

## KALIK CLICKS FOR COLLECTED IN PENNINE RIDGE

Kalik | Susie Raisher

by Alan Carasso

Robert LaPenta, e Five Thoroughbred Racing and Madaket Stables' **Kalik (Collected)** took control of Saturday's GII Pennine Ridge S. in the first sixteenth of a mile, was beautifully rated from the front by Irad Ortiz, Jr. and had enough in the tank to hold off '**TDN Rising Star**' **Far Bridge** (English Channel) and Godolphin's **Silver Knott (GB)** (Lope de Vega {Ire}) in the stepping-stone to the GI Belmont Derby in five weeks' time. In so doing, he was becoming the second graded stakes winner in the space of 15 days for his Airdrie Stud-based sire (by City Zip) after Taxed caused an 11-1 surprise in the GII George E. Mitchell Black-Eyed Susan S. on Preakness weekend.

"On paper, he [Kalik] was lone speed," said trainer Chad Brown, winning the race for the third time. "He's a class horse with a lot of quality to him. We thought on paper that if he could get out there and control the race, he would at least have a final say."

Sometimes things go exactly according to script. Kalik won the break and headed off his rivals prior to the first corner, covering the opening couple of furlongs in :24.69 and the half in a hassle-free and equally comfortable :49.17.

## BELMONT TUNE UPS INCLUDE FINAL WORKS FROM COX BARN'S TRIO

by Katie Petrunyak

With one week out until the GI Belmont S., a trio of Brad Cox trainees put in their final works ahead of the last leg of the Triple Crown on Saturday at Churchill Downs.

**Angel of Empire (Classic Empire)**, **Hit Show (Candy Ride {Arg})** and **Tapit Shoes (Tapit)** each put in five-furlong works while a handful of additional Cox stable stars completed their final tune-ups in preparation for bids in a jam-packed Belmont undercard. The Churchill Downs-based Cox contingent is set to head to Belmont Park on Monday.

Angel of Empire, who finished third in the GI Kentucky Derby, completed the fastest work of Cox's Belmont contenders, stopping the clock in :59.80 seconds.

## Pennine Ridge S. cont.

Going along nicely within himself on the second turn, Kalik kicked over onto his right lead with about a furlong and a half to race and proved not for catching. Far Bridge was under heavy urging three furlongs out and at one point was more or less the back marker, but jumped back into the bridle and weaved his way through to just beat Silver Knott out of second.

Well-beaten on his main-track debut at Aqueduct in September, Kalik perked up with a runner-up effort going two turns on the grass down the Cross Island Oct. 23 and headed south for the winter. The \$80,000 FTKNOV weanling turned \$200,000 KEESEP yearling validated even-money support on his return St. Patrick's Day at Gulfstream and made it two straight with an all-the-way allowance score over a mile and sixteenth of this course May 7.

Joe Labozzetta

"The horse really just blossomed over the winter," Brown continued. "He put a bunch of weight on and he matured. He was like an immature teenager last year. He always trained well, but he was just a stick figure kind of horse. Now he's filled out and turned into a real man."

While the July 8 Belmont Derby is an obvious near-team objective, Ontario-bred Kalik could pay a visit to the Great White North over the coming months.

"In the summertime, if he stays healthy, I'm really interested in the [Aug. 20 C\$1-million] King's Plate," Brown said. "It's a race we've never won and it's an interesting idea for this horse down the road."

## Pedigree Notes:

Kalik's dam is a daughter of the talented multiple graded winner Sara Louise, whose Grade III-winning half-sister Just Louise (Five Star Day) produced two-time GSW and GISP Forbidden Kingdom (**American Pharoah**). After foaling a **Hard Spun** filly in 2022, Coronation Street was offered pregnant to **Collected** at last summer's Fasig-Tipton Selected Horses of All Ages Sale, but was bought back when bidding stalled out at \$11,000. She produced a full-sister to Kalik this past Mar. 25.

Kalik and Taxed are the bookends of a seriously productive couple of weeks for **Collected**. Two days after the Black-Eyed Susan, Conclude took the Desert Code S. on the downhill turf course at Santa Anita, while Playground Legend won her maiden at Monmouth May 28 and Royal Velvet and second-crop colt Gewurztraminer graduated at Pimlico and Churchill, respectively, on May 29. **Collected** was also represented by his first Japanese winner when the Shadai-bred Collectanea broke through Saturday at Tokyo.

## Cox Belmont Horses cont. from p1

The winner of the GII Risen Star S. and GI Arkansas Derby for Albaugh Family Stables, Angel of Empire put in a closing bid in the Kentucky Derby to angle wide from the back of the pack and get up for third.

"I think he has more to show," Cox said. "We always thought he would get better with the more he does based off pedigree and his physical, and he has. His numbers in the Kentucky Derby went forward and he's had five weeks to recover from that number. From a physical standpoint, he seems to be continuing to develop and I love what we've seen from him in his works."

The Pennsylvania-bred colt's three post-Derby works have led Cox to believe that Angel of Empire will relish the Belmont distance.

[Click here for our visit with Brad Cox's Belmont-bound trio | Coady](#)

"He always gallops out well," Cox explained. "Probably the best part of his works is that around the second turn, he just continues to want to gallop out up the backside. We're excited about giving him the opportunity to go that far."

Based on how the Belmont field is shaping up, Cox said he is hopeful that Angel of Empire can sit a bit more forwardly placed this time around.

"I think everyone is going to be a little bit closer to the pace. We're probably not going to see 45 and change in the Belmont. If we do, I don't know who's going to do that. I think naturally, he will probably be a little bit more forwardly placed than he was in the Kentucky Derby."

Not far behind Angel of Empire in the Kentucky Derby was fellow Cox trainee **Hit Show**. After breaking from the one post, the gray sat a few horses off the pace along the rail and then looked poised for success when he circled wide around the far turn, but the May 9 foal was unable to fend off the likes of Mage (**Gun Runner**) and was urged on by Manny Franco to stay up for fifth.

A homebred for Gary and Mary West, Hit Show earned his Derby points at Aqueduct, winning the GIII Withers S. by five and a half lengths and then finishing second in the GII Wood Memorial S.

Cox said that the colt's affinity for New York could serve him well on Belmont day.

**Tapit Shoes** runs second to **Red Route One** in the Bath House Row S. At Oaklawn | Coady

"He's had some success at Aqueduct, and with NYRA tracks, they seem to be just a little bit deeper and sandier. He was capable of getting through at Aqueduct, so we're hopeful that he can get through the Belmont track. We thought he ran a really good race in the Kentucky Derby and we're excited about him going a mile and a half. Manny Franco came back and mentioned the Belmont right away, so he could be a horse that can move forward in the Belmont."

On Saturday morning, Hit Show covered five furlongs in 1:01.60.

**Cox cont.**

The last of Cox's Belmont-bound colts, **Tapit Shoes**, has put in four works at Churchill Downs since running second to GI Preakness fourth-place finisher Red Route One (**Gun Runner**) in the Bath House Row S. at Oaklawn Park on April 22. In his work on Saturday, he stopped the clock at 1:00.60.

Owned in partnership by Spendthrift Farm, Steve Landers Racing, Martin Schwartz, Michael Dubb, Ten Strike Racing, Jim Bakke, Titledown Racing, Kueber Racing, Big Easy Racing, Winners Win and Michael Caruso, **Tapit Shoes** broke his maiden by seven and a half lengths at Fair Grounds last December. This year, he ran fourth and then third against allowance company before his second-place finish in the stakes at Oaklawn.

Cox said that colt's pedigree was a major consideration in sending the son of **Tapit**—who is the sire of four Belmont S. winners—to his graded stakes debut in the final leg of the Triple Crown.

"He's by **Tapit**, which obviously everyone knows that those horses perform well at a mile and a half on dirt...and he's a half to GISW Cyberknife (**Gun Runner**)," Cox said. "He seems to be getting better the more he does. He took a move forward in the Bath House Row S. and he's had plenty of time to recover from that. I think he obviously has to take another move forward and I'm hoping that he will. He's a pretty consistent workhorse, steady, and always gallops out well. He gives us some confidence that he could like the mile and a half."

In addition to Cox's Belmont contenders, champion **Caravel** (Mizzen Mast) will also make a Grade I bid in the Jaipur S. next weekend. Campaigned by Quatar Racing, Marc Detampel and Madaket Stables, the winner of last year's GI Breeders' Cup Turf Sprint was originally slated for the G1 King's Stand at Royal Ascot, but her connections opted for the much shorter journey to Belmont for the six-furlong Jaipur, which is a Breeders' Cup challenge race and offers an automatic berth to the Turf Sprint.

"She had a big run at Belmont last year in the GIII Intercontinental S., so we're going to see if we can do it again this year only against the boys in a Grade I," said Cox. "She's obviously capable of that, having won the Breeders' Cup, and she's really doing well right now. She physically looks amazing."

Caravel breezed four furlongs on the Churchill Downs turf on May 24 and then went the same distance over the main track in :49.40 on Thursday.

"We opted to breeze on the dirt just with scheduling and shipping and everything," Cox explained. "She's a good workhouse and had a good gallop out. We're happy with the way she looks and how she's moving."

**Belmont Workers at Belmont, Gulfstream**

Also on Saturday morning, Todd Pletcher's Belmont-bound pair of juvenile champion **Forte** (**Violence**) and GI Blue Grass S. victor **Tapit Trice** (**Tapit**) took to the main track at Belmont.

Repole Stable and St. Elis Stable's Forte put in a five furlong breeze under Irad Ortiz Jr. in :59.67, working in company with maiden winner Varatti (Into Mischief).

With Irad Ortiz Jr. aboard, Forte puts in his final work ahead of the GI Belmont S. | *Coglianes*

"I thought it was a super good breeze," Pletcher said afterward. "He went 59 and 3 and it looked like he was doing it well within himself, good gallop out. He came back and cooled out quickly. It was exactly what we were hoping he would go out there and do and I think based off the strength of his breezes, he's coming into it as well as we hope."

After he was scratched from the GI Kentucky Derby due to a bruised right front foot, Forte was placed on a mandatory 14-day veterinary list. According to HISA Rule 2241(a), in order to be removed from the list Forte had to work in front of a regulatory veterinarian—which he completed last week—and then produce a blood sample following that work. Pletcher said that Forte's blood sample came back negative.

**Tapit Trice**, who finished seventh in the GI Kentucky Derby for Whisper Hill Farm and Gainesway Stable, worked a half-mile in :49.89 on Saturday, going in company with winner Classic Catch (**Classic Empire**).

"I thought he looked great," Pletcher reported. "He's getting over the ground really well. He's a good-moving horse. We were looking to do a little less with him than we were with Forte, since he ran in the Derby and has had two breezes since then. It was more of a maintenance work for him and it seems like he continues to take to the main track here really well."

Window Shopping pounced on long-time leader Ancient Peace with a furlong to run in Saturday's GII Summertime Oaks and edged away late to a first win at the graded stakes level.

Beaten for speed, the \$700,000 Keeneland September purchase settled between rivals just behind the pace which was set inside by GI Kentucky Oaks third The Alys Look (**Connect**) with outside pressure from Ancient Peace. The well-backed second favorite, The Alys Look began to back out of it with three-eighths of a mile to race, leaving Ancient Peace alone on the lead, while farther back, Lily Poo was traveling ominously well and loomed a threat three deep into the stretch.

Ancient Peace battled on bravely at the fence, but Window Shopping kept grinding away beneath Hector Berrios, grabbed the front-runner with less than a furlong to travel and inched clear.

A troubled sixth in a one-mile turf maiden at Del Mar last November, Window Shopping romped by 16 1/2 lengths in an off-turf test going a mile here Mar. 17. That effort earned her a shot at the Apr. 8 GII Santa Anita Oaks and the chestnut gave a decent account of herself when seven lengths third and beaten just a half-length for second behind the then-unbeaten 'TDN Rising Star' Faiza (**Girvin**).

**Window Shopping** | *Benoit*

**Pedigree Notes:**

Window Shopping is the 36th worldwide stakes winner and 22nd group/graded winner for Triple Crown winner **American Pharoah**. Window Shopping's dam posted her career high in the 2015 GIII Monmouth Oaks and was second to America (A.P. Indy) in that year's GIII Turnback the Alarm H. **Connections** had her in training for a time at four in 2016, but she did not make another trip to the races and was purchased by International Equities Holding for \$700,000 at Keeneland January in 2017, the second priciest offering of the auction.

Delightful Joy's first foal was Zainalarab (**War Front**), a \$1-million graduate of the 2019 Keeneland September Sale, before Window Shopping was hammered down to Steve Young for \$700,000 at the same event two years later. Delightful Joy is also represented by a yearling Into Mischief filly and was most recently covered by the same sire.

The cross of **American Pharoah** over **Tapit** mares has resulted in GISW Harvey's Lil Goil and Japanese listed winner Reframe.

A graded winner short and long on the Tapeta track and going two turns on the grass, Our Flash Drive proved she was more than capable at a sharper trip on the turf, as she took command inside the furlong marker and went on to a comfortable victory in Saturday's 6 1/2-furlong GII Royal North S. at Woodbine.

Forest Drive (Mizzen Mast) caught a flyer from her widest draw and crossed down onto the fence with a minimum of fuss, but Our Flash Drive was away neatly for Patrick Husbands and assured the pacesetter wouldn't steal too big an advantage. Forest Drive held the call rounding the turn and looked to travel strongly approaching the long straight at Woodbine, but Our Flash Drive had her covered, came after her in earnest with about a sixteenth of a mile to travel and edged away late.

A dual Grade III winner at this venue at three, Our Flash Drive took out the one-mile De La Rose S. on the turf at Saratoga last summer and closed the season with a romping victory in the GII Bessarabian S. going seven panels over the synthetic track Nov. 12. In her lone previous racetrack appearance this term, the bay came from just off the pace to make the May 13 GIII Whimsical S. the fourth win of her career at the graded level.

**Our Flash Drive** | Michael Burns

## Pedigree Notes:

A \$650,000 Keeneland September yearling acquisition by Charlotte Weber's Live Oak Plantation in 2012, Dynamotor is a close relative to Fast Falcon (Awesome Again), third in the 2012 GI Travers S.; and to the dam of Grade III-placed Federal Case (Gemologist). Third dam Slew City Slicker was a half-sister to GI Breeders' Cup Sprint winner Very Subtle and was responsible for GI Ruffian H. heroine Pool Land (Silver Deputy).

Live Oak offered Dynamotor carrying a full-sibling to Our Flash Drive at the 2019 Keeneland November Sale, where she was knocked down to Rowland Hancock for \$95,000. The mare produced a filly in 2020 that was bought back on a bid of \$120,000 at that year's Fasig-Tipton November Sale, and her Omaha Beach filly of 2021, named Flashy Motor, was a \$200,000 Keeneland September purchase and is in training with Mark Casse. Dynamotor was led out unsold on a bid of \$285,000 at Fasig-Tipton last fall and dropped a colt by **Mendelssohn** Jan. 27.

Rattle N Roll wheeled back off two weeks' rest and overcame some traffic trouble in the stretch to secure his third consecutive graded stakes victory.

Winner of the 2021 GI Claiborne Breeders' Futurity, Rattle N Roll was forced to miss that year's GI Breeders' Cup Juvenile with a minor foot bruise and was off the board in three Derby trail tries the following season. He returned to winning ways in the local American Derby some 11 months ago, and added the St. Louis Derby and GIII Oklahoma Derby later in the year.

More recently, the chestnut was fourth in the GII New Orleans Classic S. Mar. 25 before annexing Keeneland's GIII Ben Ali S. Apr. 22 and the May 19 GIII Pimlico Special--both races at 1 3/16 miles and the latter by just a nose.

Unhurried early from his rail draw and remaining glued to the fence in third last, Rattle N Roll crept closer down the backside and was all the way into pocket through a :48.35 half. He had nowhere to go past the quarter pole, and pinballed between pacesetter Barber Road (Race Day) and the rail as that one faded in upper stretch. Call Me Fast, meanwhile, had made a powerful sweep to the front that appeared like the winning

move, but Rattle N Roll got clear and lengthened his stride by midstretch to blow past that foe late.

"Two starts ago at Keeneland [Call Me Fast] closed late and we were able to hold him off," winning rider Brian Hernandez, Jr. noted. "Today, he got the first run on us, but once I tipped my horse outside at the eighth pole he really responded well and finished up strong. This win is a credit to [trainer] Kenny [McPeck] and his team. This horse always seems to show up and run well and he came back today on quick rest. But, Kenny and his team had him ready to go."

McPeck added, "I think this horse benefitted at the end of last year and into this year running in Grade IIs and Grade IIIs. It taught him to mature. Brian had this horse loaded at the rail and it got a little tight there in midstretch, but it was a credit to him and the horse for being patient and getting room to close. [GII Alysheba S. winner] Smile Happy (Runhappy) and Rattle N Roll are both owned by the Mackin family and it's a good problem to have moving forward with two very strong caliber horses for the classic races."

**Pedigree Notes:**

Rattle N Roll is one of two graded stakes winners for Connect, whose other graded winner Hidden Connection was fifth in the GIII Shawnee S. on the same card. Johannesburg is the broodmare sire of 29 graded/group winners worldwide, including the McPeck-trained MGISW Swiss Skydiver (Daredevil).

Dam Jazz Tune, whose previous hammer prices were \$7,000, \$20,000 and \$55,000, fetched \$585,000 from Hunter Valley Farm while in foal to Liam's Map at the 2021 Keeneland November sale. The resulting foal brought \$175,000 a year later, and Jazz Tune foaled a Quality Road colt this March.

The lightly raced Idiomatic, never off the board in her seven  
prior outings, found herself somewhat surprisingly on the lead  
here and never looked back en route to a career high. With  
expected pacesetter Travel Column (**Frosted**) ridden with head-  
scratching patience, Idiomatic cruised to the fore and doled out  
splits of :23.82, :47.87 and 1:11.81. Sixtythreecaliber appeared  
the main danger heading for home, but Idiomatic kept finding  
and widened late to stamp herself as one to watch in the distaff  
division going forward.

A three-length debut winner in a one-mile Turfway heat last  
April, Idiomatic was third in a local optional claimer the  
following month. She resurfaced to be third back in Florence in  
December, and romped going 10 panels there next time Jan. 4.  
The bay cleared another condition on the all-weather Feb. 16,  
and took the Latonia S. by two lengths Mar. 25 before venturing  
to New York to be a distant second in Belmont's one-turn-mile  
GII Ruffian S. May 6.

## Pedigree Notes:

Idiomatic becomes the 53rd graded stakes winner for super  
sire **Curlin**. Juddmonte has had excellent recent success with  
runners by the Lane's End stalwart, including last year's  
champion male sprinter and GI Breeders' Cup Sprint winner Elite  
Power and \$1.3-million earner Obligatory, who reached the  
highest level under the Twin Spires in the 2022 GI Derby City  
Distaff. Regally bred First Defence, also a Juddmonte product, is  
now the dam sire of nine graded/group winners worldwide.

The winner's dam, meanwhile, was third in the 2017  
GI Kentucky Oaks here, and is a full to MGISW Close Hatches,  
who in turn produced long-winded MGSW/MGISP and young  
sire **Tacitus** (**Tapit**) and '**TDN Rising Star**' Scylla (**Tapit**), so  
impressive in taking a one-mile allowance Friday at Churchill.  
Further down the busy page is another of First Defence's  
standouts in 2020 G1 Irish 2000 Guineas winner Siskin.

Idiomatic is Lockdown's first foal, and she has an unraced  
3-year-old filly named Abditory (**Medaglia d'Oro**). Lockdown  
aborted to **Tapit** after that, and produced an Into Mischief filly  
last February before dying.

Disadvantaged by a loose leader who was allowed to dictate a leisurely tempo, the reliable Set Piece nevertheless conjured up his customary late turn of foot and was along in the final few strides to become racing's latest millionaire in the GIII Arlington S. at Churchill Downs.

Drawn widest in a scratched-down field of six, Set Piece was in no hurry from the stalls and dropped over to caboose the field as Get Smokin was somewhat surprisingly left alone on the engine by Classic Causeway (Giant's Causeway) and lobbed them along through a moderate opening quarter-mile in :24.16. The Juddmonte runner was still under a quiet ride from Florent Geroux in a share of last and about six lengths from the front as Ricardo Santana, Jr. managed to slow the pace further still through a half in :48.96. Upping the tempo some with three furlongs to travel, Get Smokin skimmed the rail and was still firmly in front at the head of the lane, daring them to come and catch him. But while he had the majority of his rivals hard at it approaching the final eighth of a mile, Set Piece was finding his best stride while hand-urged by Geroux, was roused left-handed and took over with 100 yards to race before edging clear.

Set Piece won two of his seven trips to the post last term, taking the GII Dinner Party S. in May and the GIII Baltimore-Washington International Turf Cup in September, both at Pimlico. Fourth to 'TDN Rising Star' Annapolis (**War Front**) in the GI Keeneland Turf Mile in October, he was shelved off a sixth in the GII Seabiscuit H. at Del Mar Nov. 26 and resumed with a good third to Annapolis in the May 4 Opening Verse S., an event he'd won back in 2021.

Modena was a half-sister to Group 3 winner Zaifafon (The Minstrel)--the dam of multiple champion and 1993 Zafonic (Gone West) and his full-brother Zamindar--and was herself responsible for 1990 G1 Coral-Eclipse S. winner and G1 Epsom Derby third Elmaamul (Diesis {GB}) and 1997 G1 Epsom Oaks heroine Reams of Verse (Nureyev). Mission of Joy ended a three-race win streak last time when third in the local GII Edgewood S. May 5, but returned to winning ways here as the heavy favorite. Off the board in a synthetic sprint debut last September at Woodbine, the chestnut resurfaced a four-length graduate turf routing at Tampa Dec. 2 before clearing her first-level allowance condition there Jan. 18. She got up by a neck in the GIII Florida Oaks Mar. 11, but found serious traffic trouble in the Edgewood, clipping heels and doing well all things considered to round out the trifecta.

Mission of Joy | Coady Photo

Being asked to take the longest trip of her career here, Mission of Joy broke perfectly but was a bit keen past the wire for the first time. Jockey Tyler Gaffalione was able to wrestle her back off the leaders, and tuck her into a perfect stalking spot in third along the fence entering the first turn. The favorite rated comfortably behind splits of :23.63, :48.39 and 1:13.14, but was a bit bottled up as they approached the straight. Gaffalione didn't panic, however, and the seas soon parted--one they did, Mission of Joy quickly scampered clear in hand.

### Pedigree Notes:

Mission of Joy is one of 56 Northern Hemisphere graded/group winners for her late sire. She's somewhat surprisingly the first graded stakes winner bred on this cross with Smart Strike (himself responsible for the dams of 60 NH graded winners), especially considering how potent the cross of Smart Strike's son English Channel over Kitten's Joy has been.

Certainly well bought as Kitten's Joy's 23rd most expensive yearling to sell in the U.S. in 2021, Mission of Joy hails from a typically deep Sam-Son family. Her dam is half to Canadian champion grass mare and 3-year-old filly Irish Mission (Giant's Causeway), GSW French Beret (Broad Brush) and Classic-placed SW Mythical Mission (Giant's Causeway). Dam Smart Mission, herself two-for-two on the track, sold for \$160,000 in foal to Omaha Beach as part of the Sam-Son dispersal at KEEJAN '21. The resulting filly RNA'd for \$29,000 this past October. Smart Mission has a yearling filly by **Union Rags** and a foal colt by **Tonalist**.

## Belle Mahone S. cont.

Souper Hoity Toity, winner of last term's GIII Selene S. over the all-weather and GIII Ontario Colleen S. on grass, spoiled the return of heavily favored Canadian Horse of the Year Moira here.

Sent to the front by Patrick Husbands, Souper Hoity Toity led through easy fractions of :25.26 and :50.75. Headed on the far turn, the bay battled back to regain the advantage in the stretch and dug down nicely to fend off last year's aforementioned Queen's Plate S. winner and unlucky GI E.P. Taylor S. disqualified runner-up (demoted to eighth) for a third career graded success.

The Live Oak colorbearer, also the winner of last term's Ontario Damsel S. in October, was seventh in her comebacker in the grassy Sand Springs S. at Gulfstream last time Apr. 1.

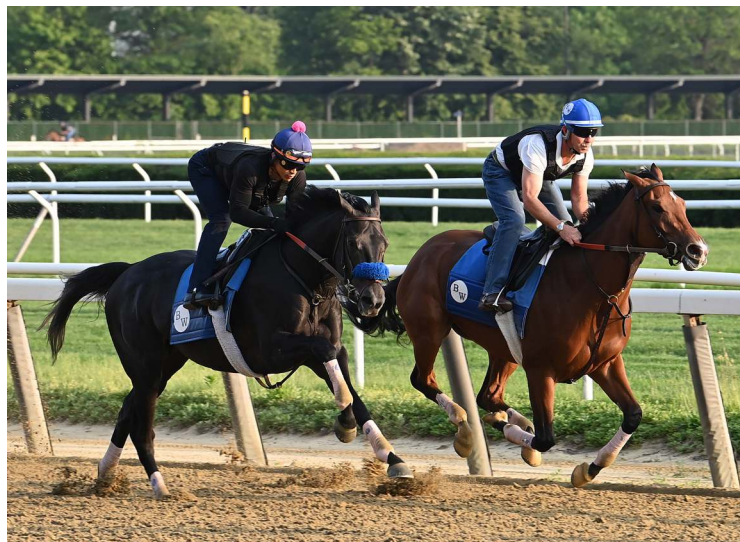

Super Hoity Toity gets the better of HOTY Moira | Michael Burns

### Pedigree Notes:

Souper Hoity Toity, a \$185,000 KEESEP yearling purchase by Al Pike, brought \$550,000 from Live Oak at the 2021 OBS March sale. Coolmore's **Uncle Mo** is the sire of 50 graded winners worldwide. The **Uncle Mo-Speightstown** cross is also responsible for the gone-too-soon GII Jim Dandy S. upsetter and successful sire Laoban. Town Tour is a half-sister to MGISW Moonshine Memories (Malibu Moon), as well as to SW & GSP Indian Evening (Indian Charlie). She is a granddaughter of SW Evil Elaine, dam of 1997 Horse of the Year Favorite Trick (Phone Trick). Town Tour has most recently produced the 2-year-old filly Yay Hooray (Malibu Moon) (\$145,000 KEESEP purchase by Pura Vida 2022, agent Deuce Greathouse) and a yearling colt by **Game Winner**. She was bred to **Uncle Mo** for 2023.

## PRETTY MISCHIEVOUS DRILLS FOR ACORN

Pretty Mischievous works inside of Gilmore at Belmont June 3

Susie Raisher

'**TDN Rising Star**' **Pretty Mischievous** (Into Mischief), last-start winner of the GI Longines Kentucky Oaks May 5, breezed a half-mile in :47.87 over the Belmont main track at 6:45 Saturday morning in advance of a start in Friday's GI Acorn S. at Belmont Park. The Godolphin homebred worked in the company of the dual graded-stakes placed **Gilmore** (**Twirling Candy**), who is expected for Saturday's GI Woody Stephens S. on the Belmont S. undercard.

Trainer Brendan Walsh was duly pleased with his filly's final serious piece of work.

"That's typical of her," Walsh commented. "I think she even went :47 4/5 in her work before the Oaks as well. She's been doing well since then. Everything seems spot on for her."

The Acorn will be contested over a one-turn 8 1/2 furlongs for the first time this year, having been lengthened from a mile, and Walsh is not concerned about the cutback to one bend.

"I don't think it'll be a problem at all," Walsh said. "It should work out well for her. She has plenty of natural speed, which is required in this type of race."

Gilmore was runner-up in the GIII Bay Shore S. at Aqueduct Apr. 8 and cuts back to a sprint off a sound third in the GII Pat Day Mile at Churchill May 6.

"I thought he worked great, too. That was a great work for him," Walsh said. "He's not the most generous worker in the morning, but he worked fine. I didn't want him to go head-to-head with her because I thought they would have gone too fast."

## DR. SCHIVEL OPTS FOR MET MILE

Dr. Schivel | Horsephotos

**Dr. Schivel** (**Violence**) breezed three-quarters of a mile in 1:13 flat at Santa Anita Saturday morning after which connections confirmed that the 5-year-old will make his next start in the GI Hill 'n' Dale Metropolitan H. at Belmont Park next Saturday.

The multiple Grade I winner, third in the 2022 G1 Dubai Golden Shaheen, returned from a near 14-month absence with a sharp allowance victory in Arcadia May 13. He was also under consideration for next Saturday's GII True North S. in New York.

"We think both races are very tough, but the Met Mile could do wonders for his stud career," trainer Mark Glatt said. "We figured this will likely be the last chance for him. He's fresh, he's sharp off that comeback win we feel it's as good a time as any to give it a try."

He is set to face a Met field that is also likely to include Cody's Wish (**Curlin**) and 'TDN Rising Star' Taiba (**Gun Runner**), among others. Dr. Schivel ships to the East Coast on Tuesday.

## SKINNER TO SCRATCH FROM AFFIRMED

Trainer John Shirreffs told the Santa Anita notes team Saturday that C R K Stable's **Skinner** (**Curlin**) would be scratched from Sunday's \$100,000 Affirmed S. at Santa Anita.

The decision was made following a Saturday morning gallop over the Santa Anita main track.

"I just wasn't happy with the way he jogged," the conditioner said.

Skinner, a \$40,000 Keeneland September yearling turned \$510,000 OBS April juvenile, broke his maiden in his 3-year-old debut in February and finished third to Practical Move (**Practical Joke**) in both the GII San Felipe S. and GI **Runhappy** Santa Anita Derby.

The bay was green-lighted for a run in the GI Kentucky Derby May 6, but was withdrawn from consideration two days prior to the race with an elevated temperature. Skinner was back on the worktab as soon as May 14 and had logged two additional breezes since then.

Skinner's defection leaves a field of five for the Affirmed, led by 8-5 morning-line favorite Geaux Rocket Ride (**Candy Ride {Arg}**), last seen finishing second in the San Felipe Mar. 4.

Webslinger stayed perfect over the Churchill Downs turf Saturday and carried the colors home for owner D.J. Stable, who sadly **lost co-owner Lois Green this past week**.

Last seen over this ground on the Derby undercard with a signature victory by a nose in the GII American Turf S., the bay gelding best finish prior to that race came Apr. 7 at Keeneland when he was third in the Transylvania S.

Well-backed at the windows here, the 3-5 shot took up a position to outside into the clubhouse turn. After a pedestrian half-mile at :49.04, the Mark Casse trainee took aim at the leaders around the far turn with a sweeping four-wide move. After moving to the rail past the eighth pole, Webslinger exerted control and ran on nicely to win by 1 1/4 lengths over **Mendelssohns March**.

The winner's third dam is a half-sister to Suntrap (Roberto), who produced Raintrap (GB) (Rainbow Quest) and his full-brother Sunshack (GB), who both won the G1 Prix Royal-Oak-

French St. Leger S. for Juddmonte Farms. Webslinger's dam is responsible for an unraced 2-year-old filly named Viuda (**Outwork**) and a yearling filly by **Take Charge Indy**, which was her last recorded progeny. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Also Ran: Sibelius, Strava.

Gunite returned to the U.S. with a another stakes win for owner and breeder Winchell Thoroughbreds. After a successful juvenile campaign that saw the him win the GI Hopeful S. at Saratoga and a 3-year-old season that was marked by four stakes victories, the dark bay colt shipped to Dubai where he ran second Feb. 25 in the G3 Riyadh Dirt Sprint and Mar. 25 when third to his competitor here, Sibelius (**Not This Time**), in the G1 Dubai Golden Shaheen S.

Off as the well-backed 4-5 favorite in this spot, Gunite was taken back into fourth along the backstretch as Strava (Into Mischief) and Sibelius battled for the lead. Around the far turn, the homebred waited to tip to the outside at the top of the

stretch as Bango took command. However with a furlong left, the Steve Asmussen trainee accelerated past his opponent and ran on to win by 1 3/4 lengths.

Out of a female family which includes GSW Air Strike (**Street Sense**) and his full-brother Home Brew, the winner is his dam's first offspring. Gunite does have a 3-year-old full-sister named Surprise Attack, a 2-year-old half-sister named Copper Top (**Copper Bullet**) and a yearling half-sister by **Tapiture**. Also Ran: Swan Lake, Cosmic Speculation, People Force, Sherlock's Jewel. Scratched: Activist Investing (GB), Ironsides, Offaly Cool.

In six starts since taking last summer's GIII With Anticipation S. at Saratoga, Boppy O logged some strong performances against some significant rivals, such as Friday's GII Penn Mile winner Major Dude (Bolt d'Oro) but despite those efforts failed to return to the winner's circle. That all changed with an impressive come-from-behind victory by a length here.

After the break from the innermost post position, he was jostled by a rival to his outside but soon after found a comfortable stride tucked inside along the rail, content to stalk the early pace set by Cosmic Speculation (**Bucchero**), who held his advantage over the field behind him for six furlongs. Boppy O continued to hug the rail around the final turn and was angled out for a clear running room just past the eighth pole, and with good energy passed his tiring rivals to his inside within the final sixteenth to pull away to the win over 2-5 favored Talk of the Nation at odds of 8-1.

"I talked to [jockey] Isaac Castillo in the paddock and I thought he'd be closer to the leaders this race," Shane Tripp, assistant to trainer Mark Casse, said. "After the break he wasn't. He was shuffled back. Today we learned something about him. He can let the speed go and get his feet under him and come late like he did today. I was a little concerned he was too far back early on. I thought he'd be keener early. Isaac just had to adjust and call an audible. I think after today he can get another graded stakes. He has tried a few and won one. I think with what he showed today he can win another."

Boppy O's dam, who also is represented 2021 GII Best Pal S. winner and GI Breeders' Cup Juvenile runner-up Pappacap (**Gun Runner**), foaled a yearling colt by **War of Will** and was bred to **Candy Ride {Arg}** for a foal this year. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

The chestnut filly was last seen clearing the allowance condition Apr. 27 at Keeneland by 7 1/4 lengths. **SCOTLAND (g, 3, Good Magic--Gemswick Park {GSW & GISP, \$238,032}, by Speightstown)** appreciated the added furlong off a nose defeat at Keeneland at this level six weeks ago and picked up his second career win as the public's 4-5 favorite. The gelding was off a step slow from his middle post, which made little difference as he was taken back early to rate in the two path and well off the pace set by Itzos (Bolt d'Oro), who showed the way through a half-mile in a quick :45.58 with Bourbon Bash (City of Light) chasing to the outside. As the two early leaders rounded the bend together, the winner was swung out wide for clear running room and farther still into the five path at the head of the lane. Under a vigorous ride, the chestnut had gotten by all but the frontrunning pair just past the quarter pole and dug in gamely in the center of the track to snatch the lead within the final yards, remaining all out to hold off the late charging Cagliostro (Upstart) by a head at the finish. Scotland's dam, who was third in the 2008 G1 Frizette S., already responsible for Taped (Tapit), MSP, \$175,696, sold in foal at Keeneland in November carrying the Audible colt she produced this year, also foaled an unnamed McKinzie colt last year.

Back as a well-beaten favorite at Tampa Mar. 29, she returned to New York with a generous 5-1 chance and broke out at the start, bumping the runner to her outside and splitting the field up the backstretch. Fanned out five wide for the stretch run, Redefined rallied up the center of the track to secure a narrow lead and inched away late to win by a length. Gal in a Rush (Ghostzapper), the 2-1 post-time favorite, had to settle for second. Off as the 4-5 chalk here, Shadow Dragon raced in fifth up the backstretch, but began to engage around the fair turn. At the top of the lane under a drive, he went right on by new leader Ormstown to win by 3/4 length. Second dam & MGISW Jostle (Brocco) also produced MSW Adirondack King (Lawyer Ron). Though she trailed early, the winner never lost touch with the tightly bunched field in front of her and soon after the early leader passed the half-mile in a sedate :49.55, she began to make her move toward the front while still hugging the rail. Soon after the early leader passed the five-sixteenths, Customer List was swung out widest of all into the head of the lane and after battling with the frontrunner and fellow closer Cocoa Icing (Boisterous) to her inside, dug in gamely to prevail by a half-length. **REDISTRICTING (GB) (g, 3, Kingman {GB}--Cascata {Ire}, by Montjeu {Ire})** made his debut a winning one, cruising to a daylight victory here over eight rivals as the tepid 2-1 favorite. In the early going the British import was content to lie back as

Balthazar (Flintshire {GB}) showed the way for more than three-quarters of a mile. The winner was asked for his best run midway around the turn, was swung out into the center of the course for the stretch drive and after taking command with a furlong left to run, pulled away to a 4 3/4-length score over 9-1 chance Fly Right (Astern {Aus}). Redistricting is the last reported foal from his dam, who is a full-sister to European champion St Nicholas Abbey and MGSW Grammarian (Definite Article {GB}). **HIGHLAND GRACE (f, 3, American Pharoah--Caroline Thomas {GSW & GISP, \$406,387}, by Giant's Causeway)** was a close third behind unbeaten GIII Soaring Softly S. winner Queen Picasso (GB) (**Kingman {GB}**) in a very live Gulfstream maiden Mar. 5, then rallied from far back to finish second as the favorite going 1 1/8 miles over the Belmont lawn May 7. Favored at 4-5 to go one better while getting some additional ground to work with here, she sat a good trip in an outside fourth for most of the way and began to wind up on the far turn. She hit the front as they turned for home and had 1 1/4 lengths to spare over the late-running \$825,000 FTFMAR graduate She's Mo Bubbly (**Uncle Mo**). The winner, a granddaughter of GISW Bit of Whimsy (Distorted Humor), is a full-sister to the 2-year-old filly Katherine Thomas. At the rear of the pack with only a single rival beat into the far turn, he came with a sweeping move to circle the field into the stretch and carried his momentum home, cruising to the line 3 1/2 lengths ahead of El Rojo Vivo (Redesdale). Out of a half-sister to GISP Ava's Grace (Laoban), Lasso has a pair of full-brothers still to race behind him. **FREEZE THE FIRE (c, 3, Friesan Fire--Scenario Analysis, by Exchange Rate)** at odds of 14-1, got down to business early in his debut by grabbing the lead up the backstretch. Despite pressure from 1-2 shot Dillinger (Into Mischief) around the far turn, Freeze the Fire held sway down the lane and went on to graduate by 1 3/4 lengths. Roused to a short lead past the quarter pole, she showed tenacity when her rival battled back on the inside and dug in for the fight, just getting the better of Bingo's Girl in the final jumps to graduate by a half-length. A \$400,000 Keeneland September yearling and the third winner from as many starters for Omaha Beach, Omaha Girl is a half-sister to a pair of graded-stakes performers in Abaan (Will Take Charge), GSW, \$440,090 and Chip Leader (Giant's Causeway), GSP, \$266,751. Returning to the grass, this time Apr. 15 at Aqueduct, she faded late and missed the board. Trying two turns for the first time as the 6-5 chalk here, the dark bay filly went straight for the lead before the clubhouse turn and controlled the fractions down the backstretch. Distancing herself from the rest of the field around the far turn, Miss San Gabriel kicked for

## 'HE'S TOTALLY UNIQUE' - O'BRIEN ON AUGUSTE RODIN'S DERBY TRIUMPH

Auguste Rodin defeats King Of Steel | PA Media

by Tom Frary

Bouncing back from his disappointment in the 2000 Guineas, **TDN Rising Star Auguste Rodin (Ire)** (Deep Impact {Jpn}--Rhododendron {Ire}, by Galileo {Ire}) conquered Epsom's undulations to carry off a ninth G1 Betfred Derby for Aidan O'Brien. Sent off at 9-2 as the punters dallied over this year's favourite, the G1 Futurity Trophy winner was kept back from the early action by Ryan Moore worse than mid-division. Launched wide as the 66-1 shot **King Of Steel (Wootton Bassett {GB})** cut loose approaching two out, the bay took until the last 100 yards to wear down Amo Racing's seasonal debutante but forged ahead late on for a half-length success.

There was a 4 3/4-length gap between the Roger Varian-trained runner-up, who had trailed Auguste Rodin by nearly 10 lengths when last seen at Doncaster, and **White Birch (GB)** (Ulysses {Ire}) with the unlucky-in-running **Sprewell (Ire)** (**Churchill {Ire}**) beaten another 1 3/4 lengths in fourth. Predictably, Frankie's final Derby ride **Arrest (Ire)** (**Frankel {GB}**) was sent off the 4-1 favourite, but after racing prominently could only manage 10th. The winning time of 2:33.88 was 1/10 second away from that recorded by Emily Upjohn (GB) (**Sea The Stars {Ire}**) in Friday's G1 Coronation Cup and almost three seconds faster than the Oaks. **Cont. p3**

## CHANTILLY: HOW BIG CAN THE ROCK GET?

by Tom Frary

Chantilly offers its riposte to Epsom's Derby jamboree on Sunday as the 183rd edition of the G1 Qatar Prix du Jockey Club welcomes France's new star of the middle-distance division, **Big Rock (Fr)** (Rock Of Gibraltar {Ire}). Initially slow to develop into the barnstorming character he has become, Yeguada Centurion's homebred would be an emotive winner for Christopher Head in the week that his beloved grandmother Ghislaine passed away.

Introduced this year by Head in this track's Prix du Chene des Trois Freres handicap on the Polytrack in February, Big Rock has hardly had a customary build-up to this 10 1/2-furlong Classic since leaving Mathieu Brasme. As he subsequently bulldozed his way through the Listed Prix Maurice Caillault again on the Polytrack here in March, ParisLongchamp's G3 Prix la Force in April and the G3 Prix de Guiche which has come to serve as Chantilly's course prep for this, no rival has come within respectable distance to him at the finish. **Cont. p9**

## G1 Derby Cont. from p1

"He's totally unique," the master of Ballydoyle commented after witnessing the completion of the great turnaround. "All the people in Coolmore have made this happen--it's all credit to them. He came with a massive reputation as a beautiful horse, but he kept stepping up to all the markers all the way which is very unusual. He's out of one of the greatest Galileo mares by the greatest stallion ever in Japan."

"Ryan actually said he'd have preferred a lot stronger pace there and he had to quicken twice," he added. "Everything fell against him in the Guineas, but he came out of it great which was a massive thing and every day in his work he was just getting better and more and more confident. Ryan gave him an incredible ride--he was so cool, as he knew the pressure was on him but he had a free hand going out."

"It was Ryan who rode him last February when he was a 2-year-old and had said he was very special, so you can imagine what he was like then," O'Brien concluded. "His movement has always been spectacular--he has such an economical way of going and is very different. We always felt he was the most special horse we have had at Ballydoyle. These type of horses come here and if they're good enough, we often have a look at the Irish Derby but the lads make all those decisions and all the options are open to him."

Introduced over seven furlongs at The Curragh a year and two days before his Blue Riband heroics, Auguste Rodin had looked desperately unlucky to miss out on a debut win as he met serious trouble in running against the subsequent G2 Beresford S. winner Crypto Force (GB) (Time Test {GB}). Handed his TDN Rising Star badge at Naas a month later, he proved that award to be justified with wins in Leopardstown's G2 Champions Juvenile S. and Doncaster's Futurity and entered the 2000 Guineas surrounded by all the clamour and hype that Triple Crown talk generates.

In the event, the Newmarket Classic descended quickly into calamity for the Rosegreen contingent, but the past experience of the likes of Power (GB) and One Cool Cat served as a reminder that this stable's class acts can very quickly regain kudos following a dismal display there. Seven days after the fire within fellow Guineas flop Little Big Bear (Ire) (**No Nay Never**) was successfully rekindled at Haydock, it was Auguste Rodin's turn to provide a personal renaissance at the track that is the most unforgiving of any weakness.

If luck was against Auguste Rodin at Newmarket, it was on his side here as he was handed the famous stall 10 which housed Friday's Oaks winner Soul Sister (Ire) (**Frankel {GB}**) and from which Shahrastani, Reference Point (GB), Nashwan, Quest For Fame (GB), Generous (Ire), Galileo (Ire), Sir Percy (GB), Ruler Of The World (Ire) and Masar (Ire) all emerged. **Cont. p4**

## G1 Derby Cont.

Settled back down the field as his stablemates **Adelaide River (Ire)** (**Australia {GB}**) and **San Antonio (Ire)** (Dubawi {Ire}) took over from Arrest and Frankie, the eventual winner was able to coast throughout an uneventful first mile and ended up in the Soul Sister position out wide and out of trouble entering the straight.

As the obligatory scrimmaging took place to his inner passing three out, with the runners still tanking from the downhill section onto the crazy camber, Sprewell was the one to hit the wall as happens virtually every year with Shane Foley finding the door abruptly shut. Either side of Jessie Harrington's stricken colt, Ryan Moore was going through the gears while Kevin Stott somehow managed to launch the enormous King Of Steel through the tight spaces and into the clear.

A colt the size of the runner-up should have been compromised by this terrain, but King Of Steel proved surprisingly athletic and nimble as he skipped away from the pack and his only serious pursuer two out. If Stott's Derby dream was alive and kicking for over a furlong, it was dying as Moore arrived alongside with his inimitable drive. Whether the last 100 yards was about Auguste Rodin's superiority or King Of Steel's lack of match practice will only be known when the pair

encounter each other again, but this was the day of Ballydoyle's beau ideal who avenged the defeat of his dam in the 2017 Oaks.

Ryan Moore, who was garnering a third Derby, said, "We landed in a smooth spot and I was always confident I had them covered. It turned in to a bit of a dash and he was a bit babyish, but I just had to get into him in the last furlong there and he responded very gamely. He's done that quite cosily, I think."

Paying tribute to the training performance, he added, "He's the only man that could do it. I've seen him get horses back. There have been horses that have run bad in the Guineas and have come back like Roderic O'Connor and even Qualify ran bad in a Guineas and came and won an Oaks. Aidan can just do things."

Roger Varian said of the runner-up, "He ran a terrific race, but I'm gutted really. I'm delighted with the way he behaved and his performance and I think he's a good one, but this is a bittersweet moment. Credit to the winning team and credit to mine, as he came here in great shape."

Stott added, "There are a few emotions as you hit the front in the Derby and I'm kicking myself a bit as to whether I went to the front too early. Then again, the fact that he hasn't had a run this year might have caught him out in the last 50 yards. We were beaten by a very good horse and there are better things to come I'm sure." ### G1 Derby Cont.

George Murphy said of White Birch, whose antics at the start proved at least some of his undoing, "He just hesitated again at the gates and got himself into a difficult position, but ran a blinder and Colin [Keane] gave him a great ride considering how it played out early on. He galloped all the way to the line, so if all goes well I'd say the Irish Derby will probably be the plan. We're going to have to try and work on his starting and it's going to have to improve--he's not worried about it, he just gets a bit excited more than anything and we're over the moon just to have a horse like him."

### Pedigree Notes

Auguste Rodin, who is one of his remarkable sire's 59 top-level winners, is the first foal out of the five-times Group 1-winning champion Rhododendron who was able to land a Lockinge at a mile and beat all bar Enable (GB) (Nathaniel {Ire}) over this course and distance. This is one of the best pedigrees anywhere, with the second dam the excellent Halfway To Heaven (Ire) (Pivotal {GB}) who captured three at this level including the Irish 1000 Guineas and who also provided connections with Galileo's outstanding Magical (Ire), the seven-times Group 1 winner.

Halfway To Heaven is out of the multiple group-winning sprinter supreme Cassandra Go (Ire) (Indian Ridge {Ire}), whose other black-type winners include the G3 Abernant S. and G3 Sandown Sprint S. scorer Tickled Pink (Ire) (Invincible Spirit {Ire}) and the G3 Summer S. winner Theann (GB) (Rock Of Gibraltar {Ire}). Tickled Pink produced the stable's GI Breeders' Cup Juvenile Turf winner Victoria Road (Ire) (Saxon Warrior {Jpn}), while Theann is responsible for Galileo's GI First Lady S. and GI Rodeo S. heroine Photo Call (Ire) and the G2 Richmond S.-winning first-season sire Land Force (Ire). ## CONTINENTS COLLIDE AS DERBY PREVAILS UNDER DURESS

By Emma Berry

EPSOM DOWNS, UK--Asked to hold up nine fingers to represent his number of wins in the Derby, Aidan O'Brien laughed as he deliberately counted out each one. Two more--and let's face it, he's only 53 and shows no signs of stopping--and he will need to borrow a hand from someone else to keep tally.

Only last weekend, O'Brien's record of Group or Grade 1 wins reached 400. Now it stands at 401, and the most recent addition is arguably the most important of all for the wider racing world.

[Cont. p6](#)

## Derby Prevails Cont.

The 243 runnings of the Derby that have gone before have not been without controversy. From the ringer Running Rein in 1844 to the tragic death in 1913 of the suffragette Emily Davison, who threw herself under the King's horse, the Derby's history has its share of skulduggery and scandal.

In 2020, of course, it was run a month late with barely anyone at Epsom to watch the procession of Serpentine (Ire) as Covid wrought havoc on sporting events. This year, with the racecourse and its enclosures reinforced by a ring of steel barricades and uniformed officers, it took place once more, in 2m 33.88s completed largely without incident, but under immense duress in its build-up.

Serpentine had served an important reminder, just as the 40/1 shot Wings Of Eagles (Fr) had done three years earlier, that it is never wise to rule out a challenger from Ballydoyle when it comes to the race that is still arguably prized more highly than any other by the Coolmore team. In Auguste Rodin (Ire) we had an entirely more obvious winner, though even he came here with a question mark dangling over his head after the bitter disappointment of the 2,000 Guineas. The sages always say that the Guineas is the best Derby trial, but presumably that is usually in reference to a horse who has been a running-on fourth rather than one who was beaten 22 lengths into twelfth place.

Auguste Rodin has also had something of a poignant weight of expectation on his shoulders from the early days. One of only 14 foals in the final crop of Japan's hugely influential Deep Impact (Jpn), he had been the subject of high praise from the far-from-hyperbolic Ryan Moore, according to O'Brien.

"The hype of expectations was there straightaway," he said. "He was measured, measured, measured all the way, and he was ticking the top of the measurements all the way. And then he came to Ballydoyle and I remember Ryan sitting on him in the February as a two-year-old, and saying, 'This is very special'. And then the bar is even higher."

O'Brien continued, "I think this is the most important horse [for Coolmore] ever, because he's out of Rhododendron, who is one of the best, if not the best, Galileo mares, and he's by

probably the best Japanese stallion ever, and we know what is after happening with the Japanese breeding, and we know about our own breeding, and he's after connecting the two of them together. This horse has everything: he has temperament, he has movement, he has a personality.

"I think he's the most important horse we've ever had because he's bringing the two continents together. We've always said he is the most special horse we've had in Ballydoyle."

Fans of Galileo might have something to say about that last statement, but, as O'Brien pointed out, his first Derby winner features as Auguste Rodin's damsire in a cross which we have already seen to good effect in his fellow Ballydoyle Classic winners **Saxon Warrior (Jpn)** and **Snowfall (Jpn)**. A similar blend will be on display on Sunday in the Prix du Jockey Club when Moore partners Continuous (Jpn), who is by another son of Sunday Silence in Heart's Cry (Jpn) and is out of Fluff (Ire), a

full-sister to **Saxon Warrior's** dam Maybe (Ire).

The Coolmore mating planners have clearly not been shy in patronising the best that Shadai's stallion roster has to offer. Speaking in the immediate aftermath of the Derby, Coolmore's MV Magnier said, "Aidan was very confident of winning. He thought that he would just bounce off the ground, and yet again he got it right."

"I just want to say a big thank you to the Yoshida family for everything they have done.

They have looked after us and

our mares very well and we are very grateful to them."

Magnier also made reference to the extensive—and expensive—security operation which was in play at Epsom over the two days to safeguard the participants from the actions of protestors.

"The job that the Jockey Club and Nevin Truesdale has done is a great credit to them," he said. "They've done a very good job and they've worked very hard and I'm just glad nothing has happened."

That was a sentiment widely echoed by those at Epsom on Saturday. It is a desperate state of affairs that one of Britain's most historic sporting events, enjoyed by tens of thousands in person and millions more on television, could be held to ransom by a small group of activists with dubious claims to having the best interests of animals at heart. **Cont. p7**

"I THINK HE'S THE MOST  
IMPORTANT HORSE WE'VE EVER HAD  
BECAUSE HE'S BRINGING THE TWO  
CONTINENTS TOGETHER. WE'VE  
ALWAYS SAID HE IS THE MOST  
SPECIAL HORSE WE'VE HAD IN  
BALLYDOYLE."

## Derby Prevails Cont.

The Covid year aside, this was the most muted Derby in living memory, as a collective holding-of-breath took place on the Downs as the runners headed to post.

As a precautionary measure, the horses had been saddled in the racecourse stables and were in the parade ring for a shorter amount of time than usual. Understandable in the circumstances, but a shame for those gathered at the parade ring who love to spend time observing the physiques and, often more crucially, the demeanour of the runners prior to the biggest test of their young lives.

Following arrests during early-morning raids on houses, Derby day appeared to be proceeding without incident and, despite much grumbling as to the early start time to avoid a clash with the FA Cup final, this was in the end perhaps a mercy, so as not to prolong the trepidation.

A loud cheer went up as the 14 runners sprang from the gates on time, but within seconds a male protestor had somehow breached the lines of security along the rails on both sides of the track to burst onto the course. Moments later a woman tried to jump the fence from the grandstand side but, like her predecessor, was swiftly brought down and handcuffed.

In the winner's circle as the presentations were concluded, Brian Finch, chair of the racecourse and an Epsom local, congratulated those connected to Auguste Rodin and admitted to a huge sense of relief that the race had been run without significant incident.

"The pressure has come from knowing that you have a potential issue but not quite knowing where that issue will manifest, so you stay planning for multiple events, which in turns puts pressure on the team," he said.

"But I applaud everybody for pulling together. It's been effective. Everyone wanted to make sure that the 244th Derby actually happened and went off as close as possible to 1.30pm and we achieved that.

"Our teams will stay vigilant until the day is over. We owe it to the sport to protect the Derby, and to all the people who came before us. They took us through 243 years, through wars and everything else that went in between."

The promotional banners inside and outside the course boasted of the Derby being 'historic, unmatched, eternal'. The first two are undeniable. The third, we hope, is a claim we will not have to abandon any time soon.

## PROSPEROUS VOYAGE SEALS PERFECT ENDING FOR DETTORI ON DERBY

UNDERCARD by Sean Cronin

Andrew Rosen and Marc Chan's **Prosperous Voyage (Ire)** (Zoffany {Ire}--Seatone, by Mizzen Mast), unsuccessful in three starts since posting a career high in last July's G1 Falmouth S., pounced late under an on-fire Frankie Dettori to secure a second pattern-race triumph in Saturday's G3 Princess Elizabeth S. at Epsom.

The 6-4 favourite, returning off a fifth in Newmarket's G2 Dahlia S. last month, forfeited ground to all five rivals at the break and was detached in rear through the early fractions. Taking closer order at halfway and inching into contention in the straight, she was under pressure when challenging out wide entering the furlong and kept on relentlessly thereafter to deny **Random Harvest (Ire)** (**War Front**) by a 3/4-of-a-length in a blanket finish.

"She was a bit rusty in the Spring and I thought this was a good opportunity for her," said Dettori after concluding his Epsom odyssey with a kiss for the winner's circle's hallowed turf. "She's a filly who usually runs forward, but she anticipated the start and smacked her face on the stalls. She got back and we were last straight away, so we went to Plan B. We followed Ryan [Moore aboard Potapova] and she was very brave when she needed the room."

Looking ahead, the rider continued, "The [June 21 G2] Duke Of Cambridge was always the plan, so we tried to get a race into her which would give her confidence. That is exactly what happened and she'll go to [Royal] Ascot with a good chance."

Monroe's descendants also include G1 Dubai Duty Free-winning sire Cityscape (GB) (Selkirk), G2 Temple S.-winning sire **Bated Breath (GB)** (Dansili {GB}) and MG1SW US champion Close Hatches (First Defence). ### REGAL REALITY POPS UP AGAIN IN THE DIOMED *by Tom Frary*

Derby day begun with another successful combining of the rare talents of Sir Michael Stoute and Ryan Moore as they conjured a fifth pattern-race win for the Freemason Lodge stalwart **Regal Reality (GB)** (Intello {Ger}) in the G3 Betfred Diomed S.

With the first of those coming in the Cheveley Park Stud livery five years ago in Goodwood's G3 Thoroughbred S., Peter Done's 8-year-old would be forgiven for allowing his light to fade at this veteran stage but come the festival occasion he was having none of it. Cajoled from rear to enter the fray inside the final furlong, the 5-1 shot overhauled **Highland Avenue (Ire)** (Dubawi {Ire}) in the run to the line to prevail by 3/4 of a length.

Regal Reality, who has been third in an Eclipse when a highly-strung but classy 4-year-old, was adding to his prior personal best successes in the aforementioned Thoroughbred S., the G3 Brigadier Gerard S., G3 Sovereign S. and G3 Winter Hill S. Now without a group win in only one of the past six seasons, the bay is cherished property at Sir Michael Stoute's famous Newmarket base.

"He's a grand old horse. He wins one of these nice races every year, let's hope he can win at least two this year," his trainer said. "We've no plans, we'll just have to ask him where he wants to go. We try to keep him happy at home, as he's very strong-minded." **Cont. p9**

## Pedigree Notes

Regal Reality's dam is the G3 Prestige S. and G3 Oak Tree S. winner Regal Realm (GB) (Medicean {GB}), a granddaughter of the G1 Cheveley Park S. heroine Regal Rose (GB) (Danehill) who is in turn responsible for Medicean's graded-stakes-placed Royal Banker (GB). From the family of the G3 Zetland S. runner-up Recovery Run (GB) (Nathaniel {Ire}) and the G3 Anglesey S. scorer Regional Counsel (GB) also by Medicean, her 2-year-old filly by **Frankel (GB)** is named Regal Jubilee (GB) while she also has a yearling colt by Ulysses (Ire).

## RACE PREVIEWS

### Sunday Previews Cont. from p1

For Head, the journey from that day in February to a potential second stable Classic has been a surprising and remarkable one.

"He takes his racing so easily and his last piece of work was much better than the ones he did before his prep races," he said this week. "There is the question of the distance, but we know that his powers of recovery have been good racing over 1800 metres and we'll soon find out. My relationship with Aur lien Lema tre stems from the days when he rode for my father and we've always had a very good rapport, but we never thought

## Sunday Previews Cont.

He has one of the new re-modelled versions courtesy of 2023's first-season sire Study Of Man (Ire) and looks for a second via Jean-Louis Bouchard's unbeaten **TDN Rising Star Feed The Flame (GB)** (**Kingman {GB}**). He was supplemented following his defeat of the subsequent G3 Prix Hocquart winner First Minister (Ire) (Galileo {Ire}) and fellow TDN Rising Star Silver Crack (Fr) (Cracksman {GB}) in ParisLongchamp's Prix de Ferrieres over slightly further than this trip in April, a race which stands up to any inspection as a valid trial despite lacking black-type status.

"When it came to entering our horses in the Prix du Jockey-Club, I never envisaged Feed The Flame coming under orders," Bary admitted. "He's physically an impressive colt and, in common with many horses with his physique, he has taken time to find his feet and the penny dropped very late in his case. He is familiar with Chantilly racecourse, as he trained there before his debut and he made a return trip there last Tuesday. I've tried to give him enough time between his initial first two races and the Jockey Club, even if he won without having to force his talent in them."

## Pursuing The Classic Double

Since the Jockey Club trip was shortened in 2005, four colts have completed the double after taking the G1 Poule d'Essai des Poulains and Jaber Abdullah's **Marhaba Ya Sanafi (Ire)** (Muhaarar {GB}) bids to follow suit on contrasting ground. Trainer Andreas Schutz is happy that he will stay and said, "The longer trip will perhaps help him. I'm very happy with the way he's developing, both mentally and physically." Behind that peer in the ParisLongchamp Classic was the disappointing favourite **American Flag (Fr)** (**Wootton Bassett {GB}**), who is bred to stay

Danega, the dam of Prix d'Essai des Poulains hero Marhaba Ya Sanafi, with her colt by Hello Youmzain | Peter Mooney

this trip and who may have an ace up his sleeve. "In the lead-up to the French 2000 Guineas, we were too laid-back," trainer Yann Barberot said of Malcolm Parrish's G3 Prix de Fontainebleau winner. "The longer trip can only be a plus for American Flag and he has every chance. In his last piece of work, he was in a relaxed frame of mind--he can be a bit of a rascal, but he is very focused and very diligent."

## The Rouget Triumvirate

It is never wise to rule out a runner from Jean-Claude Rouget's stable, but in truth only one of his three-strong representation this time is unexposed and that is Serge Stempniak's Listed Prix de Suresnes winner **Ace Impact (Ire)** (Cracksman {GB}). Talked of in glowing terms following that impressive success over 10 furlongs at this circuit, he is the pick of Cristian Demuro but Rouget is keeping faith with the beaten Prix de Guiche runners **Padishakh (Fr)** (**Wootton Bassett {GB}**), a **TDN Rising Star**, and **Rajapour (Ire)** (Almanzor {GB}). "You have to draw a line under the last performances of Padishakh and Rajapour in the Prix de Guiche, as the ground was too testing for them," he said.

## Classic Action At Dusseldorf

Sunday also sees the G2 Wempe 103rd German 1000 Guineas at Dusseldorf, where Godolphin's **Dream Of Love (Ire)** (Shamardal) will be a warm order bringing 1000 Guineas form to the party. Her form with that Classic's heroine Mawj (Ire) (Exceed And Excel {Aus}) in Dubai and with Friday's Oaks third Caernarfon (GB) (Cityscape {GB}) in last year's Listed Montrose Fillies' S. sets the standard. Mohamed Saeed Al Shahi's G2 Prix du Calvados winner **Wed (Fr)** (Profitable {Ire}) needs to bounce back to that form after two off-the-board efforts.

## Sunday Previews Cont.

Another looking to regain her best form is the pick of the home team on paper, Gestut Fahrhof's G3 Zukunfts-Rennen-winning **TDN Rising Star Habana (Ger)** (**Kingman {GB}**).

### **FRENCH DERBY FACT:**

Pascal Bary (Feed The Flame) is the winningmost trainer of those with runners in this year's G1 Prix du Jockey Club. He is out in front with six renewals already in the bank, one ahead of Jean-Claude Rouget (Ace Impact, Padishakh, Rajapour) on five; and two ahead of Andre Fabre (Flight **Leader**) on four. Aidan O'Brien (Continuous) and Team Gosden (Epictetus) sit on one apiece.

## **PRIX DU JOCKEY CLUB: WHERE DID THEY COME FROM?** *By Emma Berry*

Trainer Christopher Head and owner-breeder Leopoldo Fernando Pujals have already taken home the Poule d'Essai des Pouliches trophy with Blue Rose Cen (Fr) (**Churchill {Ire}**) and their year could become even more memorable should favourite Big Rock (Fr) (Rock Of Gibraltar {Ire}) take another step forward in an impressive season to date. There's a strong homebred feel to the line-up, and only five of the runners have ever appeared at an auction. Four are graduates of the Arqana August Yearling Sale, while Winter Pudding (Fr) will be flying the flag for Osarus and the first crop of his sire Seabhac.

**FLIGHT LEADER (GB)**, **Frankel (GB)** - Principal Role (Empire Maker)

Owner/Breeder: Juddmonte Farms

Trainer: Andre Fabre

Pedigree Notes/Form Analysis: From a family which has enjoyed success on both sides of the Atlantic, his dam was a four-time Listed winner who was third in the G1 Nassau S. and is a half-sister to the Grade I winner Midships (Mizzen Mast). After breaking his maiden at Chantilly last October, he landed the G3 Prix Noailles but disappointed on his latest start in the G3 Prix de Guiche. His sire has already been represented by one Classic winner this weekend in Oaks victrix Soul Sister (GB).

Owner: Jaber Abdullah

**Rajapour** | Scoop Dyga

Pedigree Notes/Form Analysis: The winner of the Poule d'Essai des Poulains hails from a family which includes Group 1 winners Intense Focus (Giant's Causeway) and Skitter Scatter (Scat Daddy). His second dam Danelissima (Ire) (Danehill) won the G3 Noblesse S. He should be capable of handling this extra distance.

**RAJAPOUR (IRE)**, Almanzor (Fr) - Raydara (Ire) (Rock Of Gibraltar {Ire})

Owner/Breeder: HH The Aga Khan

Trainer: Jean-Claude Rouget

Pedigree Notes/Form Analysis: His dam won the G2 Debutante S., and has already produced the Group 3-placed Ridenza (Ire) (**Sea The Stars {Ire}**). Rajapour was unbeaten in three stars at two, including the Listed Prix Isonomy and took third in the Prix de Fontainebleau behind American Flag and Marhaba Ya Sanafi, but he has a little to prove after a lacklustre effort in the G3 Prix de Guiche.

Pedigree Notes/Form Analysis: The second foal of his dam, who won a Listed race over a mile at two and is a full-sister to Gestut Etzean's G1 Preis der Diana winner Palmas (Ger). Another to be unbeaten as a juvenile in two starts, he was runner-up to Big Rock in the G3 Prix La Force, and was 14 lengths adrift of that same horse when fourth on the G3 Prix de Guiche. **Cont. p12**

Sales History: €270,000 Arqana August Yearling Sale

Pedigree Notes/Form Analysis: A half-brother to the dual Grade III winner Sacred Life (Fr) (**Siyouni (Fr)**), he hails from the further family of St Leger winner Rule Of Law (Kingmambo). A late developer in comparison to some in the field, but he has impressed his trainer, and plenty of onlookers, enough to be supplemented for this Classic after two decisive wins at Longchamp in April.

**ACE IMPACT (IRE)**, Cracksman (GB) - Absolutly Me (Fr) (Anabaa Blue {GB})

Owner: Ecuries Serge Stempniak

Breeder: Mrs Waltraut Spanner

Sales History: €75,000 Arqana August Yearling Sale

Pedigree Notes/Form Analysis: A half-brother to two minor stakes performers in Apollo Flight (Fr) (Rock Of Gibraltar {Ire})

and Alessandro (Fr) (**Australia (GB)**), their dam was also Listed-placed and has produced four multiple winners to date, three of which have earned black type. Made a winning debut at Cagnes-sur-Mer in January and has progressed since then to win twice more, including the Listed Prix de Suresnes. Should not be discounted among the Rouget trio.

**WINTER PUDDING (FR)**, Seahenge - Darling Traou Land (Fr) (Iron Mask)

Owner: Thomas Lines

Breeder: J-C Ollivier

Trainer: Alessandro and Giuseppe Botti

Sales History: €18,000 Osarus September Yearling Sale

Pedigree Notes/Form Analysis: From the first crop of Haras de la Have Neuve's Seahenge, a son of Scat Daddy, Winter Pudding is the third foal and first winner for the claiming winner Darling Traou Land. He has proved a doughty campaigner so far, winning over 9.5f at Chantilly as a juvenile and again over 1m4f at Longchamp in the Listed Prix de l'Avre on his latest start.

### Where Did They Come From Cont.

**AMERICAN FLAG (FR), Wootton Bassett (GB)** - Tres

Americanqueen (Fr) (American Post {GB})

Owner: Malcolm Parrish

Breeder: Chevotel De La Hauquerie

Trainer: Yann Barberot

Sales History: €102,000 Arqana August yearling

Pedigree Notes/Form Analysis: A half-brother to four individual winners, he is the eighth foal out of Tres Americanqueen, herself a half-sister to six black-type horses. They include German Derby runner-up Tres Blue (Ire) (Anabaa Blue {GB}). Impressive in his first two starts of 2023, he wasn't beaten far when fourth in the Poule d'Essai des Poulains.

**CONTINUOUS (JPN), Heart's Cry (Jpn) - Fluff (Ire) (Galileo {Ire})**

Owner: D Smith, Mrs J Magnier, M Tabor & Westerberg

Breeder: Orpendale, Chelston Ire & Wyatt

Trainer: Aidan O'Brien

Pedigree Notes/Form Analysis: Out of a winning full-sister to Group 1 winner Maybe (Ire), this colt is bred on very similar lines to **Saxon Warrior (Jpn)** (Deep Impact {Jpn}) from a family which includes the Oaks winner Dancing Rain (Ire) (Danehill Dancer {Ire}). Made a previous visit to France to win the G3 Prix Thomas Bryon on his second start last year, and has run just once this season when dead-heating for third with Passenger (Ulysses {Ire}) in the G2 Dante S. The form of that race looks strong and he has the pedigree to be very classy indeed.

**EPICTETUS (GB), Kingman (GB) - Thistle Bird (GB) (Selkirk)**

TDN Rising Star

Owner/Breeder: George Strawbridge

Trainer: John & Thady Gosden

Pedigree Notes/Form Analysis: From a family which has served the late Lady Rothschild well, Epictetus is the fifth foal of the G1 Pretty Polly S. winner Thistle Bird and a half-brother to Group 3-winning miler Jumbly (GB) (**Gleneagles (Ire)**). Despite triumphing in the Blue Riband Trial at Epsom, a track on which his dam enjoyed noted success, the shorter French Classic was instantly nominated as the preference for Epictetus, who is from one of the most in-form stables in Britain.

**BIG ROCK (FR), Rock Of Gibraltar (Ire) - Hardiyna (Ire) (Sea The Stars {Ire})**

Owner/Breeder: Yeguada Centurion

Trainer: Christopher Head

Pedigree Notes/Form Analysis: The first foal out of an unraced full-sister to the Aga Khan's dual Derby winner Harzand (Ire), Big Rock has done nothing but impress this season with four straight wins since February, including two dominant performances in Group 3 trials. Admittedly, his turf form is all on soft ground, but

the track appears to remain on the easy side at Chantilly, and he is a worthy favourite for his young trainer who has already won this season's Poule d'Essai des Pouliches.

### MULTIPLE ARRESTS BUT DERBY OFF ON TIME

A protestor is apprehended on the track shortly after the start of the Derby | PA Media

Thirty-one protesters were arrested at Epsom on Saturday for attempting to disrupt the Derby, including 12 in the grounds, 11 during early-morning raids on residential addresses, and another eight in a vehicle close to Epsom.

A male protestor from the pressure group Animal Rising was rapidly apprehended after breaking onto the Epsom track near the two-furlong marker shortly after the Derby runners had jumped from the stalls, while a woman was handcuffed on the ground after attempting to jump the fence from the grandstand side while the race was still in progress.

A spokesman for Surrey Police said, "We can confirm that 31 people have been arrested in connection with planned criminal activity at the Epsom Derby Festival this afternoon.

"Eleven people were arrested at addresses in Mitcham and Byfleet in the early hours, following warrants based on intelligence received ahead of the Epsom Derby Festival. A further eight people were arrested after their vehicle was stopped on Canons Lane in Burgh Heath at around 10.20am this morning. All were arrested on suspicion of conspiracy to commit public nuisance and remain in police custody." **Cont. p14**

### Multiple Arrests But Derby Off On Time Cont.

The spokesman added, "A total of 12 people have been arrested within the Epsom Downs racecourse since the event began this morning, also in connection with planned criminal activity. One man was arrested after he ran onto the racetrack after a race had started. He was quickly removed by event security and police officers, meaning the race was not disrupted."

Chief Superintendent Clive Davies added, "Our officers and event security responded quickly and decisively after a man ran on to the racetrack after a race had begun."

"We will not tolerate criminal behaviour which puts lives in danger, including those of the animals, jockeys, security staff and our officers."

Eight days prior to the Derby, the Jockey Club, which owns Epsom Downs Racecourse among its portfolio of 15 tracks in Britain, was granted a High Court injunction to outlaw intentionally disruptive behaviour during the two-day race meeting, which was conducted amid significantly heightened security and an enhanced police presence. In the lead-up to the Derby, the protest group Animal Rising had publicly threatened to halt or delay the race. The protesters had been offered a place near the entrance to the racecourse to conduct a peaceful protest.

"Our security teams and the police acted swiftly and decisively to remove an Animal Rising protester who entered the racetrack after the Derby had started and while the race was being run," said Nevin Truesdale, chief executive of The Jockey Club.

"This reckless and illegal behaviour which threatened the safety of our equine and human athletes is a breach of the High Court injunction which The Jockey Club obtained last week and prohibits trespass. The court order provides a clear route to prosecution, fines and even the threat of prison for Contempt of Court and we will now take steps to enforce that."

He continued, "Animal Rising have repeatedly stated that they would not attempt to disrupt any races while in progress and we utterly condemn their deplorable and mindless actions today."

"The Derby was first run in 1780 and has continued despite two world wars, the COVID pandemic, and a number of other extreme challenges. That the 244th running of the race was able to take place on time today is testament to the determination of everyone to stage one of British sport's most iconic and loved events."

## DEATH OF FORMER IRISH NATIONAL STUD

### BOSS JOHN CLARKE *By Brian Sheerin*

John Oxx has led the tributes to John Clarke, the former chief executive of the Irish National Stud and advisor to Mrs Tsui, who

died on Thursday following a long illness.

Clarke died peacefully in Blackrock Hospice in Dublin and, according to Oxx, will be remembered for leaving a "considerable mark" on the Irish National Stud's history.

Oxx said, "I knew John well. He was the chief executive of the Irish National Stud for a long number of years. He enjoyed a long stint there, during which time the stud had Ahonoora before he was sold to Coolmore."

"Then Invincible Spirit and Indian Ridge came along and they were great stallions for the stud. They are three outstanding stallions who were there for his tenure and he left a considerable mark on the stud's history."

He added, "In John's latter years, he was looking after Mrs Tsui's interests and [Sea The Stars](#)'s stud career along with Pat Downes of Giltown Stud. He's been associated with some of the biggest equine names in the Irish bloodstock industry. [Sea The Stars](#) of course was foaled and reared at the Irish National Stud before he came into training with me and Urban Sea used to board there and is buried on the grounds of the stud. John had quite a history of great horses under his wing over a long number of years."

Clarke's funeral mass takes place on Wednesday, June 7, at 10am in the Church of the Assumption, Dalkey.

White Moonlight, second at group level in Meydan's G2 Cape Verdi this past February, put it all together for a solid score in the Listed Edinburgh Gin Queen Of Scots Fillies' S. on Saturday.

Unplaced in both Saudi Arabia and the G3 Chartwell Fillies' S. after her UAE near miss, the 6-year-old played a stalking game through the early stages of Saturday's contest. She kept the pressure on throughout and edged to the lead inside the final quarter mile before repelling the persistent bid of Heredia.

The second foal out of the high class German group winner Fitful Skies, who also ran second in the GI E. P. Taylor S., White Moonlight's latest siblings are a yearling full-sister, and a foal of this year by **Not This Time**. The bay is kin to international champion Dahlia (Vaguely Noble {Ire}) and her brood of Grade I winners in Delegant (Grey Dawn II), Dahlia's Dreamer (Theatrical {Ire}), Rivlia (Riverman), and Dahar (Lyphard), who won top-flight races in both the U.S. and France. **VIDEO.**

**6th-Epsom, £75,000, Hcp, 6-3, 3yo, 10f 17yT, 2:07.21, g/f.** **TORITO (GB) (c, 3, Kingman {GB}--Montare {Ire} {G1SW-Fr, \$852,544}, by Montjeu {Ire}),** who was third on debut at Newbury in the autumn, captured a Nottingham novice in his 3-year-old bow in April, and was second to G1 Betfred Derby participant Artistic Star (Ire) (Galileo {Ire}) at Sandown on May 16. Held up in midfield, the 4-1 chance gradually improved with over a quarter mile to travel. In striking distance from there, Torito swooped late and, once in front, scampered clear to win by 2 3/4 lengths. Thady Gosden, who trains with his father John, said, "It was the perfect Piggott ride. They all get put in [the

Derby] as yearlings so you can never read into a Derby entry as they are put in for £600 as a yearling but look I like him and we will see if we can go to Royal Ascot. He will get bumped up a few pounds for that but hopefully it won't be mad. Benoit [de la Sayette] is a talented young man and we know that. He has done really well to be champion apprentice last year. He has overcome adversity early in his life and I think he is a lot stronger for that. I'm pleased with the way he is, his work ethic and his style of riding." The winner, the latest to race for his G1 Prix Royal-Oak-winning dam, is a half to Journey (GB) (Dubawi {Ire}), who won the G1 British Champions Fillies & Mares S.; to the multiple group-placed Travelling Man (GB) (**Oasis Dream {GB}**); to G2 Park Hill Fillies S. victress Mimikyu (GB) (Dubawi {Ire}); and to G2 May Hill S. winner Indigo Girl (GB) (Dubawi {Ire}), who was second in the G1 Fillies Mile. From the same clan as G2 Dahlia S. heroine Worth Waiting (GB) (**Bated Breath {GB}**), Montare's 2-year-old filly To Montare (GB) is by Too Darn Hot (GB), and she has a Dubawi (Ire) yearling colt. ## AMOKURA BECOMES AN OAKS HEROINE

Kermadec sires his fourth Group 1 winner with Amokura's victory in the Queensland Oaks | Photo Courtesy of Darley

by Keely Mckitterick

The Kris Lees-trained **Amokura** (Kermadec {NZ}) showed herself as a filly with a considerable staying future with an authoritative win in Saturday's G1 Queensland Oaks at Eagle Farm over 2200 metres.

Legendary hoop Damien Oliver needed some convincing to make the trip to Queensland from his 'old mate' Lees but ultimately pulled the right rein with Amokura providing Oliver with his 128th Group 1 level success.

Drawn into the tricky pole position, the relatively experienced Amokura was slow to muster and settled towards the back of the field; under a skilful and patient ride by Oliver, the filly was guided through the field to be challenging in the run home, the Richard Lamming-trained Reo (Rubick) was brave in second but proved to be not much of a match for Amokura who went to the line ears pricked, Noah 'N' A Deel (Maurice {Jpn}) finished third.

"I'm really happy that Krissy (Kris) Lees talked me into coming up for this one; she's a lovely filly," Oliver told Sky Racing.

"We were in the barriers a fair while, and I thought she would be slow to jump and wouldn't muster much speed. There was good tempo, and we settled back in the field and got a beautiful run through, and luckily enough, I was on a filly (Amokura) good enough to take the gaps."

The G1 Queensland Oaks was the third win in a row for Amokura, having won her maiden in impressive style at Newcastle and followed by a victory in Class 1 company at the Sunshine Coast.

Trainer Kris Lees was impressed by his lightly raced filly's victory: "She has always shown us something, but this is her first race preparation, so we were always guarded about how far we can take her."

"Amokura put the writing on the wall at Newcastle with an impressive maiden victory, we brought her up with a view to get prizemoney and sneak into this race, and she did that by winning at the Sunshine Coast, and the rest is history."

### Pedigree Note

Darley sire Kermadec (NZ) sired his fourth Group 1 winner in Amokura (Kermadec {NZ}) a dazzling winner of the G1 Queensland Oaks by 1.63l. She is out of the Quest For Fame mare Fain, who has produced seven foals for four winners.

Bred and raced by the St Aubins Scone Partnership, Amokura is the first stakes winner for Fain who is a half-sister to the stakes-placed Paulini (Singspiel {Ire}) and Tide (Galileo {Ire}). Amokura was her last living foal and she is now in foal to Last Kingdom (USA).

The G1 Queensland Oaks win was the first stakes win for Amokura and she becomes the fifth Group winner for her sire, a son of Teofilo (Ire).

In an unusual statistic, Kermadec's four of five Group winners have won Group 1 races; Montefilia (four-time Group 1 winner), Tuvalu (G1 Toorak H.), Willowy (G1 VRC Oaks) and now Amokura. He stands at Darley's Northwood Park property in Victoria for \$16,500 (inc GST) for the upcoming season.
