain (Fr) (Kodiac {GB}) and the G2 Gran Criterium, G3 Bavarian Classic and G3 Ittlingen Derby Trial winner and G1 Deutsches Derby-placed Royal Youmzain (Fr) (Youmzain {Ire}). Lifetime Record: 2-1-1-0, $8,259.

5th-Newmarket, £15,000, Mdn, 9-24, 2yo, f, 7fT, 1:28.18, gd.

VERMILION (IRE) (f, 2, Kodiac (GB)--Western Sky (GB), by Barathea (IRE)), who ran third in starts at Salisbury and Leicester, was on the front end racing in a first-time hood after a smart exit in this third start. Taking an outright lead before halfway, the 3-1 joint-favourite was bussed along to maintain control heading into the dip and rallied gamely under a drive when headed inside the final furlong to deny Mubjihah (GB) (Shamardal) by a neck in the dying strides. “It was well deserved and she was given an excellent ride,” said trainer Andrew Balding. “She relaxed really well in behind in the hood, she was strong at the finish and gained plenty today. I think that will be it for the season, but we will discuss it with the powers that be. I think the [G3] Oh So Sharp S. comes a bit tight.” Vermilion is the 11th of 12 live foals and ninth scorer produced by a full-sister to G3 Greenham S. victor and G1 2000 Guineas third Barathea Guest (GB) (Barathea {IRE}). The February-foaled bay, whose third dam is G2 Nassau S. runner-up Western Star (GB) (Alcide {IRE}), is half to a yearling colt by Ten Sovereigns (IRE) and to the dual Group 3-winning G1 Preis der Diana (German Oaks) runner-up Dajuma (IRE) (Aussie Rules), herself the dam of four black-type performers headed by multiple Group 3-placed Listed Prix Volterra victrix Samahram (Fr) (Sea The Moon {GER}) and the dual Group 3-placed Djukon (GB) (Jukebox Jury {IRE}). Sales history: 80,000gns Wlg ‘20 TATFOA; 120,000gns Ylg ‘21 TATOCT. Lifetime Record: 3-1-0-2, $11,568.

5th-Haydock, £9,999, Mdn, 9-24, 2yo, c/g, 7f 212yT, 1:46.08, g/s.

SALT BAY (GER) (c, 2, Farhh (GB)--Salitita (IRE), by Galileo (IRE)) recovered from a stuttering getaway to track the leaders in sixth after the opening exchanges of this debut. Nudged closer in the straight to loom large approaching the quarter-mile marker, the 16-5 chance jumped a shadow when asked to change gear with 1 1/2 furlongs remaining and was ridden out in the closing stages to prevail by two lengths from Arkendale (GB) (Pivotal {GB}). Salt Bay, a half-brother to G2 Huxley S. third Palavecino (Fr) (Cacique {IRE}), is the latest of four foals and third scorer from as many runners for the unraced Saltita (IRE) (Galileo {IRE}). His second dam Salontasche (Ger) (Dashing Blade {GB}), who produced four black-type performers headed by multiple stakes-winning G1 Preis der Diana (German Oaks) runner-up Sarandia (Ger) (Dansili {GB}), is a daughter of G2 German 1000 Guineas placegetter Salonrolle (IRE) (Tirol {IRE}) and hails from the family of this year’s G1 Deutsches Derby hero and Sunday’s G1 Preis von Europa contender Sammarco (IRE) (Camelot (GB)). Galeron managed to upstage the subsequent G2 Flying Childers S. and G3 Molecomb S. scorer Trillian (GB) (No Nay Never) on his second start over six furlongs at Goodwood June 17, but could fare no better than sixth in both that track’s seven-furlong G2 Vintage S. July 26 and York’s G2 Gimcrack S. back at six Aug. 19. Fourth in the 6 1/2-furlong Weatherbys Scientific £300,000 2-Y-O S. at Doncaster Sept. 8, the bay chose his moment to shine in this valuable prize. Held up early by Shane Foley, the 16-1 shot arrived at the front two out and relished the stamina test to hold Hellsing at bay on the run to the line.

Owner Gary Robinson said, “We bought this horse last year from Charlie [Hills]. I’m pretty new to owning racehorses, about 18 months in, and I wanted a couple of Flat horses for the Vegas if he won and that looks like it’s going to happen now. The name of the horse is Galeron and we named him after myself, my wife Leanne and my daughter Ronnie. I think the biggest win I had before was in a £25,000 race, so we’re talking different numbers now.”

The unraced dam, whose daughter of Dandy Man (Ire) was a 10,000gns purchase by SackvilleDonald for Tom Dascombe at this month’s Tattersalls Somerville Yearling Sale, has also produced the Listed Woodcote S.-placed Red Icon (Ire) (Acclamation (GB)). The second dam is the G3 Curragh Cup third Pillars Of Society (Ire) (Caerleon), who threw the GII Regret S. scorer Good Mood (Ire) (Danehill Dancer (Ire)), while the third dam is the G1 Prix Saint-Alary heroine Grise Mine (Fr) (Crystal Palace (Fr)). HORIZON DORE (Fr) (g, 2, Dabirsim (Fr)--Sweet Alabama (Fr), by Enrique (GB)) was reined back to track the leaders in third passing the judge first time and remained there for most of this debut. Tanking forward off the home turn, the 31-10 second gained an edge with 300 metres remaining and lengthened clear in the closing stages to easily account for Valsad (Fr) (Heart’s Cry (Jpn)) by five lengths. Horizon Dore, the latest of eight foals, is the seventh scorer produced by a multiple-winning half-sister to five-time stakes placegetter Zayade (Fr) (Country Reel) and dual stakes-winning G2 Mill Reef S. and G3 Molecomb S. placegetter Global Applause (GB) (Mayson (GB)).

FRANCE

Saw the Goffs Million was.

Owner Gary Robinson said, “We bought this horse last year from Charlie [Hills]. I’m pretty new to owning racehorses, about 18 months in, and I wanted a couple of Flat horses for the Vegas if he won and that looks like it’s going to happen now. The name of the horse is Galeron and we named him after myself, my wife Leanne and my daughter Ronnie. I think the biggest win I had before was in a £25,000 race, so we’re talking different numbers now.”

SMALL OASIS (GB) (f, 2, Sioux Nation--Collegiate (Ire), by Declaration Of War), a Sept. 15 debut third over this trip at Naas last time, was well away to stalk the tempo in an overall fifth through halfway here. Making smooth headway into contention passing the quarter-mile pole, the 8-1 chance eased to the from approaching the final furlong and was ridden clear in the latter stages to easily defeat Ardad’s Great (GB) (Ardad (Ire)) by an impressive 4 3/4 lengths, becoming the 36th winner for her freshman sire (by Scat Daddy). “We thought she’d have a chance of winning today, but didn’t think she’d win like that,” admitted trainer Michael Grassick. “She was working well at home, and we liked her, but I don’t dip into the tank at home. I think she really appreciates a bit of juice in the ground, she’ll stay seven and we’ll try and find a black-type race now for her. It’s nice to have an exciting one.” Small Oasis is the first of three foals produced by a daughter of G2 Rockfel S. and G3 Prestige S. second Cochabamba (Ire) (Hurricane Run (Ire)), herself a half-sister to the dam of G2 Gran Criterium third Revelstoke (GB) (Toronado (Ire)) and dual stakes-winning G2 Mill Reef S. and G3 Molecomb S. placegetter Global Applause (GB) (Mayson (GB)).

JACQUINOT BLOOMS IN GOLDEN ROSE

by Lydia Symonds

The Mick Price and Michael Kent, Jr.-trained Jacquinot (Rubick) proved he was one of the very best colts in the country and also entered the reckoning for The Everest after he landed a thrilling edition of the G1 Golden Rose S. at Rosehill on Saturday.

He came into the Group 1 having taken out the G3 HDF McNeil S. first-up in August and the form of that race has consistently been franked, with the runner-up, Aft Cabin (Astern), having taken out last weekend’s G3 Caulfield Guineas Prelude, while Tijuana (American Pharoah (USA)), who finished third, landed Friday night’s G2 Stutt S. at Moonee Valley.

However, despite this, there was little talk surrounding the colt’s chance in the G1 Golden Rose S., with much of the chatter being focussed on last year’s G1 Golden Slipper S. winner Fireburn (Rebel Dane), Group 1 winner She’s Extreme (Extreme Choice), Godolphin trio In Secret (I Am Invincible), Golden Mile (Astern) and Daumier (Epaulette).

But, he had clearly not paid any attention to pre-race build-up, letting down impressively, to storm up on the outside to just edge out last-start G2 Run To The Rose winner In Secret, who finished with a flourish on the opposite side of the track. Zou Tiger (Zoustar) was another 1.2l away in third, while Golden Mile, Fireburn and She’s Extreme came home in fourth, fifth and sixth respectively.

The son of the in-form Swettenham Stud stallion Rubick had performed well as a 2-year-old, finishing third in the G1 Blue Diamond S., before running sixth in the G1 Golden Slipper S. and co-trainer Kent, Jr. said the colt had improved so much since his juvenile season.

“Fantastic, what a win, they don’t usually do that. The speed was on and they kept flowing and the important thing was the horse broke well and got into a winning position and he really let down well.

Of the G1 Golden Slipper performance, Kent, Jr. said, “It was a heavy track, the blinkers were on which fired him a little bit and he was just too immature, we've got a much more robust horse these days.

“As a 2-year-old he was always the horse that was going to be improve the most, he was awesome first-up and a real set play by Mick [Price] and the team to come here second-up with a trial, keep the speed in his legs, he’s not a robust horse, I’m just delighted, it’s fantastic.”

Kent, Jr. said the plan had always been to head to the G1 Caulfield Guineas, but, now with his victory under his belt, the trainer was unwilling to make raceday plans.

“The plan before today was to go two weeks into the Caulfield Guineas, we've ticked the Group 1 box so now we’ll just work out if that’s the right thing for the horse. He'll be back on the truck tomorrow and we'll take a look at him at Cranbourne and make a call,” he said.

However, Price, who watched the colt’s win from Melbourne, said he was keen to get the colt a run in The Everest.

“Jacquinot will go to The Everest if we get a run,” Price said. “I know Jacquinot has to take on the best sprinters in The Everest and it would be a very tough job, but I would still ask it of him.

“I honestly think the Caulfield Guineas at 1600 metres is a difficult task, so I would be taking up The Everest if the owners want to take it up.”

Coolmore is among the Everest slot holders not to have filled their post and their Australian principal Tom Magnier was one of the first to approach Price’s training partner Kent, Jr. after Saturday’s Golden Rose.

Magnier later confirmed his interest in Jacquinot as an Everest runner, with the colt bred and part-owned by Lindsay Maxsted, who is Coolmore Australia’s chairman.

“Lindsay is our chairman at Coolmore but he’s not here today. I think he is regretting that now,” Magnier said. “As for The Everest, we will definitely have a look at it with Jacquinot.”
Should Jacquinot win the $15-million Randwick sprint, he would become the second son of Rubick to do so, following on from the victory of Yes Yes Yes, who landed the lucrative sprint in 2019.

**Pedigree Notes**

Bred by Maxsted, who retained the colt after he was passed in for $120,000 at the Magic Millions Gold Coast Yearling Sale in 2021, Jacquinot is out of unraced Pierro mare Ponterro, who is herself a daughter of listed-placed Redoute’s Choice mare Pontiana.

Pontiana herself has proved herself a top-class broodmare having foaled Group 1 winner Inference, Group 2 scorer Dragon Leap (Pierro) and Jacquinot’s listed-winning stablemate Illtation (So You Think {NZ}).

In 2021, Ponterro produced a colt by Rubick’s son Yes Yes Yes and was covered by another Coolmore Stud-based sire in Wootton Bassett (GB) last December.

Rubick, who began his career in the Coolmore Stud barn, now stands at Swettenham Stud in Victoria and he has enjoyed a brilliant season and Jacquinot becomes his first top-flight winner.
