

INSTANT COFFEE REMAINS PIPING HOT IN LECOMTE

Instant Coffee | Hodges Photography/Jamie Newell

by Alan Carasso

Al Gold had a few things to look forward to Saturday at the Fair Grounds.

Earlier Saturday morning, his multiple Grade I winner Cyberknife (**Gun Runner**) turned in the final work of his career ahead of next Saturday's GI Pegasus World Cup Invitational S., while his **Instant Coffee** (Bolt d'Oro) was looking to further cement his status as a leading light for this year's GI Kentucky Derby in the GIII Lecomte S. Cyberknife confirmed that he is on song for his career finale next weekend, and Instant Coffee followed suit with a convincing defeat of **Two Phil's** (**Hard Spun**) in the day's feature. **Confidence Game** (**Candy Ride** {**Arg**}) was a non-threatening third.

PROXY, CYBERKNIFE COMPLETE PEGASUS PREPARATIONS IN BIG EASY

Godolphin's **Proxy** (**Tapit**) and Gold Square LLC's **Cyberknife** (**Gun Runner**) figure to be the top couple of betting choices in next Saturday's GI Pegasus World Cup Invitational S. at Gulfstream Park and each tuned up for the battle with breezes over the Fair Grounds main track Saturday.

Beneath his regular work rider Arturo Aparacio, the homebred Proxy was clocked a half-mile in :49.40, but so strong was his gallop-out to the seven-eighths pole that he was actually given a time of 1:01.80 for five furlongs.

"The two important works were the last two," trainer Michael Stidham said. "This was important, but we weren't looking for anything special. We were just looking for maintenance here. He handled it well. He always is a big gallop-out horse, and the best part of the work was the finish and the gallop out. That's what we were looking for, and we got it. He cooled out well, and all is a go as of right now."

Proxy, a 5-year-old son of the versatile Panty Raid (Include), enters the Pegasus on the heels of a maiden Grade I success in the Clark H. at Churchill Downs last November, but Stidham believes that Proxy have to find yet another level next weekend. "Certainly, I feel like the Pegasus is going to come up tougher overall, a tougher race, so we have to pick our game up from the Clark," Stidham said. "I don't think we can run the same race we ran in the Clark and expect to win. I think we need to do a little bit better, and I'm hoping my horse will move forward from the Clark. That's what we need to see." **Cont. p4**

PAULING HAS A 'POTT' SHOT AT THE CLASSICS

Trainer Ben Pauling has a chance at several fillies' Classics next spring with Andrew and Jane Megson's G2 May Hill S. heroine **Polly Pott** (GB) (Muhaarar (GB)).

“Essential Quality has everything for me. He was tough and won eight of his 10 starts. Champion two-year-old and three-year-old and a great pedigree blend that complements his good looks. I plan to use him all four years. And beyond.

With a victory aboard *Broadway Force* in Saturday's fifth race at Gulfstream Park, jockey Junior Alvarado recorded the 2000th riding victory of his career. "It seems like a whole year since winning a race," said the 36-year-old who had gone winless in his 10 starts since winning his 1999th race Jan. 18. "I wanted it so bad. It seems like I was riding against 10 horses for each horse I was riding. Maybe I was overtrying. Today, I had a mindset to take it race by race, take it easy and not overdo anything." | Gulfstream Park

Lecomte S. cont.

Drawn one from the outside in a field reduced to six by the scratches of **Itzos** (Bolt d'Oro) and **Tapit's Conquest** (**Tapit**), Instant Coffee was outrun through the early stages and cabooseed the field into the first turn, as '**TDN Rising Star**' **Echo Again** (**Gun Runner**) set a reasonable pace inside of **Bromley** (**Mastery**) and Confidence Game three out. Detached from the leading quintet down the backstretch, Instant Coffee was asked to improve at the 3 1/2-furlong pole and was poised to pounce after following the three-wide move of Two Phil's into the stretch. Produced five off the fence by Luis Saez entering the final quarter-mile, Instant Coffee raced up to Two Phil's at the eighth pole and pulled away late to score comfortably. The final time was fractionally faster than that recorded by older males in the GIII Louisiana S. one race prior, albeit with an entirely different race shape. Echo Again was eased in upper stretch, but was reported to be 'fine' according to a tweet from Winchell Racing Manager David Fiske.

"I really liked the way [Instant Coffee] picked them up at the three-eighths," Cox said. "He's a really sound horse with a good mind. Hopefully we can keep him happy and healthy. You have to be able to put them on a van, ship them around. That's what good horses are going to have to do. You can't have any excuses. This horse has been able to do that, but right now I'm pretty content with keeping him right here."

A \$200,000 Keeneland September yearling, Instant Coffee turned in a 14-1 surprise on seven-furlong debut at Saratoga Sept. 3 and held his own when making his first start around two turns in Keeneland's GI Claiborne Breeders' Futurity Oct. 8, just missing third when seven lengths adrift of champion-elect '**TDN Rising Star**' Forte (**Violence**). The 3-2 chalk in Churchill's GII Kentucky Jockey Club S. Nov. 26, the dark bay rallied from the latter third of the field and overcame a wide trip to take it by a little more than a length.

Pedigree Notes:

Sagamore Farm purchased Follow No One for \$100,000 at the 2016 OBS April Sale and raced her to a pair of victories and a third-place effort in the Alma North S. at three. Offered at the 2018 Keeneland November Sale, Follow No One was bought back on a bid of \$95,000 and visited this stallion as a maiden mare in early 2019.

Instant Coffee's second dam was one of eight winners from the first crop of Empire Maker and became his first black-type winner when taking out the 2007 Anna M. Fischer Debutante S. at Ellis Park for KatieRich Stables and Christopher Connors. The dam of GSW Nootka Sound (Lonhro {Aus}), Miss Red Delicious is a half-sister to four-time Grade III winner and GI Kentucky Oaks third Lady Apple (**Curlin**); SW & GSP Dr. Diamonds Prize (Pure Prize); last year's GIII Matron S. victress American Apple (**American Pharoah**); and to the dam of Korean MSW & GSP Raon the Fighter (Kor) (Bayern).

Follow No One is the dam of a 2-year-old filly by **Frosted** and is due to **Maclean's Music** for her 2023 foal.

Pegasus Workers cont. from p1

Proxy | Coady

Cyberknife has not been seen since finishing a bang-up second to Cody's Wish (**Curlin**) in the GI Breeders' Cup Dirt Mile Nov. 5 and was a bit sharper in his move Saturday, covering the five furlongs in 1:01 flat with Florent Geroux up. The 4-year-old, who is scheduled to retire to Spendthrift Farm following the Pegasus, was out three-quarters of a mile in 1:13 2/5.

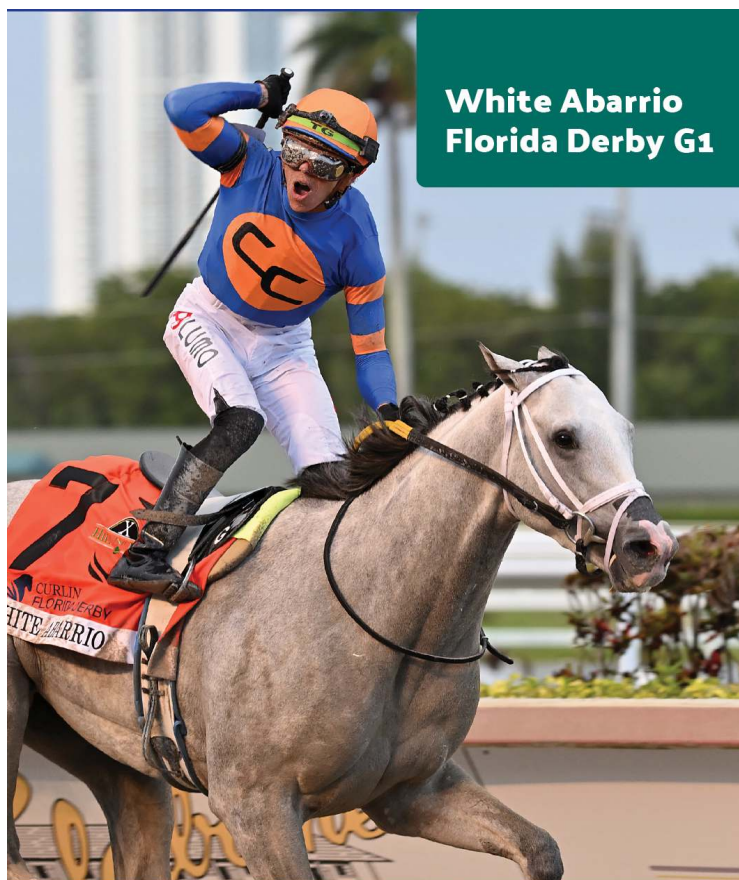

"It was a good work," Geroux said. "He's always been a good work horse. So for him, it was just a maintenance work and keeping him busy and fit. He's had plenty of time to get ready and now we're a week from the race."

Geroux added, "The horse is definitely maturing now. He's stronger physically. I think he put on some weight. He's developing very nicely and made another step forward over the winter, physically and mentally. So we're hoping he's better than he was last year."

The Pegasus horses due from California also tuned up Saturday in the Golden State. **Defunded** (**Dialed In**), last year's GI Awesome Again S. hero, breezed five furlongs in :59.40 for two-time Pegasus-winning trainer Bob Baffert, while GI Cigar Mile H. runner-up **Get Her Number** (**Dialed In**) went a similar distance in 1:00.60 at San Luis Rey Training Center. **Stilto Boy** (Shackelford) worked five-eighths of a mile in 1:04.60 for trainer Steve Moger at Golden Gate Fields.

In Arkansas, **Last Samurai** (**First Samurai**) went five furlongs in :59.40, and in Florida, **Skippy Longstocking** (Exaggerator) went a half in :50.45 at Palm Meadows and **Simplification** (**Not This Time**) drilled five furlongs in 1:00.22 at Gulfstream Park.

The progressive Happy American lost his first seven starts at the Fair Grounds, but put pay to that streak with a convincing victory in the Tenacious S. Dec. 26 and made it two in a row with a first win at the graded level in Saturday's GIII Louisiana S.

A noted back-marker, the bay--racing as a gelding for the first time--dropped out to the tail of the field soon after the start as Forza di Oro lobbed them along through an opening quarter-mile in a pedestrian :25.01. Heavily favored 'TDN Rising Star' Zozos (Munnings) was content to track the modest tempo from second. Still last but one down the backstretch, Happy American and his late-running style seemed to be at a decided tactical disadvantage, with Forza di Oro continuing to have things very much his own way on the front end.

Going well on the turn, Happy American began to make some ground in hand, but James Graham was forced to go for his mount a few strides sooner than ideal when Intrepid Heart (Tapit) went for a wide sweep nearing the straight.

Having endured the dirtiest of dirty beats behind Chess Chief (Into Mischief) in the 2021 Tenacious, Happy American was fifth to Olympiad (Speightstown) in the GIII Mineshaft S. and in the GII New Orleans Classic S. before getting some time off. A comebacking third in Churchill allowance company Nov. 13, Happy American had a 2 3/4-length bulge on Mr Wireless last time out.

BAFFERT: CDI 'APPEARS TO MISUNDERSTAND' ITS OWN DERBY QUALIFYING RULES

Bob Baffert with Derby Trophy at Churchill Downs
Coady Photography

by T.D. Thornton

Responding to a legal filing in which Churchill Downs, Inc. (CDI), alleged that a court-mandated lifting of Bob Baffert's ban from competing in the GI Kentucky Derby would **harm the connections** of other qualifying points earners who would "lose their fairly-earned berths in the Derby to make room for Baffert," the Hall-of-Fame trainer's legal team fired back with a written response on Friday claiming that CDI "appears to misunderstand its own rules," regarding the qualifying system.

"CDI argues that an injunction would force it to 'reallocate' points and 'deprive' owners of their existing 'berths,'" Baffert's Jan. 20 filing in United States District Court (Western District of Kentucky) stated. "CDI's rules vacate points earned by Baffert-trained horses; it does not redistribute them."

CDI, in its Jan. 17 filing that urged a federal judge not to grant an injunction that would lift the ban in time for the May 6 Derby, had brought up the issue of Derby points as an example of purported harms to others.

The CDI filing had alleged that an injunction and possible points reallocation would "retroactively" deprive "innocent third parties, who have played by the rules."

The Baffert filing took umbrage with that position, stating that, "an injunction here would simply require CDI to recognize existing merit and permit owners to earn qualifying points under Baffert (rather than with different trainers), it would not take away from others."

At a later point, Baffert's filing stated, "CDI fails to address how existing rules applicable to all trainers are insufficient to protect its qualifying structure, given that a condition of receiving points is compliance with that race's medication rules. **Cont. p8**

"In addition, CDI's decision merely to vacate the points awarded to a horse who fails a drug test in a Derby-qualifying race rather than to refuse the horse's or trainer's entry belies its claim that banishment is the only means by which it can protect its business and reputation when a medication violation associated with the Kentucky Derby occurs," Baffert's filing continued.

The disagreement over Derby qualifying points is only a small part of a wider-ranging, much more complex lawsuit.

Baffert is attempting to reverse the second year of a two-year ban CDI imposed in 2021 because of a string of drug positives in horses he trained, including two in CDI's most prominent races, the 2020 GI Kentucky Oaks and the 2021 Derby.

Baffert's trainees have crossed the finish wire first a record seven times in the Derby.

But it was that seventh Derby winner—Medina Spirit—who triggered Baffert's banishment by CDI when the colt tested positive for betamethasone, a Class C drug, in a 2021 post-Derby test.

CDI told Baffert in June 2021 that he would be ineligible to race at its six U.S. tracks until after the 2023 Derby, and that any horse that raced under his training license would not be eligible to accrue qualifying points to get into the 2022 or 2023 Derbies.

Baffert had initially sued CDI on Feb. 28, 2022, alleging civil rights violations related to what Baffert said was a deprivation of his right to due process of law guaranteed under the Fourteenth Amendment.

Separately, Baffert fought unsuccessfully in the courts to try and stave off a 90-day suspension for Medina Spirit's drug overage that had been imposed upon him in February 2022 by the Kentucky Horse Racing Commission (KHRC). As a result, he had to transfer his stable to other trainers and did not get to saddle any horses in the 2022 Derby while serving his suspension.

And even though that KHRC suspension has already been served, Baffert is appealing that ruling in an effort to expunge the violation from his record and to reverse Medina Spirit's disqualification.

Baffert **renewed his court quest** to run in the 2023 Derby on Dec. 15, 2022, asking for an injunction that would "work no hardship" on CDI.

The two sides have been trading court filings over the past week in preparation for a Feb. 2 preliminary injunction hearing.

The Jan. 17 filing by CDI had stated that, "Baffert refuses to accept responsibility for his wrongful actions [and now], as the two-year anniversary of his CDI suspension approaches, Baffert has renewed his motion in a brazen attempt to litigate his way into the 2023 Kentucky Derby. This belated, tactical, and meritless motion should meet the same fate as his prior unsuccessful efforts to challenge his suspension." **Cont. p9**

Baffert cont.

Baffert's legal filing from Jan. 20 stated that CDI's written response "addresses claims and inferences that bear little to no resemblance to Baffert's arguments. In the select instances CDI attempts to address Baffert's assertions directly, it deflects attention to inapposite cases. Baffert's arguments are meritorious on their own terms, and CDI's attempts to lead this Court astray should fail."

Howie Teshar Passes Away cont.

"He was happy right up to the end," David said. "There was no patient there like him. He was always grabbing the girls and giving them hugs. When he passed, there was a stream of employees coming by to kiss him goodbye."

Teshar was born in 1935 in Miami and was a journalism major in college at the University of Miami. Out of college, he worked in his brothers' dental clinic, but soon discovered that he preferred to spend his time around horses, even though he was allergic to them.

Teshar ran his first horse at the old Tropical Park in 1961 and won his first race in 1962 with Weeper's Boy at Suffolk Downs. He trained for such prominent owners as Joseph Allen, Telly Savalas and George Steinbrenner.

"I got my assistant's license with Howie after I left Pat Byrne," said trainer Steve Margolis. "He treated me like a son. I went through a divorce while I worked for him and that was hard on me because I was young. He was always really helpful and was a really personable person. I worked for him for seven, eight years and it was a great job and I learned a lot from him. He was a kind man and a friend to a lot of people."

"Howie was one of the nicest people I ever met on the track," said former jockey agent turned lawyer Drew Mollica. "He had a great sense of humor and was a guy who knew how to train a horse. Racing and the human race will miss him. He was a great stand-up guy in a game with far too many not stand-up guys. I'm proud to say he was my good friend. Rest his soul."

According to Equibase, Teshar had career earnings of \$31,247,483. In terms of earnings, his top horse was Bolshoi Boy, who made \$1,039,702 and won the GII Cornhusker H. and the GII Razorback H. in 1987. He also won the 1986 GIII Illinois Derby in 1986.

Teshar won the 1997 GI Man o'War S. and the GI Caesar's International H. in 1997 with Influent. He won the 1986 GI Washington D.C. International with Lieutenant's Lark and the 1993 GI Florida Derby with Bull Inthe Heather. He took over the training of 1982 GI Kentucky Derby winner Gato Del Sol after the horse was transferred from the Ed Gregson barn. Teshar's Champagneforashley won the 1990 Tampa Bay Derby and then finished third as the favorite in the GI Wood Memorial, which was his last career start. Champagneforashley was being pointed for the GI Preakness S., but suffered a career-ending injury two days before the race.

According to equineline.com statistics, which go back only to 1976, Teshar had 51 graded stakes winners. He started his last horse on May 2, 2014 at Gulfstream.

PRACTICAL MOVE BACK TO WORK

Practical Move | Benoit

Practical Move (**Practical Joke**), upset winner of the GII Los Alamitos Futurity Dec. 17, returned to the worktab for the first time since at Santa Anita Saturday morning, drilling a half-mile in a strong :47.80 (7/60). Trainer Tim Yakteen told the Santa Anita press office that the bay colt--bred by Chad Brown and Head of Plains Partners--'moved well' in the work.

"We'll give him a few more works and see where we're at, but we're looking at sometime in late February or early March," said Yakteen. "We have a few options." The conditioner indicated that there is a possibility Practical Move could ship out of town for his sophomore debut.

Should he remain local, the \$90,000 Keeneland September buyback turned \$230,000 OBS April breezer could take in the traditional GI Kentucky Derby preps in the GII San Felipe S. Mar. 4 en route to the GI Santa Anita Derby a month farther down the road.

Yakteen, who was the trainer of record for '**TDN Rising Star**' Taiba (**Gun Runner**) and Messier (Empire Maker) in last year's Run for the Roses, is looking forward to potential return trip to Louisville.

"Anytime you have a nice 3-year-old in the barn it's always exciting," he said.

BASIN REPRESENTED BY FIRST FOAL

Basin | Lauren King

Basin (**Liam's Map**), winner of the GI Hopeful S., was represented by his first foal Jan. 17 when a filly was born at Hardin Farm in Paris, KY.

Bred by Patrick Crowley, the dark bay filly is the first foal out of the **Honor Code** mare Dressed Up.

Campaigned by Jackpot Farm, Basin broke his maiden at Saratoga before going on to score a runaway 6 1/2-length victory in the meet's premier race for 2-year-old colts--the Hopeful S.

As a 3-year-old, Basin began the year on the Kentucky Derby trail, finishing runner-up to **Charlatan** in the GI Arkansas Derby after hitting the board behind Nadal in the GII Rebel S. at Oaklawn.

The first Grade I winner by Liam's Map, Basin hails from the multiple stakes-producing Johannesburg mare, Appenzell. An earner of \$573,640, Basin is set to stand his second season at stud for a fee of \$5,000 S&N.

StrideSAFE is 'a biometric sensor mechanism that slips into the saddle cloth to detect minute changes in a horse's gait at high speed.' The changes are said to be undetectable to the naked eye and are recorded in a stoplight fashion--green for all clear, varying shades of amber as warnings for possible lameness issues and red for the most potentially serious injuries.

In a study conducted by the New York Racing Association of 6,600 starters in 2022, it was reported that the StrideSAFE technology accurately detected 90% of all the catastrophic injuries. The Rillito study aims to identify horses the Track Regulatory Veterinarians should examine before they run.

The testing of 1,000 Thoroughbreds and American Quarter Horses during the meet is estimated to cost \$45,000. Though the technology has only been applied to Thoroughbreds thus far, Quarter Horses will be included at Rillito. Following the research, American Quarter Horse tracks could employ the StrideSAFE sensors across the country.

QUALITY ROAD'S FIRST DEFENDER EARNS 'RISING STAR' NOD ON DEBUT

First Defender | Hodges Photography

Gunned to the front from a middle gate by jockey Tyler Gaffalione, **First Defender** (3, c, **Quality Road**—Love And Pride, by A.P. Indy) withstood pressure on all sides and a contested early pace at the Fair Grounds to become the newest 'TDN Rising Star' Saturday.

Off sharply, the colt found himself sandwiched between horses from the opening strides with **Pinfire** (Bolt d'Oro) to his inside and **Golden Nugget** (**Mendelssohn**) off his outer flank. The trio quickly separated themselves from the rest of the field as they sped through an opening quarter in :21.48. Still bunched together as they rounded the far turn, the race became a question of who could withstand the pressure. First Defender answered to the affirmative, striding away past the furlong marker and opening up close to home for the 5 1/4-length win as the 4-5 favorite. Longshot **Quaternion** (**Union Rags**) closed to be a clear second.

Out of a dual Grade I-winning dam in Love And Pride, a \$4.9- million purchase by Three Chimneys out of the 2013 FTKNOV sale, First Defender is already a half-brother to a pair of stakes winners in Princesinha Julia (Pioneerof the Nile), SW, \$111,053; and Bella Runner (**Gun Runner**), SW, \$238,125. Third dam Cara Rafaela (Quiet American) is responsible for the late MGISW and leading broodmare sire Bernardini (A.P. Indy). Love and Pride produced a filly by **Volatile** in 2022 and was not bred for 2023.

First Defender is the 14th 'TDN Rising Star' for **Quality Road**.

9th-SA, \$67K, Msw, 3yo, f, 6 1/2ft, 7:29 p.m.

Debuting Sunday out of the Richard Mandella barn, **RUBY NELL** (Bolt d'Oro) put in a flashy breeze at the Fasig-Tipton Gulfstream Sale, bringing \$1.2 million from Spendthrift Farm. A daughter of last year's leading first-crop sire, Ruby Nell is out of a half-sister to MSW & GSP Concealed Identity (Smarty Jones), who went on to produce SW & GSP Peach of a Gal (**Curlin**). Quick on the main track, she's posted a trio of drills since the New Year, including her most recent gate work--three furlongs in :35 4/5 (2/12).

Debuting among a well-bred group of fillies in this two-turn event, **BOMBA NERA** (**War Front**) is out of a half-sister to GISW and Hill 'n' Dale stallion **Violence** (**Medaglia d'Oro**). Out of the Todd Pletcher barn for Sumaya US Stables, she picks up jockey Irad Ortiz, Jr.

Breaking to her outside is **Tar Heel Girl** (Into Mischief), a homebred for Town & Country Horse Farms out of the MGSW & GISW Upperline (Maria's Mon), making her a half-sister to SW War Secretary (**War Front**) and GSP Reigning Spirit (**War Front**). Training on the turf at Palm Meadows, Tar Heel Girl enters with a bullet work Jan. 13, going five furlongs on the grass in 1:02 1/5 (1/17).

From the extended family of the late leading sire Empire Maker (Unbridled) and GSW & MGISW Chester House (Mr. Prospector), **Just The Sky** (**Justify**) also traces back to GISW Honest Lady (Seattle Slew) and her offspring GISW First Defence (Unbridled's Song) and 'TDN Rising Star' **Honest Mischief** (Into Mischief). Her dam is a half-sister to the dam of MGSW & MGISW Honorable Duty (Distorted Humor). Just the Sky races for Chad Brown and gets Jose Ortiz in the irons.

A daughter of MGISW Dacita (Chi) (Scat Daddy), **Doral** (**Quality Road**) brought \$575,000 as a yearling at Keeneland September. Her dam, purchased by Don Alberto Corp. for \$1.85 million at FTKNOV '17, is a half-sister to champion 2-year-old filly in Chile Dafonda (Chi) (**Lookin At Lucky**) and champion imported 2-year-old filly in Peru Lady Estefania (Chi) (Powerscourt {GB}). Prince of Jericho rolled into his 2023 sophomore season with a stylish victory in the Spectacular Bid S. at Laurel Park.

Third on debut last year behind SW Post Time (Frosted) in an off-the-turf baby dash at Laurel Park, the dark bay had his victory parade next out when he came home an emphatic

11 3/4-length winner in a six-panel maiden sprint at the venue Oct. 28. Again an open length winner when taking on optional claiming company two back over a next-out winner, he had to settle for second in the local Heft S. behind familiar foe Coffeewithchris.

Biding his time after the jump in fourth, and racing with first-time Lasix, the narrow 9-5 second choice watched it all unfold as his old rival pressured two others. Angled out for his rally and cruising from the four path, Prince of Jericho assumed command to the outside of Coffeewithchris entering the lane and steadily pulled away under left-hand urging in midstretch. The winner gave his conditioner the sweep of the sophomore stakes on the card as well as a double for his sire.

"I don't know. We might consider going along with the progression of these races," winning trainer Brittany Russell said. "We'll just see how he comes out of it. I don't necessarily want to run him back in three weeks again but more distance might be in his future."

The flag bearer for a young mare, Prince of Jericho is her first winner and black-type earner. Golden Review has a 2-year-old filly by Distorted Humor as well as a yearling colt by English

Surveillance drew in thanks to the rain, and drew off late, to score a third-straight stakes victory at Fair Grounds and up his record to five-for-five on the NOLA dirt. Having earned back-to-back career-best Beyers of 95 and 102 when taking the Thanksgiving Classic S. Nov. 24 and Richard R. Scherer Memorial S. Dec. 26, the favored grey gelding was content to caboose the field early under James Graham. He inched closer while out wide heading for home, but rather than continue on that outside path in the stretch, Surveillance dove towards the inside and made his run up the fence to head back to a familiar winner's circle.

The winner has a 2-year-old **Summer Front** half-brother and a yearling half-brother by Vekoma. His dam fetched just \$6,000 last Keeneland November while in foal to **Flameaway**. Surveillance was just stakes-placed at the time. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Davis S. winner, made just one start in 2022--a local optional claiming victory here almost a year ago over an additional furlong. Given a 7-5 chance to successfully shake off the cobwebs, the dark bay chased three deep, asserted leaving the turn while traveling very strongly in hand, and cruised home impressively to cement himself as much the best. Paco's Pico completed an exacta for **Candy Ride**. The winner has an unraced 3-year-old half-sister named Active Lane and a yearling full-sister. Bumped in the beginning, the grey raced in a reserved sixth early before making his way into cover for the lion's portion of the contest. Aching for racing room on the far turn, he tipped out for his run and bumped into Remote (**War Front**) passing the eighth pole. Muscling his way through a cavalry charge in midstretch, he took command and drew away from Ajaaweed (**Curlin**) as that one doggedly held on for second as the second longest shot on the board. DETERMINEDLY (c, 3, [Cairo Prince](#)--[Bailzee](#) {SP, \$152,580}, by [Grand Slam](#)) proved he was aptly named when he jumped to the front with first-time Lasix, put up all the fractions behind a six-panel split in 1:13.01 and just held off the furious charge of even-money favorite [Tapit](#)'s [Conquest](#) ([Tapit](#)) in his sophomore bow. A bobbling third last out Dec. 26 in the local [Gun Runner](#) S. at this distance, he broke his maiden by 7 1/4 lengths two back going seven furlongs, and just missed graded black-type over the Saratoga lawn when he ran a troubled fourth in the GIII With Anticipation behind stablemate [Boppy O](#) ([Bolt d'Oro](#)), graded-stakes runner [Battle of Normandy](#) ([City of Light](#)) and GSW Andthelwinneris ([Oscar Performance](#)), who also contested the [Gun Runner](#). Winding up just before the far turn, the homebred skimmed the fence, put himself into contention at the top of the stretch after angling out into the three path and displayed a nice turn of foot to catch Carl Spackler (Ire) (Lope de Vega {Ire}) just before the wire to win by a head. California Aftercare Partner Storm Damage Aid

Over the past 3 weeks, California has experienced unprecedented rains. TAA Accredited Aftercare Organization Square Peg Foundation and the property we lease on Half Moon Bay's Hwy 92 has been severely affected by those rains. On Friday, January 12, 2023, a giant sinkhole formed on Hwy 92 significantly limiting access for our families, interns and volunteers.

The driveways to the ranch have undergone extensive water damage and downed trees making access difficult and dangerous. In addition to interrupting the services we provide to a vulnerable population of humans, even getting employees safely in and out of the property has become a struggle.

Square Peg Foundation has the opportunity to move our operation and horses to a safer and more accessible facility at Ocean View Farms in the Golden Gate National Recreation Area. While we had plans to make this move over time, for right now we just need to get horses to a place where we can safely care for them and to attend to our clients.

The move will cost critical operating funds. Horses will have to be mindfully transitioned to their new home and given time to acclimate, fencing will have to be built, and our program fees from serving families in need will be cut dramatically for the next few months.

Our initial goal of \$60k will go toward these immediate infrastructure needs and program fee losses.

What we can promise in return is that Square Peg will continue to actively promote the use of OTTBs in our program. We can definitively illustrate, speak to, publish and evangelize how thoroughbreds are uniquely qualified for the work we do, and how we can run a program that benefits the animals, the families we serve, our local community, and the racing industry with integrity and accountability.

We are grateful for your support as we look to the future with hope and excitement, even if the short-term looks daunting.

BROADWAY FORCE (f, 4, Violence--Kincardine, by Fusaichi Pegasus) was last seen over 15 months ago when third in her only prior start in Oct. 2021 at Belmont. Off at a well-backed 5-2 with first-time Lasix off the long layoff, she settled in fourth in an outside position up the backstretch, chasing Gamble's Orb (Orb) while moving three wide into the far turn. In command as the field straightened for the wire, Broadway Force built a clear advantage and held on over a closing Inviting (**Union Rags**) to win by three-quarters of a length. Out of a half-sister to the dam of MGSW and sire **Flameaway** (Scat Daddy) as well as the dam of MGSW Tiz A Slam (Tiznow), Broadway Force traces back to MG1SW Salsabil (Ire) (Sadler's Wells), and G1 St. James's Palace S. winner Marju (Ire) (Last Tycoon {Ire}). TRANSECT (c, 3, Gun Runner--Divine Escapade, by A.P. Indy) added another mark to OXO Equine and Paulo Lobo's recent local tallies with a smart win on debut here. The narrow 7-2 favorite by the time the gates opened, the \$300,000 KEENOV weanling purchase settled near the back and to the outside of the field through the turn, went three wide coming into the lane, and easily kicked home to win by two lengths over fellow firster Metatron's House (Flatter). A half to a talented pair of black-type runners in King of the Court (**Speightstown**), SW, \$256,656 and Runway Magic (**Runhappy**), SP, \$220,030, Transect has a pair of half-brothers--a 2-year-old by **Good Magic** and a yearling by **Curlin**. The winner's dam most recently visited Goldencents. Lifetime Record: 3-1-0-0, \$41,506.

SWEET ALYSSA (f, 3, Union Rags--Scatter Gun, by Scat Daddy) was dismissed at higher than 13-1 for her typically patient conditioner as the bulk of tote attention was on \$1.1-million yearling and fellow firster Evergrande (**Uncle Mo**). Showing a bit of cruising speed early, the homebred was shuffled back a couple spots into the turn while in between horses among a tight bunch. Stuck behind foes in upper stretch as Evergrande fought her way to the front, Sweet Alyssa found a seam midway down the lane and finished feverishly down the center to collar the chalk late and don cap and gown by 3/4 of a length. Super Luxe (**Candy Ride {Arg}**), a \$725,000 yearling, was chilly on the board and showed no speed before rallying for fourth. The winner, a granddaughter of MSW/MGSP Turkappeal

A \$385,000 OBSAPR 2-year-old, the heavy 3-5 choice had a troubled beginning, breaking awkwardly and taking back off of heels to trail the field through the opening half in a slow :49.59. Kept several paths off the rail, he began his pursuit of the top pair with a sweeping four-wide move around the far turn, rallying into contention while shifting inside past the quarter pole. Mo Hope (**Mo Town**), part of the pace throughout, hung around for the exacta but was 3 1/2 lengths behind Cagliostro at the wire. PAULING HAS A POTT SHOT AT THE CLASSICS

Ben Pauling is now training Group 2 winner Polly Pott
Racingfotos.com

By Catherine Austen

When Ben Pauling agreed last summer to train a couple of Flat horses for Andrew and Jane Megson who already had their string of jumpers with the Cotswolds-based 39-year-old, he had no idea what was coming.

Pauling says, "Harry Dunlop had told them that he wasn't going to be training next season. The conversation went along the lines of, 'We've got a nice, big, backward 2-year-old colt who needs gelding and then he should be lovely for next year. And we've got a little filly who has run well to win a maiden and a nursery; she's not overly big and has been relatively well-placed. Would you contemplate training them both for us? I said I'd love to.'"

The filly, **Polly Pott (GB)** (Muhaarar {GB}) was due to run at Salisbury shortly afterwards, where she won again. Three weeks after that, she defied odds of 40-1 to take the G2 May Hill S. at Doncaster, and went on to finish fourth in the G1 Fillies' Mile at Newmarket, staying on despite meeting trouble in running. Just like that, the Megsons had a Classic prospect on their hands.

Pauling continues, "Andrew and Jane aren't in it as a business, it's very much their hobby, and they were offered some serious money from various different people for her. But it was never a question, they were not going to sell, because they'd told me I was going to train her next year." **Cont. p3**

LOPE DE VEGA'S AL AGAILA PREVAILS IN LINGFIELD'S WINTER OAKS by Tom Frary

Sent off the 10-11 favourite for this Winter Oaks having won the course-and-distance Winter Oaks Trial with ease last month, Al Agaila (Ire) tracked the leading trio throughout the early stages. Earning the advantage approaching the furlong pole, the bay held on to score by a head from **Morgan Fairy (Ire)** (Lope De Vega {Ire}).

Simon Crisford said, "It was a tactical race and she would have benefitted from a stronger pace, as I think a real strong gallop will see her to better effect. Throughout the summer, she started growing and we had to give her some time, but she is doing very well now. We will speak to her owner Sheikh Khalid [bin Hamad Al Khalifa] and see if he is interested in coming back here for the [Feb. 25 G3] Winter Derby. We will be running against Pyledriver (GB) (Harbour Watch {Ire}) and Lord North (Ire) (Dubawi {Ire}), so it will be like the [G1 King George all over again! Entries for Dubai World Cup Night close on Monday and she will certainly get an entry for the [G1] Dubai Turf." **Cont. p5**

Ben Pauling Cont. from p1

He added, "I said, 'You guys really can--if you want to sell her on and cash out, you must.' 'No no no, that is not an option, she cost us £21,000 and she owes us nothing, so let's just enjoy her', they said.

"A lot of people have said to me, 'Are you nervous--would you have taken her on if you had known how good she is?' Of course I would," he says emphatically. "It doesn't matter whether you are training Flat or jumps horses, you want the best you can deal with. The better horses just make your job easier.

"It will be a lot of fun, but it will be taken very seriously. I already have a very detailed plan for her training regime. While we all know that the best-laid plans don't always come to fruition, we will try to follow a route towards having her ready to run in the Guineas. She may not have the speed for a quick-ground Guineas; if it came up soft I think she would, but I do think she will stay the mile and a half. She has done brilliantly well over the winter--she's grown and she's a lot stronger.

"We are very fortunate to be in this position. Some of my friends in the industry who train Flat horses probably can't quite believe that we've got her, but it's only a situation that has occurred. It isn't that I deserve a horse of this calibre or have produced results to get a horse of this calibre, but I have got a very loyal family in the Megsons who support me and believe in what we do, and that goes a long way."

Ben Pauling

Andrew Megson (r), with Polly Pott and jockey Danny Tudhope
Racingfotos.com

Pauling, a former assistant to Nicky Henderson, started training in 2013 and has an eye-catching career to date. He has three Cheltenham Festival winners to his credit, starting with the G1 Neptune Investment Management Novices' Hurdle victory of Willoughby Court (Ire) (Court Cave {GB}) in 2017. Le Breuil (Fr) (Anzillero {Fr}) took the National Hunt Chase in 2019 and last year Global Citizen (Ire) (Alkaadhem {Ire}) gave Andrew and Jane Megson their first Cheltenham victory in the G3 Grand Annual Chase, a race the 11-year-old will target again in March.

"That's the only time I have cried on a racecourse," admits Andrew Megson, who came across Pauling when he was looking to change trainers around six years ago. "We actually got our daughter Lily to visit a few yards, and she went and met Ben at his old yard. She said, 'I really like this guy. He's young and on his way up. His yard [at the time] is not a palace, but he really looks after the horses.' Since then, we've got to know him and his team very well. We think Ben is a brilliant trainer, and we admire people who have ambition and take risks."

If Global Citizen's Festival success brought him to tears, Polly Pott's May Hill win was equally mind-blowing.

"The world went mad that afternoon," West Yorkshire-based Megson says, the joy audible in his voice. "We couldn't stay and celebrate because we had to attend a charity function in Manchester, but on the way there the phone rang off the hook. Everyone wanted to buy her, or to sell her for us--it was almost bizarre. But the bottom line is, we'll never have a Flat horse like her again. In racing terms, she's the needle in the haystack."

Megson had already discussed the idea of having some runners on the Flat with Pauling; perhaps buying some breeze-up horses with staying pedigrees that might start on the Flat and then change codes. More fun than summer jumping, anyway. [Cont. p4](#)

IN THE MAKING**

Matty Too is another horse racing for the Megsons in Pauling's yard
Tattersalls

Ben Pauling Cont.

He added, "Then Harry Dunlop told us before the May Hill that he was retiring. Jane and I didn't really want to forge another relationship with a trainer, so I rang Ben and asked if he fancied taking them."

As well as Polly Pott and the now-gelded "backward" **Bingley Crocker (Ire)** (Bungle Inthejungle {Ire}), whom Megson says has grown two inches over the winter, Pauling will also handle four-time winner **Matty Too (GB)** (Matt {GB}). The 4-year-old gelding bought from the Tattersalls Horses-In-Training Sale last autumn, largely to be Polly Pott's lead horse although he will race as well, of course, and **Wind River (Ire)**, a **Sioux Nation** 2-year-old the Megsons bought at Goffs last year. The owner thinks that, in total and including some stores, they have 23 horses, all with Pauling.

He says, "We think Ben's a top, top trainer. He cares for the horses and I can't see how anyone could get more out of Polly than Ben. His new yard is stunning. You can see how happy the horses are--and they are winning."

Pauling's lanky, baseball-capped form is folded into a sofa in the first-floor office overlooking his yard at Naunton Downs, into which he moved in April 2022. It is late afternoon and the stable lights glow through the steady rain as dusk falls. It has everything you'd expect from a training establishment: 94 stables, walker, trotting ring, school, round gallop, hill gallop, tack rooms, rug rooms, canteen, and so on. However, it looks more like Soho Farmhouse for horses than, say, the yard belonging to Nigel Twiston-Davies a mile away across the valley. Everything is new, everything is high-spec and everything is designed and built exactly to Ben and his wife Sophie's specifications. When his highly efficient secretary Hannah

Vowles shows me around, she points out the flooring in the boxes, which feel like walking on a memory-foam mattress--which is what they are.

"They were developed in Ireland for cattle parlours, and when our assistant trainer Tom David spent some time at Henry de Bromhead's a few years ago, who has them, he came back raving about them. In short, they consist of a rubber-filled lilo layered with rubber crumb to level it, topped with 20mm of memory-foam mattress and then a high-tensile runner sheet which is sealed to the floors and walls. We think we are the only big establishment in the UK to have them. The horses seem much warmer and definitely lie down more," explains Hannah.

All the stables have a double vista, so the horses can see out of the back as well as the front of their boxes, and 30 of them have an outside pen in which to mooch about if they choose, and there are many more interesting and carefully-thought out details. If the rented yard a few miles away in which he spent the first nine years of his training career wasn't a palace, this is about as close to one as it gets.

Pauling explains, "Sophie and I were looking for somewhere to buy, because we had been renting and we knew we wanted to own our own yard. We tried to buy various farms in the area and kept losing out, mainly to London money. A few years back an owner of mine had said that if I ever had designs on owning my own yard, that she was sure that the Naunton Downs Golf Course was a fabulous place and probably wasn't going to last forever as a golf course and that I should keep an eye on it.

"One night, four years later, Sophie Googled Naunton Downs Golf Course, and there it was for sale. So we bought it with the view that if we couldn't get a yard here we'd run it as a golf course and a separate business, and down the line it would be a nice investment for our children to have." **Cont. p5**

Polly Pott | Getty Images

Ben Pauling Cont.

He added, "But it all came about quite quickly. Through Covid we put plans in to the planning department and so on, and it all went through in a relatively straightforward way because it is another commercial business on a currently commercial property. From an environmental perspective it was already not a natural canvas, because being a golf course it has already been moved and moulded and what have you. We bought it in January 2020, got planning permission by December 2020, started work in January 2021 and moved in in April 2022. The whole thing came to life much quicker than we thought it was going to."

As well as Sophie, Hannah, Tom and the rest of Pauling's team, he gives great credit to Ed Hoddell of Hartpury Construction for "putting our plans into bricks and mortar."

The 18-hole course is dropping to nine holes this autumn, to be more financially viable, but the two businesses--racing and golf--run happily side by side. The clubhouse has been glamorously refurbished and is now the Fitzdares Club in the Cotswolds (Fitzdares are Pauling's yard sponsors).

Pauling has trained 60 jumps winners so far this season; easily his best numerically to date.

"Our strike-rate has been 25%, which is amazing and I hope we can keep it going, because once you've set a standard, you don't want to drop from it," Pauling says. "It's been the dream start from the new yard."

Does he see himself "doing an Alan King" and eventually having as many Flat horses as jumpers?

"I was chatting to an owner yesterday about a couple of 2-year-olds who might come this way," he says. "But, no, we are not going out there this season to try to build a massive Flat string. While I would love to see the Flat side progress, whether or not we want to be training 60, 70 Flat horses in the summer, I don't know yet. It would be lovely if we had a nice bunch of Flat horses to run through the summer, then we wouldn't necessarily have to have a big team of summer jumpers."

"The days when you could empty the yard and all have six weeks off with not a horse in sight are long gone, because the whole place has to be financially viable, and as much as I have enjoyed my summer jumping recently I don't have any ambition to train 30, 40 summer jumpers either, so if I could have 15 Flat horses and 15 summer jumpers, I'd be a very happy man. We've never pretended we are going to reinvent the wheel--we will train the horses which are here to the best of their ability and do what is right for their owners."

"We won't do anything overly different--we'll use the same gallops. I was intrigued when Harry Dunlop came the other day to look round and have a chat that he said that his brother Ed had a circular deep sand round gallop that he lobs the Flat

horses round for conditioning. Our hill gallop wouldn't be the steepest, so it might be suited more to speed and a few Flat horses, so the whole place hopefully lends itself to both. We're just looking forward to the challenge; there'll be a lot of excitement if it goes well, and if it doesn't we'll have to have a rethink and see where we are going wrong and how we can improve."
