## EMPIRE STRIKES BACK

**Angel of Empire** | Hodges Photography

Represented by a trio of well-meant sophomores in Saturday's GII Risen Star S. at Fair Grounds—including the top two favorites --trainer Brad Cox's march to the first Saturday in May continued with an upset victory by the Albaugh Family Stable's **Angel of Empire** (Classic Empire).

Second by three lengths behind his re-opposing and favored stablemate **Victory Formation** (Tapwrit) in the one-mile Smarty Jones S. Jan. 1, Angel of Empire raced in a ground-saving eighth as the field of 14 rounded the clubhouse turn beneath the lights. The 13-1 chance began to make his move between runners as **West Coast** invader **Harlocap** (Justify) took on pacesetter **Determinedly** (Cairo Prince) as previously unbeaten and forwardly placed Victory Formation began to tire following testing early fractions of :23.34 and :47.50. **Two Phil's** (Hard Spun), last term's GIII **Street Sense** S. winner, took over briefly from the tiring front runners as they straightened with Angel of Empire and his other Cox-trained stablemate **Tapit's Conquest** (Tapit) beginning to roll down the center with longshot **Sun Thunder** (Into Mischief) making a move of his own along the fence. Angel of Empire had the best final kick of them all, however, and sealed the deal by a length over the 16-1 Sun Thunder. It was another 1 3/4 lengths back to Two Phil's in third.

Angel of Empire, a debut winner going a mile in the Indiana slop Aug. 9, was sixth second out over the Kentucky Downs lawn Sept. 8. **Cont. p3**

## CHAMPION FORTE WORKS 'STRONGLY' FOR FOUNTAIN OF YOUTH

Repole Stable and St. Elias Stable's **Forte** (Violence) breezed five furlongs in 1:01.58 Saturday morning at Palm Beach Downs in preparation for a planned start in the GII Fountain of Youth S. Mar. 4 at Gulfstream Park.

"He finished up very strongly and galloped out great. We're very, very happy with him," Hall of Fame trainer Todd Pletcher said.

Saturday's breeze was the fifth in a series of workouts following Forte's Eclipse Award-clinching victory in the GI Breeders' Cup Juvenile at Keeneland. Irad Ortiz Jr., the only race rider Forte has known, was aboard for Saturday's Fountain of Youth tune-up. **Cont. p4**

## Risen Star cont. from p1

**Angel of Empire** | *Hodges*

Freshened, Angel of Empire returned a dominant winner in an Indiana allowance prior to his aforementioned runner-up performance in Hot Springs. The Risen Star was his first attempt beyond a mile. He earned 50 points for a new total of 54 on the Road to the Kentucky Derby, putting him at the top of the leaderboard.

“Physically, it looks like he can run all day,” said Cox, who earlier in the program scored the 2,000th win of his career. “We could see that last summer when we got him ready to run. We started him a mile at Indiana and it worked out. We had a little pace to run at today and it worked out well. It’s five weeks to the Louisiana Derby and we’ll look at that, all the Grade 1s will be in the conversation. We’ll let the dust settle and see how he comes out of it. This is a horse that we thought as the months go by he’ll get better and he has.”

### Pedigree Notes:

Angel of Empire made it four graded winners and two on the day for young sire **Classic Empire**. His dam Armony's Angel, a maiden of eight career starts, is also represented by the 2-year-old colt Third City (**Collected**) (\$23,000 FTKJUL yearling purchase by Kenneth R. Kachel) and a yearling colt by **Classic Empire**. Armony's Angel, a half-sister to GSW Conquest Big E (**Tapit**), brought \$67,000 from co-breeder Black Diamond Corp. carrying her first foal Angel of Empire at the 2019 KEENOV sale. Angel of Empire becomes the first stakes/graded winner for his broodmare sire To Honor and Serve.

"So far, everything's gone just as we hoped it would as we scheduled it out," Pletcher said. "He spent some time at Stonestreet in Ocala with Ian Brennan. They did a great job freshening him up and doing some light work with him before he came in. So, far everything has gone smoothly. This was his second five-furlong move this morning. We let him finish up a little bit and he galloped out strongly. I'm very pleased with his fitness level and the way he's been training."

## INTO MISCHIEF FILLY UPSETS RACHEL ALEXANDRA

Pretty Mischievous | Hodges Photography

The betting public was pretty sure that an Into Mischief filly out of a **Tapit** mare would emerge victorious in Saturday's GII Rachel Alexandra S. Presented by Fasig-Tipton, but they only got it half right. It wasn't 2-5 **Hoosier Philly** who picked up the 50 GI Kentucky Oaks points, but instead Godolphin homebred and 'TDN Rising Star' **Pretty Mischievous** who starred at Fair Grounds. Pacesetting longshot **Miracle** (by Into Mischief's younger brother **Mendelssohn**) stretched Pretty Mischievous to 3/4 of a length, and was another 7 3/4 lengths clear of Hoosier Philly.

A good-looking off-the-pace winner first up at Churchill Downs sprinting Sept. 18, the Brendan Walsh-trained Pretty Mischievous added an allowance in the slop there at the end of October. The daughter of GISW Pretty City Dancer was five lengths behind Hoosier Philly in third when stretching out for the GII Golden Rod S. Nov. 26, but bounced right back to take the local Untapable S. on the day after Christmas. She was flattered when runner-up The Alys Look (**Connect**) bested stablemate **Chop Chop** (**City of Light**) in last month's Silverbulletday S., and the 80 Beyer Speed Figure she earned that day was only one point behind what Hoosier Philly earned in the Golden Rod. Chop Chop owned the field's best Beyer of 88, and was the clear second choice in the wagering--Pretty Mischievous was third in the betting at 8-1.

Hoosier Philly bobbled at the break, but Pretty Mischievous was off cleanly and drafted in between foes just behind Miracle. She got down to the rail under Tyler Gaffalione behind a :48.85 half, and was asked in earnest following six furlongs in 1:13.05. Miracle boxed on, and Hoosier Philly started to come alive out wide, but Pretty Mischievous wanted it most, and wore down the pacesetter despite that one leaning on her a bit in the lane.

“Before she ran Brendan told me we had a really special one in the barn,” Gaffalione said. “She keeps improving physically and mentally. Today, I sat in a perfect spot and let Johnny [Velazquez] go on Miracle while Luis [Saez and Untapable third Vahva {**Gun Runner**}] tracked inside.”

Walsh, who was celebrating his first Rachel Alexandra win, said, “She never missed a beat from her first start at two until now. We knew we’d have to give her a rest at some point because we didn’t want to go to the well too often. We were quietly confident she’d be good enough and today we found out she is. Now, we’ll see how she comes out of things, talk things over with the ownership team and get her to be 110% on the big day in May.”

With the 50 points she picked up Saturday, Pretty Mischievous now sits atop the GI Kentucky Oaks standings with 63 points.

#### Pedigree Notes:

Perennial leading sire Into Mischief already has five graded stakes winners this year, and is responsible for three of the top four on the Oaks leaderboard with 2022 champion juvenile filly Wonder Wheel third and Hoosier Philly fourth. The Spendthrift super sire now has 63 graded winners but is still in search of a first Kentucky Oaks winner.

Recent GIII Holy Bull S. winner Rocket Can and Hoosier Philly are the other two graded winners by Into Mischief out of **Tapit** mares, but that number almost certainly has to rise rapidly in the coming years considering they’ve got seven champion sire titles between them. **Tapit**, still on the young side as broodmare sire, is responsible for the dams of 39 graded/group winners worldwide thus far.

Pretty Mischievous’s dam Pretty City Dancer dead-heated with another **Tapit** filly in the 2016 GI Spinaway S. for trainer Mark Casse and John Oxley. The \$825,000 KEESEP yearling was off the

Derby, broke through with a belated first stakes victory here.

The bay chased in third rounding the clubhouse turn. He sat just off the leaders in an outside fourth down the backstretch, set his sights on the front runner approaching the quarter pole and knuckled down from there in a thrilling stretch run to outgame Mr. Wireless for a career high.

Pioneer of Medina, 19th in the 2022 GI Kentucky Derby, captured an optional claimer beneath the Twin Spires Nov. 17. He was last seen finishing second with a career-best 103 Beyer Speed Figure in the GIII Harlan's Holiday S. at Gulfstream Dec. 31.

#### Pedigree Notes:

Pioneer of Medina becomes the 47th stakes winner/24th graded winner for the greatly missed Pioneerof the Nile. Lights of Medina, a stakes-winning and graded stakes-placed homebred for these same connections, is also responsible for the unraced 3-year-old filly Cairo Lights (**American Pharoah**), a 2-year-old filly by **Twirling Candy** and a yearling filly by **Constitution**. She was bred to **Twirling Candy** for 2023. Pioneer of Medina's broodmare sire Eskendereya is now responsible for six stakes winners/four graded winners.

Swayin to and Fro, winner of the Safely Kept S. Nov. 26 and Willa On the Move S. Dec. 30, broke through with a career high here.

Second as the 4-5 favorite in the local What a Summer S. Jan. 21, Swayin to and Fro forced the issue from an outside second here. She put her head in front rounding the far turn, kicked for home as the one to catch and stuck on gamely down the lane to get the money.

Swayin to and Fro was claimed for just \$16,000 at third asking by these connections while earning her diploma last May.

"I told everybody when I claimed this filly and I saw the potential and I saw the talent, every race she proved it. I'm so proud of her. This is a great, great filly," winning trainer Mario Serey, Jr. said. "When I claimed her, I talked to the owner and [said], 'This is a stakes winner.' The class and the talent of the horse, they tell you right away."

**Eastern Bay and his connections** | Maryland Jockey Club

The saying goes that with age comes wisdom and, as the oldest horse in the field at nine, Eastern Bay proved that to be true with a score Saturday in Laurel's GIII General George S. The Maryland-bred gelding spent the back half of 2022 rounding into form, running second to Eclipse champion sprinter Elite Power (**Curlin**) in the GII Vosburgh and capping his 8-year-old season with his 52nd start--matching a career-best 97 Beyer Speed Figure when beaten just a nose in the GIII Bold Ruler S. at Belmont's Aqueduct meeting in October.

The bay caught a flier out of the gate for this first start off the bench but was outsprinted to the lead by Pirate Rick (**Liam's Map**) just to his inside. Three wide as the field joined up with the main track, Eastern Bay tracked just off John the Bear (**The Factor**) in pursuit of the lone leader as Pirate Rick paced the field through an opening quarter in :23.02. The top three swung into the turn on even terms as the outside pair made mirrored moves but Eastern Bay had the most left, outpacing a faltering John the Bear to come alongside Pirate Rick just inside the quarter pole. Several paths off the rail but with plenty of momentum, Eastern Bay maintained a comfortable advantage into the final sixteenth to earn his first graded-stakes win.

The win was a poignant moment for the family of the late Avery Whisman, the young jockey who rode Eastern Bay to

victory three times in 2019. On a day when tracks around the country honored Whisman with a moment of silence, his family joined Eastern's Bay's connections in the winner's circle.

"It just seemed like this is the way the day should end. For Avery," said winning owner/trainer Norman Cash. "Eastern Bay has never been up like that before. He wasn't that far off. Right then you knew he had to win, because he was only a length and a half off. Maybe he had a little help getting pushed down the lane by the powers that be. What a special day."

#### Pedigree Note:

Eastern Bay is the 24th graded winner for E Dubai. Chrusciki has an unraced 3-year-old filly Big Talk (Exaggerator) and a yearling filly by Madefromlucky. She visited Irish War Cry for a 2023 foal.

Saturday's GIII Royal Delta S. looked like a rematch of last March's local GII Davona Dale S., with New York-bred Classy Edition turning the tables on favored foe Kathleen O. after enjoying a decided tactical advantage early.

Named a **'TDN Rising Star'** off her dominant Saratoga debut at two, Classy Edition dominated in a pair of restricted stakes downstate that fall before suffering her first defeat at the hooves of Kathleen O. She was subsequently fourth in the GIII Gazelle S. at the Big A in April, but resurfaced to drub first-level open optional claiming foes going a mile here Jan. 11, good for a 96 Beyer Speed Figure top.

Late-running Kathleen O. fell out of the gate, but Classy Edition broke cleanly and was wrapped up by Irad Ortiz, Jr. as they cruised through opening splits of :25.28 and :50.15. Ortiz gave his mount her cue to pick it up rounding the bend, and she took a narrow advantage heading for home as longshot Tap Dance Fever (**Tapiture**) tried to stay with her and the chalk revved up out wide. Classy Edition swatted away Tap Dance Fever at the quarter pole, and Kathleen O. narrowed the gap in the lane, but Class Edition's edge proved insurmountable.

**Classy Edition** | Ryan Thompson

"She was going good on the backside. We were going slow but she was close to the lead," Ortiz said. "I let her do her thing and she did the rest."

Winning conditioner Todd Pletcher said, "I was pretty pleased. We got to a good spot and it looked like Irad had a lot of horse, just waiting to pull the trigger... We really thought highly of her. She showed quality. She ran a good second in the race here and then needed some time off. She came back really well. I thought her comeback race was excellent. We kind of had a little tactical edge today and she was able to get it done."

**Lawana & Robert Low** | Lauren King

#### Pedigree Notes:

Classy Edition was her sire's priciest first-crop juvenile at \$550,000 after a good-looking :10 1/5 breeze at Timonium, and became his third graded stakes winner--the previous two also sold as 2-year-olds that term (Morello, \$250K at the same sale; and Interstatedaydream, \$175K at OBSAPR), and Angel of Empire made it four in Saturday evening's GII Risen Star S. She is one of 39 worldwide graded winners out of mares by top broodmare sire Bernardini and is bred Pioneer of the Nile over Bernardini like GISW Matareya and from the same Unbridled line as highest-level winners out of Bernardini mares Colonel Liam (**Liam's Map**) and Wicked Whisper (**Liam's Map**). Angel of Empire is out of a mare by Bernardini's son To Honor and Serve.

The winner's dam Newbie was a first-level allowance winner in the Empire state, and also produced \$500,000-plus MSW Newly Minted (Central Banker). The daughter of SW/GSP Changeisgonnacome was a \$320,000 in utero purchase by Chester and Mary Broman at the 2008 Keeneland November sale. Newbie has an unraced 3-year-old colt named Pharoah Lake (**American Pharoah**) and a yearling colt by Vekoma. She was barren to **Curlin** for 2023.

**Two Emmys** | Hodges Photography

Hard-knocking Two Emmys is particularly dangerous when he makes a clear lead, and that's exactly what happened Saturday. The 27-1 winner of the 2021 GI Mr. D. S. was 10th here 12 months go, but bounced right back to take the course-and-distance GII Muniz Memorial Classic S. in March over next-out

Grade I winner Santin (Distorted Humor). He added a listed event at Hawthorne two starts later in June, and was coming off a second-place run to Gentle Soul in the Jan. 21 Colonel E. R. Bradley S.

Doling out splits of :24.04, :51.52 and 1:16.64 under regular rider James Graham, Two Emmys scampered home down the center of the lane to justify favoritism.

**Pedigree Notes:**

Scooped up by these connections for just \$4,500 as a Keeneland September yearling in 2017, Two Emmys was his late sire's 14th priciest seller at that auction. While admittedly never a commercial darling, the former Calumet Farm stalwart has seen his legacy cemented as one of the best sources of turf stamina to stand in the States, and has been represented by 13 Northern Hemisphere Grade I winners and 35 graded winners to date. He's one of two Grade I winners out of Buddha mares (both did so on the Arlington Park grass), and three graded winners worldwide.

Tottenwood Thoroughbreds acquired dam Miss Emmy for \$6,000 at the 2010 Keeneland November sale while in foal to Ready's Image. Miss Emmy had strong turf and stamina pedigree herself, being out of full-sister to 1988 champion grass horse Sunshine Forever (Roberto) and closely related to the likes of MGSW Hotstufanthensome (Awesome Again). Her pedigree would improve, and the mating to English Channel would become a no brainer, after a half-sister to Miss Emmy produced 2014 GI Travers S. upsetter V. E. Day (English Channel). Two Emmys was his dam's final foal after a subsequent full-sister failed to survive.

## INTO MISCHIEF COLTS SHOOT FOR DERBY POINTS IN HYACINTH S. *by Alan Carasso*

Tokyo Racecourse is the site of the third leg of this year's Japan Road to the Triple Crown, the \$273,301 Listed Hyacinth S. going the one turn mile. A field of 14, including a pair of expensive American-bred sons of Into Mischief, look to capitalize on the fact that the winners of the first two legs of the four-race series

--Continuar (Jpn) (Drefong) and Derma Sotogake (Jpn) (Mind Your Biscuits)--have hit the road for a significantly more valuable test in next Saturday's G3 Saudi Derby in Riyadh.

**Great Sand Sea** (Into Mischief) is the least-experienced of those signed on, having made just one previous appearance, but the \$385,000 Keeneland September yearling turned \$825,000 OBS April breezer made the most of it. The bay colt sat a three-wide, no-cover trip before fighting on gamely to score a narrow victory over Holonic Path (Jpn) (Just a Way {Jpn}) in a 1400-meter maiden over this surface Nov. 19 ([video](#), SC 8) and the

Great Sand Sea at OBS last spring | Sandra Madison

latter franked the form of the race when graduating by nearly 10 lengths in his next start. Joao Moreira, who rides Shirl's Speight (**Speightstown**) in the G1 February S. two races later, takes the call.

The other Into Mischief colt is **Meta Max**, a \$180,000 Fasig-Tipton Saratoga grad who fetched \$1.1 million at OBS March and broke his maiden when trying the dirt for the first time over five furlongs Jan. 21.

**Perriere (Jpn)** (Henny Hughes) is the overnight favorite, having defeated next-out romper Yuttitham (Jpn) (**Justify**--Zipessa) on Sapporo debut in August and adding a Tokyo allowance before finishing third to the aforementioned Derma Sotogake and **Omatsuri Otoko (Jpn)** (Vittorio d'Oro) in the Listed Zen-Nippon Nisai Yushun Dec. 14.

The Hyacinth offers Kentucky Derby points on a 30-12-6-3 scale for the top four finishers. The final race on the Japan Road to the Kentucky Derby is the Fukuryu S. (allowance) going nine furlongs at Nakayama Mar. 25.

## GUN RUNNER COLT EQUAL TO CLASS TEST

8th-OP, \$103K, OC, 3yo, 1m, 5:10 p.m.

Last year at this time, **Epicenter** (**Not This Time**) was making his case as the Derby favorite after declaring victory in the GII Risen S. at Fair Grounds. This Sunday in Hot Springs, another Winchell Thoroughbreds-owned colt, **DISARM** (**Gun Runner**) will begin to lay out his own path to the starting gate in May.

A game third on debut to GIII Sanford S. victor **Mo Strike** (**Uncle Mo**) at Churchill Downs June 19, the chestnut colt's only other performance as a 2-year-old was a 'TDN Rising Star'-worthy 6 1/4-length romp at Saratoga going 7 panels Aug. 6. The homebred returned to the tab in early January with a half-dozen works in New Orleans. On Lasix for the first time, the Steve Asmussen trainee will be piloted by Ricardo Santana Jr. as he takes on fellow Triple Crown nominees, **Two Eagles River** (Cloud Computing) and **Arman** (Bolt d'Oro). **TJCS PPS**

Off the board just once in her career, Frost Point showed a new dimension here while becoming a first-time stakes winner for her in-form sire. Third in the local Top Flight Invitational S. last April before a distant third in the GIII Allaire DuPont Distaff S. on Preakness weekend in May, the homebred went missing but resurfaced a track-and-trip winner of a second-level allowance Dec. 30 over a next-out winner. That last tally came from well off the pace, but the rail-drawn Frost Point was aggressively ridden from her inside draw here to eventually take a narrow lead from odds-on Falconet and never look back.

"I saw there was no pace in the race and only [Jose] Lezcano [aboard Falconet] could make some pace," said winning jockey Jorge Vargas, Jr. of his aggressive tactics. "I didn't want to be too far from it. I warmed her up [well] and she opened the gate and came out of there running. We went from there and it was pretty easy."

Leanna Willaford, assistant to trainer Bill Mott said, "She's been doing great since she came back. She had a little break after the race at Pimlico last spring and she's been doing well since". **Cont. p2**

### Heavenly Prize Cont.

"She just needed a bit of a break. Now, she's moving really well and handling things really well. Her weight and her coat is probably the best I've ever seen it."

The winner's dam took the 2004 GI Frizette S. and was second in that year's GI Breeders' Cup Juvenile Fillies. She was second in three straight Grade I events as a 4-year-old. Balletto has a 2-year-old full-brother to Frost Point and a yearling filly by **Maclean's Music**. [Click for the Equibase.com chart](#) or [VIDEO](#), sponsored by TVG.

Third after dueling for the lead early last time out in the GIII Las Cienegas S. at Santa Anita Jan. 2, Freedom Flyer tried Santa Anita's downhill course for the first time Saturday with a 7-1 shot.

Sent for the early lead from her outside post, she was able to clear to the rail as the field swept around the turn and held a narrow advantage into upper stretch. Under an all-out ride down the lane, Freedom Flyer just held on for the slim victory as a pair of rivals closed in beside her. Rebuke produced a winning 4-year-old full-sister to Freedom Flyer, Redefinition, a winning 3-year-old filly, Black Belt Barbie (Anchor Down), and last foaled a colt by **Justify** in 2021. Coffewithchris had traded decisions with Prince of Jericho in his last two, and went ahead 2-1 in their match-up Saturday at relatively generous odds in retrospect. The reformed \$40,000 claimer earned a strong 88 Beyer Speed Figure when upsetting Prince of Jericho by daylight at almost 17-1 in the Dec. 30 Heft S., but was four lengths behind that one--this time as the 19-10 chalk--in the Jan. 21 Spectacular Bid S. over the same seven furlongs. With both runners being asked to navigate an additional furlong, but still one turn here, Coffewithchris prompted the pace and took over in midstretch. Prince of Jericho seemed to have all the momentum down the center late, but Coffewithchris re-broke once challenged to hold on safely from his familiar foe. Margins: 11, 1 3/4, 4 1/4. Odds: 1.80, 4.20, 4.80.

Also Ran: We'll See, Sally's Sassy, L Street Lady.

Since breaking her maiden in state-bred ranks during Belmont's Aqueduct meeting in September, Stonewall Star has kept exclusively stakes company for her last four starts including a pair of wins at Aqueduct in the Key Cents S. Nov. 20 and a last

out 6 1/4-length score in the Franklin Square S. Still just the 9-5 narrow second choice despite her prior success over the track, she dashed clear of the pack as the field left the chute and made their way onto the main track, opening up an easy lead on post-time favorite L Street Lady (**Munnings**). With a ground-saving trip against the rail around the far turn, Stonewall Star let the field hang around through an opening half in :46.42 before finding another gear; turning the stretch into a one-horse race under a hand ride from jockey Angel Cruz. Chickieness chased her home from second but was far back as Stonewall Star won under wraps by daylight. Out of a half-sister to GISP Pinch Pie (Victory Gallop), Stonewall Star traces back to GI Breeders' Cup Classic winner Volponi (Cryptoclearance). She is her dam's last reported offspring. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Also Ran: Treasure Trove, Forewarned, Double Crown, Vance Scholars, Plot the Dots, Armando R. Scratched: Shake Em Loose.

Nimitz Class took his second-straight stakes event over this track and trip while staying perfect going two turns on dirt Saturday. Having annexed last June's Danzig S. for PA-bred sprinters at Penn National, the dark bay returned to the winner's circle going an extended mile at that venue in October. He was fourth from far back in the seven-panel City of Laurel S. Nov. 26, and defeated Ain't Da Beer Cold and Ournationonparade in the Dec. 30 Robert T. Manfuso S.

Finding himself somewhat surprisingly on the engine here, Nimitz Class took token pressure from Ain't Da Beer Cold through a half in :47.82. He began to get away after six panels in 1:11.84, and was not for catching thereafter. **Cont. p4**

Also Ran: Surveillance, Ice Chocolat (Brz), Pyron, Manny Wah, All in Sync. Scratched: Hunter John, Kennesaw, My Pal Mattie, Sign of War, Straight Answer (GB), Twirling Roses.

Entered off a third four months ago in allowance company at Keeneland in October, Evan Sing drew in off the also-eligible list and was welcomed as the 2-1 favorite. Third while racing out in the clear behind a leading pair, the gelding made the most of his wide trip, keeping to the outer part of the course as the field straightened out for the wire and coming with a sustained run on his left lead. Late leader Angaston dug in to try and repel the challenge but Evan Sing had momentum on his side and drew by in the final sixteenth to just edge away for the win. Viapervita (Ire) produced a 2-year-old colt by **Kantharos**, did not have a foal last year, and was bred to **Munnings** for 2023. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

**AIRTIME (c, 3, American Freedom--Miss Personality, by Broken Vow)** broke his maiden three starts back in a \$50,000 claimer at Churchill Downs and made two more starts for his breeders including a 10 1/4-length romp at Oaklawn Jan. 29 before getting claimed out of that race by Randy Howg. In his first go for his new connections, the 7-2 third choice broke a step to the side and took back to race in the second pack from fifth.

Wedge between rivals up the backstretch, he managed to find a bit of racing room into the far turn before tipping down to the rail as he straightened for the money. Needled through an opening on the fence with a furlong to run, he sprinted clear of the field to defeat favored Shopper's Revenge (**Tapit**) by 1 1/4 lengths. A half-brother to a pair of stakes horses in Exotic West (**Hard Spun**), SW & GSP, \$309,807 and Box Seat (Flashback), SP, \$152,611, Airtime is out of a half-sister to dual champion filly in Panama A Capela (Corinthian) and champion 3-year-old filly in Panama Siciliana (**Cairo Prince**). With a clear lead built up through an opening half mile in :45.72, she swung into the stretch alone and maintained a steady advantage all the way home as Summorya (**Not This Time**) ran on to be second three lengths back. **Cont. p5**

Second as the favorite by a half-length in her return Jan. 20, she went off favored once again at 4-5 and pressed Manorelli (**Outwork**) from second. Inpatient behind her rival, she was allowed to inch up alongside that leader with a half mile to run and took full advantage, sticking a head in front and putting separation on the field down the lane. Rose Maddox (Grazen) was the closest to her on the wire but was 3 3/4 lengths back from Big Switch. **TEDDY'S BARINO (m, 5, Grazen--Miss Rebound, by Speightstown)** won four in a row before checking in third behind MGISW Ce Ce (Elusive Quality) last time out in the GIII Chillingworth S. Oct. 2. 3-1 in her first start back Saturday, kept close to the pace as a top pair went on with it up the backstretch. Full of run around the far turn, she took over the lead past the quarter pole and built up a sizeable enough gap to hold off a closing Adare Manor (**Uncle Mo**) and win by 2 1/4 lengths. Teddy's Barino has an unraced 3-year-old half-sister, She's Muy Muy (Goldencents), a 2-year-old half-sister, Helen's Sun (Goldencents), and a yearling full-brother. **TODAY'S FLAVOR (g, 5, Laoban--Evangelical, by Speightstown),** a winner of his last three straight at Aqueduct by a combined 20 1/2 lengths, was the public's no-brainer 2-5 choice. On the lead from the break, the gelding had Ryan's Cat (Kitten's Joy) just off his flank to keep the pace honest. With plenty left as the pair swung around the far turn, Today's Flavor cleared off as his rival faded and cruised home uncontested to win by 6 1/2 lengths. Kaz's Beach (**Karakontie {Jpn}**) filled out the exacta.

Today's Flavor has an unraced 3-year-old half-sister by Jimmy Creed who is his dam's last reported offspring. Sales History: \$80,000 Ylg '19 SARAUG. **OUTADORE (g, 5, Outwork--Adore You {SP, \$276,240}, by Tactical Cat),** third in the GI Breeders' Cup Juvenile Turf three seasons ago and a three-time stakes winner in the interim, did not have quite the expected yearly bow Jan. 1 at track and trip when he stumbled coming out of the blocks. Weakening to second as MGSP Visitant (**Ghostzapper**) went on to a four-length score, the grey still put up a lifetime best 92 Beyer over the surface and came into this contest on the back of a bullet five-furlong move over the track in 1:00.40 working in company; the fastest of eight. Hammered to even-money favoritism, the Ward trainee dueled for the lead from the jump from four wide, and managed to secure daylight over his rivals by the eighth pole.

Two lengths in front coming down the stretch, he held Phipps Stable homebred Bakers Bay (More Than Ready) to a comfortable length on the wire as that one closed furiously from the rear of the field. **Cont. p6**

Backed off the pace and laying in seventh early while traveling far into the middle of the track, advanced on his rivals from four wide late in the final bend. Off as the third choice this time at 7-2, the ridgling tracked from the second spot along the rail as a 22-1 longshot Asmodeus (**Cairo Prince**) showed the way. Past the half-mile pole, the Donk trainee tried to get clear of the pacesetter, but the price horse proved pesky and refused to yield. **JUST A CARE (IRE) (f, 3, Australia {GB}--Greater Good {Aus}, by Fastnet Rock {Aus}),** in her only other attempt, was last seen at Belmont over the grass at six panels June 30 when she was fifth. Working well in the new year, the bay filly went off as the co-second choice at odds of 5-2 under Lasix for the first time. Drawn to the extreme outside, the Rusty Arnold trainee lagged early, but got going as she rounded the far turn with a big move to the outside. Into the stretch, she announced her presence and under urging put away favorite Calabrian Queen (Peace and Justice) by 1 1/2-lengths. This is Greater Good's first runner, but she does have a 2-year-old filly by **Ten Sovereigns (Ire)** and produced a full brother to the winner the following year.

**BISHOPS BAY (c, 3, Uncle Mo--Catch My Drift {SW & GISP, \$280,540}, by Pioneerof the Nile)** was a popular wagering choice for his career bow, breaking from the gates as the 1-2 chalk under jockey Florent Geroux. With good early speed from mid pack, the \$450,000 Keeneland yearling moved between rivals to just sit just off the flank of pacesetter Ocean City (**American Pharoah**) through a quick opening quarter in :22.14. Applying consistent pressure to that early leader into the far turn, Bishops Bay took over under his own power as the top pair swung into the turn. A game First Mission (**Street Sense**) made a late run down the stretch but Bishops Bay had enough of a gap built up to hold off his stablemate by three-quarters of a length for a Brad Cox exacta. Their conditioner marked career victory 2,000 with the score here along with four wins on the day. Ocean City came home fourth while Unload (**Gun Runner**) and St. John's (**Hard Spun**) were the last two home.

Bishops Bay (5) | Hodges Photography / Lou Hodges, Jr.

"I knew we were getting close a couple of races back..." said Cox afterward. "Honestly, I just wanted to get it over with. We've got some live shots later in the day so we're hopeful to keep it rolling."

Catch My Drift, herself an accomplished race mare, is also responsible for Strava (Into Mischief), MSP, \$282,340. Her 2-

year-old **Constitution** colt brought \$575,000 at last year's Keeneland September Sale and she dropped a filly by **Improbable** last year before visiting **Not This Time** for the 2023 season. **COMPARATIVE (f, 3, Street Sense--Collective, by Bernardini)**, always supported at the windows in her efforts to graduate, routed four times at three different tracks since her debut third Sept. 17 at Churchill Downs. Last out in New Orleans, the homebred ran behind a more than honest pace and left herself too much to do in what was another show effort. In this spot, as the 4-5 chalk, she hustled from the outside post, raced in the three path down the backstretch behind leader Sweet Chablis (Malibu Moon) and Amisfield (**Justify**) and rounding the far turn, took the overland route under confident handling to win authoritatively by 6 1/4-lengths over the pacesetter. Comparative has full sibs in Shared Sense, MGSW, \$577,435 and more recently, a 2-year-old unraced colt named Kinectic. Her dam is a half-sister to GSW Penwith (Bernardini) and she visited **Medaglia d'Oro** consecutively, producing a yearling colt and currently, is in-foal to the sire. **MERLAZZA (f, 3, Medaglia d'Oro--Mi Vida {SP}, by Distorted Humor)**, blinkered on debut Jan. 21 at Fair Grounds, just missed receiving her diploma at the wire by a head. Removing the hood and off as the 1-2 favorite, the homebred raced along the rail in the second flight down the backstretch to the tune of :21.66 for the first quarter mile. **Cont. p9**

**4th-Fair Grounds, Cont.**

Chasing a pair of leaders down the lane, the Brad Cox trainee angled out, took aim past the eighth pole and powered home by 3 1/4-lengths as Ornately (Distorted Humor) settled for second. Second dam Crystal Current is a sister to GISW Majestic Warrior (A.P. Indy). Dam Mi Vida produced a full sibling to the winner in Gold Standard, MGSP, \$269,384, who sold for \$535,000 '21 FTKWNT and visited **Curlin** last year. Merlazza has a pair of filly half-sisters in a 2-year-old by **Justify** and a yearling by Authentic. Her dam went back-to-back with the most recent sire for 2023. **BABY BILLY (g, 3, Gormley--Dating Lady Luck, by Arch)** just missed on two occasions against restricted maiden company at Churchills Downs last fall and was another close-beaten third at Gulfstream Dec. 3. Overmatched in the **Mucho Macho Man S.** last time out Jan. 1, he entered Saturday with only a 9-1 shot. Racing without blinkers, Baby Billy got wedged between rivals at the break and took back to race in mid pack up the backstretch. Asked for his run as he swung around the turn, the gelding moved up along the rail before tipping out to take the lead with a furlong to run. Mondego (GB) (Lope de Vega {Ire}) was game to the wire but Baby Billy got the best of the bob to win by a head. Out of a half-sister to MGSW & GISW **Frank Conversation (Quality Road)**, Baby Billy traces back to GISW Unusual Suspect (Unusual Heat) and GISW Golden Doc A (Unusual Heat). He is his dam's last reported foal. Sales History: \$5,000 Wlg '20 KEENOV; \$37,000 Ylg '21 FTKOCT; \$45,000 2yo '22 OBSAPR. **PLAYLIST (f, 3, Uncle Mo--Bon Jovi Girl {MSW & GISP, \$518,743}, by Malibu Moon)** made three prior starts--all on the grass on the west coast--before making the switch Saturday to the all-weather surface at Turfway. The heavy 3-5 choice, the \$400,000 Keeneland September grad raced mid pack in sixth off the rail before making a sweeping four-wide move to gain ground on the turn. Despite drifting in with a furlong to run, Playlist kept finding more and managed to drive past Fancy

Caber Neigh (**Mendelssohn**) to win by a half-length. Bon Jovi Girl, already responsible for You're to **Blame** (Distorted Humor), GSW, \$889,701, is a half-sister to dual champion grass horse Gio Ponti (Tale of the Cat). She has not produced a foal since Playlist but was bred to **Connect** for 2023. Sales History: \$400,000 Ylg '21 KEESEP. **TICKING (c, 3, Bolt d'Oro--Polyester, by Tiz Wonderful)** took on maiden state-bred company for his debut at Gulfstream Park last summer July 23 and was a distant third by 11 1/4-lengths. Coming back to the races after the layoff, the \$625,000 OBSAPR purchase was well-supported at the windows as he was bet down from 8-1 to go off as the 2-1 co-favorite. Breaking sharply, the bay colt wrestled the lead away from a longshot, and taking control around the far turn, he repulsed a threat from tote rival Power Humor (Jess's Dream) to run on nicely by an easy 6 1/4-lengths in victory. The winner's unraced dam also produced Harpers First Ride (**Paynter**), GSW, \$699,664, a yearling colt by Authentic and she was bred to **Charlatan** last year. **DOS PASSOS (c, 3, Candy Ride {Arg})--Point System {SW, \$164,850}, by Broken Vow),** a \$310,000 KEESEP buy that exited the Tampa chute under Lasix on debut, was taken back passing the grandstand towards the rear of the field. The 2-1 co-favorite, waited until the top of the lane to make his move. Fanning out wide, he exhibited a strong turn-of-foot with a furious charge to get up in time over four others, which included Oskar Martinez (Ire) (Havana Gold {Ire}) who secured the place ahead of a dead heat. Second dam Brownie Points (Forest Wildcat) is directly responsible for a pair of stakes winners in MGSW Synchrony (Tapit) and GSW Chocolate Kisses (Candy Ride {Arg}), while daughter Even Song (Street Cry {Ire}) produced GISP Dream Shake (Twirling Candy). Dos Passos is Point System's first offspring to make the races, but she also has a yearling colt by **Improbable** and was bred to **Gun Runner** in 2022. Sales History: \$310,000 Ylg '21 KEESEP. ## CONSIGNORS FOCUS ON DIRT-BREDS FOR GOFFS DUBAI BREEZE UP SALE

Eddie O'Leary | Goffs

By Brian Sheerin

The demand for American dirt-bred horses for next month's Goffs Dubai Breeze Up Sale has, according to Eddie O'Leary and Con Marnane, two titans of the game, provided consignors with a clear framework about what will and won't ring buyers' bells in the sales ring.

While Tom Taaffe, the client relations agent at Goffs, described last year's inaugural Dubai Breeze Up Sale as "a very good start," there is a growing confidence among consignors that next month can be even better, with Marnane admitting to have 'upped his game big time.'

The sale, which takes place on Mar. 21, will also feature a new name on the catalogue, with Shane Power of Tradewinds Stud offering a **Yoshida (Jpn)** colt that he and his partners in the horse sourced specifically for this sale.

O'Leary sold both of his American-bred colts under his Lynn Lodge Stud banner at this sale last year and is back again with one by **Collected** and another by City Of Light, which he hopes will be a timely offering given the stallion sired G3 UAE Oaks winner Mimi Kakushi on Friday.

He said, "I thought last year's sale provided everyone with a good platform to build on."

## COOLANGATTA PUNCHES ROYAL ASCOT TICKET IN LIGHTNING

**Coolangatta (Aus)** (Written Tycoon {Aus}), who won the G1 Black Caviar Lightning S. at Flemington on Saturday, will be pointed toward a start at Royal Ascot, the *Sydney Morning Herald* reported.

Trained by Ciaran Maher and David Eustace, the 3-year-old filly has won five of her eight starts, and started this campaign with a third in the G2 Mitty's McEwen S. at Moonee Valley in September. She claimed a first Group 1 crown in the Moir S. there on Sept. 23, but could only manage fifth in the G1 Coolmore Stud S. at Flemington on Oct. 29. Given a rest, the Lightning was her first start back.

"From here the dream would be Royal Ascot for everyone involved," co-trainer Eustace told the paper. "She's shown she likes the straight and I think everyone in the group would be keen to go there. Where she goes next, I'm not sure, but ultimately, we'd love to give that a crack." [Cont. p9](#)

## Dirt-Breds The Key Cont. from p1

He added, "We are bringing bigger and better dirt-bred horses in general this year which will suit their programme that bit better, so hopefully it works."

"The programme in Dubai does not kick off until October onwards so there's no point in bringing a sharp Showcasing (GB) colt thinking it will suit because it won't. Their programme is all about good, big scopey dirt-bred horses who will come into their own next year. That's what they want."

He added, "Looking through the catalogue, you may as well be in Keeneland. We went to buy horses last year that we thought would suit Dubai and the programme that they have over there. We've two for the sale this year and one is by City Of Light. He's the only City Of Light colt in the sale, which is great, because a City Of Light sired the winner of the UAE Oaks at Meydan on Friday."

"Let's hope this sale can build on last year. We're bringing the horses that we think will suit the programme in Dubai and we hope that the trainers take the sale to heart. The horses are there on their doorstep and they don't have to travel halfway around the world to go and buy them. Let's see what happens."

Taaffe shares O'Leary's optimism. Having seen a lot of the 73 catalogued horses in the flesh, he says that the physicals match up with the pedigrees and expects that to be reflected in the sales figures.

"Most of these consignors are taking their best horses to this sale," he said. "The catalogue is made up of roughly 85% dirt horses and there are some very good physicals and pedigrees in the sale. There are three tiers and we hope to cater for every

type of buyer. I would be confident that we have gone up a gear from last year."

"I'm more than happy with the quality of the horses in the three tiers and the response that we are getting from the clientele that will be attending the sale from various different countries has been good."

Reflecting on the inaugural Dubai Breeze Up Sale, he added, "As I said last year, it was a very good start. From the outside, people felt it was fabulous but, internally, I know in my own heart that there are things that we will all learn from. That

includes the Dubai Racing Club, Goffs, vendors and purchasers. I think we've made a lot of progress in the year and hopefully we can see that in a month's time."

"Most importantly, for a first sale, we already have 13 individual winners and these horses were predominantly bought to be more 3-year-olds and upwards types. So, at this stage, to have that many winners is fantastic, not to mention the Group 1-placed Labeling (GB) (**Frankel** {GB}) in

Japan. For a small sale of 69 catalogued last year, that's pretty good."

One of those winners was a Night Of Thunder (Ire) colt, consigned by Marnane's Bansha House Stables, who went on to be named Desert Man (GB) and scored impressively on the dirt in Saudi Arabia.

However, Marnane has refined his approach to this year's sale, and offers a Le Brivido (Fr) half-brother to G1 Dubai World Cup winner Prince Bishop (Ire) (Dubawi {Ire}) and an **Audible** colt who is very much built for the dirt.

## COOLMORE

### Dirt-Breds The Key Cont.

Marnane said, “We’ve upped our game big time for this year’s sale. We’ve an incredible **Audible** colt. Goffs told us that we needed to bring American-bred horses that will handle the dirt, but we’ve a Le Brivido (Fr) going down there as well, and he’s a brother to Prince Bishop (Ire) (Dubawi {Ire}), who won the Dubai World Cup. You don’t get a better pedigree for Dubai than that.”

He added, “I’m bringing a nice grass horse and an American dirt horse. A racehorse is a racehorse and there’s loads of grass races in the Middle East and the American programme is now split 50-50 between the dirt and the turf as well.”

“Amy bought the **Audible** at Fasig-Tipton but sure the prices at the yearling sales in America

were cuckoo. We had to up our game big time to buy a horse for this sale. The prize-money is so good in America that people can justify buying a yearling for what they are making over there. It was tough to buy them.

“The standard of horses that is coming through the breeze-ups is excellent. Proper horses. We’ve over 100 black-type and group horses sold and three Royal Ascot 2-year-olds as well. That’s fair going. We’ve been very lucky.”

And, with that sort of track record, the famous ‘Bansha Bullets’ phrase was coined. But, tell us Con, has it been hard getting used to preparing these bigger dirt-type horses for the breeze-ups compared to the lightning-quick 2-year-olds?

“By Jesus, these two are fast! But I’ll tell you one thing, hats off to Sheikh Mohammed, who looks after the staff who go down there very well. His generosity is fantastic. There has been good success from last year’s sale and it’s only going to get better.”

He added, “It’s a work in progress but Goffs did a wonderful job last year in getting the buyers there and I’ve no doubt that they will do the same again this time round. It’s a mammoth task, getting 69 horses on the plane out of Shannon down to a sale in Dubai and then for it to go well after that. You’ve got to take your hat off to them.”

Like O’Leary and Marnane, Power set out to buy an American dirt-bred horse, and explained why he wanted to be a part of the action in Dubai.

“It’s an interesting concept. It’s a new outlet for us and is totally different to what we are used to doing so it’s good to explore something different. I own the Yoshida colt in

Con Marnane | Goffs

partnership with Jerry Horan, who bought him in Keeneland last year. Yoshida is obviously a Grade I winner on dirt and the market seemed to gravitate towards these big horses with dirt pedigrees last year. You need to bring a two-turn dirt horse and you definitely need something with a bit of size. This fella is just over 16hh, is a big, scopey horse, so he should fit the bill physically and on pedigree as well. Hopefully it all comes together.”

He added, “My brother Alex was at this sale last year and said that a lot of the horses who sold well came up the middle of the track. Rather than coming up the rail, it looked more impressive if a horse could breeze straight up the middle of the track, so we’ve had that in the back of our minds in preparing this lad.

“As well as that, this sale comes up pretty quickly after Christmas. You don’t have a lot of time from Christmas to the sale. They are big horses, so it’s a different sort of challenge in preparing them for a breeze.

“While they don’t have to break the clock, and they can come up the track three-quarter pace, it’s been at the forefront of my mind to try and be a step ahead of where I needed to be with him, just because the sale comes up so quickly.

“To be fair to the horse, he has a great appetite for feed and work, and he has been telling us all along that he can take the workload which was great because this was always the sale we wanted to go to with him.”

### DUBAI BREEZE-UP CATALOGUE REVEALED BY GOFFS

A 73-strong catalogue of 2-year-olds for the Goffs Dubai Breeze-Up Sale on Mar. 21 is now **online**.

Slated for at 5 p.m. in the Meydan Racecourse Parade Ring, the sale’s breezes will take place the day prior at the Dubai Racing Club Training Track at 7:45 a.m. on Monday, Mar. 20. Held for the first time in 2022, the inaugural sale has already produced 13 individual winners in five countries and there are also several group-placed horses. **Cont. p5**

## Dubai Breeze-Up Catalogue Cont.

Among the best graduates is the winner Labeling (GB) (**Frankel {GB}**), who is also Group 1-placed in Japan, as well as the winning Mr Raj (Bolt d'Oro), who ran third in the G3 UAE 2000 Guineas earlier this month.

Sheikh Rashid bin Dalmook Al Maktoum, Chairman of Dubai Racing Club, said, "We are delighted to welcome buyers, consigners, and bloodstock agents to the first renewal of the Dubai Breeze-Up Sale, held in association with Goffs after a very successful inaugural auction in 2022. The catalogue contains carefully selected specialist horses that serve the underlying vision of this unique sale in the region.

"Thanks to the leadership and vision of His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai, we aim to be the best at what we do.

"We always believed that the Dubai Breeze-Up Sale offers potential buyers a unique opportunity to purchase young horses sourced from various farms and bloodstock sales worldwide based on studies of their attributes and pedigrees and with varieties that meet various needs and expectations. It offers potential buyers from the region select runners that save them the hassles of travelling and shopping around and offers them select runners at competitive prices in a venue so close to numerous vibrant racing centres.

"The catalogue features outstandingly bred individuals; many of whom are by some of the world's leading stallions and are related to horses who thrived in this region. This bunch of young horses feature great conformation and soundness. They have undergone basic training and are ready to pay back prospective buyers."

The 2023 catalogue includes individuals by established sires like **American Pharoah**, **Constitution**, **Curlin**, **Ghostzapper**, **Hard Spun**, **Gun Runner**, Into Mischief, **Justify**, **Kingman** (GB), Medaglia d'Oro, **No Nay Never**, **Not This Time**, **Sea The Stars** (Ire), Speightsown, **Tapit**, **War Front**, Zoustar (Aus), and **Yoshida** (Jpn), as well as exciting first-season sires such as Masar (Ire), Too Darn Hot (GB) and **Ten Sovereigns** (Ire).

Goffs Group Chief Executive Henry Beeby added, "The Dubai Breeze Up Sale in association with Goffs achieved some of the strongest results of any breeze-up sale in 2022.

"Buoyed by the success of year one, the breeze-up consignors went to the world's leading yearling sales with this year's Dubai Breeze-Up firmly in their sights and our selection team led by Tom Taafe and Nick Nugent has worked with them to compile a catalogue of unrivalled quality that will appeal to all Middle Eastern and international buyers attending the Dubai World Cup.

"It is an honour for Goffs to conduct the Dubai Breeze Up on behalf of the Dubai Racing Club and I wish to extend my thanks once again for the trust placed in the Goffs service by HH Sheikh Rashid bin Dalmook Al Maktoum and his team whilst we salute the vision of His Highness Sheikh Mohammed bin Rashid Al Maktoum in adding this sale to the iconic Dubai World Cup Meeting."

## MAKING WAVES: FEB. 11-17

by Heather Anderson

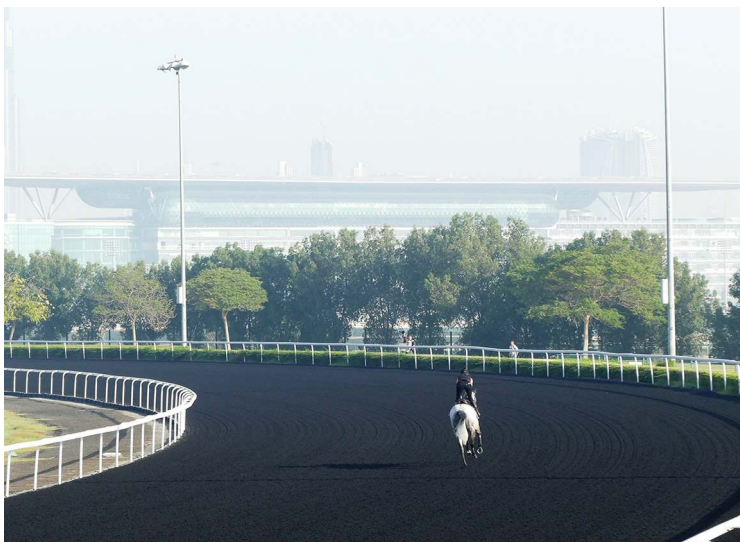

*In this new semi-weekly series, the TDN takes a look at the notable successes of European-based sires in North America. This week's column, Feb. 11-17, is highlighted by the victory of **Manhattan Jungle** (Ire) (Bungle Inthejungle {GB}) in the Sweet Life S. at Santa Anita Park on Feb. 11.*

## No Concrete Fears For Smart Filly

The best performance of the week was Eclipse Thoroughbred Partners' Manhattan Jungle adding to her resume in the Sweet Life S. going down the hill at Santa Anita. A three-quarter length winner for trainer Michael McCarthy, the 3-year-old filly was second in the Blue Norther S. on New Year's Eve.

One of seven black-type winners for her Rathasker-based sire, Manhattan Jungle is the best of a trio of winners from just five runners in America. Her sire's best progeny is undoubtedly G1 Nunthorpe S. heroine Winter Power (Ire), and he stands for €6,500 this year.

Bred by **Patrick Headon** of Wraymount Stud and a €20,000 Goffs Sportman's Sale yearling buy by Lemos De Souza and his partner, trainer Amy Murphy, the filly made her first two starts winning ones in France for Murphy, De Souza and co-owners Daniel Macauliffe and Anoj Don in April. [Cont. p6](#)

### Making Waves Cont.

Stepped up to listed company, the result was the same in Vichy's Prix des Reves d'Or, but the silks were different, as by this point Aron Wellman's Eclipse had snapped up Manhattan Jungle and left her in Murphy's care.

Although she found the waters too deep in Royal Ascot's G2 Queen Mary S., Manhattan Jungle was only a length back in second to the future G1 Prix Morny third and G1 Middle Park S. second The Antarctic (Ire) (Dark Angel {Ire})--a full-brother to crack sprinter Battaash (Ire) (Dark Angel {Ire})--in the G3 Prix de Cabourg on Aug. 2. Fourth in the Morny, and back in the placings after setting the pace to be third in the G3 Prix Eclipse on Sept. 17, the Murphy trainee was unplaced in the G1 Breeders' Cup Juvenile Fillies Turf at Keeneland after a busy season in November and transferred to McCarthy.

Her dam, the Acclamation (GB) mare Skylight (Ire), won once in six starts, taking out the one-mile Selling S. over the Lingfield all-weather for trainer Mick Channon. The third foal and winner for her dam, Manhattan Jungle has a **Sioux Nation** 2-year-old half-sister, as well as a yearling half-brother by Shaman (Ire). The **Sioux Nation** filly, also consigned by Wraymount, made €90,000 on the bid of Emma Chilcot & Get in the Game at the Goffs Sportman's Sale last September.

An honourable mention, is the late Galileo (Ire)'s 3-year-old daughter **Juniper's Moon**, who graduated by three-parts of a length going 1 1/16 miles on grass in her third try at Tampa Bay Downs on Saturday ([video](#)). The Coolmore great's 359 stakes winners (241 group/graded), feature 26 in Canada and North America, with 15 at the Grade I tier. Juniper's Moon is one of 61 North American winners from 171 runners.

Bred by Carolyn and Fletcher Gray and foaled in Kentucky, the chestnut was part of the Blandford Stud consignment at the 2021 Keeneland September Yearling Sale, and brought \$725,000

from J.R. International Holdings. Second when unveiled over the Aqueduct turf in November for Team Spoor and Anthony Dutrow, she was sixth at that track stepping up to 1 1/8 miles on the main track on Nov. 25.

Related to the late GII Jim Dandy S. hero-turned sire Laoban (**Uncle Mo**), she is out of GI Cotillion S., GI Delaware H., and GI Spinster S. heroine I'm A Chatterbox (**Munnings**), who was also placed five times at the graded level and was third in the GI Kentucky Oaks of 2015. I'm A Chatterbox was covered by Into Mischief last spring.

### Kingman's Florida Double

Florida was the place to be on Thursday, as Juddmonte stallion **Kingman** (GB) sired a brace of new maiden winners.

William K. Werner's 3-year-old filly **Grace Darling** (Ire) struck by two lengths in the day's fifth race going 7 1/2 furlongs at the Hallandale Beach oval ([video](#)) under Tyler Gaffalione, who would also be aboard **Kingman**'s other winner on the day, Turf King. The GII Edgewood S. at Churchill in May is next for **Kingman**'s 22nd American winner according to current trainer Brian Lynch.

Bred at trainer Dermot Weld's Springbank Way Stud, she made her first two starts at Naas in Weld's silks. Sixth versus males in her six-furlong July debut, the daughter of former Weld trainee and G3 Leopardstown 1000 Guineas Trial heroine Stormfly (Ire) (Dark Angel {Ire}) improved to third going that same trip there behind Dower House (Ire) (Galileo {Ire}) and subsequent listed heroine Spirit Gal (Fr) (Invincible Spirit {Ire}), who has Guineas aspirations for Charles Fipke. From the family of dual hemisphere Group 1 winner and sire Ivanhowe (Ger) (Soldier Hollow {GB}), Grace Darling was acquired privately by her current connections, and is followed by the juvenile colt Wasp (Ire) (Profitable {Ire}). ## Making Waves Cont.

In the day's finale, Ridgemont Stud-bred **Turf King (Ire)**, out of another Acclamation (GB) mare in Sweet Acclaim (Ire), closed to take a one-mile all-weather feature by a neck for the Chad Brown barn at first asking ([video](#)). Offered by David Cox's Baroda Stud at the Goffs Orby Yearling Sale in 2021, the colt was picked up for €100,000 by Niall Brennan, who sent him through the 2022 OBS March Sale. After breezing a furlong in :10.1, he made \$180,000 on the bid of Wise Racing, and now carries their colours.

Placed third in the G3 Oh So Sharp S. in England, Sweet Acclaim also placed at the graded level Stateside, in the GIII Appalachian S., GIII Violet S., and the GIII Old Forester Mint Julep H., but did manage a stakes victory over the Ellis Park turf. From the extended family of three-time GI Breeders' Cup Mile heroine Goldikova (Ire) (Anabaa), she was picked up for \$600,000 out of the 2016 Keeneland November Sale by Craig Roscoe. Turf King is her third foal, third to race and third winner. She has a juvenile filly by Lope De Vega (Ire) yet to come, and a yearling filly by Night Of Thunder (Ire).

The March-foaled Turf King gives **Kingman** a total of 23 winners from 45 runners Stateside (51%). Sprinkled liberally among them are seven stakes scorers (15% stakes winners to

runners), led by three-time Grade I winner Domestic Spending (GB), who was also trained by Brown. Residing at Banstead Manor Stud in England, the 12-year-old has 54 worldwide black-type winners and stands for £125,000 this season.

Back at the track at which he opened his black-type account in Sunday's 10-furlong Listed Grand Prix de la Riviera Cote d'Azur, Hooking proved as versatile as he is hardy by making light of the drop in trip and quick return.

**Listed Prix Saonois Cont.**

Now on a four-timer having won his final outing of 2022 over 9 1/2 furlongs at Deauville and a course-and-distance conditions event in January, the bay was up near the pace from the outset over this sharper test. Tackling the long-time leader National Service approaching the furlong pole, he was soon in front and from there his extra stamina was always going to tell.

The listed-winning dam, who also has Lope De Vega's promising 3-year-old filly Alia's Rose (Fr) and a 2-year-old daughter of **Wootton Bassett (GB)** named Quendresa (GB), is kin to the G1 Prix du Cadran hero Mille Et Mille (GB) (Muhtathir {GB}) and the G3 Prix de Conde-placed Capo Maximo (GB) (Cape Cross {Ire}). **Coolangatta Cont. from p1**

Added jockey Jamie Kah, "I thought she would run second today honestly, I didn't think she would be able to beat Nature Strip (Aus) (Nicconi {Aus}).

"The race did shape out for her, there was pressure early, but she is half the size of him, and she just does things she shouldn't do, she is just an amazing horse."

Last year's Royal Ascot sprint darling **Nature Strip** did not deliver his customary burst of finishing power and finished sixth. It was his third straight start without a win since he captured the G1 T J Smith S., G1 King's Stand S., and G2 Bowermans Shorts in succession in April, June and September.

His jockey, James McDonald, did not offer an excuse and said, "He tried hard."

**SWEET SUCCESS FOR SANNA, WHYTE IN****AMIR TROPHY** by Alan Carasso

Alberto Sanna had twice previously won Qatar's biggest and richest race, the HH The Amir Trophy, but he could not contain his emotions after putting a perfect steer on former Ballydoyle inmate and now Hong Kong-based **Russian Emperor (Ire)** (Galileo {Ire}) to take Saturday's US\$2.5-million event in Doha.

Sanna was himself part of the ultra-competitive collection of riders in Hong Kong for two seasons, but managed a strike rate of just 4.6%. To make matters worse, he was handed a 10-meeting suspension in late 2019 and his Hong Kong license was stripped not long after winning in Group 3 company.

"For nine months after that I didn't ride, I didn't even think about horses," Sanna recently told *Asian Racing Report's* David Morgan. "I became heavy, I think I was 72 kilos (158 pounds) and it was the time of Covid. I was quite depressed because I had given my whole self to doing well in Hong Kong and I got cut off at the wrong time: I was doing well, I was fit. I had ridden nine winners by the beginning of November, so I was winning, I won the Ladies' Purse, I was doing alright."

Since then, Sanna has experienced a renaissance in the desert, as he has been at or near the top of the local jockeys' standings, and it was a no-brainer for Douglas Whyte, the former legendary jockey turned successful trainer, to book Sanna for the Amir Trophy.

"It's the first time I've travelled a horse abroad," the 'Durban Demon' told Gina Bryce following the victory. **Cont. p10**

### Amir Trophy Cont.

"I'm only new to the training ranks, but [Russian Emperor's] a special horse for me. I've won two Group 1 races with him in Hong Kong, and I thought he was the right horse to travel with temperament wise. I must say he's really blossomed since he's landed in Qatar."

Settled towards the rear with only two rivals behind for the opening 1800-metres, Sanna swung the 6-year-old out into the clear approaching the stretch and appeared to be going ominously well. He tanked to the front with a furlong to travel and had enough in the dying strides to hold off the progressive **Warren Point (GB)** (Dubawi {Ire}), an impressive winner in listed company in Bahrain earlier this month, who was locked away at a crucial stage and attacked the line to just miss. Commonly owned stablemates **Bolthole (Ire)** (Free Eagle {Ire}) and **Inverness (Ire)** (Highland Reel {Ire}) rounded out the minors.

**Broome (Ire)** (Australia {GB}) attended the pace before weakening into fifth, while Hong Kong's **Senor Toba (Aus)** (Toronado {Ire}) finished a midfield seventh for former local champion jockey Harry Bentley. **Stone Age (Ire)** (Galileo {Ire}) failed to land a blow and trailed in.

Russian Emperor, winner of Royal Ascot's G3 Hampton Court S., was a narrowly beaten second in the 2021 BMW Hong Kong Derby and had since won the G1 Citi Hong Kong Gold Cup over 10 furlongs and the G1 Champions and Chater Cup going Saturday's trip. He holds an entry for the G1 Longines Sheema Classic at Meydan on Mar. 25. The gelding is one of two winners out of his champion four-time Group 1 winning dam, who died in August 2020 just days after foaling a **Justify** colt now named Marvillas (Aus), an A\$240,000 Inglis Easter yearling purchase who is currently spelling for trainer Annabel Neasham.

In the afternoon's other marquee events, **Order of Australia (Ire)** (Australia {GB}) was given a perfect ride from the front by

Ryan Moore to scoop the Irish Thoroughbred Marketing Cup (1600m); the John and Thady Gosden-trained **Alzahir (Fr)** (Sea The Stars {Ire}) outfinished the filly **Kerindia (Ire)** (Cotai Glory {GB}) in the age-restricted Al Rayyan Mile; and **Flaming Rib (Ire)** (Ribchester {Ire}) outdueled two-time defending champion **Taxiwalla (Ire)** (Holy Roman Emperor {Ire}) with Oisin Murphy at the controls in the Dukhan Sprint.

## COOLANGATTA TAKES LIGHTNING, NATURE STRIP SIXTH

Jamie Kah | Bronwen Healy

by TDN AusNZ

Last year's R. Listed Magic Millions 2YO Classic heroine **Coolangatta** (Written Tycoon) confirmed her status as one of the best fillies in the country with a tenacious first-up success against the older horses in the G1 Black Caviar Lightning S. at Flemington on Saturday.

The sole 3-year-old filly in the field, Coolangatta claimed the scalp of the World's Best Sprinter **Nature Strip** (Nicconi), who faded into sixth and recorded the second Group 1 victory of her career with a 0.4l success over Golden Eagle winner **I Wish I Win (NZ)** (Savabeel), who rattled home from the rear of the field in an impressive return to action.

Coolangatta's Ciaron Maher and David Eustace-trained stablemate **Bella Nipotina** (Pride Of Dubai) was another to signal that she's in for a good preparation, working home nicely into third to be beaten only 0.5l by the winner.

Positioned just off the speed throughout, Coolangatta cruised into contention at the 200-metre mark and found plenty under pressure to become the first 3-year-old filly to win the Black Caviar Lightning S. since 2004.

Winning rider Jamie Kah was full of admiration for her mount but confessed she hadn't anticipated Coolangatta going to another level this preparation.

"I've said it in my interviews leading up to this race, I thought she'd reached her peak last prep (in winning the Moir S.) and I thought it was still a very good peak," Kah told *Racing.com*. "I didn't see her improving that much more, but she's just come back better and bigger and stronger."

"I thought she would run second today, honestly. I didn't think she would be able to beat Nature Strip."

"The race did shape out for her, there was pressure early. But she is half the size of him (Nature Strip) and she just does things she shouldn't do. She is just an amazing horse."

Winning co-trainer David Eustace mooted that a trip to Royal Ascot could be on the cards for Coolangatta later this year, where she would bid to emulate Nature Strip in winning the G1 King's Stand S. on the opening day of the royal meeting.

"From here the dream would be Royal Ascot for everyone involved," Eustace told *Racing.com*.

"She's shown she likes the straight and I think everyone in the group would be keen to go there. Where she goes next, I'm not sure, but ultimately we'd love to give that a crack."

"She's heavier and we thought she'd improved from the spring to now, and from two to three."

### Pedigree Notes

Coolangatta was purchased by the Maher and Eustace team for \$280,000 from the Milburn Creek draft at the Magic Millions Gold Coast Yearling Sale in 2021.

She is out of the winning More Than Ready (USA) mare Piping Hot, who is herself a daughter of Group 2 winner Ribe (Danehill {USA}), making her a half-sister to G1 Blue Diamond S. winner Reaan, a son of Hussonet (USA).

In 2022, Coolangatta's half-sister by Dundee (NZ) was bought by Kennewell Racing, Group 1 Bloodstock (FBAA) and Trilogy for \$300,000 at the Inglis Australian Easter Yearling Sale, and she has foaled a sister to Coolangatta last year before being covered by Champion Sire I Am Invincible.

Coolangatta is one of 12 Group 1 winners for Yulong Stud-based stallion Written Tycoon and is the second elite-level winner bred on the Written Tycoon / More Than Ready cross, with La Luna Rossa being the other.
