SPOTLIGHT ON THE NIGHT OF THE STARS: BELL'S THE ONE

by Katie Petrunyak

A few weeks before Bell's the One (Majesticperfection – Street Mate, by Street Cry {Ire}) made her career debut, her trainer Neil Pessin set aside a few dollars to place a wager on the promising juvenile. But in the days leading up to the race, he started to rethink the idea. Every morning as Bell's the One went out to gallop, the juvenile would stop in the middle of the track, somewhere around the sixteenth pole, and refuse to move. Pessin would have to take to the track, red-faced with frustration, to lead her off to the barn. He cut down his bet considerably the morning of her debut only to watch a few hours later as she won with ease at Arlington, paying $67.80 to win. That was the last time Pessin had anything less than full confidence going into a race with Bell's the One. Four years since that first career victory, Bell's the One is now a five-time graded stakes winner with over $2 million in earnings and has collected stakes wins in each of her five seasons on the racetrack.

“Every time I lead her over, I expect her to win,” Pessin said. “If she gets beat, it's either human error or...well, usually it's human error. If she gets to run her race and she shows up, which she does most of the time, she's hard to beat. She gives you 110% every time. I'm as confident as anybody in the race when I put her bridle on.” Cont. p3

While Bell's the One was originally slated to run in the GI Breeders' Cup Filly and Mare Sprint, Pessin and her connections made the decision on Tuesday to skip the championship meet.

“She had a minor setback that will prevent us from running,” her trainer said. “I've always said that if she's not 100%, we’re not going. She could be 95% or 99%, but we’re not taking that chance with her. It’s just a timing thing. If we had three more weeks we would probably be able to run, but she has done right by me for five years so I've got to do right by her for this race. But she earned her right to be there.”

While Bell's the One won't make it to the Breeders' Cup starting gate, she will be in the spotlight in a few weeks for the Fasig-Tipton 'Night of the Stars' Sale. Until then, she will remain at Pessin's barn at Churchill Downs.

“She's still in light training,” Pessin explained. “We want to keep her in her same routine. She’ll train just to keep her looking good. She's doing great. She is six going on seven and she's getting better every year.”

Bell's The One gets the GI score in the Derby City Distaff S. | Coady

Bell's the One, who is easily the most accomplished horse in Pessin's training career, has been a fixture at the conditioner’s barn at Churchill Downs over the years. While the 6-year-old mare grew out of most of the obstinate tendencies she had as a juvenile, Pessin said that there has never been a question of who ruled the stable.

“Oh, she is the queen,” he said. “She tells us what to do. She tells me how to train her and when to run her. She probably gets, at minimum, 50 mints a day. But that's lowballing.”

Pessin picked out Bell's the One for Bob Lothenbach's Lothenbach Stables at the 2017 Fasig-Tipton July Sale. Drawn to the Bret Jones-bred filly for her athleticism and cat-like walk, they brought home the daughter of Majesticperfection for $155,000.
“We thought it was a pretty good deal at the time, but she turned out to be even more athletic than she was as a yearling,” Pessin said. “She has always shown ability from the first day we worked her.”

Undefeated in three starts including a stakes win at two and the winner of the GI Raven Run S. at three, Bell’s the One got her signature victory at four with a photo-finish win over GISW Serengeti Empress (Alternation) in the 2020 GI Derby City Distaff S. on the Kentucky Derby undercard.

The achievement marked not only the first Grade I win for Bell’s the One, but also for her trainer, who runs a boutique stable of about 15 horses.

“Winning that race was extremely satisfying not so much for me, but for her,” Pessin said. “I don’t really care about all that stuff. I don’t care if I get an award or get patted on the back. I care about the horses. When she won, it was satisfying for me because it just proved how much quality she has and how good of a mare she is.”

Bell’s the One added two more graded scores to her resume at five in the GI Honorable Miss H. at Saratoga and the GII Thoroughbred Club of America S. This year, the 6-year-old ran second in the GI Madison S. and most recently won two lucrative stakes contests at Churchill Downs.

While the Bell’s the One fan club has grown over the years, Pessin said that two of the mare’s biggest admirers have been her jockey Corey Lanerie, who has been aboard for all but a handful of her 27 career starts, and her owner Bob Lothenbach.

“I can't tell you how great Bob has been to train for,” Pessin said. “He doesn’t interfere with what we do on the day to day or the races we pick. He just loves the sport and he is a wonderful owner. He cares about the horses, too.”
When Bell's the One returns to Fasig-Tipton, the site where her story began back in 2017, for the 'Night of the Stars' Sale, she will sell as Hip 267 with Taylor Made Sales.

While the millionaire’s outstanding race record speaks for itself, Fasig-Tipton’s Boyd Browning said that the mare’s pedigree will hold equal appeal for buyers. Her dam Street Mate (Street Cry {Ire}) was bred by successful owner-breeder Edward Evans and her produce record boasts six winners from as many to race including recent GIII Knickerbocker S. victor King Cause (Creative Cause).

“I think that Bell’s the One really is a unique pedigree,” Browning said. “It’s truly a reflection of the breeding program that was so important to Ned Evans. She typifies the type of horse that Ned wanted to breed—Grade I horse, durable, consistent and with heart.”

“Bell’s the One has all the ingredients to be a successful producer,” he continued. “She tries hard every time. She’s got pedigree. She’s got heart. She’s got speed, but she also has the class in her pedigree that will allow her descendants to carry that speed a distance. She’s just a tremendous prospect that will likely produce terrific racehorses for the next generation.”

While she will soon become an important addition to someone’s broodmare band, Bell’s the One will be sorely missed back at the Pessin barn and her empty stall overlooking Longfield Avenue at Churchill Down will not go unnoticed.

“When Bell leaves the barn, there will be a huge hole,” Pessin admitted. “It won’t be a hole that will be filled. It’ll just be a void for a while. I’ll miss just walking down the barn and playing with her and giving her mints. I’ll miss leading her over there, knowing you’re going to win the race. It’s a special feeling, just having her here.”

Pessin may be soon parting with the most accomplished horse he has ever trained for now, but there is one thing he is sure of.

“I’ll go see her wherever she goes,” he said. “Whatever farm she’s at, I’ll be there. If she goes to Japan, I’m going to Japan. They’ll just have to get ready for me to come over. And if she throws off the athleticism that she has to her foals, I think she’ll be a great broodmare.”

GISW ART COLLECTOR TO CLAIBORNE UPON RETIREMENT

Bruce Lunsford’s homebred GI Woodward S. winner Art Collector (Bernardini–Distorted Legacy, by Distorted Humor) will stand at Claiborne Farm upon retirement. Winner of the Woodward in 2021 over Maxfield (Street Sense), Art Collector notched a 107 Beyer Speed Figure for the effort. It was one of seven triple-digit Beyer figures he received in a career that has thus far recorded a tally of 20-10-1-0 and earnings of $2,332,490. “We are thrilled to stand another exciting stallion prospect for longtime client Bruce Lunsford,” said Claiborne’s Walker Hancock.

“Art Collector has the qualities we look for in a stallion and we believe he will be very well received among breeders upon his retirement from racing.”

Art Collector began his career in the barn of Thomas Drury, Jr., for whom he raced at two and three and won both the GI Toyota Blue Grass S. and Runhappy Ellis Park Derby. He moved into the barn of Hall of Famer Bill Mott for his 4- and 5-year-old campaigns, where his victories included the Woodward and back-to-back scores in both the GI Charles Town Classic S. and Saratoga’s Alydar S.

A fee for Art Collector will be announced upon retirement.

OFF 15-MONTH LAYOFF, DOMESTIC SPENDING MAY GO NEXT IN BC MILE

by Bill Finley

Unraced since finishing second in the 2021 GI Mr. D. S. at Arlington Park, Domestic Spending (GB) (Kingman (GB)) is being seriously considered for the GI Breeders’ Cup Mile, reports trainer Chad Brown. The now 5-year-old gelding had been sidelined with a soft tissue injury suffered prior to last year’s Breeders’ Cup.

“The horse has really come around well,” Brown said. “Obviously, he’s been off a long time and had a serious injury, a soft tissue injury. We gave him plenty of time to rehab and the horse is sound and happy and training well. I really don’t see any other races for him. I moved him over to Keeneland and he will have a couple more works. If he continues to work well, I will enter him in the Mile and see if he gets in.”

Domestic Spending returned to the work tab on Aug. 29 at Saratoga. In his most recent workout, he breezed five furlongs on the grass at Keeneland on Oct. 15 in 1:01.

“This has been a pleasant surprise,” Brown said. “I’m not making any predictions on how he’ll fare off a layoff of almost 15 months. But, he’s certainly a world-class turf horse when he’s right. We’ll have so see if he can come back and perform at the same level. Based on his workouts there’s certainly a chance that he will.”
Domestic Spending | Sarah Andrew

Brown acknowledged that coming into the race off such a long layoff and without a prep could be an issue.

“In a perfect world, you definitely would want a prep,” he said. “It just hasn’t been available to us and you have to play the hand you’re dealt. You’d only try to do something like this if you had a world-class race horse. Other than that, it would be wishful thinking to think you’d have success doing this. But he’s one of the best I’ve trained.”

Domestic Spending is 6-for-8 lifetime and also has wins in the GI Manhattan S., the GI Hollywood Derby and the GI Turf Classic S. at Churchill Downs.

In other Breeders’ Cup news from the Brown stable, the trainer said he has not yet decided which race Jack Christopher (Munnings) will run in. The choices are the GI Breeders’ Cup Sprint and the GI Breeders’ Cup Dirt Mile.

“He’s undefeated around one turn and his only loss (in the GI Haskell S.) is around two turns,” Brown said. “That said, six furlongs is a little sharp for him. A mile is a good distance for him. I’ll observe how he’s doing and go with my gut. It’s not the first time we’ve had to figure out a distance on a horse. Sometimes you get it right and sometimes you get it wrong. If there’s no perfect fit you try to find the best fit. I want to try to put him in the race where he has the best chance of winning. When you try to jam a square peg into a round hole and take into account too many factors you can get yourself into trouble.”

As usual, Brown will have a deep and talented group competing in this year’s Breeders’ Cup. In addition to Jack Christopher and Domestic Spending, his list of potential starters consists of: In Italian (GB) (Dubawi {Ire}) and Rougir (Fr) (Territories {Ire}) in the GI Breeders’ Cup Filly & Mare Turf and possibly Virginia Joy (Ger) (Soldier Hollow {GB}); Regal Glory (Animal Kingdom) in the Mile; Free Look (Tapit) in the GI Breeders’ Cup Juvenile Fillies Turf; Raging Sea (Curlin) in the GI Breeders’ Cup Juvenile Fillies; Oxymore (Austern {Aus}) and I’m Very Busy (Cloud Computing) in the GI Breeders’ Cup Juvenile Turf; Good Night Olive (Ghostzapper) in the GI Breeders’ Cup Filly & Mare Sprint; Search Results (Flatter) in the GI Breeders’ Cup Distaff; Blazing Sevens (Good Magic) in the GI Breeders’ Cup Juvenile. Highly Motivated (Into Mischief) and Pipeline (Speightstown) are possible starters in the Dirt Mile.

“We have come into the Breeders’ Cup with more favorites than we’ll have this year,” Brown said. “I’m not going into any particular race with a Lady Eli, a Rushing Fall or a Newspaperofrecord. But we have a lot of nice horses and definitely have some live shots to add another Breeders’ Cup win. No matter how many you run you just hope to win one.”

ARThUR ACCUSES VET MED BOARD OF 'REGULATORY EXTORTION' By Dan Ross

At the quarterly California Veterinary Medical Board (VMB) meeting Wednesday, the board acknowledged that yawning practical and philosophical differences between the agency and the state’s equine practitioners urgently need to be addressed.

According to Richard Sullivan, chair of the VMB’s Multidisciplinary Advisory Committee, this disconnect concerns approaches to record keeping and the Veterinary-Client-Patient Relationship (VCPR), calling efforts to bridge this divide as "a huge task, but a very necessary one."

During the public comment period at the start of the meeting, former California Horse Racing Board (CHRB) equine medical director Rick Arthur made a series of incendiary claims about the veterinary medical board’s handling of the cases being brought against backstretch veterinarians in California, describing the board’s actions as "regulatory extortion."

Arthur’s claims stem from the VMB’s controversial move earlier this year to temporarily suspend the license of Jeff Blea, who succeeded Arthur as CHRB equine medical director.

Last month, the VMB lifted that suspension. In his settlement with the board, Blea agreed to continuing education classes in record keeping, a remittance to the VMB of $131,464 for the investigation costs and a three-year probationary period.

The VMB has ongoing cases against at least nine other backstretch veterinarians in California, and the nature of some of the accusations—often identical in nature to those leveled against Blea—reveal a yawning schism between the veterinary board and the CHRB concerning approaches to standard equine veterinary care.

The main areas of difference—at least where the CHRB is concerned—surrounds the use of what the VMB terms misbranded drugs like Thyro-L, non-FDA approved compounded drugs and the correct nature of the VCPR.

More broadly, the disconnect also ensnares the prophylactic use of medications and record keeping differences between small and large animal veterinarians.

To address these differences, the VMB has assembled a two-person Equine Practice Subcommittee tasked with researching equine practice regulations and statutes, taking input from relevant stakeholders and making recommendations to the board.

In a brief update on the equine practice subcommittee's work to date, Sullivan concentrated on only two of the various bones of contention.

The VMB's statutes on medical records is "very prescriptive," admitted Sullivan. "Especially compared to other states, and even to other medical professions within our state," he added.

"And we may have to further define the VCPR to distinguish the difference between patient-centered cases and client-centred cases," said Sullivan.

Over the past few weeks, the equine practice subcommittee has met with VMB enforcement staff, the California Veterinary Medical Association, the CHRB and the UC Davis Veterinary Medical School, said Sullivan, who added that the subcommittee's work "is just beginning."

During public comment at the start of the meeting, Arthur armed his allotted three-minutes with a fusillade of barbed spears directed towards the VMB’s regulatory inroads into backstretch veterinary practice.

"I've spoken before to this Board about what are clearly politically motivated attacks on equine veterinarians including some of the leading, most highly respected veterinarians in the country. Some are veterinarians who have advanced high-quality veterinary care much more than any of you associated with CVMB will ever hope to accomplish," said Arthur.

"This Board's actions are nothing short of regulatory extortion. The irony in all this is that racetrack veterinarians know their patients better than most any other veterinary practitioner," Arthur added.

Arthur called on a variety of state political figures and regulatory bodies—including California Governor Gavin Newsom, the Business, Consumer Services and Housing Agency, the Department of Consumer Affairs or the state legislature—to investigate the VMB's "regulatory abuse by an ambitious and misguided staff," saying that he was “working” to have that happen.

"There will come a time when each of you, particularly the veterinary professionals on the board, will need to face your failure to lead," Arthur added. "I am aware that culturally, state government is loath to admit they screwed up, but this transgression by CVMB should have been resolved a long time ago. Shame on all of you."
Alternate, Dam of MGSW and Sire Alternation, Dies

MSW Alternate (Seattle Slew–Strike a Balance, by Green Dancer), dam of MGSW and Grade I producing sire Alternation (Distorted Humor), died Oct. 15th at her lifetime home, Pin Oak Stud. She was 23 years old. She will be buried at her birthplace.

The Pin Oak homebred won six races and placed another 11 times, seven in stakes, including the GII Monmouth Breeders’ Cup Oaks, GII Delaware Oaks, GIII Bewitch S. and the GIII Glens Falls H. She was trained by Graham Motion and earned over $550,000.

The dam of nine winners from 12 foals, Alternate produced three stakes winners, including two millionaires. GII Peter Pan S. winner Alternation won or placed in seven stakes, including the GII Oaklawn H., GII Pimlico Special and GIII Razorback H. At stud, Alternation is the sire of 25 stakes horses to date, including multiple Grade I winner Serengeti Empress, who earned nearly $2.2 million. Alternate also produced Grade I winner and $1.6-million earner Higher Power (Medaglia d’Oro), winner of the GI Pacific Classic S. and Interrupted (Broken Vow), a Pin Oak homebred who scored five wins, was graded stakes-placed and earned over $250,000.

Hailing from a deep Pin Oak family, Alternate was a half sister to Pin Oak champion Peaks and Valleys, out of a half-sister to Wedding Picture and Tonka Wakhan, all from the Pin Oak foundation mare Strike a Pose.

THISTLEFIELD (f, 3, Into Mischief--Thistle Bear, by Gators N Bears), a winner on debut at Delaware in June, was off the board in two consecutive starts before returning to the winner’s circle last time out in a gate-to-wire effort at Parx Sept. 20. The narrow 9-5 choice here, she jumped straight to the lead from her outside gate and was pressed by Princess Cupid (Cupid) into the far turn. Thistlefield pulled ahead as that rival faded past the quarter pole and managed to hold off a fast-closing Quiet Imagination (Imagining) to win by three quarters of a length. A half-sister to Wheatfield (Long Star Special), MSW & GSP, $394,603, Thistlefield has a yearling half-brother by Congrats and a weanling half-sister by Midshipman. Her dam was bred to No Never No More for the 2023 season. Lifetime Record: 5-3-0-0, $76,000.

Cyclone Mischief (c, 2, Into Mischief--Areyoucominghere, by Bernardini) dueled throughout and just got nailed by a pair of rivals on the line to be third by three-quarters of a length going a one-turn mile at Churchill Downs Sept. 16. Trying two turns for the first time here, the $450,000 Keeneland September grad raced closest to pacesetter Permafrost (Frosted) into the first turn. Settled just a path off the rail for the backstretch run, the 8-5 favorite stuck a head in front with five-sixteenths to run and took full command at the top of the lane, drawing clear under a handride to win comfortably by 5 1/4 lengths. Longshot My Imagination (Lea) filled out the exacta. Out of a half-sister to GISP Suddenbreakingnews (Mineshaft), Cyclone Mischief is from the family of MGISW Composure (Touch Gold) and MGISP Centring (A.P. Indy). His dam produced a weanling filly by Street Sense and was bred to Munnings for the 2023 season. Sales History: $450,000 Ylg ’21 KEESEP. Lifetime Record: 2-1-0-1, $65,625. FOGGY NIGHT (f, 2, Khozan--Settling Seas, by Stormy Atlantic) broke through in her third career start following a pair of back-to-back second-place efforts sprinting over this same track Aug. 23 and Sept. 24. Hammered down to 1-5 in this two-turn debut, she led the way from the break and was pressured early by Broadwaycharlyrose (Eastwood). Having dispatched of that rival into the far turn, Foggy Night sprinted clear and quickly grew her winning margin to double digits, hitting the line geared down to score by 11 1/4 lengths. Settling Seas produced a yearling full-brother to Foggy Night and was bred to Uncle Chuck for the 2023 season. Sales History: $20,000 2yo ‘22 OBSAPR. Lifetime Record: 3-1-2-0, $56,200. PHANTOM RIDE (c, 2, Candy Ride {Arg}--Spirit, by Indian Charlie), fifth on debut over the turf course here Sept. 21, returned at odds of 3-1 in this rained-off, slightly longer spot. Pinched back at the start, he was forced to settle off the pace, stalking from third while racing wide into the turn. He made his bid with a four-wide move at the top of the lane and drew off steadily into the final sixteenth to win by 1 3/4 lengths over 14-1 shot Ranseur (Midnight Storm). Out of a half-sister to a trio of graded-stakes winners in MGISW Dream Rush (Wild Rush), GISW Dreaming of Julia (A.P. GROUP 1 WINNERS LEAD TATTERSALLS DECEMBER MARES CATALOGUE

The catalogue for the Tattersalls December Mares Sale, headlined by five Group 1-winning fillies in the Sceptre Sessions alone, is now online. A total of 1,054 lots have been entered to sell from Nov. 28-Dec. 1, with the Sceptre Sessions set for Nov. 28-29.

Leading the high-quality catalogue is four-time Group 1 winner Alcohol Free (Ire) (No Nay Never) (lot 1904); dual Group 1-winning miler Saffron Beach (Ire) (New Bay (GB)) (lot 1878); G1 Nunthorpe S. heroine Winter Power (Ire) (Bungle Inthejungle (GB)) (lot 1865); and the Group 1 winners La Petite Coco (Ire) (Ruler Of The World (Ire)) (lot 1887) and Pearls Galore (Fr) (Invincible Spirit (Ire)) (lot 1920), both trained by Paddy Twomey.

In addition, Desert Berry (GB) (Green Desert), the dam of G1 Cazoo Derby hero Desert Crown (GB) (Nathaniel {Ire}), will also go through the ring as lot 1891 and is in foal again to that Newells Park Stud sire. Other dams of Group 1 winners set to sell include Roger Sex (Ire) (Red Clubs {Ire}) (lot 1861), the dam of G1 Cheveley Park S. heroine Lezoo (GB) (Zoustar {Aus}); and Luzia (GB) (Cape Cross {Ire}) (lot 1873), the dam of G1 Sun Chariot S. victress Fonteyn (GB) (Farhh {GB}), who is in foal to Dream Ahead. FRASSETTO BIDDING FOR MORE GLORY WITH ADLERFLUG COLT By Emma Berry

DEAUVILLE, France—He could certainly be considered one who got away. The prowess of Adlerflug (Ger) was only really fully appreciated in the last few years of his life, which was sadly all too short. The son of In The Wings (GB) was of course responsible for last year’s Arc winner Torquator Tasso (Ger) but that major triumph came six months after his death at Gestut Schlenderhan at the age of just 17.

With two yearlings catalogued this week at Arqana, the only one of those in Part II of the Arqana October Sale duly took top billing when sold to Marco Bozzi for €125,000. The agent bought lot 398 from Haras d’Ombreville for American owner Albert Frassetto, one of the former members of the syndicate which owned the Group 1 winner Grand Glory (GB) (Olympic Glory {Ire}), and Frassetto had also enjoyed a fine afternoon on Wednesday across the road from the sales house on the racecourse at Deauville. IN TDN AMERICA TODAY

BELL’S THE ONE TO SKIP BREEDERS’ CUP

PERFECT POWER RETIRED TO DALHAM HALL
Three-time Group 1 winner Perfect Power (Ire) (Ardad {Ire}) has been retired and will stand at Darley’s Dalham Hall Stud.

NASHWA TO RUN IN FILLY & MARE TURF
Classic heroine Nashwa (GB) (Frankel {GB}) will start next in the GI Breeders’ Cup Filly & Mare Turf at Keeneland next month.

MCEVOY TO RIDE MELBOURNE CUP FAV 'LEGEND'
G1 Melbourne Cup favourite Deauville Legend (Ire) (Sea The Stars {Ire}) will be ridden by Kerrin McEvoy.
Tattersalls December Mares Sale Cont. from p1

There will also be 77 group and listed performers to be offered across both Sceptre Sessions.

Godolphin’s 72-strong draft includes Classic heroine Blue Bunting (Dynaformer) in foal to Masar (Ire) as lot 1540. Juddmonte’s 28-lot consignment features Atone (GB) (Oasis Dream (GB)), a full-sister to champion Midday (GB) (Oasis Dream (GB)) (lot 1830); and Shielding (GB) (Kingman (GB)) (lot 1833), a half-sister to Grade I winner Viadera (GB) (Bated Breath (GB)), are both in foal to Frankel (GB). Dual Grade 1 winner Majmu (Aus) (Redoute’s Choice (Aus)) (lot 1757), carrying to Kingman (GB), anchors Shadwell’s draft of nine. Philippa Cooper’s Normandie Stud dispersal—handled by Newsells Park Stud—includes G1 Nassau S. heroine Sultanina (GB) (New Approach (Ire)) (lot 1811) in foal to Camelot (GB).

Tattersalls Chairman Edmond Mahony said, “The Sceptre Sessions, named after one of the greatest fillies ever to grace the turf, were introduced to showcase the very best race fillies and broodmares and to add a new dimension to the Tattersalls December Mares Sale which is long established as the most prestigious and influential breeding stock sale in Europe. To have catalogued five truly exceptional Group 1 winning fillies as well as the dam of this year’s Derby winner Desert Crown (GB) (Nathaniel (Ire)) is the best possible start and suggests that the new ‘Sceptre Sessions’ have immediately captured the imagination of some of the world’s most successful owners and breeders.” Cont. p4
Perfect Power winning the G1 Commonwealth Cup, having taken the G1 Prix Morny and G1 Middle Park at two. The first horse for 20 years to win three 6f G1s so early in his career. Royal Ascot specialist from the best Royal Ascot juvenile sire line. Click to relive his last-to-first victories in four stallion-making races.
Tattersalls December Mares Sale Cont.

He added, "In addition to the array of elite fillies and broodmares in the two ‘Sceptre Sessions’, the Tattersalls December Mares Sale also features consignments of real quality from Godolphin, Juddmonte Farms, and Shadwell Estates alongside dispersals from Normandie and Southcourt Studs, all of which has combined to produce an outstanding catalogue for Europe’s premier sale of breeding stock."

Arqana October Yearling Sale Cont. from p1

The owner’s two runners on the card both returned as winners, with 3-year-old Brazilian Surprise (Ire) (French Navy (Ire)) winning for the second time this year, followed by another win for Deep Hope (Siyouni (Fr)). Both horses were bought by Bozzi and trained by Gianluca Bietolini.

"He’s a lovely horse and he is also going to Gianluca Bietolini,” said Bozzi of the first foal of treble winner Normandy Dream (Fr) (Dream Ahead), who was bred by Mathieu Boutin. His 7-year-old dam is a granddaughter of Juddmonte’s GI Kentucky Oaks and GI Alabama S. heroine Flute (Seattle Slew) and she has a filly foal by Golden Horde (Ire) this year.

Bozzi also later signed for a yearling from the first crop of Coolmore’s Calyx (GB), going to €74,000 for the filly (lot 469) out of Songerie (Ger) (Shirocco (Ger)) from Haras des Capucines, and bringing Calyx’s Arqana average to €92,250 for four sold.

Trade settled down a notch as the second section of the three-part sale got underway on Wednesday but the clearance rate remained strong, and even improved a little, to 83%.

Cont. p5
**Arqana October Yearling Sale Cont.**

The consistency of the trade was borne out by an average price of €26,852 and median of €22,000. The 132 yearlings sold during the afternoon and evening added €3,544,500 to turnover.

The only other six-figure sale of the day came from Haras du Mont dit Mont, which had topped day one of the sale with a Sea The Stars colt bought by David Menuisier and this time weighed in with a filly by the late Mastercraftsman (Ire). Her winning dam Ma Cherie (GB) is a Galileo (Ire) half-sister to the GI Breeders' Cup Filly & Mare Turf winner Zagora (Fr) (Green Tune), and the yearling (lot 372) will also soon be heading stateside to race for an undisclosed owner after being bought by Nicolas de Watrigant of Mandore International at €105,000.

Zarak (Fr)'s stock has continued to rise over the last few seasons and his running Arqana average of €71,800 for 15 sold in the last three days was boosted by the sale of lot 404 for €92,000 to Paul Nataf. Bred by NBH Racing and offered by Haras de Grandcamp, the filly's dam Ondoyante (Fr) (Slickly (Fr)) is a full-sister to four-time Group 1 winner Meandre (Fr) and half to this season's G3 Prix Vanteaux victrix Mqse De Sevigne (Fr) (Siyouni (Fr)) from a family that has brought plenty of cheer to breeder and France Galop president Edouard de Rothschild.

Siyouni's young sire son Le Brivido (Fr) is no stranger to the Arqana ring himself, having been bought at this sale seven years ago and then again the following spring as a breezer, selected by Ted Voute. Another year later he came within a short-head of winning the G1 Poule d'Essai des Poulains when the Classic was run in Deauville while the ParisLongchamp redevelopment took place. Later victorious at Royal Ascot in the G3 Jersey S., Le Brivido initially retired to Overbury Stud in England before returning to France to stand at Haras de la Haie Neuve. His first yearlings from that sole British crop are now for sale, and the colt out of Lastuce (Fr) (Orpen) (lot 361), who sold for €77,000 to Matt Coleman and Gavin Hernon, continued a good week for the new venture AK Presentation. The consigning operation takes its name from the initials of frontwoman Alizee Karnikian, whose brother-in-law Julian Ince runs Haras du Logis where the Le Brivido colt was born and raised.

"The idea is that people prepare their horses and bring them to the sales under Alizee's name, but with the logo of the farm where they're from on the doorcard, so potential buyers know the provenance," Ince explained. "Everything is open and everyone knows where the horses have come from. Alizee has been consigning for us and is selling one for Haras de Cisai tomorrow, and she has some trotting clients as well."

The consignment launched earlier this season and with its seventh horse through the ring, AK Presentation was responsible for selling a €100,000 filly by Cloth Of Stars (Ire) for Ince on Tuesday. The breeder of the Le Brivido colt is Ince's great friend Jocelyn Targett. The mare has already been represented on the track by treble winner Beautiful Sunshine (GB), one of the earliest winners last year for Ardad (Ire).

Arqana October Yearling Sale Cont.

"Lastuce was originally bought for €4,000 as a yearling by Jean-Claude Rouget and won seven times before I managed to pick her up quite cheaply at the February Sale," said Targett. "I sent her to Chris Wall and she was third in a listed race. Beautiful Sunshine was her second foal and ran in the Queen Mary and has been knocking on the door in listed races. She's very hardy, and this guy swaggered around the ring beforehand looking a million dollars, thinking everyone had come to see him. He looks like he could be quite an early type."

The colt will remain in France to go into training in Chantilly with Horner for owner Daniel Macauliffe.

Another of this year's freshman sires, Ballyhane Stud's Soldier's Call (GB), had just two yearlings catalogued at Arqana, and they sold for €75,000 apiece, including Wednesday's filly from Normandie Breeding (lot 389), who was bought by Federico Barberini.

The final day of Part II kicks off on Thursday in Deauville at 2 p.m., while Part III concludes the October Sale on Friday.

PERFECT POWER RETIRES TO DALHAM HALL STUD

Treble Group 1-winning sprinter Perfect Power (Ire) (Ardad {Ire}--Sagely {Ire}, by Frozen Power {Ire}) has been retired to stand at Darley's Dalham Hall Stud in Newmarket for 2023.

Trained by Richard Fahey for Sheikh Rashid bin Dalmook Al Maktoum, the son of Britain's leading first-season sire of 2021, Ardad (Ire), first signalled his talent on the big stage when winning the G2 Norfolk S. at Royal Ascot just eight days after breaking his maiden. A glorious juvenile campaign saw him go on to win the G1 Darley Prix Morny at Deauville followed by Newmarket's G1 Middle Park S., emulating the Norfolk-Morny-Middle Park treble of Scat Daddy's sire Johannesburg in 2001.

This year, Perfect Power started his season in style with victory in the G3 Greenham S. at Newbury over seven furlongs. Finding the mile of the G1 2000 Guineas beyond his reserves of stamina, he returned to six furlongs to triumph again at Royal Ascot in the G1 Commonwealth Cup, becoming the only horse to have won three six-furlong Group 1 races at both two and three in the history of the Pattern. Cont. p7
Perfect Power Cont.

Bred, like his sire, by Tally-Ho Stud, who sold for him for £110,000 at the Goffs UK Breeze-up Sale, Perfect Power comes from a stout female family which includes the Arc winner Sagamix (Fr).

Richard Brown, who bought both Perfect Power and Ardad, said, "When I saw this fellow at the breeze-ups, I couldn’t believe how similar he was [to Ardad]: the same strength and power, the same fluent movement and great walk. Above all, the same bombproof, laid-back temperament. If Perfect Power stamps his stock as well as his sire, what a hot property he will be."

Sam Bullard, Darley’s Director of Stallions, said, "We are delighted Perfect Power is coming to Dalham Hall Stud. Breeders from all around Europe will have admired his performances in many of the great races for 2- and 3-year-old sprinters and it is a rare opportunity for British breeders to have access to a stallion with such precocity and speed.

"His powers of acceleration are exactly the sort of thing that makes our sport so thrilling. What’s more, he’s a fantastically muscular colt, and an especially good mover: he is very likely to throw commercial youngstock in his own speedy image."

Perfect Power’s fee will be announced in due course.

BREEDERS’ CUP Filly and Mare Turf Next for Nashwa

Classic heroine Nashwa (GB) (Frankel (GB)) has exited her close second in the G1 Prix de l’Opera in good order and will travel to Keeneland in November to contest the GI Breeders’ Cup Filly & Mare Turf, according to owner Imad Al Sagar’s racing manager Teddy Grimthorpe. Blue Diamond Stud’s retained rider Hollie Doyle will partner with the bay.

The Blue Diamond Stud homebred took the May 14 Listed Haras de Bouquetot Fillies’ Trial S. and was third in the G1 Cazoo Oaks in early June. She gained her Classic laurel in Chantilly’s G1 Prix de Diane on June 19 and added Goodwood’s G1 Nassau S. for good measure on July 28. Nashwa led for the final furlongs of the I’Opera, before just getting pipped by the rallying Place Du Carrousel (Ire) (Lope De Vega {Ire}) on Oct. 2.

"Nashwa worked this morning on the Limekilns with Hollie [Doyle, retained rider] and she worked nicely, so we’re making plans to go to Keeneland,” said Grimthorpe. “She had that break after the Nassau [66 days] and we hope that will pay off at this time of year.

“Her races have been quite well spaced. She ran so well in the Prix de l’Opera and has come out of the race well and it is a nice progression to go to the Filly & Mare. The distance is nine and a half furlongs this year, a mile and 3/16ths, so that should suit.”

MCEVOY TO RIDE MELBOURNE CUP FAVOURITE DEAUVILLE LEGEND

By Brian Sheerin

Connections of the Melbourne Cup favourite Deauville Legend (Ire) (Sea The Stars {Ire}) have bolstered their chances of winning ‘the race that stops a nation’ by securing the services of local jockey Kerrin McEvoy.

A three-time G1 Melbourne Cup-winning rider, McEvoy, who has a close relationship with Deauville Legend’s owner Bon Ho, will take over from regular rider Daniel Muscutt.

Trainer James Ferguson has arrived in Australia early to see his former inmate and breakthrough Group 1 scorer El Bodegan (Ire) (Kodiac {GB}) tackle Saturday’s G1 Cox Plate on debut for Chris Waller and reported Deauville Legend to be in top shape ahead of his date with destiny on Nov. 1.

Cont. p8
James Ferguson: trainer of Deauville Legend | Tattersalls

McEvoy Cont.

He said, "The owner has an affiliation with Kerrin McEvoy, so he will ride the horse in the Melbourne Cup. Dan has done a wonderful job on the horse and is a huge part of our team and Bon Ho is very grateful for everything he has done with the horse.

"But, like I said, Kerrin already has an affiliation with Bon Ho in Australia and has won the race three times before, so he knows the track very well."

Ferguson added, "Having Deauville Legend to look forward to in the Melbourne Cup is huge for the team. He's in great order. It's a race that Bon Ho has always wanted to win.

"Ever since my time with Charlie Appleby, when I used to come down here and travel horses for him, it's a race I have always been very keen on coming down and performing well in. It's very exciting.

"We still have a couple of weeks to go and everything will need to go right. If we can get there in one piece on the day then hopefully he will have a very good chance."

Bon Ho has played a major role at the yearling sales in recent months and Ferguson has been one of the main beneficiaries of that spending power with much of the ammunition filtered through his Newmarket stable.

The owner had his colours carried to The Everest glory in 2020 by Classique Legend (Aus) (Not A Single Doubt (Aus)) and Ferguson revealed that a plan was hatched to try and win the Melbourne Cup with Deauville Legend shortly after the 3-year-old won the Bahrain Trophy at Newmarket in July.

He said, "Mr. Bon Ho really understands horses and he understands racing, which makes it far more enjoyable for a trainer. To support me with such incredible pedigrees so early in my training career, we feel very lucky. To have this horse, who's clearly very good, coming down here and potentially winning one of the biggest races in the world, would be hugely gratifying.

"The Melbourne Cup has been on the cards ever since he won the Bahrain Trophy. His performance at Goodwood solidified that thought. Bon loves having runners in Australia, has had some really good horses here and, basically, we act as a nursery in England for his horses to come down here because the prize-money is so much better. It has always been on the horizon that this horse may end up running in Australia."

El Bodegan put Ferguson in the spotlight when landing the G1 Criterium de Saint-Cloud 12 months ago and the trainer is looking forward to seeing how his former stable star fares on his Australian debut.

He said, "We've come down early to support El Bodegan and Chris [Waller] in the Cox Plate. Especially with the rain that they have had here recently, I think he has a huge chance.

"That could be very exciting. It will be great to catch up with all of the owners as well. They have been huge supporters of mine since I started training. To be able to catch up with them will be great."

ADAYAR UNLIKELY FOR THE BREEDERS’ CUP BUT WILL RETURN AT FIVE

Adayar (Ire) (Frankel {GB}), who won the 2021 G1 Derby and G1 King George VI And Queen Elizabeth S., is unlikely for the Breeders’ Cup, but will remain in training in 2023 and target 10-furlong Group 1s, according to trainer Charlie Appleby. He made his season bow a victorious one in a Doncaster conditions race in September, and then finished second to Bay Bridge (GB) (New Bay {GB}) in the G1 Champion S. on Oct. 15.

"He’s in good order and has come out of Ascot with no problems at all," said Appleby. “The likelihood is he is done for the year and won’t go to the Breeders’ Cup, but I was delighted to see him put up a performance like that.

"The horse has won a King George and a Derby, but when you have your first run in a conditions race and won the way that he did, and you then step back up into Group 1 company, there is always going to be that question mark--can they still do it and will he want to do it? But I think he showed us there on Saturday he can, and will, and he stays in training for next year."

Royal Ascot’s G1 Prince Of Wales’ S. is the Godolphin runner’s mid-range goal next June.

Added, Appleby of Adayar’s preferred trip, “Ten or 12 furlongs really, he's a bit like Ghaiyyath (Ire). But I would quite like to see him win a Group 1 over 10 furlongs for his own profile and we would work back from the Prince of Wales’s.”
GROUP 1 WINNER BELBEK WILL HEAD TO WINTER QUARTERS, BREEDERS’ CUP BID SCUPPERED

Nurlan Bizakov’s homebred Group 1 winner Belbek (Fr) (Showcasing {GB}), successful by a neck in the G1 Prix Jean-Luc Lagardere earlier in the month, will not travel for the Breeders’ Cup meeting at Keeneland, and instead enjoy the winter off. Trained by Andre Fabre, the colt also won the G3 Prix du Bois in June.

“He’s done for the year, we decided he did not need to run again,” said Fabre. “I don’t see him having any problem in staying a mile next season, he would have had no problem in staying it this season, it’s just that he has already had five runs and I don’t think he needs to run again.

“Obviously, we will run him in a prep race next spring to see if he is good enough for the English Guineas.”

Fabre also provided an update on Place Du Carrousel (Ire) (Lope De Vega {Ire}), who won the G1 Prix de l’Opera, but a Breeders’ Cup bid is not on her dance card either.

“She won’t go to the Breeders’ Cup, I’m not a fan of the course (Keeneland),” said Fabre. “She will stay in training and be back next year. She’s very lightly raced.”

GALILEO GOLD ON THE MOVE TO HARAS DE BOUQUETOT IN JOINT VENTURE WITH TALLY-HO

Classic winner Galileo Gold (GB), who spent five seasons at Tally-Ho Stud in Ireland, will move to Haras de Bouquetot in France next year. His fee will be announced at a later date.

Co-owned by Al Shaqab Racing and Tally-Ho, the chestnut won the G1 2000 Guineas and G1 St James’s Palace S. His progeny are led by Ebro River (Ire), who prevailed in the G1 Phoenix S., as well as the multiple group winner Oscula (Ire). He has two other stakes winners, and another four staked placed runners to date.

Haras de Bouquetot’s Stud Manager Benoit Jeffroy said, “We’re delighted to be welcoming Group 1 sire Galileo Gold in France in a joint venture with his co-owners Tally-Ho Stud, who have done a fantastic job with giving him the best chances for his start at stud. Galileo Gold has already shown his abilities as a valuable sire of precocious horses, with over 10% black-type horses to runners with his first crop of 2-year-olds, and with the numbers he’s covered this past year we can only hope for more to come.

“With Toronado (Ire) being so successful in Australia, we took the decision to keep him there and we’re confident that Galileo Gold will be as good a value as Toronado was to local breeders.”

MARIANAFOOT TO STAND AT HARAS DE SAINT-VINCENT

Group 1 winner Marianafoot (Fr) (Footstepsinthesand {GB}--Marianabaa {Fr}, by Anabaa) will stand at Haras de Saint-Vincent in 2023, Jour de Galop reported on Wednesday evening. A fee will be announced later for the 15-time winner.

Bred and raced by Jean-Claude Seroul and trained by Jerome Reynier, the 7-year-old enjoyed his finest season at the track in 2021, taking the G1 Prix Maurice de Gheest, as well as the G3 Prix du Palais-Royal and G3 Prix de la Porte Maillot. This term, his final two starts were runner-up performances in the Palais-Royal and Porte Maillot in May and June, respectively. He retires with a mark of 27-15-4-2 and $797,400 in earnings. Cont. p10
Marianafoot Cont.

Marianafoot will be supported by Seroul, and Guy Pariente. Haras de Saint-Vincent’s Thierry Dalla Longa told JDG, “We will also do the maximum to give him every chance at the farm. He’s a horse with a lot of speed, who was a performer since he was a 2-year-old and continued to compete at the Group 3 level as a 7-year-old. Marianafoot comes from a very active maternal family. To introduce such a horse at our farm, it’s an honor.”

Out of the winning Marianabaa herself a half-sister to listed winner Mariafoot (Fr) (Footstepsinthesand {GB}), Marianafoot is a half-brother to the stakes winner Padron (Ire) (Gris De Gris {Ire}), who was group placed in Germany; and dual French listed winner Marianachic (Ire) (Authorized {Ire}). Second dam Maria Gabriella (Ire) (Rock Of Gibraltar {Ire}) won the Listed Prix des Lilas and was second in the G3 Prix Chloe.

170 RACES CUT IN EFFORT TO IMPROVE BRITISH RACING

Racing’s leaders have cut approximately 170 races from the 2023 summer programme and rearranged some to the autumn period in a move designed to improve the competitiveness of British racing.

British racing’s Industry Strategy Group met last month and agreed immediate changes were required to increase competition in 2023, with more strategic changes to the sport, including the fixture list, planned from 2024 onwards.

On the Flat, the maximum number of programmed races for meetings in July and August will be reduced from an average of six and a half, resulting in the axing of 50 contests.

To mitigate the financial impact of this development, all-weather meetings will be permitted to programme eight races in October and November, with the option to divide to nine, while National Hunt cards will be extended to seven races in October and November, when field sizes are generally larger and races more competitive.

Race planning will also be tweaked with plans to better align the programme to the horse population, removing the worst-performing conditions races from the schedule and reassessing the programme of nursery handicaps, as well as reducing the number of such races in July and August by 10-12 per cent, subject to a review of juvenile numbers early in the new year.

Over jumps, the weight-for-age novice chase programme from May to August will be replaced with a programme of class three novice handicap chases, although these will also be reduced by 10-15%.

The programme of handicap chases will also be realigned to better fit the horse population, affecting approximately 10 per cent of class three and four handicap chases.

As well as the above, a small number of other tactical interventions have been agreed to help boost competitiveness.

Richard Wayman, chief operating officer of the British Horseracing Authority, said, “There was agreement across our industry that while a more strategic approach is required to secure a vibrant future for racing, action was needed more immediately to address issues around the competitiveness of the sport we are presenting to the public.

“It is pleasing that agreement has been reached quickly on this package of measures which will drive improvements in competitiveness next year. We can now focus slightly further ahead and seek to develop and introduce more fundamental changes to grow the appeal of racing to fans and customers in 2024 and beyond.” Cont. p11
170 Races Cut To Improve British Racing Cont.

In another change, overseas-trained runners will be allowed to contest low-grade handicaps from the beginning of 2023, except during those times of the year where there are insufficient opportunities for British-trained runners, specifically on the Flat between September and December.

The BHA has also said it is working with the respective pattern committees to review the Pattern and Listed race programmes for both Flat and jumps racing, with a view “to strengthen, refine and consolidate the black-type programme”.

Charlie Liverton, CEO of the Racehorse Owners Association, said, “British racing continues to recognise the challenges it faces. The package announced today is a short-term tactical plan which we hope will increase the competitiveness of British racing. Conversations continue on the longer-term strategy for the sport.

“Racing’s participants have been voicing their frustration regarding the race programming and the side effects of the current structure for some time. I am pleased that this has been recognised and moreover, working with the BHA and racecourses, has helped shape a workable solution.

“This is an important marker that the industry is moving in the right-direction, and we can now turn our attention to long-term strategy planning.”

David Armstrong, chief executive of the Racecourse Association, added, “Following on from the two-day strategy meeting in London, it is very encouraging to see the sport come together and make some meaningful changes for the 2023 calendar.

“Whilst the core of the strategy output will be delivered in 2024, the RCA and its Members are fully supportive of these short term interventions, which will definitely improve competitiveness in the short term.”

HAVE SECRET TOPS THE GOFFS UK OCTOBER HIT AND YEARLING SALE

The dual winner Have Secret (Ire) (Havana Gold {Ire}) (lot 80) topped the Goffs UK October HIT and Yearling Sale at £100,000 on Wednesday. Consigned by Richard Fahey’s Musley Bank Stables, he was picked back up by that trainer for different owners. His dam was twice stakes placed in France.

Another horse-in-training, Open Champion (Ire) (Postponed {Ire}) (lot 76), made £70,000 from Highflyer Bloodstock and Thurloe Thoroughbreds. Part of Roger Varian’s draft, the bay is out of the G3 Sceptre S. heroine Nargys (Ire) (Lawman {Fr}).

At the close of trade, 94 horses sold (66%) of 143 offered for a gross of £811,800. The average and median both declined to £8,636 (-4%) and £4,500 (-10%), respectively.

Goffs UK Managing Director Tim Kent said, “This sale has a long track record of producing smart performers, Buzz being one of the most recent, and it’s great to see his owners, Thurloe Thoroughbreds, return here to secure another promising type in Open Champion and hopefully he will prove every bit as successful. With that in mind, we also wish Richard Fahey, along with all those who bought horses at today’s sale, the very best with their purchases.”

HALF TO SOTTSASS STARTS AT DEAUVILLE
11.55 Deauville, Debutantes, €27,000, 2yo, c/g, 8fT
Sardem (Fr) (Siyouni (Fr)) debuts in the same debutantes’ contest in which the same connections’ Erevann (Fr) (Dubawi (Ire)) gained TDN Rising Star status 12 months ago and, as trainers are creatures of habit, is probably a significant runner to start the card for Jean-Claude Rouget. The Aga Khan’s February-favored bay is a son of the G3 Prix de Lieurey winner and G1 Prix Jean Romanet and G1 Prix du Moulin de Longchamp-placed Sarkiyla (Fr) (Oasis Dream (GB)), making him a half-brother to the fellow Rouget-trained G3 Prix du Prince d’Orangescorcer Saiyadabadi (Blame) who was fourth in last year’s G1 Prix du Jockey Club. It could be that the stable’s Valimi (Fr) (Teofilo (Ire)) is here as a pacemaker and if that is the case then it is clear that his entourage see him as above-average.

12.31 Deauville, Debutantes, €27,000, 2yo, f, 8fT
Snowpark (Fr) (Dubawi (Ire)) is the main draw in a fascinating contest, being another potential star from the Rouget yard as a half-sister to the Arc and Prix du Jockey Club hero Sottsass (Fr) (Siyouni (Fr)) and outstanding Sistercharlie (Ire) (Myboycharlie (Ire)). Kept by her breeders at Monceaux, the April-favored bay debuts two months after the dam registered another landmark as her son of Siyouni (Fr) topped this town’s Arqana August Yearling Sale at €2.1 million. Among the crew assembled for this are the Andre Fabre-trained Kamiyah (Ire) (Frankel (GB)), a half-sister to the G1 Prix Jacques le Marois-winning sire Al Wukair (Ire) (Dream Ahead) who bids to extend the purple patch of Ballylunch Stud; and the Monceaux-bred Faial (Fr) (Siyouni (Fr)), Ecurie Didier Tabary’s €260,000 Deauville August graduate and half-sister to the G1 Prix Jean-Luc Lagardere-winning sire National Defense (GB) (Invincible Spirit (Ire)) representing the Christophe Ferland stable.

HOW THEY FARED
7.00 Kempton, Novice, £9,900, 2yo, f, 7f (AWT)
Coppice (GB) (Kingman (GB)), the full-sister to Calyx (GB), put up a highly encouraging debut display as she shook off a fellow newcomer to win in style.
6th-Kempton, £11,000, Hcp., 10-19, 3yo/up, 7f (AWT), 1:24.31, st/sl.
MOUNT ATHOS (GB) (c, 3, Dark Angel {Ire}--Ceaseless {Ire} (SP-Ger), by Ifraaj {GB}), not seen since winning by five lengths at Thirsk June 14, was sent off the 2-1 favourite and quickly established himself on the lead. Stretching clear from the top of the straight, the homebred galloped strongly to the line to show pattern-race potentional in registering another five-length success from Top Secret (GB) (Anjaal {GB}). “I rode him on his debut and he’s a beautiful-looking horse who has developed a lot since,” James Doyle said. “He’s a lovely big robust type and it wasn’t necessarily the plan to lead, but we had a tricky draw and he’s got a beautiful temperament and is an easy ride so we bossed the race. He skipped away nicely and clearly has a nice engine—he was galloping out strong past the line.” The winner is the second foal out of the dam, who was second in the nine-furlong he was galloping out strong past the line. He skipped away nicely and clearly has a nice engine—which is always nice to see,” jockey Robert Havlin said.

5th-Kempton, £9,900, Novice, 10-19, 2yo, f, 7f (AWT), 1:25.32, st/sl.
COPPICE (GB) (f, 2, Kingman {GB}--Helleborine {GB} (GSW & G1SP-Fr, $218,924), by Observatory), a full-sister to the G2 Coventry S.-winning sire Calyx (GB), broke slowly but was easily able to gain a position tracking the leading quartet under cover. Angled out for her challenge approaching the final furlong, the 10-11 favourite surged away from the Charlie Appleby-trained fellow newcomer Whispering Dream (Ire) (Invincible Spirit {Ire}) inside the last 150 yards to score by 1 3/4 lengths in a smart time. “She’s been going with some winners at home and doing everything the right way,” jockey Robert Havlin said. “She showed some greenness as she drew alongside James [Doyle]’s horse and wasn’t sure to go into that dark space on her own, but I gave her a smack and she did it well and took some pulling up which is always nice to see.” The winner is the fourth runner for the dam, who like Calyx earned TDN Rising Star status before taking the G3 Prix d’Aumale and Listed Prix Six Perfections and finishing runner-up in the G1 Prix Marcel Boussac. Her first foal Sandstone (GB) (Dansili {GB}) produced the listed-placed Willessee (GB) (Gleneagles { Ire}), while unsurprisingly she visited Kingman in 2021 and 2022 and produced a colt and filly, respectively. A full-sister to the G1Haydock Sprint Cup heroine African Rose (GB), who is in turn the dam of the ill-fated G3 Princess Margaret S. winner Fair Eva (GB) (Frankel {GB}), and to the unraced dam of the G1 Irish 2000 Guineas, G1 Dewhurst S. and G1 Vincent O’Brien National S. hero Native Trail (GB) (Oasis Dream {GB}), she hails from the family of another Dewhurst winner in Distant Music. Arriving at the front travelling smoothly down the dip, the bay asserted to go beyond the reach of the stable

Tanking forward from the three-furlong pole, the 16-1 chance quickened to the fore entering the final furlong and was ridden out to hold the late thrust of Marie Laveau (GB) (Sir Percy (GB)) by a nose. “She had done the hard work, but was in front on her own and just idled,” explained trainer Marco Botti. “She had her ears pricked and probably could have done with some company, what with the headwind out there as well. She had been working nicely, I like her and she could be very useful in the long term. This was no surprise, but it was her first day at school and you never know. We will have to speak to the owners, but my initial thought was to put her away [for the season]. She is not fully furnished and will be a better 3-year-old. I’d say she would be more of a miler than a stayer, but they can change over the winter.”

Gold As Glass, half-sister to a yearling colt by Dark Angel (Ire), is the second foal and scorer out of G2 Prix de la Nonette and G3 Prix Vanteaux placegetter Crisoles (Fr) (Le Havre (Ire)), herself a full-sister to stakes-winning G2 Prix de Royallieu and G3 Prix Minerve third Sotteville (Fr). Descendants of the April-foaled chestnut’s stakes-winning fourth dam Seralia (GB) (Royal Academy) include dual Group 1-winning Australian champion Contributer (Ire) (High Chaparral (Ire)). MAMMAS GIRL (GB) (f, 2, Havana Grey (GB)–Mamma Morton (Ire), by Elnadim) was keen through the early strides and settled under cover in seventh after the initial exchanges of this debut. Angled outside for a clear passage at the quarter-mile pole, the well-backed 3-1 favourite quickened for control entering the final furlong and kept on strongly up the hill to comfortably account for Ribla (Ire) (Make Believe (GB)) by two lengths, becoming the 39th winner for her freshman sire (by Havana Gold (Ire)). “She is a very nice filly and we think a lot of her,” said trainer Richard Hannon. “She is related to a decent horse we trained called Master Of War, who won a listed race at Newbury. She went a bit weak on me in the spring as I thought she would be a [G2] Queen Mary horse for Royal Ascot, but it was lovely to see her get the seven furlongs well. She will be a lovely filly next year and she looks a black-type filly. She did well to get the seven furlongs as she pulled pretty hard. The owners have Persian Force going out to the Breeders’ Cup soon and it looks like they have another nice horse on their hands. She will definitely get a mile and she could be a [G1 1000] Guineas filly next year. She has won a Newmarket maiden well and, though there are still options for her this year, we could look at a Guineas trial next year for her.”

Mammas Girl is the 12th of 13 foals and 11th scorer produced by a daughter of G1 Poule d’Essai des Pouliches third Gharam (Green Dancer). Descendants of Gharam also include G1 Cheveley Park S. and Commonwealth Cup placegetter Flotus (Ire) (Starspangledbanner (Aus)), stakes-winning G1 Spinster S. runner-up Tamweel (Gulch), G1 Phoenix S. third Lottie Dod (Ire) (Invincible Spirit (Ire)) and G1 Cape Fillies Guineas placegetter Third Runway (SAf) (Gimmethegreenlight (Aus)). REGAL HONOUR (IRE) (c, 2, Dubawi (Ire)–Serena’s Storm (Ire), by Statue of Liberty), who put up such a promising debut effort when third over this course and distance Sept. 23, missed the break and needed cajoling in mid-division by William Buick at halfway. Left behind by the smooth-travelling Greek Order (GB) (Kingman (GB)) running into the dip, the 5-6 favourite delivered a surge to collar that rival inside the last 100 yards and score by a neck. “He still looked pretty raw there and three down he has come under the pump but he responds well as we saw on his first start,” Charlie Appleby said. “That is him done for the year and we will see where we are in the spring. It looks like a mile and a quarter will suit him going forward, but whether we start him over that or a mile first time then step him up to a mile and a quarter we will see. He is a nice horse and you can’t not be excited really. Others have been there and done that and they’ve got that ace card on him, but I’m pretty confident stepping forward he will be joining them in the spring next year.” The winner is a half-brother to the G1 Coronation S., G1 Moyglare Stud S. and G2 Queen Mary S. heroine Rizeena (Ire) (Iffraaj (GB)) and to this yard’s Summer Romance (Ire) (Kingman (GB)) who captured the G2 Balanchine and G3 Princess Elizabeth S. and was runner-up in the GI Just a Game S. and GI Diana S. Rizeena has subsequently produced Dubawi’s Daneh (GB), who was second in the G3 Prestige S. and third in the G3 Prix Six Perfections, while the family of the stellar performer Serena’s Song includes the talented half-siblings Puissance De Lune (Ire) (Shamardal), Zabeel Prince (Ire) (Lope De Vega (Ire)) and Queen Power (Ire) also by Shamardal. Staying on to overhaul Sir Laurence Graff (IRE) (Galileo (IRE)) inside the final 100 yards, the 9-2 shot asserted to score by 3/4 of a length. The dam is the classy G2 Prix de Sandringham, G3 Prix Bertrand du Breuil and G3 Atalanta S. winner who was also third in the G1 Sun Chariot S. Her second foal was this stable’s smart One Ruler (Ire) (Dubawi (IRE)) who was successful in the G3 Autumn S. and second in the G1 Futurity Trophy, while the second dam was the G3 Prix Vanteaux winner and Gl Garden City Breeders’ Cup-placed Campsie Fells (UAE) (Indian Ridge (IRE)). Surrey Mist, a former George Baker trainee, made a winning debut for the Kevin Philippart De Foy stable when annexing an Oct. 3 Windsor handicap last time and made the jump to stakes level with a career high on black-type bow here.

Breaking well to lead from the outset of this stamina test, he was bustled along in front passing the quarter-mile marker and was ridden clear thereafter to easily account for the duelling Carini and Alpenblume by daylight.

“The [soft] ground was perfect for him, it’s my first stakes winner abroad and that was quite pleasing,” the winning trainer said. “I was quite keen on the horse’s chances because of the way he won at Windsor last time and he had improved since that run. He’s a great mover, he looks like he could stay a bit further and we’ll see what he can do next year.”

BUMPER ENTRY FOR LONGINES HONG KONG INTERNATIONAL RACES by Alan Carasso

A total of 127 foreign-based gallopers—of which fully one-third have already succeeded at the highest level—from eight jurisdictions across the globe have been entered for the HK$110-million Longines Hong Kong International Races to be staged at Sha Tin Racecourse on Sunday, Dec. 11.

With strict COVID protocols in place over the past two years and with a closed-loop system which allowed overseas entrants to train and compete, the Longines Hong Kong International Races still proved to be a target coveted by overseas connections, and saw victorious performances from the likes of Japan’s Danon Smash (Jpn) (Lord Kanaloa (Jpn)), Glory Vase (Jpn) (Deep Impact (Jpn)) and Loves Only You (Jpn) (Deep Impact (Jpn)) as well as Mogul (Ire) (Galileo (Ire)) from Ireland.

The Japanese contingent is customarily among the strongest, both in terms of quality and numbers, and this year’s entry has risen to 63 horses from 40 in 2021. Among them are no fewer than 17 Group 1 winners, including recent Sprinters’ S. hero Gendarmer (Kitten’s Joy); Yasuda Kinen victress Songline (Jpn) (Kizuna (Jpn)), who spurned a trip across to America for the GI Breeders’ Cup Mile in favor of the G1 Longines Hong Kong Mile; recent Shuka Sho heroine Stunning Rose (Jpn) (King Kamehameha (Jpn)); and Glory Vase, who could shoot for a third win in four years in the G1 Longines Hong Kong Vase.

Trainer Aidan O’Brien sent out the globetrotting Highland Reel (Ire) (Galileo (Ire)) to wins in the Vase in 2015 and 2017, while Mogul gave him a third tally in the 2400-metre test two years ago. The conditioner has eight entered for this year’s series, including G1 Cazoo Oaks winner Tuesday (Ire) (Galileo (Ire)), while Order of Australia (GB) (Australia (GB)) could make his way back to Hong Kong following another crack at the Breeders’ Cup Mile. Other entries from Europe include Pyledriver (GB) (Harbour Watch (Ire)), a gallant runner-up to Glory Vase last December; recent G1 QIPCO British Champion Sprint winner Kinross (GB) (Kingman (GB)), who could carry the silks of Hong Kong owner Marc Chan in either the Mile or the G1 Longines Hong Kong Sprint; reigning G1 Al Quoz Sprint victor A Case of You (Ire) (Hot Streak (Ire)); and Mendocino (Ger) (Adlerflug (Ger)), who upset G1 Prix de l’Arc de Triomphe winner Torquator Tasso (Ger) (Adlerflug (Ger)) in the G1 Grosser Preis von Baden.

HKIR Entries Cont.

Australian connections have suffered perhaps most of all during the pandemic in terms of their ability to ship in and out of Hong Kong, but the country is represented by a high-class draft this year. Among a half-dozen entered for the Sprint are G1 King’s Stand S. hero Nature Strip (Aus) (Nicconi (Aus) and 3-year-old Giga Kick (Aus) (Scissor Kick (Aus)), who caused an upset in the A$15-million The Everest on Oct. 15, defeating Nature Strip into fourth. Last Saturday’s G1 Caulfield Cup upsetter Durston (GB) (Sea The Moon (Ger)) has been handed an entry for the Vase.

A six-strong entry from the United States includes GI Breeders’ Cup Turf Sprint favourite Golden Pal (Uncle Mo), one of three from trainer Wesley Ward, and the longer-winded dual GI Sword Dancer Invitational S. winner Gufo (Declaration of War), one of two for Christophe Clement.

“We are delighted with the sheer quality and quantity of the international entry for 2022 Longines Hong Kong International Races,” said Andrew Harding, Executive Director, Racing for the Hong Kong Jockey Club. “With the entry to be completed next week by the very best Hong Kong has to offer, we are extremely grateful to receive significant support from all quarters of the international racing community.

“It is clear from the entry that the global racing community has again fully embraced Hong Kong racing and we are excited to welcome back participating overseas owners, trainers and jockeys for what is shaping as a fantastic Longines HKIR.”
