

GALA BRAND BESTS THE BOYS IN THE WITH ANTICIPATION

Gala Brand | Sarah Andrew

Bypassing Wednesday's P. G. Johnson S. against her own sex--a race ultimately washed on to the main track--29-10 second favorite **Gala Brand** (**Violence**) bided her time at the back of a the field in a paceless renewal of Saratoga's GIII With Anticipation S., but went through her gears over the last furlong and a half and outfinished favored **Carson's Run** (**Cupid**).

Drawn the fence in a field reduced to seven by the scratching of British Sea (English Channel), the flashy chestnut was content to try to save her best for last, as **Market Street** (**Street Sense**) took the With Anticipation field along through pedestrian fractions of :25.02 and :51.61. The latter continued to lead after six furlongs in a very moderate 1:16.42, but Gala Blend took her cue at the head of the stretch, dueled heads apart into the final eighth of a mile with fellow debut winner Carson's Run and won the sprint to the wire by three-parts of a length while in receipt of three pounds from her male counterpart.

"The main thing first time going long was to keep her in good rhythm and just let her be and that's what I did," said winning jockey Jose Ortiz. "I followed Dylan [Davis aboard No. 8, Carson's Run], I liked his horse. I saw him work the other day on the Oklahoma and he worked very well. I followed him every step of the way until we hit the quarter-pole. I went outside of him and it worked out. She was full of run, very nice filly." **Cont. p3**

RATTLE N ROLL KEEPS ON SHAKIN' FOR MCPEEK *by Mike Kane*

SARATOGA SPRINGS, N.Y. - **Rattle N Roll** (**Connect**)'s very promising and then down-a-bit career path is on a solid upward trajectory approaching the historic \$1-million GI Jockey Club Gold Cup Saturday at Saratoga Race Course.

With six wins--five of them in graded stakes--and just over \$1.6 million in earnings, Rattle N Roll has been a big success for the Mackin family's Lucky Seven Stable. After a two-month break from competition, the chestnut will face seven others in the 1 1/4 miles Gold Cup, long one of the premier races in the country for older horses.

In addition to the winner, trainer Bill Mott also conditions **Get Spooled** (**Hard Spun**), who dead-heated for fourth with Nomos (**Uncle Mo**).

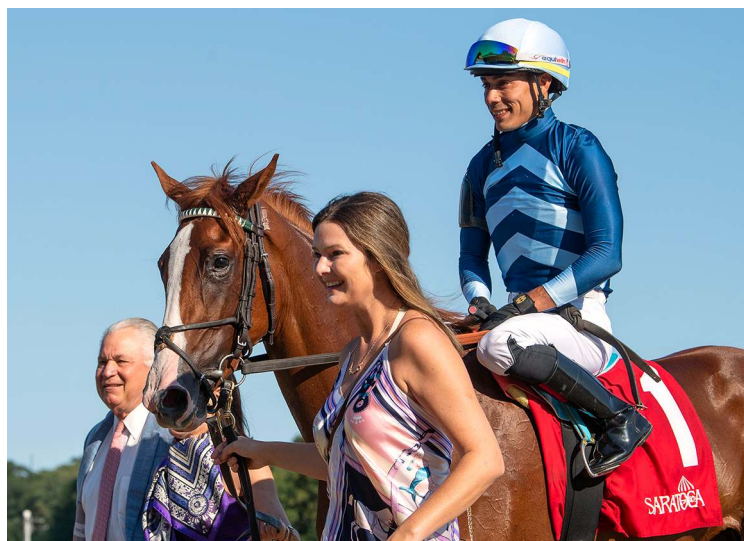

"I owe a lot to her [Megan Jones, managing partner of Arnmore Thoroughbreds]. She made sure she was nominated to both races [Wednesday's off-the-turf P. G. Johnson] and the plan was to enter in both. She was ready to scratch yesterday even before they came off the grass because she wanted the better turf course. As it turned out, there was no decision to make. Everything fell into place and then the other filly [the Mott-trained Magic Cross] won Wednesday."

Gala Brand marked her debut facing state-bred rivals sprinting 5 1/2 furlongs over the Saratoga lawn Aug. 3, and made short work of her division, winning by 2 1/4 lengths. Runner up that day, Hidden Class (**Catalina Cruiser** returned to take a pricey allowance at Kentucky Downs Thursday.

Pedigree Notes:

Gala Brand is the 45th worldwide stakes winner and 17th group/graded winner for her Hill 'n' Dale-based **Violence**. She is out of Olorda, a group/graded winner in France and the US, as well as finishing third in the G1 Prix Saint-Alary. The German-bred mare is also responsible for a yearling filly by **Liam's Map**. She was bred to **Oscar Performance** this season.

"The color helped us buy her because I couldn't find any holes in her at the sale. She was a little rangy, I think it was the European in her. She looked pretty awkward [when she was] younger, the white covered more than it does now. She almost kind of grew into her color as she went. I think it helped us in the long term. "Her personality actually fits her color. She has a lot of charisma and confidence. As soon as I saw her under tack and got to know her, I was like, 'That's just right for her.' She was born to be that color."

With a late-running style, Rattle N Roll benefits from some speed to take aim at. McPeck said that 10 furlongs should be within his range.

"You don't know how the pace of that race will unfold," McPeck said. "He's not run that distance but I don't have any doubt he's going to like it. In hindsight, a year ago he won the St. Louis Derby but he could have run in the Travers. I'm excited to see him go that far."

McPeck has targeted the Gold Cup for Rattle N Roll, who has won three of five starts this year. He opened the season with a non-threatening fourth in the GII New Orleans Classic on Mar. 25. A month later at Keeneland, Rattle N Roll won the GIII Ben Ali.

He moved on to Baltimore to win the GIII Pimlico Special by a nose and ran his win streak to three in the GIII **Blame** on June 3 at Churchill Downs. On July 1, he ended up a half-length behind West Will Power in the GI Stephen Foster at Ellis Park.

"He ran pretty steady and hard this spring," McPeck said. "He had some back-to-backs and then I just thought that waiting for the Gold Cup would be a good idea. He's been up here all summer and thrived."

Rattle N Roll has had five works during his time at the Spa. McPeck said that even in defeat, Rattle N Roll was impressive. "I think his last race, when he was beaten West Will Power, that was his best race," McPeck said. "He ran super that day. It was quite hot that day down at Ellis, too. Bred by St. Simon Place, Rattle N Roll is out of the Johannesburg mare Jazz Tune. He brought \$55,000 as a weanling at the 2019 Keeneland November Sale and McPeck purchased him as a yearling for \$210,000 at the Keeneland September Sale.

Rattle N Roll | Sarah Andrew

"You could see that he would develop into a big, handsome older horse," McPeck said. "He's a little bit different-made than most. He stands over himself. He's a little upright, but has been smart from the beginning."

Rattle N Roll made the second start of his career at Saratoga on Aug. 26, 2021 against maidens going 1 1/8 miles. McPeck said he bolted after getting hit in the left eye in the second turn and did not finish the race. He broke his maiden at Churchill Downs on Sept. 23 and picked up a GI victory in the Breeders' Futurity. A foot injury kept him out of the GI Breeders' Cup Juvenile. Last year, he was tested on the Triple Crown trail, but was well-beaten in the GII Fountain of Youth, the GII Louisiana Derby and the GI Blue Grass. McPeck changed course a bit and the colt won the American Derby, the St. Louis Derby and the GIII Oklahoma Derby.

HISA IN DEPTH: THE PROCEDURES SURROUNDING A PROVISIONAL SUSPENSION

Saratoga backstretch hotwalker | Sarah Andrew

Editor's note: *This is the latest in a series in the TDN to help industry members better understand the procedures under the new HISA and HIWU regulations.*

TDN: Please explain the rules on what happens during a Provisional Suspension. Are my employees still allowed to care for my horses? Can my assistant trainer be in charge? Or do I have to have them moved to an entirely new barn with new help?

HISA: It is true that there have been some changes in the procedures surrounding a Provisional Suspension, along with a lot of misinformation. Here is what happens when your horse tests positive for a Banned (not Controlled) Substance.

First, when you receive notification of a positive test, you can decide if you want to have the split, or B sample, tested.

If you do want to have it tested:

- Your Provisional Suspension will not start until your B sample result comes back. During this time, you may continue to train and race your horses without interruption.
- You must pay the B sample analysis fee (\$2,000) within seven calendar days of requesting it. In cases of financial hardship, a payment plan may be available.
- If your B sample result does not confirm the A sample finding, the case against you is dismissed and you are refunded the \$2,000 for the B sample analysis.
- If your B sample result confirms the A, you will be allowed to race any horses that you had already entered prior to notification of the B sample

confirmation. In all other respects, your Provisional Suspension goes into effect when you are notified of the B sample results.

If you do not want to have the B sample tested:

- You may race any horses entered to race prior to Notification of the positive test.
- However, in all other respects, your Provisional Suspension goes into effect when you either waive your right to have the B sample tested or do not notify HIWU of your decision within five days of being notified of the A sample result.

It should be noted that there are exceptions to the opportunity to postpone the implementation of a Provisional Suspension:

- There is a subset of Banned Substances that will trigger an immediate Provisional Suspension upon notice of the A sample result.
- If a trainer has more than one horse test positive for the same Banned Substance within a six-month period or has received notices for potential violations related to a Banned Substance in addition to a positive test result (e.g., possession or use), they are not eligible for the delayed imposition of a Provisional Suspension.

Cont. p7

Cont.

TDN: What happens when your Provisional Suspension goes into effect?

HISA: You and your staff can continue looking after the horses under your care, however, these horses cannot breeze or be entered to race unless they are transferred to another responsible person (a trainer, for example) in a bona fide transfer approved by the stewards and registered in the HISA Portal.

You also:

- a) must take down or cover any personal signage bearing your name or related to your operations where horses are located at the racetrack
- b) cannot claim horses or bring new horses into your barn
- c) cannot be employed within the Thoroughbred horseracing industry in any other capacity where you come into contact with covered horses (including, but not limited to acting as an agent for an owner or working as an exercise rider.

d) After the imposition of the Provisional Suspension, you can request a Provisional Suspension Hearing (limited to the issue of whether to lift the suspension) or a final hearing to conclude your case as soon as possible. A Provisional Suspension Hearing may be convened as soon as 48 hours after it is requested.

TDN: How long is my suspension for a banned substance?

HISA: A first offense for the presence (positive test result) or possession of a Banned Substance may result in a suspension of up to two years. The suspension may be shortened based on the specific circumstances of the case.

For example, the arbitrator hearing a case may issue a shorter suspension in their Final Decision based on the Covered Person's degree of fault for the positive test result or possession.

Suspensions may also be shortened if, the Covered Person:

- 1) agrees to an admission and acceptance of Consequences, or
- 2) provides Substantial Assistance to HIWU.

Time served under a Provisional Suspension is counted toward any final suspension (period of Ineligibility).

LETTERS TO THE EDITOR

'THE WORLD AWAITS': GRANT PRITCHARD-GORDON

Raceday fatalities create powerful news stories anywhere. Social Media has ensured that our world of racing is now a global community, with news and videos dispatched within minutes to knowledgeable audiences in countries far beyond the American shores. However, shock will have reverberated throughout horse communities of many nations at the recent tragedies that have occurred on the racetracks at Saratoga and Churchill Downs. We all wait with bated breath to hear the steps that the major U.S. racecourses will take to remedy a very challenging moment for our sport, industries and livelihoods. It is essential that the boards of the racecourse groups make both speedy and correct decisions, for their actions will impinge on the lives of all horsemen and women far beyond the US of A.

In the past year, nearly every major racing nation has suffered the unwanted attention of idealistic and disruptive 'animal rights' activists. If not actually detailed in agenda meetings, the subject of Welfare has been the elephant in the room for practically every board of directors/trustees of racing and

breeding activities around the world. If American racetracks make the wrong decision, then these elephants will grow into dinosaurs for everyone. Maintaining the status quo and traditions of US Racing is unlikely to be an option, for these diligent activists feast on statistics to bend an interpretation to their own agenda. However, there is strong statistical evidence out there to suggest that there is a more acceptable solution, as highlighted recently by Mark Casse and Graham Motion.

There is little doubt that the 'animal rights' activists in Europe or Australia mimic and use similarly informed campaigns to like-minded individuals in America. Their disruptive ambitions will have been reinforced by the horrific experiences viewed by huge numbers of racegoers at Saratoga and Churchill Downs. When the time suits them best, provocative agendas will inevitably be pumped into the world of social media by re-fueled keyboard warriors. A resulting tsunami of unwanted activity will surely ensue at our major racing festivals. US Racecourse boards and executives have the tools in their hands to change the narrative. The world awaits.

Now is the time for the owners, breeders, trainers, jockeys, stable staff and associated bloodstock trades of America to make their voices heard loud and clear by racecourses. They have the support from thousands of

like-minded and employed people from around the world. The wrong decision from racecourses could create an existential threat to a wonderful global industry and community.

Grant Pritchard-Gordon is a U.K.-based bloodstock agent, and the principal in Badgers Bloodstock Consultants. He is the former longtime racing manager for Juddmonte Farms.

FROM A YOUNG FAN: ISAAC HART

My first race was two years ago. The 2021 Haskell Invitational S., the summer before my senior year of college. It was the post parade that hooked me.

When "Born to Run" sounded through the grandstand as **Mandaloun**, Hot Rod Charlie and Midnight Bourbon bounced onto the track, it didn't matter how the race would go. I was in. It was enough to latch onto despite the outrage I felt towards my home-state regulators for an ill-advised whip rule that took down Midnight Bourbon, along with my exacta box.

But though he fell, everyone came home safe that day.

I turned into a racing evangelist, with Hot Rod Charlie at the center of my devotion. I brought my friends along to his revenge tour at the Pennsylvania Derby, where he finally triumphed over Midnight Bourbon. We gutted out another inquiry, after which, I wildly bear-hugged a friend. We'd finally hit that exacta.

I loved racing. My dorm room was littered with Daily Racing Forms. I missed dinner to watch the Breeders' Cup Classic. Ducked into empty classrooms to watch Derby preps at Oaklawn. I drove three hours round-trip to Aqueduct at 8 a.m. on a Saturday to bet the Dubai World Cup because they didn't offer the superfecta on 4NJBETS.

After college I kept it up. In March of this year, I went with my girlfriend—one of our first dates had been at the 2022 Haskell—to Kentucky for the first time. We stayed in Midway, there for "Road to the Horse" at the Kentucky Horse Park. I left in the middle, hiked over to see Funny Cide and Silver Charm in their stalls. One afternoon we walked around Keeneland. Circled the paddock, went beneath the stand and onto the track. It felt like walking on hallowed ground. A few months before, we'd been brought to

Mandaloun (inside) and Hot Rod Charlie slug it out in the 2021 renewal of the Haskell | Equi-Photos

tears by Cody's Wish's win in the Dirt Mile and dazzled by **Flightline's** romp in the Classic.

So you know how I felt when I saw Maple Leaf Mel, the undefeated New York-bred, bounding away from a Grade I field as the camera zoomed in on her. She went fast early--44 and two for the half mile--and she went fast late, with a gutsy performance by turning away her classiest opponents yet. She was "six-for-six." That's the line etched in my mind. It's the last thing I remember hearing from track announcer Frank Mirahmadi before she went down.

It felt like a gut-punch--it was the first time I understood what that word meant. I couldn't think for a few minutes. I couldn't talk. I couldn't watch Cody's Wish run afterwards.

I avoided watching Saratoga after that. But this past weekend I turned on the FOX broadcast for the first time since. It had been three weeks, I reasoned. Enough time to reset my mind. Anyways, my favorite active horse, Arcangelo, was running in the Travers, and I felt sure he'd win. What kind of sport would this be if I couldn't watch it live?

Listen to this week's podcast

August 30, 2023

Mark Casse Advocates for a Switch to Synthetic

So I turned on the broadcast shortly after 3 p.m. I watched Gunite, under a great ride from Tyler Gaffalione, take down Elite Power along with his eight-race win streak. I saw that the next race was an allowance, turned the broadcast off, went back to my book. But I was back for the Jerkens. I saw the Baffert runners in the paddock, saw Jimmy Barnes sweating bullets. Saw New York Thunder looking flat, his coat dull. I pulled up the replay of his last race. Saw him blaze to victory without changing leads.

It was the post parade now. I kept watching, live on FOX. I even almost made a bet on Verifying, he was looking so muscled-up before the race.

When they burst from the starting gate, I watched New York Thunder stride out on top. He led the way through the far turn. The Baffert runners dropped back, New York Thunder having run them off their feet, each stride pounding the dirt and carrying him away from them. But then I heard Frank Mirahmadi call out the fraction of 44 and two in this \$500,000 seven-furlong Grade I sprint for three-year-olds. A punishing half-mile. I shut my laptop. My nerves couldn't take it.

A minute went by. I reopened the laptop, fired up FOX. I hoped they'd come home safe. But then I saw the wide-angle camera shot, saw that the five horse wasn't in the drop-down of the top four finishers. I heard the empty unsteadiness of the commentators. I shut my laptop again, leaned back in my seat, looked blankly out the window.

I watched the Travers that evening, only after I'd known Arcangelo had won and had come back in good shape. I couldn't enjoy it, even after he sailed past the wire. When he seemed to take a bad step in the gallop-out I held my breath, despite having read that he was fine. I wanted to look away the whole time.

That's my favorite horse winning the Midsummer Derby.

I'm drawn to racing, in part, for the history. Today I watched a replay of the 1988 Breeders' Cup Distaff. Thirty-five years ago. Personal Ensign running down Winning Colors under the Churchill Downs wire. A hard-won performance from an undefeated champion. It should have been rousing. Instead during the stretch drive, I felt nothing but worry that she might fall.

That's what I see when I watch racing now.

Horse racing fan Isaac Hart lives in Glen Rock, New Jersey.

BEN PERKINS SR. PASSES AWAY AT 89

Ben Perkins Sr. | *Equi-Photo*

Ben Perkins, Sr., a fixture as a trainer on the New Jersey Thoroughbred racing circuit since 1958 whose 854 career winners included 1981 Haskell Invitational winner Five Star Flight, has passed away at the age of 89. Funeral services are pending.

Perkins, Sr. took out his trainer's license in 1958, the same year he recorded his first career victory at Monmouth Park. He also trained at Garden State Park, Atlantic City Race Course and the Meadowlands before his retirement in 1999. Following his retirement from training, he set up and managed several racing partnerships and stables well into his 80s.

He trained 11 graded stakes winners, with Five Star Flight winning the 1981 Haskell by five lengths over heavily-favored Lord Avie. With career earnings over \$13 million, Perkins Sr. also was responsible for Grade I winner Conveyor, who captured the 1995 Meadowlands Cup.

Monmouth Park honored Perkins, Sr., with the track's prestigious Virgil "Buddy" Raines Distinguished Achievement Award in 2007.

Perkins, Sr., is survived by his wife, Geraldine; son Ben Perkins, Jr.; daughter Pinky, four grandchildren and one great-grandchild.

PINK LLOYD'S FULL-BROTHER TOPS CANADIAN YEARLING SALE

Full-brother to Pink Lloyd (hip 82) | CTHS

At the Woodbine Sales Pavilion Aug. 30, a full-brother to Canadian Horse of the Year Pink Lloyd (Old Forester) led the way with a \$150,000 final bid at this year's Canadian Premier Yearling Sale, the Canadian Thoroughbred Horse Society (CTHS)'s Ontario Division.

A total of 168 yearlings sold for \$4,017,790, an increase of 4.6% from \$3,837,700 a year ago when 150 sold. Seven hips sold for \$100,000 or more, up from three in 2022. The average was \$23,915 and the median \$15,000.

Heading this year's sale, **Hip 82**, a gray colt out of Gladiator Queen (Great Gladiator) consigned by agent John Carey on behalf of T.C. Westmeath Stud Farm. He was purchased by Nancy Guest.

Hip 14 led the fillies, selling for \$135,000 to Goldmart Farms. Consigned by Richard Hogan, the bay filly by **War of Will** is out of Avie's **Mineshaft** (Mineshaft). Rounding out the top three was a bay colt by **Mo Town** (hip 199) out of Samsal (Consolidator), who was consigned by agent Huntington Stud Farm. Paul Braverman secured the colt for \$120,000. Also sold during Wednesday's session, **Hip 174**, a daughter of Souper Speedy, brought \$100,000 from Gary Barber. The daughter of Platinum Steel (Eddington) earned a significant update to her page as the half-sister to recent King's Plate winner Paramount Prince (Society's Chairman).

"This year's catalogue was one of the largest in recent years attracting over 250 entries," said Peter Berringer, president and sales chair of the CTHS Ontario.

"One of those entries was a half sister to this year's Kings Plate winner--Paramount Prince, who was a graduate from our 2021 sale. Selling as hip 174, his half sister, sold to Gary Barber for \$100,000. This year's sales topper a full brother to classic champion Pink Lloyd sold for \$150,000."

GUN RUNNER FILLY 'TALK'-S THE TALK

By Mike Kane

Life Talk | Sarah Andrew

SARATOGA SPRINGS, N.Y.--It turned out that breeder John Mulholland's trip from Lexington to Saratoga Race Course this week didn't turn out the way he had hoped, but it was not a waste of time.

Life Talk (**Gun Runner**), a filly he co-bred, took care of that Thursday, rolling to a 6 1/2-length victory in the second race. Sent off at 2-5 in the field of six 2-year-old maiden fillies going one mile on the dirt, Life Talk made a wide move coming off the turn, zipped past the competition and ran away. After taking the lead under Irad Ortiz, Jr., she lugged in noticeably, but was already on her way to an impressive victory. Like Talk, trained by Todd Pletcher for Repole Stable, completed the eight furlongs in 1:38.18 and paid \$2.80.

Mulholland Springs LLC, **Gun Runner** Syndicate and Tom Grether Farms Inc. bred Life Talk, who sold for \$335,000 at the 2022 Keeneland September Sale. Life Talk is out of the Bernardini mare Touchy Feely, owned by Mulholland Springs.

"She's had a handful of foals now," Mulholland said. "We raced her first foal, the Majesticperfection named Feeling, but this is clearly the most talented one so far. She looks like she could be anything. It's pretty exciting for us. It's a family we've owned for over 30 years."

Mulholland said he was in town for the final weekend of the Saratoga season because it looked like he might have two fillies he bred in the GI Spinaway S. on Sunday. He said Saratoga Secret (Arrogate) trained by D. Wayne Lukas, the runner-up in the GIII Schuylerville S., will miss the race with a shin issue. Life Talk had a troubled trip while finishing second by a head on July 30, but was still being considered for the stakes.

"They opted to run in this race," Mullholland said. "I was hoping to have two in the in the Spinaway, but this is an OK consolation. Beggars can't be choosers, so this is nice."

Pletcher's assistant, Tristan Barry, said Life Talk delivered a solid performance, a big improvement over her debut.

"She did everything professionally today," he said. "Broke sharp from the gate then sat a good trip and did what nice horses do."

Life Talk was in a stalking position through opening splits of 24.30 seconds, 48.45 and 1:13.32. She circled the two in front coming off the turn and was gone.

Jockey Irad Ortiz, Jr. said the filly was much better in her second start.

"For sure. Every step of the way," he said. "She broke better. She put me in a perfect spot in the first part of the race and from there I was just bidding my time."

LIFE TALK (f, 2, **Gun Runner--Touchy Feely, by Bernardini)** got her picture taken at Saratoga minutes after being represented as a breeder by Kentucky Downs maiden winner Buttercream Babe (**Twirling Candy**) when overwhelming five rivals. Drawn the fence while stretching out to the mile off a near-miss second to Alys Beach (Omaha Beach) on 6 1/2-furlong debut July 30, the \$335,000 Keeneland September purchase was away cleanly enough from the one hole and took up a position towards the back of the field as Paradise Lane (**Quality Road**) took over from Rising Inflation (Mitole) as they turned up the backstretch.

2nd-Saratoga, cont.

Consigned to a three-wide run around the far turn, Life Talk began to zero in on Paradise Lane nearing the stretch, took over while drifting down towards the inner part of the track with a furlong and a half to travel and pulled readily clear to take it by 6 1/2 lengths as the 2-5 jolly. Backstretch Rose (**Army Mule**) outfinished Rising Inflation to complete the exacta. Life Talk is the third winner from three to race out of a half-sister to GSW Indian Firewater (Indian Charlie). Her dam has a yearling filly by **Maclean's Music**, a weanling Bolt d'Oro filly and was bred to Cyberknife this season. Sales history: \$160,000 Wlg '21 KEENOV; \$335,000 Ylg '22 KEESEP. SCHWARTZ WINS FOR THE FIRST TIME IN FOUR YEARS AT SARATOGA *By Mike Kane*

Gold Lightning | Sarah Andrew

SARATOGA SPRINGS, N.Y.--As part of his wife Audrey's birthday celebration Thursday, Martin Schwartz took her to the winner's enclosure after the opener at Saratoga Race Course. They know the space well, but it was their first visit there in four years.

The Schwartzes walked their 2-year-old filly **Gold Lightning** (Bolt d'Oro) in from the track after she won the 1 1/16-mile turf maiden by 2 1/4 lengths. She reached the wire on the inner turf course 1:45.93 and paid \$31.40.

Under jockey Manny Franco, Gold Lightning delivered a solid off-the-pace run between horses in the stretch to overtake **Positive Carry (Ire)** (Sea the Moon {Ger}) at the sixteenth pole. Martin Schwartz said he had no idea what to expect from the bay filly he purchased as a yearling for \$150,000 at the Fasig-Tipton October sale. He said that trainer Brad Cox told him Wednesday that the filly was going to compete Thursday, regardless of whether the race was run on turf as scheduled or moved to the main track, as has happened so often during this wet Saratoga summer.

"All I know is where she was broken, at Paul Sharp's farm in Ocala, he really liked her and he's a hell of a horseman," Schwartz said. "So I was hoping, but it's been a little while in between drinks."

Gold Lightning was Schwartz's first winner in nine starts in 2023 and the 137th of his career--36 in graded stakes--outside of partnerships. His last winner at Saratoga, where he has not had many starters in recent years, was Mascha (Fr) (Le Havre {Ire}) July 31, 2019.

Schwartz found great success buying fillies racing in Europe and importing them to the U.S. He said he has returned to that formula and made some purchases this year. Gold Lightning came out of yearling auctions.

"I bought some in '21 and '22," he said.

Schwartz noted, with a laugh, that about a dozen years ago he said in a magazine article that he was not going to go back into yearling market.

"Somehow, I lost my mind and bought them again," he said. Gold Lightning, bred by Cypress Creek Equine LLC., is out of Acting Class by Distorted Humor.

"I'm hoping this is a start of something big," Schwartz said. "I went back to buying horses in Europe, I was so depressed this past month. I spent a boatload of money."

After she broke in at the start, Franco set Gold Lightning up near the rear of the field of nine. Sitting fourth, 3 1/2 lengths back, at the top of the stretch, she darted through the field willingly to get to contention and then the lead.

"She seems like she's very straightforward," Franco said. "She did everything the right way. I just was a passenger on her today."

1st-Saratoga, \$105,000, Msw, 8-31, 2yo, f, 1 1/16mT, 1:45.93, gd, 2 1/4 lengths.

GOLD LIGHTNING (f, 2, Bolt d'Oro--Acting Class, by Distorted Humor) was overlooked at the windows as a 14-1 first time starter here. The bay colt raced greenly into the first turn, but settled midpack up the backstretch. Heading into the lane, she began to uncork a strong turn of foot and passing Sassy Princess (**Cairo Prince**) she graduated by 2 1/4 lengths over the late

running Positive Carry (Ire) (Sea the Moon {Ger}). Acting Class was in-foal with the winner when she was sold to Bluewater for \$180,000 at the '20 Keeneland November Sale. Gold Lightning is a half-sister to Classy Act (Into Mischief), MGSP, \$328,443. Her dam foaled a colt May 14 by **Medaglia d'Oro** and she visited Keepmeinmind for next year. Sales History: \$150,000 Ylg '22 FTKOCT. Lifetime Record: 1-1-0-0, \$57,750. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.** O-Martin S. Ontario-bred veteran Harlan Estate snapped a nine-raced winning streak dating back to a Woodbine allowance score 13 months ago and in so doing, provide former Chad Brown assistant Whit Beckman with his first stakes winner in Thursday's restricted **Tapit S.** at Kentucky Downs.

Held up towards the tail of the field for the opening half-mile or so, the dark bay began to make some headway on the long run around the turn and was in striking range if good enough at the entrance to the straight. Angled out by Declan Cannon, Harlan Estate let down nicely to lead at the furlong grounds and proved a fairly easy winner. English Bee held second after being checked sharply in the final strides. A claim of foul against the winner was ultimately denied.

Harlan Estate | Coady

Harlan Estate entered Thursday's test with a pair of minor placings from his six trips postward in 2023. Runner-up in a third-level Churchill allowance in May, he was a longshot third to future GI Arlington Million winner Set Piece (GB) (Dansili {GB}) in the GIII Arlington S. June 3. A running-on sixth in the July 1 GII Wise Dan S. at Ellis, he was exiting a well-beaten fifth in Colonial allowance company Aug. 3.

"He's a horse with a lot of back class," said Cannon. "I was looking forward to riding him today. He only got beat a length and a bit to Set Piece, who won the Arlington Million. The form is there. We dropped him back to a mile today and got some pace to run at, which was crucial. I committed from home a little early. I knew he'd stay a little farther. Once I tipped him out and got some daylight, he ran hard all the way to the line. I was never really in doubt from there."

The 37th worldwide stakes winner for **Kantharos** and hailing from the family of Storm Bird, Harlan Estate has a 2-year-old half-brother named Pierre (**Tapiture**) and a weanling half-brother by **Tapiture**. Archerette was most recently served by Ami's Holiday. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

HIDDEN CLASS (f, 2, Catalina Cruiser--Noblame {MSW, \$167,023}, by Blame) kicked off her career with a closing second to Gala Brand (**Violence**) in a 5 1/2-furlong maiden over the Saratoga turf Aug. 3 and did her part here to flatter the form of that rival, who went on the beat the boys at 5-2 in the GIII With Anticipation S. later Thursday in upstate New York.

Hidden Class | Coady

Favored at a little better than 3-2 in this allowance restricted to horses sold or bought back at the 2022 Keeneland September sale, the two-time Keeneland sales grad secured the perfect spot from third, stalking dueling front-runners as they raced down the side of the track. Pulled out three wide to deliver her challenge off the final corner, Hidden Class took over with a touch less than two furlongs to race and stayed on well to post a soft success in the finish.

Settled slightly ahead of mid-division as they raced down the hill and onto the turn, Coin Miner was held together approaching the stretch as Aspenite (**Constitution**) threatened to take them all the way. The latter carried a three-length bulge into the final eighth of a mile and looked home free, but James Graham conjured up one final surge from Coin Miner and the duo was along in the nick of time.

LIVING THE GOOD LIFE IN BADEN-BADEN

Lars-Wilhelm Baumgarten of Liberty Racing | Emma Berry

By Emma Berry

IFFEZHEIM, Germany--Baden-Baden, so good they named it twice. Okay, so the BBAG sales complex and its neighbouring grand racecourse may be in the small nearby village of Iffezheim but it is Baden-Baden that lends its name to the current stop on the European yearling sales tour, now that Donville is in the rear-view mirror.

The caravan rolls on, and it is always wise to stay on for a few days in Baden-Baden if time allows as, whether you're a pedigree purist or you simply enjoy a good day out at the races, all your needs will be catered for over the coming weekend at one of the most beautiful tracks in Europe. You can even take your dog and, if you really must, your children.

First, though, there's the not-so-small matter of several hundred of Germany's best yearlings to get through tomorrow, along with some incomers from France, Ireland, Britain, Switzerland and even Hungary.

Had you been here two years ago you could have seen two future Classic stars. The Deutsches Derby winner Fantastic Moon (Ger) was sold by his breeders Philipp and Marion Stauffenberg for €49,000 to Lars-Wilhelm Baumgarten's Liberty Racing. On the same day Baumgarten switched roles to sell a Sea The Moon filly for €80,000. [Cont. p3](#)

RACE IN DISARRAY AFTER 21 JOB LOSSES AND JOCKEYS' COURSE SCRAPPED

The Racing Academy and Centre of Education (RACE), which has produced luminaries of the saddle like Johnny Murtagh, Seamie Heffernan, Chris Hayes and Shane Foley, has been forced to cull two thirds of its workforce in order to save the institution's future.

A massive 21 of the 31 staff have been told they are no longer needed at RACE and the decision is understood to have come as a major shock to the workforce.

The 10-month residential trainee jockey course, which has also been completed by top-notch jump jockeys such as Brian Hughes and Daryl Jacob, has been discontinued and replaced by three courses over shorter periods. In the case of all three new courses, the students will no longer live on the campus and the courses will no longer have an academic element. [Cont. p10](#)

BBAG Yearling Sale Preview Cont. from p1

She is now named Muskoka (Ger) and is the winner of the Preis der Diana, giving Baumgarten a rare Classic double as both owner and breeder. Fantastic Moon reappears at Baden-Baden on Sunday in the Grosser Preis, which this year carries enhanced prize-money of €400,000 and also features the Preis der Diana runner-up Kassada (Ger), yet another by Sea The Moon, as well as the Derby runner-up Mr Hollywood (Ire) (Iquitos {Ger}).

Before then, Muskoka's half-sister by Reliable Man (GB) will be offered for sale as lot 175 on Friday from the draft of Timo and Nastasja Degel's Gestut Ohlerweiherhof, a growing force, both on the German sales and stallion scene, with the 2016 Deutsches Derby winner Isfahan (Ger) on its roster.

It has been quite the year for Baumgarten, who is likely to be extra busy during Friday's sale as he attempts to sign up the next intake of yearlings for what will be an enhanced Liberty Racing presence for next year.

"I am very happy with the season. If you win the Derby and the Diana it's amazing, a childhood dream," he told *TDN*.

"We are making the syndicate bigger this year. We started with 12 investors in 2020 and now we have near 100 in this year, so we are creating four syndicates for next season. We've raised €2 million for the horseracing industry in Germany and I'm happy that a lot of people trust me and my team--that was on my mind as we created it."

He continued, "The sport in Germany is not easy. We have fewer horses in training in the country this year compared to last year, and we have lost 2,000 horses over 20 years. So the industry is not in the best shape but we are doing our best to find new owners."

One of the saddest losses to the German stallion ranks in recent years was that of Adlerflug (Ger), who died in April 2021 the year after he became champion sire in his native country.

BBAG Yearling Sale Preview Cont.

Baumgarten was closely connected to the stallion as the manager of the syndicate of breeders involved in his stud career.

This is the final year that Adlerflug will be represented by yearlings at BBAG, where he has six catalogued. He has been succeeded at stud by his Prix de l'Arc de Triomphe-winning son Torquator Tasso (Ger), who was Germany's busiest stallion in 2023, covering 85 mares in his first season at Gestut Auenquelle.

Baumgarten added, "The loss of Adlerflug was sad for me. He was so good in his last three years and he passed away too early. He has some good yearlings here and I hope that they sell well, and that he can give us perhaps a sire in his last crop. It is amazing for Germany that Torquator Tasso is in this country, and that he did not go to France or England. We need sire power."

The sales grounds were busy on Thursday | Emma Berry

Baumgarten's Reliable Man filly is not the only half-sibling to one of this year's Classic winners present at BBAG as Gestut Fahrhof is consigning lot 165, a first-crop daughter of Pinatubo (Ire) out of the Group 3-winning **Speightstown** mare Hargeisa,

whose second foal is the German 1000 Guineas victrix Habana (Ger).

There's not much breathing room in the sales calendar at present, with the Goffs Premier Sale having only just concluded and the Somerville Sale looming, hard on the heels of another horses-in-training sale at Tattersalls on Friday. However, plenty of British and Irish visitors have made their way to Germany. A noticeably larger contingent of British trainers present at BBAG includes Alice Haynes, Lemos de Souza, Kevin Philippart de Foy, Willie Butler and Tom Clover, all of whom were on

the hunt early on Thursday morning, along with the regulars Ralph Beckett and Andrew Balding, plus a wide range of agents and breeze-up pinhookers. [Cont. p5](#)

BBAG Yearling Sale Preview Cont.

The Faust family's Gestut Karlshof continues to enjoy a great run as both owner and breeder, and their colours will be represented in Sunday's G1 Grosser Preis von Baden by the Andreas Wohler-trained Straight (Ger) (**Zarak {Fr}**), winner of the G2 Union-Rennen earlier this season. The colt is another with a sibling in the sale: his half-brother by Brametot (Ire) features as lot 71 and represents Karlshof's signature family of Sacarina (GB) (Old Vic {GB}). So deep is that blue hen's imprint in the stud's bloodlines that she appears as the fourth dam of the of this colt, who has been named Seducer. Hard to think of a better name for a future stallion.

Karlshof also offers a strapping chestnut colt from the first crop of Ghaiyyath (Ire). Catalogued as lot 176, he is closely related to another recent group winner from the farm, the G3 Schwarzgold Rennen winner and German 1000 Guineas runner-up No Limit Credit (Ger) (Night Of Thunder {Ire}).

Late updates are always welcome for any consignor and lot 59 was given a boost on Wednesday when his relative Carolina Reaper (GB), trained by Charlie Johnston, became the third group winner for her young sire Too Darn Hot (GB) in the G3 Zukunfts Rennen next door to the sales complex. It's a page which doesn't require too much of a lift as the **Sea The Stars (Ire)** yearling colt in question, offered by Stauffenberg Bloodstock, is out of a Dubawi half-sister to Lordship Stud's St Leger winner Sixties Icon (GB), who is in turn out of the Oaks winner Love Divine (GB). The latter's Listed-winning half-sister Dark Promise (GB) is the dam of Carolina Reaper.

While this year's draft from the Stauffenbergs features two **Sea The Stars** yearlings, there are none by his son Sea The Moon, whose name has loomed large in this year's German Classics. **Cont. p6**

More must-see yearlings at the sales now...

BBAG Yearling Sale Preview Cont.

Five of those can be found in the next row along, however, in the consignment of Sea The Moon's breeder Gestut Gorldorf, along with a Belardo (Ire) colt out of the most appropriately named mare in the catalogue: Baden Baden (and, yes, she's by Sea The Moon, out of Berlin Berlin). Her yearling is perhaps so good that he has also been named twice. He's called Bonn Bonn. Or maybe that should be Bon Bon.

COTAI GLORY'S TIGER BELLE PURRS IN PARIS

by Sean Cronin

Ado McGuinness trainee **Tiger Belle (Ire)** (Cotai Glory {GB}--Dark Acclamation {Ire}, by Acclamation {GB}) made a stakes breakthrough in July's Listed Marwell S. at Naas and followed up with a career high in Thursday's G3 Prix d'Arenberg to punch her ticket to the G1 Prix de l'Abbaye back over ParisLongchamp's five-furlong strip on Arc weekend.

Sharply into stride to claim an immediate lead racing along the fence, the generously priced 9-1 chance poached a decisive edge with 300 metres remaining and kept on relentlessly under mild urging inside the final furlong to hold the late bid of **Dawn Charger (Ire)** (Soldier's Call {GB}) by an ultimately snug neck. **Graceful Thunder (GB)** (Havana Grey {GB}) was the same margin

back in third, 4 1/2 lengths clear of the remainder, as foreign raiders filled the first four slots home.

"The gate was a huge factor, we wanted to take advantage of that and she's toughed it out really well," said assistant trainer Stephen Thorne. "Cristian [Demuro] is a prolific rider here in France, he came highly recommended and he's done exactly what we've asked him to do. She's a straightforward ride, she's got a lot of gate speed and we used that to her advantage.

"She did the job over a stiff five [furlongs] on soft ground in Naas the last day, she's added another string to her bow and it opens up more doors for her now. We have a huge bunch of owners supporting the filly here today and we're delighted. It was a big team effort to get her here in good shape, we have to work up the grades and we have her entered for the [G1 Prix de l'] Abbaye. She's not overly big, but she's got a big heart and we might be back here on Arc weekend."

Pedigree Notes

Tiger Belle is the second of four foals and lone performer produced by a daughter of Listed Woodcote S. third On The Dark Side (Ire) (Kheleyf), herself a half-sister to G3 Select S. victor Red Badge (Ire) (Captain Rio {GB}). The April-foaled bay is half to a yearling colt by Inns Of Court (Ire) and a weanling colt by Galileo Gold (GB). [Cont. p7](#)

ZOFFANY'S GALLERIST NOTCHES PRIX DE LUTECE TRIUMPH *by Sean Cronin*

Hollymount Stud's **Gallerist (Fr)** (Zoffany {Ire}--Anais {GB}, by New Approach {Ire}), untested as a juvenile last year, suffered his only defeat to date when fifth on debut at Chantilly in February and added to a four-race win streak with victory on pattern-raced bow in Thursday's G3 Prix Gerald de Geoffre (Prix du Lutece) at ParisLongchamp.

The gelded bay lined up as the 23-10 second favourite coming back off a stakes first in Toulouse's June 27 Listed Derby du Languedoc and employed patient tactics at the tail of the six-runner field from flagfall in this 15-furlong marathon. Tanking forward inside the last half-mile, he was shaken up to gain an edge with 300 metres remaining and stayed on well thereafter to withstand the late rally of **Double Major (Ire)** (Daiwa Major {Jpn}) by a head. The long-time leader **Winter Pudding (Fr)** (Seahenge) fared best of the remainder and finished three lengths adrift in third.

"It was always the plan to return in this race after he won the listed race at Toulouse," revealed trainer Francis Graffard. "The summer break did him a lot of good, he matured physically and got stronger. Cristian [Demuro] anticipated the move, maybe a bit too soon, and he quickened strongly." **Cont. p8**

G3 Prix Gerald de Geoffre Cont.

Graffard added, “He may have been a bit flat towards the finish and looked like he was in need of the race. It is highly encouraging to have a stayer that can also quicken strongly. The next step is the [G2] Prix Chaudenay on Arc weekend.”

Pedigree Notes

Gallerist is the second of three foals and lone scorer out of a half-sister to GI Spinster S. heroine Asi Siempre (El Prado {Ire}), herself the dam of GI Breeders' Cup Juvenile Turf-winning sire Outstrip (GB) (Exceed And Excel {Aus}). Descendants of his second dam Siempre Asi (Silver Hawk), herself a half-sister to G3 Norfolk S.-winning sire Magic Mirror (GB) (Nureyev), include three-time stakes winner Naval Power (GB) (Teofilo {Ire}), Listed Grand Handicap de Deauville victrix Dubase (GB) (Dubawi {Ire}), the dual stakes-placed Avante (GB) (Shamardal) and Listed Sanibel Island S. runner-up Big Tentations (**Practical Joke**). The March-foaled bay is a half-brother to the unraced 2-year-old colt Armageddon (Fr) (Almanzor {Fr}) and hails from the family of multiple Group 1-placed sire Almushtarak (Ire) (Fairy King).

TOO DARN HOT'S BAUHINIA IMPRESSES FOR 'TDN RISING STAR' ROSETTE IN FRANCE

by Sean Cronin

Godolphin's G1 Prix Marcel Boussac nominee **Bauhinia (Ire)**

(Too Darn Hot {GB}--Desert Blossom {Ire}, by Shamardal) justified that lofty entry and earned a '**TDN Rising Star**' rosette with a taking debut display in Thursday's Prix de la Cascade at ParisLongchamp.

Racing a shade keenly under a firm grip through halfway in this one-mile debutantes' test, the 23-10 favourite loomed large hard on the steel passing the quarter-mile marker and quickened stylishly under mild coaxing once seizing control approaching the final furlong to easily account for **Cetera (Ire)** (Nathaniel {Ire}) by an impressive two lengths. She becomes the 12th winner, and first Rising Star, for her freshman sire (by Dubawi {Ire}).

"She is a very nice filly, she won easily and has plenty of talent," said winning rider Bauyrzhan Murzabayev.

Bauhinia is the sixth foal and scorer thrown by G2 Rockfel S. third Desert Blossom (Ire) (Shamardal), herself out of G3 Prestige S. third Elshamms (GB) (Zafonic). Elshamms, a daughter of G1 Poule d'Essai des Poulisches third Gharam (Green Dancer), also produced Listed Hyde S. victor Flaming Spear (Ire) (Lope De Vega {Ire}) and Listed Jebel Ali Sprint winner Taqseem (Ire) (Fantastic Light). Her descendants include Listed Marygate Fillies S. runner-up Silk Bow (GB) (Elusive City) and Listed National S. second Wings Of A Dove (Ire) (Dark Angel {Ire}). [Cont. p10](#)

RACE Staffing Cuts Cont. from p1

The restructuring of the facility has been overseen by Horse Racing Ireland (HRI) and comes after accommodation blocks at RACE were closed last month due to safety concerns.

Johnny Murtagh (left) is a graduate of the jockeys' course

Racingfotos.com

HRI appointed an interim CEO at RACE when such issues arose and, following a strict overhaul, just 10 staff will remain.

RACE is celebrating its 50th anniversary this year, but the future of the esteemed programme will look very different given students will no longer be based on site and the traditional jockeys' course has now been scrapped.

FRANCE GALOP PRESIDENT EDOUARD DE ROTHSCHILD WILL NOT SEEK ANOTHER TERM

Baron Edouard de Rothschild at Haras de Meautry | *Scoop Dyga*

France Galop President Baron Edouard de Rothschild, who has served the French Thoroughbred industry in that role for 16 years, will not seek another term when his current one ends in December, he told *Jour de Galop* on Thursday.

Baron de Rothschild, who operates **Haras de Meautry** and has enjoyed particular success this summer with dual Group 1-winning homebred Msqe De Seigne (Ire) (**Siyouni {Fr}**), served as president from 2003-2011 and 2015 to present.

"After thinking about it a lot this summer, I have decided not to run for the Presidency of France Galop at the end of the current mandate," De Rothschild told the French publication on Thursday. "I had the honour of chairing France Galop for 16 years. I would now like to give more time to my family and dedicate myself to other challenges, in particular within the Rothschild Bank and in my Thoroughbred breeding."

Former Pari-Mutuel Urbain (PMU) President Philippe Germond revealed his candidacy for the position on Thursday evening, however his candidacy announcement was not connected to De Rothschild's decision to step down at the end of the year.

"The rumour is true because indeed, I will stand for election [to be President of France-Galop]," Germond told the *JDG*.

RICHARD KINGSCOTE NAMED RETAINED JOCKEY FOR GREEN TEAM RACING

Richard Kingscote after taking the 2022 Derby | *Racingfotos.com*

Richard Kingscote, who won the G1 Derby aboard Desert Crown (GB) (Nathaniel {Ire}) in 2022, will become the new retained jockey for Ahmad Al Shaikh's Green Team Racing.

The jockey, who will continue his association with trainer Sir Michael Stoute, already celebrated his first victory in the Green Team colours, when Sayedaty Sadaty (Ire) (Anodin {Ire}) won a novice at Kempton on Wednesday. Kingscote's other notable wins include the G1 Champion S. aboard Bay Bridge (GB) (New Bay {GB}), as well as the G1 Irish St Leger aboard Brown Panther (GB) (Shirocco {Ger}) and with rising sire star Havana Grey (GB) (Havana Gold {Ire}), victorious in the 2018 G1 Flying Five S.

"Green Team Racing are delighted to announce that an agreement has been reached with the star jockey Richard Kingscote to be the team's number one jockey, and for him to have Green Team Racing as his first option after his commitments to trainer Sir Michael Stoute," the organisation said on X/Twitter.

Al Shaikh, who **prefers to focus on middle-distance horses with an eye to winning the Derby**, has already run second in two Derbys--in 2020 with Khalifa Sat (Ire) (Free Eagle {Ire}) and in 2022 with Hoo Ya Mal (GB) (Territories {Ire}).

GIAVELLOTTO POSSIBLE FOR MELBOURNE CUP

Group-winning stayer **Giavellotto (Ire)** (Mastercraftsman {Ire}), who ran third in the 2022 G1 St Leger, is under consideration for the G1 Melbourne Cup in November, trainer Marco Botti revealed.

A winner of York's G2 Yorkshire Cup S. in May, Francesca Franchini's Scuderia La Tesa flagbearer was fifth in the G1 Goodwood Cup S. in early August, and improved to take third in the G2 Lonsdale Cup S. back at York later that month. Besides the Race That Stops a Nation, the 4-year-old entire holds entries in the Sept. 10 G1 Irish St Leger, and the G2 British Champions Long Distance Cup a month later.

"He is in the Irish St Leger, but we thought by then you don't know what the ground will be," said Botti. "We are still discussing about the Melbourne Cup and I'm pretty sure we will enter him and then finalise the plans. Otherwise in England it will just be Champions Day as the only goal left for him."

He added, "I would be in favour [of going for the Melbourne Cup]. The fact he went to Dubai and is a horse who travels well and I also think the track will suit him--it is similar to York, a left-handed track.

"I think he will get in. He won a Group 2 so he should make the cut for the Melbourne Cup, but then it is up to the owners as it is quite an expensive trip to take on and as we know the rules are quite strict before the race. The vetting can be tricky but he is a sound horse.

"If we take that route, hopefully all goes to plan, and I would be in favour if the owner wanted to go."

FRENCH SPRINTER BOUTTEMONT TO STAND AT RATHBARRY STUD

Group 3 winner Bouttemont will stand alongside his sire | Scoop Dyga

French-trained sprinter **Bouttemont (Ire)**, acquired by a syndicate headed by Kevin Blake and Jack Cantillon, will retire to Rathbarry Stud at the end of the season. A fee will be announced later.

Bouttemont will stand alongside his sire Acclamation (GB) at Rathbarry and will bid to enhance his stallion credentials in the Flying Five and Prix de l'Abbaye for trainer Yann Barberot and his new connections.

Paul Cashman of Rathbarry Stud commented, "We have followed Bouttemont's career with great interest with him being a son of Acclamation. He showed just how good he is in the Prix Hampton at Chantilly in June and we'll all be hoping he can repeat that level of form in the G1 Flying Five S. and the G1 Prix de l'Abbaye before he joins us."

"He is a particularly good-looking horse that is strikingly similar to Acclamation and has the same wonderful temperament as him, so the case for him is a compelling one. We are delighted to partner with Jack and Kevin who are sure to bring a lot of energy and innovative thinking to the project. Acclamation has been an incredible sire for Rathbarry and our clients over the years, so we are sure that his son Bouttemont will be very warmly received here next year."

FRANCIS MEYNELL (IRE) (c, 2, Blue Point {Ire}--Dame Hester {Ire} {SP-Fr}, by Diktat {GB}), sent off at 8-1 on this debut, soon had control in front. Seeing off the solid yardstick **Tourist** (GB) (Zoustar {Aus}) inside the final two furlongs, the 125,000gns Tatts Craven Breeze-Up graduate hit the line with 3/4 of a length to spare over Emerald Banner (Ire) (**Starspangledbanner** {Aus}). "He's a horse I've taken my time with," owner and trainer Michael O'Callaghan explained. "He's quite enthusiastic at home, so we went back to basics with him and we've slowly let him get himself ready for this. He's going to improve plenty. It looked like a good race on paper beforehand, with the form of Ger's [**Tourist**] and a few others, so for him to go and do that first time out and Leigh [Roche] said he thought that he was only in second gear. I thought if he was able to win his maiden today and he looked nice that I might pitch him into something like the [G2] Flying Childers. He's quick, he'd get six furlongs I'd say, but he has a lot of speed and there is no point trying to tame it. I'm not trying to talk him up, but I honestly don't know where the bottom of him is." The winner, a remarkable 31st for his first-crop sire sensation, is currently the last known foal out of the listed-placed dam who is responsible for the G2 Goldene Peitsche and G3 Hamburger Flieger Trophy winner Donnerschlag (GB) (Bahamian Bounty {GB}), the G3 Round Tower S.-placed De Boss Man (Ire) (Dandy Man {Ire}) and the Listed Prix Six Perfections winner Izzy Bizu (Ire) (Kodiac {GB}) who in turn produced the Listed Prix la Fleche and Listed Criterium de Vitesse scorer and G3 Prix de Cabourg and G3 Prix d'Arenberg runner-up Dizzy Bizu (Ire) (Caravaggio).

POP STAR (IRE) (c, 3, Sioux Nation--Knock Stars {Ire} {GSP-Ire, \$157,076}, by Soviet Star), on the shelf since running second at Navan over a year ago, recovered from a slightly sluggish break to race on the front end in this belated comeback. Gaining an outright lead at halfway, the 10-3 second choice was ridden along approaching the final furlong and kept on strongly in the closing stages to hold odds-on favourite Yosemite Valley (GB) (Shamardal) by 3/4-of-a-length. "We thought a bit of him last year, but he got a setback and missed a lot of time off the track," explained rider Seamus Heffernan. "In the last 20 yards he was quite green, but I was more than happy with him. He's quick over five or six furlongs and, if he gets seven furlongs, he's definitely a stakes horse." Pop Star is the fifth of seven foals and fourth scorer produced by G3 Ballyogan S. third Knock Stars (Ire) (Soviet Star), herself the leading performer out of a half-sister to MGSP Listed Salsabil S. and Listed Carlingford S. victrix Indiana Gal (Ire) (Intikhab). Indiana Gal, in turn, is the dam of G1 Asahi Hai Futurity S.-winning Japanese champion Danon Premium (Jpn) (Deep Impact {Jpn}). The March-foaled bay is a half-brother to stakes-winning G3 Prix du Petit Couvert and G3 Summer S. placegetter Royal Aclaim (Ire) (Aclaim {Ire}) and a yearling colt by **No Nay Never**. Successful only once in her first eight starts which all bar one came over a maximum of a mile, Starry Heavens showed when winning Sligo's Connacht Oaks Fillies & Mares H. over this trip earlier this month that a stamina test suits her ideally now.

With that mind, Kevin Stott had the grey positioned close to the pace-setting The Last Waltz throughout, and, after seizing the advantage 300 metres from the post, kept on gamely to secure a breakthrough black-type success.

The winner is the first foal out of the unraced dam who is a half to the stable's star trio of the four-times group 1-winning Irish 1000 Guineas heroine Alpha Centauri (Ire) and G1 Moyglare Stud S. scorer Discoveries (Ire) also by Mastercraftsman, and the G1 Coronation S. heroine Alpine Star (Ire) (Sea The Moon {Ger}). The third dam is another multiple top-level winner in East Of The Moon (Private Account), a daughter of the famed Miesque (Nureyev) who pulled off the Poule d'Essai des Poulaches-Prix de Diane double and whose other descendants include the group winners Autocratic (GB) (Dubawi {Ire}), Evasive (GB) (Elusive Quality) and Molatham (GB) (Night Of Thunder {Ire}). Her unraced 2-year-old filly Starry Dew (GB) is by Caravaggio, while she also has a yearling son of Alpine Star's sire catalogued in the upcoming Tatts Book 2 Sale. **Video, sponsored by TVG.**

Loliwood and her connections | Scoop Dyga

Achieving one black-type placing in her career prior to this when third in the 7 1/2-furlong Listed Prix Luthier on Deauville's Polytrack in December, Loliwood had finished fourth back there last time in the Listed Prix Goldikova on soft turf in July and found some improvement to make the breakthrough.

Held up towards the rear early, the Corine Barande-Barbe-owned and trained bay had a lot to do two out but showed a dramatic turn of acceleration to cut down Quick Change 100 metres from the line and win decisively. **Video, sponsored by TVG.**

KIKU BRINGS A\$1.46 MILLION AT MAGIC MILLIONS FROM KATSUMI YOSHIDA

by Trent Massenhalder

Group 2 winner **Kiku (Aus)** (Zoustar {Aus}) brought A\$1.46 million from Katsumi Yoshida in a special standalone auction

hosted by Magic Millions on Thursday. Consigned by Brett Howard's Glenesk Thoroughbreds as agent for Star Thoroughbreds, the 6-year-old was offered unreserved as a broodmare prospect.

"Magic Millions handled an unusually difficult situation very professionally and it worked out extremely well," Star Thoroughbreds' Denise Martin told *The Thoroughbred Report* of the technical difficulties that cropped up in the last few minutes of the proceedings.

"We're elated the mare has been bought by Mr. Yoshida and I'm sure she will be very well mated here in Australia initially. I thank those involved from Jon Freyer to Mr. Yoshida, the price was wonderful."

Bred by Frank Meduri, Kiku is a full-sister to G1 Newmarket H. hero Zoutori (Aus) (Zoustar {Aus}), and was an A\$300,000 Magic Millions Gold Coast yearling when picked up by Star Thoroughbreds from the consignment of Amarina Farm. She raced for an ownership group that included Nick Vass Bloodstock and Bangaloe Stud.

"I always said to Denise that she should be making north of \$1 million, but where she settled after that, I wasn't sure, it was always going to be for the market to determine," Howard told *The Thoroughbred Report*.

"Mr. Yoshida has bought himself a beautiful mare. She's by one of the best stallions, has an outstanding pedigree and was a seriously good race mare. She's a good 16.2hh--she stands over ground and has a really lovely temperament. She's got that international pedigree and that may have made great appeal. Obviously, she's a sister to a Newmarket H. winner, but her grandam is by Sadler's Wells and she's a three-quarter sister in blood to New Approach (Ire) who was an outstanding racehorse and now sire." **Cont. p18**

Kiku Cont.

Magic Millions Managing Director Barry Bowditch thanked the connections of Kiku for the opportunity to offer her.

“Denise is such a wonderful friend of Magic Millions and we thank her and her syndicate of owners,” he said. “Obviously, we were disappointed that the system failed during the final minutes of the online auction and we must thank all the affected parties for their understanding.”
