

'INCREDIBLY POSITIVE' VIBE: KEENELAND SEPTEMBER SALE STARTS MONDAY

by Jessica Martini

LEXINGTON, KY - The Keeneland September Yearling Sale, which produced gangbuster results in 2022, returns for its 2023 renewal Monday in Lexington. Perennially a bellwether of the industry's sales market, the 12-day auction opens with a pair of elite Book 1 sessions beginning at 1 p.m. and, with the Keeneland barns awash with activity Sunday, both sales officials and consignors were heading into the sale with plenty of optimism.

"The traffic has been incredibly positive," said Keeneland Vice President of Sales Tony Lacy. "There are quite a few buyers here. It's probably as positive as I've seen it since pre-COVID. The feedback that we are getting is that it's a very good group of horses. The buyers are very satisfied. The sellers are very positive about the feedback they are getting on the stock they have here overall. So, in general, I am cautiously optimistic."

Standing outside his Candy Meadows Sales consignment at Barn 11, Matt Lyons smiled when asked about his expectations for the week.

'RISING STAR' PRINCE OF MONACO GAME IN FUTURITY VICTORY

by Stefanie Grimm

If the last 24 hours have given us anything to judge by, the future of racing on the **West Coast** seems to be in safe hands.

Just one day after 'TDN Rising Star' Tamara (Bolt d'Oro) asserted herself atop her division in the GI FanDuel Racing Del Mar Debutante S., fellow 'Rising Star' Prince of Monaco (**Speightstown**) followed suit with a game performance to give trainer Bob Baffert his 17th win in the GI **Runhappy** Del Mar Futurity.

The colt's victory Sunday came as absolutely no surprise. An eight-length debut winner at Los Alamitos, the \$950,000 Fasig-Tipton New York Saratoga Select grad parlayed that right into an equally impressive route when defeating another 'Rising Star' in Muth (**Good Magic**) to take the GIII Best Pal S. **Cont. Keeneland Cont. From Pg. 1

"I suppose we are eternally hopeful as consignors, aren't we?" Lyons said. "Traffic has been pretty good so far. And we are seeing all of the main players and the main syndicates that people are expecting to see. There are quite a few groups from Japan, it looks like, on the grounds and they are looking hard. So we are hopeful."

The 2023 Keeneland September sale has a tough act to follow. Last year's auction surpassed \$400-million in gross sales for the first time in its history, while also setting records for average and median for the second year in a row. A year ago 2,847 yearlings grossed \$405,495,700--to better the previous record set in 2006--for an average of \$142,429 and a median of \$70,000.

"The market has been good, we've had a bull run for the last 15 years, so I don't expect any dramatic changes," said Brad

Weisbord, whose Elite Sales makes its Keeneland September debut this week. "The colts groups seems to have their money together, so they will probably be the high end. The middle market has struggled for a couple of years. The pinhookers have been strong. They made money the last couple of years--which is nice to see--so I don't expect many changes. But we will know at the end of the sale. This sale determines what the yearling market is throughout the whole year, so at the end of this marathon we will really understand how the market is."

While Sheikh Mohammed's Godolphin and his late brother Sheikh Hamdan dominated the top of the Keeneland September market for many years, the decreased participation of those two Dubai-based entities in the

last three years has been largely filled by American-based partnerships focused mainly on purchasing colts with Classic potential. **Cont.**

Leading the way in the last two years was the team of Mike Repole and Vinnie Viola, who purchased 31 yearlings for \$12,840,000 in 2022. Repole is expected once again to be on site during the first four days of the Keeneland sale as his agent Jacob West and advisor Eddie Rosen were on the grounds Sunday. Chasing them for the leading buyer title last year was the stallion-making partnership of SF Racing, Starlight Racing and Madaket Stables, as well as BSW/Crow Colts Group.

The Keeneland September sale annually attracts buyers from around the world and the buying bench's international flavor should be strong in the coming week, according to Lacy.

"We have been very pleased with the support we have been getting from the international market and especially Japan," Lacy said. "We have had more Japanese visitors this week and they are staying longer. I think they are finding that we have certain sire lines and pedigrees that have worked internationally for them. We are becoming more affordable and very relevant for their program."

Among the Japanese shoppers on the sales grounds Sunday was Hideyuki Mori, whose five yearling purchases a year ago were led by a \$1.2-million son of **Curlin**.

Tony Lacy | Keeneland photo

The international buying bench is also strengthened by new overseas opportunities like the Goffs Dubai Breeze-Up Sale, which was topped this past March by a son of **Gun Runner** who sold for \$583,520 after bringing \$160,000 at last year's Keeneland September sale.

"The Dubai sale that Goffs run in the spring every year has proven to be a very profitable endeavor for a lot of the pinhookers from Europe coming over here to source stock," Lacy said. "That has really been a great addition to the diversity of what people are looking for."

Lacy continued, "We have Australians here, I think we will have a lot of South Americans here and people from all over the

world. From the Middle East, we have buyers from Saudi Arabia, Qatar, Bahrain and Dubai. We've put a lot of work travelling around the world over the last couple of years to reach out to our clients at every stage and provide a level of customer service that they would expect anywhere else. Those efforts have started to pay off as we start to look at the diversity through the sales grounds and the excitement about the quality of stock that the U.S. is producing, which is really encouraging."

Shadwell Farm, which had long been one of the leading buyers at the Keeneland September sale before the death of its founder Sheikh Hamdan al Maktoum in 2021, made four purchases last year and could be a resurgent presence at this year's auction. Sheikha Hissa, now at the helm of her late father's operation, was at the Keeneland sales grounds Sunday.

"Sheikha Hissa came for Malathaat's race in the Doubledogdare S. last year," Lacy said. "So she got the experience of coming here. She very much wants to have the same experience that her dad did, so we've been working diligently so that we have the same people working with her as worked with her dad."

Keeneland has settled into a format for its September sale, which for the third year features Book 1 sessions Monday and Tuesday with 383 yearlings, followed by Book 2 sessions Wednesday and Thursday with 728 yearlings a before a dark day Friday. **Cont.**

“[This format] allows the higher-end buyers to be able to look at these horses in a relaxed manner without being rushed and also have the opportunity to go and look at Book 2 horses before the first horse walks through the ring,” Lacy explained. “So there is good idea of what the quality is out there. We put a lot of effort into making sure we have good physicals up front that have pedigree, that have commercial appeal, knowing what the marketplace is looking for.”

He continued, “I see this year people are in a more relaxed mode and they are able to give these horses the consideration that they deserve and I think they feel comfortable with that.”

Following its Book 1 and 2 sections, Keeneland will hope for demand to continue into what has seemed to be a weakening middle market.

“I think, looking at the yearling sales that have already happened this year, you have to be positive that [demand] will carry through to at least the middle of the sale,” Lacy said. “I think it could carry through right to the end.”

After buying in a bullish yearling sale a year ago, pinhookers faced a tougher market to sell in this spring, but Weisbord expects they will still be a strong presence at Keeneland.

“Listen, that's their business,” Weisbord said. “They buy yearlings to sell 2-year-olds. So I expect them to be strong from \$75,000 to \$275,000.”

“After that, it becomes a very difficult pinhook, but I think that market for them will still be strong.”

The Keeneland September Book 1 sessions Monday and Tuesday will begin at 1 p.m. Book 2 sessions Wednesday and Thursday begin at 11 a.m. Following Friday's dark day, the auction continues through Sept. 23 with sessions beginning daily at 10 a.m.

Del Mar Futurity Cont. From Pg. 1

Stretching out to his furthest distance to date at seven furlongs Sunday, Prince of Monaco drew inside and came away evenly only to be outsprinted by stablemate **Mirahmadi** (Into Mischief) through the opening furlong. Keen to go on with it under Del Mar's leading rider Juan Hernandez, Mirahmadi led comfortably as Prince of Monaco rated nicely inside a pair of rivals through a :22.18 opening quarter. Inside of a bunched up field in which half the entries were trained by Baffert, the heavy 1-9 chalk began to cruise up into the far turn and enjoyed a ground-saving trip in second before tipping out past a :44.75 half mile to engage his stablemate. The pair set off in a duel inside the final eighth but class eventually prevailed with Prince of Monaco getting the upper hand close to home to win with Mirahmadi not far behind. **Cont.**

His latest big wins came with this year's Pegasus World Cup and Stephen Foster heroes.

In fact, only Into Mischief, Curlin and Uncle Mo have sired more 2023 G1 winners. Just imagine.

"He broke well and I thought I was going to go to the lead," said winning jockey Flavien Prat. "But other horses went for it, so we waited. On the turn, he made his move and we made the lead. His teammate (Mirahmadi) was trying hard. But I think my horse was just waiting for something to come up to him. That didn't happen. Can he run on? We won't know until it happens, but he's done everything right so far."

"It was the right kind of trip we were looking for," added

Jimmy Barnes, assistant to Bob Baffert. "We weren't sure about Mirahmadi, where he was going to be placed in the race, but he left there running. (Flavien) Prat just got comfortable on the inside and when he needed to get to the outside he did and he accelerated. I'm very proud of both of them."

Pedigree Note:

Picked up out of the aforementioned Fasig-Tipton Saratoga Select Sale, Prince of Monaco is the first winner out of two to race from the dam. Out of unraced Rainier, the Mar. 26 foal is a grandson of MSW Clay's Rocket (American Chance), a half-sister to GI Frizette winner Adieu (El Corredor). His 7-year-old dam is also responsible for a **Munnings** filly from last year who sells at Keeneland September next week (**hip 1026**), followed by a **Constitution** filly this term. She was bred back to **Speightstown** for a full-sibling next year.

ENDLESSLY STAYS PERFECT IN JUVENILE TURF ROMP

In a battle of two touted maiden winners, it was **ENDLESSLY (Oscar Performance)** who got the final say in Sunday's GIII Del Mar Juvenile Turf S.

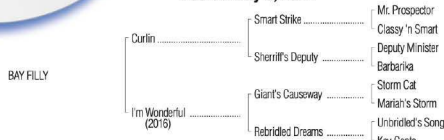

Lined up opposite **'TDN Rising Star' Boltage** (Bolt d'Oro), the 5-2 second choice kept to what he knew after a winning debut over this same distance earlier in the meet July 30. Also facing two of his stablemates in this spot, Endlessly broke with the pack but was quickly outrun passing the wire the first time by. A keen **Des Doigts** (Hootenanny), chased intently by both **Bear River (Flameaway)** and Boltage, blitzed into the first turn through an opening quarter in :22.71. Bear River went on with it to take command up the backstretch as Endlessly checked in near the rear of the field. The top three began to come back to them as Boltage made an early move past a :46.61 half mile and Endlessly followed suit to pick up positions outside of horses.

Three across the track at the quarter pole, Boltage tried to make a race of it but the Mike McCarthy trainee went right on by, opening up inside the final sixteenth to win going away.

"I had a good trip," said winning jockey Juan Hernandez, also aboard for the maiden win. "Mike (trainer Mike McCarthy) told me the horse had really been training well. When you hear that, you don't get nervous out there if you get in a little trouble."

"You know the horse is going to run strong. My horse did that today. I was tracking the favorite (Boltage) and when I got by him I knew I was in good shape."

"The horse had drawn a little bit outside today and I told Juan (Hernandez) just go ahead and bounce out of there and hopefully not get yourself stuck too far out in the middle of the racetrack around the first turn," added McCarthy. "The horse was attentive to him and he put himself in a great spot. He looked like he was always traveling comfortably. It did look like Juan took it to him a little early. It just seemed like he couldn't wait any longer and he was able to finish off nicely."

LARGE FIELDS, QUALITY RACING MARK SUCCESSFUL DEL MAR MEET

Del Mar marked eight weeks of increased field sizes and high-quality racing that ended Sunday.

"Overall, just a tremendous summer of quality racing," Racing Secretary David Jerkens says. "Especially Pacific Classic Day. You look back and see how strong of a card that was. I think some of the winners and horses that ran well on that card have bright futures for the Breeders' Cup."

The talk around the racing industry is the field sizes again this year at Del Mar.

"It was a robust number that I think any track in the country would kill for," Jerkens says. "We knew last year would be difficult to match but we are very close to what we had last year. I think two years in a row, when you're over or hovering around nine runners a race, that's a pretty strong accomplishment."

The average field size for the dirt races at Del Mar this summer was 8.47 and for the turf races it was 9.50. Stake races had an AFS of 8.56.

"We had a strong product throughout," Jerkens notes. "We did have the (one day) weather cancellation but we made up all those races that were canceled."

Tropical Storm Hilary was the only hiccup all summer. The storm prompted horse evacuations, canceled racing Aug. 20 and eventually dumped two inches of rain on the backside. But from all reports afterward, what little flooding there was in the stable area had no impact on the horses and things were back to normal in just a couple of days.

The "Ship & Win" program was a success once again this summer, contributing to the large field sizes.

"The results were pretty much what we expected," Jerkens says. "I think we were 14% off the number of starters from last year but that was another expectation we had to curtail a bit because we knew, in reality, it would be hard to match. We may still end up with our second most Ship & Win' runners."

Heading into the final weekend, 171 "Ship & Win" starters debuted at Del Mar this summer. Twenty three made it to the winner's circle, six last week.

"You can do all these different programs," Jerkens concedes, "but all that means nothing unless you get the support in the entry box. That's what we had from our horsemen once again."

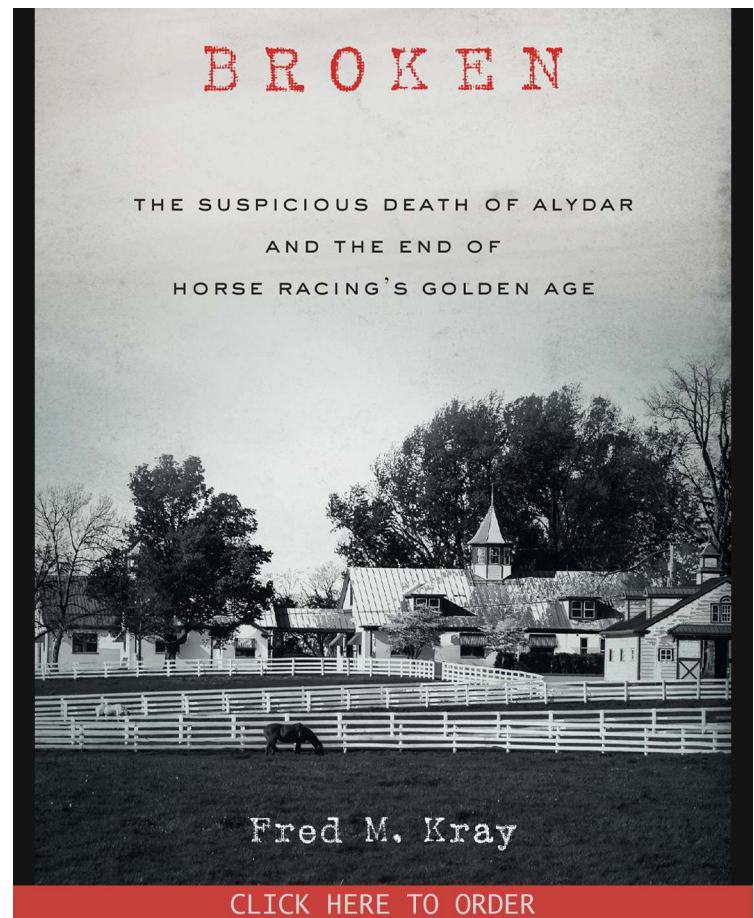

So, now we look ahead to the fall meet, something Jerkens has already started planning.

"Hopefully we'll have our stakes schedule released in the upcoming weeks," Jerkens says. "We're starting to plant seeds for the fall. Generally, if the weather cooperates and we're able to run on the grass we'll have a successful meet. Last year everything went well, knock on wood. We were fortunate in terms of the weather. We had really strong fields our last two weekends and expectations are for more of the same, but a lot is dependent on the rain."

The four-week Bing Crosby meet kicks off the week after the Breeders' Cup, November 10.

For Jerkens, the end of the summer meet is the end of a very long process that actually goes year round.

"Absolutely," Jerkens says. "You hear from more people across the country than normal about them taking notice of what Del

Mar had to offer this summer. I think we had the strongest day-to-day race product around this summer."

"My staff worked really hard," Jerkens continues. "There's a lot of planning that goes into it. You don't just show up Opening Day and here it is. But again, so many owners and trainers really want to be part of Del Mar and they provided tremendous support this summer."

DEBUTANTE WINNER TAMARA EYES BREEDERS' CUP

Tamara | Benoit Photo

'TDN Rising Star' Tamara (Bolt d'oro) was resting comfortably in her stall Sunday morning, the day after capturing the GI FanDuel Racing Del Mar Debutante S.

The daughter of Hall of Famer Beholder sat closer to the pace than in her maiden victory. When jockey Mike Smith asked her,

Tamara breezed past the pacesetter, opened up by the top of the lane and cruised home much the best.

The comments afterward told it all.

"It gave me chills," winning trainer Richard Mandella remarked.

"I've been here in California for four years," jockey Umberto Rispoli said as he came off the track following his seventh-place finish in the race. "I have never seen anything like that."

"You don't often see the offspring of a great mare run anywhere close to what they did," jockey Mike Smith told FanDuel. "But she's an exception to the rule."

They were talking about the daughter of Bolt d'Oro on the backstretch Sunday morning.

"It was outstanding," trainer Peter Miller remarked. "She looked like her mother."

Mandella says Tamara came out of the race fine. In regards to a Breeders' Cup prep, he says they would play it by ear.

"There's a chance we might run her in the GI Chandelier S. Oct. 7 at Santa Anita," Mandella says. "If it looks like she needs to run again, then we'll run her there. If not we'll point her straight to the Breeders' Cup. But so far she looks great."

MONMOUTH MEET ENDS WITH THIRD STRAIGHT YEAR OF AVERAGE HANDLE INCREASE

Monmouth Park continued an upward trend by showing an increase in average total handle and average on-track handle for the third straight year as the 51-day meet came to a close Sunday. Paco Lopez claimed his 10th riding title and Claudio Gonzalez was the leading trainer for the second straight summer.

The average total handle was \$4,032,648 this year, an 11.4 percent increase over last year's average of \$3,620,719.

The on-track handle rose 15 percent to \$340,257 compared to the 2022 average of \$295,896.

In addition, the average field size of 7.71 was the largest since 2015.

Monmouth Park | Sarah Andrew

"We are grateful to our fans, horsemen, stakeholders and especially Governor Murphy and the entire state legislature," said Dennis Drazin, chairman and CEO of Darby Development LLC, operators of Monmouth Park. "To see our across-the-board

numbers, year after year, continue to show large increases is a direct result of the purse supplement, the hard work of all our employees, and of course, the racing fans.

"We have witnessed a continued growth of not just the breeding program in New Jersey, but an overall attraction by nationwide horsemen to ensure Monmouth Park is on their summer calendar.

"Not only has the racing office done an amazing job working with our horsemen and ensuring the best possible product to the

racing fans, but the same can be said for all our employees.

From group sales to admissions, from mutuels to marketing, and of course operations and accounting." **Cont.**

WHAT'S IN A NAME? KENWICK, JUST F Y I, GORDIAN KNOT, PRAETORIAN GUARD

by Andrea Branchini

The promising 2-year-old filly **Kenwick** (Bernardini) may have won in Pennsylvania, but her pedigree shouts Lexington KY from the very rooftops of two local neighborhoods. Kenwick is a central residential area of the city, while Bell Court, as in the dam's name, is an almost adjacent zone, closer to downtown. Both areas have an Old America feel to them: nothing fake, nothing too gentrified, just authentic, with a touch of Thornton Wilder's "Our Town" ambiance. There is in fact a small theatre in the Bell House in Bell Court: the lovely Carriage House Theatre. Lexington visitors! The "Kenwick Table" locale on Owsley Road in Kenwick is the best for the weary traveler: coffee, live music (with an open mike on Monday evenings), beer & wine on the menu, two patios, out-of-this-world elegance – in a word: cool, like its equine namesake, who "got through a razor-thin hole" on the rail to go and win her race.

KENWICK (f, 2, Bernardini--Bell Court, by **Street Sense)**
O/B-Godolphin LLC (KY); T-Eoin G Harty.

The name of Saratoga winning filly **Just F Y I (Justify)** is a sort of an anagram (rearrangement of letters to form another name) of the moniker of her dad - which is kind of unusual and brave, and therefore worthy of praise. She won on her debut, so novelty and quality are part of her repertoire.

There was horseracing in antiquity, and there is antiquity in modern horseracing. So much so that a recent sprint stakes race at Parx Racing Aug. 22 produced a very classical exacta, with a close finish. The winner is called **Gordian Knot** (Social Inclusion), as in the famous head-scratching problem solved by Alexander The Great with a dramatic blow of his sword on his way to conquering Asia. DELAWARE RACING CONNECTIONS MAKE PDJF DONATION

Delaware Park Casino & Racing, the Delaware Thoroughbred Horsemen's Association, the Delaware Jockeys Health and Welfare Benefit Fund and the Delaware Park Jockeys Association teamed up Saturday to donate \$20,000 to the Permanently Disabled Jockeys Fund.

The check was presented after the tenth race at Delaware Park Saturday. Over the course of the live racing season, each jockey donates a dollar from each mount fee and Delaware Park Casino & Racing, the Delaware Thoroughbred Horsemen's Association and the Delaware Jockeys Health and Welfare Benefit Fund each match the dollar. The total amount is then donated at the end of the season.

"Delaware Park has been fortunate to have an exceptional jockey colony for years, not only as riders, but as leaders," said Ed J. Stegemeier, the Chairman of the Delaware Jockeys Health and Welfare Fund Board and Secretary of the Delaware Thoroughbred Racing Commission. "We could not be happier today to come together for this presentation. I am particularly honored with the method of having all the groups coming together to make this important contribution possible."

Aspenite | Coady

Aspenite went into the Kentucky Downs Juvenile Mile S. a maiden and came out a stakes winner The colt, a \$375,000 Keeneland September purchase for Winchell Thoroughbreds, broke with running on his mind and went straight to the front, but had company through the :22.59 first quarter. He got a little breather prior to setting the :45.25 half, all the while holding firm to his rail spot. Kicking clear in the lane, Aspenite swapped to his wrong lead for much of the stretch but wasn't for catching and finished 3 1/4 lengths clear of Tough Little Nut, who had closed from several lengths back.

Second just 10 days ago by a half-length when caught late going six furlongs over this course, Aspenite's only other previous start resulted in a fourth in an off-the-turf maiden Aug. 5 at Saratoga.

"He was nominated [to the stakes] because of the possibility [of running back after the earlier Kentucky Downs start]," explained winning trainer Steve Asmussen. "He's a horse with a nice level of ability. Not exactly surprised he got a little lost [when he had a clear lead] the first time here. He sees everything. It's just kind of how he is. But he benefitted from the experience and cashed in on a very good day."

Bred by Glen Hill Farm in Kentucky, Aspenite is out of a half-sister to MGSW & MGISP Keertana (Johar), MGSW & GISP Snow Top Mountain (Najran), and GSW Diversy Harbor (Curlin). Aspening has a yearling colt by **Medaglia d'Oro**, who is entered Wednesday as **hip 437** in the Keeneland September sale, and an Apr. 3 colt by **War of Will**. She was bred back to **War Front**.

Austere, never far from the lead, powered home to an easy three-length victory in the Global Tote Juvenile Fillies S. at Kentucky Downs Sunday. The dark bay filly settled in third and was within striking distance racing up the hill. Waiting for racing room nearing the stretch, she tipped out three wide at the top of the lane and reeled in pacesetter Bella Haze with a furlong to run and drew clear to the wire. Bella Haze held on to second as Latte Lizzie and Kodiak Wintergreen (Ire) (Kodiak {GB}) closed in tandem. "It was not a surprise at all," winning trainer Brendan Walsh said of Austere's effort. "She'd been working great. We think she has lots of talent. It was great to go there and win. It looks like she's going to a nice filly going forward."

Austere was cutting back to a mile after breaking her maiden going 1 1/16 miles over the Ellis Park lawn in her Aug. 13 debut.

Asked if a tilt at the GI Breeders' Cup Juv Fillies Turf would be next for Austere, Walsh said, "You'd have to after today. She's two for two now. So we'll see how she comes out of it and go from there. But she's done nothing wrong so far." **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

MR MCGREGOR (c, 3, Into Mischief--Sweet Bliss {GSP}, by Street Cry {Ire}) hit the board in his first three starts of 2023, including a second-place effort most recently going 8 1/2 panels at Churchill June 2. Fourth cutting back to seven furlongs at Ellis July 2, the Wygod homebred was sent off the 5-2 favorite in this turf bow. Close up to respectable early splits, the bay had his head in front in upper stretch and held closer Weyhill Road (**Quality Road**) at bay by 1 1/2 lengths at the wire. The bay colt was last seen running seventh in Woodbine's Soar Free S. Aug. 20. He fought back from the inside, spurred clear coming off the turn, and swapped to his wrong lead during his solo stretch drive. Jokestar (**Practical Joke**) was best of the rest while two lengths behind the winner. Piper's Factor's only previous start was an off-the-board finish going six furlongs on this surface July 30. MIRINDA (f, 2, Mitole--Whim, by More Than Ready) became the 12th winner for her freshman sire (by Eskendereya) with this sharp debut score. The dark bay emerged from the early fray in front, set sizzling fractions of :21.88 and :45.20, and wowed with a daylight score as Mike Smith sat motionless aboard and no one challenged. It was 6 1/2 lengths back to Safa (Grazen) in second. The even-money choice, Mirinda had been working well over the surface, including a :59 five-furlong bullet (1/142) Aug. 19. She had fetched the fourth-highest price (\$190,000) at last year's Fasig-Tipton California Fall sale when purchased by trainer Gary Mandella on behalf of Tom Nichols. Mirinda's dam was a \$40,000 purchase with this filly in utero at the 2020 Keeneland November sale by Richard Barton Enterprises. SANDY BOTTOM (f, 2, Omaha Beach--Starlit Daydream, by Can the Man) went off the 3-1 second choice following a string of sharp morning moves, including the latest a bullet :46.80 (1/92) drill at Del Mar Sept. 3. Losing a step or two after bumping at the start, the filly was soon hustled to the front, carving out a :21.92 opening quarter. Stilling running strong turning for home, Sandy Bottom had enough left in reserve to hold off Blisterinthesun (Mitole) by a half length. Third-place finisher Ur In Trouble (Maximus Mischief) rounded out the trifecta for Spendthrift's sire roster. Sandy Bottom is the first foal produced by Starlit Daydream, who saw her career curtailed by injury after making only two starts for trainer Todd Pletcher and Spendthrift Farm and the Empire Racing Club. Bred to Omaha Beach during the stallion's first season at Spendthrift, the half-sister to GSW Gas Station Sushi (Into Mischief) was barren last season but produced a colt by Cloud Computing this term. 4,000TH WINNER FOR O'BRIEN AS HENRY LONGFELLOW DEPUTISES FOR CITY OF TROY IN THE NATIONAL

Henry Longfellow and Ryan Moore combined to give Aidan O'Brien his 4,000th winner | [Racingphotos.com](https://www.racingphotos.com)

by Tom Frary

As much as Sunday's G1 Goffs Vincent O'Brien National S. was about the withdrawal of City Of Troy (**Justify**) and the impressive winning performance of fellow **TDN Rising Star Henry Longfellow (Ire)** (Dubawi {Ire}--Minding {Ire}, by Galileo {Ire}), it was testament to Irish racing's totemic figure Aidan O'Brien who marked the occasion with a 4,000th training career success. Who else could pull a colt of the quality of the freakish G2 Superlative S. winner from such an important status event and still win it by five lengths, burying an impressive G1 Phoenix S. scorer in the process? The answer is why at just after 4 p.m. on Sunday we were reflecting on such a remarkable landmark statistic.

City Of Troy's participation was decided as soon as the stable's Ylang Ylang (GB) (**Frankel** {GB}) trailed in last in the preceding G1 Moyglare Stud S., in turn issuing her own damning verdict on the state of the rain-affected ground. [Cont. p3](#)

FALLEN ANGEL PROVIDES TOO DARN HOT WITH LANDMARK WIN IN THE MOYGLARE

by Tom Frary

Kicking off a big Irish Champions Festival Sunday at The Curragh for Dubawi (Ire), **Fallen Angel (GB)** (Too Darn Hot {GB}--Agnes Stewart {Ire}, by Lawman {Fr}) provided the Darley giant's first-season sire son with a first Group 1 winner as she domineered a competitive renewal of the Moyglare Stud S., a "Win and You're In" for the G1 Breeders' Cup Juvenile Fillies Turf. Impressive in the G3 Sweet Solera S. over this seven-furlong trip at Newmarket last month, the homebred of Steve Parkin's Clipper Logistics was instantly towards the fore with Danny Tudhope keen to press the keen-running **TDN Rising Star Ylang Ylang (GB)** (**Frankel** {GB}) on the front end.

G1 National S. Cont. from p1

Losing such an attractive proposition from a fixture of this nature would normally have been a dampening experience to say the least, but Henry

Longfellow is some deputy having won the course-and-distance G2 Futurity S. last month and the money spoke as he upstaged **Bucanero Fuerte (GB) (Wootton Bassett {GB})** in the market as the 10-11 favourite for the race his sire won in 2004.

Cuban Thunder (Ire) (Profitable {Ire}) was acting as pacemaker for Bucanero Fuerte, but instead lit up his stablemate by chasing him for a few precious moments after the break until getting to the front. While Gary Halpin made sure the pace was unforgiving, Ryan Moore always looked happier than Kevin Stott setting true seven-furlong fractions as the Phoenix hero revved too high. Even before the two-furlong marker, the writing was on the wall and Henry Longfellow came into his own from there to inflict a greater defeat on **Islandsinthestream (Ire) (Wootton**

Bassett {GB}) than he had in the Futurity. Bucanero Fuerte was a spent force at the line, beaten another 7 1/2 lengths in third.

This was as fitting a race to mark O'Brien's achievement, being the country's premier juvenile contest named in honour of his

illustrious predecessor at Ballydoyle and the scene of his first Group 1 success via Desert King (Ire) in 1996. Thirty years on from his first runner and winner Wandering Thoughts (Ire) at Tralee, the trainer was typically keen to deflect praise to the team around him and happier to discuss his 12th winner of one of the races in which he still trails Vincent O'Brien, who had 15 of these throughout his esteemed

career.

"It's pure teamwork all the way and hard to believe," he said. "I'm so grateful to so many people--incredible. Great people, great horses and great teamwork. This horse's pedigree is second to none. Minding was the best mare we ever trained and this was the best out-cross that she could go to," he said.

O'Brien added, "He travels and he quickens and that is very difficult for other horses to handle. His mam won over a mile, a mile and a quarter and a mile and a half and handled the ground no problem and he's got a lot of her and his dad in him, so he looks a very special horse."

"The plan was originally to run him in the Dewhurst, but Ryan said it was closer to soft than good-to-yielding and we promised ourselves we wouldn't run City Of Troy on soft ground," he added. "City Of Troy hadn't run for a good while and was going to improve from the run. Sometimes in that ground they can have a hard time. He would die on his feet for you today and we didn't want to do that to him once the ground turned. Henry Longfellow ran last month with an ease and had no problem with it. He's fast and looks a miler and I don't know how much further he'll stay. We'll look at the Dewhurst for City Of Troy now."

Pedigree Notes

Becoming the 55th Group 1 winner for his sire, whose son Too Darn Hot (GB) sired his first on the card, Henry Longfellow is the second foal and first runner for the aforementioned seven-times Group 1-winning phenomenon Minding whose successes included the Oaks, 1000 Guineas and Queen Elizabeth II S. Her dam Lillie Langtry (Ire) (Daneshill Dancer {Ire}), who proved another big mover and shaker for this stable by winning the G1 Coronation S. and G1 Matron S., produced only Galileos for Coolmore and to great effect.

They included another Oaks winner in Tuesday (Ire), who went on to glory in the GI Breeders' Cup Filly and Mare Turf, and a G1 Irish 1000 Guineas heroine in Empress Josephine (Ire), as well as the G3 Derrinstown Stud 1000 Guineas Trial winner Kissed by Angels (Ire). From the family of the sires Great Commotion and Lead On Time, Minding also has a yearling full-sister to Henry Longfellow and a filly foal by **Wootton Bassett (GB)**. She has been bred to **Gun Runner** for 2024.

CHALLENGE SERIES WIN AND YOU'RE IN.™

G1 Moyglare Stud S. Cont. from p1

Taking the measure of that 6-5 favourite two out, the Karl Burke-trained 9-2 shot had the G2 Debutante S. winner **Vespertilio (Fr)** (Night Of Thunder {Ire}) to deal with from there and despite being briefly headed inside the final furlong surged away late to score by 1 1/4 lengths. Vespertilio was in turn 4 1/2 lengths ahead of the dead-heating **Porta Fortuna (Ire)** (Caravaggio) and **Ornellaia (GB)** (Night Of Thunder {Ire}) in third.

Parkin, who had also won Saturday's G2 Solonaway S. with the same trainer and jockey's Flight Plan (GB) (Night Of Thunder {Ire}), revealed that the success had extra resonance. "The mother was my favourite mare and we lost her to colic--that's her last foal and she is the spitting image of her, so emotional is an understatement," he said. "My daughter names all our horses and after the death of the dam she called her Fallen Angel. To win the Moyglare S. is unbelievable--the greatest thrill I've had in my life I think."

Fallen Angel's sole defeat had come at the hands of the unbeaten Shuwari (Ire) (New Bay {GB}) in Sandown's Listed Star S. in July, with wins at Haydock on debut and in the Sweet Solera either side. This was a new level for the grey, who is going nowhere according to her owner-breeder. "When you breed

your own, there is some extra buzz about it and she'll be at the farm for 20 years now, god willing. There will be no offers for her. She'll go [to] the Guineas with a fair chance and it's a massive thrill. Danny blamed himself for getting beaten at Sandown and thought he should have made more use of her, so we weren't going to make that mistake again today. She's going to be a better 3-year-old than 2-year-old and she's bred to get 10, but my idea is to put her away and bring her back for the Guineas." **Cont. p6**

CURRAGH GROUP 1 DOUBLE FOR DUBAWI AS ELDAR ELDAROV TAKES THE IRISH LEGER

by Tom Frary

Connections of **Kyprios (Ire)** (Galileo {Ire}) can be satisfied that Sunday's G1 Irish St Leger went by without drama, but the glory was with KHK Racing's **TDN Rising Star Eldar Eldarov (GB)** (Dubawi {Ire}--All At Sea {GB}, by **Sea The Stars {Ire}**) as he returned to form to provide his sire with a Group 1 double on the Curragh's star-studded card. Putting a largely underwhelming summer behind him, having been seventh in the G1 Gold Cup and fourth in the G1 Goodwood Cup, the 16-5 second favourite enjoyed a perfect tow from **Yashin (Ire)** (**Churchill {Ire}**) until taking over approaching two out.

With the 4-6 favourite Kyprios in pursuit, the Roger Varian-trained G1 St Leger hero had to keep it up but he kept answering David Egan to beat the Ballydoyle star by 3 1/2 lengths, with **Dawn Rising (Ire)** (Galileo {Ire}) 2 3/4 lengths away in third. The field had been cut to four following the withdrawal of Emily Dickinson (Ire) (Dubawi {Ire}), but what this renewal lost in numbers it made up for in terms of quality with the market confidence in Kyprios notable.

For Egan, the win was especially important given his connection to the area.

VALUE

DURABILITY

SUCCESS

"I had my first Classic winner last year, but to do it where I grew up at Osborne Lodge, which is at the five-furlong pole, means a lot," he said. "It's what dreams are made of and for all the team connected with the horse. My first main job was riding out for Willie McCreery, who I saw today, and he was a great man to learn from and gave me a lot of experience and taught me a lot. He has a tendency to miss the break, but the race went so smooth, he was a race-fit horse today and was as tough as nails."

Eldar Eldarov, who had earned TDN Rising Star status on his debut at Nottingham in October 2021, also won the G2 Queen's Vase last June but with three of his four outings after the St Leger seeing him finish out of the frame there were the beginnings of doubts as to whether he was going the wrong way. Varian was relieved, but unwilling to accept that he had been disappointing this year.

"He's run some great races in defeat this year and it's nice to win two Legers," he said. "He's entered up in France on Arc weekend and there is the two-mile race at Ascot. He seems to be really best at a mile and six furlongs, but there aren't too many of those races around. He deserves to run one more time this year and it's most likely Ascot." **Cont. p8**

G1 Irish St Leger Cont.

Aidan O'Brien said of Kyprios, "A lot of people have done a lot of work to get him to here--all of the vets have done incredible work to get him back. We didn't think we would ever see this day, so to have him back and be happy and for Ryan to be happy is something. He's going to come on a lot and Ascot looks lovely for him. He will have a nice bit of time before now and then and will love going round there. It would be great to see him come back to what he was and this was a great comeback run."

Putting the icing on the cake for Dubawi on the afternoon, Eldar Eldarov hails from a family of Kirsten Rausing's finest performers. Out of the Listed Prix de Liancourt winner All At Sea, whose first foal was the listed-placed A La Voile (GB) (Invincible Spirit {Ire}) and fourth is this year's G3 Gallinule S. third Kingswood (GB) (Roaring Lion). The second dam is the three-times Group 1-winning Albanova (GB) (Alzao), responsible for the G3 Dubai Duty Free Legacy Cup winner Algometer (GB) (Archipenko), the Listed Stand Cup S. scorer Alignak (GB) by **Sea The Stars**'s son Sea The Moon (Ger) and the listed winner Alwilda (GB) (Hernando {Fr}).

Alwilda has made her name by producing the six-times group 1-winning Prix de l'Arc de Triomphe heroine Alpinista (GB)

(**Frankel {GB}**), while the listed-winning third dam Alouette (GB) (Darshaan {GB}) also produced Albanova's dual G1 Champion S.-winning full-sister Alborada (GB) whose descendants include the G2 City of York S. winner Shine So Bright (GB) (**Oasis Dream {GB}**) and the G1 British Champions Fillies & Mares S. and G1 Yorkshire Oaks runner-up Albaflora (GB) (Muhaarar {GB}).

All At Sea is also connected to the G1 Prix Royal-Oak heroine Allegretto (Ire) (Galileo {Ire}), Alzao's G2 Nassau S. winner Last Second (Ire) who is in turn the dam of the G1 Poule d'Essai des Poulians-winning sire Aussie Rules, as well as the pair of Sadler's Wells Group 1 winners Yesterday (Ire) and Quarter Moon (Ire). Her unraced 2-year-old filly by Study of Man (Ire) is named A La Belle Etoile (Ire), she has a yearling colt by Lope De Vega (Ire) bought as a foal for 300,000gns by Brooklyn Bloodstock at Tatts December who is due to sell at next month's Tatts Book 1 Sale, and a filly foal again by Study Of Man.

GALILEO'S WARM HEART ALL HEART IN THE VERMEILLE by Sean Cronin

Coolmore and Westerberg's G2 Ribblesdale S. victrix **Warm Heart (Ire)** (Galileo {Ire}--Sea Siren {Aus}, by Fastnet Rock {Aus}) was defiant when battling to a career high in last month's G1 Yorkshire Oaks and displayed her fighting qualities once again to garner Sunday's G1 Qatar Prix Vermeille at ParisLongchamp.

As she had done on the Knavesmire, Warm Heart settled into a smooth rhythm racing off the pace in fourth, having broken from the stalls with her nose shaving the turf here. Making relentless headway under pressure in the straight, the 3-1 second favourite was driven along to launch her challenge passing the furlong pole and stayed on well under whipless rousting in the dying embers to withstand the persistent threat of G2 Prix de Pomone victrix **Melo Melo (GB)** (Gleneagles {Ire}) by a short-neck. Yorkshire Oaks fifth **Sea Silk Road (Ire)** (Sea The Stars {Ire}) ran on to finish 1 3/4 lengths adrift in third for her first placing at the highest level.

Warm Heart and James Doyle (left) combine to take their second Group 1 | Scoop Dyga

"The race was a bit of a trappy contest," explained winning rider James Doyle. "She exits the gates very well, but she slipped today and lost her action for a few strides, so I found myself a bit fenced-in and further back than I would have liked. They didn't go very fast and I was worried during the race, but she showed a lot of determination to come out on top. She doesn't really stop once in the lead, but tends to idle a bit and wait for the others, which is what she did in the Yorkshire Oaks and what she did again today.

"As for the Arc, her connections will decide. My feeling is that she needs good ground, being a light-actioned sort, and the going is therefore important in this regard. We've already seen editions of the Arc being run on fast ground, it can happen, but it's not common either."

Francis-Henri Graffard, trainer of runner-up Melo Melo, added, "Melo Melo was conceding weight to the winner today, but we came up against a filly who was really a tough cookie. Looking to the future, she'll be better suited by much softer tracks. In any case, I think she delivered a great performance."

Sea Silk Road's rider Tom Marquand expressed satisfaction with the run of his filly and commented, "She's a super filly and I'm very pleased with her performance. She had run a little freely in the Yorkshire Oaks and, one day, she'll win her Group 1 race when conditions come right for her. She's a classy filly."

Reflecting on a long season and looking forward to another, Blue Rose Cen's trainer Christopher Head said, "She was in very good order in the first half of the season, but it's possible that the season has been a little long for the filly. We're going to talk to her owner, and see how she recovers, so we can look ahead to the future. She should stay in training next year, so we'll certainly be concentrating on her 2024 campaign."

FLYING FIVE GLORY FOR MOSS TUCKER

by Tom Frary

First there was the Live In The Dream (Ire) (Prince Of Lire {Ire}) at 28-1 in the Nunthorpe, then Saturday's Haydock Sprint Cup turn-up courtesy of the 10-1 shot Regional (GB) (Territories {Ire}) and now **Moss Tucker (Ire)** (Excelebration {Ire})--Rare Symphony {Ire}, by Pastoral Pursuits {GB}) to complete the shock treble at 16-1 in Sunday's G1 Al Basti Equiworld, Dubai Flying Five S. at The Curragh, a G1 Breeders' Cup Turf Sprint qualifier. This looked a surefire renewal for the Brits on form, but one by one **Highfield Princess (Fr)** (Night Of Thunder {Ire}), **Bradsell (GB)** (Tasleet {GB}) and **Art Power (Ire)** (Dark Angel {Ire}) wilted leaving it to a triumvirate of outsiders to fight it out.

As the 22-1 shot **Get Ahead (GB)** (Showcasing {GB}) and fellow outsider at 20-1, **Equality (GB)** (Equiano {Fr}), tried hard to bring the prize back across the Irish Sea in the closing stages, Billy Lee kept asking the Ken Condon-trained 5-year-old and the response was typically courageous and honest. **Cont. p11**

G1 Flying Five S. Cont.

Using the extra stamina he displayed when taking the six-furlong G3 Phoenix Sprint S. here last time, Moss Tucker forged ahead late to deny Get Ahead by half a length, with Equality eventually beaten another 1 1/4 lengths in third. Following the preceding rain, Highfield Princess was hammered into even-money favouritism but uncharacteristically missed the break and struggled some way out.

“It’s fantastic on the Curragh, on the most important weekend in Irish racing. It’s just been a great story with this horse how he has progressed and kept improving,” Condon said. “You’re thinking if we got placed it would be a super effort and then the heavens opened about an hour and a half ago which helped us a good bit. He was very good here the last day a month ago. We thought that was a career-best and obviously this is another step in the right direction.”

Moss Tucker had been to the Curragh on eight occasions prior to this, with wins in the aforementioned Phoenix Sprint and also the Listed Waterford Testimonial S. in October to his name as well as a third to Art Power in the G2 Sapphire S. In July. Also responsible for upsetting Tenebrism (Caravaggio) in the Listed Woodlands S. at Naas in April, the gelding needed a slice of luck to get one of these on his file but had that in spades here with the British contingent so below-par.

Billy Lee said, “Ken and I love this horse and he has been a brilliant servant who has made his way up through the grades. He is as genuine as they come, things went lovely today--he jumped and travelled well, but when they quickened at the two I thought I was in trouble. He is all heart though, stuck to his guns and really battled hard. He is just a brilliant horse and while we have had a quietish year, this one winner makes all the difference.”

WINNING IS JUST THE BEGINNING

FANTASTIC MOON POWERS TO PRIX NIEL TRIUMPH

by Sean Cronin

Liberty Racing's G1 Deutsches Derby hero **Fantastic Moon (Ger)** (Sea The Moon {Ger}--Frangipani {Ger}, by Jukebox Jury {Ire}) suffered a reversal following up in Munich's G1 Bayerisches Zuchtrennen last time and bounced back in style to dominate the closing stages of Sunday's G2 Qatar Prix Niel at ParisLongchamp.

The Sarah Steinberg trainee tanked forward to stalk the pace in third for the most part and improved into second along the false straight. Coming under pressure soon after turning for home, the 51-10 chance quickened to seize control approaching the final furlong and was ridden clear to easily outpoint G1 Grand Prix de Paris hero **Feed The Flame (GB)** (**Kingman (GB)**) by 2 1/2 lengths. Juddmonte's **Bravais (GB)** (**Frankel (GB)**) was another late closer and finished a half-length back in third.

"We made the correct decision not to run him last time [in the Sept. 3 G1 Grosser Preis von Baden] at Baden-Baden because the ground was overwatered," said Liberty Racing's Lars-Wilhelm Baumgarten. "The trainer and the jockey have done a great job and he's a great horse, but he needs good ground. Today's race lacked pace and it wasn't straightforward. However, he's easy to handle and very talented. In my opinion, he's the best winner of

the German Derby since [his sire] Sea The Moon. He's still going strong at the end of his 3-year-old campaign and we're so happy for our syndicate. We have four horses and two of them are group class. We'll be making a decision, as to where he goes next, on Monday."

That decision looks unlikely to include a ticket to next month's Arc, according to Sarah Steinberg. "Rather than the Prix de l'Arc de Triomphe, we're thinking about other possibilities," the trainer revealed. "These include the Japan Cup and the Breeders' Cup." **Cont. p13**

Fantastic Moon & Rene Piechulek | Scoop Dyga

G2 Prix Niel Cont.

Pascal Bary feels there is more to come from runner-up Feed the Flame and considers the run vital education, despite defeat, en route to a tilt at next month's G1 Prix de l'Arc de Triomphe. "He picked up well, but he wasn't quite as ready as I thought after two months off and the last 100 metres seemed a bit of an eternity for him," the trainer reflected. "Christophe Soumillon made sure the colt was given a lesson when it came to racing between horses, which is a good form of preparation, and he wasn't hard on him. Of course, it's always better to win than to be second. That said, the winner Fantastic Moon has every right to be considered a good colt.

"Feed The Flame will line up in the Prix de l'Arc de Triomphe and, if the ground were to ease, that would be even better."

Juddmonte representative Claude Beniada was pleased with the effort of Bravais, who registered a career-high placing on pattern-race debut. "Obviously, this is the best performance of his career and Bravais is certainly more relaxed when he waits during a race," he said. "At Deauville last time, he showed that he wouldn't be bothered by a longer distance. He's proved that today and it's very encouraging. He hasn't stopped improving and, if all goes well, he'll develop into a good 4-year-old."

Pedigree Notes

Fantastic Moon, one of his sire's four Group 1 winners, is the second foal and lone scorer produced by a winning half-sister to G3 Sveaas Minnelop victor Fearless Hunter (Ger) (Alhaarth {Ire}) and Listed Arnfinn Lund Minnelop third Fil Rouge (Ger) (Lord Of England {Ger}). The March-foaled bay, who is from the family of MGISW sire Street Boss (Street Cry {Ire}), is kin to a yearling filly by **Starspangledbanner (Aus)** and a weanling filly by Masar (Ire). His second dam Firedance (Ger) (Lomitas {GB}) is a half-sister to G3 Rockfel S. victrix Germane (GB) (Distant Relative {Ire}) and the dual stakes-winning G3 Preis der Deutschen Einheit runner-up Fabriano (GB) (Shardari {Ire}). Germane, in turn, is the dam of stakes-winning GI Hollywood Derby third Lucky Chappy (Ire) (High Chaparral {Ire}) and Listed Kolner Stuten Meile runner-up Granted (Fr) (Cadeaux Genereux {GB}).

PLACE DU CARROUSEL COMPLETES IDEAL ARC PREP IN PRIX FOY

by Heather Anderson

Al Shaqab Racing's **Place Du Carrousel (Ire)** (Lope De Vega {Ire}), already a Group 1 winner in last year's G1 Prix de l'Opera, defeated defending champion **Iresine (Fr)** (Manduro {Ger}) by a neck to take Sunday's G2 Qatar Prix Foy at ParisLongchamp. The latter was a half-length to the good of 2022 G1 Deutsches Derby and G1 Grosser Dallmayr-Preis Bayerisches Zuchtrennen hero **Sammarco (Ire)** (**Camelot (GB)**) in third.

The 4-year-old filly was the 13-5 second choice behind her G1 Prix Ganay conqueress Iresine at 1-2. Content to race midfield as **Plesant Jane (Fr)** (Pivotal {GB}) forged to the front while watched by **Fenelon (Fr)** (Fastnet Rock {Aus}), Place Du Carrousel perched one off the fence next to Sammarco with Iresine last of the quintet. Drifting back a spot to fourth on the bend, the daughter of G2 Prix du Conseil de Paris victress Traffic Jam (Ire) (Duke Of Marmalade {Ire}) remained well covered up, as the field neared the straight. Closing willingly when given her cue, she quickly drew on even terms at the 200-metre mark, and found just enough late to withstand the withering run of Iresine in the final strides.

Rupert Pritchard Gordon, racing manager for Al Shaqab Racing, said, "The filly showed that she's in good form. She's still fresh because she hasn't run much this year, due to a slight setback in the spring. The weather conditions are exceptional today, and Monsieur Fabre preferred to go for the Qatar Prix Foy rather than the [G1] Qatar Prix Vermeille, anticipating that there would be less pace in the Foy."

Since her Opera heroics last October, Place Du Carrousel was a never-nearer fifth in the Ganay this spring, but after a break, was a winner over good to soft ground in the G3 Prix Gontaut-Biron at Deauville in August. **Cont. p14**

G2 Prix Foy Cont.

Connections are now dreaming of the G1 Qatar Prix de l'Arc de Triomphe.

"When we decided to keep her in training at four, after her success in the Prix de l'Opéra Longines last year, the idea was to aim her at the Qatar Prix de l'Arc de Triomphe," he added. "So if all goes well between now and then, we'll be heading to the race of dreams."

Mandore International Agency, on behalf of Al Shaqab Racing, picked up the bay for €260,000 out of the Arqana Select Sale at Deauville in September of 2020 from the Ballylinch Stud draft.

Pedigree Notes

One of 19 Group 1 winners for her Ballylinch sire, Place Du Carrousel is the first foal out of Traffic Jam, who also ran second in the G2 Prix de Pomone. Since foaling the Foy winner, she has delivered four fillies--the 3-year-old Nariman Point (Ire) (Dubawi {Ire}), a 1.05-million gns **Kingman (GB)** juvenile named Monyat Galby (Ire), a yearling by **Sea The Stars (Ire)** who is consigned as **lot 158** by Ballylinch to the upcoming Tattersalls October Yearling Sale Book 1, and a full-sister to the winner this term.

Her third dam, Sweet Emotion (Ire) (Bering {GB}), foaled Listed Midsummer S. victor Winged **Cupid (Ire)** (In The Wings {GB}), who also ran second in the G1 Racing Post Trophy. This is the extended family of the high class dual Group 1 winner Lillie Langtry (Ire) (Danehill Dancer {Ire}).

LUMIERE ROCK LIGHTS UP THE CURRAGH WITH DESERVED GROUP 2 SUCCESS

By *Brian Sheerin*

It was always going to take something special to luminate the Curragh against the backdrop of that dark grey sky, but the Joseph O'Brien-trained **Lumiere Rock (Ire)** (**Saxon Warrior {Jpn}**) had just the answer in the G2 Moyglare-sponsored Blandford S. under a razor-sharp Dylan Browne McMonagle.

Lumiere Rock has danced every dance this season. Her big moment at the Irish Champions Festival was richly deserved but it was achieved in far more tenacious fashion than the three-length winning margin would suggest.

Having gone out on her sword behind the fantastically-talented French filly Jannah Rose (Ire) (**Frankel {GB}**) in her own backyard in the G2 Prix Alex Head at Deauville last month, Lumiere Rock's ability was clear for everyone to see, and she confirmed herself a smart sort in her own right in grabbing the Blandford by the scruff of the neck in first-time cheekpieces.

The race-winning move came over two furlongs out when Browne McMonagle, rightly considered one of the hottest riding prospects in Europe, sent the 6-1 shot to the front. From there, Lumiere Rock was not for catching, with Aidan O'Brien's **Jackie Oh (Ire)** (Galileo {Ire}) coming through to finish a never-nearer second while the sponsor's **Trevaunance (Ire)** (Muhaarar {GB}) finished a credible third. **Cont. p15**

G2 Blandford S. Cont.

"She has been keeping really good company all season," O'Brien said afterwards. "She was just beaten at Ascot and narrowly beaten again in France the last day. She really did deserve her win at Group 2 level today and won in the style of a filly who will hold her own in Group 1 company as she gets older."

Lumiere Rock carried the colours of Michael O'Flynn, the property developer who is synonymous for owning top-class jumpers with Mouse Morris, including Grade 1-winning chaser China Rock and one-time exciting novice hurdler Venalmar.

However, the striking red and yellow silks have been spotted more frequently on the Flat in recent years, through O'Flynn's association with the stables of O'Brien and Johnny Murtagh, and the owner explained how he enjoys the balance between the two codes.

"I am enjoying it," the owner said. "I am having more of an involvement on the Flat, which I am really enjoying, but I love the National Hunt. I must say, with Joseph and Johnny Murtagh on the Flat, I have had some really interesting runners and winners. I am favouring a little bit more towards the Flat but I still love the National Hunt."

O'Brien confirmed that Lumiere Rock could take in a Group 1 contest on her next start.

He said, "I suppose the obvious targets could be Arc day at Longchamp or Ascot for Champions Day. We'll see how she comes out of this and she'll tell us."

Pedigree Notes

One of seven stakes winners for her Coolmore sire, Lumiere Rock is out of the placed Last Gold (Fr) (Gold Away {Ire}). She is a half-sister to the 2-year-old filly Forthright (Ire) (Zoffany {Ire}), a yearling filly by **Starspangledbanner** (Aus) bound for Book 2 of

the Tattersalls October Sale as **lot 1237**, and a colt foal by Kodi Bear (Ire).

Second dam Baahama (Ire) (Anabaa) won the Listed Prix Charles Laffitte and was runner-up in the G3 Prix d'Aumale. At stud she foaled a pair of Deep Impact (Jpn) French Group 3 winners--Akihiro (Jpn) and Bartaba (Fr).

GOKEN'S FANG DOUBLES DOWN IN PRIX DU

PIN by Heather Anderson

For the second consecutive year, **Fang (Fr)** (Goken {Fr}) showed his liking for Arc Trials weekend in Paris, taking the G3 Qatar Prix du Pin in front-running fashion at ParisLongchamp on Sunday.

Sent immediately to the vanguard, the 74-10 fifth choice was only mildly pressed by **National Service (Fr)** (Elusive City) in this 1400-metre affair. Cristian Demuro was sitting practically motionless aboard the Jean-Claude Rouget trainee with all his rivals off the bridle 300 metres from home. Able to maintain his rhythm, Fang crossed the line 1 1/4 lengths in front, as his foes fought out a blanket finish for the lesser honours. **Dabawa (Fr)** (Siyouni {Fr}), who was rank early, finished second, a short neck ahead of National Service in third. [Cont. p16](#)

G3 Prix du Pin Cont.

Jean Bernard Roth, assistant trainer to Rouget, said, “Fang is a lovely horse to be around, sweet, calm, easy to train. He is the typical seven-furlong horse and handles this course superbly well. Not all horses do.”

Only seventh in the G1 Prix de la Forêt on Arc day in 2022, the gelding rebounded with a narrow victory in a Chantilly conditions heat this July. Switched to the Deauville Polytrack in August, he found the re-opposing **Siam Paragon (Fr)** (Shalaa {Ire}) too good when third going 6 1/2 furlongs. Another crack at the Forêt is next for Fang.

“He will most certainly return in the G1 Prix de la Forêt, but he is ground dependent,” he added. “He loves fast conditions like today but at five he doesn’t stop improving and may be he could now cope with softer conditions.”

Pedigree Notes

The 5-year-old gelding is one of three group winners for his sire, who stands at Haras de Colleville and has eight stakes winners worldwide.

From the same family as group winners Sumbal (Ire) (Danehill Dancer {Ire}) and G1 Prix Vermeille second Lilac Road (Ire) (Mastercraftsman {Ire}), Fang is the third foal out of his dam, Belle De France (Fr) (Muhtathir {GB}), who won twice as a 3-year-old. Her latest foal is a yearling filly by For Fun (Fr).

COEUR DE PIERRE DISPLAYS PARIS DASH

by Sean Cronin

Last term's G3 Prix de Seine-et-Oise victor **Coeur De Pierre (Fr)** (Zanzibari--Twilight Tear {GB}, by Rock Of Gibraltar {Ire}), who had previously run third in the G1 Prix de l'Abbaye, halted a run of four straight defeats and laid down a marker for this year's renewal of the Arc undercard dash with a game tally in Sunday's G3 Qatar Prix du Petit Couvert at ParisLongchamp.

Breaking sharply to stalk familiar foe **Ponntos (Ire)** (Power {GB}) in second through swift early fractions, the 17-5 chance locked horns with that habitual pacesetter approaching the furlong pole and kept on strongly under continued urging in the latter stages to prevail by a head after a ding-dong tussle.

Asymmetric (Ire) (Showcasing {GB}) finished three lengths adrift and outbobbied 2021 and 2022 winner **Berneuil (Ire)** (Lope De Vega {Ire}) by a head for third. **Cont. p17**

Coeur De Pierre and his winning connections | Scoop Dyga

G3 Prix du Pin Cont.

"He was very relaxed in the paddock beforehand," said racing manager Marc Antoine Bergracht. "He's a lovely horse, he's very kind and has never caused us any problems. Today was not his ideal ground and the [G1 Prix de l'] Abbaye might well be his target. We will see about the Abbaye, [trainer] Mauricio [Delcher Sanchez] will decide."

"We are delighted to win this race," commented owner Ahmed Mouknass. "He is a very consistent horse, but has not been seen at his best this season. We feel that the trip to [Royal] Ascot [for the G1 Queen Elizabeth II Jubilee S. in June] has been hard on him and, hopefully, we will now try our luck in the Abbaye."

Pedigree Notes

Coeur De Pierre (Fr) (Dabirsim {Fr}), the fourth of seven foals, is one of two pattern-race scorers produced by a granddaughter of matriarch Brigid (Irish River {Fr}), herself a full-sister to the dual stakes-winning dam of GI E. P. Taylor S. victrix Insight (Fr) (Sadler's Wells) and Group 1-winning sires Dolphin Street (Fr) (Bluebird) and Saffron Walden (Fr) (Sadler's Wells). The April-foaled gelded bay is a full-brother to G3 Prix Imprudence victrix and G1 Poule d'Essai des Poulains runner-up Coeur De Beaute (Fr). Elite-level descendants of Brigid include G1 Irish 2000 Guineas and GI Breeders' Cup Turf hero Magician (Ire) (Galileo {Ire}), G1 Fillies' Mile winner Listen (Ire) (Sadler's Wells), G1 Moyglare Stud S. victrix Sequoyah (Ire) (Sadler's Wells) and the latter's four-time Group 1-winning son Henrythenavigator (Kingmambo).

EUROPEAN NEWS

AUGUSTE RODIN LIKELY BREEDERS' CUP-BOUND

The Breeders' Cup at Santa Anita in November is likely on the agenda for Classic winner **Auguste Rodin (Ire)** (Deep Impact {Jpn}), trainer Aidan O'Brien revealed on Sunday. The Coolmore and Westerberg colorbearer earned a trip to California with his win in Saturday's G1 Royal Bahrain Irish Champion S. at Leopardstown, a Breeders' Cup Challenge qualifying event for the 1 1/2-mile GI Longines Breeders' Cup Turf.

"The lads love the Breeders' Cup and he's a lovely horse for it," O'Brien said. "They will decide, but he'd love that ground. He's a beautiful mover. He won in Doncaster [the G1 Vertem Futurity Trophy S. as a juvenile] on heavy and we couldn't believe that he did it, but it was probably just sheer ability."

"We'll take our time and see how he is, but I'd imagine it will be something like [the Breeders' Cup]."

O'Brien also indicated **Luxembourg (Ire)** (**Camelot {GB}**), runner-up to his stablemate in the Irish Champion S., could head to France in an attempt to improve off his seventh-place finish in last year's G1 Prix de l'Arc de Triomphe.

"He could go to the Arc," O'Brien said. "He wouldn't mind as long as the ground is not heavy, and over a mile and a half we know to ride him like a horse that just gets a mile and a half."

"He doesn't want to go any further, but we are learning about him all the time. It was a massive run yesterday."

Trained by Richard Fahey, Native American overcame an absence of over 100 days to land the €300,000 contest by over two lengths to Mercian Warrior (Ire) (**Saxon Warrior** {Jpn}). The race appeared in the balance a furlong down but, when reigning Irish champion jockey Colin Keane asked the 4-5 favourite to go and win the race, the response was immediate. Maigret recovered from a terrible getaway to garner his Aug.

20 debut over seven furlongs at Hannover and recovered from a

lass-than-perfect break to race on the front end after the initial

strides of this black-type bow. Comfortably clear by halfway, the

even-money favourite maintained a relentless tempo into the

straight and was ridden out inside the final 300 metres to collect

a career high with plenty to spare.

Maigret becomes the fourth black-type winner for his sire and

is the third of five foals produced by Minoris (Fr) (Dabirsim {Fr}),

her first being MGSW G1 Preis der Diana (German Oaks) third

full-sister to Mylady to come. The March-foaled homebred bay

WORLDWIDE NEWS**JAPAN, KAWADA DOMINATE KOREAN FEATURES** by Alan Carasso

Japanese horses flexed their muscles at the Saudi Cup meeting in February and again in Dubai the following month and a quartet of gallopers that made the short trip over for Sunday's Korea Cup (1800m) and Korea Sprint (1200m)--each carrying international Group 3 status--made their presence felt yet again in front of a packed house at Seoul Racecourse.

Japan took the first three runnings of the Cup in which they were represented from 2016-2018 and finished third with favored Sekifu (Jpn) (Henny Hughes) last year as **Winner's Man (Kor)** (Musket Man) led home a local 1-2 over Raon the Fighter (Kor) (Bayern) following a two-year, COVID-enforced postponement of the features. **Crown Pride (Jpn)** (Reach the Crown {Jpn}), last year's G2 UAE Derby hero and GI Kentucky Derby participant, was joined on the trip over by **Gloria Mundi (Jpn)** (King Kamehameha {Jpn}), less heralded, but six-from-eight on dirt, including a Group 3 when last seen in May.

With Yuga Kawada in for the afternoon, Crown Pride was bet into \$1.30 (3-10) favoritism and made light work of it, taking over at the midway stage, turning back a mild bid from Gloria Mundi nearing the straight and careering away under a hold to take it by 10 lengths over his compatriot. **Cont. p22**

Korea Cont.

Winner's Man ran on for third, while Hong Kong raider **Apache Star (Aus)** (War Chant) faded into ninth after racing prominently early.

Koji Maeda's **Remake (Jpn)** (Lani) was third in the G3 Riyadh Dirt Sprint and a troubled fifth in the G1 Dubai Golden Shaheen earlier in the year and prepped for the Korea Sprint with a facile success in listed company at Morioka last month. Also favoured at 30 cents on the dollar, the homebred sat a midfield trip for Kawada, went for an inside run into the stretch and raced past pacesetter **Beolmaui Star (Kor)** (To Honor and Serve) to score by four easy lengths in track-record time. The well-traveled **Bathrat Leon (Jpn)** (Kizuna {Jpn}), a winner at group level in Dubai in 2022 and in Saudi Arabia this term, ran on for third ahead of Hong Kong's **Duke Wai (NZ)** (Per Incanto), who rallied from well back for fourth. Defending champ **Eoma Eoma** (Algorithms) was fifth.

Foreign targets in the immediate future for the winners could include Breeders' Cup appearances, though Crown Pride could be pointed for the valuable JBC Classic in November or December's G1 Champions Cup, in which he was narrowly defeated last season. Remake is also a candidate for the JBC Sprint and/or the G3 Capella S., which marked his first win at stakes level in 2022.
