LEXINGTON, KY - The Fasig-Tipton October Yearlings Sale, which produced a day of brisk trade during Monday's first session, saw activity tick up another notch during a vibrant day of trade Tuesday in Lexington.

“The first horse through the ring this morning brought six figures and the last horse through the ring brought six figures,” said Fasig-Tipton president Boyd Browning. “There was brisk activity and great trade, literally from start to finish today. It was very similar to yesterday.”

Midway through the four-day auction, 524 yearlings have sold for $28,232,900. The average of $53,880 is up 19.5% from the same point a year ago and the median is up 25% to $25,000. The 2021 auction produced records for gross, average and median and, through two days, the 2022 renewal remains well ahead of those marks.

“Quality sells,” Browning said. “There is a great demand for quality and there is great competition for what are perceived to be the quality offerings. But you are also seeing depth of the market. I thought today was a little bit stronger in the middle market than yesterday.” Cont. p3

KEENELAND TO AUCTION OFF FRACTIONAL INTEREST IN FLIGHTLINE

A 2.5% fractional interest in 'TDN Rising Star' and likely GI Longines Breeders' Cup Classic favorite Flightline (Tapit) will be auctioned off at the start of the 2022 Keeneland November Breeding Stock Sale in Lexington, the auction house and Lane’s End have announced. Flightline will enter stud as the property of a syndicate at Lane’s End Farm in Versailles, Kentucky, upon the conclusion of his racing career.

The auction will be conducted with a first-of-its-kind Metaverse experience which intends to replicate the excitement of the November Sale. This user-friendly virtual experience is hosted on Spatial and accessible via Oculus headset, desktop computer, or mobile phone. Cont. p12

Browning continued, “It was a very, very vibrant marketplace and great participation, not only from American buyers, but international purchasers as well. It was a very, very healthy marketplace today.”

The day’s top 10 yearlings were purchased by 10 different buyers and were sold by 10 different consignors.

The Green family’s DJ Stable made the biggest purchase of Tuesday’s session, going to $600,000 to acquire a filly by Tapit from the Blake-Albina Thoroughbred Services consignment.

The two-day results continued a season of strong returns at the yearling auctions, according to Hanzly Albina.

“I think all of the yearling sales this year have been super strong,” Albina said. “They have exceeded expectations on all fronts. If you had the right horse in the right sale, you got more money than you would have estimated if you put reasonable estimates on your horses. I think Maryland was terrific, Keeneland was terrific and July was great. The mixed sale they just had up in Saratoga was unbelievable. And then this sale has been great as well.”

The Fasig-Tipton October Yearlings Sale continues through Thursday with sessions beginning daily at 10 a.m.

HIP 142
SELLING MONDAY, NOV. 7
DJ Stable Strikes Again

The Green family’s DJ Stable, which purchased three yearlings during the first session of the Fasig-Tipton October Sale, was back in action again Tuesday in Lexington, going to $600,000 to acquire a filly by Tapit (hip 629) from the Blake-Albina Thoroughbred Services consignment.

“Between Kim Valerio and Mark Casse, we looked at almost every single horse in the sale,” Len Green said. “If you have faith in your trainer, like we do with Mark Casse, and you beat the bushes, then all you have to do is put your money where your mouth is. And that’s what this basically is.”

The gray filly is out of multiple graded-stakes winner Carolyn’s Cat (Forestry) and is a full-sister to graded winner Mufajaah. She was bred by Newtown Anner Stud, which purchased the mare for $210,000 at the 2018 Keeneland November sale.

The yearling was making her second trip through the sales ring this fall after RNA’ing for $425,000 at last month's Keeneland September sale.

“We couldn't be happier with that result,” said Hanzly Albina. “We really thought a lot of her. That’s why we didn’t let her go the first time. I think she is a beautiful Tapit filly with pedigree. The mare has been very generous to us. I think she warranted the $600,000 and we are very happy that she is in good hands. Mr. Green has a great racing operation and it’s good for us because hopefully our mare will get another stakes winner.”

Asked about the difference in sales results, Albina said, “It’s hard to say—maybe a month of growth. You can’t say the buyers weren’t there. The buyers were there. So I don't know why she was overlooked. Maybe she just needed a little more time to grow.”

McCrocklin Swings for Into Mischief Colt

Tom McCrocklin took a big swing to acquire a colt by Into Mischief (hip 752) for $560,000 on behalf of a pinhooking partnership late in Tuesday’s second session of the Fasig-Tipton October sale. The bay yearling was bred by John Oxley, who campaigned his dam, Canadian champion Delightful Mary (Limehouse). He was consigned by Gainesway.

“He’s a beautiful, beautiful horse,” McCrocklin said. “All the usuals: a beautiful horse, athletic, by Into Mischief, out of a really good female family. He was bought for a partnership and is going to go to a 2-year-old sale. We are going to do the high wire act and we will see how it works out. Check with me in the spring.”

It was the second time of the yearling sales season that McCrocklin stretched to acquire a pinhooking prospect. He went to a sales-topping $700,000 to purchase a colt by Arrogate on behalf of Michael Sucher’s Champion Equine at the Fasig-Tipton New York-Bred Yearlings Sale just days after the yearling’s 2-year-old full-brother Cave Rock broke his maiden at Del Mar. Since then, Cave Rock solidified his position at the top of his division with wins in the GI Del Mar Futurity and GI American Pharoah S.

McCrocklin confirmed that colt remains on track for the 2-year-old sales.

“Obviously, we are on the Cave Rock bandwagon,” the Ocala horseman said.

Asked the value of purchasing high-priced pinhook prospects, McCrocklin laughed and said, “There is zero value in buying these horses to resell, but there is a continued desire for people to have the best and we are trying to acquire those horses to resell. It’s up to me to get the job done for people that are very eager to try to hit the home run.” Cont. p7

He’s Spunderful...

Not one single stallion under $75k has more 2022 Black Type winners. Hard Spun – marvellous! Just imagine.
McCrocklin added there are options for the partnership if the pinhooking route doesn’t prove successful.

“We’re not opposed to keeping horses to race,” he said. “It’s not like they are on a one-way ticket and we have no other options. We certainly have the option to race. We understand the more a horse costs, the more the market shrinks on the other end. So it’s not like we are going into it uninformed, but it’s a conscious decision to try and sell some of the very best horses that go to auction. So we will give it a go.”

Through two sessions, McCrocklin has signed for six yearlings. He went to $190,000 to acquire a filly by Good Magic (hip 283) and went to $145,000 to take home a son of Maclean’s Music (hip 23).

Of the market in Lexington this week, McCrocklin said, “Selective and strong, as usual. Very little middle and almost no bottom. So it’s difficult. These people I am competing with are very smart and they are very experienced and very saavy. It’s a lot of fun competing with them.”

He paused and added with a smile, “You just want to beat their ass every chance you get.”

Another Gun Runner for Winchell

Looking to continue the success it is having with offspring of Gun Runner, Winchell Thoroughbreds acquired a son of the operation’s champion (hip 685) for $550,000 during Tuesday’s second session of the Fasig-Tipton October sale. Out of the stakes-placed Classy Dancer (Speightstown) and from the family of Paynter, the yearling was bred by Andrew Warren and was consigned by Lane’s End.

“We have obviously enjoyed the run that Gun Runner has put us on and the only the way to continue that is to get more of them,” trainer Steve Asmussen said after signing the ticket on the yearling. “We felt this one was as similar to [Grade I winner] Gunite as anything that we’ve seen in a public auction.”

Of the wide variety of successful racehorses by the sire, Asmussen said, “I am extremely pleased with the variety of types that have a good amount of success. We felt [with this yearling] the cross was along the lines and that we could compare this one to Gunite. Obviously, with Wicked Halo and Echo Zulu and several of the others, he has other physical types and crosses that work extremely well as well.”

Winchell Thoroughbred pre-entered four horses in the upcoming Breeders’ Cup, led by Epicenter (Not This Time) in the GI Breeders’ Cup Classic and including a trio by Gun Runner: Wicked Halo, Echo Zulu and Gunite.

After adding another yearling by the stallion to the roster Tuesday, Winchell manager David Fiske said, “There is nothing like it, but more of it.”

Of the operation’s four Breeders’ Cup pre-entries, Fiske said, “The two that worked Sunday came out of the works well. And now we just cross our fingers.”

Speedway Makes Some Late Magic

Peter Fluor and K.C. Weiner’s Speedway Stables made its lone yearling purchase of the season when bloodstock agent Marette Farrell went to $400,000 to acquire a colt by Good Magic (hip 778) from the Hunter Valley Farm consignment Tuesday in Lexington.

“He was a stunning physical,” Farrell said. “We thought he was the most athletic horse we’d seen in a long time. What struck me the most about him was, the very first time we saw him, he came out and he moved like a cat. And every time I came back to see him, it was like he was bigger and he was more horse. And he was so composed. I love to see a horse that has class like that because the horses you see in stakes races act like that and move like that.”

The chestnut colt is out of Divine Escapade (A.P. Indy) and is a half to stakes winner King of the Court (Speightstown). His second dam is Grade I winner Madcap Escapade (Hennessy).

He was bred by Sun Valley Farm and was acquired by Hunter Valley Farm for $150,000 at last year’s Keeneland November sale.

Tuesday’s positive return was the result of good timing, according to Hunter Valley’s Fergus Galvin.

“He was a really good-looking, good-moving colt,” Galvin said. “We had him in the Keeneland [September] sale, but we took the view early on that he would mature a lot for this sale. And he has really matured in the last six weeks. We had a lot of faith in the stallion and he’s come on a lot in the last month as well. That was a big help.”

This fall, Good Magic has been represented by Blazing Sevens, winner of the Oct. 1 GI Champagne S., as well as Curly Jack, winner of the Sept. 17 GII Iroquois S. His daughter Vegas Magic won the GII Sorrento S. in August. Cont. p9
Uncle Mo Joins BSW/Crow Colts Group

The BSW/Crow Colts Group and partners Spendthrift Farm and Gandharvi continued to add to its 2022 roster with the purchase of an Uncle Mo colt (hip 425) for $350,000 Tuesday in Lexington.

“Obviously, the sire power is there,” Jake Memolo said after signing the ticket on the yearling. “Uncle Mo is as good a sire as you could ask for. And this yearling is a strong, fast-looking horse. We were happy to get him at that price.”

Out of stakes-placed Adore You (Tactical Cat), the yearling is a half-brother to multiple stakes winner and multiple Grade I-placed Piedi Bianchi (Overanalzye). The gray colt, who RNA’d for $320,000 as a weanling at last year’s Keeneland November sale, was bred by Deann and Greg Baer and was consigned by Wynnstay Sales.

During Monday’s first session of the sale, the group purchased a colt by City of Light (hip 249) for $260,000.

“We maybe will add a couple more throughout the week,” Memolo said. “We are at 15 now, so we will be hoping to add maybe two or three more and see where we go.”

The BSW/Crow Colts Group purchased 11 yearlings for $4,840,000 at the Keeneland September sale.

Liz Crow’s long history of success buying out of the Fasig-Tipton October sale has continued this year with Grade I winners Goodnight Olive (Ghostzapper) and Jack Christopher (Munnings) and the plan was always to shop for colts for the group at the last yearling auction of the year, according to Memolo.

“Liz has done so well at this sale and it’s a sale she likes to target,” Memolo said. “This sale presents a lot of quality, so it’s always nice to come here with a little bit of money to spend.”

Main Line Finds Some Fillies

Trainer John Servis and his partners in Main Line Racing worked the barns at Newtown Paddocks en masse over the weekend and enjoyed the fruits of their labors when securing three fillies during the first two sessions of the Fasig-Tipton October Sale. The group made its biggest purchase Tuesday when going to $300,000 to acquire a filly by City of Light (hip 578) out of Boodles (Mr. Greeley) from the Eaton Sales consignment.

“I just thought she looked awesome,” Servis said of the filly. “We chased a couple of other fillies that we didn’t get, but we were really saving for this filly.”

Cont. p10
The Main Line team got off to a quick start Monday morning when going to $220,000 for a daughter of first-crop sire Audible (hip 6). Consigned by Eaton Sales, the dark bay filly is out of Safwah (Medaglia d’Oro), a half-sister to Grade I Kentucky Derby winner Always Dreaming (Bodemeister) and to Grade I winner Hot Dixie Chick (Dixie Union).

“I always try to look at the younger stallions because we are breeding some now, so I pay attention to who the up-and-coming stallions might be and try to get lucky and get to them before they get too popular. I’ve seen quite a few Audibles that I really liked,” Servis said of the young WinStar stallion who has been popular in the sales ring all fall. “He seems to put a really good hip on all of them. But they all look athletic. I don’t know that I’ve seen one that hasn’t looked athletic.”

Rounding out the Main Line trio of October purchases was a filly by Not This Time (hip 203) purchased for $125,000 from the Taylor Made Sales Agency consignment.

The group intentionally focuses on purchasing fillies.

“It’s just for residual value,” Servis explained. “Hopefully, if they do some good, we have a shot to get our money back.”

Of the partnership, Servis said, “We have been together since, I’m going to say, 2005. It’s Dr. Louis Bucky out of Philadelphia, William Schwartz, who owned a construction company that he sold a few years ago, and his son Drew, who lives in D.C. and does commercial real estate and myself. It’s the four of us.”

The Main Line team won the 2019 GIII Dr. James Penny Memorial S. with Notapradaprice (Paddy o’Prado) and has been represented this year by stakes winner Love in the Air (Constitution).

Servis agreed competition at the October sale remained strong.

“I think we got lucky with the Audible filly on the first day because she was so early in the sale,” he said. “I knew it was going to be a strong sale because the pinhookers didn’t get a lot accomplished at the September sale, so I knew a lot of those guys would be there, which they were. And I think we got really lucky. I think we did really well.”

After the races, please join us for cocktails, Southern cuisine, live music, and a live auction.

The Green family's DJ Stable, which purchased the $600,000 sale-topping son of Curlin at the Fasig-Tipton July sale, continued its buying spree Tuesday with a $600,000 session-topping daughter of Tapit.

The top 10 yearlings of Tuesday's session were purchased by 10 different buyers and sold by 10 different consignors.

Midway through its four-day run, the October sale continued to produce statistics ahead of its record-setting 2021 edition. The two-day average is $53,880 and the median is $25,000. The gross, which was $24,977,100 at this point a year ago, was $28,232,900 at the close of business Tuesday.

Into Mischief, who was responsible for the top two lots during Monday's opening session, had two of the top four and three of the top six offerings Tuesday.

Good Magic, who already has three graded winners, had the highest-priced yearling for a freshman sire Tuesday when Speedway Stable paid $400,000 for a colt from the Hunter Valley Farm consignment.

Quality Bloodstock purchased this filly for $17,000 at this year's Keeneland January sale.
Participants will have a front-row seat in a virtual sales ring modeled after Keeneland’s and will also have the opportunity to learn about Lane’s End, Keeneland and the Thoroughbred industry through a series of pre-event activations.

The fractional interest is subject to Keeneland’s Conditions of Sale. Interested bidders must register in advance, have established credit with Keeneland Sales, and meet such additional requirements as Keeneland or Lane’s End may request. Qualified bidders may bid on the fractional interest in-person at Keeneland, via Keeneland’s online auction platform, or by phone. The fractional interest is being offered by West Point Thoroughbreds, one of five ownership groups in Flightline, who races the world’s top-rated racehorse in partnership with Hronis Racing LLC, Siena Farm LLC, Summer Wind Equine LLC and Woodford Racing LLC.

“Bill Farish and Keeneland have been talking about trying to stay ahead of the curve from a technology standpoint and increasing outside participation and interest in the industry,” said West Point’s Terry Finley. “We are just really happy we are in a position to participate. We are excited about it. The attention has been incredible over the last couple of hours. It is very unique way for someone to have an opportunity of a lifetime. We don’t know what to expect, but it could be very good for the partners.”

It is expected to be the only opportunity to buy into Flightline before he retires to stud. Should Flightline continue to race beyond the Breeders’ Cup, the purchaser of the fractional interest will also be a part of his racing ownership. At the conclusion of the auction, the winning bidder will own 2.5% of Flightline and have all rights, benefits, and obligations of a co-owner of the horse pursuant to the Syndicate Agreement.

Darby Dan Farm is seeking a full time **Yearling Manager** with a minimum of 2 years sales prep experience with weanlings and yearlings.

Ideal candidate must be able to supervise and manage employees, coordinate treatment schedules, schedule blacksmith and veterinarian appointments, and most importantly be a team player.

Competitive salary dependent on experience with health insurance, 401k with company match, and paid time off.

Interested individuals should apply by sending cover letter and resume to charlie@darbydan.com or fax to 859-281-6612. All responses will be kept confidential.
Flightline cont.

All racing and breeding decisions will be made as provided in the Syndicate Agreement available for inspection by qualified bidders.

A decision on Flightline’s future will be made following the Breeders’ Cup.

“Flightline’s stud fee has yet to be determined,” said Bill Farish of Lane’s End, “but he will surely retire as one of the most valuable Thoroughbred stallion prospects in recent memory. He’ll be an historic addition to the Lane’s End roster and the syndicate model is an exciting way for more people to participate in a sport that otherwise has a high barrier to entry.”

Shannon Arvin, President & CEO of Keeneland, said, “With these trailblazing firsts—a chance to own a portion of the world’s best racehorse and the opportunity to experience the world’s leading Thoroughbred auction house in the Metaverse—Lane’s End and Keeneland are once again proving their commitment to evolving the horse racing industry and welcoming a new generation of fans to its timeless traditions.”

For additional information or to pre-register to bid, visit www.keeneland.com/flightline or contact Bill Farish at Lane’s End at (859) 873-7300 or Keeneland’s Director of Sales Operations Cormac Breathnach at (859) 254-3412.

TAKING STOCK: FRESHMAN SIRES ARE FLEXING

By Sid Fernando

This is somewhat of a watershed year for freshman sires, with six first-crop sires within the top 10 on the list of leading sires of 2-year-olds in North America through Monday. Spendthrift stalwart Into Mischief leads the group (as he has for five of the last seven years), but the same farm’s freshman Bolt d’Oro (Medaglia d’Oro) is second, Hill ’n’ Dale’s Good Magic (Curlin) is third, Coolmore America’s Justify (Scat Daddy) is fourth, Hill ’n’ Dale’s Army Mule (Friesan Fire) is fifth, Three Chimneys’s Sharp Azteca (Freud) is seventh, and Airdrie’s Girvin (Tale of Ekati), relocated from Florida for the 2023 season, is ninth through Monday.

Also threatening to make the top 10 by year’s end are Coolmore America’s Mendelssohn (Scat Daddy) in 11th, Mill Ridge’s Oscar Performance (Kitten’s Joy) in 15th, and Lane’s End’s City of Light (Quality Road) in 16th.

Cont. p14
To put this in perspective, consider that among freshman sires in 2014 only Lane’s End’s Quality Road (seventh) and WinStar’s Super Saver (ninth) made the top 10 list; in 2015, Coolmore America’s Uncle Mo (first) was the sole first-crop representative; in 2016, there was only Darby Dan’s Dialed In (ninth); in 2017, the two freshmen were WinStar’s Overanalyze (ninth) and Hill ’n’ Dale’s Violence (10th); in 2018, only Spendthrift’s duo of Cross Traffic (fourth) and Goldencents (10th) made the cut; in 2019, Coolmore America’s American Pharoah (second), WinStar’s Constitution (fourth), and Three Chimneys’s Palace Malice (eighth) made it three for the young guns; in 2020, another trio made the list, with Darley’s Nyquist (third) topping Sequel/WinStar’s Laoban (fifth) and Taylor Made’s Not This Time (sixth).

Last year, four freshman sires made the top 10: Three Chimneys’s Gun Runner (first), Coolmore America’s Practical Joke (third), Lane’s End’s Connect (fifth), and Coolmore America’s Classic Empire (10th).

The trend is obvious, isn’t it? More freshman sires are flexing their way into the top 10 this year than before, and it’s not like they were uniformly the recipients of the best mares. At an opening stud fee of $150,000, Triple Crown winner Justify was getting that quality of mare, but horses like Girvin, who started off for $7,500 at Ocala Stud in Florida; Sharp Azteca at $10,000; and Army Mule at $10,000 were not.

Bolt d’Oro ($25,000), Good Magic ($35,000), Mendelssohn ($35,000), Oscar Performance ($20,000) and City of Light ($35,000) were priced to compete with one another in 2019, but they were cheaper than a number of proven sires not in the top 20 to date, such as Tapit ($225,000), Speightstown ($80,000), More Than Ready ($80,000), Ghostzapper ($85,000), Candy Ride (Arg) ($80,000), Curlin ($175,000), and Quality Road ($150,000), to name a few.

The five Breeders’ Cup juvenile races will play a pivotal role in deciding where these freshmen end up when all is said and done, but several have live contenders, including the three just outside the top 10.

For first-crop sire watchers, it’s going to be an interesting Breeders’ Cup.

Blazing Sevens

Among freshmen, Good Magic, a champion 2-year-old, holds a strong pair for the GI Breeders’ Cup Juvenile with Breeders’ Cup Challenge winner Blazing Sevens, who won the GI Champagne S. at Belmont-at-Aqueduct, and Curly Jack, winner of the Gill Iroquois S. at Churchill. So far, Good Magic is the sire of 17 winners and three black-type winners—each of them at graded level. Only Justify has as many graded/group winners, but no freshman except for Good Magic has sired a Grade I winner so far.

Justify, who didn’t race at two, has a contender in Verifying, who was second to Blazing Sevens in the Champagne, and he leads all freshman sires with four black-type winners. He’s represented by 20 winners overall.

Breeders’ Cup Juvenile Fillies

City of Light has a good chance in the GI Breeders’ Cup Juvenile Fillies with Chop Chop, who lost the GI Darley Alcibiades S. at Keeneland by a nose. She’s one of three black-type winners for City of Light from eight winners so far.

Good Magic’s Gill Sorrento S. winner at Del Mar, Vegas Magic, was most recently fourth in the GI Del Mar Debutante, but she has points and has been training forwardly.

Justify’s Just Cindy, winner of the Gill Schuylerville S. at Saratoga in July, has since been defeated in both the GI Spinaway at Saratoga and the Alcibiades, but his daughter Justique, most recently third in the Gill Chandelier S. at Santa Anita, may be a possibility for the race.

Breeders’ Cup Juvenile Fillies Turf

Mendelssohn’s Delight won the GI J.P. Morgan Chase Jessamine S. at Keeneland, a Breeders’ Cup Challenge race, by five lengths with her ears pricked and looks a strong contender for the North American contingent. She’s her sire’s lone black-type winner from 17 winners overall.

Oscar Performance’s G Laurie has points for the race as well. She was third in the GI Natalma S. at Woodbine with a troubled trip and is one of 11 winners for Oscar Performance, who is represented by one black-type winner to date—the Grade II-winning colt Andthewinneris.

Breeders’ Cup Juvenile Turf

Andthewinneris won the Gill Bourbon S. at Keeneland, a Breeders’ Cup Challenge race, leading a one-two finish for Oscar Performance with Deer District in second. Not only that, Oscar Performance also has Lachaise, who was third in the Gill Pilgrim S. at Belmont-at-Aqueduct, with points for the GI Breeders’ Cup Juvenile Turf.

Bolt d’Oro also has a couple of contenders. His Major Dude won the aforementioned Pilgrim, a Challenge race, and Boppy O won the Gill With Anticipation S. at Saratoga. They are two of four black-type winners for Bolt d’Oro, who is represented by 19 winners.

City of Light’s Battle of Normandy, second in the With Anticipation, also has points for the race, as does freshman sire Cloud Computing (Maclean’s Music) with I’m Very Busy, second in the Pilgrim. Cloud Computing doesn’t have a black-type winner yet, but he’s represented by eight winners.

Breeders’ Cup Juvenile Turf Sprint

Sharp Azteca’s undefeated Iowa-bred Tyler’s Tribe has been penciled in for the GI Breeders’ Cup Juvenile Turf Sprint. He’s never raced over turf, but he’s registered some sparkling Beyer Speed Figures in dirt sprints, and his sire has been represented by some turf winners. Tyler’s Tribe is one of three black-type winners for Sharp Azteca, who has 23 winners. One of them is Sharp Aza Tack, who won the Listed Tyro S. at Monmouth over five furlongs on turf by 7 1/4 lengths, and he could be a possibility for this race as well. He last worked five furlongs over Keeneland’s all-weather training track in 1:00.20 Saturday.

City of Light’s Gaslight Dancer, who was second by a neck in the six-furlong Gill Futurity S. at Belmont-at-Aqueduct on turf, also has points for the race.

A Takeaway

The freshman sires competing to make this list are doing so not only against others with first crops, but also against established sires. They are also fighting to make themselves relevant for next year, because in the commercial marketplace that now exists, a poor showing this year will mean fewer mares to cover next spring. It’s paramount, therefore, that they get some graded winners or a Grade I winner among their first 2-year-olds, and it’s for this reason that stud farms front load their books as much as they can with more quality than most will see again unless they are successful. Cont. p16
Taking Stock cont.

One result of this is that a stallion’s second, third and fourth books usually tend to yield less quality than the first, and yearling buyers, aware of this phenomenon, tend to pay more for first-crop yearlings.

Moreover, even those stallions that end up in the top 10 this year aren’t necessarily guaranteed to succeed, unless their first 3-year-olds continue to win next year. Note that in 2017, Overanalyze was ninth on this list but is no longer in Kentucky, while Violence, who was 10th the same year, has continued to make a mark and is represented by Forte, the leading 2-year-old in the East this year.

Some excellent stallions have also emerged from a prominent spot as freshmen on this list over the years. In 2014, it was Quality Road; in 2015, Uncle Mo; in 2019, American Pharoah and Constitution; in 2020, Not This Time; and last year, Gun Runner.

REPORT OF MARES BRED: GUN RUNNER

TOPS, TOTALS SLIDE

The Jockey Club has released its Report of Mares Bred (RMB) statistics for the 2022 breeding season. Through Oct. 18, 2022 and based on the RMBs received, a total of 925 stallions covered 27,163 mares in North America this year, a decrease of the reported 27,829 mares from 2021.

In Kentucky, the state’s 196 reported stallions served 16,689 mares, a number which translates to 61.4% of all breeding activity in North America. That number reflects a decrease of 0.2% from last year when 16,727 mares were reported as bred in Kentucky, while the number of stallions was down 2% from 200 in 2021.

In New York, the state’s 196 reported stallions served 16,689 mares, a number which translates to 61.4% of all breeding activity in North America. That number reflects a decrease of 0.2% from last year when 16,727 mares were reported as bred in Kentucky, while the number of stallions was down 2% from 200 in 2021.

California was the second-busiest state from a statistical standpoint, with 99 stallions covering 1,781 mares, a decline of 3.4%. Florida is the only other state reporting four-figure matings, with 1,495 mares (-4.3%) having been bred to 59 sires (-4.8%)

Stallions in New York and Indiana covered more mares this year than last. In New York, 973 mares were reported as bred, an increase of 2.6%, while the number of sires remained static at 38. In Indiana, 39 stallions (down from 45 in 2021) bred 496 mares, a bump of 4.4% over 12 months ago.

In terms of individual stallions, Gun Runner, standing at Three Chimneys, bred 248 mares in 2022, tops in North America. He was followed by Yaupon (Spendthrift), 242; Mendelssohn (Coolmore), 230; Practical Joke (Coolmore), 227; Cont. p17
Mares Bred cont
and Not This Time (Taylor Made), 225. The top 56 stallions by mares covered were all in Kentucky. Six different farms had a stallion in the top 10, up from four in 2021.

Gun Runner’s rise from 166 mares in 2021 was fueled by his exceptional first crop’s performance on the racetrack. He led all first-year stallions in every black-type category, as well as by winners, wins, earnings per starter and earnings.

The top 10 first-crop sires by mares covered were also in Kentucky, led by Yaupon, good for second among all sires.

The Jockey Club estimates that it will receive an additional 2,500 to 3,000 RMBs.

DERBY WINNER AMONG KEENELAND BREEDERS’ CUP WORKERS

Reigning GI Kentucky Derby hero Rich Strike (Keen Ice) tuned up for his appearance in the GI Longines Breeders’ Cup Classic Nov. 5 with a five-furlong drill over the Keeneland main track early Tuesday morning.

With Gabriel Lagunes in the irons for trainer Eric Reed, the chestnut broke off in :26.20 and completed his work in 1:02.60 before galloping out three-quarters of a mile in 1:15.60.

“Slow and steady,” Reed said of Rich Strike, a latest near-miss second to Hot Rod Charlie (Oxbow) in the GI Lukas Classic at Churchill Downs Oct. 1. “I don’t want to get him too sharp too soon. I got what I wanted this morning, and he’ll get back to work Thursday with a jog or light gallop. I just have to keep him on the ground for the next 11-12 days.

“I was going to work Wednesday, but with rain in the forecast there was a chance that if I did not work today, I might not be able to go until maybe Friday,” Reed added. “He’s a couple days ahead of schedule, so I may have to come back with a little

three-eighths [next week].”

Edgeway Works For Sadler, Flightline Gallops

It was another light piece of work for ‘TDN Rising Star’ Flightline (Tapit) Tuesday, as the untested 4-year-old colt galloped a mile and a quarter over the Keeneland main track shortly after the track opened, but stablemate Edgeway (Competitive Edge) was asked for something a bit more, as she drilled a half-mile in :46 flat following the renovation break. It was the fastest of 18 moves at the distance.

The Hronis Racing colorbearer, who will look to improve on her runner-up effort to Ce Ce (Elusive Quality) in last year’s GI Breeders’ Cup Filly & Mare Sprint, was put through her paces by Juan Leyva and went in fractions of :23.40 and :34.20 before pulling up five furlongs in :58.60.

“She went real nice this morning and got over the track well,” said Leyva, himself a winner of the Filly & Mare Sprint when defeating the Sadler-trained Switch (Quiet American) aboard 20-1 Musical Romance (Concorde’s Tune) back in 2011. “The track was nice and tight. She will probably work again Monday.”

Sprint Rivals Sharpen Up

Aloha West (Hard Spun) and Jackie’s Warrior (Maclean’s Music), first and sixth, respectively, in last year’s GI Breeders’ Cup Sprint at Del Mar, tuned up for their rematch with works at Keeneland Tuesday morning.

Last seen narrowly prevailing in the July 2 Kelly’s Landing S. at Churchill, Maryland-bred Aloha West went a sharp five-eighths of a mile in a bullet :58.60 (1/6) and galloped out six furlongs in 1:12.40. A couple of hours earlier, Jackie’s Warrior worked inside of his stablemate County Final (Oxbow) and went five furlongs in :58.60 in fractional times of :24, :35.60 and :46.60 before pulling up six furlongs in a strong 1:12 flat.

STUDY: HORSES RACING ON LASIX AT INCREASED RISK OF “SUDDEN DEATH”

by Bill Finley

A new study published this week in the Journal of the American Veterinary Medical Association and funded by the Grayson Jockey Club Foundation, has found that horses racing on Lasix were 62% more likely to die within three days of racing than were horses running without the diuretic.

Fatalities due to catastrophic musculoskeletal injury were not included in the study. The use of Lasix was one of 15 risk factors identified in the report.

The study, relying on information from the Equine Injury Database, examined starts made by 284,387 Thoroughbreds at 144 racetracks in the U.S. and Canada from 2009 to 2021. A total of 4,198,073 starts were included in the study, which was conducted by Dr. Euan Bennet and Dr. Tim Parkin. The number of starts equals 92.2% of all races in North America run during the period of the study.

Among the starters, there were 536 instances where a horse died within the three-day window after racing, a rate of 0.13 per 1,000 starts.

Horses falling into the “sudden death” category had to have died within three days of racing and have had one or more of five fatal injury descriptions: (1) sudden death (recorded as “SUD” in the EID); (2) pulmonary hemorrhage; (3) exercise-induced pulmonary hemorrhage (EIPH); (4) postexertional distress/heatstroke (PED); and (5) cardiac arrhythmia.

The study included 233,276 starts made by horses without Lasix. Eighteen or 0.08 per 1,000 starters died within three days. There were 3,964,797 starters who ran with Lasix and the result was 518 sudden deaths or 0.13 per 1000 starters. Ninety-four percent of all horses in the study raced with Lasix.

“...it could be hypothesized that furosemide administration in horses may increase the risk of sudden death through fatal arrhythmogenesis,” the study reads. “However, as the exact cause of sudden death (cardiac vs non-cardiac) was not determined for the horses of this study, we can only speculate at possible mechanisms. Further investigation is required to understand which, if any, pathophysiologic mechanisms could underlie the association between furosemide use and sudden death, as this finding raises further concerns about the ethics of race-day administration.”

The researchers also concluded: “...identifying any potential causal link between furosemide administration and sudden death should be a priority.”

The study looked at 49 risk factors and concluded that 15 of those factors could have led to a horse dying following a race. The list includes:

(*) Horses racing in the winter were at a 28% reduced risk of dying when compared to horses racing in the summer;

(*) There were fewer fatalities in longer races. In races contested at a mile or longer horses were 32% less likely to die than horses competing in races at six furlongs or shorter;

(*) Older horses were more likely to die than younger ones. Horses five or over were 44% more likely to die than horses who were three or younger;

(*) Horses that had been racing frequently were less likely to die than horses who had their races spaced out. For each additional race start made in the previous 0 to 30 days, individual horses were at reduced risk of sudden death. Horses that had made two or more race starts in the period 90 to 180 days before the current race were at 19% decreased risk of fatality compared to horses that had made 0 or 1 start in the same time period;

(*) Horses racing for the first time in a claiming race were at an increased risk. They were at 38% increased odds of sudden death compared to horses that were not making their debut in the claiming ranks;

(*) Horses that had previously been on a vet list, were 31% more likely to die compared to horses than had never been on a vet list;

(*) Horses whose last starts were made on a synthetic track were at 33% reduced odds of sudden death compared to starts made on dirt tracks; Cont. p19
Lasix cont.

The researchers hoped their information could lead to fewer sudden deaths.

The study reads: “Further work is required to determine which, if any, clinical signs are potential indicators and, indeed, whether such a rare outcome could be reliably predicted. The thoughtful application of big data predictive modeling would be helpful here; routine biometric monitoring of racehorses throughout their training and racing careers could provide valuable insights into horses’ physical well-being.”

BREEDERS’ CUP FESTIVAL KICKS OFF WITH ‘ISAAC TO OLIVER’ FAMILY STROLL

By Katie Petrunyak

The 2022 Breeders’ Cup Festival Week in Lexington features a series of events aimed to bring together locals and visitors alike in the days leading up to the main event at Keeneland. The week-long celebration kicks off Sunday, Oct. 30, with the Isaac Murphy Art Garden Party and Family Stroll.

Participants have the opportunity to walk in the footsteps of legends as they stroll from the Isaac Murphy Art Garden to Oliver Lewis Way along the newly-completed Town Branch Commons, a public-private trail system that follows Town Branch Creek through downtown Lexington.

Event sponsors include WKYT, LM Communications and the Ed Brown Society.

“The organizers of the festival really wanted to make sure we used the Breeders’ Cup Festival Week as an opportunity to bring the community together,” said Daryl Love, the Executive Director of the Ed Brown Society. “We have a lot of people coming in across the U.S. and around the world, but sometimes when it comes down to the actual event it may be unattainable for some people to get a ticket. We want them to be able to celebrate the rich tradition that we have within the Bluegrass State and also feel like they’re a part of the activities.”

Whether participants walk, jog or run through the stroll, they can all return to the Issac Murphy Art Garden, which is the first park in the U.S. to honor the earliest African American professional athletes, afterwards to enjoy food trucks, live music and more.

“Keeneland has agreed to bring in their kids activities,” Love said. “People will have the opportunity to learn about the early days of racing in Lexington. We’ll have some of the famous Black jockey silks that kids can dress up in. It really is an opportunity for individuals from all across the community to come out and have fun.”

The free event begins at 2 p.m. and will go on until 6 p.m. The first 300 walkers will receive a commemorative long-sleeve T-shirt.

Love said that a celebration honoring the early African American jockeys is a perfect way to kick off Breeders’ Cup week.

“One of the things that we always talk about is making sure that history is put in its proper context,” he explained. “As people are seeking to diversify in various industries, it’s important to come back and understand the rich contributions that African Americans have made from the beginning as trainers, jockeys and owners. It’s also important as we try to inspire the next generation.”

The Ed Brown Society will also be hosting an art exhibit at the Lyric Theatre from Nov. 2-6 that will feature location and national artists showcasing their equine-inspired art.

Breeders’ Cup week festivities will carry on all through out the week. Tandy Park will be the center of the Breeders’ Cup celebration action downtown with live music, food and refreshments every evening from Monday through Saturday. Large video boards throughout the park will feature live racing coverage on Friday and Saturday.

Multiple graded stakes winner at Keeneland, Saratoga and Belmont and Breeders’ Cup bound.

November Breeding Stock Sale Begins Monday, Nov. 7
Gordian Knot dominated state-breds by seven lengths debuting at 11-1 Aug. 22 at Parx and backed that up with a two-length success when crushed down to 2-5 in the Pennsylvania-bred Prince Lucky S. there Sept. 24. Off at the same short price in this local and synthetic bow, the gelding broke last and traveled in eighth at the inside while a bit headstrong behind a :22.09 quarter. Picking It rapidly while sent into the clear five wide on the latter half of the turn, he took charge outside the furlong grounds and powered away from there for a sharp score to remain unbeaten. Legend of Charlie was second best. The winner has a yearling full-sister named Flamingo Way and a weanling full-brother. His dam visited Social Inclusion once more this spring.

**GUNFYRE GAL** (f, 3, Gun Runner--Frost Fire, by Medaglia d'Oro) graduated by six lengths over state-breds on debut here June 14 and repeated by 5 1/2 lengths against open allowance company July 12 before a pair of runner-up finishes in a state-bred allowance Aug. 22 and the restricted Tax Free Shopping Distaff S. Sept. 30 at Delaware. Pounded down to 1-10 here, the homebred broke a step slowly before recovering to press the pace from second through a :22.27 quarter. Assuming command past a half in :45.49, the chestnut kicked clear into the lane and poured it on from there for a seven-length victory over Aruma (Il Villano). The winner is a half to Streetwithnoname (Street Sense), SW, $113,985. Frost Fire has an unraced juvenile Liam's Map filly named Precipice and a yearling colt by Munnings. She was bred to Authentic this spring. Sales History: $250,000 RNA Ylg '20 EASOCT. Lifetime Record: 5-3-2-0, $110,680.

NO FOLDIN' FOR COHEN AS HE LANDS 850,000 GAMBLER AT TATTERSALLS

By Brian Sheerin

Tim Cohen did not come halfway around the world to walk away from the Tattersalls table when the stakes get higher and the American-based agent did not blink in securing I'm A Gambler (Ire) (No Nay Never) for 850,000gns on behalf of Red Baron's Barn and Rancho Temescal on day two of the Autumn Horses In Training Sale. I'm A Gambler, a typical Charlie and Mark Johnston-trained runner who has gone from strength to strength this season and was last seen winning a listed event at Redcar, will continue his career in California.

Cohen said, "It's hard to find a solid 3-year-old and he's obviously one of the highest-rated in the sale. Physically, he's beautiful. Certainly didn't want to go that far but also didn't want to come all this way and not use something worthwhile."

"There are a few 3-year-old stakes races left in California this year, but he has had quite a few races, so we will finish the year and then he can have a little break."

Asked how high he thinks I'm A Gambler can go in America, Cohen joked, "He better go pretty high! He is a quality individual, has already proven that, so if we can maintain that and can enhance that, it will be even better. He does not have much left to prove to me." Cont. p3

MINZAAL JOINS BAAEED ON SHADWELL ROSTER

G1 Haydock Sprint Cup winner Minzaal (Ire) (Mehmas {Ire}) has joined the Shadwell stallion roster at Derrinstown Stud in Ireland. The Shadwell team of stallions for 2023 also includes the world's best turf horse of this year, Baaeed (GB), who will be based in England at Nunnery Stud.

Trained by Owen Burrows, Minzaal won the G2 Gimcrack S. at two before going on to win at the highest level this season at Haydock, in what would transpire to be his final racecourse appearance. In total, he won four of his 11 starts across three seasons, earning £473,938 in prize-money.

Minzaal, from the first crop of Tally-Ho Stud's promising young sire Mehmas, was bred by Derek and Gay Veitch at Ringfort Stud from the unraced Clodovil (Ire) mare Pardoven (Ire) and was purchased by Shadwell as a yearling for 140,000gns. Cont. p9

**TATTERSALL DECEMBER CATALOGUE ONLINE**

A total of 186 head have been catalogued for the Tattersalls December Yearling Sale, taking place Nov. 21.

**ROYALLY-BRED GALILAEUS DEBUTS AT NOTTINGHAM**

Galilaeus (GB) (Galileo {Ire}), out of G1SW Madame Chiang (GB), gets his start at Nottingham Wednesday.

**OLD PERSIAN HALF GRADUATES AT NEWCASTLE**

Ruling Dynasty (GB) (Night Of Thunder {Ire}), a half-brother to Grade I winner Old Persian (GB), wins at Newcastle Tuesday.
Charlie Johnson watched the sale on the rope and revealed that selling the nine-time winner made good sense financially for the Kingsley Park team and owners John Brown and Megan Dennis. He said, "It was quite some theatre because bidders that seemed to drop out of the running suddenly came back for more. It just showed what high demand he was in. He's a phenomenal physical, a beautiful horse, and he's had no issues all the way through his career. He's been an easy horse to train as he's very sound and very tough and he's really taken off in the last four or five months. It's a phenomenal result."

Johnson added, "Watching trade I thought he was going to make 400,000gns or maybe 500,000gns on a good day, so the end result is quite fantastic. Normally, you wouldn't sell good horses like that but the reality is, I spoke to John a few weeks ago and his dream campaign for next year would involve winning the Lennox S."

"The horse has just earned five, six or maybe even seven times the prize-money of that race for selling here. It leaves a huge hole in our yard to sell a 110-rated horse but economically it was a logical decision for the owner."

The Johnson team have sold a total of 27 horses at the sale thus far for 1,270,500gns while Red Baron's Barn and Rancho Temescal pushed spending to 1,215,000gns after buying Bellstreet Bridie (GB) (Sir Percy {GB}) for 260,000gns and Maltese Falcon (Ire) (Caravaggio) on Monday.

Figures were up again on Tuesday. Trade reached 12,373,000gns on the day which represents a 10% rise on last year. The median was also up 22% to 25,000gns while the average rose 15% to 50,709gns.

The clearance rate was 93%, the same as in 2021, while the total spend for Monday and Tuesday together is 20,939,100gns.
'Very Ambitious' Wathnan Racing Flexes Buying Power

Wathnan Racing, one of the newest racing ventures in Qatar that is headed by Alban Elie De Mieulle, the multiple champion trainer in that jurisdiction, once again flexed its buying power when snapping up Persian Royal (GB) and Inverness (Ire), two of the most expensive horses sold on Tuesday.

That helped elevate Wathnan Racing’s spending to 1,750,000gns across the two days. It was Roger and Harry Charlton’s Persian Royal, a four-time winner by Al Kazeem (GB), who boasts a rating of 90 that made 450,000gns while Inverness (Highland Reel {Ire}) was sold for 380,000gns.

Wathnan Racing, for which Olly Tait has been buying on behalf of, acquired nine horses from the sale and were also in the running for the top lot I’m A Gambler for much of the bidding.

"Wathnan Racing is a new stable that has started up in Qatar," Tait said after buying Persian Royal. "We want to have enough horses so that the stable can be successful."

He added, "His form was excellent and he looks progressive. Not only is he progressive but he's super consistent. He's a nice horse for this season and hopefully many more seasons to come."

Persian Royal raced in the familiar silks of John Deer, who also owned the sire Al Kazeem, a four-time Group 1 winner for Roger Charlton.

The Qatar Derby was identified as the likely target for Inverness, the second highest-rated son of Highland Reel with a mark of 94, who held on to top-lot status for much of the day.

Tait said of that dual winner, "He has very consistent, progressive form, and he will go on firm ground. He is a horse who could hopefully be competitive in the Qatar Derby.

Unlimited potential

Goffs November Foals flourish as yearlings and as racehorses. This year’s selection are even more beautiful than ever featuring the cream of the Irish foal crop.

Goffs November Foal Sale

Simply Unmissable

GOFFS SINCE 1866
"He is that level of horse. He wasn't inexpensive but that is what you have to pay for a horse of that quality. He is very willing and his form stands up very well."

He added, "There is a big programme of racing in Qatar and Wathnan Racing is very ambitious, looking for horses who can win races at different levels. In time, a broader Middle Eastern campaign for the horses could be on the radar."

**Havana Grey's Best Boy Off To Qatar**

Eddie's Boy (GB), the highest-rated son of crack first-season sire Havana Grey (GB), will continue his career in Qatar after selling online to Will Douglass of Charlie Gordon Watson Bloodstock and Al Wasmiyah Stud for 320,000gns.

A teak-tough 2-year-old, Eddie's Boy has won three of his 10 starts this term, and is set to be kept on the go a little longer with December targets in Qatar pencilled into his diary by the new connections.

The Middleham Park-owned and Archie Watson-trained colt enjoyed his greatest day on a racecourse so far when landing a Group 3 at Chantilly last month and has amassed over £210,000 in prize-money.

Douglass said, "He is an absolutely cracking-looking horse and has danced every dance this year. He vetted brilliantly--you can't knock what he has done. He is well-made, strong and solid, and is going to do well in Qatar. I think he has the best two-year-old form in the catalogue."

"He will first aim for the Al Rayyan S., which is run in mid-December, and then for the Al Biddah Mile in early February. We have managed to buy the winner of that for the last seven years so there is no pressure!"

**Goffs November Breeding Stock Sale**

Friday 18 - Saturday 19 November 2022

*Simply Unmissable*
The agent added, "Plans are a bit up in the air at the moment, but we have found that it works better to leave the horses here for the December race and run them off the plane, then leave them in Qatar for the later race."

That would suggest that Eddie's Boy will stay in training with Watson for that December target in Qatar.

Middleham's Tim Palin said, "A 45,000gns buy at Tattersalls to selling today, there is a certain synergy there, we have sold really well and it is just a privilege to be dining at the top table and selling at the top table.

"Horses such as him and The Platinum Queen (Ire) (Cotai Glory (GB)) show that even for the cheaper sort of horse, if you club together and share the expense, you can achieve and get to the best places. He has been a fantastic success story under Archie's tutelage."

On Breeders' Cup bound The Platinum Queen, who was a 57,000gns Tattersalls Guineas Breeze-Up purchase, he added, "She travels to America on Saturday for her Breeders' Cup assignment. We are looking forward to a fantastic race. She is favourite, we could do with a good draw, it is not imperative but important."

"Hollie Doyle is booked. Let's hope we can go over and serve it up to the Americans in their own back yard. We will have around 20 members heading over."

**High Definition To Embark On Hurdles Career**

He was once talked about as a leading Derby contender at Ballydoyle but now High Definition (Ire) will have major targets over jumps to aim for after Coolmore sold the 2020 G2 Beresford S. winner to join Joseph O'Brien for 350,000gns.

High Definition won twice for Aidan O'Brien but showed snippets of top-class form, including when second in this season's G1 Tattersalls Gold Cup at the Curragh, and Mark McStay secured the Galileo (Ire) colt for an existing client at Owning Hill.

Celestial Halo (Ire), Supasundae (GB) and Windsor Park (Ire) rank among Galileo's best sons to have gone down the National Hunt route and McStay confirmed that he secured the 117-rated Flat performer for that sphere.

"He is for an existing international client and he goes to Joseph O'Brien to go jumping," McStay said afterwards.

Another Coolmore-consigned wildcard, the Group 3-winning Aikal (Ire) (Galileo (Ire)), sold to South Africa's leading bloodstock agency Form Bloodstock for 150,000gns.

McStay's Avenue Bloodstock also signed for Aidan O'Brien's 107-rated dual winner Glounthaune (Ire), part-owned by the late Evie Stockwell, for 135,000gns. Bjorn Baker Racing and Clarke Bloodstock were also down as buyers for the Kodiac (GB) colt.

Despite having a number of withdrawals, Coolmore have sold 14 horses for over 1.5 million across the opening two days of the sale, highlighted by Monday's 410,000 sale-topper Waterville.

King's First Winner Sold As Australian Interest Amplifies

A number of The King's high profile runners, including Just Fine (Ire) (Sea The Stars {Ire}), who provided him with his first winner as an owner at Leicester earlier this month, sold strongly.

The 99-rated Just Fine, trained by Sir Michael Stoute to win three races, changed hands for 300,000gns to Johnny McKeever on behalf of Gai Waterhouse and Adrian Bott.

McKeever said, "It has been a while since I have bought one from the Royal Studs. Gai Waterhouse trained for the late Queen and will be thrilled to be getting a horse that she owned. "Sea The Stars is one of my all-time favourite racehorses and sires. I rate him up there with all the great ones and, except for Frankel, is one of the best staying stallions in the world."

He added, "We are looking for good quality horses and Sir Michael recommended him very strongly. I don't know if there have been many by Sea The Stars in Australia, but this horse's level of form is pretty good, and he has the right profile. We have tried on a few others-we were underbidders on Chairman and this morning on Inverness."

Fellow Stoute-trained Royal runners Theme Park and Naval College sold similarly well. Theme Park (GB) (Lope De Vega {Ire}) was knocked down to Jamie Piggott and Nigel Tinkler for 200,000gns while Sackville Donald bought Naval College (GB) (Dartmouth {GB}) for 185,000gns.

Chairman (Fr) (Almanzor {Fr}) proved one of the highlights on Monday when selling from Freddie and Martin Meade to Ciaron Maher and David Eustace for 400,000gns and the Australian trainers were back for more on Tuesday.

Will Bourne, the bloodstock executive for the powerful training partnership, struck for Ruling (Ger) (Camelot {GB}), fourth behind Monday’s session-topper Waterville (Ire) (Camelot {GB}) in the Irish Cesarewitch last month, for 300,000gns.

"He is a nice athletic horse and will go to Ciaron’s Sydney operation," Bourne said. "He is a genuine stayer. He has had a break but has come back well and he has the perfect profile for the Sydney Autumn Carnival.

"The Carnival can really accommodate a horse like him and there is a lot of prize-money on offer. We are looking for five or six horses in total this week but it is a very buoyant market and they are hard to buy."

The strength of the trade took its toll on many, but not Ronald Rauscher, who described himself as pleasantly surprised about being able to pick up the 106-rated Earl Of Tyrone (Ire) (Australia {GB}) for 300,000gns on behalf of Australian Bloodstock.

Earl Of Tyrone has improved 29lbs since joining Paddy Twomey this season and Rauscher said he is hopeful that there can be more to come.

He said, "The objective is staying races in Australia. I know where he has come from and who trains him very well-he was obvious for us. I thought there might be a bit more action on him, so I am not unhappy where we landed. He is a very nice horse, very correct, very well looked after."

Rockingham Runner-Up Captures Imagination

The Rockingham S. runner-up Kyeema (GB) (Siyouni {Fr}) captured the imagination with Chinese owner YP Cheng going to 360,000gns for the William Haggas-trained gelding.

Kyeema was purchased under the name of Domeland and, while a trainer has yet to be decided upon, Roy Cheng revealed the 102-rated sprinter would head to Australia.

He said, "My boss really liked this horse. He will be heading to Sydney. We are not sure about a trainer yet."

Minzaal to join Shadwell roster, cont. from p1

Shadwell principal Sheikha Hissa said, "Minzaal has been an outstanding sprinter for our operation for the past three years. I believe Owen, Jim [Crowley] and I agree that we have never met a sprinter with such a remarkable temperament, and I hope his progeny in the future will reflect the qualities we have seen and admired in Minzaal. I would like to thank everyone at Owen's, Shadwell, and Derrinstown for their expertise in training and taking care of Minzaal. I would also like to thank Ringfort Stud for breeding an excellent colt that we took a great deal of pleasure in racing--and now proudly stand as a stallion in our operation."

Along with his two victories as a juvenile, Minzaal was third in the G1 Juddmonte Middle Park S., and filled that same spot the following year in the G1 QIPCO British Champions Sprint. Further stakes placings came his way at four, in the G2 Clipper Logistics York S. When third behind subsequent treble Group 1 winner Highfield Princess (Fr), before finishing second to that top-class mare in the G1 Prix Maurice de Gheest. Minzaal was found to be lame after his Sprint Cup victory, and when x-rays revealed a fractured knee he was retired the following day.

Shadwell's European bloodstock manager Stephen Collins said, "Minzaal ticks all the boxes for the commercial breeder. He was a speedy, precocious two-year-old who developed into a Group 1-winning 4-year-old. He was also Group-1 placed, aged two, three and four. He is Mehmas's top-rated racehorse in his first three crops of racing age but more importantly he is currently the top-rated sprinter in Europe with an official BHA rating of 121. A versatile, good-looking colt with a wonderful temperament who acted in all ground conditions, he is a great addition to the Shadwell stallion roster."

Owen Burrows, who also trained G1 Coronation Cup winner Hukum (Ire) for the Shadwell team this season, paid his own tribute to Minzaal. He added, "As a 2-year-old, he'd do it every time if you asked him. There were a few bits of work that really got the heart pumping. We went to the Gimcrack and I never like to be too confident--you're more hopeful than confident.

But it didn't surprise me in the slightest when he did what he did at York. It was an exceptional performance. Minzaal is easily the fastest I've trained. He was a very athletic horse who moved well and covered the ground. When he went up through the gears it was a sight to behold."

The catalogue for the 2022 Tattersalls December Yearling Sale is available and can be viewed at www.tattersalls.com. Numbering 186 lots, the December Yearling Sale will take place on Monday, Nov. 21.

The catalogue features several siblings to Group 1 winners, including the Sea The Stars (Ire) own-sister to G1 Australian Cup winner Fifty Stars (Ire) and the Mizzen Mast own-brother to French 1000 Guineas and GI Breeders Cup Juvenile Fillies Turf winner Flotilla (Fr). Also on offer, a Tamayuz (GB) half-brother to G1 Prix Jean Prat winner Laws of Indices (Ire), the Mastercraftsman (Ire) half-brother to G1 Flying Five S. winner Romantic Proposal (Ire) and half-sisters to the G1 German Oaks winner Well Timed (Ger) (Holy Roman Emperor {Ire}) and G1 Sydney Cup winner Selino (GB) (Champs Elysees {GB}).

Tattersalls Chairman Edmond Mahony said; “The Tattersalls December Yearling Sale is a consistent source of top class performers with a well established reputation for combining quality and value for money. The catalogue for the 2022 renewal has consignments from many of Britain and Ireland’s most successful nurseries as well as a significant draft from Shadwell Estates. As well as plenty of outstanding pedigrees, buyers will find a large number of yearlings eligible for valuable £20,000 Tattersalls October Book 1 Bonuses and the ever popular £150,000 Tattersalls October Auction Stakes, as well as the well-received Great British Bonuses.”

AU$500K TORONADO COLT TOPS MAGIC MILLIONS 2YOS

by Oz Wedmore and Lydia Symonds

A colt by Swettenham Stud’s resident stallion Toronado (Ire) was the headline act of Tuesday’s Magic Millions 2YOs in Training Sale with the youngster secured for $500,000 by Vicky Tang, who was bidding online from Hong Kong.

At A Glance:
- The leading buyer was Thoroughbred Owners Association and Sports Trust, who took home six lots for a total of $1,065,000, averaging $177,500.

A List Enjoy Good Day

The Toronado (Ire) colt, who clocked 10.85s in his breeze-up, was purchased by his vendors A List Stud for $400,000 at the Magic Millions Gold Coast Yearling Sale earlier this year and he is out of Canterbury Hill (Haradasun), a winner over 1200 metres whose three foals to race are all winners, including the stakes-placed Don’ttelltheboss (Street Boss {USA}).

Stable trainer Allan Chau was on hand to oversee A List Stud’s draft at the sale on Tuesday and they finished the day as the leading vendor by aggregate and average, selling 12 juveniles for a total receipts of $1,792,000 for an average of $149,333.

“I believe the sale was very strong today (Tuesday). The market suggests that there is good money being injected into these breeze-up sales, and that showed today in the results,” Chau said.

“Hopefully this will help to expand the set up of breeze-up and ready to race sales, and they’ll continue to get bigger and stronger.

“He’s (Toronado) a very nice colt. It was very good to have him here to top the sale, and hopefully he’s going to go onto bigger and better things.”
A List were handed yet another good result on the day when an I Am Invincible filly, out of the placed Galileo (Ire) mare Defy The Odds (GB), became the second-top lot of the sale and top-priced filly, and she will be heading to Singapore after Thoroughbred Owners Association and Sports Trust went to $480,000 to secure the filly.

She is a half-sister to G1 South Australian Derby winner Leicester (Wanted) and she breezed in a time of 10.69s. Thoroughbred Owners Association and Sports Trust also purchased another from the A List draft, paying $200,000 for a daughter of Newgate Farm’s resident stallion Capitalist. The filly—who was purchased by A List Stud for $185,000 at the Magic Millions Gold Coast March Yearling Sale earlier in the year—clocked the fastest time of the whole catalogue in her breeze-up when she stopped the watch at 10.26s.

**Bowditch pleased with results**

All up across the day over $6.7 million was traded on 80 lots sold at an average price of $83,963 and improving clearance rate of 75 per cent. Barry Bowditch was pleased with the day’s trade and said the only disappointing aspect was that demand far outweighed supply.

“I think off the back of the last couple of years, it was great to have the international buying bench back in force and on the ground. I thought the sale had a really good vibe about it from the beginning and I think the clearance rate is more than acceptable. I thought at all levels there was participation on horses that were realistically reserved,” he said.

“The vendors put a lot of time and effort into their job at great expense. It’s our job to create the market for them and for them to meet it, is something I have to congratulate them for.

“I think the disappointing aspect of the sale was the appetite for the stock and I think some buyers will be going home without fulfilling all their orders. Obviously, going forward we look to grow the catalogue and improve the quality and also the quantity because I thought the market was there to fulfil that today (Tuesday).

“Every number is up. We sold more horses above $200,000 than we did last year, we sold more horses over $100,000, the average was up, the clearance was better, the gross is up and it’s off a smaller catalogue, so they’re all the numbers that should give vendors confidence that this is a really viable component to our industry and that you can sell a horse really well here at the Gold Coast 2YOs in Training Sale.

“We’d like to thank everyone who played a part. Obviously, many facets go into the sale from vendors, the people who prepared the horses for the breeze-ups, the staff and our team to make this a seamless process - thanks to everyone who was involved.”
