

EXAULTED REMAINS PERFECT ON TURF, LOCKS UP BC BERTH IN SHOEMAKER MILE

by Alan Carasso

Sent off the 3-1 second favorite to maintain a perfect record in four starts since switching to the grass just after the turn of the calendar, C R K Stable's **Exalted** (**Twirling Candy**) was forwardly placed behind a pair of longshot leaders, got first crack at them into the stretch and kicked home smartly to win the GI Shoemaker Mile Monday at Santa Anita and with it, a fees-paid berth into the GI FanDuel Breeders' Cup Mile over the course and distance in November.

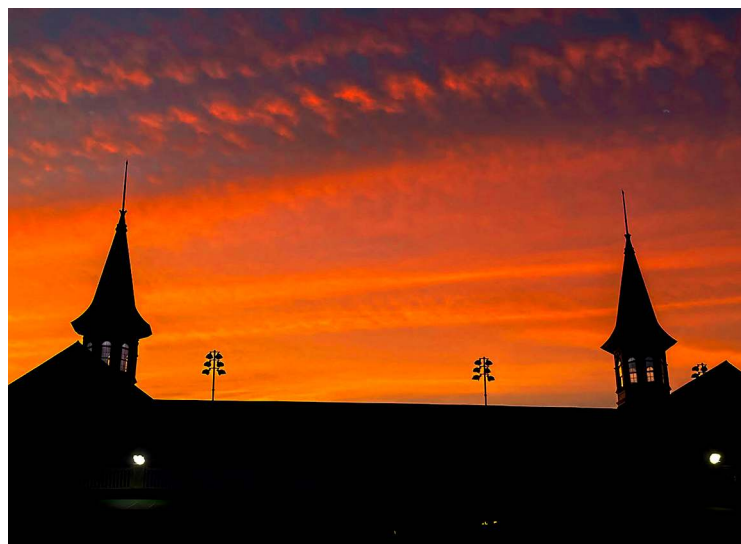

Away smoothly for Juan Hernandez, the \$77,000 Keeneland November weanling turned \$200,000 Fasig-Tipton Saratoga yearling was taken hold of and sat third as **Lamplighter Jack** (Fed Biz) came across from his high draw to set the pace while prompted by fellow outside **Flavius** (**War Front**). Clocking that pair on the backstretch run, Exalted was waited with into the final half-mile and was nudged along three wide around the far turn while zeroing in on the leaders. Lamplighter Jack called it a day, leaving Flavius along up front for a stride or two entering the stretch, but Exalted rolled up to lead approaching the eighth pole and came home gamely to score nicely. **Irideo** (**Arg**) (Easing Along) weaved his way through traffic to be second at 41-1, while favored **Hong Kong Harry** (**Ire**) (Es Que Love {Ire}) was short of racing room when the real running was about to begin and did well to be third. **Cont. p3**

HISA TO CONDUCT 'EMERGENCY VETERINARY SUMMIT' TO ADDRESS CHURCHILL FATALITIES

With the number of equine fatalities during the current spring meeting at Churchill Downs now up to 12, officials at the Horseracing Integrity and Safety Authority (HISA) are convening an 'emergency veterinary summit' to be held Tuesday, May 30, in Kentucky.

"HISA's highest priority is the safety and well-being of the horses and riders competing under its jurisdiction," a HISA statement released Monday begins. "We remain deeply concerned by the unusually high number of equine fatalities at Churchill Downs over the last several weeks. We continue to seek answers, and we are working diligently with Churchill Downs and the Kentucky Horse Racing Commission (KHRC) to mitigate any additional risk."

The Tuesday meeting is expected to bring together the veterinary teams from Churchill Downs, the Kentucky Horse Racing Commission (KHRC) and HISA to 'thoroughly review all veterinary information available and conduct additional analysis in hopes of better understanding the events surrounding the recent fatalities.' **Cont. p3**

HISA is also enlisting the services of noted track superintendent Dennis Moore to provide 'a second and independent' review of the racing and training surfaces at Churchill Downs. The review is scheduled to begin Wednesday, May 31, and HISA CEO Lisa Lazarus and Racetrack Safety Director Ann McGovern will be on site to receive results and analysis and any suggested follow-ups needed.

Dr. Jennifer Durenberger, the director of equine safety and welfare, is also being dispatched to provide additional veterinary expertise and observation to ensure optimal veterinary oversight of the horses.

Following a special Memorial Day program Monday, racing is set to resume at Churchill Thursday, June 1, with a first post of 5 p.m. ET.

Following the 11th and 12th equine fatalities last Friday and Saturday, respectively, officials at Churchill Downs issued a **statement of their own**, pledging their commitment to pursue answers and solutions to the problem.

Having run big numbers in his first three starts, Exalted broke his maiden in optional claiming company in February 2021, but that proved his lone victory from 11 tries on the dirt to go with third placings in the GII San Carlos S. and GII Triple Bend S. The bay switched to the grass this past January, winning allowance tests at a mile Jan. 2 and Feb. 5 before accounting for Irideo in the GIII American S. Apr. 2.

Pedigree Notes:

Exalted is an eighth Grade I winner for Lane's End's **Twirling Candy** and is one of five winners out of a half-sister to GIII Arlington-Washington Lassie S. victress Wonderlandbynight (**Sky Mesa**). The latter's half-sister Ada Clare (Forest Wildcat) is the dam of five winners--four of which are by **Twirling Candy**--including the stakes-placed Big Boy Candy. Gilded Time, who was represented by GII Triple Bend S. winner Spirit of Makena (**Ghostzapper**) May 27, is now the broodmare sire of nine worldwide Grade I/Group 1 winners. Gilded Miracle passed away in 2019 at the age of 15.

DEFUNDED TAKES THEM ALL THE WAY IN HOLLYWOOD GOLD CUP *by Alan Carasso*

Defunded | Benoit

Caught late and forced to settle for second when racing for Sean McCarthy in last year's GI Hollywood Gold Cup, Mike Pegram, Karl Watson and Paul Weitman's **Defunded (Dialed In)** wrested command of the 2023 iteration soon after the start and led past every pole to give trainer Bob Baffert a ninth victory in the event, breaking a tie with the legendary Charlie Whittingham for the most wins in the history of the race.

Favored at 3-5, the chestnut broke well and took his five rivals along at a comfortable gallop, covering the opening four furlongs in :47.59 while being kept company by longshot **Piroli** (Battle of Midway). **Kiss Today Goodbye (Cairo Prince)** ranged up three wide turning up the backstretch and there would be no further change in the order in what became very much a merry-go-round race through the six furlongs in 1:11.83.

Niggled along by Juan Hernandez nearing the stretch while given no breather by a very stubborn Piroli, Defunded led narrowly into the stretch, turned away the race-long challenge of Piroli at the furlong grounds and maintained a safe margin to the wire. The winner's stablemate and 2021 Gold Cup hero **Country Grammer (Tonalist)** bobbled a bit at the break from the inside stall, settled and chased from fourth throughout and never offered any sort of winning bid.

"I would have like to seen Country Grammer second and run 1-2, but Defunded is a tough horse," said Baffert, whose won his first Gold Cup with Pegram's GI Kentucky Derby winner Real Quiet (Quiet American) nearly a quarter-century ago. "This horse today he got the lead and he wasn't going to let anybody pass him. He is just improving and getting better. I was happy to see him get a mile and a quarter."

The 10 furlongs of the Gold Cup had proved a task too tall for Defunded previously, as he was second after setting a much sharper pace in last year's renewal and met a similar fate in the GI Santa Anita H. this past March, where he couldn't quite last and settled for third. Having made the 2022 GI Awesome Again S. his first graded win last October, he added a facile score in Del Mar's GIII Native Diver S. and was second to Art Collector (Bernardini) in the GI Pegasus World Cup in January. Defunded was a latest winner as the 1-5 mortal of the Apr. 22 GII Californian S. **Cont. p6**

Pedigree Notes:

Defunded's dam, a \$31,000 Keeneland September yearling, punched well above her weight in winning five times while placing in a similar number of black-type races and bankrolling nearly \$195,000.

Having produced four foals, Wind Caper was not mated in 2016 and fetched \$37,000 from Athens Woods at that year's Keeneland November Sale. The stakes-winning second dam Wind Tunnel was a half-sister to Grade III winner Reunited (Dixie Union), the dam of GI **Runhappy** Travers S. and GI Jockey Club Gold Cup winner and GI Kentucky Derby runner-up Code of Honor (Noble Mission {GB}).

Wind Caper is also the dam of the 3-year-old filly Capital Lights (**Lookin At Lucky**) and a 2-year-old full-sister to Defunded. That filly, named Ringy Dingy, was a \$200,000 purchase by Oracle Bloodstock out of last year's Fasig-Tipton October Sale and breezed a half-mile over the Oklahoma training track at Saratoga in :50.12 (12/30) May 26.

GO NUTS! MACADMIA CAUSES MINOR UPSET IN GAMELY *by Alan Carasso*

Macadamia | Benoit

A champion and dual Group 1 winner in her native Brazil pre-import, R Unicorn Stable's **Macadamia (Brz)** (Hat Trick {Jpn}) consolidated some very solid recent American form to post a first elite-level victory in this country in Monday's GI Gamely S. at Santa Anita.

None of the seven entrants in the nine-furlong test seemed especially keen to lead, but eventually, Flavien Prat allowed **School Dance** (Animal Kingdom) through to take up the running in advance of **Bellamore** (Empire Maker), as odds-on **Queens Goddess** (Empire Maker) took back off that pair with a circuit remaining. Brazilian native Tiago Pereira, whose biggest career victory came in the 2010 G1 Dubai World Cup aboard Brazilian-bred Gloria de Campeao, had Macadamia settled at the back of the field, but not too far away, as the pace was moderate at best. Luis Saez asked Queens Goddess to apply some pressure to the outside of the leaders and hit the front going well with 2 1/2 furlongs to race, but Macadamia was traveling equally strongly in her wake a few lengths in arrears. The chalk went for home in upper stretch, but Macadamia always seemed to have the move covered and surged past late en route to a cozy success. The in-form **Quatroelle (Ire)** (Mehmas {Ire}) outfinished Queens Goddess for second.

"She is a nice filly," said winning trainer Phil d'Amato. "I have to give Tiago a lot of credit for just getting on her every week, just breezing her and developing her. She was a quirky kind of backwards filly when we got her.

"She just needed to acclimate to North America. She's taken her time and now she is a Grade I winner. [Tiago] has a great attitude in the morning and I think it translates to the horses."

Macadamia posted a pair of close third-place efforts from four starts on this circuit in the second half of 2022 and kicked off the new year with a 1 1/2-length allowance tally over Monday's course and distance Feb. 3. A troubled second to Quattroelle in the one-mile GII Buena Vista S. Mar. 4, the bay--still a late-season 4-year-old on Southern Hemisphere time--turned the tables with a one-length victory in the GIII Wilshire S. going eight panels Apr. 30.

Pedigree Notes:

Macadamia is one of 14 worldwide Group 1/Grade I winners for Hat Trick, who passed away in Brazil in August 2020. In the United States, the Sunday Silence stallion has been responsible for 17 stakes winners and nine at the graded level, including the additional Grade I winners King David and Win Win Win.

Macadamia is one of three winners from four to race out of her dam, a stakes-placed daughter of Fares Farm's 1991 GIII Selima S. heroine Ken de Saron, who also produced Brazilian Horse of the Year and champion 3-year-old colt Sal Grosso (Brz) (Our Emblem) and the three-time French group-placed Jipapibaquigrafo (Irish River {Fr}).

Beaten for speed, the fourth wagering favorite settled worse than centerfield and chased the pace from the two-wide line the length of the backstretch. No stranger to layoffs, champion 2-year-old filly and **'TDN Rising Star'** Echo Zulu made her first start of 2023 a winning one with a runaway score in Churchill's GIII Winning Colors S.

On the sidelines since a game second to 2022 champion female sprinter Goodnight Olive (**Ghostzapper**) in the GI Breeders' Cup Filly & Mare Sprint, she returned to the races in this six-furlong sprint--the shortest distance she's ever raced--without missing a beat, looking every bit the 3-10 favorite.

Sharp from an outside gate, Echo Zulu went out in the search of the early lead but had to contend with an equally speedy Fire On Time on her outer flank. The pair quickly separated themselves from the rest of the field while working through quick early fractions of :21.75 and :44.62. With neither mare giving an inch around the far turn, Echo Zulu found herself briefly on the back foot as Fire On Time stuck a head in front with a quarter-mile to run. But Echo Zulu responded in kind to a shake of the reins from Florent Geroux, drew alongside her rival, and went on right on past, contesting the final furlong alone and hitting the wire clear by daylight while geared down.

"I'm very grateful for the owners of this very talented filly [L and N Racing and Winchell Thoroughbreds] and [trainer] Steve Asmussen," said the winning jockey. "She broke really well today and took herself right to the front. We had some pressure on her outside but she was traveling very comfortably the entire race."

Pedigree Notes:

Part of the wildly successful first crop of Breeders' Cup champion and Horse of the Year **Gun Runner**, Echo Zulu is a daughter of GII Stonerside Forward Gal winner Letgomyecho, the dam of no fewer than eight other winners including GISW **'TDN Rising Star'** and sire **Echo Town** (**Speightstown**), GSW J Boys Echo (**Mineshaft**), and GSP Unbridled Outlaw (Unbridled's Song). Letgomyecho herself is a half-sister to the dams of GIII Ohio Derby victor Dean Martini (**Cairo Prince**), GSW Western Smoke (Smoke Glacken) and GISP One Lucky Dane (Lookin At

Lucky). Echo Zulu's youngest sibling, the now 3-year-old Doing Justice (**American Pharoah**), brought a final bid of \$1.4 million from Northshore Bloodstock at the 2021 Keeneland September Sale.

RED ROUTE ONE BREEZES TOWARDS BELMONT

Red Route One | Coglianese

Winchell Thoroughbreds' homebred **Red Route One** (**Gun Runner**), beaten just under five lengths when fourth to National Treasure (**Quality Road**) in the GI Preakness S. May 20, worked an easy half-mile in :50.85 at Belmont Park Monday morning as he readies for his next start in the GI Belmont S. Presented by NYRA Bets June 10.

Trained by Steve Asmussen, who conditioned Creator (**Tapit**) to victory in the 2016 renewal, the chestnut worked on his own and NYRA clockers caught him galloping out five furlongs in 1:04.

"It was good, he seems like he got something out of it," said Toby Sheets, Asmussen's Belmont-based assistant.

Third to **'TDN Rising Star'** and future champion Forte (**Violence**) in the GI Claiborne Breeders' Futurity at two, Red Route One was runner-up in the GIII Southwest S. and GII Rebel S., but was only sixth in the GI Arkansas Derby. He was victorious in the Bath House Row S. Apr. 22 and went for an early move at Old Hilltop while racing handier than is his custom and finished evenly.

SIBELIUS TO MAKE U.S. RETURN IN ARISTIDES

Jun Park and Delia Nash's **Sibelius** (**Not This Time**), last seen posting a thrilling victory in the G1 Dubai Golden Shaheen at Meydan Racecourse Mar. 25, will bypass the GII True North S. at Belmont Park June 10 in favor of next weekend's \$225,000 Listed Aristides S. at Churchill Downs, trainer Jeremiah O'Dwyer said Monday.

"He's stabled here at Keeneland and it's only up the road," the conditioner told the NYRA press office. "We'll have a look at the race and see what post position we get and how the race is shaping up. If we like what we've got we'll run him there, but we'll still keep the True North in mind."

Since defeating defending champion Switzerland (**Speightstown**) on Dubai World Cup night, Sibelius has breezed three times at Keeneland, including a leisurely half-mile in :50 flat with O'Dwyer in the saddle May 27.

"He's a fun horse to ride. I just wanted a smooth, relaxed breeze. If you put certain riders on him, he'll roll in :46 every time on the bridle if you let him," O'Dwyer said. "I let him have a nice gallop out and get a bit of air in his lungs. We know he's a very fast horse, but we wanted to make sure that foundation is still underneath him."

O'Dwyer said Sibelius, who gained something of a cult following during his time in the Emirates, has recovered nicely from the journey.

"He's done great. We gave him some time off and let him relax and put all his weight back on," O'Dwyer said. "We jogged him at Keeneland for a week and he was jumping out of his skin, so he went back to galloping. He's had three breezes since and his fitness level is good and his energy level is good. He's bright, happy and content. That's all we want. Happy horses run for you and he seems pretty happy right now."

Hayes Strike, second in last year's GIII **Street Sense** S. and third in the GII Kentucky Jockey Club S., earned the second stakes win of his career in the Texas Derby Monday at Lone Star Park. The dark bay colt was well back while saving ground early. Tioped ut five wide for the stretch run, he closed stoutly to just nip Harlocap on the wire.

After his two graded-placings at Churchill last winter, Hayes Strike ended his juvenile campaign with a fourth-place effort in the **Gun Runner** S. at Fair Grounds Dec. 26. Well beaten while trying the synthetic in the Leonatus S. at Turfway Jan. 21, he returned to the winner's circle with a 1 3/4-length victory in the Private Terms S. at Laurel Mar. 18. He was never a factor when seventh in the Apr. 8 GI Toyota Blue Grass S. last time out.

Competitive in the group ranks in her native Ireland before making the trip overseas to the Brad Cox barn, Juncture made her American debut at Keeneland, but was sixth as the beaten favorite Apr. 21. Cut back a sixteenth from that trip to the mile in Texas Monday, the Juddmonte homebred trailed the field through the opening half in :47.14 and took her time picking off horses into the far turn. Caught between rivals while wide around the bend, she found another gear when angling out past the quarter pole, rushing to the front inside the final sixteenth to get the win going away.

Out of a half-sister to a trio of successful runners in G1SW Promising Lead (GB) (Danehill), G1SP Laurel (GB) (**Kingman {GB}**), and MGSW/MGISP Visit (GB) (**Oasis Dream {GB}**), Juncture traces back through her third dam to several Danehill full-siblings, most notably Canadian Horse of the Year Champs Elysess (GB), MGISW Intercontinental (GB), European champion 2-year-old filly and champion grass mare Banks Hill (GB), MGSW/MGISP Dansili (GB) and MGISW Cacique (Ire). Her dam last produced a yearling filly by **Oasis Dream (GB)**. **Click for the Equibase.com chart.**

Classy Edition rebounded from a lackluster effort against Grade I company on Kentucky Oaks day with a stylish victory facing fellow New York-breds in the Critical Eye S. at Belmont Monday. The 3-5 favorite stumbled coming out of the gate, but rushed up to press the pace three wide down the backstretch through fractions of :23.87 and :47.11. She rolled to the lead out of the turn and opened a clear advantage in upper stretch before holding Sterling Silver at bay to the wire.

Classy Edition | *Chelsea Durand*

"She stumbled a little bit, but she recovered quickly," said winning jockey Irad Ortiz, Jr. "She put me in a beautiful position and I was biding my time there. When I asked her to go, she responded very well. It worked out perfect, to be honest."

Classy Edition went three-for-three versus state-bred foes in her juvenile campaign, but made just two starts last term, finishing second in the GII Davona Dale S. in March before going to the sidelines following a fourth-place effort in the GIII Gazelle S. in April. She resurfaced with an optional-claimer score at Gulfstream in January and added her first graded victory with a 1 3/4-length tally in the Feb. 18 GIII Royal Delta S. She was a distant 10th in the May 5 GI La Troienne S. last time out.

"She's run one-turn so well, but she's won going two turns at Gulfstream Park [in the Royal Delta] and she ran so well that day," Ortiz said of the optimal distance for Classy Edition. "Last year, she ran [second in the Davona Dale going] one mile behind Kathleen O. and that was a tough race. She missed the break, was inside of horses, and came running. I think she can do both."

Newbie, a daughter of stakes winner and graded-placed Changeisgonnacome, produced a colt by Vekoma last year, but was barren after being bred back to **Curlin**. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

After two in-the-money finishes and a fourth in Laurel's Apr. 15 Frank Whitely S. last out, Bankit returned to his winning ways for the sixth season of his career here with a second win in the Commentator S.

After an overwhelming success in this race two years ago, netting himself a career Beyer best of 105 with his 13 1/4-length romp, Bankit skipped last year's renewal in lieu of a trip to Meydan, where he ran sixth in the G2 Godolphin Mile.

Back to the New York state-bred stakes ranks, Bankit settled comfortably in fourth off the pace as Olympic Dreams provided the early speed pressure. Going from the two to the four path on the bend, the veteran rallied in upper stretch and took the lead as multiple foes issued challenges. He held off a resurgent Olympic Dreams by a head as Sheriff Bianco reclaimed the last spot in the trifecta.

“[Bankit] was doing really well. He does so well here. This was a big field, I was surprised [at the field size],” said Toby Sheets, assistant to winning trainer Steve Asmussen. “He has a routine. He rolls in the round pen and all that good stuff. He can get a little on the muscle in the morning, but he’s very manageable. It was a great run from him and a good ride by Joel [Rosario].”

Maker's Candy, off the board while trying graded company in the GIII Jeff Ruby Steaks in March, made a successful return to New York-bred company on the cut-back to seven furlongs in the Mike Lee S. at Belmont Monday. The 2-1 favorite endured a bumpy beginning, breaking to the outside and having to over-correct back in to contest second behind Looms Boldly through a quarter in :23.07. Still in traffic trouble into the far turn, he finally got room with a three-wide move past the quarter pole. Into his best stride late, Maker's Candy began steadily gaining on the leader, took over a furlong from home, and, despite drifting out with Radio Red chasing behind him, had more than enough of a gap built up for the clear win.

“We’re back on track,” said winning co-owner Peter Proscia of Paradise Farms Corp. “[Trainer] Mike [Maker] gave him some time and he rewarded us kindly. We were aiming for this race and I’m glad it worked out for us. Jose [Ortiz] gave him a great ride. Who knows? Hopefully we have a great Saratoga, keep going with this horse and he comes back in good shape.”

Maker's Candy | Joe Labozzetta

Maker's Candy graduated versus state-bred foes going one mile at Aqueduct Jan. 28 and returned to win the Gander S. at that same trip Feb. 25. He went to Turfway Park in search of GI Kentucky Derby qualifying points, but was a well-beaten fifth behind subsequent Derby runner-up Two Phil's (**Hard Spun**) over the synthetic in the nine-furlong GIII Jeff Ruby Steaks last time out Mar. 25.

His dam's first stakes winner, Maker's Candy is out of a half-sister to GI Frizette S. winner Sky Diva (**Sky Mesa**) and MGISP Quick Little Miss (Freud). Marvelous Maude (pink cap) | Chelsea Durand

Marvelous Maude made her connections sweat the result, but in the end she got there just in time, winning the Mount Vernon S. on Belmont's Empire Showcase day off the layoff.

Stakes-placed last season against state-bred company after finding her way to the winner's enclosure or on the board in eight prior races, Marvelous Maude's consistent streak was snapped when she tried the GII Flower Bowl against the likes of MGISW War Like Goddess (English Channel); G1SP-Ger & MGSW Virginia Joy (Ger) (Soldier Hollow {GB}); MGSW Temple City Terror (Temple City); and MGSP Coastana (Kitten's Joy). Finishing last against a stacked field that day, she picked up said black-type in the John Hettinger S. and capped her 2022 season in fourth behind familiar foes Runaway Rumour and Finest Work (**Outwork**) in the Ticonderoga S.

In no great rush after the break, Marvelous Maude tracked along from fourth and in behind Sanura as a loose early pacesetter sprinted away from the field down the backstretch. In the two path with a half-mile to the go, she swung four wide in tandem with Runaway Rumour and Sanura and the stage was set for their battle to the wire. Locking horns with her rival as Sanura faded in the late stages, Marvelous Maude made one last lunge on the line and came out victorious by the slimmest of noses as the 3-2 favorite.

"I raced [Wait Your Turn] and I remember she ran a 91 Beyer, so she was kind of fast. The timing was such that we had retired **Slumber** to Calumet. I had a few breedings, so I tried breeding Wait Your Turn to **Slumber**," recalled co-owner Michael Dubb after the race, his mare seemingly a good omen long before she ever stepped foot on the turf. "A couple years went by and no one was breeding to **Slumber**, and Calumet was getting ready to geld [him]. I showed [trainer] Chad [Brown] a picture of the baby who is now Marvelous Maude and he sent it to Calumet, and they decided not to geld **Slumber** after all. That is how **Slumber** became a stallion in New York. They were very close to gelding him and it was a picture of Marvelous Maude that saved [his breeding future]."

The flagbearer for the young broodmare, Marvelous Maude has a winning 4-year-old half-sister Jet Set Juliet (Freud), as well as an unraced year younger half-sister by that same sire. Wait Your Turn has a pair of full-sisters to the victress--a yearling and a 2023 filly. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Multiple graded stakes winner City Man earned his first victory of 2023 in the Kingston S. at Belmont Monday. Near the back of pack early, the veteran was behind a wall of horses at the top of the lane and was tipped out to the center of the course. He closed stoutly to just catch Jerry the Nipper on the line.

"He was ready and as soon as I said, 'Go,' he was there for me," said winning rider Joel Rosario. "For a second, I thought the horse in front of me [Jerry the Nipper] was going to keep moving and he made it a little hard for me to pass him. It seems like the track was a little speed-favoring and he took his time today, but he finished really well."

Winner of last year's GIII Forbidden Apple S. at Saratoga in July, City Man won a pair of state-bred stakes at Aqueduct before concluding 2022 with a win in the Dec. 31 GII Ft. Lauderdale S. He opened 2023 with an even 12th-place effort in the Jan. 28 GI Pegasus World Cup Turf Invitational and was coming off a third-place effort in the May 6 GII Fort Marcy S.

"He's a fun horse who wins a lot, I like it," said winning trainer Christophe Clement. "This horse always finishes strongly. The choices a couple weeks ago were we're either training for this race or the [June 10] GI Manhattan. Obviously, this is a much easier race than the Manhattan and it's nice to go back to winning ways. We can be a little more ambitious with him next time."

Downtown Mischief, who swept through her first three career starts, rebounded from her first loss with a wire-to-wire victory in the Bouwerie S. at Belmont Park Monday. The 6-5 favorite grabbed the early lead and was hounded by second choice Miracle through a quarter in :22.67 and a half in :45.65. She skipped clear into the lane, but Miracle came back at her in deep stretch only to have the favorite find more and hold her off to the wire.

"She's a very nice filly," said winning rider Jose Lezcano. "She did everything right--broke good, was there the whole way and when I asked her, she gave me the race I expected. She gave me what I asked her for and she took off again in the stretch. She's like a bicycle; if you keep riding her, she just keeps going. If you stop riding her, she slows down."

Downtown Mischief romped by 7 3/4 lengths in her six-furlong debut against state-bred company at Aqueduct Jan. 14. She defeated fellow New York-breds again at that same track and trip in a Feb. 17 optional claimer before besting open stakes company with a front-running victory in the Mar. 18 Cicada S. She suffered her first loss when second while stretched to a mile in the off-turf Memories of Silver S. Apr. 29.

"I told [owner] Sheila [Rosenblum] that we would try open company after this race if she runs as well as she did today," said winning trainer Linda Rice. "Frankly, we'll probably be in an open company 3-year-old fillies race. Probably the [July 8 GIII] Victory Ride [at Belmont Park]. I think she's better at six to seven [furlongs]. Time will tell, but right now, my gut feeling is that she's a six-to-seven-furlong horse, so I'll try to target those 3-year-old filly races and not stretch her out."

A winner of his last four, including a score in the GIII Count Fleet Sprint H., Skelly made it five in a row with a front-running score in Lone Star's **Speightstown** Sprint S. A last-out winner in the six-furlong Lake Hamilton S. May 6, the dark bay sported the field a step at the break, but quickly surged up to take command. Unchallenged on the front end, Skelly held a clear margin and had plenty left to keep all challengers at bay, maintaining his lead down the lane for the easiest of wins.

Out of a half-sister to MGSW Isotherm (Lunhro {Aus}), GISP Gio Game (Gio Ponti) and GISP Giant Game (Giant's Causeway), Skelly's dam is also a half to the dam of The Wine Steward (Vino Rosso), an impressive maiden winner on debut at Belmont Sunday. Runner-up when claimed out of her Oct. 26 Keeneland unveiling last year, romped by seven lengths while making her first start for the new connections at Oaklawn Park Dec. 30. She added an allowance win in Hot Springs Jan. 21 and returned from a brief freshening to be second in a Mar. 31 optional claimer. The Chosen Vron made short work of just three foes to win his seventh straight race in the Thor's Echo S. at Santa Anita Sunday night. With a pair of runaway early leaders, the heavy favorite settled back in third down the backstretch. He began to reel in the pacesetters midway on the far turn, inhaled those foes without being asked with a bold three-wide move into the stretch and strolled clear down the lane under a hand ride.

"We had a great break and the plan was to stay behind the speed," said winning rider Hector Berrios. "It was in our favor that the two horses were battling each other in front. I just took him to the outside a bit, to get him in the clear and he did the rest. He has a big, beautiful stride. I looked out at the [infield] screen, and I saw how easy he was going and I just let him do his thing."

The Chosen Vron, winner of the GIII Lazaro Barrera S. and GIII Affirmed S. in 2021, returned from eight months on the sidelines for a pair of rare losses last August. The chestnut gelding was third in the California Dreamin' S. and fifth in the GII Pat O'Brien S. before starting a streak of six straight wins against fellow California-breds. He opened 2023 with a tenacious score in the Jan. 7 California Cup Sprint before dominating in the one-mile Tiznow S. Feb. 20, both over the main track. He returned to Santa Anita's downhill turf course--where he captured last year's California Flag H.--to win the Sensational Star S. by a nose last time out Mar. 19.

"I wish I had another one... but we will live with what we are given," said winning trainer Eric Kruljac. "He has been a blessing. You don't come by a horse like this very often. Everybody deserves to have a horse like him."

Southern California invader Game Time went wire-to-wire to earn his first stakes victory in the Alcatraz S. at Golden Gate Fields Sunday night. Unchallenged down the backstretch through a half in :47.38, he came into the stretch two lengths in front and maintained his advantage to the wire as Cousin Richie and Prince Abu Dhabi made fleeting attempts to reel him in late.

Game Time was second, beaten just a half-length by Speed Boat Beach (Bayern) in last year's GIII Cecil B. DeMille S. at Del Mar. WONDERFULL LADY (FR) (f, 3, Almanzor {Fr}--Tender Night, by Elusive Quality) broke her maiden last fall in France and finished her juvenile campaign just off the board in the G3 Prix des Reservoirs S. before shipping across the Atlantic to join Brendan Walsh in Kentucky. Sixth in her first start on American soil over 1 1/8 miles at Keeneland Apr. 14, she shortened up just a bit Monday as the narrow 2-1 wagering choice. Off the pace early with half the field ahead of her, Wonderfull Lady saved ground against the fence while in pursuit of Santa Fe Gold (Fast Anna) on the lead. FLEETFOOTED (f, 3, Speightster--Highestmaintenance {SP, \$100,645}, by Macho Uno) was a winner at second asking last season before fading to ninth in the GIII Matron S. last October to wrap up her juvenile season. She returned to her winning ways with first-time Lasix last out Apr. 22 in a six-panel Aqueduct allowance condition. Sent away in this Empire Showcase-day card at 5-2 against more seasoned fillies and mares, she overcame her outward start to race four wide to the outside of the early pacesetter. Moving in to save ground on the two path and under asking nearing the quarter pole, she rolled into upper stretch with her competition in sight and took command as the sixteenth pole sailed by. IM JUST KIDDIN (f, 3, Justify--Khancord Kid {GSW, \$167,343}, by Lemon Drop Kid), a maiden winner sprinting over the Saratoga lawn last summer, was fifth in the GII Miss Grillo S. in October before finishing a troubled and well-beaten 10th over the main track in the Oct. 30 Maid of the Mist S. She closed to be third after a troubled trip in her return in a six-furlong turf allowance at Aqueduct Apr. 22. Drawing in from the also-eligible list here, the 5-2 favorite was away slowly and trailed the field in the early strides, but rushed up to stalk the pacesetters. Well held and rank down the backstretch, she again pulled her way closer nearing the far turn and challenged for the lead three-wide into the lane. As she was battling pacesetting Collaboration (English Channel) down the lane, that foe drifted out and bumped her inside the final furlong before finishing 3/4 lengths in front of the favorite. Collaboration was disqualified for the interference and placed second, while Im Just Kiddin was promoted to the victory. Im Just Kidding is a half-sister to Land Mine (**Mineshaft**), SP, \$158,342; and to GI Breeders' Cup F/M Sprint winner Bar of Gold (**Medaglia d'Oro**), GISW, \$1,551,000. Bar of Gold is the dam of 2021 GIII With Anticipation S. winner Coinage (**Tapit**).

Khancord Kid produced a filly by **Uncle Mo** last year and a colt by **Medaglia d'Oro** this year. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.** Lifetime Record: 6-2-1-1, \$127,840. O/B-Chester & Mary R. Broman (NY); T-John C. Kimmel.

ANISETTE (GB) (f, 3, Awtaad {Ire}--Tutti Frutti {GB}, by Teofilo {Ire}), a maiden winner over the all-weather at Wolverhampton in her final outing in England last December, was sent off at 9-2 in this U.S. unveiling. Away slowly, the dark bay filly angled to the rail and raced near the back of a crowded field. Well back in last behind a runaway leader down the backstretch, Anisette began inching closer around the far turn. Within striking distance, but with nowhere to go along the rail in upper stretch, she surged through the narrowest of seams in the dying strides and came home 3/4 lengths to the good of Ultimate Hy (Haimish Hy). Anisette was a 26,000gns Tattersalls Sommerville yearling purchase. She has a 2-year-old half-brother by **Expert Eye (GB)** and a yearling half-sister by **Make Believe (GB)**. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.** Lifetime Record: 4-2-1-0, \$46,871.

GEWURZTRAMINER (c, 2, Collected--Sky Mirage, by Sky Mesa) outran his 18-1 odds to be third in a Keeneland maiden special weight contest Apr. 26 and took considerably more money in this return spot, going off at 3-2. Sent clear from the field right from the jump, the chestnut paced himself through moderate fractions of :23.11 and :46.87 while fending off a challenge from Five o' Somewhere (**Munnings**) on the outside. Gewurztraminer turned back that rival with a furlong to run and sprinted away, hitting the wire five lengths ahead of Baytown Kitty Cat (Kitten's Joy) who ran on well at odds of 30-1 to be second. Sky Mirage, herself a half-sister to G1 Dubai Golden Shaheen winner Kinsale King (Yankee Victor) and GIII Eight Belles S. heroine Victoria's Wildcat (Bellamy Road), produced a filly by **Runhappy** last year and returned to the Claiborne Farm stallion for 2023. MR. SUDS (c, 2, Stay Thirsty--Eye Love Jeanie {SW, \$184,008}, by Showing Up), sent off at 2-1, was hustled to keep pace with Mr. Chivas (Stay Thirsty) in the early going. Outfooted by that longshot pacesetter into the far turn, Mr. Suds clawed his way back to even terms at the top of the stretch. It was a battle of the Stay Thirsty misters down the lane, with Mr. Suds just getting by his determined rival in the shadow of the wire to graduate by a nose. Eye Love Jeanie produced a filly by Stay Thirsty last year and was bred back to that sire. The mare RNA'd for \$3,000 at the 2022 CTBA Winter Mixed Sale before selling for \$2,500 at the Fasig-Tipton August Digital sale. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.** Lifetime Record: 1-1-0-0, \$47,580.

ACT THREE (c, 3, Kitten's Joy--Devine Actress {SW, \$107,300}, by Theatrical {Ire}) went off here a chilly 21-1 longshot on the back of his debut fifth when sprinting over this turf course May 13. Inside the field early, he moved into striking range as runners began closing ranks coming through the final bend. Two wide and moving farther out in upper stretch, he bumped with another runner nearing the eighth pole and was in the lead into the final sixteenth. Yellow Brick (**Quality Road**) was making up ground behind him, but could not catch the winner, who held on by a head in a photo. Cleverly named 'Act Three' as the third colt by Kitten's Joy out of the dam behind **Oscar Performance**, GISW-Can, MGISW-USA, \$2,345,696 and Oscar Nominated, MGSW & GISP-USA, GISP-Can, \$1,502,639; the victor also claims Award Winner (**Ghostzapper**), GSW, \$360,974 as a half-sibling. The most recent to the races for Devine Actress, herself out of a half-sister to GSW Sorcerer's Stone (Gulch) and MGSP Holiday Thunder (Thunder Gulch), Act Three has a 2023 half-sister by **Not This Time**. REIQUIST (c, 3, Nyquist--Reiki Baby, by Curlin) found the change of scenery to California and the care of a new trainer in Tim Yakteen to his liking after a dismal performance at Churchill Downs last June, finishing well behind 'TDN Rising Star' Gulfport (**Uncle Mo**), and graduated here in his second career start off an 11-month layoff. The dark bay colt, who found himself on the lead after a sharp break, dropped back after a handful of strides and tracked the early pace to the outside of Uncle Reg (**Lea**) all the way up the backstretch and into the far turn before making his move toward the lead past the five-sixteenths. He reached even terms with the early leader as he straightened out for the stretch and easily took command soon after before pulling away to the effortless 7 1/2-length win as the 17-1 second-longest shot in the field. Reiki Baby, one of the first horses ever purchased by **Joe and Debby McCloskey's Cuyathy LLC** when the couple acquired her for \$8,000 at the 2014 Keeneland September sale, hails from the female family of champion Escena (Strawberry Road {Aus}), also has produced an unnamed 2-year-old colt by **Mendelssohn** and a yearling filly by **Practical Joke**. At the same 2014 auction, the McCloskeys purchased Cuyathy, the dam of multiple stakes winner Johannes (**Nyquist**), who captured this year's Pasadena S. in their colors. LA PACHANGA (f, 3, War Front--Tokyo Time {GSP, \$249,177}, by Medaglia d'Oro) began her career with modest success on the main track in Florida before swapping to the turf in her third career start two back Mar. 26 at Tampa. Fifth there after getting knocked around at the break and second last out May 13 at this course and distance, La Pachanga showed a new dimension here as she set the pace from the jump, riding the fence into a clear lead. Opening up, she dug deep in the stretch and managed to turn away Epic Miss Justice (Liam's Map) to come in 1 1/2 lengths the best. Out of Tokyo Time, the victress lays claim to the ultra-fast **Olympiad (Speightstown)**, GISW, \$3,027,560 as a half-sibling. She's the third winner from four to the races with a 2-year-old half-brother by **American Pharoah** waiting in the wings. Tokyo Time had a 2023 filly by **Speightstown** this season. This is a busy female family as MGISP & MGSW Hungry Island (More Than Ready); GSW Soaring Empire (Empire Maker); GISW **Preservationist** (Arch); GISP Pleasant Passage (More Than Ready); GSW Azure Coast (**Street Sense**); GISP Coal Play (**Mineshaft**); GISW Keen Ice (**Curlin**); and at least 25 other graded, group, and black-type earners appear within the third

ROYAL VELVET (c, 3, Collected--Moonshine Magic, by Bluegrass Cat) debuted with a fourth-place effort at Belmont last July before going on the shelf until October, returning with an even sixth-place effort over a good turf at the Belmont at the Big A meeting. Once again returned to the farm until this start, he was sent away the even-money favorite with first-time Lasix and did not disappoint. Corrected quickly after breaking outwards, he dropped in closer to the fence in an attempt to save some ground and was able to settle in fourth off a quick early pace. In hand through the far turn behind :22.85, :47.00 and 1:12.04 splits, Royal Velvet was four wide on the drive for home and briskly kicked away with the lead in midstretch. He kept his advantage at an honest 2 1/2 lengths over Hard Traveler (Liam's Map) at the line. Half-brother to Voodoo Zip (City Zip), GSP, \$340,180, Royal Velvet is the most recent winner and has a 2-year-old full-sister, Velvet Lady. Their dam had a 2023 full-brother this season. BOLD ZONE (c, 3, Mendelssohn--Halo Dolly {MGSW, \$1,016,466}, by Popular) stayed on strongly to debut victoriously over nine furlongs Jan. 15 and was returning off a sound third over that same distance Mar. 11. A generous 6-1 on the tote, the close relative to Barraza (Into Mischief), GSW, \$262,075, jumped fairly and found himself just ahead of midfield down the backstretch. Steered out wider approaching the three-furlong marker, the \$40,000 KEESEP yearling turned \$280,000 OBS March breezer commenced a rally in earnest about six off the fence at the quarter pole, hit the front with a touch more than a sixteenth of a mile to travel and held gamely to defeat favored Vanargand (Jpn) (Civil War {Jpn}) by a tight length. "He was very relaxed today," said winning jockey Hiroshi Kitamura. "He still has lots of things that he needs to overcome--such as how to break from the gate and how to handle the kick-back during the trip, but he has lots of room for improvement." Hustled away from gate two, the \$380,000 OBSMAR graduate couldn't quite muster enough speed to lead and sat just off the pace in about fourth position. SEVEN DAYS: FOUR HUNDRED

Aidan O'Brien with his eye on the next Group 1 target
Emma Berry

By Emma Berry

On December 3, 1995, the G1 Royal Bond Novice Hurdle was won by the Aidan O'Brien-trained Thats My Man (Ire). It is unconfirmed, but those may well have been the words uttered by John Magnier when he decided to appoint O'Brien to uphold the good reputation of his surname at Ballydoyle. This he has done with aplomb. From that December day at Fairyhouse until Sunday at the Curragh, A P O'Brien has been the name printed alongside 400 Group or Grade 1 winners. From his roots in National Hunt, he quickly set about conquering the Flat world. In O'Brien's first year at Ballydoyle, Desert King (Ire) became his first Group 1 winner in the 1996 National Stakes in the colours of Michael Tabor, with Walter Swinburn up. The son of Danehill later became his second Classic winner, but only by 24 hours, when the trainer signalled the manner in which he intended to continue his Flat training career by saddling the winners of the Irish 1,000 and 2,000 Guineas in the same weekend. Classic Park (Ire) struck in the fillies' contest and, like so many top-class fillies trained from Ballydoyle, became influential in her stud career as the dam of Derby runner-up and sought-after National Hunt sire Walk In The Park (Ire). Desert King went on to win the Irish Derby and later that year we would see just how well recommended by John Durkan was the brilliant Istabraq (Ire), when he posted the first of 23 wins for O'Brien and JP McManus. Less than a length covered the first five home in Monday's G1 Prix d'Ispahan at ParisLongchamp, with Shadwell's **Anmaat (Ire)** (Awtaad {Ire}) edging it from **Light Infantry (Fr)** (Fast Company {Ire}) in a finish that was touch-and-go. Successful in the G2 Prix Dollar on testing ground here on Arc weekend, the Owen Burrows-trained 5-year-old who was runner-up to Adayar (Ire) (**Frankel** {GB}) in the G3 Gordon Richards S. at Newmarket earlier this month stayed on the best to oust four rivals in line across the track. They were, in order, the outsider **Facteur Cheval (Ire)** (Ribchester {Ire}), who was nosed out of the runner's-up spot, **Buckaroo (GB)** (Fastnet Rock {Aus}) and **Erevann (Fr)** (Dubawi {Ire}) who were beaten by two short necks with the latter suffering significant trouble in running in the closing stages. Cont. from p1

O'Brien's first triumph in an Epsom Classic came in 1998, when Shahtoush won the Oaks. Giant's Causeway was perhaps his first real superstar, with his imperious run through the high summer of 2000 foreshadowing the appearance of the horse with whom O'Brien's name will be forever entwined: Galileo (Ire).

He was of course the first of his trainer's eight Derby winners in 2001. By the end of this week it's not impossible that O'Brien will have brought his tally of Classic wins at Epsom to 20. He has six of the remaining 15 entries in the Oaks, led by Savethelastdance (Ire), a daughter of his old friend Galileo, and four of the 16 for the Derby, including the winter favourite Auguste Rodin (Ire), looking to bounce back from the disappointment of the 2,000 Guineas.

Over last weekend, it was Paddington (Fr) and Luxembourg (Ire) who brought his tally of Group 1 wins to the 400 mark, with the former sparking an Irish Guineas double for Siyouni (Fr) which was completed by Tahiyra (Fr) for the Aga Khan and Dermot Weld on Sunday.

The Older Guard

Luxembourg's triumph over Bay Bridge (GB) (New Bay {GB}) and Piz Badile (Ire) (Ulysses {Ire}) in the Tattersalls Gold Cup brought to a close a treat of a week when it came to action from the older-horse brigade.

There was the rare, if not unique, spectacle of last year's Coronation Cup and Derby winner, Hukum (GB) (Sea The Stars {Ire}) and Desert Crown (GB) (Nathaniel {Ire}), returning in the G3 Brigadier Gerard S. after neither had been seen in public since their respective Epsom wins. Hukum's turn of foot in the closing stages was a sight to behold as he reeled in Desert Crown as the post loomed to win by a half-length. His trainer Owen Burrows kept the ball rolling with another of his older inmates, and another grandson of Cape Cross (Ire), when the five-year-old Anmaat (Ire) became the first Group 1 winner for this sire Awtaad (Ire) in Monday's Prix d'Ispahan.

The aforementioned Luxembourg perhaps doesn't get the recognition he deserves. Like the previous weekend's Lockinge winner Modern Games (GB) (Dubawi {Ire}), he is a Group 1 winner at two, three, and four, which is no easy feat and is the mark of a proper horse.

Luxembourg's sire **Camelot (GB)** surely holds a place in Aidan O'Brien's heart for providing his son Joseph with a first Derby triumph as a jockey. As we head into the Derby weekend it is worth reflecting on the influence of **Camelot's** sire Montjeu (Ire), whose sons Motivator (GB), Authorized (Ire), and Pour Moi (Ire) also won the Derby in a seven-year-period, to be followed by Pour Moi's son Wings Of Eagles (Fr) in 2017.

The quirky but brilliant Montjeu was often derided when it came to his record as a sire of fillies, but he is currently performing well in the broodmare sire table, some 11 years

after his death at the age of just 16. On Saturday, he featured as the damsire of Classic winner Paddington, while previous group winners around the world this year out of Montjeu mares include Panthalassa (Jpn) (Lord Kanaloa {Jpn}), Dubai Honour (Ire) (Pride Of Dubai {Aus}) and Coltrane (Ire) (Mastercraftsman {Ire}). He has already featured as the broodmare sire of an Oaks winner, courtesy of Meon Valley Stud's 2019 victrix Anapurna (GB) (**Frankel (GB)**), and he could enhance that record further if Heartache Tonight (Fr) were to oblige on Friday for David Menuisier. The daughter of Recorder (GB) has been produced on the same pattern of 3x3 inbreeding to Sadler's Wells as Anapurna, and they respectively have the half-brothers Unfuwain and Nashwan in the bottom half of their pedigrees.

It was also a big week for some of the star juveniles of 2022. Little Big Bear (Ire) (**No Nay Never**) pulled up lame after the 2,000 Guineas but put that firmly behind him with a resolute win in the G2 Sandy Lane S. under Frankie Dettori. In the second of two cracking sprints at Haydock, Steve Parkin's homebred G2 Queen Mary S. winner Dramatised (GB) (Showcasing {GB}) returned to lift the G2 Temple S. She heads to the G1 King's Stand S., while Little Big Bear is now a warm favourite for the G1 Commonwealth Cup.

Whitsbury World

When it comes to golden geese, Whitsbury Manor Stud appears to have one of both the male and female variety. The stud record of last year's leading freshman sire Havana Grey (GB) goes from strength to strength, and on Thursday his son Elite Status (GB) emulated his dad by winning the Listed National S. for the Karl Burke stable, becoming the first stakes winner of Havana Grey's second crop. Among those from his debut crop of three-year-olds, Mammals Girl (GB), Great State (GB) and Shouldvebeenaring (GB) are all black-type winners this year, with the last two named, along with Elite Status, having been bred by Whitsbury Manor Stud. The stud also features this year as the breeder of 2,000 Guineas winner Chaldean (GB) (**Frankel** {GB}), whose half-sister Get Ahead (GB) (Showcasing {GB}) gave Whitsbury Manor yet another Listed win on Friday in the Cecil Frail S. The four-year-old thus became the fourth stakes winner for the increasingly celebrated mare Suelita (GB) (Dutch Art {GB}).

Con Marnane, right, celebrates Different League's Royal Ascot win
Racingfotos

Stand By To Party

When Con and Theresa Marnane's Different League (Fr) (Dabirsim {Fr}) appeared at Royal Ascot in 2017 with two wins under her belt and promptly took the G3 Albany S., the revelling continued not just late into that night but for several months. Stand by then to join the party if Givemethebeatboys (Ire) (Bungle Inthejungle {Ire}) should follow suit for the Marnanes in the G2 Coventry S. Similarly unbeaten so far in his two starts, the Airlie Stud-bred €11,000 yearling consigned two six-figure rivals to the minor placings when winning the G3 Marble Hill S on Saturday. Like the aforementioned Chaldean and Get Ahead, he is out of a mare by Dutch Art, in this case the 1m4f winner Dromana (Ire), a half-sister to the G3 Henry II S. winner Lismore (Ire) (Zoffany {Ire}).

It was a good day for the Marnanes' Bansha House Stables, which sold Salisbury debut winner Reveiller (Ire) at the Goffs UK Breeze-up Sale last month. The Archie Watson-trained colt took the tally of wins for Soldier's Call (GB) to 11. Ballyhane Stud's young sire was also trained by Watson and triumphed as a juvenile at Royal Ascot, where a number of his first-crop members will surely be heading. Incidentally, Different League, who went from being an €8,000 foal to a 1.5 million gns

in-training purchase, was represented by her first winner at the Curragh on Friday when her three-year-old son Subzero (Ire), who has borrowed his name from a Melbourne Cup winner, won the three-year-old maiden for Peter Brant and the Coolmore team.

Premierisation and Injunctions

It is generally the preference in this column to sail on and celebrate all that is good about the sport. There are, however, two looming issues which cannot presently be ignored. It is a desperate measure for a racecourse operator to have to apply for a High Court order in an attempt to prevent disruption at a major meeting, but this is exactly what the Jockey Club has been forced to do in the wake of overt threats from the protest group Animal Rising. On Friday, an injunction was granted for Epsom Downs, which could lead to fines and/or imprisonment for anyone attempting to prevent the smooth running of races during the Derby meeting.

The group has been offered a spot near the entrance to the racecourse to conduct a peaceful protest, but it remains a chilling prospect that this will not be taken up, and instead the safety of the horses, which the protestors claim they want to protect, and their jockeys will potentially be put at risk by those intent on halting proceedings.

As well as facing outside threats, racing is not immune to acts of self-harm, and it remains to be seen how well the British Horseracing Authority's 'premierisation' experiment works. In announcing some of the details of this scheme on Thursday, the BHA stressed that this is a two-year trial. Its key element revolves around restricting Saturday afternoons to two premier meetings and one of lesser status, referred to as a core meeting, in order to drive betting turnover. Data supplied to the BHA by the betting industry is said to imply that a clearer schedule during the 2pm to 4pm slot will encourage punters to bet more. It seems a dubious claim, but time will tell.

What is not in doubt is that staging fewer meetings on a Saturday afternoon will have a negative affect on racecourse attendances, which are already on the wane. There are few better ways to introduce new people to the sport than through an enjoyable day out at the races, and for many working people, a weekend afternoon presents the perfect opportunity for this. Other racecourses beyond the three with the selected meetings can still race on a Saturday, but they must either start early enough for their races to be concluded by 2pm, or stage a twilight or evening meeting. Both options are less convenient for most racegoers (not to mention owners, trainers and racing staff).

Enhancing the current fare on offer on Sunday afternoons in Britain has also, sensibly, been suggested, and along with that will be staged a trial of Sunday evening racing. It is no surprise that the prospect of the latter has been greeted with widespread dismay.

As stated, however, it is a trial. If owners and trainers don't like the idea, they can simply not enter to run. It has to be said that some of the language used in reference to this pilot scheme sticks in the craw a little, with the fixtures described as betting sessions rather than race meetings. These six test sessions are, of course, for "lower-grade horses" and will take place between January and March.

The meetings are clearly not aimed at encouraging racegoers--more for the punter at home during what has been identified as a time when "betting activity tends to be strong". But the horses and the travelling staff still have to get there and, more importantly during the winter months, get home safely in the cold and dark. The same goes for the owners of those lower-grade horses, plenty of whom enjoy actually going racing to see them run. It is up to them and their trainers to decide whether this is a step too far, or whether the rewards on offer will be enough to entice them away from Countryfile on a Sunday evening.

G1 Prix d'Ispahan cont. from p1

Unbeaten last term as he became the finished article through the handicap grades, Anmaat served notice that he was becoming a force to be reckoned with when capturing the G3 Rose of Lancaster S. in dominant fashion at Haydock in August.

Battling to success in the Dollar, the gelding was handing Adayar five pounds in the Gordon Richards on his return and arrived here with nothing to prove.

Restrained early by Jim Crowley with only Erevann behind, the 13-10 favourite had a clear run down the outer as that rival was short of room on the rail approaching the final furlong. With the long-time leader Light Infantry battling back into contention having looked likely to finish out of the frame earlier in the straight and Facteur Cheval posing his threat, Anmaat had to dig in but ultimately that is what marks him out.

For Crowley, the outcome was a relief after a race that turned out messy. "It didn't go to plan as I'd have wanted it to--I'd have liked to have been handy early, but he was over-racing and very fresh today so I had to take back and then the tempo was not that strong," he explained. "I had to make my move to have him close enough in the straight, the ground was lively enough for him and the trip was a furlong shorter than what he has encountered so far, so it was a good performance. We've always hoped he'd progress into a group 1 horse, so it's nice."

Owen Burrows, who had last week engineered the comeback of Hukum (Ire) ([Sea The Stars {Ire}](#)), was delighted to have another of the stable's luminaries join the top table. "It's been a huge team effort with these two horses," he said.

Anmaat | ScoopDyga

"Anmaat is so tough. He might get further, but we don't have to be worried about that just yet. He's in [Royal] Ascot, so we'll see how he is and the Eclipse is an option too. We'll have a chat with the team and go from there."

Light Infantry was finishing runner-up in a French Group 1 for the third time and trainer David Simcock was in that unenviable position of being pleased and disappointed at the same time. "All credit to him--he was probably tapped for a little bit of acceleration again, but he sustains very well," he said. "There is a certain amount of frustration, but only from my personal point of view as at the same time he is very consistent and I can't complain too much. I think something like the Cox Plate is tailor-made for him and that's where his future lies, but

he'll go to Ascot now and is in both races [the Queen Anne and Prince of Wales's S.]."

Pedigree Notes

Anmaat, who becomes his sire's first group 1 winner, is a half-brother to the GIII Kent S. scorer and GII San Luis Rey S. runner-up Syntax (Ire) (Haatef). The dam African Moonlight (UAE) (Halling), who also produced the listed-placed Sir Gin (Ire) (Moss Vale {Ire}), is a full-sister to the dual G3 Curragh Cup winner Mkuzi (GB) and kin to three other black-type performers. Also connected to the dual G3 Prix du Palais-Royal winner Garnica (Fr) (Linamix {Fr}), her 2-year-old filly by Kodiak (GB) named Lunar Shine (Ire) was a 300,000gns purchase by Manor House Farm at the Book 1 Sale.

SOBER COMES OF AGE IN THE VICOMTESSE VIGIER *by Tom Frary*

Rounding off his 3-year-old campaign with a second in the G2 Prix Chaudenay and third in the G1 Prix Royal-Oak at ParisLongchamp, the Wertheimers' **Sober (Fr)** (**Camelot {GB}**) returned to that venue on Monday to make the breakthrough many expected in the G2 Prix Vicomtesse Vigier. Only seventh behind **Big Call** (Animal Kingdom) and **The Good Man (Fr)** (Manduro {Ger}) in the track's G3 Prix de Barbeville over the same 15 1/2-furlong trip last month, the Andre Fabre-trained homebred hit all the right notes this time to register a career-best and suggest a bright future at the marathon trips.

Settled by Maxime Guyon a few lengths off the pace set by The Good Man, the 19-10 second favourite travelled ominously throughout but ultimately had to graft to subdue that rival in the straight and managed it close home to prevail by a short neck.

ANGERS POWERS TO GERMAN 2000

GUINEAS GLORY *by Sean Cronin*

French challenger **Angers (Fr)** (Seabhac--Angel Of Harlem {Fr}, by **Holy Roman Emperor {Ire}**), successful just once in six prior outings, was an almost unconsidered 12-1 chance for Monday's G2 38th Mehl-Mulhens-Rennen German 2000 Guineas and made a mockery of his odds with a power-packed display in the one-mile Cologne Classic ([video](#)). He becomes the second French-trained winner since the race's 1986 reincarnation, named in memory of Gestut Rottgen lynchpin Maria Mehl-Mulhens, and follows in the hoofprints of Alex Pantall's 2013 victor Peace At Last (Ire) (**Oasis Dream {GB}**).

Angers backed up a breakthrough success at Saint-Cloud last July with a seventh in Chantilly's Sept. 17 G3 Prix de Conde and closed his juvenile campaign with a third in ParisLongchamp's valuable Haras de Bouquetot Criterium Arqana on Arc weekend. Seventh once more in Saint-Cloud's Mar. 18 Listed Prix Omnium II on sophomore return, he finished a shade over 1 1/2 lengths adrift of subsequent G1 Poule d'Essai des Poulains fifth Valimi (Fr) (Teofilo {Ire}) when third in an Apr. 20 conditions heat back at ParisLongchamp last time.

The eventual winner was shuffled back through the field after an alert getaway from an outer stall and was off the pace in seventh until turning for home. Shaken up at the top of the straight, he surged forward into contention and powered clear of toiling rivals once quickening to the fore approaching the final furlong to easily outclass Charlie Johnston trainee **Finn's Charm (GB)** (**Kingman {GB}**) by a mightily impressive six lengths. **Dhangadhi (Ger)** (Soldier Hollow {GB}), representing Peter Schiergen, fared best of the home defence and lost out by a nose for second in a bobber for the minor placings.

Seabhac is represented by his first Classic winner
Haras de Saint Arnoult

"He's a lovely, big horse and gave me a nice feel going down to the start," said winning rider Andrea Atzeni. "He ran very well in France last time and the trainer Mario Baratti has done a great job in keeping him spot on for this race. He was the best-looking horse in the paddock and he was, by far, the best horse in the race."

"He's a very strong horse and we came here to win," insisted trainer Mario Baratti. "He needs a lot of pace, which he doesn't often get in France, and he can be really good when there's a strong pace. It was a very good run behind a very good horse, in a race which is a traditional preparation for the French Guineas, last time. The only concern I had was the good ground as he is probably better on soft ground, but he got the job done."

FORT PAYNE OUTPOINTS PALAIS-ROYAL

RIVALS by Sean Cronin

Fort Payne collects his first group victory in Paris | *ScoopDyga*

Nicolas Caullery trainee **Fort Payne (Fr)** (Rio De La Plata--Lady Verde {Fr}, by Meshaher) was beaten just over six lengths when fifth in Saint-Cloud's G2 Prix du Muguet and stepped forward to secure a career high in Monday's G3 Prix du Palais-Royal at ParisLongchamp.

He had earlier returned off a nine-month sabbatical to snag a Feb. 24 conditions test at Chantilly and doubled up back there at the end of March in his penultimate start.

Settled back in the field after a slick getaway, the 47-10 chance made headway under pressure in the straight and lengthened clear once quickening for control passing the furlong marker to comfortably outpoint **National Service (Fr)** (Elusive City) by two lengths. The winner's stablemate **King Gold (Fr)** (Anodin {Ire}) was a short-head shy of providing Caullery with the exacta.

"I am delighted as I always knew he had such a race in him and we did well to shorten him in trip," the winning trainer said. "The [Prix du] Muguet was probably a shade too strong for him last time, but he's a massive horse and I've nothing at home to make him work hard enough. It was a good decision to run him on that occasion and he was in top form today. The faster ground is what he prefers, so I was quite confident beforehand. I am also delighted with my other horse [King Gold], who might have finished closer, or even threatened the winner, with a better draw. We will savour the moment before committing to his next race, which could be a Group 3 [Prix Bertrand du Breuil] on Prix de Diane day or the [June 29 G3] Prix de la Porte Maillot over this course and distance."

Pedigree Notes

Fort Payne is the latest of three registered foals, all winners, and leading performer produced by a granddaughter of Caer Mecene (Fr) (Caerwent {Ire}), herself an unraced half-sister to MG1SW sire Kendor (Fr) (Kenmare {Fr}). Caer Mecene is also kin to the unraced dam of MGSW sires Hightori (Fr) (Vettori {Ire}) and Vatori (Fr) (Vettori {Ire}).

EPSOM NAMES RACE IN MEMORY OF LESTER PIGGOTT

Epsom Downs Racecourse has announced the introduction of the Lester Piggott Handicap S. on Derby Day, to be run in memory of the legendary jockey who died a year ago at the age of 86. Frankie Dettori will lay a wreath at Piggott's commemorative statue on Saturday.

"It is an honour to be asked to lay a wreath at Lester's statue on Derby Day," Dettori said. "He was a hero of mine who then became a good friend and it's impossible to measure the impact he had on me, both as a person and a jockey throughout my life. I'm sure it will be a poignant and emotional moment for many reasons and I'm grateful to Epsom Downs for inviting me to lead this year's tributes to Lester on my last Derby Day as a jockey."

Piggott rode in the Derby 36 times between 1951 and 1994 and won nine times, starting with Never Say Die in 1954 and followed by Crepello (1957), St Paddy (1960), Sir Ivor (1968), Nijinsky (1970), Roberto (1972), Empery (1976), The Minstrel (1977) and Teenoso (1983). Nicknamed 'The Long Fellow', Piggott also won the Oaks six times and the Coronation Cup on nine occasions.

"For so many of us, Lester Piggott is synonymous with the Derby and Epsom Downs like no other jockey before or since," said Brian Finch, Chair of Epsom Downs Racecourse. "Lester sadly passed away just six days before the Derby in 2022 and we ran the Derby in his memory. For such a distinguished figure in the long history of the Derby, and with his unprecedented achievements unlikely to be matched, we felt it was important to establish a permanent annual commemoration and celebration of Lester's life on Derby Day."

PASSENGER JOINS THE DERBY FRAY

Saturday's G1 Betfred Derby at Epsom has been boosted by one supplementary entry, with the Niarchos family opting to pay the £85,000 fee to add Dante S. third **Passenger** (Ulysses {Ire}) to the line-up. At the confirmation stage, 16 colts remain in contention, with Coolmore's **Auguste Rodin (Ire)** (Deep Impact {Jpn}) and Godolphin's **Military Order (Ire)** (Frankel {GB}) vying for favouritism. The latter is trained by Charlie Appleby, who will be aiming for a third Derby success following Masar (Ire) (New Approach {Ire}) in 2018 and Military Order's full-brother Adayar (Ire) two years ago.

Passenger | PA Media

Issuing an update on his sole runner via the Godolphin website, Appleby said, "He came out of his Lingfield Derby Trial win very well and we've been very pleased with him since. He's improving week on week physically, and we can't fault him to date on what he has been doing in his work and on the racecourse. He goes out and gets the job done in the mornings without being flash."

He continued, "He's a mile-and-a-half horse, so you don't expect flashy work. That hasn't changed from his two-year-old days and I wouldn't expect it to change."

Passenger's trainer Sir Michael Stoute will be aiming for back-to-back Derby wins following the success of **Desert Crown (GB)** (Nathaniel {Ire}) last year, and his seventh victory in the race overall, while Aidan O'Brien is seeking a ninth Derby win. The Ballydoyle trainer has a quarter of the horses remaining in the entries, with the quartet being completed by **Adelaide River (Ire)** (Australia {GB}), **Covent Garden (Ire)** (Galileo {Ire}) and **San Antonio (Ire)** (Dubawi {Ire}).

Godolphin has also supplemented Lingfield Oaks trial winner **Eternal Hope (Ire)** (Teofilo {Ire}) for the Oaks at Epsom on Friday.

"She bought her own ticket to the race," Appleby said. "She's a filly who started her career in a Wolverhampton novice in February and all she has done is improve ever since."

"She's a trial winner, at a track that tests a horse's ability to handle sharp bends, and she acquitted herself very well. It is seen as a test for Epsom, which shouldn't pose any problem for her."

Godolphin has already secured one British Classic this season with the Saeed Bin Suroor-trained Mawj (GB) (Exceed And Excel {Aus}). The 1,000 Guineas winner is now being aimed at the Coronation S. at Royal Ascot, where she could face a rematch with her runner-up Tahiyra (Fr) (Siyouni {Fr}), the winner of Sunday's Irish 1,000 Guineas.

"She is in good form," reported Bin Suroor on the Godolphin website. "Her win meant a lot. It was the third time we won the 1,000 Guineas, but it had been a long time since the last one--21 years.

"We knew last year she was a good filly, but she is a tiny filly and you have to look after her. I gave her a break between races, just to allow her to recover."

PRINCESS ZELDA (GER) (f, 3, Zarak {Fr}--Petite Duchesse {Ger}, by Dai Jin {GB}) seized an immediate lead after a slick exit in this unveiling. Holding sway throughout, the even-money favourite scooted into an unassailable lead soon after turning for home and was heavily eased inside the final furlong to easily outclass Wedding In May (Ger) (Sea The Moon {Ger}) by a facile 3 1/4 lengths. Princess Zelda, kin to the unraced 2-year-old filly Petite Comtesse (Ger) (Tai Chi {Ger}), is the third of four foals and second scorer from as many runners out of Petite Duchesse (Ger) (Dai Jin {GB}), herself a half-sister to G3 Prix Gontaut-Biron victor Petit Chevalier (Fr) (High Chaparral {Ire}). Her second dam Pivoline (Fr) (Pivotal {GB}), a daughter of the stakes-placed Lady Glitters (Fr) (Homme De Loi {Ire}), is kin to dual Group 1 winner Lord Glitters (Fr) (Whipper).
