

## HIWU RULES WILL MAKE POSITIVES KNOWN SOONER

Forte prior to the Hopeful | Sarah Andrew

Following the reimplementation of the Horseracing Integrity and Safety Authority (HISA)'s Anti-Doping and Medication Control (ADMC) Program on May 22, it is unlikely that the public would not know about a positive test such as the one that Forte (Violence) allegedly had in the GI Hopeful S. for over eight months. That is according to a press release Wednesday outlining the Horseracing Integrity & Welfare Unit's (HIWU) rules concerning the publication of violation information.

In a story published in the *New York Times* Tuesday night, Joe Drape reported that Forte had tested positive after the Hopeful S., but no information on the positive result nor the medication involved has yet been made public.

After May 22, according to HIWU, that will no longer be the case.

In the case of an overage of a permitted substance, the violation will be published on the HIWU site when the party in question waves their right to a B sample, when a positive B sample is requested by the party in question and returned, or following the admission of a violation, whichever is earliest.

While the details of the Forte Hopeful S. test are not known, the B sample is typically sent for testing when the A sample returns positive, in this case, back in September.

## RAMIRO RESTREPO JOINS THE TDN WRITERS' ROOM

Ramiro Restrepo has done a little bit of everything in the racing industry and now he has something else to add to his resume, GI Kentucky Derby-winning owner. Restrepo is one of the owners of Mage (**Good Magic**), the winner of the 149th Derby. To share his thoughts on the race and what it meant to him, Restrepo joined this week's TDN Writers' Room podcast, presented by **Keeneland**. He was this week's **Green Group** Guest of the Week.

"I still can't sleep," said an emotional Restrepo. "I keep watching the race. I can't believe that we won. We won it. It's incredible. The emotion is totally raw. I haven't really been able to put it behind me. I'm still just soaking it up."

Restrepo has been there from the start.

Along with Gustavo Delgado, Jr, the assistant to his father, Gustavo Delgado, Sr., he picked Mage out at the Fasig-Tipton Midlantic 2-Year-Olds in Training Sale 2022, where the Derby winner was purchased for \$290,000. (He sold the prior year as a yearling at Keeneland September for \$235,000).

From there he was sent to the Delgado barn and made the quick transition from being a first-time-starter on Jan. 28 at Gulfstream to the Kentucky Derby winner.

"We knew we had a talented colt," Restrepo said. "He had shown flashes of being really fast. But I didn't know anything back in January. And anyone who ever says I knew I was buying a Derby winner when it happened is just doing it for pomp and circumstance. In reality, you always try to buy just a nice horse, whether that means a champion sprinter or a monster turf horse or whatever. You're over the moon with that. But what happened with this horse, it is just like a Hollywood ending."

The GI Preakness will be next and for Mage, it may only be a matter of holding his form from the Derby. But for a horse who is coming back in two weeks and had only three races to prepare him for the Derby, will that happen?

"That's what makes this such a hard series to compete in," he said. "And that's what adds to the special mystical flair of the two-week turnaround and of the Triple Crown. You have to deal with the cards that are in front of you."

"The horse was never really pushed to get ready for his maiden. So it's not like he ran 20 races in the morning. The races are making him, and he is evolving physically and mentally. We keep waiting, much like everybody else, for signs that the races have gotten to him physically or mentally. He's flesh and blood and at some point it's just the natural way of the animal, those things catch up to them." **Cont.**

### Ramiro Restrepo on TDN podcast, cont.

“No one can answer that question, but the horse at the moment came out of the race as good as one could ever ask for. What you have to do is ride the wave and see how long you can ride it.”

Elsewhere on the podcast, which is also sponsored by **Coolmore**, the **Pennsylvania Horse Breeders Association**, **Kentucky Thoroughbred Owners and Breeders**, **1/st Racing**, **WinStar Farm**, **XBTv**, **Lane's End** and **West Point Thoroughbreds**, podcast regulars Zoe Cadman, Randy Moss and Bill Finley dealt with the unpleasant aspects of this year's Derby. Seven horses died in the lead up to the race, including two on Derby day. There was an agreement that it was a very difficult couple of days for the sport and that the message sent out by the mainstream press shed racing in a very bad light. Did we have all the answers? Not really. It doesn't seem that anyone does.

## BREEDERS' CUP OFFERS 80 WIN AND YOU'RE IN RACES IN 2023

Breeders' Cup, Ltd issued a rundown of the 2023 Breeders' Cup Challenge Series: Win and You're In schedule, which consists of 80 races in 11 countries. Each winner will receive automatic qualifying positions, with fees paid, into a corresponding race in the 2023 Breeders' Cup World Championships.

Horses from around the globe will qualify through the Win and You're In program, now in its 16th year, for the 40th running of the World Championships. Consisting of 14 Grade I races and with purses and awards totaling \$31 million, this year's Championships will be held Nov. 3-4 at Santa Anita Park.

The first Breeders' Cup Challenge Series race of the year in the United States will be the May 29 GI Shoemaker Mile at Santa Anita, a qualifying race for the GI FanDuel Breeders' Cup Mile.

Thirty-nine international races will complement the North American season as the Breeders' Cup Challenge Series is hosted at premier racetracks in Argentina, Brazil, Canada, Chile, England, France, Ireland, Japan, Peru and South Africa.

After a successful restructuring in 2022, the 2023 series in the U.S. will again feature a regional qualifying program to balance divisional competition across the country. In 10 of the 14 race divisions, there will be one Breeders' Cup Challenge Series race per region, identified as East, Midwest, and West. The exception to the regional format will be the Longines Breeders' Cup Classic division, which will have six domestic qualifying races. New this year, all North American Challenge races must be graded to be included in the series.

Breeders' Cup has allocated \$5,120,000 in free entry fees for this year's Challenge Series and will pay the entry fees and guarantee a starting position in a corresponding Championships race for all Challenge Series race winners. The Challenge winner

by J.N. Campbell

**1st-BEL, \$90K, Msw, 2yo, f, 5fT, 3:05 p.m.**

Belmont Park opens the week with a maiden sprint over the grass which includes \$700,000 FTSAUG buy **SAM'S TREASURE** (**Munnings**). The Wesley Ward trainee with Irad Ortiz in the irons, counts second dam MSW Treasured Up (**Medaglia d'Oro**) and her half-sister GSW Choctaw Nation (Louis Quatorze) in her family.

Out of Ward's stable also comes a daughter out of Freshman Sire Advertise (GB), who was multiple Group 1 turf sprinter in Europe. **Chitarra (Ire)**, hammered down for 300,000 guineas at the Tattersalls October Yearling sale last fall, is a Stonestreet-owned bay filly ridden by John Velazquez.

Omaha Beach is also represented here with his first stateside entry. A \$250,000 KEESEP purchase, **Cynane** hails from a female family which includes a number of prominent Grade I winners including Pleasant Home (Seeking the Gold), Pine Island (Arch) and Point of Entry (Dynaformer). Drawn to the far outside, the Tom Morley trainee will have the services of Javier Castellano.

**DELIGHT (f, 3, Mendelssohn--Honey Trap, by Medaglia d'Oro)**, third at Keeneland and Saratoga to kick off her juvenile campaign, broke her maiden with a gate-to-wire victory at Delaware Park in August. Entered in Keeneland's GII JP Morgan Chase Jessamine S. in October, the chestnut controlled the pace throughout and slipped away to win by five lengths. **Cont. p2**

She subsequently finished a well-beaten 10th in GI Breeders' Cup Juvenile Fillies Turf before rounding out the season with a fifth in the Dec. 10 Wait A While S. at Gulfstream. Sent off the 7-2 third choice in this return, the Jonathan Thomas trainee settled midfield while Polka Polenta (Fort Larned) tried to steal the show. As the leader began to fade past the eighth pole, Delight came charging down the center of the course to win by 2 1/4 lengths, as Ravella (**Liam's Map**) was up for second. Her unraced dam's first offspring to make the races, the winner is a half to a 2-year-old filly named The Myth (**The Factor**), who was purchased for \$210,000 at the OBS Yearling sale by D.J. Stable, in addition to a yearling filly by Vekoma. Last year, Honey Trap was bred to **Lexitonian**. Sales History: \$105,000 RNA Ylg '21 KEESEP; \$90,000 Ylg '21 OBSOCT; \$400,000 2yo '22 OBSMAR. **SELENAIA (IRE) (f, 3, Sea The Moon {Ger}--Dettoria {GB}, by Declaration of War)** was a well-beaten eighth in her career debut at Saratoga last September before shipping to the Meadowlands where she broke her maiden receiving first time Lasix later that month. Off since, she began to work back at Jonathan Thomas's southern base at Palm Meadows and then at Keeneland through April. Given a 15-1 chance on the morning-line but hammered down to 5-2 favoritism, the bay settled along the fence toward the rear of the field as longshot Graceleadushome (Congrats) showed the way until Skylerville (Air Force Blue) took over that lead halfway down the backstretch. As the field turned for home with the pacesetter

dropping back, Selenia's path along the rail opened up and she flashed a strong turn-of-foot to clear this condition by 1 3/4 lengths over the late-running French Cuffs (Strong Mandate). Second dam Lady Aquitaine (El Prado {Ire}) produced SW Clint Maroon (GB) (**Oasis Dream {GB}**) and GSP Lady of Kyushu (Smart Strike). Purchased at the Tattersalls October Yearling sale for 85,000gns by Eclipse Thoroughbred Partners and Madaket Stables, the Irish bred has a 2-year-old sister by Golden Horn (GB) and a yearling colt by Earthlight (Ire). Challenged briefly at the eighth pole by fellow firster Heavenly Dream (**Palace Malice**), Union Suit kept on to graduate by 1 1/2 lengths over her rival. ## SWORDLESTOWN LITTLE TEAM SAY SOFT GROUND KEY TO ARREST'S DERBY CLAIMS

Swordlestown Little's Des Leadon and Mariann Klay  
*Peter Mooney/Goffs*

*By Brian Sheerin*

Swordlestown Little's Mariann Klay, who along with her husband Des Leadon bred the impressive G3 Chester Vase winner and new Derby favourite Arrest (Ire) (**Frankel {GB}**), says that soft ground will be key to the Juddmonte colt's Epsom challenge.

Arrest, trained by John and Thady Gosden, shot to the head of the Derby market after sluicing up in his favoured testing ground at Chester on Wednesday.

That prompted bookmakers to propel Arrest to Derby favouritism at odds of 6-1, usurping 2,000 Guineas disappointment Auguste Rodin (Ire) (Deep Impact {Jpn}).

Klay described breeding a Derby favourite from the brilliant bargain buy Nisriyna (Ire) (Intikhab) as a dream and said the success could provide inspiration for smaller breeders in the future.

"It's wonderful--it's what everyone dreams of and, when it comes off, it's amazing," she said after the race on Wednesday.

"It's special because the odds are always stacked against you and so much can go wrong. It doesn't matter how well-bred they are or what trainers they are with, things can go wrong, so when it actually does happen, it really is special." **Cont. p3**

## FRENCH 2,000 GUINEAS FANCY ISAAC SHELBY SOLD TO WATHNAN RACING

*By Brian Sheerin*

Leading French 2,000 Guineas fancy Isaac Shelby (GB) (Night of Thunder {Ire}) has been sold to the Qatari-based Wathnan Racing in a deal that was brokered by Richard Brown of Blandford Bloodstock.

Isaac Shelby won the G3 Greenham S. in the colours of Manton Thoroughbreds on his reappearance at Newbury last month, after which his trainer Brian Meehan revealed that he would sidestep Newmarket in favour of the French Classic at ParisLongchamp.

The colt remains firmly on course for Sunday's race and will represent an exciting first European runner for Wathnan Racing, which was crowned the leading stable in Qatar last season following heavy investment at the autumn horses-in-training sales in Britain and France. **Cont. p7**

## Arrest Cont. from p1

Klay added, “Arrest loved the soft ground so, if Epsom came up soft, that would be great. I don't think he would run on anything other than soft ground but he is a very good horse, there's no doubt about it. The lovely thing is, he is a very good horse for the future, even beyond this year. He could be an exciting older horse.”

Nisriyna was snapped up for just €2,000 by Klay and Leadon at the Goffs November Sale in 2010. It has proved to be money well spent with the mare producing six individual winners, including three black-type performers who achieved ratings of 110 or more.

Indeed, the standard in which Arrest was held in by Juddmonte was evident at Goffs last November when the internationally acclaimed owner-breeders snapped up a **Wootton Bassett (GB)** foal out of the mare for €340,000.

Going back to the beginning of the success story, Klay said, “Des and I used to ride out at John Oxx's [where Nisriyna was trained but never raced], hence I knew Nisriyna's family, which allowed us to go for her at the sales. It was just one of those lucky days that we made a lucky call.

“It doesn't always happen but I suppose it will give hope to small breeders as we only have five mares and it shows you don't always have to spend a lot of money.”

Nisriyna is also the notable producer of Dinozzo (Ire) (Lilbourne Lad {Ire}), a winner of over €1 million in prize-money in Hong Kong, and the talented sprinter Spring Loaded (Ire) (Zebedee {GB}).

The 16-year-old darling of Swordlestown Little is reported to have a Dark Angel (Ire) colt foal at foot and, after scanning successfully in foal to Juddmonte's **Kingman (GB)**, Klay and Leadon have ever more reason to dream.

## DETTORI MASTERCLASS SEALS CHESTER

### VASE WIN FOR ARREST by Sean Cronin

Juddmonte's €440,000 Goffs November foal **Arrest (Ire)** (**Frankel {GB}**--Nisriyna {Ire}, by Intikhab) closed his four-race juvenile campaign with a second in October's G1 Criterium de Saint-Cloud and made a winning sophomore return under a Frankie Dettori masterclass in Wednesday's G3 Boodles Chester Vase.

Maintaining a three-wide passage off the rail and racing on fresher ground in second for most of this G1 Derby trial, the 10-11 favourite was sent to the front leaving the half-mile pole behind and stayed on strongly thereafter, crossing the line underneath the stands' side rail, to easily account for Ballydoyle's Criterium third **Adelaide River (Ire)** (**Australia {GB}**) by a geared-down 6 1/2 lengths. **Hadrianus (Ire)** (Galileo {Ire}) was the only one of three other rivals visible to the naked eye and finished 10 lengths further back in third. ### G3 Chester Vase Cont.

"He handled conditions well and the trainer had him fitter than he thought he did," joked John Gosden after notching his first success in the race. "Frankie was anxious to stay on the fresh ground, so you'll notice he stayed a bit wide and in the straight he nearly took out the grandstand. He's a delightful colt, he's gone and won well over the trip. He's done nothing but mature and improve, it was the full mile-and-a-half today and we'll leave all options open for Epsom. I think he enjoyed the ground and if Epsom was fast I don't think he'd enjoy that sort of surface. We put him in the Arc on Tuesday and he's got the scope to train on at three, and four and five. Enable raced until she was six."

Dettori added, "He won very easily, but it's very hard to judge horses on this ground and to know the quality of the field. He

can only win by a good margin, he's a good size and he's going places. We know he stays well and doesn't mind the ground. We liked him as a 2-year-old, but he was very weak. He's strengthened up and we knew the ground was no problem and the distance was no problem. The race fell apart three out, but he couldn't have won any easier."

Juddmonte's Barry Mahon continued, "That was great and we're over the moon. It was sort of Plan C [to come here], but at least it's worked out and he's won in good style. We'll wait and see how he comes out of this and see what the ground is like [at Epsom]. We're in a nice position, in that he's in everywhere, and he's won his trial and he's fit, so we can pick and choose where we want to go."

## SAVETHELASTDANCE ROUTS CHESHIRE

### OAKS RIVALS by Sean Cronin

Aidan O'Brien trainee **Savethelastdance (Ire)** (Galileo {Ire}--Daddys Lil Darling, by Scat Daddy) shed maiden status with a game frontrunning display over 10 furlongs at Leopardstown last month and stormed to the head of ante-post betting lists for Epsom's G1 Betfred Oaks after unleashing a spectacular performance in Wednesday's Listed Weatherbys Digital Solutions Cheshire Oaks at Chester.

The 8-11 favourite's only moment of worry came at the break, when hampered as the gates opened, and she was hustled along early to retain contact with the main cluster. Inching forward inside the last half-mile, she powered to the front rounding the home turn and surged ever clear into another county in the straight, hitting the line with a scarcely believable 22-length margin in hand on **There's The Door (Ire)** (**Starspangledbanner {Aus}**). **Ermesinde (Ire)** (Golden Horn {GB}) ran on to finish 3 1/4 lengths further adrift in third. Savethelastdance's victory was a record-breaking eighth Robert Sangster Memorial Cup for O'Brien, a contest won in recent years by subsequent Oaks winners Light Shift (Kingmambo) and Enable (GB) (Nathaniel {Ire}).

"I was very impressed and you can only be impressed by what she's done there," said Ryan Moore after annexing a sixth edition of the contest. "They kind of all gave up with a half-mile to go and she was just getting going, but she gave me a very good feel. She's probably given me as good a feel in this race as the ones I've ridden in it before. She stepped a little slow, but they went very hard early on and she just relaxed and followed them round. I thought I'd just make sure she knew what she had to do and she stretched all the way to the line and ran right through the line." **Cont. p6**

The March-foaled chestnut is a full-sister to the hitherto unraced 2-year-old colt Mr Hampstead and half to a weanling filly by Into Mischief. Daddys Lil Darling, of course, won infamy when sent over from the States by Ken McPeck to contest Enable's 2017 G1 Oaks and was scratched in a thunderstorm after unshipping Olivier Peslier in the preliminaries and bolting to the start.

# RACE PREVIEWS

## CONDITIONS TO SUIT FOR LOCAL DYNASTY

**IN THE DEE** by Sean Cronin

Wide-margin winners trended on a rain-softened opening to Chester's May Festival and, with testing conditions set for day two at the Roodeye, it will be as you were turning to Thursday's Listed Boodles Dee S., another G1 Derby trial, and the Tote-sponsored G3 Ormonde S. for the older stayers.

Godolphin's 'TDN Rising Star' **Local Dynasty (Ire)** (Dubawi {Ire}) will relish the muddy track, according to Charlie Appleby, and returns off a soft-ground breakthrough score in October's Listed Silver Tankard when last seen.

"He has done well over the winter and we know that he will handle the ground following his wins at Sandown and Pontefract," the trainer said. "Stepping up in trip looks as though it should suit and this seems a decent starting point for his campaign."

## O'Brien Dynasty To Retain Sovereignty?

Aidan O'Brien has struck for seven of the last 10 editions and relies on Dundalk maiden winner **San Antonio (Ire)** (Dubawi {Ire}) in his quest for an overall 10th triumph, which would be one shy of Barry Hills' record 11. **Cont. p7**

Passenger | PA Media

### Thursday Preview Cont.

"He's in good form and won his maiden nicely in Dundalk," the trainer commented. "I don't know if he's run in that ground before, so we're not sure about that, but he's in good form."

Son Donnacha also has representation and sends forth G2 Golden Fleece S. third **Alder (Ire)** (**Australia {GB}**), who will line up off a comeback win at Cork last month.

"He's a very nice horse and we've always thought a lot of him," said the junior O'Brien. "He was always going to make a better 3-year-old and the race is timed nicely for him. It's three weeks from his last run and then about three weeks to the Derby, so it has worked out well and we will learn a bit more about him."

### Possible Delays For Passenger's Return

It's been a long 20 years since the Dee hosted a subsequent Blue Riband hero, Kris Kin (Kris S.) doing the double for Sir Michael Stoute, but the veteran maestro's impressive Wood Ditton winner **Passenger** (Ulysses {Ire}) is by no means a certain starter in this year's renewal.

"Sir Michael is going to review the ground in the morning and should it be deemed too soft, Passenger may not run," revealed Niarchos Family's racing manager Alan Cooper. "He's a horse that needs good ground, so it wouldn't make sense for his second start to run the horse on an unsuitable surface."

### Ormonde Duel In Store

Later on the card, the eight-runner G3 tote.co.uk Bet £5 Get £20 Ormonde S. appears to be a straight-up duel between 2022 hero **Hamish (GB)** (Motivator {GB}) and Ballydoyle's G1 Derby fifth and G2 King Edward VII victor **Changingoftheguard (Ire)** (Galileo {Ire}), who annexed last year's G3 Chester Vase at this meeting.

"He carries a penalty and is very well, but could have done with a better draw," said trainer William Haggas of the former. "He's ready to go, he enjoys a bit of cut in the ground and I believe it is going to be quite soft. He should enjoy it and we will try to take advantage of the [soft] ground while we have it."

Ryan Moore is hopeful Changingoftheguard, who comes back off a 328-day break, is up to the task on seasonal return.

"He was very impressive in testing ground when winning the Chester Vase here last season and followed up with a good fifth in the Derby," the rider said. "We never saw him after [the King Edward VII at] Royal Ascot as he picked up an injury, but we are obviously very happy with him now or else we wouldn't be here. Hopefully, he can get a Group 1 on his CV this season. It's a deep and tough race for a Group 3, but this is a good starting point for him."

## EUROPEAN NEWS

### Isaac Shelby Cont. from p1

A tight-lipped Brown commented on Wednesday, "Isaac Shelby is a very exciting colt. He has displayed a very high level of ability with the obvious highlight his comfortable win in the Greenham at Newbury last time. He is a lovely-looking individual with plenty of scope and class--he displays the best attributes of his sire."

Isaac Shelby's Greenham S. victory was achieved in dramatic circumstances as short-priced favourite and subsequent 2,000 Guineas winner Chaldean (GB) (**Frankel {GB}**) dislodged Frankie Dettori upon leaving the stalls.

But Isaac Shelby could not have been more impressive in pulling three lengths clear from his nearest rival on the day and is expected to be sent off one of the leading fancies in the market on Sunday.

TDN Europe understands that Sean Levey, who has ridden Isaac Shelby in all four of his races to date, will retain the ride.

## MARWAN KOUKASH REMOVED AS REGISTERED OWNER FOLLOWING BANKRUPTCY DECLARATION

Chester regular Marwan Koukash has been removed as a registered owner by the British Horseracing Authority (BHA) due to being declared bankrupt, according to published reports.

The 69-year-old Palestinian won the Chester Cup four times with his runners between 2008 and 2018. His record at the track stands at 97 winners. Holding a PhD in electrical engineering, the businessman owned the Salford City Reds rugby team at one time, as well as a string of hotels among his various interests.

The bankruptcy petition was filed in June of 2022 and granted in September of that year. Koukash had his final runner in November, and, as soon as the BHA was made aware of the former millionaire's situation, his colours were struck from the register.

## CLAYMORE SET TO RESUME IN BRIGADIER GERARD

**Claymore (Fr)** (New Bay {GB}), winner of last year's G3 Hampton Court S. at Royal Ascot and not sighted since finishing fourth behind Sir Busker (Ire) (Sir Prancealot {Ire}) in the G2 York S. last July, is scheduled to make his seasonal debut in the G3 Brigadier Gerard S. at Sandown May 25, with the G1 Prix de l'Arc de Triomphe a potential long-term objective.

The Jane Chapple-Hyam-trained colt could encounter last year's returning G1 Derby winner Desert Crown (GB) (Nathaniel {Ire}) in what is shaping up into a mouthwatering renewal of the 10-furlong race.

Claymore | PA Media

Chapple-Hyam said, "Claymore is going for the Brigadier Gerard. He just got very jarred up at York. We got him ready to run at the Arc meeting and then it went bog-soft everywhere. It went from one extreme to the other, so we decided to pull the pin and have a lovely 4-year-old for this year."

Should all go well at Sandown, Chapple-Hyam will likely return to Ascot and raised the possibility of an Arc bid.

"We will see what we do in the Brigadier Gerard, but he is in the Hardwicke at Royal Ascot and I don't know, is he a 50-1 shot for the Arc?"

"The entries were on Tuesday and we've put him in--there's no harm. You just don't know if he'll make the cut, but better to be there than having to supplement."

In other news from the yard, the full-brother to Chapple-Hyam's Group 1 winner Saffron Beach (Ire) (New Bay {GB}), who was sold for 3.6 million guineas at the end of last season, arrived with the Newmarket handler on Tuesday morning.

**Granger Bay (Ire)**, who fetched €450,000 at the Goffs Orby Sale, will run in the colours of Fiona Carmichael, having been in pre-training with Malcolm Bastard.

"I am a very lucky lady to be given the honour to train him," said Chapple-Hyam. "He was bought from the Goffs sales and sent to Malcolm to be broken in."

"We felt we didn't want to rush him into a training yard in January or February as is the normal time slot, we said wait until after the Guineas, so he arrived on Tuesday morning."

"Fiona also has Intellogent (Ire) (Intello {Ger}) and Aplomb (Ire) (Lope de Vega {Ire}) in the yard. It was really nice to get the call and I'm very happy with the squad I've got this year."

## PRIVAT 3 MONEY CONFIRMED AS TITLE PARTNER FOR GOFFS LONDON SALE

(l-r) Privat 3 Money's Reda Bedjaoui, Goffs Chairman Eimear Mulhern, Bedjaoui's partner Carmele McGeary & Goffs Group Chief Executive Henry Beeby | Goffs

Privat 3 Money will be the title partner of the 2023 Goffs London Sale, the sales company confirmed on Wednesday.

This year marks the second year Privat 3 has been associated with the London Sale, held this year on Monday, June 19, the eve of Royal Ascot. In 2022, the sale was topped by G1 Derby runner-up Hoo Ya Mal (GB) (Territories {Ire}), who sold for £1.2 million at Kensington Palace Gardens.

Goffs Group Chief Executive, Henry Beeby said, "We are delighted to continue our valued partnership with Privat 3 Money for the 2023 Goffs London Sale. Privat 3 offer expertise and innovation in a traditional market which very much aligns with the Goffs ethos, and the natural affinity between P3's clientele and the international attendees at the London Sale make this a perfect fit.

"Goffs London Sale offers the who's who of international racing the opportunity to mix the business of buying top-class horses with an unsurpassed social occasion at a unique time and place. The experience of purchasing a Royal Ascot runner should be as special as the Royal Meeting itself and our partnership with Privat 3 helped elevate the sale experience for all attendees last year. We look forward to working with Reda and his team to deliver another truly memorable Goffs London Sale this year for our vendors, buyers and guests of our luxury brand partners."

Reda Bedjaoui, Founder and CEO of Privat 3 Money added, "We are thrilled to continue our partnership with the Goffs London Sale, which is an event that we are proud to be associated with. Goffs and Privat 3 share the same ethos of excellence and the same clientele, so it makes total sense for

our brands to be aligned once again at the racing year's most prestigious sale. We are looking forward to another successful year of supporting this event."

Entries for the boutique sale open on May 15.

## LINGFIELD'S CLASSIC TRIALS SWITCHED TO ALL-WEATHER TRACK DUE TO WATERLOGGING

Saturday's Derby Trial card at Lingfield has been transferred from the waterlogged turf course to the venue's all-weather track, the British Horseracing Authority confirmed on Wednesday.

The area has been subject to heavy rainfall, with more in the forecast, which resulted in Lingfield officials and the BHA moving the races off of the turf course. Carded that day are the G3 Chartwell Fillies' S. and the Listed Oaks Trial Fillies' S., as well as the Listed Lingfield Derby Trial. The latter pair will be contested over 1 1/2 miles, instead of a half-furlong short of the Classic distance as a result of the surface switch.

A statement from the BHA said, "The British Horseracing Authority has confirmed that Saturday's card at Lingfield Park will be staged on the all-weather.

"A BHA inspection of the course on Wednesday morning found the turf track to be unraceable due to waterlogging.

"It is considered unlikely that conditions will have improved sufficiently by Saturday to allow any races to take place on the turf safely.

"Therefore, also taking into account the weather forecast suggesting further rain, the BHA has made the decision to switch the surface at this time to offer certainty for connections to confirm their running plans."

## CHARLES BYRNES FINED 6K UNDER NON-TRIERS' RULE AT GOWRAN PARK

Trainer Charles Byrnes was hit with a massive €6,000 fine under the non-triers' rule following the running of **Ellaat (GB)** (Heeraat {Ire}) in a low-grade handicap on the Flat at Gowran Park on Wednesday evening.

He was found to have breached the Rule 212A (i) by the Irish Horseracing Regulatory Board (IHRB) stewards who also slapped his jockey Gearoid Brouder with a 21-day suspension. Ellaat was also banned from running for 90 days. [Cont. p11](#)

## Charles Byrnes Fined Cont.

It is not the first time the multiple Cheltenham Festival-winning trainer has felt the wrath of Irish racing's regulators in recent times. Back in January 2021, Byrnes had his licence suspended for six months after Viking Hoard was found to have tested positive for a sedative after a race at Tramore in which he was laid to lose for a substantial sum of money.

Ellaat, who races in the colours of Byrnes's son Cathal, flashed home to finish an eye-catching fourth under restrained riding ([video](#)). Brouder stated that his instructions for the race were to get his mount to relax, as the horse had made a noise previously, and do his best from there.

During the race, Ellaat was reported to have made a noise, hung right in the home straight and took some time to pull up after the finishing line.

The stewards at Gowran Park noted that Ellaat was observed by an IHRB Veterinary Officer and found to be coughing after the race but was otherwise normal and “not inconvenienced in any way at the time.” The betting patterns of the race were also referred on to a senior racing official for further investigation.

### Tuesday's Results:

**1st-Chester, £30,000, Cond, 5-10, 2yo, 5f 15yT, 1:06.50, sf.**  
**ZIGGY'S PHOENIX (IRE)** (f, 2, Kodiak {GB}--Elmaliya {Ire}, by Sepoy {Aus}) shed maiden status over Ripon's straight five furlongs last month and broke sharply from the inside stall to race on the front end throughout this Lily Agnes conditions heat. Coming under pressure to maintain a forward role rounding the home turn, the 9-4 favourite refused to yield in the short straight and was ridden out to hold the late bid of Ziggy's Dream (Ire) (Inns Of Court {Ire}) by a half-length. “Ziggy's Phoenix was smart from the stalls, she's an uncomplicated filly with plenty of speed, and just bossed it from the front really,” said Middleham Park's Mike Prince. “Interestingly, [runner-up] Ziggy's Dream might be the horse to take from the race as she missed the break and finished like a train. If you ran the race again would the result be different? It might well be. We think they're both black-type fillies, so that's what we'd be planning with them next. There's the [Listed] National S. at Sandown and there's a Listed race at Vichy as well. It will probably be one of those, maybe the National S. for Ziggy's Phoenix. I'm sure Tim [Palin] will be plotting with Richard [Hannon] and Alice [Haynes] where to go. We might keep them apart next time and they might come together again at Royal Ascot.” Ziggy's Phoenix is the third foal and winner out of a half-sister to G3 Give Thanks S. victrix Edelmira (Ire) (Peintre Celebre) and Listed Derby du Languedoc placegetter Elishpour (Ire) (**Oasis Dream {GB}**). **Cont. p12**

**HEED THE CALL (IRE) (f, 2, Soldier's Call {GB}--Indian Navy {Ire}, by Elusive City),** an Apr. 21 debut fourth over five furlongs in an above-average Bath novices' heat last time, broke sharply from an outer gate and seized an immediate lead in this synthetic bow. Holding sway throughout, the 2-1 chalk quickened clear in style approaching the quarter-mile marker and kept on powerfully under mild urging in the closing stages to hit the line with a five-length advantage from Sparklight (GB) (Cable Bay {Ire}), becoming the fourth winner for her freshman sire (by Showcasing {GB}). "She knew her job first time out at Bath, but just got stuck in the mud," explained winning rider Hollie Doyle. "She's really straightforward, she's professional and very speedy. She shows us plenty at home and we like her a lot. She may well get further, but I think five furlongs is her trip for now." Heed The Call, half to a yearling colt by Sands Of Mali (Fr), is the sixth of seven foals and fourth scorer out of a full-sister to G1 Irish 2000 Guineas third and G3 Prix La Rochette-winning sire

Soul City (Ire) (Elusive City). The March-foaled dark bay, whose second dam is G2 Moet & Chandon-Rennen runner-up Savage (Ire) (Polish Patriot), hails from the family of multiple British champion and leading sire Petingo (GB) (Petition {GB}). **MODAARA (GB) (f, 4, Dubawi {Ire}--Nahrain {GB} {G1SW-Fr, G1SW-US, SW-Eng & GSP-Ire, \$1,041,961}, by Selkirk),** who shed maiden status going 10 furlongs at Chelmsford last October, made this seasonal return coming back off a 195-day break and--conceding weight all round--demolished a contest won in the last two years by subsequent black-type winners Goolwa (Ire) (Australia {GB}) and Emotion (GB) (Frankel {GB}). Fourth until cruising forward to loom large off the home turn, the 4-9 chalk quickened clear in impressive fashion once hitting the front at the two pole to easily outclass Wodhooh (Fr) (Le Havre {Ire}) by a facile 13 lengths. "She's always been a nice filly at home and I think there's more to come from her," said rider Jack Mitchell. "She's there in her coat, she felt good on the way down to post and she moved well in the race. She feels very good and the hardest part was pulling her up." Modaara is the sixth of nine foals and one of four scorers produced by the Roger Varian stable's G1 Prix de l'Opera and GI Flower Bowl Invitational heroine Nahrain (GB) (Selkirk). The March-foaled bay is a full-sister to MG1SW sire Benbatl (GB) and the multiple stakes-placed Foorat (Ire). She is also kin to a 2-year-old filly by Kingman (GB) and a yearling colt by Frankel (GB). Her fourth dam is G1SW multiple New Zealand champion La Mer (NZ) (Copenhagen II {GB}). **LADY ONYX (IRE) (f, 3, Kodi Bear {Ire}--Nuala Tagula {Ire}, by Tagula {Ire})** broke well from the outside gate and tracked the pace in a close-up third from the outset of this debut. Inching forward once into the home straight, the 8-1 chance was nudged along to challenge passing the quarter-mile marker and kept on well under a late drive to prevail by 1 1/2 lengths from Neowise (Recoletos {Fr}). "She always went well last year, but went a bit wrong behind," revealed trainer Johnny Murtagh. "I think she was just growing and is one of those big, rangy fillies. I thought she might need the run today, but Ben [Coen] said she gave him a good feel and was very professional. She got through the ground, but will appreciate it a bit better, and it's a nice surprise to see her win like that." **CADEAU BELLE (FR) (f, 3, Harry Angel {Ire}--Special Gift {Ire}, by New Approach {Ire})** was well away to race in a handy fifth

through halfway in this unveiling. Coaxed along soon after turning for home, the 4-1 chance came under sterner urging inside the final quarter-mile and was ridden out to deny Finsceal Go Deo (Ire) (Kingman {GB}) by 1 1/4 lengths nearing the line. "I was more confident after the first race as the fillies worked nicely together last week," said the in-form Johnny Murtagh. "I expected them to run well and that they might hit the board, but I thought coming here to win around Gowran first time is hard. This is a nice filly. She is big and tall and should improve a nice bit from the run. That's a good trip for her and she definitely wants better ground. It's nice to be winning these maidens at this time of year because you know you have decent horses. They are going to have to step up, but they could." Cadeau Belle is the latest of five reported foals and fourth scorer out of an unraced half-sister to stakes-winning GI Mother Goose third Seba (GB) (Alzao) and G3 Prix de Meautry winner Do The Honours (Ire) (Highest Honor {Fr}), with the latter being the second dam of G1 Melbourne Cup hero Cross Counter (GB) (Teofilo {Ire}).
