COMPETITIVE BIDDING CONTINUES INTO BOOK 3 AT KEENELAND NOVEMBER

by Jessica Martini & Christie DeBernardis
LEXINGTON, KY - The Keeneland November Breeding Stock Sale moved into the first of two Book 3 sessions Thursday with continued competitive bidding and figures through four days of the auction still tracking ahead of 2021 statistics.

For the session, 248 head grossed $20,988,500. The average of $84,631 was up 6.7% from the opening session of the 2021 Book 3 section, while the median remained constant at $65,000. The session’s buy-back rate was 26.63%. It was 23.64% a year ago.

Jody Huckabay, bidding on behalf of an undisclosed client, made the session’s highest bid when going to $450,000 to acquire the broodmare Brockovich (Honor Code) from the Lane’s End consignment.

“It's been good on both ends,” said Huckabay, who was also busy selling from his Elm Tree Farm consignment. “If you bring quality up here, it takes care of itself on both ends, selling and buying. But when you are buying, you have to get ready. Everybody has money for the good ones, it seems like.”

A colt by Twirling Candy was the session’s top-priced weanling when selling for $380,000 to Bay Shore Stable. The foal was consigned by Nursery Place, another operation active on both sides of the ledger this week.

EVEN MARINES NEED A HERO

by Matt Koch

Editor’s Note: In honor of Veterans Day and the 247th birthday of the United States Marine Corps (USMC), celebrated Nov. 11 and Nov. 10, respectively, we are honored to share this story from USMC Captain Matt Koch of Shawhan Place, a second-generation Marine following his father, longtime Claiborne Farm manager Robert “Gus” Koch. Matt, who will be honored next month as the 2022 Ted Bates Farm Manager of the Year by the Kentucky Thoroughbred Farm Managers’ Club (KTFMC), is also the state representative of the 72nd district (Bourbon, Nicholas, and Fleming Counties).

Even Marines need a hero. Mine is David Pope. David is quiet, he goes to church every Sunday, and he works for a Thoroughbred farm in Bourbon County. His wife Kym works at the local extension office, and to put it simply, they are just good people. Good people who have done something extraordinary. Cont. p10

Keeneland November cont. from p1

“We've been trying to buy mares all week and it's been impossible,” said Nursery Place’s Griffin Mayer. “It's so strong right now. It's always a fun business to be in when it's like this.”

The competitive market has been fueled by a number of high-profile buyers who have been steadily acquiring mares for recently retired stallion prospects like Flightline and Life Is Good.

“The market is strong for what people perceive to be the good ones,” said Doug Cauthen. “The mares have been extraordinarily strong. I think we have had the perfect storm of a lot of people looking to buy nice mares for their stallion prospects. There is a high percentage of quality horses at stud and new ones going to stud.”

Still some consignors were recognizing a familiar polarization in the marketplace.

“I think it is the same as always,” said John Mulholland. “If you have what they want, you are going to get paid really well. If you have everything they want, you will get paid more than you should, but if you missed it slightly, there is no safety net.”

The Keeneland November sale continues through next Wednesday and is followed by a horses of racing age sale Thursday. Bidding begins daily at 10 a.m.

Brockovich on The Case

Jody Huckabay, bidding on behalf of an undisclosed client, purchased the unraced 3-year-old Brockovich (Honor Code) (hip 1050) for $450,000 from the Lane’s End consignment early in Thursday’s fourth session of the Keeneland November sale.

“We bought her for a new client and a good friend of ours that I grew up with,” Huckabay said. “It's pretty special. They've stepped up and bought two very special mares at this sale. They are getting into it in a big way. He is buying some very, very nice mares.”

Brockovich is out of Miss Squeal (Smart Strike) and is a half-sister to GII Los Alamitos Futurity winner Spielberg (Union Rags) and from the family of Clear Mandate. She was bred by G. Watts Humphrey, Jr. and was purchased by Shadwell Estate for $150,000 at the 2020 Keeneland September sale.

“Obviously she's a half-sister to a nice horse, but also it's broodmare sires all the way down the page,” Huckabay said. “And that's what attracts me to them.”

Huckabay agreed the mare's covering sire, first-year stallion Charlatan, who has been popular all week, was another attraction.

“We've been trying to buy mares all week in foal to Charlatan and we could have, but we were kind of waiting around on this mare,” he said.

Of his clients, Huckabay, who will board the mares at his Elm Tree Farm, said, “We are planning to sell [the foals], but then we may race also. When you are into this deal, you have to be prepared to race.”

Also this week, Huckabay purchased Scarlett Lace (Medaglia d'Oro) (hip 523) for $475,000 and Pilot Episode (Speightstown) (hip 484) for $110,000. @JessMartiniTDN

**Twirling Candy Colt Proves Popular**

A colt by Twirling Candy (hip 1270) provided a tribute to his late breeder Mary K. Grum when selling for $380,000 Thursday at Keeneland. He was consigned by Nursery Place and John Moynihan signed the ticket as Boy Shore Stable on behalf of Richard Rigney. The weanling is out of Ours to Run (Half Ours), who was bred by Grum's husband Clifford. Racing for Colonel Thoroughbreds and trainer Larry Jones, the mare was a seven-time stakes winner and graded-placed, while earning $524,488 on the track between 2016 and 2019. The Mayer family's Nursery Place purchased the mare back on behalf of Grum for $140,000 at the 2020 Keeneland January sale.

“This foal belongs to Mary K. Grum, who passed away in July," said Nursery Place’s Griffin Mayer. “She bred Ours to Run, the mare, and we bought Ours to Run here at the sale for her. So it was fantastic that we could do that for her family.”

Of the foal, Mayer said, “We breed three or four mares a year to Twirling Candy and he’s one of my favorite Twirling Candys that we’ve had. Twirling Candy is a great sire.”

Mayer added, “[Keeneland’s] Chip [McGaughey] just told me that Moynihan bought him for Rigney Racing, so no one is going to pinhook him on me. He’s going to get a real chance.”

The weanling was proceeded into the ring by his 8-year-old dam, who sold for $145,000 to the bid of Rockridge Stud. She was offered in foal to Upstart. Her first foal, a colt by Kantharos, sold for $25,000 at this year’s Keeneland September sale.

Mulhollands Get In On the Action

After being shut out earlier in the week, Mulholland Springs secured one of their top picks early in Thursday’s session, going to $375,000 for Bicameral (Constitution) (Hip 1042). The racing or broodmare prospect was consigned by Mill Ridge Sales.

Bicameral was a $100,000 Fasig-Tipton Selected Yearlings Showcase purchase by Calvin Nguyen, who raced her in partnership with Joey Tran. Third to Grace Adler (Curlin) as a maiden in last year’s GI Del Mar Debutante, she graduated by 10 1/2 lengths going a mile at Santa Anita this past April and added a turf allowance at Del Mar Sept. 4. Produced by a half-sister to Grade III-winning turf sprinter Around The Cape (Carson City), Bicameral has earned $146,586 to date.

“I think she is absolutely beautiful and you can never take away the fact that she was third in a Grade I,” John Mulholland said. “We have been shut out left and right. We have probably been shut out on 20 mares. Every time we come up here, there are 30 people following us to bid on the same horse. We decided to stretch a little bit and will put a few partners on her. I think she is lovely and one of the best I’ve seen in the sale so far physically.”

As for the future plans for the mare, Muholland said, “We will figure out someone nice for her or maybe we will send her back to the track. We will think about it. We are happy to get something of so much quality.”

Mulholland Springs has had a banner year on the racetrack with horses they either bred, raised or sold. Cave Rock (Arrogate), a graduate of their sales program, won a pair of Grade Is in California and was second as the favorite in the GI Breeders’ Cup Juvenile. Mulholland-sold And Tell Me Nolies (Arrogate) won a Grade I and Grade II on the West Coast, but was off the board in the GI Breeders’ Cup Juvenile Fillies.

Mulholland-bred Manny Wah captured the GII Stoll Keenon Ogden Phoenix S. this fall and was fourth in the GI Breeders’ Cup Sprint. The Mulholland-sold Awake At Midnyte (Midnight Lute) placed in several graded events this year and ran in the GI Breeders’ Cup Distaff.

“I can’t think of a better year as far as our horses on the track,” Mulholland said. “We had four runners in the Breeders’ Cup that we either bred, sold or raised. I doubt we will every see anything like that again, but we enjoyed it a lot. Hopefully they will all be back again next year.” —@CDeBernardisTDN
**Speightstown Colt Sparks Late Fireworks**

A son of WinStar stalwart Speightstown (Hip 1370) sparked fireworks late in Thursday’s session, bringing $360,000 from Mike Golden of Sycamore Hall Farm.

“He was very correct, very proportional,” said Golden, just before rushing off to catch a plane home. “I didn’t really find any holes in him. He is by a great stallion and is the first foal out of a good racemare. He fit everything that we wanted in a weanling.”

When asked whether the weanling was a pinhook or would be retained to race, Golden said, “We are not sure at this point. We will see how he develops and go from there.”

Consigned by Taylor Made, the bay colt was bred by Mark Stanley. The breeder raced the colt’s Grade II-place dam Tempers Rising (Bayern), who is a half-sister to SW Mac The Man (El Corredor). This colt is her first foal.

**Volatile Colt Proves Popular at Keeneland**

A weanling colt (Hip 1223) from the first crop of Grade I winner Volatile was in demand Thursday at Lexington, summoning $325,000 from XXY Stud.

Consigned by Taylor Made, the chestnut was bred by Three Chimneys Farm, which stands his young sire. The colt is out of the unraced Light of the Nile (Eskendereya), who is a half-sister to late MGISW Pioneerof the Nile, sire of Triple Crown hero American Pharoah. Her 2021 Uncle Mo filly brought $400,000 at this venue’s September Yearling Sale just two months ago.

“He’s just an athlete,” Three Chimneys Farm’s Doug Cauthen said. “He has a great pedigree. It has Pioneerof the Nile right there. The mare threw a $400,000 Uncle Mo filly who was very athletic. Being a May foal, you can see there is a lot of potential.”

An $850,000 KEESEP buy, Volatile won five of his six starts, topped by the 2020 GI Alfred G. Vanderbilt S. at Saratoga. He has had 10 members of his first crop sell this week at Keeneland for $1.38 million with an average of $138,000.

“The Volatiles have been very athletic and a lot of people are coming up and saying how excited they are about them,” Cauthen said. “They look like racehorses. He was a heck of a racehorse himself. We have nine or 10 of them at Three Chimneys and every single one of them looks like a racehorse. The farm is excited about his potential. We think he will have another full book this year and that is always good in the third year for any stallion.” --@CDeBernardisTDN

Even Marines Need a Hero cont. from p1

David stepped up and donated a kidney to a man in another state whom he had never met. I don’t think I can tell this story without first starting with my father’s journey.

My father received his final orders last year after a long, hard fight with kidney cancer. USMC Sergeant Gus Koch proudly served in Vietnam from 1966-67. Thirty years later, he was diagnosed with kidney cancer and that started the fight that continued for the next 25 years. Whether it was the Agent Orange or the drinking water at Camp Lejeune, we don’t know for sure. Dad had a kidney removed, faced multiple rounds of chemo, had brain tumors and stomach tumors. We moved up countless family weddings and anniversary celebrations because doctors told us Dad wouldn’t make it six more months. The Marine in him wouldn’t stop. He saw all 10 of his children graduate college, get married, and start families.

It wasn’t long after Dad passed away that I learned the story of one of my Marines from Afghanistan. Corporal Chris Kilpatrick and I worked in the S-2 (intelligence) shop together. On Oct. 31, 2019, Chris had been diagnosed with Polycystic Kidney Disease (PKD). He was in end-stage renal failure and in urgent need of a transplant.

PKD is normally an inherited disease, but in this case, it was due to the toxic exposures to the burn pits which we were exposed to in Iraq and Afghanistan. There is no cure, and the only option is a kidney transplant.

Chris's story hit me pretty hard. I started the donation process. Many others also started the process and were weeded out. In January, 2022 I shared the post about Chris on Facebook. I didn't say anything about Dad or the back story. Unbeknownst to me, a friend of my father, David Pope, saw the post and felt the call to action. Just a month prior, while attending Christmas Eve mass with his family in Ohio, David had heard a sermon about giving of yourself. He prayed for an opportunity that he may have that chance. The Popes didn't realize that something would come along so soon. When David and Kym saw the Facebook post they thought maybe they should give it a try, with the thought that there was no way he would match. He started the process and passed stage 1. He continued the journey and passed again. David ended up being such a good match that the doctors said it was almost like they were brothers. He traveled several times from Kentucky to Florida for a man he never met and to make a major life decision. He was going to give Chris a kidney.

When David called to tell me he was going to be the donor, I shed a few tears. You see, he had been friends with my father. They shared common bonds of being in the horse industry and served in the Knights of Columbus together at the Church of the Annunciation in Paris. He didn't know that Dad's cancer was service related.

Far too often veterans believe we live on an island. We can rest easy knowing that good men and women like David Pope have our backs. David, we salute you for having our backs when times were bad. Gunny Brossette, our Intel Shop Staff NCO (Noncommissioned Officer), said it best: "David, although you were never in uniform, you saved the life of one of our Marines and that, sir, makes you one of us for life."

Olympiad Retired to Gainesway

Olympiad (Speightstown--Tokyo Time, by Medaglia d'Oro), a five-time graded stakes winner, led by the GI Jockey Club Gold Cup S., and most recently second in the GI Breeders' Cup Classic, has been retired to Gainesway Farm. The $700,000 Keeneland September graduate will stand for a fee of $35,000 LFSN.

One of North America's top older males of 2022, Olympiad posted eight wins in 13 career starts for earnings of $3,027,560 for Hall of Fame trainer Bill Mott and owners Grandview Equine, Cheyenne Stables and LNJ Foxwoods.

Olympiad's year began with a track-record setting performance in the GIII Mineshaft S. at the Fair Grounds, and his resume expanded later in the year with powerful scores in the GII New Orleans Classic S., GII Stephen Foster S., GII Alysheba S., and the aforementioned Jockey Club Gold Cup at Saratoga.

In the Breeders' Cup Classic, Olympiad rallied down the Keeneland stretch to finish second behind probable Horse of the Year Flightline (Tapit).

Cont. p12
Olympiad Retired cont.

Olympiad has earned triple-digit Beyer Speed Figures on eight occasions with victories from seven furlongs to 1 1/4 miles. Hailing from one of the best Emory Hamilton families, Olympiad is out of a Grade III-placed half-sister to GII Churchill Distaff Turf Mile heroine Hungry Island (More Than Ready). Tokyo Time is also a half-sister to GSW Soaring Empire (Empire Maker) and to Flying Dixie (Dixieland Band), the dam of GISW and current Airdrie Stud sire Preservationist (Arch). His third dam Chic Shirine, winner of the 1987 GI Ashland S., was a full-sister to champion older mare Queena. Dual Grade I winner Verrazano (More Than Ready) also appears on his page. Olympiad is bred on the exact same cross as ill-fated GISW Rock Fall and GISW Competitionofideas.

Olympiad is currently available for inspection at Gainesway.

“Part of the Flightline team was here to help him get settled in at the farm,” said Lane’s End Stallion Seasons team member Chris Knehr. “They did a great job with him for his whole campaign and he’s such a great horse to be around.”

Knehr added that Sadler and his crew are welcome back to the farm to visit their former trainee whenever they are in Kentucky.

“It’s a credit to Sadler’s team that he is the way he is,” Knehr said. “One of the things that is so striking about him is that he’s got a very big, very intelligent eye. We’ve all seen that in really smart horses and Flightline has that. There is a class and an intelligence about him that he can take in the environment and adjust to it.”

This week, Flightline has spent a few hours every morning in the round pen before returning to his stall and relaxing throughout the day. Knehr said that Peter Sheehan, who took on the role of Lane’s End Stallion Manager last year, is confident that the big bay will get to go out in his own paddock sometime next week.

“Luckily, because he is smart and is so good to work with, he’s done very well with the transition,” Knehr said. “It’s just kind of a gradual process of letting him down and getting him used to being a horse again.”

Soon, Flightline will be available for the many breeders clamoring to inspect the new stallion. On Wednesday, it was announced that the 4-year-old will command a fee of $200,000 in his first season.

According to Knehr, their team has already taken a deep dive into analyzing Flightline’s pedigree and has sought the help of Werk Thoroughbred Consultants’ Sid Fernando to begin sketching out guidelines for the types of mares that would suit him best. Cont. p13
Flightline Settles In At Lane’s End cont.

“He has Dynaformer and Storm Cat far enough back to where there are a lot of options with him and the mares that can suit him,” Knehr explained. “From that standpoint, the bottom side of the pedigree allows us to try a couple of different things. Obviously being by Tapit, we can use that formula as well with mares that have worked well with Tapit and even some of his sons at stud.”

Flightline was campaigned through six straight career victories by breeder Summer Wind Equine in partnership with Hronis Racing, Siena Farm, West Point Thoroughbreds and Woodford Racing. Many of those connections have been signing tickets on high-profile mare at Keeneland November in the hopes of sending most of those purchases to the new stud.

Summer Wind’s newest additions include three-time Grade III winner and last year’s Breeders’ Cup Filly and Mare Sprint runner-up Edgeway (Competitive Edge) for $1.7 million, SW Park Avenue (Quality Road) for $1.45 million, and Grade III winner Proud Emma (Include), who sold in foal to Charlatan, for $1 million.

With Terry Finley signing the ticket, Gage Hill bought champion Songbird’s half-sister Song of Mine (Ghostzapper) for $700,000 and made several more purchases in partnership with Determined Stud including Salty as Can Be (Into Mischief), a half-sister to Grade I victress Salty (Quality Road), for $2 million as well as the winning Empire Maker mare Finding Fame for $575,000.

Earlier this week on Monday, a 2.5% fractional interest in Flightline sold for $4.6 million to kick off the Keeneland November Sale. Knehr said that the results from the auction more than fulfilled the syndicate’s expectations.

“I’ve never seen [the sales pavilion] as packed as it was,” he said. “The final price was beyond our expectations. The idea was to get attention from people outside of the industry as well. He has a national awareness and with the idea of the Metaverse, we wanted to blend some things together and get some interest in that and for the sport in general. We haven’t seen a racehorse like this in quite some time. The attention has been incredible, both from a fan standpoint and from the breeders.”

FLIGHTLINE ON TOP OF THE WORLD

Flightline (Tapit) (139), who closed out his undefeated career in the GI Longines Breeders' Cup Classic, maintains his commanding lead in the ninth edition of the Longines World's Best Racehorse Rankings for 2022.

In the Breeders’ Cup Classic, Flightline pulled away from the field to win by a record 8 1/4 lengths. Olympiad (Speightstown) (124) was second, while Taiba (Gun Runner) (123) was another half-length back in third.

LISA LAZARUS JOINS THE TDN WRITERS’ ROOM PODCAST

In less than 12 weeks the Horse Racing Integrity and Welfare Unit (HIWU), a branch of the Horse Racing Integrity and Safety Authority (HISA), will get to work, handling all drug testing and enforcement across the country. With that in mind, the TDN Writers’ Room presented by Keeneland called on HISA Chief Executive Officer Lisa Lazarus to bring us up to speed on the latest developments regarding her organization. Lazarus was this week’s Green Group Guest of the Week.

Lazarus said that seven of the racing commissions in the 14 states where racing will be held on Jan. 1 have reached an agreement with HISA and are ready to pay the assessment fee necessary to be involved with the program. In states where no agreement has been reached, HISA will have to hire its own staff to perform services like drug testing that used to fall under the racing commissions. She said she has been pleased that the tracks and racing commissions seem to grow more comfortable with HISA by the day.

“Honestly, I certainly can’t sit here and say that everybody is on board now,” Lazarus said. “But I definitely feel that each day we get closer and closer to acceptance and support. And I think that’s really about the tone that we set and that my staff sets in terms of wanting to help make the industry better. We’re not looking to make things more difficult or more complicated. We’re looking to provide this foundation of safety and integrity that everyone in racing can build their businesses around.”

She reiterated that HIWU will rely on more than drug testing to police the sport. They will work closely with 5 Stones Intelligence, which was instrumental in the arrests of Jorge Navarro, Jason Servis and more than two dozen others in 2020.

“The Horse Racing Integrity and Welfare Unit is also building their own internal capability, their own internal investigations team, which is very strong and is going to include some well-known and well-established faces,” she said. “I think probably why you ask the question, and it really resonates with me, is that you want to know if the new program is going to be very much intelligence and investigations based. It’s not going to be based solely on conducting a whole lot of tests. If you look at all the top-end programs in the world, equine and otherwise, you’ll see that the successful ones that really deliver integrity to their sports rely heavily on investigations. That’s great. What 5 Stones has uncovered over the past couple of years has really changed this industry for the better. They truly have. They have certainly done a terrific job and we’re lucky to have them as part of the sport.”

On a related subject, Lazarus said she was pleased that jockeys seemed to have adapted to HISA’s rules regarding the whip.

“When (the new whip rule) was first introduced back in July, there was a learning curve to get all the jockeys on the same page and fairly so because they’ve been operating with different rules across multiple jurisdictions,” Lazarus said. “But now a number of months in, we’re seeing a lot of very encouraging signs. First of all, if you watch the Breeders’ Cup, I think it was an extraordinary display of why excessive crop use is not necessary and doesn’t enhance the sport. Second of all, we’re seeing a real plateau on the number of violations across the country. Cont.
Lazarus continued, “There had been concern and negative feedback, most of which revolved around the fact that if you were over nine strikes, you would face disqualification. We believed, or at least the Racetrack Safety Committee believed, that if you were going to actually genuinely have an impact on properties, you’d have to bring in stakeholders who had more at stake than just the jockeys. And those are only 6% of our overall number of of crop violations, which I think is quite a low number. So I think over time, we’ll be able to prove that these sort of balanced crop rules are better for the sport. They don’t change the sport and they haven’t changed anything with the betting public.”

Elsewhere on the podcast, which is also sponsored by Coolmore, XBTV, West Point Thoroughbreds, Lane’s End, Adena Springs and the Kentucky Thoroughbred Owners and Breeders, panelists Zoe Cadman, Randy Moss and Bill Finley reviewed the Breeders’ Cup and all things Flightline (Tapit). The crew all agreed that the GI Breeders’ Cup Classic was the best race of his six-race career and that he deserves to be considered one of the all-time greats in the sport’s history. Flightline got a 121 Beyer in the Classic, five points lower than in his win the GI Pacific Classic. Moss, who makes speed figures for the Beyer team, explained why his number fell off a bit. The domination of the European-based horses brought out some interesting insights from the trio and had Finley declaring that he will never again pick against any horse Charlie Appleby sends over to run in North America. The group also looked at the few Eclipse Award races that are not complete no-brainers and all agreed that Modern Games (Ire) (Dubawi {Ire}), War Like Goddess (English Channel), Epicenter (Not This Time) and Elite Power (Curlin) should be named champion in their respective divisions.

**DREAMER’S DISEASE AMONG 10 SUPPLEMENTS TO KEENELAND HORSES OF RACING AGE SALE**

Keeneland has announced 10 supplements--headlined by recent Delta Mile S. winner Dreamer’s Disease (Laoban)--to its November Horses of Racing Age Sale to be held Nov. 17.

The online catalog for the single-session auction features Daily Racing Form and Equibase past performances along with Thoro-graph and Ragozin sheets, race replays and more.

Horses will be available for inspection at Keeneland on Wednesday, Nov. 16. The auction will start the next day at noon.

Highlighting the latest supplements are:

**Dreamer’s Disease**, a gate-to-wire winner of the Delta Mile on Nov. 5 at Delta Downs to push his career earnings to more than $220,000. Bluewater Sales, agent, consigns the 4-year-old gelding.

**Girl Afraid** (Not This Time), a 2-year-old filly, was a 3 1/2-length maiden winner at Churchill Downs on Nov. 2. Out of the winning Dominus mare Dominating Woman, Girl Afraid is from the family of GI Preakness S. winner Codex and stakes winner Dance the Slew. She is consigned by Taylor Made Sales Agency, agent, as a racing or broodmare prospect.

**Outofnothingatall** (Super Saver) finished third in the Sorority S. at Monmouth Park in August and is entered in the My Trusty Cat S. on Friday at Delta Downs. The 2-year-old, who is from the family of Canadian Horse of the Year Peaks and Valleys and Grade III winner Cryptograph, is consigned by Bluewater Sales, agent, as a racing or broodmare prospect.

**Park On the Nile** (Cairo Prince) was a debut winner at Churchill Downs and has earned more than $135,000 in two seasons of racing. The 3-year-old filly is from the family of Grade II winner Park Avenue Ball and stakes winner Beacon Hill Road. She is consigned by Hidden Brook, agent, as a racing or broodmare prospect.

These supplements increase the total number of horses cataloged to the sale to 343.

Additional supplements will be considered until sale date.

**DESSERT DEBUTERS: ‘MISCHIEF’ AT MEYDAN**

by Alan Carasso

In this series, we will have a look at first-time starters entered for age-restricted maiden races on the week’s main live program at Meydan Racecourse, focusing specifically on pedigree and/or performance in sales ring, both domestic and abroad. With the exception of Thursday, Dec. 1, Super Saturday, Mar. 4, and Dubai World Cup night Mar. 25, the main meeting at Meydan takes place on Fridays. Six meetings are to be staged at the UAE’s flagship racecourse prior to the start of the Dubai World Cup Carnival Friday, Jan. 6, 2023. Nine Carnival cards are programmed from January through March. Here is a look at this week’s entries:

2nd-Meydan, AED82,500 ($22,464), 2yo, f, 1200m

A field of 10 American-bred juvenile fillies heads to the gate in the first Thoroughbred race on Friday’s program. Last year’s leading trainer Buhapat Seemar sends out MISCHIEVOUS AGE (Into Mischief) for prominent owner Mrs. Fitri Hay, who paid the equivalent of $437,533 for the Jan. 18 foal at last year’s inaugural Goffs Dubai Breeze-Up Sale (breeze video) held during

TAA ACCREDITS 42 ORGANIZATIONS

Edited Press Release

Officials at the Thoroughbred Aftercare Alliance (TAA) announced Thursday that 42 Thoroughbred aftercare organizations have been awarded accreditation for 2022, including one that received accreditation for the first time. The Thoroughbred Aftercare Alliance, the only accrediting body in Thoroughbred aftercare, now has a network of 81 organizations with approximately 180 facilities in North America.

“Congratulations to the 42 organizations who earned their Thoroughbred Aftercare Alliance accreditation," said TAA President Jeffrey Bloom. “Earning TAA accreditation is a true testament to an organization's dedication to providing the best care possible for our Thoroughbreds.

“TAA-accreditation proves to the racing industry that its Thoroughbreds are going to the best possible aftercare organizations in North America, and although this stamp of approval is reassuring, funding is still a concern to assist these groups and the thousands of retired racehorses in their care. We encourage everyone to support the Thoroughbred Aftercare Alliance and its 81 accredited charities.”

IN ORDER OF PURSE:
8th-Churchill Downs, $134,929, Alw (NW2$X)/Opt. Clm ($80,000), 11-10, 3yo/up, f/m, 5f, :57.70, ft, 1/2 length.
ARI OAKLEY (f, 3, Gun Runner--Belle of Perintown (GSW, $265,465), by Dehere) took five tries to break her maiden, finally converting at Oaklawn Park May 1 before struggling against winners for the first time when seventh at Churchill May 28. She came back a gate-to-wire winner June 26 before heading to the sidelines for five months, not to be seen again until Thursday’s race. Still the 5-2 choice despite the layoff, Ari Oakley was put right on the lead by Luis Saez, setting the pace into the far turn and turning back the challenge of Miss T Too (Into Mischief) at the top of the lane. She had enough of a gap built up to hold off a closing Perfect Happiness (Majesticperfection) and win by a half-length.
Belle of Perintown, already responsible for Tomlin (Distorted Humor), MSW & MGSP, $251,895, Strike It Rich (Unbridled's Song), GSW, $193,966, and Beau Lian (Liam's Map), GSP, $229,888, last produced the unplaced 2-year-old Belle Elena (Good Magic).
Lifetime Record: 8-3-1-1, $236,638. Click for the Equibase.com chart or VIDEO, sponsored by TVG.
O/B-Stonestreet Thoroughbred Holdings LLC (KY); T-Steven M. Asmussen.

4th-Horseshoe Indianapolis, $36,000, Alw, 11-10, (NW2L), 3yo/up, f/m, 1m, 1:39.23, ft, 1 1/2 lengths.
HERMANA (f, 3, Classic Empire--Denied, by Uncle Mo), sent off the 9-5 favorite, surveyed a modest early pace in second. Three wide turning into the stretch, she swept to the front, drew clear and was 1 1/2 lengths ahead of Baby Blue Eyes (Constitution) at the wire. Runner-up over this track in her first two career starts, the chestnut broke through with a win in her latest start Oct. 17. The winner's dam, Denied, produced an Arrogate filly in 2021 followed by a Maclean’s Music colt earlier this season. She was bred back to Midshipman. This is the female family of Classic winners Fusaichi Pegasus and Pine Bluff. Sales History: $95,000 RNA Ylg ’20 KEESEP. Lifetime Record: 4-2-2-0, $55,600. Click for the Equibase.com chart.
O-Fred Wieting & Noel Murphy; B-Castle Park Farm, LLC, Fred Wieting, John McCormick & Bridget Sperl (KY); T-Joseph Deegan.

3rd-Churchill Downs, $117,750, Msw, 11-10, 3yo/up, f/m, 1 1/8mT, 1:50.68, fm, 2 1/4 lengths.
SWEET LADY IVANKA (f, 3, Candy Ride {Arg}--Lady Serena {SP, $116,150}, by Bernardini), on the board in all four starts this term, finished third in three consecutive races, including the most recently going 8 1/2 furlongs at Keeneland Oct. 15. Getting blinkers on while stretching to nine panels for the first time, the 2-1 choice broke alertly from post six but was settled back in a ground-saving position going into the first turn. Coasting along in sixth through a :48.33 half, she found herself trapped in traffic and in need of clearance approaching the home turn. Cut off while trying to make a move through the throng at the top of the stretch, she renewed her efforts while diving to the inside, broke free in midstretch and cruised home an easy winner over Partyline (Dialed In). A half sister to Champion Older Horse Honor Code (A.P. Indy) and MGSP and GISP Noble Tune (Unbridled's Song), Sweet Lady Ivanka is a great granddaughter of champion filly Serena's Song. She is also responsible for an unraced juvenile filly by Curlin, a yearling by Quality Road, and most recently, a weanling by Curlin. Lifetime Record: 6-1-1-3, $114,750. Click for the Equibase.com chart or VIDEO, sponsored by TVG.
O/B-Dell Ridge Farm, LLC (KY); T-Kenneth G. McPeek.
9th-Churchill Downs, $92,480, Msw, 11-10, 2yo, f, 6f, 1:11.31, ft, 7 3/4 lengths.  
**CHARLEE MAE** (f, 2, Gormley--Corinthian Luck, by Corinthian) opened her account with back-to-back placings sprinting five furlongs on the turf before trying the dirt for the first time Thursday in this auction-restricted event. Given only an 8-1 shot, she kept pressure on pacesetter Lady Ocean (Runhappy) from second through a sharp opening quarter in :21.81. Always going well, Charlee Mae took over as the field passed the quarter pole and opened up, drawing off under a ride to dominate in her third start by 7 3/4 lengths. Grey Vixen (Liam's Map) closed from off the pace to be second. A half-sister to Feast (Twirling Candy), SW, $237,259, Charlee Mae has a yearling half-brother by Mitole and a weanling half-brother by Great Success. Sales History: $10,000 2yo '22 OBSOPN. Lifetime Record: 3-1-2-0, $62,635. Click for the Equibase.com chart or VIDEO, sponsored by TVG.  
O-Cecil Peters; B-Farm III Enterprises (KY); T-Allen Milligan.

6th-Churchill Downs, $90,900, Msw, 11-10, 2yo, f, 6f, 1:11.17, ft, 1 3/4 lengths.  
**UNIFYING** (f, 2, Union Rags--Monarchia, by Arch), in a single start for trainer Bill Mott, placed at first asking at the Belmont At the Big A meet Sept. 15 before transferring to new trainer Riley Mott. On the cutback from seven to six furlongs and in contention on the front end from the break, Unifying vied between rivals to hold a narrow advantage around the turn. Still stuck in a tight middle spot down the lane, she held sway and managed to gain separation into the final sixteenth for the 1 3/4-length win over Secret Statement (Runhappy) at odds of 7-5. Monarchia, herself a half-sister to MG1SP Intactivet (Broken Vow), GSP Stretching (Red Ransom), and MG1SP Wingspan (Silver Hawk), foaled a filly by Omaha Beach this year and was bred back to Vekoma for next season. Sales History: $32,000 Ylg '21 KEENSEP. Lifetime Record: 2-1-1-0, $66,720. Click for the Equibase.com chart or VIDEO, sponsored by TVG.  
O-Sheri Greenberg, Staghawk Stables, Tom Reiman & Ronald Johnson; B-Lynn B. Schiff (KY); T-Riley Mott.

9th-Aqueduct, $85,000, Msw, 11-10, 3yo/up, 1mT, 1:34.90, fm, 3 1/4 lengths.  
**SIEGE OF BOSTON** (c, 3, War Front--Peinture Rare (Ire) (GSW-Fr, $203,154), by Sadler's Wells), off the board only once in his five previous starts, including a run of three consecutive placings in his last three tries, entered Thursday as the 7-5 choice in this maiden field. Wide into the first turn, he was forced to settle outside of horses up the backstretch run before coming under a ride after an opening half in :46.39. Angled five deep past the quarter pole, he rallied down the center of the track, took over a furlong from home, and pulled away late to win by 3 1/4 lengths. Early pacesetter Fazaro (Frosted) held on to fill out the exacta. From an active European family including his dam's half-brother, European Horse of the Year Peintre Celebre (Nureyev), as well as MG1SP Policy Maker (Ire) (Sadler's Wells), Siege of Boston has an unraced 2-year-old half-sister by Air Force Blue, a yearling half-brother by US Navy Flag, and a weanling half-sister by Wootton Bassett (GB). Lifetime Record: 6-1-3-1, $91,720. Click for the Equibase.com chart or VIDEO, sponsored by TVG.  
O-Allen Stable, Inc.; B-Joseph Allen, LLC & White Birch Farm, Inc. (KY); T-James J. Toner.

1st-Aqueduct, $82,450, Msw, 11-10, 2yo, f, 6f, 1:13.31, ft, 8 1/4 lengths.  
**UNDERVALUED ASSET** (f, 2, Speightstown--Hard Headed Temper, by Hard Spun), dispatched as the popular 3-5 choice for her afternoon debut, moved into second after briefly losing her footing, pressing the early speed of Pardon Moi (Not This Time) as the leading pair ran the opening quarter in :23.33. With no visible move from jockey Irad Ortiz, Jr., Undervalued Asset took over under her own power around the turn and dashed clear of Risk Free (American Freedom) at the top of the lane. Much the best heading home despite swapping leads late, she widened her winning margin with each stride before easing up late, hitting the wire 8 1/4 lengths to the good. Risk Free checked in second while Biloxi Blues (Tapit) was a further two lengths back in third. Out of a half-sister to a pair of graded stakes horses including GISP Heart of Destiny (Lion Heart), Undervalued Asset also counts GSW & MGISP Rosalind (Broken Vow) as a member of her extended family. Hard Headed Temper has a yearling filly by Mitole and foaled a colt by Echo Town last year before visiting Lexitonian for the 2023 season. Sales History: $150,000 Wlg '20 KEENOV. Lifetime Record: 1-1-0-0, $46,750. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

In this continuing series, Alan Carasso takes a look ahead at US-bred and/or conceived runners entered for the upcoming weekend at the tracks on the Japan Racing Association circuit, with a focus on pedigree and/or performance in the sales ring. Here are the horses of interest for this Saturday running at Hanshin Racecourses:

Saturday, November 12, 2022

4th-HSN, ¥13,400,000 ($94k), Newcomers, 2yo, 1800m

CUPIDON (c, 2, American Pharoah--Chocolate Pop, by Cuvee) is a half-brother to dual-surface graded winner and GI Breeders’ Cup Juvenile Turf runner-up Airoforce (Colonel John) and was hammered down to owner Koki Meada for $300,000 at last year’s Keeneland September sale. His dam, twice placed at stakes level, was sold to Springhouse Farm for $460,000 in foal to Bernardini at the 2017 Keeneland January sale and is also responsible for a yearling Uncle Mo filly that fetched $450,000 from Live Oak at this year’s Fasig-Tipton Saratoga sale. Cupidon is bred on a similar cross to MG SW Forbidden Kingdom. B-Camas Park Stud & Lynch Bages Ltd (KY)

5th-HSN, ¥13,400,000 ($94k), Newcomers, 2yo, 1600mT

GUREN (c, 2, Union Rags--Purely Hot, by Pure Prize) is the fifth foal to make the races from his Grade III-winning dam, who was acquired by Hugo Merry Bloodstock for $1.2 million with this colt in utero at Keeneland November in 2019. The lofty pricetag was due in large measure to the on-track exploits of the mare’s ‘TDN Rising Star’ son Eight Rings (Empire Maker), who won that year’s GI American Pharoah S. about a month prior to her going under the hammer in Lexington. Guren was a $235,000 Fasig-Tipton October yearling purchase by Red Wings and was entered for—but was ultimately scratched from—this year’s OBS April sale. B-Orpendale/Chelston/Wynatt (KY)

NO NAY NEVER UP TO 175K AND BLACKBEARD TO START AT 25K

Cartier Award hero Blackbeard will stand for €25,000 | Tattersalls

By Brian Sheerin

Off the back of a star-studded season, No Nay Never will stand for €175,000 in 2023, which represents a €50,000 rise, while his dual Group 1-winning son Blackbeard (Ire) will join him on the Coolmore roster next year at a price of €25,000.

No Nay Never has had an exceptional year. Older filly Alcohol Free (Ire) landed the G1 July Cup at Newmarket, but it has been his Coolmore-owned and Aidan O’Brien-trained juveniles that have set tongues wagging this term.

Like his father, Blackbeard landed the G1 Prix Morny in Deauville before doubling his tally at the highest level in the G1 Middle Park S. at Newmarket.

While Blackbeard was prematurely retired due to a training injury, Group 1 scorers Little Big Bear (Ire) and Meditate (Ire) sit at the head of the ante-post markets for the G1 2000 and G1 1000 Guineas, respectively.

Coolmore’s director of sales, David O’Loughlin, said, “No Nay Never has had an unbelievable year. The quality of the mares he got off the back of his success has really been shining through and, to have three individual Group 1-winning 2-year-olds in the one year, he has caught the attention of a lot of people.”

RAISING HAILS 'EXCEPTIONAL' ALPINISTA AS ARC WINNER RETIRES

The six-time Group 1 winner and G1 Prix de l'Arc de Triomphe heroine Alpinista (GB) (Frankel (GB)--Alwilda (GB), by Hernando {Fr}) has been retired from racing after a "slight setback" and will not contest the G1 Japan Cup at the end of the month.

The 5-year-old, bred and owned by Kirsten Rausing and trained by Sir Mark Prescott, recorded her six top-level wins in consecutive starts in Germany, England and France in the last two seasons, taking her unbeaten stretch to eight races in 16 months. In total, she ran 15 times for 10 wins and two runner-up finishes, earning prize-money in excess of £3.3 million.

Following her emotional success at Paris Longchamp in early October, Alpinista had remained in training at Prescott’s Heath House Stables in Newmarket with a possible swansong in Tokyo on the cards, but a decision was taken to retire her on Thursday morning after she sustained a minor injury. He added, "It has been another big week for him with Meditate winning the GI Breeders' Cup Juvenile Fillies Turf and she is now a leading fancy for the 1000 Guineas. Little Big Bear is favourite for the 2000 Guineas, so No Nay Never has a big chance for the first two Classics of the season. That means a lot for us because we are trying to win the Classics."

**Sioux Nation** hails from the same sire line being a son of Scat Daddy, and enjoyed a terrific debut season with his first runners with 43 winners. He will have his fee increased from €10,000 to €17,500 next year. Blackbeard is being backed to make a similar splash in his debut season by O'Loughlin.

He said, "To get a horse like Blackbeard on the roster is hugely exciting as well. Breeders love fast horses and he proved himself of the highest quality this season and was reminiscent of his father when winning the G1 Prix Morny is some style before following up in the G1 Middle Park S. at Newmarket. That was the icing on the cake of another big season."

"Blackbeard is very like his father--the same colour, shape and he has the movement. Everything a breeder wants, he has. He's also out of a very fast mare who Eddie Lynam trained [Muirin (Ire) (Born To Sea {Ire})] so I think a lot of people will be keen to use him."

O'Loughlin added, "Commercially, what is driving the market is international appeal. When the international market zones in on a particular sire line, it puts a lot of value on that, much more than the domestic market can. No Nay Never is a good example of that as he has international appeal."

"Take Justify as another example, he has had two group winners in Europe and three stakes winners in America. It's obvious that he is working both sides of the Atlantic--he has the dirt horses and horses who can do it in Europe as well. For breeders, it will help when they use Arizona (Ire), Blackbeard and Sioux Nation because they all hail from that exceptional Scat Daddy line. It's all the one line."

Like Sioux Nation, Coolmore's **Saxon Warrior (Jpn)** made a big impression with his first crop of runners. As well as having the highly-touted Auguste Rodin (Ire) to look forward to next season, Saxon Warrior came up trumps with GI Breeders' Cup Juvenile Turf winner Victoria Road (Ire), one of 21 international winners in his first season. O'Loughlin said, "Saxon Warrior had an exceptional year. Again, he's a horse with international appeal being a son of Deep Impact (Jpn), who was the best horse to stand in Japan. Auguste Rodin is a very special horse and Victoria Road crowned a remarkable year with his victory in the Breeders Cup Juvenile Turf."

"It's remarkable because Saxon Warrior wasn't the most precocious of horses and, for him to be getting all of these top-class 2-year-olds is a big statement. He has some very good 2-year-olds and who's to say that Greenland ( Ire) won't be the best of them all. I know that a lot of people think he is a high-class horse to look forward to next year. Some big breeders have latched on to him after his debut season and I even sold a nomination to him out here in Keeneland the other day. They think the horse is great value at €35,000."

**Wootton Bassett (GB)** will stand for €150,000, **St Mark's Basilica (Fr)**'s 2023 fee is €65,000, and **Camelot (GB)** is at €60,000. **Churchill (Ire)**, the sire of dual Group 1 winner Vadeni (Fr), has had his fee increased to €30,000, **Starspangledbanner (Aus)** will stand for €50,000, **Australia (GB)** and **Sottsass (Fr)** for €25,000 and **Ten Sovereigns (Ire)** and **Gleneagles (Ire)** for €17,500.

**Footstepsinthesand (GB)**, **Circus Maximus (Ire)**, **Calyx (GB)** and **US Navy Flag** are set at €10,000, **Arizona** is €5,000 and **Gustav Klimt (Ire)** will be available at €4,000.

**Arc Heroine Alpinista Retired Cont. from p1**

Rausing, who was honoured with the Cartier/Daily Telegraph Award of Merit at the Cartier Awards in London on Wednesday evening, said of her homebred, "She's exceptional. She is extra special to me and to anyone who has ever been around her. I feel guilty for wrenching her away from [rider/groom] Annabel Willis but, as I keep saying to Annabel, she is only going to be three miles up the road so she can come to see her any time.

"It will be great to have her home. She and her contemporary Albaflora (GB), who was twice Group 1-placed, will have pride of place here at Lanwades. They are two beauty queens and we will parade them at the stallion show during the December Sales."

"People ask me if she was my horse of a lifetime, and in many ways yes she is, but so was her grandaunt Alborada (GB), and so was Petoski (GB) before her. So, maybe every 25 or 30 years they come along, if you're lucky."

Sir Mark Prescott, who also trained Alpinista’s dam Alwilda (GB) (Hernando (Fr)) and treble Group 1-winning granddam Albanova (GB) (Alzao), said, "She had a bit of heat in her leg last night when I was at the Cartier Awards dinner. William [Butler, assistant trainer] looked round and thought there was heat in the leg. When I looked at her first thing this morning, I wasn't happy, so that's it--she retires."

"She has been marvellous and hasn't been beaten for two years, she won six Group 1s in three different countries. She has been fantastic. She will join a wonderful broodmare band at Miss Rausing's."

On the scuppered plans for the Japan Cup, he added, "The other terrible thing is the Japanese have bent over backwards to help us and I feel very guilty. They have done absolutely everything they could to make things easy for us. I felt as guilty letting them know as I did poor Miss Rausing."

"She took it well. She never flinches. But when you are 5-2 to win six million [dollars], whoever you are, it is a blow. It would have been a big thrill to win. I think, for Miss Rausing, almost there is a tinge of relief, because the filly has done so well and it would have been so awful if something had gone wrong out there." **Cont. p5**
Arc Heroine Alpinista Retired Cont.

He added, "It is never easy travelling that far and the thought of looking at her every morning over your garden fence is not a bad thought. If it is the highest-rated filly in the world outside your back door, it must give you tremendous satisfaction.

"So, it is a moderate morning. I won't find one as good as her--it has taken me 53 years to find this one."

Alpinista is a fourth-generation descendant of the noted Lanwades matriarch Alruccaba (Ire) (Crystal Palace {Fr}), who was bought as a 3-year-old from her breeder the Aga Khan by Kirsten Raising and Sonia Rogers. The identity of the stallion for her first mating next year has not yet been confirmed, though Raising had previously hinted that she may visit the champion sire-elect, Dubawi (Ire), whose fee was announced yesterday as £350,000.

Reflecting on her Cartier Award of Merit, which is awarded annually to the person deemed to have "done the most for European racing and/or breeding either over their lifetime or within the past 12 months," Raising added, "I was totally taken aback by the whole thing. I really would like to see the video again because you're so overwhelmed you can't really take it all in.

"It has been an absolutely extraordinary year. It's all come together but as far as I'm concerned it is all down to my marvellous home team at the three studs--Lanwades, St Simon and Staffordstown--and their combined many hundreds of years of horsemanship. A lot of my people have been with me for 25 years or more, so I am very fortunate, and of course we have been joined by young Mr. Oxx as well."

This year, Lanwades Stud has been represented by four Group 1-winning graduates, Alpinista being joined by the St Leger winner Eldar Eldarov (GB) (Dubawi {Ire}) and the Australian-trained duo of Zaaki (GB) (Leroidesanimaux {Brz}) and Durston (GB) (Sea The Moon {Ger}).

ZOUSTAR TOPS TWEENHILLS 2023 ROSTER AT £30K

Zoustar (Aus), the sire of the Cartier 2-Year-Old Filly and G1 Cheveley Park S. heroine Lezoo (GB), will stand for £30,000 at Tweenhills in 2023. One of the leading sires in Australia, the reverse shuttler stood for £25,000 in 2022.

He leads a four-strong Qatar Racing roster that also includes G1 2000 Guineas hero Kameko at £15,000, down from £20,000 this year. His first foals will be yearlings in 2023. Havana Gold (Ire) has been trimmed to £10,000 from £12,500. His five 2022 stakes winners are led by G2 Sandy Lane S. winner El Caballo (GB), while his Group 1-winning son Havana Grey (GB) leads all British-based first-crop sires to date. Group 1 winner Lightning Spear (GB)'s fee is unchanged at £5,000, and five of his eight runners have won.

Tweenhills owner David Redvers said, "We are extremely excited to welcome Zoustar back to Tweenhills for his fifth Northern Hemisphere covering season. He has got off to a fantastic start with his first runners here and, standing at a fraction of his Australian stud fee of AU$198,000, he is a real coup for European breeders.

"We have been so excited by Kameko’s first crop of foals, some of whom will sell at the sales later this month. A record-breaking miler at two and three, he offers outstanding value at £15,000.

"Havana Gold is a proven value sire. His first son to stud, Group 1 winner Havana Grey, has already been crowned GB Champion First-Season Sire and Havana Gold still has his best-quality crops to run.

“Lightning Spear's first runners have done very well. With his improved fertility, a fee of £5,000 offers exceptional value for an extremely talented, tough and durable son of Pivotal."

Kameko, Havana Gold and Lightning Spear will be paraded for breeders at Longholes Stud in Newmarket during this year’s Tattersalls December Sales from Sunday, Nov. 27 to Wednesday, Nov. 30.
Haras de Bouquetot Cont.

The ‘TDN Rising Star’ will stand for €6,000 on their nine-strong roster next season and will be available for viewing at Bouquetot during the Arqana December Breeding Stock Sale.

Bred by Aidan and Annemarie O’Brien’s Whisperview Trading, the colt was named a ‘Rising Star’ after his debut win at the Curragh and claimed the G1 National S. in his next outing before running third in the G1 Dewhurst S. Owned by Mrs. C C Regalado-Gonzalez, the Joseph O’Brien trainee was only a head shy of adding the G1 Prix Jean Prat to his resume at three, and he was also third in the G3 Gladness S. this term. He retires with a mark of 13-2-2-2 and $365,398 in earnings.

“Thunder Moon was defined by his natural class and strong turn-of-foot,” said O’Brien. “His performance in the G1 National S. really showcased this and his brilliance as a 2-year-old beating a field packed with Group 1 winners and future group performers. He also came within a whisker of winning the Prix Jean Prat the following year. We are really looking forward to training his progeny in the years to come.”

The son of Small Sacrifice is a half-brother to stakes winner Table Rock (Ire) (Fastnet Rock {Aus}). His third dam is the G1 Irish 1000 Guineas heroine Trusted Partner (Affirmed), dam of GI Matriarch S. heroine Dress To Thrill (Danehill) and her full-sister, the blue hen Polished Gem (Ire) (Danehill), the dam of eight stakes winners.

Haras de Bouquetot’s Stud Manager Benoit Jeffroy said, “We’re delighted to welcome Thunder Moon at Haras de Bouquetot for 2023. He is a precocious horse of 1m60 (15.3 hh) who has shown plenty of speed winning the National S. like Dubawi (Ire), Danehill Dancer (Ire) and Teofilo (Ire) did before him. We were looking for a Group 1 winner at two excelling over seven furlongs, not dissimilar to the profiles of recent French successes Wootton Bassett (GB) and Siyouni (Fr).”

Leading the Haras de Bouquetot roster is Zelzal (Fr), who has sired three stakes winners led by multiple graded winner Dolce Zel (Fr) and Gill Sweet Life S. heroine Ouraika (Fr), and is priced at €15,000. G1 Prix de l’Abbaye hero Wooded (Ire) has his first yearlings in 2023 and is €12,000. As previously announced, Group 1 sire Galileo Gold (GB) has moved to Bouquetot in a joint-venture with his former home, Tally-Ho Stud, and he will stand for €7,000, the same price as G1 Irish 2000 Guineas victor Romanised (Ire), who has his first yearlings. Group 1 winner and stakes-siring Al Wukair (Ire), G3 Molecomb S. scorer and G1 Middle Park S. third Armor (GB) expecting his first foals, and multiple Group 1 winner Ectot (GB) will each command €5,000. Rounding out the roster is Olympic Glory (Ire), the sire of 13 stakes winners, at €4,000.

ALENQUER BOUGHT BY PMB RACING AND BALLYMORE STABLES FOR OZ CAMPAIGN

Land Force Cont.
Bred by Gestut Romerhof, the February foal was an €18,000 Arqana December weanling turned 80,000gns Tattersalls October yearling. He won both the G2 King Edward VII S. and G3 Classic Trial S. and was placed in both the G1 Grand Prix de Paris and G1 International S. in 2021. His record stands at 13-5-2-1 and $1,035,568 in earnings.
He is one of two winners from three to race for the winning Wild Blossom, herself a daughter of Wind In Her Hair (Ger) (Turtle Island {Ire}), also the dam of the stakes winner Wilder Wein (Ger) (Soldier Hollow {GB}).

MUHAARAR’S FEE INCREASED TO €7.5K AT HARAS DES FAUNES
Multiple Group 1 winner Muhaarar (GB), fresh off a season that included 13 stakes winners and 20 stakes horses among his progeny, will stand for an increased fee of €7,500 at Haras des Faunes, Jour de Galop reported on Thursday. The sire of 18 black-type winners total, the 10-year-old was priced at €5,000 in his first year at Haras des Faunes this term. Bran (Fr), Trevaunance (Ire) and Polly Pott (GB) all celebrated Grade or Group 2 victories in 2022, while Paris Peacock (Ire) struck at Group 3 level alongside Evening Sun (GB) Stateside.
Standing for €3,500 next year is Born To Sea (Ire). Gutaifan (Ire)’s fee has been set at €3,000, and completing the Haras des Faunes quartet is Captain Chop (Fr) at €1,500.

BELARDO MOVES TO BEARSTONE STUD
Dual Group 1 winner Belardo (Ire) will move to Bearstone Stud in Shropshire for the 2023 breeding season. A former Darley stallion, he will stand for £6,500 next year.
The son of Lope De Vega (Ire) already has eight stakes winners worldwide with six of them successful at group level. Isabella Giles (Ire) won the G2 Rockfel S. and G3 Prestige S., while both Bellabel (Ire) and Gold Phoenix (Ire) won graded races at Del Mar in California. The former was also second in the GI Del Mar Oaks and third in the GI Queen Elizabeth II Challenge Cup. Lullaby Moon (GB), Elysium (Ire), and Verona (NZ) are his other group winners.
Terry Holdcroft, owner of Bearstone Stud, said, “We are delighted that Darley has entrusted us with a stallion who has made such a promising start at stud and was bred to 215 mares in the last two years. We purchased breeding rights in Belardo when he retired and were rewarded with Lullaby Moon. As a son and grandson of two exceptional stallions and with a ratio of group winners to runners that compares favourably with many of the best stallions at stud today, we are confident Belardo will prove extremely popular with British breeders.”

HIGHCLERE RELEASES LAND FORCE’S 2023 FEE
Land Force (Ire), a half-brother to dual Grade I winner Photo Call (Ire) (Galileo {Ire}), will stand for an unchanged fee of £5,000 in 2023. From the family of Group 1 winners Auguste Rodin (Ire) (Deep Impact {Jpn}) and Victoria Road (Ire) (Saxon Warrior {Jpn}), the 6-year-old son of No Nay Never won the G2 Richmond S. and was third in the G2 Norfolk S. as a juvenile. His oldest foals are yearlings and he will have his first runners in 2023.
“Land Force’s fee will remain at £5,000 (Oct. 1, SLF) for the 2023 season,” said Highclere’s Jake Warren. “His yearlings have sold extremely well this autumn averaging £36,008 which is seven times his stud fee. His highest price lot was 180,000gns and his incredible immediate family have produced two Group 1-winning 2-year-old colts this year in August Rodin and Victoria Road. Considering the strength of No Nay Never and Sioux Nation’s progeny on the track, with this dominant sire line, his wonderful pedigree and good looking stock, Land Force is showing himself to be a very appealing bet for breeders looking for a big up.”

YEARLING ENTRY STAGE FOR DERBY TO BE SCRAPPED

The G1 Derby will move away from its traditional yearling entry stage and will operate on a solely 3-year-old entry system from the 2024 running of the Classic.

A statement released on Thursday by Jockey Club Racecourses, which owns Epsom Downs, home of the Derby and the Oaks, read, "The move comes following discussion with stakeholders and after a 3-year-old only entry system worked well for the 2022 race, when the yearling entry stage due to take place in 2020 was not considered feasible due to the pandemic."

"As such, the yearling entry stage for the 2024 race which would traditionally take place in early December will not take place. Further information regarding the prize fund, entry stages and structure for the 2024 Derby will be available via the usual process and publications next year, including the Flat Pattern Book and Programme Book."

In 2021, online car retailer Cazoo was announced as the new sponsor of the Derby meeting, but that arrangement has now come to an end. Next year’s Derby, which closed for yearling entries last December, has a prize-money pool of £1.5 million. The remaining entry stages will be at the traditional stages next spring.

"The yearling entry system is something we have always considered annually before confirming, as we are constantly striving to ensure all aspects of The Derby are optimised for changing behaviours and trends within the sport and the wider world,” said Andrew Cooper, head of racing and clerk of the course at Epsom Downs."  Cont. p9
**Derby Yearling Entry Stage Scrapped Cont.**

The statement continued, "The pandemic gave us an opportunity to test whether a 3-year-old system would work, and having consulted participants prior to, during and since it took place earlier this year, our view is that the increased flexibility that removing the yearling stage brings is more reflective of how trainers and owners now tend to operate."

BREEDERS’ CUP WINNER HIGHLAND REEL MOVES TO JAPAN

Seven-time Group 1 winner Highland Reel (Ire) (Galileo {Ire}) will transfer to Takaya Shimikawa’s S T Farm on Hokkaido next season. Already the sire of three stakes winners, led by G2 Premio Dormello heroine Atamisque (Ire) and GIII Surfer Girl S. victress Comanche Country (Ire), the Coolmore Stud stallion is currently serving the Southern Hemisphere season at Swettenham Stud in Australia for A$16,500.

An S T Farm spokesperson told Yahoo Japan, “During his racing days, Highland Reel was a horse whose performances were outstanding, not only in Europe, but overseas. I feel that his progeny show good speed, and although they have achieved results in Europe and the United States, I feel that the Japan may be a better fit.”

Out of the G2 South Australian Oaks second and G2 Schweppes Oaks third Hveger (Aus) (Danehill), he is a full-brother to three stakes winner. Cont. p12
