

HIWU RELEASES NAMES OF HORSES INELIGIBLE TO RACE BECAUSE OF INTRA-ARTICULAR INJECTIONS

Sarah Andrew

by Bill Finley and Dan Ross

A day after telling the *TDN* that it was not obligated to make public the names of horses who were ineligible to race or work because they were found to have had an intra-articular injection within seven days of a timed workout, the Horseracing Integrity and Welfare Unit (HIWU) reversed course Friday and published a [list on its website](#) of the 19 horses that were provisionally suspended.

SOPHOMORE TURFERS TAKE CENTERSTAGE AT BELMONT

A pair of Grade I events for 3-year-olds on grass will co-anchor a loaded 12-race program at Belmont Park Saturday.

European invader **The Foxes (Ire)** (**Churchill {Ire}**), a narrow winner of the G2 Dante S. May 18 and fifth-place finisher after stumbling at the start in the G1 English Derby June 3, will make the trip across the pond for trainer Andrew Balding for the G1 Belmont Derby Invitational. The 7-2 morning-line favorite, drawn widest of all in post 11, will square off against 10 rivals, including GII Pennine Ridge S. one-two-three **Kalik (Collected)**, **'TDN Rising Star' Far Bridge** (English Channel) and narrow G1 Breeders' Cup Juvenile Turf runner-up **Silver Knott (GB)** (Lope de Vega {Ire}); and GII American Turf S. winner **Webslinger (Constitution)**.

"He's a high-class horse," Balding said. "He won the (G2 Juddmonte) Royal Lodge last year and this year he won our main Derby trial at York. He ran a good race in the Derby, but we felt he didn't get the mile and a half. Obviously, the option to drop back to 10 furlongs was attractive. Hopefully, it's a good fit for him."

A field of nine will line up in the female counterpart in the G1 Fasig-Tipton Belmont Oaks Invitational.

HIWU releases horse names, cont. from p1

Horses that violated Horseracing Safety and Integrity Authority (HISA) Rules 3313 and 4222, which cover intra-articular injection and the timeframe in which horses can race or work after having the injections, mandates that any horses that violate the rules are ineligible race or breeze for 30 days from the date of the injection. Trainers in violation of the rules were subject to 60-day suspensions.

However, HISA announced late last month that the trainers would not be penalized and that the rules would not be enforced prior to July 15. HISA Chief Executive Lisa Lazarus said at the time that the delay in implementing the rule was needed because there was confusion among trainers regarding the specifics of the rule. She added that the temporary modification of enforcement of the rules was deemed the most “fair and equitable” way to proceed “given the number of violations.”

But HISA/HIWU still put the horses involved on a “provisionally suspended list.” According to a HISA statement released Friday, that was done so to “protect the horse’s health.”

The list includes 17 trainers. Two horses had not started, therefore their trainers were not listed on Equibase. Among trainers, the most prominent names on the list are Norm Casse, Michael Stidham, Todd Pletcher, Linda Rice, and Jack Sistrone. The others are Carlos Munoz, Adriel Gonzalez, Betty Ott, Pedro Nazario, Adrian Farias, David Fawkes, Victor Carrasco, Jr., John Ennis, Joseph Davis and Monica McGoey.

The release of the names of the horses left some important questions unanswered, namely why were some of the horses permitted to race while on the suspended list? The list of horses that raced while they were supposedly suspended numbers nine and does not include horses that may have worked out while they should have been ineligible to do so.

Three of the horses on the list won while “suspended.” They are Trust Me (The Big Beast), Borgobytsea (English Channel) and Let’s Go Mark (American Freedom). **Cont.**

HIWU releases horse names, cont.

At deadline for this story, a HIWU spokesperson had just responded to an email from *TDN* asking why the horses were allowed to race while suspended and who at HISA/HIWU was responsible for this apparent lapse? In an earlier email to HIWU, *TDN* had also asked if the horses who won while on the provisionally suspended list would be disqualified.

Here is the reply:

“HIWU had not anticipated the large volume of violations related to this rule and given the newness of the ADMC program, HIWU processed and notified the cases as quickly as they could. The horsemen continued to train and race their horses prior to receiving any notification, therefore they will not receive any penalties. HISA is reviewing the rule and procedures and will make an announcement prior to July 15 on the status of the rule and related procedures subsequent to July 15. Additionally, there were numerous other potential ADMC violations that needed to be investigated and/or processed, creating a much larger than expected workload. HISA and HIWU's top priority is the safety and welfare of each horse and measures have been taken to address these operational concerns.”

The list published Friday was through July 3. According to HISA, it will be updated.

Unbeaten sophomore fillies **Maple Leaf Mel** (Cross Traffic) and **Dazzling Blue** (Into Mischief) and GII Eight Belles S. winner **Red Carpet Ready** (**Oscar Performance**) will do battle in a fantastic renewal of the GIII Victory Ride S.

Derby Day at the Shoe...

Verifying (**Justify**), second in both the GI Toyota Blue Grass S. Apr. 8 and GIII Matt Winn S. June 11, will be favored to break through at the graded level in the GIII Indiana Derby at Horse-shoe Indianapolis. He dueled through a wicked early pace and paid the price, fading to finish 16th in the GI Kentucky Derby.

"He's doing really well," trainer Brad Cox said. "I love how he came out of the Matt Winn. It will be back in 27 days, but he's a horse we felt we needed to get a race under his belt. He's run really well, just was narrowly defeated in the Matt Winn and the Blue Grass. His Derby was a throw out with the pace, going too quick too early. But he's a nice horse, he's doing well physically, looks amazing."

The nine-horse field for the Indiana Derby also includes GIII Gotham S. winner **Raise Cain** (**Violence**), grassy Hawthorne Derby winner **Act a Fool** (**Oscar Performance**) and the highly regarded **Cagliostro** (**Upstart**), a strong second behind the talented Scotland (**Good Magic**) in an optional claimer at Churchill Downs June 3.

Taxed (**Collected**), an 11-1 upset winner of the GII George E. Mitchell Black-Eyed Susan S. at Pimlico May 19, looks for her second straight win in the GIII Indiana Oaks. She'll face the Ken McPeck-trained GI Central Bank Ashland S. heroine **Defining Purpose** (Cross Traffic), purchased privately by Northern Farm since finishing seventh in the GI Kentucky Oaks.

Curlin Filly Headlines Delaware Handicap...

Juddmonte homebred **Idiomatic** (**Curlin**), a well-beaten second in the GII Ruffian S. at Belmont May 6 and wire-to-wire winner of the GIII Shawnee S. at Churchill June 3, is the clear cut one to beat in the GII Delaware H. The field of six also includes:

Morning Matcha (Central Banker), second in last term's GI Cotillion S. and the local prep Obeah S. last time May 27; and GIII Royal Delta S. heroine **Classy Edition** (**Classic Empire**).

CHAMPION WONDER WHEEL RETIRED, TO SELL AT FASIG-TIPTON NOVEMBER

by Bill Finley

Wonder Wheel (Into Mischief--Wonder Gal, Tiz Wonderful), the 2022 champion 2-year-old filly, has been retired after finishing eighth in the July 1 GIII Selene S. at Woodbine, reports Jon Green, the general manager of the owner, D.J. Stables. She will be sold this fall at the Fasig-Tipton November sale.

After clinching an Eclipse Award with her win in the 2022 GI Breeders' Cup Juvenile Fillies, Wonder Wheel struggled this year, going 0-for-4. In the Selene, she was beaten 21 3/4 lengths.

"Wonder Wheel has been battling a couple of minor issues since her 2-year-old year," Green said. "She had bone bruising and a minor ankle injury. We gave her some time off and did a little procedure on her ankle to take care of a flake."

Wonder Wheel, cont.

Green continued: “Unfortunately, because she is a 17-hand beast, she continued to have some bone bruising and the same ankle has been an issue. This week, we decided that because she would need some time before we could run her again that we’d pull the plug on her racing career. She’s been so valuable to us as a race horse. She’s a champion and a two-time Grade I winner. She’s too valuable a horse to continue to run her when she’s not 100 percent.”

Wonder Wheel was acquired for \$275,000 at the 2021 Keeneland September sale and turned over to trainer Mark Casse. She won her first two starts before finishing second in the GI Spinaway S. She returned with a win in the GI Alcibiades S. before her three-length win in the Juvenile Fillies.

“Normally, when you campaign a horse of Wonder Wheel’s caliber you’re always looking at what will be their next race,”

Green said. “You are constantly looking forward. With her, I actually had the opportunity to enjoy watching her run and not worrying about what’s next. It really was a thrill, especially the first five races of her career. It was nothing like I had felt before and we have campaigned other Grade I winners and champions like Jaywalk.”

Green said that Wonder Wheel was always a favorite because she was named by his mother Lois. Lois Green passed away in May at the age of 84.

“The reason why Wonder Wheel is so special to me is that my mom, who recently passed, named Wonder Wheel,” he said. “Normally, we don’t get too emotional about horses and

try to treat it as a business. But Wonder Wheel will always be near and dear to my heart because my mom named her.”

Wonder Wheel won four of eight career starts and earned \$1,590,725.

FOLEY FAMILY TEACHING NEW LESSONS AT OLD SCHOOL STABLE *by Katie Petrunyak*

It was a day Greg Foley will never forget when his stable got to the winner's circle for not just one, but two stakes wins last Saturday at Ellis Park. The barn's beloved **Bango** (Congrats) added to his already impressive resume when he took the Kelly's Landing S. Not long after, **Stitched** (Mizzen Mast) pulled a 46-1 upset in the GII Wise Dan S. to give Foley his second career Grade II victory.

"It was an exciting day for sure," Foley said later the following week. "It was one of biggest days, if not the biggest day, of my career. The whole family was there--my wife Sheree, my sister Vickie, and my two sons."

How did they celebrate?

"Well we went back to the barn to check the horses out. The crew had a couple of beers back at the barn. Sheree and I actually drove back to Louisville and I think we got a Big Mac on the way home."

That last part was added with a grin and a wink as Foley sat in his office at Barn 11 at Churchill Downs, where the Greg Foley Racing Stable signage has been a constant presence for several decades. A second-generation horseman, Foley began training on his own in 1981. Since then, he has made his mark as one of the winningest trainers in the history of his home track at Churchill Downs, but now, as new members of the Foley family join the operation, it might be that their barn is just getting started.

Not only has his sister Vickie Foley, herself a Grade I-winning trainer, molded her barn in with her brother's and become his assistant, but now Greg's two sons Travis and Alex have joined the 60-horse stable as well.

Travis, 39, has an MBA and worked in the business world for a few years, but he soon found out that corporate life was not for him. When his father asked if he would be interested in setting up their stable for the winter at Fair Grounds 11 years ago, he agreed and has stuck around ever since.

Alex, 31, earned a law degree but also found his way back to racing and now heads up the Foley base at Ellis Park.

With an impish laugh, Travis Foley describes working for his father as both awesome and terrible. He explained that while he and his brother have the utmost respect for their father's abilities as a trainer, their goal has been to use their business backgrounds to help grow the operation.

"Horsemanship-wise, Dad is as good as there is," he explained. "My brother and I, we're just more social than he is. He's more of a barn guy and we're kind of the social guys. So it's a full-service operation and we've developed a pretty good team. It comes down to trying to do everything you can to win races and do right by the horses, but also make sure owners feel connected and have fun."

While their father does just fine with his flip phone, the brothers are making sure owners receive updates through training and workout videos and they've also established an online presence for the stable with a website and social media channels. **Cont.**

Perhaps the greatest contribution the sibling pair is making is through their drive to go out and find the next generation of clientele.

Stitched is the first horse that the Foleys have trained for Nathan McCauley. When McCauley bought back his homebred as a yearling, he put together a partnership with friends and, having formed a relationship with Travis and Alex, sent the colt to the Foley barn.

A smart, good-moving 2-year-old, Stitched was a stable favorite from the start and the team had high hopes when he made his debut at Fair Grounds in December of 2021.

"He ran horrible," Greg Foley recalled. "He was last, got beat like 25 lengths. You just sit there thinking, 'What the heck is this? No way this horse could have run that bad.' He's by Mizzen Mast and has a lot of turf breeding, so we put him on the grass next time and he wins at a big price. We actually ran him back in a one-older-than at Fair Grounds that same meet and he won again."

A packed winner's circle for the GII Wise Dan S. | Coady

Stitched went on to claim a pair of stakes wins as a 3-year-old, but got a knee chip later in his sophomore season that required surgery. He returned this spring at four, but was disappointing in his first three efforts. Even still, Foley believed that the bay's ability was much better than his recent performances indicated.

Foley debated between sending Stitched to the Wise Dan or the \$100,000 Jonathan B. Schuster Memorial S. the following weekend at Horseshoe Indianapolis, but he decided to go with his gut and opt for the Grade II.

"Thank goodness we went in the race at Ellis," Foley joked. "He ran huge. He was training great, like he would run a very good race, but we were jumping into the toughest race of his life. He's just a neat horse and is very smart. He's fun to be around."

Foley said that their team is planning to head to the Kentucky

Greg, Travis and Alex Foley | courtesy Travis Foley

Downs meet for Stitched to make his next start.

While the Foleys are enjoying early success with McCauley and his group, Bango's owners have been longtime supporters of the Foley stable.

Fred and Debbie Schwartz of Tamaroak Partners sent Bango's dam Josaka to Foley in 2009. The daughter of Smart Strike showed promise when she broke her maiden at three, but an injury forced her into an early retirement. Her first foal Eton Ridge (Stephen Got Even) launched his career with Foley and went on to become a stakes winner, but it was her fourth foal who would become a real star.

Now six years old, Bango is Foley's highest-earning trainee with eight stakes wins to his credit. The millionaire has won a stake every year since he was three, including the 2021 and 2023 editions of the Kelly's Landing.

"It takes a very special horse to just stay around that long," said Foley. "I think he's as good right now as he's ever been. He looks amazing out of the race the other day. He's just dappled from head to toe and is a very sound horse to keep running up through a 6-year-old year."

Optimistic that racing will return to Churchill Downs this fall, Foley said they are aiming Bango for a start in September in Louisville. Bango is one win away from tying the Churchill Downs all-time win mark, which is now held by Ready's Rocket (More Than Ready) from 2005 to 2012. While Bango came close to achieving the goal when he ran second to Gunite (**Gun Runner**) in the Aristides S. on June 3, Foley said their team has continued to eye the current record of 11 wins.

In the meantime, Bango's 2-year-old full-brother named Evan On Earth is approaching his debut.

Perhaps flying a bit under the radar amidst all the celebration last Saturday, Stitched's victory in the Wise Dan also provided Foley with his 1,500th career win. **Cont.**

Foley family, cont.

Greg Foley and Grade II winner Stitched | Katie Petrunyak

Travis Foley has watched firsthand as his father has remained steadfast through the many ups and downs of the sport and he believes his father's achievements can be accredited to a love of the game, but first and foremost, a love of the horse.

"Being a horse trainer is about discipline and doing it win, lose or draw, every day," he said. "His ability to persevere through the tough times is really impressive. The way he is here regardless of what happened in the races, he just loves being with his horses. Kudos to him to be able to grind it out for his whole life, but to him it's not even a grind. He loves it. He lights up when he goes into the barn."

Foley has been, and probably always will be, more interested in tending to his pupils back at the barn rather than going out and recruiting clients. Now, he has the next generation of Foleys helping to shine a light on what makes their father's expertise such a rarity.

"It's very deserved for him," Travis said. "We're getting more clients and more money behind us and you're seeing some of the results stem from that."

As for the seasoned horseman himself, Foley said he is grateful for the work his sons have put in to advance their stable, but also for the opportunity he has to work with his family on a daily basis.

"I don't think any of us planned for them to be doing this," Foley admitted. "Whatever happened, they found their way back over here to the racetrack and I love it. That's what they want to do and they're doing a great job. I'm really proud of both of them."

Manila S., cont.

Undaunted as the only runner in the GIII Manila S. field at Belmont Park Friday with no stakes experience, More Than Looks proved he was more than capable of a big performance to secure the first graded win for both his own CV and for Victory Racing Partners.

"This is our first stakes win, let alone graded win, so it's a real treat," said Anthony Bartolo, managing partner of Victory Racing, who purchased the Manila winner for \$135,000 at the 2021 Keeneland September yearling sale. "I'm on cloud nine. We've had a great group of horses along the way and we just never got to win a bigger one like this. [Trainer] Cherie DeVaux does a fantastic job and I'm thrilled with what she's done with this horse."

In the Manila, More Than Looks actually broke slowest of all to trail early while Talk of the Nation and Nagirroc battled up front through :22.65 and 45.53 fractions. While the field bunched up behind the battle for the lead, More Than Looks started picking up his own pace on the turn. The dark bay split horses, unfurled a serious late-stretch rally, and overtook the other two to win going away.

Into the Manila off an allowance win at Ellis Park on the lawn June 17, More Than Looks had debuted with a rough trip in February while sprinting at Gulfstream. He won next out over the Hallandale Tapeta Mar. 31, then ran Turf King (Ire) (Kingman {GB}), subsequent winner of last Saturday's GIII Marine S. at Woodbine, to a head in a Keeneland turf allowance in April.

Bartolo indicated the Manila winner might target the Aug. 4 GII National Museum of Racing Hall of Fame S. at Saratoga. "Believe it or not, Cherie pointed to that race a ways out, so this is the path we needed to take. That being said, he's done everything to show he belongs there, so now I'd say if he comes back alright, that's the spot we'd shoot for next."

Pedigree Notes:

Dual-hemisphere phenomenon More Than Ready passed away last summer, but his statistics continue to inflate as More Than Looks became the 128th black-type winner and 55th graded winner bred in the Northern Hemisphere by the late WinStar stallion. More Than Looks also marks the 50th black-type winner out of a daughter of Harlan's Holiday and the pair's first stakes winner as a team, although 2020 GSP Caldee is bred on the identical cross.

The winner's dam is a full-sister to MGSW Takeover Target, while her dam, in turn, is a half to MGSW Critical Eye (Dynaformer). Hinkle Farms bought Ladies' Privilege with More Than Looks in utero for \$575,000 at the 2019 Keeneland November sale. The mare has since had a now-2-year-old colt named Calhoun (Uncle Mo), who made one off-the-board start

this year for trainer Philip Antonacci after being purchased by Kerri Radcliffe/Preferred Equine for \$115,000 at Keeneland September. Ladies' Privilege also has a yearling filly by American Pharoah waiting in the wings.

BACKGROUND CHECK: BELMONT OAKS

by Jill Williams

In this continuing series, we examine the past winners of significant filly/mare races by the lasting influence they've had on the breed. Up today is Belmont Park's GI Belmont Oaks Invitational S., now the first leg in New York's Turf Tiara series for 3-year-old fillies on the lawn.

Originally known as the Rare Perfume and then the Garden City, the Belmont Oaks under its current name has only been in existence since 2014, although the race itself dates to 1979. The history may not be long and some of the winners were better racemares than producers, but a trio of particularly illustrious future broodmares stands out.

Following are highlights of some of the most important Belmont Oaks winners by what impact they've had on the sport through their sons and daughters.

Sky Beauty (1990, Blushing Groom {Fr}--Maplejinsky, by Nijinsky II), bred by Sugar Maple Farm: Early in her broodmare career, she sold for \$2.85 million at Keeneland and would produce just a handful of more foals, with the best on the track being England's GSW Hurricane Cat (Storm Cat). However, her great-grandson Violence is keeping her name relevant today. He's currently among the top 10 leading sires in the U.S. for 2023 by earnings. **Cont.**

November Snow (1989, Storm Cat--Princess Alydar, by Alydar), bred by D. J. Stable and Overbrook Farm: Although she didn't produce a stakes winner herself, November Snow's daughters have done her proud. Among her descendants are Irish champion and G1 Epsom Derby winner Anthony Van Dyck (Ire) (Galileo {Ire}); New Zealand champion Bounding (Aus) (Lonhro {Aus}); GISWs Morning Line (Tiznow) and Express Train (Union Rags); and a number of other graded performers.

Personal Ensign (1984, Private Account--Grecian Banner, by Hoist the Flag), bred by Ogden Phipps: This grand mare has to be among the sport's best examples of what a top racemare remodeling into a top broodmare can look like. Considered one of the best fillies or mares of the 20th century as an undefeated champion and Breeders' Cup winner, Personal Ensign's foals included GISWs My Flag (Easy Goer), Miner's Mark (Mr. Prospector), and Traditionally (Mr. Prospector), as well as MGISP Our Emblem (Mr. Prospector). Her descendants through her daughters include champion Storm Flag Flying (Storm Cat); Breeders' Cup winner Seeking the Soul (Perfect Soul {Ire}); GISWs Mr Speaker (Pulpit) and Arabian Lion (Justify); and a plethora of other graded winners, including recent MGSW Major Dude (Bolt d'Oro). Four 'TDN Rising Stars', including Arabian Lion and GSW & GISP Ocho Ocho Ocho (Street Sense), have her as a granddam or great-granddam. Personal Ensign was honored as Broodmare of the Year in 1996.

'WORKING AGENT' GUS BELL PASSES

A beloved father, grandfather, friend and horseman, Glenn Byron 'Gus' Bell passed away peacefully July 4 in the care of the Veteran's Administration Hospice in Lexington, Kentucky. With a sobriquet like the 'Working Agent' inscribed below his name on his business cards, Bell defined his craft and his outlook on life. He spent nearly a half century in the equine industry as a bloodstock agent based in the Bluegrass region.

A Lexington native, Bell was a graduate of Lafayette High School before heading out of state to Marshall University, where he was an accomplished football player for the Thundering Herd. Subsequently, he served as a Commissioned Officer in the U.S. Army, as helicopter pilot in the 173rd Airborne Brigade from 1964 to 1968.

Not one to speak of his honors, his family would like to highlight his combat medals and commendations. He was awarded the Distinguished Flying Cross, Cross of Gallantry with Silver Star, the Bronze Star Medal with Valor, Bronze Star Medal with Oak Leaf Cluster, the Vietnam Service Medal, the Air Medal with 27 Oak Leaf Clusters and the Vietnam Campaign Medal National Defense Service Medal.

Gus Bell | Jessica Bell

As a Thoroughbred bloodstock agent, Bell worked in Kentucky and around the world. Known for his kindness, integrity, keen eye for a horse and his yellow golf cart at the sales, Bell was always quick with a joke or a kind word. Above all else, he honored his trusted clients and respected the majestic horses he loved.

Bell prided himself on accepting people from all walks of life and was a pillar of the recovery community in Lexington for more than 35 years. Known for his no-nonsense mentoring style, he embodied servant leadership. He never expected anything from those in crisis that he was not prepared to give himself and he was always willing to help anyone who wanted to help themselves.

Serving in several capacities in the Lexington area as an educator, administrator and Board Member at the Sayre School, Bell was admired and beloved by his students and colleagues. He enjoyed music, food and maintaining a golf handicap of six. In addition, he caught the biggest fish ever known in Kentucky, but unfortunately no one was there to see it.

Bell was preceded in death by his mother Norma Bell; father Robert Marcum; sisters Bobby Looper and Beverly Bell; and beloved cousin Jay Spurrier. He is survived by longtime companion Barbara Beaney of Danville; his children Jessica Bell of Atlanta, Georgia, and Patrick Bell (Vanessa) and Desha Bell both of Lexington; niece Cynthia Looper; and cousins Allison Spurrier, Katherine Spurrier Ferster (Todd), Hunter Spurrier and four cherished granddaughters: Casey Cherry of Cincinnati, Ohio, and Zaida, Rilke and Parker, all of Lexington.

Visitation will take place at Milward Funeral Directors at 391 Southland Drive in Lexington Thursday, July 13 from 4:00 p.m.-6:00 p.m. ET, with a service afterward. The burial will take place the following day at Camp Nelson with family and friends in attendance. **Cont.**

NTRA RELEASES NAMES OF DQ'D NHC PLAYERS

The National Thoroughbred Racing Association (NTRA) announced the disqualification of three unnamed players from the NHC and NHC Tour for a period of two years on Thursday. After hearing input from the horseplayer community and others in the industry, the NTRA revealed on Friday that the players who colluded are Jordan Jayne, James Pauly and Ryan Patrick Scully.

Tom Rooney | Courtesy NTRA

"Protecting the integrity of the NTRA and the NHC tournament is among my highest priorities in this job," said NTRA President and CEO Tom Rooney. "By not initially releasing the names of the players involved, even though our rules give us broad discretion to do so for all prize winners, I believed I was doing what was best for the NHC. The demand from the public we have received far outweighs my personal beliefs. I highly value the opinion of the horseplayers' community, without whom our sport would not be what it is and whom we work with to protect all NHC-sanctioned contests throughout the year."

These three players controlled five entries in the 2023 NHC. The event paid out to the top 78 entries. The NTRA has officially disqualified the five entries controlled by these individuals and will proceed to move all other entries up in the prize structure. The entries that finished 79-83 who did not make the initial cut will be moved into the prize structure. Additionally, the NTRA will distribute the difference in prize money for all other entries that move up in the prize structure. The NTRA will mail checks to all individuals involved and the official leaderboard has been updated.

SARATOGA BACKSTRETCH CLINIC TO CELEBRATE OPENING NEXT TUESDAY

Officials from the The New York Racing Association, Inc. (NYRA) will welcome Assemblymember Carrie Woerner, philanthropist John Hendrickson and representatives from Saratoga Hospital and the Backstretch Employee Service Team (BEST) for a ribbon-cutting to celebrate the opening of the new Saratoga Backstretch Clinic next Tuesday, July 11, the organization said in a release Friday.

The new clinic will allow Saratoga Hospital and BEST to expand on the existing healthcare services offered to members of NYRA's backstretch community. The modern healthcare clinic was constructed over the past year to replace a doublewide trailer that previously housed on-site healthcare services at Saratoga Race Course.

As a tribute to his late wife, Marylou Whitney, John Hendrickson funded construction of the new clinic. The opening continues Mrs. Whitney and Mr. Hendrickson's long-running commitment to the backstretch community. **Cont.**

BLING (f, 3, **American Pharoah**--Blonde Bomber {SW & GISP, \$293,540}, by **Fort Larned**) showed promise as a juvenile with a third-place performance in the GII Jessamine S. at Keeneland last Fall but after a poor effort in the GI Breeders' Cup Juvenile Turf Fillies, she spent six months on the sidelines. Third by a half-length to start her season in the Horseshoe Indianapolis H. May 17, she returned to Ellis, where she broke her maiden last Aug., favored in this spot. Tucked in just behind early leader Margoinabubblebath (Midnight Storm), Bling waited to pounce into the far turn, took over with a quarter to run, and held off a pair of pursuers to pick up the half-length victory. Out of a Grade I-placed mare in Blonde Bomber, Bling has an unraced 2-year-old half-sister, Musical Note (**Mendelssohn**), a yearling half-sister by **Not This Time**, and a newborn **Nyquist** half-brother. KINGMAX (IRE) (c, 4, Kingman {GB}--Baino Hope {Fr} {GSW-Fr, \$254,336}, by Jeremy) began his career in England with his best finish a third coming at Royal Ascot in the G3 Hampton Court S. Sent to the U.S. last summer and turned out for the rest of the year, the dark bay debuted a winner against allowance company by 4 1/4 lengths June 10 at Monmouth. As the even-money shot here, the Jorge Delgado trainee settled towards the rear of the field after passing the grandstand for the first time. With :46.87 for the first half-mile, Kingmax launched his bid five-wide around the far turn and went on to win by 1 1/2 lengths over Clear Vision (Artie Schiller). The winner's dam is responsible for an unraced gelding named Charming Star (Ire) (**Sea The Stars {Ire}**), who was purchased by BBA Ireland at the '21 Ylg GOFFSORBY sale for \$210,302, and also his younger full-brother Mission To Mars (Ire), who went to Blandford Bloodstock for \$601,301 at the '22 Ylg TATOCT. SHE'S FIRE (f, 2, Flameaway--My Wish List, by Flutter) had to settle for second by just a half-length when unveiled over Presque Isle Downs's all-weather track June 12 and made her turf debut Friday. Up to show the way from the jump, she led Smooth Waves (English Channel) and Permed (Street Boss) to the head of the stretch through a half in :45.25 before taking over inside the final furlong. Permed chased her home but was second best as She's Fire scored by 2 1/2 lengths. **Flameaway's** (by Scat Daddy) third winner, She's Fire is the last reported foal out of a half to MSW/MGSP Li'l Tootsie (**Tapiture**). TRULY QUALITY (g, 3, Quality Road--Truly Together {GSP, \$119,760}, by Smart Strike) missed by a length over the grass in his debut at Horseshoe Indianapolis May 17 and by a half-length when stretched out to 9 furlongs on the turf May 28 at Churchill Downs. Sent on his way here as the 8-5 favorite, the dark bay raced in third around the clubhouse turn as 5-2 second choice Fly Right (Astern {Aus}) showed the way. Up the backstretch, as the pacesetter played catch me if you can, Truly Quality began to take aim at his target, reeled him in around the far turn and into the lane, and took command past the eighth pole to graduate by 2 3/4 lengths. Out fo a female family which includes MGSW Broken Vow and champion grass mare and GI Breeders' Cup Filly and Mare Turf winner, Forever Together (Belong to Me), Truly Together produced 2-year-old colt Uncle Truly (**Uncle Mo**) and foaled another by **Quality Road** filly this year. EL GRANDE O (c, 2, Take Charge Indy--Rainbow's Song {SP, \$135,253}, by Unbridled's Song) was unlucky in both prior starts, first running third to stakes winner The Wine Steward (Vino Rosso) on debut May 28 and then just missing by a head on the turf June 16. Kept to the grass for his third try and taking all the money at 1-2, El Grande O beat the field out of the gate and was clear for the backstretch run through a half in :46.42. Set down past the quarter pole, he saw out the race all the way to the line to defeat Jimmythetooth (**World of Trouble**), who he also finished just in front of in that June 16 contest, by 1 3/4 lengths. THANK YOU JON (c, 3, Maclean's Music--Our Hope Diamond, by Gemologist) broke his maiden in his third career start after a pair of off-the-board finishes as the favorite dating back to last fall at Belmont's Aqueduct meeting. Much improved in his most recent six-furlong start June 3, he went off favored against 6-5 Friday and showed good early speed to clear off and lead through a half in :45.95. With plenty left at the top of the stretch, he hit the wire geared down still 6 3/4 lengths ahead of Nobilis (Speighster) in second. DEBOISBLANC (f, 2, Munnings--Tensas Cowgirl, by Cowboy Cal) debuted at Churchill Downs May 19 and checked in third there before coming to Ellis to contest the same five-furlong distance Friday. A \$290,000 OBS March grad, she stayed just off pacesetter Gypsy Tales (**Munnings**) and that top pair stayed together through the top of the lane. With several lengths opened up on third at the quarter pole, Deboisblanc and Gypsy Tales duked it out to the line with Deboisblanc just getting the better of her rival with her nose on the line first to top the

Munnings exacta. It was another nine lengths back to Zadorsky (**Tapiture**) in third. Shaken up for the lead passing the quarter pole, she had plenty of run left late to maintain a safe advantage over Hot Beach, graduating by 2 1/4 lengths. ENDPOINT (c, 3, Nyquist--Venturini, by Bernardini) picked up Lasix for the first time and made his 3-year-old debut Friday after not racing since a distant fourth over the all-weather surface at Turfway Dec. 31. Given a 5-1 shot, he took back off the early pace, splitting the field as Aloha Makuakane (**First Dude**) handled the pace. With a bold move into the far turn,

Endpoint set himself up for a bid at the lead, ran down late leader Grand Aspen (**Dialed In**) inside the final furlong, and drew past that rival to graduate by 1 3/4 lengths. A half-brother to G1 Saudi Cup winner Emblem Road (**Quality Road**), G1SW-KSA, G1SP-UAE, \$12,021,492, Endpoint's dam is out of MGISW Ventura (Chester House). TOOT YOUR HORN (f, 3, Constitution--Poochy, by Offlee Wild), given only a 5-1 chance facing a more-experienced field, tracked in third off early pacesetter Carats Forever (Sea Wizard) before making an eye-catching move around the turn to come alongside that leader. The pair dueled past the quarter pole until Toot Your Horn kicked into another gear and sprinted away from her rival, coming home alone to graduate by seven lengths. Toot Your Horn has a 2-year-old half-brother by Exaggerator while her dam last foaled a colt by **West Coast** last year. LET THEM WATCH (f, 2, Maximus Mischief--My Rolex, by Proud Accolade) took the most money of this maiden field, breaking at 6-5 in her first effort since bringing a final bid of \$55,000 at OBS April earlier this year. Never challenged as she set the pace along the rail, she clicked off fractions of :21.90 and :45.73 and opened up turning for home. Ale's Gift (**Girvin**) held second but

never got any closer as Let Them Watch cruised home to win by 6 1/4 lengths. The fourth winner for her freshman sire (by Into Mischief), she is a half-sister to It's High Time (Gone Astray), SW, \$234,040 and is out of a half to GISW Black Seventeen (Is It True). My Rolex produced a yearling filly by Awesome Slew but did not have a foal this year. Sales History: \$55,000 RNA Ylg '22 OBSOCT; \$55,000 2yo '23 OBSAPR. MAPTITUDE (c, 3, Liam's Map--Room for Aptitude, by Aptitude) hit the board in two prior starts at 6 1/2 furlongs on the main track after debuting over the turf but found a sloppy track for the first time Friday and seemed to enjoy it as the even-money favorite. Up close opposite Acquisitive (**Always Dreaming**) for the lead, Maptitude held the outside slot into the turn, gained a narrow advantage into the stretch, and pulled clear to the wire for the 3 1/2-length win. This is the family of champion 2-year-old filly Jaywalk (Cross Traffic) and MGSW/MGISP Mission Impazible (Unbridled's Song). Room for Aptitude foaled a filly by **Alternation** this year. 9th-Hawthorne, \$39,200, Msw, 7-6, 3yo/up, 5 1/2f (off turf), 1:04.22, ft, 1 1/4 lengths.

ROCKET HOSS (g, 3, Candy Ride {Arg}--Jenny's Rocket, by Mr. Greeley), the 7-5 choice in what was to be his turf debut, wound up on the main track in his belated unveiling since bringing \$130,000 as a 2-year-old at OBS March last year. Showing good gate speed, the gelding went straight to the lead and was never caught, winning by 1 1/4 lengths as A P Blazing Green (Risk and Return) chased him throughout and finished second. The half-brother to near-millionaire Necker Island (**Hard Spun**), MSW & GSP, \$996,357, Rocket Hoss is out of a half to MSW/MGSP Laurie's Rocket (Bluegrass Cat) and from the family of GI Frizette S. winner Adieu (El Corredor). Jenny's Rocket foaled a yearling colt by **Justify** but did not produce a foal when bred to **Medaglia d'Oro** for 2023. Sales History: \$130,000 2yo '22 OBSMAR. 1st-Charles Town, \$29,400, (S), Msw, 7-6, 2yo, f, 4 1/2f, :52.24, ft, 6 1/4 lengths.

RAN OUT OF TRAINER (f, 2, Tonalist--My Girl Trickysy, by Hat Trick {Jpn}) rewarded her backers at 7-5 with a gate-to-wire victory at first asking. Kept on the rail through fractions of :22.63 and :45.98, she was ridden out to the line as much the class of the field, winning by 6 1/4 lengths. Shewonttalktome (Juba) closed from off the speed to fill out the exacta. Ran Out of Trainer is her dam's only reported foal to date. Sales History: \$5,000 Ylg '22 EASOCT. VINOS ANGEL (f, 2, Vito Rosso--Twisted Adage, by Hard Spun) broke as the heavy 3-5 favorite and led nearly every step of the way, chasing only momentarily behind Big Catty (Big Bad Leroybrown) through the opening quarter in :23.11. Alongside that leader into the far turn, she dashed clear past the quarter pole and easily drew off to win at first asking by 7 1/4 lengths. Her freshman sire's fourth winner (by **Curlin**), Vinos Angel has a yearling half-brother by **Mendelssohn** while her dam dropped a filly by Mitole this year. 'THE LUCKIEST MOMENT IN MY LIFE': YOSHIDA ON SUNDAY SILENCE

Teruya Yoshida's time in Kentucky coincided with Sunday Silence's racing career | Emma Berry

By Emma Berry

HOKKAIDO, Japan--In the bloodstock world, the battle for succession does not come down to unseemly squabbles in the boardroom. What matters first is what happens on the track, and even when all goes right there, success in the breeding shed is far from guaranteed.

Smallish in stature but a Goliath in influence and reputation, the Kentucky Derby and Preakness winner Northern Dancer gave the European breeding industry many stars including, crucially, Sadler's Wells, whose line holds strong predominantly through Galileo (Ire) and his heir apparent, **Frankel (GB)**. Northern Dancer also blessed Japan with an important influence in Northern Taste, bought as a yearling at Saratoga in 1972 by Zenya Yoshida before winning the G1 Prix de la Foret and then establishing a formidable stud career as the most successful stallion Japan had ever seen. Until Sunday Silence came along.

The latter, who inherited the feisty temperament of his sire Halo and was handed far-from-perfect conformation, had a storyline that was as chequered as it is fabled. [Cont. p3](#)

SANDOWN: "SUPREME TRAVELLER" EMILY UPJOHN THE ONE TO BEAT IN THE ECLIPSE

by Tom Frary

Looking at the history of the G1 Coral-Eclipse, it is clear that fillies and mares have had a hard time against the colts in Sandown's jewel. While the illustrious Pebbles (GB) managed to prevail in 1985 and Enable (GB) (Nathaniel {Ire}) did so three years ago with the lesser-heralded Kooyonga (Ire) victorious in between in 1992, the list of beaten elite stars among the sex is extensive. It includes Time Charter (Ire), Triptych, Indian Skimmer, In The Groove (GB), Bosra Sham, Ouija Board (GB) (Cape Cross {Ire}), The Fugue (GB) (Dansili {GB}) and also Enable who was only second attempting a second success in 2021. Like the latter pair, **TDN Rising Star Emily Upjohn (GB)** ([Sea The Stars {Ire}](#)) hails from the Gosdens' Clarehaven base and does so with similar gravitas to her predecessors on Saturday. Sunday Silence (right) defeats arch rival Easy Goer in the 1989 Breeders' Cup Classic | Horsephotos

Teruya Yoshida Cont. from p1

Sunday Silence famously found little favour with American breeders when he retired from racing, despite having won the Kentucky Derby, Preakness S. and Breeders' Cup Classic, all the while engaging in a gripping two-season battle with Easy Goer. His part-owner Arthur Hancock III decided, wisely at the time, to quit while he was ahead with the near-black horse who had played a significant part in saving his Stone Farm from bankruptcy. With Sunday Silence already also part-owned by Zenya Yoshida, who had bought into him at the end of his three-year-old season, the rest of the stallion was offered for sale to stand in Japan without ever covering a mare in Kentucky. It was very much America's loss.

Yoshida, whose sons Teruya, Katsumi and Haruya now dominate Japanese racing and breeding, died when members of Sunday Silence's first crop were still yearlings. Little could he have envisaged the influence the horse would have 30 years later, not just within the Shadai Stallion Station, where 14 of the 32 resident sires are his male-line descendants, but across Japan

and beyond. This year, on the Epsom Downs and the Curragh, his grandson Auguste Rodin (Ire) has given a mighty last shake of the rattle to Sunday Silence's most powerful son, Deep Impact (Jpn), who died woefully early at just 17, in 2019. Who now will pick up the baton for this line of succession?

Kizuna (Jpn), the second of Deep Impact's seven winners of the Tokyo Yushun (Japanese Derby), started well by becoming the champion first-season sire of 2019, and he is currently sitting in third place in the Japanese sires' table behind Lord Kanaloa (Jpn) and the late Duramente (Jpn), both of whom are sons of King Kamehameha (Jpn), who himself died just a fortnight after Deep Impact. It is quite clear, however, which horse Teruya Yoshida, head of Shadai Farm, wishes to see take up the mantle.

"Contrail (Jpn) is coming this year and my first impression is that he could be a very good stallion--maybe Coolmore will start to send their mares again," he says of the horse who emulated Deep Impact when winning the Japanese Triple Crown in 2020 and was a champion in each of his three seasons on the track, culminating in victory in the Japan Cup. Contrail's first foals will be on display this Tuesday during the JRHA Select Sale in Hokkaido's Northern Horse Park. [Cont. p4](#)

Teruya Yoshida Cont.

His 21 youngsters catalogued include a son of the Argentinean Grade I winner Conviction (Arg) (City Banker {Arg}). The February-born colt, who is lot 360 in the Northern Farm draft, has been issued a reserve price of ¥50,000,000 (approximately £274,000 or €320,000) in a system which is unique to Japan, and which would knock hours off sales in other jurisdictions, whereby the auctioneer opens the bidding at the published reserve.

Much is made of the turf/dirt debate, but the divide can be slim when it comes to horses acting on the respective surfaces. The 'dirt horse' Sunday Silence begat Deep Impact, who raced solely on turf, but rarely on anything easier than firm, and whose dam was the Irish-bred Wind In Her Hair (Alzao), herself only three generations down from Northern Dancer. American influences

have long been strong in Japan, and the current flavour of the month, maybe more, is the dirt sprinter Mind Your Biscuits (Posse), who waltzed off with leading freshman honours last year. He is the sire of the wide-margin winner of the G2 UAE

Derby, Derma Sotogake (Jpn), who went on to finish sixth in the Kentucky Derby.

"Mind Your Biscuits covered more than 200 mares this year," says Yoshida. "The really good mares are still going to turf stallions but most of the breeders in Japan with more ordinary mares have a tendency to go to stallions who run on dirt. Most of the races in Japan are performed on dirt, so that's what the buyers want, and they have a dream to go to Dubai or to the Kentucky Derby."

He adds, "We keep trying to buy good stallion prospects, not only from America, and sometimes they turn out to be good, but not every time. It's the same with yearlings." [Cont. p5](#)

Teruya Yoshida Cont.

A slower burner among the younger stallion brigade in Japan has been Kitanas Black (Jpn). The winner of seven Grade 1 races, from 10 furlongs to two miles, he is a son of Deep Impact's brother Black Tide (Jpn), who plies his trade at the Breeders Stallion Station. Kitanas Black moved in to the Shadai Stallion Station on his retirement in 2018 and, though not under-subscribed, he wouldn't have been among the busiest on the roster. However, from his first batch of 84 foals emerged the horse now being ascribed superstar status, Equinox (Jpn), while his second crop contained this year's Japanese 2,000 Guineas winner and Derby second Sol Oriens (Jpn). His numbers, unsurprisingly, are on the up.

"People are very keen on Kitanas Black," says Yoshida. "He produces very tough horses, but he wasn't so popular at the start. Now, from this year, people have started to breed their best mares to him, and he's a very fertile horse."

While we already knew that Equinox, currently the top-rated horse in the world, would not be appearing in Europe this season, it is now almost certain that he won't leave his home nation again, even for the Breeders' Cup, with the Japan Cup on November 26 his key target before retirement.

Equinox is not alone in avoiding Britain this season. There were no Japanese runners at Royal Ascot, and nor will there be at York and Goodwood. And it's not just the lower level of prize-money in the UK that is an issue.

Yoshida says, "English racing is not easy for us. If Japanese horses go to Europe during the summer when it's dry then maybe we have a better chance of success, but we have many races in Japan too, so it is not easy to send a horse to Europe to race."

The expanding racing programme and huge sums of money on offer in the Gulf nations through the winter are already having an effect on the horse population in Europe, and it may well mean that we will see fewer Japanese horses contesting races on the more irregular and often undulating tracks of Britain, Ireland and France.

"We are racing [on the Flat] all year round, so it is easier for us to send horses to race in the Middle East in February and March," Yoshida explains. "For European horses it is not so easy

as there are not the big races through the winter. Japanese horses like fast ground and level ground. In England, the courses are more natural and it's not so easy for Japanese horses. In Dubai or Saudi it is more similar to racing in Japan. If we go to Europe we can encounter soft ground or a different way of running."

One thing that is unlikely to change is the frequency with which Japanese buyers appear at the European sales.

"We are looking for good horses from anywhere in the world and buying the good-quality mares from Europe is very important," says Yoshida. "European classification of the racing is very correct. If we buy Group 2 or Group 3 mares in Europe, that is their true level. In some other countries we can't believe in it, but if we buy them in Europe we know that they are good-class horses."

And it is not only in America that the Yoshida family goes

shopping for stallions. Jim and Jackie Bolger's 2,000 Guineas winner Poetic Flare (Ire) joined the Shadai roster last year and is another with first foals at the forthcoming JRHA Sale. While Harbinger (GB) remains at Shadai, his fellow King George winner Novellist (Ger) has moved to Lex Stud.

Yoshida says, "We had very good success with Tony Bin (Ire), an Italian winner of the Prix de l'Arc de Triomphe. Everybody said at the start that he was so-so but he became a very good stallion. We don't

Equinox and Christophe Lemaire | Horsephotos

know until we try. That happens with horses. Nobody knows what will happen. Like **Wootton Bassett (GB)**, at the start people didn't care so much but now that has changed."

He continues, "Sunday Silence became so good and now he is grandsire of the English Derby winner. It was great for Coolmore to send their best mare to breed to Deep Impact, and then for [Auguste Rodin] to turn out to be so good, and now a stallion prospect.

"I was a bit apprehensive when I saw him walking from the parade ring to the starting gate because he was dancing, and you want mile-and-a-half horses to be relaxed, but he always does it and still he runs well."

Sunday Silence himself did a little more than just dance when he was in training but, still, he ran well. So too did many of his offspring. [Cont. p6](#)

Teruya Yoshida Cont.

"Most of our good runners in Japan now have Sunday Silence blood somewhere," Yoshida says, and casts his mind back to his own days in the Bluegrass.

"My father bought a farm in Kentucky, and it was very near to Arthur Hancock's farm. I was there for four or five years and during that time I became a good friend of Arthur. When Sunday Silence appeared I congratulated Arthur and he suggested to me that we should own some of the horse.

"After that he found that not many people were interested in him as a stallion in America and he asked me to buy the horse. I bought the horse without any hesitation. At the time, \$11 million was very expensive, but the Japanese economy was very good and we were able to say yes. It was the luckiest moment in my life."

He adds, "If my father hadn't bought the farm in Kentucky, this wouldn't have happened. Economy-wise, it was a big mistake because we lost a lot of money in having that farm, but in the end we got the best investment ever. Sunday Silence changed Japanese racing."

And let's not forget, he arrived just before the end of Northern Taste's reign in the sires' championship in Japan, that ran from 1982 to 1992.

"If you look at the history of Kentucky Derby winners, not that many become really good stallions, so I understand why American breeders were cautious," Yoshida notes. "But at that time we were very innocent in American racing so when they asked us if we wanted to buy the horse, we did it without hesitation. Lucky! Knowing too much is not always good."

In the quest to continue a line that has become so dominant, Yoshida knows that despite having a number of sons of Deep Impact in the pipeline, not all will light the spark that could ignite a successful second career.

"Look at Northern Dancer: as stallions, not all of his good sons

became successful," he says. "When I went to Saratoga to buy Northern Taste I didn't know he would become a Group 1 winner in Europe and that he would become the leading sire in Japan 11 years straight. He was a very inbred horse and I was a little bit worried about that. But he lived a long time, he died when he was almost 30 years old, and he was always a very healthy horse."

Yoshida adds, "It was just lucky, and that happened in the beginning. Then Sunday Silence came. Then Deep Impact. Maybe Contrail will come next."

RACE PREVIEWS

Saturday Preview Cont. from p1

Already an unlucky-looking Oaks runner-up and easy G1 British Champions Fillies & Mares S. winner at three, it was at Epsom last month that the filly owned in partnership by the Lloyd-Webbers, Jonathan Shack and Stuart Roden really took off. Her display of brilliance in the G1 Coronation Cup, in which her blistering sectionals included a :10.52 from three to two out which proved faster than any produced in either the Derby or Oaks over the same course, distance and ground, surprised connections but the secret is very much out now where she is concerned.

That this plays out over the same course and distance over which she gained TDN Rising Star status when winning her novice by 9 1/2 lengths in April 2022 lends even greater weight to her credentials and William Buick is relishing the opportunity to try and extend his tally of three wins in this starting with this yard's Nathaniel (Ire) 11 years ago. Saturday Preview Cont.

"I rode her in a racecourse gallop and she feels great," he said. "She is a supreme traveller with a turn of foot and has all the attributes at this level."

Paddington Following Old Trends

Ballydoyle has a rich history of winning this with 3-year-olds, with the late great Dr. Vincent O'Brien delivering four from that generation including Solford and Sadler's Wells who subdued the aforementioned Time Charter in 1983 and 1984, respectively. Aidan has followed on with a quartet of his own among his total of six, beginning with Giant's Causeway in the millennium year. Like the "Iron Horse", **TDN Rising Star Paddington (GB) (Siyouni {Ire})** comes here having taken the G1 Irish 2000 Guineas-G1 St James's Palace S. route and at this stage there is no way of telling where his ceiling is.

Giant's Causeway was the winner of a thrilling renewal, which involved another class mare in Shiva (Jpn), while the other from the yard stepping up from those mile monuments Black Minnaloushe (Storm Cat) was a close fifth and possibly a touch unlucky a year later.

Ryan Moore said, "Mine is a straightforward horse and I've loved everything he's done this year. There are a few questions he has to answer and we'll find out tomorrow, but he has a lot of class."

Gone West?

Tactics may well play a hand despite the fact that there are only four runners. Small fields do not necessarily guarantee a trouble-free race, as Kieren Fallon found out ensnared on the rail on the aforementioned Bosra Sham at a crucial stage in 1997 when there were five contenders. Step forward the third **TDN Rising Star West Wind Blows (Ire) (Teofilo {Ire})**, a talented

performer on his day who would not be a far-fetched winner of a race that might tactically suit.

He has the added advantage of Jamie Spencer and Ed Crisford was keen to stress that the in-form rider is key to the prospects of the dual Group 3 scorer. "Jamie understands the horse and believes in the horse. He understands how to be with him, as he can be a bit of a quirky horse in his demeanour," he said. "He is channelling his energy much better after being gelded, which is helping him stay. Now it is just a case of climbing the ladder."

Dubai Honour

Always on the cusp of a Group 1 win at home, the now fully-mature **Dubai Honour (Ire) (Pride Of Dubai {Aus})** has gone the "Addeybb" route of the G1 Ranvet and G1 Queen Elizabeth S. Kept away from fast ground by William Haggas, Mohamed Obaida's 5-year-old showed what he can do on a lively surface in the Ranvet but it was significant that connections felt afterwards that they "got away with" that going. It is going to be hot at Sandown on Saturday and drying conditions may play against him, but the famous uphill climb to the line is always a help to horses like him.

"Australia was Dubai Honour's new beginning as a Group 1 horse and we are looking forward to his first run back in a Group 1 on home turf," Tom Marquand said. "The stiff finish will suit him and it looks as if he might be better going right-handed. It's a tough race, but hopefully he can finish off with a bit of a rattle."

Westover Takes Aim At Saint-Cloud

Juddmonte's **Westover (GB) (Frankel {GB})** would no doubt have been a major player in the Eclipse, so anything other than a smooth win in Saturday's G1 Grand Prix de Saint-Cloud can be registered as an upset. **Cont. p8**

Paddington | PA Media

Saturday Preview Cont.

Staged 15 minutes after his G1 Coronation Cup conqueror Emily Upjohn's Eclipse outing, last year's G1 Irish Derby hero gets reacquainted with **Zagrey (Fr)** (**Zarak {Fr}**) who was 2 1/4 lengths behind him as they filled the consolation slots in arrears of Equinox (Jpn) (Kitsan Black {Jpn}) in the G1 Dubai Sheema Classic.

Bearing in mind what Mostahdaf (Ire) (**Frankel {GB}**) did at Royal Ascot, that Meydan form is probably the world's best at present and it all points to Westover providing he is on best behaviour. He wasn't when blowing out in last year's King George, while his antics in the lead-up to the Sheema Classic might have compromised him there. "It's always in the back of your mind. He did in Ascot last year, but in Dubai it wasn't really the same as it was his first run of the year in a new environment and he was fresh," the operation's Barry Mahon said. "Hopefully Ascot was a one-off isolated incident and he'll be fine on Saturday. You'd like to think he'll hard to beat, to be fair."

The Supporting Acts

Two significant Group 2 races form the background to Saturday's feature events, with Haydock's Lancashire Oaks and Saint-Cloud's Prix Eugene Adam offering contrasting fare. Of the older fillies and mares assembled for the former, George Strawbridge's G2 Park Hill S. winner **Mimikyu (GB)** (Dubawi {Ire}) stands out after her creditable second under a penalty in York's G3 Bronte Cup in May. Bidding for a 10th renewal for the Gosdens, she follows on from last year's Lancashire Oaks winner Free Wind (Ire) (Galileo {Ire}) tackling Sunderland Holding's course-and-distance G3 Lester Piggott S. winner **Sea Silk Road (Ire)** (**Sea The Stars {Ire}**).

Experience may not count for much in the Eugene Adam if Newtown Anner Stud Farm's impressive Gowran maiden winner **Knight To King (Ire)** (**Kingman {GB}**) makes the usual progress that Dermot Weld's 3-year-olds tend to from their debuts. The son of Gita Weld's G1 Irish 1000 Guineas-winning Nighttime (Ire) (Galileo {Ire}) holds a special place in his trainer's heart and it will be interesting to see how far the half-brother to Ghaiyyath (Ire) (Dubawi {Ire}) and Zhukova (Ire) (Fastnet Rock {Aus}) can ascend in the rankings.

Madaket Stables LLC & Bill Strauss's **Sopran Basilea (Ire)** (Night Of Thunder {Ire}) won the GIII Robert G. Dick Memorial S. at Delaware Park for trainer Graham Motion ([video](#)).

A product of Aidan Sexton's breeding programme, the 5-year-old mare sold for €11,000 at the 2018 Goffs November Foal Sale, and won three of Italian stakes races led by the G2 Premio Lydia Tesio for Leonardo Ciampoli and trainer Grizzetti Galoppo during her career in Italy. Sent through the Deauville ring during the Arqana December Sale, she was snapped up by her current connections for €300,000 last year, and was runner-up in the GIII Gallorette S. at Pimlico in May. The fifth winner out of Kathy Best (Ire) (King's Best), Sopran Basilea has The Irish Rover (Ire) half-siblings born in 2021 (colt) and 2022 (filly). The extended family has thrived in Italy, which includes recent multiple group winner Plusquemavie (Ire) (Kheylef).

The winner is Darley stallion Night Of Thunder's second graded scorer in the U.S. after GIII Athenia S. heroine Pocket Square (GB). Overall in that jurisdiction, he has six winners from nine runners (66%) and three stakes winners (33%).

Lope De Vega Filly Graduates At Belmont

Bridlewood Farm and Madaket Stables LLC's **No Show Sammy Jo (GB)** (Lope De Vega {Ire}) won a Belmont maiden at second asking for Graham Motion ([video](#)).

Bred by Fittocks Stud and St Albans Bloodstock, the daughter of Shomaria (Fr) (Exceed And Excel {Aus}) was purchased for

150,000gns as a Tattersalls Book 1 yearling in 2021. Tracing to the G1 Prix de Diane heroine Shemaka (Ire) (Nishapour {Fr}), No Show Sammy Jo is the first foal out of her placed dam. Her Dark Angel (Ire) juvenile half-brother sold for 14,000gns to Meadowview Stables as a Book 2 yearling and she is also a half-sister to a weanling filly by Palace Pier (GB).

Lope De Vega has sired 36 winners from 67 runners (54%) in North America, with five of them scoring in stakes (7%) to date. Since the first of the year, the Ballylinch stallion is responsible for 11 stakes winners across seven countries led by G1 Tancred S. winner Arapaho (Fr).

EUROPEAN NEWS

KEVIN PRENDERGAST PUTS FAMOUS FRIARSTOWN STABLES UP FOR SALE

By Brian Sheerin

Legendary trainer Kevin Prendergast has announced that his famous Friarstown Stables, from which Classic winners Nebbiolo, Pidget and more recently Awtaad have been trained from, will be offered up for sale.

Prendergast, who turned 91 this week and marked the occasion by sending out Profit Refused to win at Roscommon, quashed any talk of retirement and said that he would make provisions to carry on training at another location if and when Friarstown is sold.

However, Prendergast has admitted that coming to the decision to sell the **250-acre facility valued at €7.5 million** on the outskirts of the Curragh, where he has been based since 1964, was hugely difficult and fraught with emotion

"When you get to my age, you begin to think, 'this can't go on forever'", he told *TDN Europe* on Friday. "I have seven daughters and none of them are very involved in the yard so I thought it was the best thing to do to put it up for sale." [Cont. p10](#)

Kevin Prendergast | [Racingfotos.com](#)

Friarstown Stables For Sale Cont.

He said, "I find it very difficult to give up something that I've loved as much as training. I've been training all my life and have loved it and worked very hard at it. But there comes a time where you have to make decisions that are not very happy ones."

Asked if that meant that he had plans to retire, Prendergast said, "Not really, but, if the place is sold, we will have to try and make other arrangements. We've only got 12 horses in full work."

Prendergast is a much-loved figure in Irish racing. That was evidenced when Awtaad sparked rare scenes of emotion at the Curragh after landing the Irish 2,000 Guineas in 2016.

As much as Prendergast says that he prefers to concentrate on the future rather than gaze on past victories, he counts winning the 2,000 Guineas at Newmarket in 1977 with Nebbiolo as one of his happiest days in the game.

"We've had an awful lot of luck and everything went very well for us. Friarstown has been a lucky place for us thank God. Winning an English Classic was very good. Unfortunately we didn't win an English Derby, we were second in it with Madhmoon, but those would be the outstanding memories."

"Ardross is probably the best horse that I ever trained from here. He was beaten just a short head in an Arc as a six-year-old after I sold him to Henry Cecil. There's a lot of good memories."

He added, "Friarstown is just a lovely place, very peaceful, and a great place to train horses. When my father [Patrick] died, I trained out of his place in Rossmore Lodge before coming here in 1964. I'm here ever since."

Prendergast may not be finished sending out big-race winners from Friarstown just yet. Roscommon scorer Profit Refused, who he owns in partnership with Jim Bolger's wife Jackie, is entered up in the G1 Moyglare S. at the Curragh and is reported

to be going nicely by the trainer.

He said, "She's a nice filly and hopefully she's progressive. I think that she is. I own her along with Jackie Bolger and we made an entry in the Moyglare for her."

Asked what the secret was to be still sending out winners at 91, he replied, "There's no secret! You need to be lucky in life. If you don't have your health, you have nothing. Your health is your wealth."

"We've got a few great kicks in life. Awtaad winning the Irish 2,000 Guineas was another. We lost a very good owner not so long after that, Sheikh Hamdan Al Maktoum. I tell you, he was one solid man and was with us for 35 years and we never had a cross word."

"I must say, Tony and Chryss O'Reilly have also been great supporters of mine for over 30 years as well. We've had a lot of luck. Some great days."

CORONATION RUNNER-UP REMARQUEE BOUGHT BY WATHNAN RACING

Group 3 winner **Remarquee (GB)** (**Kingman {GB}**) has been purchased privately by the **Emir of Qatar, Sheikh Tamim bin Hamad Al Thani**. She has been entered in his Wathnan Racing colours for Newmarket's G1 Falmouth S. later this month.

Owned through her first four starts by Julian Richmond-Watson, the 3-year-old daughter of listed winner and dual Group 3-placed Regardez (GB) (Champs Elysees {GB}) won her first racecourse appearance at Salisbury at two and the G3 Fred Darling S. at Newbury this spring. Unplaced in the G1 1000 Guineas, the Lawn Stud-bred rebounded to run second in the G1 Coronation S., just a length behind Tahiya (Ire) (**Siyouni {Fr}**) at Royal Ascot. [Cont. p11](#)

CHINDIT BOUGHT BY DR. CYRUS POONAWALLA, WILL REMAIN IN TRAINING PRIOR TO INDIAN STUD CAREER

Three-time group winner **Chindit (Ire)** (**Wootton Bassett {GB}**) has been purchased by Dr. Cyrus Poonawalla, and will remain with trainer Richard Hannon for a European campaign prior to a stallion career in India. The former Michael Pescod-owned runner will stand at Poonawalla Stud Farms upon retirement. The news was first reported by the *Racing Post*.

A winner of the G2 Champagne S. at two, the G3 Greenham S. at three and the G2 Summer Mile S. in 2022, the 5-year-old has also been placed twice in the G1 Lockinge S., including a second-place effort in May.

"We are pleased to announce our brilliant, seven-time winning miler Chindit, has been bought by Dr. Cyrus Poonawalla," Hannon said on Twitter. "He'll remain in training with us for the foreseeable [future] and looks to have a future stallion career in India. We wish his new connections the best of luck with him."

Bred by J. C. Bloodstock and R. Mahon, the relative of G1 Derby hero Motivator (GB) (Montjeu {Ire}) was a 65,000gns Tattersalls October Book 2 graduate when purchased by Peter and Ross Doyle from Kilminfoyle House Stud. He is the first foal out of the winning **Oasis Dream (GB)** mare Always A Dream (GB).

The deal was brokered by bloodstock agents Gaurav Rampal, Ross Doyle, and Richard Venn.

ARQANA RENEWS SPONSORSHIP OF MARWELL STAKES AT NAAS

French sales company Arqana has renewed their sponsorship of the Irish EBF Marwell S. at Naas for another three years, the Irish racetrack announced on Friday.

Arqana first sponsored the race in 2020, the year it was introduced to the Naas Flat calendar. This year's renewal takes the Deauville auction house and racetrack's association into a fourth year. The five-furlong listed contest for 2-year-old fillies carries an increased purse of €50,000 and is one of the feature races on the card at the Naas Summer Racing and BBQ Evening on July 26.

Mathieu Legars, Bloodstock Member at Arqana, said, "We are absolutely delighted to renew our partnership with Naas Racecourse. We are committed to supporting racing and breeding throughout the world and particularly in a country like Ireland with which we have so many links, as demonstrated by the many Irish buyers and vendors who place their trust in us throughout the year by attending the sales in Deauville."

Eamonn McEvoy, General Manager of Naas Racecourse, said, "The Board and management at Naas Racecourse are delighted to have Arqana extend their sponsorship of the Arqana Irish EBF Marwell S. for a further three years."

ITBA FLAT SEMINAR SPURS LIVELY DISTANCE DISCUSSION

The Irish Thoroughbred Breeders' Association (ITBA)'s Flat Seminar, The Distance Debate, was held in conjunction with the Derby Festival at the Curragh on June 30. The discussion featured a panel of top experts--Kevin Blake, Stuart Boman, Ado McGuinness, Jason Morris and John Oxx, with ITBA Chairman Cathy Grassick taking on hosting duties.

The seminar--Sprinters, Stayers and Everything in Between--analyzed breeding for different distances to suit market demands, as well as changes in trends over the past number of years and what the future might look like. The panel's lively discussion included points on varying trends within the Flat breeding and racing sector, international markets, balancing speed versus stamina and market demand.

"Distance horses are still speedy horses," champion trainer and Staffordstown Stud Director John Oxx said. "Carrying speed for longer is what we are trying to produce. The superior athletic specimen." [Cont. p12](#)

Those in attendance provided plenty of comments and questions throughout the afternoon and the debate was well balanced and informative. IRELAND'S CORINTHIAN CHALLENGE BACK FOR 2023

The Corinthian Challenge Charity Race Series is back this year, the Irish Injured Jockeys (IIJ) announced on Friday. The six-race series offers riding enthusiasts the chance to experience what it's like to be a jockey riding over three of Ireland's best tracks while also raising awareness and much-needed funds for the IIJ.

This year's races will be held at Naas Racecourse on Aug. 27, the Curragh on Sept. 24 and Leopardstown Racecourse on Oct. 21.

Each rider is asked to raise €10,000 through sponsorship and/or fundraising, with all funds to go to Irish Injured Jockeys. Riders must also pass an interview and a training day to receive their licence from the Racing Academy and Centre of Education (RACE) in Co. Kildare. This year's Corinthian Challengers are Eimear O'Gorman, Jansseen Hill, Michael O'Neill, Martina Dempsey, Niamh Ashe, Damien Moore, Aisling Fitzell, Vivienne

Connolly, Darren Dunne, Aimee Murphy, Abigail Reilly, Hazel Smith, Anna Cropper and Katie Brown.

"Following on from the previous success of the series, we wanted to build on it to make it very attractive for the participants, racecourses, racegoers and for the media to really engage with again this year," Michael Higgins, General Manager of Irish Injured Jockeys, said. "I would like to thank this year's challengers as it is a big commitment to take part and raise much-needed funds for IIJ, to date the feedback has been overwhelmingly positive."

FULL-SISTER TO G1 CHEVELEY PARK HEROINE MILLISLE SET FOR NAAS BOW

14.45 Naas, Cond, €25,000, 2yo, 5f 205yT
Stonethorn Stud Farms Ltd's homebred **EMERALD BANNER (IRE)** (**Starspangledbanner {Aus}**) is kin to four black-type performers headed by her G1 Cheveley Park S.-winning full-sister Millisle (Ire). She is one of two nominees for Millisle's trainer Jessica Harrington in a contest annexed by the stable last year. Her 11 rivals include Dundalk maiden winner and G3 Marble Hill S. fourth **Buyin Buyin (Ire)** (**Bungle Inthejungle {GB}**), from the Willie Browne stable.

14.10 Naas, Mdn, €16,000, 2yo, f, 5fT
Yuesheng Zhang's debutante **HEAVENLY BEING (IRE)** (**Night Of Thunder {Ire}**), a €525,000 Goffs Orby yearling, is out of Listed Prix La Fleche victrix Rapacity Alexander (Ire) (Dandy Man {Ire}) and thus kin to G1 Matron S. heroine No Speak Alexander (Ire) (Shalaa {Ire}). She hails from latter's Jessica Harrington nursery and is opposed by 11 in this dash.

HOW THEY FARED

14.30 Sandown, Listed, £40,000, 2yo, 5f 10yT

Laurence Holder's 'TDN Rising Star' **Born To Rock (Ire)** (Soldier's Call {GB}) skipped her G2 Queen Mary S. appointment at Royal Ascot, but was unable to land a telling blow upped in class for this Listed Dragon S. and finished fifth of seven.

15.40 Sandown, Novice, £15,000, 2yo, 7fT

Godolphin's €600,000 Arqana August acquisition **Arabian Crown (Fr)** (Dubawi {Ire}), a half-brother to dual G2 Prix de Royallieu victrix The Juliet Rose (Fr) (Monsun {Ger}), made encouraging late progress from off the pace to finish close up in a never-nearer third on debut.

Sandown had already witnessed one wide-margin rout in a juvenile stakes contest this term, when G2 Norfolk S. third Elite Status (GB) (Havana Grey {GB}) annexed May's Listed National S., and the Esher venue played host to another as Elite Status's Karl Burke stablemate Kylian registered a six-length tally in this one. The eventual winner, who shed maiden status at Newcastle in his third outing last month, broke sixth of the seven runners and remained in that position through halfway. Shuffled back to last and angled to the outside for an open lane inside the two pole, he quickened smartly to seize control entering the final

furlong and powered clear in impressive fashion to claim a career high.

"He has been quite a slow learner, but he is now learning what it is all about," explained owner Sheikh Hamed Dalmook Al Maktoum's representative Philip Robinson. "Ryan [Moore] said he had a look around when he was in front, but he didn't look around too much. Ryan thinks he could get six furlongs and that is another possible avenue. The [five-furlong Aug. 2 G3] Molecomb [at Goodwood] could be next."

Kylian, half to a yearling filly, is the first of two foals produced by Listed Radley S. victrix Hikmaa (Ire) (Roderic O'Connor {Ire}) and hails from the family of GI Futurity S.-winning sire Trapp Mountain (Cox's Ridge). The February-foaled bay's third dam Moon Tango (Ire) (Last Tycoon {Ire}) is a winning half-sister to stakes-winning G3 Nell Gwyn S. third Elegant Warning (Ire) (Warning {GB}) and to the dams of Listed Rose Bowl S. victor Don Pele (Ire) (Monashee Mountain) and Listed Prix des Sablonnets third Erimos (Ire) (Desert King {Ire}). **VIDEO.**

Savvy Victory went closest to a black-type win last term when third to Ottoman Fleet (GB) ([Sea The Stars {Ire}](#)) in Newmarket's Listed Fairway S. in May, but it was in handicaps at Goodwood in August and at Chester two months ago that he showed he was at the level required to make the breakthrough. Bouncing back from a latest last of 16 in Royal Ascot's Listed Wolferton S., the pride of Sean Woods' stable who was the outsider of this quartet was detached in rear early but arrived with a stirring effort to overwhelm Poker Face and Saga passing the furlong pole.

The dam, who captured the G2 Prix de Pomone and G3 Prix Cleopatre, also has the 2-year-old colt Eolo (Ire) (Waldgeist {GB}) who sold for 55,000gns to EAM Bloodstock at the Book 2 Sale, as well as a filly foal by Make Believe (GB). [VIDEO](#).

Also Ran: Sleeping Lion, Raymond Tusk (Ire), Estacas (Ger). Yibir was unplaced in two outings since snagging Newmarket's G2 Princess Of Wales's S. on this date last year and the 2021 G1 Breeders' Cup Turf regained the winning thread with a battling performance in this stayers' test. Patiently ridden in fifth after suffering interference at the break, he made relentless headway under pressure in early straight to lead approaching the furlong marker and maintained a high tempo up the hill to register a fifth black-type score with plenty to spare.

"It was a good ride by William [Buick] and I'm delighted to see Yibir get his head back in front," said Charlie Appleby. "It was always our plan to hold him up and use that turn of foot we have seen in the past. William said that was his maximum trip and the likelihood is we will look towards an Irish St Leger trial and then on to the [G1] Irish St Leger."

Yibir is one of five black-type performers produced by Listed Lord Weinstock Memorial victrix Rumh (Ger) (Monsun {Ger}), herself out of a Group 3-winning half to G1 Beverly D heroine Royal Highness (Ger) (Monsun {Ger}). The homebred chestnut is a full-brother to three-time Group 1 winner Wild Illusion (GB), last term's Listed Floodlit S. runner-up Wild Crusade (GB) and a weanling filly. His siblings also include Listed Montrose Fillies' S. victrix Really Special (GB) (Shamardal), G3 Prix d'Aumale second Ceratonia (GB) ([Oasis Dream {GB}](#)) and a yearling colt by [Sea The Stars \(Ire\)](#). Descendants of his G3 Prix de Flore-winning fourth dam Gesedeh (Ire) (Ela-Mana-Mou {Ire}), herself kin to MG1SW sire Ardross (Ire) (Run The Gantlet), include G1 Deutsches Derby victor Robertico (GB) (Robellino) and MG1SW G1 Dubai World Cup hero Electrocutionist (Red Ransom). STARLORE (GB) (c, 2, [Kingman {GB}](#)--Starformer {MGSW-US & GSP-Fr, \$543,126}, by Dynaformer) was alert from the gates and tracked the leaders in a handy fourth for most of this debut. Inching ever closer in the straight, the 9-2 chance quickened to the front approaching the furlong pole and came under a drive in the closing stages to withstand the late thrust of Maximum Dividend (Ire) ([American Pharoah](#)) by a nose. "It was his first run and I expect him to come forward for today," said Ryan Moore. "He was green when he hit the front and today was a bit of a surprise [win], but hopefully there is more to come." Starlore is the seventh of eight foals and fourth scorer produced by MGSW GII New York S. victrix Starformer (Dynaformer), herself the leading performer out of G1 Prix de la Foret heroine Etoile Montante (Miswaki). Edging ahead passing two out, the full-sister to the G3 Prestige S. and G3 Princess Royal S. winner Antonia De Vega (Ire) asserted to score by 1 1/2 lengths. The dual listed-placed dam, who has visited Lope De Vega for six consecutive years, has also produced last year's Listed Silver Tankard S. runner-up Luckin Brew (Ire) and has a yearling filly and colt foal by him.
