

KENTUCKY DERBY WINNER MAGE TO STAND AT AIRDRIE STUD

Mage | Horsephotos

This year's GI Kentucky Derby winner, **Mage** (Good Magic--Puca, by Big Brown), will stand at stud at Airdrie Stud upon his retirement from racing, the Midway, Kentucky nursery announced Wednesday. The chestnut, who was bred in Kentucky by Grandview Equine, will continue to race for the ownership team of OGMA Investments, Ramiro Restrepo, Sterling Racing and Commonwealth Thoroughbreds. Currently being pointed for the GI Longines Breeders' Cup Classic, Mage has earned \$2,507,450 to date in a career that includes runner-up efforts in the GI Haskell S. and GI Florida Derby as well as a third-place finish in the GI Preakness S.

Mage's dam, Puca, has been represented by black-type runners with each of her first three foals and a recent \$1.2-million **McKinzie** colt at the recently concluded Keeneland September Yearling Sale.

"This is a very special day for Airdrie Stud," said Airdrie President Bret Jones. "It gives us tremendous pride to be able to announce the addition of a Kentucky Derby winner to our stallion roster, especially one as uniquely qualified to be a leading sire as Mage. He is the first brilliant son of one of the most exciting young sires in recent memory and his dam is giving every indication that she will be a truly important mare."

HISA ARBITRATOR WIPES OUT SUSPENSION IN ISOXSUPRINE CASE by T.D. Thornton

The West Virginia-based trainer Dennis VanMeter won a Horseracing Integrity and Safety Authority (HISA) arbitration judgment Sept. 26 that wipes out a two-year negligence suspension and \$25,000 fine related to an adverse analytical finding for the banned substance isoxsuprine in a shipper, Templement (Flatter), who ran sixth and last in an allowance sprint at Thistledown in Ohio on June 7.

Although the final order signed by arbitrator Laura Abrahamson noted that VanMeter did not contest the isoxsuprine finding itself and that he must still bear responsibility for that violation found by HISA's Horseracing Integrity and Welfare Unit (HIWU), she also wrote that "this is an exceptional case" and that "Mr. VanMeter was not at fault and not negligent in preventing isoxsuprine from entering Templement's system."

Mage to Airdrie, cont. from p1

"The talent and toughness required by Mage to break his maiden going seven furlongs in late January, give a seasoned champion like Forte all he can handle in the Florida Derby and then win the Kentucky Derby in just his fourth career start is, by anyone's definition, absolutely extraordinary. We will forever be grateful to his incredible ownership group for this opportunity and the syndicate we will assemble to support him will be the strongest in Airdrie's history. He deserves it."

Added co-owner Ramiro Restrepo, "I can't tell you what Mage has meant to all of us that have been so incredibly blessed to be associated with him. He's the horse of a lifetime. An impossible talent. What he has done, and will continue to do, for our team has been the dream of dreams. We have endless respect for the incredible team at Airdrie Stud and will be proud to entrust them with his stallion career at the conclusion of his racing days. He is going to be very, very special for their farm--just as he has always been for us."

Isoxsuprine contamination case, cont. from p1

Despite its banned substance classification, isoxsuprine is commonly prescribed therapeutically in horses to treat navicular disease or laminitis. It relaxes the smooth muscle surrounding small blood vessels, causing vasodilation and potentially increasing blood flow to hooves.

The arbitrator wrote that HISA's banned classification for isoxsuprine is in opposition to the Association of Racing Commissioners International classification that had been in place prior to the HIWU oversight of the sport, which began just 16 days before Templement's positive test.

The arbitrator took into account testimony that VanMeter shipped Templement into the stall of an acquaintance, John Brown, who is a Thistledown-based trainer, and that VanMeter was unaware his 6-year-old mare would be occupying the same stall that had been recently been vacated by a stable pony owned by Brown.

VanMeter was also unaware that Brown had a valid prescription for isoxsuprine to use on that stable pony, Bucky. The report stated that Bucky had been taking that prescribed medication mixed with his feed "almost daily for five years."

Also, at the time Templement was shipped to Thistledown to race, VanMeter was similarly unaware that a different covered horse trained by Brown would subsequently, on June 27, trigger an adverse analytical finding for isoxsuprine.

"Mr. VanMeter, who has been training horses for more than 40 years, and currently trains nine Covered Horses, acknowledged it was his responsibility to know what his Covered Horses are permitted to be given and what they are not permitted to be given," the arbitrator wrote. **Cont.**

Isoxsuprine contamination case, cont.

"Mr. VanMeter testified that he sent Templement to his friend John Brown's stall in Barn 26 instead of to the receiving barn at Thistledown on June 7, 2023, because he had recently had open heart surgery and John Brown's stall was much closer to the paddock," the arbitrator wrote.

"At the Hearing, Mr. VanMeter testified that he did not know Mr. Brown's pony Bucky was taking isoxsuprine and did not learn that any of Mr. Brown's horses had tested positive for isoxsuprine until after June 7, 2023. Mr. VanMeter acknowledged on cross-examination that he did not ask Mr. Brown which horse's stall Templement would be occupying and did not ask Mr. Brown if any of Mr. Brown's horses were taking Isoxsuprine or any other Banned Substances," the arbitrator wrote.

On July 6, Templement's post-race sample returned adverse analytical findings for both isoxsuprine and phenylbutazone, and HISA imposed an immediately effective provisional suspension on VanMeter.

On July 11, VanMeter waived his right to request testing of Templement's B Samples and accepted the penalty proposed for the phenylbutazone finding. As a result, his arbitration hearing did not address any aspect of the phenylbutazone finding or the consequences therefrom.

Sarah Andrew

The arbitrator's report stated that, "Mr. VanMeter is a 76-year-old Vietnam veteran classified as disabled. He has been made indigent as a result of his Provisional suspension. He could not afford the fees involved in having a Provisional hearing so he [remained] suspended with no provision for a stay under RISA rules. There is no provision for someone like Mr. VanMeter to proceed in forma pauperis under RISA rules." ***Cont.***

Isoxsuprine contamination case, cont.

The report stated that in instances in where a violation of HISA's Anti-Doping and Medication Control (ADMC) program is established, "the Respondent may be entitled to a mitigation of the applicable Consequences, only where he establishes on a balance of probabilities that he acted with either No Fault or Negligence, or No Significant Fault or Negligence."

HIWU had argued a that Mr. VanMeter "is not eligible for relief" because "he cannot establish how the isoxsuprine entered Templement's system and " cannot establish by a balance of the probabilities that the isoxsuprine in Templement's system resulted from the horse being placed in a stall previously occupied by the pony 'Bucky' who had a prescription for isoxsuprine."

HIWU further asserted that "Mr. VanMeter has not adequately substantiated his theory of contamination and that [expert evidence] demonstrates that the likelihood of contamination causing 471 ng/mL of isoxsuprine in Templement's urine was 'remote.'"

The arbitrator saw it differently.

"Considering the totality of the evidence, the Arbitrator finds that Mr. VanMeter established by a balance of the probabilities that the source of the isoxsuprine in Templement's system was contamination from Bucky's stall," the report stated.

"In this case, although HIWU criticizes Mr. VanMeter's failure to ask Mr. Brown if any of his horses were taking isoxsuprine or any Banned Substance, the Arbitrator considers that [VanMeter] did not have any reason to suspect Mr. Brown was giving any of his horses isoxsuprine," the report stated.

"Even if he had known, [the] Arbitrator finds Mr. VanMeter would still not have had any reason to suspect that Templement could come into contact with and have ingested or absorbed isoxsuprine from contamination in Bucky's stall, which was cleaned before Templement was put into it," the report stated.

The arbitrator wrote that Templement's period of Ineligibility of 60 days, commencing on July 6, is confirmed. But since that 60-day period has already run its course, so "to be reinstated Templement need only be subject to a Negative Finding from a Re-Entry test administered by HIWU."

In fact, Templement has already been entered to run, in a Mountaineer Park allowance race on Oct. 1.

WALMAC ROSTER DOUBLES WITH PAPPACAP AND FULSOME *by Katie Petrunyak*

Walmac Farm has come a long way since owner Gary Broad purchased the historic property off Paris Pike in 2018. After several years spent resurrecting the farm and its signature blue and white barns, in 2022 Broad brought his multiple graded stakes winner Core Beliefs (**Quality Road**) home to be the first sire to stand in a newly renovated stallion complex.

This year, Broad added Grade I winner Pinehurst (**Twirling Candy**) to the roster, handing the farm's new stallion salesman Jay Goodwin a challenge to get the word out on the rookie sire in a short period of time after Goodwin joined the Walmac team in January.

As another breeding season quickly approaches, Walmac has doubled its stallion roster for 2024 with a pair of newcomers

hailing from auspicious sire lines.

Broad's goal for this year was to lock down a new stallion by supersire Into Mischief and another by emerging influential stallion **Gun Runner**. He accomplished the mission with

Pappacap, who stands out as the first son of **Gun Runner** to go to stud that was a graded stakes winner at two, and **Fulsome**, a multiple graded stakes-winning son of Into Mischief.

A homebred for George and Karen Russell's Rustlewood Farm trained by Mark Casse, Pappacap was a debut winner in May of his juvenile season and he returned to the winner's circle with a near-five length win in the GII Best Pal S. Later at two, he was runner-up to future Eclipse Champion juvenile **Corniche** (**Quality**

Road) in both the GI **American Pharoah** S. and the GI Breeders' Cup Juvenile. **Cont.**

Walmac, cont.

Pappacap also competed against top competition at three, running second to **Jack Christopher (Munnings)** in the GII Pat Day Mile S. and the GI Woody Stephens S.

"To have a **Gun Runner** that was that precocious and that fast at two and then he came back at three and was just as talented, we were extremely happy with his race record," said Goodwin. "He just made sense for us. He also never ran on Lasix at two or three and today that is as big of a selling point for a stallion as any."

But it's Pappacap's physical, Goodwin said, that has impressed the breeders who have stopped by to visit since the new addition was announced in early September.

"Physically, he's probably the best **Gun Runner** that I've seen," he shared. "He's got that beautiful **Gun Runner** shoulder and neck, but he also has a little bit more hip than you would expect."

For Goodwin, a former partner in Select Sales Agency who had never sold stallion seasons before taking on the job at Walmac this year, the experience of announcing the arrival of Pappacap to breeders in September was completely different than his start with Pinehurst, who joined the roster at Walmac in late November of last year well after most of the newcomers to the Kentucky stallion ranks had already been announced.

"The reaction from breeders has been crazy," Goodwin said. "We had to fight tooth and nail last year for Pinehurst because we got him in here late. We were very happy with where he ended up, but we worked our butts off to get him to where he was. With Pappacap, it has been a lot easier. We just have to answer the phone. They're rolling in and he's going to breed a full book."

Goodwin reported that Pappacap is already closing in on 150 mares, adding that the stallion's \$12,500 initial fee offers value for breeders looking to send their mare to a son of **Gun Runner**.

"Pappacap is going to come right under a lot of these Gun Runners," he explained. "We priced him right and we priced him to have a full book. At \$12,500, I think he'll be the best deal in the stallion book."

From the family of Peruvian Horse of the Year Al Qasr (Aptitude), Pappacap is out of a graded stakes-placed Scat Daddy mare and is a half-brother to last year's GIII With Anticipation S. winner Boppy O (Bolt d'Oro).

Broad achieved his goal in standing sons of **Gun Runner** and Into Mischief, but with Juddmonte homebred Fulsome, the millionaire's female family might be just as notable as his sireline.

"Fulsome's pedigree is three generations of Juddmonte," Goodwin explained. "The pedigrees on that farm are second to none. Juddmonte bred him, raced him and stayed in on him."

Fulsome and stallion manager Jose Rodarte | Sara Gordon

Fulsome's dam Flourish (Distorted Humor) is a half-sister to Grade I winners Sightseek (Distant View) and Tates Creek (Rahy) and her produce record includes graded stakes-placed Mr Darcy (Harlan's Holiday) and Rimprotector (Point of Entry).

The pedigree also ties in to Walmac Farm's story. Fulsome's stakes-winning second dam Viviana is a daughter of Nureyev, who rose to prominence as a sire at Walmac several decades ago and is now buried near the stallion complex.

Earning over \$1.2 million throughout his career, Fulsome won five stakes races including the GIII Matt Winn S. and the GIII Smarty Jones S. at three and the GIII Oaklawn Mile S. and GIII West Virginia Governor's S. at four. He closed out his career with a Grade I placing in the Clark S. last year.

Goodwin noted that Into Mischief is often credited for the heart he puts into his horses and Fulsome is no exception.

"He was tough," he said. "He was not scared to take on the fight. You could see him really dig down and fight every single race. As someone who breeds mares, you like to see that. You need heart. That's the characteristic I like the most."

Goodwin's favorite race of Fulsome's career, he said, was the 2022 GIII Oaklawn Mile S. where the Brad Cox trainee closed late to win by a neck, defeating a field that included graded stakes winners Cezanne (**Curlin**), Silver Prospector (Declaration of War), Roadster (**Quality Road**) and Law Professor (**Constitution**).

"I think that was probably the best field he beat," said Goodwin. "That Oaklawn Mile ends at the mile pole and at the top of the stretch you're thinking there's no way he's going to get there. I still don't know how he gets to the wire and then he ends up winning easily. Brad loved this horse. I talked to Brad after we got him and he said that he thought he would get him a Grade I. He didn't have anything but good things to say."

Fulsome will stand for \$7,500 in 2024. **Cont.**

Walmac, cont.

Fulsome and Pappacap's combined race record of 10 wins from 29 starts is another point of pride for the team at Walmac.

"Both of these horses were sound and ran in a lot of races," said Goodwin. "They were very talented and were at the top of their crop. They're both well-made and correct. When you see them, you see why they stayed so sound throughout their career."

As Walmac gears up for another breeding season, Goodwin said the plan for the farm's fledgling stallion business is to continue to grow from here.

"I think Gary wants to find a couple every year," he shared. "He knows how hard it is to make a stallion, but he also knows you have to get the mares. He's been game. We brought him both these horses and he was ready to roll, so I think we will keep growing. We've got four really good stallions by Into Mischief, **Gun Runner**, **Quality Road** and **Twirling Candy**, so we've got the sire power. We're going to breed a lot of mares here in the next few years and I can't wait."

TATTERSALLS OCTOBER: A SHOWCASE FOR THE 'WORLD'S BEST TURF STALLIONS'

by Emma Berry

During a particularly fruitful week for European influences at Saratoga this August, three black-type winners in the space of four days had made their first public appearances during Book 1 of the Tattersalls October Yearling Sale in Newmarket, England.

First, the 5-year-old **Technical Analysis (Ire)** (**Kingman** {GB}) won the De La Rose S. on the Wednesday, marking her third consecutive year of stakes victories at the Spa, having won the GII Lake Placid S. in 2021 and last season's GII Ballston Spa S.

This was followed 24 hours later, and in the same Klaravich Stables silks, by the win in the GII Glens Falls S. of **McKulick (GB)** (**Frankel** {GB}), who won the previous year's GI Belmont Oaks.

Two days later on the Whitney card, **Program Trading (GB)** (Lope De Vega {Ire}) upped the stakes again with victory in the GI Saratoga Derby, again for Chad Brown and Klaravich Stables, a team which, along agent Mike Ryan, has farmed the October Sale at Tattersalls with some pretty spectacular results.

One to note for future years, too, is the Christophe Clement-trained **Ozara (Ire)** (Lope de Vega {Ire}), out of a half-sister to the 2015 European Horse of the Year Golden Horn (GB), who won a smart Saratoga 2-year-old maiden on debut. She was another Mike Ryan purchase, at 350,000gns from breeder Lofts Hall Stud, on behalf of Cheyenne Stable.

Ozara may yet join the throng of Grade I winners in North America to have been sourced at the Tattersalls October Yearling Sale. That list currently numbers 12, and includes Peter

Technical Analysis | Sarah Andrew

Brant's **In Italian (GB)** (Dubawi {Ire}), the top-rated turf filly in America with four Grade I successes to her name at Saratoga, Keeneland and Belmont Park.

The GI Del Mar Oaks and GII San Clemente winner **Anisette (GB)** (Awtaad {Ire}) is another to have graduated from Tattersalls' Park Paddocks, though she was bought at the earlier and somewhat newer Somerville Yearling Sale, for the relative bargain price of 26,000gns (approximately \$33,000).

The Breeders' Cup Juvenile Fillies Turf winners Newspaperofrecord (GB) and Aunt Pearl (GB) have more in common than both adding their names to the roll of honor for an illustrious contest on one of American racing's biggest weekends. Both daughters of the Ballylinch Stud stallion Lope de Vega (Ire), whose tally of American winners grows impressively each year, they were also both bought from Book 1 at Tattersalls October, with Klaravich Stables having signed for Newspaperofrecord at 200,000gns (\$255,000) and Liz Crow for Aunt Pearl two years later at 280,000gns (\$357,000). The latter was resold at the end of her 3-year-old season at Fasig-Tipton's November Sale for \$3 million.

Jimmy George, Tattersalls Marketing Director, is unequivocal in his assessment of the October Yearling Sale, which starts Tuesday with Book 1 set to run over three consecutive days.

"It really is just a showcase for yearlings by the world's best turf stallions," he says.

Simple, right? And it's hard to argue when considering the global pulling power of even three names from the British stallion ranks: Darley's reigning champion Dubawi (Ire), 2021 champion sire **Frankel (GB)**, and his Juddmonte stud-mate **Kingman (GB)**. The trio live within a mile of each other as the crow flies, and if you shout loud enough, you'd just about be heard down the road at Tattersalls. **Cont.**

Tattersalls October, cont.

On top of those three, the Irish-based **Sea The Stars (Ire)**, **Wootton Bassett (GB)** and Lope de Vega pack both a collective and individual punch.

"There's the thick end of 200 yearlings by those six stallions in Book 1 of the October Yearling Sale," George adds. "And I think that tells prospective buyers all they really want to know. These are game-changing stallions on their own, but that collection together is pretty mighty."

He continues, "To have quite so many yearlings by those top stallions is just an opportunity every year for buyers who want to compete at the top."

Carl Spackler | Sarah Andrew

"In America, for example, Lope de Vega is extraordinary out there. Those American buyers honed in fairly early on a handful of stallions, and they bought some very good horses."

"I mean, it's extraordinary to think that Lope de Vega in recent years has had Newspaperofrecord, Aunt Pearl, Program Trading. And there's another 3-year-old colt by him called **Carl Spackler (Ire)**, who actually was unsold at Book 1, but was bred by Bob Edwards, and Bob retained him and took him out there."

With Grade II and Grade III wins at Saratoga under this belt, Carl Spackler, who races for e Five Racing Thoroughbreds, is another from the Chad Brown stable to be excelling on the turf this season.

George adds, "The October Sale gives international buyers access to these top stallions, and they recognize the quality of the stallions standing in Britain, Ireland and also France at the moment. They come here and buy them as yearlings, and in the case of yearling fillies, perhaps leave them over here [to race] and breed from them in the future. It's just a sale that has an impact on so many different levels."

Whether those youngsters have been trained in America, or in Europe then campaigned internationally, the success of the likes

of Grade I winners Digital Age (Ire) (Invincible Spirit {Ire}), Domestic Spending (GB) (**Kingman {GB}**), State Of Rest (Ire) (**Starspangledbanner {Aus}**), **Victoria Road (Ire)** (**Saxon Warrior {Aus}**), and Ocean Road (Ire) (**Australia {GB}**), all of whom were bought as yearlings at the October Sale, will ensure that an American accent will be a fairly regular sound among the hubbub at Park Paddocks in Newmarket over the next few weeks.

"These top owners and top breeders recognize it as their primary opportunity to access bloodlines that may not reappear on the market after Book 1 of the October Yearling Sale," says George.

It's been quite a ride for his trainer, Doug Cowans, who claimed the now 5-year-old last year for \$62,500. To talk about Next and to discuss his future plans, Cowans joined this week's *TDN* Writers' Room podcast presented by **Keeneland**. He was this week's **Green Group** Guest of the Week.

Despite his horse's dominance, Cowans has no plan to run him in more prestigious races at shorter distances.

"The answer for me is no," Cowans said when asked about a possible start in the GI Breeders' Cup Classic. "I put together a five-race plan for the horse at the beginning of the year after he won the Thoroughbred Aftercare Alliance last year. The reason that we chose to start running him in these marathon races is the fact that he loves the pace scenario, the tempo of the race."

Cont.

Cowans on Writers' Room, cont.

So for me to switch him or shorten him down to a mile-and-a-quarter where the pace scenario is going to be much faster, I would be taking away exactly what the horse likes. That's just not what I'm looking for right now."

Next had some success before the claim. Trained by Wesley Ward, he won the 2021 War Chant S. and started in the 2020 GI Breeders' Cup Juvenile, where he finished 14th. When Ward put him in a claiming race run on April 16, 2022 at Keeneland, Cowans was ready to strike. He claimed the horse for owner Michael Foster.

"Let's go back to that winter at Turfway Park," Cowans said. "The horse made a couple of appearances there and that's where I'm stabled at in the winter. I watched the horse go in both races. He exited two races that were extremely tough. A lot of horses came out of those races and won some stakes. Then I saw him in at Keeneland for a tag. I talked to Mike Foster and said to him that we really needed to take a shot on that horse. I had no intentions of running the horse in marathon races at that point. That was not the plan until later on. Mike was all for the claim. So we took a shot and the rest is history."

Cowans isn't necessarily a household name in racing and neither is his jockey, Luan Machado. He is a native of Brazil and came to the U.S. in 2018. Cowans believes his star is on the rise.

"He's a really underrated rider," Cowans said. "I think you're going to see him take off here at Keeneland and Churchill now that he's had a little success. Even on Saturday, he flew back from Philly, made a later race at Churchill and won \$140,000 allowance race. He and I are very close and he gives me a lot of feedback. He really gets along with this horse because he's got great hands and a good clock in his head."

PHBA STRIPS FOURTH-PLACE STAKES FILLY OF STATE-BRED STATUS

by T.D. Thornton

A 2-year-old filly who ran fourth as a first-time-starter in a \$100,000 stakes for registered Pennsylvania-bred and -sired offspring in August has had her state-bred status stripped after the Pennsylvania Horse Breeders Association (PHBA) determined she was actually bred in New Jersey.

Brian Sanfratello, the executive secretary of the PHBA, disclosed the "status removal" for **Miss Ellary** (Social Inclusion), during the Sept. 26 meeting of the Pennsylvania Horse Racing Commission.

Miss Ellary earned \$5,520 for her fourth-place debut Aug. 21.

But Sanfratello said the PHBA subsequently received and investigated a tip that the filly, bred and owned by Cavanaugh Breen Farm, shouldn't have been eligible for the Miss Blue Tye Dye S. at Parx.

"Someone had told us that that horse was not bred in Pennsylvania," Sanfratello said. "We had a hearing [and] we had videos showing that the horse was bred in New Jersey. So we

Parx Racing starting gate | Sarah Andrew

removed the status of that horse, and [the breeder] cannot register any horses with the PHBA for five years."

Sanfratello said a representative of Cavanaugh Breen Farm did not appeal the PHBA's decision within the 10-day appeal window, which ended Sept. 18.

Miss Ellary subsequently ran this past Saturday on the GI Pennsylvania Derby undercard at Parx in a \$100,000 maiden special weight, in which she was newly classified as a New Jersey-bred. She again finished fourth, earning \$6,000.

USHBA TESORO READIES FOR BREEDERS' CUP WITH EASY SCORE AT FUNABASHI

by Alan Carasso

Making his first start since a history-making success in the G1 Dubai World Cup just over six months ago, Kenji Ryotokuji Holdings' **Ushba Tesoro (Jpn)** (Orfevre {Jpn}) prepped for a possible appearance in the GI Breeders' Cup Classic at Santa Anita Nov. 4 with a comfortable victory in Wednesday's Listed Nippon TV Hai at Funabashi Race Track near Tokyo.

Yuga Kawada was at the controls when the 6-year-old rallied from last to become Japan's first World Cup winner on dirt, but settled the blinkered bay much closer to the pace as his chief market rival and leading local 3-year-old **Mitono O (Jpn)** (Logotype {Jpn}) made the running beneath Yutaka Take. Racing in clear air from third down the back of the course, Ushba Tesoro was asked to pick up the leaders three furlongs out, came three wide off the final corner and was more or less ridden out hands and heels to score by a decisively easy 2 1/2 lengths. **Tenkaharu (Jpn)** (King Kamehameha {Jpn})--a son of 2007 GI Breeders' Cup Distaff winner Ginger Punch (Awesome Again)--outfinished pace-pressing **Suave Aramis (Jpn)** (Heart's Cry {Jpn}) for second. **Cont.**

Ushba Tesoro | Horsephotos

Ushba Tesoro posted three wins from 22 starts on turf to kick off his career, but was making Wednesday's win his sixth straight on the dirt and seventh from eight tries. Successful when making his dirt stakes debut in the G1 Tokyo Daishoten at Ohi Dec. 29, he accounted for the high-class T O Keynes (Jpn) (Sinister Minister) in the Listed Kawasaki Kinen Feb. 1, earning a trip to the desert. Trailing after a sluggish start in the World Cup, he produced a barnstorming finish down the center of the track to capture the \$12-million feature by 2 3/4 lengths.

By the sire of Breeders' Cup Distaff winner Marche Lorraine (Jpn), Ushba Tesoro is out of a daughter of Sixieme Sens (Septieme Ciel), purchased for just over €5,000 at the 1993 Deauville August yearling sale, who became a listed winner in France for David Smaga and later a three-time graded scorer in this country for Bobby Frankel. Sixieme Sens was sold to Chiyoda Farm's Dr. Masatake Iida in foal to Gone West for \$750,000 at Keeneland November in 2007 and is also the dam of SW Bold Brian (Jpn) (Brian's Time). Ushba Tesoro has a 2-year-old half-brother by Asia Express (Henny Hughes), a yearling half-sister by Mr Melody (Scat Daddy) and a weanling half-sister by Matera Sky (Speightstown).

The chart for the Nippon TV Hai appears in *TDN* Europe--Worldwide.

GISW TAMARA BACK ON THE WORK TAB

Spendthrift Farm's **Tamara** (Bolt d'Oro), winner of the GI Del Mar Debutante S. Sept. 9, returned to the work tab at Santa Anita Wednesday for Hall of Fame trainer Richard Mandella. With fellow Hall of Famer Mike Smith in the irons, the homebred out of four-time champion Beholder went three furlongs in :36 seconds.

"It was an easy three-eighths," Smith said. "She went around there nice and happy."

Tamara is expected to make her next start in the GI Breeders' Cup Juvenile Fillies at Santa Anita Nov. 3.

Tamara earned '**TDN Rising Star**' status when taking her debut by 2 1/4 lengths going 6 1/2 furlongs at Del Mar Aug. 19. Wheeled back three weeks later in the seven-furlong Debutante, Tamara crushed 11 rivals by 6 3/4 lengths with Smith in the irons.

FRANCE LATEST COUNTRY ADDED TO INTERNATIONAL ENTRIES ON EQUIBASE

Equibase has added **entries from France** to the list of countries available within the international section of their website, the organization said in a release Wednesday.

All international entry information, including the newly added French entries at Equibase.com are also available on their app.

Final entries from France will include data from all of the country's major race courses, including ParisLongchamp's G1 Prix de l'Arc de Triomphe on Sunday, Oct. 1.

"Horse racing is a global sport and we are excited to be able to make French entries available to our users just ahead of France's biggest weekend of racing," said Kyle McDoniel, president and chief operating officer for Equibase. "As North America's official database for racing information, our website and app are natural platforms in which to offer data provided from across the world." **Cont.**

With the addition of France, Equibase now offers final entry information from 20 different countries. Similar to North American ones, international entry data remains available for seven days after each race day.

LET THE 'GOOD TIMES' ROLL: TWIRLING CANDY FILLY GETS 'RISING STAR' NOD AT CHURCHILL DOWNS

Twirling Good Time (f, 2, **Twirling Candy**--Celebrategoodtimes, by Harlan's Holiday), well-backed at 3-1 off a 12-1 morning-line quote while making her debut in a loaded maiden special weight

Twirling Good Time | *Coady*

at Churchill Downs Wednesday afternoon, graduated with honors to earn the **'TDN Rising Star'** nod.

Drawn out wide in post 10, she wasn't off to the sharpest of beginnings, but rushed up to force the issue from second through an opening quarter in :22.08. The Rigney Racing colorbearer took over with a flashy move while racing in hand beneath Rafael Bejarano approaching the quarter pole and kicked for home as the one to catch. The \$250,000 KEESEP yearling graduate opened up impressively with a shake of the reins down the lane and had four lengths over **Blue Squall** (**Tapwrit**) while being geared down late at the wire. The final time for 5 1/2 furlongs was a sharp 1:03.17.

Twirling Good Time, the fourth **'Rising Star'** for **Twirling Candy**, was produced by a half-sister to graded winners Life Imitates Art (More Than Ready) and Bellera (Bernardini). This is also the female family of GISWs Street Boss (Street Cry {Ire}) and **Jack Christopher** (**Munnings**). All five of Celebrategoodtimes's foals are winners. Twirling Good Time is her most recent produce.

Rigney Racing purchased six yearlings for a total of \$1.88 million at the recently concluded Keeneland September sale, led by a \$385,000 **Violence** filly.

5th-Delaware, \$100,300, (S), Alw, 9-27, 2yo, f, 6f, 1:13.07, my, neck.

JUST GREAT (f, 2, Great Notion--Just Desserts, by Outflanker) romped by 13 3/4 lengths on debut Aug. 31 in a certified Delaware allowance for previous owner Louis Ulman and trainer Phillip Capuano and was subsequently purchased privately by these high-profile connections. Favored at 2-5 to stay perfect here, she tracked early on the inside from a joint second, angled out leaving the turn and bumped with a rival, fought past the longtime leader in deep stretch and held longshot Old Bay (Golden Lad) safe by a neck. "This race was a little bit more of a test for her," Capuano said. "She was on the inside most of the way and her first time out, she had the outside and she pretty much had it her way. This time she had to overcome a little more adversity which is a sign of a good horse. We will just see where she goes from here." Sales history: \$6,000 Ylg '22 EASOCT. COPPER TAX (c, 2, Copper Bullet--Wilhelmina {SP, \$218,494}, by Majestic Warrior) graduated by 4 1/2 lengths in a waiver maiden claimer (not in for the tag) at second asking at Delaware June 28 and fired fresh by eight lengths off the layoff in a certified Delaware allowance Sept. 1. Despite a sharp start here, the 2-5 choice was shuffled back towards the rear of the field. He began to launch his bid before the far turn, ranged up on the leaders into the lane and ran on nicely to win by 3 3/4 lengths over Sharp Tones (**Tonalist**). The winner's dam foaled a colt Mar.

LATE LATE SHOW AT GOFFS ORBY AS FRANKEL FILLY SHINES AT 1.85M TO MV MAGNIER

MV Magnier bought the sale-topping **Frankel** filly
Goffs/Sarah Farnsworth

By Brian Sheerin

The wind clenched its fist and did not let go on day two of the Goffs Orby Sale as Storm Agnes took no prisoners in a similar fashion to how MV Magnier was not for loosening his grip on the **Frankel** (GB) filly who commanded top lot status at €1.85 million deep into the session.

By that stage, the majority of those in attendance at Goffs had either nipped out to the car parks early or in some cases the bar, but for the die hards who stayed around the sales ring to the bitter end, they were served up a mouthwatering tussle for Camas Park's sale-topper (lot 525). [Cont. p3](#)

CONTINUOUS AND FANTASTIC MOON ADDED TO ARC LINE-UP

The 3-year-old colts **Continuous** (Jpn) (Heart's Cry {Jpn}) and **Fantastic Moon** (Ger) (Sea The Moon {Ger}), winners of the St Leger and Deutsches Derby respectively, have been supplemented for Sunday's Qatar Prix de l'Arc de Triomphe.

Sixteen horses remain engaged for the weekend's €5 million showcase race at ParisLongchamp. Eleven of the potential field are already Group 1 winners, including another Classic-winning colt of 2023, the unbeaten Prix du Jockey Club hero **Ace Impact** (Ire) (Cracksman {GB}), who is currently favourite.

With **Emily Dickinson** (Ire) (Dubawi {Ire}) holding multiple entries at the Arc meeting, Continuous is likely to be the sole runner for Aidan O'Brien and the Coolmore team in the big race and will aim to build on his Classic success at Doncaster 15 days prior to the Arc.

Fantastic Moon, who was ruled out of an Arc bid only last week through fears of soft ground, will now travel to Paris from Munich and will be ridden by Rene Piechulek, who won the race two years ago aboard Torquator Tasso (Ger). Owned by the Liberty Racing 2021 syndicate, Fantastic Moon is set to remain in training next year.

His trainer Sarah Steinberg said, "Fantastic Moon is in excellent form. He worked very well yesterday and handled the workout very well." [Cont. p12](#)

Goffs Orby Sale Cont. from p1

Bred by the Sangster family, the **Frankel** filly boasts a wonderful pedigree being out of a half-sister to **Kingman (GB)**, who supplied one of the major lots earlier in the day.

But it was the **Frankel** filly who dominated and MV Magnier was forced to be strong to see off the attention of Kieran Lalor of Al Shira'aa Farms at €1.85 million.

Magnier said, "We have a long history with the Sangster family and have been very lucky buying off them in the past. She is a very nice filly and **Frankel** is doing exceptionally well. She's very well bred and we're delighted for Ben [Sangster] and all the guys."

He added, "She really has everything so let's hope she's good. A **Frankel** filly with that pedigree, it's a lot of money but, listen, it was probably a fair price for her."

This sale, along with that of Saffron Beach's sister, who made €1.65 million to Amanda Skiffington earlier in the session, contributed to a comeback of sorts at this year's Orby Sale.

If heads were down over a 10% dip in the aggregate, average and median on day one, well then there were no such downbeat feelings at close of play on Wednesday, with all of the key figures on the rise.

Turnover for the entire sale climbed 7% to €53,645,500 while the average was up 2% to €123,893. Of the 497 lots offered, 433 were sold, representing a clearance rate of 87% [down 2% on last year] while the median dropped 2% to €85,000.

Goffs chief Henry Beeby commented, "That Orby is a world class yearling sale has never been in doubt and the last two days has proved the point again. What we strive to do though is to grow and evolve with each year as it is imperative that Goffs is the first choice for increasing numbers of the top yearlings in Ireland as that is our raison d'être. Every spring we travel the length and breadth of the country, and further, discussing, inspecting and selecting with leading breeders. We know there

are alternatives so it means a huge amount to us when we are chosen to handle the sale of any stand out yearling.

"So our evolution takes many forms and this year, of course, it has featured the introduction of the Goffs Two Million Series which has undoubtedly caught the imagination of buyers for its depth and diversity. Combine that with a catalogue full of real athletes, and many blue-blooded pedigrees, and we have seen a two-day trade of real strength across the board. As is sometimes the case it seems that there was a greater concentration of the stand outs on the second day this year which has led to statistics that have almost completely flipped from last year.

"However, we judge the sale in totality and have been pleased to return figures that have improved on last year's superb sale which grew by 24% following a remarkable recovery in 2021. In summary, Orby is once again consistently delivering for vendors and purchasers."

He added, "Selling the best is important so it has been especially pleasing to see the top of the market particularly vibrant as evidenced by the increased numbers of six-figure, two-hundred-and-fifty-thousand, half-million and seven-figure lots. The average has advanced again and the median is the second best on record whilst a clearance rate of 87% tells us that vendors and purchasers are aligned in their assessments."

Goffs Orby Sale Cont.

Beeby said, "A world class catalogue deserves global attention, so we have been delighted to welcome a huge buying contingent from so many countries following another proactive campaign from the Goffs Purchaser Recruitment Team, our international agents and the team at ITM. Of course, I must single out our friends from across the Atlantic who have made the trip in even bigger numbers this year. What a joy they are to have on site and we wish them well with their many Orby purchases.

"Finally, I repeat our thanks to every vendor who has supported the sale as we are truly nothing without their horses and can't do anything without them. At the same time, we are indebted to all our buyers and look forward to cheering their purchases into the winners' enclosure in 2024 and beyond."

"A Collector's Item" - Sister To Saffron Beach Sells For 1.65 Million

A sister to Saffron Beach (Ire) (New Bay {GB}) (lot 356) lived up to her star billing when selling to Amanda Skiffington on behalf

of owner-breeder Fiona Carmichael for €1.65 million.

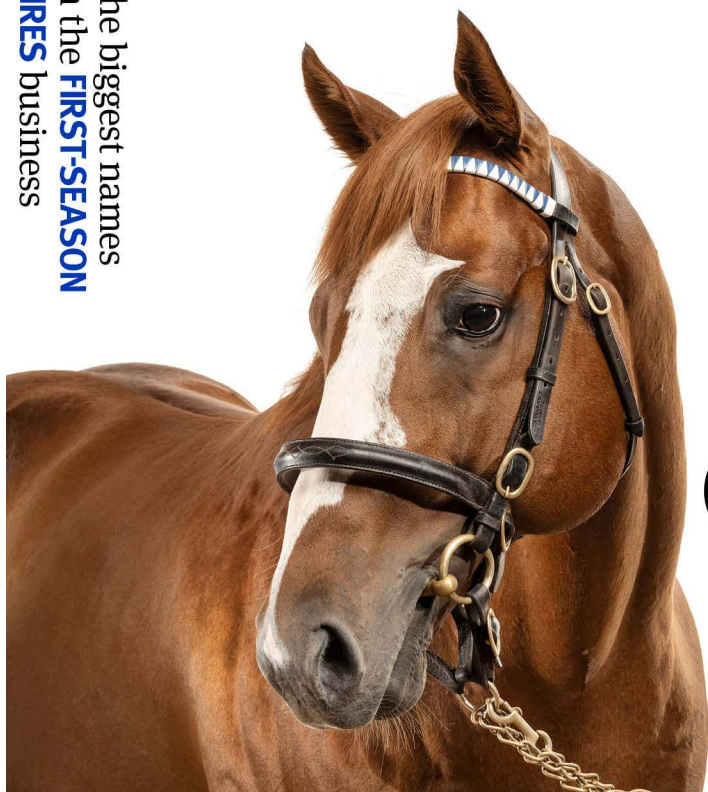

It was Kieran Lalor, bloodstock and racing manager to Al Shira'aa, and Godolphin who pushed Skiffington the hardest for the Ballylinch-drafted sister to the brilliant racemare.

After multiple shakes of the head from Skiffington and some words of encouragement from Goffs chief Henry Beeby on the rostrum, who said, 'you only live once,' the bloodstock agent dug deepest alongside Carmichael atop of the auditorium.

Asked how her heart rate was after landing the top lot, Skiffington said, "Terrible--I feel physically sick!"

Goffs Orby Sale Cont.

Of course, it was Skiffington and Carmichael who landed the brother to Saffron Beach at this sale last year for €450,000.

A six-time winner for Jane Chapple-Hyam, Saffron Beach won twice at the highest level, including the Sun Chariot S. at Newmarket and the Prix Rothschild at Deauville before selling to Najd Stud for 2.6 million gns at the Tattersalls December Mares Sale last year.

Her little sister was described as "a collector's item" on Thursday, with Skiffington revealing how she was determined not to leave the filly behind.

"The pedigree is fantastic," she continued. "She is beautiful and we bought the brother last year, who looks like he could be very good. It did appeal a bit. I thought she was a collector's item, a special filly to breed from. We had to be brave."

"We hoped we wouldn't have to go that far but we knew we had to be brave and Fiona is a brave lady. She's a collector's item and rather special to breed from later on."

Talking Points

- Not since Manchester United roared their way back to a famous 2-1 victory over Bayern Munich in the 1999 Champions League Final has there been a greater comeback. Obviously such a statement is made with tongue firmly in cheek but hats off to Goffs on their comeback on Wednesday. In many ways, it was a flip-flop of sorts compared to last year given day one was stronger to day two in 2022. However, all's well that ends well in this instance, and the booming late trade ensured that all of the key figures were up and that went some way to lifting spirits on the complex.

Goffs Orby Sale Cont.

- Was this the sale where the fillies shone brightest? Obviously the top three lots through the ring at this year's Orby Sale were fillies but many of the top judges on the ground reported that they felt it was harder to buy fillies over colts across the board. And the numbers backed up such a statement. Fillies averaged €156,057 while colts averaged just €121,442 over the two days.
- Nine different buyers were responsible for the top ten lots over the two days. MV Magnier, Amanda Skiffington, Joseph O'Brien, Godolphin [2], Kim Valerio agent for Commonwealth, Hong Kong Jockey Club, De Burgh Equine/Glen Hill Farm, Qatar Racing/China Horse Club and Form Bloodstock filled the list.
- Four well-bred colts are set for Hong Kong after Mick Kinane signed for €1.19 worth of yearlings across the two days, headed by a Mehmas (Ire) colt (lot 400) from Kellsgrange Stud for €500,000. That represented a fine pinhooking profit for Peter and Ross Doyle, who bought the Mehmas colt for 240,000gns at the Tattersalls December Foal Sales. Kinane also landed an Invincible Spirit (Ire) colt (lot 427) for €170,000 from The Irish National Stud on Wednesday to go with the Acclamation (GB) and **No Nay Never** colts he had signed for on behalf of the Hong Kong Jockey Club the previous day.

Stauffenberg Marks Orby Debut With 650k Kingman Colt

Philip Stauffenberg marked his debut appearance as a consignor at the Goffs Orby Sale with a €650,000 sale for his **Kingman** (GB) half-brother to Skitter Scatter (Scat Daddy).

It was Godolphin, returning to the Orby after a four-year hiatus, who saw off the attention of David Redvers and the China Horse Club for the **Kingman** colt that Stauffenberg bought from Airlie Stud here for €550,000 at the November Foal Sales.

The royal blue of Godolphin has been associated with many high-class performers by **Kingman**. Think Noble Style (GB), Noble Truth (Fr) and Persian King (Ire).

Anthony Stroud, who bought lot 313 on behalf of Godolphin, revealed how the powerful operation almost bought the colt as a foal but decided to wait and see how he turned out as a yearling.

He said, "An extremely well-bred horse by **Kingman** and we had Victory Dance (Ire) (Dubawi {Ire}) out of the mare who was bred by Airlie which is a great stud farm. We looked at him as a foal and debated buying him. We thought we'd just leave him

Asked if €650,000 was around the mark he expected to pay for the **Kingman** colt, Stroud added, "Well, I think the choke was out. I don't think we were going to go much further. That was what we valued him at."

All told, Godolphin bought six yearlings at this year's Goffs Orby Sale to the tune of €2,505,000.

Banahan Records Greatest Payday As Breeder

He may be best known as the official starter for the Irish Horseracing Regulatory Board, but Joe Banahan proved that he is also a dab hand at breeding and recorded his greatest day on a sales ground when selling his New Bay (GB) filly to Hubie de Burgh and Craig Bernick of Glen Hill Farm for €480,000.

Banahan, who operates alongside his wife Edel from Moortown House Stud, bred lot 288 out of his mare Coco Rouge (Ire) (Shamardal), the dam of Bernick's Group 3 runner-up You

Send Me (Ire) (**Starspangledbanner** {Aus}). MV Magnier filled the role as underbidder.

Bernick said, "She's a beautiful filly--not as big and rangy as You Send Me but she's well made. When You Send Me was two I always thought she'd be better at three and four but this filly looks like she can run at two and hopefully be a miler at three. We're excited to get her."

Bernick's silks have become a familiar sight on Irish racecourses and his latest acquisition will be trained by Fozzy Stack, who manages the career of You Send Me and sent out Aspen Grove (Ire) (**Justify**) to win the GI Belmont Oaks for Bernick in July.

As well as being a proven producer, Coco Rouge is a half-sister to Jacqueline Quest, who was famously demoted to

second place having finished first past the post in the 2010 1,000 Guineas.

Banahan sourced the mare for just 17,000gns back in 2012 and she takes pride of place among his small but select broodmare band.

Speaking later in the evening, he said, "We're absolutely over the moon. As the fella says, the secret to an overnight success is a lifetime of hard work and we've been working hard for a result like this all our lives.

"The mare has a cracking Space Blues (Ire) (Dubawi {Ire}) filly foal at foot and is happily in foal to **Starspangledbanner**. I suppose, you'd have to be thinking about keeping a filly out of the family now at this stage but we're just delighted with today's result first and foremost."

Donnacha O'Brien To Train 500k Wootton Bassett For American Owners

Donnacha O'Brien's appeal has never been higher and he was put forward as the designated trainer for a €500,000 **Wootton Bassett (GB)** colt (lot 367) by American agent Kim Valerio who was buying on behalf of Commonwealth.

Chase Chamberlain, the co-founder of Commonwealth, the ownership vehicle that has been associated with the Kentucky Derby winner **Mage (Good Magic)** and similarly classy types in America such as Country Grammer (**Tonalist**), revealed ambitious plans to ramp up its involvement in Irish racing, principally with O'Brien.

The **Wootton Bassett** colt, consigned by Glenvale Stud, is out of a sister to Hydrangea (Ire) (Galileo), Hermosa and The United States, and was high up on Valerio's list.

She said, "He's beautiful and was my top choice. He looks like an American horse and I kind of migrate towards those. He's light on his feet and is super smart so I like that."

Chase Chamberlain and Kim Valerio | Goffs/Sarah Farnsworth

Kieran Lalor | Goffs/Sarah Farnsworth

The **Wootton Bassett** colt will represent Commonwealth's second horse in Ireland and Chamberlain explained how he hopes the syndicate can grow in time.

Chamberlain said, "Kim has been busting her hump working this sale. He's going to head to Donnacha O'Brien. He has been crucial in the process.

"We want to find great horses for people and that starts with conviction. We had the same conviction about Country Grammer and Mage. We have great partners and trust people like Kim to help us make great decisions. Hopefully some magic can happen but it starts with quality horses."

Thought For The Day

Credit to Kieran Lalor for bidding strongly on the two top lots on day two of the Orby Sale on behalf of Al Shira'aa. Bernard Condron may have come out with the line of the day when telling Lalor that, 'nobody remembers the second man on the moon,' when the **Frankel (GB)** filly was in the ring.

However, in this case, Lalor's contribution to this year's Orby Sale was memorable despite the fact Al Shira'aa did not walk away with any of the headline acts.

For what the operation has achieved in such a short space of time, namely with the Group 1-winning graduate of this sale, Jannah Rose (Ire) (**Frankel {GB}**), is a testimony to how well run the organisation is.

Lot 322: Starspangledbanner (Aus)--Deira Surprise (GB) (Slade Power {GB})

Consigned and bred by Deerpark Stud (Ire)

Bought by Richard Ryan for €170,000

The second foal of a young mare, this colt with a great action will join Joseph O'Brien's stable for a team which has enjoyed notable success with his sire **Starspangledbanner** through the globetrotting exploits of multiple Group 1 winner State Of Rest (Ire).

A juvenile winner herself, his dam Deira Surprise was bought for 82,000gns four years ago by Suzanne Roberts on behalf of the Fagan family's Deerpark Stud and there was plenty to recommend her. While her full-sister Power Of Beauty (Ire) gained Listed black type and won two races, another two half-siblings have done better still: Unforgettable Filly (GB) (Sepoy {Aus}) won the G2 German 1,000 Guineas as well as two Listed races in Britain, while Raven's Corner (GB) (Raven's Pass) counts the G3 Dubawi S. among his five wins. Farther back the family includes champion sprinter Stravinsky (Nureyev) and recent G3 Sceptre Fillies' S. winner Matilda Picotte (Ire) (**Sioux Nation**).

NEWMARKET: EBEN SHADDAD PUT TO THE TEST IN THE TATTERSALLS

by Tom Frary

What could be classed as Europe's long weekend gets underway on Thursday, with Newmarket hosting the first of the three days of their Cambridgeshire meeting which eventually blends with all the key action at ParisLongchamp.

Central to the opening fixture is the G3 Tattersalls S., or Somerville Tattersall S. as it used to be known, with several of the major stables represented including the Gosdens' Clarehaven operation. Their runner is the **TDN Rising Star Eben Shaddad (Calyx {GB})**, who earned that title with his dynamic display over six furlongs on the July Course in August and who was taken out of the G3 Sirenia S. "Eben Shaddad won his novice well first time out on the July course, he's progressive and we're looking forward to seeing him step up," Thady said of Prince Faisal bin Khaled and Najd Stud's €190,000 Arqana May Breeze-Up graduate. **Cont. p13**

The top 10 lots over the two-day stand were purchased by nine different buyers, with international demand fueling strong trade.

His trainer Charlie Appleby, who has won two of the last three of these including with Modern Games (Ire) (Dubawi {Ire}), commented, "Legend Of Time learned plenty on his debut and looks to have come forward for the run. She added, "We continue to hope for sunshine and good ground conditions in Paris for him to be able to call up his best form. We thought long and hard about which of the races would be the best for Fantastic Moon, and together with the owners we decided against a long trip to the US or Japan for Fantastic Moon this year.

"We will take advantage of the beautiful fall weather in Paris, the dried-up turf at Longchamp and a horse that has recovered very quickly after his last race. A trip to the Breeders' Cup at the beginning of November, or travelling to Japan at the end of November, places an enormous burden on 3-year-old horses, which we do not want to expose Fantastic Moon to.

She added, "The horse has shown everyone that he is a real star, and we are looking forward to his last outing in 2023 on Sunday in ParisLongchamp. I hope that the German turf fans will keep their fingers crossed for our Derby winner, and I am looking forward to a very exciting race against internationally accomplished top opponents."

1.6-MILLION BOOK 1 SENSATION DEBUTS AT NEWMARKET

13.50 Newmarket, Mdn, £10,000, 2yo, c/g, 8ft
DUKE'S COMMAND (GB) (Dubawi {Ire}) is one of the key members of a fascinating cast to one of Britain's most intriguing maidens to be staged this year, being a 1.6million gns Tatts Book 1 purchase who is a grandson of Coolmore's high-class racemare and producer Lillie Langtry (Ire) (Danehill Dancer {Ire}). One of two newcomers from Godolphin's Charlie Appleby stable, which was successful in this with the sire's Ghaifyath (Ire) six years ago, his dam is a full-sister to the Classic heroines Minding (Ire), Tuesday (Ire) and Empress Josephine (Ire), with the former now responsible for a G1 Vincent O'Brien National S. winner in Dubawi's Henry Longfellow (Ire). Pulled from his intended recent debut at Sandown due to soft ground, connections will have no concerns on that score as he comes up against a potent mix of pedigrees and reputations. Bringing experience to the table is Ballydoyle's Curragh runner-up **Ortelius (Justify)**, a \$1.1-million Keeneland September purchase whose dam is a half to the five-times Grade I-winning Rushing Fall (More Than Ready), and Wathnan Racing's William Haggas-trained **Wafei (American Pharoah)**, a relative of Misty For Me (Ire) (Galileo {Ire}) who was

a narrow second to Godolphin's G3 Tattersalls S.-bound Legend Of Time (GB) (**Sea The Stars {Ire}**) at Haydock earlier this month. Other unraced colts looking to make an instant mark are Yuesheng Zhang's 700,000gns Book 2 sensation **Synchronize (Ire)** (**Frankel {GB}**) from the Gosdens and Sheikh Mohammed Obaid Al Maktoum's **Inisherin (GB)** (**Shamardal**), a Kevin Ryan-trained son of the G1 Prix Jean Romanet heroine Ajman Princess (Ire) (Teofilo {Ire}).

My Prospero performed with credit in three elite-level events after annexing last term's G2 Prix Eugene Adam and lined up for this confidence booster coming back off a runner-up finish in the July 29 G2 York S. last time. Steadied in fourth after an alert exit, the 8-11 favourite was scrubbed along to launch his challenge approaching the final furlong and kept on strongly under stern urging in the latter stages to defeat King Of Conquest (GB) (Lope De Vega {Ire}) by a half-length for a third black-type triumph.

"There were a lot of things that weren't ideal today, the main one being the [soft] ground, but he coped with it and did enough," said Maureen Haggas. "We're relieved that he's won and, hopefully, he'll now go for the [G1] Champion S. [at Ascot]. He seems to run the same way whatever grade you run him in, so we may as well go back to Group 1 [level]. He's got stacks of ability and it's a question of concentrating his mind on the job at hand and not on all the other things going on around him. He's a very talented horse, but we've not seen the best of him this year."

My Prospero is the third of six foals and one of three stakes performers out of G3 Weld Park S. victrix My Titania (Ire) (Sea the Stars {Ire}), herself a half-sister to MGSW G1 King's Stand S. and G1 Prix de l'Abbaye third Muthmir (Ire) (Invincible Spirit {Ire}). The May-foaled homebred bay is a half-brother to MGSW G1 Prix d'Isphahan and G1 Doncaster Mile placegetter My Oberon (Ire) (Dubawi {Ire}), stakes-winning G1 Pretty Polly S. runner-up My Astra (Ire) (Lope de Vega {Ire}), a yearling colt by Night Of Thunder (Ire) and a weanling filly by **Wootton Bassett (GB)**.

CHIC COLOMBINE (FR) (f, 2, Seahenge--Little Hippo {GB}, by Halling) took three attempts to relinquish maiden status, doing so at Newcastle in June, and secured a hat-trick of victories with a Sept. 14 nursery handicap score at Doncaster last time. The €10,000 Osarus September graduate went postward as the 10-3 joint-favourite for this British EBF £100,000 2YO Fillies' Series Final and settled off the tempo in mid division for the most part. Making eye-catching headway on the bridle in the straight, she was shaken up to tackle Lexington Belle (Ire) (Belardo {Ire}) approaching the final furlong and was driven out to deny that tenacious rival by 3/4-of-a-length. Chic Colombine is the latest of four foals and one of two scorers produced by a winning half-sister to Listed Eyrefield S. and Listed Martin Molony S. third In The Ribbons (GB) (In The Wings {GB}), herself out of a winning full-sister to G1 Moyglare Stud S. heroine Bianca Nera (GB) (Salse). Descendants of Bianca Nera include

MG1SW sire Postponed (Ire) (Dubawi {Ire}), GSW GI Yellow Ribbon S. runner-up Turning Top (Ire) (Pivotal {GB}), G1 Premio Lydia Tesio victrix God Given (GB) (Nathaniel {Ire}) and MGSW GI Breeders' Cup Juvenile Turf second Silver Knott (GB) (Lope De Vega {Ire}). HAPPY HADED (IRE) (f, 2, Invincible Spirit {Ire}--Marsh Daisy {GB} {SW-Fr, SW-Eng}, by Pivotal {GB}), runner-up over this trip at Newbury in August, stalked the leader Rawaasi (Ire) (Blue Point {Ire}) throughout the early stages. Gaining the upper hand over that rival with a furlong remaining as they drew clear, the 6-4 second favourite stayed on to score by 1 1/2 lengths. The Listed Height of Fashion S.-winning dam, whose son of Kodiak (GB) sells at next month's Book 2 Sale, produced as her first foal that sire's triple listed-placed Light Blush (Ire). Also responsible for a filly foal by Mehmas (Ire), she is kin to the G3 Curragh Cup and G3 Queen's Vase-placed Yankee Doodle (GB) (Dalakhani {Ire}) and to the dam of the dual listed scorer and multiple group-placed Mildener (GB) (Teofilo {Ire}) from a talent-rich Meon Valley family with Bella Colora (GB) (Bellypha {Ire}) as the third dam of this homebred. Lifetime Record: 3-1-1-0, \$15,785. O-Sir Thomas Pilkington & Mrs S M Rogers; B-Mrs S M Rogers & Sir Thomas Pilkington (IRE); T-Hugh Morrison.

NARIKO (IRE) (f, 2, Night Of Thunder {Ire}--Guana {Ire}, by Dark Angel {Ire}), a 600,000gns Tattersalls Craven Breeze Up graduate who is a half-sister to the G3 Molecomb S. winner and G1 Middle Park S. third Rumble Inthejungle (Ire) (Bungle Inthejungle {GB}), had disappointed in two five-furlong starts with the latest being a fifth at Musselburgh in August. Keen trapped wide throughout racing worse than mid-division, the 5-1 second favourite tackled Cervaro Della Sala (GB) (Bungle Inthejungle {GB}) approaching the final furlong and gradually asserted to score by 3/4 of a length. The unraced dam, who also produced the Spanish champion sprinter and G2 Superlative S.-placed Great Prospector (Ire) (Elzaam {Aus}), is related to the G2 Superlative S. winner and Group 1 and Grade I-placed Birchwood (Ire) and fellow sire Prince Sabo (GB). Her filly foal is by **Saxon Warrior (Jpn)**. Sales history: €90,000 Ylg '22 GOFOR; 600,000gns 2yo '23 TATBRE. Lifetime Record: 3-1-0-0, \$8,480. HEBRIDEAN NOMAD (GB) (c, 2, Ulysses {Ire}--Scots Fern {GB}, by Selkirk), fourth on debut over this course and distance earlier this month, was soon in second tracking Dunstan (Ire) (**Saxon Warrior {Jpn}**). Taking until the final 50 yards to get to that rival, the 7-2 shot edged it to score by a short head. The dam, whose family features Selkirk's GI Northern Dancer Turf S.-winning Canadian champion grass horse Forte Dei Marmi (GB), has a yearling colt by Time Test (GB) and a filly foal by Havana Grey (GB). INVOLVEMENT (GB) (c, 2, Lope De Vega {Ire}--Lady Of Dubai {GB} {SW & G1SP-Eng, \$154,122}, by Dubawi {Ire}), sporting a hood for this debut, tracked the leaders in fourth through the early stages. Nudged forward to go second passing the quarter-mile pole, the 11-4 second favourite inched ahead entering the final furlong and quickened clear inside the final 100 yards to easily account for Highland Spring (GB) (Dubawi {Ire}) by four lengths. Involvement is the fourth of five foals and second scorer produced by Listed Height Of Fashion S. victrix and G1 Oaks third Lady Of Dubai (GB) (Dubawi {Ire}), herself a granddaughter of G3 Princess Royal S. winner Head In The Clouds (Ire) (Rainbow Quest).
