

EARLE MACK HAS THE ANSWER, AND WE MUST LISTEN TO HIM

Sunrise at Churchill Downs | Horsephotos

The Week in Review, by Bill Finley

Earle Mack is right. This industry, which is mired in a crisis, can no longer afford to ignore the most obvious solution to its problems, which are synthetic tracks.

Mack wrote just that in an **Op/Ed** that appeared in this publication last week. If you haven't read it yet, please do so now. It is powerful, articulate and well-reasoned and was written by someone whose credentials demand that we respect his opinion. He is a horse owner, a breeder, a former U.S. Ambassador to Finland and a smart and successful businessman who clearly loves this sport and does not want it to be pushed to the edge of extinction. It may be the most important story you will read all year.

"The responsibility lies with horse racing's governing bodies, influential race track directors, and all key stakeholders to rally behind a transition to synthetic tracks," he wrote. "Their public endorsement and commitment to safer racing conditions would signal the beginning of the transformative change our industry desperately needs."

The 12 deaths at Churchill Downs have created a dangerous firestorm unlike anything racing has ever encountered.

TAIBA TO MISS MET MILE, POINT TOWARDS DEL MAR

Hall of Fame trainer Bob Baffert said Zedan Racing Stables' MGISW and 'TDN Rising Star' Taiba (**Gun Runner**) will skip Saturday's GI Hill 'n' Dale Metropolitan Handicap, at Belmont Park.

Taiba worked seven-furlongs in 1:27.40 Friday at Santa Anita in what was to be his final prep for the one-turn mile. He has not raced since an eighth-place effort in the G1 Saudi Cup February 25 at King Abdulaziz Racecourse.

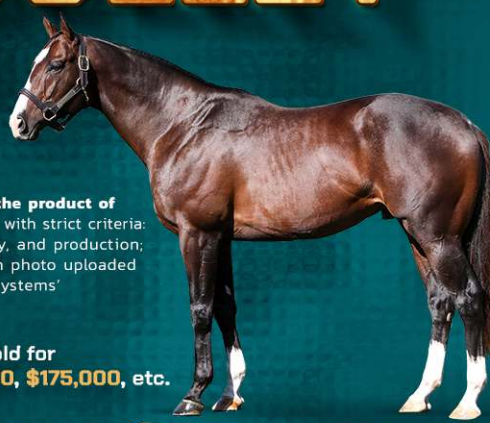

"His works have been good, but not like I'd like to see them. I just don't think he's ready for something like that yet," said Baffert. "I'm going to wait and run him at Del Mar. He's doing well, but not well enough for the Met Mile. To run in the Met Mile, you have to bring your 'A' game and I don't think he's quite there yet." **Cont. Pg. 4**

   PABRED.COM | #PABRED ON SOCIAL MEDIA

We only thought the problems at Santa Anita in 2019 were bad. That was an ugly story but it was largely a California story that didn't resonate with the national media. This time, we are talking about the most famous track in the country, the GI Kentucky Derby and two deaths on the Derby undercard.

This is a story that has been widely covered by every major media outlet in the country and has led to a public debate: is our sport inhumane?

How do we answer that? The public no longer wants to hear about how loved these horses are by their owners, trainers, and grooms or that they are pampered and get the very best care possible and that they were born to run. What they want is for the deaths to greatly decrease if not stop all together.

To their credit, Churchill Downs, the Horseracing Integrity and Safety Authority (HISA) and the Kentucky Horse Racing Commission have stepped up and announced that changes are being made. There is a genuine and concerted effort to do the right thing and to get to the bottom of what has been going on at Churchill. Moving the remainder of the Churchill meet to Ellis Park was a drastic step. Considering the widespread opinion that there is nothing wrong with the Churchill track surface, you can argue that it was overkill, but shutting Churchill down was a victory in the public relations battle, and that matters. The days when the sport shrugged this off and we were told "it's part of the game" are, thankfully, over.

But it's not enough. This sport must do absolutely everything it can to alleviate the problem. And it's not. And it won't until synthetic tracks replace dirt tracks throughout the sport.

Yes, deaths happen on synthetic surfaces, too. But they are much safer than dirt tracks. According to the Jockey Club's Equine Injury Database, there were 1.44 deaths per 1,000 starters in dirt races in the U.S. in 2022. On synthetic tracks, the number was 0.41. That means a horse is 3 1/2 times more likely to die in a dirt race than in a synthetic surface race. Dirt tracks are the most dangerous tracks we have and yet they remain the sport's core product.

Noting those figures, Mack wrote, "...the stark and troubling statistics demand a shift in thinking. We must abandon old norms and embrace new practices that prioritize the safety and welfare of our noble equine athletes. The benefits of synthetic tracks are not mere conjecture; they are a proven truth."

Yet synthetic surface races remain a minor part of racing and Keeneland, Santa Anita and Del Mar gave up on them too quickly, going back to dirt after a short period of time when they were in place at all three tracks.

Mack calls on Churchill Downs to lead the way. Not only does this story center around deaths at that track but the company owns the sport's most important asset, the Kentucky Derby.

Congratulations to all the connections!

Mack reasons that if Churchill takes the lead and converts to a synthetic surface, that will create the much-needed domino effect. How about we go a few steps further? The three Triple Crown tracks should make a joint announcement that going forward, the Derby, the GI Preakness S. and the GI Belmont S. will be contested on synthetic tracks starting next year. The Breeders' Cup should announce that starting with the 2025 Breeders' Cup, only racetracks that have synthetic tracks will be considered as host sites.

It is understood that this would cause a huge change in the economics of the breeding industry, which is a powerful and influential component. There are stallions out there that are worth tens of millions of dollars and that is because they produce top quality dirt horses--ones capable of winning races like the Derby and the GI Breeders' Cup Classic. Should that strength be taken away by ending dirt racing, their value could be greatly compromised. That will never be an easy thing for the top stud farms to accept. But they can adjust. It will take time, but a new set of stallions capable of producing horses that win at the highest levels on synthetic tracks and, for that matter, turf courses, will take over. And the farms, like every other section of the sport, need to look at what the alternative is.

"If we fail to take decisive action, the Triple Crown and horse racing itself may soon be mourned as relics of the past.," Mack wrote. "Animal rights groups, emboldened by each equine death, are gaining traction in their campaign against horse racing. The calls to ban or severely restrict the sport grow louder with each life lost. We cannot afford to lose this race for the soul and survival of our sport."

Is the sport sure to continue? For maybe the first time in its proud history, we really don't know the answer. Where will racing be in, say, 25 years? Will it have gone the way of dog racing? It won't if we do the right things now, before it is too late. The sport must become safer and that must happen now. The best way to do that is to end dirt racing.

Taiba Cont. From Pg. 1

"I don't know if he's ready to go a mile against top horses," Baffert conceded. "He's not quite back to where he was. That's a long way to go to run against Cody's Wish."

SF Racing, Starlight Racing, Madaket Stables, Robert Masterson, Stonestreet Stables, Jay A. Schoenfarber, Waves Edge Capital and Catherine Donovan's GI Preakness S. winner National Treasure (**Quality Road**) is slated to breeze Monday in preparation for the GI Belmont S.

Baffert said he is hopeful that National Treasure will appreciate the added ground.

"You never know until they do it," Baffert said. "He handled the Preakness distance and it wasn't a problem for him."

"We're all in the same boat. None of them probably want to go that far, but if they don't go too fast, they can do it.

"I just want him to show up like he did at Pimlico," added Baffert. "He's never really run a bad race. All his races have been competitive. He's a pretty consistent horse. He's happy and he'll breeze tomorrow and hopefully everything goes well."

Graded-stakes placed Arabian Lion (**Justify**), a winner of the Sir Barton S. last time out, was initially under consideration for Saturday's Belmont S. but Baffert decided to point him to the GI Woody Stephens instead.

TREASON TASTES GRADED-STAKES GLORY IN WOODBINE'S ECLIPSE S.

Treason wins the GII Eclipse S. | Michael Burns

Maybe Woodbine was all he was waiting for. In just his third try over the all-weather surface north of the border and his first start since a fade-to-fourth effort in the GII Autumn S. Nov. 6, Treason (**Constitution**) looked every bit the best with an easy win in Sunday's GII Eclipse S.

Debuted a winner over the turf at Belmont Park in June 2021 for trainer William Mott, the \$150,000 Keeneland September grad then posted three straight off-the-board finishes on both turf and dirt in New York, leading to an extended layoff and a change of scenery, barn, and ownership. Away from the races nearly a year, Treason returned a gelding and absolutely aired out in his first performance at Woodbine last September--going gate-to-wire in dominating fashion to win by 16 1/2 lengths for new trainer Josie Carroll.

In his first start back since that aforementioned fourth to Canada's champion older dirt male in Who's The Star (**Tonalist**) last November, the bay gelding merited only a 6-1 chance at the windows despite picking up Woodbine's leading rider in Kazushi Kimura. Away to a clean beginning in the middle of a pack of ten rivals, Treason out-sprinted the majority of the group to sit the widest of a trio of runners on the front end. Just off the flank of undefeated Tyson (**Tapit**) as War Bomber (Ire) (**War Front**) paced the group through a quarter in a moderate :24.80, the gelding kept pace easily and came alongside to stick a head in front just into the far turn as the half went in :48.74. Alone on the lead as the field swung of the bend, Treason had only a late charge from a closing but green Carrothers (Mshawish), who outran his 13-1 odds but had to settle for a clear second. **Cont.**

MINT JULEP UPSET GOES TO HENRIETTA TOPHAM

Henrietta Topham | Coady Photography

Making her third start of the year in Kentucky, and her second in a row at Churchill Downs, Henrietta Topham earned her second-straight win and first graded-stakes score with an 8-1 upset in the GIII Mint Julep S.

Since missing over a mile two starts back to scratched morning-line favorite and defending champion Gams Mission (Noble Mission {GB}), the daughter of Lemon Drop Kid rebounded to just narrowly get up against optional claimers at Churchill Downs May. 21, her first win since taking the Centennial Distaff Turf Mile S. at Ellis Park last August.

Facing a scratched-down field of just four other runners in the last graded-stakes race to be held at Churchill before its move to Ellis Park, Henrietta Topham had to be urged from the gate to keep pace after breaking a bit sideways but found a comfortable spot at the rear of the pack racing in tandem with Kate's Kingdom (Animal Kingdom). The two favorites did the dirty work on the front end as Sweet Dani Girl (Jess's Dream) and White Frost (**Candy Ride {Arg}**) stayed one-two into the backstretch. Eased up into fourth with four furlongs to run, Henrietta Topham pounced off the turn to engage White Frost past the quarter pole but had to keep finding more as the leaders dueled into the final furlong. Tipped out with a sixteenth to run, the upset-minded 5-year-old overtook that rival and out-finished her to the wire to win narrowly.

"This horse is so turnkey and easy to train," said winning trainer Geoff Mulcahy. "She makes my job so easy. I'm thrilled for all the connections and the owner who pays such attention to detail in their horses and breeding. This horse is a third generation homebred and very special to all of us. It's a team operation between us. They have a big say of what goes on, too."

Pedigree Notes:

The milestone 50th graded-stakes winner for GI Belmont S. hero Lemon Drop Kid, Henrietta Topham is the last of her dam's three foals and the second winner from the family. She traces back through third dam Secondfromthetop to MGSW Why Change (Time for a Change) and SW/GSP Jimmy Z (Fly So Free).

DÉJÀ VU AT ATOKAD: SAME HORSES RUN 1-2-3-4 ON CONSECUTIVE DAYS

by T.D. Thornton

The same set of four Nebraska-bred Thoroughbreds competing in one-furlong races on back-to-back days at Horsemen's Atokad Downs finished 1-2-3-4 on both Saturday and Sunday.

The odd result was the product of the South Sioux City track's ownership, Ho-Chunk, Inc., needing to conduct at least one day of live racing to maintain Nebraska licensure as an active racetrack. That status as a licensed racetrack is required for conducting simulcasting and the eventual development of a racino in a different location within that city.

As in recent years, the abbreviated one-furlong sprints took place over a straightaway with a J-shaped gallop-out that is part of what remains of the full oval where Atokad previously conducted more traditional race meets from 1956 through 2012.

Three races at one-eighth-mile each were conducted on both June 3 and 4, with each race limited to four starters. Seven of the 12 entrants on Sunday had just raced the day before at Atokad on Saturday.

The second race on both Saturday and Sunday featured an identical four-horse field racing for \$10,000 claiming prices with a \$7,500 purse.

On Saturday, P R Girlfriend (Gold Schleiger) bested Lovesaflyin (Shadow Hawk), Inewagallikethat (Monhocracy), and Just Send Her (Mine For Gold).

The 5-year-old winning mare had been beaten by double-digit lengths in three of her last four races at Fonner Park.

The runner-up, a 6-year-old mare, had finished last in three straight races at Fonner, and had been pulled up and walked off the track May 20.

The third-place mare, age seven, had won two starts back at Fonner.

The last-place mare was a 6-year-old maiden who had earned Beyer Speed Figures of zero in her last three races while beaten a combined 50 1/2 lengths.

P R Girlfriend was hand-timed in :13 for her winning furlong on Saturday, managing a half-length victory even though she came out of the gate fourth.

Twenty-three hours and 56 minutes later, the same mares lined up again, although in different post positions.

This time P R Girlfriend "bobbled at the break but soon got clear and held safe" according to the Equibase chart. Again rallying from last, she led home an identical 1-2-3-4 order of finish, this time winning by a full length.

Owned by McKay Stables, trained by Stanley McClain, and ridden by Jose Medina, her winning time on Sunday was :12.20.

P R Girlfriend was the second choice in the betting on both days, while third-place Inewagallikethat was the beaten favorite

TOLEDO, RUSSELL DEFEND TITLES AT PIMLICO'S PREAKNESS MEET

Jockey Jevian Toledo and trainer Brittany Russell defended their titles as leading jockey and trainer respectively as the Preakness Meet at Pimlico Race Course drew to a close Sunday.

Toledo, who ranked second in earnings behind only GI Preakness S. winner John Velazquez, finished with a comfortable 10-win margin over co-runners-up Sheldon Russell, Horacio Karamanos and Victor Carrasco. Both Toledo and Russell are represented by agent Marty Leonard.

"It feels great. I'm just blessed that God gave me the good health to be here," Toledo said. "My agent does a great job and big thanks to all the trainers and owners that give the opportunity to ride their horses. I really appreciate all the help that I've been given this meet."

Russell ended with 15 wins from 42 starters and \$592,630 in purse earnings.

It is the fourth training title for Russell, who tied for first at last year's Preakness Meet.

"It's great. You do it once, and you hope you can do it again," Russell said. "It's awesome but my team is amazing. We have more horses now. You win and it just seems like we get more on our plate every time. Whenever it seems like we do something better it becomes more work and more horses, things like that. My team, it's just so fun to watch what they've done. Everybody on my team is just amazing."

Rockcrest and jockey Keveh Nicholls winning the Pink Lloyd S.
Michael Burns

Rockcrest, off a strong Beyer speed figure of 96 in his last attempt sprinting Apr. 29 at Woodbine, continued his winning ways with his first stakes victory in four years. Off as the 6-1 choice here, the gray gelding made the lead up the backstretch as the rest of the field gave chase. Rounding the far turn,

Rockcrest kept on and accelerated down the lane to win by 2 lengths over 6-5 favorite Candy Overload who made up ground late for second.

"The feeling is indescribable because he makes me feel like I could compete with the big boys being from a small operation," said an emotional Nigel Burke, who saddled Rockcrest to victory in the 2019 Simcoe S. "As you saw, he puts his heart out on the table all the time and that's all I could ask of him. I did promise that if I ever made it across again to this green horseshoe--you guys gave me a lot of credit for Rockcrest--that I would thank Dylan Dunn, his exercise rider, who has done a tremendous job with him. His groom, Brian, too. You couldn't ask for a better team behind him. It's a team thing."

Out of a female family which includes GISW & MGSW Sugar Shake (Awesome Again), the winner's dam produced a 2-year-old gelding named Chasing Bourbon (Old Forester). She then visited Reload twice in succession, and reported a yearling filly so far. **Click for the [Equibase.com](#) chart or VIDEO, sponsored by TVG.**

Pin Oak Stud's Geaux Rocket Ride checked stakes winner off his list with an off-the-pace victory in the Affirmed S. at The Great Race Place late on Sunday afternoon.

After a sparkling 5 3/4-length debut win Jan. 29 at Santa Anita, the bay colt was second in the GII San Felipe S. to Practical Move (**Practical Joke**) before he was sidelined with a slightly elevated fever before the GI Santa Anita Derby.

Off at odds of 1-2 here, Geaux Rocket Ride was determined to live up to his price as he tracked Del Mar Jerry (**Mastery**) and Hard to Figure, who were engaged in a speed duel into the clubhouse turn and up the backstretch. Given his cue rounding the far turn, the Richard Mandella trainee ranged up on the pair, went right by both of them and rolled down the lane to win by 1 3/4 lengths over Mr Fisk.

"He's just a classy little dude," said trainer Richard Mandella. "We will probably look into the [GI] Haskell S. We are going to enjoy this one today, but that will be the one we look to."

The first to make the races for his dam, who counts MSP Mighty Mo as a full-brother, Geaux Rocket Ride's latest sibling is a filly by **Rowayton** who was foaled Mar. 6. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

KITTANSETT (h, 6, **American Pharoah**--Bsharpsonata {**MGSW & MGISP, \$595,010**}, by **Pulpit**) made his second start of the year here after a well-beaten 10th Apr. 20 at Keeneland. At odds of 4-1, the Paulo Lobo trainee tracked Dominican Pioneer (Pioneerof the Nile) around the first turn and up the backstretch. Kittansett stuck to the rail throughout, but into the lane moved the two-path with a sixteenth left and nailed the

pacesetter by a head at the wire. The winner is a half-brother to Vigilante (Tiznow), GSP, \$218,377. TUMBARUMBA (g, 3, **Oscar Performance**--Naive Enough, by **Street Sense**) was well-beaten over the turf at Gulfstream on a pair of occasions this spring before he won Apr. 23 at Keeneland by a nose over next-out victor Scotland (**Good Magic**). Backed at 3-1 here, the Louisiana-bred gelding kept pace along the backstretch with a four-wide move that took him into the final turn. As the top of the lane arrived, Tumbarumba passed the leaders, kicked for home despite a challenge to his outside from Damon's Mound (**Girvin**) and won by a neck over that rival. The winner's dam, who counts GISP Light the City as a full-sister, reported a colt by No Parole Jan. 9. Sales History: \$30,000 Ylg '21 FTKOCT. SIMCOE (g, 3, [Uncle Mo](#)--Aurora Lights {GSW-Can, GSW-USA, \$277,076}, by Pulpit) made it two in a row over track and trip after wintering at Gulfstream before shipping north for a May 7 maiden score at Woodbine. The Chiefswood Stables homebred was let go at 12-1 from the inside and settled comfortably on the rail in midpack behind early fractions of :24.90 and :49.07. Simcoe held his position, inched up to a joint third, then split horses coming off the turn to tackle the leaders and pull clear for a 1 1/2-length win. Wickenheiser (Lemon Drop Kid) followed him home. The winner is a half to Aurora Way (Giant's Causeway), SP, \$227,993. Dam Aurora Lights is herself a half to MGSW Master Command (A.P. PATCHES O'HOULIHAN (g, 3, [Reload](#)--Maythefourthbwithu, by [Silent Name](#) {Jpn}) jumped as the 2-5 favorite against a much more seasoned field here and was hounded from the break by Aim for the Sky ([Sky Mesa](#)). Running comfortably through the turn, he edged away in the final furlong as his shadow chased him in to hold that one by 1 1/2 lengths. Patches O'Houlihan made his seasonal bow May 21 at course and distance a stylish one, winning by over nine lengths after capping his juvenile year in sixth when trying the Bull Page S. on the turf last September. The most recent to the races, the winner has a 2-year-old half-

WEST COAST COWBOY (c, 3, [West Coast](#)--Coco's Sweetie {SW, \$365,332}, by [Tenpins](#)) broke his maiden at first asking as a juvenile at this venue, and would finish fourth in his seasonal wrap before resurfacing in February to contest the GIII Holy Bull S., finishing third. A fading seventh Apr. 1 in the GI Florida Derby behind juvenile champion Forte ([Violence](#)) and eventual GI Kentucky Derby hero Mage ([Good Magic](#)), he went on a spell until this contest. Off at 4-5 favoritism with first-time Lasix here, [West Coast](#) Cowboy rated under a firm hold while floating between five and six wide before taking command through the final bend. Under heavy pressure in the homeward drive, he came away to a 2 1/2-length margin as Big Data (Cloud Computing) rallied from last to pick up the minors.

"He's a big, immature horse. He's a poor work horse. If you watched his works, you'd never think he has this much ability," trainer Saffie Joseph, Jr. said. The winner claims elder half-brother Strike Hard (Flashback), MSP, \$182,443 as a sibling in addition to one other winner from four to the track. ACT A FOOL (c, 3, Oscar Performance--Post Script, by Quality Road) made it three open-daylight scores in a row at Hawthorne with this allowance victory. Sent as the 3-5 choice, the dark bay went straight to the lead, cruising comfortably through :24.90 and :49.41 early fractions. Pilot Alexis Centeno let out a notch on the turn and his mount didn't hesitate in responding, immediately putting distance on the field. Centeno gave him a quiet ride on a loose rein through the stretch as Act a Fool lengthened his advantage and sauntered under the wire a five-length victor over Family Tradition (Malibu Moon). The winner, who is from the same barn at GI Kentucky Derby runner-up Two Phil's (**Hard Spun**), debuted over the all-weather surface at Turfway in January to finish a good 60 lengths behind the winner, but has been unstoppable since. Over this track and trip, he has won Mar. 5, Apr. 9, and Sunday, all by a combined 16 1/2 lengths. Act a Fool's dam, a half to the dam of GISW Coffee Clique (**Medaglia d'Oro**) and MGSW Admission Office (Point of Entry), has a 2-year-old full-sister and a yearling full-brother to the winner. The juvenile brought \$10,000 from Jeffrey Bloom at Keeneland September. The mare was bred to **Upstart** for 2023. Sales History: \$10,000 Wlg '20 KEENOV; \$100,000 Ylg '21 KEESEP. ONE IN VERMILLION (c, 3, Army Mule--Given Star, by Any Given Saturday) was the worst-kept secret the entire day on the Canterbury card and the prices reflected it as the public hammered him down to overwhelming 1-9 favoritism on the jump here. Using some of his **West Coast** speed to clear the field to his inside, the California invader took the initiative through :22.81 and :45.26 splits. He was in the two path rolling into the lane when long-time shadow Xavey Dave (Temple City) headed him in upper stretch and it looked briefly like that one was home free. The back class kicked in late however, and One in Vermillion battled back from the rail to retake command before inching away to win by 3/4 lengths. A multiple stakes winner at Turf Paradise as a juvenile and at Sunland Park this season, he moved from the barn of Esteban Martinez to Eric Kruljac for a try at the GI Santa Anita DeOh boy..rby two back Apr. 8 and a dominating win in the Lazaro Barrera S. last out at the Great Race Place May 6. He rejoined the Martinez string for this game victory. One in Vermillion is the most accomplished runner for his dam, and his 2-year-old half-sister Raspberry Wine (Cat

Burglar) is their dam's last registered offspring thus far. Sales history: \$26,000 Ylg '21 ARZNOV. Lifetime Record: MSW, 8-5-1-0, \$259,240. **Click for the Equibase.com chart.** O-Jonathan Kalman; B-Richard Barton Enterprises (CA); T-Esteban Martinez.

OSCAR ECLIPSE (c, 3, Oscar Performance--Prospector's Moon, by Malibu Moon) was well-beaten last summer over the turf at Ellis Park in his only two attempts at racing. Returning to action as the 7-1 shot with blinkers and under first-time Lasix here, the bay colt rated just off the speed up the backstretch, asserted his authority around the far turn and keep going down the stretch to win by 1/2 length despite a charge from even-money favorite Northern Invader (**Collected**). The winner is a half-brother to Malibu Curl (**Curlin**), GSP, \$100,792. Out of a family which includes third dam & MGSW Fit For A Queen (Fit to Fight), MGSW A.P. CALL THE CAVALRY (c, 2, Khozan--Song and Delight, by Songandaprayer) came into this unveiling with a string of consistent works at Keeneland last month and ran to the billing as the 3-2 second choice. Bobbling after the jump, he was well-rated in third as the field decided the pecking order up the backstretch. Just off the pace and riding the rail as a large hole opened up for him in upper stretch, Call the Cavalry shook clear inside the three-sixteenths to prove two lengths best over fellow firster Rock Star Boy (**Catholic Boy**), who came out on the better end of a photo with the favorite for second.

The victor is the most recent winner to the races for his dam, who did not deliver a foal in 2022 after visiting Khozan again. Song and Delight is a half-sister to a well-met group of siblings including Canadian champion 2-year-old filly GSW Delightful Mary (Limehouse); millionaire, track-record setter GISP & MGSW Delightful Kiss (Kissin Kris); GSP Honour the Deputy (Honour and Glory); the dams of SW Dr Ardito (Liam's Map) and SW-Jpn Wilson Tesoro (Jpn) (Kitasan Black Jpn)); and claims MGSW The Chosen Vron (Vronsky) as an extended relative. WINGS FROM ABOVE (f, 3, Uncaptured--E Built This City, by City Zip) drifted up to 5-1 in her debut under Lasix here. The bay colt tracked 4-5 favorite Map (**Practical Joke**) from second up the backstretch, but around the far turn she went right on by the pacesetter. Running down the lane, Wings From Above began to tire past the sixteenth pole, but was able to find the wire in time to graduate by 3 1/4 lengths in front of the closing Ghost Painter (**Munnings**). The winner's dam produced a 2-year-old filly by **Not This Time** and a yearling colt by Khozan. She was bred back to that sire last year. 5th-Woodbine, C\$76,426, Msw, 6-4, 2yo, 5f (AWT), :59.02, ft, 1 1/2 lengths.

TRIPLE TREA (c, 2, Bolt d'Oro--Urloveisasymphony, by Forest Wildcat)--who signaled his readiness with a bullet :35 three-furlong move (1/70) May 21 over the Woodbine synthetic, followed by a May 28 half-mile training track work in :49 1/5 (8/21)--may have given his connections a few anxious moments as he broke a step slowly and took his time against a field of fellow first-timers. The dark bay raced in sixth and in the clear through a :23.11 quarter, had just moved up to fifth as the timer tripped in :46.43 for the half, and finally shifted into another gear for the last eighth, inhaling the competition late. The 1 1/2-length margin belied the ease of Triple Trea's victory. Favored Bucyk (**Speightstown**) finished second. The 7-2 winner hails from the same family as MGSW Phantom Currency (Goldencents).

His dam died in 2021. Sales History: \$75,000 Ylg '22 FTKOCT. Lifetime Record: 1-1-0-0, \$32,185. **Click for the [Equibase.com chart](#) or [VIDEO](#), sponsored by TVG.**

IRISH RILL (g, 3, English Channel--Irish Sovereign, by Polish Numbers) began his career a well-beaten sixth Feb. 19 at Laurel Park before running fourth at mile over the same course Mar. 10. The Cathal Lynch trainee then shipped to Monmouth and finished sixth May 14 while routing over the turf for the first time. The 6-5 favorite here traveled wide around the first turn before settling to the outside in fourth up the backstretch. Getting underway at the top of the lane, the homebred dove to the rail after the eighth pole and under strong encouragement got up in time to win by a neck over Vesparo (English Channel). The winner is a full-brother to Irish Strait, GSW, \$496,938 and a half to Irish War Cry ([Curlin](#)), MGSW & GISP, \$1,257,060. His dam reported a filly Feb. 12 named Irish Connected ([Connect](#)). Lifetime Record: 4-1-0-0, \$45,490. **Click for the [Equibase.com chart](#) or [VIDEO](#), sponsored by TVG.**

HALOSNHEAVEN (f, 3, [Curlin](#)--Indian Blessing {Ch. 2-year-old Filly, Ch. Female Sprinter, MGISW-USA, G1SP-UAE, \$2,995,420}, by Indian Charlie) shrugged off nearly 10 months on the bench to post a sharp even-money maiden victory at Santa Anita. The Earnhardt homebred wasn't overly quick out of the gate, but was quick to establish position, angling up to third on the outside by the :22.31 first quarter mark. Halosnheaven challenged for the lead while three across at the :44.95 half-mile, swapped leads, got her neck in front at the sizzling :57.66 five-eighths, and pulled clear down the lane under Joe Bravo for a three-quarter length win. Debuting Colette's Joy ([Connect](#)) chased her home in second. After two sharp runner-up efforts last summer at Del Mar--first to eventual GSP Satin Doll (Congrats) and then to eventual GISW And Tell Me Nolies (Arrogate)--Halosnheaven returned to the official worktab May 3.

Her last three works, including a five-furlong move in :59 (1/29) at Santa Anita, have all been bullets. The winner is a half to Ten Blessings (Smart Strike), GISP, \$162,610; and their dam is a dual champion, Breeders' Cup winner, and five-time Grade I winner. Indian Blessing's most recent foals include Dagger Ranch, a 2-year-old full-brother to Halosnheaven, and an Apr. 4 colt by [Charlatan](#). CUT FROM CLASS (f, 4, [Blame](#)--Debbie's Diamond, by Silver Charm) finished just off the board over a sloppy track in her debut Apr. 28 at Charles Town. At 7-2 here, the dark bay filly set the pace early, turned back a challenge around the far turn from first-time starter Tea Rose (Great Notion) and got away down the lane to win by 2 3/4 lengths over another debut maiden in Golden Charm (Blofeld). The winner is a half-sister to Debbie's Tude (Aptitude), SW, \$212,468, who was sent to Australia in 2017, and she is also a half to If I Was a Boy (Jump Start), SP, \$218,778. Favored frontrunner Cel's Star (Maximus Mischief) held for runner-up honors. The winner's dam has a yearling colt by Brody's Cause and visited Mor Spirt for 2023. ROUGET ACE IMPACTS PRIX DU JOCKEY CLUB WITH APLOMB

Ace Impact streaking to victory Sunday | ScoopDyga

by Sean Cronin

Ecuries Serge Stempniak's hitherto undefeated **Ace Impact (Ire)** (Cracksman {GB}--Absolutly Me {F}, by Anabaa Blue {GB}) posted a third straight win when annexing last month's Listed Prix de Suresnes at Chantilly and returned to that Paris venue for Classic glory in Sunday's €1,500,000 G1 Qatar Prix du Jockey Club. Preceding his black-type breakthrough with impressive early-season scores at Cagnes-sur-Mer and Bordeaux-Le Bouscat, the 19-2 chance extended trainer Jean-Claude Rouget's record to six wins in the contest after defeating 17-10 favourite **Big Rock (Fr)** (Rock Of Gibraltar {Ire}) by an impressive 3 1/2 lengths. The trainer has now won five of the last eight renewals while jockey Cristian Demuro, also victorious aboard Rouget's Brametot and **Sottsass**, improved his tally to three. The winning time of 2:02.63 was a new standard for the race, going under **Sottsass**'s previous best by 0.27 seconds.

Ace Impact employed patient tactics from flagfall and settled several lengths off Big Rock's tempo in 10th with 'TDN Rising Star' **Padishakh (Fr)** (**Wootton Bassett** {GB}) the only rival in arrears. Making smooth headway on the bridle in the straight, he was stirred into action passing the quarter-mile marker and powered off into the distance once swooping to deprive Big Rock of control with 100 metres remaining. KELINA TOPS SANDRINGHAM by Tom Frary

Providing a boost to the form of the G1 Poule d'Essai des Pouliches in which she was fourth last month, the Wertheimers' **TDN Rising Star Kelina (Ire)** (**Frankel** {GB}) was in command in Sunday's G2 Prix de Sandringham at Chantilly. Tracking Zarinsk (GB) (Kodiac {GB}) in second throughout the early stages, the 10-3 favourite overwhelmed that rival 1 1/2 furlongs out before surging to an impressive two-length success from the Pouliches third **Sauterne (Fr)** (**Kingman** {GB}).

Two-for-two after impressive displays at Deauville and at this track last summer, Kelina was last as the favourite for the G1 Prix Marcel Boussac, with Sunday's G2 German 1000 Guineas winner Habana (Ger) (**Kingman** {GB}) one place ahead. Warming up for the Pouliches with a second in a conditions event over that Classic's course and distance in April, the bay was on testing ground for the fourth consecutive time and ran with credit in her biggest test as Blue Rose Cen (Ire) (**Churchill** {Ire}) went about her customary business up ahead. Christopher Head's long-time leader was safely clear of the remainder, with G1 Poule d'Essai des Poulains hero **Marhaba Ya Sanafi (Ire)** (Muhaarar {GB}) running on well from off the pace to finish 2 1/2 lengths further

adrift in third. Rising Stars filled three of the next four spots with the supplemented **Feed The Flame (GB)** (Kingman {GB}) fourth, **Epictetus (Ire)** (Kingman {GB}) fifth and Padishakh seventh.

"We've always liked him, I call him 'Monsieur Sans Souci' and he really is without a care in the world," said Rouget.

"I've never had any problems with him, apart from the fact that he managed to sport a winter coat in the middle of summer. We gave him all the time he needed as I saw

something in him when he made his debut at Cagnes-sur-Mer this year. He sprouted wings in the straight that day, just like he did today. He's a very good colt and we thought he was good, but he needed to prove it. I think having three races under your belt prior to running in the Jockey Club is a good thing, but just two races is cutting it a bit fine. When **Sottsass** ran I didn't believe he was up to it, because of the ground, and yet he blew us away. Just like Ace Impact did today. **Sottsass** was exceptional, capable of winning on any ground, and Ace Impact has proved that he's very good. I'm very happy to see the colours of a French owner win the race."

Looking ahead, but without committing to immediate targets, the trainer added, "He's entered in the [G1] Eclipse [at Sandown], but we'll mull matters over first. He has the profile for the [G1] Qatar Prix de l'Arc de Triomphe as he has both the physique and the stride pattern. I'd prefer him to run on good ground, like all good horses, but he should be able to emulate **Sottsass** and be capable of winning on both fast and heavy ground. There are races for him before the Arc and his future programme has not yet been established. Obviously, we are tempted [by the Arc]." Rouget also indicated his other runners Padishakh (7th) and Rajapour (10th) ran too freely and shall revert to shorter trips in the future.

Ace Impact's winning connections | ScoopDyga

The Also Rans

Connections of the vanquished paid homage to the spectacular nature of Ace Impact's demonstration and were in largely positive mood in the aftermath. Big Rock's trainer Christopher Head was first out of the blocks and admitted, "Big Rock caught

a tartar today, but he ran his race and his performance was really very good. Ace Impact looks to be a lot better than Big Rock and the winner did something exceptional. With the pace we set during the race, the bar was set pretty high and I'm very happy with Big Rock's effort."

Marhaba Ya Sanafi's trainer Andreas Schutz was a shade lower on the satisfaction gauge and reflected, "I was very happy with his physical condition going into the race, but unfortunately the race

didn't go as we'd planned. We thought he'd be closer to the pace. He was a little intimidated when racing amongst horses in the peloton and, when the gaps came his way, he really picked up. He's already won the race [Poule d'Essai des Poulains] we were aiming at, so this is a bonus."

Pascal Bary feels 'TDN Rising Star' Feed The Flame is not yet the finished article and needs more time to develop. "Ace Impact was impressive, but Feed The Flame lacked a bit of maturity and race experience and he's a colt who still needs to learn," the trainer said. "When he made his move in the straight, he quickened really well. But, when Christophe Soumillon asked him for extra, he perhaps showed us that the track was a bit too fast for him. I also think that the first and second are better than him. He'll be better on a slightly softer track and will continue to learn his trade. We'll see how he comes out of the race, but the [July 14 G1] Grand Prix de Paris is a possibility."

Almost never satisfied in defeat, John Gosden had a positive outlook when dissecting the performance of fellow Rising Star Epictetus. "He had a good run and picked up well," he said. "He had third place in his sights for a long time and only gave in at the very end. It was a good performance."

Pedigree Notes

Ace Impact becomes the first Group 1 winner for his second-crop sire (by **Frankel {GB}**) and is the leading performer out of the Listed Berenberg Cup runner-up Absolutly Me (Fr) (Anabaa Blue {GB}). Absolutly Me has also produced Listed Grand Prix de la Riviera Cote d'Azur runner-up Alessandro (Fr) (**Australia {GB}**), Listed La Coupe de Marseille third Apollo Flight (Fr) (Rock Of Gibraltar {Ire}) and the unraced 2-year-old cold Arrow Eagle (Fr) (**Gleneagles {Ire}**). Absolutly Me is the leading performer out of a half-sister to the stakes-winning GII Santa Barbara H. runner-up Mabadi (Sahm), herself the dam of the dual Group 3-placed Listed Prix Omnium II and Listed Criterium de l'Ouest victor Salai (Fr) (Myboycharlie {Ire}). Ace Impact's third dam Barakat (GB) (Bustino {GB}), who is from the family of MG1SW distaffer Red Bloom (GB) (Selkirk), is kin to MG1SW G1 Irish St Leger hero Ibn Bey (GB) (Mill Reef) and G1 Yorkshire Oaks heroine Roseate Tern (GB) (Blakeney {GB}).

SIMCA MILLE TOO STRONG IN THE GRAND PRIX DE CHANTILLY *by Tom Frary*

Simca Mille | ScoopDyga

Sunday's G2 Grand Prix de Chantilly looked easy pickings for **Simca Mille (Ire)** (Tamayuz {GB}) despite his penalty and so it proved as he garnered the qualifier for the G1 Caulfield Cup in comfortable fashion. That Australian prize does not appear to be on the radar of trainer Stephane Wattel, who part-owns the Arc-bound 4-year-old with the breeder Haras de la Perelle and who was making it pattern race number four on the fast surface he relishes. Settled alongside the leader **Kertez (GB)** (Intello {Ger}) by Alexis Pouchin throughout the early stages, the 2-5 favourite was in front without being asked a question approaching the two-furlong marker and able to stretch to a 3 1/2-length verdict over that rival.

"He's very easy to ride and versatile," Wattel said of the G2 Prix d'Harcourt, G2 Prix Niel and G3 Prix du Lys winner who was also runner-up in the G1 Prix Ganay when last seen and last year's G1 Grand Prix de Paris. "He is in at Ascot [in the G1 Prince of Wales's S.] in 16 days, so we'll see but the focus this year is to try the Prix de l'Arc de Triomphe. He can handle softer ground

better now and there is the [G1] Grand Prix de Saint-Cloud, a Group 1 in Berlin or we can rest him for a prep race for the Arc."

Pedigree Notes

Simca Mille is the first foal out of Swertia (GB) (Pivotal {GB}), a daughter of The Aga Khan's Sanjida (Ire) (Polish Precedent) who was placed in six black-type affairs including the G3 Prix Penelope and G3 Prix Cleopatre. She is kin to the triple Group 1-winning Prix de Diane heroine Sarafina (Fr) (Refuse To Bend {Ire}), who is in turn the dam of the G3 Prix d'Aumale scorer Savarin (Jpn) (Deep Impact {Jpn}) and her G3 Prix Messidor-winning full-brother Geniale (Jpn). Her 2-year-old filly by Invincible Spirit (Ire) named Slawena (GB) has yet to race.

HABANA DOMINATES THE GERMAN 1000 GUINEAS *by Tom Frary*

Showing the overseas raiders a clean pair of heels on Sunday, Gestut Fahrhof's **TDN Rising Star Habana (Ger)** (**Kingman** {**GB**}) made all to conquer the G2 Wempe 103rd German 1000 Guineas at Dusseldorf. Disappointing on her course-and-distance prep when last of four in the Listed Henkel-Stutenpreis last month, the G3 Zukunfts-Rennen winner who had been down the field in the G1 Prix Marcel Boussac dominated here under an inspired ride from Eduardo Pedroza. Sent clear of Godolphin's 6-4 favourite **Dream Of Love (Ire)** (Shamardal) in the straight, the Andreas Wohler-trained 4-1 shot hit the line with three lengths to spare over **Stenton Glider (Ire)** (Dandy Man {Ire}), with 2 1/4 lengths back to Dream Of Love in third. "I had a good feeling right out of the stalls, we had planned to change the tactics and let her make her own race and she really delivered well," Pedroza said. "She was very relaxed during the race and accelerated well. We've always held her in high esteem and that is why we gave Paris a go last year, but the [soft] going was entirely against her there." Hugo Palmer said of the runner-up, "This is the first time she has run on fast ground and Andrea [Atzeni] said that when she went to let down on it, it was a new sensation for her and she just took a stride or two to hit top gear

TDN Rising Star Habana takes Sunday's German 1000 Guineas at Dusseldorf Racecourse | Mark Ruehl

and realise she did enjoy it and could handle it. We will see what the handicapper does, if we didn't move too much and she came out of the race okay then the Sandringham [H. at Royal Ascot] would still be a possibility." William Buick said of Dream Of Love, "She ran very well. I thought it was a competitive race on fast ground. Everything went smooth and she has probably taken another step up on what she has achieved in the past."

GAME RUN SECURES GROS-CHENE VERDICT ON THE LINE by Sean Cronin

Game Run | Scoop Dyga

The usual suspects assembled for a competitive renewal of Sunday's G2 Prix du Gros-Chene at Chantilly and it was Patrice Cottier trainee **Game Run (Fr)** (Olympic Glory {Ire}--Shortfin {GB}, by Exceed And Excel {Aus}) who landed the spoils, and a career high, in the five-furlong contest's joint-quickest time this century.

The gelded 4-year-old, let go at a generous 15-1, emerged from the handicap ranks to run second in this venue's May 4 Listed Prix Servanne when last seen and secured a narrow verdict here at the expense of Clive Cox-trained British raider **Get Ahead (GB)** (Showcasing {GB}).

Game Run was settled at the back of the pack and raced off a solid pace with just one behind through halfway. Inching closer when coming under the pump with a quarter-mile remaining, he was driven to dispute fourth entering the final furlong and kept on in game fashion to nail Get Ahead by a short-head on the line.

OTTERY POWERS TO ROYAUMONT VICTORY

by Sean Cronin

Juddmonte's 3-year-old filly **Ottery (GB)** (Dubawi {Ire})--Longina {Ger}, by Monsun {Ger}), successful once in four prior outings shy of 12 furlongs, made a smooth transition upped to the extended trip with a career high in Sunday's G3 Prix de Royaumont at Chantilly.

Waited with in rear until well beyond halfway, the 6-1 chance made eyecatching headway into contention in the straight and she delivered a decisive punch entering the final furlong, surging ahead under continued urging in the latter stages to prevail by 1 1/2 lengths from G1 Prix Saint-Alary sixth **Boogie Woogie (Ire)** (Dubawi {Ire}). **Engaliwe (Fr)** (Galiway {GB}), successful in last month's Listed Prix de la Seine, led home the remaining quintet and finished 5 1/2 lengths further back in third.

Pedigree Notes

Ottery becomes the 166th pattern-race winner for her sire (by Dubai Millennium {GB}), and the first for the G2 Diana-Trial victrix and G1 Preis der Diana (German Oaks) third Longina (Ger) (Monsun {Ger}). Longina is the best of three foals out of G3 Preis der Winterkonigin victrix Love Academy (Ger) (Medicean {GB}). The April-foaled chestnut, an 800,000gns Tattersalls October Book 1 graduate, is a half-sister to the unraced 2-year-old filly Letsroll (Ire) (Too Darn Hot {GB}) and a colt foal by St Mark's Basilica (Fr). Ottery's third dam Laurencia (GB) (Shirley Heights {GB}) produced GII Sky Classic victor and GI United Nations S. runner-up Lauro (Ger) (Monsun {Ger}). Laurencia, who is also the second dam of G3 Bavarian Classic victor Lavello (Ire) (**Zarak {Fr}**), is a half-sister to the G1 Deutsches Derby-winning pair Lando (Ger) (Acatenango {Ger}) and Laroche (Ger) (Nebos {Ger}). She is also kin to the dam of ill-fated G1 Gran Premio del Jockey Club victrix Lovelyn (Ger) (Tiger Hill {Ire}). Laurencia's full-sister, G2 Preis der Diana (German Oaks) third La Donna (GB), is the second dam of G1 Deutsches Derby hero Laccario (Ger) (Scalo {GB}).

"We will see about Ascot and I've always thought the Grand Prix de Paris was a race that would really suit him," Johnston said. "I'd like to have that as part of his plans. Whether or not he goes to Ascot in between, we'll see."

"If he did everything, it would be three weeks and three weeks--it is six weeks until Paris."

Learning from his debut experience when second at Saint-Cloud in March, The Fixer went back there to win by eight lengths over 4 1/2 furlongs in April before flattening out on heavy ground when fourth at ParisLongchamp last month. Back with a spring in his step on this sun-baked terrain, the bay was rapid from the gates and straight into the front line as Dance Sioux (Ire) (Sioux Nation) jinked and unseated Christophe Soumillon. Taking control passing halfway, The Fixer maintained the gallop to provide his sire with a landmark 50th black-type winner.

Perdika made a black-type breakthrough in March's Listed Prix Ronde de Nuit at this venue and subsequently hit the board in a trio of stakes starts, including a last-out second in last month's G3 Prix de Saint-Georges at ParisLongchamp.

Sharply into stride and stalking the trailblazer Vicious Harry for the most part, she was shaken up to join that rival on the front end entering the final furlong and kept on in resolute fashion to narrowly prevail after a thrilling ding-dong tussle.

Perdika, the lone stakes winner for her sire (by Society Rock {Ire}), is the latest of seven foals and one of five scorers thrown by an unraced daughter of G3 Albany S. third Danidh Dubai (Ire) (Noverre). ASIA

ON 'SONG'--AGAIN--IN THE YASUDA KINEN

Songline | JRA

by Alan Carasso

A deluge of some 270 ml of rain--that's better than 10 inches for those of us less acquainted with the metric system--fell over the Tokyo Racecourse Friday and into early Saturday, leaving the turf course officially soft for the first of the two days of weekend racing.

Sunday dawned with perfect weather and by the time the field entered the gates for the G1 Yasuda Kinen, the course had been upgraded to good-to-firm, and that played right into the hands of Sunday Racing's **Songline (Jpn)** (Kizuna {Jpn}), who came storming home down the centre to successfully defend her title in the spring mile feature. She joins Yamanin Zephyr (Jpn) (1992-93) and the great Vodka (Jpn) (2008, 2009) in putting wins back-to-back and is the third winner of the Yasuda Kinen in the last four years to carry the Sunday Racing black-and-red colours.

Sent off the fourth betting pick at 32-5, largely owing to her widest draw in 18, Songline was alertly away and settled just ahead of midfield and wide as **Win Carnelian (Jpn)** (Screen Hero {Jpn}) set a predicatbly furious tempo in advance of G1 Osaka Hai hero **Jack d'Or (Jpn)** (Maurice {Jpn}) and the white mare **Sodashi (Jpn)** (Kurofune). Four off the rail and without cover for a time down the back of the course, Songline was eased back a spot or two by Keita Tosaki and critically managed to draft in behind recent G1 NHK Mile Cup winner **Champagne Color (Jpn)** (Duramente {Jpn}) racing down the side.

Win Carnelian led narrowly into the long straight, but was soon besieged by Jack d'Or, who nosed in front with just shy of 400 metres to race. The chestnut, trying the mile for the first time,

battled on bravely despite the demanding pace and took them deep into the final furlong, but Songline, switched off heels once heads were turned for home, was rallying strongly and raced over the top for the victory. **Serifos (Jpn)** (Daiwa Major {Jpn}), a forward factor throughout, bid one off the fence in the late stages and was just home for second ahead of favoured **Schnell Meister (Ger)** (**Kingman {GB}**), who finished his final 600 metres in a race-fastest :32.8. It was the latter's third straight Yasuda Kinen placing, having finished third in 2021 after beating Songline in the NHK Mile Cup and second last year.

Songline has been sparingly raced since her win last year, and was only 10th in defence of her title in the G3 1351 Turf Sprint in Riyadh in February before besting Sodashi last time in the May 14 G1 Victoria Mile.

"I was able to gallop her last week and felt that her form had improved, so I had every confidence in her today," said Tosaki, who took the 2011 Yasuda Kinen aboard Real Impact (Jpn) (Deep Impact {Jpn}) and was winning his 11th JRA Group 1. "The position we found was ideal, she responded beautifully and demonstrated her strong turn of foot and speed today. To score two Group 1 wins in a row is just incredible and I feel she is still steadily progressing."

The Yasuda Kinen serves as a 'Win and You're In' qualifier for the GI FanDuel Breeders' Cup Mile. Songline, who also earned a berth in the Filly & Mare Turf via the Victoria Mile success, was an intended runner in last year's Mile, but plans were scuppered due to inflammation in her epiglottis. Connections confirmed she will be pointed towards this year's Mile, to be held at Santa Anita Nov. 4.

Pedigree Notes:

Songline is the most accomplished runner by Kizuna, easily the best sire son of the late Deep Impact (Jpn) to date. The homebred is one of 22 black-type and 12 group winners for the 2013 G1 Tokyo Yushun hero, whose other elite-level scorer is G1 Queen Elizabeth II Cup (2200m) victress Akai Ito (Jpn).

Himself victorious in the 2013 G2 Prix Niel and fourth to Treve (Fr) in that year's G1 Prix de l'Arc de Triomphe, Kizuna has also made an impression on foreign soil as a sire, as his son Deep Bond (Jpn) took out the G2 Qatar Prix Foy ahead of an Arc appearance in 2021, while Bathrat Leon (Jpn) posted surprise victories in the 2022 G2 Godolphin Mile in Dubai and in this year's 1351 Turf Sprint. Songline's second dam was kin to three Japanese stakes winners, while her great-granddam not only bred a trio of black-type winners, but is also responsible for Reizend (Jpn) (Special Week {Jpn}). She serves as the dam of the globetrotting Deirdre (Jpn) (Harbinger {GB}), who won the 2019 G1 Qatar Nassau S. while placing in the G1 Hong Kong Cup and G1 Dubai Turf. Luminous Parade is also the dam of the 2-year-old colt Sonic Line (Jpn) (Real Impact {Jpn}), a yearling full-brother to Songline and foaled a colt by Satono Diamond (Jpn) Apr. 21.

WORLDWIDE NEWS

THE OAKS STUD ACQUIRES U S NAVY FLAG

by TDN AusNZ

U S Navy Flag | Coolmore

Rick Williams, general manager of The Oaks Stud in Cambridge, New Zealand, confirmed to *TDN AusNZ* that The Oaks Stud has purchased **U S Navy Flag** (War Front) outright from Coolmore Stud.

"The deal was finalised on Friday, so we own him now. The timing has been perfect for us, and I hope it is a coup for the New Zealand industry," said Williams.

U S Navy Flag's first Southern Hemisphere crop yielded 98 foals, 21 of which have hit the track resulting in six winners of seven races, four stakes performers and one stakes winner.

From **U S Navy Flag**'s Northern Hemisphere crops, he has produced Ocean Vision (Ire), a four-time winner, including the Listed Prix de la Vallée d'Auge at Deauville and the Listed Prix de Pontarmé at Longchamp. Ocean Vision was also placed in the G2 Criterium de Maisons-Laffitte at Chantilly, and Love Reigns (Ire) won two Listed races before running fourth in the G2 Queen Mary S. at Royal Ascot.

Williams is pleased with the performance and feedback from the first crop of **U S Navy Flag**.

"Most of my social friends are horse trainers, so I get pretty accurate feedback on what they think of a horse, whether good or bad. "He seems to be throwing horses similar to himself. They cope with racing and keep improving. **U S Navy Flag** is not a big horse, but he's one of the best-moving horses you'll ever see."

"We couldn't be happier right now. I'm more excited about the spring because many trainers I've spoken to have had trial

winners by the stallion that haven't raced yet, and they've put them away for the spring. He's got plenty of unraced stock with high opinions on them to come through," Williams told *TDN AusNZ*.

"Whether he'll be a top-notch stallion, time will tell, but the way he's going, he's not a bad stallion. Let's hope the success continues, and it's a good investment for us and the New Zealand breeding industry."
