ANOTHER BREEDERS' CUP WINNER 'FOR' REPOLLE AND VIOLA by Steve Sherack

LEXINGTON, KY—Mike Repole and Vinnie Viola bought 43 yearlings for more than $16 million to top the sheets for the first of two straight years at the 2021 Keeneland September sale.

'TDN Rising Star' Forte (Violence), a $110,000 purchase out of that auction, made good on the duo's significant investment in the industry by capping his 2-year-old season with a championship-worthy performance for trainer Todd Pletcher in Friday's GI Breeders' Cup Juvenile.

Repole Stable, Viola's St. Elias Stable and Pletcher previously teamed up to capture the 2019 GI Breeders' Cup Classic with Vino Rosso (Curlin).

“Having Vinnie and Teresa [Viola] as partners, it's extended family,” said Repole, who, of course, also won the 2010 Juvenile with now leading sire Uncle Mo. “Winning a race with them is always more fun. We're very blessed.”

Looking for his third-straight win at the top level following scores in Saratoga's GI Hopeful S. and local GI Claiborne Breeders' Futurity, Forte was off as the second choice at 5-1.

Sitting a dream trip on the inside in fifth as heavily favored Bob Baffert-trained California invader 'Rising Star' Cave Rock (Arrogate) mixed it up on the front end through fractions of :22.90 and :47.01, Forte was switched off the rail and unleashed a visually appealing sweeping blitz--just as he did while making his two-turn debut in Lexington last time--on the far turn.

Forte was all the way out in the six path as Cave Rock, still racing on his left lead, kicked for home on top as they entered Keeneland's short stretch.

Forte kept on coming on the outside with a steady series of left handers from Irad Ortiz, Jr., struck the front near the sixteenth pole and won going away by 1 1/2 lengths over Cave Rock. It was another 2 1/4 lengths back to the latter's stablemate National Treasure (Quality Road) in third. Cont. p4

Forte became the 13th Breeders' Cup winner for Pletcher and his third in the Juvenile.

“He got a beautiful trip,” Pletcher said. “Just kept coming. I think we both got a fair run at it today. He got that two-turn experience [in the Breeders' Futurity] and it paid off today.”

Ortiz, Jr., a 15-time Breeders' Cup winner, added, “Beautiful trip. I broke good, saved some ground around the first turn and took my time down the backside. I started making my move around turn. I hit him once and he responded. He deserves all the credit.”

Looking to be any kind with a blowout debut win at Belmont Park in late May, Forte has been unbeatable in three starts at the top level since a disappointing fourth-place finish as the favorite in Saratoga’s GIII Sanford S. The countdown to the first Saturday in May starts now.

“THIS HORSE HAS BEEN WINNING IN, HONESTLY, MILE-AND-A-QUARTER PERFORMANCE, AND LOOKS LIKE HE'S LOOKING TO GET BETTER AND BETTER,” REPOLE SAID.

IT'S BEEN SOME RUN IN 2022 FOR THE NATIVE NEW YORKER, WHO CELEBRATED A LIFELONG DREAM WINNING THE GI BELMONT S. WITH MO DONEGAL (UNCLE MO).

“My whole family thinks you just show up and you win a Grade I and that that's normal,” Repole said. “I think it’s eight [Grade I wins in 2022] now. I'm not fooled about how blessed I am that this is happening.”

Pedigree Notes:

Forte is one of six Grade I winners for Violence, who is also responsible for 39 stakes/14 graded winners. Violence’s MGISW Dr. Schivel was a painful second in last year’s GI Breeders’ Cup Sprint. Breeders’ Cup Classic winner Blame is the broodmare sire of five graded stakes winners. Forte's dam Queen Caroline was purchased by Amy Moore of South Gate Farm for $170,000 at the 2014 Keeneland September sale. The mare went on to win four stakes in Moore's colors before becoming one of the Virginia farm’s first broodmares. Forte is the mare's first foal. She has a yearling colt by Uncle Mo, who brought $850,000 from Mayberry Farm at Keeneland September. She was bred to Not This Time for 2023. This is the extended female family of champion 2-year-old filly Folklore (Tiznow).

Wonder Wheel

by Steve Sherack

LEXINGTON, KY--D J Stable’s Wonder Wheel (Into Mischief) was masterfully handled from far back beneath Tyler Gaffalione and produced a devastating stretch run to secure a year-end divisional championship in Friday’s GI Breeders’ Cup Juvenile Fillies at Keeneland. Cont. p7
Juvenile Fillies cont.

Leave No Trace (Outwork) was three lengths back in second; Raging Sea (Curlin) finished third.

“There was lots of doubt probably the entire race given the way she has run in the past,” said winning trainer Mark Casse after registering his sixth Breeders’ Cup victory. “She is just a really good horse. She is just special and now she is going to be champion.”

In a stark contrast to her narrow, wire-to-wire tally in her route debut in the local GI Darley Alcibiades S. Oct. 7, the 6-1 chance quite surprisingly found herself far back in 11th through fractions of :22.90 and :47.22. Wonder Wheel was traveling beautifully on the inside on the far turn, but desperately in the need of some racing luck. Gaffalione kept his cool and tipped his mount out three deep through a tight opening as they straightened. She put on a show from there to leave them all in the dust.

Wonder Wheel, a winner of her first two starts at Churchill Downs, including a runaway score in the Debutante S., was second behind the 25-1 Juvenile Fillies runner-up Leave No Trace in Saratoga’s GI Spinaway S. Wonder Wheel held on by a nose over the unlucky Chop Chop (City of Light) after setting the pace in the Alcibiades. Juvenile Fillies third Raging Sea was disqualified from third for interference that day and placed fourth.

Gaffalione, the regular rider of the Casse-trained GI Preakness S. winner War of Will (War Front), entered this year’s Championships with an 0-for-34 record.

“She didn’t break very well,” Gaffalione said. “I got pushed back a little further than I wanted to be. But when she broke her maiden, she took dirt and went in between horses and I wasn’t too concerned [today]. Spots kept opening up inside, so I just going forward and it just worked out.”

Chop Chop was last of 13 as the 2-1 favorite.

“Didn’t work out very well,” trainer Brad Cox said. “She broke, she was fine. She was a little hot in the paddock for me. I didn’t love that. She got pushed wide going into the first turn. She got pushed wide actually by the winner. The winner was ultra-impressive. We just didn’t have much horse.”

The Green family’s D J Stable, along with Cash is King, campaigned 2018 Juvenile Fillies winner and that season’s champion 2-year-old filly Jaywalk (Cross Traffic).

“It’s an incredible feeling, not only to win a race of this caliber at Keeneland, but to do it with these classy gentlemen,” D J Stable’s Jon Green said. “Tyler’s been phenomenal for us over the past couple of years, Mark has been training for us for three years now, and we’ve been in the Breeders’ Cup every year.”

Green continued, “Jaywalk won it, again, similar situation, she was third choice, kind of overlooked by a lot of people, which is fine by us; we like being the underdog, we’re used to it, quite frankly.”

As for Wonder Wheel, Green concluded, “She’s a classy filly. She never misses a day of training and she’s got a great level head. But you still worry about asking a horse at this level to do something completely new. And that’s why we employ somebody like Tyler because he just navigated her right to the rail and through an open hole and the rest is history.”

The $275,000 KEESEP yearling was already one of 13 Grade I winners for her all-conquering sire. Wonder Wheel's talented multiple stakes-winning dam Wonder Gal, a close third in the 2014 Juvenile Fillies, was barren on a 2022 Constitution cover. Wonder Wheel is her most recent produce. Favored at 2-1, Meditate bounded away from the stalls to establish position, settling in the three path near the back of the pack as 18-1 shot Spirit Gal (Fr) (Invincible Spirit {Ire}) carved out an opening quarter in :23.19 and a half in :47.60. Meditate crept up a bit on the outside to sit mid-pack while turning for home four wide. Kicking into high gear at the top of the stretch, the bay unleashed a powerful turn of foot, rolling clear with ease to win by 2 1/2 lengths. The Shug McGaughey-trained Pleasant Passage (More Than Ready) was the runner-up with Cairo Consort (Cairo Prince) in third.

A good-looking debut winner at The Curragh in April, Meditate reeled off three more wins after that, taking the G3 Naas Fillies Sprint S. May 15, Royal Ascot’s G3 Albany S. June 17 and The Curragh’s G2 Debutante S. Aug. 20. Her hot streak came to an end Sept. 11 when she finished second in the G1 Moyglare Stud S. and she completed the exacta again last time in Newmarket’s G1 Cheveley Park S. Sept. 24.

“We had a reason [she didn’t win] at the Curragh and a reason for her last race and weren’t sure about the mile,” said O’Brien, who teamed up with Moore and Coolmore to take the GI Breeders’ Cup Juvenile Turf two races later. “Ryan gave her a brilliant ride. [Co-owner] Michael [Tabor] was very confident that this was the race for her. It’s incredible. We came to here to see if she would be a filly for the Guineas. And I heard Michael telling Ryan before the race, if she wasn’t going to get the trip here, we might not train her for the Guineas. Obviously, the result was great. Ryan was very patient. He didn’t have an easy draw and said he had to take his time the first half. Delighted for everyone.”

Cont. p11
Michael Tabor is interviewed by Nick Luck
Breeders’ Cup/Eclipse Sportswire

“It’s obviously always very hard coming here,” Moore said. “Everything needs to go right. No one comes here to get beat. The filly did it very easy and has lots of talent. She hasn’t run a bad race all year and gets better with every race. She started well, went hard for a little bit, I was going to be wide and the pace got steady. I followed a horse down the backside and she picked up really well down the stretch. She had them covered with a furlong out and in front pricking her ears. She was much the best.”

As for the runner-up, McGaughey said, “I thought she ran great. She missed the break just a tad, but I loved her position back there. When the winner moved, we sort of had to wait a little bit. When she got clear in the stretch I thought she finished really well.”

Pedigree Notes:

No Nay Never came up just a half-length short when second as the favorite in the 2014 GI Breeders’ Cup Turf Sprint, but the Coolmore stallion had a win on the 2022 championship card with his daughter Meditate. The filly is one of 26 group/graded winners for her sire, whose monster results this year include multiple Group 1-winning juvenile Blackbeard and Group 1-winning 2-year-old Little Big Bear.

Pembina is a half-sister to the dam of Group and Grade I winner Ectot (GB) (Hurricane Run {Ire}). Meditate is her most recent foal. --Jessica Martini

Forte (Violence) solidifies spot at top of juvenile division.
(click to watch)
LEXINGTON, KY—Coolmore’s Victoria Road (Ire) (Saxon Warrior {Jpn}) just got his nose to the wire in front of Silver Knott (GB) (Lope de Vega {Ire}) to give the Irish raiders their second victory of the afternoon and deny Godolphin a double of its own in the GI Breeders’ Cup Juvenile Turf S. Friday at Keeneland. Unhurried early, the colt rated in midpack along the rail, while Silver Knott tracked tucked in just behind him. Ryan Moore tipped Victoria Road out to the four path at the top of the lane, while William Buick aboard Silver Knott stuck to the rail. Victoria Road was able to slip between foes, getting the jump on Silver Knott, who had to steady just slightly in traffic along the rail, and took a slim advantage at midstretch. Silver Knott looked to briefly get in front in deep stretch, but Victoria Road had all the momentum in the clear to just get in front on the line.

“Ryan had him in a lovely spot today,” said winning trainer Aidan O’Brien. “He said he was going to produce him late. I just didn’t know he was going to produce him that late. But we’re delighted, really.”

Of his trip, Moore said, “My horse was in a nice spot and the pace set up down the back straight. There was a lot of traffic going into the lane. I thought I would try to get out, Mike [Smith aboard Packs a Wahlop] was going out, and I was thinking to follow him. There wasn’t much room, but there was enough of a gap and my horse showed a really good attitude and he quickened and he got through. I think when he did that, he shut down a little bit and just drifted out into the middle of the track slightly. And he left the door open for the runner-up. I felt he was going to get me, but my horse did respond, or maybe the other horse peeked on his run slightly. But I thought in the lane he had won. The outrider was saying it was close, but I was pretty sure he held on.” Cont. p14

Trainer Charlie Appleby missed out on a second win on the afternoon after Godolphin's triumph with Mischief Magic (Ire) (Exceed and Excel {Aus}) in the GI Breeders' Cup Juvenile Turf Sprint earlier on the card.

“When they crossed the line, I thought Aidan had won it, to be honest, so well done to them,” Appleby said. “He was lucky enough to get the splits when he needed them, so no excuses there. And it was a headbobber. I thought Aidan had got there at first. The more I watched [the replay], the more I got a little hope. He’s run well and lost nothing in defeat.”

Victoria Road took five starts to break his maiden--accomplishing that first victory at Gowran Park in August--but quickly added wins in the Aug. 20 Criterium du Fonds at Deauville and in the Sept. 17 GIII Prix de Conde over nine furlongs at Chantilly last time out.

“He’s got better all through the year,” Moore said. “He’s won his last four now. He’s already won over a little further. But he’s a handy horse who travels well, got plenty of pace. He’s very comfortable. And he’s out of a very fast mare. But Saxon Warrior, who’s by Deep Impact, you’d like to think he’s going to be more of a 3-year-old than a 2-year-old.”

O’Brien admitted the team was disappointed when Victoria Road failed to win in his early starts sprinting.

“We thought he’d be precocious,” O’Brien said. “He’s a nice size horse, a very fast horse. We ran him over five and six [furlongs] early and we were disappointed he was getting beat. He’s very fast on the dam side. And obviously the class and the stamina is coming from Saxon Warrior.”

Cont. p14

Which country will host a race worth at least a million dollars every four days in 2023?
Of Victoria Road's win going nine furlongs last time out, O'Brien said, “When Ryan rode him the last time in Chantilly, he took his time, came from a long way back, which is a difficult thing to do. Ryan said to me after that he thought he was our French Derby horse for next year. So he's a very exciting horse. He's not big. He's well-balanced.”

It was the fifth time O'Brien and Moore had teamed up to win the Breeders' Cup Juvenile Turf. The two captured the race with Wrote (Ire) in 2011, George Vancouver in 2012, Hit it a Bomb in 2015 and Mendelssohn in 2017.

Pedigree Notes:
Victoria Road is one of three first-crop group winners for Saxon Warrior (Jpn) (Deep Impact {Jpn}) and is the stallion's first winner at the top level. The Coolmore stallion, who has also been represented this season by French group winner Moon Ray (Fr) and Irish group winner Lumiere Rock (Ire), won the 2018 G1 English 2000 Guineas. The stallion is a son of champion Maybe (Ire) (Galileo {Ire}) and has an unraced 2-year-old full-brother, as well as a weanling half-brother by Kingman (GB).

Two-time group winner Tickled Pink has a weanling colt by Ghaiyath (Ire). The mare is a half-sister to multiple group-placed Theann (GB) (Rock of Gibraltar {Ire}), who produced multiple Grade I winner Photo Call (Ire) (Galileo {Ire}); and to G1 Irish 1000 Guineas winner Halfway to Heaven (Ire) (Pivotal {GB}), who is the dam of champions Magical (Ire) (Galileo {Ire}) and Rhododendron (Ire) (Galileo {Ire}). Rhododendron is the dam of this year's Group 1-winning juvenile Auguste Rodin (Ire) (Deep Impact {Jpn}).

GODOLPHIN’S MISCHIEF MAGIC RALLIES TO VICTORY IN BC TURF SPRINT

by Christie DeBernardis

LEXINGTON, KY--Godolphin’s Mischief Magic (Ire) (Exceed and Excel (Aus)) started off the Breeders’ Cup action on an unseasonably warm and picture perfect day at Keeneland Friday in style with a late-rallying victory in the GI Breeders’ Cup Juvenile Turf.

Dispatched at 6-1 in this 5 1/2-furlong event, the homebred was off slowest of all, leaving him trailing the field early. Meanwhile Speed Boat Beach (Bayern) and previously unbeaten Tyler’s Tribe (Sharp Azteca) sped out to the early lead, dueling through a :21.65 opening quarter. American Apple (American Pharoah), a 51-1 shot, charged up the fence to take the lead approaching the far turn, just as William Buick asked Mischief
Magic to begin his bid. The flashy bay responded, taking closer order up the fence to put himself in contention, but still had plenty left to do entering the bend. Stuck behind a wall of horses at the top of the stretch as Dramatised (IRE) (Showcasing {GB}) took control, Mischief Magic attempted to get out of traffic, but was quickly blocked off. However, another seam opened just in time as Speed Boat Beach called it quits and Mischief Magic punched through horses, forging clear late for a one-length score in front of a very appreciative crowd.

Dramatised held second with Private Creed (Jimmy Creed) in third. Tyler’s Tribe was pulled up and vanned off after bleeding in this first start without Lasix.

“I have to say I knew they were going to go hard,” said winning trainer Charlie Appleby, whose incredible recent run in North American stakes has been well documented. “From the gate, William is riding in such great form and has so much confidence in his horses. I can see what he was doing. He was just going to get him on his lead. But he made a lovely run [up the backside] and he was trying to angle out and just got pushed back [inside]. He didn’t do the horse any harm as I said to William, the one thing he wants is to give him gaps. Give him daylight and the old bugger just might have a second chance. Fantastic ride by William and great effort by all the team. Great to be back.”

“I expected to him to be outpaced early,” Buick said. “He’s a comfortable closer at six furlongs at home. I knew the 5 1/2 furlongs here with the speed in the race would catch him out early. I knew if I got behind a horse that would take me into the straight, he would finish off real good. He felt super.”

The jockey continued, “He ran very well in the middle part (of his last race). It was a good race at Newmarket. This is only his sixth race. He’s still learning. He enjoys this ground and everything came together for him today.”
FORTE WINS HIS THIRD STRAIGHT GRADE 1 IN THE BREEDERS' CUP JUVENILE (G1)
As for the runner-up, trainer Karl Burke said, "She ran a fantastic race. We couldn’t have asked for anything more, really. She’s just a little bit slow for gate speed, which we were always a little bit concerned with, but Ryan (Moore) gave her a beautiful ride and was committed to go down the rail once we were slow away. Maybe we were a bit lucky to get the gaps in the straight. We thought we had it won a half-furlong out. Fair play--Charlie’s horse is a very good horse. She’s probably a stiff five-furlong horse."

Breaking through at second asking at Goodwood in July, Mischief Magic romped in an allowance at Newmarket next out Aug. 13. He followed suit with a victory in Kempton’s G3 Sirenia S. Sept. 3 and was fourth when last seen in the G1 Middle Park S. at Newmarket Sept. 24.

Pedigree Notes:

Mischief Magic represents Sheikh Moahmmed’s operation from top to bottom. The chestnut is the 17th highest-level winner for Darley Australia’s Exceed and Excel and his second Breeders’ Cup winner, following 2013 GI Breeders’ Cup Juvenile Turf winner Outstrip (GB), who was Appleby’s first Breeders’ Cup starter and winner. He is also the 11th top-level scorer out of a daughter of Elusive Quality, who is now the broodmare sire of four Breeders’ Cup winners. The other three all came on dirt with subsequent Eclipse winners in two-time GI Breeders’ Cup Sprint winner Roy H (More Than Ready), GI Breeders’ Cup F/M Sprint victress Shamrock Rose (First Dude) and GI Breeders’ Cup Juvenile winner Essential Quality (Tapit), who is also a Godolphin homebred. Mischief Magic is bred on the same Exceed and Excel/Elusive Quality cross as MG1SW Guelph.

His unraced dam Veil of Silence, also a product of the Godolphin operation, is a daughter of English and Irish highweight and MG1SW Gossamer (GB) (Sadler’s Wells), who is a full-sibling to European Horse of the Year Barathea (Ire). Mischief Magic is the second graded winner for his dam, who is also responsible for GSW Sound and Silence (GB). The 16-year-old mare’s most recent produce is a full-sister to Mischief Magic.

As recently as last April, Next was claimed for $62,500 from his breeder and trainer Wesley Ward out of a seven-furlong Keeneland optional claimer before returning to win the following month for his new connections while dropping into a $50,000 claimer over nine furlongs on the Churchill turf. Fast forward to Friday’s Breeders’ Cup undercard, the grey returned with a whole new lease on life, running off to win the 13-furlong GII Thoroughbred Aftercare Alliance S. at Keeneland. Sent quickly to the front by Luan Machado, the gelding led comfortably through legitimate splits of :49.22, 1:14.31 and 1:39.54. Starting to break away from his nearest pursuer rounding the home turn, he ran clear to triumph by 6 1/4 lengths over Heywood Beach, who was 1 1/4 lengths ahead of Bal Harbour.

Most recently the 4-year-old rolled home an impressive 18 1/4-length victor going 12 panels in the off-turf Cape Henlopen S. at Delaware Park Sept. 8 after finishing fourth trying nine panels against optional claiming company on the Ellis sod in July.

Pedigree Note:

Next becomes the ninth graded winner for 2016 GI Breeders’ Cup Juvenile runner-up Not This Time, standing at Taylor Made Stallions for a $135,000 fee in 2023. He is the final of three named foals—all winners—for stakes-placed Bahia Beach. A half-sister to GSW Spring Waltz, granddam Pop Princess (Alphabet Soup) is out of Grade II-winning Relaxing Rhythm (Easy Goer).

FUTURE STARS FRIDAY CARD SETS HANDLE RECORD

The Breeders’ Cup Future Stars Friday card at Keeneland set an all-sources handle record for the first day of championship weekend when $66,141,766 was wagered on the 10-race card. That figure was a 7% increase from the previous record of $61,696,893 set last year at Del Mar.

It was the fifth time the Breeders’ Cup carded five juvenile races for its Future Stars Friday card since the event expanded to its two-day format in 2007.

Friday’s on-track attendance was 39,851. On-track handle was $7,504,265.

LAUREL RIVER, BRAN SCRATCHED FOR SATURDAY; OCEANIC DRAWS IN

Two main-body entrants in Saturday’s Breeders’ Cup races, Laurel River (Into Mischief) and Bran (Fr) (Muhaarar {GB}) were announced as vet scratches Friday. The former, a Juddmonte homebred conditioned by Bob Baffert, was set to ride a three-race win streak into the GI Big Ass Fans Breeders’ Cup Dirt Mile. He was last seen annexing the GII Pat O’Brien S. at Del Mar Aug. 27 with a career-best 108 Beyer Speed Figure and was the 9-2 co-third choice on the morning line. Hronis Racing’s Bran, meanwhile, was 15-1 in a wide-open GI Breeders’ Cup Turf Sprint. The John Sadler pupil most recently upset the GII Fanduel Turf Sprint S. at Kentucky Downs Sept. 10. With the scratch of Bran and prior defection of first also-eligible Dancing Buck (War Fancer), Oceanic (Constitution) draws into the Turf Sprint. Owned by Surfside Stables and trained by Jordan Blair, the two-back Da Hoss S. winner was most recently second behind defending champ Golden Pal (Uncle Mo) in the GII Woodford S. over course and distance Oct. 8.

SELECTIONS FOR BREEDERS’ CUP SATURDAY

by Steve Sherack

TDN’s Senior Editor Steve Sherack reveals his selections for Breeders’ Cup Saturday.

Race 3: GI Breeders’ Cup Filly & Mare Sprint--#8 Goodnight Olive (3-1)

This is definitely one of my stronger opinions of the weekend. I love Goodnight Olive in this spot. Her win in the GI Ballerina this summer was as good as it gets and she’s tactical enough to work out that same kind of trip right off the speed. Have good memories cashing on the Chad Brown-trained Wavell Avenue in this same race at Keeneland in 2015.
**Race 4: GI Breeders’ Cup Turf Sprint--#8 Golden Pal (2-1)**

Can’t see two-time Breeders’ Cup winner Golden Pal getting beat here, especially over his home court. Won’t get rich with that opinion, but getting longshots #7 Arrest Me Red (15-1) and/or #14 Artemus Citylimits (30-1) involved underneath in the gimmicks can still pay decent.

**Race 5: GI Breeders’ Cup Dirt Mile--#3 Pipeline (8-1)**

With the defection of Laurel River—he really did look very tough in here—I’ll take a shot with Pipeline now. He’s fast enough to wire this field, but can also sit right off if necessary. The price should be right.

**Race 11: GI Breeders’ Cup Classic--#6 Epicenter (5-1)**

Can Flightline get upset here? Highly unlikely. But if anyone has a chance to make him work for it, it’s Epicenter. After making my largest win bet of the year (and highest in quite some time) in the Kentucky Derby, it’s been rewarding sticking with him throughout the summer at Saratoga. I’m gonna need higher than the morning-line quote of 5-1 to be a player here though.

Claimed by these connections at the end of last year for $62,500 out of a local one-mile optional claimer, Battle Bling came right back to take the Ladies S. over this same track and trip in January. She had already posted an 8-3-4-0 record this year, with her lone off-the-board finish a fourth in the GI La Troienne S. at Churchill in April, and had racked up $386,750 for these connections.

A winner of a lucrative Colonial handicap Sept. 6 and Laurel’s Twixt S. last out Oct. 1, Battle Bling broke on top as Exotic West (Hard Spun) dropped her rider. Battle Bling led her three remaining rivals in a tight pack through splits of :25.80, :50.75 and 1:15.74. She was well clear as they straightened for home, but grew a bit leg weary in the final strides and was saved by the wire.

“They were coming, but they were coming too late,” said winning pilot Kendrick Carmouche. “She ran awesome. I tried to pull the trigger a little bit early at the quarter-pole because I wanted to get away from them. I didn't want her to hang on me. [trainer and assistant] Rob and Brittney [Atras] have this horse right. I’m just glad that [co-owner] Mike Dubb and Rob gave me the shot to do what I want on her and ride her the way I want. The last couple times, being close to the pace, she's more productive.”

Atras added, “I saw the 1:15 and it seemed like she was getting away a little bit, but I could see the [Nostalgic] was coming. I knew it wasn’t over because a mile and an eighth is still a mile and an eighth and Aqueduct can be a tiring track.”

Dubb’s partner on Battle Bling is Kuldeep Singh Rajput’s Gandharvi, which has become a major bloodstock player in recent years and was involved in nearly $10 million in purchases at this season’s American yearling sales.

Battle Bling is the sixth graded/group winner (second in the U.S. and in the Northern Hemisphere) for Australian champion 2-year-old Vancouver, who reverse shuttled to Coolmore’s Ashford Stud for two seasons and now stands Down Under at Woodside Park Stud. This is the fourth graded/group winner worldwide out of a mare by E Dubai and second in North America after GISW Effinex (Mineshaft). The winner's dam, who is a half to three listed stakes winners and another graded-placed runner, fetched just $1,000 at KEEJAN '19 while not in foal. Her next and most recent foal came in May of 2021 with a daughter of Encryption.

TERF ANNOUNCES $62,389 IN GRANTS

The Thoroughbred Education and Research Foundation (TERF) announced Friday the awarding of $62,389 in research grants to Grayson-Jockey Club Research Foundation and Foundation for the Horse.

The following grant was awarded to Grayson-Jockey Club Research Foundation, Inc.:

- TERF awards $10,000 to support the work of Dr. Sue Stover at the University of California for research involving motion of the proximal sesamoid bones. The project will examine how uneven footing, hoof conformation, shoeing, and uneven racetrack surfaces could contribute to fetlock breakdowns. The following grants were awarded to the Foundation for the Horse:
  - TERF awards $20,000 to support the work of Dr. Alexandra Carlson at the University of Tennessee for research involving in vitro analysis of the optimization of stem cell therapy for the treatment of osteoarthritis using equine synovial fluid derived mesenchymal stem cells using a soluble epoxide hydrolase inhibitor.
  - Dr. Drew Koch at North California State University is awarded $19,986 for research involving dual licensing of mesenchymal stem cells to enhance tendon healing.
  - TERF awards Dr. Lauren Smanik at Colorado State University $12,403 for the development of an experimental model of palmar osteochondral disease (POD) in horses that would allow researchers to study the progression of the disease in a controlled manner.

**Juju’s Map**

**LEXINGTON**

**AMONG THE OUTSTANDING RUNNERS BRED & RAISED BY FRED HERTRICH III AT WATERCRESS FARM**

“We have raised a lot of good horses at Watercress, but Juju’s Map is one that stood out from the beginning. She is a natural athlete, with so much class.” – Fred Hertrich III

**SELECTED AS A SHORT YEARLING BY PETER O’CALLAGHAN**

“Juju’s Map was a lovely weanling who grew into a beautifully balanced, scopey and athletic yearling. She had great quality and was bought by one of the top judges in the game in Barry Berkelhammer.” – Peter O’Callaghan

**A $300,000 YEARLING PURCHASE BY ALBAUGH FAMILY STABLES AT KEENELAND**

“She was a great-minded and classy filly at the sale. We fell in love with her poise and intelligence. That held true all the way through training.” – Barry Berkelhammer

**FASTEST WINNER OF THE DARLEY ALCIBIADES (G1) ON DIRT SINCE SILVERBULLETDAY GOING 1:43.52**

“She was a brilliant filly from day one. Very intelligent with speed and the ability to carry it two turns.” – Brad Cox

**FIND HER AS HIP 214 THIS NOVEMBER AT KEENELAND**

“Juju’s Map is a third-generation Taylor Made Sales grad following Unbridled’s Song and her sire, Liam’s Map. She has lived up to the family legacy both on the track and with her absolutely gorgeous conformation!” – Mark Taylor

RATED 120 | TOP-RATED TURF FEMALE TO SELL THIS YEAR

HIP 239 SELLING MONDAY, NOV. 7
INTO MISCHIEF COLT EARN 'RISING STAR' TAG AT KEENELAND

Giant Mischief (Into Mischief) was a bit under the radar here at 6-1 after overcoming a fair bit of adversity to win on debut at Horseshoe Indianapolis Sept. 22, but he assured that won't be the case next out with an impressive score over 'TDN Rising Star' Arabian Lion (Justify) in a Keeneland optional claimer Friday, earning his own 'Rising Star' nod.

The $475,000 KEESEP buy, carrying the Spendthrift colors for this second start, put himself into the early mix from his low draw and stalked from second through a snappy :22.35 opening quarter. Favored Arabian Lion, who bobbled for a stride or two not long after the start, launched the first attack on the pacesetter, moving up outside of Giant Mischief to confront the leader as the half went in :45.84. That foe surrendered quickly and it was a three-wide Arabian Lion and the rail-skimming Giant Mischief turning for home together. Arabian Lion hit the front with such a head of steam that it looked like he'd blow the doors off his foe, but Giant Mischief refused to yield, and the pair battled down the length of the stretch, with Giant Mischief maintaining a narrow advantage to the wire. Arabian Lion was a gallant second after covering 25 feet (about 2 3/4 lengths) more than the winner. It was another 17 1/2 lengths back to Laurel debut victor Old Alliance (Hard Spun) in third.

The 36th 'TDN Rising Star' for Into Mischief, Giant Mischief is out of the MGSP mare Vertical Oak, who herself brought $700,000 out of the Fasig-Tipton Fall Mixed Sale by Stonestreet Thoroughbreds carrying the winner in utero. Vertical Oak, who was trained by Steve Asmussen, is a daughter of Vertical Vision--also conditioned by the Hall of Famer--who was the first stakes winner for her sire back in 2009. Vertical Oak has since produced a weanling filly by Curlin and visited Quality Road for the 2023 season.

BAFFERT UNVEILS $2.3M ARABIAN KNIGHT, THE RETURN OF MESSIER, AND MORE ON BREEDERS’ CUP UNDERCARD

1st-KEE, $150K, Msw, 2yo, 7f, 10:30 a.m.

After working an eighth of a mile in a blazing :9 4/5, ARABIAN KNIGHT (Uncle Mo) achieved a final bid of a sale-topping $2.3 million from Zedan Racing Stables at this year’s OBS April Sale after fetching $250,000 at last year’s Keeneland September sale. The first foal out of a half-sister to MGSP Kinsley Kisses (Congrats), the bay posted a trio of speedy works on the west coast leading up to his debut including six furlongs from the gate in 1:12 (2/5) Oct. 23 and a five-furlong drill in 1:00 (6/39) Oct. 29. Also taking to the track in the afternoon for the first time Saturday is the Brad Cox trained Rocket and Roll (Bolt d’Oro), himself a $675,000 purchase and the third-highest price out of the 2022 Fasig-Tipton Midlantic 2-Year-Olds In Training Sale. His dam, who has produced six winners from as many to make the races, is a daughter of champion grass mare Soaring.

2nd-KEE, $195K, Aoc, 3yo/up, 6 1/2f, 11:05 a.m.

Last seen trailing home longshot winner Rich Strike (Keen Ice) in this year’s GI Kentucky Derby, MESSIER (Empire Maker) makes his return to the track back under the tutelage of Bob Baffert. Named a ‘TDN Rising Star’ for his 6 1/2-length maiden-breaking win, he went on to claim the GIII Bob Hope S. and finished out his juvenile campaign with a narrow loss to Slow Down Andy (Nyquist) in the GII Los Alamitos Futurity. He blew the doors to his 3-year-old year wide open with a 15-length romp in the GIII Robert B. Lewis S. Feb. 6 before joining trainer Tim Yakteen to finish second behind stablemate and GI Breeders’ Cup Classic contender Taiba (Gun Runner) in the GI Santa Anita Derby Apr. 9. Transferred back to Baffert following his distant finish at Churchill Downs, Messier makes his first start Saturday in six months with regular rider John Velazquez aboard. **TJCIS PPS**

1st-AQU, $85K, Msw, 2yo, f, 1 1/16mT, 10:50 a.m.

The second foal to make the races out of MGISW I’m A Chatterbox (Munnings), JUNIPER’S MOON (Galileo {Ire}) makes her first start Saturday for trainer Anthony Dutrow. A $725,000 Keeneland September yearling purchase by J.R. International Holdings, the chestnut worked four furlongs from the gate in :48.4 (9/33) Oct. 31 and gets Kendrick Carmouche in the irons. Breaking one gate farther out, **Natural Beauty (Blame)** debuts for Christophe Clement and owner Cheyenne Stable. Herself a $525,000 yearling, she is the first foal out of a half-sister to MGISW Blamed (Blame). **TJCIS PPS**

3rd-Keeneland, $160,000, Alw, 11-4, (NW1X), 3yo/up, 6 1/2f, 1:16.28, ft, 1/2 length.

MARSALIS (c, 3, Curlin--Hot Dixie Chick {GISW, $343,252}, by Dixie Union) was a gritty runner-up in his Feb. 19 unveiling before being tabbed a ‘TDN Rising Star’ after breaking his maiden at Fair Grounds Mar. 26. He returned from six months on the sidelines to finish second in a six-furlong allowance at Churchill Downs Sept. 22. The 6-5 favorite rushed up and over from his outside draw and attended the pace while three wide down the backstretch through a quarter in :22.58. He stuck his head in front after a half in :46.27 and forged to a half-length victory. Call Me Fast (Dialed In) was in second, a head in front of Seal Beach (Midshipman). Marsalis, who RNA’d for $340,000 as a KEESEP yearling, is a half-brother to Pauline's Pearl (Tapit), GISW, $1,695,200; and a full to Union Jackson, MSW & GSP, $273,874. **FASHIONABLY FAB** (f, 2, Silent Name (Jpn)--Flashy’s Legacy, by Curlin), a half-sister to Souper Flashy (Souper Speedy), MSP, $160,105, was a well-beaten third as the favorite versus maiden-optimal on her Sept. 10 debut over 5 1/2 furlongs, but led throughout to crush by 11 1/4 lengths at that same level going seven-eighths of a mile Oct. 9. Pressed along through sensible early fractions, the 3-10 favorite was headed in upper stretch, but counterpunched gamely and held off a persistent challenge from the stakes-placed Souper Sinclair (Souper Speedy). Produced by a half-sister to Queen’s Plate and Sovereign Award winner Big Red Mike (Tenpins) and MSP Flashy Got Even (Stephen Got Even), the winner has a yearling half-sister by Sky Mesa and a weanling half-brother by InstaGrand. **AVOW** (f, 3, Arrogate--Peace Preserver {GSW, $382,166}, by War Front) was a powerful eight-length, last-to-first winner on debut Dec. 16 against state-bred juveniles, while overcoming lost footing at the jump and some early shyness at the cost of several lengths. Returning to Gulfstream for her 3-year-old bow with first-time Lasix and hammered down to 4-5 favoritism, Avow was held up early when four wide, but launched her bid on cue through the bend and took over in the stretch to draw away from Twirling Grace (Twirling Candy) by 5 1/4 lengths. The $300,000 KEESEP alumus has a 2-year-old half-brother by More Than Ready as well as a 2022 weanling half-sister by Authentic. A graded stakes-winning full-sister to GSW Jack Milton, Peace Preserver is also a half-sister to GSP Stake (Boundary), the dam of MGSP Allied Air Raid (Midshipman) and the granddam of SW Aug Lutes (Midnight Lute). She visited Not This Time for 2023. This is also the family of GSP My Rachel (Horse Chestnut {S Af}), dam to no less than five stakes-quality horses, and the granddam to GISP & GSW Draft Pick (Candy Ride {Arg}). This is the extended female family of Champion 2-year-old War Pass (Cherokee Run) as well as GSW Oath (Known Fact). Sales history: $300,000 Ylg ’20 KEESEP. Lifetime Record: 2-2-0-0, $57,600. BLACK FOREST (f, 2, Frosted--Black Oak (SP), by Forestry) opened her account with a trio of second-place finishes, each at Churchill Downs, and was last seen fifth beaten just two lengths Sept. 30. In her first try over six furlongs and away from the Twin Spires, Black Forest kept the early pace honest, pressing inside of Stay Fabulous (Violence) through a half in :46.45 before gaining separation at the top of the lane. Kept busy close to home, she held a safe advantage to finish 1 1/2 lengths ahead of Klassy Bridgette (Army Mule) and a fast-closing Magical Song (Tapit). Black Forest has a yearling half-sister by Palace Malice and a weanling half-brother by McKinzie. Her dam was barren after being bred to Cairo Prince for 2023. Sales History: $85,000 Ylg '21 KEESEP. FIRELINE (f, 2, Arrogate--High Ridge Road (GSW, $442,157), by Quality Road) proved that her career debut fifth sprinting 6 1/2 panels in the slop Oct. 2 was a toss following an eye-catching 13 1/2-length score at Aqueduct Friday. Away from her outside draw to press the issue with favored Avant (Uncle Mo), who threw up an opening quarter in :24.02, the 9-5 second choice continued to shadow the front-runner through a :47.75 half. Drawing on even terms with Avant entering the final turn, the grey was clear straightening for home, extended her advantage through the lane and was well clear of the closing Guns n' Graces (Gun Runner) at the wire. Serena's Court (Union Rags) grabbed third from Avant. The winner's dam posted her most significant career victory in the seven-furlong GII Barbara Fritchie S. in 2017 for owner Martin Schwartz and was subsequently sold to this operation to be among the first book of mares bred to Arrogate. Also part of that group was Paulassilverlining (Ghostzapper), winner of the GI Madison S. and GI Humana Distaff S. over seven furlongs, whose first foal is Juddmonte's 'TDN Rising Star' Artorius. Also the dam of the Fireline’s year-older brother and two-time winner Thistle, High Ridge Road foaled a Not This Time filly this year and was bred back to that in-form stallion. THE MAJOR EUROPEAN TALKING POINTS FROM FRIDAY’S BREEDERS’ CUP

By Brian Sheerin

The Europeans made their presence felt at Keeneland on Friday. Aidan O’Brien bagged a Grade I double while Charlie Appleby, who has two favourites to look forward to on Saturday, also landed a winner on the opening day of the Breeders’ Cup.

From O’Brien working his magic to No Nay Never silencing his doubters and William Buick and Ryan Moore once again confirming themselves top of the international riding tree, we pick the bones out of a pulsating Friday at Keeneland.

Buick And Moore Confirm World-Class Status

One of the main topics of conversation at breakfast in the TDN house on Friday morning was the different approach trainers take to booking jockeys for the Breeders’ Cup. Cont. p5

by Chris McGrath

LEXINGTON, KY—Life in general, and life with horses in particular, simply doesn’t dispense its favours with such an unstinting hand. Everybody understands that, and even an operation as lavishly resourced as Godolphin has over the years has experienced many moments of demoralization.

Charlie Appleby and his team, moreover, will be perfectly aware that others must be expected in future. Before the afternoon was out, indeed, their second runner had been thwarted in a desperate finish by their rivals at Ballydoyle. By barely a nose, then, Appleby was denied a fifth win from five consecutive Breeders’ Cup starters--and duly found himself stranded on “just” seven winners overall from 13 runners. One day he will have to sit down and ask himself what on earth went wrong with the other six.

In the meantime, his record suggests a nearly surreal immunity to the trademark hazards of this business. Remember that last year he even achieved the memorable paradox of winning with a horse that had been scratched. And whether or not he can maintain the Midas touch on Saturday, or in future years, Appleby will surely never forget a moment that beautifully condensed his Breeders’ Cup journey to this point. Breeders’ Cup Friday Cont. from p1

That came after the GI Juvenile Turf Sprint when William Buick, having picked off his rivals from last place with nearly mechanical dash, in turn began plucking cremon yellows from the blanket over the withers of Mischief Magic (Ire) (Exceed And Excel {Aus}) and throwing them into the air as they were led into the winner’s circle. The flowers floated down out of the blue like autumn leaves and, strewn in the wake of the horse, were trampled into the dirt track as though their path was literally paved with gold.

And, to a degree, that was the case for all three European winners on a card that nowadays plays very congenially to their strengths. The expansion of the turf program at the Breeders’ Cup may have terminally eroded international competition on dirt, to the extent that Arazi—author of the most memorable juvenile performance in the history of this meeting—would nowadays almost certainly have stuck to the grass. Whether that amounts to a net loss or gain is a debate for another day. As it was, with a fairly seamless climate further conspiring in their cause, all three races on "the weeds" were duly harvested by the two great powerhouses of the European Turf.

They had claimed one apiece, Meditate (Ire) (No Nay Never) picking up the gauntlet from Mischief Magic in the GI Juvenile Fillies Turf, until squaring up for a decider in the GI Juvenile Turf. Aidan O’Brien and his Ballydoyle team doubtless felt that they were overdue a break, if only in terms of their rivalry at this carnival, and it duly came as Victoria Road (Ire) (Saxon Warrior {Jpn}) stole a decisive march on Silver Knott (GB) (Lope De Vega {Ire}) after both had been craving the first split.

Breeders’ Cup Friday Cont.

O’Brien has ample mitigation in hardly matching Appleby’s ratio across a much longer history at this meeting, not least in having sometimes brought horses here as a speculative postscript to a long season in Europe. Appleby, conversely, was fortunate to launch his career even as the turf program was opening up, and quickly learned to target specific types at a vulnerable sector of the American talent pool.

All the same his staggering record here is, of course, but one dimension of the way Appleby has turned round the fortunes of his stable after his predecessor had brought it to a humiliating nadir. No need to dwell on that, now, but it is worth reminding ourselves that his promotion from anonymity, to many, had seemed a rather stubborn reaction to the bitter crisis of 2013. Appleby had learned his vocation almost exclusively within the stable, and the Sheikh’s solution represented a striking vote of confidence in the ability of his team to regroup.

Nobody should be deceived that there was any complacency in the camp. After this latest vindication of Appleby’s appointment, however, Godolphin managing director Hugh Anderson stressed that it did not really appear a gamble at the time. For one thing, everyone could see that this was an exceptional horseman. Barely less important, however, was the sense that the young man’s innate modesty was shored up by attributes tailormade for such onerous responsibility. Anderson speaks of his “unflappable” temperament, of an “eternally cheerful” outlook and, above all, an exemplary touch with his staff.

So it is that he has arrived here having retained the trainers’ championship, those laurels this time being shared by Buick. Besides their talent, both are united by an understated sense that the best way to manifest their gratitude for opportunities received is via deeds rather than words.

It was characteristic, as such, that Buick was so reluctant to accept much personal credit for what appeared, on the face of it, a really flamboyant ride on Mischief Magic. Appleby, who has developed such an acute instinct for the type of horse best adapted to the hustle and bustle of the racing environment over here, had been confident that it would really stimulate Mischief Magic. Sure enough, Buick could even be seen taking a pull at the reins as his mount surged through the traffic turning in. By Buick’s own account, however, the horse had made all the decisions for him: unable to go the early pace, he began to engage even as the pace told on the leaders, and then switched leads with alacrity to settle the issue. The way the pair sidestepped their way through, nimbly moving in and out, seemed to obey a choreography as inexorable as a country dance.

A footnote of congratulation, by the way, to connections of runner-up Dramatised (Ire) (Showcasing {GB}). They were deflated by Mischief Magic’s astonishing late pounce, but with a filly this Grade I placing was a huge “win” all day long—and a fine piece of training.

But the man of the day was O’Brien, adding another increment to the legacy he has long been creating for the breed. With America waiting to anoint a horse with greatness after six career starts, let’s remember the collective debt of future breeders to the regime developed between O’Brien and his patrons. Ballydoyle horses have their potential and genetic wares “proved” in a way today wholly unfathomable to most horsemen this side of the water. Cont. p5
Aidan O'Brien: hailed No Nay Never after Meditate's win

By Brian Sheerin

LEXINGTON, KY--Meditate (Ire)’s barnstorming display in the GI Breeders’ Cup Juvenile Fillies Turf provided one of the strongest indications yet that No Nay Never would produce Classic types as well as deadly speedballs, according to the winning trainer Aidan O’Brien.

It has been a season to remember for No Nay Never with Little Big Bear (Ire) and Blackbeard (Ire) winning three Group 1 juvenile races in Europe over six furlongs between them.

However, in pulling over two lengths clear of her rivals to win the Keeneland Group I in stylish fashion, the Ryan Moore-ridden Meditate did her bit to alleviate any concerns about No Nay Never producing horses who will stay the Guineas trip and beyond.

O’Brien said, “She is by No Nay Never, who is a big speed influence. This is the first year where we have had such high quality 2-year-olds by him. We were a little bit worried if they were all going to be big sprinters or if they would stay further than five, six and seven furlongs.”

There are countless examples of high-class runners by Galileo (Ire) who hailed from speedy mares and O’Brien suggested that crossing No Nay Never with stamina-influenced dams can achieve similarly high-class results on the track with the progeny.

Freshly minted UK champion jockey William Buick acknowledges the crowd after Mischief Magic's Breeders' Cup Turf Sprint score

**Breeders' Cup Friday Talking Points Cont.**

There are many top-class riders in Europe who have been made to look ordinary at the Breeders' Cup down through the years. The same is true of American-based jockeys enduring forgettable days at the office in Europe, with Irad Ortiz, Jr.'s dismal Royal Ascot back in June the most recent example of such.

In short, there are few who can ride the straight course at Royal Ascot as well as the tight and turning track of Keeneland, but William Buick and Ryan Moore went some way to proving themselves masters of their craft with their respective displays on Friday.

Take Buick's winning ride aboard *Mischief Magic (Ire)* (Exceed And Excel (Aus)). Trapped for room and three lengths down with just over 100 yards left in the GI Breeders' Cup Juvenile Turf Sprint, Buick held his nerve in driving through a gap between horses 40 yards from the winning line to win by a length and going away at the post.

Buick was on the receiving end of a magical display from Moore when suffering an agonising defeat to *Victoria Road (Ire)* (Saxon Warrior (Jpn)) aboard heavy-favourite *Silver Knott (GB)* (Lope De Vega (Ire)) in the GI Breeders' Cup Juvenile Turf.

It's hard to argue that Buick did much wrong aboard Silver Knott as he waited for the gaps to appear on the inner and actually took the lead with just over 50 yards left to race. He was just beaten by one better on the day, who was galvanised by Moore to plonk his head narrowly in front at the line.

Buick has been a joy to watch all season in Britain and his championship victory was richly deserved. Moore has been similarly excellent to watch and many people would say that this is the best form he has been riding in for the past five or six seasons. Both men are operating at the peak of their powers and Friday confirmed their status as world-class riders.

**Don't Doubt Genius Of O'Brien**

In the build-up to the Breeders' Cup, Victoria Road's breeder Trevor Stewart told *TDN Europe* readers how Aidan O'Brien convinced him to return to Saxon Warrior with the colt's dam Tickled Pink (Ire) (Invincible Spirit (Ire)) on the strength of what he had been seeing on the gallops at Ballydoyle.

Stewart must have thought O'Brien was confusing Victoria Road for one of his stablemates for the majority of the season. Here was a horse who was beaten at Roscommon on debut, only managed to finish fourth in the Ballyhane S. at Naas and took five starts to shed his maiden tag. Not exactly the profile of a world-beater.

However, all Victoria Road has done since that maiden success at Gowran Park in August is improve, confirming O'Brien's early evaluation of his ability to be bang on the money.

Not only that, but the victory of Victoria Road cemented a Grade I double for O'Brien following Meditate's impressive GI Breeders' Cup Juvenile Fillies Turf display.

Considering some people were questioning the strength of O'Brien's juvenile brigade earlier in the campaign, that he could bag a Grade I double with two of his youngsters would have proved sweet for everyone at Ballydoyle.

Sweeter still is the fact that Meditate would have gone some way in silencing the No Nay Never doubters who feel the stallion will not produce Classic contenders. Meditate looked to be adept over the mile and hardened her Guineas credential in the process.

**Bloody But Unbowed**

Take nothing away from *The Platinum Queen (Ire)* (Cotai Glory (GB)), who can be forgiven for running no sort of a race in the GI Breeders' Cup Juvenile Turf Sprint. **Cont. p7**
Breeders’ Cup Friday Talking Points Cont.

The combination of a wide draw and racing around the bend proved too much for her as she trailed home a disappointing 11th, but there’s no doubt that she will be back and seen in a better light at more conventional tracks in Europe next season.

On the contrary, the Karl Burke-trained Dramatised (Ire) (Showcasing {GB}) enhanced her reputation in defeat. She was only collared late on by Mischief Magic and looks a smart sprinter for Steve Parkin to look forward to next season.

GERMAN OAKS WINNER SOLD TO SHADAI, WILL RACE ON IN THE UK

Classic heroine Toskana Belle (Fr) (Shamal {Fr}), who raced most recently for Andreas Wohler and Australian Bloodstock, has been sold to Shadai Farm and will be trained by Roger Varian going forward, Wohler announced on his website.

Bred by Ecurie Normandie Pur Sang, the chestnut was an €40,000 RNA at the Arqana October Yearling Sale. Raced initially by trainer Marian Falk Weissmeier and Stall Piccadilly, the filly won at second asking at Evreux in May before adding the Listed Henkel-Stutenpreis on May 14. Purchased by Australian Bloodstock, she was third in the G3 Diana Trial at Hoppegarten still with Weissmeier. Switched to Wohler, Toskana Belle won the G1 Preis der Diana by a head on Aug. 7. Her latest effort was a second in the GIII Jockey Club Oaks Invitational S. under Frankie Dettori during the Belmont at Aqueduct meet on Sept. 17. From just six starts, the half-sister to the stakes-placed Frohsm (Fr) (Dabirsim {Fr}) has netted $464,764.

“Toskana Belle is a filly with a great temperament and a great attitude. She has always been very easy to train, very easy to work and very easy to handle. She has always been very friendly and uncomplicated. The combination of these qualities makes her a very special filly,” said Wohler.

The impressive Diana winner has been sold to Shadai Farm and is now on her way to England, where she will be prepared by Roger Varian, “There are so many different characters in the horses, and some make it easier, others harder. Toskana Belle has always made it very easy for everyone with her always so friendly and uncomplicated nature and the time with her on Ravensberg will remain in our memories.”

Her extended family contains the group winners Varevees (GB) (Kahyasi {Ire}) and the dual Group 1-placed Kaldounevees (Fr) Kaldoun (Fr), while ‘TDN Rising Star’ and subsequent stakes winner Breizh Sky (Fr) (Pedro The Great) was third in the G1 Prix Jean-Luc Lagardere.

JAPAN LEADS ALL GERMANY-BASED SIRES BY MARES BRED

Dual Group 1 winner Japan (GB) (Galileo {Ire}) bred the most mares in Germany this term at 82, www.galopponline.de reported on Friday. The G1 Grand Prix de Paris and G1 Juddmonte International S. hero retired to Gestut Etzean in January. In total, 752 mares were bred to 40 stallions in Germany, according to the data from the Uniturf database of Deutscher Galopp. In 2021, 43 stallions covered 847 mares.

Second on the list was Gestut Ohlerweiherhof’s Isfahan (Ger) (Lord Of England {GER}), who bred 70. His eldest foals are just 4-year-olds, and his progeny are led by 2021 G1 Deutsches Derby hero Sisfahan (Fr) and Italian Group 3 winner and G1 Preis der Diana runner-up Isfahani (Ger). Cont. p8
Japan Busiest Stallion In Germany Cont.

Dual Group 3 winner Waldpfad (Ger) (Shamardal), based at Gestut Erftmuhle, was third at 63 mares. Third in the 2019 G1 Sprint Cup, his first foals were born this year. G1 Criterium International hero Alson (Ger) (Areion {Ger}), who stood his first season at Gestut Fahrhof in 2022, bred 53. International globetrotter and three-time Group 1 winner Best Solution (Ire) (Kodiac {GB}) bred 37 mares at Gestut Lunzen. His first foals race in 2023.

PAUL MULRENNAN NAMED COCK O’ THE NORTH FOR 2022

Paul Mulrennan has been named the winner of the Cock O’ The North competition with 90 winners. He will be awarded the Cock O’ The North cap on Saturday at Doncaster. It is his first victory in the contest, which is a Northern racing tradition. The Cock O’ The North cap is given to the jockey with the most victories at the 16 Northern-based Flat racecourses each year. Ben Curtis was second on 75 winners and four-time Cock O’ The North winner Danny Tudhope was third with 72 winners.

Mulrennan said, “I’ve been based in Yorkshire for 20 years and to win this prestigious award, it’s always something I’ve wanted to do. I’ve seen some great jockeys win it over the years and I had a thought recently that if I retired and hadn’t won it, it would be something that had slipped through the net. “I am delighted to have won and I owe a huge thanks to all the owners, trainers and stable staff for putting me up and keeping the horses fit and well and to my agent Richard Hale, as well.”

BEGINNINGS A NEW RISING STAR AT DUNDALK by Tom Frary

While the warmth and light was bestowed on Keeneland on Friday, the cool and dark backdrop of Dundalk played host to a red-hot prospect as Beginnings (Lord Kanaloa {Jpn}) stormed to ‘TDN Rising Star’ status.

Ballydoyle’s daughter of their celebrated 1000 Guineas and Irish 1000 Guineas heroine Winter (Ire) (Galileo {Ire}) had stepped forward markedly from her debut when fourth behind the subsequent Listed Star Appeal S. winner and Breeders’ Cup Juvenile Fillies Turf protagonist Spirit Gal (Fr) (Invincible Spirit {Ire}) over near six furlongs at Naas Sept. 15. Cont. p9
Beginnings is the first ‘TDN Rising Star’ for her Japan-based sire with her victory at Dundalk on Friday.

“Rising Star” Cont.
She traded as the 8-11 favourite for the first division of the Irish Stallion Farms EBF Fillies Maiden. Sent straight to the front by Seamie Heffernan, the imposing bay always looked comfortable and when asked to open up for the last couple of the seven furlongs responded impressively to put six lengths between her and the well-regarded Ger Lyons-trained Sweetest Rose (Ire) (Dark Angel (Ire)), with another two lengths back to Zurana (Ire) (Acclamation (GB)) in third.

“She has a classy pedigree and she felt very classy,” Heffernan said of the first ‘TDN Rising Star’ for her sire who recorded a time a mammoth two seconds faster than the second division doing it all on her own. “She’s big, clear-winded, has pace and she galloped out through the winning post. She was very impressive. Without doubt she’ll be, at least, a stakes filly.”

Beginnings is the second foal out of Winter, who also broke her maiden over this course and distance in August 2016 when in the care of David Wachman before her career took off and who also garnered the G1 Coronation S. and G1 Nassau S. after her Guineas double. Her dam, the Wokingham H. winner Laddies Poker Two (Ire) (Choisir (Aus)) also produced Lovelier (Ire) by Galileo who captured the Listed Cairn Rouge S. and was second in the G2 Kilboy Estate S. Winter’s next two foals are both by Justify, with last year yielding a colt and 2022 a filly.

**Bertinelli (Justify)**, the son of the G1 Fillies’ Mile heroine Together Forever (Ire) (Galileo {Ire}), was nowhere near as impressive as his odds of 1-5 suggested he would be but may have had an excuse for his workmanlike success as he was reportedly struck into early on.

Juncture was tried in the 1000 Guineas after winning the Listed Patton S. over this course and distance Mar. 4, but could manage to beat only one of her dozen rivals before regaining her level back in Ireland. Second in Leopardstown’s G3 Desmond S. also at a mile Aug. 11 and third in the nine-furlong G3 Snow Fairy Fillies S. at The Curragh later that month, the grey was blinkered on this return and after travelling smoothly in mid-pack delivered a flourish to take command passing the furlong.

“We obviously thought a lot of her and it’s all about the ground,” trainer Ger Lyons said. “If she stays in training, you’d like to think she’s going to win her Group 3 but it’s all about having top of the ground. We were talking about putting her away for the paddocks and you’d like to think that she’s a Group 3 or Group 2 horse to justify staying in training.”

Juncture is the first foal out of the unraced dam, whose half-sister Promising Lead (GB) (Danehill) captured the G1 Pretty Polly S. and is responsible for the recent G1 Sun Chariot S. runner-up Laurel (GB) (Kingman [GB]). Also a half to the G1 Sun Chariot S., Gl Gamely S., G1 Yellow Ribbon S., G1 Breeders’ Cup Filly and Mare Turf and G1 Matriarch S.-placed Visit (GB) (Oasis Dream [GB]). Scratched: Illuminazione (Ire), Iva Feeling (GB).

**MERE ACCOUNTANT (IRE)** (f, 2, Dark Angel [Ire]—Fine Blend [Ire] {SW-Fr, MSP-Eng}, by Sakhee’s Secret [GB]), who was 10-lengths second to Ballydoyle’s Dame Kiri (Justify) on debut over six furlongs at Naas Oct. 16, soon occupied second spot. In front passing two out, the 8-1 shot battled to ward off the 100-1 outsider Sound Of The Night (Ire) (Dick Whittington [Ire]) and prevail by half a length. The Listed Criterium de Vitesse-winning dam, whose filly foal is by Invincible Army (Ire), is a daughter of the listed-placed Coffee Time (Ire) (Efsio [GB]) while the third dam Petula (GB) (Petong [GB]) was another smart and precocious listed-winning juvenile. Sales history: €60,000 Ylg ’21 GOFOR. Lifetime Record: 2-1-1-0, $11,731. O-Michael O’Flynn; B-Youemanstown Stud (IRE); T-Johnny Murtagh.

5th-Dundalk, €15,000, Mdn, 11-4, 2yo, c/g, 8f (AWT), 1:38.99, st.

**BERTINELLI (c, 2, Justify)—Together Forever (Ire) {G1SW-Eng, SW-Ire, $318,729}, by Galileo [Ire]), a son of the G1 Fillies’ Mile heroine Together Forever (Ire) (Galileo [Ire]), had caught the eye when second to stalemated Peking Opera (Ire) (Galileo [Ire]) in a Leopardstown maiden over this trip Oct. 14 and raced close to the early pace. Working hard to gain a narrow lead at the top of the straight, the 1-5 favourite was made to battle all the way to the line by Pivotal Revive (GB) (Pivotal [GB]) but stuck to his guns to score by a neck. He is the 23rd winner for his freshman sire (by Scat Daddy). “He’s a very smart horse,” Seamie Heffernan said. “After going about two or two-and-a-half furlongs, he lost his back-end and I see a mark on his hock there. I’m a huge fan of the Justifys. He’s very weak and he still has the ability to run well and win. I think he’s got a lot of potential. If he hadn’t got struck into behind, I suspect he would have been very impressive.” The winner is the fourth foal out of Together Forever, who is a full-sister to the Oaks heroine Forever Together (Ire) and a half to the G1 Prix Jean Prat-winning sire Lord Shanakill (Speightstown). Her other three are all by War Front and they are the G3 Tyros S. winner Military Style, the Listed Leopardstown 2000 Guineas Trial runner-up King of Athens and Absolute Ruler who was third in the G2 Golden Fleece S. From the family of Al Bahathri, her yearling is a full-brother to the winner, while she also has a filly foal by **Uncle Mo**. Sales history: $750,000 Ylg ’21 KEESEP. Lifetime Record: 2-1-1-0, $11,732. O-D Smith, Mrs J Magnier, M Tabor, Westerberg; B-Orpendale/Chelston/Wynatt (KY); T-Aidan O’Brien.

The front-runner led narrowly as they raced around the bend and took the field into the stretch, but Sharp Army was kept busy by Ray Dawson, hit the front with about a sixteenth of a mile to travel and went on to a one-length tally. “You can probably ‘up’ the run a bit from that draw,” said Dawson, for whom it was a second winner of the campaign. “First time out, they have to know their job, so I’m delighted with that as he was very professional.” The winner, who hails from the female family of Sovereign Award winner Saoirse (Cure the Blues) and her MGSW/GISP daughter Hide and Chic (Seeking the Gold), has a yearling half-brother by Mitole and his dam was covered by Mendelssohn this year.
