SMALL-CIRCUIT STATE-BREDS SPARK UNDERDOG BC APPEAL

The Breeders’ Cup is always a bit more interesting when underdog horses from smaller circuits are in the mix, and both Slammed (Marking) and Tyler’s Tribe (Sharp Azteca) have the potential to bring outsized attention to their respective breeding programs in New Mexico and Iowa when they run in the Nov. 4 and 5 championships.

In the entire history of the Breeders’ Cup dating to 1984--out of a pool of 4,344 horses--those two states have accounted for just one state-bred starter each.

Slammed will represent New Mexico, and you could say that she arguably has the better chance in her race, the GI Breeders’ Cup Filly and Mare Sprint. After breaking out at Del Mar this summer, she’s more proven at the national level, and she also owns a recent sharp win over the Keeneland surface, having earned a Breeders’ Cup berth with an Oct. 8 GII Thoroughbred Club of America S. victory.

But figuratively, Slammed has to outrun the oddball specter that lingers from the only other Land of Enchantment-bred to give the Breeders’ Cup a go: Ricks Natural Star, whose start in the GI Turf in 1996 rates as one of the most captivatingly bizarre happenstances in the history of the series.

CONSTITUTION LEADS WINSTAR ’23 ROSTER

With Constitution leading the way at $110,000, WinStar Farm has released the 2023 stud fees for its stallion roster.

Constitution, the sire of eight individual runners who have earned 100+ Bayers in 2022, has been represented this year by Gill Peter Pan S. winner and ’TDN Rising Star’ We the People, Gill Distaff H. winner Glass Ceiling, Gill Greenwood Cup S. winner Ridin With Biden and Gill San Juan Capistrano S. winner Breakpoint (Chi). He was also responsible for a pair of seven-figure yearlings at the Keeneland September sale. Constitution stood the 2022 season at $85,000.

WinStar Farm’s roster will be bolstered next year by the addition of multiple Grade I winner Life is Good (Into Mischief), who will stand his first season at $100,000, pending results of the upcoming Breeders’ Cup championships.

Also new to the roster in 2023 is track-record setting Nashville (Speightstown), yet another ’TDN Rising Star,’ who will stand for $15,000. His sire Speightstown will stand for $80,000, down from $90,000 in 2022. Cont. p5

MAGERS REFLECTS ON RACING/BREEDING CAREER
Chicago news anchor Ron Magers, co-breeder of champion Echo Zulu, reflects on 30 years in the racing and breeding game.

The Week in Review (cont. from p1)

As Andrew Beyer wrote in his Washington Post preview of that year’s championships, “On a morning when the world’s best horses were entered for Saturday's Breeders' Cup, the main object of attention at Woodbine Racetrack was a hopeless 7-year-old from New Mexico.... In the view of many at Woodbine, [Ricks Natural Star] is making a mockery of the sport's biggest event. To others, this quixotic venture epitomizes the romance of the game.”

When the gelding’s offbeat owner and trainer, William Livingston, took out a loan and submitted a surprise $40,000 entry to enter his one and only racehorse against the planet's top turfers, Breeders' Cup officials were both appalled and perplexed. This was the era prior to the current stricter qualifying standards and more enlightened veterinary oversight, and to say the entry was off their radar would have been an understatement: Ricks Natural Star hadn’t raced in over a year and hadn’t won a race in three years, since besting $3,500 claimers on the dirt at Sunland Park.

Livingston, a veterinarian from New Mexico who claimed to treat everything from “parakeets to elephants,” had only gotten his training license just prior to the Breeders' Cup, and he told the media that he had conditioned Ricks Natural Star by driving alongside him on a ranch in a pickup truck.

Livingston then drove the gelding to Canada in a one-horse trailer, keeping his Turf entrant in a makeshift pen in the parking lots of motels when he stopped for the night. Informed by Breeders' Cup officials along the way that Ricks Natural Star lacked a required published workout that would preclude him from starting, Livingston made a side trip to Remington Park in Oklahoma so the gelding could stretch his legs in a leisurely six furlongs in 1:21.46.

There were border-crossing difficulties getting into Canada and Livingston arrived without proper tack and equipment, yet he delighted in showing off Ricks Natural Star, even allowing onlookers to climb atop the gelding's back for photo opportunities. This was the Breeders' Cup that would feature the mighty Cigar's final race (he'd finish third in the GI Classic), but all of the pre-event attention was riveted on Ricks Natural Star, with Livingston insisting he would win the Turf.

Local jockey Lisa McFarland was recruited (or perhaps drew the short straw) from the local riding colony to pilot Ricks Natural Star, and if her strategy was just to let him run freely then get out of the way of everyone else, she executed it with precision. Far underlaid in the betting at 56-1, the popular gelding forced the pace for a half-mile then was eased back through the field, distanced well behind winner Pilsudski (Ire).

Ricks Natural Star made one more start a couple months later in New Mexico for a $7,500 tag (sixth, with the chart caller’s comment “showed nothing”), but was claimed out of that race by new connections solely for the purpose of retiring him.

Conversely, the unbeaten 2-year-old Iowa-bred Tyler's Tribe, who has never been headed while winning five dirt races by an aggregate 59 3/4 lengths, is on target for the GI Juvenile Turf Sprint.

Tyler’s Tribe will bring a little more “undefeated appeal” into his Breeders’ Cup appearance (his connections are opting for first-time turf rather than stretching out to two turns against what looms as a deep GI Juvenile field on dirt). But his Iowa roots don’t come with any oddball back story like his New Mexico counterpart. The only previous Iowa-bred in the Breeders’ Cup was Topper T (Bellamy Road), who ran eighth in the 2018 GI Juvenile.

End Zone Athletics Hits 200 Wins

With a pair of victories at Remington on Saturday night, End Zone Athletics, the stable name for horses owned by trainer Karl Broberg, quietly hit the 200-victory mark for the year—again.

End Zone, which operates at numerous tracks throughout the South and Midwest, is well on its way to leading the continent for wins as an owner, as it has every year since 2016.

Save for the pandemic-altered 2020, when Broberg’s outfit won “only” 165 races, End Zone has now cracked the 200-win mark every season since 2017.

Even more impressively, consider for perspective that during that entire time frame, only one other owner has reached 200 victories in a single season (Loooch Racing Stables in 2018).

In the North American trainer standings, Broberg is currently second on the year for victories. He was the continent’s winningest trainer by that metric between 2014-19, and was second in wins in 2013, 2020 and 2021.

No Walk in the Park for ‘Beverly’

Beverly Park (Munnings) came a neck shy of winning his 12th race of the year on Saturday at Keeneland. But the third-place effort might have been gutsier than any of the 11 victories racked up so far this year by North America’s winningest horse for 2022.
Facing $20,000 starter-allowance company for the second straight time after feasting primarily on $5,000 starter-allowance foes during the earlier part of the season, the 5-year-old forced the issue under jockey Rafael Bejarano while widest in a four-way speed duel, put away those three rivals by the quarter pole, led until the eighth pole, then couldn’t withstand a pick-up-the-pieces late rally from a fresh closer.

Beverly Park, who races for owner/trainer Norman Lynn Cash (Built Wright Stables), still has a three-victory cushion over his next closest competitor, Exit Right (Effinex), who ran sixth and last in a $5,000 starter/optional claimer at Delaware Park on Friday.

No North American Thoroughbred has won more than 12 races in an entire calendar year since 2011.

Constitution Leads WinStar Stallion Roster
(cont. from p1)

“We are excited about our roster for 2023, and feel we offer a range of quality horses and value to all breeders,” said Elliott Walden, president, CEO, and racing manager for WinStar Farm. “We will also be offering a limited number of seasons to Life Is Good before the Breeders’ Cup Classic.”

The WinStar roster also includes: Audible, $25,000; Improbable, $25,000; Always Dreaming, $10,000; Global Campaign, $10,000; Independence Hall, $10,000; Outwork, $10,000; Take Charge Indy, $10,000; Tom’s d’Etat, $10,000; Yoshida (Jpn), $10,000; Good Samaritan, $7,500; Paynter, $7,500; Promises Fulfilled, $5,000; and Tourist, TBD.

Stallions will be available for showings at WinStar’s Open House, Nov. 7-15, during the Keeneland November Sale.
ASMUSSEN QUINTET TUNES UP FOR BREDERS’ CUP

Trainer Steve Asmussen sent five Breeders’ Cup contenders out to work Sunday at Keeneland.

Grade I-winning fillies Clairiere (Curlin) and Society (Gun Runner), working in company, went five furlongs in a bullet :59.80 (1/34) in preparation for the Nov. 5 GI Breeders’ Cup Distaff. The duo worked through fractions of :11.80, :23.80, :35.60, :47.60, :59.80 and out six furlongs in 1:13.20.

Epicenter (Not This Time), off since winning the GI Runhappy Travers S. Aug. 27, worked five furlongs in company in 1:00.20 (3/34) in preparation for the Nov. 5 GI Breeders’ Cup Classic. The sophomore worked through fractions of :12.60, :24.60, :37.40 and out six furlongs in 1:14.

Champion Echo Zulu (Gun Runner), aiming for the GI Breeders’ Cup F/M Sprint, went five furlongs in company with maiden winner Marsalis (Curlin) in 1:02.80 (25/34). The filly, who suffered the first loss of her career when fourth in the GI Kentucky Oaks, rebounded with a win in the Sept. 24 GI Dogwood S. last time out.

Also working Sunday at Keeneland, GI Breeders’ Cup Juvenile Fillies contender Grand Love (Gun Runner) went five furlongs in 1:00.60 (7/34) while working with maiden winner Bella Runner (Gun Runner).

“They put in good, solid moves,” Asmussen said Sunday. “They came out of it good and cooled out nicely, and we’ve got Jackie’s Warrior [working] tomorrow. I am extremely pleased with how the preparation has gone. The weather has been excellent. The race track is in good shape and I love the shape they are in.”
Trainer Wesley Ward had a pair of Breeders’ Cup contenders work Sunday at Keeneland. ‘TDN Rising Star’ Kimari (Munnings), considered possible for the GI Breeders’ Cup Sprint or the GI Breeders’ Cup F/M Sprint, worked five furlongs in 1:00.60 (7/34). Nakatomi (Firing Line), a possible Sprint candidate, worked a half-mile in :48.80 (10/50).

Caravel, purchased for $500,000 at last year’s Fasig-Tipton November sale, captured her second graded win for the new connections this year when she sauntered clear to the wire to win the GIII Franklin S. at Keeneland Sunday. Sent off the 2-1 favorite, the gray mare sat settled in a tracking third along the rail behind and opening quarter in :21.40. She charged up four wide into the lane and collared pacesetting second-choice Twilight Gleaming (Ire) (National Defense (GB)) with a furlong to run before skipping clear late.
“The mare ran a great race,” said winning rider Tyler Gaffalione. “She broke alertly today. I knew [jockey] Johnny Velazquez’s horse [Twilight Gleaming] was the one to beat, so I worked my way out to get behind her, and coming into the stretch, I attacked her as soon as I could. My horse was game, and she finished the job well.”

Caravel began her career racing in the silks of her breeder and trainer, Elizabeth Merryman, for whom she won four stakes. Bobby Flay joined the ownership line ahead of her first graded score in last summer’s GIII Caress S. at Saratoga and the mare moved to the barn of trainer Graham Motion to finish third in the Aug. 22 GI Highlander S., sixth in the Sept. 25 GIII Turf Monster S. and 12th in the Nov. 6 GI Breeders’ Cup Turf Sprint.

Fergus Galvin of Hunter Valley Farm signed the ticket to acquire Caravel for $500,000 at the Fasig-Tipton November sale. Transferred to Brad Cox, she took the Queen S. at Turfway in March in her first start for the new owners. She added wins in the June 10 GIII Intercontinental S. at Belmont Park and Aug. 20 Smart N Fancy S. at Saratoga and was coming off a fourth-place effort in the Sept. 19 GII Presque Isle Downs Masters S.

Asked whether Sunday’s win had earned Caravel a return trip to the Breeders’ Cup in three weeks, Cox said, “That will ultimately be up to the owners [Qatar Racing, Marc Detampel and Madaket Stables], but we’ll talk to them about it. I do know she’s in the [Keeneland November Breeding Stock] sale, but there’s been some talk about possibly running her next year as well, so who knows? At the end of the day I’m just proud of what she’s been able to accomplish, and congratulations to the ownership group. She’s a tough filly. She always brings it.”

Caravel is entered in the Keeneland November sale as hip 224.

The ultimate stallion WISH list

Looks, pedigree and the brilliance to down a Champion in the G1 Forego running a 112 Beyer, just missing a 44-year-old Saratoga record. Tick every box with Cody’s Wish, a future Darley stallion at the end of his racing career. Just imagine.
Congratulations to Jumpin Junie's connections: Owner Sea Glass Stables, LLC, Breeder Karen E. Carroll, and Trainer Daniel J. Vella.

Jumpin Junie broke her maiden in the $250,000 Princess Elizabeth Stakes at Woodbine. Controlling the pace at nearly every call, the precocious daughter of Midnight Lute finished with a flurry, clocking the final eighth in 12 and change - a clear indicator of both the filly’s class and promising future.
Pedigree Notes:
Caravel is the first foal out of Zeezee Zoomzoom, who is also the dam of multiple stakes winner Witty (Great Notion). The 10-year-old mare produced a colt by Great Notion in 2021 and a filly by Street Boss this year. She is a daughter of multiple stakes winner and multiple graded placed Zee Zee.

BREEDING STOCK ON TAP AT FASIG-TIPTON SARATOGA FALL SALE Christina Bossinakis

The focus switches to breeding stock with the return of the Fasig-Tipton Saratoga Fall Sale, which will be held at the Humphrey S. Finney Pavilion Monday. A total of 236 broodmares/broodmare prospects and New York-bred weanlings have been cataloged for the single-session sale, which gets underway at 10 a.m. To view the catalog, click here.

After being KO’d by COVID in 2020, the sale returned in 2021, generating $3,657,800 in revenue for 163 head sold. Heading last season’s sale was a filly by Catalina Cruiser, that realized top price of $195,000.

“This is an important sale for those that actively participate in the New York-bred program,” said Fasig-Tipton President Boyd Browning. “Saratoga Fall annually offers the highest concentration of New York-bred weanlings of any mixed sale in North America. This year we have 175 weanlings catalogued—all of which are New York-bred.”

Added Browning, “There are also good opportunities in the broodmare portion of the sale, with a number of mares in foal to promising young sires.”
Among this season’s young stallion roster with first weanlings or yearlings up for grabs Monday are Instagrand, Leofric, Solomini, Global Campaign, Fog of War, Honest Mischief, King for a Day, Sun to Run, Complexity, Higher Power, Maximus Mischief, Yoshida, Killybegs Captain, Frank Conversation, Mr. Monomoy, Gunnevera, Flameaway, Audible, Country House, Vekoma, Honor A.P., Vino Rosso, War of Will, Gift Box and Tom’s d’Etat.

Once again providing strong New York-bred representation, RFHF Bloodstock offers up 21 head—19 youngsters and a pair of in-foal broodmares. Often found among the leading consignors at this venue, RFHF sold the sale-topping weanling, a colt by Practical Joke, for $160,000 during the 2019 renewal of the sale.

“We are going in there with a slightly smaller group of horses this year,” said RFHF’s Chris Bernhard. “We had a few April and May babies, and pushing them for an October sale didn’t really seem fair to them. I feel we often leave money on the table with them, so I tried to go over there with the horses that are going to fit. Although we have a few less horses than we normally do, the quality and sire power is still there.”

In regard to the positioning on the sale’s calendar, he continued, “I always try to have a significant number of horses for this sale. I feel like a lot of the Florida and Kentucky pinhookers have put it on their calendars. “I think it’s a great opportunity for breeders to sell horses in their own backyard. For me, it’s nice to do it at home and be able to sleep in my own bed and then go back at it the next day.

“I’ve always been one of the biggest supporters of the sale and will continue to do so.”

Among RFHF’s leading prospects this year is hip 200 by Honor A.P. out of Italian highweight juvenile filly Omaticaya (Ire) (Bernstein), purchased by the operation in foal to the Lane’s End sire for $30,000 at Keeneland last November. The Jan. 29 colt is from the family of Irish highweighted router Muhtarram.

“He’s a standout,” he said. “He’s just really beautiful.”

Bernhard is equally high on hip 105, a colt by Taylor Made stallion Instagrand out of EZ Passer (Southern Image).

“I like our first-year horses which is what I try to program,” he explained. “We go over there with proper horses that are proper physicals and have some pedigree behind them. And try to be the first of that sire’s offspring to go through the sale.”

Of the pair of colts, Bernhard added, “They are both big, scopey, pretty individuals. We thought this was a good opportunity here. They both have lovely pedigrees.”

Another colt on offer representing first-season sire War of Will is hip 209. The colt’s dam Parol (Mizzen Mast) was secured in foal to the Claiborne sire for $102,000 at Keeneland last November. The March foal hails from the female family of Pulpit.

“I have intentionally put in first-season sires in this sale because between Taylor Made, Lane’s End and Claiborne, they each have their own following in this business and I feel it’s strategically a smart place to put them. Hopefully, the individuals shine and we can top the sale again this year.”

Additionally, Empire State-based sires also can be found on the pages of this season’s consignment, including a pair of weanlings by Fog of War (War Front), who stands at Bernhard’s Hidden Lake Farm in Stillwater, New York. The GI Summer S. winner is represented by his first crop of weanlings in 2022.

Heading the duo is a colt bred by Hidden Lake, hip 117. The Feb. 4 foal is the fifth offspring out of Fujiana (Fusaichi Pegasus), a half-sister to GSW Josh’s Madelyn (Quiet American) and Party Silks, dam of MGSW and MGISP Upstart (Flatter) and SW Practice Squad (Malibu Moon). RFHF also presents hip 23, a Fog of War colt out of SP Sweet Sugaree (Tiznow).

“They are intentionally put into this sale,” he said. “I have talked to a few people that are keen on [the stallion’s first foals] as well. I am excited to see how his progeny fare at this sale and we have a few more that we’ll offer over the next couple of months.”

He continued, "I have seen about 70% of [Fog of War’s] offspring and I’ve been really pleased with them as individuals. They have a lot of leg, and are big, stretchy horses with a real powerful shoulder. They are very pretty, balanced and look fast and early."

According to Bernhard, partner Chris Larsen’s 3C Stable has made a concerted effort to improve his broodmare band in an effort to support his New York program. As a result, several of the resulting foals secured in utero over the past year have made their way to the sales ring this fall.

“We bought a couple million dollars worth of mares--about 60 mares over the course of the last two years--to support his investment in Fog of War and Galilean [standing in partnership with West Point],” he explained. “So, these are the first couple of weanlings that are coming out of that group, which includes our War of Will and Honor A.P. colts.”

“[From those mares] we have a lot of those babies are nicely sired Kentucky horses and we’ll have another group of horses that will go to Keeneland. We’ll probably hold back 60 or 70 weanlings to look at for the August sales in Saratoga."

“Basically, we were looking to get our initial investment back from the 22 foals out of the mares we purchased and can also give [Fog of War and Galilean] a proper opportunity to be bred to nice mares.”

RON MAGERS REFLECTS ON HIS DECADES IN RACING AND BREEDING by Stefanie Grimm

“It all happened only because my wife, Elise, is very careful about where she walks...especially around horses.”

A Chicago-area veteran and established local TV news anchor, Ron Magers knows a good story when he hears one. It was Gulfstream Park in the spring of 1990 when Ron, accompanied by his wife, Elise, were making their way out of the paddock on their way to the airport at the end of the day’s races. When something shiny in the dirt caught Elise’s eye, she bent and scooped up what was an unassuming and fake-appearing diamond tennis bracelet. In a hurry to make their flight back to Chicago, the pair decided to figure out the identity of the missing bracelet’s owner the next day.

The next morning in Chicago, we were closing on a real estate purchase,” Magers said. “Elise pulled a pen out of her purse and the bracelet was caught on the clip. We told our attorney about the find and he suggested we start by getting it appraised to see if it is real.”

A local jeweler examined the piece and determined that not only were the stones real, but that they were of high quality and worth quite a bit of money. Ron’s attorney made a quick phone call back to Gulfstream Park to inform them of the found item of value and, within a couple of days, heard back from a man in California whose wife had lost her bracelet while visiting Gulfstream.

“It turns out that the California man knew Chicago jeweler Lester Lampert, [so] we took the bracelet to Lampert who had it returned to the owners in California. The owner had offered a reward so we gave him the name of a Chicago charity we supported and suggested he send the reward as a donation.”

A story with a happy ending. But, little did Magers know, his story was just beginning.

“Another attorney, Howard Feinstein, called me [later] to say that he knew our attorney and had heard about the bracelet story. He had also been told of our love of horse racing and that we were thinking about buying a racehorse,” Magers said.

From humble beginnings, a partnership was formed.

“[Howard asked], did I have $10,000 that I’d be willing to throw out the window in hopes of having some fun and learning about racing? That’s the way he [Howard] approached things. He also joked that anyone dumb enough to return that bracelet was the kind of person that he wanted to take advantage of. [I liked that], Howard was fun.”

As the pair settled into their partnership, Ron’s love for the sport only grew and by the summer of 1991, he was ready to buy a horse on his own.

“Trainer Bob Voelkner turned down several horses I proposed claiming,” Magers said. “He finally agreed to put in a claim for a filly named Lemhi Go who was running for a tag of $16,000.”

Lemhi Go (Lemhi Gold), a 3-year-old Virginia-bred, won the race and there were four other claims put in for her besides Magers’s. One winning shake of the dice later, Ron Magers was now the owner of his own racehorse.

And what a horse she would go on to become. Racing under the aptly named Diamond Stable, Lemhi Go picked up wins in the GIII Arlington Matron H. and the GII La Prevoyante H. before retiring with a record of 41-12-5-6 and earnings of over $330,000.

“When her racing career was over, we sent her to Needham Betz Farm in Kentucky to be sold as a potential broodmare,” Magers remembered. “That choice came at the urging of longtime horseman, Rob Marcocchio, who had done business before with that farm.”

Thankfully for Magers, he was talked out of the decision to sell.

“A few weeks later, the farm owner, Bill Betz, called me to say he didn’t want to see this mare sold,” Magers recalled. “I told him I knew nothing about the breeding business and wasn’t sure it was for me. His proposal was to have the mare appraised, the farm would buy half, and we would be equal partners sharing the same risk while I would learn about breeding.”

In what would prove to be a fruitful choice, Magers kept Lemhi Go and bred her that first year to GISW Gone West. The resulting filly, named Triple Treasure, sold for $650,000 as a yearling. Magers retained Lemhi Go’s second foal, a filly by MGISW Summer Squall, before finally selling Lemhi Go, in foal to 3-year-old champion colt and GI Kentucky Derby winner Unbridled, in the 1996 Keeneland November Breeding Stock Sale for $400,000.

The Summer Squall filly, later named Temporada, would go on to produce a Kentucky Derby contender in 2016 GI Xpressbet.com Fountain of Youth S. winner Zulu (Bernardini).

“Elise and I continued to breed a band of mares with Needham Betz and other partners for more than 25 years,” said Magers. “We had great success along the way and one of our last crops of yearlings included champion 2-year-old filly Echo Zulu (Gun Runner).”

As Magers prepares to step away from the racing and breeding industry after over 30 years, he couldn’t help but go back to where the whole story started.

Echo Zulu wins the GI NetJets Breeders’ Cup Juvenile Fillies | Eclipse Sportswire

“We stepped away from the breeding business in 2019 but, in wrapping [that up], we bought back three babies from the partnerships out of a line that traced back to Lemhi Go,” said Magers. “All three raced at Gulfstream Park with trainer Ralph Nicks and all three were mid-level claiming winners running in bright, coral-colored silks with a black diamond on the back.”

Magers admits, “It is a delightful way to end our career with horses.” He continues, “Diamonds will last forever and, for us, so will the stories and memories that came with a career in racing and breeding.”
LETTERS TO THE EDITOR

I always enjoy whatever Chris McGrath writes, particularly his way of getting at things that many do not want to address. In Saturday’s TDN he touched on a subject close to my heart (This Side Up, Nov. 15 TDN), so much so that I would venture to distil an answer to his question of why modern horsemen are so much more reluctant to ask questions of the Thoroughbred than their predecessors, down to the following:

Because in the modern “Thoroughbred Industry” the tail of stud value now wags the dog of racing spectacle. Or as Todd Pletcher put it (in Bill Finley’s excellent 2010 paper, “Do We Need a Sturdier Racehorse?”) everything comes down to economics.

Racehorses are too valuable to race. A phenomenon the doyen of British racing scribes, Tony Morris, first predicted in an article about Shareef Dancer’s brief career. I’m showing my age now!

We tend to justify (no pun intended) brief racing careers and cash-in retirements by saying the horse “had nothing left to prove.” Except perhaps competing in more races, generating racing spectacle for connections and fans alike and perhaps even becoming a draw for the general public.

And, drug scandals aside, we wonder why racing is declining in popularity.

SHE’S A BOLD ONE CROWNED THOROUGHBRED MAKEOVER CHAMPION

She’s a Bold One (Midshipman), trained by junior Jenna Denver of Imlay City, Michigan, was crowned the 2022 Thoroughbred Makeover Champion Saturday following three days of competition at the Kentucky Horse Park.

The unraced She’s A Bold One recorded her last timed work Jan. 12, 2021. The 4-year-old filly finished fifth in the preliminary eventing round, netting Top Junior honors as well. The pair also finished fourth in Dressage and took home the Top Junior prize in that discipline as well.

Entering Saturday's finale on a blank slate, She’s A Bold One lived up to her name, demonstrating a bold, forward ride through the indoor course of show jumping fences and cross-country portables. The judges found her adjustability and quality of gaits apparent and moved her decisively into the first-place position in the event, which was sponsored by Churchill Downs. The pair then returned for Dressage, finishing second in a very close field.

“It’s surreal still,” said Denver after accepting the trophy. “But I’m so happy. She went straight from Eventing right to Dressage, and she did that very well, and I think that stands out. At home, it’s a balance of dressage and jumping, but I focus on the overall fitness of the horse. I think that’s really important for both disciplines. She’s my first Thoroughbred I’ve trained myself completely—-it feels really good and it’s a really good achievement that I’ve produced my own horse.”

The People’s Choice Award, sponsored by Achieve Equine, was determined by text-in popular vote open to both in-person and livestream attendees. This award was given to Prince of New York (Cairo Prince), trained by Chris Bennings, the winner of Show Jumper as well as second place in Show Hunter.

MALATHAAT LI’L SIS GREEN, BUT GOOD;  
ALSO NAMED ’RISING STAR’

by Alan Carasso

The immaculately bred Julia Shining (f, 2, Curlin--Dreaming of Julia, by A. P. Indy) looked the unlikeliest of winners as the field for Sunday’s sixth race at Keeneland raced down the backstretch, but she found her best stride on the turn, inhaled her rivals with a wide sweep and fought on to the wire to join her MGISW full-sister Malathaat as a ’TDN Rising Star.’

Bet down to 2-1, the Stonestreet homebred broke well enough, but then traveled extremely awkwardly and as green as the turf course, climbing badly for the opening quarter mile and looking like her mind was somewhere other than on the task at hand. Vigorously ridden by Luis Saez into the final half-mile, she finally picked up the bit about three furlongs from the wire and began to make eyecatching headway, but she had no choice but to take the overland route and traveled some six or seven wide into the stretch.

In front soon after, Julia Shining carried the lead into the final eighth of a mile, but her inexperience began to catch up with her yet again, as drifted noticeably to her left and down towards the fence. But Saez managed to keep her alive and she’d done enough by then to hit the wire 2 3/4 lengths to the good of Positano Sunset. Julia Shining is the 21st ’TDN Rising Star’ for her Hill ’n’ Dale-based super-sire.

Julia Shining’s third foal was Malathaat (Ch. 3yo Filly, $2,750,825), a $1.05-million purchase by Shadwell at the 2019 Keeneland September Sale, who was named a ’Rising Star’ just over two years ago and followed up in the 2020 GII Demoiselle S. Malathaat was the no-brainer choice for champion of her generation in 2021, courtesy of her wins in this track’s GI Central Bank Ashland S., the GI Longines Kentucky Oaks and GI Alabama S. She will attempt to improve on her third-place effort in last year’s GI Breeders’ Cup Distaff in three weeks’ time, having prepped with a smooth success in the GI Juddmonte Spinster S. over the Distaff track and distance just last Sunday.

Dreaming of Julia is the dam of a yearling filly by Medaglia d’Oro and a weanling full-sister to Malathaat and Julia Shining foaled this past Apr. 4. She was sent to Into Mischief this term.

Dream Rush, winner of the 2007 GI Test S., was acquired by Halsey Minor for $3.3 million at that year’s Fasig-Tipton November Sale and remained in training through early 2009, when she was acquired privately by Stonestreet. Sent to A.P. Indy for her first covering, the result was Dreaming of Julia, also named a ’Rising Star’ on her Saratoga debut in 2012 and subsequent winner of that year’s GI Frizette S. Also third to Beholder (Henny Hughes) in the GI Breeders’ Cup Juvenile Fillies, she won the 2013 GI Gulfstream Park Oaks by nearly 22 lengths, was a troubled fourth behind stablemate Princess of Sylmar (Majestic Warrior) in the GI Kentucky Oaks and finished runner-up in the GI Mother Goose S. in what became her final career appearance. Dream Rush is also responsible for ’Rising Stars’ GSW Dream Pauline (Tapit) and SW Atreides (Medaglia d’Oro).

Given a tepid 13-1 chance Sunday, she again went right to the front before settling behind only loose leader Friends for Life (Silent Name {Jpn}). Having inherited the lead as that rival faded past the half-mile pole, Jumpin Junie increased her margin steadily down the lane until she was safely home. Another Flashback is responsible for a yearling filly, Talbot Star (Sky Mesa), and a weanling full-sister to Jumpin Junie. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

Late September was a debut fourth facing open rivals at Keeneland Apr. 20 before graduating at Churchill exactly one month later. Well-beaten when last seen in Royal Ascot's G2 Coventry S. for Rusty Arnold June 14, the bay changed hands for $60,000 at the Fasig-Tipton Horses of Racing Age Sale in July and was having his first start since while dropping into restricted company.

Consigned to a five-wide run around the first turn, Late September improved into third at midway, claimed the lead three deep approaching the quarter pole and stayed on bravely to hold off King’s Lute.

Late September shares his Sovereign Award-winning second dam with Irish multiple Group 3 winner and G1 Irish 2000 Guineas runner-up Free Judgement (Vindication). Hello Maggie May, purchased by Keith and Ginger Myers' Coteau Grove for $37,000 with this colt in utero at the 2020 Keeneland January Sale, is also the dam of a colt by Spun To Run and was bred back to Louisiana-based 'TDN Rising Star' No Parole (Violence). KAUFYMAKER (f, 3, Jimmy Creed--Heaven’s Touch, by Montbrook) parlayed her 6 1/4-length debut score as a juvenile last year into a trip to Royal Ascot for the G2 Coventry S., where she finished eighth in her first try on the grass. Returning to the States that September in the Juvenile Sprint at Kentucky Downs and later at Keeneland’s Indian Summer S., she finished third and second respectively. She was last seen finishing a game third by a head in the GII Breeders’ Cup Juvenile Turf Sprint at Del Mar. Making her seasonal bow here, Kaufymaker was a 2-1 favorite on the return and did not disappoint despite playing tough to get behind the gate; first refusing to load and then dumping her rider when she mildly reared in the blocks. Early antics aside, she broke well to set a :21.70 and :45.08 early pace while keeping a measured distance on the outside pair pressing her for the lead. Turned loose in upper stretch, she jumped back to her left lead but held sway for a comfortable 2 1/4-length victory. Sutherland (Twirling Candy) closed from far back to secure second. Kaufymaker has a 2022 half-sister by Caravaggio and Heaven’s Touch went to Mendelssohn for 2023. Lifetime Record: GSP, 6-2-1-2, $277,585.

O’CONNOR (CHI) (h, 5, Boboman--Torrente de Agua {Chi}, by Touch Gold) romped by 7 3/4 lengths in the G1 Longines Gran Premio Latinoamericano two back Apr. 2 at Hipodromo in Chile before running second in the G1 Gran Premio Hipodromo Chile there four weeks later in his final start for trainer Carlos Urbina Hernandez. Settling in a distant fifth behind sharp fractions of :22.95 and :45.95 as a 19-10 second choice, the bay picked it up rapidly three wide on the far turn, swept to the front going by three-quarters in 1:10.35 and drew off for a powerful six-length success. Narrow chalk Octane (Brethren) just held for second.

"It took him a little while to acclimatize when he first came over here, but his last couple works were as good as a horse can work. The horse has unlimited talent," winning trainer Saffie Joseph, Jr. said. "I was a little bit concerned this race might be a little short for him, but he got the pace to run into. He’s a very nice horse. I would say we would like to go to the Harlan’s Holiday and give him a shot in the Pegasus. Obviously, the Harlan’s Holiday is a big steppingstone, but we think he’s that kind of horse. With a lot of the big guns retiring, it makes sense."

The winner’s third dam is Chilean champion Sacramentada (Chi) (Northair), who in turn produced GISW Hystericalady (Distorted Humor).

10th-Gulfstream, $55,000, Hcp, 10-16, 3yo/up, f/m, 7f, 1:23.20, ft, 2 1/2 lengths.
MARYQUITECONTRARY (f, 3, First Dude--Mary Kate ’n Kelly, by Mecke), with a second-place effort in the Azalea S. the only mark on her otherwise undefeated record, entered Sunday the even-money favorite and the only 3-year-old in this field of older rivals. Kept in hand off the pace far off the rail, she rallied from the five path to draw past leader Quinoa Tifah (Gemologist) at the top of the stretch and sprint clear late for a 2 1/2-length score. Out of a full-sister to MGSW & GISP Supah Blitz, Maryquitecontrary is her dam’s youngest reported offspring. Mary Kate ’n Kelly was reported bred to Adios Charlie for the 2023 season. Lifetime Record: SW, 5-4-1-0, $144,830. Click for the Equibase.com chart or VIDEO, sponsored by TVG. O/B-R. G. Lundock (FL); T-Joseph C. Catanese, III.
His dam has an unraced 4-year-old Caesarion (Ire) colt named Totoi (Chi) and an unraced sophomore colt by the same sire named Rey Atlan (Chi). Lifetime Record: G1SW-Chi, 19-10-5-2, $218,269. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

O-Fernando Vine Ode; B-Haras Carioca (CHI); T-Saffie A. Joseph, Jr.

7th-Hawthorne, $36,000, Alw (C), Opt. Clm ($35,000), 10-15, 3yo/up, 6 1/2f, 1:16.13, ft, 6 1/4 lengths.

LOVE THE NEST (c, 3, Blame--Congrats and Roses (MSW, $157,407), by Congrats), romping winner of the Northern Lights Futurity at two, scored by open-lengths first off an eight-month hiatus in allowance company at this track May 1 and was exiting stakes scores in the Minnesota Derby Aug. 13 and the Sept. 10 Minnesota Sprint S. at Canterbury Park. Favoring at 4-5 in his return to the Stickney oval, Love the Nest was beaten for early speed and raced in the clear to the turn. Under a bit of urging approaching the stretch, he loomed three and four wide and hit another gear passing the eighth pole before kicking home a much-the-best winner. The $105,000 KEESEP yearling is a half-brother to Defend the Rose (First Defence), SW, $127,420, and the 2-year-old gelding Roses by Liam (Liam’s Map), a debut second at Canterbury this past August. Two-time stakes winner Congrats and Roses was most recently covered by Beau Liam. Sales History: $105,000 Ylg ‘20 KEESEP. Lifetime Record: MSW, 8-6-2-0, $265,875. SPEED BIAS (c, 3, Uncle Mo--Hot Summer (MGSW, $298,959), by Malibu Moon), off the board only in his debut start when he was fourth sprinting six furlongs at Oaklawn Park Apr. 2, returned to cross the wire first in his next outing only to be disqualified and placed second Apr. 30 under trainer Brad Cox. Given a 6-1 chance for his first start with new connections, Speed Bias was taken in hand off the pace to be fifth in the early going. Let out for a run into the far turn, he made a sweeping four-wide move to draw even with odds-on Unlimitedpotential (Union Rags) at the head of the lane. The pair brushed briefly throughout their stretch-length duel with Speed Bias winning by the slimmest of margins on the line. A claim of foul from the runner-up was disallowed by the stewards. A half-brother to Mount Travers (Speightstown), MSP, $255,475, Speed Bias has a yearling half-sister by City of Light still to race behind him. Sales History: $220,000 Ylg ‘20 KEESEP. Showing the way in hand through :23.28 and :49.06 fractions, he skimmed the rail into upper stretch, edged clear under a drive to the eighth pole and dug in gamely to hold off C=Est Magnifique (Kitten= s Joy) by 1 3/4 lengths. A full-brother to MSP Red Rounder, the winner has a yearling half-sister by Hightail named Alpine Ash as well as a 2022 Keen Ice half-sister. Their dam, a stakes winner hailing from the female family of MGSW Queenie Belle (Bertrando)--herself the dam of Unrivaled Belle (Unbridled= s Song), best known for her daughter, Champion female sprinter and older dirt mare Unique Bella (Tapit)--went to Midnight Storm for 2023. Under urging from far out, he circled the field past the quarter pole to strike the front while racing six wide as this maiden group straightened for home. Kept to a drive under a left-handed crop, Dream Jereem finished strongly to win by a half-length over early pacesetter Yorkville (Awesome Slew). Lexi Tap produced a weanling filly by Flameaway and was bred to Higher Power for the 2023 season. Sales History: $60,000 Ylg ’21 FTKOCT; $80,000 2yo ’22 OBSOPN. Lifetime Record: 1-1-0-0, $44,496. LIAR’S POKER (c, 2, Empire Maker--Epping Forest (SP, $306,000), by Exchange Rate) stalked from third along the fence in this unveiling going long on the turf. The 9-2 shot came under coaxing at the three-eighths pole, angled four wide into the lane, and issued his challenge through the final furlong as General Banker (Central Banker) assumed the lead. Coming in and bumping that one’s hindquarters nearing the sixteenth marker as the jockeys continued their race riding, Liar’s Poker carried his rival inwards towards the finish but got the better of him by three-quarters of a length. A $250,000 SARAUG purchase, the winner is out of a stakes-placed daughter of Andraste (Pulpit), who herself is a half to MGISW Vicar (Wild Again) and SW Sheepscot (Easy Goer). The latter went on to produce G1SW Astronomer Royal (Danzig) and course-record setting GSW Navesink River (Unbridled). AMERICAN OUTLAW (c, 2, American Pharoah--Twixy, by Mutakddim) amassed a strong local worktab and was made the 19-10 favorite for this in-form barn. Bumped bilaterally at the break, the half-brother to Twixy Roll (Roll Hennessy Roll), MSW, $277,172, rushed up to contest the pace three wide into the turn. Hard-ridden by Richard Eramia, the dark bay led clear into the final furlong and drew off to score by five convincing lengths. From the family of GI Breeders’ Cup Dirt Mile winner Caleb's Posse (Posse), American Outlaw has a yearling half-sister by Arrogate. His dam was most recently covered by Marking--sire of this trainer's GI Breeders' Cup Filly & Mare Sprint contender Slammed--after failing to catch to Justify last season. ADDEYBB BOWS OUT WITH A WIN IN PARIS
by Tom Frary
No longer a force to be reckoned with in the major events across Europe, Sheikh Ahmed Al Maktoum’s stalwart Addeybb (Ire) (Pivotal {GB}) provided the deflated William Haggas stable with a much-needed boost on Sunday as he signed off with a hard-fought success in the G2 Prix du Conseil de Paris at ParisLongchamp.

“I’m absolutely thrilled to bits and we would like to call it a day with him now,” Haggas said in a statement after the victory. “He’s been a fantastic servant and it is wonderful he has finished on a high. So, we’ll retire him now. He’s been magnificent and has taken us across the world. He did us proud in Australia, he’s won a Champion S. at Ascot, he’s been a marvellous horse.”

BACK TO DEAUVILLE
ARQANA OCT SALE BEGINS

Lot 51, a half-brother to Taiba by Waldgeist

By Emma Berry
DEAUVILLE, France--The broodmare shopping spree of Leopoldo Fernandez Pujals several years ago has already resulted in his first homebred Group 1 winner, Blue Rose Cen (Ire) (Churchill (Ire)), a daughter of the Jeremy mare Queen Blossom (Ire) who heads next to the Breeders’ Cup at Keeneland. It was next door to that track that Fernandez Pujals, who operates as Yeguada Centurion, bought Needmore Flattery (Flatter) from Lane’s End Farm in 2019. That same year she had foaled a Gun Runner colt, who was later named Taiba and went on to to win this season’s GI Santa Anita Derby and G1 Pennsylvania Derby. His trainer Bob Baffert is not known for scouting the European yearling sales, but it would be no surprise to see some transatlantic interest in Taiba’s yearling brother from the first crop of Arc winner Waldgeist (GB), who features on the opening day of Arqana’s October Yearling Sale as lot 51.

Consigned by the Garcon family’s Haras de l’Hotellerie, which boards mares for the Yeguada Centurion operation, the chestnut colt is the fourth foal for his dam, a hard-knocking multiple stakes winner who claimed 17 victories during a four-season racing career and hit the jackpot with her first foal, Taiba.

The October Sale in Deauville was expanded during the pandemic to incorporate some Osarus yearlings and that larger format has remained, with a five-day auction conducted in three parts, commencing from Monday morning. Cont. p3

SARACEN HORSE FEEDS
Arqana Oct. Cont. from p1

Part 1 of last year’s sale featured as many international names on the buyers’ sheet as one might see during the August Sale and, following solid trade throughout the season, we can expect that to roll on this week to Arqana, which has catalogued 781 yearlings, with 333 of those in Part 1, staged over Monday and Tuesday.

Included among the early offerings is a half-brother to last season’s G1 Prix Marcel Boussac winner Tiger Tanaka (Fr) (Clodovil {Ire}) by the increasingly popular Mehmas (Ire) who is consigned as lot 42 by Haras d’Etreham. In fact consecutive lots from that draft could well attract plenty of interest as the next through the ring will be the Almanzor (Fr) second foal of the G2 Prix de Sandringham winner Mission Impassible (Ire), who is herself a daughter of Galileo (Ire) and the G1 Nunthorpe S. winner Margot Did (GB) (Exceed And Excel {Aus}).

A little later on the opening day, Haras du Logis Saint German will offer lot 157, a full-brother to its Poule d’Essai des Pouliches heroine Dream And Do (Fr), who is one of 19 yearlings by the French champion sire Siyouni (Fr) in the sale.

One of the this season’s freshman sires in Europe whose stock will not have been seen too far outside France is Siyouni’s fast son City Light (Fr), who is represented by 32 yearlings at Arqana.

Trained locally in Deauville by Stephane Wattel, City Light was a dual Group 3 winner in France and runner-up in the G1 Diamond Jubilee S. at Royal Ascot, and he is now standing at the farm that launched Wootton Bassett, Haras d’Etremham.

Selling begins on Monday at the Elie de Brignac complex at 11a.m. local time.

Addeybb wins the Prix Du Conseil, cont. from p1

Only sixth in the G2 Prix Dollar at this ParisLongchamp venue at the start of the month, the four-times Group 1 winner was nevertheless shown due respect as the 17-10 favourite and quickly settled in the wake of Monty (Fr) (Motivator {GB}) under Tom Marquand. Left behind by that rival in the straight, the cause looked lost but the veteran responded to his rider’s urgings to make up the deficit inside the last 50 metres and prevail by 1 1/4 lengths.

“Obviously, on heavy ground he is very effective, and we were keen to finish on a winning note,” continued Haggas. “Now he has done we’ll let him enjoy a wonderful retirement. He means a lot to the yard, he’s been a friend to all of us. Kind, sweet-natured horse, just a lovely horse. This is just a great result today.”
Addeybb was back in the blinkers that had been employed once only during his career, when dealing with Verry Elleegant (NZ) (Zed (NZ)) in last year’s G1 Queen Elizabeth S. For Marquand, his last ride on the 8-year-old was an emotive one. “It’s special—he took my career to a new level and we have been trying to get that spark back in him,” he said. “We were hoping he’d come and win and he’s a real pleasure to have anything to do with. We’ve changed up his headgear a few times and it worked—the ground helped as well as the blinkers—he’s been fantastic.”

A three-time winner at three, Addeybb registered his first group score at four when taking the Sandown’s G2 bet365 Mile. The following season, he took the Wolferton S. at Royal Ascot and came back later that summer to annex the G3 Rose of Lancaster S. before rounding out the year with a runner-up finish behind Magical (Ire) in the G1 Qipco Champion S. Poised for the best season of his career, he returned at six to vanquish Australian star Verry Elleegant (NZ) in both Rosehill’s G1 Ranvet S. and G1 Queen Elizabeth S. at Randwick. Runner-up in the G1 Prince of Wales’s S. while returning to the Royal meeting, he bounced back to secure the Listed Doonside Cup before going one better than the previous season and landing the 2020 renewal of the Champion S. Returning Down Under for last year’s Ranvet and Queen Elizabeth, he had to play the bridesmaid to Verry Elleegant in the former, but turned the tables narrowly in the latter. Given over two months off, the gelding was bested by St Mark’s Basilica (Fr) in the G1 Coral-Eclipse S., and would only make one more start that season, finishing sixth in the Champion S. Earlier this term, Addeybb finished third in a pair of races at Sandown—the May 26 G3 Brigadier Girard followed by the Listed Gala S. July 1.

**WELL DISPOSED REVIVES AT BADEN-BADEN**

*by Tom Frary*

Having failed to beat a rival in the G1 Preis der Diana at Dusseldorf Aug. 7 and finished fifth in the G2 T von Zastrow Stutenpreis at Baden-Baden Sept. 3, the G3 Mehl Mulhens-Trophy winner Well Disposed (Ire) (Dubawi {Ire}) got back in the winning groove at Iffezheim on Sunday in the G3 Land Trophy. Typically keen early in the hands of Andrasch Starke, Gestut Rottgen’s homebred was anchored behind the leading duo and soon found her natural rhythm. Sent to the front grabbing the stand’s rail at the top of the straight, the 7-1 shot was firmly in command when eased to a 3 1/2-length success from the fellow Markus Klug-trained Lavello (Ire) (Zarak {Fr}).

“She was really heavy in my hands all the way, I had a lot to do trying to calm her down and I must say I was amazed the way she ran on in the straight,” Starke said. “That was very impressive after pulling so hard.” Klug added, “Well Disposed was put into training fairly late and we gave her time and gradually built her up--now she is a dual group winner.”

Cont. p6
**Pedigree Notes**

Well Disposed is the third group winner for her dam Wellenspiel (Ger) (Sternkonig {Ire}) alongside the pair of G1 Deutsches Derby heroes Windstoss (Ger) (Shirocco {Ger}) and Weltstar (Ger) (Soldier Hollow {GB}). The second dam is the Listed Dusseldorfer Stutenpreis and Listed Preis der Winterkonigin scorer Well Known (Ger) (Konigsstuhl {Ger}), who was also runner-up in both the German fillies’ Classics before producing five stakes performers. They are headed by the G1 Preis von Europa hero Well Made (Ger) (Mondrian {Ger}), while she is also the second dam of the G2 Oleander-Rennen winner Wasir (Ger) (Rail Link {GB}). Wellenspiel's 2-year-old filly by Sea The Stars (Ire) is named Well Suited (Ger), while she also has a yearling full-sister to Weltstar named Weltbeste (Ger).

**QUANTANAMERA SLAYS WINTERKONIGIN RIVALS by Sean Cronin**

Jurgen Sartori’s unbeaten 2-year-old filly Quantanamera (Ger) (Lope De Vega {Ire}—Quaduna {GB}, by Duke Of Marmalade {Ire}) posted an impressive three-length debut success tackling nine furlongs at Dortmund last month and blitzed those that dared once more in Sunday’s G3 BBAG Preis der Winterkonigin, Germany’s premium event for juvenile fillies, at Baden-Baden. The well-backed 6-4 favourite was sharply into stride from the outside stall and bowled along under a firm hold on the front end. Settling the contest in an instant when shaken up at the top of the straight, she left toiling rivals trailing in her wake from the quarter-mile marker and quickened clear in impressive fashion before gearing down inside the final furlong to easily outclass Empore (Ger) (Oasis Dream {GB}) by an untroubled 8 1/2 lengths.

“After Quantanamera had worked two weeks ago, I said to my wife that we might have a really exceptional horse in the stable,” Cologne trainer Andreas Suborics told GaloppOnline after registering a first win in the one-mile contest. “She is the best filly I’ve ever had in training and my pulse was racing today. It was a gala performance and she will now get entries for all the major races, including the [G1] Prix de Diane, but we will enjoy this success first.”

Quantanamera, a half-sister to Listed Prix Le Fabuleux runner-up Quello (Ire) (Soldier Hollow {GB}), becomes the 61st pattern-race winner for her sire (by Shamardal) and is the third of five foals and second scorer from as many runners out of dual G3 Premio Verziere victrix Quaduna (Ger) (Duke Of Marmalade {Ire}). Quaduna is the leading performer for G2 Schwarzhgold-Rennen winner Quelle Amore (Ger) (Monsun {Ger}), herself a full-sister to Listed Prix Max Sicard victor Quidamo (GB). Quelle Amore is also kin to Listed Badener Steher Cup winner Qsar (Ger) (Tiger Hill {Ire}). Quaduna, who hails from the family of dual Group 1-placed G2 Preis der Diana (German Oaks) and G2 German 1000 Guineas heroine Que Belle (Seattle Dancer), has a yearling filly by Saxon Warrior (Jpn) and a weanling filly by Too Darn Hot (GB) to come.

Harper, who posted a career best in the 2020 Listed Grand
Criterium de Bordeaux, lined up for this third black-type start
coming back off an Oct. 1 handicap win over this course and
distance and doubled his stakes tally with a determined effort
here. Sent to the front after the opening exchanges, he came
under pressure when threatened passing the quarter-mile pole
and was ridden out inside the final eighth to hold the late bid of
Anthorus in game fashion.

Harper is the latest of seven live foals and one of five winners
from as many runners produced by a winning granddaughter of
Prix d’Aumale victrix Pink Valley (Never Bend). Pink Valley is the
dam of three stakes winners, headed by MGSW sire Pink (Fr)
(Northern Dancer), and is herself kin to MG1SW sire Green
Dancer (Nijinsky II) and sires Val Danseur (Nijinsky II), Soviet Lad
(Nureyev), Sir Raleigh (Sir Ivor) and Ercolano (Sir Ivor).

In front passing the two-furlong marker, the homebred stayed on strongly to register a half-length verdict over Jumeirah King (GB) (Sea The Moon {Ger}). The winner is currently the last known foal out of the smart dam, who captured the G3 Badener Stutenpreis and is one of a trio of stakes winners out of the GI Garden City Breeders’ Cup H. runner-up Flawly (GB) (Old Vic {GB}) including the G3 Prix du Prince d’Orange scorer Best Name (GB) (King’s Best). Virtually untouchable at this level over the past 12 months, Yaxeni followed a weight-carrying tour de force in the two-mile November H. at this track at the end of last October with wins in the Listed Vintage Tipple S. and Listed Oyster S. and a second in the G3 Munster Oaks and Listed Lenebane S. this term. Down the field in the valuable Irish Cesarewitch at The Curragh Sept. 25, the bay bounced back under a perfectly-judged ride from the front from Colin Keane to defy a penalty and the progressive 3-year-old Term Of Endearment.

“We still have to discuss it, but the [Listed] Finale Stakes on the last day here could be an option,” Shane Lyons said. “This will be her final year, so it’s going to be very hard to replace her and the likes of Thunder Kiss—they are one in a million. Other horses come to her and she grinds them out, she breaks their hearts. She always seems to have something left.”
Yaxeni is the leading campaigner by some way for her listed-placed dam, who is a granddaughter of the Niarchos's G3 Prix du Calvados winner and G1 Prix de la Salamandre-placed Whakilyric (Miswaki). That connects her to the G1 Prix du Jockey Club-winning sire of distinction Hernando (Fr) and the fellow G1 Prix Lupin winner and sire Johann Quatz (Fr) (Sadler's Wells). Also related to the G1 Preis der Diana heroine Well Timed (Ger) (Holy Roman Emperor {Ire}) and the G1 Hong Kong Cup hero Akeed Mofeed (GB) (Dubawi {Ire}), Kithonia has the unraced 2-year-old colt Prince Of Dawn (Fr) (Dabirsim {Fr}) and a yearling filly by Lawman (Fr).

Delivered wide to cut down Goa Gajah (Bal A Bali {Brz}) with 100 yards remaining, the bay stayed on to scoop the prize by two lengths. In doing so, he was adding further lustre to the Apr. 10 Curragh maiden in which he was fourth behind Tough Talk (Ire) (Kingman {GB}), Little Big Bear (Ire) (No Nay Never) and Shartash (Ire) (Invincible Spirit {Ire}) and in front of Wodao (Fr) (Showcasing {GB}). She is a daughter of the dual listed winner Samira Gold (Fr) (Gold Away {Ire}) who was also third in the G3 Princess Royal S. before producing the G2 Oaks d’Italia and G3 Grosser Preis der Mehlf-Mulhens-Stiftung winner Sand Zabeel (Ire) (Poet’s Voice {GB}). DAME KIRI (f, 2, Justify—Hence {Ire} {GSP-Ire}, by Galileo {Ire}), sent off the 2-7 favourite dropping back two furlongs after her fourth in the Listed Newtownanner Stud Irish EBF S. at The Curragh Aug. 27, was sent straight to the front by Seamie Heffernan. Extending her advantage approaching the final furlong, the chestnut made the final margin a yawning 10-length one to provide her first-season sire (by Scat Daddy) with his 20th winner. “I’d say the Justify’s are not two-year-olds at all and I was surprised they were doing what they were doing,” Aidan O’Brien said. “All they want is a bit of time. She is a filly that is going to get a mile next year and could even get a mile and a quarter. She definitely has class. I’d say she will start off in a classic trial next season.” The winner is the first foal out of the G3 Snow Fairy S.-placed dam, who has a yearling colt also by Justify and a colt foal by Wootton Bassett (GB). A full-sister to the G1 Sun Chariot S., G1 Falmouth S. and G1 Matron S. heroine Alice Springs (Ire), who is in turn the dam of the G3 Concorde S.-placed Prettiest (Dubawi {Ire}), and to the G2 Ribblesdale S. and G2 Park Hill S.-placed Criteria (Ire), she hails from the family of the G1 Coronation S. winner Golden Opinion (Slew O’Gold). Stunning Rose Halts Triple Crown Bid
in Shuka Sho

Stunning Rose (Jpn) (King Kamehameha (Jpn)), runner-up in the
G1 Yushun Himba (Japanese Oaks), thwarted Stars on Earth
(Jpn)’s (Duramente (Jpn)) Triple Crown bid with a victory in third
jewel of the sophomore fillies’ Triple Crown in Kyoto’s G1 Shuka
Sho Sunday. Breaking sharply, the third betting choice settled
behind pacesetters Bright on Base (Jpn) (Kitasan Black (Jpn))
and Sound Vivace (Jpn) (Duramente (Jpn)) in a two-wide fourth
down the backstretch. Meanwhile, race favorite Stars of Earth
missed a beat at the start and was pinched back, forcing her to
work out a trip from near the back of the field in the early going.
Enjoying a much smooth time of it, Stunning Rose made
headway about 600 meters out, shifting out slightly for the
stretch drive. Gradually overtaking the late-leading duo of Art
House (Jpn) (Victoire Pisa (Jpn)) and Sound Vivace in early
stretch, she collared them midstretch, edged clear and had
enough in reserve to fend off the fast-charging duo of Namur
(Jpn) (Harbinger (GB)) and the finally unencumbered Stars on
Earth enroute to a 1/2-length victory.

“I am grateful to have been given the chance to ride this filly
and want to thank the connections for that and having her ready
for today,” said jockey Ryusei Sakai. “I was able to assess the
filly’s style the last timed I rode her and I was able to position
her near [stalking] Art House during the trip. Her response at the
straight was way much better than her last start and although I
was aware of the horses coming strongly from behind, I felt her
power under me would carry us to the wire in front.”

Fifth in her sole start at two at Hanshin, the bay returned a winner in the Kobushi Sho in February before making it two straight in the G3 Flower Cup at Nakayama in March. Second best to Stars on Earth in May 22 Yushun Himba, she rebounded to take the G3 Shion S. Sept. 10.

Pedigree Notes

The Shuka Sho heroine is one of five winners for her dam Rosa Blanca, a half-sister to Japanese champion juvenile colt and G1 Japan Cup hero Rose Kingdom (Jpn) (King Kamehameha {Jpn}). The Shuka Sho win gives Stunning Rose’s sire, King Kamehameha, his 15 Group 1 winner.
