PROXY GETS 'LAST' LAUGH IN OAKLAWN HANDICAP

Proxy gets up late to take the Oaklawn Handicap | Coady

by Alan Carasso

The names of some of this country's most accomplished Thoroughbred owners grace the honor roll as winners of the GII Oaklawn H., including Loblolly Stable, Greentree Stable, Allen Paulson, Golden Eagle, John Franks, Ogden Phipps, Jerry Moss, Pin Oak Stable and the late Oaklawn president Charles Cella.

Following the conclusion of nine sometimes rough-and-tumble furlongs Saturday in Hot Springs, you can now add the name of Godolphin to the list, as the operation's immaculately bred 5-year-old **Proxy** (**Tapit**) stormed down the center of the track and managed to outfinish defending champion **Last Samurai** (Malibu Moon) by a head, with the hard-knocking GI Santa Anita H. hero **Stilleteo Boy** (Shackleford) another unlucky nose away in third.

Sent off the 37-10 third pick, Proxy was sporting cheekpieces and landed in fourth position into the first turn, as Stilleteo Boy showed slightly more speed than **Classic Causeway** (Giant's Causeway), who applied the pressure from the outside. On the back of 'TDN Rising Star' **Charge It** (**Tapit**), blinkered for the first time and very erratic through the opening stages, Proxy was guided into the clear by Joel Rosario turning into the backstretch. Racing as many as six paths off the inside approaching the entrance to the second turn, Proxy was asked to pick it up a bit at the seven-sixteenths, but there wasn't much of a response, as Last Samurai improved at the rail. **Cont. p3**

GOOD MAGIC FILLY EARNS BULLET AT OBS SATURDAY by Jessica Martini

A filly by **Good Magic** (hip 1112) turned in the fastest quarter-mile work of Saturday's final session of the under-tack show for the Ocala Breeders' Sales Company's Spring Sale of 2-Year-Olds in Training when covering the distance in :20 3/5 for consignor Tom McCrocklin.

"I don't clock my horses at any point," McCrocklin said. "All these 2-year-olds I sell, I never have a stopwatch in my hand. But at this point, I think I know who can run and who can't. That filly has appeared to be fast for a while and she showed up today and had a really good breeze."

McCrocklin purchased the youngster for \$190,000 at last year's Fasig-Tipton October sale. She is out of Tiz Heavenly (Tiznow), a daughter of multiple graded-stakes winner Tasha's Miracle (Harlan's Holiday).

"Good Magic and her physical," McCrocklin said of his decision to purchase the filly last year. **Cont. p11**

The field breaks with Proxy right in the middle | Coady

When longshot **Senor Buscador** (**Mineshaft**) commenced a sharp rally of his own that saw him overtake Proxy to his inside, that seemed to serve as a wake-up call and Proxy jumped back into the bridle while widest into the lane. In the meantime, Stilleto Boy had left the rail open, and leading rider Cristian Torres tried to send Last Samurai through a razor-thin opening, appearing to bounce off the fence at the furlong grounds and ricocheting off the rail to brush with Stilleto Boy and consequently putting Charge It in tight. But all the while, Proxy had worked up a full head of steam, was zeroing in on the leaders while out of harm's way down the center of the track and was shoved across the line first.

"I knew there was enough speed to set up his late run," said winning trainer Michael Stidham. "The way it went, with Charge It sitting right in behind them [speed horses] and us outside of him, the only concern was turning for home it looked like he was trying to drop out of it again. But Joel [Rosario] had him out there for a reason, to stay out from behind the dirt."

A fringe player on the Louisiana road to the Triple Crown two years ago, Proxy was third in last year's GIII Ben Ali S. and filled the same spot behind **Olympiad** (**Speightstown**) in the GII Stephen Foster S. before returning from a 4 1/2-month break to defeat West Will Power (Bernardini) in the GI Clark S. in November. He was a non-threatening fifth in the GI Pegasus World Cup Jan. 29 ahead of the Big 'Cap, where he got home well, but the wire came a couple of strides too soon.

Pedigree Notes:

Proxy's dam, a \$260,000 purchase by Glencrest Farm out of the 2006 Keeneland April Sale of 2-Year-Olds in Training, was one of the more versatile performers of her generation. **Cont.**

She won the GII Black-Eyed Susan S. on conventional dirt in May 2007 and the GI American Oaks on turf two months later before doubling her Grade I tally in that year's Juddmonte Spinster S. over the Keeneland all-weather.

Panty Raid was purchased by John Ferguson on behalf of Sheikh Mohammed's operation for \$2.5 million at the 2008 Fasig-Tipton November Sale, but took some time to make her mark in the breeding shed. Her first foal of note was Proxy's year-old half-sister Micheline, a Grade II winner on turf and second in the GI QE II Challenge Cup at Keeneland. Panty Raid, whose full-sister St. John's River went excruciatingly close in the 2011 GI Kentucky Oaks, is the dam of the 2-year-old colt Out in Force (**Frosted**) and a yearling filly by Into Mischief. Panty Raid was among the first book of mares bred to **Tapit**'s two-time Eclipse Award winner and 'TDN Rising Star' **Essential Quality**.

Let go as the 16-1 longest shot on the board, Verstappen was steered out widest into the Keeneland stretch and had just a touch more horse power in the dying strides to take the GII Elkhorn S. by a narrow margin.

Allowed to find his stride after a smooth dispatch, the progressive 4-year-old settled third last--with only Another Mystery and Red Knight behind him--as Tiz the Bomb (Hit It a Bomb) set a decent pace for the 12-furlong distance in advance of defending champion Channel Maker (English Channel). Switched off nicely and content to just lob along beneath Declan Cannon, Verstappen was shuffled back a spot to race second-last when Another Mystery went for an early run up the rail to work his way into a midfield position at the half-mile marker.

Verstappen (outside) | Coady

The two front-runners still had the race between them as they hit the final turn, but Carroll went for Verstappen fully 2 1/2 furlongs from the wire and the duo launched their bid about seven wide into the lane. Red Knight knifed through a path or two nearer the inside to deliver his challenge and fought on doggedly to the wire, only to take a tough beat. Another Mystery was in tight in the stretch, but battled on to fill the third spot after completing the exacta underneath Channel Maker last spring.

"We've always liked him. As he was going to get older, we always thought he'd get better," said winning trainer Brendan Walsh. Declan [Cannon] rode him to perfection. I'm delighted for him." **Cont.**

Walsh continued: "He does a lot of work for me, rides a lot of my work, so it's a great reward. Coming in here, we said if he ran well today, if he ran in the first three, it would open a big door for him, so I think anything from a mile and a quarter to a mile and a half, I think he's still going to get better and better. I don't think we've seen the best of him yet."

A maiden winner in the last of four runs as a juvenile, Verstappen was fifth in allowance races here last spring and last fall and wintered at Turfway Park. The bay took back-to-back tests going a mile and a quarter on the synthetic surface in December and February, respectively, and was trying graded company for the first time off a strong runner-up effort in the Mar. 25 Kentucky Cup Classic about an hour up Interstate 75.

Pedigree Notes:

Verstappen becomes the 110th worldwide black-type winner and the 61st graded or group winner for Claiborne Farm's now 22-year-old stalwart **War Front** and is out of a stakes-winning and French Group 3-placed half-sister to MSW/MGSP Aizovoski (Ire) (Monsun {Ger}) and Group 3 winner Affaire Solitaire (Ire) (Danehill Dancer {Ire}). Verstappen's third dam, a half-sister to the history-making GI Breeders' Cup Classic upsetter Arcangues (Sagace {Fr}) and to the dam of treble Group 1 winner

Aquarelliste (Fr) (Danehill), was herself responsible for nine winners from 11 to the races, including GI Beverly D. S. and GI Diana S. heroine Angara (GB). Andromeda Galaxy, who was purchased by Eaton Sales for €400,000 in foal to Charm Spirit (Ire) at the 2016 Goffs November Sale, is also the dam of an Irish-bred 2-year-old filly by **No Nay Never**.

Defunded cruises in the Californian | Benoit

When the 1-5 favorite leaps awkwardly out of the gate and is taken out of his usual front-running game, the complexion of a race changes significantly, but not necessarily the result, at least in the case of Saturday's GII Californian S. at Santa Anita. Defunded, who set all the pace in his GI Awesome Again S. win last October and is usually on or near the lead, uncharacteristically trailed the field for the first six furlongs before looming wide and reeling in the leaders to post a three-length score.

"He's always had a little issue in the gate," said winning trainer Bob Baffert. "[Rider] Juan [Hernandez] said that today he was standing perfect and right when they kicked it, he stepped back and that's why he hopped out of there. That's why he just sat on him, he said he was never rank. He was in the bridle, and he was just being patient with him. I'm glad that he handled it. Down the backside I wasn't sure, I thought we missed the race."

Breaking from the one post, Defunded made that hop and found the field already gone as he settled into stride. Longshots Mr. Impossible (**Munnings**) and Midnight Mammoth took command up front with second betting choice and GISW Royal Ship (Brz)--who himself won the Californian in 2021--in the clear to their outside. **Cont.**

Californian S., cont.

After a first quarter in :23.22 and a half in :47.35, nothing had changed. As Mr. Impossible began retreating a half mile from the finish, Defunded was still last. Hernandez angled the chestnut out on the turn, made his move four wide, collared Royal Ship and Midnight Mammoth in early stretch, and glided home much the best.

"I like the fact that he has always been one dimensional and it looks like now he's maturing, getting older and he is starting to fill out," said Baffert. "He's always been a little bit of a head case but now he's figuring it out and he knows he's a good horse so that's important."

Hernandez had ridden Defunded once previously, when the pair finished third in the GI Santa Anita H. Mar. 4, just one spot behind Proxy (**Tapit**), who captured Saturday's GII Oaklawn H. Defunded has been a mainstay in the big races on the California circuit since 2021, when he made the leap from maiden winner to a fourth in the GI Santa Anita Derby. In addition to his Awesome Again score at the highest level last year, he also won the 2022 GIII Native Diver S. and has placed in five other graded races, including three Grade Is. He was second to Art Collector (Bernardini) in Gulfstream Park's GI Pegasus World Cup Invitational S. in his first start this year.

Hernandez won both graded races on Santa Anita's Saturday card, also taking the GIII Kona Gold S. a few races earlier with Brickyard Ride (Clubhouse Ride).

Pedigree Notes:

Darby Dan's **Dialed In** is the sire of Defunded and 21 other black-type winners, in addition to eight graded winners. Defunded is one of three Grade I winners for the **Mineshaft** stallion, who also has GI Kentucky Oaks contender Gambling Girl, currently seventh on **TDN's Oaks Top 10**.

Athens Woods bought Defunded's dam, Wind Caper, for \$37,000 at the 2016 Keeneland November sale. Athens Woods, owned by Reiley McDonald of Eaton Sales, selected **Dialed In** for the mare the next spring and Defunded was the first result out of the mare for the Kentucky operation. Athens Woods also bred a 2-year-old full-sister to Defunded, now named Ringy Dingy, who hammered to Oracle Bloodstock for \$200,000 at last year's Fasig-Tipton Kentucky October yearling sale. The mare lost her 2022 foal and was not reported bred for this season. She is by GI Belmont S. winner and now-pensioned Touch Gold, who has 68 stakes winners out of his daughters.

Wind Caper was bred by Lane's End's W. S. Farish and hails from the immediate family of Farish homebred and MGISW Code of Honor (Noble Mission {GB}), who stood only one season at Lane's End (in 2022) before suffering an irreparable bout of colic necessitating his euthanization last December.

Returning to the scene of his victory in the GI Claiborne Breeders' Futurity in the fall of 2021, Rattle N Roll was the recipient of a letter-perfect ride from the in-form Brian Hernandez, Jr. and finished full of run to take Saturday's GIII Ben Ali S. at Keeneland.

Pioneer of Medina won the break from the inside gate and led the field into the first turn prompted along by Trademark (**Upstart**), as Hernandez, Jr. was content to allow Rattle N Roll to drop out to the back of the field. Having improved one position during the run down the backstretch, the 4-year-old was asked for a bit of speed to take advantage of a run up the fence underneath Call Me Fast, and by the time the Ben Ali field hit the final half-mile, Rattle N Roll was handy and traveling on the back of the speed. Racing on a loose rein into the final three furlongs, the second betting choice pushed away from the inside and into the three path and let down powerfully for the victory. Call Me Fast bobbled at the break, but rallied nicely for second ahead of Pioneer of Medina. Favored Skippy longstocking (Exaggerator) raced wide throughout and never threatened.

"He's the type of horse that he doesn't get in a hurry early, but when he gets in his rhythm you just stay out of his way," said the winning rider. "He has a known tendency to make an early move, but that's just him, and if you try to slow him down when he starts to make his move, you just kind of compromise him. So I've learned to stay out of his way and let him run his race and leave it up to him."

Having failed to qualify for the Classics, Rattle N Roll was third to Cyberknife (**Gun Runner**) in the GIII Matt Winn S. last June before snapping a five-race skid in the July 2 American Derby. The chestnut added the valuable St. Louis Derby in August and the GIII Oklahoma Derby before closing the year with a disappointing fourth in the GII Thoroughbred Aftercare Alliance S. on Breeders' Cup weekend Nov. 4. He returned to action with a useful fourth behind West Will Power (Bernardini) in the GII New Orleans Classic at Fair Grounds Mar. 25.

Pedigree Notes:

Tommy Wente's St. Simon Place acquired Rattle N Roll's dam for \$20,000 in foal to **Mineshaft** at Keeneland November in 2016 and, after breeding the mare to **Outwork** the following season, returned her to the November Sale pregnant to **Connect** in 2018. Having elected to retain Jazz Tune when bidding stalled out at \$55,000, Wente offered the **Connect** colt as a weanling at KEENOV in 2019, where he fetched \$55,000, and trainer Ken McPeck signed the ticket on Rattle N Roll for \$210,000 at the 2020 Keeneland September Sale. A month after the colt won the Breeders' Futurity, Wente sold Jazz Tune for \$585,000 at KEENOV.

A half-sister to SW Rap Tale (Tale of the Cat), Jazz Tune is also the dam of the 3-year-old colt Jazz Tap (**Tapwrit**), a \$55,000 KEESEP grad who is unraced to date in Russia, and the **Liam's Map** colt she was carrying at the time of her sale in 2021 made \$175,000 at KEENOV last fall. **Cont.**

Brickyard Ride takes the Kona Gold | Benoit

If Brickyard Ride had a question mark next to his name prior to the GIII Kona Gold S. at Santa Anita Saturday--due to a third on return Mar. 5 in the GIII San Simeon S. on the lawn after time off for a knee chip--he had an exclamation point after it. The now-eight-time stakes winner won the Kona Gold for the second straight year after finishing second in the race in 2021.

"You think the horse is back but until he runs a race like this you don't know for sure, so it was kind of nice to see," said owner/breeder Alfred Pais.

Sent at 4-5, Brickyard Ride broke sharply and headed to the front, but never really caught a breather. After a first quarter in :21.77 and a half in :43.92, he cut the turn and sailed for home with Anarchist, who finished in front of him in the San Simeon, in hot pursuit. The winner swished his tail and stubbornly kept to his wrong lead until a few strides before the wire, but would not be denied. Anarchist had chased him all the way.

"He looked pretty good today," said trainer Craig Lewis of his winner. "So we're really happy with his race, he's just a wonderful horse. That half mile was pretty rapid. I got a little concerned but thankfully [rider] Juan [Hernandez] had a lot of horse when the running started. He's a fast dude, really fast."

With the exception of an allowance 23 months ago, Brickyard Ride is in the midst of his third year of running exclusively in black-type events. In addition to his two Kona Golds, he also captured the GII San Carlos S. in 2021 and has won five Cal-bred stakes. He's won on dirt and turf, won from 5 1/2 furlongs to one mile, and has registered Beyer Speed Figures up to 104. After his Kona Gold win last year, Brickyard Ride was favored in the GII Triple Bend S., but finished a dull fifth after leading early. Subsequent tests revealed a knee chip and the chestnut got time off after it was removed.

The race's namesake, the fabulous Kona Gold, also won two editions of this race, which was formerly known as the GII Potrero Grande Breeders' Cup H.

Pedigree Notes:

Clubhouse Ride stands at Northern California's Legacy Ranch and has had 127 foals in his first five crops, which include five black-type winners. In addition to Brickyard Ride, the **Candy Ride (Arg)** stallion also has graded winner Warren's Showtime, whose seven stakes wins include the GIII Wilshire S. and GIII Autumn Miss S., and whose 14 black-type placings include the GI Del Mar Oaks. Brickyard Ride is also one of three stakes winners out of a daughter of another California stallion in Southern Image, who has also stood in Kentucky and Australia.

The winner's dam has two full-siblings to Brickyard Ride waiting in the wings: a 2-year-old filly named Brickhouse Ride and a Jan. 16 colt named King's Ride. The 2-year-old is preparing for her first start and worked Apr. 17 at Santa Anita, going two furlongs in :25.80 (17/20) handily.

Sir Winston's pedigree is Classics oriented with early development, but it's also a great mix of dirt, turf, and all-weather performers, and this type of versatility is important for sire success these days.

– Sid Fernando, Werk Thoroughbred Consultants, Inc.

Final session of OBS under-tack show, cont. from p1

"She's a very, very pretty filly, very balanced. There are some fast horses on the female side of the pedigree. Tasha's Miracle was a very fast filly. She ran in the Railbird and the Hollywood Oaks. And there are some very fast horses under the third dam. Obviously when you are selling

2-year-olds, speed is at a premium."

The filly's pedigree has advantages beyond speed, according to McCrocklin.

"I like the **Good Magic** part because it adds some Classic stamina into the pedigree," he said. "He is a son of **Curlin**, but I don't think he was a typical son of **Curlin**. He was very precocious. He was a very good 2-year-old. [The filly] has a lot of **Good Magic** qualities in her. And she is out of a Tiznow mare.

So again, we are bringing speed and stamina on both sides of the pedigree."

Five horses shared the day's fastest furlong time of :9 4/5.

Caliente Thoroughbreds sent out a son of Solomini (**hip 1109, video**) to share the day's fastest furlong. The chestnut is the first foal out of Timberlea (Flutter), a half-sister to graded winner Untrapped (Trappe Shot). He was purchased by Gerardo Barragan for \$50,000 at last year's Keeneland September sale.

A colt by Triple Crown winner **Justify** (**hip 1124, video**) worked Saturday's furlong bullet for Scanlon Training & Sales, which purchased him for \$125,000 at last year's Fasig-Tipton October sale. The bay is out of graded-stakes winner Touching Beauty (**Tapit**).

A filly by **Demarchelier** (GB) (**hip 1128, video**) worked in :9 4/5 for Niall Brennan Stables. The juvenile is out of Treasured (Arch), a full-sister to stakes winner Desert Phantom. She was purchased by Cayson Lane for \$16,000 as a weanling at the 2021 Keeneland November sale.

Envision Equine sent out a colt by **Army Mule** (**hip 1187, video**) to share Saturday's furlong bullet. The bay is out of Western Kitty (Western Fame) and is a half-brother to stakes-placed What in Blazes (Straight Fire). He is from the family of Tiznow, Budroyale and **Paynter** and was bred by KMN Racing.

A colt by GI Kentucky Derby winner **Nyquist** (**hip 1219, video**) turned in his bullet work for Best a Luck Farm, which purchased him for \$150,000 at last year's Fasig-Tipton October sale. He had sold for \$130,000 as a weanling at the 2021 Keeneland

November sale. Out of the unraced Zetta Z (Bernardini), the juvenile's third dam is GI Breeders' Cup Distaff winner Unbridled Elaine (Unbridled's Song).

After sending out nearly 30 horses to work during the week, McCrocklin admitted it was a relief to get to the end of the marathon seven-day under-tack show.

Hip 1112 | Judit Seipert

"I was very pleased overall," he said of his consignment's results. "We had 27 breezes and 25 horses went in :20 and change or :21 and change for a quarter-mile--all my horses go a quarter by design. I am proud of the consistency."

Of track conditions throughout the week, McCrocklin added, "I was very happy with the track. I think the two things that are consistent with this track are temperature and wind. There is nothing OBS can do about either of those. I find that if you have a headwind, so does everyone else. If you have tailwind, so does

everybody else. And I'll leave it up to the buyers to do their own handicapping and grade on a curve.

"As far as the temperature, there is no secret the cooler it is, it tends to be a little faster and bouncier. And the hotter it is, it tends to slow down and get just a little bit sticky. But it's a very safe surface and the horses tend to come back very well from their breezes. Our X-rays have been really good so far, so no complaints on the track. I think OBS does a great job."

The OBS March sale opened the juvenile sales season with strong figures--led by five million-dollar sales--last month and McCrocklin expects to see continued strength at the top of the market, but is worried about lower levels of the playing field.

"I think it's a very deep market," he said. "You hear it everywhere you go, but I worry more on the lower-middle to lower end. I don't find that we have the depth of buyers that we need. I've developed the expression, it's easier for me to sell a horse for \$200,000 than it is for \$30,000. I think that's the world we live in right now."

The OBS Spring sale will be held next Tuesday through Friday with sessions beginning daily at 10:30 a.m.

MAGE, REINCARNATE TOP QUIET DAY ON THE DERBY WORKTAB

Mage | Lauren King

Mage (**Good Magic**), runner-up to champion and likely GI Kentucky Derby favorite Forte (**Violence**) in the GI Curlin Florida Derby at Gulfstream Park Apr. 1, breezed six furlongs in an easy 1:14.78 (**video**) at Gulfstream in what is likely to be his final serious piece of work ahead of the Run for the Roses May 6.

“He worked good. We liked what we say. Everything is going to plan, thank God,” said Gustavo Delgado, Jr., assistant to his father Gustavo who trains the son of former ‘**TDN Rising Star**’ Puca (Big Brown) for an ownership group that includes OGMA Investments, LLC, Ramiro Restrepo, Sterling Racing LLC and CMNWLTH.

A \$235,000 Keeneland September yearling and \$290,000 Fasig-Tipton Midlantic 2-year-old in training acquisition, Mage belied odds of 11-1 to graduate by an impressive 3 3/4 lengths in a seven-furlong maiden Jan. 28 and gave an excellent account of himself when fourth behind Forte in the GII Fountain of Youth S. Mar. 4. Mage hit the front in the final furlong of the Florida Derby after enduring a tough trip and clung on well for second, beaten a length. The chestnut, bred by Robert Clay’s Grandview Equine, ships to Kentucky Apr. 23.

“We just want him to get to know the track. We don’t expect to do very much there, fitness-wise,” Delgado, Jr. said. “He should be ready after this work. Every day is crucial. We’ll take it day by day, but we like the position we’re in right now.”

At Santa Anita Saturday morning, trainer Tim Yakteen sent out GIII Sham S. winner **Reincarnate** (**Good Magic**) to work five-eighths of a mile. Breezing inside of his 5-year-old stablemate Westward Look (Vancouver {Aus}), the \$775,000 Keeneland September graduate galloped under a strong hold after breaking off just inside the 5 1/2-furlong pole and pulled readily clear of

his company from two furlongs out to stop the clock in 1:01 flat (22/43) (**video**). He was asked to work past the wire and into the turn and was just urged along mildly to finish up nearing the six-furlong start.

Since winning the Sham in early January, Reincarnate cemented his Derby berth with third-place efforts--albeit accomplished in different fashion--in a sloppy renewal of the GII Rebel S. Feb. 25 and the GI Arkansas Derby Apr. 1.

MJC ISSUES NEW STATEMENT ON LAUREL, RACING WILL RESUME

The Maryland Jockey Club (MJC), which **cancelled racing this weekend after two fatalities at Laurel Park Thursday**, issued a new statement late Saturday regarding the status of the Laurel surface.

The statement appears in full below:

The Maryland Jockey Club has cancelled its Thursday, Apr. 27 racing program at Laurel Park due to insufficient entries. The racing office will be open and taking entries Sunday for the Friday, Apr. 28 program.

We acknowledge the recent statements in the press regarding the safety of our racing surface. However, we want to emphasize that 1/ST Racing and the Maryland Jockey Club prioritize safety above all else, and continually engage in proactive analysis of our racing and training surfaces. To this end, we have engaged the services of Dennis Moore, a renowned industry expert, who has been conducting routine testing of the Laurel Park racing surface for the past three days. Dennis, along with independent engineering experts, have performed a comprehensive battery of tests during this time, to ensure the safety of our racing surface. **Cont.**

Laurel | MJC

MJC's Laurel statement, cont.

Particle size distribution via the following methods:

- Laser diffraction
- Sieve and hydrometer
- Orono Biomechanical Surface Test (ASTM Standard F3400)
- Peak Vertical Load
- Peak Fore-Aft Load
- Peak Vertical Deacceleration
- Ground Penetrating Radar
- Percentage surface crossfall
- Bulk Density
- X-ray diffraction
- Base inspection

The results of these tests were all within industry norms.

Based on these tests and their professional knowledge, our track experts have advised that there are no issues with the track and that it is safe to race and train.

In addition, Dr. Jennifer Durenberger, Director of Equine Safety and Welfare with HISA, has at our request reviewed Laurel's fatality data and stated, "I've reviewed the data provided to me this morning by the Maryland Racing Commission and find a racing fatality rate at Laurel of approximately 1.3/1,000 starts since January 1st. By comparison, the Equine Injury Database shows a rate of approximately 1.98/1,000 at this same point (through Apr. 21) last year." As stated the current fatality rate has decreased from last year at the same point.

Even though the track surface is within industry standards certain Horseman have determined not to submit entries for this Thursday's racing card. Hopefully after reviewing the facts live racing will proceed.

We hope that all stakeholders will be able to come to a consensus and adopt the enhanced veterinary and safety protocols that have been implemented with great success in California. MJC has made repeated requests of the horsemen and are still waiting for their approval to be able to move forward with their implementation.

While we all know that catastrophic injuries will not be eliminated completely it is clear from the above that our track is not the issue, and we urge the Commission and the MTHA to take advantage of the proven enhancements to improve horse safety.

FORMER U.S.-BASED PRINCESS GRACE TAKES AUSSIE GROUP 3 *by Alan Carasso*

Princess Grace, seen here defending her title in the Penny Memorial S., sold for \$1.7 million at Fasig-Tipton last November | *Equi-Photo*

Princess Grace (*Karakontie {Jpn}*), a five-time graded winner and placed three times in Grade I company for John and Susan Moore and trainer Michael Stidham in this country, overcame some traffic at a critical stage and quickened home impressively to win Saturday's G3 Hawkesbury Crown S. by about 1 3/4 lengths.

Drawn the fence and sent off the lukewarm \$4.40 (17-5) favorite on the back of an outstanding third in the G2 Sapphire S. on her Australian debut at The Championships at Randwick two weeks back, the dark bay raced inside throughout beneath Nash Rawiller and traveled strongly from a joint fifth into the final quarter-mile. Opting to go for a run a few paths off the rail in the straight, Rawiller was forced to grab hold of Princess Grace for a stride or two when tight for running room, but she shouldered her way through and shot clear to win comfortably in the end ([video](#)).

"We were 50/50 whether we gave her a second run or waited for the Spring Carnival," Charlie Duckworth, assistant to and racing manager for trainer Chris Waller, told SKY Racing. "When she drew well, we said, 'let's take our chances', especially when the track came up a 5 [soft side of good] rather than the heavy track. Nash gave her a beautiful ride, obviously it looked a bit dicey, but no better man to have than Nash on when you're stuck in a bit of a tight spot. Exciting horse."

Racing as a homebred for the Moores, Princess Grace closed her 3-year-old season with a victory in the off-turf GIII Mrs. Revere S. and registered three wins at the graded level on the grass in succession in 2021--the GIII Dr. Penny Memorial S., the GII Yellow Ribbon H. and the GIII Kentucky Downs Ladies Turf--before closing the campaign with a sound third to Regal Glory (Animal Kingdom) in the GI Matriarch S. **Cont.**

Princess Grace, cont.

After successfully defending her title in the Penny, Princess Grace was second to Dalika (Ger) (Pastorius {Ger}) in the GI Beverly D. S. and again in the Ladies' Turf ahead of a third to In Italian (GB) (Dubawi {Ire}) and Regal Glory in the GI First Lady S. China Horse Club acquired the mare for \$1.7 million at last year's Fasig-Tipton November Sale and turned her over to Waller, most notably the trainer of the legendary Winx (Aus) (Street Cry {Ire}).

The Moores also race Princess Grace's 4-year-old gelded half-brother Catnip (Kitten's Joy), who broke his maiden at Colonial Downs like his half-sister, and who is entered for a first-level allowance on the turf at Keeneland Apr. 26. Masquerade is also the dam of the 2-year-old filly Mixologist (Frosted), a \$175,000 Keeneland September purchase by Solis/Litt and, according to Cobra Farm manager Mike Owens, the Moores intend to race the mare's yearling filly by **American Pharoah** named Miss U. S. A. Owens said that Masquerade delivered a **Gun Runner** filly at Cobra Farm Mar. 20. Masquerade will be bred back to the China Horse Club part-owned **Life Is Good**.

Duckworth indicated that sex-restricted tests in Group 1 company loom as targets come the Australian springtime.

BEAUTIFULLY BRED CURLIN COLT UNVEILED AT GULFSTREAM

1st-GP, \$50K, Msw, 3yo, 5fT, 12:40 p.m.

A Triple Crown-nominated colt for the connections of Mrs. J Magnier, Michael Tabor, Derrick Smith, Westerberg, Jonathon Poulin and St. Elias Stable, **SOUTH SIDE (Curlin)** was a \$500,000 yearling purchase out of the FTSAUG sale. His dam, while unplaced herself, is out of the graded stakes winning mare Mariah's Storm (Rahy), who readers will recognize as the dam of none other than the late Giant's Causeway (Storm Cat). In addition, this is the family of several Galileo full-siblings including: MG1SW and sire **Gleneagles (Ire)**, MG1SW Happily (Ire), G1SW Joan of Arc (Ire), MGSW & GISP Taj Mahal (Ire), G1SW Marvellous (Ire), GSW Coolmore (Ire), G1SP Toy (Ire), and G1SP Vatican City (Ire). And while the prolific family goes on and on, South Side will seek to write his own chapter under the tutelage of Todd Pletcher with jockey Emisael Jaramillo aboard.

Currently ranked 28th in points and on the outside looking in for the GI Kentucky Derby, Red Route One punched his ticket to the second jewel of the Triple Crown with a win Saturday in the Bath House Row S. at Oaklawn.

After bursting onto the scene with a third to Derby favorite Forte (**Violence**) in the GI Claiborne Breeders' Futurity last fall, Red Route One earned a pair of placings in both the GIII Southwest S. and the GII Rebel S. before faltering to sixth when last spotted in the GI Arkansas Derby. Racing with Lasix for the first time Saturday, the chestnut put his typical running style into action, breaking nicely but falling back to trail the field as

Victory Formation paced them through a :22.87 opening quarter. Under an easy ride from eighth, he started to pick up the bridle into the far turn and tipped out to carry his momentum past the furlong pole. **Tapit** Shoes was game to the inside, but Red Route One got the better bob to take the narrow win on the wire.

Out of a full-sister to champion 3-year-old filly Untapable, Red Route One is also out of a half to GISW Paddy O'Prado (El Prado {Ire}). Red House has not produced a foal or been reported bred since Red Route One. **Click for the [Equibase.com chart](#) or VIDEO, sponsored by TVG.**

After an extended stretch of near misses for Linda Rice, Lifetime of Chance put it all together last time out, romping by over 16 lengths to break his maiden at Aqueduct Mar. 18 in his sixth career start. Making his first start Saturday for trainer Mark Casse, the bay was in chase mode from third early as East Coast Girl led through a quarter in :22.50. Switched outside of that leader around the turn, he began to make up ground and came alongside past the furlong marker. With a good late kick, he just edged ahead and held on to narrowly defeat Bank Frenzy.

Merlazza | Coady

Merlazza, riding a two-race winning streak, made her first start away from the Fair Grounds Saturday as the popular 3-5 choice. Turning back from a 1 1/16-miles optional claiming score in her last start Mar. 25, she settled in fourth while racing just off the rail behind longshot leader Pink Ace here. Patiently ridden through a mild half in :50.12, she started to make up some ground on that leader while coming wide into the lane. Pink Ace looked to be home free at 46-1 with a furlong to run but Merlazza dug in and needed just about the length of the stretch

to get by to win her third straight. From the family of MGISW Dream Supreme (Seeking the Gold) and her son, GISW Majestic Warrior (A.P. Belouni recorded his first victory stateside in the Woodhaven S. at Aqueduct on Saturday afternoon. Never worse than second during four starts at provincial tracks in France as a juvenile under owner and trainer Christophe Escuder, including a second in the Criterium de Lyon Sept. 22, the bay colt was purchased by Hubert Guy Bloodstock for €180,000 ARARC last fall. Under new ownership and trained by Chad Brown, Belouni was a respectable seventh--beaten only three lengths--Mar. 4 at Gulfstream Park in the inaugural Colonel Liam S.

As the even-money favorite here, the chalk raced between runners into the clubhouse turn in the second flight as a longshot showed the way. Taking third along the backstretch,

Belouni saved ground and rounding the far turn had to tap the brakes as **Inflation Nation** took over the lead. Looking for room past the eighth pole, the favorite found a seam, and with a brisk turn of foot, accelerated across the wire to record a career high.

Out of a family that includes G1 Hong Kong Vase hero **Dominant (Ire)**, the winner's dam last produced a 2-year-old colt by **Sommerabend (GB)**.

STERLING SILVER (f, 4, Cupid--Sheet Humor, by Distorted Humor)

contested NYRA summer stakes action last season, including a fourth-place finish in the GI Test S. at Saratoga. Her best performance came on that same track a month later in the GII Prioress S.--finishing second by a neck to MGSW Wicked Halo (**Gun Runner**). Overmatched in the GI Breeders' Cup Filly & Mare Sprint, the gray filly returned to finish fourth in a handicap Mar. 11 at Tampa. Back in New York here, the 2-1 shot settled towards the back of the pack down the backstretch as a pair of leaders, including 3-2 favorite Asset Purchase (**Dialed In**), blazed a trail. Rounding the far turn, Sterling Silver gave chase and began to gain on the tiring pacesetters into the stretch. With less than a sixteenth left, she swept by to win by 3/4 length. To a T (Uncaptured) closed for second. The winner is out of an unraced mare who is also responsible for a 2-year-old colt named Rhetorical (**Not This Time**) and a yearling by Central Banker. Sales History: \$13,000 Ylg '20 FTKSEL. Lifetime Record: MSW & MGSP, 12-4-1-2, \$372,188. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

UNBRIDLED MARY (f, 4, Maclean's Music--Bauble, by Tale of the Cat)

just missed on two prior occasions to clear this condition at Santa Anita when second Feb. 10 down the Hillside Course and third at six furlongs Mar. 26. She went off as the 7-2 second choice behind tepid favorite Kitty Kitana (GB) (Bobby's Kitten) here. Breaking from the rail, Unbridled Mary settled into fourth behind a pair of leaders. The bay filly was given her cue at the top of the lane and just got up in time to win the photo by a nose over Princess Adaleigh (Goldencents) in a blanket finish. Second dam Just Reward (Deputy Minister) is responsible for GISW Persistently (Smoke Glacken), while Bauble's Royal Story (Lemon Drop Kid) produced GI American Oaks heroine Queen Goddess (Empire Maker). In against easier here, the homebred controlled the fractions up front and held on to score by a neck at odds of 3-1 over the hard-charging Time Passage (Tunwoo). The winner is her dam's first produce, but she does claim a 2-year-old colt by **Kingman (GB)** and was bred to both **Candy Ride (Arg)** and **Quality Road** last year. CLASS ACTOR (c, 3, Ghostzapper--Acting Class, by Distorted Humor), the 7-2 second choice on debut, was always part of the pace, keeping things tight up front with Billy Jack (**Uncle Mo**) as the front pair zipped through an opening quarter in :22.13. Still engaged with that inner rival into the stretch, Class Actor continued to battle, just edging away with a sixteenth to run. He found the wire in time to hold off a fast-closing Mr. Keating (Carpe Diem). Solevo (**City of Light**) beat only a pair of rivals home in 10th. A half-sister to Classy Act (Into Mischief), MGSP, \$328,443, Class Actor hails from the family of champion 2-year-old filly Tempera (A.P. Indy). Acting Class has a 2-year-old Bolt d'Oro filly still to make the races and was bred to **Medaglia d'Oro** for a 2023 foal. Sales History: \$230,000 Ylg '21 KEESEP. YESTERNIGHT (f, 3, Midnight Storm--Better Not Blink, by Hard Spun), dismissed on the board at 14-1 for her afternoon bow, showed good early speed to set a pressured pace up the inside. D'oro Street (Bolt d'Oro) kept her company throughout and the pair ticked through fractions of :21.71 and :45.40 before Yesternight found another gear and began to pull clear past the quarter pole. Flyin Bessie (**Practical Joke**) closed in from off the pace, but was too late as Yesternight hit the wire 3 1/4 lengths to the good. The winner is her dam's last reported offspring. BALANTYNE (g, 4, **Tapit--Graeme Six {GSW & GISP, \$338,854}, by Graeme Hall)** finished second in his first two career starts, completing the exacta on debut going six furlongs at Monmouth last June and he filled that same slot off the bench going a mile at Parx Feb. 21. Overlooked at 6-1 while getting some added real estate to work with here, he bumped with a rival at the start and sat a good trip in a stalking third. He hit the gas with a three-wide move on the far turn and kicked clear in the stretch to graduate by 2 3/4 lengths. Ride Up (Malibu Moon) was second. The winner is a half to Seymourini (Bernardini), SW, \$242,027; and Cali Star (Street Cry {Ire}), GSW, \$348,080; and a full to Delightful Joy, GSW, \$179,200. Graeme Six produced a **McKinzie** filly in 2022 (\$275,000 KEENOV purchase by Whisper Hill Farm). She was bred back to that same sire for 2023. Sales history: \$310,000 Ylg '20 KEESEP. MS. CLEMENTE (f, 3, **Liam's Map--Miss Baby Betty, by Warrior's Reward)** began her career on the grass with a fourth-place effort Mar. 5 in Hallandale. Trying the same distance in this spot, the 7-2 shot flashed early speed before taking back to fourth as she rounded the far turn. Ms. Clemente took aim at 5-2 favorite No Action (Uncaptured) and passed the pacesetter in time to graduate by a half-length. MGSP Sweet Whiskey (Old Fashioned) is a half-sister to the winner's dam, who is also responsible for a 2-year-old filly named St. Olaf Rose (Goldencents) and a yearling filly by **Volatile**. BIG DATA (c, 3, Cloud Computing--Moxie, by Creative Cause) was twice placed as a juvenile at Gulfstream, closing into second on debut Nov. 19 and leading nearly gate-to-wire to lose by a half-length Dec. 16. Sixth to GI Kentucky Derby contender Kingsbarns (**Uncle Mo**) when last spotted Jan. 14, the 3-1 second choice was back off the pace, racing disconnected from the front group before circling rivals with a nice move around the turn. Once unleashed in the clear from the center of the track, Big Data closed with a fury to win going away by four lengths. Heavily favored Strapped (**Candy Ride** {Arg}) chased him home to fill out the exacta. Big Data has a 2-year-old Dominus half-brother, a yearling half-brother by **Tonalist**, and his dam visited **Mo Town** for the 2023 season. ALMOST DIALED OUT (f, 3, **Dialed In--So Fancy, by Tapit), 3-1** for her afternoon debut, broke with the field, but took back to chase from sixth while saving ground against the rail into the far turn. Given her head past the quarter pole, she dug in to take over close to home, defeating **Accelerate** Judy (**Accelerate**) by two lengths. This is the family of MGSW & MGISP Midcourt (**Midnight Lute**) and Mexican Horse of the year Kukulcan (Mex) (Point Determined). ISAAC SHELBY MAKES ALL AMID GREENHAM DRAMA

Isaac Shelby skips home in front of Chaldean | *Racingfotos.com*

by Sean Cronin

There was high drama at the beginning of Saturday's G3 Watership Down Stud Too Darn Hot Greenham S. at Newbury when Frankie Dettori parted company with G1 Dewhurst S. hero and leading G1 2000 Guineas contender **Chaldean (GB)** (**Frankel {GB}**) upon exiting the stalls, which allowed Manton Thoroughbreds VII's reopposing Dewhurst seventh **Isaac Shelby (Ire)** (Night Of Thunder {Ire}--Kentucky Belle {Ire}, by Heliostatic {Ire}) a free run to make all for a second pattern-race triumph in the seven-furlong feature.

Last term's G2 Superlative S. victor was swiftly into stride, away from the early carnage, and gained immediate control. Unflustered on the front end for the most part, the 15-2 chance was shaken up approaching the final furlong and, with just the riderless Chaldean for company in the closing stages, kept on strongly to hit the line with an impressive three-length buffer back to G2 Criterium de Maisons-Laffitte victor **Charyn (Ire)** (Dark Angel {Ire}), himself 5 1/2 lengths clear of Doncaster maiden winner **Theoryofeverything (GB)** (**Frankel {GB}**).

Brian Meehan, absorbing a first success in the contest, commented, "He is smart and I've always thought so. Things went wrong at Newmarket and he came back lame, but luckily it wasn't serious. We got him right within a couple of weeks and, touch wood, he's been 100% since. I was so disappointed in the Dewhurst, because he was not the finished article and there was so much more to come." **Cont. p3**

KINGMAN'S REMARQUEE NOTCHES FRED DARLING TRIUMPH by Sean Cronin

Julian Richmond-Watson and Ralph Beckett tasted Classic success in 2008 with G1 Oaks heroine Look Here (GB) (Hernando {Ger}) and they are once again eyeing a moment in the spotlight after **Remarquee (GB)** (**Kingman {GB}**--Regardez {GB}, by Champs Elysees {GB}), who is from the family of Look Here, downed 11 rivals with something to spare in Saturday's G3 Dubai Duty Free S. (Fred Darling S.) at Newbury.

Positioned under cover and racing a shade enthusiastically in mid division through the initial fractions of this straight seven-furlong test, the Sept. 29 Salisbury maiden winner and 7-2 chance surged forward into contention at the quarter-mile pole and quickened in impressive fashion under mild urging inside the final furlong to comfortably hold the late rally of **Stenton Glider (Ire)** (Dandy Man {Ire}) by a neck, despite rider Rob Hornby dropping his whip in the closing stages. **Cont. p4**

G3 Greenham S. Cont. from p1

Meehan added, "Mentally he's always been a calm horse, but Newmarket was only his third run. He has won a Group 2 on good-to-firm and he seems to go on everything. Chaldean was very unfortunate and nobody wants to see that happen to anyone. It is a shame for Andrew [Balding] and Juddmonte."

However, Isaac Shelby will not be returning to Newmarket anytime soon, according to the trainer, and is set on a course for ParisLongchamp's May 14 G1 Poule d'Essai des Poulaches. "He is in the French Guineas, which was always the plan. He didn't go to the [G3] Craven because I was spooked by Newmarket and I don't want to go back there until he's a little older and more mature. It will be the French Guineas and then we'll take it from there."

Despite an unexpected turn of events for the 5-4 favourite, trainer Andrew Balding reflected in positive tones. "He was fit and well and ready to run a big race, but it was one of those unfortunate things," he said. "We are just thankful it was a trial, the horse seems to have come back fine and Frankie is fine. It is real bad luck, but it is what it is and we've got two weeks to the [G1 2000] Guineas. The Guineas was always the main aim and that's where we're going. He pulled up pretty quick, but it would have been a big problem if had he gone and done another

circuit of the track. He's had a decent workout and probably enjoyed it."

Juddmonte's Barry Mahon added, "It was one of those freak things. The main thing is the horse is okay and the jockey is okay. Frankie said the horse beside him just came over and caught his leg and ripped it out of the stirrup. The horse was a little slow [from stall seven] and the horse on his outside [Streets Of Gold] came across [from stall eight] and caught his leg. No harm done and the horse has had a day out, which was the whole aim of today."

Pedigree Notes

Isaac Shelby, one of 19 pattern-race winners for his sire (by Dubawi {Ire}), is the third of four foals and one of two winners produced by an unraced half-sister to GII Mac Diarmida H. victor Ramazotti (Honor Grades) and to the dam of dual stakes scorer Vow To Recover (Broken Vow). The April-foaled chestnut is half to an unnamed 2-year-old colt by Al Kazeem (GB). His second dam, the stakes-placed Mine Inning (Mining), is a daughter of Listed Revidere S. second Weed It Out (Clever Trick), herself kin to four pattern-race winners headed by GI American Derby hero Pocket Zipper (Full Pocket).

G3 Dubai Duty Free S. Cont. from p1

Remarquee's triumph was a fifth in the contest, and first since 2015, for Beckett, who insisted a crack at the May 7 G1 1000 Guineas was now very much on the cards. "It's great, it's everything I'd hoped for and more," the trainer beamed. "She was green and running away and Rob [Hornby] dropped his stick by the time she was running away from the crowd. Richard Hannon's filly [Magical Sunset] leant on her a bit, so she had Kevin Stott's stick in her face for a couple of strides. She doesn't know very much, but she will know more after today and we will certainly go to Newmarket [for the 1000 Guineas]. I think she is very good and she has got to go there on the back of that. Her mother wanted fast ground and maybe she handles this ground, but I don't see fast ground being a problem."

Hornby added, "She seems a good mover and she has a high head carriage, which is a bit like **Kingman**. They tend to be a bit like that, but it doesn't stop her. It is probably what she finds comfortable and she was still running true all the way to the line." **Cont. p5**

He added, "She will definitely stay further and, while you don't know until you've tried it, I'm sure she will act well on the course at Newmarket. She is not short of speed and I think a mile will be right for her."

Pedigree Notes

Remarquee, who becomes the 35th pattern-race winner for her sire (by Invincible Spirit {Ire}), is the fourth of six foals and one of two winners for MGSP Listed Hoppings S. victrix Regardez (GB) (Champs Elysees {GB}). The March-foaled homebred bay is kin to the unraced 2-year-old colt Reveal (GB) (**Oasis Dream {GB}**) and a yearling filly by Study Of Man (Ire). Regardez is kin to the ill-fated G1 Prix Royal-Oak hero Scope (Ire) (Teofilo {Ire}), stakes-winning G2 Prix de Sandringham third Glance (GB) (Dansili {GB}) and the stakes-placed Compton (GB) (Compton Place {GB}). They are out of a half-sister G1 Oaks heroine Look Here (GB) (Hernando {Fr}, herself the dam of Listed Noel Murless S. victrix and G2 Lancashire Oaks third Hereby (Ire) (Pivotal {GB}). Remarquee's fourth dam Derniere Danse (GB) (Gay Mecene), whose descendants include Listed Lingfield Oaks Trial winner Kayah (GB) (Kahyasi {Ire}), is half-sister to G2 Prix Maurice de Gheest hero and MG1SP sire Pursuit of Love (GB) (Groom Dancer) and MGSW G1 Prix Morny runner-up Divine

GRAND ALLIANCE SPRINGS JOHN PORTER SHOCK *by Sean Cronin*

Susan Roy's homebred 4-year-old gelding **Grand Alliance (Ire)** (**Churchill {Ire}**--Endless Love {Ire}, by Dubai Destination) was winless in six starts since registering early-season scores at Chelmsford and Donaster last year and, with dual Classic hero **Hurricane Lane (Ire)** (**Frankel {GB}**) failing to fire on seasonal return, stepped forward to notch a shock victory in Saturday's G3 Dubai Duty Free Finest Surprise S. (John Porter S.) at Newbury.

Fourth over course and distance in October's G3 St Simon S. when last seen, the 18-1 outsider was patiently ridden from the outset and found a comfortable rhythm off the pace in fifth. Making eye-catching headway on the bridle in the straight, he launched his challenge passing the quarter-mile pole and surged clear, despite drifting towards the far-side rail, under a drive in the closing stages to secure a career high in game fashion. At the line, he was 2 1/4 lengths too good for **Farhan (Ire)** (Zoffany {Ire}), who edged **Max Vega (Ire)** (Lope De Vega {Ire}) by a neck for second.

Grand Alliance, who ran 11th in last year's G1 Derby, snatched defeat from the jaws of victory when drifting late in Royal Ascot's G2 King Edward VII and was gelded before running third behind Max Vega in the St Simon last time.

"He has done that to a pretty decent field, they were a good bunch and he has done it pretty handily in the end," said trainer Charlie Fellowes. "I don't think he was doing a huge amount out in front. He was on and off the bridle, but that's him and he has got a lot better than he was last year. He was particularly quirky last year, but he's settled down a lot. It was rattling quick when

he threw that race away at Ascot and I think he goes on any ground. He has a [G2] Yorkshire Cup entry, but James [Doyle] said afterwards he wouldn't be jumping to step up further in trip. I think I need to have a sit down and talk to the owner and make a plan."

Doyle, celebrating his 35th birthday in style, added, "He was on and off the bridle, but that is what he has does and he has always hinted he has been pretty good. He should have won at Royal Ascot last year, but he just hung across the track. He is very versatile ground-wise and he's got such small feet that it's amazing he does go on this type of heavy ground. He does go on fast ground, so hopefully we can have a bit of fun with him. On better ground he could possibly go up to a Yorkshire Cup trip, but on testing ground like it is today, I think this trip is about right."

Notwithstanding Hurricane Lane's eclipse, the 6-4 favourite eased when beaten on unsuitable going, there was a downbeat air to the epilogue with the news G1 Derby, G1 St Leger and G1 Gold Cup runner-up **Mojo Star (Ire)** (**Sea The Stars {Ire}**) may have run his final race after finishing fourth. **Cont. p7**

"He came in lame and has gone straight to the vets in Newbury," revealed trainer Richard Hannon. "He has a bit of a history, so that's why he doesn't run too often. It doesn't look great and that's all we know at the moment. I would think it might be suspensory, but he has such a big heart he's run right to the line and that's why we all love him. He's been a big part of our lives for five years, he is a gentleman and a horse very close to his owner's heart. He is in the best place and he'll be fine. Whether he continues his racing career or not, is probably doubtful. He has given us several great days, it's been a pleasure to have him about and he is a very special horse."

Pedigree Notes

Grand Alliance, who becomes the ninth black-type winner for his sire (by Galileo {Ire}), is the ninth of 11 live foals and one of four scorers out of an unraced half to the dual stakes-placed Wittgenstein (Ire) (Shamardal). The March-foaled homebred bay is a half-brother to MGSW G1 Vincent O'Brien National S., G1 Prix Jean Prat and G1 Prix de la Foret placegetter Dutch Connection (GB) (Dutch Art {GB}), Listed Radley S. third Dutch Romance (GB) (Dutch Art {GB}) and an unnamed 2-year-old filly by **Gleneagles (Ire)**. Their second dam, Listed Montrose Fillies' S. victrix and G3 Prix Saint-Roman runner-up La Vita E Bella (Ire) (Definite Article {GB}), is kin to the dual stakes scorer Bella Tusa (Ire) (Sri Pekan), herself the second dam of stakes-winning G3 Cornwallis S. runner-up Method (Ire) (Mehmas {Ire}).

WOOTTON BASSETT'S RIVER TIBER A NEW TDN RISING STAR *by Tom Frary*

Some **TDN Rising Stars** are marginal calls, but Ballydoyle's newcomer **River Tiber (Ire) (Wootton Bassett {GB})--Transcendence {Ire}, by Arcano {Ire})** entered the "no-brainer" category at Navan on Saturday with a 10-length blitz of his rivals in the Irish Stallion Farms EBF Maiden. Always travelling strongly for Ryan Moore tracking the leader in the five-furlong 164 yards contest won by fellow TDN Rising Star and stablemate Aesop's Fables (Ire) (**No Nay Never**) 12 months ago, the 5-6 favourite was let loose passing two out and devoured the uphill climb to the line to leave the well-fancied Ken Condon-trained **Zona Verde (Ire) (Calyx {GB})** in his wake.

"His homework has been strong at home and it is great that he brought the same to the track," stable representative Chris Armstrong said. "He's a lovely horse and you love everything about him--athletic, physical and a good mind. He's one that could go to the winners' race in Naas or maybe something like the Marble Hill at the Curragh, and then hopefully on to Ascot. Something like the Coventry."

"He's very exciting and another nice horse hopefully for **Wootton Bassett**," Armstrong added. "It is unfortunate the rain coming today, but Navan is a lovely track to start them. Aidan has brought a lot of good horses here before--we start them here and they have always progressed plenty from it. It is a lovely track and always well-presented. I suppose his class got him through, he travelled very strongly and when Ryan asked him to lengthen and pick up, the response was there immediately."

River Tiber, who was a 480,000gns Book 1 purchase, is the fourth '**TDN Rising Star**' for **Wootton Bassett** with the promising 3-year-old colt Padishakh (Fr) also in his armoury for this season. He is the second foal and first winner for the unraced dam, a daughter of the Swedish listed winner Cover Girl (Ire) (Common Grounds {GB}) who produced the Listed Harry Rosebery S. scorer and G2 Flying Childers S. and G3 Molecomb S.-placed Mister Manannan (Ire) (Desert Style {Ire}) and his Luther Burbank H.-winning and G3 Cornwallis S. and GIII Senorita S.-placed full-sister Shermeen (Ire). **Cont. p8**

Shermeen is responsible for a trio who represented Coolmore in some form in the G1 Phoenix S. and G2 Railway S. winner and G1 Vincent O'Brien National S. runner-up Sudirman (Henrythenavigator), the G3 Hampton Court S. runner-up Roman Empire (Ire) (Galileo {Ire}) and the latter's full-brother Star Of India (Ire) (Galileo {Ire}), who captured last year's Listed Dee S. and has gone on to add Australia's Listed Rosehill Gold Cup to his tally. Transcendence's yearling colt is by Mehmas (Ire).

on the European racing scene

HOW THEY FARED

2.00 Navan, Mdn, €16,000, 2yo, 5f 164yT

River Tiber (Ire) (**Wootton Bassett (GB)**), Ballydoyle's 480,000gns Book 1 purchase, had a smart precedent to deal with after stablemate Aesop's Fables (Ire) (**No Nay Never**) had earned TDN Rising Star status in this 12 months ago, but he did that and more to gain his own badge and scream 2024 Classic contender.

4.20 Newbury, Mdn, £40,000, 3yo, 11fT

Klondike (GB) (Galileo {Ire}), the 600,000gns Book 1 half-brother to the G2 Queen's Vase winner Kemari (GB) (Dubawi {Ire}), enjoyed the ideal introduction as he arrived late on the scene to register a winning debut.

Hot on the heels of Ocean Quest (Ire) (**Sioux Nation**) tearing up the Committed S., Village Voice brought up a quickfire black-type double for the Jessica Harrington stable in this often-influential Oaks trial.

Anchored in rear early by Ronan Whelan, the bay who had been third in the G3 Eyrefield S. at Leopardstown in October was threaded through a gap on the rail to overhaul the favourite Jackie Oh 150 yards out as another Harrington trainee Foniska faded having carved out the pace.

"She loved the going and ground it out well--Jessie's horses couldn't be in better form," Whelan said. "She was running a big race in the Eyrefield, but got a big bump on the bend and ran out of steam at the end."

Assistant trainer Kate Harrington added, "I'd imagine we will go [G2] Ribblesdale [S.] now. It has been a good day and a great tonic for mum."

The dam Sensible Way (**Street Sense**) is a daughter of Nasheej (Swain {Ire}), who captured the G2 May Hill S., G3 Fred Darling S. and G3 Sweet Solera S. and was third in the G1 1000 Guineas, G1 Coronation S. and G1 Fillies' Mile. From the family of the G2 Champions Juvenile S. winner and Derby runner-up Madmoon (Ire) (**Dawn Approach {Ire}**) and the legendary Seattle Slew, her 2-year-old filly is by French Navy (GB). **VIDEO.**

Last seen being inched out by compatriot Treasure Trove (Ire) (**Siyouni {Fr}**) in The Curragh's G3 Round Tower S. in August, Ocean Quest returned with a vengeance to stamp her authority on this competitive Royal Ascot staging post.

Held together early by Shane Foley racing freely in third, the power-packed chestnut brushed aside Aesop's Fables passing two out en route to a categoric dismissal of that G2 Futurity S.-winning TDN Rising Star with the hot favourite The Antarctic never able to land a blow.

"She is a very good filly and Jessie [Harrington] was contemplating stepping up to seven or a mile, but she has a lot of natural speed and was even keen there despite the fact that we were skipping along," Foley said of the winner, the first part of a listed double for the in-form stable on the card. **Cont. p10**

He added, “She has thickened into a fine filly and is quite keen and forward-going at home and even going down today took me on for the first furlong--she has to have things her way.”

Assistant trainer Kate Harrington added, “She was going to the [G1] Cheveley Park [S.] last year and she pulled a muscle the week before, so we put her away for the rest of the season. We knew she was good last year--she won the first 2-year-old race of the season and we bided our time with her and let her strengthen up. She’ll go to the [G1] Commonwealth Cup, that’s what mum said on the phone! Obviously, mum will have a chat with the owners and everything, but it looks like the likely aim at the moment.”

Ocean Quest, who was also third in the valuable Irish EBF Ballyhane S. at Naas at the start of August, is the second foal out of a daughter of the Listed Lingfield Oaks Trial scorer and G3 Bahrain Trophy third Zain Al Boldan (GB) (Poliglote {GB}) who also produced the G2 Mehl-Mulhens-Rennen winner Poetic Dream (Ire) (Poet’s Voice {GB}) and G3 Prix Francois Boutin scorer Who Knows (Fr) (**Siyouni {Fr}**). Emerging as a staying force with a command performance in the two-mile G3 Loughbrown S. at The Curragh in late October, Emily Dickinson was back to provide another significant pointer to the G1 Gold Cup that has so often been the endgame of the Ballydoyle stayers that began their season in this. Keeping close tabs on the leader French Claim throughout, the daughter of the G1 Irish Oaks heroine Chicquita took over approaching the furlong pole and forged ahead for an authoritative success.

“She loves a trip and she relaxes, that’s the key,” Aidan O’Brien said. “She stays well and she has class as well. She’s an exciting filly, she has a big engine. The plan was to come here and then go to Leopardstown for the Saval Beg. Then, hopefully, she will go from there to the Gold Cup. She is a filly that we always thought when she went beyond a mile and a half, we would see the best of her. She handles an ease in the ground well, but she also handles quick ground.”

Emily Dickinson is the third foal out of the aforementioned Chicquita, who was also second in the G1 Prix de Diane and third in the G1 British Champions Fillies & Mares S. Her first foal was the G3 Silver Flash S.-placed Secret Thoughts (**War Front**) and her second the G1 American Oaks runner-up and Irish Oaks third Nicest (Ire) (American Pharoah). The second dam is the Listed Prix de la Seine winner Prudenzia (Ire) (Dansili {GB}), who produced this stable’s globe-trotting top-level star Magic Wand (Ire) (Galileo {Ire}) who annexed the G1 MacKinnon S.

Another of Prudenzia’s daughters was Dubawi’s Philomena (Ire), who captured the G3 Prix Penelope and was like Chicquita also runner-up in Diane, while she is also responsible for this year’s G3 Sagaro S. third Enemy (GB) (Muhaarar {GB}). Prudenzia in is turn a half to the G3 Prix de Lutece winner Pacifique (Ire) by Chicquita’s sire Montjeu who produced another Lutece winner in Paix (Ire) by Enemy’s sire Muhaarar. Also connected to the G2 Lancashire Oaks heroine and G1 Yorkshire Oaks runner-up Pongee (GB) (Barathea {Ire}) and the Listed Derby Trial winner English King (Fr) (**Camelot {GB}**), Chicquita has an unraced 3-year-old full-sister to Emily Dickinson named Beware (Ire), a 2-year-old filly again by that sire and a colt foal by **Wootton Bassett (GB)**. **VIDEO**.

The winner is the third of three foals out of the unraced dam, whose first was the dual listed-placed Improvised (Ire) (Raven's Pass). Brought to bear on Ballydoyle's Queenstown (Ire) (Galileo {Ire}) approaching the furlong marker, the 2-1 second favourite drew away to score by 4 1/4 lengths. Trainer Joseph O'Brien said, "Some of mine have just taken a run this year. I thought he might be no different, but I was impressed with how he went to the line. He looks a smart horse. He's a huge horse and has some scope. He will be a lovely middle-distance horse or stayer, hopefully." MARIE MANCINI (IRE) (f, 2, Footstepsinthesand {GB}--Sees {Fr}, by Le Havre {Ire}) posted a narrow verdict going 4 1/2 furlongs here in her Mar. 19 debut last time and was chased along in rear before halfway in this return. Responding to pressure inside the quarter-mile marker, the 59-10 remained last of seven entering the final furlong and quickened beyond all six rivals in the latter stages to nail Carajones (Fr) (Birchwood {Ire}) by a nose on the line. Marie Mancini is the first of two foals produced by an unraced full-sister to the dual group-placed Listed Derby du Midi victrix Sotteville (Fr) and G2 Prix de la Nonette and G3 Prix Vanteaux placegetter Crisolles (Fr).
