

JUDDMONTE'S IDIOMATIC DOMINATES SPINSTER

Idiomat | Coady Photo

Juddmonte homebred **Idiomat** (**Curlin**) continued her ascent to the top of the distaff division Sunday with a dominant and fitting front-running tally in the GI Juddmonte Spinster S., a “Win and You’re In” qualifier for next month’s GI Breeders’ Cup Distaff.

This was the second Spinster title for Juddmonte, which began sponsoring the prestigious race in 2005. Emollient (Empire Maker) carried the famed green and pink to victory here in 2013.

Backed at even-money to repeat rival **Nest** (**Curlin**)’s 4-5 odds, the Brad Cox trainee took clear command from the outset, doled out splits of :24.49, :48.31 and 1:12.24 and never faced an ounce of pressure all the way to the wire, which she crossed 4 1/4 lengths to the good. **Le Da Vida** (**Chi**) (Gemologist) was second, while **Bellamore** (Empire Maker) rounded out the trifecta. Nest could only muster a mild late bid and settled for fourth. The final time was 1:49.82.

“Actually, it was not easy looking at the race on paper with Nest being in there, a very good filly,” said winning rider Florent Geroux. “But my filly just keeps on improving and we know the distance is not a problem. She just keeps improving, and Brad and his team had her at her prime again today. She’s just getting better and better, and I can’t wait to ride her again.”

SATURDAY STAKES RUNNERS ALL EXIT IN GOOD ORDER

Up to the Mark (**Not This Time**) and **Master of The Seas** (**Ire**) (Dubawi {**Ire**}), who finished noses apart in Saturday’s GI Coolmore Turf Mile, both exited the race in good order, according to their connections.

“He [Charlie Appleby] usually likes to let the dust settle a couple days after the race and then decide,” traveling lad Chris Connett said.

Following the race Saturday, Appleby indicated Master of The Seas could return to Europe Tuesday or Wednesday or possibly stay here if a Breeders’ Cup run is in the cards.

Trainer Todd Pletcher is finalizing travel plans for his Breeders’ Cup contingent that likely will include—in addition to Up to the Mark—GI Darley Alcibiades winner **Candied** (**Candy Ride** {**Arg**}) along with GI Claiborne Breeders’ Futurity winner and ‘TDN Rising Star’ **Locked** (**Gun Runner**).

Florent Geroux gives Idiomatic (Curlin) a pat following a dominant performance in Sunday's GI Juddmonte Spinster S. | Coady Photography

NATIONS PRIDE & FEV ROVER ADD CANADIAN GIs

A flurry of graded stakes activity across North America featured Sunday from coast to coast. We have all the results, including the GI Canadian International and the GI E.P. Taylor, both at Woodbine.

Spinster, cont. from p1

After methodically moving through her allowance conditions at Turfway Park at the start of the year, Idiomatic made her stakes debut a winning one in that venue's Latonia S. in March. She was a well-beaten second in Belmont's GII Ruffian S. in May before putting them back-to-back in the GIII Shawnee S. at Churchill in June and GII Delaware H. the following month. Idiomatic was last seen defeating the accomplished pair of Secret Oath (Arrogate) and Nest in a sloppy renewal of Saratoga's GI Personal Ensign S. Aug. 25.

This was Brad Cox's first Spinster victory. Of winning it for the famed operation whose name it carries, he said, "It's very special, and I want to thank [owner Fahad bin] Mr. Khalid and his family and obviously the Juddmonte team here in America. This is a big win for this filly, it's her second Grade I. She's had a fantastic year. [This race is] a 'Win and You're In' [for] the Breeders' Cup so we're excited about that. I've run four or five fillies in the past in [this race] and haven't had much luck, so she was able to break through for us today."

Cox said of Idiomatic, "She's a tremendous talent, very physical, really. When I was saddling her in the paddock, I was, like, 'Wow, she's the biggest horse I've ever trained.' She's a monster. She has a tremendous stride and covers so much ground. She's really a freak--I mean, she really is a tremendous talent, and we're very fortunate to have her."

Pedigree Notes:

Idiomatic is the second-straight Spinster winner by super sire **Curlin** (last year's winner Malathaat took the Distaff next out en route to her second-straight Eclipse), and one of his 22 highest-level winners. **Cont.**

Spinster, cont.

Idiomat is a fourth-generation Juddmonte-bred and hails from the direct female line of Broodmare of the Year Best in Show (Traffic Judge), whose daughters have been brilliant producers and are responsible for a plethora of top horses over the last 50 or so years. One of those top horses was Juddmonte homebred, **'TDN Rising Star'**, and champion Close Hatches (First Defence), a full-sister to Idiomat's stakes-winning and multiple Grade I-placed dam, Lockdown, who was fourth in the 2017 Juddmonte as a sophomore. Close Hatches is the dam of **Tacitus (Tapit)**, whose big wins included the 2019 GII Wood Memorial S. and whose placings included the GI Kentucky Derby and GI Belmont S.

Broodmare sire First Defence, another Juddmonte homebred descending from the operation's wonderful Broodmare of the Year Toussaud (El Gran Senor), has 14 stakes winners out of his daughters. He is also the broodmare sire of 2021 GI Hollywood Derby hero Beyond Brilliant (**Twirling Candy**). First Defence now stands in Saudi Arabia.

Lockdown died in 2022 after producing just three foals. She has an unraced 3-year-old filly named Abditory (**Medaglia d'Oro**) and a yearling filly by Into Mischief.

Saturday winners exit well, cont. from p1

Meanwhile, Baldo Hernandez, assistant to Chad Brown, reported the trainer's three runners from Saturday's GI First Lady S. exited the race in good order with immediate plans to be determined.

Brown did not commit to a next start for GI Champagne runner-up **General Partner** ([Speightstown](#)).

"I want to see how he trains a little bit, and see if we want to try two turns now in the Breeders' Cup or wait until next year," Brown said. "At some point I will try him two turns, he relaxes

nnicely. He gives me the feeling that he would be able to do it, but we'll have to see if he'll be in the Breeders' Cup or not."

The Champagne winner, **'TDN Rising Star' Timberlake** (Into Mischief), is likely bound for the Breeders' Cup.

"He came back really good," said Dustin Dugas, assistant to Brad Cox. "He cooled out really good. He heads back to Kentucky today. I was very happy with the way he won and Florent was happy, too. He's just a cool dude. It seems like he's one that can stretch out for sure."

**War Like Goddess Saturday** | Sarah Andrew

Bill Mott's **War Like Goddess** (English Channel) and **Just F Y I** ([Justify](#)) both returned from their respective wins in good order.

At Santa Anita, trainer Bob Baffert reported **'TDN Rising Star' Muth** ([Good Magic](#)) and **Wine Me Up** (Vino Rosso), the one-two finishers in Saturday's GI **American Pharoah** S. for 2-year-olds, were both doing well Sunday morning. The same was said by Mark Glatt of **Chatalas**, winner of Saturday's GII Chandelier S. at 1 1/16 miles for 2-year-old fillies.

Both Muth and Wine Me Up will both be pointed to the GI Breeders' Cup Juvenile.

"I don't like to look too far ahead until I see them work back, but that's the plan for now," Baffert said.

As for Chatalas: "She's in good shape," Glatt said. "Things worked out for her yesterday. We always thought she'd be better at two turns, but I don't believe it until I see it. She proved what we thought."

WELL-TRAVELED NATIONS PRIDE GETS UP LATE TO TAKE CANADIAN INTERNATIONAL

Nations Pride | Michael Burns

It should shock no one that Godolphin homebred **Nations Pride** (Teofilo {Ire}) has a more-frequently used passport than most of his human connections. The star 4-year-old has raced (and won) in his native England, is a Grade I winner in the United States, a graded-stakes winner in the United Arab Emirates and most recently took a Grade I race in Germany July 30 before shipping north of the border to Woodbine.

Racing with the addition of Lasix for his Canadian debut, the son of Teofilo certainly wooed the betting public who dispatched him at favorable odds of 2-5 facing six rivals. **Royal Champion** (Shamardal) broke widest of the field but had enough early speed to clear down to the rail into the first turn and quickly opened up a multi-length gap back to Nations Pride in a stalking second. The leader cruised through a :25.42 opening quarter and no one bar the eventual winner was making up any ground as Royal Champion swung into far bend. Even by the top of the stretch, Nations Pride had plenty of work left to do and was angled out to come after the pacesetter. Gobbling up the ground late, the Godolphin runner reeled in Royal Champion and drove past in the closing yards to win in a driving finish.

"I've ridden in the Canadian International a few times before and I've been placed a few times so it's great to win it," said winning jockey William Buick. "I knew with Nations Pride I had a pretty good horse so it's just about getting everything right. The

track was a bit of a concern, the yielding surface, but he really showed how versatile he is and he's a high-class horse."

"The concerns going out was the ground changing to yielding," added Charlie Appleby, in the winner's circle. "To be fair, in Germany, it was probably on the slower side, but we thought the change might be positive.

"We'll stick with plan A," Appleby responded when asked about a potential next start. "We won't go to the Breeders' Cup. We don't think he stretches out that mile and a half, so we'll take him to [G2] Bahrain [Trophy], and then contemplate if Hong Kong might suit him. But our immediate target will be the Bahrain Trophy."

Pedigree Note:

By European champion Teofilo and out of a mare who picked up her own stakes win in Germany, Nations Pride has a yearling full-sister and a weanling half-brother by Ghaiyyath (Ire). Important Time (Ire) is herself a daughter of G1SW Satwa Queen (Fr) who topped the 2007 edition of the Tattersalls December Mare Sale when bringing a final bid of 3,400,000gns to Godolphin (purchasers of the sales top three hips for a combined 9.8m guineas). Her daughter Amerindia (GB) (Dubawi {Ire}) is responsible for Australian MG1SW Militarize (NZ) (Dundeel {NZ}) while another daughter produced GISW Lucky Vega (Ire) (Lope de Vega {Ire}).

TRACY FARMER'S FEV ROVER BESTS THEM ALL IN E.P. TAYLOR

The trip might have been unusual, but rider Javier Castellano knew what he had under him as **Fev Rover (Ire)** (Gutaifan {Ire}) captured Sunday's GI E.P. Taylor S. at Woodbine. The bay showed the way early from the rail, but was quickly under pressure as 50-1 **Rocky Sky (Ire)** (Rock of Gibraltar {Ire}) dogged her from the outside through fractions of :25.66 and :50.29. The rest of the field was strung out and just after the half-mile mark, Fev Rover yielded to let Rocky Sky go while she dropped back to third for about three furlongs. She was far from done, however, and switched outside on the turn to come on again.

Fev Rover | Michael Burns

Entering the stretch, Fev Rover got the jump several paths to the inside of battling Charlie Appleby trainee **With The Moonlight (Ire)** (Frankel {GB}), a MGSW/MGISP Godolphin homebred, and last year's Queen's Plate winner **Moira (Ghostzapper)**, the reigning Canadian Horse of the Year. She swapped to her wrong lead about a furlong from home, but had

the race in hand, prevailing by 2 1/4 lengths while With The Moonlight outgunned Moira. The latter had beaten Fev Rover in their respective last outs, the GII Canadian S. Sept. 9.

Final time for the 1 1/4 miles over the good course was 2:04.20.

"I expected it to be my horse in the lead," said Castellano. "I felt a lot of pressure outside. I tried to ride a smart race."

Fev Rover was no slouch before being imported to North America last year. Under the tutelage of Richard Fahey, she had raced in England, Ireland, France, and Bahrain, with her scores including the G2 Ghadwell Prix du Calvados at two and her placings including the G1 QIPCO One Thousand Guineas at three. Fahey, under Musley Bank Stables, consigned her to the 2021 Tattersalls December Mare Sale, where Tracy Farmer picked her up for 695,000gns. Shipped to North American and Mark Casse in 2022, she made just three starts at four, all at Woodbine, defeating Moira in the GII Canadian S. and finishing third via DQ in that year's edition of the E.P. Taylor. She opened her 2023 campaign with guns blazing, starting her year with three consecutive 99 Beyer Speed Figures. With the E.P. Taylor, Fev Rover was adding her second Grade I score following a victory over Gina Romantica (Into Mischief), winner of Saturday's GI First Lady S. at Keeneland, in the GI Beverly D. S. Aug. 12 at Colonial Downs, where she had earned a fees-paid berth to the GI Breeders' Cup Filly and Mare Turf. She also has captured the GII Nassau S. and finished third in the GI Diana S. at Saratoga this summer.

Casse had indicated prior to the E.P. Taylor that Fev Rover was indeed being pointed to the Filly & Mare Turf, which will be contested Nov. 4 at Santa Anita.

Pedigree Notes:

Fev Rover is the first top-level winner for Gutaifan (Ire), who stands at Haras des Faunes in France. The MGSW & G1SP stallion has four black-type winners total, with Fev Rover the only one venturing to this side of the pond. The Dark Angel (Ire) sire raced solely at two.

The late Epsom Derby and Breeders' Cup winner High Chaparral (Ire), sire of Fev Rover's dam, has 69 stakes winners out of his daughters. Laurelita (Ire)'s last reported foal is a yearling colt by Gutaifan's sire, Dark Angel. From the extended family of GISW Seek Again (**Speightstown**), she also has a 2-year-old filly named Leveret (Ire) (Invincible Army {Ire}), who has placed in one start in England this year. **Cont.**

Longshot Can Group rallied from last to first at 27-1 in Sunday's GII Castle & Key Bourbon S. at Keeneland to narrowly stamp his ticket to the GI Breeders' Cup Juvenile Turf. Last-out Sapling S. scorer Noted came out on the wrong end of a tight photo, while Pepsi Juvenile Sprint S. winner Vote No rounded out the lucrative trifecta.

Sandwiched at the start and back to last as the full field scrambled for position into the first bend, Can Group was still patiently handled by Francisco Arrieta as they straightened. He was able to sneak through a seam in midstretch, kicked it into

high gear from there and zoomed down the center of the course to nip Noted at the line.

Official fractions and a final time were never posted. TimeformUS's Craig Milkowski later tweeted an estimated final time of 1:43.73.

"He was [last going into the final turn]," noted Arrieta, who was celebrating his first Keeneland stakes win. "When I moved and he saw the leaders, he just took off and, wow, it was amazing. I felt like I crossed the wire in front. He was rolling. I won with him at Kentucky Downs and he came from off the pace very nice, slow, so today I planned the same. Relax, give him time and make one move, and he showed up."

The winner was third in a pair of dirt sprints at Ellis to kick off

his career before breaking through in visually impressive fashion going seven panels on the Kentucky Downs sod Sept. 2. **Cont.**

Bourbon Pedigree Notes:

Can Group builds on a strong month-plus in Kentucky for his young sire (by Harlan's Holiday), who was also represented by the \$1-million GIII Big Ass Fans Music City S. winner--his first at the graded level--and \$1-million Dueling Grounds Oaks runner-up on the same weekend Can Group earned his diploma. He is one of 32 stakes winners and 13 group/graded winners worldwide out of **Street Sense** mares.

The winner's unraced dam has now been responsible for a trio of juvenile stakes winners, including 2019 Prairie Gold Lassie and Iowa Sorority S. winner Flat Out Speed, who stretched out effectively to take the GIII Iowa Oaks at three. Starlight Racing purchased Blue Gallina's yearling filly by Authentic for \$310,000 at Fasig Saratoga. She failed to produce a foal for 2023, but was bred back to **Jack Christopher** for 2024.

Amernan homebred Endlessly upped his perfect record to three-for-three as he made 4-5 odds look like a gift in Sunday's GIII Zuma Beach S. at Santa Anita. The bay donned cap and gown over a mile at Del Mar July 30, and returned over the same course and distance Sept. 10 to annex the GIII Del Mar Juvenile Turf S. by another daylight margin.

Getting a spin around the same trip as the GI Breeders' Cup Juvenile Turf Nov. 3 this time, Endlessly settled into a midpack spot as his stablemates Ngannou and Formidable Man (**City of Light**) sat first and second through a half in :46.27. The favorite began to creep closer approaching the quarter pole with Florida invader Grand Mo the First revving up to his outside, made his move up the fence as that foe swung wide and then tipped one off the rail to overtake Ngannou while bumping with the tiring Formidable Man. Once able to fully level out, he asserted his superiority and ran up the score. Ngannou held second from Grand Mo the First.

"I was tracking the pace, there were a couple of horses in front of me and I was saving ground the first turn. Around the 3/8 when I was ready to start making my move I was a little surprised because he is the kind of horse when you ask him he picks it up right away, but today it took him a couple of jumps to figure out that he had to start making his move. I wanted to go outside, but then I saw the rail open for me and saw the opportunity to come through and make up more ground, so I decided to come between horses. My horse is really professional--he came through the horses really well and after that he just passed everybody like the last couple of races. He's improving with every race."

Pedigree Notes:

Endlessly is one of three graded winners and five stakes winners for his young sire. He is one of 80 worldwide stakes winners (20 group or graded) out of Langfuhr mares. Out of French import and SoCal SW/GSP Society Dream, dam Dream Fuhrever is a half to the dam of the Amermans' GISW Coffee Clique (**Medaglia d'Oro**) and MGSW Admission Office (Point of Entry). Another half-sister is responsible for this year's Hawthorne Derby winner Act a Fool (**Oscar Performance**). Dream Fuhrever produced a full-brother to Endlessly in March and was bred back to **Oscar Performance** for the fifth straight year.

The undefeated Dreamfyre, both stretching out and trying turf for the first time, went straight to the front in Sunday's GIII Surfer Girl S. at Santa Anita. Sent at 9-5, she covered the first quarter in :23.55 and half in :48.59 with her ears flicking back and forth as Kentucky Downs maiden winner and Untapable S. third Buttercream Babe tested her from the outside while under a hard hold.

Del Mar maiden winner Soho (**City of Light**) made a huge, eye-catching move on the turn but couldn't sustain her rally as the three lined up across the track coming into the lane. Dreamfyre wasn't done and neither was Buttercream Babe. **Cont.**

Surfer Girl, cont.

They left Soho behind and battled nip and tuck to the wire with Dreamfyre holding on by a neck, but a lengthy stewards' inquiry and rider's claim of foul against the winner for making contact ensued. In the end, there was no change to the order of finish. Del Mar Juvenile Fillies Turf S. winner and \$625,000 Keeneland September purchase Flattery, who raced in third for the first half, lost position, and came on again, finished third. Final time for the mile was 1.37.11.

Dreamfyre (right) | Benoit

"There was a little bit of contact, but I always stayed in my lane," said winning rider Hector Barrios. "The other horse came very close on my outside, and I think that was all that happened. They were just coming too close together. I didn't think that interfered with the result."

Dreamfyre was a \$140,000 OBS April purchase by Danny Eplin after she worked a **furlong in 9 4/5**. Breaking her maiden on debut in Pleasanton's Everett Nevin S. in July, she shipped to SoCal and promptly bagged the GIII Sorrento S. at Del Mar in August over the dirt. She is now three-for-three, a multiple graded stakes winner, and a graded winner on both dirt and turf.

Winning Northern California trainer O.J. Jauregui said following the win, "She ran big and I'm glad she did. She should get a lot out of this and maybe after this race she could go a little further. That was the question, the distance and the turf. The sire was a turf horse so I knew we had a shot. If she looks great, we will go and give Breeders' Cup [Juvenile Fillies Turf] a shot."

Pedigree Notes:

Top five U.S. freshman sire **Flameaway** is the sire of Dreamfyre and is one of only two U.S. freshmen of 2023 with a graded stakes winner to date. The Darby Dan sire has two black-type winners in this initial crop and 14 individual winners. Both his

stakes winners and a number of his winners are from A.P. Indy-line mares. Dreamfyre is out of a **Sky Mesa** mare. **Sky Mesa**, a veteran stallion who stands at Three Chimneys, has 36 stakes winners out of his daughters.

Appreciating, third in the 2013 GII Natalma S., also had the 2020 GI Starlet S. third Nasreddine (**Nyquist**). Her yearling filly is a full-sister to Dreamfyre and brought \$375,000 from Colts Neck Stable at Keeneland September. The mare's 2023 colt by **Gun Runner** was born June 7. Appreciating is a half to the dam of 2016 GI Longines Just a Game S. winner Celestine (Scat Daddy); Celestine's sire, Scat Daddy, is also **Flameaway**'s sire.

Flashy and exciting New Jersey-bred Book'em Danno took his talents out of his home state Sunday to remain unbeaten in the rained-off Futurity S., which originally carried Grade III status as well as a "Win and You're In" berth to the GI Breeders' Cup Juvenile Turf Sprint before the surface change. The Breeders' Cup will conduct a review of the race Monday to determine if an automatic invitation will be extended to the winner.

A 9 1/2-length debut romper against fellow state-breds at Monmouth Aug. 12, the dark bay gelding led home a 1-2-3 for NJ-breds in the open Smoke Glacken S. Sept. 9. **Cont.**

Futurity, cont.

He was further flattered when runner-up Sea Streak (Sea Wizard) ventured to Ozone Park last weekend to best a salty group of local maidens, and loomed very large here when the turf question was taken out of the equation.

Away a touch awkwardly from his outside draw, Book'em Danno sat perched out wide and within striking distance as Works for Me posted splits of :22.09 and :45.27. The chalk ranged up ominously entering the straight, leveled off and widened at will.

Book'em Danno | *Chelsea Durand*

"He broke well and I had a good trip. Two horses went to the front and I was just stalking them from off the pace. When I asked him to go, he responded very well," said winning pilot Jose Ortiz, fresh off a pair of Grade I scores Saturday at Keeneland. "I rode him like much the best and he was much the best. I worked him in the morning and he showed in the morning that he's a good horse. I was very confident. I got a great post today and he just responded very well for me when I asked him. He's a nice horse."

Despite Book'em Danno's success so far sprinting, as well as his sire's, trainer Derek Ryan said his trainee should stretch out: "He'll go as far as I want him to go. I had a horse a few years ago--[MGSW and 2009 GI Kentucky Derby and GI Preakness S. runner-up] Musket Man (Yonaguska)--and everyone told me [about stretching out], 'he's six furlongs, he can't do that.' You train them to do whatever you want."

As for trying the one-mile Nashua S. Nov. 5, Ryan said, "We'll see what we're going to do with him. We might try the Nashua, but I don't like to over-run a young 2-year-old. Next year is a long year. I might be tempted to go a little farther, who knows."

Pedigree Notes:

Book'em Danno is one of three black-type winners for his young sire (by **Kantharos**), and will be his first graded stakes winner should the American Graded Stakes Committee reinstate the race's original grade.

It was a very productive week for the winner's dam Adorabella, whose yearling colt by **Classic Empire** topped the first session of Fasig-Tipton's Midlantic Fall Yearlings sale. [Read more here.](#)

She found no challengers from there on in, and cruised under the line a dominant victress from last-out New York-bred stakes fourth finisher Tricky Temper. A Primera Vista, second in the Minnesota-bred Northern Lights Debutante S. at Canterbury last out, was third.

"I broke a step slow and I asked her to get herself into the race from there," said winning pilot Flavien Prat. "Once I hit the turn, she just swapped leads and naturally on her own took me there. I didn't want to take anything away that came easy."

Trainer Jorge Abreu said, "The main thing I like about her is that she relaxed a little bit today. That was my worry. When she ran the first time [going] 5 1/2 [furlongs], you know how they can be mentally, especially the fillies--they want to be a little keyed up and stuff like that. The first day we galloped her after the race, she looked like she was going to go the other way, but then she's got a pretty good, level head, that filly."

As far as what could be next, the conditioner said, "My goal is to make it to the Breeders' Cup with her. I think she's that kind of horse. [Which race] is something we have to sit down and see. We'll see how she comes out in the morning and take it from there. I would rather go a mile. A mile on the turf. My first preference is turf."

Jody's Pride | Susie Raisher

Pedigree Notes:

Jody's Pride is her sire's 35th Northern Hemisphere black-type winner, and would be his 19th grade/group winner should the original grade of this race be reinstated after review. She is the 27th Northern Hemisphere stakes winner out of a Scat Daddy mare. Mackinnon, the multiple stakes-winning juvenile who was third in the 2021 GI Breeders' Cup Juvenile Turf, is bred on this same **American Pharoah**--Scat Daddy cross.

Steve Weston's Parkland Thoroughbreds and trainer Jorge Abreu also campaigned the winner's dam, who was a \$250,000 Fasig-Tipton Saratoga yearling and won both of her starts in turf sprints against fellow New York-breds. Jody's Song's prior foal Empathy (**Uncle Mo**) broke her maiden going seven furlongs on the Belmont grass in July. A half-brother to MGSW/GISP Make Mischief (Into Mischief), Jody's Song has yearling and foal full-brothers to Jody's Pride. She most recently visited **Epicenter**.

The upset winner of Saratoga's GI Alabama last time out, Randomized proved that was no fluke effort when handily defeating three rivals in gate-to-wire fashion in the GII Beldame S. **Cont.**

Beldame, cont.

Only 7-1 in the Alabama facing GI CCA Oaks winner Wet Paint (**Blame**), the Klaravich Stables runner took considerably more money Sunday when facing three older yet over-matched runners as a chalky 1-5. With the best break of the quartet, Joel Rosario had his runner back in her most comfortable position up front and she led easily with both GI Beholder Mile winner A Mo Reay and GSW Nostalgic flanking her to either side off her heels. Allowed to have things all her own way, Randomized cruised through a :25.02 opening quarter and ran nearly the entire length of the Aqueduct backstretch with her ears pricked. Her rivals came three wide behind her into the turn as longshot Riding Pretty (Jack Milton) made an early move but could never draw alongside the eventual winner. A Mo Reay looked the closest to making a run but Rosario barely moved on Randomized with a furlong to run and the filly drew off in style to pick up her second straight graded-stakes win.

"She was very quick out of the gate," said Rosario. "I was trying to get her to settle, because if you let her go, she can go 22 [seconds]. I was able to get into the first turn and get her to relax. She dropped the bridle really nicely and I feel like she did a good job."

Pedigree Note:

Richard and Connie Snyder's Cove Springs acquired French Passport, a half-sister to MGSW/MGISP Smooth Air (Smooth Jazz), GSW Overdriven (Tale of the Cat) and the dam of MGISW Got Stormy (Get Stormy), for \$200,000 in foal to **American Pharoah** at the 2018 Keeneland November Sale. Klaravich also owns the 2-year-old half-brother to Randomized, Marginal Cost (**Justify**), who fetched \$10,000 less than his half-sister at KEESEP last year. French Passport is also responsible for a **Frosted** filly that RNA'd for \$400,000 at Keeneland last month and a weanling filly by **Maxfield**.

Big Invasion ventured north of the border for the first time and will bring home the hardware from Sunday's GII Nearctic S. at Woodbine. Breaking from the 11 post, he raced in the clear, midpack, and outside behind :22.32 and :45.53 fractions set by GSW & MGISP Masen (GB) (**Kingman {GB}**). The second-longest shot on the board, 104-1 MSW & GSP Rockcrest (Old Forester), tracked throughout and found the front in the lane, only tiring very late as he was swamped by a slew of challengers. Meanwhile, Big Invasion was rolling down the middle of the course and flew to the line as eight horses, including Rockcrest, hit the wire almost simultaneously. The photo showed Big Invasion a head the best.

The Nearctic winner had been cross-entered in Saturday's Belmont Turf Sprint, but trainer Christophe Clement was reported to choose this race due to the heavy rain New York had Saturday. Rain at Woodbine left the course yielding, but the Nearctic stayed on the grass. **Cont.**

Big Invasion | Michael Burns

“He handled the ground well, that was no question,” said winning rider Dylan Davis. “I had to settle on into the two path into the turn and back out. He responded great for us and fought tooth and nail to the wire. I love him. I’ve been watching him all year round in New York and in Florida. He’s a nice, big, strong horse.”

Last seen finishing second Sept. 2 in Saratoga’s Harvey Pack S., Big Invasion had tested overseas waters this summer but found them too deep in the G1 Queen Elizabeth II Jubilee S. at Royal Ascot. He had better luck on North American shores, finishing runner-up to Caravel (Mizzen Mast) in the G1 Jaipur S. two weeks prior to the QEII. A five-time listed stakes winner, Big Invasion’s biggest score during a six-race win streak in 2022 was the GIII Quick Call S. at Saratoga, which netted a 100 Beyer Speed Figure.

Pedigree Notes:

Former Coolmore stallion Declaration of War has stood in Japan since the 2019 season. Worldwide, he has 48 black-type winners and 27 at the graded/group level. The son of **War Front** has had Grade I/Group 1 winners in the U.S., Canada, Australia, and France. Big Invasion is one of two of his stakes performers out of a **Curlin** mare; **Curlin** has 15 stakes winners out of his daughters.

The first three foals out of Curls in Place are all stakes horses, but Big Invasion is her first stakes winner. The mare’s unraced 2-year-old colt, Air Invasion (Air Force Blue), was a \$105,000 purchase last year by Grade One Investments at Keeneland September, while her yearling colt, War Cadence (**War of Will**), was a \$200,000 Gary Barber and Pantofel Stables buy at the same sale this year. After failing to produce a foal this year to the cover of **Maclean’s Music**, Curls in Place was bred to Bolt

d’Oro for next term. Curls in Place shares a third dam--Nureyev’s Best--with last year’s champion 3-year-old filly Nest (**Curlin**), as well as with GISW **Idol** (**Curlin**), and Saturday’s Jockey Club Derby Invitational S. winner Lost Ark (**Violence**).

Perhaps the easiest way to get back in the winner's circle? Face only one rival. Gerrymander, not seen crossing the wire first since her win in last summer's GII Mother Goose S., got the better of MTO entry Sunset Louise in a rained-off edition of the Noble Damsel S.

In a field scratched down to just the pair of entries, Chad Brown and Klaravich Stables picked up their second graded stakes win of the afternoon at Aqueduct. The 4-year-old had been competitive if not victorious on the NYRA circuit this season, posting four on-the-board finishes of five starts including a last-out second facing allowance horses at Saratoga Aug. 19. Dispatched at 1-5 in Sunday's match race, Gerrymander remained head and head with Sunset Louise through the opening quarter, even letting her rival stick a neck in front heading up the backstretch. But once Jose Ortiz let his filly go into the far turn, the race was all but over. Gerrymander came home on cruise control and, as John Imbriale called it, "won by a pole".

"My horse was much the better than the other one," said Ortiz. "We both broke clean and stayed pretty much together the whole race until the three-eighths pole when my filly was much the best and drew away from the other one."

Pedigree Notes:

Ruby Lips RNA'd at FTKNOV back in 2021 for \$725,000 after producing MGSW Lone Rock (Majestic Warrior) along with three other winners. Her half-sister, Like a Gem (Tactical Cat), is responsible for MGSW Hard Not To Like (**Hard Spun**) who herself has twice gone through the sales ring for seven figures--most recently for \$2.2m at the 2015 KEENOV Sale to DATTT Farm. The winner has an unraced 2-year-old **Tapit** half-sister and her yearling **Constitution** half-brother brought \$450,000 at Keeneland last month. Ruby Lips foaled another **Constitution** filly this spring and she returned to that same stallion this year.

2016 MILE WINNER TOURIST

Tourist (2011 dark bay or brown horse, Tiznow--Unbridled Melody, by Unbridled's Song) | **Lifetime record:** MGISW, 18-6-3-4, \$2,170,340 | **Breeders' Cup connections:** B-WinStar Farm LLC (KY); O-WinStar Farm LLC, Wachtel Stable, and Gary Barber; T-William I. Mott; J-Joel Rosario. | **Current location:** Rockridge Stud, Hudson, NY.

The blinkered **Tourist** ran into a scorching :21.81 and :44.61 pace in the 2016 GI Breeders' Cup Mile, split horses in a thriller, and emerged from battle not only with the win, but with the Mile record. In 39 years of Breeders' Cups and so many champions, no one has run the eight furlongs on the grass faster than his blistering 1:31.71.

After standing his first few seasons at WinStar in Kentucky, **Tourist** relocated to Rockridge in New York for the 2023 season.

"Tourist is the perfect blend of fire and nice," said Maryke Roeloffze, Rockridge's stallion manager. "He knows just how handsome he is and loves to strut and prance, but bring out the peppermints--he turns to putty in your hands."

Erin Robinson, Rockridge's stallion director, added, "I'm delighted to have **Tourist** in the barn; he is a wonderful addition to New York for those breeding to race." --Jill Williams

Still a maiden off a pair of seconds in turf sprints at both Ellis and Kentucky Downs, Committee of One jumped up into stakes company and rewarded his backers at 7-1 with the narrowest of wins in the Indian Summer S. Racing in the back half of the field after a bumpy beginning, the Steve Asmussen trainee stayed wide and in the clear up the backstretch run in pursuit of Riparound (**Uncle Mo**) through a :21.40 opening quarter. As the group fanned across the track passing the quarter pole, Committee of One produced a strong outside bid, hooked up late with Amidst Waves and dueled that rival to the line in a head-bobbing result that had to be decided by the judges.

"I had a very nice trip," said winning trainer Steve Asmussen. "I knew there was a lot of speed in the race. I was very confident with him and comfortable where he was traveling. As soon as we passed the three-eighths (pole), I asked him to pick it up, and he picked it up beautiful. Down the lane he just kept coming, and he got the job done."

Dancing Duchess ran second twice against black-type company this summer at Woodbine after breaking her maiden at second asking there June 17. Stepping up in the GI Natalma S. in Toronto Sept. 16 she was disqualified and placed last. Installed as the 5-2 choice here, the dark bay filly trailed the field up the backstretch, launched her bid to the outside around the far turn and with a furious rush late in the game, she got up to win just in the nick of time. The winner's dam, who is a half-sister to Canadian Horse of the Year Fatal Bullet (Red Bullet) and SW Millennia (Milwaukee Brew), foaled Feb. 6 a filly by **Charlatan** and she was bred to **Olympiad** for next year. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

RACING'S UNIQUE CLAIM TO SPORTING IMMORTALITY

A life in the spotlight: **Frankel** is led in after winning the Juddmonte International | *Racingfotos.com*

By Paul Hayward

Only in racing are the best sent off to stud to produce new - or preferably better - versions of themselves. Roger Federer, say, will have fielded countless offers for his retirement years - but not that one.

To watch magisterial Thoroughbreds race is privilege enough. But we then get to see fresh manifestations of them arrive as foals. Champions retire but their progeny take over and keep the family story going.

For many of us the end of **Frankel**'s racing career was hard to bear. Yours truly felt a bit better about it after a visit to Juddmonte to give him a pat and write about his new life as a stallion. His change of role was such big news that BBC Radio 5 Live broadcast a 90-minute programme on how it might turn out.

When I made the pilgrimage to Juddmonte, he was showing early promise. Now, he is the big daddy of sires. It's **Frankel**'s world: we all just live in it.

The last week or so has affirmed once more his extraordinary potency.

CLASSIC WINNER CACHET RETIRED; HEADS NEXT TO TATTERSALLS

Cachet (Ire) (Aclaim {Ire}), the winner of last season's 1000 Guineas, has been retired and will be seen next in the Tattersalls December Mares Sale.

The filly, owned by Highclere Thoroughbred Racing, gave Newmarket trainer George Boughey his first Classic success at the Rowley Mile and was narrowly denied a follow-up victory in France when second by a head to Mangoustine (Fr) (Dark Angel {Ire}) in the G1 Poule d'Essai des Pouliches.

Cachet picked up an injury when fifth in the G1 Coronation S. at Royal Ascot the following month and was off the track for 457 days before resuming at Doncaster this September. Her comeback run in the G3 Sceptre Fillies' S. saw her take fourth place, before finishing down the field in the G1 Prix de la Foret on Arc day.

Frankel, cont. from p1

First, his grandson (via Cracksman) Ace Impact won the Prix de l'Arc de Triomphe with an exhilarating burst of power. Chasing him home were two sons of **Frankel**, Westover and Onesto. A couple of hours later his daughter Kelina won the Group 1 Prix de Foret. Longchamp's podium on Arc day was the **Frankel** show.

Then, four days later, a **Frankel** colt out of Bizzarria became (at current exchange rates) the most expensive yearling sold this year in Europe, falling to MV Magnier for 2 million guineas from Tattersalls October Book 1. Coolmore were splashing on a son of the fastest sire in history to reach 50 Group winners: a stallion with 10 Group 1 winners already in 2023.

To the bloodstock industry it's a numbers game. Yet each **Frankel** colt or filly represents him in a way more profound than the income generated or their status on a pedigree chart - important though they are.

On racetracks and in betting shops, most punters won't care who was the sire or dam of the quadruped carrying their bet,

except as a piece of data ("will he get the trip?"). Readers of this publication will know that pedigrees are a richly fascinating second dimension for the sport: a realm of hit and miss, serendipitous pairings, and, when it works, eternal life for sire and dam.

There was a problem with sending **Frankel** to stud. It was virtually impossible for him to sire a superior son or daughter. The same might be said of **Sea The Stars**, and others. But **Frankel** had something extra: a perfect record of 14 wins and an exuberant, Hollywood racing style, topped off with a will - or make that a need - to win. And he raced on as a four-year-old, proof of his resilience.

The package felt unsurpassable. Even with the world's best mares to buddy up with, all **Frankel** could do was fertilise versions of himself that were good but less good than he had been. There were other frontiers for him. His own racing range from three-to-four years old was eight-to-10 furlongs. Perhaps he could spawn a champion mile-and-a-half-horse, or even a stayer? Well, this year he has laid claim to an Ascot Gold Cup winner (Courage Mon Ami) and, as grandsire, the best middle-distance horse in Europe, Ace Impact.

By Galileo, 12 times the champion sire in Europe, **Frankel** is creating a dynasty almost as striking as his 10 Group 1 wins on the track from 2010-2012, that golden age. **Cont.**

Paul Hayward, cont.

Twelve per cent of his runners have won Group races. In 2023 he has dispatched from his boudoir the 2,000 Guineas winner Chaldean and Soul Sister, who won the Oaks. Last year his nine Group 1 winners made him the world's leading stallion by that measure. Westover, Nashwa, Homeless Songs, Alpinista and Inspiral were all his. His sons already at stud include Cracksman, Without Parole, Elarqam and Logician, who stands as a National Hunt stallion, as if to tick yet another box.

The successful second life bestowed on arguably the greatest horse to have raced in Britain is immensely pleasing. So many of his offspring present his urge to race and dominate - and to quicken. So many of them have natural enthusiasm - and gears. Now, he's a mellow soul led to daily dalliances. Never again will we see his sumptuous flowing stride. But he lives on as a racehorse. The entertainment he lavished on us renews itself.

You can't help feeling that racegoers who have no interest in pedigrees and think of breeding as a remote industrial satellite of betting are missing out.

Cachet | *Racingfotos.com*

"It didn't go to plan as she's a filly who likes to run on the front end, was drawn a bit wide and never really got into a position," said Boughey of Cachet's final start.

"She will head to the mares' sale at Tattersalls later this year and I have no doubt she will become a super mum. If she could produce something half as good as her then we will all be very proud."

He added, "She's a filly who has been an absolute star for us. She's my first Group 1 winner and first Classic winner."

Bred by John Bourke of Hyde Park Stud from the Teofilo (Ire) mare Poyle Sophie (GB), Cachet was bought back when offered as a yearling by her breeder and was later sent to the Craven

Breeze-up Sale, where she was bought by John and Jake Warren's Highclere Agency for 60,000gns.

Boughey continued, "In this game she was a relatively inexpensive breeze-up purchase who went on to win a Classic. She's got 20 owners and they have all had an amazing time with her. We will keep trying to find another one for them, but it is very hard to do so. She was a real gem and they are very hard to find."

HOLY ROMAN EMPEROR'S GEOGRAPHY CHARTS PASSAGE TO WINTERFAVORITEN TRIUMPH

by Sean Cronin

Stall Hanse's **Geography (Ger)** (**Holy Roman Emperor {Ire}**--Guajara {Ger}, by Montjeu {Ire}) followed up a debut success at Dusseldorf in August with a fifth in Baden-Baden's G3 Zukunfts-Rennen and bounced back to claim a career high in Sunday's G3 Wettstar.de - Preis des Winterfavoriten, Germany's premier juvenile contest, at Cologne.

The 21-10 second choice was the sharpest of seven into stride and tanked along under a firm on the lead from flagfall in this first attempt at this one-mile distance. Shaken up to poach a decisive advantage with 500 metres remaining, he was beyond

recall entering the final furlong and kept on strongly in the latter stages to hold the late thrust of Narrativo (Ger) (Adlerflug {Ger}) by a neck. The duo were four lengths clear of the remainder, headed by 2-1 favourite **Inside Matters (Fr)** (Lope De Vega {Ire}).

"I didn't really want to go to the front and it wasn't the plan to do so, but we got off to a fast start and nobody wanted to take the lead," winning rider Rene Piechulek told *GaloppOnline*. "He just did it all by himself. He has a lot of heart, but was unable to show his true value [in the Zukunfts-Rennen] at Baden-Baden. We still don't know what happened there." Trainer Peter Schiergen added, "He's going on winter break now and we'll see whether or not he'll be one of the leading stayers in the future."

Pedigree Notes

Geography, who becomes the 56th pattern-race winner for his sire, is the fourth of five foals and first black-type scorer out of Listed Premio Paolo Mezzanotte victrix Guajara (Ger) (Montjeu {Ire}). He is a half to Listed Glasgow S. runner-up Groundbreaker (Ger) (**Oasis Dream {GB}**) and a weanling colt by Too Darn Hot (GB). The March-foaled bay's second dam, Listed Dortmunder Stutenpreis third Global World (Ger) (Big Shuffle), has produced three stakes winners headed by G3 Frankfurter Stutenpreis victrix and multiple stakes producer Goathemala (Ger) (Black Sam Bellamy {Ire}). **Cont.**

SONS AND LOVERS PROVIDES TONIC FOR MORRISSES

Study Of Man (Ire) is making a growing impression with his first crop of runners, not least through his son Deepone (Ire), winner of the G2 Beresford S. for Vimal Khosla and Paddy Twomey.

His latest winner, however, is perhaps the most special to Kirsten Rausing, the owner of Lanwades Stud where the son of Deep Impact (Jpn) stands. On Saturday at Newmarket, the newcomer Sons And Lovers (GB) got up on the line to win the seven-furlong juvenile maiden. Rausing, who bred the colt from the Smart Strike mare So In Love (GB), races him in partnership with her close friends Hugo and Maya Morriss, two immensely popular members of the Newmarket racing fraternity and the

former owners of Banstead Manor Stud. Hugo was also a long-serving steward at both Newmarket racecourses.

He and his wife Maya, who has been on long-term dialysis treatment, were able to be at the Rowley Mile thanks to the forethought of Jane Chapple-Hyam, who trains Sons And Lovers and gained special permission for the Morrises to be brought near to the winning line on the far side of the track in a mobility vehicle, which allowed Maya to watch from her wheelchair in the company of her trainer and her friend Wendy Milbank.

Chapple-Hyam explained how she gave the owners an impromptu race-call as their colt made his debut. "I'm not a very good commentator," she said. "It went something along the lines of 'sat last, now joint-second last, he has pulled out and is third' and then, 'he is coming through', then, 'oh, he's won!'"

The trainer added, "I was expecting him to finish in the first three. He is a lovely horse. He is still a bit raw and he has got bit of maturing to do. He is a lovely mover but I was worried the ground might be too quick. I think we will put him away now and look forward to next season."

Parading in front of the stands is usually the preserve of Group 1 winners but, before returning to the winner's enclosure, jockey David Egan brought Sons And Lovers partially back down the track to greet the Morrisses. It was a touching move that wouldn't have been witnessed by many on course on Saturday, but meant the world to Hugo and Maya Morriss. [Cont.](#)

Just over an hour earlier, the brilliant Inspiral (GB) and Frankie Dettori had stolen the show with a dazzling performance in the Sun Chariot, but far and away the most moving moment of the day was seeing that two-year-old, brimming with promise, head over to the far rail to be greeted by his delighted owners. French Classic winner Marhaba Ya Sanafi (Ire) (Muhaarar {GB}) heads a total of 60 entries for the \$1-million Bahrain International Trophy, which has this year been upgraded to Group 2 status and is set to be run on Friday, November 17.

The list of international challengers features horses from eight countries, including France, Germany, Britain and Ireland, with 38 group winners among them.

Other notable entries include Godolphin's dual Group/Grade 1 winner Nations Pride (Ire) (Teofilo {Ire}), Horizon Dore (Fr) (Dabirsim {Fr}), recent winner of the G2 Prix Dollar, G2 Dante winner The Foxes (Ire) (**Churchill {Ire}**), Coolmore's globetrotting Point Lonsdale (Ire) (**Australia {GB}**), and last year's winner of the Bahrain International Trophy, Dubai Future (GB) (Dubawi {Ire}). The 10-furlong race will have maximum field of 14.

Yusuf Buheji, CEO, Bahrain Turf Club, said, "We are delighted that the Bahrain International Trophy has attracted such a strong entry. To have eight different countries represented and for the horses to be of such a high standard is very encouraging.

"The Bahrain International Trophy is our showpiece event and we are looking forward to staging the most competitive and valuable running of the race to date and welcoming runners and their connections from all over the world to Bahrain."

Ed Veale, Director of Racing and International Relations for the Bahrain Turf Club added, "To have a total of 60 entries featuring 38 Group race winners, including three that have scored at the highest level, is fantastic and a reward for the sustained

investment in the race by the Club."

The Bahrain International Trophy is not the only race on the island to have received a boost in prize-money. Bahrain's three Listed races, the Crown Prince's Cup, the King's Cup and the Al Methaq Mile, have all increased in value and the prize-money on offer in the ten races that comprise the Bahrain Turf Series has also increased with each race now worth \$80,000 (£65,000).

'IT WAS LIKE WINNING THE GOLD CUP': INCE SALUTES PROLIFIC ZARICA *By Emma Berry*

There are few nine-year-old winners of claiming races who make the headlines but in the case of Zarica (Fr) it is fully justified. The daughter of Rio De La Plata entered the French racing history books on Friday when equalling the record number of wins in a season, striking at Compiègne for the 11th time in 2023.

In her 15 starts this year stretching back to January, Zarica has never finished out of the first four and has appeared at tracks all over France, from Le Touquet down to Marseille Borely. Trained by Julien Phelippon, Zarica was bred by Julian Ince of Haras du Logis, where her sire stood until his death last year. Having won for the first time at four, she has now accrued 20 victories from her 77 starts.

"She took her time," said Ince of Zarica, who has really hit her stride at the age of nine, equalling the record held since 1997 of Alips (Fr), who was bred by Ince's friends and former Logis clients, the late Georges and Jacqueline Sandor.

He added, "But it's another great thing to say about the French premiums, that they keep horses in training. She has equalled the record now but I'm sure Julien will try to beat it. He has October, November and December left, and if you look at her

record she has an entry every two to three weeks."

Ince's breeding programme was also seen to good effect at Cholet on Saturday when he was responsible for the first winner of Le Brivido (Fr), the Classic-placed son of **Siyouni (Fr)** who started his stud career at Overbury Stud in England but is now resident at France's Haras de la Haie Neuve. His daughter Etel (Fr), bred by Ince from the Seeking The Gold mare Angel's Tears, triumphed on her third start for Anne-Sophie Crombez. [Cont.](#)

"Brio looks to be a very good horse and his full-brother is going through the ring in October," Ince said.

"It's been a really fun weekend. It was huge fun watching Zarica equal the record. It was like winning the Gold Cup. We were shouting her across the line."
