They talk about the glass ceiling, though back in 1992 Shelley Riley ran into something more like a glass wall. For a few strides, it looked as though she was going to make history as she watched Casual Lies—a Lear Fan colt she had found as a short yearling for \$7,500—lead into the stretch with most of the Kentucky Derby field in trouble. But then that invisible barrier came down, and Lil E. Tee ran by to win by a length.

Her reward? Later that year, somebody claiming to represent a movie star approached Riley offering to buy into the horse, in the same breath mentioning the gentleman whose barn Casual Lies would then be joining. Naturally, the horse stayed where he was. And, whatever the progress meanwhile made by wider society, so did horse racing.

PATIENCE BREEDS SUCCESS FOR MURPHY'S EMERGING STABLE STAR

by Katie Petrunyak

GIII Louisville S. winner and Saturday's Chorleywood Overnight S. morning-line favorite Foreign Relations (**Karakontie {Jpn}**) very easily could have been retired from racing not long after his debut had it not been for the patience and perspective of his connections.

A \$1,500 short yearling-turned-\$25,000 2-year-old, Foreign Relations was not the biggest physical standout when he first arrived at trainer Conor Murphy's barn. While he did run a promising second in his debut the summer of his 3-year-old season, he incurred a minor injury soon after and his owner Double O Racing had to make a decision. They could either cut their losses and move on to the next horse or give Foreign Relations the time he needed to return to the racetrack.

Fortunately, they chose to give the maiden a year off and when the gelding returned to training last year as a 4-year-old, he took an upward trajectory that led him to the winner's circle in the GIII Louisville S. on May 20.

"The owners just gave him time," explained Murphy. "And that was the big thing, giving him time and patience to help him get over it. The more we trained him, he showed that he had some potential. I don't think we ever thought he was as good as he has turned out to be, so it's always a nice surprise when they keep improving." **Cont. Pg 4**

As has been pretty universally recognized, our community could not have been more fortunate in where fate finally found a female trainer to win a Triple Crown race. Jena Antonucci knows that her gender should be as irrelevant to everyone else as it is to Arcangelo (Arrogate), and it feels somewhat disrespectful that she should be constantly required to interpret such a momentous personal milestone as though she has arrived in our midst as some kind of gender token. But she has generously reconciled herself to that particular indignity, in order to help articulate and address those shared by all women.

And while it's embarrassing that the American sport had to wait until 2023 for this moment, actually the situation is still more flagrant in my homeland. With the likes of Criquette Head-Maarek and Jessica Harrington having won so many big races in Europe, guess how many women currently feature among the top 30 of the British trainers' championship? Two, maybe? (As is the case, thanks to Linda Rice and Brittany Russell, in the American standings.) Surely not just one?

Well, close, but the answer is one fewer than that.

Jena Antonucci with Arcangelo the day before the Belmont S.
Sarah Andrew

That deplorable state of affairs suggests that the people investing in British stables, along with their management teams, are an even more stubborn crew than the handicappers. For the latter have grasped that Rachel Blackmore, who has raised the bar so high in jump racing, is not just the best female jockey but the best jockey, period.

If I had to confess to a candidly sexist generalization, simply from the demographics prevailing in a particular culture in a particular time, it would be that women, if anything, might have a more natural engagement with horses. Be that as it may, it would plainly be impossible for anyone to maintain the slightest coherence in proposing that they might, in any way, be less qualified to train racehorses. **Cont.**

Historically, admittedly, women trainers may have had to meet additional challenges, in terms of asserting the kind of authority they were chronically denied in so many other workplaces. And it is not as though those battles have been definitively won elsewhere, for instance in politics or business. But their current profile in this profession suggests a culpable failure, in our community, to match even such progress as has been painfully achieved in other walks of life.

So much so, that arguably it should be incumbent on those in a position to influence behaviors to exercise some positive discrimination. Given the gender ratio among licensees, after all, that's nothing like as tough as it should be. But perhaps these billionaires should be saying to themselves: "Right, my team is about to hit the sales. At the end, I'm going to ensure that at least [for instance] two of my eight new yearlings go to female trainers." Is that so much to ask in a world containing, say, Josie Carroll and Cherie DeVaux?

We know the chicken-and-egg element in any trainer's reputation: get some good material, win some good races, get better material. Of course, I'm not saying that all trainers would do equally well with the same material. But if we truly believe in merit, then the only way for the training profession to become a true meritocracy-and to achieve the requisite volume of female entry-is for the role models to have proper respect and opportunity.

As it is, Antonucci had to seize her moment with a \$35,000 yearling, hardly an exponential leap from the \$7,500 Casual Lies.

Out of nowhere, and in its hour of need, Antonucci has stepped up to the plate not just for her sex but also for her sport. This is a person who had already shown exemplary ambition in terms of a more holistic, acorn-to-oak approach to the Thoroughbred's career. But even her uninhibited exhibition of excitement and joy, during the race last Saturday, offered us something valuable. This was not female joy; it was human joy. It was something that anybody would aspire to share.

A year before a woman named Jena found her platform in the Belmont, the same race had allowed one named Jana to share her experiences in a world dominated by men. Jana Barbe and her husband Roy had raised a Belmont contender, We the People (**Constitution**), despite being relative newcomers to the game.

She acknowledged the Turf to have proved a conservative environment, in need of more diversity in every way. But this is a corporate highflier who used to come home from work "picking shards out of my head" from that notorious glass ceiling.

When she graduated law school, in 1987, the percentage of female equity partners at big law firms was 15 to 18 percent, and the goal was 20 percent. The goal today? Still 20 percent.

So, what Jena did last Saturday was what Jana urged last year, when discussing the only way to achieve change. "One person at a time, one foot in front of the other, and being really smart in how we go about it," she said. "We will get there. Because we have to. In the end the sport will become integrated because it can't not."

Foreign Relations Cont. From Pg. 1

In February, Foreign Relations broke his maiden at Turfway in his third start off the layoff. He later crossed the wire first in a Keeneland first-level allowance in his first start on turf since his debut at Ellis Park nearly two years earlier, but was disqualified after an incident in the stretch.

Murphy describes Foreign Relations as a bit of a quirky trainee, but said that the 5-year-old is finally putting the pieces together this summer.

"Even in his first couple of races back at Turfway, he raced behind the bridle a bit and he was still quite green," he said. "I think he's finally got the hang of it. Physically as well, he has really filled into his frame. He's a big, strong horse and now we're seeing the best of him."

Murphy initially planned to send the gelding to an allowance at Churchill Downs, but after drawing the outside post position in a 12-horse field, he opted to take a chance and go for the Grade III. **Cont.**

With Declan Cannon aboard, Foreign Relations stalked three wide for the mile-and-a-half turf contest before driving clear in the stretch to earn a career-best 92 Beyer Speed Figure.

The win gave Murphy his first graded stakes score at his home track. It was also the first graded win for Declan and Cassandra Orpen's Double O Racing, whose current stable roster includes the four-for-five Tom Morley trainee Grannys Connection (**Connect**).

"This is my first horse for them, so a good start," noted Murphy. "They're getting their reward for giving the horse time and being patient with him. Same as any horse, if we can keep him in one piece and keep him on the right track, hopefully he can keep improving."

While Murphy said that Foreign Relations came out of the Louisville in top form, he felt that the 5-year-old needed one last race under his belt before jumping into Grade I company. Saturday's nine-horse \$175,000 Chorleywood field at Ellis Park also includes the Mike Maker-trained trio of Therapist (Freud), who was eighth in the Louisville but won the GII Pan American S. in his prior start, as well as Pan American runner-up Bay Street Money (**Street Sense**) and GSP Media Blitz (**Medaglia d'Oro**).

"This race was originally a mile and three-eighths at Churchill, so that probably would have suited him a little better but I don't think a mile and a quarter will be an issue for him," Murphy explained. "It's a tough field again, but he's in good form."

Murphy said that if all goes as planned on Saturday, the GI United Nations S. at Monmouth on July 22 is penciled in for the gelding's next start.

Murphy could be gearing up for a big summer with Foreign Relations and another potential stable star in Dark Shift (GB) (Dark Angel {Ire}).

Raced in his home continent at two through four, the horse was a winner at Ascot for Charles Hills last summer before arriving at Murphy's barn soon after. Now campaigned by Craycroft Racing and Riverside Bloodstock, the 5-year-old broke a step late in the GIII Thunder Road at Santa Anita on Feb. 4, but still got up to show the way through most of the mile-long contest before yielding late to run fifth in a tight finish. Kept from the starting gate since due to a quarter crack, Dark Shift is now back in training and looking to return to the races this summer. **Cont.**

"There's the GIII Connaught Cup S. at Woodbine going seven furlongs and the GIII Kelso S. at Saratoga, so they'd be two [to consider]," Murphy said. "But if he's not ready for those, we'll give him a little longer. I think he'll be worth the wait."

Patience is a defining quality of Murphy's operation, but a parallel trait is his stable's knack for bringing out longevity in their top-level trainees.

When Murphy, who is a native of Cork, Ireland, moved to the U.S. to open his stable in 2012, he brought with him a 4-year-old named Dimension (GB) (Medicean {GB}). The gelding raced for Murphy from four through 10. From 32 starts in the States, he produced five stakes wins including three Grade II contests and he took Murphy to two Breeders' Cups.

The 15-year-old now lives across the street from Murphy's base at Tyrone Thoroughbred Training Center (formerly Skylight Training Center) and can often be seen grazing from Murphy's barn.

Just when Dimension was retiring, another European import in Great Wide Open (Ire) (**Starspangledbanner {Aus}**) began to make his mark for Murphy. The gelding also made his first start in the U.S. at age four and brought home several wins over the next four years including a stakes score in the 2018 Buddy Diliberto Memorial S. He was also second in the 2018 GI Shadwell Turf Mile S.

Murphy said he is hopeful that perhaps Foreign Relations could be the next longstanding star for his stable.

"The good thing with him is that he has only run seven times," Murphy noted. "He's a 5-year-old, but I feel like there is a lot of improvement to come from him. He's an exciting horse and he loves what he does. He stands in his stall every day just looking out at the track. Fingers crossed we can win some nice races with him."

CASSE/GREATHOUSE DELIGHTED WITH RHYME SCHEMES AFTER ELLIS ROMP

by J.N. Campbell

Pura Vida Investments celebrated a maiden-breaking win in style **Thursday at Ellis Park** when 2-year-old **Rhyme Schemes** (**Ghostzapper**--Katherine, by Distorted Humor) won second out in a gate-to-wire romp by 9 1/2 lengths and posted a 94 Beyer speed figure at the Pea Patch for trainer Norm Casse.

In his debut May 18 at Churchill Downs, the chestnut colt finished a well-beaten sixth behind first-time starter Wilson Q (**Constitution**) and next-out Tremont S. victor Gold Sweep (**Speightstown**).

Rhyme Schemes in his maiden breaker at Ellis Park Thursday

"We've gone about training our 2-year-olds a little bit differently this year than previous years," Casse said. "This was Rhyme Schemes' second start and we haven't really cranked up any of our 2-year-olds going into their debut. We've been using their first start to build on their fitness. So, it was extremely impressive the way this horse won. We added blinkers for his second start and they seemed to help a lot as well."

Bred by Parks Investment Group, he brought \$210,000 out of the Paramount Sales consignment at Keeneland September and was part of nearly a dozen that Pura Vida purchased at the sale. Launched by bloodstock agent Deuce Greathouse, the group has upped its ante each year, beginning in 2020 when they spent \$350,000 on six fillies.

"We've really tried to keep it small," said Greathouse. "Cindy Hutson and Brett Setzer were foundation investors that helped me get Pura Vida going. We just went over \$1.5 million in purchases this past year, but we intend on continuing to keep the circle small. I've know Norm [Casse] for some time and even though we weren't sure how Rhyme Schemes would run, we knew he was from one of the best families in North America."

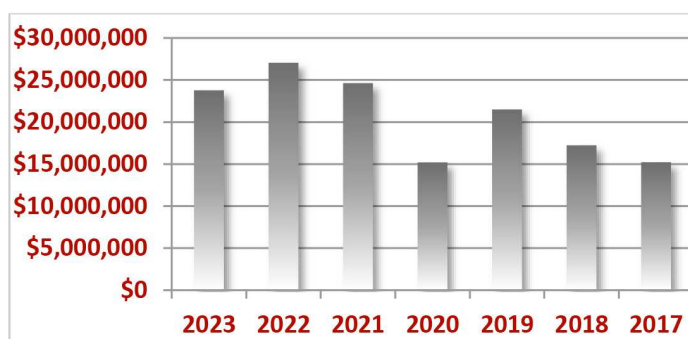

Out of a female family which includes MGISW Dream Rush (Wild Rush) and her daughter GISW Dreaming of Julia (A.P. Indy), who in turn produced two-time champion Malathaat (Curlin) and her full-sister GSW Julia Shining, Rhyme Schemes is his dam's second offspring to make the races.

He has a 3-year-old half-brother named Nullarbor (Candy Ride {Arg}), who went for \$40,000 back in April at the Keeneland Horses of Racing Age sale to Sean S. Perl Bloodstock and is now owned by Smith Ranch Stables. Dam Katherine is also responsible for a yearling colt by Honor A.P. and she foaled another one by Candy Ride (Arg) Apr. 22. **Cont.**

DEMOLITION OF ARLINGTON GRANDSTAND BEGINS

by Bill Finley

Once considered among the most beautiful facilities in racing, Arlington Park met the wrecking ball Friday.

The work on the exterior portion of the track started after the Arlington Heights Building and Safety Department approved a request from the Chicago Bears for a building permit that allowed the demolition of the grandstand and other structures on the property. In February, the Bears completed its purchase of the 326-acre property from Churchill Downs, Inc. for \$197.2 million. The Bears have yet to fully commit to building a new stadium on the property.

Churchill announced its plans to sell the track in February of 2021. Arlington last raced on Sept. 25, 2021.

According to the Daily Herald, the process began at 1 pm local time with a pair of excavators tearing into the southeast corner of the grandstand. About 25 minutes later, the first row of seats in that corner began to collapse. The plan, the Herald reported, is for the teardown to be done piecemeal, with crews beginning work at one end of track and finishing at the other.

It is expected that the grandstand will be fully demolished by the end of the summer and that the grandstand entrances will be gone by the end of June. At some point this fall, the offices, paddock and jockey's quarters will be demolished. The Herald reports that the Bears will pay \$3.8 million to have the track demolished.

Arlington Park | Getty Images

In a May 4 letter sent by Bears President and CEO Kevin Warren to the superintendents of three area school districts, the Bears official said that the demolition of the buildings would "reduce our operating cost and lower the assessed value of the land so that we can realize a realistic property tax during the predevelopment period." The Bears are in the midst of negotiations with local schools over the amount of property taxes the football team should pay over the next two years. The Bears have said that high property taxes have put their plans to build a stadium on the Arlington site in jeopardy.

That Arlington is now in the process of being torn down is the latest chapter in a story that has been nothing but bad news for horse racing. The track opened in 1927 and was the jewel in what was then a robust Chicago racing circuit. Hawthorne is the only track left in the Chicago area.

On July 31, 1985 a fire completely destroyed the Arlington grandstand and clubhouse. Miraculously, under track owner Richard Duchossois, temporary bleachers were constructed and the GI Arlington Million was run that year on Aug. 25 in front of 35,000 fans. In need of a new grandstand, Duchossois spared no expense and built a new track from the ground up. The new Arlington opened on June 28, 1989 and was widely hailed as a marvel, one of the nicest tracks in the world. In 2002, Arlington hosted the Breeders' Cup.

Arlington appeared to have new life after casinos were legalized at Illinois racetracks. But, in a move that stunned many within the industry, Churchill Downs did not take steps to secure a casino license. It has been suggested that Churchill did not want to open a casino at Arlington because it would compete with a casino the company owns in nearby Des Plaines, Illinois.

SATURDAY PREVIEW: BROWN RETURNEES FEATURE ON HASKELL PREVIEW DAY

by Alan Carasso

While the \$150,000 Pegasus S. (*more on that below*) serves as the local feeder into next month's GI TVG.com Haskell Invitational S., the graded events on Saturday's Haskell Preview Day at Monmouth Park are set to mark the seasonal debuts for a pair of Chad Brown-conditioned Grade I winners from last term as well as a **'TDN Rising Star'** from the same shedrow looking to kick start what connections hope will be a productive 4-year-old campaign.

Peter Brant's **Gina Romantica** (Into Mischief) makes her first appearance since taking out the GI Queen Elizabeth II Challenge Cup at Keeneland last fall. The \$1.025-million KEESEP yearling flashed ample ability on dirt, winning twice from four starts, but was reinvented as a grass filly in the second half of 2022.

Upset winner of the Riskaverse S. at Saratoga when making her turf debut last August, she was a pace-compromised second in the GIII Pebbles S. before accounting for stablemate McKulick (GB) (**Frankel {GB}**) in the QE II. Florent Geroux replaces fellow Frenchman Flavien Prat in the boot.

Tribhuvan (Fr) (Toronado {Ire}) returns to the site of his victory in the 2021 GI United Nations S. and can give Brown a remarkable seventh consecutive victory in the GIII Monmouth S. The all-the-way winner of last year's GI Manhattan S. was a pacesetter fourth behind stable companion Adhamo (Ire) (Intello {Ger}) in defense of his United Nations title and makes his first trip to the races since a weakening sixth in the GI Sword Dancer Invitational S. at Saratoga last August. Among the competition is **Never Explain (Street Sense)**, who annexed the GIII Dinner Party S. at Old Hilltop May 18.

Sandwiched between those races is the GIII Salvator Mile S. **Artorius** (Arrogate), who carries the famed Juddmonte silks, progressed rapidly at three, winning his maiden and **'Rising Star'** honors at second asking before streaking away to win the restricted **Curlin** S. at Saratoga last July. Allowed to take his chance in the GI **Runhappy** Travers S., he was a not-quite-ready-for-prime-time sixth to **Epicenter (Not This Time)** and was a latest fourth in the seven-furlong Perryville S. at Keeneland last fall.

Quality Over Quantity in Bed o' Roses

It would be easy to say the connections of the four others entered for Saturday's GII Bed O'Roses S. at Belmont Park were dismayed when champion **Goodnight Olive (Ghostzapper)** was entered Wednesday, but given the strength of the competition, the reverse might also be true.

Last year's GI Breeders' Cup Filly & Mare Sprint heroine was the victim of some race riding and was forced to settle for third in the GI Derby City Distaff S. at Churchill Downs May 6, so

revenge will be on their mind, but it may not be straightforward. Derby City runner-up **Wicked Halo (Gun Runner)** lines up a few doors down, while the in-form **Beguine (Gun Runner)** and GII Vagrancy S. victress **Caramel Swirl (Union Rags)** add to the intrigue.

Pegasus, Monomoy Girl Lure Big Names

The Pegasus has attracted a field of eight mostly exposed 3-year-olds, topped by a pair of shippers from the barn of Todd Pletcher. **Kingsbarns (Uncle Mo)** looks a standout and is unlikely to jump at anything close to his 8-5 morning line, having wired the field in the GII Louisiana Derby before wilting to 14th after attending the sizzling pace in the GI Kentucky Derby six weeks ago. **Classic Catch (Classic Empire)** was a wide-trip and creditable fifth in the GII Wood Memorial S. two back, and his fourth in the GIII Peter Pan S. looks considerably better given what Arcangelo (Arrogate) did around Big Sandy last weekend.

Saturday's relocated Monomoy Girl S. also looks a two-horse affair on paper. **Wet Paint (Blame)**, who made a belated run to be fourth behind the commonly owned **'TDN Rising Star'** Pretty Mischievous (Into Mischief) when favored in the GI Longines Kentucky Oaks May 5, squares off against **Hoosier Philly** (Into Mischief), who failed to make the Oaks cut but hinted at a return to form with a runner-up effort in the GII Black-Eyed Susan S. at Pimlico May 19.

MONMOUTH AND BETMAKERS CONTINUE PARTNERSHIP; FIXED ODDS SOUGHT ACCORDING TO SURVEY

Monmouth Park and BetMakers Technology Group will partner for the fourth straight year as sponsors for the \$1 million "BetMakers Bonanza" bonus for the connections of any horse that sweeps a series of three designated races, the organizations said in a release Friday.

To earn the seven-figure bonus, a horse has to win the GI TVG.com Haskell S. at Monmouth Park on July 22, the GI Travers S. at Saratoga on Aug. 26 and the GI Breeders' Cup Classic at Santa Anita on Nov. 4.

"As part of our ongoing partnership with BetMakers we're pleased to be able to offer the BetMakers Bonanza bonus for a fourth straight year," said Dennis Drazin, the chairman and CEO of Darby Development, LLC, the operators of Monmouth Park. "The commitment that BetMakers has made to racing in New Jersey has had a significant impact." **Cont.**

Australia-based BetMakers also released findings from a recent survey that said more than four out of five horseplayers in the U.S. want access to fixed odds betting options, which outside of New Jersey, has been legalized in Colorado, but is not live yet. Other states are working on legislation to do the same.

“BetMakers understands the drivers of a thriving horse wagering ecosystem, including giving horseplayers more options for betting,” said Jake Henson, CEO of BetMakers Technology Group. “That 83% of surveyed horseplayers would like fixed odds to be added to pari-mutuel betting on racing is a resounding figure that speaks to the opportunity racing has in the United States to tailor a product that speaks to a new generation of horse player.”

The survey drew responses from 1,500 participants, half of whom were self-described sports bettors and the other half self-described horseplayers.

ESPINOZA, WONG TOP RECENTLY CONCLUDED GOLDEN GATE WINTER/SPRING MEET

Jockey Assael Espinoza and trainer Jonathan Wong were leaders in their respective divisions at the recently concluded 2023 Winter/Spring meet at Golden Gate Fields.

Assael Espinoza won the most races out of any rider with 93 trips to the winner's circle from 419 starts, equating to a 22%-win rate while his mounts finished in-the-money 56% of the time.

“I’m very thankful for all the owners and trainers who have given me an opportunity to ride their horses,” said Espinoza. “Ever since I got to Golden Gate, people have been really good to me. There are a lot of great people supporting me.”

Trainer Jonathan Wong successfully defended his 2022 Winter/Spring meet training title with the most wins out of any trainer at the 2023 meeting, winning 56 races from 231 starters. Wong posted a 19%-win clip and earned total purse prizes of \$1,063,272.

INTO MISCHIEF FILLY DELIVERS 'BRUT' FORCE IN 'RISING STAR'-WORTHY ROMP

by Alan Carasso

Into Champagne | Coady

Into Champagne (f, 2, Into Mischief--Bedford Land, by **Speightstown**) sat a trip handy to the pace, pounced when produced and galloped away from her rivals in the late stages to complete a sweep of the afternoon's 2-year-old filly maidens for her unstoppable sire at Ellis Park and earn the 'TDN Rising Star' distinction in the process.

Drawn wide for the debut, the \$300,000 Keeneland September yearling showed enough speed to sit close to a good early pace and traveled strongly while traveling comfortably for Julien Leparoux. Going ominously well behind the leaders on the turn while still on hold, the bay filly pushed away from the inside part of the track, raced up three wide while under her own courage and turned it on through the final eighth of a mile to graduate by 6 3/4 convincing lengths.

The late Eugene Melnyk acquired the winner's second dam for \$475,000 at the 2003 Fasig-Tipton Saratoga Sale and raced her to seven wins from 11 starts for Todd Pletcher, including the 2006 GI Ruffian H. Melnyk sold Pool Land, then 11 years of age, to Live Oak for \$900,000 in foal to Smart Strike as part of the owner's dispersal of racing stock at Fasig-Tipton February in 2013. For Charlotte Weber, Pool Land bred 2-year-old stakes winner Old Chestnut (**Speightstown**) before she sold to SF Bloodstock in foal to **Munnings** for \$57,000 at Keeneland January in 2019. The winner's dam is also responsible for a yearling **Not This Time** filly, but unfortunately delivered a dead foal by **Practical Joke** this season.

A 38th 'Rising Star' for Into Mischief, Into Champagne is bred on the exact same cross responsible for the stallion's Grade I

winners Mia Mischief and Mischievous Alex and on the cross over Gone West that yielded champion and Horse of the Year Authentic. Others of Into Mischief's graded winners from **Speightstown** dams include GII Phoenix S. and GIII Futurity S. hero Engage and G3 Nad Al Sheba Turf Sprint victor Man of Promise.

Hot Fudge | Chelsea Durand

3rd-Belmont, \$105,000, Alw (NW3\$X)/Opt. Clm (\$80,000), 6-16, 4yo/up, f/m, 7f, 1:24.32, ft, 2 1/4 lengths.

HOT FUDGE (f, 4, **Liam's Map**--Noelle's Mischief, by Into Mischief) was a neck away from a black-type score in the 2021 Stewart Manor S. over the inner turf at this venue before missing all of 2022 after that start. Victorious in her patiently-awaited return in January, she won two back over the main track against optional claiming company Apr. 16 before running sixth last out May 7 in her return to turf stakes competition in the License Fee S., won by MGSW Bubble Rock (More Than Ready). Sent off at 4-1 as the sky opened up over a sealed track, Hot Fudge stepped out to set all the fractions and showed the way from three off the rail. Under a strong left hand hold as she tried to wander out through the turn, the victress has a pair of challengers come calling to her outside through the bend but had enough from the six path to edge away by 2 1/4 lengths late. Rosebug (**American Pharoah**) chased her in for minor honors as GISW Chi Town Lady (Verrazano) flew late for third. The first for her dam, she has an unplaced 3-year-old full-sister Theroanrunner as well as a 2-year-old half-brother Reynolds Channel (**West Coast**). They also have a yearling half-brother by **Daredevil**. Sales history: \$50,000 Ylg '20 KEESEP; \$235,000 2yo '21 OBSAPR. 5th-Belmont, \$105,000, Alw (NW3\$X), Opt. Clm (\$80,000), 6-16, 4yo/up, f/m, 1 1/8mT, 1:50.72, fm, 2 lengths.
SKIMS (GB) (f, 4, Frankel {GB}--Royal Decree, by Street Cry {Ire}), beaten a head into second in the Dueling Grounds Oaks last September, reported home the one-length winner of the GI Sands Point S. during the Belmont at Aqueduct meeting the following month and closed the season with a fifth in the GI American Oaks at Santa Anita. Trying allowance company for just the second time in her career off a well-beaten fourth in the GI Jenny Wiley S. Apr. 15, the 2-1 favorite tugged against John Velazquez down the backstretch as **'TDN Rising Star'** Star Devine (Ire) (Fastnet Rock {Aus}) lobbed them along on the stretchout in trip. Held up approaching the stretch, the Rosen homebred split horses three off the inside while full of run at the furlong grounds and scampered clear. The winner is a half-sister to War Decree (**War Front**), GSW-Eng, GSW-Ire, \$312,212, and is out of a daughter of 2004 GI QE II Challenge Cup and American Oaks heroine Ticker Tape (GB) (Royal Applause {GB}). This is also the female family of champion Reckless Abandon (Exchange Rate). Royal Decree is represented by a 2-year-old filly by Lope de Vega (Ire) and a yearling filly by **Kingman (GB)**. 8th-Belmont, \$95,000, Alw, 6-16, (NW1\$X), 3yo/up, f/m, 6fT, 1:10.14, fm, 3/4 length.

PLENTITUDE (f, 3, Quality Road--Yellow Agate {GISW, \$291,503}, by Gemologist) raced prominently every step of her Apr. 28 bow over the Tampa main track, edging clear late, and was the 26-5 third pick switching the grass for this first go against winners.

Clearly last away, the homebred quickly recovered and tugged her way up to sit midfield and not far from the speed into the turn. Sticking to the fence on the bend, Plentitude was eased off the inside and was poised to strike as odds-on Shootoutthelights (**City of Light**) at midstretch and went on to a narrow victory. Z First (Mr Z.) outfinished the chalk for second. China Horse Club acquired Yellow Agate for \$210,000 at Keeneland September in 2015, and she would go on to score the 2016 GI Frizette S. for this trainer. While Plentitude failed to shine in the sales ring and was ultimately retained by her breeder, her year-younger full-sister was hammered down to Repole Stable and St Elias Stable for \$650,000 at KEESEP last fall. Yellow Agate foaled another filly by **Quality Road**--sire of CHC's GI Kentucky Oaks winner Abel Tasman--in 2022 and most recently aborted to **Constitution**. FOR OVER 110 YEARS

Plentitude | Coglianese

4th-Monmouth, \$76,561, (S), Alw (NW2X)/Opt. Clm (\$30,000), 6-16, 3yo/up, 6f, 1:11.45, wf, 2 1/4 lengths.

GREAT NAVIGATOR (c, 3, Sea Wizard--All Even, by Stephen Got Even) was runner-up in the GIII Sanford as a juvenile before going on the shelf for the season until March of this year. On the board since that bow, but with no victories until this contest, Great Navigator still went off the heavy 1-5 favorite and ran to the figures. Stalking from two off the rail after the jump, he rallied from three deep into the stretch and locked horns with longtime pacesetter Bustin Loose (**Kantharos**). Putting that one away in the final furlong and drawing clear, he held oncoming Pogi (Daaher) to a comfortable 2 1/4 length margin.

The eldest runner for a young broodmare, Great Navigator has a 2-year-old full-brother Navesink Pirate. The dam went back to that stallion in two successive years but has yet to produce any offspring. Lifetime Record: GSP, 6-2-3-1, \$166,295. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

CLEARLY UNHINGED (f, 3, Into Mischief--Smart Win, by Smart Strike) capped a banner day for her sire when she ran to a gutsy victory against what shaped into a stakes quality field. A winner at first asking in February at track and trip, she dueled herself out of graded black-type in the Apr. 8 GII Santa Anita Oaks, finishing fourth. Back here at 2-1 in a salty field of sophomore fillies, she immediately locked horns with Pleasant (**Munnings**) and the race was on from there as the two battle the way around. Neither would give an inch and a photo would decide the winner as Pleasant had to settle for the bad end of it. The rest of the field was stretched out in the lane with GISP Home Cooking (**Honor Code**) having to settle for fourth on her return to the races. Smart Win's flag bearer, Clearly Unhinged has a yearling half-brother by **Violence** and a 2023 half-brother by **Justify**. The dam is out of GSW Win McCool (Giant's Causeway), making her a half sister to MGSP Cool Beans (**Candy Ride {Arg}**) and to the dam of GISW Magnum Moon (Malibu Moon). This is the female line of GSW Win Crafty Lady, who produced GISP & MGSW Graeme Hall; GISW Harmony Lodge; and MSW Win's Fair Lady, making her the granddam of no less than six Graded stakes horses including GSW We the People (**Constitution**), GSW Berned (Bernardini); and GISW Pinehurst (**Twirling Candy**). READYED AT THOROSTOCK TRAINING

4th-Laurel, \$62,300, Alw (C)/Opt. Clm (\$44,000-\$55,000), 6-16, 3yo/up, 5 1/2f, 1:00.63, fm, 3 lengths.

REMUDA (c, 4, More Than Ready--Elaine's Cat, by Discreet Cat) had a three race win-streak snapped last out Apr. 16 at Keeneland after traffic knocked him around and he faded to eighth. The dual-surface winner reappeared here after a couple months breather and the 5-1 shot returned to winning ways in flashy style. Forwardly placed as pacesetters roared up front through :21.34, :43.43 and :54.52 splits, Remuda was called on for a kick and he responded from the rail to overtake the leader nearing the final furlong.

Kept to his task to the wire, the grey hit the finish three lengths to the good and established a new course record of 1:00.63 for the distance. The classy GSW Arzak (**Not This Time**) followed him in to keep runner-up honors by a neck. Remuda is the eldest sibling to 2-year-old Catskills (**Frosted**), a yearling filly by **Candy Ride (Arg)**, and to a 2023 colt by Street Boss. Dam Elaine's Cat is a half-sister to MGSW Etched (Forestry); GSW Emotionless (Ire) (Shamardal); and a full-sister to GSW Out of Bounds. 6th-Ellis, \$120,000, Msw, 6-16, 2yo, f, 5 1/2f, 1:04.69, ft, 3 3/4 lengths.

STREAMING NOW (f, 2, Into Mischief--One True Kiss {MGSP, \$231,459}, by Warrior's Reward) came into this debut riding a pair of bullet works at the Thoroughbred Training Center, both four furlong moves in :48 flat, and she showed that speed here. Setting the pace right from the jump, she put up :22.92, :46.63, and :58.43 splits on an uncontested lead and was under confident handling entering the lane. Responding to further urging, she inched away from a pursuing Lady Moscato (**Quality Road**) to win by 3 3/4 lengths.

Streaming Now | Coady Photography

Out of a graded-stakes placed half-sister to MGISP & GSW Shancelot (Shanghai Bobby) and GSP Tiz Kissable (Tiz Wonderful), Streaming Now is the first winner for her dam and the second 2 year-old filly winner on the card for her sire, who would add newly-minted **'TDN Rising Star'** Into Champaign (Into Mischief) to his ever-growing tally two races later. She has a yearling half-sister by **Instagram** as well as a 2023 half-brother by **Rowayton**. This is the female family of GISW & MGSW Silver Max (Badge of Silver) and GISW Yes It's True. DELPHIA (f, 3, Mucho Macho Man--Quality Diamond, by Quality Road) broke fairly as the 5-2 favorite and settled in fifth from three wide as they went up the backstretch. Exchanging brief contact midway up that route and coming four wide in tandem with that rival on the fat turn, she kicked away in upper stretch despite being on the wrong lead. Deep in the furlong grounds, she finally swapped to her right and used her second wind to put three lengths on The Archangel (Medaglia d'Oro) in the end. A half to local stakes-placed Torpedo Max (Silver Max), the victress is the most recent to the races and the fourth winner from as many to start. She has a 2-year-old **Ghostzapper** half-brother and their dam's 2022 **Mastery** foal was stillborn. Quality Diamond had been bred to **Complexity** for 2023. TWISTED FILIGREE (c, 2, Distorted Humor--Saturn Lace {Ire}, by Kodiak {GB}) debuted last out May 12 against an open maiden field sprinting at course and distance and finished a strong second to next-out Tremont S. runner-up Ship Cadet (**Midshipman**). Hammered down to 1-5 favoritism in this start against state-bred company, he broke well to range up on the outside of the early pacesetters on the backstretch. Going three across the track into the bend, Twisted Filigree locked horns with El Grande O (**Take Charge Indy**) coming into the lane with the inner foe taking a brief advantage coming into the furlong grounds. Battling back bravely after jumping over to his left lead

once again, the winner fought for every inch and managed to prevail in a photo on the wire by a head. The flag bearer for his dam, Twisted Filigree's 2022 **The Factor** half-brother died but Saturn Lace (Ire) did report a 2023 colt by **Union Rags**. This is the extended female family of GSP Snippets (Ire) (Be My Guest); MGSP Arcada (Ire) (Rip Van Winkle {Ire}); and Group 1 stakes winners Frenchpark (GB) and Pearly Shells (GB). TIMELY CONQUEST (f, 3, Accelerate--Conquest Soprano {SP}, by Super Saver) outran her chilly 22-1 reception from the betting public here to break her maiden at first-asking. A touch slow coming out of the blocks, she was urged along in fourth off the pace as the front flight tracked a loose leader through a :45.45 half. Angled out while under a full head of steam in upper stretch, she kicked away at the furlong pole to prove best by 2 1/4 lengths over Mim (**Practical Joke**). A half-sister to Euphoric (**Frosted**), GSP, \$182,461, the winner has a 2-year-old half-brother by **Unified** as well as a 2023 **Essential Quality** half-brother. KYTHIRA (f, 2, **Kantharos--Cascading {SW, \$126,997}, by A.P. Indy)** was a respectable third on her May 27 debut, but was dismissed at odds of 15-1 in career start number two. Alertly away, the \$25,000 KEESEP yearling was steadied slightly and pressed the pace from the outside. Popped the question in upper stretch, Kythira responded nicely, wrested command around the eighth pole and inched clear. The stakes-winning dam is a half-sister to 2013 GI Hollywood Starlet S. victress Streaming (Smart Strike) and SW Treasuring (Smart Strike); Achieving (Bernardini), the dam of MGSW Cezanne (**Curlin**), MSW Counterforce (Smart Strike), and GSW & G1SP Arabian Hope (Distorted Humor); and to Modeling (**Tapit**), whose son Arcangelo (Arrogate) made history in last Saturday's GI Belmont S. This is also the family of fellow Belmont winners Jazil (Seeking the Gold) and Rags to Riches (A.P. Indy). Kythira is the dam of a yearling filly by **Ghostzapper** and foaled a second consecutive colt by the Hill 'n' Dale inmate Apr. 29. Sales history: \$25,000 Ylg '22 KEESEP. KITTY'S PRETTY (f, 2, Khozan--Pretty Miss Kitty, by With Distinction) went off at 9-2 and ran the field off their feet, prompting the pace through :22.65 and :46.03 splits as she cruised into the final bend. Opening up from the three path, she drove clear over Done Enough (**Flameaway**) by 5 3/4 lengths as that one had to settle for second after having her bid denied. The second winner in a row behind full-brother The Khozan One, they have another full-brother, a yearling, and a 2023 half-brother by Cajun Breeze. 3rd-Laurel, \$58,540, Msw, 6-16, 2yo, 4 1/2f, :52.48, ft, 3 lengths.

SPEEDYNESS (c, 2, Great Notion--Hartigan {MSW, \$197,300}, by Include) bumped with Malibu Slew (Malibu Moon) after the jump, and the pair locked horns until they approached the eighth pole, where he would firmly assert command. From there, Speedyness drew away to win by three as Never Grew Up (Bourbon Courage) came on from midpack to take second.

A half-sibling to a pair of stakes horses, namely Starry Moon (Malibu Moon), MSP, \$200,516 and Royal Number (**Palace Malice**), SP, \$184,030, the victor also claims stakes-producing dam Cindy S. MILA JUNES (f, 2, **Tapiture--Over the Rocks, by Overanalyze)** lit up the tote to the tune of better than \$110 with this debut boilover. Under the bat early to try to keep pace, the \$22,000 FTKOCT yearling was into third, but had plenty of work to do approaching the stretch. Keeping on in the wet underfoot conditions, she plugged on through the final sixteenth and held off the rail-rallying Bingo's Girl (**Yoshida {Jpn}**) for the victory. Mila Junes is the first foal to race out of a half-sister to MSW Athena (**Street Sense**). Sales history: \$22,000 Ylg '22 FTKOCT. The stakes-placed All in Fun, a sister to MGSP Tight Ten, was purchased by Winchester Farm for \$125,000 with this colt in utero at the 2019 Keeneland November Sale and has since been exported to Japan, where she foaled a **Justify** filly in 2021. The colt's third dam is two-time Grade I winner Fleet Renee (Seattle Slew). *B-Mishima Stud Ltd (KY)*

THOROUGHBRED SAFETY COALITION

Putting Safety first. Every horse. Every race. Every time.

For more than 350 years, horse racing has been a cherished part of American life.

But it's only ever been as healthy as its athletes. That's why we've come together to set a new standard for safety, improving track conditions and medical care—to ensure the well-being of horses and jockeys, enforce accountability, and promote a culture of safety in our sport.

We're part of a longstanding national tradition. And we know the strongest traditions evolve.

'IT'S BEEN HARD BUT WE'LL GET THROUGH IT - THE HORSES GIVE EVERYONE A LIFT'

Con Marnane | Tattersalls

By Brian Sheerin

At first there are tears and then the words come tumbling out. "We got a bit of bad news before the Curragh," Con Marnane explains. "Theresa's cancer is back again. That's why the whole thing was so emotional."

Theresa is Con's wife and it is her yellow and black silks, made famous by Different League (Fr) (Dabirsim {Fr}) winning the Albany, that were carried to that stirring victory in the G3 Marble Hill S. by Givemethebeatboys (Ire) at Irish racing's HQ.

He is one of two Royal Ascot-bound Bungle Inthejungle (GB) colts that the family have in training with Jessica Harrington, the other being the speedy Supersonic Man (GB), and never has there been more significance behind a Marnane runner at the meeting they adore.

"It's still very raw," Con starts. "Theresa had cancer 10 years ago but unfortunately it's back again. We only got the news the day before the Goresbridge Sale and then we had to go and face into that at Fairyhouse.

"That's why Givemethebeatboys winning at the Curragh was so amazing because we had only found out that week. It was very emotional, especially with what Jessie is going through as well." [Cont. p3](#)

BLOODSTOCK AGENT MARTIN BUICK UP AND RUNNING WITH GROUP 3 WIN IN SWEDEN

By Brian Sheerin

Everyone needs that flagship horse. Be it a trainer, jockey or an owner, the common goal is to find a horse capable of competing on the big stage. Well, bloodstock agents are no different, and Martin Buick can now count Admiral De Vega (GB) as his first big-name acquisition.

Buick has been based with renowned bloodstock agent Hubie de Burgh for almost two years now and in Admiral De Vega, winner of the G3 Stockholms Stora Pris in Sweden last weekend, he has his first headline horse.

The success is made extra special for Buick, the son of former champion Scandinavian rider Walter and brother to the reigning Champion jockey William, given the success was achieved in a part of the world that means so much to the Norwegian native.

Con Marnane Cont. from p1

He added, "For some of us, it's been a very, very hard time. But I'll tell you something, those animals are amazing, those horses are just so special. They give everyone a lift."

It's not just the horses that Con can count on to lift spirits. Similarly to when the industry rallied around Harrington after she shared the news of her breast cancer battle, the outpouring of well wishes and support to the Marnanes has been overwhelming.

"I have so many top-class friends in this business. It's special. There are some great people in this game and it's a massive help. But we'll get through it. Theresa is very tough and she works as hard as anyone else does here in the yard. We'll get through it."

Con may be the face of Bansha House Stables, and you won't find many better or more enthusiastic about what he does, but make no mistake, this is a family-run operation and daughters Amy and Olivia are no bit-part players.

"It touches at the heartstrings and it's great to have the family unit involved. Amy does the buying and Olivia does the riding out in Jessie's. It was Amy who picked out Givemethebeatboys at the sales.

"She absolutely loved him as a yearling and he was actually our pick of the Goffs Premier Yearling Sale at Doncaster. Unfortunately the horse had a foot abscess at the sales and the Brickley brothers [Tom and David of Ard Erin Stud] had to

withdraw the horse.

"We tried to do a deal there and then but it didn't happen. But then the horse turned up at the Autumn Yearling Sale at Goffs and we bought him there for €11,000."

Marnane added, "Olivia started working at Jessie's last year. She's in college in Dublin and wanted somewhere to ride out in the mornings. I said to her, 'why don't you try Jessie?' She fell in love with the place when she went in there and the Harringtons have been so good to her. I said we'd send them up a couple of horses as a result and one of those turned out to be Funny Money Honey (Ire) (Bungle Inthejungle {GB}). She was a revelation. She won a listed race and was third in another listed race up at the Curragh. We sold her very well to America and did the same again this year by sending up a few two-year-olds for Jessie to train for us."

Funny Money Honey cost just €11,500 as a yearling and fetched 165,000gns at the Tattersalls December Mares Sale last year. Givemethebeatboys and Supersonic Man are also now worth many multiples of what the Marnanes handed over for the colts and the excitement is building for their appearance at the Goffs London Sale on the eve of the royal meeting.

"The Goffs London Sale is effectively a shop window for us," Marnane explains. "Henry [Beeby] and his team do a great job in making it all happen. They move mountains in order to let horses run in their new owner's colours at Royal Ascot and it's a sale that has been lucky for us in the past." **Cont. p4**

Con Marnane discusses his Goffs London Sale entries, Royal Ascot, and his experience at the 2023 breeze-up sales. | TDNtv

Con Marnane Cont.

He added, "We sold Forever In Dreams (Ire) (Dream Ahead) there [for £430,000] in 2019 and she came out and finished second in the Commonwealth Cup just a few days later."

He added, "There will be a lot of emotion at Ascot next week and a lot of people will be very interested in these two horses at the sales because they are so special. They are going there with serious chances."

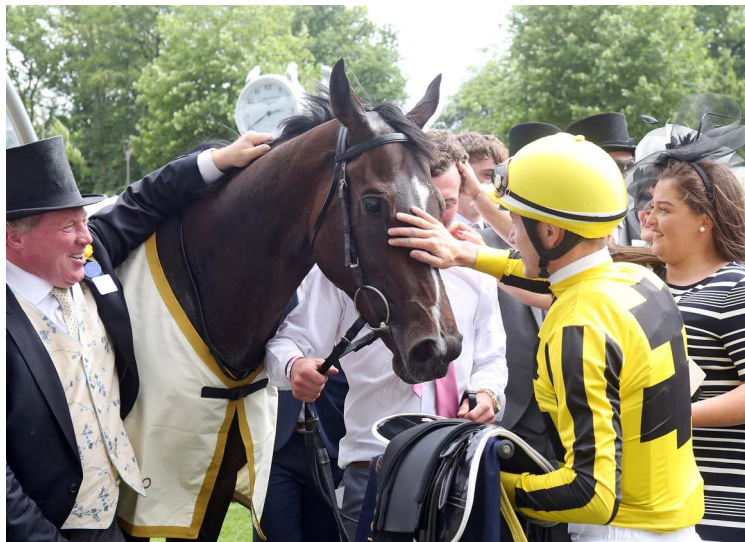

Givemethebeatboys and Supersonic Man will be joined at the Goffs London Sale by Bansha House graduates Rush Queen (Ire) (Ardad {Ire}) and Tiger Belle (Ire) (Cotai Glory {GB}), both of whom have won maidens for trainer Ado McGuinness after their purchase at the breeze-up sales by Stephen Thorne on behalf of the Shamrock Thoroughbred Syndicate.

Rush Queen cost 50,000gns at the Craven while Tiger Belle fetched £70,000 at Doncaster. In the grand scheme of things, it's not what you'd call breaking the bank for two Royal Ascot contenders, and in many ways their sale prices illustrate an up-and-down year for Marnane at the breeze-ups.

Fleeting Spirit (Ire), Prince Of Lir (Ire), Rio De La Plata and Sands Of Mali (Fr) are just a handful of recognisable names that have graduated through Marnane's system but the leading source of talent says that he is paying a penalty for the fact that his horses don't break the clock in their breeze.

He explained, "The breeze-ups have gone very difficult. Our horses are not drilled to do two furlongs. I'm sorry, they're not. But it's amazing, their last two furlongs are usually their best!"

"There's too much emphasis on times. It's not my way of doing it. Call me old-fashioned. Maybe I'm an old-fashioned horseman or something like that, but that's the way we do it and I'm not changing. I want our horses to be racehorses. I want them to go into their new trainers and new owners and to be lovely and relaxed. And when they are asked to go, they go."

"But fair play to Ado and Stephen, they stood up and they bought those horses. There was a big shortage of trainers at the sales but look what can happen when they do turn up. If you want to go to Royal Ascot, and there's only one Royal Ascot, you need to turn up at the sales."

Givemethebeatboys has shortened into a general 8-1 chance for the Coventry with the news Frankie Dettori has been booked to take the ride. Supersonic Man will take his chance in the Windsor Castle rather than the Norfolk and, if either colt was to enter the winner's enclosure, chaos is guaranteed.

"There is just no feeling like Royal Ascot," Marnane says. "It's a pure adrenaline rush to have a runner over there and it would be so exciting for everybody involved if the horses were to run well."

"It's not just for me, it's for my team here. There's a core group of people who have been with us for 30 years, the likes of Mike O'Brien, John Crosse, who breaks in all the horses, Danny and Emma in the office."

"Then we have our operation in France and the guys in France come over here for the spring to get the horses ready so it's a big team effort. And for Jessica and Kate and the whole Harrington team, there will be a lot of emotion at Ascot next week. It would be just out of this world if it were to happen. Hopefully we can give everyone something to shout about."

Martin Buick Cont. from p1

Buick said, "It is where we grew up and was a part of our life for a long time so, from that perspective, there's an element of proudness that comes with it. I am very lucky in that the first horse I have bought is now a Group winner so the only way from here is downhill, I guess!"

Admiral De Vega is trained by Annike Bye Hansen, a close family friend who is based at Øveroll racecourse in Norway. The gelding was sourced by Buick at the Tattersalls Autumn Horses-In-Training Sale in October 2021 for 47,000gns after fitting exactly the brief his owner Hans Sköld was looking for.

Buick explained, "The owner had enjoyed success with Lope De Vega (GB) before with General De Vega (Fr), a good sprinter who is also trained by Annike Bye Hansen, so the brief was to keep a look out to see if there were any by the sire that we liked. As soon as I sent videos across of Admiral De Vega, Hans and Annike really liked him.

"He was a raw horse and he was big but there was just something about him. He had lovely size and substance and looked like a nice, honest horse. He came well-recommended by Angus Gold, who Hubie is very close with from his previous employment with Sheikh Hamdan, so we had a bit of an inside track in that respect."

Buick added, "He had been in training with Owen Burrows, who liked the horse but couldn't do too much with him because he was immature. We had good information and a good pedigree to work with. The cross between Lope De Vega and Dansili (GB) mares, which he is from, is a very good one. There's nearly 18% stakes winners to runners on that line, which is very impressive, and all these things feed into the selection process."

Formerly the assistant racing manager to the Niarchos family, Buick has quickly established himself on the sale circuit and shared hopes of growing the list of clients in the coming months and years.

He said, "I've been with Hubie since August 2021, so it's coming up towards two years now. It's been great and I have been learning every day. With this horse now and a couple of others, I am finally getting a bit of a track record, which is important. It takes a while to establish yourself and get up and running so it's good to finally have that big winner.

"I'm employed by Hubie and help out with his clients, from horse management, breeding, acquisitions privately and publicly, so it's widespread. When I joined Hubie, the aim was to bring some new business to the agency, which is slowly but surely gaining some traction."

Hubie de Burgh and Martin Buick | Tattersalls

Martin Buick Cont.

Admiral De Vega's stablemate Hard One To Please (Ire) (Fast Company {Ire}), who was sourced by Walter Buick, has been something of a revelation in Scandinavia by winning the Swedish Derby, Norwegian Derby and Stockholm Cup treble for the same owner.

On that connection, Buick commented, "It's obviously very cool to have a shared interest with Dad and he still works very hard in the industry as a race reader. He watches thousands of races for work and I consult with him for his opinion on a horse and ask him what he thought about any given performance. We've combined on two horses this year at the breeze-ups. We bought a **Sioux Nation** colt at the breeze-ups at Doncaster on behalf of a Swedish client and then we bought a **Summer Front** colt at Arqana for Hans Sköld. It's nice to combine, for sure."

It's safe to say the apple hasn't fallen too far from the tree and, judging by the big-race riches the young bloodstock agent has already enjoyed back home in Scandinavia, it's safe to assume that it's only a matter of time before he secures a flagship winner in Britain or Ireland.

WINNING RETURN FOR ROSSCARBERY IN THE MUNSTER OAKS by Tom Frary

Racing for the first time since Lady Bamford paid 1 million gns for her at Tattersalls December, the prolific **Rosscarbery (Ger)** (**Sea The Stars {Ire}**) put any nerves to rest looking as strong as ever as she recorded back-to-back wins in Friday's G3 Munster Oaks at Cork.

Still with Paddy Twomey, who crafted her campaign last term which included a success in the G3 Stanerra S. and a second in the G1 Prix Jean Romanet as well as a disqualification from third in the G1 Pretty Polly S., the effervescent 5-year-old was anchored in mid-division early by Billy Lee. Full of running three out, the 2-1 favourite had first run on her chief market rival **Azazat (Ire)** (**Camelot {GB}**) with her 17-pound weight-for-age advantage and despite the game effort of that 3-year-old held a half-length advantage at the line.

"She was great last year, danced every dance and when the new owners asked me to take her back in January, it wasn't a hard decision," Twomey said. [Cont. p7](#)

EUROPEAN NEWS

FULL COMPLEMENT OF IRISH RACECOURSES AGREE TO MEDIA RIGHTS DEAL

All 26 Irish racecourses have approved the Racecourse Media Group (RMB)/SIS Media Rights deal and have authorised the Association of Irish Racecourses (AIR) to sign the contracts on their behalf, AIR announced on Friday. The deal will begin on Jan. 1, 2024.

In May, **21 of the racecourses agreed to the deal**, with Kilbeggan, Roscommon, Sligo, Limerick and Thurles Racecourses rejecting it. This week, discussions were held with AIR and the HRI Media Rights Committee, which resulted in the quintet of outliers agreeing to the proposal.

Chairman of AIR, Conor O'Neill said, "Firstly, I would like to commend and compliment the executive of AIR and HRI who have supported the Media Rights Committee to ensure that the very best deal in the marketplace has been obtained for Irish Racecourses and indeed the wider industry. I can confirm that Kilbeggan, Roscommon, Sligo, Limerick and Thurles have decided to join the other 21 racecourses today and sign that deal. Furthermore, I look forward to working SIS and RMG now and seeing it come to fruition."

Horse Racing Ireland, CEO, Suzanne Eade added, "This process has been exceptionally thorough and has delivered a superb deal for all 26 Irish racecourses. Horse Racing Ireland will be working closely with all racecourses and our media rights partners SIS and RMG to maximise the future revenue streams under the new deal."

On behalf of the five racecourses who signed today, Pierce Molony said, "Having satisfied our principal objectives, UIR has agreed to sign-up to the current media rights deal negotiated between HRI and RMG/SIS. In particular, the membership of UIR is pleased by HRI's willingness to implement a proposed memorandum of understanding for racecourses during future media deal negotiations, and a review of media rights, as referenced by the Chairperson of the Public Accounts Committee, on 1st June last."

John Hernon | Childwickbury Stud

John Hernon Cont.

Formerly the yearling manager at Cheveley Park Stud, Hernon grew up at his family's stud farm in Wicklow in Ireland and completed the Irish National Stud's Management Course before gaining further experience on stud farms in Australia and the UK. He was also assistant trainer to the late Harry 'Tom' Thomson Jones in Newmarket and assistant stud manager and racing manager to Peter Goulondris at Hesmonds Stud in Sussex.

"We are delighted that John Hernon is joining Childwickbury Stud," said Paul and Sally Flatt. "He brings extensive knowledge and experience of looking after high-quality bloodstock from foaling to the sale of yearlings.

"We are really pleased that he has made his next home Childwickbury Stud after being at Cheveley Park Stud for 14 years and we look forward to him working with us to achieve our plans for the stud, both with our own bloodstock and our clients."

John Hernon said, "I am very excited to be joining Childwickbury Stud at this time. I am looking forward to working closely with Mr and Mrs Flatt and their stud team as well as our clients to develop the stud's profile and strengthen its position in the industry.

"Surrounded by the memorial stones of multiple Classic and Group-winning horses in the main yard dating back to Sunstar in 1911, I see my new role as a privilege and great responsibility. I look forward to shaping Childwickbury Stud's future in the bloodstock industry with Mr and Mrs Flatt and expanding their operation."

Set on 250 acres near St Albans, Childwickbury Stud was built in 1888 by Sir John Blundell Maple and sold to Jack Barnato Joel in 1906. In 1940, the latter's son Jim Joel inherited the historic farm, which is the birthplace of the Derby winners Sunstar,

Pommern, Humorist and Royal Palace, as well as the Grand National winner Maori Venture.

The stud was later bought by the Marquesa de Moratella, owner of the Cheltenham Gold Cup winner The Fellow and breeder of Poule d'Essai des Poulains winner Tin Horse, before being bought by the Flatts in 2011.

SEEKING GOLD MAKES 78K ON TATTERSALLS ONLINE

Seeking Gold (Ire) (Havana Gold {Ire}), who is rated 90, was purchased for 78,000gns during the Tattersalls Online June Pop-Up Sale on Friday.

The 3-year-old colt was secured by Debbie Mountain and Qatari-based owner Hassan Al Abdulmalik, and is set to race in that country.

Mountain said, "We are very pleased. He is a nice horse and he looks like he is definitely a fast ground horse. He will come to Qatar. He has a good pedigree and looks like he will hopefully be effective from a mile to 10 furlongs. That's what we will be aiming for and he looks like a nice prospect for the future for us here. I don't think we will run him next week at Royal Ascot but I would imagine he will run again before he leaves the United Kingdom although we might save him for when he makes it over here, where his main targets will be."

Seeking Gold won as a juvenile, and was also fourth in the Listed Ascendant S. at Haydock. His dam is a half-sister to Hong Kong's G2 Jockey Club Mile winner Wade Giles (Ire)/Destined For Glory (Ire) (Azamour {Ire}).

SHARE IN ROYAL ASCOT-BOUND THUNDERBEAR SELLS FOR £75,000 VIA THOROUGHID

A 50% share in Royal Ascot G3 Jersey S. probable **Thunderbear (Ire)** (Kodi Bear {Ire}), most recently fourth in the G3 Goffs Lacken S. at Nass on May 21, was sold for £75,000 through ThoroughBid on Thursday. City Bloodstock was the high bidder and County Meath-based trainer Jack Davison retained his 50% share in the 3-year-old gelding.

"I think it's a fair price and, at that money, it's makes a lot of sense for the new partner too," Davison said. "They've now got a significant share in a good, progressive horse who's got plenty of big days ahead of him."

"He's bouncing at the moment! I think the horse will run very well in Ascot and he'll give the new owner a lot of pleasure going forward. He is in great nick, but he's only a baby and there's plenty ahead of him."

The Jersey is set to take place on Saturday, June 24.

"Selling a 50% share in a Royal Ascot runner a week before the meeting has been a great success, not least going for £75,000," ThoroughBid CEO James Richardson said.

"ThoroughBid has broken new ground with this sale; tailoring an online auction to fit the needs of a part-sale, and positioning on a specific date ahead of it's intended run at Royal Ascot hopefully shows how flexible we can be. It's a new and important string to our bow."

Listed Ganton S. Cont.

Settled fourth of the five early, the veteran enjoyed the Richard Kingscote treatment he had experienced only once before when third in last year's Listed Magnolia S. and swooped on the front end passing the furlong marker to win comfortably.

The dam was a smart performer for James Wigan, winning the G3 Oh So Sharp S. before going on to finish third in the GIII La Prevoyante H. HARVANNA (GB) (f, 2, Havana Grey {GB}--Weisse Socken {Ire} {SP-Nor}, by Acclamation {GB}), who registered a May 15 debut third over this distance at Catterick in her only prior start, was squeezed for room at the break and raced in rear through the initial fractions here. Coming under pressure at halfway, the 5-1 chance quickened to challenge passing the furlong pole and was ridden out to assert by 1 1/2 lengths from Angel Shared (GB) (Harry Angel {Ire}). "She learned a lot on debut and we saw the benefit of that today," said rider Clifford Lee after partnering trainer Karl Burke's 11th individual juvenile winner of the year. "We've got some nice 2-year-olds and, hopefully, I'll be on a couple [at Royal Ascot] next week. I expect we'll wait and see how the ground is before finalising plans." Harvanna is the fifth of six foals and second scorer out of Listed Norsk Jockeyklubs Sprintop runner-up Weisse Socken (Ire) (Acclamation {GB}), herself the leading performer produced by Listed Empress S. third Playful (GB) (Piccolo {GB}). NAZALAN (IRE) (c, 2, Starspangledbanner {Aus}--Emerald Approach {Ire}, by New Approach {Ire}) shaped with promise in his June 4 debut third over this trip at Nottingham last time and soon held sway here. Unflustered on the front end through halfway, the 4-1 chance was shaken up approaching the final furlong and ridden out in the closing stages to comfortably hold Notta Nother (GB) (Havana Grey {GB}) by two lengths. "He quickened up very nicely and he's a very likeable horse," said trainer Sean Woods. It was nice to see him jump and travel for Rab [Havlin]. He has had experience and he's used that to good effect today. He'll go six [furlongs] in time, but we do think he has lots of speed. He's not over big, but he's all there and he's a 'now' horse. We'll take him home and digest this, but [Royal] Ascot is too soon. We'll probably wait for the [G2] July S. [at Newmarket] or the five-furlong race [G3 Molecomb S.] at [Glorious] Goodwood." Nazalan, kin to a yearling filly by Fastnet Rock (Aus), is the first of two foals out of a winning full-sister to multiple stakes-winning G2 Champagne S. and G3 Solario S. placegetter Tha'ir (Ire) (New Approach {Ire}). Coming under pressure to reduce arrears with three furlongs remaining, he made continued headway into contention approaching the final furlong and kept on strongly up the hill to win going away by an ultimately impressive 3 1/4 lengths from Rednblue Sovereign (Ire) (**Ten Sovereigns {Ire}**). "He has always shown plenty at home and he confirmed what we hoped he might show today," said trainer David Menuisier. "We knew he was a nice horse and, doing it the way he did, was fantastic. Listed Midsummer Sprint Cont.

Almost three years on from beating Sealiway (Fr) (Galiway {GB}) and Naval Crown (GB) (Dubawi {Ire}) in the G3 Prix la Rochette at ParisLongchamp for the Philippe Decouz stable, Go Athletico who had since been with Andreas Schutz was back in the winner's spot on debut for new connections. Purchased for €165,000 at the Auctav.com April Flash Sale days after winning the 5 1/2-furlong Listed Prix Cor de Chasse at Deauville, he showed that he had lost none of his old ability and enthusiasm with a taking performance here. Always travelling like the winner tracking the pace far side, he was the last off the bridle and as soon as the question was asked 1 1/2 furlongs out killed the contest with his surge.

Trainer Adrian McGuinness explained how he came about acquiring the winner. "He was pointed out to [assistant] Steven [Thorne] when he was in an online French sale and I don't think his trainer wanted to lose him at the time. Steven rang Barry Irwin and Jimmy Fairhurst and he was bought, so I'm delighted for them. I knew by his work at home that he was a very smart horse and Ronan [Whelan] was very good on him and kept it simple. We'll enter him up in a few big sprint races in Ireland and we'll have the [G1] Flying Five to look forward to at Champions Weekend at the end of the year--he won't disgrace himself that's for sure."

Go Athletico, whose career tally also includes placings in the G2 Criterium de Maisons-Laffitte, G3 Prix de la Porte Maillot and G3 Prix du Pin, hails from the family of the GII San Clemente H. winner Little Treasure (Fr) (Night Shift) and her multiple grade I-placed daughter More Chocolate (Malibu Moon). MS BRIGHTSIDE (IRE) (f, 2, **Magna Grecia {Ire}--Rope A Dope {Ire}, by Bungle Inthejungle {GB}),** an 11-2 shot on this debut, broke well from her wide stall to track the leading duo racing keenly without cover. Errant when committed approaching the furlong pole, the homebred had plenty in reserve to put her stamp on matters late on and score by 2 3/4 lengths from Byzantine Empress (GB) (Washington DC {Ire}). "She was plenty green, I couldn't believe it because she was professional enough in the barrier trial and we've had them away plenty," trainer Gavin Cromwell said of the fourth winner for Coolmore's first-season sire (by Invincible Spirit {Ire}). "We'll have a look at the calendar now and see, she could potentially be for sale but if not

she could go for a bit of black-type somewhere." The winner, who was offered at this year's Goffs February Sale but was bought back for €10,000, is the first foal out of a daughter of the listed scorer Ronja (El Corredor). She in turn produced last year's G3 Thoroughbred S. winner and G2 Mehl-Mulhens-Rennen runner-up Rocchigiani (GB) (Time Test {GB}) and the listed scorer and G2 Godolphin Mile-placed Ross (Ire) by Acclamation (GB), who also sired Rope A Dope's yearling colt. Last to come off the bridle when shaken up passing the quarter-mile marker, the 8-11 favourite entered the final furlong in third and kept on relentlessly under continued urging to deny Clarita (Ire) (**Calyx {GB}**) by an ultimately decisive 1 3/4 lengths. "We always thought she was a smart filly, she probably wants seven furlongs or a mile and she definitely looked like that today," said Donnacha O'Brien. "It looked like that the last day as well, but I thought this was a nice race for her and it is nice to get her started with a win. She is not as compact as other No Nay Nevers, she is scopier and looks more like a Classic filly than some. She will probably step up to [seven furlongs for] the [G3] Silver Flash and the [G2] Debutante now."
