

GIRVIN'S FAIZA ON TOP IN STARLET SLUGFEST

Faiza (outside) | Benoit

'TDN Rising Star' **Faiza (Girvin)** narrowly outslugged **Pride of the Nile** (Pioneerof the Nile) and survived a stewards' inquiry to deliver as the 1-2 chalk in a roughly run renewal of the GI Starlet S. at Los Alamitos Saturday. The win marked the sixth straight Starlet victory and ninth overall for Hall of Famer Bob Baffert. The flashy six-furlong debut winner at Del Mar Nov. 12 was making her two-turn debut in the Starlet.

Placed in a perfect spot by Flavien Prat in an outside, stalking third through fractions of :23.36 and :47.87, Faiza began to make her move while four wide on the far turn to join stablemate **Doinitthehardway (Street Sense)** and the rail-skimming **Pride of the Nile**. With the trio lined up at the top of the lane, the tiring pacesetter **Doinitthehardway** took the worst of it while racing in between rivals, exchanging bumps with both Faiza and **Pride of the Nile** as they straightened. **Cont. p3**

WESTS SAY THEY WILL SUPPORT SAUDI CUP REDISTRIBUTION

Gary and Mary West have released a statement saying that they will support a redistribution of the purse of the \$20-million Saudi Cup. The statement was made via the Twitter account of Werk Thoroughbred Consultants, of which the Wests are longtime clients.

Maximum Security (New Year's Day) won the \$20-million Saudi Cup in 2020, just days before Jason Servis was named in a criminal indictment along with 26 others for a "widespread, corrupt scheme by racehorse trainers, veterinarians, PED distributors and others to manufacture, distribute, and receive adulterated and misbranded PEDs and to secretly administer those PEDs to racehorses under scheme participants' control," by the U.S. Attorney's Office for the Southern District of New York. Servis pleaded guilty to those charges in court Friday, and is expected to serve four years in prison.

"We believe in the justice system and have patiently waited for the legal prosecution to take its course. Now that Jason Servis has entered a guilty plea, we want to make it clear that if the Saudi Cup decides to redistribute the purse, we would support that decision. Hopefully, that action will prevent future conduct of this nature. We believe the decision to take the Saudi Cup purse from **Maximum Security** and redistribute it is the correct one. There will be no further statements or comments." The statement was signed 'Gary and Mary West.' **Cont. p4**

Faiza looked well on her way from there, but Pride of the Nile wasn't going down without a fight. Those two put on a show down the stretch passing the eighth pole with Faiza wanting it just a little bit more to take it by a head. **Uncontrollable (Upstart)** completed the trifecta. "Faiza has always shown she's a special filly and she had to be special today to win just off one maiden race," Baffert said. "She's still green, but I think she has a big future in front of her."

Pedigree Notes:

Faiza, a \$90,000 FTKJUL yearling and \$725,000 EASMAY 2-year-old, is the first Grade I winner and fifth stakes winner for fast-starting freshman sire **Girvin**, who has relocated from Ocala Stud to Airdrie for the 2023 breeding season. Faiza is out of a half-sister to MGSW and Spendthrift Farm stallion Thousand Words (Pioneerof the Nile). Second dam Pomeroy's Pistol (Pomeroy), a multiple graded stakes winner herself, placed in both the GI Prioress S. and GI Test S. Faiza's yearling half-sister by **Cairo Prince** brought \$160,000 at Keeneland September. Faiza's dam Sweet Pistol, a \$33,000 purchase by Airdrie's Brereton C. Jones at the 2016 KEENOV sale, had a filly by **Complexity** in 2022 and was bred back to that sire for 2023.

Gary & Mary West | Sarah Andrew

WTC's Sid Fernando posted the statement on @sirewatch, the company's Twitter account, Friday night at 11:46 p.m. with a note that said, "WTC clients Gary and Mary West have asked us to release this statement regarding the guilty plea of Jason Servis, who trained the Wests' homebred **Maximum Security**."

The payment, or non-payment, of the 2020 Saudi Cup purse has long been a source of contention, with **Maximum Security**'s owners crying foul that they did not receive the purse money after the allegations against Servis. The rest of the field was paid their share of the purse, but **Maximum Security**'s \$10 million payment was withheld. "We are sort of in a hold position now waiting for the U.S. authorities to move forward with that case," said Prince Bandar on behalf of the Jockey Club of Saudi Arabia at the 2021 Saudi Cup. **Midnight Bisou** (**Midnight Lute**) was second in the race, **Benbatl** (GB) (Dubawi {Ire}) third, **Mucho Gusto** (**Mucho Macho Man**) fourth and **Tacitus** (**Tapit**) fifth.

SECOND CHANCES: PRICEY CURLIN 2YO “ACTS LIKE A FILLY TO BE EXCITED ABOUT”

by Steve Sherack

Curlin's Erna brought \$600,000 earlier
this spring at OBS April | Sandra Madison

In this continuing series, TDN's Senior Editor Steve Sherack catches up with the connections of promising maidens to keep on your radar.

Subsequently flattered by Liguria (**War Front**)'s impressive performance in last weekend's GIII Jimmy Durante S. at Del Mar, **Erna** (f, 2, **Curlin**--Jumby Bay, by City Zip) will look to go one better at second asking in the nightcap at Gulfstream Park Sunday.

Off at 11-1 going 1 1/16 miles over the grass on debut at the **Belmont at Aqueduct meeting Oct. 22**, Erna jumped well from post five and cleared the field of 10 heading into the clubhouse turn. Under a snug hold and in control through fractions of :23.33 and :48.01, the \$600,000 OBS April breezer hit the quarter pole as the one to catch and led by a commanding 1 1/2 lengths in the stretch.

The aforementioned Liguria, making her second career start, however, was just getting going down the center. Erna dug down deep and braced for the challenge inside the final sixteenth, but, after swapping to her left lead close to home, just couldn't hold that one off and came up a neck short. Erna received a 70 Beyer Speed Figure for the effort.

After failing to draw into a pair of spots during Keeneland's fall meeting, Erna made a last-minute trip from trainer Cherie DeVaux's Lexington base to the Big A for her debut.

"I was really impressed with how she ran given the circumstances," DeVaux said.

"She did not get into either of the races that had overfilled at Keeneland and she had been training there the entire time since she came in after the sale. She had to ship after entries came out on Wednesday to Belmont Park. She arrived Thursday, trained at Belmont on Friday and had to ship over to Aqueduct [to run] on Saturday. So, it was less than ideal circumstances and she ran huge considering all that was thrown at her."

Erna, the first foal out of the multiple stakes-placed Jumby Bay, brought \$600,000 from owner James D. Spry after cruising through a :20 4/5 **bullet in Ocala** this spring. The daughter of two-time Horse of the Year and perennial leading sire **Curlin** was previously a \$135,000 Keeneland September yearling purchase by Lehigh Bloodstock.

Jumby Bay, from the family of grassy GI Garden City Breeders' Cup S. heroine Magnificent Song (Unbridled's Song), brought \$510,000 from breeder Don Alberto carrying Erna at the 2019 Keeneland November sale.

"At the sale, we were really impressed with her breeze and how she moved," DeVaux said of Erna. "She looked like she was more turf inclined."

Erna drew post nine going a two-turn mile for her second career try over the Gulfstream lawn Sunday. Luis Saez has the mount aboard the 5-2 morning-line favorite.

"I think if she either runs the race that she ran last time or improves, she's gonna be hard to beat," DeVaux said. "She acts like she's a filly to be excited about."

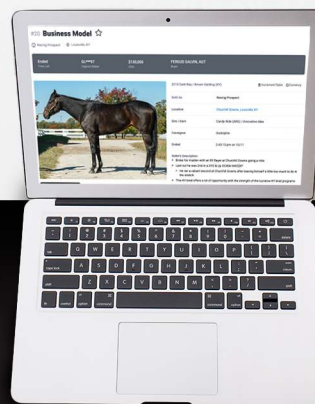

The 'Second Chances' honor roll is headed by two-time Breeders' Cup winner and new Ashford Stud stallion **Golden Pal** (**Uncle Mo**), GI **Runhappy** Santa Anita Derby winner and Lane's End stallion **Honor A. P.** (**Honor Code**), recent GI Breeders' Cup Dirt Mile winner **Cody's Wish** (**Curlin**) and MGISW and 'TDN Rising Star' **Paradise Woods** (**Union Rags**).

This year's GI Carter H. winner and new Darley stallion **Speaker's Corner** (**Street Sense**), GI Preakness S. third-place finisher **Creative Minister** (**Creative Cause**), **Curlin** S. winner and 'TDN Rising Star' **Artorius** (Arrogate) and Cinema S. winner and GII Del Mar Derby third **War At Sea** (**War Front**) have also been featured in the series.

Other standouts include: GSW **Moonlight d'Oro** (**Medaglia d'Oro**), GSW & MGISP **Spielberg** (**Union Rags**), GSW **Backyard Heaven** (Tizway), MSW and 'TDN Rising Star' **Gidu** (**Ire**) (**Frankel** {GB}); and GISP **A Mo Reay** (**Uncle Mo**).

NINE STATES TO MCCONNELL: HANDS OFF HISA IN 'LAME DUCK' SESSION *by T.D. Thornton*

Kentucky Senator Mitch McConnell | Getty Images

The attorneys general from nine states on Thursday implored United States Senate minority leader Mitch McConnell not to use the end-of-term 'lame-duck' session of Congress to ram through legislation that would tweak non-constitutionality issues with the Horseracing Integrity and Safety Act (HISA) by burying the measure within a much larger bill.

"It has come to our attention that you are considering proposing language related to HISA in the Defense Spending Authorization Act or other end-of-year legislation," the AGs wrote to the senior senator from Kentucky in a Dec. 8 letter. "We urge you not to do so. HISA has already caused enormous upheaval in our States. A lame-duck session is not the time to slip new language into legislation amending HISA in response to [a recent court ruling]. Indeed, language that attempts anything other than repealing this ill-advised legislation will only make a bad situation worse."

The U.S. Court of Appeals for the Fifth Circuit on **Nov. 18** ruled that the Horseracing Integrity and Safety Act (HISA) is unconstitutional because it "delegates unsupervised government power to a private entity" and thus "violates the private non-delegation doctrine."

On **Dec. 7**, the U.S. Court of Appeals for the Sixth Circuit heard arguments in a similar case that also seeks to reverse a lower court's decision to dismiss a constitutional challenge of HISA.

The state of Louisiana's AG spearheaded the effort. Also signing the letter were the AGs from Arkansas, Indiana, Iowa, Mississippi, Ohio, Oklahoma, South Carolina and Texas.

U.S. Trotting News was the first media outlet to publish the letter.

The letter continued: "As enacted, HISA disrespects [the] system of dual sovereignty. HISA's very purpose is to take away

a regulatory power individual States have exercised since the Founding--to oversee and regulate horse racing within their borders--and give that power exclusively to a private agency."

The HISA Authority "is exercising federal regulatory powers without any meaningful restraint, oversight, or adequate time for notice and comment, rushed rules that displaced existing State laws governing horse racing and exposed jockeys and horses to unsafe conditions," the letter stated.

"Adding insult to injury, the Authority required all participants in the horse racing industry to pay assessments to cover the cost of enforcing HISA's dangerous and poorly thought-out private rules. As a final blow, the Authority attempted to cannibalize existing State personnel to implement and enforce the rules it enacted," the letter stated.

At a later point, the four-page plea continued: "If you seek a resolution that settles controversy in the industry, then you should organize discussions between all industry participants that would identify and address everyone's concerns with HISA instead of making a surprise amendment to HISA now. Several of our states are engaged in litigation regarding problems with HISA beyond the private nondelegation issue, and amendments cannot avoid continuing, costly litigation unless they are carefully tailored to resolve all concerns."

Two years ago this month, when McConnell was the Senate majority leader, he was instrumental in making sure HISA got passed by tucking it into a massive, year-end government funding bill that included a \$900-billion COVID-19 relief package.

"Enacting HISA in 2020 in vital national legislation that had nothing to do with horse racing is part of why it failed so miserably," the Dec. 8 letter stated. "Amending HISA in the

Defense Spending Authorization Act with no notice to industry participants or States will merely repeat the same flawed approach."

FIRST-CROP
SIRE RACE

DEC 10: OLAZABAL DRIVES GREEN AS SIRE

BOLT D'ORO MAKES CUT *by J.N. Campbell*

Bolt d'Oro | Sarah Andrew

First-crop leading earner **Bolt d'Oro** (**Medaglia d'Oro**) continues to stride forward. Atop TDN's board, the sire had a half-dozen chances on Friday to extend his lead over chasers **Good Magic** (**Curlin**) and **Justify** (**Scat Daddy**). Named for a Spanish golfing legend, 2-year-old colt Olazabal ratcheted up the

pressure with a tee-to-green victory in the fifth race at Turfway Park.

Looking to move up in the standings, **Justify** found the rough when his filly Prove My Love did not make the cut in the race prior as an also-eligible. Across the Pacific though, \$400,000 KEESEP sale acquisition Lap Star secured third in race 6 at Nakayama Racecourse in Japan.

That Florence, Kentucky birdie gave the Spendthrift sire an almost \$100,000 lead into the weekend over Hill 'n' Dale's own. Both had draws on Saturday with Bolt d'Oro being represented at Los Alamitos in the seventh race with \$475,000 KEESEP purchase, Navy Man; and **Good Magic** with first-timer and morning-line 5-2 favorite, Delusively in the eighth race at Golden Gate.

Sunday's final round of the weekend gives Coolmore America's **Justify** a pair of opportunities. The first could come on the dirt at Hanshin Racecourse in Japan when \$425,000 KEESEP graduate Dona Sweat debuts in the fourth race. Trying to get up and down from the newly-aerated turf fringe at Gulfstream Park will be homebred Alpha Bella. The filly is still looking to break her maiden after three races on the dirt, as she starts for the Don Alberto Stable in the seventh.

Before heading to the clubhouse, one-seed and three-seed will square off at Laurel Park in a 5 1/2-furlong allowance optional claiming sprint. That eighth race matches Bolt's \$260,000 OBSMAR Chiringo against the Triple Crown winner's well-traveled son Prove Right, who is making his 10th start of his young career. Both ran in Aqueduct stakes last out, with the latter quadruple-bogeying the Grade II Remsen S. Dec. 3 to **Good Magic**'s ace, Dubyuhnell.

toughest company throughout his career and always tried.”
Asmussen had equal praise.

“What a cool horse, he’s so versatile--could run on any surface and would run against anyone,” Asmussen said. “I love him and believe he deserves a chance at stud.”

John McMahon added that, “his combination of race record, pedigree and high regard for connections of Jeff Bloom and Steve Asmussen convinced us. You never know from where a stallion might come and his sire City Zip started in New York at \$7,500 before he moved to Lane’s End and became a leading sire. You think about iconic stallions like Storm Cat, **Tapit**, **War Front** and Into Mischief and they all stood for \$10,000 at one time, and we believe Snapper Sinclair has enough of the right ingredients to become a successful stallion.”

Flash of Mischief splashed home over a rain-drenched track to a dominant victory in the Ring The Bell S.

The blaze-faced colt was second last season in the GIII Oklahoma Derby and missed the board by little over a length in the GIII Cornhusker H. July 9 this season. After posting a career-best 104 Beyer two back in the Sept. 25 David M. Vance S. at Remington, a contest he won by over six lengths, he tried his toughest ask yet last out in the GI Breeders' Cup Sprint Nov. 5, and ultimately weakened to ninth.

Supported to 3-2 favoritism here, Flash of Mischief stalked Kavod and Chattalot as those two locked horns through :22.47 and :46.25 splits up the backstretch. Summoned for a rally midway on the bend, he was three wide when he hit the lead coming for home, and bounded away from his rivals under a single reminder from the stick passing the furlong marker.

He was geared down late and 7 3/4 lengths in front as Kavod got the best of Chattalot for second.

"He's a nice horse," said jockey Cristian Torres. "We had the perfect trip. Everything I asked, he did it. He showed up."

Flash of Mischief has a winning 2-year-old half-brother Gunflash (**Gun Runner**) in addition to MSP War Campaign. Their dam also produced Kalahari King (Arrogate), a yearling colt, and missed on a trip to **Constitution** in 2022. She went back to that stallion for next season. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Making her first start since an unsuccessful attempt over the all-weather surface in the GIII Trillium S. at Woodbine Aug. 13 resulted in a 12th-place finish, Lovely Ride returned to a sloppy main track at Oaklawn Saturday as a 9-2 shot. Sent to the front from the break, she was let go on the lead and paced the field unchallenged through a half in :48.20. Still in the clear around the turn, she only increased her winning margin down the lane, cruising under the wire to win by daylight as Coach chased her home from second. Lovely Ride's year younger half-brother, GISP American Xperiment, is the last reported foal from their graded stakes-winning dam who was bred to **War of Will** for 2023. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

A winner of his last two starts by a combined 15 1/2 lengths, Touchuponastar continued the dominance that saw him break his maiden at second asking by an eye-popping 21 1/4 lengths May 13. Still only 5-1 despite having received a career-best 95 Beyer Speed Figure last time out, the gelding was hustled to the front to dictate the tempo with little pressure, cruising through mild fractions of :24.55 and :49.34. Behemah Star posed a threat midway around the far turn but was ultimately no match as Touchuponastar responded well when given his head past the quarter pole, sprinting away to open back up on the field and hitting the wire under wraps ahead by daylight. Touch Magic produced a weanling colt by **Volatile** and was bred back to Star Guitar for a full-sibling to Touchuponastar in 2023. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Closing in from midpack, Il Malocchio inhaled her rivals to post a clear score in the La Prevoyante S.

The Franco Meli homebred was third behind Letruska (Super Saver) in the GIII Royal Delta S. early this year before failing to break through in a handful of close calls in the listed stakes ranks. Finally severing her eight-race losing streak last out Nov. 12 in the local GIII Maple Leaf S., she was crowned the heavy 6-5 favorite here.

Settling off the leaders in fifth while four off the rail at one point, she made her advance on the far turn via the overland route and assumed command at the three-sixteenths marker. She drew off under a steady drive and expanded her margin to 4 1/4 lengths in the end ahead of a stretched-out field. Silent Causeway rolled in for second from the back of the pack and Strega kept on for the last board spot. The last registered foal of racing age from his dam, Il Malocchio has a 2022 half-brother by **Lookin At Lucky**. R Adios Jersey started her career hitting the wire first six times in a row, including an 11-length romp in this event last year, but was disqualified from purse money after taking the GIII Charles Town Oaks and had failed to find the mark in her last two, most recently running sixth in the state-bred Musical Romance S. May 21 at Gulfstream. Backed to odds-on in this return, the \$12,000 OBS March bargain broke a bit awkwardly before surging to the fore and dictating terms through splits of :22.42 and :44.99. Shaking off a pair of challengers nearing the stretch, the bay gradually beat back the inside bid of Restofthestory to prevail by 1 3/4 lengths.

A maiden winner on the dirt at Churchill Downs at second asking over 4 1/2 furlongs, Late September would next cross the Atlantic to contest the G2 Coventry S. at Royal Ascot. Never a factor in the turf event, he returned to the main track at Delta Downs in state-bred company to win the Louisiana Legacy S. Oct. 19 and was last seen running third in the Joseph R. Peluso S. over a sloppy Fair Grounds track Nov. 19. Away at 5-1 Saturday for his fourth straight stakes event, Late September broke to the lead but conceded early to Half Full (Half Ours) and sat just off to pressure the pace through a :22.05 opening quarter. Back in the lead past the quarter pole, he built up enough of an advantage down the lane to hold off a closing Tumbarumba close to home. Late September's only younger sibling is a weanling half-brother by **Spun to Run** while his dam visited No Parole for 2023. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Ferguson Memorial S. at the Fair Grounds Nov. 18. The second choice on the board at 6-5, the bay contested the early pace inside of Don'tcallmepatsy (Calibrachoa), racing heads apart through an opening quarter in :22.26 before Free Drop Maddy began to inch clear. Inching away past a half in :45.36, the chestnut had it all to herself down the lane, cruising in a geared-down 4 3/4 lengths to the good of second choice Free Like a Girl. Ari Gold jumped to the front and never looked back to win the Pulpit S. in his first career black-type score.

Unveiled in a Saratoga turf maiden Sept. 3, finishing fourth behind next-out winner and eventual stakes-placed General Jim (Into Mischief), Ari Gold filled the same slot when running into GII Remsen winner Dubyuhnell (**Good Magic**) Oct. 2 in a washed-off turf maiden at the Belmont at the Big A meet.

Cont. p6

Breaking his maiden last out Nov. 6 at Aqueduct from the front end with first-time blinkers and posting a field-best 80 Beyer Speed Figure, it was second verse same as the first here--Ari Gold jumped best to set the pace from the two path, and drew clear going down the backstretch. After :24.51, :47.06, and 1:09.98 splits, Luis Saez cut his mount loose spinning into the lane and the 4-5 favorite kicked on to a 2 1/2-length victory. Lights of Broadway picked up the place and Congruent followed him in to round out the trifecta. The final time was a quick 1:27.10, less than a half second off the track record.

Ari Gold | Ryan Thompson

"I think the blinkers and a change in tactics a little bit has made a difference. He's a colt with, I think, a lot of room to continue to improve, and we're proud of him for what he's done so far," said winning trainer Todd Pletcher. "I think we'll have to look at the Kitten's Joy and give that some consideration. I'll talk to Aron Wellman and Eclipse and we'll come up with a plan. He's a big, hardy colt that seems to be taking his races well, so I'd say the Kitten's Joy is on the radar."

Margins: 1, HF, 1. Odds: 5.00, 8.00, 31.30.

Also Ran: Personal Pursuit, Delight, Isabel Alexandra (Ire), Lady Azteca, Born Dapper, Vai Bella, Heavens Express, Bel Pensiero.

A three-quarter length winner over 1 1/16 miles against open company at Keeneland Oct. 16 in her first and only start to date, Junipermarshmallow cut back in distance Saturday and broke as a 5-1 shot. Traveling comfortably in sixth while caught three wide, she hung back as Bel Pensiero did the pace-making through the half in :46.98. Steadily gaining while moving four wide around the turn, she struck the front with a furlong to run and held on despite drifting out close to home for the narrow win as Malleymoo closed in.

"I had a beautiful trip," said winning jockey Irad Ortiz, Jr. "The filly broke sharp, so I was able to sit right behind the horse to beat, Jonathan Thomas's filly [Delight]. I waited until we got to the quarter pole when I asked her, and she got the job done."

Never off the board in two prior starts at Hawthorne since breaking his maiden on debut July 23, Lookin for Bala, Saturday's even-money favorite, was forwardly placed while racing just outside pacesetter Rivzonaroll (**Good Samaritan**). Keeping the pressure on around the turn, he drove up between rivals as the field began to straighten for home and gained separation through the final furlong for the clear win. CHOCTAW ZIP (c, 2, Carpe Diem--Nomee, by City Zip), a distant fourth in his first and only start at Louisiana Downs Sept. 13, returned at 4-1 Saturday and found himself near the rear of the field after breaking sideways. Off the pace in sixth as Stuck N Snow (Mo for the Money) dictated terms up front through a :22.83 opening quarter, Choctaw Zip began to make his move around the far turn, gaining position to be third as the field swung for home. With a sustained rally from the middle of the track, he drove past Watch This Birdie (**Astern {Aus}**) in the final strides to win by a neck. Out of a half-sister to MGSW Secret Gypsy (Sea of Secrets), Choctaw Zip has a yearling half-brother by Mark Valeski still to race behind him. flashed some speed at Churchill Downs Oct. 30, breezing a half-mile in :48 1/5 (5/76), but was dismissed at 23-1 in this debut off an unassuming pair of local works. Tracking dueling leaders from third through a :22.25 quarter, the \$80,000 OBS June buy drew alongside favored Lark's Mischief (Into Mischief) passing a half in :46.65 and wore that rival down in the final sixteenth to prevail by 1 1/4 lengths. WHAT'S UP BRO (g, 2, Dialed In--Lady On Holiday {SP, \$145,452}, by Harlan's Holiday) ran fifth after a slow break and racing greenly debuting in the local mud Nov. 12 and was pegged at 21-5 in this spot. Hustled away from the gate, the gelding tracked from second through a :22.88 quarter, drew closer passing a half in :46.74, took charge in early stretch and kicked clear to an eight-length romp despite remaining on his left lead. Quick Chaos (**Unified**) completed the exacta. The winner, a half to Eagle Orb (Orb), SW, \$193,100, has a yearling half-sister by **Mo Town** and his dam revisited that stallion this

SBAGLIATO (c, 2, Quality Road--Cover Song {GSW, \$122,227}, by Fastnet Rock {Aus}), given a 5-1 shot for this debut, raced covered up on the rail in mid-pack, content to be fifth through an opening half in :47.25. Asked for his run into the far turn, he responded with a wide move at the top of the lane, drew alongside pacesetter Harbor Moon (Malibu Moon) with a furlong to run, and gained separation close to home for the 1 1/2-length win. Jeby (**Mendelssohn**) also came off the pace to be second at 15-1. Cover Song, herself a \$3.9-million RNA at the 2018 Fasig-Tipton Fall Mixed Sale, is out of MG1SW Misty For Me (Ire) (Galileo {Ire}), making her a half-sister to MG1SW **U S Navy Flag** (**War Front**) and MG1SW Roly Poly (**War Front**). She produced a yearling full-sister to Sbagliato, was barren to Into Mischief last year, and was bred back to the leading general sire for another try in 2023. OK BOOMER (c, 2, Noble Mission {GB}--Madame Dubois {Saf} {MGSW & G1SP-SAF}, by Count Dubois {GB}) was 3-1 when breaking in this unveiling, and promptly set up a stalking position from third, three off the rail. Inching closer and taking over in upper stretch after a 1:12.39 three-quarter split, Ok Boomer kicked clear passing the eighth pole and safely held a half-length margin over Hardy Choice (**Hard Spun**) to the wire. Out of an accomplished mare in her own right, the winner is her second to the races. She delivered a 2022 filly by Shancelot and went back to that stallion for 2023. Taken back to travel in fifth behind a :23.03 quarter, the gray moved up three spots past a half in :46.36, encountered a game rival in pacesetter Roll On Big Joe (Prospective), but found another gear in the final furlong and skipped clear to a four-length success. SEA THE STARS LOOMS LARGE IN FRENCH COVERING NUMBERS

Zelzal covered 189 mares, the most of any stallion in France
Haras de Bouquetot

The mighty **Sea The Stars (Ire)** seems to have had more sons retired to the National Hunt stallion division than to the Flat, and he is of course represented by some notable new recruits to the stallion ranks this year in Britain in two of his most celebrated sons, Baaeed (GB) and Stradivarius (GB).

Another son, Crystal Ocean (GB), topped the charts for the number of mares covered in Britain and Ireland in 2022, though of those 338 he of course covered predominantly jump mares at the Beeches Stud in Ireland. Over in France, however, the two busiest Flat stallions were both sons of Sea the Stars, the Group 1 winners **Zelzal (Fr)** and **Cloth Of Stars (Ire)**, both of whom are bred on the same cross with Kingmambo as Baaeed. **Zelzal** had the edge and was sent 189 mares at Haras de Bouquetot at his elevated fee of €15,000, with Cloth Of Stars covered 173 at Haras du Logis at €7,000.

The covering shed at Bouquetot was well used last spring. It may surprise some to see Hurricane Run's son **Ectot (Ire)** so well supported this year following early crops born from 2019 and numbering 43, 52 then 37. [Cont. p3](#)

GROUP 2 WINNER PERSIAN FORCE TO STAND FOR €10K

Group 2 winner **Persian Force (Ire)** (Mehmas {Ire}) will stand for €10,000 at **Tally-Ho Stud** next year, the stud announced. A winner of the G2 July S., the son of Vida Amorosa (Ire) (Lope De Vega {Ire}) was also placed three times at the highest level in the Phoenix S., Prix Morny, and the Middle Park S. He ended his career with a close fourth in the GI Breeders' Cup Juvenile Turf Sprint at Keeneland in November. The chestnut was **retired last month with a mark of 8-3-3-1** and \$350,183 in earnings.

"Persian Force is the toughest 2-year-old I've ever trained," said Richard Hannon, who trained the colt for Kia Joorabchian's Amo Racing. "He competed at the very highest level all his life and he was just so tough. He was our first 2-year-old runner on turf [of 2022] and our last 2-year-old runner on turf [of 2022], which just shows off his steeliness." [Cont. p5](#)

But his early runners, which included 'TDN Rising Star' Good Too (Fr) and the listed-placed Al Shaqab homebred Bennetot (Fr), have given his profile a real boost to the point that the well-bred dual Group/Grade 1 winner from Gerry Oldham's prolific black-type family has been lent the level of support his pedigree deserves. **Ectot** was the sixth busiest Flat stallion in France, and his studmate **Toronado (Ire)**, who is still well supported in both hemispheres, was sent 148 mares. Alongside them at Bouquetot is **Romanised (Ire)**, whose second book numbered 141, while the Group 1-winning sprinter **Wooded (Fr)**, who is at the same stage of his stallion career, covered 112.

Galiway (GB), whose Group 1-winning son Sealiway (Fr) is just about to take up stud duties in Normandy, has taken over from

Victor Ludorum | Racingfotos.com

Kendargent (Fr) as the most in-demand stallion at Guy Pariente's Haras de Colleville. The son of Galileo (Ire) was sent 170 mares, while Dubawi's leading son in France, the Aga Khan Studs' **Zarak (Fr)**, a son of the great mare Zarkava (Fr), surpassed celebrated studmate **Siyouni (Fr)** with 159 disposals; the latter, who was French champion sire in 2021, covered 132.

At Julian Ince's Haras du Logis the stallion ranks increased by two last year, with **Victor Ludorum (GB)**, one of Shamardal's three Group 1-winning juvenile colts of 2019 and later winner of the G1 Poule d'Essai des Poulains, the busiest newcomer this year on 155.

In a changing landscape on the French stallion stud scene, those sires previously standing at Haras du Quesnay have moved to various pastures new, with Intello (Ger) joining Sealiway next door at Haras de Beaumont and Recoletos (Fr) moving to Haras du Petit Tellier. **Cont. p4**

Goldikova's brother **Anodin (Ire)** had already moved last year and had a revival of fortunes in covering numbers when sent 140 mares at Haras de la Haie Neuve.

Haras d'Etreham operates a maximum book policy of 140 for its stallions, and four on the Flat roster were all in three figures, with **Almanzor (Fr)** on 129, **Hello Youmzain (Fr)** 128, **Persian King (GB)** 115, and **City Light (Fr)** 112.

The Grey Gatsby (Ire), who has been at Petit Tellier throughout his stallion career, has made an interesting start at stud with three Group 3 winners to his credit in France, Germany and Italy. His fee jumps from €8,000 to €12,000 in 2023 after a year in which he was sent 120 mares.

Motamarris training in Chantilly | Scoop Dyga

The final stallion who just sneaked into three-figure territory is certainly worthy of mention as the Shadwell-bred **Motamarris (Ire)** entered stud earlier this year just as his popular sire Le Havre (Ire) died. The latter leaves a hole in the French ranks, and Motamarris is of extra interest as he is out of an Anabaa mare of rich heritage. His dam Thamarat (GB) has two stakes-producing daughters--the dams of G1 Irish Derby winner Santiago (Ire) and treble Group 3-winning sprinter Tantheem (GB) respectively--and she is a half-sister to the underrated and now-retired Tamayuz (GB). The family also includes Group 1 winner Eshaada (GB), while Motamarris's third dam is Allez Les Trois, dam of a Classic winner and sister of two Group 1 winners, one of whom just happens to be a mare by the name of Urban Sea.

It will be very interesting to monitor the progress of Motamarris at Matthieu Talleux's Haras du Mazet near Pompadour in the heart of France. [Cont. p5](#)

His best win was in the Listed Prix de Compiègne, but his third place behind **Sottsass (Fr)** in the G1 Prix du Jockey Club and fourth behind Persian King in the G1 Prix d'Isaphan show that he wasn't too far shy of the top level and it is good to see that he has been given support in his first year at a fee of just €1,800.

Bubbling slightly under the three-figure book mark in France this year were the Colleville father-and-son duo of Kendargent and **Goken (Fr)** on 80 and 87, respectively. **Golden Horde (Ire)** covered 84 mares at Sumbe, where he has recently been joined by Mishriff (Ire), while **Gutaifan (Ire)**'s move from Ireland to Haras des Faunes in south-west France brought about a book of 82, and Haras de Bonneval's **Dariyan (Fr)** covered 73 mares.

The trainer added, "One of his best attributes was his sound of mind. He was so relaxed. You could turn him on. He was like a motorbike, you turn up the throttle a little bit, do a bit of work and then he'd come right back down.

"I can't wait to train his offspring. To think Mehmas has already produced one of our best 2-year-olds--if Persian Force does the same, I'll be in business a long time."

Fast Raaj, victorious in last term's G3 Prix Djebel, lined up for this eighth black-type start coming back off a Nov. 18 seven-furlong conditions triumph at Chantilly and doubled his stakes tally with a cozy success here. Reined back to race in rear after an alert exit, he tanked forward in the straight to go fifth passing the furlong pole and was pushed out once hitting the front with 100 metres remaining to win in ultimately comfortable fashion.

Fast Raaj, kin to the hitherto unraced 2-year-old colt Le Boss (Fr) (Almanzor {Fr}), is the second of four foals and one of three scorers produced by G3 Prix Eclipse runner-up Interesting (Ire) (Raven's Pass), herself a half-sister to Listed James Seymour S. victor With Interest (GB) (Selkirk) and to the dam of Listed Prix Yacowlef third Diabolo James (Fr) (Manduro {Ger}).
