

MCPEEK DUO LOOMS LARGE IN STEPHEN FOSTER

Click here for our visit with Stephen Foster contenders
Smile Happy and Rattle N Roll | Sara Gordon

by Katie Petrunyak

Kenny McPeck has managed to keep Lucky Seven Stable's talented pair **Smile Happy** (**Runhappy**) and **Rattle N Roll** (**Connect**) away from the same starting gate until now, but on Saturday the stablemates will meet for the first time in the GI Stephen Foster S. Set to run this year at Ellis Park, the mile-and-an-eighth contest drew a field of eight and is a 'Win and You're In' qualifier for the GI Breeders Cup Classic.

Smile Happy and Rattle N Roll share more than a few similarities, but the main parallel is that the 4-year-olds are both on skyrocketing career trajectories with the potential for big summer campaigns ahead.

CHURCHILL DOWNS REINSTATES SAFFIE JOSEPH, JR.

After **suspending trainer Saffie Joseph, Jr.** indefinitely just two days prior to the GI Kentucky Derby and ordering scratched his trainee Lord Miles (**Curlin**) from the Derby itself, Churchill Downs Incorporated (CDI) has reinstated Joseph and will allow him to enter horses again at all CDI-affiliated tracks.

Two of Joseph's horses, Parents Pride (**Maclean's Music**) and Chasing Artie (We Miss Artie)--both owned by Ken Ramsey--had died at Churchill during Derby week from sudden-death events. A total of 12 horses had passed away over a five-week span at Churchill, prompting the Louisville track to **move the remainder of the meet to Ellis Park** less than a month after the Derby.

The statement from CDI appears below in full:

"Churchill Downs Incorporated ("CDI") announced today that trainer Saffie Joseph, Jr. will be permitted to enter horses in races and may apply for stall occupancy at all CDI-owned racetracks effective immediately. The decision follows the completion of an investigation by the Kentucky Horse Racing Commission ("KHRC") and the release of necropsy reports of two of Joseph's horses that died suddenly in races at Churchill Downs."

"We remain deeply concerned about the condition of Parents Pride and Chasing Artie that led to their sudden death," said Bill Mudd, President and Chief Operating Officer of CDI. "However, given the details available to us as a result of the KHRC investigation, there is no basis to continue Joseph's suspension."

McPeck duo in Stephen Foster, cont. from p1

A 'TDN Rising Star' and the winner of the GII Kentucky Jockey Club S. at two, Smile Happy was a contender leading up to the Kentucky Derby last year, but he settled for eighth on the first Saturday in May. After a long layoff, the son of **Runhappy** returned a winner at Oaklawn in March and finished third in the GII Oaklawn Mile S. before his breakout performance in the GII Alysheba S., where he earned a 110 Beyer Speed Figure.

"This is a fantastic, talented horse," said Kenny McPeck. "As a 2-year-old he didn't win a Grade I, but the Kentucky Jockey Club showed he had such raw talent. He needed an extended vacation after the Derby last year. He had a slight case of distal bone bruising, which is difficult to get a horse to rebound from quickly. We gave him a lot of time and he's come back a better horse. The race in the Alysheba showed how freaky talented he is."

Allowing Smile Happy the time off to improve physically has been one key to his success this year, but another factor has been figuring the colt out mentally. McPeck explained that this trainee can be quirky, noting that the colt doesn't respond well to disruptions in his routine and requires some extra attention on race day.

"During the post parade, he wants to back up and then not come back to the gate," McPeck shared. "So we learned a little trick to get him back to the gate. The race at Oaklawn [Oaklawn Mile] was a little bit short for him, but then we spaced off that and came into the Alysheba and now we've got the gate trick worked out. He tests you, this horse, but my goodness he's so talented. Figuring him out in the mornings has been tricky because at Oaklawn he didn't want to train, at Fair Grounds he trained well, and then we've figured out his number at Churchill. I don't see this horse training anywhere but Churchill probably for the rest of his career. When it's open, he'll be there." **Cont.**

McPeek duo in Stephen Foster, cont.

Rattle N Roll gets a pre-race mint and pep talk from his groom, Peter Soria | Sara Gordon

Fellow Lucky Seven Stables colorbearer Rattle N Roll also showed potential as a juvenile when he claimed the GI Claiborne Breeders' Futurity, but he struggled to find the winner's circle early in his 3-year-old season. While he did not make the Kentucky Derby, he later claimed a trio of summer derbies including the GIII Oklahoma Derby.

After a brief layoff over the winter, Rattle N Roll returned this spring to run fourth in the GII New Orleans Classic S. at Fair Grounds and then launch a winning tear over the course of six weeks, claiming the GIII Ben Ali S., GIII Pimlico Special S. and GIII **Blame** S.

"He's been a good horse from the beginning," McPeek said. "When he won a Grade I at Keeneland, we knew we had our hands on a really good one. He's a get-the-job-done type of horse. When Flavien Prat rode him in the Pimlico Special, he nailed it right on time. Then when he came back in the **Blame** at Churchill, once again, he got the job done. He had a really troubled trip in that race and won anyway. He's a very workmanlike, easy horse to be around."

Never one to adhere to a training rule book, McPeek 'wowed' the crowd at Churchill Downs when Rattle N Roll won the **Blame** S. just two weeks after he got the nose at Pimlico. McPeek explained the reasoning behind the quick return to the races.

"I think today, especially with the no Lasix in a lot of these graded races, if you've got a horse and it's sturdy enough and they're eating well and they're doing well, I don't see any reason why they can't run or shouldn't run," he said. "I'm not one that subscribes to, 'They have to be spaced six weeks in between races to run their best race.' I do believe that people buy their horses to race them as opposed to watching them train and then running sparingly. I suppose I'm going to be criticized by

some by doing that and that's fine as long as we run well and we win."

Some might even scratch their head at McPeek's choice to enter this duo in the same Grade I contest, but the veteran trainer said that he believes the race is the best spot for each colt as individuals.

"I think it was obvious that the race for Smile Happy was the Stephen Foster and we've been plotting for this one for a couple of months," he shared. "We'd like to go Stephen Foster to Whitney. With Rattle N Roll and the series of wins he's had, the options for him were I could have taken him to the [Prairie Meadows] Cornhusker H., which would have been another Grade III, or I could have taken him to the Suburban S. in New York, which is a Grade II. It's a lovely race, but it's not two turns so I was a little bit concerned about changing his routine from two turns to one turn. With a clear mind, it was the right spot for both horses."

Rattle N Roll and Smile Happy were part of the first crop of yearlings that McPeek bought for the Mackin family's Lucky Seven Stable in 2020. Rattle N Roll was a \$210,000 Keeneland September purchase for McPeek and Smile Happy was a \$185,000 Fasig-Tipton Selected Yearlings buy for Lucky Seven.

The Mackins have had success in the sport both individually and as a family over several decades, but campaigning a pair of top-level older dirt colts ranks near the top of their accomplishments.

"The Mackin family has been in the game for 30 or 40 years," McPeek shared. "They love racing, between Mike, Craig, Jeff, Jay and their sister Kim. Their mother and father made seven, but both have passed away." **Cont.**

McPeek duo in Stephen Foster, cont.

“I'm sure that their mother and father would be really thrilled to know the kind of success they're having and we're going to try to keep it going for them. They're wonderful people and really deserve this kind of success.”

McPeek will be looking to earn his first Stephen Foster victory on Saturday.

Rattle N Roll drew the fourth position and will team up with his regular rider Brian Hernandez, Jr. Alongside him in the five hole, Smile Happy will be ridden by Corey Lanerie, who was aboard for the colt's sophomore campaign last year.

The field also includes GII Oaklawn H. one-two-three finishers of Godolphin's Proxy (**Tapit**), Last Samurai (Malibu Moon)—who subsequently ran fourth in the Alysheba—and California-based Stilleto Boy (Shackleford). Ron Moquett's Speed Bias (**Uncle Mo**), who came close to besting Rattle N Roll in the GIII Pimlico Special, dominant GII New Orleans Classic winner West Will Power (Bernardini), and Lothenbach Stables' Happy American (**Runhappy**) round out the race.

Also on Saturday at Ellis Park, McPeek will be represented in the GII Wise Dan by Camp Hope (**Summer Front**). The 5-year-old Walking L Thoroughbreds representative was winless in his first four starts this year, but he scored in an allowance optional claimer at Churchill Downs in June.

“He's been really solid,” McPeek reported. “He won the Bryan Station S. at Keeneland as a 3-year-old. He didn't have a great 4-year-old year, but he seems to be coming back to form as a 5-year-old and his last race was superb. Brian [Hernandez, Jr.] has figured him out and really rides him well.”

Camp Hope will have to take on Set Piece (GB) (Dansili {GB}), who is defending his Wise Dan title from 2021 and comes in off a win in the GIII Arlington S. on June 3. The 7-year-old Juddmonte homebred is trained by Brad Cox, who has won three of the last four editions of the turf contest.

'TDN Rising Star' V V's Dream faces the starter Sunday | Coady

GIII Arlington S. runner-up Get Smokin (Get Stormy) and third-place finisher Harlan Estate (**Kantharos**) will also vie for contention in the 10-horse field.

Rounding out the graded stakes action at Ellis on Saturday, the GII Fleur de Lis S. drew seven fillies and mares headlined by Grade I winners Pauline's Pearl (**Tapit**) and A Mo Reay (**Uncle Mo**).

The McPeek-Mackin partnership will be represented by one last stakes contender over the weekend and it's one that McPeek is more than happy to discuss.

V V's Dream was Mitole's first North American winner when she dominated in her juvenile debut on May 19 at Churchill Downs. Completing five furlongs in :57.91, her 6 1/4-length score earned 'TDN Rising Star' honors. The \$190,000 Keeneland September purchase is owned by Mike Mackin's MJM Racing and she will return to the starting gate on Sunday for the Debutante S.

“V V's Dream is any kind of horse,” said McPeek. “I mean, that filly is really high-level talented.”

GRADED STAKES FIREWORKS SET FOR SATURDAY by J.N. Campbell

Saudi Crown | Coady Photography

Ellis Park will host its first Grade I race in its 100-year history Saturday, but there are plenty of other graded stakes scheduled before the Fourth of July at Belmont Park, Delaware Park, Woodbine Racetrack and Gulfstream Park. Here's a rundown of what's on tap. **Cont.**

Showdown in Belmont's Dwyer

One of two graded stakes on Saturday in Elmont is the GIII Dwyer S. Going a mile, the race pits **Fort Bragg** (**Tapit**), who was forced to scratch from the GI Woody Stephens S. by trainer Bob Baffert when the 3-year-old colt came down with a fever, against the undefeated **Saudi Crown** (**Always Dreaming**), who is making his stakes debut for Brad Cox.

"This gives us options. We can see how we do here," said Tom Ryan, managing partner of SF Racing. "There will be opportunities to stretch him out down the road if we feel that's the right thing. A race like the Allen Jerkens could be on the radar for him later in the summer if we felt like he needs a cutback."

The other half of the co-feature is the GII John A. Nerud S. for older horses at seven furlongs, which includes **Candy Man Rocket** (**Candy Ride** {**Arg**}) the winner of the GIII **Runhappy** S. at Belmont May 13 for Bill Mott. "He's run some good races and if he gets a good trip, he usually runs pretty well," the Hall of Fame trainer said. "I think he's fine on the lead or fine with a target. It just depends how the race sets up."

Promiseher America Looks to Rebound

Trainer Ray Handal scooped up the first graded race of his career when 3-year-old **Promiseher America** (**American Pharoah**) won the GIII Gazelle S. at Aqueduct in early April. With a tough trip in the GI Kentucky Oaks, the chestnut filly will look to rebound in Saturday's GIII Delaware Oaks. She will face a pair of challengers in Juddmonte homebred **Fireline** (Arrogate) from the barn of Chad Brown and Siena and WinStar Farm's **Miracle** (**Mendelssohn**) trained by Todd Pletcher. Also part of this card is the GIII Robert G. Dick Memorial S. over the grass, which includes Ian Wilkes trainee **Miss Yearwood** (Will Take Charge)--winner last out of the Keertana S. at Churchill Downs.

Five at Woodbine

Canada Day on Saturday fits in well as Woodbine Entertainment hosts its own fireworks when it cards five graded races. The GIII Marine S. includes Chad Brown invader **Turf King** (**Ire**) (**Kingman** {**GB**}), whose main rival will be King's Plate hopeful **Twin City** (Klimt), while the GIII Selene S. witnesses the return of reigning Eclipse Award-winning juvenile filly **Wonder Wheel** (Into Mischief).

Not seen since she was ninth in the GI Kentucky Oaks, the Mark Casse trainee makes her first start at her trainer's home base. "I was really disappointed with her effort in the Ashland," Casse said from his Ocala base. "And the Oaks was kind of a weird-run race. Then I wanted to get her up there and train her on the Tapeta. I just find that horses thrive at Woodbine, more than anywhere. I just kind of felt like we needed to get her back to square one, try to get her some confidence."

Wonder Wheel | Coady Photography

Switching to the turf, trainer Larry Rivelli sends sprinter **One Timer** (Trappe Shot) north of the border for the GII Highlander S. as his 4-year-old gelding meets George Weaver shipper **Outlaw Kid** (**Violence**). Also on the grass, the GII Nassau S. includes Todd Pletcher trainee **Scotish Star** (**Arg**) (Key Deputy) who will look to upend current Canadian Horse of the Year **Moira** (**Ghostzapper**). Back on the Tapeta, the top three finishers from the June 4 running of the GII Eclipse S. at Woodbine--**Treason** (**Constitution**), **Carrothers** (Mshawish) and **Tyson** (**Tapit**)--will once again face one another in the GIII Dominion Day S.

Antonucci After More Graded Glory

Trainer Jena Antonucci made history when she won the GI Belmont S. last month and now she is looking for more graded hardware, this time at her southern digs in South Florida. **Doc Amster** (**Midshipman**) will compete in Gulfstream Park's GIII Smile Sprint Invitational S., but the 6-year-old will have to face down potential favorites in **Dean Delivers** (Cajun Breeze) for trainer Michael Yates and **Todo Fino** (**Chi**) (Verrazano) for Amador Sanchez.

NO PROXY FOR THE ONE AND ONLY

Unfortunately, they only have one **Two Phil's** (**Hard Spun**). If they had another, presumably making Four Phils in all, then they might yet have the consolation of a proxy in the big races through the second half of the season. As it is, we can only offer our sympathy to the heartbroken team around a horse that brought us such precious cheer during what is proving a challenging year for our sport.

Because that's the whole point, really. The big programs would be able to temper their disappointment, on losing the services even of a horse as accomplished as Two Phil's, with the likelihood that an equivalent talent will eventually come along. And it was precisely because the circle of friends who launched Two Phil's towards the top of his crop did so by such accessible investment--he's out of the only Thoroughbred ever purchased by the Sagan family, a \$40,000 daughter of a failed stallion--that so many of us identified with their cause. They made us feel we all had a chance.

Two Phil's, moreover, had been progressing from a somewhat sentimental, blue-collar rooting interest to a perfectly credible candidate for what feels an open sophomore championship. He was the only contributor to the GI Kentucky Derby pace that managed to hang tough, and looked better than ever on his first start since in the GIII Ohio Derby last weekend. How maddeningly typical of this game, then, that even in opening up new horizons his owners should suddenly reach a dead end.

They must now regroup, clear their heads and find Two Phil's his best chance at stud. His maternal family contains its challenges, but that is true of a lot of good stallions and something, after all, is demonstrably functioning in his genetic make-up. There is an increasing burden on sons of **War Front**

and **Hard Spun** to maintain the shortest available connection to their breed-shaping sire Danzig, and Two Phil's certainly bears an auspicious resemblance to his excellent sire. Both proved their adaptability by winning the same Derby trial on a synthetic surface, before proceeding to finish second at Churchill. On the right farm, I'm sure that Two Phil's has every chance of writing a new chapter in the fairytale; and his connections have played their cards too faultlessly to need any help in determining which farm might be the right one.

In the meantime, we must just thank them for introducing this authentic ray of sunshine into our present darkness. As I've noted before, that rogue apostrophe actually became part of what the horse stood for: a symbol of his quirky, aberrational advent among those who set expensive standards at the top of the market. He arrived as a defiant Chicago gesture, many in his entourage having been deprived of their natural habitat--and one of the jewels of the racing planet--by the closure of

Arlington Park by the very people who host the Derby.

One of those cast adrift from Arlington was trainer Larry Rivelli, whose prospects of replacing the irreplaceable should at least be enhanced by having drawn national attention to gifts already well familiar on his home circuits. In this bittersweet week, indeed, Rivelli has saddled six winners from nine starters; and these included two "Derby" winners in one weekend, with **Act a Fool** (**Oscar Performance**) making it four off the reel in the Hawthorne Derby last Sunday.

Hopefully Jareth Loveberry, also integral to the horse's development, will now be able to consolidate, as well, having earned his stripes all the way through from Great Lakes Downs.

But if some of these guys end up never quite retrieving the same heights, at least they all seized their opportunity when it came. And they would surely choose the shorter ride they took with Two Phil's over the "better" luck experienced by many others, in being able to restore a horse to training after being derailed before the Classics?

It's not as though there's a piece of paper anyone gets to sign, but how would you choose between Two Phil's or a horse like, say, **Proxy** (**Tapit**)? Having disappeared for 10 months after trying to get to his own crop's Derby via the Fair Grounds trials, Proxy lines up for the GI Stephen Foster S. on Saturday as a mature horse, with every prospect of building on what for now remains a fairly marginal prizemoney edge over Two Phil's. **Cont.**

This Side Up, cont.

Since his comeback, he has also availed himself of a Grade I (in the Clark last fall). He's an admirable creature, in a field replete with similar types. But if you were in a crew that might very well only ever have one shot at the big time, would you not be swung by the fact that every Thoroughbred foal, from the moment it slithers into the straw, has one chance--and one chance only--to take you on the walk over for the Derby?

In the winter of 2021-22, certainly, the McPeck barn wasn't dreaming of the 2023 Stephen Foster for **Smile Happy** (**Runhappy**) and **Rattle N Roll** (**Connect**). The former at least made it to the Derby before his disappearance, but I'm delighted to see him back thriving now. He was bred by the charming Xavier Moreau, from a \$57,000 daughter of Pleasant Tap. That was about as much as Xavier had ever spent on a mare, and tragically he lost her almost as soon as Smile Happy had emerged.

Proxy (outside) | Coady Photography

That's the thing about this game. Yes, absolutely, your little guys can beat the billionaires by breeding a Smile Happy, or a Two Phil's. But nor will they get any special treatment from Lady Luck, just because all their eggs might be in a single basket.

The only answer is an old one: "Gather ye rosebuds while ye may." If that can be in May, and get you anywhere near that blanket of roses, so much the better.

KING WINS BUSINESS EXCELLENCE AWARD AT GFS SUMMIT

Gary King, the Senior Vice President at the *Thoroughbred Daily News*, was the winner of the Business Excellence Award at the Godolphin Flying Start Impact and Influence Conference alumni event Thursday night at the K Club in County Kildare, Ireland.

"The fact that I was voted on by fellow graduates means an awful lot," said King in accepting the award, which is voted on by

Gary King with Godolphin's Joe Osborne | Godolphin Flying Start

the approximately 250 graduates of the program. "A couple of the other award winners touched on it as well, that people recognized what you've done in the industry over the last 13 years. I graduated in 2010, and I've been with the *TDN* since then. I'm surrounded by such talented, hard-working people every day, and it's such an inspiration."

The conference brought together 20 years of graduates from the program, an international management training program which spends two years teaching aspiring future industry leaders in various aspects of the field.

Other winners on the night were Annise Montplaisir, who won the Rising Leadership Award; Craig Rounsefell, who won the Leadership Excellence Award; and Tim Donworth, who won the Rising Star Business Award.

HAGYARD'S DR. WALTER ZENT DIES AT 84

Horsephotos

Renowned equine reproduction specialist Dr. Walter W. Zent, D.V.M. passed away June 29 in Lexington, Kentucky. He was 84 years old.

A New York native, Zent began his love affair with horses as a young child when visiting family in Kentucky. He graduated from Cornell University's School of Veterinary Medicine in 1963, interned at Purdue University, then spent two years investigating infectious disease outbreaks and pathology at the University of Kentucky's Department of Veterinary Science. He began practicing at Hagyard-Davidson-McGee, now Hagyard Equine Medical Institute, in 1966 and was synonymous with that institution for decades.

Zent also remained affiliated with the Veterinary Science Department at the University of Kentucky, as well as the Gluck Equine Research Center. He served as Chair for the Gluck Equine Research Foundation and was instrumental in securing funding for facilities on the University's research farm. The mare reproduction facility is named the "Walter W. Zent-Mare Reproductive Health Facility."

Zent's career focused on advancing the field of equine reproduction, particularly among Thoroughbreds, and nurturing theriogenology (the reproduction specialty in veterinary medicine) among other veterinarians. He played a pivotal role in revolutionizing mare management practices. A past president of the Society for Theriogenology, he was also involved in many other professional veterinary and equine organizations, including the American Association of Equine Practitioners (AAEP). He was an honorary Diplomate of the American College of Theriogenologists and delivered numerous presentations at national and international conferences, as well as authored several book chapters and articles for publication.

In partnership with Tony and Susan Holmes, Zent and his wife

June bred a number of successful Thoroughbreds and Standardbreds, including 2005 GI Breeders' Cup Juvenile winner Stevie Wonderboy (Stephen Got Even) and 2010 GI Breeders' Cup Turf winner Dangerous Midge (Lion Heart).

Zent is survived by his wife, June; daughter Megan Neelis (Trey); son, Drew Zent (Lisa); grandchildren Christine Neelis, Carter Zent, Harry Neelis, Emma Zent, and Maggie Zent; his sister, Phyllis Shapiro; and two nieces.

Visitation will take place Thursday, July 6 from 4:00 p.m. to 7:00 p.m. at Kerr Brothers Funeral Home, 463 East Main Street, Lexington. A celebration of Zent's life and contributions will be held later this year.

FORTE RETURNS TO WORK TAB; NEST, TAPIT TRICE ALSO BREEZE

Reigning Champion 2-Year-Old Colt and '**TDN Rising Star**' Forte (**Violence**) resumed his work schedule on Friday morning over the Belmont Park training track by traversing a half-mile in 50.40 for trainer Todd Pletcher.

With exercise rider Hector Ramos aboard, Forte worked following the 9:30 a.m. renovation break and breezed in company with MGSW **Major Dude** (Bolt d'Oro), who is slated to run in next Friday's GIII Manila S. at Belmont. The move was Forte's first since finishing second in the GI Belmont S.

"We were just looking for an easy work back and I thought that was accomplished today," said Pletcher's Belmont-based assistant Byron Hughes. "I thought he was moving well within himself. He looked comfortable and happy. You couldn't ask for anything more than that at this point."

Another '**TDN Rising Star**', GISW **Tapit Trice** (**Tapit**), breezed a solo half-mile in 48.03 seconds Friday with exercise rider Fernando Rivera in the irons. It was the colt's second work since finishing just behind his stablemate in the Belmont S.

"I thought he breezed really well," Hughes said. "It was a good gallop out for him. He looked pretty sharp today and came out of the Belmont in good shape. He's maybe a little sharper now this time of year than he was last year. But that's what you see in these Tapits. It seems like the older they get, the sharper they get." **Cont.**

Forte, *Tapit* Trice, Nest work, cont.**Nest in last year's Beldame** | Sarah Andrew

Following Forte's breeze, last year's Champion 3-Year-Old Filly **Nest** (*Curlin*) took another step toward her 2023 debut in what DRF first reported as the GII Shuvee S. July 23 at Saratoga. Going five furlongs in 1:01.22 in company with **Too Boss** (El Padrino), the filly began her preparations starting in mid-May.

"I think she's progressed well with each breeze," Hughes said. "She seems to be getting fitter and fitter and responds well to the breeze. With each breeze you can tell that she gets a little sharper every week."

TRACKS CANCEL FRIDAY CARDS, CITE POOR AIR QUALITY

The New York Racing Association, Inc. (NYRA) canceled live racing Friday at Belmont Park due to a rapid decline in air quality during the morning, the organization said in a release midday.

After horses were in the paddock for the first race, the decision was made in consultation with the New York State Equine Medical Director, NYRA management and veterinary staff in order to ensure the safety of all participants.

The indoor facilities at Belmont Park and Aqueduct Racetrack remained open for simulcasting. Live racing is scheduled to resume on Saturday at Belmont Park with a 10-race card with first post at 1:05 p.m. ET.

Earlier on Friday, Woodbine Entertainment canceled their card due to poor air quality, the track said in a release.

Environment Canada's air quality index for Toronto was listed as 'High Risk' and was expected to remain at that level throughout the day. Woodbine's decision to cancel came through consultation with the Horsemen's Benevolent and Protective Association (HBPA) and was consistent with the Alcohol and Gaming Commission of Ontario (AGCO)'s air quality guidelines.

Woodbine said they would continue to monitor the situation and provide updates as required. The next card of live racing, which includes five graded stakes races on Canada Day, is scheduled for Saturday afternoon at 1:10 p.m. ET.

Also, poor air quality in the Mid-Atlantic region caused by smoke from Canadian wildfires forced the Maryland Jockey Club to cancel Friday's live program at Laurel Park, the organization said in their own release.

The entire 10-race program has been moved, as is, to Thursday, July 6 with a post time of 12:25 p.m. ET. Laurel would remain open for simulcasting and live racing is set to resume Saturday.

2-YEAR-OLD COLTS TOP ACTION AT ELLIS

4th-ELP, \$120K, Msw, 2yo, 6f, 2:13 p.m.

EDIFIED (**Tapit**), a half-brother to GI La Brea S. winner Constellation (Bellamy Road), makes his afternoon debut Saturday for owner Courtlandt Farms and trainer Steve Asmussen. A \$650,000 yearling purchase out of Keeneland September last autumn, the colt is out of the stakes-winning mare For Royalty, who brought a final bid of \$2.1m from Summer Wind Equine at the 2017 Keeneland November Sale. For Royalty is herself a half-sister to champion imported 2-year-old colt in Puerto Rico El Viento (El Corredor) and GSW/GISP Kiss to Remember (Big Brown) while Edified's third dam produced full-siblings MGISW Spun Sugar (Awesome Again) and GI Hill 'n' Dale Cigar Mile H. victor Daaher.

Racing as a homebred for Cypress Creek Equine, **Django** (**Medaglia d'Oro**) is a half-brother to GISW Finley'sluckycharm (**Twirling Candy**). Under his third dam is a host of graded-stakes performers including: MGISW Pure Clan (Pure Prize), SW/GISP Princesa Carolina (**Tapit**), MGSW Greater Good (Intidab), GISW Sky Diva (**Sky Mesa**) and SW/MGISW Quick Little Miss (Freud).

Racing for Naoya Yoshida, **Normandy Hero** (Omaha Beach) enters off a best-of-68 drill June 23, going four furlongs in :47 4/5. His dam's half-sister produced GIII Schuylerville S. winner Pretty Birdie (Bird Song) while his third dam is a half to champion 3-year-old filly Bird Town (Cape Town) and GI Belmont S. winner Birdstone (Grindstone). **TJCIS PPS**

5th-BEL, \$90K, Msw, 3yo/up, 1mT, 3:09 p.m.

One of only two first-time starters facing ten rivals, **Memphis** (**Gun Runner**) makes his debut after bringing \$850,000 as a yearling at the Fasig-Tipton Saratoga Select Sale. The colt's third dam, Quiet Dance, produced Horse of the Year Saint Liam (Saint Ballado), GISW **Funtastic** (More Than Ready), and Quiet Giant (Giant's Causeway), the dam of this runner's sire **Gun Runner** (**Candy Ride** {Arg}). **TJCIS PPS**

OPENING NIGHT (f, 4, **Flatter--George's Gal, by During**) drew into this spot as the race came off the grass and was subsequently slammed into 1/5 favoritism. Second behind early pacesetter Cloudy Bay (Cloud Computing), she stayed within striking distance before making a four-wide move into the turn to take control past the quarter pole. The class of the field late, she proved the money was in the right spot with a 6 1/2-length win over Memphis Cash Queen (**Classic Empire**). George's Gal has a winning 3-year-old full-sister to Opening Night and last foaled a yearling colt by **West Coast**. Lifetime Record: 9-2-3-1, \$197,071. **Click for the Equibase.com chart.**

TAPIT'S CONQUEST (c, 3, Tapit--Conquest Lil Miss, by Horse Greeley) was an early player on the Triple Crown trail, contesting both the GII Risen Star S. and the GII Louisiana Derby but not hitting the board in either attempt. Second most recently to runaway winner Arabian Lion (**Justify**) in the Sir Barton S. on Preakness Day, **Tapit's Conquest** returned to face allowance company as the even-money favorite. Up close to the speed of Magic Tap (**Tapit**) despite being caught wide, he began to make up ground on that rival with a move up the backstretch before coming alongside into the stretch. The pair dueled the length of the lane with **Tapit's Conquest** prevailing by a head despite drifting out. Already a half to a pair of graded-stakes horses in Manorelli (**Outwork**), GSP, \$132,500 and Salvator Mundi (Artie Schiller), GSP, \$289,868, **Tapit's Conquest** is out of a half-sister to GISW My Conquestadory (Artie Schiller) and GSW/GISP Runninsonofagun (**Gun Runner**). His only younger sibling is a 2-year-old **Always Dreaming** half-brother. Sales History: \$350,000 Ylg '21 KEESEP. Lifetime Record: SP, 7-2-3-0, \$222,660. **Click for the Equibase.com chart.**

NON VIOLENCE (f, 4, Violence--Singavictorysong, by Hard Spun) debuted a winner Dec. 22 but did not find the line first again until her most recent start at Churchill Downs May 25. Given a 5-1 shot off that effort, she broke to the lead but had to contend with pressure from both Somebody's Problem

(**Runhappy**) and Joke Sisi (Chi) (**Practical Joke**) through quick fractions of :21.73 and :44.16. As that pair of rivals began to fade into the stretch, Non **Violence** found another gear and drew off nicely to the wire to win by six lengths over Joke Sisi who held on for second by a head over Somebody's Problem. A half-sister to GSP Big Hit (Super Saver), Non **Violence** is out of a half to MGSW/GISP Too Much Bling (Rubiano) and to the dam of MGSW/GISP El Kabeir (Scat Daddy). Singavictorysong is responsible for a yearling colt by **Mendelssohn** and foaled a filly by **Lexitonia** this spring. Sales History: \$27,000 RNA Ylg '20 KEESEP; \$190,000 2yo '21 OBSAPR. COPPER EM (f, 2, Copper Bullet--Lovely Em, by Scat Daddy), given just a 15-1 chance for her debut, flashed good speed from the gate and went out to handle the tempo through fractions of :22.31 and :44.83. Bella Haze (**Flameaway**) gave chase throughout and came with a challenge at the top of the lane but Copper Em was ready and turned back that rival to sail home, graduating by 4 1/4 lengths. Playback (Into Mischief), the first foal out of GI Longines Breeders' Cup Distaff winner Blue Prize, never offered much and finished eighth. ROUTE RUNNER (c, 3, Gun Runner--Pure Clan {MGISW, \$1,987,498}, by Pure Prize) endured several close misses over the main track early in his career and was scheduled to be on the turf Friday before the race was moved back to the dirt. One of the longer prices on the board at 4-1, he settled patiently mid pack as Surface to Air (**Midshipman**) paced the field. Still fourth through three-quarters in 1:11.92, he charged up into position five wide around the turn, turned back the leader, and separated himself late to win by two lengths. A son of MGISW Pure Clan, Route Runner is a half-brother to Princesa Carolina (**Tapit**), SW & GISP, \$453,619. Pure Clan, herself a half-sister to MGISW Greater Good (Intidab) and to the dam of GISW Sky Diva (**Sky Mesa**) and SW/MGISW Quick Little Miss (Freud), foaled a full-sister to Route Runner this spring. BEACHFRONT BREEZE (f, 2, Coal Front--Quick Breeze, by Ghostzapper) broke at odds of 9-2 and was outsprinted by Red Head Italian (**Bucchero**) to the lead. Tucked in just off that rival into the turn, she started to inch up as the pair straightened away, drew even inside the final furlong, and just held on to win by a determined neck. The second winner for her freshman sire (by Stay Thirsty), Beachfront Breeze is a half-sister to Bo Cruz (**Creative Cause**), GSP, \$152,210 and out of a half-sister to GI Preakness S. and sire Cloud Computing (**Maclean's Music**). him, Harrington was content to lay back for the backstretch run before coming with a three-wide bid around the far turn. Sweeping up into the lead past the quarter pole, he kicked clear of the field and came home alone to win by 7 3/4 lengths. Lyte Crude (Mizzen Mast) was second while Make Decisions trailed the field home in sixth. Out of a half-sister to GSW and late sire Speightster (**Speightstown**), Harrington's third dam is Canadian champion 3-year-old filly Classy 'n Smart (Smarten), the dam of Canadian Horse of the Year and Eclipse champion 3-year-old filly Dance Smartly (Danzig), Canadian champion 3-year-old filly Dnacethruthedawn (Mr. Prospector), Queen's Plate winner Scatter the Gold (Mr. Prospector), and GSW Dance with Ravens (A.P. IS PRETTY POLLY-BOUND VIA SISTINA THE REAL DEAL?

Via Sistina | Scoop Dyga

By Tom Frary

Very few elite contests are won in the style that **Via Sistina (Ire)** (Fastnet Rock {Aus}) displayed in last month's G2 Dahlia S., but Becky Hillen's star mare has to do it again at the next level in Saturday's G1 Yulong Pretty Polly S. at The Curragh. Granted more ease in the ground, trainer George Boughey is intent on pitching her against the best of the Irish in the 10-furlong test. "I've never seen her look so well and she's been training super, so it's all systems go as long we get a little bit more rain," the trainer said of the former Joseph Tuite-trained 5-year-old, who signed off last season with a win in the G3 Prix Fille de l'Air. "She's travelled over good and she's ready to rock and roll. It's been the plan for a while and we look forward to taking them on."

Joseph O'Brien, who was responsible for two of the last four winners, saddles **TDN Rising Star Above The Curve (American Pharoah)**, who took all of the attention away from Nashua (GB) (Frankel {GB}) when winning last month's G2 Prix Corrida at Saint-Cloud. Last year's G1 Prix Saint-Alary winner is one of two Coolmore hopes alongside Ballydoyle's **Never Ending Story (Ire)** (Dubawi {Ire}) who is backed up 13 days after her second in the G1 Prix de Diane at Chantilly.

Auguste Rodin Faces Eight In Derby Double Bid

Auguste Rodin (Ire) (Deep Impact {Jpn}) will have eight peers to overcome on Sunday in his bid to become the fifth Derby winner for Aidan O'Brien to double up in the G1 Dubai Duty Free Irish Derby at The Curragh. Among them are the Derby third **White Birch (GB)** (Ulysses {Ire}) and fourth **Sprewell (Ire) (Churchill {Ire})**, the only runners not representing the O'Brien family with the Donnacha-trained **Proud And Regal (Ire)** (Galileo {Ire}) and Joseph-trained **Up And Under (Fr)** (Lope De Vega {Ire}) the others taking on a Ballydoyle quintet. Auguste Rodin is drawn next to the rail in one, with the habitual slow-starter White Birch widest of all in eight.

Incredibly, Ryan Moore is looking for a first renewal of this Classic and said in his *Betfair* blog, "If he runs up to the level of his form at Epsom, something is going to have improve markedly to beat him."

Al Riffa | Racingfotos.com

Al Riffa In International Return...

It has taken a while, but Jassim Bin Ali Al Attiyah's G1 Vincent O'Brien National S. winner **Al Riffa (Fr)** (**Wootton Bassett {GB}**) is back in action in the G3 Paddy Power International S. on the Pretty Polly undercard. Not sighted since winning the track's juvenile feature in September, he is giving Joseph O'Brien all the right vibes as he faces another long-absent colt in Ballydoyle's **TDN Rising Star Alfred Munnings (Ire)** (Dubawi {Ire}), last seen finishing a disappointing sixth in the Listed Chesham S. at last year's Royal Ascot.

While Alfred **Munnings** has to dust off the cobwebs, stablemate and fellow **TDN Rising Star Matrika (Ire)** (**No Nay Never**) is back just eight days after her runner-up finish in the Royal meeting's G3 Albany S. as she takes in the G2 Airlie Stud S. Three of Aidan O'Brien's last four winners of this had also been in action in Berkshire, but if this proves too quick a turnaround it may be that it benefits another with Coolmore involvement in

the Joseph O'Brien-trained **Grand Job (Justify)** who was second in Matrika's course-and-distance maiden last month.

Return Acts At Newmarket...

The July Course's season got underway on Thursday and the action there on Saturday is not to be missed, with Charlie Appleby taking the wraps off last year's G3 Gordon S. winner and promoted G1 St Leger runner-up **New London (Ire)** (Dubawi {Ire}) in the Listed Fred Archer S.

"New London has had wind surgery since his last run and we have been very pleased with him at home," his trainer said. "He has been for two racecourse gallops and this looks a good starting point for a campaign that should progress through the summer and into the autumn."

The Fred Archer also sees the comeback of Shadwell's talented **Al Aasy (Ire)** (**Sea The Stars {Ire}**), who looks to become the latest in a sequence to defy a lengthy lay-off having been sidelined since his win in Ascot's Listed Buckhounds S. last May. Interestingly, William Haggas also brings back another of Sheikh Hissa's stars missing in action of late in **Aldaary (GB)** (Territories {Ire}) in the card's G3 Criterion S.

"We need soft ground for Aldaary, I declared him when it was raining," Haggas said of last year's impressive Listed Spring Trophy winner who has been off for the same 420-day stretch as Al Aasy. "The ground is on the slow side at Newmarket, but whether that remains the case we'll see. We can make a decision as late as we need to, but as long as it's not fast I'd say he'll probably run because he needs to get going. Al Aasy is the same, he likes a bit of cut in the ground, but he needs to start. They've both been training well, so I'm hopeful they'll run well."

In the fixture's opening Listed Maureen Brittain Memorial Empress Fillies' S., Charlie Appleby tests the waters with **TDN Rising Star Star Of Mystery (GB)** (Kodiac {GB}) who dazzled at Haydock 16 days ago. She faces Ballylinch Stud's **What A Question (GB)** (Lope De Vega {Ire}), a key member of the Charlie Johnston juvenile academy who was impressive at Goodwood on her debut a day after her Godolphin rival.

"I am sure the connections of White Birch and Sprewell will fancy their chances of at least getting closer to us on this more conventional track. And who is to say they won't. Different day, different course, different result maybe. But everyone saw the real Auguste Rodin in the Derby, stepped up to a trip more in keeping with his superb pedigree and everyone has seen how strong the form is with King Of Steel and Waipiro coming out and winning at Ascot."

AL HUSN SWOOPS FOR HOPPINGS TRIUMPH, NASHWA COLLARED LATE

by Sean Cronin

Last term's G1 Prix de Diane and G1 Nassau S. heroine **Nashwa (GB)** (**Frankel {GB}**) attempted to make all in Friday evening's G3 JenningsBet In Shiremoor Hoppings Fillies' S. at Newcastle, but was collared by **Al Husn (Ire)** (Dubawi {Ire}--Hadaatha {Ire}, by **Sea The Stars {Ire}**) nearing the line in the extended 10-furlong distaffers' test.

Shadwell's homebred Roger Varian trainee settled into a smooth rhythm behind Nashwa's moderate tempo and tracked the leaders in fourth until slipping one spot on the home turn. Urged closer with three furlongs remaining, the 3-1 chance went second entering the final furlong and kept on relentlessly under continued urging to deny the faltering odds-on favourite by a half-length in the dying strides. Al Husn has won six of her last seven outings and backed up a second in the Rowley Mile's May 7 G2 Dahlia S. on seasonal return with a breakthrough success in Ayr's May 24 Listed Rothesay S. when last seen.

"She looked so well in herself tonight and is clearly thriving," said winning rider Jim Crowley. "I was concerned by the nine draw, but she felt in great form and I was able to get a really

nice position. It was a bit of a rush when we turned for home, but she picked up nicely and hit the line well. She's improving all the time and, off that run, you crack on and aim a little bit higher. There's no reason why she can't progress. She's not big, but she's a little terrier and I think she has earned a a crack at the [G1] Nassau. I'll speak to Roger [Varian] and connections, but she'd have nothing to lose running in a race like that and everything to gain. Touch wood she'll progress again."

Racing manager Teddy Grimthorpe admitted Nashwa's effort fell below expectations and said, "I thought it was disappointing. We expected a really a good run for her, as she needed the race in France, but she's been straightforward at home since. Hollie [Doyle] was really happy apart from the last bit, so we obviously have a little bit of thinking to do to see what the best plan might be. In France I knew we were in a bit more trouble, but here I was pretty confident. We'll still think about the [G1] Nassau [at Goodwood], but we have to give it some good consideration."

Pedigree Notes

Al Husn is the fourth of six foals and one of two scorers produced by stakes-winning G1 Prix de l'Opera third Hadaatha (Ire) (**Sea The Stars {Ire}**), herself a daughter of stakes-winning G1 1000 Guineas third Hathrah (Ire) (Linamix {Fr}). Hathrah is one of seven black-type performers out of the multiple stakes-placed Zivania (Ire) (Shernazar {Ire}), headed by MG1SP sire Ivan Luis (Fr) (Lycius) and G3 UAE 2000 Guineas-winning sire Stagelight (Ire) (Montjeu {Ire}). The April-foaled homebred bay is kin to a yearling filly by **Siyouni (Fr)**.

BOOK 1 MILLIONAIRE SNAGS TDN RISING STAR ON DEBUT

Ylang Ylang selling at Tattersalls as a yearling | Tattersalls

by Sean Cronin

There was an abundance of pre-race hype surrounding the Aidan O'Brien-trained debutante **Ylang Ylang (GB) (Frankel {GB})-Shambolic {Ire}**, by Shamardal), who was hammered down to 8-13 favoritism for Friday evening's Kildare House Hotel Irish EBF Fillies Maiden at the Curragh, and she rewarded that faith with a 'TDN Rising Star' display in the seven-furlong test.

Relaxed under Ryan Moore during the preliminaries of a heat won in the last two years by subsequent Group 1 performers **Never Ending Story (Ire) (Dubawi {Ire})** and **Discoveries (Ire) (Mastercraftsman {Ire})**, she was professional on the front end throughout and extended her margin of superiority, keeping on powerfully under mild coaxing, inside the final quarter-mile to easily account for **Dollerina (Ire) (Territories {Ire})** by an impressive 2 3/4 lengths. She becomes **Frankel's** 34th Rising Star and joins a list which includes dual Group 1-winning G3 Hoppings S. runner-up **Nashwa (GB)**.

"She was never away [from home], as she was so babyish, she was working very well and we're delighted with her," O'Brien said. "It was nice to see her doing that and she's probably going to come on leaps and bounds. Ryan [Moore] gave her one back-hander to get down and stretch and said she was only playing in front. The [G2] Debutante S. should be perfect for her. She's working with the good colts no problem, which is usually a very good sign."

Pedigree Notes

Ylang Ylang is the first of two foals out of Listed **Pretty Polly S.**, Listed **Height Of Fashion S.** and Listed **Chalice S.** placegetter **Shambolic (Ire) (Shamardal)**. The March-foaled bay's dam, who has a yearling colt by **Kingman (GB)** to come, is a half-sister to dual G1 **Queen Elizabeth II Cup**-winning multiple Hong Kong champion **Comic Strip (GB) (Marju {Ire})** and G1 **Flower Bowl Invitational** and G1 **Diana S.** heroine **Laughing (Ire) (Dansili {GB})**. **Shambolic** is also a half-sister to the unraced **Blinking (GB) (Marju {Ire})**, whose descendants include stakes-winning G3 **Lillie Langtry S.** third **Twitch (Ire) (Azamour {Ire})**, stakes-winning G3 **Premio Dormello** third **Romsey (GB) (Mukhadram {GB})** and G3 **Sweet Solera S.** third **Mottisfont (Ire) (Adaay {Ire})**.

PERTEMPS NETWORK REVEALED AS JULY CUP SPONSOR

July Cup | *Racingfotos.com*

Newmarket's G1 July Cup is to be sponsored by Pertemps Network, one of the UK's largest recruitment agencies. The top-class sprint, with a total prize fund of £600,000, is part of the QIPCO British Champions Series and takes place on the final day of the Boodles July Festival, which concludes on Saturday, July 15.

Pertemps is already a major sponsor of racing at the Cheltenham Festival, where it has given its backing to the Pertemps Network Final Handicap Hurdle since 2002. It was also previously the sponsor of the St Leger at Doncaster during the 1990s.

"We are delighted to welcome Pertemps Network as the sponsor of the July Cup in 2023," said Sophie Able, manager of Newmarket Racecourses and international director at The Jockey Club.

"Pertemps Network has a long and proud association with The Jockey Club stretching back over 20 years and it is great that they have made the decision to return to sponsorship of Group 1 Flat racing. The Pertemps Network July Cup is always a great spectacle and looks all set to be another marvellous contest this year, as three-year-old and older sprinters lock horns for the first time at Group 1 level."

Tim Watts, lifetime president of Pertemps Network, added, "The July Cup is one of the most historic sprint races in England and we are delighted to have our name associated with it. Pertemps Network itself has a significant pedigree for backing British racing and we are very much looking forward to the Newmarket event next month."

There are currently 18 entries for the Pertemps Network July Cup, headed by recent G1 Commonwealth Cup winner Shaquille (GB) (Charm Spirit {Ire}).

IRISH, GERMAN DERBYS MAKE WORLD POOL DEBUT

The world's largest globally commingled horse racing pools, created and powered by the Hong Kong Jockey Club, will now include both the Irish and German Derbys for the first time on Sunday, July 2.

[Cont., p7](#)

Germany's richest race, the G1 Deutsches Derby, will mark the inaugural time the World Pool has operated in the country and will also be available two hours later for all eight races on the G1 Dubai Duty Free Irish Derby Day card from the Curragh.

The Irish Derby will be the first World Pool event held in Ireland this season | *Focus on Racing*

"The various international Derbys carry particular importance in Hong Kong across various stakeholder categories," said Sam Nati, Head of Commingling at the Hong Kong Jockey Club. "These include racing fans, wagering customers and owners, so the German and Irish Derbys are an important addition to the World Pool schedule."

on the European racing scene

BALLYDOYLE NEWCOMER TAKES THE EYE IN CURRAGH OPENER

13.40 Curragh, Mdn, €20,000, 2yo c/g, 7fT

CITY OF TROY (Justify) looks a significant member of the contingent for this Barronstown Stud Irish EBF Maiden for colts and geldings, being the chosen Ballydoyle representative in a race used for the stable's past luminaries Rip Van Winkle (Ire) (Galileo {Ire}), **Gleneagles (Ire)** (Galileo {Ire}), Roderic O'Connor (Ire) (Galileo {Ire}), Duke Of Marmalade (Ire) (Danehill), Horatio Nelson (Ire) (Danehill) and **Australia (GB)** (Galileo {Ire}). A son of the G1 Fillies' Mile winner Together Forever (Ire) (Galileo {Ire}), the March-foaled bay is a full-brother to the stable's smart 3-year-old Bertinelli and a half to the useful **War Front** trio Military Style, Absolute Ruler and King Of Athens.

14.25 Newmarket, Mdn, £10,000, 2yo, f, 7fT

RACE THE WIND (IRE) (Too Darn Hot {GB}), one of two Charlie Appleby-trained newcomers in the line-up alongside William Buick's choice **Dance Sequence (GB) (Dubawi {Ire})**, is a half-sister to the triple group 1 winner Cascadian (GB) (New Approach {Ire}) and the GI Summer S. scorer Albahr (GB) (Dubawi {Ire}) from the family of Dubawi's Master Of The Seas (Ire). Dance Sequence, who due to riding arrangements may ultimately edge favouritism in the race won two years ago by Inspiral (GB) (**Frankel {GB}**), is a descendant of Magnificent Style (Silver Hawk) whose most famous progeny was Nathaniel (Ire) who made his own debut at this track.

19.12 Chantilly, Cond, €34,000, 2yo, 6fT

ALCANTOR (FR) (New Bay {GB}), who earned a **TDN Rising Star** tag with a scintillating debut display at Saint-Cloud in June, is dropped back a furlong by Ande Fabre for more experience prior to being tested at Deauville next month. From the family of Treve (Fr) (Motivator {GB}), Baron Edouard De Rothschild's colour-bearer faces five rivals including the Saint-Cloud debut scorer **Havana Cigar (GB) (Havana Grey {GB})** representing White Birch Farm and Jean-Claude Rouget.

HOW THEY FARED**14.45 Doncaster, Novice, £9,950, 2yo, 7f 6yT**

Arabic Legend (Ire) (Dubawi {Ire}), the son of the GI E.P. Taylor S. heroine Sheikha Reika (Fr) (Shamardal), was withdrawn.

17.00 Curragh, Mdn, €20,000, 2yo, f, 7fT

The Niarchos Family's homebred newcomer **Bennu (Ire) (Magna Grecia {Ire})**, half-brother to a trio of Group 1-winning distaffers, threatened briefly after halfway, but faded under sympathetic handling in the closing stages to finish just over 10 1/4 lengths behind the winner in 10th.

17.35 Curragh, Mdn, €20,000, 2yo, f, 7fT

Aidan O'Brien trainee **Ylang Ylang (GB) (Frankel {GB})**, who was the second highest-priced filly when acquired for 1.5-million gns at last year's Tattersalls Book 1 sale, made all in impressive style to earn a '**TDN Rising Star**' rosette on debut as the well-backed 8-13 favourite.

20.25 Curragh, Mdn, €20,000, 3yo/up, 10fT

Saturn (Ire) (Galileo {Ire}), the first foal out of Alpha Centauri (Ire) (Mastercraftsman {Ire}), ran a stormer on debut and was just denied the perfect start.

3rd-Newmarket, £10,000, Nov, 6-30, 3yo/up, f, 8fT, 1:40.56, gd. LE MANS (IRE) (f, 3, Kodiak {GB})--Diaminda {Ire}, by Diamond Green {Fr}) dwelt slightly at the break and tanked along under a firm hold in rear through halfway. Angled towards the stands' side for an open lane approaching the two pole, the 7-1 chance surged forward into contention passing the furlong marker and kept on strongly under continued urging to outpoint Fleurir (GB) (**Justify**) by a neck after a ding-dong tussle up the hill. Le Mans is the third of four foals and second scorer produced by a winning

half-sister to G1 Golden Jubilee S. hero Fayr Jag (Ire) (Fayruz {GB}). The March-foaled bay is a half-sister to the dual Group 1-placed G2 Gimcrack S. and G2 Mill Reef S.-winning sire Lusail (Ire) (Mehmas {Ire}) and to the hitherto unraced 2-year-old filly Queen Maker (Ire) (Cotai Glory {GB}). BIGBERTIEBASSETT (GB) (c, 2, Almanzor {Fr})--My Special J's {GSW-Ire, SP-US, \$156,781}, by Harlan's Holiday), who belied his odds of 40-1 when runner-up on debut over 6 1/2 furlongs at Newbury earlier this month, broke alertly to lead. Errant in the clear inside the last two furlongs, the 7-2 second favourite was always in control and hit the line with 2 1/4 lengths to spare over Novello Lad (GB) (Mehmas {Ire}). The dam, who captured the G2 Debutante S., has a sole black-type performer so far and that was her first foal, the Listed Cocked Hat S. runner-up Main Street (GB) (Street Cry {Ire}). From the family of the sires Geri and A. P. Arrow, she is also responsible for the staying handicappers My **Frankel (GB) (Frankel {GB})** and Nathanael Greene (GB) (Nathaniel {Ire}), her yearling filly is by Without Parole (GB) while she also has a filly foal by Waldgeist (GB). STRAIGHT A (GB) (c, 2, Aclaim {Ire})--Straight Away {GB}, by Dubawi {Ire}), fifth on debut behind the subsequent Listed Chesham S. third Golden Mind (Ire) (Galileo Gold {GB}) at Leicester last month, was as green as it gets from the break racing in rear. Making smooth progress to take control approaching the furlong pole, the 2-1 second favourite asserted to score comfortably by two lengths from Different Breed (Ire) (Estidhkaar {Ire}). The dam, whose yearling filly is by Earthlight (Ire), hails from the family of the triple group 1-winning sire Rio De La Plata (Rahy) and last month's Listed Lingfield Oaks Trial scorer Eternal Hope (Ire) (Teofilo {Ire}). WITNESS STAND (GB) (c, 2, Expert Eye {GB}--Respondez {GB}, by Oasis Dream {GB}) was under restraint racing third along the rail after a swift getaway in this debut. Missing a half-stride crossing a path approaching the final quarter-mile, the 9-2 chance was afforded a pull on the home turn before challenging three-wide passing the furlong pole and powered clear in the latter stages to easily defeat Mnawekh (Ire) (Mehmas {Ire}) by an impressive two lengths. MOUNTAIN BEAR (IRE) (c, 2, No Nay Never--Holy Alliance {Ire}, by Holy Roman Emperor {Ire}), a June 7 first-up sixth over course and distance last time, led the far-side group through the early stages and was positioned in an overall fourth when the pack merged at halfway. Shaken up with a quarter-mile remaining, the 4-1 chance led entering the final furlong and was ridden out to assert by a length from Chandigah (Ire) (Churchill {Ire}). "He was green first time and he was still a bit green today," reflected Aidan O'Brien. "He finished sixth in a good maiden [here] the first day, Wayne [Lordan] rode him and liked him. He was more professional today, but Ryan [Moore] said when he got there he was still very green. He's a good cruiser and he shows plenty of class through a race. He's a big, powerful horse by No Nay Never and they are big strong horses with loads of natural speed. I'd say something like the [G1] Phoenix S. could be a target, but you'd like to get a another run into him before that. He will probably come forward plenty and he's not short of pace." Mountain Bear is the eighth of nine foals and sixth scorer from as many runners out of a full-sister to G3 Jersey S. victrix and G1 Irish 1000 Guineas runner-up Ishvana (Ire) (Holy Roman Emperor {Ire}).
