

## GRADE I GLORY IN MAN O' WAR FOR RED KNIGHT

**Red Knight taking Saturday's Man o' War**  
*Janet Garaguso - NYRA*

By the age of nine, most racehorses have left their best days well behind them. However, 5-1 shot **Red Knight** (Pure Prize) clearly did not get that memo, pulling off the most important victory of his career in Saturday's GI Man o' War S. at Belmont.

Breaking from the inside gate under Irad Ortiz, Jr., the chestnut trailed the field early while racing inside of favored 3-5 European import **Warren Point** (GB) (Dubawi {Ire}), who was caught napping at the start with Frankie Dettori in the irons.

Up front, **Channel Maker** (English Channel) and **Strong Tide** (English Channel) carved out modest splits of :23.54 and :49.18, however, the early trailers soon began to pick up the tempo, closing on the front rank up the backstretch. As Strong Tide turned up the heat on Channel Maker exiting the far turn, Warren Point and Red Knight continued to track wide approaching the final turn. While the European invader held the advantage over Red Knight straightening for home as the pacesetters continued to duke it out up front, it was the New York-bred that had the best closing kick, sweeping to the front late and fending off a tightly-packed gaggle of rivals, who hit the wire in a blanket finish. In the end, it was closer **Soldier Rising** (GB) (Frankel {GB}) who got a head in front for second while Strong Tide held onto the show spot. The favorite faded to fifth.

## BLAZING SEVENS SHARP IN FINAL PRE-PREKNESS WORK

Rodeo Creek Racing's GISW **Blazing Sevens** (Good Magic) breezed five furlongs over the Belmont main track in his final serious move ahead of the May 20 GI Preakness S. at Pimlico Saturday. Blazing Sevens, who visited the track following the renovation break around 9:00 a.m., worked in company with stakes-winning stablemate Artorius [1:00.18], completing the trip in 1:00.02 over the fast main track.

Blazing Sevens was accompanied by Irad Ortiz, Jr., who also rode the Chad Brown trainee in his latest start to a third-place finish in the Apr. 8 GI Blue Grass at Keeneland.

"It went perfect. He was within himself. He's fit and happy," said Ortiz, Jr., who will be riding the colt for only the second time next week. **Cont. p5**

"He started taking me from the five-eighths pole to the quarter-pole waiting for the time to go and when I asked him he responded really well," explained Ortiz Jr. "I was hoping he would move a little earlier than usual. He's a big horse and has a huge stride and it was in my mind I wanted to let him go a little earlier, but I was stuck there. I think by the five-eighths pole, Frankie's horse [Dettori and Warren Point] started to pick it up a little bit, so I tried to follow him and my horse was doing it easy so I don't want to get in his way. By the quarter pole, he was already in stride. I just bided my time and tipped him out and he did the rest."

As for the beaten favorite, Dettori explained, "He had to leave the hood on [blindfold and blanket in the gate] until the end which is no good around here because you give too much ground away. He was too rank and too far back. There was no pace. I made a bit of a move, but he basically ran too fresh."

Recording his first graded stakes victory in the 2020 GIII Sycamore S., the gelding wouldn't visit the winner's circle again until taking last summer's Colonial Cup and duly followed up with a score in the GII Kentucky Turf Cup at Kentucky Downs later in September. Well-beaten in his next two starts at Keeneland, including an 11th in the GI Breeders' Cup Turf in November, he returned to action with a win in Gulfstream's GIII William L. McKnight S. Jan. 28 before coming up only a head short of the win in Keeneland's GII Elkhorn S. Apr. 22.

On a potential start in the 10-furlong GI Resorts World Casino Manhattan S. June 10, trainer Mike Maker said, "It's too early to say. We wheeled him back a little quicker than we would have liked to today, but it paid off. Having said that, if he tells us he wants to run then we'll be there."

### Blazing Sevens Readies for Preakness, cont. from p1

Continued Ortiz Jr., "I've never worked him before, but he worked like a nice horse. Nice and easy. I don't move on him. The track is maybe a little fast, but he worked one minute nicely." Added trainer Chad Brown, "The horse did super. I was really pleased with the work."

The colt is expected to ship to Pimlico Sunday morning.

Winner in a sloppy renewal of the GI Champagne at Aqueduct last fall, Blazing Sevens completed his 2-year-old season with a fourth-place effort in the GI Breeders' Cup Juvenile at Keeneland. He was a distant eighth in his seasonal debut in Gulfstream's GII Fountain of Youth S. in March.

Targeted for the Preakness, the colt will try to give his trainer a third win in the second jewel of the Triple Crown behind winners Cloud Computing [2017] and **Early Voting** [2022]. The last trainer to score two straight Preakness wins was Hall of Famer Bob Baffert, who did so with Point Given [2001] and War Emblem [2002].

"It's always been decided on an individual horse basis. With [Cloud Computing and **Early Voting**] it worked. This horse seemed to fit the category a bit," Brown said. "This horse has raced a lot more at age two than those other two, so he's been battle tested. When he threw a big clunker in the Fountain of Youth and didn't do any running, it really set me back fitness wise and I was just trying to play catch up at that point getting into the Derby. I have no regrets sitting the Derby out the way it unfolded. I think this is the right decision for this particular horse at this point in time."

Looking back at the colt's credible Blue Grass finish, Brown added, "He got a bit of a wide trip. I just wanted him to stay out of trouble. He had to circle horses and he really got tired coming around those horses on the turn."

He continued, "For all practical purposes, it was his first start of the year. He did no running at Gulfstream, so he had a right to get a bit tired. That's another reason I didn't want to go back in four weeks to the Derby. As you can see today, he's a horse with a full tank of gas and he's doing as well as he's ever done. I'm just trying to put the horse in the best position to be successful."

Ortiz Jr. previously finished second in the 2021 Preakness and is hopeful that Blazing Sevens can go one better this season.

"I'm confident with my horse," Ortiz, Jr. said. "He's pointing to get ready for that race and I think I have a little advantage. He's fresh and pointing straight to that race and can give me 100 percent. The other horses have had to recover. Hopefully, he can get the job done Saturday."

NY-BREDS DELIVER WORLD-CLASS PERFORMANCE

In the final local prep for the GI Belmont S., Arcangelo found the wire just in time to secure his first stakes win Saturday.

With only three prior starts, all at Gulfstream Park, the gray colt debuted second sprinting in the slop Dec. 17 before running fourth behind subsequent GII Louisiana Derby victor Kingsbarns (**Uncle Mo**) going a mile Jan. 14. Facing older maidens for the first time at the same distance Mar. 18, the 2-1 shot cleared in the stretch to graduate by 3 1/2 lengths with new rider Javier Castellano aboard. After a sharp workout May 3 at Belmont (:59.78, 1/5), the 5-2 second choice here trailed early along the fence as longshot Asmodeus (**Cairo Prince**) and 'TDN Rising Star' Bishops Bay battled up front. Under a moderate pace into the far turn with Henry Q joining the fray, Arcangelo shifted to the outside, launching a four-wide bid. At the top of the stretch, as Bishops Bay tried to stride away, the Jena Antonucci trainee clearly had more left in the tank. Taking aim at his rival past the

eighth pole, the pair locked in a duel that ended with Arcangelo putting his head at the wire.

Arcangelo | Janet Garaguso

"The horse is just built different," said Antonucci. "I know that sounds so cliché, but it's my job--our job--to stay out of his way. Mr. Ebbert [owner] has done a great job to give the horse time and let him mature. He's a May foal. We never had a focus on doing early season. We let the horse grow and mature and here we are."

Concerning a start in the GI Belmont S., the trainer said, "There's a conversation. We have no plan yet. Ground has never been a problem, that's

why we waited as long as we did."

She went on to say, "He breezed at Saratoga last summer, but we were never intending to run up there. It's all been about education and him maturing and figuring out who he is. He's still a kid figuring it out. We'll stay out of his way and see how he comes out of this."

Following a poor showing in his latest start, Candy Man Rocket rebounded in style Saturday to take the GIII Runhappy S. at Belmont Park. Content to stalk the dueling duo of Beren (Weigelia), the 7-5 favorite, and Twisted Ride through an opening quarter in :22.60, the 5-year-old continued to hound the leading pair through a :45.15 half. Ready to go straightening for home, he overtook the pacesetters midstretch and drew clear to score by 1 1/2 lengths over Twisted Ride, who held off

Stage Left for the runner-up spot.

"That was the trip we were looking for and thank God everything was setting up perfectly," said winning rider Junior Alvarado. "I was sitting right where I wanted to be and I had the horse right under me to help me. The rest was just him. I had to nudge him along a little bit turning for home and he responded so well. I thought he was traveling beautiful and he was just waiting for me. Right when we turned for home, I knew he was going to be there for me."

Victorious in Tampa's GIII Sam F. Davis S. during his sophomore season, the \$250,000 OBS April graduate only made a single start at four, and that was a winning effort, in a seven-furlong test at Gulfstream in February. Sidelined thereafter, he returned the following January to score again at the Hallandale oval, this time going six furlongs, before making it three straight in the Gulfstream Park Sprint Feb. 25. Taking his show on the road, he finished a lack-luster 10th after having a meltdown prior to Oaklawn's GIII Count Fleet Sprint Apr. 15.

"To be honest, we weren't expecting him to be nice and relaxed in the saddling area, because last time when they went to saddle him [in the Count Fleet Sprint], we kind of lost him right there in the paddock and post parade," said Alvarado, explaining the dark bay's prior outing. "By the time I got on, he was all washed out and very nervous. Then, warming up he never relaxed and I knew he wasn't going to give me his best effort--that's what happened. You've got to draw a line through his last race."

Slightly unnerved in the paddock prior to the Runhappy, the Bill Mott trainee appeared to pull it together thereafter.

"He wasn't great in saddling today--he was a little wound up," explained Mott. "I was a little concerned."

According to Alvarado, however, it would not be a replay of the Count Fleet.

"Today, he behaved in the post parade and warming up and he was a complete gentleman, nice and relaxed. He came out with a big run today."

Mott indicated that the 5-year-old would be nominated to the the 6 1/2-furlong GII True North H. on June 10.

**Pedigree Notes:**

The Runhappy winner is out of Kenny Lane, a \$55,000 KEENOV purchase in 2016, is a granddaughter of champion Althea (Alydar), herself a daughter of Broodmare of the Year Courtly Dee (Never Bend). The exalted family includes Arch (Kris S.) and Green Desert (Danzig) in addition to more recent relations champion Covfefe (Into Mischief) and Breeders' Cup Classic hero Bayern (Offlee Wild). Kenny Lane's most recent produce is a yearling full-sister to Candy Man Rocket. She was bred back to **Gun Runner**.

In her first start since capturing the GII Bessarabian S. six months ago, the Live Oak Plantation homebred returned to her familiar spot in the Woodbine winner's circle with a 1 3/4-length score over eight rivals. Installed the 3-5 favorite, the 5-year-old cut back a furlong off her last effort and therefore showed more speed after the break, rating just behind the dueling team of

Our Flash Drive | Michael Burns

Hard Edge (**Hard Spun**) and Forest Drift (Mizzen Mast) for a half-mile, which the former logged in splits of :22.57 and :45.03. At the top of the lane, Our Flash Drive swung out for straight aim to the wire and after taking the lead at the quarter pole, charged home to the pick up the victory over closing Miss Speedy.

"She's legit," winning jockey Patrick Husbands said. "Anything you want her to do, she'll do. She broke sharp and I was just behind the speed, and I didn't want the speed to come back and get stopped behind it. So, by the three-eighths pole, I tipped her out into the clear and she got the job done."

In addition to the Bessarabian, Our Flash Drive won the De La Rose S. at Saratoga last year and the 2021 renewals of the GIII Selene S. and GIII Ontario Colleen S.

**Pedigree Notes:**

Our Flash Drive is the second live foal out of Dynamotor, who also produced her 3-year-old unraced full-sister named Bell Witch, the 2-year-old filly Flashy Motor (Omaha Beach) and this year produced a colt by **Mendelssohn**.

Offlee Naughty | Benoit

Biding his time in the early going of Santa Anita's marathon GII San Luis Rey S. Saturday, favored Offlee Naughty showed a good turn of foot late to improve off a fourth-place effort in the 2022 renewal of this race. Unhurried early as Opry (Declaration of War) jumped out to take a big lead, Offlee Naughty remained behind the second flight leader and narrow second choice Dicey Mo Chara (GB) following a mile in 1:35.42. With the free-wheeling Opry beginning to show the effects of his early exertions exiting the far turn, Offlee Naughty had the most momentum but was momentarily shut off as he tried to thread his way up the inside of Dicey Mo Chara and longshot Rimprotector (Point of Entry) approaching the quarter pole. Undeterred, he swung out three wide rounding the final bend, ground his way to the front midstretch and drew clear, besting the late-closing Planetario with Dicey Mo Chara holding third.

"I was trying to go around, I saw Juan [Hernandez, aboard Dicey Mo Chara] in front, so I was trying to sneak in," said Umberto Rispoli. "I came to the top of the stretch and [my horse] switched his lead and he was the better horse today."

Winning once in nine starts in what would turn out to be a somewhat uninspiring mixed bag in 2022, the 5-year-old began to show glimmers of what was to come beginning with a close-up second in a 12-furlong Keeneland allowance in October, and two starts later, rounded out the year with an easy win going 10 panels over Turfway's synthetic surface Dec. 11. Sent off at a generous 11-1 in his seasonal debut in Santa Anita's GII Charles Whittingham S. Apr. 8, the bay proved best on the day, finishing ahead of Dicey Mo Chara and Opry.

Added Michael McCarthy, "I thought his race the other day was really good, where at the eighth pole, he found another gear. Today, he kind of chucked around the turn and lost a little bit of momentum but we were able to go ahead and find another gear and get the job done."

### Pedigree Notes:

Offlee Naughty represents the third graded winner for his sire, Flashback. His dam Acting Naughty started off her career as a claimer and ultimately graduated to a graded-stakes winner during her 4-year-old season. A half-sister to GSW Marlang (Langfuhr), Acting Naughty's highest-earning offspring to date, Offlee Naughty also has a juvenile brother by **Flameaway**.

## MAGE ROUNDS OUT TRAINING AT CHURCHILL, SHIPS TO PIMLICO

Kentucky Derby winner **Mage** (**Good Magic**) posted his final training move at Churchill Downs Saturday morning prior to shipping to Baltimore for next weekend's GI Preakness S. While the task was ultimately executed safely, the move didn't quite go off without a hitch. Rider J.J. Delgado was forced to pause his training to fix a back bandage that came loose after the first half-mile, however, the colt ultimately galloped about 1 1/2 miles. Following the minor mishap, the Derby winner continued on his way around the racetrack before he returned to Barn 42 where trainer Gustavo Delgado prepared to ship the colt to Baltimore late Saturday afternoon.

"We always wanted to be more cautious before making the decision whether to run in the Preakness after the Derby," co-owner/assistant trainer Gustavo Delgado Jr. said Saturday. "It was fair to ask the question. We just wanted to make sure he was giving us all the right signs following the Derby and he is. The fact that he only has four starts and young horses tend to get better after they get a few starts under them, it gives us a bit of confidence."

The van that will transport Mage to Baltimore was expected to depart around 4 p.m., according to Steve Hargrave, Churchill Downs' Senior Director of the Stable Area. The trip is more than 600 miles and usually takes 8 hours and 45 minutes.

## FIRST MISSION WORKS AHEAD OF PREAKNESS

First Mission | Coady

Godolphin's **First Mission** (*Street Sense*), the winner of the GIII Lexington S., completed his final major work Saturday ahead of next Saturday's GI Preakness S. at Pimlico. The colt covered five furlongs in :59.20 early yesterday morning at Churchill Downs.

"He's lightly raced, but I liked what I saw of him all winter and into the Lexington," said trainer Brad Cox. "He bounced out of it in good shape and he's got a lot of talent. I'm looking forward to giving him a swing at a Grade I."

Runner up in his career debut at the Fair Grounds in February, the dark bay followed up with an impressive 6 3/4-length victory going a route of ground for the first time the following month.

"He came into our barn last spring and just needed some extra time to develop," added Cox. "It was nothing major why we gave him time off. We just thought he was a later developing horse. Ever since we brought him back he's impressed us and been very consistent in his training."

## CONFIDENCE GAME OUT, COFFEWITHCHRIS IN PREAKNESS

Coffeewithchris | Jim McCue

Changes to the entries box for next week's GI Preakness S. continue, as GII Rebel S. winner **Confidence Game** (*Candy Ride {Arg}*) is out of the second leg of the Triple Crown and local runner **Coffeewithchris** (*Ride On Curlin*) set to run.

"He trained all right this morning," said Confidence Game's trainer, Keith Desormeaux.

The colt was last seen finishing 10th in the GI Kentucky Derby.

"He's just not 100%. He's got something aggravating him in the right front shoulder area. We're going to send him to Dr. [Larry] Bramlage [at Rood & Riddle Equine Hospital] and let him do full diagnostics and let him advise us on how to proceed. He's good, but he's not Preakness perfect."

After he was scratched from Saturday's Long Branch S. at Monmouth, Coffeewithchris's connections alerted Pimlico officials Saturday morning that the Maryland bred is being pointed toward a Preakness start. Jaime Rodriguez, who has been aboard for the gelding's last five starts including a win in Laurel's Heft S., will have the mount in the second jewel in the Triple Crown.

"Our plan was to run in the Preakness," said trainer John Salzman Jr. "We were hoping to win the [Federico] Tesio [fifth last time out Apr. 15]. The biggest thing is coming up with the money sometimes. I'm a poor working guy. Thirty thousand is a lot of money. I looked at the Long Branch. It wasn't an easy spot. If it was an easy spot, I might have gone on to the Long Branch. I worked it out to come up with the funds to take a chance. I don't get to take a chance very often."

With the best speed of the group, he out-sprinted his rivals to clear into the far turn through a half in :45.44 and only pulled further away from there, hitting the wire going away by 3 1/2 lengths. With the win, No Nay Mets earned an automatic start into one of the six 2-year-old races at this year's Royal Ascot meet between June 20-24. His connections also earned a \$25,000 travel stipend.

"He's a pretty nifty colt," said winning trainer George Weaver. "He was on a rushed schedule for this. There's no reason not to go over there. It's a lot of fun, and he's got as good a chance as anybody."

Trainer George Weaver booked a traveling companion for his earlier Royal Palm Juvenile winner No Nay Mets (Ire) (**No Nay Never**) as Crimson Advocate went gate-to-wire in the filly's division, stamping her own ticket to next month's Royal Ascot meet. One of the few fillies in the field with prior experience--a third sprinting 4 1/2 furlongs on dirt at Keeneland Apr. 26--Crimson Advocate got the best break of the field and never gave the others a chance, opening up a length advantage in the first furlong and never letting anyone get a step closer. The Wesley Ward-trained and heavily favored Ocean Mermaid was the only rival to give chase, but was always second best as Crimson Advocate cruised home alone to win by daylight. The final time for the five-furlong sprint was :56.25, over a second faster than the colt's division earlier in the day. With the win, she earned an automatic start into one of the six 2-year-old races at this year's Royal Ascot meet and her connections also earned a \$25,000 travel stipend.

"We really liked her going into the race up there," said winning trainer George Weaver. "I expected her to be on the lead or close to it, but she was green. We put some blinkers on her today and she broke sharp and looked good the whole way."

Out of a half-sister to the dam of champion 2-year-old filly Caledonia Road (**Quality Road**) and MGSW Officiating (**Blame**), Crimson Advocate also calls both GISW Hymn Book (Arch) and GISW Data Link (**War Front**) as members of her family. **F FIVE (c, 4, **Not This Time**--Chelan Echo, by Lion Heart)** broke his maiden narrowly when first unveiled at Churchill going just six furlongs last November but had little to offer in his next start, finishing ninth when shipped to Gulfstream facing winners for the first time Dec. 23. Brought back on the turf going 1 1/8 miles at Keeneland Apr. 12, he just missed by a nose and returned Saturday going longer as the 5-2 second choice. Second behind loose leader Read On (**Ghostzapper**), F Five led the rest of the field through three quarters in 1:13.81 as that pacesetter began to come back to the group. Coming with a run outside of Policy Option (Empire Maker), F Five traded blows with that rival down the lane, finally grinding out an advantage inside the final furlong to win by 3 3/4 lengths. Five F has a 2-year-old **Midnight Lute** half-sister and a yearling **Outwork** half-sister. His dam visited **Beau Liam** for the 2023 season but has yet to report a foal. **SPANSIVE (f, 3, **Karakontie {Jpn}**--Fleur de Cerise, by Bernardini)** broke her maiden on debut at Gulfstream Park Apr. 1 in a race which included next-out winners Gloria's Princess (**Cairo Prince**) and Prerequisite (**Upstart**). She stepped up here to stay perfect after drifting up to 6-1 on the tote. Despite a quick beginning, the dark bay filly was able to slow the pace down past the half-mile point to :48.57. She controlled the fractions the rest of the way and had enough left to get home by 1 1/4 lengths, despite a late charge from Juniper's Moon (Galileo {Ire}). The winner's unraced dam is out of GISW Cotton Blossom (Broken Vow). She has a 2-year-old colt by **Tapwrit**, who sold for \$7,000 at the Keeneland November sale to Duane Hopp, a yearling filly by **McKinzie** and just reported a brand new colt by **Raging Bull (Fr)** Mar. 17. **GIRL TROUBLE (f, 3, **Fast Anna**--Adorabella, by **Ghostzapper**)** returned to allowance company after a poor sixth and uncharacteristic last-place finish in the Weber City Miss S. at Laurel a month ago. The winner of the Future Stars Filly Division S. and Parx Futurity over the winter was sent off as the public's 3-5 favorite here, and, after a clean break, sped straight for the front, but was content to let Proud Mule (**Army Mule**) show the way for the first quarter mile. As the early leader rounded the far bend, Girl Trouble was asked for run. She continued to hug the rail as she made her way into the lane and drew away with each stride, powering home to a four-length victory. Girl Trouble is the first foal from her unraced dam, who also produced the 2-year-old Book 'em Danno (**Classic Empire**) and his unnamed yearling full brother. **DR. SCHIVEL (h, 5, **Violence**--Lil Nugget, by Mining for Money),** winner of the 2021 GI Bing Crosby S. and just a nose short in that term's GI Breeders' Cup Sprint, may have only had to defeat two rivals in his return from a near 14-month layoff after a third-place finish in the G1 Golden Shaheen at Meydan in Dubai in 2022, but the now 5-year-old would have to go through last year's GI Breeders' Cup Sprint runner-up C Z Rocket (City Zip), himself fresh off an unplaced start in this year's Golden Shaheen seven weeks ago, to do so. As expected, the top two engaged immediately from the break, Dr. Schivel off a bit awkwardly before taking command and leading all the way through a fairly quick pace of :22.13 and :44.71, his chief rival a half-length back and to his inside. The top two stayed in touch around the far bend, but the son of **Violence** hit a new gear before reaching the head of the lane and drew away easily from there to post the 4 1/4-length victory over his chief rival as the 2-5 betting choice. Lil Nugget, who is a half-sister to Grade 1 winner Ultra Blend (Richly Blended), also produced the unplaced 2-year-old Lil Anthony (Anthony's Cross) and this year foaled a full sister to Dr. Schivel. **DOINITTHEHARDWAY** (f, 3, **Street Sense--Virtuoso, by Awesome Again**), in the money in her first three starts as a juvenile, was fourth Dec. 10 in the GI Starlet S. at Los Alamitos before finally breaking her maiden two races later by nine lengths Mar. 3 at Santa Anita. She was a well-beaten fifth as the heavy favorite in the Sunland Park Oaks Mar. 26 last time. The 9-5 second choice here shadowed Getthemoney (**Midnight Lute**) down the backstretch as the first quarter mile went in :22.77. Pulling even with the pacesetter at the top of the lane and under strong left-handed urging past the sixteenth pole, Doinitthehardway surged ahead to win by 2 1/4 lengths over her aforementioned rival. The winner's unraced dam is a full-sister to GISW **Paynter** and this female family also includes GI Breeders' Cup Classic hero Tiznow (Cee's Tizzy). Given a 5-1 chance in this first try on turf, she was off to a rough beginning from post eight and trailed the field of 12 for most of the way. Racing under a nice hold at the top of the stretch, she was tipped out into the eight or nine path and came flying down the center despite racing on her left lead for most of the way to win by a half length over favored firster Vanished (**Speightstown**). **TWENTY SIX BLACK** (c, 3, **War Dancer--Brazo de Oro, by First Dude**) extended his win streak to two in his third career start after narrowly breaking his maiden by a neck at this distance five weeks ago at Aqueduct with a dominant victory here as the near 5-2 lukewarm favorite. In the early stages, the winner chased a half-dozen lengths behind the hot early pace of :21.21 and :43.95 set by Heymackit'sjack (Laoban) with Sandrone (Run Away and Hide) in closest pursuit but still three lengths behind. The pacesetter maintained his clear advantage as he rounded the bend, but Twenty Six Black was on the move on the outside and by the time he reached the head of the lane was on even terms to the outside of the tiring early leader. The race was over from there as the son of War Dancer smartly drew away down the lane with little more than a couple of flags from his rider's whip, coasting past the finish line with a 4 3/4-length advantage. **BIG BRASS BED (f, 3, Nyquist--Precision Farming, by Smart Strike)** appreciated the stretchout to 8 1/2 furlongs and improved on her third-place finish at 7 1/2 furlongs in her debut over Gulfstream Park's turf a month ago to graduate with a 2 3/4-length win here. In the early going, the chestnut filly was content to save ground and drop a handful of lengths off the early pace set by What's Good (Cross Traffic), with La Pachanga (**War Front**) up chasing in second, for three-quarters of a mile. She began inching toward the lead while hugging the rail as the leading pack rounded the far bend and soon after passing the three-eighths, was swung out wide for clear running room down the lane. She charged to the front to the outside of her tiring rivals just past the sixteenth and cruised home to win over La Pachanga. ## 'WORLDWIDE' BREEZE-UP DEMAND FUELS BUMPER ARQANA EDITION

Oliver St Lawrence | Zuzanna Lupa

By Emma Berry

DEAUVILLE, France—Close to €38 million had already been spent on juveniles at the four breeze-up sales in Europe to have preceded Arqana, and that figure has now risen to around €59 million following a bullish day of trading in Deauville.

Featuring the season's only seven-figure breezer and with a much larger catalogue than usual, it was no surprise to see turnover increase, though a near-50% upturn was perhaps even better than anticipated, with the 140 sold bringing in a total of €21,110,500 to ring the new record bell. Other indicators were also up: the average by 15% at €150,789, and the median to €105,000. [Cont. p3](#)

## WHEN THE GOING GETS SOFT FOR POULES DAY IN PARIS... by Tom Frary

As it was at Newmarket, ParisLongchamp's ground is going to take some getting through for the protagonists in Sunday's G1 Emirates Poule d'Essai des Poulains and G1 Emirates Poule d'Essai des Poulaches and it is safe to say that appreciation of give underfoot is essential.

That applies to several of the star colts and fillies lining up for the first domestic Classics and it is certain to be no worse than the testing going that **Isaac Shelby (GB)** (Night Of Thunder {Ire}) had to deal with at Newbury last time. Leading home the riderless Chaldean (GB) (**Frankel {GB}**) in his last race in the Sangster silks in the seven-furlong G3 Greenham S., Wathnan Racing's acquisition was adding to his fast-ground G2 Superlative S. success as a juvenile, so versatility is assured.

Brian Meehan has spent a while in the Classic wilderness and this is a key moment for the Manton-based trainer who last enjoyed Group 1 success 11 years ago. "He has been working great," he said. "The Guineas was a nice form boost in a funny sort of way. I know they are saying it will be heavy ground, but it doesn't really matter what sort of ground we get—we are going to get whatever we get. The thing is, he is there on good-to-firm and soft, so we'll take our chance."

### Flying The Flag

France's defence of the Poulains may rest with Malcolm Parrish's **American Flag (Fr)** (**Wootton Bassett {GB}**), who beat the re-opposing **Kendly (Fr)** (Kendargent {Fr}) in convincing fashion in the Listed Prix Omnium II at Saint-Cloud in March. [Cont. p9](#)

## Arqana Breeze-Up Sale Cont. from p1

No stranger to picking up the top lot at this sale, Oliver St Lawrence was the agent behind the first millionaire two-year-old of the European season when going to €1.2 million for Grove Stud's **Siyouni (Fr)** colt (lot 145) out of the dual Listed winner Isabel De Urbina (Ire) (Lope De Vega {Ire}).

"I had to pay twice the price for this one," joked St Lawrence in reference to the €550,000 it took to buy last year's top lot, the subsequent G2 Mill Reef S. winner Sakheer (Ire) (Zoffany {Ire}). The **Siyouni** colt will also join Roger Varian's stable.

"He turned out alright so hopefully this one will be just as good. I wouldn't have thought we'll see him racing until August or September, a proper race towards the end of the season."

He also issued an update on KHK Racing's Sakheer, who finished seventh in the 2,000 Guineas. He said, "He didn't love the ground but he has come out of the race well. There was some discussion about withdrawing him on the morning of the race when all that rain came. He'll drop back in trip now for the Commonwealth Cup, that seems the obvious thing to do, and we'll just take it one race at a time."

KHK Racing also owns 2021 Arqana Breeze-up graduate Eldar Eldarov (GB) (Dubawi {Ire}), the winner of last year's St Leger, who is entered in Friday's G2 Yorkshire Cup.

## The Main Talking Points:

- The transatlantic travels of Arqana's executive director Freddy Powell have not been in vain for there was a strong American theme to proceedings on Saturday. Two of the top four lots are both heading to the United States. Coolmore bought the **Uncle Mo** colt (lot 51) for €600,000 from Tom Whitehead's Powerstown Stud and he will be trained by Todd Pletcher, while Arnaud Delacour will take charge of a Blue Point (Ire) filly (lot 44) bought for €500,000 by Nicolas Bertran de Balanda for Roy and Gretchen Jackson's Lael Stable. **Cont. p4**

### Arqana Breeze-Up Sale Cont.

- West Point Thoroughbreds, one of the owners of **Flightline**, also appeared on the buyers' sheet alongside a **Street Sense** colt from Knockanglass Stables (lot 17), while **Flightline's** trainer John Sadler was active at the sale, buying three horses through Fernando Laffon-Parias and Francoise Dupuis.
- It was a stellar day for Brendan Holland, who sold seven horses through his Grove Stud, including three of the top eight, for a total of €2.4 million and average of €342,857 to lead the vendors' table.
- Two colts by Dubawi (Ire) featured in the catalogue, and they both sold to Godolphin through Anthony Stroud for €800,000 and €400,000, from Oak Tree Farm and Yeomanstown Stud, respectively. Mags O'Toole had bought the colt (lot 180) from the family of Group 1 winner Chicquita (Ire) and Magic Wand (Ire) for €150,000 at the Arqana October Sale, while Yeomanstown gave 180,000gns for the half-brother to Group 2 winner Turath (GB) (**Oasis Dream {GB}**) (lot 116) at Tattersalls December Yearling Sale.
- Richard Brown struck early with three purchases within the first 11 horses through the ring, led by the €420,000 bid for lot 13, Mocklershill's full-brother to G2 German 1000 Guineas winner Txope (Fr) (**Siyouni {Fr}**). The colt had been a €170,000 buy-back in the same ring last August. Blandford Bloodstock ended the day as the second-leading buyer at the sale with nine bought for €1,525,000.
- Lot 12, a **Saxon Warrior (Jpn)** colt out of the unraced Posh Claret (GB) (Royal Applause {GB}) bought for 34,000gns as a yearling, was not sold when knocked down at €480,000 in the ring. A private sale of €400,000 was later agreed between vendor Johnny Collins of Brown Island Stables and Anthony Stroud, and the colt will go into training with John and Thady Gosden.
- Anthony Stroud later bought the Blue Point half-brother (lot 87) to Darley sire Palace Pier (GB) (**Kingman {GB}**) for €325,000. Bred by Coolmore, the colt was in utero when his dam Beach Frolic (GB) (Nayef) sold for 2.2 million gns to MV Magnier at Tattersalls in 2020. Another half-brother, the year-old Castle Way (GB) (Almanzor {Fr}), provided a recent update when winning the Listed Newmarket S. at the Guineas meeting. **Cont. p5**

### Arqana Breeze-Up Sale Cont.

- The run on Blue Point continued, with four members of his first crop sold for an average of €281,250 to make him the leading freshman. Of his contemporaries, **Calyx (GB)** was also represented by four sold for an average of €178,000.

### The Bleep Bleep Connection

We had to utilise the bleep-o-meter when transcribing the interview with Johnny Hassett of the Bloodstock Connection after he sold his **Sioux Nation** filly (lot 45) to Oliver St Lawrence. There weren't quite 450,000 expletives on the tape, but that was the number of euros it took to secure the half-sister to Listed winner Manhattan Jungle (Ire) (Bungle Inthejungle {Ire}) who had been picked up for €90,000 at the Goffs Sportsman's Sale. From that same sale, Hassett had also bought a **Magna Grecia (Ire)** colt (lot 94) for €145,000 in partnership with Nico Archdale and resold that son of the unraced Callisto Star (Ire) (Fastnet Rock {Aus}) on Saturday for €210,000 to Saudi Arabia's Najd Stud.

"What's not to like? I've had a tricky season," Hassett said. "I haven't counted it yet but my gut reaction was that I hadn't made or lost too much money up to here, which probably means I had lost some because I'm always positive. But I'd say I'm out now and I've four more horses to sell here."

"This sale is strong so far and I think a lot of the high-dollar horses are stacked later. I think I have a couple of shots at the €150,000-plus lots and that was the first one and it worked."

Asked if the pressure was off now, he replied, "Oh \*\*\*\*, yeah. You do a bit better when you're not hungry. It makes it easier when the pressure is off; you perform better."

Hassett added, "A lot of credit must go to Emma Chilcot and the selection team, who got this right."

The Bloodstock Connection ended up with six sold for an average of €193,667 and aggregate of €1,162,000, and there was a definite improvement in Hassett's language as the day wore on.

### Ryan Signs Up Lone Waldgeist

Very few French consignors feature at the breeze-up sales but Philip Prévost Baratte made his presence felt when selling the sole entrant in the catalogue from the first-crop of Ballylinch Stud resident Waldgeist (GB) for €360,000.

Richard Ryan, who has been busy throughout the season, signed for lot 47 on behalf of Teme Valley, with Anthony Stroud and Alastair Donald also in the hunt.

Ryan indicated that the son of Sous Le Soleil (Tizway), who is out of the G1 Preis der Diana winner Que Belle (Ger) (Seattle Dancer), would be trained in Ireland by Paddy Twomey.

"He's quite set and neat, balanced, there's an awful lot of Galileo about him," said the agent, who signed for four on the day for Teme Valley and Opulence Thoroughbreds respectively. "He'll get a run or two for sure before this season is out, but he was bought with a view to try to run in the Classics next year."

### Arqana Breeze-Up Sale Cont.

Ryan continued, "He has a German pedigree on top of an Arc winner. Waldgeist wanted a mile at two himself, so you're not trying to break any records, you just want them to present properly, have a good mouth, nice stride, and finish out the breeze ready for the next stage of his career, which is where he's at."

He added of Prévost Baratte, "He's a skilled vendor. At this stage, everything has been done right for the horse."

### No Jogging But a Trio of Breezers For Sadler

In the company of Fernando Laffon-Parias and Francoise Dupuis, Californian trainer John Sadler made the most of his maiden voyage to Arqana by recruiting a trio of European breezers to take home with him.

"It's my first trip to Deauville and to Arqana. It's lovely driving here from Paris through the French countryside and everyone has been so nice," Sadler told *TDN*.

"The Powell brothers [Freddy and Richard] have been good hosts. [Their brother] Lenny Powell, who trains with us at Santa Anita, sent me a text and said 'You might want to think about going for a jog along the boardwalk'. This was last night when it was raining and cold!"

He continued, "There are a lot of horses here with American pedigrees, which is good, through we didn't end up buying one. There's so much turf racing now worldwide, and there are plenty of options for a turf runner in the United States, especially in California, because we have year-round turf racing and the perfect climate for it."

Joining the Sadler barn will be a colt by Highclere Stud's freshman sire Land Force (Ire), who has been represented by his first two winners in the last two days. Lot 100 from Lackendarra Stables was knocked down at €250,000, and was later joined by Knockanglass Stables' **Siyouni** filly (lot 122), sold for €150,000, and a filly from the first crop of Haras d'Etreham's City Light (Fr), himself a son of

**Siyouni**, who was bought from Philip Prévost Baratte for €160,000 as lot 177.

### A Blether with Blarney

Brendan Holland, best known to all as Blarney, was understandably a happy man as he reflected on a day's work that represents months and months of planning and hard graft, starting at last season's yearling sales.

The sale's leading vendor said, "Today has gone above and beyond Plan A, for once, as everyone who does it will appreciate, things went according to plan."

"I've been lucky in France since this sale was in Saint-Cloud, and I tend to buy, in general, a

later-maturing horse. I'm just attracted to that kind of horse, and that type of horse is more suited to this sale than any other sale. It's not just that I like coming here, it just suits my type of horse, and I also have a few left for Goresbridge for a similar reason. I have to split my horses."

Observing the breeze-up market overall in 2023, he added, "Regardless of many economic woes, if this year wasn't a good year for the breeze-ups then there was never going to be a good year. We had three Classic winners last year and four other

Group 1 winners. The quality of the horses is improving every year. We, as a bunch, are spending more on yearlings. That's not always reflected on the track if you spend more, but in this sector that is being reflected. The more we spend on yearlings, we're offering a better product, and maybe we're producing the product better as we are learning.

"The industry is very connected worldwide and everyone is aware of what's going on in the different jurisdictions. It's no surprise that

the breeze-ups are attracting new clients from different parts of the world. I sold one to America and two to Australia today, and that's reflective of the market. The breeze-up market really is worldwide." **Cont. p7**

## Hoyeau And Powell Pleased At Curtain Fall

Arqana President Eric Hoyeau and Executive Director Freddy Powell said, "We are very pleased with the results, thanks to the hard work and professionalism of our vendors who have once again placed their trust in us and brought horses of such a high standard that have been extremely well prepared. The quality of the catalogue brought many buyers to Deauville, whom we would also like to thank for coming. Finally, we would like to acknowledge the work of our teams as well as that of France Galop and the staff at Deauville Racecourse, who largely contributed to the success of this sale by allowing us to hold the breezes on a beautiful prepared track again this year."

## THE GOLDEN TOUCH

### ARQANA BREEZE-UP SALE

Lot	Sex	Sire   Dam	Price (€)
17	c	Street Sense--Q Go Girl	100,000

Bred by Jackpot Farm (KY)  
 Consigned by Knockanglass Stables  
 Purchased by West Point Thoroughbreds

Plucked for a mere \$5,000 by S L Bloodstock out of the 2022 Fasig-Tipton Kentucky October Yearling Sale, this colt realised 20 times his yearling price when snapped up by Terry Finley's West Point Thoroughbreds from Thomond O'Mara's draft on Saturday. [Cont. p9](#)

Desert Crown (Nathaniel) (pictured with Robert Kosakievicz), took to the Rowley Mile for a racecourse gallop under Ryan Moore on Saturday morning. The Sir Michael Stoute trainee will point to the G3 Brigadier Gerard S. at Sandown Park later this month.

Lot 17 is a son of GI Kentucky Derby hero **Street Sense** | *Arqana*

### The Golden Touch Cont.

His dam was stakes-placed in the U.S., and his great granddam, Flat Fleet Feet (Afleet), won three graded stakes including the 1996 GI Top Flight H.

## RACE PREVIEWS

### Poules d'Essai Previews Cont. from p1

He followed up in the course-and-distance G3 Prix de Fontainebleau last month. That form has taken a knock subsequently and there is no telling at the moment how good Yann Barberot's stable star is. "The horse is in great shape," his trainer said. "He appreciates the very soft terrain and he has a very good mentality. He knows Longchamp and I am confident for Sunday."

### Good Knight?

Trailing Isaac Shelby in the Greenham, KHK Racing's **TDN Rising Star Knight (Ire)** (Mehmas {Ire}) has to rebound with the form of his G3 Horris Hill S. now also looking to have more holes in it than at the start of the season. Whether the deep promise of his Yarmouth debut can be fulfilled is the burning question for Simon and Ed Crisford. "I don't know what happened at Newbury to be honest, but the horse has bounced out of the Greenham," Ed Crisford said. "He just didn't go a yard and there's nothing much to say about that other than it was very

disappointing. He seems to have come alive and come on for that race, so he's going to France and hopefully he can run a big race albeit he has to prove it now."

### Anybody's Guess

On the face of it, Hisaaki Saito's **Good Guess (GB)** (Kodiac {GB}) has something to find even allowing for his G3 Prix Djebel success from **TDN Rising Star Breizh Sky (Fr)** (Pedro The Great) and Fabrice Chappet would not have been heartened by the draw in eight. What effect that post position will have this year, with only 10 runners, remains to be seen and Breizh Sky is even wider in the outside stall. Alain Jathiere's colour-bearer is beginning to look a habitual "nearly horse" and he needs a strong pace to run at, which is not guaranteed here.

Trainer Alessandro Botti is clinging on to hope that things will fall right for Breizh Sky at some point. "The forecast very soft ground shouldn't be a problem for him, as he finished third in the Prix Jean-Luc Lagardere when there was plenty of give," he said. "His comeback effort in the Prix Djebel was quite good, but the race was devoid of pace and things panned out perfectly for Good Guess."

### An Unfolding Story

When **Never Ending Story (Ire)** (Dubawi {Ire}) encountered **Blue Rose Cen (Ire)** (**Churchill {Ire}**) in the course-and-distance G1 Prix Marcel Boussac, it was Yeguada Centurion SL's homebred who held the bragging rights but there was something in the seasonal return of Ballydoyle's blueblood that suggested it would be a lot closer as they re-engage in the Pouliches. **Cont. p10**

Good Guess | *Scoop Dyga*

## Poules d'Essai Previews Cont.

Overwhelming the subsequent 1000 Guineas third Matilda Picotte (Ire) (**Sioux Nation**) and G3 Cournelsourt S. scorer Zarinsk (GB) (Kodiac {GB}) in Leopardstown's G3 Ballylinch Stud 1000 Guineas Trial S., the descendant of Urban Sea (Miswaki) will be a different proposition for Christopher Head's stable luminary to handle this time.

## Looking Out For Lindy

Surrendering her unbeaten record to Blue Rose Cen in the G3 Prix de la Grotte over this course and distance last month, Everest Racing, Ecurie Waldeck and Meridian International's **Lindy (Fr)** (Le Havre {Ire}) hails from a family of soft-ground lovers and trainer Christophe Ferland is keen to have another go at the favourite. "Since her debut, Lindy has done nothing but improve," he said. "She had a good winter and her comeback effort in the Prix de la Grotte was very good. She is very easy to handle and I harbour no worries about her ability to act over course and distance. She is a daughter of Le Havre and so I don't feel that the ground will be a hindrance to her. Depending on how she fares on Sunday, I hope to run her in the Prix de Diane. I have even entered her in the Arc, because I think that in time and given greater maturity that longer trips will be within her compass."

## Can Kelina Rebound?

It seems a long time ago that the Wertheimers' **TDN Rising Star Kelina (Ire)** (**Frankel** {GB}) was favourite for the Marcel Boussac and although she was last in that contest put up a fine

comeback effort behind **Quickstep (Fr)** (**Wootton Bassett** {GB}) in the course-and-distance Prix du Louvre conditions race last month. From the family of Dansili's Group 1 winners With You (GB) and We Are (Ire) and **Frankel**'s Call The Wind (GB), the

Carlos Laffon-Parias-trained homebred will be staying on when some have cried enough.

## Jannah Rose Poised For Saint-Alary Test

**Frankel** might already have had a big afternoon by the time the G1 St Mark's Basilica Coolmore Prix Saint-Alary comes around, where his unbeaten daughter **Jannah Rose (Ire)** will be a warm order to build on her quietly-dominant display in the nine-furlong G3 Prix Vanteaux here last month.

Al Shira'aa Farms' €650,000 Goffs Orby sensation is developing a formidable reputation which will be put to the test here by some talented fillies including Ballydoyle's **Boogie Woogie (Ire)**

(Dubawi {Ire}). A daughter of the Irish Oaks heroine Seventh Heaven (Ire) (Galileo {Ire}), she came up against the stable's kingpin Savethelastdance (Ire) (Galileo {Ire}) at Leopardstown two starts back when the pick of Ryan Moore which gives an indication as to the regard in which she is held. There will be some surprised people if **Elusive Princess (Fr)** (Martinborough {Jpn}) can't reverse the form of the G3 Prix Cleopatre with **Crown Princess (Fr)** (**Zarak** {Fr}), with LNJ Foxwoods

purchasing a half-share in the former after her luckless run. Both have been supplemented, but both have to raise their game to reward that decision.

## EMIRATES POULE D'ESSAI DES POULAINS: WHERE DID THEY COME FROM?

by Brian Sheerin & Heather Anderson

*This colts' Classic appears to be Isaac Shelby (Ire) (Night Of Thunder {Ire})'s to lose, after his G3 Greenham S. romp at Newbury. The Wathnan Racing runner is set to lock horns with the Coolmore partners' G3 2000 Guineas Trial S. winner Hans Andersen (GB) (Frankel {GB}) among others, and, with only 10 runners, the draw is of minimal concern in Paris.*

### BREIZH SKY (FR), Pedro The Great--Anna Danse (Fr) (Anabaa)

'TDN Rising Star'

**Owner:** Alain Jathiere, Louis Baudron Et Al

**Breeder:** Haras des Evees, D & Mme C Cherdo

**Trainer:** Alessandro & Giuseppe Botti

**Pedigree Notes/Form Analysis:** Placed at Group 1 level at two, he is the best of four winners for his dam. From the family of G1 German Oaks winner Toskana Belle (Fr) (Shamalgan {Fr}), this listed scorer could emerge with a piece of the spoils.

### MARHABA YA SANAFI (IRE), Muhaarar (GB)--Danega (GB) (Galileo {Ire})

**Owner:** Jaber Abdullah

**Breeder:** Rabbah Bloodstock Ltd.

**Trainer:** Andreas Schutz

**Pedigree Notes/Form Analysis:** Second dam Danelissima (Ire) (Danehill) won the G3 Noblesse S., and this colt's extended family features Group 1 winners Intense Focus (Giant's Causeway) and Skitter Scatter (Scat Daddy). Led early in the G3 Prix de Fontainebleau, but this March foal faces an uphill battle.

### Pedigree Notes/Form Analysis:

**Pedigree Notes/Form Analysis:** Dam an unraced half-sister to U.S. Grade II winner Ramazutti (Honor Grades). Hugely impressive winner of the Greenham on his return, after which, his trainer stated that all roads would lead here. Looks a major player and a fascinating first runner for his new owners in Europe.

**HANS ANDERSEN (GB), Frankel (GB)--Shadow Hunter (Ire) (Arcano {Ire})**

**'TDN Rising Star'**

**Owner:** Westerberg, Mrs J Magnier, M Tabor, D Smith

**Pedigree Notes/Form Analysis:** Dam a Listed-winning two-year-old over five furlongs out of a half-sister to 1000 Guineas-placed Super Sleuth (Ire) (Selkirk). Hans Anderson was an impressive winner of a 2000 Guineas trial at Leopardstown on his return and could be open to plenty of improvement.

**KUBRICK (Ire), Dubawi (Ire)--Rosa Bonheur (Mr. Greeley)**

**Owner/Breeder:** White Birch Farm

**Trainer:** Jean-Claude Rouget

**Pedigree Notes/Form Analysis:** Half-brother to Raging Bull (Fr) (Dark Angel {Ire}), a triple Grade I winner in America, out of the listed-placed Rosa Bonheur, who in turn is a daughter of the Group 2-winning Rolly Polly (Ire) (Mukaddamah). Well-held by Good Guess on his seasonal return.

## EMIRATES POULE D'ESSAI DES POULICHES: WHERE DID THEY COME FROM?

by Heather Anderson & Brian Sheerin

*Yeguada Centurion's Group 1 winner Blue Rose Cen has already prepped for this race with a 1 1/2-length victory in the G3 Prix de la Grotte in April, however Lindy ran second that day and reopposes on Sunday. The Coolmore partners run Never Ending Story in this fillies' Classic, and she, too, enters off a win--the G3 1000 Guineas Trial S. at Leopardstown.*

**Owner:** Sheikh Juma Dalmook Al Maktoum

**Breeder:** Mountarmstrong Stud

**Trainer:** Karl Burke

**Sales History:** 120,000gns Tattersalls October Book 2 yearling

**Pedigree Notes/Form Analysis:**

The fourth winner of four to run from her dam, the G2 Lowther S. heroine was just two lengths back of Remarquee (GB) (Kingman {GB}) in the G3 Dubai Duty Free S. She lucked out with stall one, and could improve given the right conditions.

### FANCY ME (IRE), Pivotal (GB)--Besotted (Ire) (Dutch Art {GB})

**Owner:** Cotton House

**Bloodstock**

**Breeder:** C-Squared

**Investments**

**Trainer:** Philippe Sogorb

**Pedigree Notes/Form Analysis:** Out of a listed winner who was second in the G2 Prix de Sandringham, Fancy Me is the third winner for her dam, herself a half-sister to 2006 Pouliches heroine Tie Black (Ire) (Machiavellian). Won the soft-ground G3 Prix des Reservoirs, but would need to find more on Sunday.

**Owner/Breeder:** Jean-Pierre-Joseph Dubois

**Trainer:** Patrice Cottier

**Sales History:** €130,000 vendor buyback at Arqana August

**Pedigree Notes/Form Analysis:** Sauterne is part of a quintet of scorers for Salicorne, herself a half-sister to the champion Stacelita (Fr) (Monsun {Ger}), who has thrown a pair of Japanese Classic-winning fillies. In with a chance if she can continue to build on her listed win in April.

**Breeder:** Ecurie La Vallee Martigny Earl

**Trainer:** Christophe Ferland

**Sales History:** €90,000 Arqana August yearling

**Pedigree Notes/Form Analysis:** The most talented of three black-type horses from the multiple stakes-placed Llanita on paper, Lindy has been dominant in the French provinces. She was second to likely favourite Blue Rose Cen (Ire) (Churchill {Ire}) in the G3 Prix de la Grotte last month, but the waters are deeper here.

**SACRED POWERS TO CHARTWELL TRIUMPH**

by Sean Cronin

Cheveley Park Stud's **Sacred (GB)** (Exceed And Excel {Aus}--Sacre Caroline, by **Blame**) had failed in three prior attempts at Group 1 level, but top-table options remain open after she collected a third pattern-race triumph in Saturday's recalibrated G3 Fitzdares Chartwell Fillies' S. at Lingfield.

She was making her first start on a synthetic surface here and 2021's G3 Nell Gwyn S. and G2 Hungerford S. victrix returned to action for this seven-furlong heat coming back off a second over the same trip in October's G2 Challenge S. at Newmarket.

Sacred went postward as the well-backed 13-8 favourite and was steadied to employ patient tactics in rear after an alert getaway. Shaken up to close into the short home straight, she quickened in impressive fashion to pounce out wide with 100 yards remaining and powered clear in style from there, hitting the line strong and 2 1/4 lengths clear of familiar rival **Sandrine (GB)** (Bobby's Kitten).

"We've kept her in training to try to win a Group 1 with her, remembering she was only beaten a length in the Jubilee last year," explained Cheveley Park's Max McLoughlin. "She's a high-class filly and a Group 2 winner, and it was great to see her do it so impressively. She will go to [Royal] Ascot and could have another crack at the [G1] Jubilee. She's also in the Duke of Edinburgh."

Ryan Moore, having notched a second win in the race, added, "She's a lovely filly who has won multiple Group races, and the all-weather round here suited her. She quickened up very well and I was impressed with her." [Cont. p15](#)

With match fitness an advantage leading into Saturday's Listed Fitzdares Lingfield Derby Trial S., it was Godolphin nominee and G1 Betfred Derby entry **Military Order (Ire)** (**Frankel {GB}**)--Anna Salai, by Dubawi {Ire} who stepped forward for a career high in the 12-furlong test.

He set the seal on a Lingfield Trials double for the Godolphin-Appleby-Buick triumvirate with a 1 1/4-length success from impressive Newmarket winner **Waipiro (Ire)** (**Australia {GB}**), with The King's Listed Newmarket S. runner-up **Circle Of Fire (GB)** (Almanzor {Fr}) trailing home 4 1/4 lengths adrift in third.

The even-money favourite slipped from an early third passing the judge first time to race fifth along the backstraight. Seizing an opening and quickening smartly to gain a narrow advantage rounding the home turn, he was tackled by Waipiro at the top of the straight and stayed on powerfully under a late drive to defeat that rival in ultimately snug fashion.

Prior to winning on seasonal return at Newbury last month, Military Order backed up an Oct. 1 debut fourth at HQ with a breakthrough score back there later that month in the second of two juvenile outings.

It was a first success in the contest for Charlie Appleby, who said, "I was delighted with that, he learnt plenty today and it was a great ride by William [Buick]. We were going in there today with confidence based on what he had achieved to date. It was a mile-and-a-half and he saw it out well. He has a pedigree

and a profile that is coming along very nicely into, hopefully, a Derby horse. I know he has now gone joint-favourite [in betting lists for the Derby] and deservedly so. We will obviously now be keeping an eye on what happens next week in the [G2] Dante [at York], but I was very pleased with him. I'm just delighted to see Military Order confirm he is the horse we feel he hopefully is going forward."

Buick added, "He did everything I asked him, he's come through that really well and will have learnt plenty. Today was a different test to Newbury, but when I asked him to quicken into a gap running downhill he didn't hesitate. He was totally relaxed and beautifully balanced."

Military Order, the fifth of six live foals, is one of two scorers produced by GSW G1 Irish 1000 Guineas runner-up Anna Salai (Dubawi {Ire}), the other being G1 Derby and G1 King George hero Adayar (Ire) (**Frankel {GB}**). Adayar ran second in the 2021 renewal of this contest on the turf. The April-foaled homebred bay is also half to an unnamed 2-year-old filly by Exceed And Excel (Aus). Anna Salai is kin to three stakes performers and to the dams of G1 Prix Lean-Luc Lagardere-winning sire National Defense (GB) (Invincible Spirit {Ire}) and stakes-winning G1 Woolavington 2000 third Dubai Gina (Aus) (Dubai Destination).

### Listed Spring Trophy S. Cont.

Keen enough throughout the early stages despite the pace being generous, the bay was sent forward and into battle with that rival passing the furlong pole and dug in to prevail.

“He was very tough, that was probably a furlong short of his best here today,” jockey Hector Crouch said. “He’s had a tough couple of years since his very busy and successful juvenile career, it’s a step back to where we know he can be. He’s a funny horse, he can take a bit of winding up sometimes. He needed that today, it was just nice to get him back in front.”

The winner is one of the progeny out of the G2 South Australian Oaks runner-up Hveger (Aus) (Danehill) which include Galileo’s multiple top-level scorer Highland Reel (Ire) and his group 1 full-siblings Idaho (Ire) and Cape Of Good Hope (Ire). The third dam is the G1 Australian Oaks heroine Circles Of Gold (Aus) (Marscay {Aus}), who was responsible for the leading lights Elvstroem (Aus) and Haradasun (Aus). Her as-yet unraced 3-year-old Swordofhonor (Ire) (Siyouni {Fr}) was the top-priced colt at €1.5million when purchased by Oliver St Lawrence at the 2021 Arqana Deauville August Yearling Sale. **VIDEO.**

Godolphin’s Eternal Hope (Ire) (Teofilo {Ire})--Voice Of Truth {Ire}, by Dubawi {Ire}) does not possess a ticket for next month’s G1 Oaks, but qualifies to be one of the first in line for the supplementary stage after a stylish victory in Saturday’s Listed Fitzdares Oaks Trial at Lingfield.

She had yet to make a start on the turf and continued that trend after the day’s stakes contests were switched to the track’s synthetic surface.

The homebred chestnut, untested as a juvenile, followed up a Feb. 13 debut third tackling an extended nine furlongs at Wolverhampton with a Feb. 25 breakthrough over 10 furlongs at Chelmsford in her only other start.

Eternal Hope was steadied to stalk the pace in fourth through halfway in this stakes bow. Inching closer with three furlongs remaining, the 9-4 second choice made headway under pressure off the home turn to challenge passing the furlong marker and was driven out from there to subdue Ballydoyle’s 6-5 favourite Be Happy (Ire) (**Camelot {GB}**) by an ultimately comfortable 1 3/4 lengths.

It was a day of breakthroughs for Charlie Appleby, who took his first renewal of contest won by just one subsequent Oaks winner, Anapurna (GB) (**Frankel {GB}**) in 2019, this century. “She had experience on the synthetics and travelled round there well,” he said. “She picked up well and saw it out well, so I was really pleased with that. What sort of strength of depth was in there, we will have to wait and see. In terms of supplementing her for an Oaks, we didn’t run her in the [Listed] Pretty Polly at Newmarket because of the ground, so that would have to be something we keep an eye on. The likelihood is we will look more towards the [G2] Ribblesdale [at Royal Ascot] with her, but I’m not saying we won’t supplement. We will be keeping an eye on the Oaks picture.”

Eternal Hope is the second of four foals and lone winner from two runners produced by a winning half-sister to MG1SW sire Rio De La Plata (Rahy), G1SW sire El Expresivo (Arg) (Candy Stripes) and GSP sire Epsilon (Arg) (Acceptable). She is full to a yearling filly and a half to the unraced 2-year-old filly Word’s Out (Ire) (Blue Point {Ire}). **VIDEO.**

Asked to extend two out, the 4-6 favourite responded with his usual relish to score by three lengths from Tiber Flow (Ire) (Caravaggio). "He's a bonny horse and he's been a real flag-bearer for us over the years," jockey James Doyle said. "Obviously he does enjoy getting his toe in, but he's still effective on quicker ground and he should be in for a good campaign, he certainly hasn't lost his enthusiasm over the years anyway. I thought he just got done for a bit of speed at Newmarket, they went really slow and dashed into the dip and kind of got in a bit of a tangle out the other side so I was keen to just let him balance up and go for home." The dam, who was successful in the Listed Fairy Bridge S. and was placed twice in group company, is also responsible for the G1 Queen Elizabeth II S. heroine Persuasive (Ire) (Dark Angel {Ire}) whose 3-year-old colt Theoryofeverything (GB) (Frankel {GB}) was third in the G3 Greenham S. Also the dam of the listed-winning and multiple group-placed Tisbutadream (Ire) (Dream Ahead), her unraced 3-year-old filly Nelda (Ire), a full-sister to Persuasive, was bought by Amanda Skiffington for €230,000 at the 2021 Goffs Orby Sale. He is a good horse and good horses handle any ground. He couldn’t really quicken in it today and he’ll be better on better ground. I thought the race was gone, but his class got him through. {Ger}, by Peintre Celebre), who claimed a first black-type rosette in game fashion.

Muskoka had earlier bettered a runner-up finish in her Sept. 25 debut at Cologne with an Oct. 15 short-head win at Munich last term and posted a short-head second at Hannover in her May 1 seasonal return when last seen.

She was positioned under cover, racing against the fence, in third and remained there until turning for home. Making stealthy headway along the far-side rail to challenge with 300 metres remaining, the 57-10 chance gained a slender edge entering the final furlong and was driven out to bravely hold **Maliparmi (Ire) (Ribchester {Ire})** and **Leona Playa (Ger) (Footstepsinthesand {GB})** by two half-lengths. Gestut Fahrhof's Habana raced at the tail of the field into the straight, but the 9-10 favourite was unable to reach the leaders at the business end and finished three lengths further adrift in fourth.

"She is a classy filly, she relaxed and enjoyed a really good trip today," jockey Lukas Delozier told *GaloppOnline*. "She idles is she hits in front and tends to stop when getting there too soon. She's getting better from race to race." Grewe added, "Conditions were ideal for her and she galloped in a very relaxed manner throughout. She will definitely not run at Hoppegarten [in the May 28 G2 Diana-Trial] as the distance is too short for her. There are a few options for her, maybe back here in Dusseldorf."

Muskoka, the fifth of six live foals, is one of three scorers from as many runners produced by an unraced half to G1 Poule d'Essai des Poulains and G1 Prix du Jockey Club-winning sire Brametot (Ire) (Rajsaman {Fr}) and G3 Walter Nilsens Minnelop runner-up Mulan (Ger) (Marju {Ire}). ## DUNKEL PLAN PAYS OFF

**Dundeel's Dunkel takes the South Australian Derby, a first for conditioner Patrick Payne in nearly 30 years** | *Bronwen Healy*

by Keely McKitterick

The Patrick Payne-trained **Dunkel (NZ)** (Dundeel {NZ}) was the sole representative for his trainer in the G1 South Australian Derby at Morphettville. It had been almost 30 years since Payne won the South Australian Derby on Bullwinkle (Bellotto {USA}), and on Saturday, Payne added his name to the winning trainers' list.

Dunkel's racing style gives his supporters hearts-in-mouth sort-of feelings. Settling towards the back of the field, the son of Dundeel (NZ) likes to power home, often reeling off impressive finishing sectionals and on Saturday, with Billy Egan aboard, he did just that.

The Ciaran Maher and David Eustace-trained **Promises Kept** (Cluster) looked to be the winner, breaking clear at the top of the straight; Group 1 glory appeared to be his, but along the rail and under riding, Dunkel was charging and about to spoil the party to narrowly defeat Promises Kept by 0.70l, the honest **Aberfeldie Boy** (So You Think {NZ}) ran into third.

Celebrating his first Group 1 victory, co-owner Brendan Danaher told Racing.com, "Very, very special. This horse hasn't run for two months, and the plan was this race all along, so a great training effort by Patrick Payne.

"I have known Patrick for a long time, and this caps a wonderful association."

The race also provided Billy Egan with his first Group 1 victory,

"When we left the straight the first time, I thought, 'this will be easy', but we got shuffled back, and so we had to work our way through. Dunkel has a killer instinct. You can feel him wanting to pass every horse in front of him.

"I never was confident when Promises Kept kicked clear, but my bloke just tried harder and harder and wanted to pass him."

### Pedigree Notes

Dunkel (NZ) (Dundeel {NZ}) added a second Derby to his record, adding this Group 1 version to his success in the Listed Tasmanian Derby in February.

One of the 24 stakes winners for his Arrowfield Stud-based multiple Group 1-winning sire, Dunkel was bred by Pencarrow Thoroughbreds and sold by them for NZ\$40,000 at the 2021 New Zealand Bloodstock (NZB) Yearling Sale, again making his way through the ring at the NZB Ready to Run Sale - fetching NZ\$100,000.

His stakes-placed dam Kudamm (Cape Cross {Ire}) has produced another four winners (all at metropolitan level) and has now been retired, Dunkel her final foal.

Kudamm's unraced dam Shopping Spree (Ire) (Sadler's Wells {USA}) is out of a full sister to the dual Group 1 winner Zoman (USA) (Affirmed {USA}) from a high-class US family which has as its ancestress the famed matriarch La Troienne (Fr) (Teddy {Fr}).

Other members of this branch of the family include the Group winners Yellowstone (Ire) (Rock Of Gibraltar {Ire}) and Adore The Gold (USA) (Formal Gold {Can}).

Bred on a 3 X 3 Sadler's Wells (USA) cross, Dunkel also carries a strain of that great stallion's three-quarter brother Nureyev (USA).

## GIGA KICK STARS IN DOOMBEN 10,000

by Keely McKitterick

The margin wasn't significant, it was narrow--but how the Clayton Douglas-trained Giga Kick (Scissor Kick) went about his business in the G1 Doomben 10,000 on Saturday was nothing less than impressive.

Incredibly, Giga Kick is still a 3-year-old and even more so, the Doomben 10,000 was only his 10th start, yet the son of Scissor Kick has already scaled the highest mountains.

A last-start winner of the G1 All Aged S. over 1400 metres and a winner of The Everest in the spring, the G1 Doomben 10,000 is the second Group 1 victory for the champion.

Giga Kick, with regular partner Craig Williams in the saddle, eyeballed the in-form Overpass (Vancouver) and denied 'The Quokka' winner by 0.45l with the ever-consistent Mazu (Maurice {Jpn}) running third.

Craig Williams told Thoroughbred Central, "Giga Kick is such a good horse. I am so lucky. Clayton was very confident, and his job with Giga Kick is phenomenal--the time he has spent nurturing this horse.

"They ran a fast time, and I think the fight with Overpass was good and tough. But I think there was plenty in the locker. When I trialled Giga Kick the other day, I told him to 'put his wings away' because he felt like a pegasus."

**Giga Kick when winning the All Aged S. In his prior outing for his first top-level victory | Bronwen Healy**

### Pedigree Notes

Giga Kick is the 10th foal produced by the imported mare Rekindled Applause (GB) (Royal Applause {GB}), a four times winner who was four-times stakes placed in Italy.

In 2021 producing a colt by Pariah, Rekindled Applause has been nicely represented by six winners with Rekindled Power and Shuffle Up (both by Scissor Kick's sire Redoute's Choice) also earning black type with Group placings.

And she is the grandam of a classy galloper, her lightly raced daughter Lago Ovation (Encosta De Lago) producing Yulong's G1 CF Orr S. winner Alabama Express (also by Redoute's Choice).

It seems no accident that members of this family have been regular visitors to Redoute's Choice and his sons with Rekindled Applause's fourth dam being a half-sister to Redoute's Choice's influential fourth dam Best In Show (USA) (Traffic Judge {USA}).

Plus her sire Royal Applause (GB) is a grandson of Try My Best (USA), Best In Show's high-achieving grandson.

Also boasting crosses of Rainbow Quest (USA) (4 X 3) and the Canadian Oaks heroine Flaming Page (USA) (Bull Page {USA}), Giga Kick boasts a pedigree of considerable depth with his sire's three strains of the great Nijinsky II (Can) complemented by his dam's strain of that horse's three-quarter brother The Minstrel (Can).

Flaming Page and Best In Show are both descendants of the wonderful mare Torpenhow (GB) (Torpoint {GB}).

Rekindled Applause is one of the seven winners produced by Rekindled Affair (Ire) (Rainbow Quest {USA}), also dam of the G2 Feehan S. and G2 AAMI Vase winner Rekindled Interest (Redoute's Choice again), the US based Group 3 winner Where We Left Off (GB) (Dr Devious {Ire}) and the French listed winner Porticcio (Ire) (Lomitas {GB}).
