UNDEFEATED BRIGHTWORK STAYS PERFECT IN GUTSY SPINAWAY

by Stefanie Grimm

It was always billed as a potential match race in Saratoga's closing weekend feature for the 2-year-old fillies. And so it came down to GIII Adirondack winner **Brightwork** (**Outwork**) and **'TDN Rising Star'** **Ways and Means** (**Practical Joke**) in a stretch duel. In the end, experience won out and Brightwork kept her perfect record intact with a gusty effort to win Sunday's GI Spinaway S.

A flashy maiden winner at Keeneland over G2 Queen Mary S. winner Crimson Advocate (**Nyquist**), Brightwork earned her next win in stakes company with a half-length score in Ellis's Debutante S. July 2. She immediately moved up into graded-stakes company at Saratoga and was a no-doubt winner in a five-length roll to take the Aug. 6 Adirondack.

Saratoga Race Course would be a suitable host site because it can accommodate large crowds. NYRA still operates Aqueduct Racetrack in Queens, but its once-massive grandstand is gone.

Moving the Belmont S. would be a huge economic boon for the city of Saratoga Springs and the Capital Region of upstate New York. The annual 40-day Saratoga meeting is a key economic driver and adding more days in June for the Belmont Stakes festival would be a very big deal in the marketplace.

Thoroughbred racing debuted in Saratoga in 1863 on an existing track on the north side of Union Avenue. The experiment launched by John Morrissey was so successful, that land was purchased across the street and a track was ready for the 1864 season. The first race held on the new grounds, where the current track is located, was the Travers Stakes, named after William Travers, the president of the racing association. For 3-year-olds, it is the most-important race of the season.

The annual Saratoga racing season, now 40 days, is the highest-profile, most-popular meet in North America. NYRA officials said that total attendance for this year's meet, which conclude Monday, will again top 1 million.

Saratoga Race Course would be the fifth track in New York to host the Belmont S. It was first run in 1867 at Jerome Park Racetrack in the Bronx. The Belmont was staged at Morris Park

in Westchester County from 1890 until Belmont Park was opened in 1905. The race was held at Aqueduct Racetrack between 1963 and 1967 when Belmont Park was being rebuilt.

Spinaway Cont. From Pg. 1

Drawn outside of her main rival in Sunday's contest, the 3-1 chance raced just ahead of Ways and Means up the backstretch with the pair coming into tight quarters as Flavian Prat had to check his filly back off of heels to avoid disaster. **Sugar Hi (Twirling Candy)** had a clear trip to the lead from an inside gate and led the compact group alongside **Lemorian** (Coal Front) through a quarter in :22.40. Brightwork stayed outside of that pair but was quickly joined by Ways and Means as the fillies went four across the track midway around the far turn through a brisk :45.09 half. The top two wagering choices hit the quarter pole together but Brightwork always seemed to have the measure of the 1-2 favorite, turning back her challenge to pull away to the win.

"There are really no words to describe it," said winning owner Bill Simon of WSS Racing. "I'm so proud of Johnny and what he's done with the horse; Jared [Hughes], who picked her out; Daniel Ortiz, Johnny's brother, has been living up here with Brightwork for the summer and they deserve all the credit." **Cont.**

Bill Simon and John Ortiz celebrate Brightwork's win
Sarah Andrew

"It's just a phenomenal feeling. There were some great horses in this race trained by some great trainers, and we won. It's really special."

Added Irad Ortiz, Jr., "The horse beside me [No. 10, Lemorian], last time she broke from the one-hole at Indiana but she outbreak everybody and I know she's going to be quick. I say, maybe I let her go and stalk there and I can bide my time and I

know the horse I have to beat is the horse inside of me [Ways and Means]. That's what I tried to do and it worked out perfect."

Pedigree Note

Brightwork becomes the second-straight daughter of WinStar stallion **Outwork** to take the Spinaway following Leave No Trace's victory last year. She is out of a half-sister to several stakes winners but most notably to the dam of GSW/MGISP Midnight Bourbon (Tiznow) and GISW and successful young sire **Girvin** (**Tale of Ekati**). Clarendon Fancy's yearling **Volatile** filly brought \$285,000 at last month's Fasig-Tipton Saratoga Select Yearling Sale and she produced a Yaupon filly this spring.

THE YEAR IN WHICH SARATOGA LOST ITS MOJO

The Week In Review, by Bill Finley

At the conclusion of racing on Monday, Saratoga will have handled about \$800 million for the meet, the third highest handle figure ever for the track. On-track attendance was at 1,055,543 after Saturday's GI Jockey Club Gold Cup Day card, setting an all-time record with two racing days to go.

Yet, by just about any measure, it was not a good meet. Saratoga came into 2023 with the wind at its back. Every year the racing seemed to get bigger, the handle would grow and more and more fans would pile into the historic racecourse. Taking out the covid year, handle had risen at Saratoga for five straight years.

Would Saratoga ever lose its momentum or would it keep growing exponentially?

Saratoga | Sarah Andrew

It turned this year. The 12 fatalities, including two particularly gruesome ones that occurred in full view of packed grandstand and before a national TV audience, were as bad as it gets. How many racing fans were turned into ex-racing fans on those days? NYRA has always taken the safety of the horses and jockeys very seriously and will no doubt continue to put in place measures to keep both safe.

They have some control over horse safety, but none over the weather, which was a huge problem at the meet. During the 2022 meet, only 15 races came off the grass. Through Sunday of the 2023 meet, 65 races had come off the grass. There had been 189 grass races run in 2022 versus 129 this year. That always leads to the same problems. When races come off the turf there are always a number of scratches, typically creating off-the-turf races with four or five-horse fields. On Aug. 10, an off-the-turf race actually turned into a match race. This is stuff no one wants to bet on.

NYRA is ready to do what it can to address that problem. NYRA President and CEO Dave O'Rourke has said that there is serious interest in installing a synthetic track at Saratoga by the 2025 meet. It wouldn't replace either the dirt main track or the two turf courses but would give NYRA a third option when it comes to racing surfaces and the synthetic track would largely be put to use when the rains washed races off of the turf.

The weather has been a problem, but if you dig a bit further, you can find some signs that Saratoga handle was affected by more than the rain. On GI Travers Day 2023, when two races came off the turf, the handle was \$50,183,271. In 2022, the handle was \$55,559,315 when one race came off the grass. This past Saturday, on GI Jockey Club Gold Cup Day, they bet \$27,400,509 on a day not impacted by weather. The year before the handle was \$32,505,600.

"I think what happened is with all the earlier rain we lost some momentum, and when that happened, it's hard to get it back," O'Rourke said.

Field size fell by 2.5%, from 7.75 to 7.56. A more telling number was the average handle per betting interest. It was \$255,773 this year and \$272,599 last year, for a drop of 6.2%.

What's done is done and there's nothing to do now but turn the page and hope Saratoga 2024 is one of the safest meets in history and the weather is gorgeous from opening day to closing day. The place is still magical and popular, but everything peaks at some point. Maybe that's happened to Saratoga.

European Dominance on the Turf

This is getting a bit ridiculous. U.S. racing is used to second-flight European horses coming over and winning some of our biggest grass race, but the year European shippers are having this year shows that our grass horses are vastly inferior. Take Saturday's \$2-million GIII Mint Millions at Kentucky Downs. There was only one European shipper in the field, **Ancient Rome (War Front)**, who is trained by Charlie Hills and was ridden by Jamie Spencer. Facing the likes of Grade I winner **Annapolis (War Front)**, he came into the race off a win in a handicap race. Before that you had to go all the way back to 2021 for his last graded/group win, a victory in the G3 Prix des Chenes in France. He won that by a half-length. He won Saturday's Mint Millions by a half-length.

A week earlier, it was **Bolshoi Ballet (Ire)** (Galileo {Ire}). He came into the GI Sword Dancer after losing by 21 1/2 lengths in the G1 King George VI and Queen Elizabeth I S., where he went off at 125-1. **Cont.**

Yet, that was good enough to win the Sword Dancer by 4 1/2 lengths. The win broke a nine-race losing streak, going back to the 2021 GI Belmont Derby where he also took advantage of a weak group of U.S. turf horses.

Then there's **Aspen Grove (Ire) (Justify)**. She was sent off at 50-1 in the G1 Irish 1,000 Guineas and finished last beaten 14 1/2 lengths. But that was good enough for her to take home first prize of \$500,000 in the GI Belmont Oaks Invitational in her next outing.

Good luck to our horses in the Breeders' Cup turf races.

Surprise, Surprise, Still No News out of Saudi Arabia

Back in 2020, **Maximum Security** (New Year's Day) crossed the line in front in the 2020 \$20-million Saudi Cup. Just a few days later, his trainer, Jason Servis, was arrested and charged with using performance-enhancing drugs on most of the horses in his barn. When that news broke, the Jockey Club of Saudi Arabia said it was withholding the purses until it could investigate the situation.

It's been 29 months since Servis was indicted. He has pled guilty and in November will begin a four-year prison sentence. The case is over, but the Saudis still haven't paid out the purse. Presumably, the winner's share of \$10 million will eventually go to **Midnight Bisou (Midnight Lute)**. But no one has been paid as the Saudis, who should have all the evidence they'll ever need, do nothing and don't seem to be in any hurry to write a check. We tried to get an update on the situation this week, but the answer we got didn't really answer anything.

"Due to the extended nature of the judicial process in the USA, the JCSA has been unable to fully conduct its own investigation into the awarding of the winner's prize for The Saudi Cup 2020," wrote the JCSA's Sarah Tregoning in response to an email sent by the TDN. "Now that the legal process in the USA has finished, the JCSA expects to swiftly conclude its own investigation and make an announcement in the coming weeks."

I wouldn't hold your breath.

IT'S A DAVIS FAMILY SUPERFECTA AT SARATOGA *by Bill Finley*

The Davis clan dominated Sunday's second race at Saratoga as members of the family swept the first four spots under the wire for a "Davis superfecta."

Katie Davis rode the winner of the \$30,000 maiden claimer, Danny Gargan-trainee **Bon Adieu (Ghostzapper)**, finishing seven lengths ahead of **Mim (Practical Joke)**, ridden by her brother Dylan. **Embraceable Gal (Midnight Lute)** was next and was

ridden by Trevor McCarthy, who is Katie Davis's husband. **Sweet Liberty** (Bellamy Road) was fourth and was ridden by Jackie Davis, the sister of Katie and Dylan. The all Davis superfecta paid \$26.35 for a 10-cent wager.

Katie, Dylan and Jackie are the offspring of retired jockey Robbie Davis.

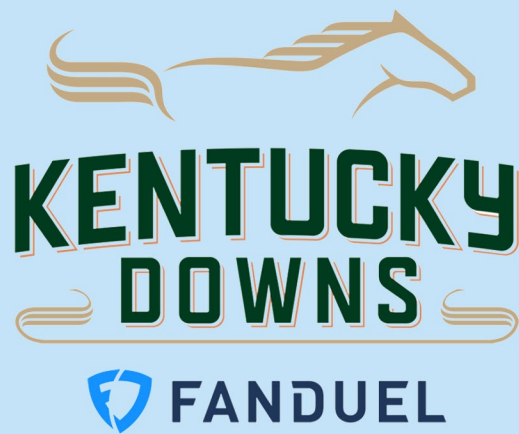

"I looked at the screen because Danny (Gargan) said look at the superfecta, it was all four of you," Katie said. "I was waiting for this moment. We made history again and it was really nice to beat Dylan this time. I looked back and thought here he comes, I've got to ride harder."

"I was really happy for all of us," said Jackie Davis. "I thought it was really cool. During the race we were all trying to beat one another. Afterward, we were laughing. When my horse started getting tired, I was watching Dylan and Katie's horses go forward and I didn't know who to root for. Everybody was really excited after it was over. This was amazing."

Katie Davis has had seven winners at the meet.

"It all comes down to having a lot of support," she said. "I'm lucky enough that I'm doing well and I keep it going. I never thought it would be like this. It's a great surprise and I am running with it. It's very special."

This is the first Saratoga meet where all four members of the family have been regular members of the jockey colony. **Cont.**

SOLOMINI STAMPS HIMSELF AS SIRE TO WATCH IN SARATOGA

by Katie Petrunyak

Just a few miles from where her freshman sire stands at McMahon of Saratoga Thoroughbreds, **Soloshot** had an auspicious start to her career when the daughter of Solomini wired the field to break her maiden by 7 3/4 lengths on Aug. 27 at Saratoga. Trained by George Weaver, the filly was a \$290,000 Fasig-Tipton Midlantic purchase for Bregman Family Racing, Jackpot Farm and Swinbank Stables.

Fast and Frisky, another daughter of Solomini, completed the exacta with Soloshot in the New York-bred juvenile contest and later on the same card, another filly by the first-crop sire made a strong showing when **My Shea D Lady** ran third in the Seeking the Ante S. The Carlos David trainee was Solomini's first winner back at Gulfstream on July 1.

[Click here for our visit with first-crop sire Solomini](#) | Sarah Andrew

With the support Solomini received from breeders that led to a first book of 123 mares in 2020, the team at McMahon of Saratoga Thoroughbreds believes that their son of **Curlin** has much more to show as the year continues and beyond.

"Solomini has had a really great start to his career based upon mares bred," said the farm's John McMahon. "We're very enthusiastic about his success. I think the initial attraction was the **Curlin**, at the rate that he pumps out Classic-style horses,

and his Grade I, 2-year-old form.”

Initially campaigned by Zayat Stables and Bob Baffert, Solomini was a debut winner at two and he went on to run second to MGISW Bolt d'Oro in the GI Frontrunner S. and was runner-up behind champion **Good Magic** in the GI Breeders' Cup Juvenile. He was third via disqualification in the GI Cash Call Futurity to close out his 2-year-old season and as a sophomore, placed in three graded contests including the GI Arkansas Derby.

The only son of **Curlin** in New York, Solomini also boasts a pedigree the includes active sires **Midshipman** and **Frosted** under his second dam.

When Solomini's first foals arrived, McMahon said the farm was thrilled to see that their sire was stamping his progeny.

“The stallion tends to throw very consistent,” he explained. “They're good-sized individuals and he puts a lot of chrome on a foal.”

In the sales ring last year, the stallion's yearlings averaged just under \$30,000 from 29 sold, making him the leading first-crop yearling sire outside of Kentucky.

This year his progeny fared even better at auction. His \$99,000 average from a \$6,500 initial stud placed him in the **top 10** leading first-crop stallions. A colt out of Timberlea (Flatter) now named Wynstock brought \$700,000 at the OBS April Sale, selling to agent Donato Lanni for Dr. Edward Allred and Jack Liebau. Bumped at the start, he finished fourth on debut Aug. 25. Also at OBS April, a colt out of Miss Bonnie (Officer) brought \$290,000 and at OBS March, a filly out of Passeporta (Rockport Harbor) brought \$200,000.

Solomini has three winners on the year thus far. Along with Soloshot and My Shea D Lady, the Rob Falcone-conditioned **Nicky Jolene** showed an affinity for turf when she broke her maiden at second asking on July 9 at Belmont.

Labor Day could be another important day of racing for Solomini as he has two juveniles entered for closing day of Saratoga. **Solo Rye'd** will try turf for David Donk in Race 1 and **Solo's Fury** is the morning-line favorite in his debut for Jeremiah Englehart in Race 6.

Off the board only once in his five prior starts, **Conclude** (**Collected**) took his third win in a row and his first graded stake with a narrow performance in the GII Del Mar Derby. Not raced as a juvenile, the even-money favorite broke his maiden at second asking over the Santa Anita turf before tossing up his only clunker to date when fourth in the John Shear S. Apr. 9. He's since won back-to-back stakes races including his last out 1 1/4-length score in the one-mile restricted Oceanside S. at Del Mar July 21.

Stretched out even further to the 1 1/8 mile contest Sunday, Conclude made no secret as to his running style and shot right out to the early lead as he had in several of his prior starts. With the advantage of an inside draw, Hector Berrios encouraged his mount to the front but he was outsprinted by **Justin's Legacy** (**Justify**) who came out firing from the outside. Not content to watch heels, Conclude made an early bid into the first turn, drawing alongside Justin's Legacy and going on with it through a quarter in :23.91. Allowed to open up down the backstretch, the Phil D'Amato trainee built up a sizeable gap on the field before the real running began into the far turn. Still safely in front at the top of the lane, Conclude had to hold off a cavalry charge of horses closing in including last-out GIII La Jolla H. winner **Maltese Falcon (Ire)** (Caravaggio) but the line came up just in time.

"A masterful ride by Hector [Berrio], letting that other horse go and then making that move at the three-quarter pole to get him comfortable on the lead," said D'Amato. "He's tough horse. The mile and a eighth is where he wants to be at. Anywhere in that mile to mile and an eighth range he's going to be a top class horse down the road."

In his first trip to Kentucky Downs, **Anglophile** (English Channel) conquered the rolling turf course to take his first graded-stakes win in the GIII Dueling Grounds Derby.

Seen at Ellis Park in his last three starts, Sunday's 10-1 shot picked up a narrow win facing allowance horses two back July 16 but had to settle for third by just a neck to Wadsworth (**Quality Road**) in the KY Downs Preview Dueling Grounds Derby Aug. 5. Stretching out to the 1 5/16 miles, the Brian Lynch trainee had a clean beginning and found a clear racing path between horses into the first turn as traffic bunched up. **Red Route One** (**Gun Runner**) was forced to steady back along with post-time favorite **Far Bridge** (English Channel). **Cont.**

Up front, **Wizard of Westwood** (Tu Brutus {Chi}) held an uncontested lead and opened up several lengths on **Really Good** (**Hard Spun**) through an easy :25.83 opening quarter mile. Anglophile had a good rhythm going down the backstretch from fourth and the field began to pick up Wizard of Westwood heading into the far turn. Still well positioned inside, Anglophile found a seam up the rail into the final two furlongs, squeezed through to lead, and held off a closing Far Bridge to win and top the English Channel-sired exacta.

"Beautiful trip," said winning jockey Declan Cannon. "Got a little more forward than I thought today, but he fell into a nice rhythm. I knew he'd stay the distance. I just rode him with plenty of confidence. He was doing his best late work and hit the line strong. He's a really nice horse. He beat older horses at Ellis and that's when I really knew he was on the improve. It's not always easy to beat older horses going two turns. We pointed for this race for a long time."

"Had this idea to put 14 guys together and got together with this horse," added winning owner Hunter Rankin with LFG Racing. "It is very special to me because my parents bred this horse. He is such a neat little horse, he does everything you ask him to do. If you don't ask him to do it, he won't but if you ask him he will. He has just gotten better with racing. We put blinkers on him a race ago and it helped him because he is so laid back. I can't say enough about what Brian Lynch and his staff have done with him."

Pedigree Note:

Trustmore Lovemore, who sadly passed after foaling Anglophile in 2020, was a half-sister to MGSW Daring Dancer (Empire Maker) and to SW/GSP Hamp (**Sky Mesa**). The winner's third dam is responsible for G1 Racing Post Trophy winner and GI Pacific Classic runner up Crowded House (GB) (Rainbow Quest) and the dams of G1SW Brando (GB) (Pivotal {GB}) and MGISW Ticker Tape (GB) (Royal Applause {GB}).

PACIFIC CLASSIC RUNNERS RETURN FINE, LOOK TO THE FUTURE

Three conditioners divided-up the five graded stakes races on Pacific Classic Day. Bob Baffert and Phil D'Amato won two each and Doug O'Neill grabbed the other one. It should come as no surprise to anyone that the three winning trainers top the trainer standings at Del Mar heading into Sunday's racing.

Bob Baffert was in the grandstand Sunday morning watching some of his horses work. Back at the barn, his Pacific Classic winner, **Arabian Knight** (**Uncle Mo**) was resting-up from his race; Baffert indicating the '**TDN Rising Star**' came out of the race fine.

"That was a good race for him," Baffert said. "He ran hard."

Arabian Knight punched his ticket to the Breeders' Cup Classic with his wire-to-wire win Saturday and time will tell as to whether or not he'll run in a prep before the Breeders' Cup at Santa Anita in November.

"We don't know what we're going to do there yet," Baffert says. "We'll give him a couple weeks."

Same could be said for his rival **Geaux Rocket Ride** (**Candy Ride** {**Arg**}), who came up a neck short. It was a winning effort and for that he got to sleep in.

"We haven't had him out of bed yet," trainer Richard Mandella said Sunday morning, "but he looked good last night. I think he'll be all right."

The third-place finisher in the Pacific Classic also came out of his race in good order. Trainer Doug O'Neill says **Slow Down Andy** (**Nyquist**) will be pointed to the Breeders' Cup but he did not mention a prep race.

O'Neill's assistant, Leandro Mora, was very proud of 'Andy'.

"He just needs a little change in luck," Mora says with a smile. "We need Baffert to go somewhere else. He sure can do those big races."

On the East Coast, all was well with the runners from Saturday's GI Jockey Club Gold Cup. Hall of Fame trainer Todd Pletcher said he was pleased with the effort from **Bright Future** (**Curlin**) and that he emerged from the race in good order.

"He looks excellent and came out of the race well," said Pletcher. "Happy guy."

Trainer Michael Stidham expressed a strong sense of pride in Godolphin's homebred **Proxy** (**Tapit**) who, despite lacking racing room down the backstretch, was able to launch a strong stretch drive to come up a nose shy of the victory.

"He certainly stamped himself in that top group to go to the Breeders' Cup," Stidham said. "I would say right now, we're looking at just going straight to the Breeders' Cup."

LETTERS TO THE EDITOR

DROP THE CROP: LETTER TO THE EDITOR*by Dr. David Ranson*

We have all been affected by the recent tragedies that have occurred in the racing industry. Whether reading of, heartbreakingly witnessing these horrors on national television, or while sitting with our friends at an event, we have all begun with breathless engagement in the grand spectacle of poetry in motion. We watch in admiration and awe as living, breathing works of art slice through the wind in full flight only to often sadly witness events that cannot be unseen; events that may haunt the recesses of our minds, creating fodder for nightmares to come.

How many of us bite our lips when the full flight of competitors turns the corner at the quarter pole hoping and praying that they cross the wire safely, not having to be destroyed for the sake of entertainment or for gamblers to experience another hit or miss? Upon witnessing these events, people walk away during watch parties, quickly change the channel, walk out of the racecourse on what purported to be a beautiful day at the races and eventually, walk away from the sport.

With no substantial uniform national rules, creating and sustaining entertainment value for a whole new and different culture is one of the many challenges of thoroughbred racing. We have had way too many deaths, irregularities and misinterpretation of rules which contributed to the prolonged delay of naming a Kentucky Derby winner as well as the conviction and possible imprisonment of a celebrated trainer winning an international event for cheating that involved veterinarians as well. Sadly, this is becoming the face of our sport.

With decreasing foal numbers and closing of racing venues over the years, it is no secret that we are not growing. In fact, we are dying as a celebrated sport and as a source of livelihood for thousands. The industry is in the trauma bay, and we need all hands on deck to survive and perhaps be able to again thrive.

Allow me to introduce myself and also offer a possible lifeline to the sport and industry: a lifeline based on physiologic fact that will perhaps quell the rising tsunami that threatens our very existence by supplying a palpable, visual solution while also serving as a public relations tool.

I am a human surgeon by training and a third-generation horseman by choice. My undergraduate degree is in animal and veterinary science which prepared me to enter vet school but I chose medical school and surgery as my primary profession. I have been competing in equine sport my entire life. I have a

show horse background and have worked with and for trainers in different disciplines and have achieved world-championship status during my show career. I have been involved in the thoroughbred industry as an owner, principle of a racing LLC, creator of racing and sales syndicates, horse farmer and pinhooker for over 15 years. I have an intimate knowledge of these athletes, how they work and the physiologic machine that allows them to perform at peak levels.

Catastrophic breakdowns and efforts to decrease them are nothing new to the sport. We have traditionally looked at multiple racing surfaces by trying to find the culprit in the infrastructure, and content of the surface on which we run.

However, we have not discussed PROPRIOCEPTION...what it is and how it works in both the human body and equine athlete. Proprioception permits horses to sense pressures, discomforts, tension and location of their bodies and limbs. It is an automatic feedback mechanism through sophisticated neurological pathways generated by bone and sinew all the while telling the animal where its body parts are in relation to the environment.

Equine sport places unusually steep demands on both horse and rider. Proprioception allows the horse to sense joint angles, muscle length, tendon tension and postural balance. These proprioceptors are nerves that can pick up .002% of muscle length and send that information to the horse's brain allowing him or her to make adjustments for gait and ultimately, survival.

Enter the crop. The crop is an age-old tool that has many purposes in equine sport and has been modified on several occasions. But let's face it, it is primarily used as an accelerator. Granted, it causes very little harm to the horse and on most occasions just strikes the saddlecloth. But it is an accelerator for all to see coming down the stretch.

Now consider the physiologic framework of proprioception and the horse's natural competitiveness combined with the concomitant use of the accelerator. Could the accelerator (crop) be a participant in the horse surpassing and overriding his natural proprioceptors, thus causing him/her to extend themselves past the point of bone and sinew? If so, wouldn't it be prudent to omit this piece of equipment to protect the horse from over extending and instead winning the race with his own heart, determination, conditioning, and riders urging, all the while demonstrating to the public that thoroughbred racing takes action, thus easing the ever present threatening public relations issue. Now may be the time to "Drop the Crop."

CLOSE AGAIN, WEIGH THE RISKS

SECURES SPA MAIDEN WIN by Mike Kane

Weigh the Risks | Sarah Andrew

SARATOGA SPRINGS, N.Y. – A narrow loser in her debut on Aug. 6, Klaravich Stables's 2-year-old chestnut filly **Weigh the Risks** (**Mendelssohn**) showed grit again Sunday to break her maiden in the first race of the afternoon at Saratoga Race Course.

At the end of a nose-to-nose battle through the stretch with **Appellate** (**Constitution**), Weigh the Risks reached the wire first with the margin of victory listed as a head. Appellate's Hall of Fame jockey Javier Castellano claimed foul, alleging interference in the stretch of the 1 1/16 miles turf race, but after a lengthy review the stewards did not change the order of finish. **Later Darling** (More Than Ready) closed from six lengths back at the top of the stretch to finish third by a neck.

Progeny (Goldencents) and Appellate set the pace with splits of 24.53, 51.14 and 1:16.28. Weigh the Risks was three or four paths off the rail in the backstretch, but had clear running. She went after Appellate in the stretch and they came close to each other three times, which prompted the claim of foul by Castellano.

"She was quite wide in the race off a slow pace," Brown said. "I'm not saying it was a dream trip, but she didn't have as much trouble."

Weigh the Risks, the 3-5 favorite, reached the wire in 1:45.49. She paid \$3.50 to win. Klaravich purchased Weigh the Risks for \$205,000 at Fasig-Tipton October. She was bred by Porta Pai Stables.

"She had a rough trip first time out," Brown said. "We've always thought a lot of her. An ugly, slow pace today, but she was able to grind it out against another filly who looks like

she's got a bright future. We were just lucky to get our nose down first."

Weigh the Risks was leading trainer Brown's sixth 2-year-old maiden winner of the Saratoga meet. Five of them have been for Seth Klarman's Klaravich Stables.

WEIGH THE RISKS (f, 2, **Mendelssohn**--**Beautiful Liar**, by **Candy Ride** (**Arg**)) was favored in her career unveiling over this course and distance Aug. 6, closing from far off the pace to just get pegged a neck by Ozara (Ire) (Lope de Vega {Ire}). Sent off the 3-5 choice to get the job done this time, the chestnut settled into a stalking fifth behind the leading pair of Progeny (Goldencents) and Appellate (**Constitution**) through a sensible opening quarter in :24.53. Biding her time two wide down the backstretch, she took aim at the leaders from the four path approaching the quarter pole. Straightening for home, Progeny began her retreat, while Appellate hung tough as Weigh the Risks reached even terms midstretch. With the leading pair seemingly alternating on the front end with each stride, it was the Chad Brown trainee that gained the narrow victory over Appellate at the wire. Arguably the best performance, however, was produced by Later Darling (More Than Ready), who closed like a freight train after a problematic run early on to finish third. The winner, a half to Cheapskate Diva (Animal Kingdom), MSW, \$188,040, is also half to a yearling filly by Protonico and a 2023 colt by **Flameaway**. Beautiful Liar, who sold for \$23,000 carrying a Goldencents colt at Keeneland November in 2019, was bred back to **Hard Spun** this season. Sales History: \$205,000 Ylg '22 FTKOCT. ALPINE PRINCESS ARRIVES JUST IN TIME AT SPA by Mike Kane

SARATOGA SPRINGS, N.Y. – In their first two starts at Saratoga Race Course, horses owned by Full of Run Racing finished last and last. Sunday, members of the Louisville-based partnership posed for pictures in the winner's enclosure with the 2-year-old filly **Alpine Princess** (**Classic Empire**) they co-own with Madaket Stables.

A few minutes later, managing partner Dann Glick said he was starting to breath normally again.

In her second career start, a seven-furlong maiden special weight contest, Alpine Princess made a wide late run under Manny Franco and scored by a head over **Nikitis** (**Audible**). Three-quarters of a length back in the charge to the wire was **Caitlinhergreatness** (Omaha Beach), who was a neck in front of **Snow Dance** (Commissioner), the early pacesetter.

"We expect a lot from this filly, but to win like that was fun," Glick said. "She looked like she wants to go longer. We don't have sprinters. We look for horses that will go forward."

That's what trainer Brad Cox sees in the bay out of the **Curlin** mare Le Moine. Cox said she is likely headed to a stakes in Kentucky this fall.

Alpine Princess | Sarah Andrew

Full of Run Racing was formed in 2004 as a claiming outfit, Glick said. The current version, Full of Run Racing Two, which has 22 members, has a different approach, stocking the roster through sales.

"I needed to keep building and we built and we bought more 2-year-olds this year than we ever have. More yearlings and 2-year-olds," Glick said.

The stable has eight horses in training, six with Cox, who it has worked with since 2012. Madaket came in as a partner after Full of Run acquired Alpine Princess for \$190,000 at Keeneland September.

"Loved her from the start," Glick said.

Alpine Princess was prepped by the races at the de Meric training center in Florida.

"They loved her. They said she was really straightforward," Glick said. "We got her to Brad and his team and they right away said that she's good, that they liked her. Brad liked her enough to bring her up here. So we were tickled."

Alpine Princess ended up third, beaten 9 1/2 lengths in her debut on July 23 at Saratoga.

"She ran OK. She didn't get away as well as we'd hoped," Cox

said. "She showed a lot this summer in her works at Churchill. That's why we brought her up here. She's been pretty steady since that first run. The goal was to get away a little better. She did. I think she really showed today with her race, coming off the turn as wide as she did and getting up late that she's asking for more ground based off her pedigree. We're excited about her moving forward."

Dann Glick | Sarah Andrew

Alpine Princess reached the wire in 1:24.05 and paid \$8.90 to win.

"We were obviously excited about her this summer to bring her up here," Cox said. "They've got to show you something to put them on a van to bring them to Saratoga. Hoping she comes out in good order and we can move forward. We're going to look at a stakes next. Not sure which one, but we'll see."

6th-Saratoga, \$105,000, Msw, 9-3, 2yo, f, 7f, 1:24.05, ft, head. ALPINE PRINCESS (f, 2, **Classic Empire--Le Moine, by **Curlin**)** raced greenly to be a well-beaten third in her six-furlong debut at Saratoga July 23. Sent off at 3-1, the bay filly rated off the pace behind fractions of :22.54 and :45.63. She ranged up six wide into the stretch and closed relentlessly down the lane to get up in the final jump to win by a head over **Nikitis** (**Audible**). Alpine Princess was a \$190,000 KEESEP yearling. Le Moine, a half-sister to graded-placed Another Miracle (**American Pharoah**), has a yearling filly by Mitole and was bred to **Game Winner** this year. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.** Lifetime Record: 2-1-0-1, \$70,350. The 7-1 shot rated in midpack behind a runaway leader who carved out :23.30 and :47.25 opening fractions. Inching closer down the hill, she was poised to strike while some six wide into the stretch. She surged to the lead and kicked clear to an authoritative score.

Freydis the Red | Coady Photography

A maiden winner at Churchill Downs in May, Freydis the Red was a close-up fifth in the July 8 GI Belmont Oaks Invitational and was coming off a third-place effort in the Aug. 6 GIII Pucker Up S.

"I think her last race, we probably woulda, coulda shoulda won it, said trainer Ken McPeck, who was winning his third renewal of the Dueling Grounds Oaks. "We felt the added distance in this one would benefit her. She is the consummate professional. We felt pretty comfortable she would handle the distance. Looking at the past performances going in, I thought the odds were very generous. Knowing her pedigree, I knew she would be capable. You knew she would not have any quit in her. Very happy with her."

As for what could be next for the winner, McPeck said, "e will take a look at the [Oct. 14 GI] QEII [at Keeneland]." **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Love to Shop, making her second start North of the Border, closed stoutly to beat the boys and earn her first stakes victory going away at Woodbine Sunday. The 5-2 shot was taken in hand at the break and settled near the back of the field as Eyes on the King (**Street Sense**) led through fractions of :23.28 and :45.86. Floated six wide at the top of the lane, the bay filly forged to the lead with a furlong to run and pulled clear to the wire.

"I think she was the best horse in the race," said winning rider Emma-Jayne Wilson. "I knew that going in and she ran like it."

Love to Shop was a maiden winner over the Belmont lawn in her third start for Todd Pletcher in June. Transferred to Kevin Attard, she was coming off a troubled third-place effort over this same course and trip in the July 22 GIII Ontario Colleen S.

"I learned a little bit about her last time," said Wilson. "I gave her the best trip I could. The last 70 yards, it got a little tight and I had to alter course, and she's such a big, strong filly, so it wasn't ideal. This time, I had the chance to get her into a nice, outside stalking trip, and let her get into rhythm. With three-eighths of a mile stretch run, I just tipped her off heels and let her build and build. She finished on strong, and she got the job done."

D J Stable purchased Tiffany Case, with the winner in utero, for \$320,000 at the 2019 Keeneland November sale. Favored Mr Fisk and second-choice Tahoe Sunrise bookended the field in the gate and throughout much of this affair, but Mr Fisk came flying late from last to catch pacesetting Tahoe Sunrise on the line in a dead-heat. Tahoe Sunrise took the lead along the rail into the first turn, while from his outside post, Mr Fisk angled over settled at the back of the field. Tahoe Sunrise set fractions of :22.23 and :46.10 and was a length in front approaching the stretch, but Mr Fisk was making eye-catching progress from last and strode up three wide into the lane. Tahoe Sunrise opened up some three lengths on the field in upper stretch, but Mr Fisk was rolling late to just hit the wire in tandem with the pacesetter. Mr Fisk, a maiden winner at Santa Anita in January, was sixth in the Mar. 4 Gil San Felipe S. in his lone outing for trainer Tim Yakteen. Back in the Bob Baffert barn, he returned with a runner-up effort behind Geaux Rocket Ride (**Candy Ride {Arg}**) in the June 4 Affirmed S. Trying the turf for the first time, the dark bay was 10th in the July 21 Oceanside S. last time out. He has a yearling half-brother by **Macleans Music** and a weanling half-sister by **Collected**. His dam was bred back to Omaha Beach.

Tahoe Sunrise, a first-out winner at Santa Anita Mar. 18, was third behind One in Vermillion (**Army Mule**) in the May 6 Lazaro Barrera S. Third again in six-furlong optional claimer at Santa Anita June 4, he was coming off a runner-up finish in a 6 1/2-furlong optional claimer at Del Mar July 21. He has a yearling half-brother by Quailty Road and his dam was bred back to **Constitution**. **Equibase.com chart or VIDEO, sponsored by TVG.**

FEARLESS SOLDIER (c, 3, City of Light--Hessie's Girl, by Giant's Causeway), a winner second-time out in his turf debut at Gulfstream in March, came up a neck short to next out GIII Manila S. victor More Than Looks (More Than Ready) in an Ellis allowance June 17. A non-factoring sixth facing Saratoga optional claimers over eight panels July 22, the bay was made the 2-1 favorite adding some yardage here. Sent to the front from his inside draw, he led throughout and extended his advantage late en route to a four-length score over King **Curlin** (**Curlin**). The winner's dam, Hessie's Girl, is out of MSP The Hess Express, most notably responsible for GI Whitney winner Bullsbay (Tiznow) and GSW Our Khristy (Newfoundland), herself the dam of Grade I scorer Grace Adler (**Curlin**). FILM STAR (c, 4, Flatter--Rebelle, by Hard Spun), claimed for \$75,000 out of a winning effort at Keeneland in April, was runner-up in five straight races for the new connections, most recently beaten just a neck after setting the pace over this track and trip Aug. 13. The 9-5 favorite was away well and soon at the head of affairs. Unhurried through a quarter in :24.11 and a half in :48.00, he skipped away into the lane and was much the best while sailing under the wire three lengths in front. Adding blinkers and let go at 13-1, the dark bay filly sat well off the pace in a strung-out field behind fractions of :23.70 and :46.79. Scrubbed on and with plenty to do nearing the stretch, she rolled up six wide at the top of the lane and produced a stylish late kick to win going away by 3 1/4 lengths. CELESTIAL MOON (c, 4, Malibu Moon--Global Hottie {GSP, \$168,490}, by Dixie Chatter) put together back-to-back 90 Beyer speed figures for Bill Mott last year and early this season--the former breaking his maiden at Aqueduct in December, while the latter was a first-level allowance score at that venue in his 4-year-old debut Mar. 11. Sold in July for \$145,000 at FTKHRA after two losing efforts, he was given a 6-1 chance in his first start for trainer Mark Glatt. Breaking a step slowly, he drifted behind the leaders on the rail and moved into contention passing the quarter pole. Locking horns with stablemate Affable (Flatter) coming into the lane, he cleared that one and kept to task late to score by 1 3/4 lengths. TIFAREEH (c, 2, Speightstown--Azm, by Tapit) was never in the mix when eighth as the 5-2 favorite in his six-furlong unveiling over the main track at Ellis Park Aug. 6. Sent off at 6-1 for his turf and route debut, the bay colt was squeezed back in traffic out of the gate and was pulling his way into a stalking position. Shuffled back again, he was midpack heading up the hill, but was back within striking distance turning for home. Tipped out three wide at the top of the lane, he surged to the lead with a furlong to run before powering clear to win by 3 3/4 lengths. Frontline Warrior (**War Front**) was second.

She overtook the pacesetter with a quick burst of speed at midstretch and held sway over the late-closing Sierra Sky (**Uncle Mo**) to graduate by 3/4 lengths. GITA'S MIRACLE (f, 2, Twirling Candy--Coy Cat {MSW, \$247,755}, by Hold That Tiger) debuted over the all-weather at nearly 8-1 and rewarded her backers with a strong off-the-pace performance to win by two lengths over six rivals. Despite a sharp break, the bay filly initially bounced off her outside rival then bumped hard with her inside one, which forced her to be shuffled back and sit to the outside off the early pace set by Isayso (Distorted Humor) for the first quarter-mile. As the leader made her way around the bend, the winner was making up ground with each stride and had reached the lead by the time she began to straighten out for the drive. She continued on gamely under a strong ride and prevailed, with 9-2 chance Iron Shield (**Preservationist**) claiming the place position behind her at the wire. She is the ninth foal from her dual stakes-winning dam, who also produced Doups Point (Point of Entry), MSP, \$218,120; and Newport Breeze (Majestic Warrior), MSP, \$157,220. “SHE IS AN IRON FILLY.” SAUTERNE IN CHARGE IN THE MOULIN

Sauterne | Scoop Dyga

by Tom Frary

Placed in three group 1s including the Poule d'Essai des Poulaches prior to Sunday's G1 Prix du Moulin de Longchamp, Jean-Pierre-Joseph Dubois's hard-working homebred **Sauterne (Fr)** (**Kingman {GB}**--Salicorne, by Aragorn) had her day in the sun under Tony Piccone as she conquered the summit in the ParisLongchamp feature. Always happy using the 3-5 favourite **Big Rock (Fr)** (Rock Of Gibraltar {Ire}) as a target, the belle of the Patrice Cottier stable mastered him 150 metres from the line before asserting for a length success at 11-1, with **Facteur Cheval (Ire)** (Ribchester {Ire}) half a length away in third.

For owner-breeder Jean-Pierre Dubois, a trotting legend in his native France and worldwide, this pinnacle triumph was understandably special. “It is a lot of fun for me to win a group 1 race on the flat,” he said. “It is so difficult to breed a good one. She is a lovely filly who has danced every dance and, except once, she has never run a bad race. She is an iron filly.”

Sauterne, who started her career in late November and has been kept on the go since, has raced ten times in the ten subsequent months with conditions wins in December, January and February followed by her first black-type success in this track's seven-furlong Listed Prix du Pont Neuf in April. ZAGREY A GROUP 1 FIRST FOR ZARAK IN BADEN-BADEN FEATURE by Sean Cronin

Granted leave of absence from ‘TDN Rising Star’ Beauvatier's G3 Prix La Rochette victory in Paris earlier in the day, conditioner Yann Barberot was on hand to witness G1 Dubai Sheema Classic and G1 Grand Prix de Saint-Cloud placegetter **Zagrey (Fr)** (**Zarak {Fr}**--Grey Anatomy {GB}, by Slickly {Fr}) set the seal on a notable double, and claim a Group 1 first for his sire, in Sunday's 153rd Wettstar de Grosser Preis von Baden.

Last term's Listed Derby du Midi and Listed Grand Prix du Nord victor had his task made slightly easier by the withdrawal of G1 Deutsches Derby hero **Fantastic Moon (Ger)** (Sea The Moon {Ger}) as he keen under cover, along the fence on the heels of the leaders, as ‘TDN Rising Star’ and Deutsches Derby runner-up **Mr Hollywood (Ire)** (Iquitos {Ger}) set a modest pace for most of the 12-furlong trip.

Sauterne, cont. from p1

Getting into the frame behind Blue Rose Cen (Ire) (Churchill {Ire}) in the Pouliches, she was held on to as she ran second to TDN Rising Star Kelina (Ire) (Frankel {GB}) in the G2 Prix de Sandringham at Chantilly in June, doing her best running late on. Seen to better effect under more positive tactics when second again reverting to seven in Deauville's G1 Prix Jean Prat the following month, she was denied in the closing stages when third in that track's G1 Prix Rothschild in August and seemed to have reached a limit.

What she had here was a lead and an ideal one at that, with Big Rock doing the inevitable and setting an honest tempo trying to put his rivals under pressure at a trip that on this livelier ground is on the sharp side. Sauterne was always comfortable in his wake and once Aurelien Lemaitre got serious on the leader two out the writing was already on the wall. Piccone asked the question soon after and the filly gave typically generously to

forge ahead and close out with splits of 10.71 and 11.11 to seal the deal.

"She has a lovely temperament and nothing ever bothers her and that is why we could travel her so many times back and forth from our base in Marseille," Cottier said of the winner, who was offered at the Goffs London Sale but failed to reach her reserve at £1.2million. "Every time, she has responded with guts and determination and she had done well since her last race in Deauville, she had a dream trip in the wake of the favourite and could produce her turn of foot. If all is well again, she will come back in the G1 Prix de la Foret."

Sauterne's unraced dam Salicorne (Aragorn) is a daughter of the listed-winning and group-placed Soignee (Ger) (Dashing Blade {GB}), which makes her a half to the six-times top-level scorer and Prix de Diane-winning champion Stacelita (Fr) (Monsun {Ger}). [Cont., p4](#)

She is in turn responsible for the dual Japanese champion Soul Stirring (Jpn) (**Frankel {GB}**) and is the second dam of the G1 Yushun Himba heroine Stars On Earth (Jpn) (Duramente {Jpn}), who also captured the G1 Oka Sho.

Soignee is also the second dam of **Kingman**'s G3 Jersey S. winner and G1 Prix Jean-Luc Lagardere runner-up Noble Truth (Fr), while the family also includes the G1 Commonwealth Cup runner-up Flaming Rib (Ire) (Ribchester {Ire}) and the G1 Grosser Preis von Bayern heroine Sunny Queen (Ger) (**Camelot {GB}**). Zagrey, cont. from p1

Caught in traffic out wide as the sprint commenced in earnest off the home turn, the 2-5 favourite was presented with a dream seam underneath the stands' side rail when Mr Hollywood drifted off a true line passing the furlong pole and stayed on relentlessly to deny that tenacious rival by a neck in the dying strides. Gestut Karlshof's **Straight (Ger)** (**Zarak {Fr}**) was on the scene throughout a thrilling final quarter-mile and only gave best nearing the line, finishing a half-length adrift in third.

Christophe Soumillon, who was winning the Grosser Preis for the first time, said, "The start was very difficult because we didn't go very fast. Luckily on the first bend the lead horse didn't

turn well so that gave me the opportunity to get on the inside and let him roll a bit. After that, he was really relaxed for the whole race. He changed legs perfectly when I asked him to and when we got into the straight he was fighting with the bit a little. When I asked him to quicken, I had to wait as there was a point when I didn't have a lot of room so I was just waiting for the gap. He's a lovely horse. We knew everything would suit him here, especially the way the race is run here as he always hangs right, so for him to get the perfect leg to the outside is always great."

Zagrey | Marc Ruehl

"For sure, he would have been better with a stronger tempo in the race, but he was in great shape today."

Barberot, who landed his second Group 1 victory and first in Germany, added, "It's never easy to win a Group 1, even with a good horse like him. It was a great race in the straight. There wasn't a lot of room in the last 500 metres, particularly when they had gone such a slow pace early on, but the horse showed a lot of courage to get there. Having said that, when they were turning into the straight I was quite worried."

Pedigree Notes

Zagrey, who becomes the 10th pattern-race scorer and first at the highest level for his sire (by Dubawi {Ire}), is the fourth of six foals and one of three scorers out of the unraced Grey Anatomy (GB) (Slickly {Fr}). The April-foaled bay is a half to G1 Criterium International third Graignes (Fr) (Zoffany {Ire}), the stakes-placed Anatiya (Fr) (**Dariyan {Fr}**) and the hitherto unraced 2-year-old filly Eepha (Fr) (**Siyouni {Fr}**).

His second dam, Listed Virginia S. victrix Light Step (Nureyev), produced dual stakes-winning G3 Prix des Reservoirs third Nova Step (GB) (Dubawi {Ire}) and is kin to three stakes winners headed by MGISP G2 Royal Lodge S. victor Eltish (Cox's Ridge). Light Step is out of Nimble Feet (Danzig), herself a full-sister to GI Arlington-Washington Lassie S. heroine Contredance and kin to MGSW distaffer Skimble (Lyphard). Skimble, in turn, is the dam of dual GI Pacific Classic-winning sire Skimming (Nureyev).

AREION'S CALIF TOO GOOD IN THE OETTINGEN-RENNEN *by Sean Cronin*

Stall Hanse's **Calif (Ger)** (Areion {Ger}--Cherry Danon {Ire}, by Rock Of Gibraltar {Ire}), who ran sixth in two Group 3 starts after annexing May's G3 45th Kronimus Badener Meile at Baden-Baden, returned over the same one-mile strip of that stakes breakthrough to double his pattern-race tally in Sunday's G2 90th Brunner Oettingen-Rennen at the Iffezheim venue.

The 17-2 chance occupied a slot in rear after a slightly tardy getaway and remained there through halfway. Shaken up when sent wide into the straight, he made relentless headway from the two pole to launch his challenge entering the final furlong and surged clear in style thereafter to ward off British raider **Brave Emperor (Ire)** (**Sioux Nation**) by 2 1/2 lengths.

BEAUVATIER REMAINS UNBEATEN WITH

PRIX LA ROCHETTE TRIUMPH by Sean Cronin

Yann Barberot trainee **Beauvatiere (Fr)** (Lope De Vega {Ire}--Enchanting Skies {Ire}, by **Sea The Stars {Ire}**), who went three-for-three in July's Listed Prix Roland de Chambure at Deauville when last seen, continued his impressive rise through the grades with a comfortable victory in Sunday's G3 Prix La Rochette at ParisLongchamp.

The 3-10 favourite, who attained 'TDN Rising Star' status at Chantilly in May, was under a firm hold off the pace in fourth through the initial fractions of this pattern-race bow. Making smooth headway into contention in the straight, he quickened smartly to seize control approaching the final furlong and was pushed out in the closing stages to easily withstand the late bid of **Evade (Fr)** (**Wootton Bassett {GB}**) by a length. Fellow Rising Star **Havana Cigar (GB)** (Havana Grey {GB}) was a neck adrift in third.

"I am so delighted and how lucky we are to have such a young prospect who keeps winning all the time," said winning owner Gitte Allaire. "I hope this is just the beginning of a long story. Maxime [Guyon] said he was very satisfied with the performance and the horse did exactly what he wanted him to do. Maxime could have asked him anything, he did the job and could have done so much more." **Cont., p8**

"We'll leave talk of the [Oct. 1 G1 Prix Jean-Luc] Lagardere to our trainer Yann Barberot. I want to congratulate Yann and the whole team."

Pedigree Notes

Beauvatiér, a €160,000 Arqana August purchase and half to a yearling filly by **Siyouni {Fr}**}, is the first of two foals produced by Listed Prix de Thiberville runner-up Enchanting Skies (Ire) (**Sea The Stars {Ire}**}), herself a sale-topping €500,000 Baden-Baden September yearling in 2016. The February-foaled dark bay's dam is one of four stakes performers out of Listed Kolner Fruhjahrs-Stuten-Preis third Estefania (Ger) (Acatenango {Ger})), headed by G1 Preis von Europa victor Empoli (Ger) (Halling). Estefania, in turn, is out of a half-sister to multiple Group 1-winning G2 German 1000 Guineas and G2 Preis der Diana (German Oaks) heroine Elle Danzig (Ger) (Roi Danzig). Beauvatiér becomes Lope De Vega's 66th pattern-race winner.

The 16-5 chance was quickly into stride to race second passing the judge first time and found a comfortable rhythm in third along the backstraight. Taking closer order on the home turn before claiming the lead in early straight, she was safely clear approaching the final furlong and stayed on strongly under continued rousting to easily hold closest pursuer **Fasol (GB)** (Galileo {Ire}) by two lengths. **Vert Liberte (Ire)** (Muhaarar {GB}) was 1 3/4 lengths away in third, denying **Moon Wolf (Fr)** (Intello {Ger}) by a nose in a bobbing finish for third. According to jockey Theo Bachelot, Lastotchka lost her off fore shoe soon after the start.

“She is such a sweet and consistent filly, she stays well and proved it on many occasions last season, such as when winning a Group 3 over 14 furlongs at Saint-Cloud,” said Beguigne. “She has been a bit slow to come around and be at her best this season, but her last run in Deauville did her a lot of good. I will let her recover from her efforts today and have her ready again for the [Oct. 29] G1 Prix Royal-Oak [over this course and distance].”

Pedigree Notes

Lastotchka, a half-sister to the unraced 2-year-old colt Majestic Glory (Fr) (Olympic Glory {Ire}), is the first foal out of Muthla (Fr) (Muhtathir {GB}), whose second dam Colza (Alleged) produced

G1 Criterium de Saint-Cloud hero Linda's Lad (GB) (Sadler's Wells) and G3 Badener Meile placegetter Ulterior Motives (GB) (Selkirk). Descendants of the April-foaled bay's stakes-winning fourth dam Dockage (Riverman) include G1 Prix de l'Arc de Triomphe-winning sire Rail Link (GB) (Dansili {GB}), Rail Link's G2 Prix du Conseil de Paris-winning half-brother Crossharbour (GB) (Zamindar) and G1 Derby, G1 St Leger and G1 Gold Cup runner-up Mojo Star (Ire) (**Sea The Stars {Ire}**).

NARANCO STARS AT PARISLONGCHAMP

by Tom Frary

Doing it for Spain on Sunday, Horses & Berries SL's **Naranco (GB)** (**Kingman {GB}**) captured the G3 La Coupe de Maisons-Laffitte at ParisLongchamp to complete a notable double for his sire on the afternoon. Successful in La Zarzuela's Premio Hipodromo de la Castellana in June and third in the G3 Grand Prix de Vichy in July, the Guillermo Arizkorreta Elosegui-trained 9-1 shot was quickly at the head of affairs under Vaclav Janacek. Relishing the opportunity to control from the front, he never looked like being reeled in and hit the line with 3/4 of a length to spare over Lord Charming (Ger) (Charm Spirit {Ire}).

"He ran a good race at Vichy, this race was of equivalent quality, the ground was just perfect and exactly how he likes it and he is a one-paced horse who loves to dictate," the winning trainer explained. "I have been training for a while, so a first group winner in France is a moment to savour. At this time, I have no race in mind for him and we will celebrate for now."

Naranco's dam Patsy Boyne (Ire) (Galileo {Ire}), who is kin to the Derby and dual Breeders' Cup Turf-winning champion High Chaparral (Ire) by Galileo's sire Sadler's Wells, was a 300,000gns purchase at the 2018 Tatts December Mares Sale. **Cont., p11**

DABIRSIM'S HORIZON DORE IMPRESSES IN PARIS by Sean Cronin

June's Listed Prix Ridgway victor **Horizon Dore (Fr)** (Dabirsim {Fr}--Sweet Alabama {Fr}, by Enrique {GB}) followed up that second black-type victory with a personal best in July's G2 Prix Eugene Adam at Saint-Cloud and added lustre to his palmares with an impressive triumph in Sunday's G3 Prix du Prince d'Orange at ParisLongchamp.

Employing patient tactics several lengths off the tempo for the most part, the 3-5 favourite made effortless headway on the bridle in the straight to challenge with 300 metres remaining and powered clear once quickening to the fore at the furlong marker to defeat the Andre Fabre-trained duo **Mr Moliere (GB)** (**Kingman {GB}**) and **Birr Castle (Fr)** (Cloth Of Stars {Ire}), by 2 1/2 lengths and a short-head.

"Horizon Dore is a really nice horse, he was conceding weight all round, but we expected that," revealed Pauline Chehboub.

"He had worked well at home beforehand after being freshened up this summer. Being a gelding, we have ambitions abroad with him and he seems ready to travel now. His next race will be in the [Oct. 21 G1] Champion S. at Ascot. It's a race dear to our hearts after Sealiway's win and maybe history can repeat."

FAIRY BRIDGE SUCCESS FOR CLEVER AND

COOL by Tom Frary

Having her seventh start in eight weeks, Marguerite Bolger's **Clever And Cool (Ire)** (**Vocalised**) showed she is thriving on that schedule with a career-best win in Tipperary's G3 Coolmore Stud **No Nay Never** Fairy Bridge S. on Sunday.

Registering a first black-type win in commanding style in the seven-furlong Listed Platinum S. at Cork a fortnight earlier, the 6-1 shot had never got into The Curragh's Irish Cambridgeshire H. in the interim and was in danger of missing out here also with another tardy start to complicate matters for Rory Cleary. Allowed time to build into the contest, the homebred responded to wear down the front-running **Matilda Picotte (Ire)** (**Sioux Nation**) close home for a half-length success.

"She is her own worst enemy by dwelling coming out of the gates, despite the boss doing plenty work with her," Jim Bolger's travelling head man Ger Flynn said of the winner. **Cont., p13**

She had frustratingly been fourth in her first four black-type attempts including when beaten only a length in the G3 Weld Park S. at The Curragh last September.

“On her last few runs she has been showing us what she is showing us at home and while she dwelt at the start again today, Rory said he was always confident she could get there and she went away and won well. If she ever jumps, there’s a big one in her. You wouldn’t think she’s had four races in the last four weeks, her skin is like a seal. She is in the [G1] Matron on Saturday and the boss never shirks a challenge—you have to be tough to be in Jim’s and she’s tough.”

Only seen on four occasions since his success in the G3 Lacken S. at Naas last May, the 2021 G3 Cornwallis S. winner and G2 Gimcrack S. and G2 Champagne S.-placed Twilight Jet was in dire need of a confidence boost off a two-month break since finishing sixth in The Curragh's Listed Dash S. Sporting blinkers for the first time, the stalwart of the Michael O'Callaghan yard showed all his old zip to stalk the leader Dun Na Sead and his familiar determination to get to the line ahead of stablemate Lokada.

"It was great, I'm delighted to get Twilight Jet's head back in front because he hadn't the most straightforward path to this as he had two surgeries over the winter," O'Callaghan explained. "He had one for colic and had to have another surgery having slipped, so it has been a long time coming back. Last year he blitzed them in the Lacken, but went to Royal Ascot and was sick for quite a while. This year was about getting him back slowly, race to race. He'll go for something like the [G3] World Trophy [at Newbury], or I might step him up to six but there are a few options for him in the UK."

Twilight Jet is the last foal out of the dam, a half to the Lady Shipman S. winner Bredenbury (Ire) (Night Of Thunder {Ire}) and the Listed Stonehenge S. scorer Go Angellica (Ire) Kheleyf). This is also the family of the G1 Grosser Preis von Baden and G1 Bayerisches Zuchtrennen-winning sire Germany and the leading sire Hail Bold King.

2nd-Tipperary, €20,000, Mdn, 9-3, 2yo, 7f 110yT, 1:40.45, yl. SEA THE BOSS (GB) (f, 2, Sea The Moon {Ger}--Shaella {Ire}, by Casamento {Ire}), a 5-1 shot on this debut, recovered from a tardy break to race in mid-division. Creeping into contention in early straight, the €35,000 Tatts Ireland September graduate stayed on strongly to hit the front a furlong out and was eased late to register a 2 1/4-length success from Quickstepping (Ire) (Fast Company {Ire}). "We have always liked her, we liked her in the spring and she grew a lot," trainer and part-owner Jessica Harrington said. "She is a fine looker and is only a frame filly, so is next year's model. We'll see what we do and there is the final of this series at Naas [Oct. 15] for her."

The dam is kin to the G3 Prix Edmond Blanc winner Skins Game (GB) (Diktat {GB}), the Listed Prix Occitanie winner Epatha (Ire) (Highest Honor {Fr}) and to the dam of the G3 Prix du Lys scorer Volkan Star (Ire) by Sea The Moon's sire **Sea The Stars (Ire)**. From the family of the G2 Prix de Royallieu winner Mouramara (Ire) (Kahyasi {Ire}), the G1 Sydney Cup scorer Mourayan (Ire) (Alhaarth {Ire}) and the G2 Lancashire Oaks winner and G1 Prix Vermeille runner-up Endless Time (Ire) again by **Sea The Stars**, her yearling colt by Without Parole (GB) is in next month's Tatts Book 2 while she also has a filly foal by Masar

(Ire). Sales history: 15,000gns Wlg '21 TADEWE; €35,000 Ylg '22 TATIRY. Lifetime Record: 1-1-0-0, \$12,931.

1st-Tipperary, €15,000, Mdn, 9-3, 2yo, 9fT, 2:03.60, yl. LOS ANGELES (IRE) (c, 2, Camelot {GB}--Frequential {GB}, by Dansili {GB}) raced along the rail in fourth for most of this debut. Nudged forward rounding the home turn, the 13-2 chance came under sterner urging to launch his bid between rivals passing the quarter-mile marker and was driven out to win going away by an ultimately impressive 2 1/4 lengths from Surfers Paradise (Ire) (**Ten Sovereigns {Ire}**). "He is a lovely horse and will come on an awful lot," said Ballydoyle's Chris Armstrong. "It was a lovely introduction to bring him here and he'll be a lovely middle-distance horse for next year. He'll improve a ton for the run and something like the [G2] Beresford or the 10-furlong [G1] Criterium de Saint-Cloud could be next, but he is a horse to look forward to next year. Seamus [Heffernan] gave him a lovely introduction and what he does at two will be a bonus. It's grand to get him out now and see where he fits into the pecking order."

Los Angeles, half to a yearling colt by **No Nay Never**, is the third runner and winner produced by an unraced half-sister to G3 Prix Messidor victor Impulsif (GB) (New Approach {Ire}). The February-foaled dark bay is a full-brother to G3 Ballyroan S. third Hector De Maris (Ire) and this year's G3 Prix Penelope third Be Happy (Ire). His third dam is G3 Prix de Flore victrix Allez Les Trois (Riverman), who produced G1 Prix du Jockey Club-winning sire Anabaa Blue (GB) (Anabaa), is a half-sister to storied blue hen Urban Sea (Miswaki).
