AT THREE CHIMNEYS, GUN RUNNER BECOMES THIRD STALLION TO STAND FOR \$250,000 IN 2024

Gun Runner | EquiSport

Gun Runner has joined Into Mischief and **Curlin** on top of the roster of 2024 stallions with a \$250,000 fee, Three Chimneys announced Friday morning.

He is the first sire in history to have sired nine individual millionaires with just two full crops. He currently ranks second on the TDN's General Sire list, behind only Into Mischief, with over \$14 million in progeny earnings. Counted among his 13 stakes winners and 31 stakes performers in 2023 are Grade I winners Gunite and 'TDN Rising Stars' Echo Zulu and Locked, the latter winner of last weekend's GI Claiborne Breeders' Futurity at Keeneland.

ECHO ZULU FRACTURES SESAMOIDS IN SANTA ANITA WORKOUT; SURGERY SCHEDULED

Echo Zulu (**Gun Runner**--Letgomyecho, by Menifee), the 2021 champion 2-year-old filly and GI Breeders' Cup Juvenile Fillies winner who also captured three other Grade I races, including the 2023 Ballerina H., suffered two broken left front sesamoids Friday morning as she was working in company with Gunite, confirmed David Fiske, racing manager for owner Ron Winchell.

"Echo Zulu sustained a biaxial sesamoid bone fracture of the left-front fetlock during training this morning at Santa Anita," Fiske texted the TDN.

"She has been stabilized in a kimzey splint and will undergo surgery for a fetlock arthrodesis tomorrow."

According to the Kimzey Welding website, which sells the device, a kimzey splint is comprised of aluminum with a neo-foam lining. Three nylon and velcro straps secure the splint to the injured leg while a fourth strap at the base of the splint holds the hoof firmly in place.

In a 2020 story on the procedure, Dan Ross explained, "There are two primary candidates for fetlock arthrodesis, experts say: horses crippled with degenerative arthritis, and in racehorses, those that suffer a closed biaxial proximal sesamoid fracture (when both sesamoid bones break in the same leg)."

Gun Runner to \$250,000, cont. from p1

They are three of 11 Grade I performers for **Gun Runner** this year. Recent Grade II Chandelier S. winner Chatalas is one of his seven possible starters in the upcoming GI Breeders' Cup NetJets Juvenile Fillies.

Volatile had a strong season with his first yearlings in the sales ring, seeing 75 yearlings average \$135,000. He was the leading first-crop sire by average at Fasig-Tipton July and was the sire of the Three Chimneys' homebred yearling out of Love and Pride who sold for \$1,150,000 at Keeneland September. His stud fee is set at \$15,000 LFSN, up from \$12,500 in 2023.

Palace Malice, whose 2024 stud fee remains at \$7,500 LFSN, will be represented with Breeders' Cup starter Brocknardini.

The complete 2024 fees are as follows:

- **Gun Runner** -- \$250,000
- **Volatile** -- \$15,000
- **Sky Mesa** -- \$10,000
- **Palace Malice** -- \$7,500
- **Funtastic** -- \$5,000

The story continues, "The initial portion of the surgery concerns the removal of cartilage between the bones, to make the fusion as tight and stable as possible."

"That's the most important part of the procedure that's often not done correctly," warned California veterinarian Ryan Carpenter, who has performed numerous procedures, at the time. "You need that bone-on-bone interface so that it can heal properly."

A plate is placed across the front of the fetlock, which holds the whole joint in place, wrote Ross. **Cont.**

This plate is secured with screws that can be inserted into the fetlock, pastern, cannon bone and, when necessary, the sesamoids. A tension band, a wire that goes behind the fetlock joint, provides another layer of joint stabilization.

"When the sesamoid bones break, you have nothing that supports it back there, and the fetlock drops," said Carpenter, of the need for this mechanism.

DARBY DAN'S 2024 ROSTER HEADED BY FLAMEAWAY AND DIALED IN

Freshman sire **Flameaway** and multiple Grade I sire **Dialed In** will together lead the 2024 stallion roster at Darby Dan Farm, the Central Kentucky farm announced in a release Friday afternoon. The pair, each standing for \$15,000 S&N, will head a dozen stallions on the Darby Dan roster.

A son of Scat Daddy, **Flameaway** is fourth on North America's freshman sire list with 15 first-crop winners. His 2-year-olds include MGSW Dreamfyre, winner of the GIII Surfer Girl S. Oct. 8 who is pointing to the GI Breeders' Cup Juvenile Fillies Turf.

Flameaway is one of only two U.S. freshmen of 2023 with a

graded stakes winner to date. **Flameaway** will have limited season availability at \$15,000 as Breeders' Cup results could warrant a change in fee.

Dialed In, the top freshman sire of 2016, has a number of top runners on his CV, including 2023's GI Hollywood Gold Cup S. winner Defunded--second in the Sept. 30 GI Awesome Again S.--and GI Kentucky Oaks runner-up Gambling Girl, who also finished third in the GI Coaching Club American Oaks. **Cont.**

REPOLE ISSUES UPDATE ON OWNERS' ORGANIZATION; 'AMAZED' AT SUPPORT

Mike Repole, who announced last weekend on CNBC's Spinsider S. program that he was interested in forming an owners' association to address problems in the sport, issued an **update on his progress Thursday night** on the social media platform X.

The update reads, in its entirety: "I am amazed and motivated at the overwhelming support that the new Association has received!!!! I have a name for the association that is are awaiting final approval. Not only have so many people reached out for our cause to make the horse racing industry better, but I've had a few tracks and five current racing associations contact me expressing great interest in working together to make the sport better. **Cont.**

Repole, cont.

A few things I'd like to address are:

1. Thoroughbred Retirement has always been incredibly important to me. I've owned thousands of horses over 20 years, and have always focused on being a positive example for thoroughbred retirement. Many times a horse is claimed away from you and it is out of your control what happens a year later or three years later. Even though I am a significant donor to Old Friends, New Vocations, Thoroughbred Aftercare. I and we can all do better.

2. I've been investing in horse racing for 40 years. The first 20 as a gambler and the last 20 as a owner & a gambler. Gamblers put up their money for the sport. We need to do A LOT more and better for the gambler. The way the tracks need to make money financially is to grow the handle not the takeout. We all love this great sport!!!!!"

After his initial statement, Repole was questioned about why he hadn't addressed Thoroughbred retirement and the gambler in his comments.

Bold Act | Coady

Cellist nearly put them to sleep on the front end of the 1 1/2-mile GIII Sycamore S. Friday at Keeneland, only to have Bold Act (Ire) awaken and run him down in the final strides. Bold Act was the youngster in the field, the Sycamore's only 3-year-old contender against a slew of classy veterans.

Intent on the lead out of the gate, GSW & GISP Cellist quickly found it while Channel Maker (English Channel), the 2020 champion turf male and MGISW, hounded him in second and Bold Act raced under cover midpack. Positions unchanged through early fractions of :24.93 and :50.39, the field entered the second of three turns ambling along through a mile in 1:40.32 before the tempo noticeably quickened into the final turn. **Cont.**

Bold Act soon found a seam, weaving his way through horses to mow down the leaders and set a stakes record of 2:28.08. GISW Red Knight (Pure Prize), who finished sixth, held the previous record of 2:28.81 from his win in the race in 2020. Cellist was able to hold on for second at 17-1 behind the favorite. Channel Maker, who was making his 56th career start, weakened to 11th.

"My horse got a bit strong going by the winning post [finish line] the first time," said rider Jamie Spencer, who was winning for the first time at Keeneland, "and I just had to take my medicine and get him down to the fence and get him to relax. Then from the half-mile pole you're gambling. You're gambling: going through the gears and hoping the gaps will open. I got lucky down the straight. I don't normally punch the air after the line, but I knew I got lucky and the horse got me out of trouble. It was a good team effort from everyone [on trainer Charles Appleby's team] to get him here."

The Sycamore was Bold Act's first start stateside. Last seen finishing off the board at Saint-Cloud in the Prix Turenne Sept. 8, he won Deauville's Prix Nureyev two starts back for his first black-type victory. The Godolphin homebred also placed in France's G2 Prix Eugene Adam and Royal Ascot's G3 Hampton Court S. this summer.

Pedigree Notes:

The Galileo (Ire) son and 2008 G1 Epsom Derby winner New Approach (Ire) has 38 group/graded scorers worldwide out of his 60 black-type winners. Based at Dalham Hall Stud, his winners at the highest level include 2018 G1 Derby winner Masar (Ire) and 2013 G1 Epsom Oaks winner Talent (GB). Bold Act is one of five New Approach stakes performers out of a Dubawi (Ire) daughter, which also includes French GSW & G1SP Hey Gaman (GB). Dubawi, who also holds court at Dalham Hall, has 64 stakes winners out of his daughters.

Dancing Sands (Ire), a 65,000gns purchase by ML Bloodstock out of the 2021 Tattersalls December Mares sale, has the 2-year-old Dazzling Star (GB), who placed in the GI Natalma S. at Woodbine Sept. 16 for Godolphin and Charlie Appleby. She also has a yearling colt by Cracksman (GB) and a 2023 colt by Frankel (GB) foaled Apr. 18. The yearling sold earlier this week in Book 2 of the Tattersalls October Yearling Sale for 200,000gns to Stroud Coleman Bloodstock. The dam of Dancing Sands is a half-sister

to English champion Bakharoff (The Minstrel) and six other stakes winners.

TYLER BAZE WINS FOR FIRST TIME SINCE LIFE-THREATENING BOWEL OBSTRUCTION

Jockey Tyler Baze, the Eclipse-winning outstanding apprentice jockey of 2000 who now sports 2,889 wins, returned from a major health scare with his first visit to the winner's circle since Apr. 14 at Oaklawn Park.

"I needed it," Baze told the Santa Anita notes team Friday morning at Clocker's Corner. "It took a lot for me to get to this point after being in the hospital and almost dying."

Tyler Baze | Coady

Baze was hospitalized for about two weeks in Arkansas after that last win at Oaklawn with severe pain as doctors sought to diagnose the problem. They finally determined he had a bowel obstruction and quickly sent him to surgery.

"It was my intestine. I literally was colicking like a horse," Baze said. "They didn't have to cut any out. They untangled it basically. The doctor's words were, 'We had to remold it.'"

After 10 days recovering in the hospital, he returned to his home in California. He was told he would require 8-10 months to recover, but was back in the gym in eight weeks and rode his first race back at Del Mar Sept. 9. His first winner since the return came at the current Santa Anita meet in Monday's fourth race in a \$50,000 maiden claimer going six furlongs on Lonesome Stew (Grazen) for trainer Mark Glatt. **Cont. p9**

2004 CLASSIC WINNER GHOSTZAPPER

Ghostzapper (2000 bay horse, Awesome Again--Baby Zip, by Relaunch)

Lifetime record: Horse of the Year, Ch. older male, MGISW, 11-9-0-1, \$3,446,120

Breeders' Cup connections: B-Adena Springs (KY); O-Stronach Stables; T-Robert **Frankel**; J-Javier Castellano.

Current location: Hill 'n' Dale at Xalapa, Paris, Ky.

Horses aren't supposed to be able to do what **Ghostzapper** did. The Hall of Famer was so dazzling that the 128 Beyer Speed Figure he registered in the GIII Philip H. Iselin H.--still the highest figure in the history of American racing at a route--isn't even remembered as one of his top races. Some people might count his GI Vosburgh sprinting at three against older horses as one of his best, others might prefer his GI Woodward battle over eventual Horse of the Year Saint Liam, and still others might best remember his spectacular daylight GI Met Mile win coming off a seven-month layoff. But there's no denying his GI Breeders' Cup Classic, his first and only time at 10 furlongs, left such an impression he still holds the stakes record of 1:59.02, having run the fastest Classic in the 39-year history of the Breeders' Cup.

To celebrate the 40th running of the Breeders' Cup, the *TDN* will share a photo and catch up with a past winner in each of the 40 days leading up to the event. Today, we have 2004 Classic winner **Ghostzapper**. | Sarah Andrew

Ghostzapper, cont.

Javier Castellano was aboard **Ghostzapper** for every one of those remarkable performances.

"He was one of the biggest horses and one of the best in my career," said Castellano. "I say that because you don't see too many horses that do what he did. This horse was particularly diversified at distances. From sprint to long distances, he did everything. He won the sprint races, he won at 1 1/4 miles, he won at a mile, at all the distances. It's hard to stretch out a horse from six furlongs to long and back again, but he did it and he won. He did everything.

"He still has [the Breeders' Cup] record. We're talking about 19 years ago and nobody has broken that record. It was against all the best horses in the world at the time: Funny Cide, Azeri, Pleasantly Perfect.

"He's pretty amazing, such a special horse. He put me on another level in my career. People didn't know who Javier Castellano was at the time and for me to ride the best horse, he opened the door for myself and my family. He opened the door for my career. He's such a special horse. I love him.

"He's just amazing. I'm blessed, thankful, grateful to have ridden such a special horse. Mr. **Frankel** told me **Ghostzapper** was the best horse he'd trained in all his life. For him to say that, with all those good horses he had, was pretty amazing."

Tyler Baze, cont. from p7

Baze is slated to ride seven races at Santa Anita this coming weekend.

"Now with the winner, hopefully things will pick up and I'll get on better horses," Baze said. "But this whole ordeal has given me a whole new perspective... You realize how precious life is. Instead of just getting through your morning or through the day, you need to enjoy every minute of it. I get to be out here and look at these beautiful mountains and watch the sun come up every morning. It's an amazing gift from God."

GISW ARKLOW ADVANCES AT THOROUGHBRED MAKEOVER

Arklow | courtesy of RRP

GISW Arklow (Arch), one of the most accomplished horses competing at the 2023 Thoroughbred Makeover at the Kentucky Horse Park this week, is adding another achievement to his resume as **he advanced in the Field Hunter preliminary round** under amateur rider Gina Gans, the Retired Racehorse Project said in a release late Thursday night.

The former Brad Cox trainee, who earned over \$3 million during his racing career, turned in three relaxed rides over two days of competition and has made it to the weekend. The 9-year-old will have the opportunity to take part in his division's Finale Championship on Saturday.

"He's just so fun," said Gans. "When we had the big gallop up the hill today [in the Mock Hunt], he really took a big hold of me... but when we got to the top of the hill, he stopped in the check and just looked around. I think that's really hard for a lot of Thoroughbreds to be able to turn it on and switch it off--you show him something and he gets it and he's calm and cool. The biggest difference is the brain on him. His brain being so good makes such a difference--he could do anything."

TOP CALLER COLLMUS RETURNS TO BOOTH FOR DEL MAR FALL MEET

For the fourth year in a row, top racing announcer Larry Collmus will be back in the booth at Del Mar to call the track's upcoming Bing Crosby Season from Nov. 10 to Dec. 3, their front office said in a release Friday.

Besides his three earlier fall sojourns, Collmus also covered the limited 2020 summer season at the track.

"We really couldn't ask for anyone better than Larry to be filling our booth in the planned absence of our longstanding caller Trevor Denman," said Josh Rubinstein, Del Mar's president and COO. "He brings terrific energy to his role here, both behind the mic and on the social media scene. To top it all off, he tells us he just loves calling races at Del Mar."

DAUGHTER OF ARROGATE DEBUTS OVER BAQ TURF

5th-BAQ, \$90K, Msw, 2yo, f, 1 1/16mT, 2:44 p.m. ET

On Friday at the Belmont at the Big A meet, trainer Cherie DeVaux and co-owners Martin Schwartz and David Ingordo celebrated Reagan's Flame (**Flameaway**) coming home a winner over the turf in her first start.

Now Schwartz and DeVaux send **PURLOIN** (Arrogate) to the post looking for a similar outcome. A \$200,000 Keeneland September purchase by Midnight Bloodstock, the gray filly went for \$400,000 during the OBS April Sale with DeVaux signing the ticket after she went **10 2/5** during the under-tack show.

Other runners making their debut here include Cheyenne Stable homebred **Style Points** (**Oscar Performance**), who is out of GII New York S. heroine Mystical Star (**Ghostzapper**). The Christophe Clement trainee is also up against **Public Assembly** (More Than Ready), a \$300,000 Keeneland September buy for Peter Brant and trainer Chad Brown. The chestnut filly's dam is a full-sister to two-time GIII Fred W. Hooper H. victor Csaba (Kitten's Joy).

Finally, Don Alberto homebred **Lucevan La Stelle** (Noble Mission {GB}), whose second dam is a full-sister to G1 Irish 2000 Guineas hero Henrythenavigator (Kingmambo), goes out for Tom Albertrani. **TJCS PPS**

Ringy Dingy, an upset maiden winner at second asking at Aqueduct Sept. 17, was heavily favored in this first try around two turns versus stakes company. Last of six through fractions of :24.43 and :48.56, she began to roll with a rail run on the far turn, shot through an inviting opening along the inside at the top of the stretch and ran to daylight to win for fun. The winner's dam, also responsible for MGISW Defunded (**Dialed In**), was bred to Jackie's Warrior for 2024. Ringy Dingy is her most recent produce. "It was not our game plan," winning rider Katie Davis said of the last-to-first victory. "It kind of fell out of the clouds because of the break when she got squeezed out of there. But we did not panic. I just let her get her feet. When we hit the backside, they drew away from us a little bit. I gathered her, dropped my hands at the half-mile pole and got my position. The rail opening made it a perfect trip, and from there, we were home." **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

SILENT RESERVE (g, 3, Silent Name {Jpn}--Siddona, by Whiskey Wisdom) broke his maiden by six lengths in his third career race June 2 when he switched to the grass before running second in the Lake Huron S. July 8, winning an optional claimer July 21 and then missing by a neck in the Vice Regent S. Aug. 5, all at Woodbine. Off as the top choice at 1-5 here, the hooded dark bay gelding finally secured the lead at the end of the backstretch and he cruised to a 5 1/2-length win over Smart Coverage (Congrats). The winner's dam, who is a half-sister to GI Arlington Million S. hero Jambalaya (Langfuhr) and the dam of GIII Bold Venture S. winner Secret Reserve (Giant Gizmo), is responsible for a yearling colt by Afleet Alex and she visited **Tonalist** for next year. Alcohol, sixth through a half mile in :47.24, began to kick in along the inside on the turn for home and rode the rail down the stretch en route to a half-length victory. RAISE HIGH (g, 3, Noble Mission {GB}--Beiramar {Ire} {SW-Ger}, by Monsun {Ger}) gave his expatriated sire a second winner in three days over this turf course with a narrow success. An even sixth on Ellis unveiling, the homebred was off at 11-1 Friday and raced with the leaders three wide around the first turn and continued to stalk the pace down the backstretch. The half-brother to Iskanderhon (Exchange Rate), GSP-Fr, \$138,020; made the lead from between rivals approaching the quarter pole, carried a clear advantage into the final furlong and was saved by the wire as second favorite Conversing (Into Mischief) attacked the line, but fractionally too late. Noble Mission's daughter Kilshave Beauty struck at 17-1 on Keeneland debut this past Wednesday. 8th-Keeneland, \$96,906, Msw, 10-13, 2yo, f, 1 1/16m, 1:47.33, ft, 3 1/2 lengths.

INTRICATE (f, 2, Gun Runner--Complex Analysis, by Distorted Humor) made belated progress to finish a never-nearer fifth, beaten just over two lengths, on six-furlong debut at Churchill Sept. 16, and was the 2-1 second choice stretching out to a distance of ground for the first time. Prominent through the opening exchanges, the chestnut eased back to sit midfield, but close, as they turned up the backstretch. Steered out into the four path entering the second bend, Intricate was held together passing the quarter pole, quickly raced up to the leaders once heads were turned for home and ran out a good-looking 3 1/2-length winner. A \$200,000 KEESEP yearling and \$280,000 OBS April breezer, Intricate is the first foal from her dam, a full-sister to SW & GSP Abraham, who cost LBD Stable \$180,000 carrying this filly at the 2020 Keeneland November sale.

Complex Analysis is also the dam of a yearling colt by **The Factor** (\$23,000 '23 KEEJAN; \$65,000 '23 FTKJUL) and produced a **Munnings** colt this year before visiting **Gun Runner's** sire **Candy Ride (Arg)**. This is also the family of graded performers Miss Isella and Sir Cherokee. Sales history: \$200,000 Ylg '22 KEESEP; \$280,000 2yo '23 OBSAPR. Lifetime Record: 2-1-0-0, \$61,725.

2nd-Belmont The Big A, \$90,000, Msw, 10-13, 2yo, f, 6fT, 1:10.46, fm, head.

REAGAN'S FLAME (f, 2, Flameaway--Mizzen Donald, by Mizzen Mast), a 10-1 gamble on career debut, jumped away fairly, but was ridden along by Kendrick Carmouche to argue the early fractions inside of fellow firster Save Us Melania (**Constitution**). Shaking free from that one in upper stretch, the \$185,000 OBS April breezer was clear into the final eighth of a mile and held on late to take it by a head. Favored Lamorna (**Munnings**), scratched out of last weekend's Futurity S. when it was washed onto the main track, was off slowly from the inside stall, was restrained at the tail of the field and let down powerfully in the lane to just miss. Twisted Romance (**Twirling Candy**), a \$485,000 Fasig-Tipton Midlantic 2-year-old, turned in a promising first-out effort to be third. The 15th winner for her freshman sire (by Scat Daddy), Reagan's Flame has a yearling half-sister by **First Samurai**, a weanling half-brother by Street Boss and her dam visited **War Front** this season. This is the female family of E Dubai (Mr. Prospector). Sales history: \$37,000 Ylg '22 KEEJAN; \$35,000 Ylg '22 KEESEP; \$185,000 2yo '23 OBSAPR. 6th-Belmont The Big A, \$90,000, Msw, 10-13, 2yo, 1 1/16mT, 1:44.66, fm, 3 lengths.

WALLEY WORLD (c, 2, More Than Ready--Forced Family Fun, by Uncle Mo), elevated to eighth via disqualification after a 'rollercoaster ride' in a live maiden special weight behind **'TDN Rising Star'** and subsequent GII Pilgrim S winner Agate Road (**Quality Road**) at the Spa Sept. 2, was a bit chilly on the board at 9-1 for his high-profile connections. The cleverly named bay chased in third passing the grandstand for the first time. He found a perfect spot in second down the backstretch, turned up the heat on the far turn and kicked for home with authority to graduate by three lengths. Favored Tom Collins (**Frosted**) just got up for second. After producing a filly by **Essential Quality** in 2023, Forced Family Fun was bred back to **Jack Christopher**. PANDAGATE (r, 2, Arrogate--Kitty Panda {SP, \$113,733}, by Sky Mesa) was the 5-2 second choice here and after being shuffled to the rear, the gray ridgling made up ground to race third into the far turn. Tipping to the outside, the Christophe Clement trainee sailed past the leaders at the eighth pole and opened up to win by nine lengths over Mama's Middie (**Midshipman**). Out of an extended female family which includes the runner-up in Japan's G1 NHK Cup, Rieno Tesoro (**Speightstown**), and top 10 first-crop sire **Audible** (Into Mischief), the winner's dam is responsible for a yearling colt by **City of Light**. SILVER TICKET (f, 3, Curlin--Royal Obsession {GSP, \$140,857}, by Tapit) debuted a well-beaten fifth at Monmouth Park June 30 before going off as a 8-1 shot here. The gray filly trailed from the first jump, launched her bid up the backstretch, and with a full head of steam into the lane, she stormed past the pacesetter en route to a 6 1/4-length win over Burnaway (Big Drama). The winner's dam is responsible for a 2-year-old colt and a yearling filly, both by **Quality Road**. She was bred to Cyberknife's first book for 2024. Sales History: \$450,000 Ylg '21 KEESEP. Indy), whose dam was a Grade III winner on dirt, a Grade II victress and Grade I-placed on the turf and sold for \$900,000 with this filly in utero from the Sam-Son dispersal at the 2021 Keeneland January sale, is a full-sister to Ancient Piece, runner-up in this year's GII Summertime Oaks and third in the GIII Remington Oaks after being purchased for \$650,000 at KEEJAN this past winter. Erika Margherita, a \$400,000 Keeneland September acquisition, is out of a daughter of Sovereign Award-winning 3-year-old filly Eye of the Sphinx (Smart Strike), whose other produce include champion and Queen's Plate winner Eye of the Leopard (A.P. YLANG YLANG ON TOP IN THE FILLIES' MILE

Ylang Ylang | Racingfotos.com

by Tom Frary

Friday's G1 Fillies' Mile became a test of stamina and character and there was no shirking of the issue from **TDN Rising Star Ylang Ylang (GB)** (Frankel {GB}--Shambolic {Ire}, by Shamardal) as she provided Aidan O'Brien with a record-equalling sixth renewal of the Newmarket feature.

Beaten twice since winning Leopardstown's G3 Silver Flash S. in July, the 1.5million gns Book 1 relative of Viva Pataca (GB) (Marju {Ire}) was better than the bare form of her third in this track's seven-furlong G2 Rockfel S. last month and had race tactics to suit if not the soft ground with stablemate **Brilliant (Ire)** (Gleneagles {Ire}) the target up ahead. PINATUBO COLT ADDS TO NAJD STUD'S MAJOR INVESTMENT

By Emma Berry

NEWMARKET, UK--As the week wore on, the shorts came off and the waterproofs went on. Goodbye summer, and hello more realistic weather for October, bringing with it more realistic prices for yearlings.

Shamardal's sons have had plenty to say for themselves of late. Blue Point (Ire) leads the freshman sires' championship with his first runners, and Pinatubo (Ire) and Earthlight (Ire) have found favour in the sales-rings of Europe with their first yearlings. During the opening session of Book 3 on Thursday, an Earthlight yearling passed the test of one fine judge in Tony O'Callaghan at 95,000gns, and come Friday, it was a son of Pinatubo who topped proceedings, bought for 90,000gns by Saud Al Qahtani of Saudi Arabia's Najd Stud. Bred by Rabbah Bloodstock, the colt (lot 1733) is a half-brother to Mighty Gurkha (Ire) (Sepoy {Aus}), winner of the G3 Sirenia S., out of the unraced Royal Applause (GB) mare Royal Debt (GB).

Al Qahtani explained after the sale of the Barton Stud-consigned colt that Najd Stud has bought 30 yearlings so far in 2023, the majority of which will go into training in Britain.

G1 Fillies' Mile Cont. from p1

Checked momentarily as the Rockfel runner-up **Shuwari (Ire)** (New Bay {GB}) was carried left into her path by the G2 May Hill S. runner-up **See The Fire (GB)** (**Sea The Stars {Ire}**) approaching two out, the 9-2 shot was pulled around that duo by Ryan Moore and began pursuit into the dip. Taking until the last 50 yards to get by, she was firmly on top at the line to reverse form with Shuwari and prevail by half a length from that 3-1 favourite, with See The Fire 3/4 of a length away in third.

"It all went a little bit pear-shaped in mid-season and it's hard to come back like that, but she's classy and very brave," O'Brien said. "She's very exciting for next year and I'd imagine the lads will want her to start in the Guineas, but she'll have no problem going further and could get the Oaks trip."

"Obviously the Moyglare went wrong--she ran a bit keen because she'd made the running the first time, but when her chance was gone Ryan looked after her," he added. "She came here for a lovely, educational run the last day and because her season got interrupted she wouldn't have been 100% at her best today. We were kind of coming here more for education for next year than today being the be-all and end-all, but I thought Ryan was really incredible on her."

Ollie Sangster said of Shuwari, "I was very happy and she ran a great race. She saw out the trip well--I think we just got outstayed in the last 50 yards by Ryan and obviously that is a very good filly. I think she liked the ground as it wasn't that soft. Everything went well apart from the fact we didn't win. That will be her for the season and I suppose we will work back from the 1000 Guineas. I wouldn't be afraid of pitching straight up into a 1000 Guineas, as she is a straightforward filly to train. The dream is still alive." **Cont. p4**

Andrew Balding was also satisfied with the effort of See The Fire and said, "She travelled strongly, but she got there sooner than Oisin wanted to. She just tired late on, but she is an exciting filly and we are looking forward to next year. I think we will look towards the 1000 Guineas with her."

Pedigree Notes

Ylang Ylang is the first foal out of Listed Pretty Polly S., Listed Height of Fashion S. and Listed Chalice S.-placed Shambolic who is a half-sister to the aforementioned dual G1 Queen Elizabeth II Cup hero and multiple Hong Kong champion Viva Pataca who raced as Comic Strip while in the UK. She is also kin to the GI Flower Bowl Invitational and GI Diana S. heroine Laughing (Ire) (Dansili {GB}) and to the dam of the listed scorer and G3 Lillie Langtry S.-placed Twitch (Ire) (Azamour {Ire}).

The family, which received an update last year when Mottisfont (Ire) (Adaay {Ire}) was third in the G3 Sweet Solera S., includes the multiple graded-stakes scorer and sire Brave Act (GB) while the fourth dam is the champion 2-year-old filly Circus Ring (Ire) (High Top {Ire}). Shambolic's yearling colt by **Kingman (GB)** sold for 425,000gns at the town's recent Book 1 to Qatar Racing and the China Horse Club, while she also has a filly foal by **Siyouni (Fr)**.

Sahd Al Qahtani of Najd Stud | Tattersalls

Tattersalls October Cont. from p1

He said, "I hope, Inshallah, that Pinatubo will be a good sire. He was the champion two-year-old by Shamardal so why not? We hope that he will be a very good sire. We put 100,000gns on him as a budget.

"He might stay here in Britain or go to Saudi. We'll think about this and decide later. We've bought 30 yearlings this year. Eight of those will go to Saudi and the rest will stay here. It has been a very good market, very competitive."

Najd Stud is represented in Saturday's G1 Native Trail Dewhurst S. by Eben Shaddad (**Calyx {GB}**), who was bought earlier this year at the Arqana Breeze-up Sale.

As the weather deteriorated dramatically through the late afternoon, there were at least two bright spots for Tattersalls when October Sale graduates Ylang Ylang (GB) (**Frankel {GB}**) and Inquisitively (Ire) (**Ten Sovereigns {Ire}**) took the G1 Fillies' Mile and G3 Cornwallis S. respectively on the Rowley Mile. That pair had come from Books 1 and 2 last year, but Just Beautiful (GB) (Pride Of Dubai {Aus}) and Honey Girl (GB) (Mayon {GB}) are among the Book 3 graduates to have won group races this season, and they were bought for 8,000gns and 4,500gns. A reminder that good racehorses can be found at all levels of the market for those with enough staying power to last the fortnight at Park Paddocks after a hectic fortnight prior to that in Ireland.

Talking Points

- The market adjustment has continued through this week, with Book 3 figures running below last year. The clearance rate has remained pretty high, however, and is currently at 83% with another session of Book 3 yearlings still to sell on Saturday morning. In Friday's session, 142 yearlings (75%) were sold for an aggregate of 1,728,500gns, average of 12,173gns and median of 10,000gns. Comparative figures are tricky as the Book 3 format has changed from last year owing to the sale clashing with two days of racing in Newmarket. Generally, though, trade is running between 15 to 20% down on last year.
- The favourable first impression created by the stock of Haras d'Etreham's Hello Youmzain (Fr) had been a feature of the Arqana August Sale and that continued at Tattersalls. During Book 3, he has had three yearlings sold for an average of 55,667gns, to James Tate, Mick Fitzpatrick, and the buying team of Jamie Piggott and Oliver Cole. The son of Kodiak (GB) also achieved a 71,000gns average with his three sold at Book 2.
- Far Above (GB) has been the fastest son of Farhh (GB)

to grace the track to date, and one man who knows more about the Group 3-winning sprinter than most is his former trainer James Tate. He stepped in to buy lot 1835, a colt consigned by Q-Cross Stables and out of the dual-winning New Approach (Ire) mare Bittern (Ire), for 70,000gns. Tate, who said that he has three Far Above yearlings in his yard, also noted that he is no longer a private trainer for Rabbah but is open to offers from all owners. [Cont. p7](#)

BUY OF THE DAY

TATTERSALLS OCTOBER YEARLING SALE

Good luck to Marcus Collie, who looks to have secured a bargain in lot 1769, a filly by Masar (Ire) from Mickey Stud. Bought for 9,000gns, well below Masar's covering fee of £14,000, she is out of Tadpole (GB), a winning Sir Percy (GB) half-sister to group winners Beaten Up (GB) and Harris Tweed (GB), and to Lingfield Oaks Trial winner Vow (GB). The dynasty has received a further boost in recent years with the exploits of multiple Group 3 winner and Irish St Leger runner-up Hamish (GB), who is out of another of Tadpole's half-sisters, Tweed (GB).

It's a prolific family whose members tend to improve with age, so here's hoping that this daughter of a Derby winner can bring some compensation to breeder David John Meaden by way of reflected glory as and when she adds to her clan's tally of victories.

Thought of the Day

Books 3 and 4 bring the curtain down on the Tattersalls October Yearling Sale on Saturday, a day which also sees yearling sales take place in Spain and Germany, along with a mixed Flat sale which includes foals and yearlings at Auctav in France. That's before another five days of action kicks off at Arqana on Tuesday.

The sales calendar is more congested than it has ever been, and the increase in dates, for both physical sales and those held online, is clearly in response to a growing demand from owners and breeders to trade. It is a sign of the times, but it is one which must lead to scheduling headaches for sales companies, and logistical nightmares for consignors and agents.

And for those with a season ticket on the sales charabanc, all I can say is keep taking the Berocca, maybe with the odd dash of gin.

MATILDA PICOTTE DOMINATES THE CHALLENGE *by Tom Frary*

One of racing's true front-running forces at the niche seven-furlong trip, **Matilda Picotte (Ire)** (**Sioux Nation**) followed her *tour de force* in Doncaster's G3 Sceptre S. with another in Newmarket's G2 Thoroughbred Industry Employee Awards Challenge S. on Friday.

Back at the track at which she had won last year's Listed Bosra Sham Fillies' S. and at which she was a gallant third in the G1 1000 Guineas, Kieran Cotter-trained 3-year-old proved relentless at the head of affairs to score by 2 3/4 lengths from

compatriot **Lord Massusus (Ire)** (Markaz {Ire}).

"I was a bit concerned she might falter in the last 100 yards, but she's so much pace and she's so genuine and they have to work hard to get to her," Cotter said of the 2-1 second favourite. "Her last couple of runs have been outstanding. I've been saying to the lads for a while that you wouldn't see the best of her until the backend of her 3-year-old season and she's just got better and better. Oisin [Murphy] said today he was going too fast and she was aggressive early, but you can't fight her, he just lets her roll and she's incredibly tough."

"I don't know if she'll run again this year," her trainer added of the winner, who was announced on the same day as being due to sell in the upcoming Goffs November Breeding Stock auction. "There is the Breeders' Cup, who knows? There'll be a lot of races for her next year, if we have her. I think she has an entry in the sales, but the lads were saying if she won well today they might keep her. She's a horse of a lifetime and it's been a fairy tale for all the lads."

Pedigree Notes

Matilda Picotte is the last known foal out of the G3 C. L. Weld Park S. third Hallie's Comet (Ire) (One Cool Cat), whose half-siblings include the dual listed-winning and multiple group-placed Along Came Casey (Ire) (Oratorio {Ire}). [Cont. p9](#)

INQUISITIVELY MAKES ALL FOR CORNWALLIS SUCCESS, FIRST GROUP WINNER FOR TEN SOVEREIGNS

by Sean Cronin

Wee Sean Gan's **Inquisitively (GB)** (**Ten Sovereigns {Ire}**)--Ballyalla {GB}, by Mind Games {GB}), fresh off a breakthrough score in York's Listed Roses S., continued on the upgrade with a pillar-to-post victory in Friday's Newmarket Academy Godolphin Beacon Project Cornwallis S. at Newmarket, becoming the first pattern-race winner for his freshman sire (by **No Nay Never**).

The 10-3 second choice had hit the board for Ollie Sangster in Royal Ascot's Listed Windsor Castle S., in his penultimate start, and broke sharply from the far-side stall to seize an immediate lead in this five-furlong dash. Unflustered on the front end until shaken up soon after passing the quarter-mile marker, he held a decisive advantage entering the final furlong and was ridden out up the hill to comfortably hold **Rosario (GB)** (Harry Angel {Ire}) by 1 1/2 lengths for a career high.

"I wasn't that confident beforehand, but he is a very tough horse," commented trainer Kevin Philippart de Foy after securing a career high of his own. "He took the lead and grabbed the race from the get go. When I saw three horses in line halfway through the race I was a bit worried, but he breathes very well and relaxes. When William [Buick] asked him to quicken up he put it to bed very nicely. I think he is a five-furlong horse, but we will probably have to try the six [furlongs] later down the line. I feel he has got bags of speed, and he jumped so well today he took a length out of them from the stalls.

"He was sold to go to Hong Kong, but for the time being he is staying here. I would love to keep him, but we will have to speak to the owner.

DUBAWI'S DANCE SEQUENCE POUNCES LATE FOR OH SO SHARP TRIUMPH

by Sean Cronin

Charlie Appleby had yet to taste success in Newmarket's G3 Godolphin Lifetime Care Oh So Sharp S., but made a first dent on the seven-furlong contest when Godolphin's hitherto undefeated homebred **Dance Sequence (GB)** (Dubawi {Ire}--Tearless {GB}, by Street Cry {Ire}) pounced late to maintain her perfect record.

The 4-1 chance, who prevailed over the same trip on debut at HQ's summer venue at the beginning of July, recovered from a slightly tardy start to race in sixth, but slipped to last of the seven contenders soon after passing halfway. Bustled along to reduce arrears approaching the two pole, she moved into third entering the final furlong and kept on relentlessly under continued urging in the closing stages to deny Juddmonte's 7-4 favourite **Skellet (Ire)** (Kingman {GB}) by a neck in the dying strides.

"She was impressive on her debut and William [Buick] has had confidence going into both races," explained Appleby. "He planned to drop her in, but I told him to be careful as there is a tailwind and don't let them get free on the front end. I thought, at one stage, he might not be happy with the position he was in, but she answers every question. He looked after her through the dip and up the hill, but she picks up well when she does it. We purposely gave her a gap [between races] as she is a big, scopey filly. We've given her time to come here and get this assignment done. We'll put her away for the winter and dream about running her in some Guineas trials next year. She has a bit more to go before we look at her as a serious [G1] 1000 Guineas contender, but she is on the right path and she will most definitely get further."

NOVUS BEST IN THE PRIDE

by Tom Frary

Gary Moore is more accustomed to big-race success with his jumps runners, but he had a rabbit to pull out of the hat on Friday as **Novus (Ire)** (Dandy Man {Ire}) captured Newmarket's G3 Pony Academy Pride S. Up to this 10-furlong trip for the first time following a win in a handicap at Goodwood's Qatar Festival in August and a fourth in last month's G3 Atalanta S. at Sandown, the 9-1 shot was in rear early as conditions worsened during the vicious rainstorm. Responding to Tom Queally's urgings to get by **Veil Of Shadows (GB)** (**Frankel (GB)**) on the front end with 1 1/2 furlongs remaining, the 3-year-old relished the extra distance to beat that peer by two lengths.

Novus winning the G3 Pride S. | [Racingfotos.com](https://www.racingfotos.com)

"All she has done all year is improve," Queally said. "It is remarkable, because her season has been punctuated with a few little niggles along the way. She had a bit of an allergy thing halfway through the season and she wasn't quite right a few weeks ago. She loves dig in the ground and on the dam's side there is stamina. We were quietly confident it would make a difference and it did. I thought the straight track was a plus as well."

Pedigree Notes

Novus's dam Fleur De Nuit (Ire) (Montjeu {Ire}), whose son of Mastercraftsman (Ire) was bought for €37,000 by Valfredo Valiani at the recent Tattersalls Ireland September Yearling Sale, is kin to five black-type performers headed by the G1 Cheveley Park S. heroine Millisle (Ire) (**Starspangledbanner {Aus}**) and the G2 Japan Trophy winner and G1 Windsor Park Plate-placed Gino Severini (Ire) (Fastnet Rock {Aus}).

RACE PREVIEWS

WILL THE RAIN DAMPEN CITY OF TROY'S DEWHURST SHOW? by Tom Frary

Newmarket's wet spell would not have been what connections of **City Of Troy (Justify)** would have wanted, so all credit to "the lads" for their full commitment to running their new "big horse" in Saturday's G1 Native Trail's Dewhurst S. We already know what we are dealing with in terms of talent, with his performance in the G2 Superlative S. an adequate barometer, and luckily we will now get to measure his versatility and character as well with conditions as well as classy peers offering a sticking point. **Cont. p14**

Saturday's Preview Cont.

As with Auguste Rodin (Ire) (Deep Impact {Jpn}) at Doncaster 12 months ago, soft ground will not mean a no-show from the colt that is certain to draw extra numbers to Future Champions Day and Ryan Moore was not too concerned about conditions immediately after steering Ylang Ylang (GB) to glory in the G1 Fillies' Mile. The times on Friday's card suggested good-to-soft was more accurate at that point, but the rain that came after the feature was heavy and relentless so this could be more of a slog than expected.

"He's ready for run and is three weeks down the road from The Curragh and Dean [Gallagher] is very happy with him," Aidan O'Brien commented. "We've always loved him and he's done everything we've asked of him, so this should be a lovely run to finish off the season and a good experience."

Soft ground holds no fears for Teme Valley and Ballylinch Stud's G2 Champagne S. winner **Iberian (Ire)** (Lope De Vega {Ire}), who had the subsequent G1 Prix Jean-Luc Lagardere hero Rosallion (Ire) (Blue Point {Ire}) and Listed Star Appeal S. winner Mountain Bear (Ire) (**No Nay Never**) behind when taking Doncaster's G2 Champagne S. last month. Largely due to the dominance of Irish-trained colts in this race this century, Chaldean (GB) (**Frankel {GB}**) last year and Too Darn Hot (GB) in 2018 are the only two to complete the Champagne-Dewhurst double since Distant Music in 1999, so Charlie Hills' exciting colt is up against it.

"I was very impressed at Doncaster, like everyone else who was watching him, and he showed a good turn of foot which is what you need over seven in a Group 1," Iberian's jockey Tom Marquand said. "There have obviously been Group 1 winners behind him, albeit on different ground. We've only seen City Of Troy on a racecourse twice and he's off a three-month absence since the Superlative. While he was impressive in that, if ever there is a day to take on a horse like that, this is it. Circumstances are probably as in our favour as they can be and I'm looking forward to it."

Given how well Shadwell's **Alyanaabi (Ire)** (Too Darn Hot {GB}) operated on the fast going prevalent for last month's G3 Tattersalls S., this shift underfoot has to be a question mark as it is for the G3 Acomb S. winner **Indian Run (Ire)** (**Sioux Nation**)

and Prince Faisal bin Khaled and Najd Stud's **TDN Rising Star Eben Shaddad (Calyx {GB})**, who hardly looked a stout stayer over course and distance when third in the Tattersalls. Juddmonte's **Array (Ire)** (**No Nay Never**) handled heavy when edging the six-furlong G2 Mill Reef S. at Newbury, but these are far deeper waters and stamina is not guaranteed.

Owen Burrows said of Alyanaabi, "I felt he had to quicken at a few stages in the Group 3 last time. I'm not concerned if there is lack of pace in the race as this horse has won over six furlongs. He is pretty versatile. We always felt he was this level and the fact I pitched him in a listed race on his second start instead of going for a novice race under a penalty suggested that."

More Autumn Offerings?

While the celebrated half-siblings Nashwan and Nayef and fellow class act Dr Fong captured the Autumn S. in its former

guise as a listed contest at Ascot, it was not until the mile juvenile contest was shifted to Newmarket and upped to Group 3 status that it really took on an extra dimension. Since 2017, Godolphin's Dubawi luminaries Ghaiyyath (Ire) and Coroebus (Ire) and the Fabre A-lister Persian King (Ire) (**Kingman {GB}**) have graced its honour roll so this is always a race to take seriously.

Charlie Appleby has found another son of Dubawi to bid for a fourth consecutive edition and fifth since 2017 for the

City Of Troy | *Racingfotos.com*

stable and a fifth in a row for Godolphin, with Military March (GB) (New Approach {Ire}) successful for Saeed bin Suroor in 2019. Not seen since finishing third in the Listed Pat Eddery S. on the King George card in July, **Ancient Wisdom (Fr)** becomes the latest to represent the form of that deep contest and his trainer is happy he is at a peak for this. "Ancient Wisdom has done very well for a break since Ascot," he said. "I felt he lost little in defeat that day, as seven furlongs was on the sharp side and he was still learning. He has done very well since physically and it was always the plan to give him some time off ahead of an autumn campaign. His work has been good and he should handle testing conditions if the rain does come. We feel that he will be a strong player."

Stamina will also be of concern to Aidan O'Brien, who puts forward the G2 Beresford S. runner-up **Chief Little Rock (Ire)** (Galileo {Ire}). **Cont. p15**

Arabic Legend | [Racingphotos.com](https://www.racingphotos.com)

Saturday's Preview Cont.

Sheikh Mohammed Obaid Al Maktoum's **TDN Rising Star Arabic Legend (Ire)** (Dubawi {Ire}) also looks likely to relish a soft-ground mile test given the way he won on debut over seven furlongs at the July Festival here and finished second in Salisbury's Listed Stonehenge S. over this trip in August. Another big player is the Gredleys' **Ambiente Friendly (Ire)** ([Gleneagles {Ire}](#)), who was a notable first-time winner for the James Fanshawe not renowned for big debut efforts when impressive over seven at Leicester last month.

Arabian Crown The One To Beat In The Zetland

Completing the trio of juvenile pattern races on the Future Champions Day card is the G3 Ghaiyyath Zetland S., where another of Appleby's Dubawi projects **Arabian Crown (Fr)** is likely to start at prohibitive odds. His defeat of aforementioned Arabic Legend in the Stonehenge gives him the form edge over some intriguing rivals including Ballydoyle's Curragh maiden winner **Gaspar De Lemos (Ire)** ([Justify](#)) and Chasemore Farm's Sandown debut scorer **Dambuster (GB)** ([Kingman {GB}](#)) from the Andrew Balding stable.

"Arabian Crown brings a nice profile into this," commented Appleby, who has won the last two editions with similar types. "He has a pedigree and running style that suggests stepping up to a mile and a quarter will produce further improvement, so he should be very competitive."

“On behalf of the passionate Goffs team, I extend our thanks to our vendors who have sent such quality to November as their first choice again this year.”

ALSAKIB (GB) (c, 3, **Kingman {GB}**--America Nova {Fr} {SW-Fr},
 by Verglas {Ire}) annexed three of his first five starts, including a
 12-furlong handicap at Ascot last month, and employed patient
 tactics at the tail of the field from the outset here. Inching ever
 closer in the straight, the 10-3 favourite arrived on the scene at
 the three-furlong pole and kept on in resolute fashion under a
 drive inside the final quarter-mile to defeat Shadow Dance (GB)
 (Almanzor {Fr}) by a half-length. "He is a lovely horse, he's done
 nothing but improve and he stays very well," said trainer
 Andrew Balding. "He is now unbeaten over a mile-and-a-half
 and I doubt he will go again this season in England. The hope for
 the owners is that he might run in the Qatar Derby, which is
 dropping back to a mile-and-a-quarter. Coming back in trip
 might be a concern, but he is a classy horse and the reason the
 owners have got him in training is to run him in that race. It all
 depends on what the owners want to do as regards to if he
 comes back here. He is a good horse." Alsakib, the ninth of 10
 foals, is one of six scorers produced by Listed Grand Criterium de
 Bordeaux victrix America Nova (Fr) (Verglas {Ire}), herself a
 half-sister to Listed Prix Vulcain winner Cat Nova (Fr) (Hurricane

 runner-up Weary (Fr) (Astronomer Royal), G3 Prix des

 fractions of this British EBF £100,000 Final. Making continued
 headway on the bridle in the straight, the 28-1 outsider charted
 a passage into third approaching the furlong marker and was
 driven out inside to deny Sailthisshipalone (GB) (Havana Gold

Swooping on the front with half a furlong remaining, the 3-1 second favourite readily asserted to score by 1 3/4 lengths from Markakol (GB) (**Starspangledbanner {Aus}**). The winner is currently the last known foal out of the dam, a daughter of the G3 Denny Cordell Lavarack & Lanwades Stud S. winner Flowers Of Spring (Ire) (Celtic Spring {GB}) who is connected to the G1 Irish Derby and the G1 King George VI & Queen Elizabeth S.-winning sire Alamshar (Ire) (Key Of Luck). Sent by Vicario (GB) (Lope De Vega {Ire}) a furlong out, the homebred asserted to score by 2 1/4 lengths. "To be honest, it was expected but as William said beforehand she is a filly for the future and he wanted to ride her the right way round and get the most out of her that way," Charlie Appleby said. "I think we will see how she does mentally in herself. She has been a filly that we have nurtured, as she does everything a little bit on her nerves at home." The winner is the fourth foal out of the dam, who proved a smart performer for the operation when capturing the G2 Prix de Sandringham and G3 Atalanta S. and finishing third in the G1 Sun Chariot S. Her second was this stable's One Ruler (Ire) (Dubawi {Ire}), who was at his best at two when following a success in this meeting's G3 Autumn S.

with a second in the G1 Futurity Trophy. Out of the G3 Prix Vanteaux winner and GI Garden City Breeders' Cup-placed Campsie Fells (UAE) (Indian Ridge {Ire}), her yearling filly is by Masar (Ire). Lifetime Record: 1-1-0-0, \$6,574. O/B-Godolphin (GB); T-Charlie Appleby.

GLIMPSED (GB) (f, 2, Night Of Thunder {Ire}--Look So {GB}, by Efisio {GB}), sent off the 13-8 second favourite, raced prominently throughout the early stages. Passing Get The Music On (GB) (Havana Grey {GB}) to take over approaching the two-furlong pole, the half-sister to the G1 Prix Royal Oak hero Scope (Ire) (Teofilo {Ire}) stayed on to score by 1 1/4 lengths. "She is well-bred and is a bonny little filly," Ralph Beckett's assistant trainer Joe Tuite said of the homebred, who is the last known foal out of a half to the owner-breeder's Oaks heroine Look Here (GB) (Hernando {Fr}). "She is very tough and showed a great attitude. Her work is quite nice, but she is very small. She does what it says on the tin. The pedigree says she will stay and I'm sure she will stay further in time. I'd say that will be it for the season, as there is not much left." The ill-fated Scope was one of four black-type performers out of the dam including the Listed Prix Petite Etoile winner and G2 Prix de Sandringham-placed Glance (GB) (Dansili {GB}) and the Listed Hoppings S. winner and multiple group and graded-stakes-placed Regardez (GB) (Champs Elysees {GB}). The latter is the dam of this year's G3 Fred Darling S. winner and G1 Coronation S. and G1 Falmouth S. runner-up Remarque (GB) (**Kingman {GB}**), who like Scope also scored on her debut last term. The aforementioned Look Here produced Hereby (Ire) (Pivotal {GB}), another strong stayer who captured the Listed Noel Murless S. and was third in the G2 Lancashire Oaks. WIKINGER (IRE) (c, 2, **Ten Sovereigns {Ire}**--**Westfalica {Ger}** {MSP-Ger}, by **Areion {Ger}**), who ran fourth over this distance in his Sept. 7 debut at Cologne when last seen, broke well and was steadied back in the field after the opening exchanges of this Ferdinand Leisten-Memorial, Germany's richest juvenile contest of the year. Turning for home in fifth, the 19-1 chance was coaxed into third approaching the final furlong and kept on

strongly in the closing stages to prevail by 1 3/4 lengths from Ghorgan (Ger) (Study Of Man {Ire}), becoming the 22nd winner for his freshman sire (by **No Nay Never**). "Wikinger had the ideal conditions during the race, there was a lot of speed at the front and he was able to relax," explained winning trainer Gerald Geisler. "He is a very relaxed and easy-going type and we knew he was a good horse, but to win is just unbelievable. It is a very emotional moment, I selected this colt at last year's BBAG Yearling Sale and we always had this race in mind for him." Rider Adrie de Vries added, "Wikinger's debut was not too bad at all, but Gerald [Geisler] had a lot of guts coming here for this race." Wikinger, half to a weanling colt by **Sioux Nation**, is the first of two foals produced by Listed Westminster Fliegerpreis second and Listed Baden-Baden Cup third Westfalica (Ger) (Areion {Ger}), herself a half-sister to Listed Baden-Baden Cup and Listed Kolner Stutenpreis victrix Wish You Well (Ger) (Soldier Hollow {GB}). HISTORY AWAITS LIBERTY ISLAND IN SHUKA

SHO by Alan Carasso

Liberty Island | Horsephotos

The last time the G1 Shuka Sho was staged at Kyoto Racecourse in 2020, Daring Tact (Jpn) (Epiphaneia {Jpn}) validated a quote of 1.4 (2-5) favouritism to become the fifth winner of the Japanese Fillies Triple Tiara in the modern era. Closed for two years for reconstruction, racing returned to Kyoto this spring and Sunday afternoon, the fans will pack the grandstand to watch Sunday Racing's **Liberty Island (Jpn)** (Duramente {Jpn}) try to add her name to the list at what will be a similarly skinny price, if not shorter.

The daughter of two time Australian champion and dual Group 1 winner Yankee Rose (Aus) (All American {Aus}) is sparingly raced to date, having made just five trips to the post and having tasted defeat on only one occasion, a desperately unlucky runner-up effort to the re-opposing **Ravel (Jpn)** (Kitasan Black {Jpn}) when badly held up for a run in the G3 Artemis S. last October. Liberty Island locked up champion 2-year-old filly honours in the G1 Hanshin Juvenile Fillies in December and returned to action in the Apr. 9 G1 Oka Sho (Japanese 1000 Guineas), coming from a seemingly unlikely position to defeat **Kona Coast (Jpn)** (Kitasan Black {Jpn}) ([video](#), SC 3). The G1 Yushun Himba (Japanese Oaks) was a much more straightforward task, as Liberty Island turned on the afterburners in the final 200 metres to score by a half-dozen lengths from **Harper (Jpn)** (Heart's Cry {Jpn}) and **Dura (Jpn)** (Duramente {Jpn}) ([video](#), SC 5).

Liberty Island reportedly won the Oaks at 468kg, but was a

reported 520kg when she returned to training in September. She recently tipped the scales at 490kg, but jockey Yuga Kawada remains bullish on his ride.

"I'd heard so many reports about how big she'd gotten, so I'd been thinking she was going to be too big, but she wasn't," the leading rider commented this week. "In a good way, I found it hard to even feel the difference. She didn't feel heavy either when she started working, but since it was a week out, I did think she would improve from then.

"Since she's so talented, it's always hard to find a training partner," he added. "This week, so call it a partner or a pacemaker, we put another horse in front and worked this one, being careful to keep her in good balance. I did feel improvement from last week."

Dura was better than 100-1 when rallying from far back in the Oaks and went on to frank the form of the race with a one-length success when favoured in the G3 Queen S. (1800m) at Sapporo July 30.

"She had a prep that should tie in nicely with the Kyoto 2,000 meters, and physically she's much more powerful than she was in the spring," said assistant trainer Atsushi Nishioka. "I hadn't been confident she'd do well in either the Oaks or the Queen S., but this time I'm looking forward to her performance. On top of that, I'm looking forward to seeing how close she can get to Liberty Island."

Shadai's **Masked Diva (Jpn)** (Rulership {Jpn}) is one of the more progressive types in the field, with three wins from her four starts, including a convincing 1 1/2-length success in the G2 Rose S. in her group-stakes debut last month. As of this writing, the dark bay is the second choice in the markets at better than 17-1, such is the expected dominance of Liberty Island.

Moryana (Jpn) (Epiphaneia {Jpn}) was well-beaten in the Hanshin Juvenile Fillies and was absent from the first two legs of this series, but gained a berth in the Shuka Sho with a half-length defeat of Oaks sixth **Hip Hop Soul (Jpn)** (Kitasan Black {Jpn}) in the G2 Shion S. over Sunday's trip Sept. 9.
