

THREE CHAMPS LEAD CLASS OF 2023 INTO HALL OF FAME

Steve Coburn | Mike Kane

by Mike Kane

SARATOGA SPRINGS, N.Y. – Co-owner and co-breeder Steve Coburn was a quotable presence during **California Chrome** (Lucky Pulpit)'s fine career and delivered again Friday when the California-bred was inducted into the National Museum of Racing's Hall of Fame.

Champions California Chrome, **Arrogate** (Unbridled's Song) and **Songbird** (Medaglia d'Oro), all in their first year of eligibility, joined jockey Corey Nakatani in the contemporary class of 2023. Fernando Toro was selected by the Historic Review Committee. Three people--the late John Hanes II, the late Leonard Jerome and Stella F. Thayer--were inducted as Pillars of the Turf in the ceremony at the Fasig-Tipton Sales Pavilion.

CODY'S WISH STREAKS INTO WHITNEY

Cody's Wish (Curlin) will be heavily favored over five rivals to add another chapter to racing's feel-good story in Saturday's GI Whitney S. at Saratoga.

The Godolphin homebred, winner of last term's GI Breeders' Cup Dirt Mile and the stallion-making GI Hill 'N' Dale Metropolitan H. at Belmont Park June 10, seeks his first career win beyond one mile in the nine-furlong Whitney, a 'Win and You're In' for the GI Breeders' Cup Classic at Santa Anita.

The 1-2 morning-line favorite, named after Cody Dorman, who was born with the rare genetic disorder Wolf-Hirschhorn syndrome and is unable to walk or communicate without utilizing a tablet, is currently riding a six-race winning streak. He will exit widest of all from post six with regular rider Junior Alvarado aboard.

"We have reason to believe he could do it," Hall of Fame trainer Bill Mott said of Cody's Wish tackling the additional distance. "He's come a long way. He was terribly green when we ran him at three in his first few races. He just didn't know whether to go forward or that sort of thing."

Mott continued, "This is a very good horse and hopefully for our sake, he can go on. There's a great story that goes with him with Cody Dorman, so the whole scenario turns out to be very special."

Hall of Fame, cont. from p1

Award-winning journalist Edward Bowen, a museum trustee who has chaired a number of Hall of Fame committees, was presented with the inaugural Cornelius Vanderbilt Whitney Award for his contributions to the museum.

With his big cowboy hat in hand, Coburn accepted for California Chrome, winner of the GI Kentucky Derby, GI Preakness S. and G1 Dubai World Cup and a two-time Horse of the Year. California Chrome won 16 of 27 starts, a total of seven Grade I races and earned \$14,752,650.

Coburn thanked the horse for taking him and his wife on a remarkable journey over five seasons. He praised the work of trainer Art Sherman and his son and assistant Alan, and the staff, who he named, for the way they developed and handled the horse.

California Chrome's story--from his modest breeding, to

difficulty the mare Love the Chase had with his foaling, to his personality and his connections--blended nicely with his success on the track and produced a legion of fans who called themselves "Chromies."

"The mare had problems giving birth to Chrome, so as a baby, he was in the stall with the mare," Coburn said. "He wasn't turned out with the rest of them. The only time he got to play with anybody was when they came to check on him. That's how come he became so loveable to people. He just liked people. I don't know how to express the love that people gave this horse. The Chromies are here. They've come in from all over the place, you know. Thank you."

As he moved to the end of his remarks, Coburn, hesitated for a

moment to control his emotions.

"Last but not least, I would like to thank that little nervous filly, Love the Chase," he said. **Cont.**

Hall of Fame, cont.

"Without her we wouldn't have Chrome and for Chrome to be inducted into the Hall of Fame it's indescribable. Just like

winning the Kentucky Derby. This is a good way to say that story has come to an end. I told Laffit Pincay, III after he won the Santa Anita Derby, 'Mark my words. This horse is going to go down in history.' And today's the day. Period."

Nakatani, 52, was the final inductee on the program. He came to the sport as a teenager with no background with horses, but fashioned an outstanding 31-year career. He won 3,909 races; 10 of his 341 graded stakes wins came in the Breeders' Cup. His

\$234,554,534 in purse earnings ranks 14th.

To describe his attitude and determination, Nakatani told the story of what he did in a game of youth football. He said he weighed about 58 pounds at the time and was told by his coach

to run around a defensive player to score a touchdown. Instead, he decided to try to run over the other player and was stopped on the two-yard line.

"Long story short, that was the first time that I was told not to do something and was like 'I better just go it.' That tells my career in a nutshell," he said as the audience roared.

Nakatani was built to be a jockey, and, despite his lack of experience, he developed the skill needed to succeed against the odds on the tough Southern California circuit.

"The guys I was riding against were Gary Stevens, Chris McCarron, Laffit Pincay, all these Hall of Fame riders," he said. "I was very fortunate to have an opportunity to ride with them and

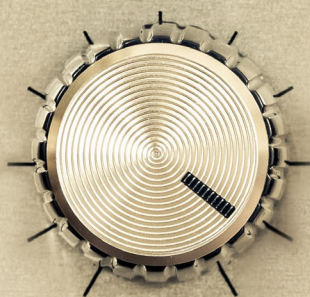

take a lot of learning from all of it. Sandy Hawley. Alex Solis. All the guys that I had the chance to ride with, even the King of Saratoga, Angel [Cordero, Jr.]. These guys have a special place in my heart." **Cont.**

Toro, 82, did not make the cross-continent trip from his home in California and will be honored at Del Mar. The native of Chile was a top rider in his home country before moving to California in 1966. He retired in 1990 with North American totals of 3,555 victories and purse earnings of \$56,299,765. He won 80 graded stakes. At the time of his retirement, he was sixth in stakes wins at Del Mar, eighth at Hollywood Park and tied for eighth at Santa Anita.

During the ceremony, a video was shown of how California turf writers Jay Hovdey and Jay Privman told Toro that he had been elected to the Hall of Fame.

Arrogate, trained by Hall of Famer Bob Baffert, showed that he had the makings of a superstar in the 2016 GI Travers just down the street from the sales pavilion at Saratoga Race Course. In his first graded stakes attempt, he won by 13 1/2 lengths and broke

a 37-year-old track record for 1 1/4 miles. He went on to win the GI Breeders' Cup Classic, edging California Chrome, the 2017 GI Pegasus World Cup and the 2017 Dubai World Cup in a

seven-race win streak. The gray colt owned by Juddmonte Farm retired with a record \$17,422,600 in purse earnings.

Dr. John Chandler accepted on behalf of Juddmonte Farms, the racing powerhouse launched by the late Saudi Prince Khalid bin Abdullah.

"It's very sad that Prince Khalid himself unfortunately passed away a couple of years ago," Chandler said. "He would have liked to have been here and appreciate the recognition."

Arrogate was a departure from

the norm for Prince Khalid's international stable.

"For many years at Juddmonte, we had a lot of turf horses, because our racing started in England," Chandler said. "We were going through a bad spell after our trainer Bobby Frankel passed away." **Cont.**

"The Prince had been looking through all the results, week after week, and he said, 'This man in California, Bob Baffert, is doing very well isn't he, training a lot of winners. Why don't we send him some horses?'"

Since Baffert mainly trained dirt horses, Chandler said the turf horses bred by Juddmonte would not be a good fit. He said the Prince said, 'So, we'll buy some dirt horses.' The trainer and Garrett [O'Rourke, Juddmonte's U.S. manager], went to the sales and they bought some horses, some nice, expensive dirt horses. One of them turned out to be

Arrogate. That brought the Prince more pleasure than anything else that I'd seen in a long time. We're very grateful to the Hall of Fame committee to take our horse. All I can say is thank you."

Songbird, owned by the late Rick Porter's Fox Hill Farm, started her career with 11 consecutive victories and retired in 2017 with

a record of 13 wins and two seconds from 15 starts. Trained by Hall of Famer Jerry Hollendorfer, she secured Grade I victories at two, three and four and earned \$4,692,000.

"In her 15 races, it took being a champion to beat Songbird," said Fox Hill manager Victoria Keith. "She lost, finishing second twice, to Beholder and champion Forever Unbridled."

Keith described Songbird as a talented but laid-back filly.

"You often hear that great racehorses have a fiery side and this contributes to them being a great race horse," she said. "You particularly hear this about speed horses. Songbird was a speed horse but she had no fiery side.

She's a sweet, loving and gentle horse."

Keith and Porter's widow, Betsy, accepted Songbird's plaque.

"We are so pleased that Songbird is being inducted into the Hall of Fame," Keith said. "We consider it not only an honor for Songbird, but also for Rick Porter and Fox Hill Farm." **Cont.**

AIRDRIE STUD'S PRIDE ON DISPLAY AT FASIG-TIPTON SARATOGA SALE

by Christina Bossinakis

For over a half century, Airdrie Stud has grown into one of the most recognizable names in the breeding industry. Well known for producing future stakes horses, developing stallions or selling livestock, the Midway, Kentucky operation has become part of the very fabric of racing. And while the nursery, founded in 1972 by Governor Brereton Jones and his wife Elizabeth, has been a fixture at the yearling sales for much of its history, its return to the Fasig-Tipton Saratoga Select Yearling Sale offers a departure from its sale's program in recent times.

Hailing from one of its most prolific families, Airdrie is represented by a single yearling in next week's sale, a colt by Triple Crown winner **American Pharoah** out of Indian Pride (Proud Citizen). Offered as **Hip 79** on Monday, the Feb. 6 foal is the first foal out of **TDN Rising Star** Indian Pride, a daughter of Airdrie's accomplished mare Ms. Cornstalk (Indian Charlie).

"If you bring a horse to Saratoga, they better be special and I think this horse fits the bill," Airdrie Vice President Bret Jones affirmed.

Further explaining the colt's allure, he said, "He has a lot of Indian Charlie in him. Indian Pride was all Indian Charlie--a big, strapping, powerful type that Indian Charlie would so often throw. And a lot of his brilliance as well. This colt has such a great mind, like you would hope you'd get from **American Pharoah**, who was such an intelligent horse. It's that combination of brilliance and thankfully, the class as well."

While **American Pharoah**'s racetrack accomplishments have become the stuff of legend, the colt's dam Indian Pride was hardly a secret in her own career debut for trainer Chad Brown in the summer of 2019. Sent off the 3-5 favorite negotiating six furlongs at Saratoga, she blew the doors of her competition with an eye-catching eight-length score in 1:09.45. ([video](#)) Subsequently third in Keeneland's GII Raven Run S. later that October, the Airdrie homebred rebounded to take a 6 1/2-panel Belmont allowance in her 4-year-old bow in June. In what would be her final career start, the bay triumphed in Saratoga's Shine Again S.

Airdrie Stud will offer a single-horse consignment at this year's Saratoga Sale (pictured Hip 79) | Fasig-Tipton

"A big reason that we brought this colt here is that Indian Pride ran in New York," explained Jones.

He continued, "The best way to explain it is she's just different. I honestly think she is as good as any of the fillies we were lucky enough to win the Kentucky Oaks with [Airdrie had three winners--Proud Spell, Believe You Can and Lovely Maria]."

And according to Jones, Indian Pride's talent was plainly obvious very early on in her career.

"The first time we breezed her with Wayne Mackey, she went :24 and galloped out in :36 just as easy as you can ever see a horse do it," he recalled.

"Generally, our 2-year-olds are going in :26 or :27 the first quarter. So that was kind of our 'a ha' moment.

"She got very sick before what was supposed to be her first start, to the point where we almost lost her. She had pneumonia. We weren't sure she could even get back to the races if she did pull through. It was a long path. She finally did

start, the following year at Saratoga. We never had a horse produce a debut like she did. It looked like she was just breezing."

Despite the high hopes of being able to catch up on lost time with the uber-talented filly, the wheel of fate would once again take another turn.

"We really thought we'd win the Ballerina with her as a 4-year-old," Jones admitted. "She won the Ballerina prep, [the Shine Again], in 1:21 3/5. Heading to the Ballerina, we thought we had a big shot to win it but, unfortunately, she got sick again. It was never musculoskeletal--it was just lousy luck."

Weighing in on who the filly would go to in her first season following her retirement from the track, the Airdrie team decided to send her to a stallion that was up to the quality that they felt she possessed while never fully able to demonstrate on the track.

"We felt she such was such a brilliant filly that we bred her to what we thought was about as brilliant a horse as we had ever seen--**American Pharoah**," he said.

This story, however, really begins well before Indian Pride ever set foot on the racetrack with Ms. Cornstalk, who was also bred by Airdrie. After RNA'ing for \$35,000 at Keeneland in January, she was subsequently withdrawn from the September sale and ultimately retired to the breeding shed at two. **Cont.**

Airdrie at Saratoga sale, cont.

Her inability to find a buyer in the ring, however, proved to be a stroke of very good fortune for the Airdrie team.

Her first foal, Biofuel (Stormin Fever), earned the juvenile filly championship in Canada in 2009 before following up with another divisional title and Horse of the Year honors at three.

Airdrie's sole F-T Saratoga Select yearling is a colt by **American Pharoah out of Indian Pride, who earned TDN Rising Stardom at the Spa in 2019 | Sarah Andrew**

"Ms. Cornstalk was just so special," Jones said. "We bred her as a 2-year-old because she never made it to the races. Her first foal was Biofuel, which gave us her first champion when she was only five."

He said, "She was unbelievably good to us. We didn't necessarily breed her to stallions that went on to great success. We ended up keeping Biofuel because she was by Stormin Fever and we didn't think she would bring what we thought she could at the sales."

Two years later, Ms. Cornstalk would foal Tu Endie Wei (Johar), Canada's 2-year-old Champion Filly in 2011. Both Biofuel and Tu Endie Wei were campaigned by Brereton Jones and trained by Woodbine-based Reade Baker.

"The only other horse that I can remember that had as impressive a career debut as Indian Pride was Tu Endie Wei, who debuted in a stakes race [Woodbine's 2011 My Dear S.]," Jones recalled. "She made a Zenyatta-like move from the back where she came down the middle of the track and won going away. She was just so impressive early on that she probably had the championship sewn up then."

Sadly, Ms. Cornstalk died shortly after foaling a colt by Airdrie stallion **Upstart** earlier this season. Tu Endie Wei died in 2013.

"That was a very tough loss for all of us," said Jones of the recent loss of Ms. Cornstalk. "We still have Biofuel and several of her daughters that are all being bred to very nice stallions. So, I think this family can go on rewarding us."

In stark contrast to the caliber of sires that Ms. Cornstalk had visited early in her career, Airdrie has gone completely the opposite route with what it considers to be her most brilliant offspring. In addition to **American Pharoah**, Indian Pride produced a colt by **Constitution** this season and was bred back to Into Mischief.

"Constitution is ascendant and Into Mischief is as good a stallion as there is in the world," he said.

"With **American Pharoah**, we thought breeding the most brilliantly talented filly we've had to the most brilliantly talented sire we've seen, made sense," he said. "That might be overly simplistic. It probably is, but I can promise you that the colt is just might be a little bit different himself."

Bret Jones | Sarah Andrew

He added, "I really think he's a wow horse. He's the type of horse that when you see him, you'll think about him the rest of the day. He's just that type of physical. He's got this big, gorgeous, strapping Indian Charlie body. He's been a total class act since the day he was born. If you combine that physical and that charisma, he's just the type that stays on your mind."

Looking forward to a return to the Saratoga sale, Jones is optimistic that the colt will be well received at a venue that can be unforgiving for a lesser animal but also explosive for the right one.

"We haven't had a horse up there in a very long time," he said. "But I think this colt will be worth the wait."--@CBossTDN

Nobody was going to rain on Elusive Princess (Fr)'s parade as she emerged from the bog that was Saratoga's lawn Friday to score her first stakes win in the GIII Fasig-Tipton Saratoga Oaks Invitational S. With pouring rain that led to an abandoned post parade and eventually cancelled the rest of the card, the field for the Saratoga Oaks went straight from the paddock to the gate.

Selenia (Ire) (Sea The Moon {Ger}) controlled the pace through :23.55 and :48.57 early fractions while Elusive Princess parked under cover on the rail several lengths in arrears. The rain continued to fall as Elusive Princess, American Sonja (GB), and Papilio (Ire) all launched their bids on the turn just as Selenia threw in the towel. The latter two raced in tandem while extremely wide with Elusive Princess angling out even wider, at least a dozen paths out from the rail. The winner blew right by the wide duo, prompting Flavien Prat to ease up and the filly's ears to prick several strides before the wire. They finished 3 1/4 lengths to the good.

Jaime Roth greets the Saratoga Oaks winner | Sarah Andrew

"I thought I was in a good position," said Prat. "She actually jumped better than I thought and she was traveling well. Really handy and when I had a chance I thought not taking any risk then the two horses in front of me came really shifting out, but I ended up fine. I was actually on the good ground so I was okay with it. I was going to go outside, but I ended up being a lot wider than I thought."

Winner of three in a row in France to close out 2022 and open 2023, including two over the boys, Elusive Princess placed in

both the G1 Prix Saint-Alary and G3 Prix Cleopatre this spring. She finished well but missed the board in her final French start--the June 18 G1 Prix de Diane Longines at Chantilly.

Winner's circle presentation | Sarah Andrew

Hubert Guy of Bloodstock Management Services was instrumental in bringing Elusive Princess stateside.

"I thought she was a filly that would fit really well here in this country," said Guy. "Jean-Phillipe [Dubois] trains her, owns her, bred her, and really did not want to part with her. After she was second in [the Prix Cleopatre] where she got into a lot of trouble--she got blocked on the rail and should have won easy--he decided to sell off. So, I contacted Alex [Solis] and Jason [Litt] and LNJ Foxwoods--Larry, Nanci, Jaime--and we agreed on a deal that he would train the horse to the French Oaks and maybe no later, but when she finished fifth in the French Oaks, [it was] an amazing fifth because she was way too far back. She should have been closer. We wouldn't have won, but we would have been second or third.

"From there, we decided to run in this race with the LNJ Foxwoods team and to have Mr. Dubois train her because he did a really good job training her. It's the first time he's running in America.

"This looked like a good spot to get started in this country. She's going to stay here now and she will be trained by Arnaud Delacour and running for LNJ Foxwoods and Mr. Dubois is keeping his half.

"We thought it was a good spot to start--beautiful venue here, Saratoga is magic. It worked out really good. She's very good on the soft. She's very good on the firm. She's a special filly."

Pedigree Notes:

Haras de la Baie stands the Japanese-bred Martinborough (Jpn), a multiple Group winner in Japan who notched his first graded winner with Elusive Princess's Saratoga Oaks win. **Cont.**

Saratoga Oaks, cont.

The Deep Impact (Jpn) sire has just four small crops of racing age, all in France. He got his first black-type winner earlier this year at Cagnes-sur-Mer, bringing his total count of stakes winners to two. Elusive Princess is also the 28th stakes winner out of a daughter of Elusive City, who died in 2019 at age 19 at Haras d'Etreham in France after suffering a heart attack.

Elusive Princess is the first foal of her unraced dam, who also has a yearling full-sister to the Saratoga Oaks winner. Elusive Princess's fourth dam, Irish highweight Diamond Seal (Ire) (Persian Bold {Ire}), produced three Group winners and a Group-placed daughter who produced three more.

SARATOGA ABANDONS REMAINDER OF CARD DUE TO WEATHER

Sarah Andrew

With the field for the Aug. 4 GII National Museum of Racing Hall of Fame S. at Saratoga Race Course circling in the paddock for several minutes due to lightning, New York Racing Association (NYRA) officials decided to cancel the remainder of Friday's card due to inclement weather. Races 8-11, including the Hall of Fame S., were called off at approximately 5:15 p.m. ET.

The race prior, the GIII Fasig-Tipton Saratoga Oaks Invitational S. won by Elusive Princess (Martinborough {Jpn}), did run as expected, although it was contested in pouring rain.

Saturday's racing, which includes the GI Whitney S. and two other Grade I events, is expected to be conducted as usual. The Hall of Fame S. has been rescheduled for Friday, Aug. 11 with entries to be drawn on Sunday, Aug. 6.

JOCKEY ROMERO GETS 30 DAYS, FINED \$1,000; PENALTY HALVED FOR NOT APPEALING

by T.D. Thornton

Gregory Romero | Coady

Jockey Gregory Romero reportedly has been suspended 30 days and fined \$1,000 by the Belterra Park stewards two days after he eased up on a 9-1 mount that led in the shadow of the wire but ended up getting beaten by a neck by a more assertively ridden favorite.

Romero's penalty was first reported Friday afternoon by the *Paulick Report*.

On Thursday, Belterra steward Ron Herbstreit **declined an opportunity to comment** to TDN about the matter. A Friday morning email TDN sent to Ohio State Racing Commission executive director Christopher Dragone requesting a copy of the ruling remained unanswered at the time of deadline for this story.

"After considering all testimony and evidence during this hearing, the Board of Stewards determined that Jockey Gregory Romero misjudged the finish line and failed to persevere through the wire which cost his mount a position," stated the ruling published by the *Paulick Report*. "Therefore, Jockey Gregory Romero is fined \$1,000 and suspended 30 days. This penalty will be reduced to \$500 and suspended 15 days, if not appealed."

The *Paulick Report* stated that Romero waived his right to appeal, meaning he'll end up serving his reduced days Aug. 9-23.

Romero attained the lead aboard Scooteranddabigman (Mor Spirit) in deep stretch of the fourth race at Belterra Aug. 2, a five-furlong, NW2L \$12,500 claiming turf sprint (**video of the race**). He encouraged his mount with right-handed stick work into the final sixteenth of a mile, then lowered his whip alongside his right leg while keeping his left hand on the reins. **Cont.**

Belterra ride, cont.

With Hillbilly Logic (Elusive Quality) closing fast to the outside under John McKee, Romero twice glanced to his right but did not urge his mount to counter the move.

Romero has been riding since 2016 with a 32-for-297 career win record. This season he's 3-for-29, and Wednesday's mount was his first opportunity to ride since July 15.

LOS ALAMITOS BACKSTRETCH IMPROVEMENTS ON THE WAY

Over the next year, Los Alamitos Race Course will conduct a series of improvement projects throughout its backstretch facilities with the first set of upgrades set to begin immediately, the track said in a release late Thursday.

Work will start next Monday with modernizing the men's and women's restroom facilities on the backstretch and new concrete has already been poured into designated areas to help prevent standing water and avoid excess mud around the barns.

In June, Los Alamitos completed work on improvements to the receiving barn and testing areas prioritizing suggestions and recommendations from staff in those areas. The track also built a brand-new office at the main entrance of the barn area for more efficient traffic control.

Additional projects to the barn area for 2023-2024 will be announced in the months to come.

Fearless to Old Friends, cont.

Fearless amassed eight wins over 19 starts and over \$1.2-million in career earnings.

“Fearless was a gutsy and determined racehorse with the perfect name,” said Repole. “The stable really thought Old Friends would be a great place for him to spend the rest of his career with other great horses. I’m thrilled people will be able to visit him at Old Friends.”

Bred by the Helen K. Groves Revocable Trust and foaled in Kentucky on Mar. 17, 2006, Fearless was initially owned by China Horse Club International and WinStar Farm. He was trained his entire career by Todd Pletcher.

“No one has been better to Old Friends and his horses than Mike Repole,” said Michael Blowen, president and founder of Old Friends. “We are grateful to him for several retirees, especially Fearless who won a Saratoga stakes race named for another Old Friends resident, Birdstone. And he’s gorgeous. Fearless, that is!”

Be You at Saratoga | Sarah Andrew

COAST-TO-COAST MAIDEN ACTION KICKS OFF WHITNEY SATURDAY

2nd-SAR, \$136K, Msw, 2yo, 6f, 1:07 p.m.

The action kicks off with a heavily-loaded maiden race on the Whitney undercard Saturday. A quartet of colts, all first-time starters, take to the dirt led by the inside draw **BE YOU (Curlin)**, the first of a pair of starters for Todd Pletcher. Out of the graded-stakes winning mare Jacaranda, herself a \$2,000,000 purchase by this colt's breeder Alpha Delta, Be You already has a stakes-placed full-sister in American West, a \$925,000 Keeneland yearling herself. Jacaranda is out of the Distorted Humor mare Baffled, making her a half-sister to MGISW and leading sire Constituion (**Tapit**) as well as GSW Boynton (More Than Ready). Further back in the family you'll find GSW Emcee (Unbridled's Song) and G1SP Surfer (Distorted Humor).

Pletcher's second starter, **Locked (Gun Runner)**, brought \$425,000 as a yearling at Keeneland last year. He is out of a half to MGSW Always a Princess (Leroidesanimaux {Brz}) and MGISW Gabby's Golden Girl (**Medaglia d'Oro**).

Splitting the pair is Claude McGaughey runner **Pentathlon (Speightstown)**, a Phipps Stable homebred who hails from the family of MGISW My Flag, the dam of champion 2-year-old filly Storm Flag Flying (Storm Cat).

Last of the quarter and the widest drawn of the four, **Creek (Ghostzapper)** will look to get trainer Bill Mott's day off to a winning start. The colt is out of a half to GSW/GISP Great Island (Scat Daddy) and to the dam of GSW Surprisingly (**Mastery**). Third dam Matlacha Pass also produced MGISW and sire Point of Entry (Dynaformer) and MGISW Pine Island (Arch). **TJCIS PPS**

1st-DMR, \$82K, Msw, 2yo, 6f, 5:00 p.m.

On the **West Coast**, **Dagger Ranch (Curlin)** will look to be the latest winner out of dual Eclipse champion Indian Blessing. The Bob Baffert trainee is already a half-brother to GISP Ten Blessings (Smart Strike) and draws the outside gate under Hall of Fame jockey Victor Espinoza.

Breaking from gate three is another son of **Curlin** for Bob Baffert in **Mission Beach**, a \$400,000 Keeneland September yearling who is out of a full-sister to GISW Taris, the dam of GSW King Fury (**Curlin**). He put up a best-of-53 work at five furlongs July 24, going from the gate in :58 4/5. **TJCIS PPS**

1st-SAR, \$136K, Msw, 2yo, 1 1/16mT, 12:35 p.m.

Opening the Saturday card at the Spa, **Agate Road (Quality Road)**, bred by China Horse Club, was a \$650,000 pick up by the prolific connections of Repole Stable and St Elias Stable for trainer Todd Pletcher. Out of GI Frizette S. winner Yellow Agate, already the dam of a pair of winners, the colt traces back to GSW/MG1SP Without Connexion (Ire) (Rainbow Quest). **TJCIS PPS**

11th-SAR, \$149.5K, Alw, 3yo/up, 7f, 6:16 p.m.

Carded right after the Whitney, this race features the return of not one but two '**TDN Rising Stars**' both racing for Claude McGaughey. Drawn further to the inside is **Signator (Tapit)**, a \$1.7m OBS April pick up last seen breaking his maiden at Belmont's Aqueduct meeting last Oct. Racing with Lasix for the first time, the grey hails from the family of champion 3-year-old filly Heavenly Prize (Seeking the Gold).

Lined up to his outside, **Capture the Flag (Quality Road)** earned his 'Star' tag at first asking with a three-length maiden win at this meet just over a year ago but hasn't raced since. This colt, a half to GSW Personal Best (**Tapit**), is out of a full-sister to Hong Kong's champion stayer Lines of Battle. His third dam also produced MGSW and late leading sire Dynaformer (Roberto).

TJCIS PPS

3rd-MTH, \$55K, Msw, 2yo, f, 1mT, 1:36 p.m.

Drawn furthest outside, **Spendalot (More Than Ready)** lived up to her name with a \$650,000 purchase price as a yearling at Keeneland last Fall. She is a full-sister to Chad Brown's Consumer Spending who took last month's GIII Matchmaker S. over this same track.

And all the way to the rail is **Madame Mischief (Into Mischief)**, a \$550,000 OBS March grad who checked in second while sprinting five furlongs on the grass July 2. Her dam is a half-sister to MGISW and sire **Divisidero (Kitten's Joy)**. **TJCIS PPS**

Joint-Priciest **Catalina Cruiser** Juvenile Gets Going

by Alan Carasso

Some of the most highly anticipated races during the summer racing season are the 'baby' races during the boutique meetings at both Saratoga and Del Mar and at Ellis Park, which attract its fair share of high-priced offspring from a variety of top national outfits.

Summer Breezes highlights debuting 2-year-olds at those meetings that have been sourced at the breeze-up sales earlier in the year, with links to their under-tack previews. To follow are the horses entered for Saturday at Ellis and Del Mar:

PROMISE ME A RIDE (c, 3, Mastery--Promise Me More {SW & GSP, \$171,866}, by More Than Ready), winless and off the board since his victory at first asking in March against a Fair Grounds maiden special field, put it all together here to stylishly return to the winner's enclosure. A \$400,000 purchase out of the Keeneland April sale this season and returning to the barn of Brad Cox, he was caught late for fourth last out over this track's turf course July 9 and had no problem with the race getting taken off here, last away at the jump but able to recover quickly to get into prompting position. Locked in battle with 6-5 favorite Billy Jack (**Uncle Mo**) from the three path, Promise Me a Ride assumed command at the five-sixteenths and drew away from his spar mate to air by 6 3/4 lengths in a stretched out field. The final time was 1:35.43. The dam has a 2-year-old Promisemeanempire (**Classic Empire**) but has not produced any offspring since that filly. She most recently visited **Golden Pal** for

COMMUNICATION MEMO (c, 3, Bolt d'Oro--Take a Memo, by Empire Maker) broke his maiden in Hot Springs at the end of his juvenile year on his fourth attempt. After a well-beaten seventh in the Smarty Jones S. at Oaklawn, he was third in his second try against allowance company July 8 at Ellis Park. Off at 5-1 here, the dark bay colt saved ground along the rail up the backstretch, continued to chase the pace around the far turn and with the rail open at the top of the lane, Communication Memo was up just in time to win by a neck over Endpoint (**Nyquist**). Out of GSW and MGISP Memorette (Memo {Chi}), Take a Memo is also responsible for the winner's yearling full-sister and a colt by **Justify** who was foaled Apr. 9. LUDWIG (g, 4, Mastery--Texas Gem, by Tiznow) started his career as 3-year-old before turning in a pair of third-place finishes back in April and May at Churchill Downs. A first-time gelding and off here at 8-5, the Phil Bauer trainee seized the lead up the backstretch, controlled the pace up front around the far turn and turned back a challenge in the stretch from Wicked Again (**Gun Runner**) to go on to win by 2 1/2 lengths. The winner's dam, who is a half-sister to recent **Curlin** S. hero Scotland (**Good Magic**), is responsible for a 2-year-old unraced filly named De Regreso (**Audible**) and a yearling filly by **Yoshida (Jpn)**. MYSTICISM (f, 2, War Front--Clairvoyance, by Arch) caught a flier on debut here and despite drifting in greenly, corrected quickly to set all the fractions on a wholly uncontested lead in :23.04 and a half in :46.30. Headstrong passing that half, she rated better coming two wide around the turn and responded when asked to produce a second wind in the stretch. Her advantage diminishing, but not fast enough, Mysticism sailed in 1 1/4 lengths to the good over Cailin Dana (**Oscar Performance**), who came on from the rear to take second. The first to the races

for her dam, the victress has a 2023 half-sister by **Ghostzapper**. Clairvoyance herself is a half-sister to a fleet of black-type runners including SW Dagnabit (Freud); GSW & G1SP Darwin (Big Brown); and SP Bad Boy Rising (Freud). The extended female family is active in Japan with GSW & G1SP-Jpn Win Marvel (Jpn) (I'll Have Another) as well as his full-sister GSP Win Gerbera (Jpn) flying the banner. HONEST AL (c, 2, Always Dreaming--Bajan {MSW & GISP, \$251,949}, by Speightstown), third last out July 20 sprinting five furlongs over this main track against auction price-restricted maidens, had no problem with the turf racing being rained off today and claimed his diploma on a rainy day in New York. Bumped at the start when eventual last-place finisher Rudy Rudy Rudy (Mitole), Honest Al was able to recover to chase three off the rail behind the leading pair. Under asking by the five-sixteenths, he was angled four wide into upper stretch but found himself almost seven paths out when a leg-weary frontrunner came out to his inside. Digging in gamely, he took command coming into the final furlong and managed to repel the late threat of Piccata Prince (Munnings), who was rolling fast to his outside. The most recent to hit racing age for Bajan, who hails from the female line of Critikola (Arg)--responsible for GI Kentucky Oaks heroine GISW Lemons Forever (Lemon Drop Kid)

and her two accomplished full-daughters: champion female older dirt horse, multi-millionaire MGISW Forever Unbridled (Unbridled's Song) and GISW Unbridled Forever--Honest Al is the second winner from two to the races. Bajan has a yearling colt by **Yoshida (Jpn)**, a 2023 **Street Sense** filly, and visited **Golden Pal** for 2024. Sales history: \$35,000 Wlg '21 KEENOV; \$17,000 Ylg '22 KEESEP. At the top of the lane, the Riley Mott trainee tipped to the three path, and with a good burst of speed, rolled to graduate by 2 3/4 lengths over Asternia (Astern {Aus}), who bounced off the rail late in the stretch. POBLANO (f, 3, *Curlin*--Kinda Spicy, by A.P. Indy), bridesmaid in two prior efforts in 2022 behind fillies like SP Twirled (*Twirling Candy*) and GSP Vahva (*Gun Runner*), got her 2023 going with a stylish victory here. Off from the blocks as the 4-5 favorite, she came out after the jump but recovered well to set the pace and it was largely over from there. Uncontested and in hand as she cruised in the two path, Poblano opened her advantage entering the lane and drew off to dominate by 9 1/4 lengths over Methodology (*Uncle Mo*), who could only play shadow in this contest. The victress is a half-sister to the accomplished Avery Island (*Street Sense*), MGSW, \$365,832, and is the most recent winner to the races for Kinda Spicy. CANDY OAK (f, 2, *Twirling Candy*--Ain't She Sweet, by Storm Cat) faded to be well out of it as a longshot when unveiled over the Ellis main track at five furlongs June 30. Backed at 5-2 on the stretch out here, she broke outwards but was quickly into stride to track the leading pair from third. As Isle of Hope (*Quality Road*) took over up the backstretch, Candy Oak began to inch closer and joined the top two for a three-wide bid into the stretch. Now a cavalry charge for the line, the \$190,000 OBS April grad dueled with Isle of Hope and Vino Veloce (Khozan) all the way home, just getting the best of the head bobs for the narrow win. Ain't She Sweet, a full-sister to champion 2-year-old

ELOPER (f, 2, *Enticed*--T'as d'Beaux Yeux, by Desert Party) debuted third at Gulfstream Park over the Tapeta May 25 before returning to the track here as the 2-1 favorite. The dark bay filly trailed early, began to steadily move up spots into the far turn and finished second behind No Show (Free Drop Billy), who was disqualified by the stewards after Mon Chou Chou (Fr) (*Zarak {Fr}*) clipped heels with her, went down in deep stretch and walked off. Elover was placed first. The winner, the eighth for her freshman sire (by *Medaglia d'Oro*), counts Violent Turbulence (*Violence*), SW, \$305,205 as a half-brother. SOZE (c, 2, *Maximus Mischief*--Dominating Woman, by Dominus) made his first start here as the heavy favorite and was on the pace up the backstretch to the outside of Buccherino (*Bucchero*) and Rocket N Roll Bolt (Bolt d'Oro). Around the far turn, the dark bay colt was given his cue and with a strong kick past the eighth pole, ran on nicely to win by 2 lengths over Buccherino. Bo Valentine (Into Mischief) was just nosed out for third at the wire. Soze is his freshman sire's (by Into Mischief) eighth individual winner and his dam visited Goldencents for next season. PAPEETE (c, 2, Not This Time--Sacred Chant, by Mineshaft) just missed by a neck on debut to next out Tyro S. third Shea D World (**World of Trouble**) over this same track and distance July 2. Heavily bet in this spot at 1-2 despite the sloppy track surface, he sat just off pacesetter Esperon (Chitu) through a quarter in :22.47 before assuming command into the lane with an outside move. Driven out to the line once in the clear, Papeete strolled home to graduate by 2 3/4 lengths over Saint No More (Gormley) and the rest of the strung-out field. From the family of GI Carter H. winner Swagger Jack (Smart Strike), MGSW/GISP Valid (**Medaglia d'Oro**) and GISW Malibu Prayer (Malibu Moon), Papeete is his dam's only foal to date. RECKLESS KELLY (f, 3, Good Magic--Unbridled Betty, by Unbridled's Song) was a well-beaten fifth in her last start back in January at Laurel Park when she tried to break her maiden at third asking. Off the bench and switching to the grass, the 5-2 blinkered second choice here led up the backstretch, briefly relinquished the lead around the far turn in between Tequesta (Noble Mission {GB}) and favorite Delta Charm (Khozan) and unleashed down the lane, she won over the chalk by 2 lengths. The winner is a half-sister to Unbridled Command (Master Command), GISW, \$515,665. Her dam is also responsible for an unraced 2-year-old filly named Bad Betty (Palice Malice). U.S.-BRED/SIRED RUNNERS IN JAPAN

In this continuing series, Alan Carasso takes a look ahead at US-bred and/or conceived runners entered for the upcoming weekend at the tracks on the Japan Racing Association circuit, with a focus on pedigree and/or performance in the sales ring. Here are the horses of interest for this Sunday running at Sapporo and Niigata Racecourses:

Group 2 winner Miss Panthere is the dam of the debuting Miss Matenro | JBIS

Sunday, August 6, 2023

5th-SAP, ¥13,720,000 (\$96k), Newcomers, 2yo, 1800mT

MISS MATENRO (f, 2, Into Mischief--Miss Panthere {Jpn}, by Daiwa Major {Jpn}) is the first foal for her dam, who carried the silks of owner and breeder Chiyono Terada to victory in Group 2 company in Japan in 2018, where she had future Horse of the Year Lys Gracieux (Jpn) (Heart's Cry {Jpn}) back in third. Miss Panthere continues to reside in Kentucky, where she has since foaled a full-brother to Miss Matenro and a colt by Authentic before visiting **Flightline** this year. Norihiro Yokoyama rode Miss Panthere to her Group 2 win and has the call on Miss Matenro. Into Mischief is the sire of 22 winners from 24 Japanese starters. *B-Chiyono Terada (KY)*

6th-NII, ¥13,720,000 (\$96k), Newcomers, 2yo, 1800m

HAPPY IMAGE (JPN) (f, 2, Good Magic--Sassy Image, by Broken Vow) is out of a winner of the GI Humana Distaff S. and GI Princess Rooney H. and was purchased in utero by Big Red Farm for \$110,000 at the 2021 Keeneland January Sale. The Apr. 30 foal is related to three winners from five to race, including the 15-time winner V J Day (**War Front**) and is bred on a cross over Fappiano-line dams that has resulted in Grade II-winning juveniles Vegas Magic and Dubyuhnell. *B-Big Red Farm*

11th-NII, Leopard S.-G3, ¥76,000,000 (\$534k), 3yo, 1800m

MYSTIC LORE (c, 3, Arrogate--Folklore, by Tiznow) was beaten narrowly on career debut on turf back in February, but broke his maiden in fine fashion on the dirt the following month and tacked on the equivalent of a first-level allowance when last seen June 24 ([video](#), SC 7). Having been given a standby invitation for last month's Japan Dirt Derby, the \$500,000 Keeneland September purchase finds a good spot here for his stakes debut. The son of 2005 champion 2-year-old filly Folklore boasts a big pedigree, as Folklore's half-sister Rhodochrosite (Unbridled's Song) produced Triple Crown winner Contrail (Jpn) (Deep Impact {Jpn}), whose first-crop progeny flew off the shelf at last month's JHRA Foal Sale. Another half-sister to Folklore, GSP Delightful Quality (Elusive Quality), supplied 'TDN Rising Star' and two-time Eclipse Award winner **Essential Quality** ([Tapit](#)). Leading rider Yuga Kawada has the call. *B-Lewis Thoroughbred Breeding LLC (KY)*

HIGHFIELD PRINCESS OUTCLASSES KING GEORGE RIVALS

Highfield Princess | Goodwood Racecourse

by Sean Cronin

John Quinn's stable star **Highfield Princess (Fr)** (Night Of Thunder {Ire}--Pure Illusion {Ire}, by Danehill) took four starts to get rolling last year and provided symmetry to her profile with another post-Summer Solstice springboard in Friday's G2 King George Qatar S. at Goodwood.

Last term's G1 Prix Maurice de Gheest, G1 Nunthorpe and G1 Flying Five heroine broke sharply from the traps and was under a firm grip in second as habitual pacesetter **Ponntos (Ire)** (Power {GB}) led the way at a healthy clip. Cruising to the front on the bridle passing the quarter-mile marker, the 4-9 favourite was not for catching thereafter and powered clear under mild coaxing inside the final furlong to easily outclass **White Lavender (Ire)** (Heeraat {Ire}) by three lengths. Fellow outsider **Raasel (GB)** (Showcasing {GB}) lost out by a neck in a bobbing finish for the minor placings.

"Highfield Princess ran really well in the [G2] Duke Of York and maybe got a bit tired," Quinn said. "At Royal Ascot, she was beaten just a length in the [G1] King's Stand and then, four days later in the [G1] Jubilee, she ran another fantastic race. We decided to give her a break, which we did last summer, and we were pleased with her at home. She is a 6-year-old mare and, fair dues to her, she has bounced back well." [Cont. p3](#)

GODOLPHIN'S HURRICANE LANE BOUGHT BY COOLMORE TO STAND AS NATIONAL HUNT SIRE

Dual Classic winner **Hurricane Lane (Ire)** (Frankel {GB}--Gale Force {GB}, by Shirocco {Ger}) will stand in 2024 under Coolmore's National Hunt banner after being purchased from Godolphin this week.

Bred by Philippa Cooper's Normandie Stud and born and raised at Coolmore, the three-time Group 1 winner was purchased by Godolphin for 200,000gns out of the Tattersalls October Yearling Sale Book 1. Sent into training with Charlie Appleby, the March foal broke his maiden at first asking at Newmarket in October of 2020, and was an undefeated winner of the G2 Dante S., his third start, in 2021. Third in the G1 Derby, Hurricane Lane rattled off the G1 Irish Derby, G1 Grand Prix de Paris, and the G1 St Leger in succession later that summer and was a close third in the G1 Grand Prix de l'Arc de Triomphe.

G2 King George S. Cont. from p1

Quinn added, "She is a top-class filly and we are delighted to have her. All she has done is improve for racing and gone from being a top-class handicapper to being the best sprinting filly in Europe, if not the world. I was very keen for her to get her head in front for herself and today will have done her a lot of good. Group 2 races are so hard to win as well, but she had run here two years ago in the [G3] Oak Tree and handled the track lovely, so we thought she'd handle the track. We thought maybe, just maybe, this might be easier than, for instance, the [G1] Maurice de Gheest which we decided to miss."

Highfield Princess will now prepare for a defence of her Nunthorpe and Flying Five titles, according to Quinn. "The plan is to go back for the Nunthorpe in our back yard and she really loves The Curragh, so it'll be the Nunthorpe and then back to Ireland and we will see after that," he revealed. "I had thought about going to

Australia, but I am a little bit cooler on that now. We will stay in Europe and then possibly go to the Breeders' Cup. She is a very good filly to travel and the lads always say you wouldn't know she was in the horse box, which is very good."

It was business as usual for rider Jason Hart, who added, "Highfield Princess was her usual self. She jumped well, travelled great, and was much the best. The Czech horse [Ponntos] gave me a lead and I was kind of hoping he would give me a lead for a bit further. I had to commit a furlong-and-a-half down and, on that dead ground, I thought it might blunt her turn of foot, but

she has won well. I was keen to give her a race without really getting stuck in. She absolutely ran her heart out in those two races at Royal Ascot and it was nice to see her bounce back and get her head back in front and win by a bit of distance. She has always improved throughout the years and has got better with her racing."

White Lavender's rider Clifford Lee was satisfied with the performance of the runner-up and envisages another crack at ParisLongchamp's G1 Prix de l'Abbaye later in the year. "I am

delighted with the run and she travelled really well throughout the race. She picked up nicely going for the two-furlong pole and we were beaten by a very good horse. She was second in the Abbaye last year, giving a lot of weight away, and she would definitely go close in that sort of race. She's very consistent and tries very hard."

Raasel's trainer Mick Appleby was delighted with his charge's effort, who finished unplaced over the same strip in Tuesday's Coral H., and reflected, "Raasel has run a blinder. I think, in a way, we

probably wish we didn't run on Tuesday, but we still wouldn't have beaten the winner. We might have got second, possibly, and he has shown that he has still got it. The draw made a big difference, he was drawn in the middle and needs loads of cover. The other day he was drawn on the wing and he just does too much when he's got daylight. I am not sure yet where we are going to go next and we will probably give him a bit of a break now. He's had a hard week this week, so we will give him a few weeks and then look to see where we go from there."

EPICTETUS UPSETS NOSTRUM AT

GOODWOOD *by Sean Cronin*

George Strawbridge's homebred '**TDN Rising Star**' **Epictetus (Ire)** (**Kingman {GB}**)--Thistle Bird (GB), by Selkirk) had finished of the board in his three latest starts and returned to form with a bang to deny fellow Rising Star **Nostrum (GB)** (**Kingman {GB}**) in

Friday's G3 Bonhams Thoroughbred S. at Goodwood.

Last term's G1 Futurity Trophy second, who annexed Epsom's Listed Blue Riband Trial on sophomore return, was swiftly into stride from the inside gate and raced under a firm hold in third through the early fractions as Nostrum set the tone up front. Nudged along soon after passing halfway, the 6-1 chance was ridden to go second approaching the final furlong and swept by that rival inside the final 100 yards to prevail by a length from the odds-on favourite in ultimately snug fashion. Charles Hills trainee and G1 2000 Guineas fourth and G1 Irish 2000 Guineas fifth **Galeron (Ire)** (Camacho {GB}) was best of the remainder and finished 1 1/2 lengths further adrift in third.

Epictetus and Frankie Dettori | Goodwood Racecourse

"Epictetus showed plenty of speed over a mile at two and we thought he was a horse who would progress to 10 furlongs this year, but that did not pan out," explained Thady Gosden. "He has run good races, but not what we thought that he was capable of. It was a perfect ride from Frankie. He broke well, sat him on the fence and followed Ryan [Moore]. Nostrum is a very smart horse, but Frankie gave our horse a brilliant ride."

"Epictetus ran a very good race last year [in the Futurity Trophy] at Doncaster when second to a future Derby winner on soft ground. He rolls his knee a little bit and is bred to like a little bit of give in the ground. It is slightly less tacky today and a bit more good to soft." Looking ahead, Gosden continued, "There is a mile race back here, the [G2] Celebration Mile, which fits in well."

Dettori, who extended his winningmost record in the race to seven, added, "We tried Epictetus three times over 10 furlongs and we always had an excuse. John and Thady found this race over a mile and the favourite looked very hard to beat. I had a good passage and, once I got the gap [inside the final quarter-mile], it was up to me to do the rest." **Cont. p5**

G3 Thoroughbred S. Cont.

He added, "Ryan wasn't stopping and my horse showed a turn of foot. Now we've got the distance right, we can concentrate on mile races. He is ready to go up in grade and the Celebration Mile in three weeks springs to mind. There are lots of races in the autumn at Newmarket, and maybe over Arc weekend. He has beat a decent field today in style and we can make big plans."

Reflecting on the performance of Nostrum, Sir Michael Stoute's assistant James Savage commented, "Ryan thought that he had the race in the perfect place four out, picked up the pace to the two and he thought the race was for us. He said that the last 100 yards felt like he had a puncture and the horse didn't get home. We have always thought that he would handle ease in the ground, but I think maybe that dead ground has just probably caught him out in the last stages. It is very different ground to the [Newmarket] July meeting. We just felt he didn't hit the line today, so we will give him a good check over and re-group. He is a very, very good horse and we are not going to lose any faith in him. He will have all the best entries and we will just have to get it right next time. He will be an even better horse next year."

Pedigree Notes

Epictetus, the fifth foal of seven foals, is one of five winners produced by G1 Pretty Polly S. heroine Thistle Bird (GB) (Selkirk), herself a half-sister to dual Group 3-winning G1 Cantala S. second McCreery (GB) (Big Bad Bob {Ire}) out of the dual stakes-winning G1 Prix Maurice de Gheest third Dolma (Fr) (Marchand De Sable). Thistle Bird was a 750,000gns purchase, carrying Epictetus, at Tattersalls' 2019 December Mares fixture and has also produced last term's G3 Valiant S. victrix Jumbly (GB) (Gleneagles {Ire}), the hitherto unraced 2-year-old colt Burrito (GB) (Lope De Vega {Ire}) and a weanling colt by Frankel (GB). The May-foaled bay's stakes-placed third dam Young Manila (Manila) is kin to a trio of stakes performers headed by MGSW G2 Prix de Royallieu victrix Fabulous Hostess (Fabulous Dancer).

HAMISH HITS GLORIOUS RIVALS FOR SIX

by Tom Frary

Few horses can register six Group 3 wins and still not be done, but Brian Haggas's homebred **Hamish (GB)** (Motivator {GB}) has a rare appetite for the game and looked as good as ever as he annihilated the youth in Goodwood's l'Ormarins King's Plate Glorious S. on Friday.

Unbeaten in his seventh year having registered back-to-back wins in Chester's G3 Ormonde S. and followed up in York's G3 Silver Cup, he had even been declared to run in the King George at Ascot on Saturday which was ultimately won by a horse he had beaten in the 2021 G3 September S.

Sent off the 5-6 favourite under this week's star rider Tom Marquand, he sat with one behind early cruising in the easy ground before challenging **Jack Darcy (Ire)** (Gleneagles {Ire}) and stablemate **Candleford (Ire)** (Kingman {GB}) approaching the furlong pole. [Cont. p5](#)

Hamish | Goodwood Racecourse

G3 Glorious S. Cont.

What for a few strides looked likely to turn into a battle quickly became a one-sided affair as the veteran surged clear to make the winning margin four lengths to the former at the line.

William Haggas revealed that Hamish had been a handful for his adoring servant Maureen beforehand. "The horse has been an absolute nightmare today to saddle. Poor Maureen has been jumped on about eight times, she's got blood coming out of the top of her head because the horse struck her, but she adores this horse and she does everything with him," he said. "I'm taking no credit myself, the credit and the praise should go to her."

"I didn't think this was a strong race for the grade and he was always travelling well. Tom said after the race this was the best the horse has felt this year. He scrambled home a bit at York last time, and while he likes a bit of cut in the ground he likes it wet. You can run in a race like this on drying ground, but the King George is a different thing. The Irish St Leger is a possibility, but he wants soft ground."

Oliver Cole said of Jack Darcy, "Obviously, the winner is a Group 1 horse and, on any other day, you would win that race. I think Jack Darcy will go for a 12-furlong listed race at Windsor and, if he wins that, then he will go for the Melbourne Cup. He is a very good horse and we haven't had him right up until now."

Pedigree Notes

Hamish is the first foal out of Tweed (GB) (Sakhee), a half to the G1 Doomben Cup hero Beaten Up (GB) (Beat Hollow {GB}), the G3 John Porter S. winner Harris Tweed (GB) (Hernando {Fr}) and Motivator's Listed Lingfield Oaks Trial winner Vow (GB). Also related to the G1 Prix Ganay-winning sire Execute (Fr) (Suave Dancer), Tweed's yearling is a son of Sea The Moon (Ger) while she also has a filly foal by Ulysses (Ire).

GOODWOOD: ALL BOXES TICKED FOR FREE WIND IN THE LILLIE LANGTRY by Tom Frary

Saturday's closing card of the Qatar Goodwood Festival sees the focus fall on one of Britain's most prestigious handicaps in the Stewards' Cup, with just the one pattern race being the G2 Qatar Lillie Langtry S. George Strawbridge's **Free Wind (Ire)** (Galileo {Ire}), who met with a reversal for the first time in two years when fifth in the G2 Hardwicke S. at Royal Ascot, lost nothing in defeat there when fifth from a compromising position on too-fast ground. The G2 Park Hill S., G2 Lancashire Oaks and G2 Middleton S. winner has to carry a penalty here, but appears to have more than three pounds in hand and also has her favoured easy surface.

Thady Gosden is happy with conditions for the 5-year-old. "She won the Middleton over a trip below her optimum on her first run of the year and then she found the ground a little too fast for her by the Saturday of Ascot," he explained. "Obviously we've had rain at Goodwood this week and there's more forecast. She has course form and we're looking forward to running her." **Cont. p7**

Woodford Thoroughbreds LLC's **River Of Stars (Ire)** ([Sea The Stars {Ire}](#)) won over this 14-furlong trip in York's G3 Bronte Cup Fillies' S. in May before finishing second in ParisLongchamp's G2 Prix Maurice de Nieuil last month and may offer the biggest threat to Free Wind, whose stable companion **Sweet Memories (Ire)** ([Sea The Stars {Ire}](#)) is one of the more intriguing types in the line-up for Newmarket's Listed British EBF 40th Anniversary Chalice S.

No Little Big Bear In The Maurice de Gheest

There was a surprise twist on Friday to the declaration for Sunday's G1 Prix Maurice de Gheest at Deauville, as **TDN Rising Star Little Big Bear (Ire)** ([No Nay Never](#)) was ruled out of the 6 1/2-furlong feature 24 hours after his supplementary entry. "He just has a stone bruise so he doesn't run," Aidan O'Brien said. That left 10 sprinters set to line up for what looks a substandard edition on paper, with seven from Britain headed by King Power Racing's **Art Power (Ire)** (Dark Angel {Ire}), who has the remarkable record of having won every time he has raced outside of his native country.

Hurricane Lane Cont. from p1

Kept in training at four, he added a third in the G2 Hardwicke S. at Royal Ascot, and was also first in the G2 Jockey Club S. at five. His record stands at 13-7-0-3 with \$2,792,161 in earnings.

"We are delighted to get Hurricane Lane," Coolmore's Cathal Murphy said. "He's a fine, big, good-moving horse with a pedigree and race record to match. He's one of the best sons of **Frankel** to date and comes from a leading Aga Khan family. His dam by Shirocco won a listed race at Saint-Cloud and her half-sister Seal Of Approval (GB) (Authorized {Ire}) won a Group 1 on British Champions Day."

A full-brother to the stakes-placed mare **Frankel's Storm (GB)**, Hurricane Lane is from the extended family of dual Derby winner and sire Harzand (Ire) ([Sea The Stars {Ire}](#)).

"Hurricane Lane is a very good-looking son of **Frankel** with plenty of scope and a good action," added Appleby. "He showed a great constitution throughout his career and was a wonderful racehorse who gave us many great days."

SHAQUILLE WORKING TOWARD HAYDOCK'S SPRINT CUP

Shaquille (GB) (Charm Spirit {Ire}), a dual Group 1-winning sprinter in the colours of Hughes, Rawlings, and O'Shaughnessy, will shortly begin his fast work in preparation for the G1 Betfair Sprint Cup at Haydock on Sept. 9.

Trained by Julie Camacho, the 3-year-old is eight-for-seven and claimed both the G1 Commonwealth Cup at Royal Ascot and the G1 July Cup S. in July.

"Shaquille is in really good form," said Camacho's husband and assistant Steve Brown. "We purposely gave him a quiet couple of weeks after Newmarket which was always the plan. "He looks well and it has freshened him up. He has regrouped nicely and is back cantering.

"We are very pleased with him. He is a very straightforward horse at home and he will do his first bit of fast work on Saturday. We are all systems go to Haydock and we're looking forward to it."

Of the colt's autumn plans, Brown added, "I would think the obvious route would be to go to Champions Day [in October]. We've obviously had a little bit of interest in the possibility of going abroad [to the Breeders' Cup] this year, but I think we will be staying at home and probably go to Ascot.

"We'll go a step at a time, but it will have been a long year by then and he's still a 3-year-old and we have to be mindful of that."

Co-owned by joint-breeder Martin Hughes, Shaquille has generated plenty of attention regarding a future stallion career.

"There has been lots of interest in him," Brown said. "We have directed that down to Martin. He's waded through it and I think he's keen to do something more towards the end of the year, really." [Cont. p8](#)

SERRIED RANKS (GB) (c, 2, Land Force {Ire}--Pack Together {GB} {MSP-Eng, SP-Fr}, by Paco Boy {Ire}), unable to operate on good-to-firm at Salisbury when last seen in May, was a touch outpaced early chasing the group racing up the centre. Travelling strongly by halfway, the 8-1 shot hit the front with 150 yards remaining and asserted to beat Starlust (GB) (Zoustar {Aus}) by 1 1/2 lengths. In doing so, the homebred who had been the first winner for Highclere Stud's first-season sire (by **No Nay Never**), whose finest hour came over this course and distance at this meeting in the G2 Richmond S., was registering a second Royal winner at the Festival this week.

Serried Ranks | Goodwood Racecourse

"I thought if Serried Ranks handled the first quarter-mile, it would all fall into place," trainer Ralph Beckett said. "You could see he was very gangly with legs all over the place from the stalls. He's pretty inexperienced--he didn't learn much when he won on debut [at Nottingham] and then at Salisbury it all happened a bit quick for him. He was probably going through a growing stage at the time and it was fast ground, very different from today. He will make up into a 3-year-old and his mother was pretty good and unlucky not to win a stakes race." Pack Together, who was placed in four listed contests, is a half to the dam of the dual Argentinian Group 1 winner Victor Security (Arg) (Stormy Atlantic). The second dam is the stakes-placed New Assembly (Ire) (Machiavellian), a full-sister to the G1 Dubai Duty Free hero Right Approach (GB) related to The Queen's high-class runner and producer Highclere (GB). WHISPERING WORDS (IRE) (f, 3, Dubawi {Ire}--Hadith {Ire} {SW-Eng}, by New Approach {Ire}), fifth on debut over seven furlongs here on the Rowley Mile course in October, raced in mid-division early and was under the pump some way out. The winner is the first foal out of the Listed Montrose S.-winning dam, who is a daughter of the G3 Sweet Solera S. winner Discourse (Street Cry {Ire}).
