

THE LEGEND OF 'RED': TRAINER SADDLES WINNER AT AGE 96

Robert "Red" McKenzie and Entitled Star | Century Mile Photo

The Week in Review, by T.D. Thornton

Trainer Robert "Red" McKenzie doesn't get much ink south of the border here in the States, but he is a living legend on the western Canada racing circuit. With practically zero fanfare or notice, McKenzie added to his impressive list of lifetime accomplishments Friday night when he saddled Entitled Star (Roi Charmant), a 10-year-old mare he owns, to a 25-1 upset victory in a \$4,000 claimer in the second race at Century Mile in Edmonton.

The win was significant because McKenzie is 96 years old.

The feat could very well be a record in Canada. It's shy, however, of what is anecdotally credited as the North American record for oldest trainer to win a Thoroughbred race. That honor goes to Jerry Bozzo, who saddled a winner on Oct. 11, 2018, at Gulfstream Park West, just two weeks before his 98th birthday. Bozzo died one month after winning that final race.

The prior record belonged to trainer Noble Threewitt, who visited the Santa Anita winner's circle about two months after celebrating his 95th birthday in 2006. He died in 2010 at age 99.

TWO PHIL'S LIKELY FINISHED FOR 2023 WITH ANKLE INJURY

MGSW and GI Kentucky Derby runner up Two Phil's (**Hard Spun**) exited his win in **Saturday's GIII Ohio Derby** at Thistledown with an ankle injury and is unlikely to race again in 2023. The story was first reported by the Daily Racing Form.

He was being transported to Rood and Riddle Equine Hospital, where he'll undergo further evaluation and is expected to be operated on by Dr. Larry Bramlage said trainer Larry Rivelli.

Rivelli added that Two Phil's showed no sign of injury until Sunday morning, when pressure was detected in his right front ankle.

"It probably puts him out for the rest of the year," Rivelli said. "We're sick."

Rivelli said stallion farms have shown interest in acquiring Two Phil's, and it's not out of the question that the colt won't run again. **Cont. Pg. 4**

Entitled Star, who sports a robust 13-for-80 lifetime mark, was ridden by apprentice jockey Meagan Fraser. The two have a connection: Entitled Star was responsible for giving Fraser her first career win last September at Century Mile.

McKenzie has started two horses for a combined five starts this year, and the victory was his first of the season. Equibase credits him with 623 lifetime victories, but that database only goes back to 1976, when McKenzie was closing in on age 50 and already had four successful decades of horsemanship under his belt. Numerous published reports credit him with at least 1,000 more victories dating back to the 1940s.

An October 2022 [profile by Curtis Stock](#) in Canadian Thoroughbred noted that McKenzie is up at 5:30 a.m. every morning and "still pedals his bicycle around the Century Mile backstretch, acting like a guy half his age."

McKenzie started getting on horses in 1937 at age 10 at an Edmonton riding academy. By 13 he had his first bush-track mounts on what was then known as western Canada's long-since-defunct "B" circuit of small-town half-milers and county fairs. By 17, he was the B circuit's leading jockey with 87 victories, scoring in stakes like the Red Deer Derby (twice) and Rimbey Derby.

Great Escape won Century Mile's 2022 GIII Canadian Derby |
Coady Photography

With a knack for winning races in bunches while tacking just 93 pounds, McKenzie soon graduated to the "A" tracks of the old Western Canada Association. But young Red's body began sprouting faster than his career, and he outgrew riding after 300 wins as a jockey. Not wanting to go through the rigors of reducing, he turned to training, which he had already begun learning to do long before he got his license.

McKenzie cultivated a winning touch with everything from 2-year-olds to older horses, from claimers to stakes, gaining an advantage by shoeing his own trainees. **Cont.**

NEW STAKES WINNER

KANT HURRY LOVE's VICTORY AT BELMONT IN THE \$125K DANCIN RENEE, AFTER A 7 1/4 LENGTH ROMP AT AQUEDUCT, CAPPED OFF ANOTHER SOLID SEVEN DAYS FOR HER SIRE. LAST SUNDAY, THE 18TH, OUR SHOT CLOSED LIKE A FREIGHT TRAIN IN A \$100,000 STAKE AT MONMOUTH, JUST MISSING BY LESS THAN THREE PARTS OF A LENGTH AT THE WIRE.

THE SAME DAY, LADY RADLER, COMING OFF A STAKES VICTORY, WON HER SECOND STRAIGHT.

THREE DAYS LATER, CORNINGSTONE COMING OFF A 12 1/4 ALLOWANCE WIN, PLACED IN THE \$100,000 HOOSIER BREEDERS SOPHOMORE H.

AND ON SATURDAY, DRIFAROS RAN SECOND TO GRADE 1 WINNER SOCIETY, DEFEATING GRADE 1 WINNER MATAREYA, IN THE GRADE 3 \$225,000 CHICAGO STAKES WHICH WAS RUN IN TRACK RECORD TIME.

Congratulations to Kant Hurry Love's connections:

Owner: Ken Wheeler, Jr.

Breeders: Dr. John M. & Laura G. McDermott

Trainer: David P. Duggan

www.hillndalefarms.com

Over the decades he won the Canadian, Saskatchewan, and Alberta Derbies, and although he sometimes ventured to the higher-profile Toronto tracks or occasionally to Northern California or New York with the right horse, western Canada was his home. His best horse was Grandin Park, an Alberta-bred who campaigned from 1972 through 1980, amassing a 29-17-14 record from 116 starts.

TDN could not reach McKenzie prior to deadline for this story to ask his thoughts on winning a race at age 96.

But 15 years ago, when McKenzie was 81, he **told Horse Racing Alberta** in a video interview, "Age is just a number. If you've got nothin' to do, you'll get old awful fast. Horses can keep you young, I think."

On the western horizon...

With the reported injury to GIII Ohio Derby winner Two Phil's (**Hard Spun**), let's not forget the talent in the sophomore division currently parked out west. Three horses who had to be withdrawn from Kentucky Derby consideration because of fevers earlier in the spring are at various stages in getting back on track.

Geaux Rocket Ride (**Candy Ride {Arg}**) won the Affirmed S. at Santa Anita back on June 4. He's being aimed for the Haskell.

Skinner (**Curlin**), who was third in the GI Santa Anita Derby, will reportedly contest the July 8 Los Alamitos Derby.

Practical Move (**Practical Joke**), who beat both Geaux Rocket Ride and Skinner at Santa Anita, has yet to post a published workout since being scratched two days before the Derby.

There's also early-season phenom and 2-for-2 '**TDN Rising Star**' Arabian Knight (**Uncle Mo**), who is unraced since winning the Jan. 28 GIII Southwest S.

He also appears Haskell-bound, with five published works since May 29 at Santa Anita, the last two of them bullet moves.

Two Phil's Cont. From Pg. 1

"He doesn't owe us anything. In my experience, they aren't usually the same horse after something like this. We don't know the extent of it all yet. The amount of time off he'll need still is to be determined," Rivelli said.

Sol Kumin's Madaket Stables bought half of owner Phillip Sagan's share after Two Phil's breakthrough victory in the GIII Jeff Ruby Steaks March 25 at Turfway Park.

After his Derby runner-up finish in which he contested a hot pace before just losing out to Mage, Two Phil's and his connections passed on the GI Preakness S. and the GI Belmont S. and were using the Ohio Derby as a bridge to races like the GI Haskell S. and the GI Travers S. later this summer.

The consistent Kant Hurry Love made her stakes debut a winning one Sunday at Belmont Park. The bay filly sat right off pacesetting Grannys Connection through splits of :22.72 and :45.68, but lost touch with the leader as the favorite skipped clear in upper stretch. Kant Hurry Love was some two lengths adrift of the longtime leader as they passed the furlong marker, but she closed determinedly in the dying strides to just get her nose in front on the line.

"I didn't think we got up to be honest," winning trainer David Duggan said. "We were just hoping to get a place at the top of the stretch because it looked like Tom [Morley]'s filly was gone. [Trevor McCarthy] popped her one and then she started to re-rally."

Now on the board in 14 of 16 starts, Kant Hurry Love opened 2023 with a pair of wins against state-bred company at Aqueduct, the first of which was for trainer Christophe Clement before relocating to Duggan's barn for the second. Moving to open company, she was nosed out of an allowance victory when second Feb. 25 and won a Mar. 25 allowance before finishing third in a May 12 optional claimer at Belmont last time out.

"She'd worked so well and had been doing so well the past couple of weeks since her last race," Duggan said. "I just think the last race was a lot better than it seems because she got stuck down in on the inside. I'm just delighted for the filly coming through the New York-bred ranks and now getting a stakes win. She's special in our barn." **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Mohawk Trail, on the board in a pair of stakes races this spring, earned her first black-type victory Sunday at Woodbine. The dark filly broke alertly and was taken in hand to track the early leaders behind an opening quarter in :24.41. Within striking distance turning for home, she was tipped out a path to find a seam in upper stretch, forged to the lead with a furlong to run and held off Up and Down to the wire.

"She was doing everything a lot more forward than I really wanted to or anticipated," said winning rider Adam Beschizza, who was making just his second appearance at Woodbine. "She broke right on top of the gate and was almost vying for the lead for the first furlong. [Trainer] Kelsey [Danner] had her perfect for today and she's really done a good job with her. She was in perfect condition coming into this, almost too ready. All she wanted to do was please. She was there very early from the beginning and almost there too soon. So, at the last eighth of a mile there, she was almost easing up, waiting for company."

A maiden winner over the Gulfstream lawn last December, Mohawk Trail added a Tampa optional-claiming victory in February before finishing eighth in the Mar. 11 GIII Florida Oaks. She was third in the Apr. 1 Sanibel Island S. at Gulfstream and was cutting back in distance after a runner-up finish in the one-mile Horseshoe Indianapolis H. May 17.

Act a Fool was well-beaten on debut at Turfway Park back in January before rattling off three straight front-running wins at Hawthorne, most recently taking a June 4 allowance by five lengths. The dark bay colt set the pace from the bell, controlled the fractions through the first half-mile at :49.80 and remained unchallenged down the lane. Out of a female family which includes GISW Coffee Clique (**Medaglia d'Oro**) and MGSW Admission Office (Point of Entry), the winner has a pair of full-siblings in a 2-year-old filly and a yearling colt. Power in Numbers earned his third straight victory--and first stakes win--while facing just three rivals in the off-turf Tale of the Cat S. at Monmouth Sunday. The heavily favored Chad Brown trainee chased a pair of rivals into the first turn, but was last of four in a compact field down the backstretch. The dark bay rushed up three wide to challenge for the lead into the far turn and came into the stretch on even terms with Arrebato. He put that stubborn foe away with a sixteenth to run and surged clear to the wire.

"The instructions from Chad were never that this horse had to go to the lead," said assistant Luis Cabrera. "He said, 'Just break and let him settle where he is comfortable and go from there.' The key is that there was no one outside this horse, so it was perfect. We know the horse will finish. He has been really good lately so we thought we'd try to win a stakes race with him and he came through."

The Tale of the Cat victory was part of a three-win afternoon for Klaravich Stables, which captured an allowance at Belmont with Program Trading (GB) (Lope de Vega {Ire}), as well as an allowance three races later on the Monmouth card with Systemic Change (**Ghostzapper**).

Power in Numbers, second as a well-backed favorite in his seven-furlong debut at Aqueduct in mid-January, was a well-beaten fourth going one mile at the Big A the following month. He graduated with a front-running victory against \$75,000 maiden claimers Apr. 2 and added an optional claimer win at Monmouth June 2. The colt is entered in the upcoming Fasig-Tipton July Horses of Racing Age sale.

The winner's dam has an unraced 2-year-old filly named Up On the Edge (**Upstart**), who sold to September Farm for \$100,000 at last year's Keeneland September sale before RNA'ing for \$50,000 at this year's OBS Spring sale. The mare also has a yearling colt by **Preservationist** and produced a colt by **Complexity** Apr. 16. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Heavily favored here, the gray filly flashed early speed from an outside post and took the lead into the first turn. BLUE LIGHT (c, 3, City of Light--In the Moonlight, by Tapit) appreciated the move west to Ellis Park off a troubled sixth in similar company at Churchill Downs a month ago and logged his second career win here by 1 1/2 lengths. After the sharp break, he gave up the early lead to Bohemian Bo (Gentlemen's Bet) to his inside for the run up the backstretch, while favored Sweet Cherry Pie (**Twirling Candy**) chased up close to his outside in third. The winner made his move toward the lead as he rounded the far bend and was narrowly ahead past a half-mile in a quick :44.10, and after the top three straightened out for the drive together, Blue Light slowly pulled away as he drifted over toward the rail and cruised to victory as a 9-1 outsider. In the Moonlight, who is a half-sister to Grade II winners Wilburn (Bernardini) and Beethoven (**Sky Mesa**), also has a yearling filly by **Medaglia d'Oro** and produced a full-brother to Blue Light earlier this year. The 3-5 favorite prompted the pace through a quarter in :23.58 and a half in :47.27. He stuck a head in front at the top of the lane and kicked clear at midstretch to win by 2 1/4 lengths. Operation Torch (**War Front**) chased him home in second.

LOYALTY (f, 4, **Hard Spun--Slew's Quality, by Elusive Quality),** whose only off-the-board effort came in her lone turf outing, captured the Lady Erie S. over the synthetic at Presque Isle Downs last August, captured the Duchess S. over the Woodbine all-weather surface in October and was making her first start since finishing third in the Nov. 12 GII Bessarabian S. The 3-5 favorite settled off the pace of a pair of runaway leaders. She pulled her way into contention with a three-wide move on the far turn and effortlessly rolled past the pacesetters into the stretch before sailing down the lane en route to a 3 1/4-length victory. Ambassador Luna (Brethren) was second best. Loyalty, a \$270,000 KEESEP yearling, is a half-sister to My Friends Beer (Stay Thirsty), SP, \$306,170; and Shamrock Rose (**First Dude**), Ch. Female Sprinter, GISW-USA, MSW & GSP-Can, \$968,962. Slew's Quality produced a colt by Authentic last year and was bred back to **Nyquist**. ARMS (g, 4, **Gun Runner--Good Strike, by Smart Strike),** well beaten on debut sprinting 5 1/2 furlongs over Gulfstream's Tapeta surface Apr. 1, graduated over that same track and trip last time out versus \$25,000 maiden claimers May 7. Making his first start over the Woodbine all-weather surface, the gelding dropped back off the pace in the early going as favored Gold Magic (**Good Magic**) set splits of :22.90 and :45.63 with Classic Dancer (**Collected**) pressing along the rail. As the early leaders made their way around the bend, Arms shifted out off the rail and even farther out into the head of the stretch, and under a spirited drive, ran down his tiring rivals to just edge Take Charge

Sousi (Will Take Charge) in the final jump to earn the head victory at odds of 7-1. Some of the more notable names in his female family include his granddam, Group 3 winner Liscanna (Ire) (Sadler's Wells), who is the dam of European champion Brave Anna (**War Front**) and GI Breeders' Cup Juvenile Turf winner Hit It A Bomb (**War Front**). The expensive bay filly broke like a shot and raced closest to the rail through the first half-mile in quick splits of :21.86 and :45.43, and though briefly challenged midway on the turn, she was never really threatened and pulled away down the lane to the handy 1 3/4-length victory at odds of 9-2. HARAS DE BEAUMONT BUYS INTO ACE IMPACT

Ace Impact winning the Prix du Jockey Club | APRH

The Prix du Jockey Club winner **Ace Impact (Fr)** (Cracksman {GB}), who is currently the top-rated 3-year-old in Europe, is to continue his racing career for a partnership which consists of his original owner Serge Stempniak and the Chehboub family. Upon his eventual retirement, he will stand at the Chehboub-owned Haras de Beaumont, close to Deauville.

Unbeaten in four starts to date, Ace Impact set a new race record in winning his Classic for Stempniak and trainer Jean-Claude Rouget. From the first crop of Cracksman, who was one of the earliest stars for his sire **Frankel (GB)**, he was bred by Waltraut Spanner. Unsurprisingly, there has been interest in the exciting young colt from stallion farms around Europe.

"I was very keen for Ace Impact to remain in France for his future stallion career," said Stempniak. "It was also very important for me to engage in a French partnership. I had a lot of offers from abroad. However, I thought that this was a shame because the horse certainly has a great career ahead of him in the breeding shed in France. I'm very happy to enter into a partnership with the Chehboub family whom I met a short while ago. We hit it off straight away. They are people with great human values. I have retained a 50 per cent stake in Ace Impact, and the terms of our agreement stipulate that the horse will carry the colours of both concerns on an alternate race basis.

'MIGHTY STUFF' - WAIPIRO'S BREEDER MOLAN GETTING USED TO THE SPOTLIGHT

By Brian Sheerin

When the first horse Shane Molan bred in his own name turned out to be the multiple Group 1-winning star Waikuku (Ire) (Harbour Watch {Ire}), he didn't dream the achievement would ever be topped. But Waikuku's dam London Plane (Ire) (Danehill Dancer {Ire}), who Molan famously bought for just €13,500 from Hyde Park Stud at the Goffs February Sale back in 2013, has proved herself to be anything but a one-hit wonder.

Nor is the 37-year-old breeder who operates from the family base in Limerick at Riversfield Stud, which was once again put in the spotlight when Derby sixth Waipiro (Ire) (**Australia {GB}**), a half-brother to the horse who put Molan on the map, stormed to Royal Ascot success. Like Waikuku, Waipiro carried the familiar red and black-striped silks of Hong Kong-based owner Siu Pak-Kwan, to victory in the G3 Hampton Court S. at Ascot.

Ace Impact to Haras de Beaumont, cont. from p1

My last condition was that Ace Impact's Arc bid should be in my colours."

Pauline Chehboub owns Haras de Beaumont with her father Kamel, traditionally racing their horses under the banner of La Gousserie. The stud, which is on part of the land formerly used by the historic Haras du Quesnay, was officially launched in December and is already home to the stallions Sealiway (Fr), who covered 160 mares in his first season this spring, and Intello (Ger), who was sent 130 mares.

She said, "Ace Impact is the best Classic winner of his generation in Europe, and his rating ranks him among the top five horses in the world. Ace Impact represents an exceptional opportunity for French breeders. We're really of the same mindset as Serge Stempniak, as letting him go abroad would have been a huge loss. He's also a very attractive type. With the help of Mathieu Alex, who is a key lynchpin in the success of Haras de Beaumont, we are fortunate to have enjoyed a successful first breeding season."

Jean-Claude Rouget signed for Ace Impact as a yearling at Arqana for €75,000. He has indicated that his ultimate aim this season is the G1 Prix de l'Arc de Triomphe, with the colt likely to be seen next in Deauville in the G2 Prix Guillaume d'Ornano. After that, Ace Impact could head either to Longchamp for the G2 Prix Niel, or to Leopardstown to contest the G1 Irish Champion S.

The trainer said, "This is a very good indicator for French racing and breeding. Kamel Chehboub has made a major statement by purchasing a 50 per cent stake in Ace Impact, and with the aim of standing him as a stallion at his Normandy stud when his racing career ends. Serge Stempniak, having acquired the colt as a yearling at the Deauville sales, will retain 50 per cent in the colt, at least until the Prix de l'Arc de Triomphe, in which we hope to run."

Haras de Beaumont manager Mathieu Alex, who played a key role in the stallion career of another Prix du Jockey Club winner, Le Havre (Ire), added, "The stallion business is extremely competitive, so securing a high-class horse like Ace Impact is fantastic news for Haras de Beaumont and for France."

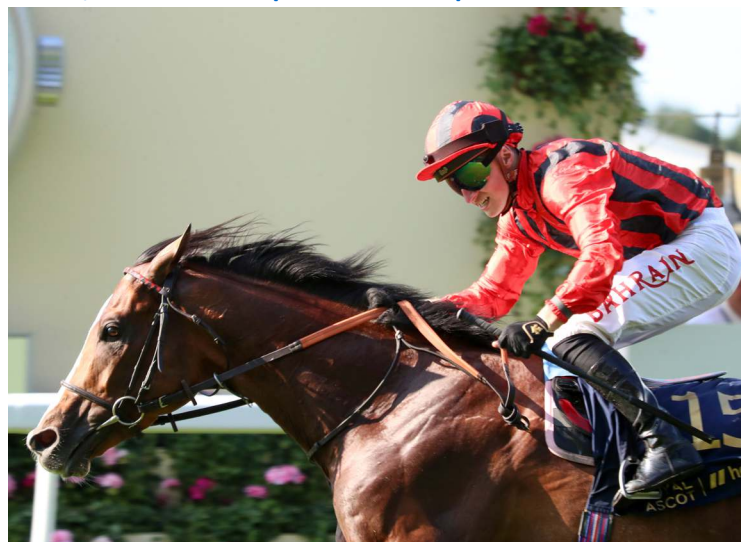

Unbeaten, Ace Impact is the fastest Prix du Jockey Club winner and his rating of 123 makes him the best 3-year-old in the world today. He's got a great mind and his turn of foot is exceptional. In the care of one of the best European trainers, Jean-Claude Rouget, his future is exciting."

Molan, breeder of Waipiro cont. from p1

Waipiro | Racingfotos.com

While Molan says that the horse is likely to continue his career in that part of the world eventually, he stated how he believes there could be more to come from Ed Walker's charge in Britain first. He said, "Last week was mighty stuff. The mare is actually just scanned back in foal to Night Of Thunder (Ire) so hopefully all goes well there. She has a **Wootton Bassett (GB)** filly foal on the ground and we're very happy with her."

Molan added, "I suppose connections could have one eye on the Hong Kong Derby but I'd love to see him continue progressing in Britain for now anyway and see where he can go."

"He seems to have plenty of speed and plenty of ability as well. He showed a lovely turn of foot to come through the gap and put the race to bed quite easily. Hopefully he can keep on climbing the ranks."

Riversfield Stud may be a small operation in terms of the number of mares residing at the Limerick outfit but this is a farm that has continuously punched well above its weight. Molan's father Tom bred Harbour Watch (Ire) while the father-and-son duo combined to produce Bright Diamond (Ire) (El Kabeir), who finished fifth in this year's Oaks.

While the temptation for similarly small outfits would be to produce speedier types that will ultimately prove to be more commercial, Molan has explained how playing the long game in producing horses for the track rather than the sales ring in beginning to bear fruit.

He said, "Over the years, we would have kept seven or eight mares but we're back to just six mares on the farm now. It's a small operation. When we had the extra few mares, we were breeding them more commercially and we were getting winners but nothing of Waipiro's calibre.

"We probably breed for the track more so than the sales ring to a point and that's paying off now. It is a balancing act, though, because you need to be able to pay your bills. We try to breed the mares as best we can on paper and on budget and then just hope for the best."

Off the back of Waikuku's success in Hong Kong, BBA Ireland's Richie Fitzsimons contacted Molan on behalf of bloodstock agent Alastair Donald, who looks after the interests of Siu, to see if the breeder would be interested in selling the younger brother. A deal was brokered after Fitzsimons saw Waipiro at Molan's base in Limerick and both parties can count themselves pleased with how things have worked out since.

Molan recalled, "John Oxx bought Waikuku from me at the Tattersalls Ireland September Yearling Sale in 2016 [for €33,000] and then Alastair Donald bought the horse privately after he won his maiden at Leopardstown.

Waikuku | racingfotos.com

"It was a couple of years back when Richie Fitzsimons of BBA Ireland contacted me asking if I would be interested in selling Waipiro privately. That was through Alastair Donald again on behalf of the same owners as Waikuku so it's brilliant for them.

"Waikuku won close to €5 million in prize-money for the Sui family and Waipiro has won at Royal Ascot for them and is still progressing. I'd imagine he will head to Hong Kong at some stage and, if he settles in there,

you would hope that he will win a lot of prize-money."

On the reasoning behind sending the mare to Australia, he added, "When I bred Waipiro, Waikuku had only just won his maiden and I didn't have a massive budget to play with. Australia was holding his own and it was just the Danehill and Galileo (Ire) cross that was on my mind when I decided to go to him."

Molan may not have had to bring Waipiro to the sales but revealed that sending the colt's dam London Plane to one of the boutique mares sales at the end of the year is coming under strong consideration.

He said, "It has crossed my mind. I've had two daughters of the mare in training. The two-year-old is by Acclamation (GB) and is in training with Ken Condon and then I have Dancing Rebel (Ire), who is by Highland Reel (Ire) and won over five furlongs at the Curragh. She's in foal to Blue Point (Ire)."

"So, it actually crossed my mind to sell London Plane given I have two of her daughters coming through. If Waipiro was to go and pick up a Group 2 or be competitive in Group 1s, well then the mare becomes a lot more attractive to prospective buyers."

What the Molans have achieved with their small but successful broodmare band was there for everyone to see at Epsom earlier this month when Riversfield Stud graduates Waipiro and Bright Diamond ran solid races in the Derby and Oaks respectively.

Molan said, "I'm not in the game a very long time but I'm in it long enough to know that there are plenty of bad days. It has a habit of levelling you so you have to enjoy the good moments."

"Dad and I will have to split Bright Diamond as well. Dad owned her granddam, Devious Diva (Ire) (Dr Devious {Ire}), who produced Starlite Sienna (Ire) (Elusive Pimpernel). We sold her as a yearling before buying her back at the July Sale and then I chose to go to El Kabeir with her. I don't know if that was a good thing or a bad thing! But it was just the Scat Daddy line that I was keen to get into as I'd spotted that **No Nay Never** was out of an Elusive Quality mare as well. That's the line I followed there."

He added, "I was at Epsom and it was lovely to be there. I actually thought Bright Diamond ran well in the Oaks and I'd like to see her run in the Irish Oaks now."

"It is hard to get your head around the fact we bred a runner in the Oaks and the Derby because, not only are we breeding five

or six foals a year, but we're up against some of the biggest breeding operations in the world.

"Like, Coolmore sent Rhododendron (Ire) off to Japan to be covered by Deep Impact (Jpn) and there we are up against Auguste Rodin (Ire) with our Australia colt out of our €13,500 mare. On paper, we shouldn't be there at all, so it was an unbelievable achievement."

Lucan Bloodstock Builds for the Boys

Conor and Dean, 8 and 6 years old, are living with Duchenne Muscular Dystrophy. It is a fatal, muscle-wasting condition for which there is currently no cure. They are already struggling to do all the things that they love, like playing tag with friends, dancing to music and riding their bikes. Initially, a specialised mobility vehicle will be needed in order to transport the boys and their wheelchairs to and from school, for activities, and for social visits to their friends and relations.

Unfortunately, the family will need to move from their current home in Lucan. Funds raised will help with extensive renovations to the property in order to facilitate movement and access for two full sized power-chairs. The installation of medical equipment and amenities will also be necessary.

All funds kindly donated will go towards the '**Build for the Boys' Trust**' – which has been set up to cater for the boys' growing needs as the symptoms of this cruel condition become more and more debilitating over time. Help us to build a future for them in which this rare, life-limiting disability does not limit their dignity and their joy for living.

Valiant Force Winning the G2 Norfolk S. | PA Media

“He’s probably going to be aimed at the Breeders’ Cup now in November,” Murray said. “He will more than likely run before then but having talked to the owner he is keen to go there, so that will be our big target for him.

“He’s a horse with a lot of speed, so I would say we will stick to five furlongs for the time being.”

Murray sent out three runners during the Royal Ascot meeting, including **Bucanero Fuerte (GB)** (**Wootton Bassett {GB}**), who was third in the G2 Coventry S. He is also owned by Amo Racing.

“He’s a really nice horse and I think he’s going to be a really good horse down the road, there’s lots of improvement to come from him yet,” Murray said. “He might go for a Group 1 at the Curragh, but we will need to sit down and have a discussion. He’s entered for a couple of Group 1s but it might be the Phoenix S. for him. He’s entered in all the good races anyway, but we’re not going to rush him though.”

PLANS OUTLINED FOR SHADWELL RUNNERS

After missing the G2 Hardwicke S. at Royal Ascot due to fast ground, Shadwell's **Hukum (Ire)** (**Sea The Stars {Ire}**) is expected to make his next start in the G1 King George VI and Queen Elizabeth S. July 29. Victorious at the Royal meeting last season in the G1 Coronation Cup, the 6-year-old returned after almost a year on the sidelines following a hind leg fracture to defeat Derby hero Desert Crown (GB) (Nathaniel {Ire}) in May 25 G3 Brigadier Gerard S.

“Hukum will run if and when we get some rain,” confirmed Shadwell's racing manager Angus Gold. “It was a touch and go situation Saturday. We were longing to run him, but [trainer] Owen [Burrows] just felt in the end that, while we could run him and he could win it, he might come back a bit sore after it and we’d all look silly.”

He continued, “We kept him in training and spent a lot of time getting him right again after his injury last year and he just felt it was too big a risk. It is frustrating but sensible.”

“Very much the idea is the King George. If the ground was good or even if it was good to firm, we might have to take a chance. That’s the big day. We will see how we are going nearer the time.”

Gold also confirmed that G1 Prince of Wales's victor **Mostahdaf (Ire)** (**Frankel {GB}**) will miss next week's G1 Coral-Eclipse S., a race that has been earmarked for G1 Prix d'Ispahan winner **Anmaat (Ire)** (Awtaad {Ire}).

“Mostahdaf has come out of it very good, said Gold. “I spoke to [trainer] John Gosden [Saturday] and he says he is bouncing.”

“The Eclipse is off the cards for Mostahdaf. We still have Anmaat in, ground permitting. If he’s in good form and conditions look suitable, hopefully, we will go there with him.”

“I think we will be sitting still with Mostahdaf and, hopefully, get him to York in the same form in August.”

Listed winner **Al Asifah (GB)** (**Frankel {GB}**), who finished sixth after being supplemented to Thursday's G2 Ribblesdale S., will also be given some time off, according to Gold.

“We’ll give her a break now and get her back in the autumn,” he said. “I still think she will be a very nice filly. We haven’t even discussed targets. We will give her some gentle downtime, three weeks or so, then bring her back and take it from there.”

Dual Group 2 winner **Mutasaabeq (GB)** (Invincible Spirit {Ire}) will also be given a freshener following an eleventh in the G1 Queen Anne S. Tuesday. Victorious in the G2 bet365 Mile at Newmarket May 5, the 5-year-old came home fifth in Newbury's G1 Lockinge S. May 20.

“We’ll see what there is for him, but we will just give him a bit of time now,” he explained. “He’s had three runs relatively quickly, but he’s the sort of horse who could easily come out and win another Group 2 later in the year.”

NEW INDIVIDUAL WORLD POOL RACE TURNOVER RECORD SET AT ROYAL ASCOT

Frankie Dettori wins the Gold Cup on Courage Mon Ami
Focus On Racing

The Hong Kong Jockey Club (HKJC) announced Sunday that its World Pool, the globe's largest commingled horse racing pools, broke the record for single race turnover in a World Pool race when HK\$66.2 million (£6.6m) was bet into Saturday's G1 Queen Elizabeth II Jubilee S., eclipsing the HK\$66.1 million wagered in the 2022 G1 Betfred Derby. Saturday's total turnover of HK\$323.4 million (£32.5m) is the third-highest World Pool day of all time, checking in behind the Friday (HK\$351.8m) and Saturday (HK\$340.9m) of Royal Ascot in 2022.

The other two biggest pools of the week were in Friday's G1 Commonwealth Cup and the Tuesday's G2 Ribblesdale S., both drawing HK\$50.5m (£5.1m). Total World Pool turnover for Royal Ascot 2023 hit HK\$1.5 billion (£154m), slightly down from the HK\$1.6 billion wagered a year ago, which was an increase on 2021's figure of 35%.

"Royal Ascot produced exceptional racing once again and it is clear that international racing fans have embraced the quality and depth of fields across the five days," Winfried Engelbrecht-Bresges, Chief Executive Officer at the Hong Kong Jockey Club, said. "World Pool offers the best international racing for customers across the globe. In the four years since we launched World Pool at Royal Ascot, the Hong Kong Jockey Club has forged--and enhanced--a host of World Pool partnerships around the world and we are delighted at the significant progress achieved so far."

On Saturday, the HKJC also announced that it has renewed a five-year World Pool partnership agreement with Ascot Racecourse to continue to promote racing as a global sport. Ascot and the HKJC formed the first World Pool partnership in 2019 and the new agreement runs through 2028.

The next World Pool event will be the G1 Irish Derby at The Curragh Sunday, July 2.

ASIA

EQUINOX AT HIS BRILLIANT BEST IN

TAKARAZUKA KINEN *by Alan Carasso*

Equinox | JRA

The fan-voted G1 Takarazuka Kinen drew no fewer than eight Group 1 winners, but the spotlight was squarely on Silk Racing's world number one **Equinox (Jpn)** (Kitasan Black {Jpn}), who was making his first start since decimating a world-class field in the G1 Longines Dubai Sheema Classic at Meydan in late March. At the end of 2200 metres in front of a reported crowd of 45,000 at Hanshin Racecourse Sunday afternoon, the baldy faced 4-year-old did not disappoint, overcoming a wide trip that was very much by design before holding off longshot **Through Seven Seas (Jpn)** (Dream Journey {Jpn}) in the waning strides. Leading stayer **Justin Palace (Jpn)** (Deep Impact {Jpn}) outfinished the regally bred **Geraldina (Jpn)** (Maurice {Jpn}) for third.

Drawn neatly in gate five in a race that has not been kind to favourites of late, the 1.30 (3-10) chalk secured a midfield position passing the stands for the first time, but drifted back through the pack as 2011 runner-up **Unicorn Lion (Ire)** (**No Nay Never**) and the 3-year-old **Dura Erede (Jpn)** (Duramente {Jpn}) set off at a brisk gallop that saw the opening four furlongs traversed in :46.6.

In the company of Geraldina and Through Seven Seas at the tail of the field as they reached the halfway point, Equinox was still ridden quietly by Christophe Lemaire and they raced with cover before steering out at the 600-metre pole. Happy to sacrifice that considerable ground loss for an unchecked passage, Equinox was some nine or 10 wide off the final corner, but steamed down the centre of the course--the best ground on the afternoon--and went on to win cosily.

Through Seven Seas did not have the luxury of clear sailing and was strung up in traffic at a crucial stage before rattling home to put at least a small scare into those that backed Equinox. Distant second betting choice Justin Palace, backing up significantly in trip after winning the G1 Tenno Sho over two miles last time, predictably kept on well for third. Sunday's tactics were dramatically different from those used in Dubai three months ago, when they chose to lead with Equinox and he glided effortlessly away. In the end, Lemaire was happy to play the hand he was dealt. "Though we were unable get a good position toward the front due to the fast pace at the beginning, the horse was relaxed in the rear and I wasn't worried at all," Lemaire said. As the inner track condition was not so good, we made [our] bid from the outside early and turned wide to the straight where he stretched really well. Hanshin's inner course is tricky and the Takarazuka Kinen is a difficult race to win even for champion horses, so I'm very happy that I was able to win the race with the No. 1 horse in the World's Best Racehorse Rankings. I realized again how strong he is. I hope to win more big races with him in autumn." The victory earned Equinox a fees-paid berth into the G1 Breeders' Cup Turf in November and also a spot in the G1 Cox Plate, though big-money events at home including the G1 Tenno Sho (Autumn), G1 Japan Cup and G1 Arima Kinen will naturally be strongly considered. Equinox skipped last year's Japan Cup, but was victorious in the other two races en route to being named Horse of the Year.

Pedigree Notes

On behalf of Shadai Farm, bloodstock agent Patrick Barbe went to \$410,000 to acquire Equinox's fourth dam, Blanche Reine (Fr) (Nureyev) in foal to Alleged at the 1988 Keeneland November Sale and the resulting produce was Maison Blanche, a stakes-placed earner of better than \$931,000 for Kazuko Yoshida whose half-brother Balleroy (Kaldoun {Fr}) won the G3 Prix de Guiche and was second in the G1 Prix Jean Prat in 1991. The family remained fairly quiet until Maison Blanche's foal of 2010, Chateau Blanche, did her part to enhance the page, carrying these same Silk Racing colours when defeating the top-class Marialite (Jpn) (Deep Impact {Jpn}) in Group 3 company in 2015. Chateau Blanche is the dam of three winners from three to the races, a number that also includes Group 3 winner Weiss Meteor (Jpn) (King Kamehameha {Jpn}). She is also the dam of the 2-year-old filly Garza Blanca (Jpn) (Kizuna {Jpn}) and foaled a full-sister to Equinox Feb. 26.

WORLDWIDE NEWS

GEORGE MAIN RENAMED IN HONOR OF KING CHARLES, EVEREST GETS PURSE BOOST

Racing NSW and the Australian Turf Club (ATC) announced on Sunday that the G1 George Main S. will be replaced by the G1 King Charles III S. at Royal Randwick starting this year. The King Charles III S. is named in honour of His Majesty The King and will be run over 1600 metres under weight-for-age conditions and carry a prize purse of A\$5 million, making it the world's richest weight-for-age mile event. Last year's George Main S., won by **Anamoe** (Aus) (Street Boss), was worth A\$1 million in 2022.

The King Charles will run on Oct. 14 along with the world's second-richest Thoroughbred race, the A\$20 million The Everest (which rises from A\$15 million). The entire card offers prizemoney of nearly A\$35 million and includes the A\$2 million The Kosciuszko, the A\$1 million Silver Eagle, the A\$500,000 St Leger S. and the A\$250,000 G3 Angst S. Previously, the George Main S. was held two weeks prior to the G1 Epsom H.

"The King Charles III S. creates a new level of excitement for the Sydney Everest Carnival, with a feature open-age mile race boosting an already mouth-watering Everest Day meeting," Racing NSW Chairman Russell Balding said.

"It is also befitting of Royal Randwick to have a feature race in spring named in honour of His Majesty, to complement the Queen Elizabeth II Stakes in autumn, with Royal Randwick being Australia's only Royal Racecourse.

"At \$20 million of prizemoney, The TAB Everest is now the second-richest race in the world and the richest race on turf. This further increase in prizemoney is not only recognition of The TAB Everest as being the highest-rated race in Australia, but also of the success this event has created in flow-on benefits throughout the entire NSW Thoroughbred industry for the whole of the year."
