INSTANT COFFEE GRINDS IT OUT IN KYJC

After traveling the GI Kentucky Derby trail through the first half of this year with MGISW Cyberknife (Gun Runner), Al Gold's Gold Square and Brad Cox took the first step down the long road to the 2023 Run for the Roses Saturday at Churchill Downs, winning the GII Kentucky Jockey Club S. with Instant Coffee (Bolt d'Oro).

Rallying to victory on debut going seven panels at Saratoga Sept. 3, the $200,000 KEESEP buy came from way out of it to be fourth behind next-out GI Breeders' Cup Juvenile and likely champion Forte (Violence) going this distance in Keeneland's GI Claiborne Breeders' Futurity S. Oct. 8.

Hammered down to 3-2 favoritism off that effort, Instant Coffee held his breath a moment at the break and was jostled by his neighbor when making his exit. Settling in sixth, the bay bided his time as 24-1 shot Gigante (Not This Time) dictated terms, coasting through early splits of :24.76 and :50 flat. Creeping up the outside to improve his position on the backstretch run as Cyclone Mischief (Into Mischief) charged up to take command, Instant Coffee ranged up four wide turning for home to take on the top two as Curly Jack (Good Magic) launched a bid on the fence. They were four abreast with a sixteenth left to run, but that only lasted a moment as Instant Coffee kicked into high gear, powering home to a convincing 1 1/4-length score. Cont. p3

HOOSIER PHILLY CRUSHES GOLDEN ROD FOES

Hoosier Philly (Into Mischief) ran to her billing and kept her perfect record intact Saturday, scoring her third straight win at Churchill Downs in the GII Golden Rod S.

A debut winner going 5 1/2furlongs at this oval Sept. 25, the $510,000 KEESEP acquisition showed two turns was no problem, charging home to a 7 1/2-length victory in a sloppy renewal of the 1 1/16-mile Rags to Riches S. Oct. 30. She prepped for this with a series of bullet drills and was duly made the 2-5 favorite.

Stumbling a bit at the break, Hoosier Philly quickly jumped into the bridle and kept tabs from fourth, running off the fence as 13-1 shot T Max (Connect) clocked a :24.29 first quarter. Charging up to take control as the half-mile went in :47.79 with Pure Pauline (Curlin) hot on her tail, the gray bounded clear at the top of the lane and was on cruise control from there, coasting home to an effortless five-length score. Curly Jack held second and Hayes Strike (Connect) filled the show spot, a nose ahead of an extremely unlucky Red Route One (Gun Runner). Instant Coffee earned 10 points towards a spot in the gate for the Run for the Roses.

“This is one of the biggest reasons why we do this—to be on the Road to the Kentucky Derby,” Cox said. “We’re extremely proud of this colt to win like that in just his third start. He really does whatever you ask of him in the morning. It was a pretty slow pace but Luis kept after him and he was able to keep grinding out the win.”

“He broke a little bit slow today so we got behind the pace,” winning jockey Luis Saez said. “I was a little worried because they weren’t really going fast at all up front and I was pretty wide. I could tell around the far turn my horse was trying very hard and I was very confident in him. We were able to make a big run into the lane and he kept finding more. He’s a young horse who’s just getting started and figuring things out.”

**Pedigree Notes:**
Instant Coffee is the third graded winner for his freshman sire Bolt d’Oro (Medaglia d’Oro) and his first on dirt. He is also the fifth black-type scorer for the young Spendthrift stallion, providing the late B. Wayne Hughes’ operation with a sweep of Churchill’s graded events Saturday, following Into Mischief’s daughter Hoosier Philly’s win in the GII Golden Rod S. Instant Coffee is the third graded winner and ninth black-type achiever out of a daughter of Uncle Mo. He is the first foal out of SP Follow No One, who has since produced a yearling filly by Frosted. She aborted her Speightstown foal this year and was bred back to Maclean’s Music. Instant Coffee’s second dam is MSW Miss Red Delicious (Empire Maker), who is a half-sister to MG SW & GISP Lady Apple (Curlin) and GSW American Apple (American Pharoah). Chart p4

She earned 10 points towards a spot in the GI Kentucky Oaks starting gate. Knockyoursocksoff (Kitten’s Joy) was best of the rest in second with ‘TDN Rising Star’ Pretty Mischievous (Into Mischief) in third and Pure Pauline filling out the superfecta.

“I’ve said multiple times, and I hope it doesn’t come across as arrogant, I’ve never seen any horse like her,” said Tom Amoss, who trained 2019 Oaks winner Serengeti Empress (Alternation).

“I’ve been training since 1987 and she’s different than anything I’ve ever had come in my barn. The instructions to [rider] Edgar [Morales] were pretty simple, he was on the best horse and ride her with confidence.”

He continued, “Now, she’ll get a break by design and will bring her back as a 3-year-old. She’s a filly but I have entertained the thought of putting her on the Road to the Kentucky Derby.”

“She’s unbelievable,” Morales said. “I had so much horse the entire race. I got behind horses a little bit going into the first turn but kept her outside and she was moving so easily. It’s so much fun to ride her and so easy, too. She knows exactly what to do and when to do it.”

Pedigree Notes:
Hoosier Philly is graded winner number 57 for the all-conquering Into Mischief and one of 116 black-type winners for the Spendthrift kingpin. She is the 33rd graded scorer out of a daughter of Tapit, who was represented by his 30th Grade I winner as a sire Friday at Churchill in GI Clark H. victor Proxy. Third-place finisher Pretty Mischievous was bred on the same Into Mischief/Tapit cross. Tapella is a daughter of unbeaten stakes winner Princess Arabella (Any Given Saturday), who is also responsible for MGSP Ulele (Candy Ride {Arg}). Cheyenne Stables purchased Tapella for $750,000 at the Fasig-Tipton Saratoga sale and she won two of eight starts. Hoosier Philly is her first foal and she has since produced a yearling filly by Mastery and weanling colt by Justify. She was bred back to Munnings for 2023.

The recipient of a well-rationed ride by Kendrick Carmouche, Astronaut blasted off from his rivals after setting sedate fractions en route to a handy victory in Saturday’s GII Red Smith S.

Making just his second start since rejoining the Tom Albertrani barn, having rounded out the trifecta beneath next-out GI Longines Breeders’ Cup Turf third War Like Goddess (English Channel) in the GI Joe Hirsch Turf Classic Invitational S. Oct. 8, Astronaut won the break and took only light pressure to his outside from longshot Cold Hard Cash, as Highest Honor enjoyed the run of the race on the back of the pacesetter. Astronaut went along in even fractions of :49.82 and 1:14.98, clocking an internal half-mile in :50.17 that would ultimately spell doom for those trying to come with a late run. Carmouche upped the tempo approaching the turn and was still holding his two closest rivals at bay, while Balthus was first to come off the bridle approaching the stretch. Having conserved every possible ounce of energy, Astronaut opened at once when asked to sprint and proved a convincing winner. Highest Honor rallied for second in what amounted to a merry-go-round affair.

“The horse ran an amazing race last time in the Grade I,” said Carmouche. “This time, I wanted to put him into the race and see if they would let me walk the dog a little bit and when he came off the bit around the second turn, I knew I was a winner. I just had to make sure I was still going easy.” Cont. p8

Hong Kong Harry ran to the money at Del Mar Saturday, capturing the GII Seabiscuit H. Biding his time in mid-pack, the chalk scraped the paint off early fractions of :23.32 and :46.31. The chestnut charged up two wide turning for home and tried to get out a bit, but was straightened and sent forward by Flavien Prat to nail Beyond Brilliant and Masteroffoxhounds on the line.

"I told Flavien to ride him with a lot of confidence," said winning trainer Phil D’Amato. "He’s been breezing him the last couple of times on the turf and his last breeze was probably one of his best ever. So I knew it was all systems go and I left it up to the top jock to get the job done."

"The trip worked out right and coming for home--the way my horse was running--I thought I was a winner for sure," said Prat. "But then those two horses in front of me [Beyond Brilliant and Masteroffoxhounds] didn’t stop running. It was close, but we got there. He’s a good horse; I think he might be a Grade I horse off this race."

Previously campaigned in England, Hong Kong Harry made his American debut a winning one in a Santa Anita optional claimer in March and followed suit with two more wins, including the GIII American S. in Arcadia in June. Rallying to be second in this venue’s GII Eddie Read S. July 31, he returned to winning ways last out in the GII Del Mar Mile Sept. 3.

Bluebirds Over romped by eight lengths on debut going two turns over the Gulfstream synthetic Nov. 5 and doubled up Saturday in Woodbine's GIII Grey S. Receiving Lasix for the first time in this trip north, the homebred hustled straight to the lead, strolling through an opening quarter in :25.17. Longshot One Bay Hemingway shot past him to take a clear lead, clocking a :48.81 half-mile. Bluebirds Over closed the gap approaching the turn, drew even in early stretch and forged clear late to score under a hand ride.

“He was way, way more relaxed,” said winning rider Edgar Zayas. “It helped, I think, that we didn’t take him away from the pony. The first time, we took him away from the pony and he ran off with me before the race too. He was green the first time. He broke out of there last time and he broke straight to go to the lead, and I was trying to take a hold of him to sit second. It took me a little bit to relax him. But today, he broke out of there sharp, and he relaxed from the get-go. He’s really impressive.”

Pedigree Notes:
Bluebirds Over is the 105th graded winner and 193rd black-type winner out of a daughter of the legendary Giant’s Causeway. He is also the 35th graded victor and 66th black-type scorer by the late English Channel.

As darkness fell at Woodbine Saturday, DJ Stable’s Renegade Rebel clung desperately to her advantage to win the Gill Mazarine S. and give trainer Mark Casse a one-two finish in the juvenile fillies event. The break wasn’t without drama, as State of Mind (Kitten’s Joy) acted up in the gate and eventual runner-up Ryder Ryder Ryder jumped out awkwardly and spotted the field several lengths early. However, Renegade Rebel got away cleanly, went right to the front, and relaxed on the lead as she ticked off fractions of :25.09, :49.60, and 1:13.06. She was three in front turning into the stretch, but her lead diminished with every stride as Ryder Ryder Ryder and Honor D Lady swamped her late. Renegade Rebel drifted slightly and somehow held on by a neck as the other two just missed.

“First of all, I thought she was getting tired,” said winning rider Rafael Hernandez. “[But] when the other ones were coming, she kept going. It looked like she was kind of waiting. After the wire, I could not pull her up. I had to go up to the outrider to get me pulled over.”

Renegade Rebel debuted with a third Aug. 7 at the Spa behind Raging Sea (Curlin), who would go on to be disqualified from third in the GI Alcibiades S. and hold onto her third in the GI Breeders’ Cup Juvenile Fillies. Off the board in a second Saratoga try, Renegade Rebel improved dramatically when shipped to Woodbine and adding Lasix. Second to eventual Glorious Song S. runner-up Forever Dixie (Quality Road), the gray broke through Oct. 29 by seven lengths when trying 8 1/2 furlongs for the first time.

Pedigree Notes:

A $700,000 purchase at OBS this April, Renegade Rebel was bred by Shadwell from their half-sister to European champion Aljabr (Storm Cat). Hasilah didn’t emulate her half-brother, with her best finish a second from four starts, but the pair are out of French MG1SW Sierra Madre (Fr) and trace tail-female to 1911 Irish Oaks winner Tullynacree (Ire). Hasilah lost her 2021 foal, but delivered a colt by Mohaymen Apr. 19, and was bred back to the late More Than Ready for next term.

From the third crop of Darley sire Nyquist, Renegade Rebel is his 14th black-type winner and sixth graded winner. Nyquist had quite a Saturday: his Powerful won Churchill’s Ed Brown S. about an hour prior to Renegade Rebel’s graded win. Although Nyquist stands alongside the Mazarine winner’s damsire, veteran Hard Spun, this is the first time the two have paired together for a stakes winner. Hard Spun has 36 black-type winners out of his daughters, including champion and hot young sire Good Magic.

Lammas (GB) posted his second American win and first black-type victory in Golden Gate's GIII Berkeley H. after selling for 42,000gns at the Tattersalls Guineas Horses in Training Sale Apr. 28. The veteran 5-year-old raced covered up midpack on the inside behind :24.01, :48, and 1:11.58 fractions. Despite looking for racing room, he was trapped until the turn, when a seam opened up on the rail and he burst through to reel in frontrunner I’mgonnabesomebody, who had finished in front of him in their last two joint starts, and secure a 1 1/4-length win after a brief battle.

A three-time winner in England—all on all-weather surfaces—while under the tutelage of David Loughnane, Lammas was imported to the U.S. this summer and took a while to find his stride for new trainer Manuel Badilla, dropping three straight before winning an optional allowance Sept. 17 in his first try on Golden Gate’s Tapeta over the Berkeley distance. He faded going nine furlongs at Fresno Oct. 16 before finishing third in Golden Gate’s Joseph T. Grace S. Nov. 5.

Pedigree Notes:
Lammas is the fourth stakes winner—and first graded winner—for English G3 winner Heeraat (Ire), although his White Lavender (Ire) was second in the G1 Prix de l’Abbaye de Longchamp Longines Oct. 2. Out of the late Speightstown mare Spate Rise (GB), Lammas is one of 51 stakes winners out of a daughter of the active WinStar veteran. Spate Rise hails from the wonderful Claiborne branch of the Rough Shod II/Thong/Special/Number legacy.

AFTER GRAPHICS ERROR, NYRA STARTERS RUN FOR PURSE MONEY ONLY

by Bill Finley
A brief glitch in the NYRA graphics package that covered the days scratches resulted in Striking Melody (Majestic City) running for purse money only, by order of the stewards, in Saturday's first race at Aqueduct.
At 10:32 a.m., 77 minutes before post time for the first race, Striking Melody was listed as a scratch in graphics that appeared in the upper right-hand corner of NYRA's television feed (video). The listing of the scratch appeared for about two seconds before it came off the screen and at no other point during the day was the horse listed as scratched. In addition, the listing of the scratch appeared as track announcer John Imbriale was announcing scratches for the first race. Imbriale never mentioned Striking Melody but did announce that the six horse, Caribbean Breeze (Mendelssohn) was scratched.
But what appeared to be an innocuous mistake was taken seriously by the stewards, who withdrew Striking Melody from the wagering. In addition, with the horse scheduled to run as an entry with Our Rosie Diamonds (Bellamy Road), both horses ran as non-betting interests.
Our Rosie Diamonds finished third and Striking Melody was seventh.

NYRA Graphics Error cont.

NYRA management said they were frustrated by the decision. “At some point, common sense has to come into play,” said a NYRA official who asked not to be named.

NYRA officials estimated that the move by the stewards resulted in a loss of handle between $150,000 and $200,000. “NYRA would certainly welcome the opportunity to fully review the circumstances of this matter with the Board of Stewards,” said NYRA spokesperson Pat McKenna.

At deadline for this story, Braulio Baeza Jr., the steward representing the New York Gaming Commission, had not returned a phone call seeking comment.

JAPAN ROAD TO THE DERBY KICKS OFF AT TOKYO by Alan Carasso

The first of four legs of the Japan Road to the Kentucky Derby, the $220,717 Cattleya S. (allowance), was staged Saturday afternoon over Tokyo’s one-turn mile and for the second year in a row, a son of successful young stallion and former U.S. Eclipse Award winner Drefong drew first blood in the series.

Drawn one from the outside in a field of 10, Continuar (Jpn) broke alertly, but was ultimately beaten for speed and settled in the second flight of horses while racing three off the inside and with cover down the back straight. Waited with on the turn, the 29-10 second choice was produced wide into the stretch by the visiting Damian Lane, was asked to quicken inside the final furlong and kicked on nicely to best third favorite Mirror of Mind (Jpn) (Mind Your Biscuits) by a half-length (video). Last year’s Cattleya S. was won by Consigliere (Jpn), who went on to be third to Pinehurst (Twirling Candy) in the G3 Saudi Derby.

Purchased for ¥70 million ($635,432) at last year’s JRHA Select Sales, Continuar overcame a double-digit draw to land his Oct. 8 debut over nine furlongs at Hanshin Oct. 8 and nearly made it two straight, missing narrowly in his first start against winners back at Hanshin 20 days ago. He is trained by Yoshito Yahagi, who conditioned Loves Only You (Jpn) and Marche Lorraine (Jpn) to famous wins at the Breeders’ Cup in 2021.

“I think I want to take him to Saudi, then Dubai and then maybe Kentucky,” Yahagi said.

Continuar is out of a daughter of MSW & G1SP Fusaichi Pandora (Jpn) (Sunday Silence), best known as the dam of two-time Japanese Horse of the Year and dual G1 Japan Cup heroine Almond Eye (Jpn) (Lord Kanaloa {Jpn}). This is also the female family of champion El Gran Senor.

Continuar was awarded 10 points for his victory, while Mirror of Mind earned 4 points. The next race in the series is the Zen-Nippon Nisai Yushun at Kawasaki Dec. 14.

JUSTIFY REPRESENTED BY FIRST JAPANESE WINNERS by Alan Carasso

Coolmore America’s Triple Crown-winning freshman sire Justify (Scat Daddy) was represented by his first two Japanese winners Saturday afternoon at Hanshin Racecourse, his 24th and 25th individual winners overall.

In the afternoon’s opening event over 1800 meters, Kazumi Yoshida’s 2-year-old colt Jovian, a debut second over the metric seven furlongs on Hanshin debut Nov. 19, was the 7-10 favorite to go one better and jumped right into the bridle for the visiting Cristian Demuro. Allowed to control the pace and maintaining a narrow lead into the second turn, Jovian responded when asked to kick entering the final 400 meters and reported home a seven-length winner (video, SC 5). Bred in Kentucky by DS Stable LLC, Jovian is a son of Runway Doll (Majestic Warrior) and was purchased for $250,000 out of this year’s OBS March Sale after breezing a furlong in :9 4/5. Cont. p14

First-time starting juvenile filly Awesome Result repeated the dose about 90 minutes later. Sent off the 14-5 second betting choice over the same nine-furlong distance, the daughter of Blossomed (Deputy Minister) settled midfield and raced in some traffic through the opening half-mile. Creeping into it nearing the straight, she was steered out by Yutaka Take and finished up nicely to graduate by 2 1/2 lengths (video, SC 7), defeating the Demuro-ridden favorite Cours Mirabeau (Jpn), a son of successful young sire Drefong.

Also bred in the Bluegrass by Orpendale/Chelston/Wynatt, Awesome Result is a half-sister to GI Spinaway S. winner Sippican Harbor (Orb) and to Bodacious Babe (Mineshaft), whose son Ju Taro (Arrogate) is already a three-time winner in Japan. Blossomed was acquired by Springhouse Farm in foal to Honor Code for $425,000 at Keeneland November two months after Sippican Harbor's upset at Saratoga in 2018.

Saturday's early results leapfrog Justify into the top spot on the leading first-crop sires table by earnings with just over $2.2 million. He is also the leader by black-type winners with six and graded winners with four.

RUTH VON WIESENTHAL DIES AT 95

Ruth von Wiesenthal passed Nov. 16 at the age of 95. A New York native, she and her late husband, Peter von Wiesenthal, were involved in the breeding and racing of Thoroughbreds at their Snowberry Farm. Together they bred and/or raced the following horses: Move It Now (Timeless Moment), Lilly’s Moment (Timeless Moment), Au Point (Lypnald), Concord Hymn (Giboulee), as well as being part of 1993 GI Belmont S. winner Colonial Affair’s ownership group.

She is survived by two children, two grandchildren and three great-grandchildren. Donations can be made in her name to the Thoroughbred Retirement Foundation.
Bat Flip, a $350k yearling purchase, became the 5th first-crop Stakes Winner for Good Magic with his win in the Central Park Stakes at Aqueduct for Owners Harrell Ventures, LLC and Starlight Racing and Breeder Fifth Avenue Bloodstock.

HARD SPUN COLT EARN'S 'RISING STAR' LAURELS AT DEL MAR by Alan Carasso

Edge Racing and Muir Hut Stables' Spun Intended (c, 2, Hard Spun--Flora Dora, by First Dude) ran too good to lose his Oct. 30 debut at Santa Anita, just failing to overcome a brutal trip when dropping a half-length decision to the well-meant Fort Warren (Curlin). The latter earned the 'TDN Rising Star' nod for the win and Saturday afternoon, Spun Intended followed suit with a 'Rising Star'-worthy performance of his own where the surf meets the turf.

Spun Intended was off slowly in that Oct. 30 bow and was last of the octet early before improving on the turn while conceding stacks of ground. He knuckled down determinedly in the final furlong and was gaining inches on Fort Warren, but the wire came a few strides too soon. The chestnut had done his part since with a pair of solid morning trials and never looked like losing Saturday.

Sent off at odds of 4-5 that represented an overlay, the $100,000 Keeneland September yearling and $125,000 OBS breezer (:21 1/5) showed good pace from gate four and advanced without being asked for much by Mike Smith to take up the running after an opening couple of furlongs in :21.95. Hugging the fence into the final five-sixteenths of a mile, having cut the half-mile in a slick :44.20, Spun Intended was a bit tardy in switching his leads, but carried an unassailable advantage into the final panel and trotted in to score by 6 1/2 emphatic lengths.

Spun Intended is an 11th 'TDN Rising Star' for Hard Spun and is the first foal out of Flora Dora, winner of the 2015 My Dear Girl S. of the Florida Stallion Series and the 2016 Busanda S. She was also third to Songbird (Medaglia d'Oro) in that year's GI CCA Oaks. A half-sister to SW Lindisfarne (City Zip), Flora Dora is the dam of a yearling Nyquist colt that was bought back on a bid of $185,000 at this year's Fasig-Tipton Saratoga Sale. Her foal of 2022 is a filly by Gun Runner and she was most recently bred to Candy Ride (Arg).

The $180,000 Fasig-Tipton Saratoga graduate opened her account at first asking by 10 going six furlongs on the Stars of Tomorrow I program here Oct. 30, but it came over a heavily rain-affected track and was only modestly graded. The dark bay filly was accordingly no better than 7-1 off a morning line that was half that number and jumped alertly to stalk the pace outside of 4-1 Twirled, herself an eight-length maiden winner at Keeneland Oct. 22. Asked to improve when The Great Maybe (Upstart) rolled up to her outside with about 2 1/2 furlongs to travel, Red Carpet Ready counterpunched between rivals, engaged the pacesetter in upper stretch, put her...

away for good at the eighth pole and came away to a fairly easy victory. Twirled just held for second over heavily favored Myrtlewood S. winner Key of Life, who overraced down the backstretch and just could not bridge the deficit late.

Red Carpet Ready, her sire's most expensive first-crop yearling (34 sold, 47 ring), is the second black-type winner for her freshman sire (by Kitten's Joy) and his first on the main track. The winner is out of an unraced daughter of SW Spun Silk, the dam of GI Vosburgh S. hero Joking (Distorted Humor), while the third dam includes MGSW/GISP Fed Biz (Giant's Causeway). Wild Silk produced a filly and a colt by Oscar Performance, respectively, the last two seasons and is expecting a foal by Not This Time early next year.

Powerful showed the strength of his heart by fighting off all challengers to win the Ed Brown S. as the 5-2 favorite.
A head away from victory at first asking July 23 at Saratoga, he came back Sept. 3 in a seven-furlong maiden contest at that venue to win by a half-length over eventual GIII Nashua runner-up Full Moon Madness (Into Mischief) and next-out winner Tapit’s Conquest (Tapit). After breaking a step slow last out in the Oct. 8 GI Claiborne Breeders’ Futurity at Keeneland and never really getting involved, Powerful came back here with a strong effort after sitting closer to the front than in any race prior.
Quick into stride, the $525,000 KEESEP grad dueled for the lead from the rail as his foe pushed him through :22.38 and :45.55 splits. Drifting out slightly as they entered the lane, he responded to the mounting pressure and edged clear by a length as Mr Bob rolled in from the back the pack to pick up minor honors.
His dam's most recent to the races, his 2022 half-sibling by Twirling Candy died. Antiquity visited Code of Honor for 2023. This is the female line of champion 2-year-old filly Family Style,
who herself was the granddam of GISP Folk (Quiet American) as well as GSP Polish Panache (Gone West). Click for the Equibase.com chart or VIDEO, sponsored by TVG.

Bat Flip was sent off at odds of 23-5 to build upon a wire-to-wire maiden victory going two turns over the Aqueduct turf course Oct. 23, but showed a bit of a new dimension when forced to stalk the pace in Saturday's Central Park S. at the Big A. The $350,000 Fasig-Tipton Saratoga grad proved equal to the task in becoming a fifth stakes winner and first on the grass for his freshman sire (by Curlin).

Looking intent on making the running yet again from his low draw, Bat Flip tried to squeeze through a tight spot inside of the stretching-out Dr. Settle's Dream (Oscar Performance) into the first turn, but was forced to take back and chase from that one's outside when it became clear it was lead or bust for Dr. Settle's Dream. Content and nicely relaxed off the leader's flank beneath Jose Ortiz, Bat Flip poured in the pressure to take over at the head of the stretch and kept on well as a slightly troubled Dandy Handyman and favored General Jim rounded out the minors.

Fifth to future GISW Blazing Sevens (Good Magic) on debut sprinting over the Saratoga main track July 24, Bat Flip was well-beaten behind a 'TDN Rising Star' effort from Echo Again (Gun Runner) when next seen Aug. 20. Bat Flip was runner-up behind next-out GIII Futurity S. hero and GI Breeders' Cup Juvenile Turf Sprint third Nagirroc (Lea) in a local turf sprint maiden Sept. 24 before getting the job done last time.

The winner is one of two from his dam, a half-sister to GSW & MGISP turfer Money Multiplier (Lookin At Lucky) and GSW Intense Holiday (Harlan's Holiday). Krazy Kathy is also responsible for Bat Flip's yearling full-brother Bayou magic, a weanling full-sister and is due to Nyquist for 2023. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

Swayin to and Fro took control early in Laurel's Safely Kept S. and set a pressured pace with :22.72 and :45.78 splits before kicking clear in the lane to prevail by 3 1/2 lengths. It was the dark bay's second stakes score after taking the restricted Shine Again S. at Pimlico Sept. 10. Claimed a year ago from her breeder and trainer Marion Cuttino for $16,000, she got a six-month break, then won five straight as she advanced through the ranks. After the Shine Again, Swayin to and Fro dropped three in a row but was willing, albeit third, when last seen in an Oct. 30 allowance over six furlongs at this track.

The winner's unraced dam has been bred to Done Talking--a GSW son of Broken Vow out of a full-sister to Swayin to and Fro's sire--the last four seasons, resulting in a placed 2-year-old filly named Silent Swinger, who races for her breeder, and a yearling colt. CONFIDENCE GAME (c, 2, Candy Ride {Arg}--Eblouissante, by Bernardini) broke his maiden by five lengths in his second career start Aug. 13 after finishing a distant third behind 'TDN Rising Star' and subsequent GII Saratoga Special S. winner Damon's Mound (Girvin) on debut. Tested at the graded-stakes level next, he was fifth, 10 lengths back of Curly Jack (Good Magic) in his first try around two turns in the GIII Iroquois S. Sept. 17. Second over the same distance at Keeneland most recently Oct. 12, Confidence Game returned to Churchill Downs Saturday as an 11-1 shot in his third straight attempt at 1 1/16 miles. Sent to the front, he ticked through mild opening fractions with Tres Soles (Justify) chasing from second. Asked for his run as his advantage narrowed at the top of the stretch, Confidence Game kept finding more down the lane and just managed to hold off Rocket Can (Into Mischief) by a half-length. Eblouissante, a $1.4-million purchase by Summer Wind out of the 2016 Tattersalls December Mare Sale, is a half-sister to Horse of the Year Zenyatta (Street Cry {Ire}) and MGISW Balance (Thunder Gulch). She produced a colt by More Than Ready in 2021 and a colt by Speightstown earlier this year before visiting Maclean's Music for a 2023 foal. Sales History: $25,000 Ylg '21 KEENSEP. TONY ANN (f, 4, Cairo Prince--Never Ever, by In Excess {Ire}) had her three-race win streak snapped last out Mar. 5 in the GII Buena Vista S. when she weakened to seventh after stalking the early leader. It was her only start without Lasix and she returned to the diuretic for this contest, jumping a step slow but able to establish her position in third. Riding the rail into the stretch and briefly behind traffic as the pacesetter weakened, Tony Ann found clear sailing when that rival moved out. The 7-2 chance edged away from Brandon’smylawyer (Astern {Aus}) to win by 1 1/4 lengths. HOPKINS (c, 4, Quality Road--Hot Spell {SP}, by Salt Lake) posted a massive 104 Beyer Speed Figure when second on debut 11 months ago, but took nine months off between starts, returning to the track Sept. 4 with another narrow runner-up effort. A 3 1/4-length maiden winner most recently at Santa Anita Oct. 23, Hopkins, the popular 4-5 choice Saturday, bumped with a rival at the break but prompted the pace while racing three wide up the backstretch run through a :21.70 opening quarter. Engaged with Augusta Melody (Speightstown) around the turn, he held a short advantage an eighth from home and dug in gamely to prevail, defeating that rival by a half-length. A half-brother to Of a Revolution (Maclean’s Music), MGSP, $218,280 and Saratoga Heater (Temple City), SW, $396,078, Hopkins has only one younger sibling--a weanling half-sister by Daredevil. VAHVA (f, 2, Gun Runner--Holiday Soiree {SW & GISP, $405,642}, by Harlan’s Holiday) finished a distant fifth after getting jostled at the break July 24 on debut at Saratoga. She overcame a bobble at the jump last out Sept. 4 only to get nailed late by a half-length via a fast-closing Take Charge Briana (Curlin). The 3-2 favorite leaving the blocks here, Vahva was forward and close to the pace while tracking from three wide. Taking command entering the stretch behind a :46.90 half, she gradually drew clear of Poblano (Curlin) to break her maiden by three lengths. Lady Irene (Kantharos)--the half-sister to Beholder, Into Mischief, and Mendelssohn--finished third and Medaglia Forever (Medaglia d’Oro) finished ninth. Out of an accomplished mare in her own right, the winner is the fifth to get her picture taken from six to the races. She has a 2022 weanling half-sister by City of Light and Holiday Soiree went to Nyquist for 2023. Sales history: $280,000 Ylg ’21 KEESEP. Lifetime Record: 3-1-1-0, $94,200. A much-improved third last out Sept. 18 with first-time blinkers at a mile, he added another furlong here and took another step forward to break through the maiden ranks. Tracking the pace in third while three off the rail, Point Proven made up ground behind :23.82 and :47.80 fractions to take command entering the stretch. FOAL TRADE REACHES NEW HIGH AT TATTERSALLS

YOUNG GUNS: BUYERS HAVE THEIR SAY ON THE UP-AND-COMING STALLIONS

By Brian Sheerin and Emma Berry

After a hectic few months perusing this year’s foal and yearling crops, we asked the buyers to share their thoughts on the young stallions with first foals and yearlings. From leading bloodstock journalist Nancy Sexton to top pinhooker John Cullinan, the pulse was taken on the ground at Tattersalls where opinions have now been formed on first-crop sires Ghaiyyath (Ire), Earthlight (Ire), Sergei Prokofiev and much more.

Dermot Farrington, agent, on Advertise (GB) & Kameko:

“If you look at the list of people who have bought yearlings and foals by Advertise, it’s a long time since a young stallion has attracted the who’s who of the bloodstock world, and that’s exactly what he has done. Whether it be yearlings to breeze, yearlings to race or foals to pinhook, Advertise has attracted what I would call the best horse men and women in the industry. He’s hugely popular among the right people and it truly is amazing. People will say I am biased given I bought the horse and my father-in-law [Martyn Meade] trained him, but I genuinely think he’ll be a big success.

Of the first crop of foals, Kameko is producing some very nice stock. I was actually very disappointed not to buy a colt on Thursday night by Kameko. I was the underbidder on him and Mick Fitzpatrick bought him. Kameko was a classy racehorse and I’d be backing him to do well from what I have seen so far.”

Tattersalls December Foal Sale Cont. from p1

From a larger catalogue of 1,173 foals, of which 983 were offered and 744 sold, the only figure to drop was the clearance rate, which was down to 76% from 81%.

Commenting on a week led by a million-guinea Kingman (GB) foal from Whitsbury Manor Stud, Tattersalls chairman Edmond Mahony said, "Strong yearling sales will always drive demand for foals and the extraordinary strength of the Tattersalls October Yearling Sales has been followed by a Tattersalls December Foal Sale which has achieved significant increases in average and median as well as a record turnover in excess of 35 million guineas. The cream of the British and Irish foal crop has been assembled here at Park Paddocks and buyers at every level of the market and from throughout the world have all contributed to yet another record-breaking sale in a year of extraordinary sales at Tattersalls."

Sweeting’s Surprise

On the day that Overbury Stud announced that it would be standing G2 Flying Childers S. winner Caturra (Ire) (Mehmas (Ire)) next year, the farm’s draft took co-top billing when selling a Masar (Ire) half-brother to this season's Lingfield Oaks Trial winner Rogue Millennium (GB) (Dubawi (Ire)) for 110,000gns to Yeomanstown Stud.

The colt was born three months after his dam, the G3 Cumberland Lodge S. winner Hawaafez (GB) (Nayef), was sold by her breeder Shadwell for 14,000gns to Richard Brown of Blandford Bloodstock, who, unbeknown to Overbury's Simon Sweeting, bought the 14-year-old mare on his behalf. Three days after she safely foaled her Masar colt, his 3-year-old sister Rogue Millennium stormed to her listed victory. Cont. p4

Tattersalls December Foal Sale Cont.

Enhancing the pedigree further was the victory earlier this month of 2-year-old Naomi Lapaglia (GB) (Awtaad {Ire}), who won on debut at Kempton for Richard Spencer.

"I wasn't around and [Richard] did it himself," said Sweeting. "It looked like a chancey buy to start with but the mare was an exceptional racehorse and Rogue Millennium has come along, and everything else has landed into place. The 2-year-old is now one for one and her Kingman yearling has gone to trainer George Boughhey."

He added, "It is definitely a progressive family. That sale did take me by surprise, but it is a lovely surprise to have. He was a late foal, but he has been very straightforward and everything has worked out well."

Shadwell Restock With Classy Foals

While the Masar colt was one that escaped the Shadwell clutches, some new recruits have been added to the future racing string for Sheikha Hissa, with Angus Gold signing for seven foals this week, including the day's other 110,000gns colt, by first-season sire Mohaather.

"Obviously, we are a bit biased," Gold confessed. "Mohaather was a very special horse for us. We thought he was slightly underrated if anything. For me, what he did at Goodwood that day in the Sussex S. was out of the ordinary. I haven't seen a horse quicken like that since Kingman in the same race."

He continued, "So we are big fans and I have liked the stock I have seen. What I particularly liked is that, leading into this week, lots of people have told me that they have a really nice Mohaather foal, which is great to hear. We bought one two days ago, and the vendor told me they had an even better one at home. There are some really good vibes about him."

Tattersalls December Foal Sale Cont.

Gold indicated that Shadwell will have around 75 to 80 horses in training in 2023 and, having sold a number of mares last year, the stud has a foal crop of only around 35.

"I spoke with Sheikha Hissa and she was keen to get some foals to supplement the racing team, if we could buy at relatively sensible money," he added.

Tom Blain, more usually seen at the head of his expanding Barton Stud consignment, was one of the breeders of the Mohaather colt under the name of Ickworth Stud. The colt is the first foal of the Exceed And Excel (Aus) mare Time Of Change (Ire), a sister to the G2 Gimcrack S. runner-up Taajub (Ire).

"Time For Change is owned in partnership, it is a great thrill and I am delighted for all involved," Blain said. "It was a bit weird to watch one of our own sell. We bought the mare for 9,000gns and I know the family as we used to board her dam Purple Tiger. There is a lot happening under the second dam.

He added of the colt, "I think he should make up into a serious racehorse and I just want to thank Angus for his support. It is great that Shadwell and Sheikha Hissa are backing their own stallion; we used him a number of times in the first year so we are really happy."

Mohaather’s name featured three times in the top 10 list on Saturday, with Tally-Ho Stud buying another from the Barton Stud draft, a filly out of Muamara (GB) (Bahamian Bounty (GB)), for 68,000gns, while Cathy Grassick went to 50,000gns for a filly from Whatcote Farm Stud who is a three-parts-sister to recent juvenile winner American Sonja (GB) (Tasleet (GB)).

Freshman Action

As our accompanying vox pop shows, one of the talking points for the bloodstock industry at this time of the year is always which young stallions are taking the eye—and which are not.
Tattersalls December Foal Sale Cont.

Of course, what really matters is what their offspring end up doing on the track, and there will be plenty of disappointments and surprises to come next summer and beyond, but the foal sales always provide a first litmus test of a stallion's progeny.

Ghaiyyath (Ire), as a top-class performer himself, and with two Classic winners as parents, should have what it takes for a decent stud career, and plenty of buyers have backed him at Goffs and Tattersalls. This week his 10 weanlings sold returned an average of 130,700gns, and the only other first-season sire to set a six-figure average was Ghaiyyath's fellow Darley sire Pinatubo (Ire). He only had a handful of foals for sale this week but the quintet changed hands for an average of 126,400gns. Earthlight (Ire), like Pinatubo a son of Shamardal, also proved popular with 12 sold at and average of 56,500gns, while Mohaather, referenced above, had 21 weanlings sold this week at an average of 41,881gns.

The Key Players

With a million-guinea filly in its draft, it was no surprise to see Whitsbury Manor Stud at the top of the consignors' table with 19 foals sold for 2,201,500gns. Norelands Stud posted a decent average for the sale of 123,667gns for nine sold, with Langton Stud's boutique draft had three sold for an average of 248,333gns.

Juddmonte's outlay of 2,425,000gns on Friday put them at the top of the buyers' list but noted pinhookers Tally-Ho Stud, JC Bloodstock and Yeomanstown Stud were all as busy as ever, with 15, 14, and 13 foals bought, respectively.

Concluding his appraisal of the week's trade, Edmond Mahony continued, "To see so many British and Irish breeders rewarded so handsomely this week reflects the quality of the stock which they have brought to the market and we should thank the consignors for their confidence in the Tattersalls December Foal Sale. In addition to Whitsbury Manor Stud's outstanding one million guineas sale-topping Kingman filly, the sale has produced the four highest-priced foals in Europe and a record-equalling 27 foals sold for 200,000 guineas or more."

He added, "While the December Foal Sale is always dominated by the tireless and loyal British and Irish pinhookers, their European counterparts have also made their presence felt, as have a significant number of the world's leading owners who recognise the December Foal Sale as a consistent source of Classic and Group 1 performers. It is no coincidence that the connections of the Group 1-winning 2-year-olds Blackbeard (Ire) and Chaldean (GB), both bought at the 2020 December Foal Sale, have again targeted this sale, and international buyers from America, China, France, Germany, Italy, Kazakhstan, Spain, Switzerland and from throughout the Gulf region have also made significant contributions, particularly at the top of the market." Cont. p7
He added, "The international influence will without doubt be even stronger as we move on to the Tattersalls December Mares Sale which starts on Monday and features the inaugural Sceptre Sessions for elite fillies and broodmares. We have an exceptional catalogue which includes some of the best race fillies and mares to be offered at public auction for many a year and we look forward to ending the Tattersalls year on a high note."

Young Guns Cont. from p1

John Cullinan, pinhooker, on Pinatubo (Ire) and Blue Point (Ire): “Everyone loves the new kids on the block and I’m no different. Ghaiyyath is the new exciting stallion and I was delighted to get a colt by him this week for 240,000gns. He’s producing fantastic stock but sure he was the outstanding racehorse of his generation and is by a sire of sires in Dubawi (Ire).” Cont. p9
**Young Guns Cont.**

JC: “Look at Night Of Thunder and New Bay for example. Hopefully Ghaiyyath can carry on in that direction because they are a nice bunch of horses.

“I also bid strong on a Pinatubo on Thursday night but I didn’t get him unfortunately. I like what I have seen from him. I don’t usually buy many foals by sires who have their first runners the following season because, when you are only buying a few every year, you could leave yourself open. It’s a huge risk, huge exposure. Having said that, myself and Roger [Marley] had a chat the other evening, and I hope to God that I am not putting the kiss of death on him now, but we both think Blue Point will have a big season next year. For any horse to win twice in the one week at Royal Ascot, they have to be blessed with uncommon talent. We have one very nice colt by him to breeze next year and, on the strength of what he’s been doing, we bought a foal by him this week for 72,000gns, but it’s not something we’d do normally.

“The market has been interesting this week and I think we could be facing a tough spell, especially in Britain, which is why we have been concentrating on the top end. The thinking there is, if we do hit a little bump next year, we will have the horses to sell to the recession-proof buyers. And, sure if all else fails, we can go out in a blaze of glory! But in all seriousness, it’s been very tough at the sales because everyone has had the same idea. We looked at 136 horses, only vetted 14 of them and came home with three. I’m after leaving myself a little light on numbers but I have some high-end horses, which was the plan. I bought 11 foals last year and the ones I bought cheaply were the ones who didn’t make money. The ones I pushed on and gave the few quid for, they left money behind, so I decided to spend my money this year, but on fewer horses at a higher level.”

Nancy Sexton, journalist and pinhooker on Ghaiyyath, Earthlight and King Of Change (GB):

“It’s no secret that Ghaiyyath has some lovely foals: they have a look of Dubawi about them but they also have scope and the ones I’ve seen have been good movers. It’s easy to see why they were so popular at Goffs and at Tattersalls.

“I also liked the Earthlight foals: on the whole they were good movers and straightforward. King Of Change wouldn’t have many soldiers, but from the small selection over the last two weeks I thought they were good-looking and good-moving horses. He was a little underrated on the track and as a well-bred son of Farhh (GB), anything could happen.”

Eddie O’Leary, Lynn Lodge Stud on Ghaiyyath, Earthlight, Arizona, and Advertise:

“The Ghaiyyaths are gorgeous. They are big lovely-walking foals and they have plenty of quality about them. I’ve seen plenty of nice Earthlights and there were a few Arizonas who caught my eye as well. I actually underbid the Arizona colt who Peter Nolan bought at Goffs for €60,000. Advertise has his first runners next year and, after what I saw on my gallops at home recently, I was keen to pick up a few foals by him and I’m happy I did. I think he’ll do well next year.”

Clare Manning, Boherguy Stud, on Ghaiyyath & Earthlight:

“I’m going to have to nominate two because I have been very impressed by the first foals by Ghaiyyath and Earthlight. They really seem to be stamping their stock. The Ghaiyyaths have plenty of size and are good walkers. He was a brilliant racehorse and is producing fine-bodied individuals. Earthlight is out of a New Approach (Ire) mare, which is obviously a big plus for me, and I have been a fan of what I have seen from him so far.”

Julie Woods, owner, on Ghaiyyath, Sergei Prokofiev & Without Parole (GB):

“Ghaiyyath is putting a nice stamp on his foals and Sergei Prokofiev seems popular as well. We bought a Without Parole because we like the Frankel (GB) line and followed Cracksman (GB) last year. There’s a lot to look at but those are the ones we have really concentrated on.”

Freddy Tylicki, agent, on Ghaiyyath, Sergei Prokofiev, Advertise & Blue Point:

“I have been very taken by the Ghaiyyaths and the Sergei Prokofievs. Ghaiyyath is producing very good and attractive foals so let’s see if they can run. The Sergei Prokofievs are going down as well as hot biscuits and he looks like he is stamping his foals. I bought an Advertise foal and it looks as though she was a giveaway as she cost just 2,500gns. I liked him when I saw him at stud and I loved him as a racehorse. I also bought a Blue Point foal and I think they will be fast.”

Joe Foley, Ballyhane Stud, on Sands Of Mali (Fr), Mohaather (GB), Soldier’s Call (GB), Ten Sovereigns (Ire) and Too Darn Hot (GB):

“I have been very pleased with the Sands Of Malis. He did well at Goffs and a nice colt sold for 27,000gns so we’re very happy with that. In other news, the Mohaathers have been catching my eye. He was a lovely yearling himself, a lovely horse and a very good racehorse, so I was very interested in his foals. They have come back in his real Showcasing (GB) shape and they have that action. They look like runners to me. We bought a few Soldier’s Calls last week at Goffs and again this week and I fancy him to do well in his first season next year and to become a good sire. Ten Sovereigns is another stallion whose yearlings I have liked the shape of and we bought a foal by him last week at Goffs. But that’s a risky game, buying foals in the hope that the stallion clicks with its first runners.

“Next year is probably one of the most competitive years I can remember for first-season sires but, you know what, the good ones will come through. People are clever nowadays and, with all of the statistics available to everyone, they will be able to spot the good ones at the different price ranges. The likes of Too Darn Hot, who was a very good racehorse, his yearlings look very racey and appear to have plenty of Dubawi about them. I bought a few by him this week so I took a gamble there.

“And, speaking of Dubawi, Ghaiyyath has done well with his first foals. He was the highest-rated horse in the world at one point and is a very good-looking horse with a great attitude and a wonderful pedigree. Not only that, he showed good acceleration for a horse who stayed 10 furlongs. I’d like him as well. There are some very nice horses coming through the ranks which is great because we need some more good stallions. There are very good stallions coming through over the next few years and that’s what makes this game so interesting.”

Liam Norris, agent and pinhooker, on Kameko:

“For me the Kameko foals are all a similar type. I like to see a stallion stamping his stock and I have seen a good few of his foals that I’ve liked.”

Larry Stratton, agent and pinhooker, on Sergei Prokofiev:

“There’s a real consistency to the Sergei Prokofiev foals. One after another they have been really strong; he’s really stamping them. They have lovely strong tops like himself.” Cont. p12
Young Guns Cont.
Amy Lynam, agent, on Mohaather, Without Parole, Too Darn Hot, Magna Grecia (Ire) and Masar (Ire):

“Of those with first foals, I have liked the stock of Mohaather. He’s stamping his stock and obviously if they take after him you’d definitely like that. I’ve liked some of the Without Paroles as well; I think they are good walkers with a bit of quality about them.

“From the first yearlings I liked the Too Darn Hots. They were probably a bit too expensive for me, but I liked them all the same and I am excited to see what he can do. I also bought a yearling by Magna Grecia in Doncaster and he was one of my favourites that I bought. Invincible Spirit (Ire) is a proven sire of sires, Magna Grecia was top class himself and he is very impressive to look at. I also liked Masar’s yearlings and it has been great to see his foals sell well this week as well.”

Harry Dutfield, pinhooker, on Earthlight, Sergei Prokofiev, and Kameko:

“Over in Ireland, the Earthlights made the list. At the cheaper end of the scale, Sergei Prokofiev has hit the mark repeatedly, and the Kameko foals are good-bodied sorts. But if you had a small mare, Sergei Prokofiev seems to be stamping them: they are big, brawny, lengthy horses with plenty of size and scope.”

Tom Whelan, pinhooker, on Sergei Prokofiev, Mohaather & Earthlight:

“For me the Sergei Prokofiev foals were the best. I underbid one at 92,000gn. I liked him a lot and I followed one in again today who made 70,000gn. They are good, strong foals.

“I also saw some nice Mohaather foals. Some of them look very like Showcasing and the way he has gone that can’t be a bad thing. The Earthlights were also very consistent.”

John Bourke, Hyde Park Stud, on Ghaiyyath, Earthlight, and Soldier’s Call:

“Ghaiyyath is the one everyone is raving about and the Earthlights are nice as well. I’m not a big foal buyer but I buy a lot of yearlings and mares, they are my big thing, so I’m always watching the young sires coming through. That’s one of the most interesting parts of this game for me.

“I might try and buy a mare who is in foal to one of the up-and-coming stallions next week. The way I look at mares is, I’ll be looking at sending them to a stallion who will have his first runners next year. I sent two mares to Havana Grey (GB) in April when it looked like he was going to do the business. People can be panicking about getting their mares in foal but I will always keep a few back to see what first-season sires are going well and I’ll take a chance on the ones who are showing the right signs.

“Soldier’s Call is one I’ll be backing. To be honest, I’ve one or two at home who are being prepared for the breeze-ups and they look like rockets. There’s one filly in particular there and, if she can’t gallop, I’ll be very surprised.”

CATURRA RETIRES TO OVERBURY STUD
The G2 Flying Childers S. winner Caturra (Ire) (Mehmas {Ire}–Shoshoni Wind {GB}, by Sleeping Indian {GB}) has joined the roster at Overbury Stud in a deal brokered by Richard Brown of Blandford Bloodstock. His opening fee will be £6,500. Cont. p13
Caturra Cont.

The 3-year-old will be available for viewing in Newmarket this week from Sunday to Wednesday at Crockfords, opposite the rear entrance of Tattersalls.

The arrival of Caturra at the Gloucestershire stud has echoes of Ardad (Ire), the leading first-season sire in Britain in 2021. Both horses were bred by Tally-Ho Stud and won the Flying Childers, having been bought by Brown as youngsters--Ardad at the breeze-up sales and Caturra as a yearling for £110,000 from Tattersalls October Book 2.

Caturra was trained by Clive Cox for Saeed bin Mohammed al Qassimi and won as early as the May of his juvenile season before going on to land the Listed Rose Bowl S. at Newbury and gaining his Group 2 success. This season he has added further group placings in the G3 Prix Sigy at Chantilly and the G2 King George S. at Goodwood.

"He's got everything a top juvenile needs: great physical maturity--and he's an outstanding model--but also a wonderful mind. From the moment he stepped in the yard, he was a natural for Royal Ascot," said Cox.

"The Flying Childers win was very special. To be able to accelerate off fast sprinting pace like he did--that really takes some doing. I loved the way he'd really get his head down to gallop. And so straightforward: I've never had a sprinter with such a sober attitude. Caturra had a lie down at the races when he arrived at Doncaster. That's rare! He saves all his energy for when he needs it, and he's a lovely, kind horse to work with. I am very confident he'd have been competitive at the highest level again at four."

Caturra is a member of the second crop of Mehmas, who set a new world record in 2020 with 56 first-crop juvenile winners.

Richard Brown commented, "Caturra is the fastest son of Mehmas, and he won the same big race as Ardad. Those are two of the biggest names in the commercial market, and Caturra--who's a particularly good-looking horse--has every chance of joining them. He's just like Ardad."

Overbury Stud will be offering a number of breeding rights in Caturra. Manager Simon Sweeting said, "We are keeping things simple: these are the same terms Ardad started at, and if ever there was a second Ardad, this is this horse. A fast and notably precocious Flying Childers winner by a top commercial stallion, just like Ardad. And, if anything, Caturra is even better looking, with a most lovely head and bags of strength and quality. We're really looking forward to showing him to breeders during the December Sales."

T21 BALL & AUCTION SERIES LAUNCHES

The T21 Ball & Auction Series, in aid of The Down Syndrome Centre, was launched at the Punchestown Winter Festival on Sunday, Nov. 20. Colbinstown Stud owners John and Sophie Barrett whose son Seve was diagnosed with Down Syndrome, in partnership with Kerry Ryan of Kerry Ryan Event Management, are aiming to raise money for The Down Syndrome Centre through the associated online auction, featuring items donated from members both within and outside the bloodstock industry. It is now live until midnight on Dec. 10 and can be accessed here. The inaugural T21 Ball and live auction will take place at the Alex Hotel in Dublin on the evening of Dec. 10, as well.

"We wanted to direct our focus to The Down Syndrome Centre which is invaluable to families of children and children with Down Syndrome, providing services where it is so difficult to access them elsewhere, and a place for support, advice and friendship," the three said in a joint statement. "The birth of Seve has opened up a whole new a world for us and we wanted to do our small bit to help this wonderful charity."

STRODE OUT TO AN EARLY LEAD AND COVERED A FIRST QUARTER IN :24 FLAT, WHILE HARD-PRESSED BY Bikini Boy (Jpn) (Beach Patrol (Jpn)). That pair raced in tandem from three furlongs into the race, before Gruner Green edged away to lead on the backstretch. The chestnut reached the half-way point in 1:00.40, and showed no signs of weakening several furlongs later, as the field fanned into the home straight.

Pedigree Notes
With his eldest foals just 4-year-olds, Lovely Day’s first stakes winner and group winner is Gruner Green. He also has the two-time listed-placed Praelude (Jpn) to his name. The Special Week (Jpn) mare Lady Derby (Jpn) placed three times at two and three, and hit black-type pay dirt with only her second foal, the Jungle Pocket (Jpn) colt Verde Green (Jpn), who would go on to win a pair of Japanese group races. Now with a dozen foals to her credit, with 11 runners and eight winners, Lady Derby was covered by Cheval Grand (Jpn), but no foal was reported for this year. Second dam Umeno Fiber (Jpn) (Sakura Yutaka O (Jpn)), a champion in her native land and the 1999 Japanese Oaks heroine, is the granddam of the stakes winner and G1 Japanese 2000 Guineas runner-up Sans Rival (Jpn) (Rulership (Jpn))

DAWN APPROACH'S
PAULELE GETS HIS GROUP 1

by Oz Wedmore/TDN AusNZ

After a spring carnival to remember, Godolphin’s dominance at the top level in Australia extended to Western Australia on Saturday afternoon as Paulele (Dawn Approach {Ire}) took out the state’s only Group 1 WFA 1200-metre race, the Winterbottom S. in a thrilling finish.

A brilliant result for Godolphin came after their chances looked hampered by the late scratching of their other intended runner Vilana (Hallowed Crown) on Saturday morning.

In 20 starts the 4-year-old entire Paulele has three times placed in elite-level races, and added a second Group 2 to his record earlier this season, but finally gained his Group 1 at Ascot in a typically tough performance against a field of battle-hardened, top-level sprinters. Led round the home turn by My Bella Mae (Deep Field), the challenges started to mount at the 200-metre mark. Rothfire (Rothesay) looked dangerous for a moment in the centre of the track, before on his outside Kissonallforcheeks (Written Tycoon) took over and looked to have the race at her mercy, powering 1l clear of the field.

But, coming from last with a truly determined run was Paulele, who, rounding the field, was gaining all the time and got up in the dying strides to snatch victory from Kissonallforcheeks, securing his deserved Group 1 in the process. His official margin over Kissonallforcheeks was 0.19l, with another local trainee, This’ll Testya (Testa Rossa), a further 0.8l behind.

Pedigree Notes

Storming down the outside having got back from his wide gate, Godolphin homebred Paulele broke through for his first four Group 1 races on the back of his four victories at Group level.

One of the 17 stakes winners for his multiple Group 1-winning sire who last shuttled to Darley in 2018, Paulele is one of the seven winners produced by the multiple city winner Chatoyant (Flying Spur). Retired from breeding duties last year (her final foal being the yet to race Exosphere 2-year-old filly Chrysoberyl), Chatoyant is also dam of the G3 Canonbury S. winner Tessera (Medaglia d’Oro {USA}) and the G3 Thoroughbred Breeders’ S. winner Montsegur (New Approach {Ire})–in turn the dam of the dual Group 3 winner Heresy (Street Boss {USA}).
