PROXY GIVES GODOLPHIN SECOND STRAIGHT CLARK

by Alan Carasso

Making his first start since running a career-best 104 Beyer Speed Figure when third to future GI Breeders' Cup Classic runner-up Olympiad (Speightstown) in the GII Stephen Foster S. at Churchill Downs this past July, Proxy (Tapit--Panty Raid, by Include) got just the better of a final-furlong throwdown with favored West Will Power (Bernardini) to take out Friday's GI Clark S. beneath the Twin Spires. The win was a second straight in the race for Godolphin following Maxfield (Street Sense) last fall.

Given a positive ride from gate one by Joel Rosario in this fresh-up run, the homebred 4-year-old--off as the 5-2 third choice--somewhat surprisingly raced closest in attendance to the last-out GII Fayette S. winner passing under the wire for the first time and remained glued inside into the first turn before popping out into the two path passing the seven-furlong marker. West Will Power was the controlling speed through fractions of :23.94 and :48.51, but Proxy remained his shadow into the second bend and was asked to come after the front-runner in earnest fully three furlongs from home. Proxy drifted wide off the final corner and still had the pacesetter—who was not lying down—to catch entering the final eighth of a mile. But, shoulder to shoulder with the West runner with time ticking away, Proxy knuckled down to hit the front late and edged clear. Fulsome (Into Mischief) came on late to be third. Cont. p3

JUVENILES HEADLINE SATURDAY GRADED STAKES ACTION

Curly Jack (Good Magic) looks to return to winning ways at a venue at which he is already two-for-two in Saturday’s GII Kentucky Jockey Club S. at Churchill Downs. A debut winner at this oval in June, he was off the board in Saratoga’s GII Sanford S. in July, but missed by just a head in the Ellis Park Juvenile S. in August. Rallying to victory in this oval’s GII Iroquois S. Sept. 17, the bay was fifth at odds of 55-1 in the GI Breeders’ Cup Juvenile at Keeneland Nov. 4.

Steve Asmussen seeks his fourth win in this event and has two chances to do it. Red Route One (Gun Runner) looks to add his sire’s long list of accomplishments with just two crops. After two tries on turf, including a maiden win, the Winchell homebred rallied to be third when switched to dirt in Keeneland’s GI Claiborne Breeders’ Futurity S. Oct. 8 and was fifth three weeks later in a sloppy renewal fo the Gill Street Sense S.

No other freshman sire has more than four black-type winners and three graded or group winners so far, and Justify’s numbers in these categories equal the yearly totals of Three Chimneys sensation Gun Runner, who finished 2021 with six black-type winners. Sid Fernandez

“This was his first start in a few months, so he was a little sharper leaving the gate,” said Rosario, winning his second Clark in four years (Tom's d'Etat, 2019). “He was a little bit further back in his last start here in the Stephen Foster than I expected him to be. I knew [West Will Power] was really the only horse that had early speed in the race so I didn’t want to let him get away easily. He was very professional today throughout. [West Will Power] didn’t want to give in. He was very tough on the lead and I had to work pretty hard to get by him.”

GI Kentucky Derby winner Rich Strike (Keen Ice) raced inside and at the tail through the opening exchanges and gradually improved his position down the backstretch. But he came under heavy Sonny Leon urging three furlongs out and trailed in sixth.

“He was in a good position at the rail but turning for home he didn’t have anything left at all,” said trainer Eric Reed. “We knew it was a big risk running him back in three weeks. Sometimes you’re the hero and sometimes you’re the goat.”

Off and running in the Clark | Coady

Proxy made a bit of noise on the 2021 Triple Crown trail, finishing runner-up to the late Midnight Bourbon (Tiznow) in the GIII Lecomte S. and to adjudicated GI Kentucky Derby hero Mandaloun (Into Mischief) in the GII Risen Star S., but the bay was only fourth in the GII Louisiana Derby and again in the GIII Lexington S. before connections called time on a Classics program and his season.

Proxy ran with credit once returned to action this spring, rounding out the exacta underneath Olympiad in the GII New Orleans Classic S. ahead of a third in Keeneland's GII Ben Ali S. He closed well to be second in the June 4 Blame S. ahead of his Stephen Foster effort, where he was five lengths adrift at the wire.

Pedigree Notes:
With the victory, Proxy becomes the 30th Grade I winner, 98th graded winner and 157th black-type winner for Tapit and was the second new graded winner on the afternoon out of a daughter of the late Include, joining GIII Comely S. heroine Sixtythreecaliber.

Panty Raid, a $260,000 purchase by Glencrest Farm out of the 2006 Keeneland April Sale of 2-Year-Olds in Training, was one of the more versatile performers of her generation, winning the GII Black-Eyed Susan S. on conventional dirt in May 2007 and the GI American Oaks on turf two months later before doubling her Grade I tally in that year’s Juddmonte Spinster S. over the Keeneland all-weather.

Panty Raid was purchased by John Ferguson on behalf of Sheikh Mohammed’s operation for $2.5 million at the 2008 Fasig-Tipton November Sale, but took some time to make her mark in the breeding shed. Cont. p5

Arguably the best turf sprinter of her generation in 2021, Shortleaf Stable's Bubble Rock has been campaigned at a distance of ground for the majority of her six starts this season and earned her first two-turn win on the grass in Friday's GII Mrs. Revere S. at Churchill Downs.
Mrs. Revere S. cont.

Soon in front for Joel Rosario, the dark bay was taken in hand and, as she did when a retreating fourth in the Oct. 28 GIII Valley View S. at Keeneland last time, raced keenly and with her mouth agape through an opening quarter in :24.17. Still tugging for rein as they hit the backstretch, Bubble Rock and Rosario managed to slow the pace down further still through an internal quarter in :25.09, and she was asked to extend with about three furlongs to race. Passing the five-sixteenths marker in 1:13.75, Bubble Rock was asked for her best in upper stretch and was able to maintain a safe margin to the wire as the outposted Joyful Applause and rail-drawn Take a Stand gave vain chase.

Impressive winner of the six-furlong GIII Matron S. last October in New York, Bubble Rock was a troubled 12th in the GI Breeders' Cup Juvenile Fillies Turf and was given a breather. The on-pace winner of the Mar. 5 Cincinnati Trophy S. going a mile over the Turfway all-weather, the homebred was third in the GIII Fantasy S. Apr. 2, returned from another break to be sixth in the Sept. 13 Music City S. at Kentucky Downs and was back to two turns in the Valley View, finishing 2 3/4 lengths behind Sparkle Blue (Hard Spun).

Pedigree Notes:

Bubble Rock's dam, a daughter of GII Demoiselle S. heroine Dixie City (Dixie Union) and therefore a half-sister to multiple Korean champion and GI Breeders' Cup Dirt Mile third Blue Chipper (Tiznow), was acquired by John Ed Anthony's operation for $140,000 at the 2014 Keeneland September sale. John Ortiz trains Bubble Rock's year-younger half-brother Great Barrier (Candy Ride {Arg}), unplaced in a single maiden appearance at Keeneland last month. Reef Point has a weanling colt by Twirling Candy and was returned to the latter for her latest covering.

Making the first start of his career beyond 1 1/8 miles and the first in 11 months for him beyond eight furlongs, Prince Abama (Ire) took advantage of a slow pace to capture Friday’s GII Hollywood Turf Cup S. and notch his first black-type win. The Grey Wizard (Ire) and Avenue—two others without black-type wins to their names—chased him home for a spot on the board. The Hollywood Turf Cup is a remnant of the shuttered Hollywood Park, where it was first run in 1981 before being moved to Del Mar in 2014.

Prince Abama went to the front at the break, then relented to track Go On (Nyquist) from his outside flank through the :24.88 first quarter. The pace dwindled to a crawl as the half went up in :51.79 and Prince Abama took over just before the 1:17.63 three-quarter split. He was a half-length in front at the 1:42.49 mile fraction, then quickened, cut the corner off the final turn, and couldn’t be caught. The Grey Wizard (Ire) had missed the break, trailed the field, and rallied gamely for runner-up honors.
In just two years, the Midshipmans have run over 40 90+ Beyers. 2022 sales: yearlings for $260k, $230k and two at $150k; juveniles for $385k, $175k, $170k. All bred off a $8.5k fee.

"Flavien [Prat] made the right move at the right time," said winning trainer Phil D’Amato, who also won the race last year with Say the Word (More Than Ready). "He sensed that the pace was ultra slow when [Go On] was on the lead. He decided at the five-eighths pole he wanted to be on the lead and that was the winning move. [Prince Abama] has just matured and got better."

A €29,000 Goffs Sportsman's yearling in 2019, Prince Abama made one start in Ireland under the tutelage of Mick Halford last year before coming stateside for Michael House of Rancho Santa Fe, California. It took the chestnut three tries to break his maiden in Southern California, three tries to win an optional allowance, and now three tries to win a stakes race. He was last seen finishing second in the restricted Lure S. at Santa Anita Oct. 29 and had previously finished third Oct. 1 in Santa Anita's GII City of Hope Mile S.

Pedigree Notes:
Prince Abama is the 25th worldwide stakes winner for Derrinstown Stud’s Tamayuz (GB), who was just pensioned earlier this month. A MG1SW in France as a Shadwell homebred, Tamayuz has 15 graded winners, including this year’s French MGSW & G1SP Simca Mille (Ire). Prince Abama is Tamayuz’s only stakes winner out of a daughter of Mr. Greeley, whose 91 black-type winners as a broodmare sire include 2020 Horse of the Year Authentic (Into Mischief).

The unraced Abama Lady was a $360,000 BBA Ireland buy at the 2007 Keeneland September sale. Her dam is a full-sister to Canadian champion La Lorgnette (Val de l'Orne {Fr}), who is the dam of English and Irish champion and MG1SW Hawk Wing (Woodman). Abama Lady traces directly in her female line to the 1845 mare Maid of Masham (GB), who won 22 races and whose more immediate descendants included influential U.S. sires Star Shoot and Fair Play. Prince Abama is her last reported foal.

Fresh off a breakthrough victory at the graded level and subsequent $600,000 purchase by Town & Country Farms at the recently concluded Keeneland November Sale, Temple City Terror gave those that backed her into 65 cents on the dollar scarcely a nervous moment as she ran out a hands-and-heels winner of Friday’s GIII Long Island S. at Aqueduct.

Content to take up her customary position at the back of the field, the 6-year-old switched off nicely for Jose Ortiz as a somewhat hard-to-handle Big Time Lady (Big Brown) took them along at an even clip. Last, but always within easy striking distance down the backstretch, Temple City Terror was given her cue with about three furlongs to go, aided by a wayward Big Time Lady, who bothered Capital Structure (GB) (Lope de Vega [Ire]) badly and cost that one any chance. Rocky Sky inherited the lead and kicked into a clear lead in upper stretch, but possessed of one of the strongest finishing kicks when she is on song, Temple City Terror gathered up Rocky Sky and pulled away under minimal encouragement. Cont. p11
Reasonably lightly raced for a horse soon to be seven, Temple City Terror successfully defended her title in Churchill’s Keertana S. May 28, but she caught an unsuitably soft Delaware turf course and could not get through the ground when seventh as the choice in the GIII R. G. Dick Memorial S. July 9. The dark bay completed the exacta behind future GI Longines Breeders’ Cup Turf third War Like Goddess (English Channel) in Saratoga’s GII Glens Falls S. Aug. 6 and was a pace-compromised fourth in the GII Flower Bowl S. Sept. 3 ahead of her facile success in the GIII Rood & Riddle Dowager S. in what became her final appearance for Pocket Aces Racing and Somewhere Stable Kentucky and trainer Brendan Walsh.

And it appears there is more to come.

“As long as she continues to tell us that she wants to keep doing this, that’s what we are going to let her do,” Shannon Potter, CEO of Town and Country, told the TDN while on his way out of Aqueduct Friday. “She’s very sound and Brendan’s team has done an awesome job with her. She was great today and there’s no reason not go on.”

Added Walsh: “She ran great and we were delighted with her. You couldn’t ask for much more than that. These guys, to be fair, they came to me and asked if they should keep going on and I said, ‘Absolutely.’ I think she’s only just gotten good now.”

Temple City Terror will winter at Palm Meadows, Potter said. Town and Country has previously bought successfully at breeding stock sales, with an eye on keeping those purchases in training. Stopchargingmaria (Tale of the Cat) won the 2014 GI CCA Oaks and GI Alabama S. for Repole Stable and was led out unsold of that year’s Fasig-Tipton November Sale on a bid of

Sixtythreecaliber sprung the upset in Friday's GIII Comely S. at Aqueduct, holding off comebacking favorite Kathleen O. to score. Away alertly from her inside draw, the bay kept close tabs from second as Tizzy in the Sky (Sky Kingdom) clicked off opening splits of :24.63 and :49.94. Drawing even with the pacesetter approaching the far turn, Sixtythreecaliber tugged clear in the lane, holding off GSW Kathleen O. by a half-length.

A second-out graduate at Indiana in April, Sixtythreecaliber won an allowance there in June and was fourth next out in the GIII Indiana Oaks July 9. Returning to winning ways in an optional claimer in the slop at that venue Aug. 9, she captured the Seneca Overnight S. Sept. 24.

Pedigree Notes:
Sixtythreecaliber is the 10th graded winner for second-crop sire Gun Runner and one of 15 black-type winners for the young sensation. GISP Classofsixtythree is also the dam of GSW & GISP Gunmetal Gray (Exchange Rate). Her recent produce includes the unraced juvenile filly Senior Prom Queen (Curlin) and a yearling filly by Into Mischief. She visited Gun Runner in the spring.

His stablemate Gigante (Not This Time) won his only start on dirt and has made his other three runs on grass, including a dominant win in the Kitten's Joy S.

Ken McPeek also saddles two, the Street Sense runner-up Hayes Strike (Connect) and maiden winner of four starts Denington (Gun Runner).

One race prior the juvenile fillies get their time to shine in the GII Golden Rod S., headlined by a pair of undefeated debutantes, both of whom have scored all their victories beneath the Twin Spires. Hoosier Philly (Into Mischief) won on debut here Sept. 25 and romped by 7 1/2 lengths over T Max (Connect) in the Rags to Riches S. Oct. 30.

Godolphin homebred Pretty Mischievous (Into Mischief) opened her account here with a ‘TDN Rising Star’-worthy effort Sept. 18 and took a sloppy optional claimer Oct. 30. She will attempt two turns for the first time here.

Bill Mott ships in with a live one in American Rockette (American Pharoah). Rallying to victory in an off-the-turf sprint at Saratoga July 21, the bay closed well to be fourth in that venue's GI Spinaway S. Sept. 4 and filled the same spot in Belmont's GI Frizette S. Oct. 2.

Woodbine also hosts a pair of graded events for 2-year-olds in the GIII Grey S. and GIII Mazarine S. Colts are up first in the Grey, which is headlined by Hal (Accelerate). A debut winner at this venue Oct. 2, he followed suit with a win in the Display S. Nov. 5.

Mark Casse saddles three members of this seven-horse field, all of which are fillies taking on the boys, topped by Forever Dixie (Quality Road). Graduating at fourth asking when switched to the local synthetic Oct. 1, she rallied to be a close second in the Glorious Song S. Nov. 5 and, like Hal, attempts two turns for the first time here.

Casse also sends out debut winner Ryder Ryder Ryder (Quality Road) and Renegade Rebel (Nyquist), who earned diploma over track and trip in her fourth attempt Oct. 29.

All three fillies are cross-entered in the Mazarine and will likely be split between the two tests. Also worth a look in the Mazarine is Honor D Lady (Honor Code), who graduated at second asking going this distance on the Gulfstream synthetic Oct. 7 and gets Lasix for the first time here.

Saturday’s action also offers four graded events for older horses: the GII Fall Highweight S. and GII Red Smith S. at Aqueduct, the GII Seabiscuit H. at Del Mar and the GII Berkeley H. at Golden Gate.

THIS SIDE UP: A GAME OF ACCIDENT AND DESIGN

by Chris McGrath

We can harness Thoroughbreds to our best and worst, to our altruism or avarice—but thankfully we will never alter the essential, inherent wonder of the breed, nor maintain the illusion that we are ever truly in control of its destiny.

There’s a genuine possibility, this weekend, that a German colt could elevate himself to the top of the global sophomore crop by winning the G1 Japan Cup. Yet Tünnies (Ger) (Guiliani {Ire}) was a wholly inadvertent acquisition at the Baden-Baden yearling sales, his purchaser having dropped out at €20,000 only to discover that he had persevered, unwittingly, to the fall of the hammer at €38,000, by the gesticulations accompanying his cell phone conversation.

You could seek no better example of the way horses confound our best-laid calculations, whether for good or ill. In this game, your bad luck will frequently turn out to be good luck; and vice versa. And that defining mystery will always abide, no matter how (or with what motives) we manipulate the nobility of the equine spirit.
This Side Up cont.

Now, as it happens, this same colt also offers to substantiate the mirage of coherence so teasingly within reach of those of us who owe our livelihoods to this business. While his breeder owns but a single mare, she has famously also produced an Arc winner; while Tunnes is inbred as close as 3x3 to a half-sister to Urban Sea (Miswaki) herself.

On one level, then, here’s a horse that can make sense of the great puzzle. We can be like the fellow who notoriously telegraphed from the casino at Monte Carlo: "System working well, send more money."

Yet while this particular family belongs to perhaps the most precious seam of the entire European gene pool, still the market persists not only in undervaluing the kind of ore preserved by the strictures on German breeding, but in prizeing its shallow opposites.

The German guarantee of soundness and stamina, through stallions that stand consecutive seasons of training without medication, has a moral equivalence with the Derby as a historic platform for the kind of sires we should be using. This week, the most inspired a commercial breeder of all reiterated his faith in Epsom as "the complete test of the horse". John Magnier affirmed that "a horse has to have everything to win" there: speed, stamina, soundness, courage and temperament.

Yet this was also the week when a relative novice to the game showed that he has quickly grasped the contrasting criteria of the commercial market, in Britain and Ireland at any rate, by retiring Persian Force (Ire) to stud as a 2-year-old. This colt, last seen finishing fourth at the Breeders' Cup, duly emulates his own sire Mehmas (Ire), who was similarly deemed to have proved everything necessary as a fast and precocious juvenile.

As I’ve often stressed, the Classic Thoroughbred actually retains far more commercial respect in the United States, where the ultimate objective is not speed alone but the robustness (and indeed stamina) to carry it through a second turn on the first Saturday in May.

This has never adequately penetrated the ignorance of today’s European horsemen. But then why should Americans expect one prejudice to be renounced, while some of them remain so stubborn in reinforcing others? Their resistance to HISA, for instance, seems to have been brazenly coupled in the courtroom "wagering", so to speak, with a quite extraneous ideological agenda.

Another way in which American horsemen seem determined to substantiate prejudice against their own product is in the commercial market’s disdain for turf. For all the signs of progress here--in the purses at Kentucky Downs, for example, and growing investment at European auctions--the disrepair of some premier American tracks feels thoroughly discouraging.

Evidently we can expect zero grass racing at Fair Grounds before Christmas, while the "weeds" at Churchill are equal to just one of the dozen races scheduled Saturday.

It’s a fascinating card, all the same, exclusively contested by juveniles. After revisiting the legacy of Leslie’s Lady in this space last week, it’s poignant to see her final foal (by Kantharos: some distinction, dude!) make her debut in the fourth, while the final race features a seven-figure sibling to Rachel Alexandra (Medaglia d’Oro) by her sire’s son Bolt d’Oro.

That lad, of course, will treasure every available cent in what remains a remarkable race for the freshman sires’ championship. The GII Kentucky Jockey Club S. could prove decisive, with two of the three protagonists prominently represented: Good Magic by Curly Jack, and Bolt d’Oro by Instant Coffee. Cont. p15
This Side Up cont.

The road to the Kentucky Derby makes few other detours through its host track, and we saw with Rich Strike (Keen Ice) how important a proven relish for the surface can be. The first horse to win both this race and the Derby (1927-28) was Reigh Count, who was sent over the water as a 4-year-old to win the Coronation Cup over the Derby course, and run second in the Ascot Gold Cup over 2 1/2 miles. (What was I was just saying about how the Europeans could use some dirt stamina?!) With Count Fleet as his principal heir, Reigh Count proved a precious source of toughness and durability in the breed. However, the first horse to win the Kentucky Derby after a reconnaissance in this race at two, when finishing third, had been Behave Yourself seven years previously. It is said that Colonel Bradley eventually donated him as a cavalry sire, because he did not wish to contaminate the breed by replicating such an inferior specimen.

So there you have it. Even if horses will always remain agents of chaos, they will also tell us plenty about the kind of people who utilize their generosity—either for the good of the breed, as was contrastingly the case with both Reigh Count and Behave Yourself, or as a vehicle for their own cynicism or self-interest.
Sixtythreecaliber became the newest graded stakes winner for her sire with an easy score in the Comely (G3) Stakes at Aqueduct. It was her third straight win and second consecutive stakes victory.

Whisper Hill Farm and Three Chimneys Farm homebred SHOPPER’S REVENGE (Tapit) is one of several well-bred juveniles debuting on this card. The gray is out of three-time Grade I winner and multi-millionaire Stopchargingmaria (Tale of the Cat), whose career highlight was a win in the GI Breeders’ Cup Distaff. Three Chimneys acquired the mare for $2.8 million at the conclusion of her career at the 2016 FTKNOV sale and re-offered her at that auction two years later carrying a Tapit colt. Mandy Pope went to $4.4 million to take home Stopchargingmaria that day, with Three Chimneys staying in as partner, and went to $1.9 million for her first foal, a Pioneerof the Nile filly now named Stillchargingmaria. The Tapit colt she was carrying, now named Fifty Chevy, brought $825,000 from Japanese interests at KEESEP, but Shopper’s Revenge RNA’d for $275,000 the following year.

Al Stall unveils another well-pedigreed colt in Sense You Asked (Street Sense). The $270,000 KEESEP buy is out of a half-sister to MGISW and young sire McKinzie (Street Sense), making his second dam MGSW & MGISP Runway Model (Petionville).

Clarkland Farm is represented by the final produce of their blue hen Leslie’s Lady (Tricky Creek) in LADY IRENE (Kantharos). A stakes winner in her own right, the 26-year-old golden goose has been the gift that keeps on giving for the Mitchell family. One year after she produced Into Mischief, who went on to be a Grade I winner and now the nation’s leading sire, the Mitchells snagged her for $100,000 in foal to Orientate at KEENOV. Her third foal for their operation was Hall of Famer, four-time Eclipse winner, 10-time Grade I winner and earner of over $6.1 million Beholder (Henny Hughes). Her first million-dollar yearling was the Curlin filly Leslie’s Harmony, who brought $1.1 million at KEESEP. Her Scat Daddy colt Mendelssohn topped that sale in 2016 when purchased by Coolmore for $3 million. He went on to win the GI Breeders’ Cup Juvenile Turf and is now a successful young sire at Ashford. Leslie’s Lady’s 2018 American Pharoah filly America’s Joy set a record at KEESEP when summoning a whopping $8.2 million from Mandy Pope, but unfortunately she passed away in a training accident before ever making the races. Leslie’s Lady 3-year-old filly Marr Time (Not This Time) is a ’TDN Rising Star’.

Chuck Fipke is also represented by a regally-bred firster in his homebred Medaglia Forever (Medaglia d’Oro). She is out of GI Breeders’ Cup Distaff heroine and champion Forever Unbridled (Unbridled’s Song), a four-time top-level scorer and multi-millionaire. Out of GI Kentucky Oaks upsetter Lemons Forever (Lemon Drop Kid), Forever Unbridled is a full-sister to GI Ballerina S. winner Unbridled Forever (Unbridled’s Song).

OXO Equine’s Larry Best went to $1.4 million to acquire the well-related ITZOS (Bolt d’Oro) at the Fasig-Tipton Saratoga Sale. He was the third highest-priced offering at the sale and the most expensive yearling from the first crop of Bolt d’Oro. The bay is out of SW & GSP Lotta Kim (Roar), who is best known for being the dam of Horse of the Year and Hall of Famer Rachel Alexandra (Medaglia d’Oro), who in turn is the dam of GISW Rachel’s Valentina (Bernardini). Itzos is also a half to GSP runners Dolphus (Lookin At Lucky) and Gladys (Medaglia d’Oro). Rodolphe Brisset saddles an expensive and nicely bred second timer in $850,000 KEESEP buy Talladega (Into Mischief). The WinStar and Siena Farm colorbearer will need to step up after a poor effort first out going shorter than he probably prefers at 5 1/2 furlongs in the slop at Churchill Oct. 30. He enters off back-to-back bullets over synthetic on the Keeneland training track, most recently going a half-mile in :47 4/5 Nov. 18. Talladega is a half to GSW Holiday Disguise (Harlan’s Holiday), MSW Midnight Disguise (Midnight Lute) and GISP Forest Caraway (Bodemeister). TJCIS PPs

Breeders Chester and Mary Broman were responsible for the first and third home in the Notebook S. as Broman-bred winner Acoustic Ave made another visit to the enclosure for Reeves Thoroughbred Racing and their homebred Starquist closed out the trifecta. Cont. p3
**Notebook S. cont.**

Acoustic Ave made an eye-catching debut July 29 at Saratoga against state-bred maidens, winning by 7 1/4 lengths, and finished third behind ‘TDN Rising Star’ and familiar rival Andiamo a Firenze (Speightstown) in the Aug. 26 state-bred Funny Cide S. He returned from that effort to put up another open-length score Sept. 26 in Finger Lakes’ Aspirant S. as the overwhelming 1-9 favorite and turned the tables on Andiamo a Firenze last out Oct. 17 in that venue’s New York Breeders’ Futurity by a nose.

The 9-5 second choice at the jump behind even-money preference D’ont Lose Cruz, he stumbled at the break before being knocked into another rival and had to show speed to keep his stalking position behind the rail horse. The two put up early splits of :23.38 and :47.59. Vying in the four path, he took the lead in upper stretch and gamely turned away the runner-up in the final furlong to win as Starquist closed from the back of the field to complete the trifecta.

“He’s a 2-year-old with five starts and three stakes wins. He’s obviously very tough in his own division. We’ll more than likely put him away for the winter and bring him back in the spring and see what happens,” said conditioner Christophe Clement. “I’ll speak to [owner] Mr. [Dean] Reeves, but most likely the idea will be to bring him back in the spring. Sometimes, if they’re really, really precocious you wonder if you should do that or not, so I’ll talk to Mr. Reeves and we’ll make a decision.”

Rock Ave. Road has a yearling colt by West Coast, an Audible weanling colt and went to War of Will in 2023. The mare is a half-sister to SW Can You Diggit (Tiznow) and third dam GSW Seeking the Ante is a half-sister to GI Florida Derby winner Friends Lake. Stakes veteran Fille d’Esprit won her fifth black-type race of 2022 in Friday’s Politely S. at Laurel. The bay broke sharply before dropping back to mid-pack on the outside behind a first quarter in :22.63. She swept up dramatically while three or four wide, was a head off the :46.60 split at the half, and drew clear with ease as rider Xavier Perez took a peek under his arm. It was well back to Juror Number Four, who closed from last.

Perez was winning the Politely for the third consecutive time for trainer John (Jerry) Robb. “She’s just incredible,” said Perez of Fille d’Esprit. “I’m so happy to win this race [a] third time for the main barn... She’s just getting better and better.”

Last seen winning the Maryland Million Distaff S. Oct 22, Fille d’Esprit was starting in her 12th consecutive black-type event of 2022. Her wins have included Colonial’s Seeking the Pearl S., Penn National’s Susquehanna Valley S., and Laurel’s Conniver S. The 6-year-old has placed in another five stakes, including the GIII Barbara Fritchie S. Early in her career she was claimed from Sweet Spirits Stables and trainer Christine F. Clagett for $10,000.

Fille d’Esprit’s dam has a yearling filly named Never More Valor (No Never No More) and a weanling filly named Cross of Valor (Blofeld). Sweet Valor has been bred back to Blofeld. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

Sally’s Sassy provided her freshman sire (by Flatter) with his second black-type winner Friday evening at Golden Gate. Racing two wide, she lingered near the back early off a swift first quarter in :21.99. Advancing up the outside on the backstretch run, Sally’s Sassy rallied three wide in the lane, nailing Rousing Jewel on the line and just managing to out-finish Always at Ease. Sally’s Sassy won on debut in a Del Mar turf sprint Aug. 25, but faded to 10th after setting the pace next out in the Del Mar Juvenile Fillies Turf S. Sept. 10. She was third when last seen in this venue’s grassy Pike Place Dancer S. Oct. 29.

The winner is the most recent produce out of Sharp Sally, who was most recently bred to Central Banker.

WILL’S SECRET (f, 4, Will Take Charge--Girls Secret, by Giant’s Causeway), third in the GI Kentucky Oaks last year for Dallas Stewart, was moved to D. Third next out in the Anchorage S. there July 3, she completed the trifecta in a pair of optional claimers, first at Churchill Sept. 16 and then Keeneland Oct. 29. Hammered down to 3-1 to improve this time, the dark bay raced two wide just off the leader in a joint second through modest early fractions. Drawing even while floating out a path turning for home, Will’s Secret forged clear late to win by a half-length over Graysonsmacho Gal (Mucho Macho Man). The winner is a full to Ben Diesel, GSP, $224,188. Girls Secret’s juvenile colt named Deceitful (Hard Spun), who broke his maiden in September at Presque Isle. 5th-Fair Grounds, $46,000, Alw, 11-25, (NW1X), 3yo/up, f/m, 1 1/16m (off turf), 1:47.84, sy, 6 1/2 lengths. PURRFECT (f, 3, Medaglia d’Oro--Felini, by Bernardini), stretched out to 8 1/2 furlongs and in the slop for the first time, romped to a 6 1/2-length win as the 5-2 second choice. She shadowed the leader behind :23.85 and :48.13 splits before taking command on the turn and drifting out a little, but kept to her task and kicked clear to score by daylight. Elle of the Ball (Violence) chased her home. Purfect jump-started her career with a six-furlong debut score July 12 on the dirt at Colonial, but struggled to make an impact in two tries since. Purfect is bred similarly to MGISW & GISP Enticed (Medaglia d’Oro), whose dam, MGISW It’s Tricky (Mineshaft), is a half to Felini. The latter’s only other foal is an unraced 2-year-old colt named Tio Gato (Uncle Mo). Felini was bred back to Candy Ride (Arg) for next term. Lifetime Record: 4-2-0-0, $67,300. ROYAL TAKE CHARGE (f, 3, Will Take Charge--Big Awakening, by Big Brown), given a 7-2 chance in this unveiling, hustled up to contest the early pace through a :23.83 first quarter and :47.22 half-mile. Her favored pace foe Shady Road (Curlin) drew even turning for home, but Royal Take Charge put her away in the lane, extending clear to win by a length. The winner is a full to Take Charge Ro, GSP, $205,649. Big Awakening has a twice-raced juvenile colt named Ghostsryder (Arrogate), a yearling colt by West Coast and a weanling colt by Blame. ICE DANCING (f, 2, Frosted--Welcome Dance (MSW, $164,442), by Henny Hughes), third in back-to-back starts, including in the GI TVG.com Del Mar Debutante S. behind And Tell Me Nolies (Arrogate) and 'TDN Rising Star' Home Cooking (Honor Code), had to settle for fourth behind And Tell Me Nolies most recently in the GII Chandelier S. at Santa Anita Oct. 8. The heavy 2-5 choice in this major class drop, Ice Dancing dueled on the front end inside of Doinitthehardway (Street Sense). She gained some separation up the backstretch run, holding a length advantage into the turn and was re-challenged by that same rival. She ultimately had something left in reserve, pulling away through the final furlong to win by a length. Welcome Dance, herself a half-sister to MGSP Fredericksburg (Speightstown), has not produced a foal since Ice Dancing. Lifetime Record: GISP, 4-1-0-2, $99,600. REINCARNATE (c, 2, Good Magic--Allanah, by Scat Daddy) finished second in all three of his prior starts, trying turf in his first two attempts this fall and missing by 3/4 of a length on dirt at Santa Anita Nov. 4. Hammered down to even-money to finally break through this time, the $775,000 KEESEP acquisition broke on top from his rail draw and ticked off pressured opening splits of :23.12 and :47.16. Showing the way into the lane, the gray kept on finding, pulling clear for a 3/4-length score and becoming the 19th winner for his freshman sire (by Curlin). His stablemate Mr Fisk (Arrogate) was second and Riverside (Bernardini) rallied strongly for third. Allanah is also the dam of a yearling colt by Goldencents and a weanling colt by Liam's Map. She is expecting a foal by the late More Than Ready next year. Sales history: $775,000 Ylg '21 KEESEP. Lifetime Record: 4-1-3-0, $82,400. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

CHARLIE’S CREED (g, 3, Jimmy Creed--Misty Run, by Vindication) was an even third on debut Jan. 28 at Delta Downs in a maiden special, which yielded eventual MSW Old Homestead (Overanalyze), who dominated by over 11 lengths. Making his first start since here as the 2-1 favorite, he took command from the jump, put up :22.57 and :46.03 opening splits before shaking free of Boss Dialin In (Dialed In) and came home two lengths best despite drifting out in the lane. His early menace had to settle for second. A half to Dunkin Bend (Dunkirk), GSW, $221,826 and Misty Day (Race Day), SP, $160,200, Charlie’s Creed has a 2-year-old half-sister Run Dreaming (Always Dreaming) as well as a 2022 weanling half-sister by Liam’s Map. WHITSBURY'S ‘YEAR NEVER TO FORGET' AS CHALDEAN'S SISTER MAKES A MILLION

By Emma Berry and Brian Sheerin
NEWMARKET, UK–It wasn't too hard to imagine that a Kingman (GB) half-sister to this season's leading juvenile Chaldean (GB) (Frankel (GB)) would steal the show at Tattersalls, and with shades of two years ago it was Juddmonte that swooped for the weanling from Whitsbury Manor Stud's increasingly influential broodmare Suelita (GB) (Dutch Art (GB)) at an even million gns.

This time though Juddmonte's general manager Simon Mockridge was forced to stake almost double the amount it took to buy Chaldean, and that is largely thanks to the colt's exploits this season, with his four victories including the G1 Dewhurst, G2 Champagne and G3 Acomb S.

But Suelita is far from just a one-trick pony: her five black-type offspring and six winners from six runners include the G2 Mill Reef S. winner and young sire Alkumait (GB), by Whitsbury Manor's Juddmonte-bred stallion Showcasing (GB), and his full-sister Get Ahead (GB), who has been retained by the Harper family.

CLASSIC & BREEDERS’ CUP HEROINE TUESDAY RETIRED

Tuesday (Ire) (Galileo (Ire)), a winner of the G1 Cazoo Oaks and the GI Breeders’ Cup Filly & Mare Turf, has been retired from racing to become a broodmare.

Raced by Westerberg, Mrs. John Magnier, Michael Tabor and Derrick Smith, the Coolmore-bred bay started 10 times, her final eight all in Group 1 company. Off the mark at second asking in her 3-year-old bow at Naas in March, she ran third in the G1 1000 Guineas in May, before going one better in the G1 Irish 1000 Guineas later that month. Stepped up in trip at Epsom, Tuesday prevailed by a nose on June 3. Also second in the G1 Yorkshire Oaks two starts later in August, she attended the Breeders’ Cup on the back of a sixth-place run in the G1 Prix de l’Arc de Triomphe to triumph by a length on Nov. 5. Her record stands at 10-3-3-1, $1,828,827. Cont. p13

TAKEAWAYS

Tattersalls December Foal Sale Day 3

- The major owner-breeders dominated on Friday, with powerhouse outfits Juddmonte, Moyglare, Sumbe, Shadwell and Gestüt Fährhof signing for a number of well-bred fillies. Juddmonte accounted for four of the top six fillies.
- Just as he did at Goffs last week, Juddmonte's Kingman (GB) supplied the top lot, Whitsbury Manor Stud's half-sister to the G1 Dewhurst S. winner and G1 2000 Guineas livewire Chaldean (GB) (Frankel {GB}).
- That sale helped Whitsbury Manor Stud come out on top of what was a memorable day's trade for the operation with 19 lots selling for 2,201,500gns at an average of 115,868gns.
- Kingman may have headed the figures in terms of the top lot but it was fellow Juddmonte-based Frankel who made up 2,825,000gns of the 20,110,000gns traded on the day.
- Those in attendance at Tattersalls witnessed a little slice of history with the last foal from the final crop of Galileo (Ire) knocked down for 400,000gns. McCalmont Bloodstock bought the colt from The Castlebridge Consignment.
- The aggregate of 20,110,000gns was up 19% on last year's figures while the average rose 19% to 110,495gns.

Tattersalls December Foal Sale Cont. from p1

It was Chris Harper who bought the four-time winner Suelita at Tattersalls nine years ago for 21,500gns, having been involved in the family in the past through Chaldean's third dam Horatia (Ire) and a half-sister to her fourth dam named Heady (GB). The breeder, whose son Ed is now at the helm of Whitsbury Manor, wiped away tears as Suelita's latest offspring left the ring with a seven-figure price tag.

He said, "This is Gerald Leigh's old pedigree and years ago Gerald and I shared Horatia and Heady. This mare came up for sale and I went and had a look and thought she was a lovely mare, all quality. If I can buy for under 30,000 I do and she has been such a star. She's in foal to Showcasing and I hope she has a filly for obvious reasons, because she has to go back to Frankel now and if she has a filly then we won't be able to afford to keep her."

Harper added of the million-guinea transaction, "This is a fabulous moment, it has never happened before, and we are all so thrilled." Cont. p4

Tattersalls December Foal Sale Cont.

Whitsbury Manor is currently riding the crest of a wave as the breeder of one of the most exciting juveniles of the season and with a stallion roster that includes the proven Showcasing, leading first-season sire Havana Grey (GB), and Sergei Prokofiev, whose first foals have been well received this week.

Harper continued, "I bought my first stallion in 1974, he was called Philip Of Spain (GB), and I know that the majority of stallions fail. So we've battled on and we've always been lucky enough to have one that has carried the others—whether it was old Compton Place, or Cadeaux Genereux—and they have kept the show on the road. Now we are in the really amazing position of having two really popular horses and one that is going so well. "It has been a year never to forget."

Simon Mockridge and the Juddmonte team have played a significant part in that memorable year, and they now have a legitimate Classic contender on their hands for 2023, a situation made even more pleasing for them by the fact that Suelita’s star colt is a son of Frankel.

Mockridge said of the latest member of the family to join the Juddmonte fold, "You know that it is going to be expensive buying a filly like her, especially when you have a new Group 1 winner on the page and Chaldean is very exciting. We’re delighted to be able to buy him from Whitsbury and the Harpers do a great job. I’m very pleased for Ed Harper and his team.

"The [Abdullah] family wants to reinvest in families. This is a very strong page and, with Chaldean, who knows what’s going to happen next year. She could be a very valuable filly going forward." Cont. p5

Harry Angel

Did you know: the highest-rated juvenile by a first-crop sire is G2 Gimcrack runner-up Marshman. Sire of 11 juveniles rated 90+ by Timeform: among British stallions, only Dubawi and Kingman have more.
He added, "Chaldean was a slightly smaller horse. She's bigger. She's got a great, big backside on her and she looks faster—if you can say that. She's an exciting filly. Kingman has had such a good season—two Group 1 winners, 14 individual group winners, and he is going from strength to strength."

As with so many bloodstock auctions this year, the December Foal Sale also appears to be going from strength to strength. Last year 19 weanlings made 200,000gnns or more; this time around it was 24. That pushed the session aggregate to 20,045,000gnns, more than 3 million gns clear of the 2021 tally, with the average arising by 19% to 110,495gnns and the median by 13% to 68,000gnns. With 182 foals sold from 226 offered, the clearance rate was 81%.

The seven-figure topper was a daughter of Kingman
Laura Green/Tattersalls

Heatherwold’s Last Hurrah
The purchase of the sale’s top lot was by no means Juddmonte’s lone strike as Mockridge signed for the four of the six most expensive weanlings of the session for a total of 2,425,000gnns. The quartet included a Frankel filly bred by Eminent Kind Ltd and the final offering from Mike Caddy’s Heatherwold Stud. The February-born weanling, who was sold for 500,000gnns, is the second foal of the dual listed winner and Grade I runner-up Awesometank (GB) (Intense Focus).

"It is bittersweet really, as she is the final youngster to be sold from Heatherwold Stud under Mick Caddy’s ownership," said Heatherwold’s bloodstock advisor Jeremy Brummitt. "He is ceasing operations and has gone out with a bang.” Cont. p6
Tattersalls December Foal Sale Cont.
He added, "I bought the granddam Janey Muddles; I remember seeing her win first time out at the Curragh, I think she was Lawman's first winner as a 2-year-old, she passed the whole field and was on the slowest of the ground."

He continued, "I never forgot her and when the owner came around to sell her, she was carrying her second foal which was an in-house covering to Intense Focus. I bought her here for 115,000gns in 2014. That foal became an absolutely lovely yearling, was named Awesometank—we bought her back at the sales and raced her. "She took us to Canada and Chicago and was second in the [GI] Beverley D [S.], and now she is breeding. She lives in a field with her dam and they are two of the happiest mares I have ever seen, and they both raise happy and contented foals."

Langton Stud's Day In The Sun
In a cloudless blue sky above Park Paddocks a daredevil pilot in a small plane was flying a loop-the-loop over Somerville Paddock R at Tattersalls as members of the media and fellow breeders flocked to congratulate Giles Wates. With two members of his Langton Stud draft (lots 928 and 929) having just exited the ring for a cumulative price of 685,000gns, it's likely that Wates felt like looping the loop himself, for this was by far the biggest sale result for his Dorset farm since he decided to sell his stock solely as foals 10 years ago.

"I am just about getting my breath. It has been great but it has been quite stressful too," said Wates after being paid a huge compliment by one of the best breeding operations in the business when Simon Mockridge of Juddmonte Farms went to 500,000gns for the Lope De Vega (Ire) filly out of the G3 Oh So Sharp S. winner Poet’s Vanity (GB) (Poet’s Voice {GB}). SHADWELL SET FOR STALLION PARADE
SHADWELL are ready to showcase their exciting 2023 stallion roster with a series of stallion parades set to take place at Beech House, Newmarket.

From today to 30th November (inclusive), breeders and other racing industry professionals will have the opportunity to see the brilliant Baaeed, who earlier this month was unveiled as the 2022 Cartier Horse of the Year and Older Horse of the Year. Also on show will be Mohaather, Tasleet and Eqtidaar.

Unfortunately Minzaal will not be part of the parade at Beech House. Earlier this week he became cast in his box and has sustained some soft tissue swelling, a haematoma and some bruising of his right pelvic area. He is expected to make a full recovery and will travel to Derrinstown in the coming weeks.

For further details on the parade, please contact Will Wright:

He continued, "It has been a few years getting here, but we have got there now, we are on our way and the team has done a great job."

A half-sister to fellow stakes winners and proven black-type producers Lesson In Humility (Ire) (Mujadil) and Boastful (Ire) (Clodovil {Ire}), Poet’s Vanity was bought by the Wates family with Richard Brown from Book 1 of the October Yearling Sale for 200,000gns and proved to be worth every penny, with a group win to her name as a juvenile followed by a placed finish in the G3 Nell Gwyn S. and two further victories.

"She's a lovely mare, a gentle giant," Wates added. "She is in foal to Wootton Bassett (GB) and will probably then be rested as she will have a late foal. This filly's older brother by Kingman has been retained and has gone to Andrew Balding."

Juddmonte looked to have the filly bought at 450,000gns until Philipp Stauffenberg made one last bid at 480,000gns, which was quickly countered.

"We knew she was very, very popular, everyone liked her," said Mockridge. "She is a great athlete, a great walker, and has been well produced by Langton. We thought we'd have to be strong on her, but for us she is an outcross pedigree for the longer term. She is a beautiful filly, hopefully she can be a race filly now and then come back home."

Following the Lope De Vega filly was a daughter of Night Of Thunder (Ire) out of Shemya (Fr) (Dansili {GB}) (lot 929) and from the family of G1 Champion S. winner Bay Bridge (GB). Michael Fitzpatrick, signing as JC Bloodstock, was the eventual buyer at 185,000gns and for him it was a case of returning to a successful source, as he pinhooked the filly's half-brother by Kingman (GB), later known as the Group 3 winner Cormorant (GB), for 135,000gns as a foal before selling him on in Book 1 for 1,050,000gns.

The Juddmonte team returned to the ring a little later to buy out Anita Wigan, with whom they co-bred a Kingman (GB) half-sister to G2 Premio Lydia Tesio winner Angel Power (GB) (Lope De Vega {Ire}), at 425,000gns. Lot 973 was consigned by Selwood Bloodstock and is out of the Aussie Rules mare Burning Rules (Ire), a half-sister to Group 3 winner Blue De Vega (Ire) from the Gestut Ammerland family of German Group 1 winners Borgia (Ger) and Boreal (Ger). Burning Rules will be among the first book of mares to visit Baaeed (GB) next spring.

Taking The Long View With Frankel

In the upper echelon of the foal market the air can get a little thin for pinhookers but a variety of owner/breeders were out in force on Friday, looking to bolster their own broodmare bands with new blood. Cont. p8
Tattersalls December Foal Sale Cont.

Along with Juddmonte, the successful operations of Moyglare Stud, Shadwell, Sumbe, and Gestut Fahrhof were among those investing at the top end of a strong foal market and each of those named went home with a Frankel weanling.

Moyglare Stud has raced a homebred Classic-winning daughter of Frankel this season in the G1 Irish 1000 Guineas winner Homeless Songs, and Fiona Craig signed for a filly by him from the draft of Luke and Tabitha Lillingston's Mount Coote Stud at 550,000gns.

The filly in question (lot 1063) is out of Sunny Again (GB) (Shirocco {Ger}), who has already proved her worth as the dam of Group 3 winner Elisa Again (GB) (Champs Elysees {GB}) and St Leger runner-up Berkshire Rocco (Fr) (Sir Percy {GB}).

"She's not a big, long-striding thing, but I know what Homeless Songs looks like, and I wasn't trying to buy an Oaks winner, I was trying to buy something fast," said Craig. "Speed is so hard to find and she looked fast to me. The pedigree is great, and Mount Coote is great—they've raised loads of good horses."

Tabitha Lillingston added, "We've been so lucky with that mare; she does it every time and now she has some really exciting horses to run for her. When Fiona saw her she said she was really like Homeless Songs.

"We bought the mare for 15 grand and she has really rewarded us. Sometimes you just get lucky."

Tina Rau has been active throughout the foal sale on behalf of Andreas Jacobs's Gestut Fahrhof and together they signed for a Frankel filly from the Whitsbury Manor Stud draft out of the listed-placed Heartwarming (GB) (Showcasing {GB}), a half-sister to the G2 Queen Mary S. winner Heartache (GB) (Kyllachy {GB}).
Tattersalls December Foal Sale Cont.

"She's been bought to race," Rau commented after bidding 320,000gns. "We liked the pedigree. There's a lot of quality coming up in the next three or four years, there's lots of potential for it to grow. We love the mating, Frankel over Showcasing, and she's a handy version of Frankel which we like."

Gestut Fahrhof has recruited five new weanlings from the sale for 836,000gns, including a Sea The Stars (Ire) half-sister to Group 2 winners Lemista (Ire) (Raven's Pass) and Sakheer (Ire) (Zoffany {Ire}) from Yellowford Farm for 280,000gns.

Sumbe Joins Frankel Fray

With Mishriff (Ire) having joined the stallion ranks in France at Sumbe, there has been added significance to the purchasing of well-bred fillies and lot 1056, a New England Stud-consigned daughter of Frankel, fit the bill at 425,000gns.

A daughter of the dual stakes winner Mrs Gallagher (GB) (Oasis Dream {GB}), the filly is from a family the Sumbe team is familiar with and she will be put into training, according to stud manager Tony Fry.

He said, "We were underbidders on the Starspangledbanner (Aus) [half-brother] as a yearling. She'll go back to Hesmonds Stud now. We have a plethora of stallions so, when she finishes her racing career, she can visit them."

He added, "We bought yearlings for Clive Cox and Roger Varian and all of our French-breds will stay in France."

G1 Prix du Jockey Club winner Mishriff’s fee has been set at €20,000 in his debut season at Haras de Montfort et Preaux and he will stand alongside Golden Horde (Ire), De Treville (GB) and Recorder (GB). Cont. p10

Sons On The Rise

Ghaiyyath (Ire) is one of the first-season sires being much talked about at the sales and he was the only one of his intake to nudge into the top 10 courtesy of his smartly-bred daughter from Norelands Stud (lot 1074) who was bought by Shadwell for 375,000gns.

The filly is a half-sister to the Aga Khan's recent juvenile maiden winner Tarawa (Ire) (Shamardal), who is highly regarded by her trainer Dermot Weld, as well as the Group 3 winners Tanaza (Ire) (Dubawi {Ire}) and Taniyar (Ire) (Shamardal). Their dam Tanoura (Ire) (Dalakhani {Ire}) was purchased by David Nagle of Barronstown Stud for €200,000 last year.

Shadwell's Angus Gold has signed for six weanlings this week, including a Frankel half-brother to the German champion 2-year-old Wonderful Moon (Ger) (Sea the Moon {Ger}) at 370,000gns. The colt was bred by Sea The Moon's breeder Gestut Gorlsdorf and consigned from Marwell Park.

Ghaiyyath was not the only son of Dubawi to post some decent results at the most prestigious of the four foal sessions this week. The Fagan family's Deerpark Stud sold lot 969, a colt by New Bay (GB), to Shadwell for 210,000gns. The half-brother to three winners is a grandson of 1000 Guineas Trial winner Zavaleta (Ire) (Kahyasi {Ire}) whose descendants include Group 1 winner Intense Focus and Skitter Scatter, while further back the family also includes Irish Derby winner Soldier Of Fortune (Ire).

Nurlan Bizakov's Sumbe operation also bought a long-term racing prospect when going to 200,000gns for lot 924, a filly by Night Of Thunder (Ire) out of a sister to the G1 Irish 2000 Guineas winner Romanised (Ire) (Holy Roman Emperor {Ire}) from Prospect Stables. The filly was bred in partnership by Romanised's owner Robert Ng and his breeders the Aherne family. The filly's granddam Romantic Venture (Ire) (Indian Ridge {GB}) is a half-sister to the treble Group 1 winner Designs On Rome (Ire) as well as GII Arlington Derby winner Simple Exchange (Ire).

Sea The Stars Filly Heads Southcourt Dispersal

To sell or not to sell will be the decision for James Hanly of Ballyhimikin Stud to make after purchasing a jewel from the partial dispersal of the late Sir Evelyn de Rothschild's Southcourt Stud. Offered as lot 1002 from Peter Stanley's New England Stud, the daughter of Sea the Stars (Ire) and the listed winner Waila (GB) (Notnowcato {GB}), from the family of former Horse of the Year Crystal Ocean (GB), was knocked down at 400,000gns, with Johnny McKeever conducting the bidding on behalf of Hanly.

"James will probably put her back through Book 1, but she also has the potential to be a foundation broodmare," McKeever said. "It is so hard to get into these families and it is a once-in-a-lifetime opportunity, sadly, with the passing of Sir Evelyn de Rothschild there is a chance to get into families that would never be available."

The filly's full-sister Infinite Cosmos (Ire) was beaten just a short-head on her debut for Sir Michael Stoute last month, and she features in next week's Mare Sale at Tattersalls, along with her mother, the 12-year-old Waila, who is in foal to Pinatubo (Ire).

McKeever added of Infinite Cosmos, "It will be interesting to see which trainer gets hold of her, but I believe Sir Michael thinks she is very good. That was an added incentive to buy this foal." Cont. p11
Tattersalls December Foal Sale Cont.

Peter Stanley, who sold four foals from Southcourt Stud and will consign some of the farm's broodmares next week, said, "It is incredibly sad when it comes to the end of an era and Evelyn was the most charming man. I would much rather be talking to him than selling his horse for a lot of money. It is a great credit to him that he had four foals on the ground and they all sold as well as they did.

"He created a couple of fantastic families, and we should not forget that his sister, [the late] Renee Robeson, was really the power behind the scene, she was the one who created these families with Evelyn. He gave her the firepower to do it, but he was always prepared to back her judgement."

He added of the next week’s sale, "There are some lovely mares there; it is sad to be letting go of horses like that. It is a legacy and I think what is wonderful is that Evelyn has left behind something to be very proud of, and for the family to be very proud of."

A Sea The Moon half-brother to the promising Crystal Caprice (GB) (Frankel {GB}), who is another to feature in next week’s sale, was bought from the draft for 210,000gns by Bitzen Bloodstock.

O’Leary’s ‘Big Bite’ For 280,000gns Colt

Eddie O’Leary has been one of the more active buyers at Tattersalls this week, and he has signed for 12 foals at a total spend of 995,000gns, headed by a 280,000gns No Nay Never colt from Awbeg Stud.

That was by far the most expensive of his purchases but, if he was feeling any pressure with his new acquisition, he scarcely made it be known after out-bidding Yeomanstown Stud.

"That’s a big bite," O’Leary joked, before adding, "I hope it doesn't come to bite me back!"

The No Nay Never colt (lot 965) is out of a winning Aqlaam (GB) mare Southern Belle (Ire) who has produced two winners, including Janoobi (Ire) (Night Of Thunder {Ire}), who started his career with Mark Johnston before winning and reaching a mark of 93 for Ger Lyons.

Heaping praise on his new addition, O’Leary added, "They all say this, but that's actually my pick of the whole sale. He’s a brilliant horse by a brilliant sire and hopefully he goes places."

Brown Named FBA Agent of the Year

Richard Brown was named as FBA Bloodstock Agent of the Year for the second year in a row at Tattersalls on Friday.

The Blandford Bloodstock agent, who bought this year’s Derby winner Desert Crown (GB) (Nathaniel {Ire}) for owner Saeed Suhail, was also responsible for buying the G1 Commonwealth Cup winner Perfect Power (Ire) (Ardad {Ire}) and G1 Caulfield Cup winner Durston (GB) (Sea The Moon {Ger}) as well as G2 Lowther S victrix Swingalong (GB) (Showcasing {GB}) and G3 JRA Cup winner Desert Icon (Fr) (Sea The Stars {Ire}).

Geoffrey Howson, honorary president of the FBA, said, "When Richard Brown of Blandford Bloodstock received his FBA Bloodstock Agent prize last year, he told me that he was determined to win it again in 2022. I replied that the only way he could receive the award two years' running was to have bought the winner of the Derby.

"Immediately after his Book 2 yearling purchase, Desert Crown, won the Derby, he texted me, 'Told you I wanted another bottle of Krug!'"

Thoroughbred Stallion Guide, 4th November 2022
The Golden Touch Cont.
Second dam Ya Hajar (GB) (Lycius) won the G3 Prix du Calvados, while under the third dam is G1 St. James’s Palace S. victor and sire Zafeen (Fr) (Zafonic).

Tuesday Cont. from p1
“Obviously, we were delighted with what Tuesday achieved,” said trainer Aidan O’Brien. “She had a great run in the Guineas, then won the Oaks and to finish off winning at the Breeders’ Cup was incredible really.”

Out of G1 Coronation S. and G1 Matron S. heroine Lillie Langtry (Ire) (Danehill Dancer {Ire}), Tuesday is a full-sister to seven-time Group 1 winner Minding (Ire) (Galileo {Ire}), fellow Classic winner and Group 1 winner Empress Josephine (Ire) (Galileo {Ire}) and G3 Derrinstown Stud 1000 Guineas Trial heroine Kissed By Angels (Ire) (Galileo {Ire}).

“I don’t deserve it, but I’m happy to get it,” Magnier told ITV Racing anchor Ed Chamberlin in an interview, which was played during the ceremony. “I’m blown away by it, really.”

Magnier spoke in favour of racing’s various factions coming together to work for the good of the whole sport.
"Our people running the sport really have to make some tough decisions--and when they make tough decisions, the rest of us are going to have to row in behind them. There are too many sectional interests pulling in different directions."

Internationally renowned for his bloodstock acumen, the owner-breeder also reminisced about various bloodstock adventures, from Camelot (GB)’s Triple Crown bid with a near-miss in the G1 St Leger, to losing out to Juddmonte on the colt that would subsequently become the undefeated, wunderkind Frankel (GB) (Galileo {Ire}).

"That was tough to take, all right," said Magnier of the Doncaster reverse, adding of the Triple Crown, "It's something we would love to do one day. We won't give up.

"Frankel was a foal share with Juddmonte. Every second year we got the first pick. That year Juddmonte had the first pick and they picked Frankel. That was another one that got away.”

Added Magnier, whose Vincent O’Brien-trained Robert Sangster-owned El Gran Senor lost the G1 Derby in 1984 to Secreto, who was trained by the latter’s son David, “He [El Gran Senor] was sold for $80 million if he had won the Derby. That’s racing. In actual fact, I had a bet on Secreto and Ladbrokes shut my account after. Mike Dillon gave me the cheque and I still have it framed in my office. We were able to buy a drink that night, anyway.”

Besides affirming Coolmore’s ambition to secure the Triple Crown, Magnier emphasised the organisation’s continued commitment to the Blue Riband. Cont. p14

JOHN MAGNIER AWARDED SIR PETER O’SULLEVAN AWARD
Coolmore’s John Magnier was the recipient of the 2022 Peter O’Sullevan Award, and was celebrated at the 25th edition of the Peter O’Sullevan Annual Award Lunch in London on Thursday. The 74-year-old received his award from JP McManus at Coolmore, as he was not present at the lunch.
John Magnier Cont.

Coolmore and its affiliates have won nine Derbys since 2001, eight under the watchful eye of Ballydoyle’s resident trainer Aidan O’Brien.

“A horse has to have everything to win at Epsom,” he said. “He has to have speed. He has to have stamina. He has to have soundness. He has to have courage. He has to go through the razzamatazz of the day. It’s the complete test of the horse.”

“There’s an interesting story [on hiring Aidan]. He came here to the office and I was going to have a chat with him to see if we could work something out. He said to me he had been here before. I said to him, ‘What were you doing here before?’ He said he had tried to get a job here and had met Christy Grassick. I asked him what happened and he said he hadn’t given him the job. I said, ‘Clever of him. Christy could have lost his job!’

He added of Vincent O’Brien, who preceded O’Brien at Rosegreen, “He understood all aspects of the business. He understood the American bloodlines, he understood the finance and he understood if you didn’t have the owner, you weren’t going to get the horse. He was a man apart, really. You couldn’t help but learn from him. He was a genius.

Magnier also paid tribute to his late mother, Evie Stockwell, as well as legendary jockey Lester Piggott, who all died this year.

“She loved the horses and spent two or three hours reading the Racing Post,” reflected Magnier on his mother, who enjoyed Breeders’ Cup success as an owner-bred with Hit It A Bomb (War Front). “It was a big part of her life.

“She [The Queen] was such a positive for racing. It will be very tough, she battled them off well and hit the line well. She’s very tough, she battled them off well and hit the line well.”

Jeff Smith’s Spellbinder (GB) (Camelot (GB)), a half-sister to G1 Prix Ganay third Norse King (Fr) (Norse Dancer {Ire}), made late headway from off the pace to finish 4 1/2 lengths behind the winner in eighth.

13.05 Fontainebleau, Mdn, €27,000, unraced 2yo, c/g, 9fT
Baron Edouard de Rothschild’s Mr Le Philosophe (GB) (Le Havre {Ire}), a half-brother to G1 Grosser Dallmayr—Preis hero Elliptique (IRE) (New Approach {Ire}), was never a factor in this debut and finished 10 1/2 lengths off the winner in 10th.
3--Oheka (Fr), 126, f, 3, Kodiac (GB)--Qatar Power (Fr), by Le Havre (Ire). **1ST BLACK TYPE.** (€240,000 Ylg '20 ARQSEP; 45,000gns RNA HRA '21 TATMAR). O-Qatar Racing Ltd; B-Ecurie des Monceaux, Lordship, Ecurie Skymarc Farm & Qatar Bloodstock Ltd (FR); T-Francois Rohaut. €7,800. Margin: 7, HF, 3/4. Odds: 3.90, 30.00, 16.00.
Also Ran: Delida (Ger), Amellata (Fr), Lolliwood (Fr), Saramouche, No Regrets (Fr), Healing Oasis (Fr), Princess Glitters (Fr), Aunt Bethany (Ire), Siamsa (Ire), On The Edge (Fr), Nandina (Ger).

Trixia De Vega, who hit the board three times in four prior black-type outings, went postward for this one coming back off low-key conditions wins at Cavaillon and Hyeres and made all for a career high. In command under a firm hold for the most part, she was nudged along approaching the quarter-mile marker and lengthened clear under minimal urging in the closing stages to easily outclass Tarida by daylight.

Trixia De Vega, a full-sister to the unraced 2-year-old colt Trixio (Fr), is the first of two foals produced by G3 Prix des Reservoirs and G3 Prix de Lieurey victrix Trixia (Fr) (Siyouni (Fr)), herself a half-sister to G2 Prix de Sandringham winner Tahlie (Fr) (Rio De La Plata), stakes-winning GI Beverly D. S. and GI Flower Bowl S. third Thais (Fr) (Rio De La Plata) and Listed Grand Prix Anjou Bretagne runner-up Teston (Fr) (Rio De La Plata). The February-foaled homebred’s Listed Prix Coronation-winning second dam Tianshan (Fr) (Lahint) is a half-sister to Listed Prix Caravelle victrix Tivadare (Fr) (Distant View) and hauls from the family of GISW sires Flashy Bull (Holy Bull) and Perfect Soul (Ire) (Sadler’s Wells). **Video, sponsored by TVG.**

Flyingbeauty, who registered handicap scores at Deauville in August and Saint-Cloud in September, lined up for this black-type bow returning off a runner-up finish at the latter venue last month and defeated a large field here to secure a personal best. Employing patient tactics in rear from flagfall, she was angled to the outside for a clear passage with 500 metres remaining and stayed on relentlessly under continued rousting thereafter to overhaul Plesant Jane in the dying strides for the breakthrough.

Flyingbeauty is the first of four foals and lone runner produced by a granddaughter of stakes-winning G3 Park Hill S. runner-up Kadaka (Ire) (Sadler’s Wells), herself a half-sister to MG1SW sire Kahyasi (Ire) (Ile De Bourbon) and G3 St Simon S. victrix Kaliana (Ire) (Slip Anchor (GB)). The January-foaled bay is a half-sister to the hitherto unraced 2-year-old gelding Mister Power (Fr) (Dariyan (Fr)) and a yearling colt by Masked Marvel (GB). **Video, sponsored by TVG.**
AKAGERA (FR) (f, 2, Prince Gibraltar {Fr}–Agushaya {Ire}, by Oasis Dream {GB}) was positioned in a handy fourth through the early fractions of this debutantes’ heat. Third turning for home, the 79-5 chance was shaken up to launch her challenge passing the two pole and kept on strongly under continued urging inside the final furlong to prevail by a head from My Universe (Fr) (Galiway {GB}). Akagera is the latest of three foals and second scorer produced by the dual winner Agushaya (Ire) (Oasis Dream {GB}), herself out of a half-sister to six black-type winners headed by G1 Prix Jacques Le Marois, G1 Prix Rothschild and G1 Sun Chariot S. heroine Esoterique (Ire) (Danehill Dancer {Ire}).

TIMBERLAKE (FR) (c, 2, Zoustar {Aus}–Thrust Home {Ire} {MSP-Fr}, by Fastnet Rock {Aus}) broke well and tracked the pace in second from the outset of this debut. Nudged along with three furlongs remaining, the 37-5 chance locked horns with Big Rock (Fr) (Rock Of Gibraltar {Ire}) at the quarter-mile marker and was ridden out in the closing stages to assert by 1 3/4 lengths from that rival, becoming the 17th Northern Hemisphere winner for his sire (by Northern Meteor {Aus}). Timberlake is the first of three foals out of Listed Prix Ronde de Nuit and Listed Prix Ceres third Thrust Home (Ire) (Fastnet Rock {Aus}), herself the leading performer for Listed Criterium de Vitesse runner-up Garden City (Fr) (Majorien {GB}).

The January-foaled bay is kin to a yearling colt by Wootton Bassett (GB) and a weanling filly by Siyouni (Fr). Lifetime Record: 1-1-0-0, i€13,500. Video, sponsored by TVG.

WORLDWIDE NEWS

HOME TEAM FACE SNEAKY EURO CHALLENGE IN JAPAN CUP by Alan Carasso
In the first 11 runnings of the G1 Longines Japan Cup, foreign raiders were successful no fewer than nine times, with winners from America, Australia, France, Ireland and New Zealand. But not since Alkaased (Kingmambo) defeated Heart’s Cry (Jpn) (Sunday Silence) in 2005 for Frankie Dettori and Luca Cumani has any overseas-based galopper managed to land a winning blow. The locals will be favoured to take that current streak to 17 when a full field loads the gate at Tokyo Sunday afternoon, but Europe has strength in numbers--and class--to make things at least a little bit interesting.

Shahryar (Jpn) (Deep Impact {Jpn}), winner of the 2021 G1 Tokyo Yushun (Japanese Derby) over Sunday's course and 2400-metre trip, completed a 1-3 finish for his late sire behind fellow Derby winner Contrail (Jpn) last year and will have his fair share of backers. Winner of this year's G1 Longines Dubai Sheema Classic without the benefit of a tightener, the Sunday Racing runner failed to handle the challenges that Ascot brings when fourth of five in the G1 Prince of Wales's S. in June. The dark bay prepped for this with a fifth in the Oct. 30 G1 Tenno Sho (Autumn), in which G1 Dubai Turf dead-heater Panthalassa (Jpn) (Lord Kanaloa {Jpn}) led by double digits into the final 600 metres, only to be run down by the G1 Arima Kinen-bound Equinox (Jpn) (Kitasan Black {Jpn}) (video). Shahryar ran home in :33.6 that day and should strip fitter over a more suitable distance Sunday.

“He’s come out of the race very well so we were able to have him back in training right away,” said assistant trainer Nobuyuki Tashiro. “His fast work was last week on Nov. 17 on the grass track. His weight hasn’t changed much but, having raced, he’s sharpened him up. He’s leaner, with good muscle tone, and everything is going smoothly.”

Danon Beluga (Jpn) (Heart’s Cry {Jpn}) is the lone Japanese-bred 3-year-old in the field and--with just five starts under his belt--is one of the least experienced. He makes up for that with abundant talent, as he bested future G1 Satsuki Sho (Japanese 2000 Guineas) hero Geoglyph (Jpn) (Drefong) in Group 3 company in February before finishing fourth in the Guineas and in the Derby. He closed off even more sharply than Shahryar in the Tenno Sho (:32.8) and he, too, can improve second-up.

Vela Azul (Jpn) (Eishin Flash {Jpn}) is very much the ‘now’ horse and a different proposition altogether since switching to the turf this year. Cont. p18

A two-time winner from 16 tries on the dirt, he is three-for-five on the grass, including a fast-finishing defeat of Boccherini (Jpn) (King Kamehameha (Jpn)) in the 2400-metre G2 Kyoto Daishoten at Hanshin Oct. 10. The visiting Ryan Moore hops aboard.

Weltreisende (Jpn) (Dream Journey (Jpn)) accounted for recent G1 Queen Elizabeth II Cup heroine Geraldina (Jpn) (Maurice (Jpn)) in Group 2 company in June, but disappointed when sixth behind that rival in the G2 All Comers S. Sept. 25. Damian Lane, in the irons for the 5-year-old’s last win, has the call.

Can Team Europe Turn The Tide?

As he has been in almost every racing jurisdiction, Frankel (GB) has proved an unqualified success in Japan, with 33 winners including dual-surface Group 1 winner Mozu Ascot, two-time champion Soul Stirring (Jpn) and top-level scorer Grenadier Guards (Jpn). A Japan Cup victory from Onesto (Ire) could somehow manage to elevate the stallion’s profile further still.

The chestnut announced his arrival really and truly with a last-to-first tally over Simca Mille (Ire) (Tamayuz) in the G1 Grand Prix de Paris on Bastille Day and was exceptionally brave when just beaten by Luxembourg (Ire) (Camelot (GB)) in the G1 Irish Champion S. Sept. 10. The chestnut clearly hated the boggy underfoot conditions at ParisLongchamp in the G1 Prix de l’Arc de Triomphe Oct. 2 and his 10th-place effort to Alpinista (GB) (Frankel (GB)) was achieved on heart alone. Christophe Lemaire takes the unusual decision to side with the foreigner over a local ride. Cont. p19
The trip to Japan went very smoothly—it was a 24-hour trip from our stables at Chantilly to the quarantine stables here at Tokyo Racecourse,” trainer Fabrice Chappet said. “The staff is happy with the wonderful facility and the climate is great for the horse too.”

Simca Mille did his part to frank the Grand Prix de Paris form when finishing well to land the G2 Prix Niel on Arc Trials day Sept. 11, but swerved the Arc itself in favour of this spot. Gregory Benoist retains the ride.

**Grand Glory (Ire)** (Olympic Glory {Ire}) covered herself in glory when staying on into fifth in last year’s race and added this year’s G3 Prix Allex France. She ran on from the tail to be a highly creditable fifth in the Arc and was recently snapped up by Shadai as a future member of their powerful broodmare band.

**Tunnes (Ger)** (Guilani {Ger}) is the ultimate wildcard in Sunday’s test. Beaten just once in six career starts, the half-brother to Arc winner Torquator Tasso (Ger) (Adlerflug {Ger}) streaked home to win the G1 Grosser Preis von Bayern by 10 lengths Nov. 6. Most of his German form is over easy ground and he will have to cope with a much quicker surface this weekend. Lando (Ger) won the 1995 Japan Cup for Germany.

**Friday’s Result:**

3rd-Meydan, Maiden, AED82,500, 11-25, 1400m, 1:24.56, ft. ROYAL DUBAI (FR), (c, 2, Seahenge–Sand Rose (Fr), by Aussie Rules) was making his debut, and appears to be a colt with plenty of potential after polishing off his rivals by 6 3/4 lengths at Meydan on Friday. Scrubbed on to maintain his position as the gates flew, the colt was in a four-way battle for supremacy on the backstretch and established a one-length lead entering the far turn. Tackled by Magic Petition (**Good Magic**) in upper stretch, he easily shrugged off that challenge and skipped away to win as he pleased by daylight. Magic Petition soon gave way to Seyouff (Flatter) by midstretch, who took second. It was 3 1/4 lengths back to Magic Petition in third. “He wasn’t brilliantly away but he was soon up into stride,” said Pat Cosgrave. “I liked the way he put the race to bed very quickly and it was all over at the 300 [metre marker]. He’s got everything going for him; he’s got no quirks and he might not have to improve much to be a Guineas contender.” The winner is the seventh for his G2 Champagne S.-winning first-season sire (by Scat Daddy), who stood for €3,500 at Haras de la Haie Neuve this year. His placed dam has produced five foals, of which Royal Dubai is the fourth, and second winner. Lifetime Record: 1-1-0-0, $13,479. **VIDEO.**
