## LAST STOP FOR YEARLINGS: FASIG-TIPTON OCTOBER SALE STARTS MONDAY

Newtown Paddocks | Fasig-Tipton

by Jessica Martini

LEXINGTON, KY - The Fasig-Tipton October Yearlings Sale, which has produced back-to-back record-setting renewals, returns Monday morning with the first of 1,605 catalogued yearlings scheduled to go through the ring at Newtown Paddocks at 10 a.m.

As shoppers made the rounds at the sales grounds on a brisk fall morning in the Bluegrass Sunday, consignors were expecting to see some familiar trends during the upcoming four-session auction.

"It's going to be interesting to see where the level of quality is here," said Legacy Bloodstock's Tommy Eastham. "I think [the market] is going to be really good for the horses that are perceived to be above that level and I think it's going to be more of the same for the horses that they perceive to be below that. I think it's going to be tougher on those horses."

Despite the expected polarization of the market, consignors were pleased with the activity they were seeing around the sales barns.

"It's very refreshing to come into the parking lot early in the day and have it full up from all the way back here in the tents to the front fields," said Stuart Morris. **Cont. Pg. 3**

## CHAMPION FORTE ARRIVES AT SPENDTHRIFT, WILL STAND FOR \$50K

2-year-old champion and 'TDN Rising Star' Forte (*Violence*), whose retirement was announced earlier last week, has arrived at Spendthrift Farm where he will take up stud duty in 2024. His introductory fee will be \$50,000 S&N and he is available for inspection by appointment.

"The first thing I think about Forte is just how much of an honor it is for us to bring a horse like him to Spendthrift. He's the fifth champion we've been fortunate enough to add to our stallion ranks since 2020, and that's a testament to what Mr. Hughes built and the commitment that Eric and Tammy Gustavson are now carrying forward," said Spendthrift General Manager Ned Toffey. "While we are disappointed for Mike [Repole] and Vinnie [Viola] that Forte wasn't able to end his great career like a champion deserves to, we are very grateful for our partnership with them." **Cont. **Fasig-Tipton October Cont. From Pg. 1**

"I think the traffic, to me, seems to be on par. I'm not going to say it's extra, but it's definitely not weak. All of the faces that you usually see are here."

For the second year in a row, the October sale set highwater marks for gross, average and median in 2022 with a total of 1,100 yearling selling for \$55,426,500, an average of \$50,388 and a median of \$25,000.

"Over the last couple of years, this has become a really strong sale," said Hanzly Albina of Blake-Albina Thoroughbred Services. "It used to definitely be a lower-end horse and now there are 1600 horses here. I think there are people who are pointing horses here who need a little more time and they are more comfortable waiting to sell their horses here because they know there will be money here for them, versus having to put horses in sales they feel they aren't ready for."

Albina said his 23-horse consignment at the October sale included yearlings who had RNA'd at previous sales, as well as horses pointed specifically to the last yearling sale of the year.

"We have horses in here that have big pedigrees that we wanted to give more time to and we were comfortable waiting until October," he explained.

The consignment includes a colt by **Curlin** (hip 691) out of Kateri (Indian Charlie) and a filly by **Tapit** out of My Bellamy (Bellamy Road) (hip 948) who were both catalogued for the Keeneland September Yearling sale, while a colt by Into Mischief out of Indy Punch (Pulling Punches) (hip 651) will be making his first sales appearance.

"She was offered at Keeneland in Book 2, but I think she got overlooked," Albina said of the **Tapit** filly. "The **Curlin** was offered in September and I think he needed more time, too, but the Into Mischief we waited on him to mature a little more."

Eastham said the October sale is a natural place to sell yearlings.

"It's a nice sale to prep a horse for," he said. "They naturally mature into it. You don't have to push them as much. They keep them outside longer and put a little less pressure on them. I think you see some of these upper-end buyers that were really active in earlier sales start holding some cash for this sale. Because a lot of good horses come out of this sale."

Morris agreed that October's impressive list of graduates has attracted buyers' attention, but he also thinks the auction is helped by its position as the final yearlings sale of the season.

"I think a lot of buyers come here because it's the last stop," Morris said. "So as sellers, we are a little more cautious--what might be considered realistic--and buyers are a little aggressive because they have to fill orders. I think that helps this sale just because of the calendar time that it's the last stop of the year. There are 1,600 head here and a bunch of stakes horses come out of this sale every year, so if you have a big budget of \$500,000 or \$600,000, you can find horses here for that money. If you've got \$50,000 or \$10,000 or \$5,000, you can find horses. So I think that creates a big buyer base."

Eastham observed that buyers have been particularly hard on vet issues at the earlier yearling auctions this fall, but he is hopeful the last auction of the season might have them reevaluating that position. **Cont.**

“At Keeneland [the buyers] were strict on vetting,” he said. “A chip that would normally cost you 20% was costing you 70%. Hopefully they will be a little more forgiving on some small, minor vetting issues because we are getting to the end of the year and we can get those horses sold.”

The October sale will be held Monday through Thursday with sessions beginning daily at 10 a.m.

**Forte** | Sarah Andrew

## Forte Cont. From Pg. 1

“Forte is the first 2-year-old champion to retire to Spendthrift in more than four decades, since the likes of Seattle Slew, Affirmed and Lord Avie,” continued Toffey. “That’s some pretty special company, and we couldn’t be more excited about his future.”

Racing for Repole Stable and Viola's St. Elias Stable, Forte was named champion 2-year-old colt after a season which saw him break his maiden by 7 3/4 lengths on debut going five furlongs at Belmont and pick up three consecutive Grade I victories in the Hopeful S., the Breeders' Futurity and the Breeders' Cup Juvenile. As a 3-year-old, he took the GII Fountain of Youth S. and the GI **Curlin** Florida Derby.

“Forte has given us the ride of a lifetime on the track and done everything asked of him and more under tremendous training by Todd Pletcher,” said Viola. “We are blessed to have raced such a talented horse in partnership with Mike Repole, and excited about his prospects as a sire at Spendthrift Farm.”

Repole added, “Vinnie and I are so fortunate to be blessed with this ultra-talented colt. Forte’s 2-year-old season, from breaking his maiden at five furlongs in May and winning three Grade I’s including capping it off with a spectacular effort in the Breeders’ Cup Juvenile, left us in awe. To come back at three and win the Fountain of Youth, Florida Derby and Jim Dandy,

and run second in the Belmont at 1 1/2 miles, was amazing. Forte is just a special horse.”

Forte retired with career earnings of \$3,029,830.

“Forte just exuded class in everything he did, which is something you only see from those few special ones that come through,” Pletcher said. “Some probably won’t quite appreciate how special he was because of the bad luck we faced this year. Obviously, the timing could not have been worse to have the foot bruise that kept him out of the Derby, and we have been battling a quarter crack on a different foot that was going to force us to miss the Breeders’ Cup and all our goals for the fall and winter. I’ve been fortunate to train three colts that were champion 2-year-olds but Forte is the first to win three Grade I’s at two. Horses like that don’t come around often and we’ll miss him in the barn.”

## WITH ANOTHER GRADED WIN, IT’S CLEAR THAT DEVAUX HAS ARRIVED

*The Week in Review, by Bill Finley*

Cherie DeVaux had just left a job as an assistant with Chad Brown, where the assembly line churned out one graded winner after another. After nearly eight years with Brown, she was ready to go out on her own and cobbled together a small stable that made its debut in the spring of 2018.

Her first starter was Take Charge Tina (**Take Charge Indy**), who finished a distant fifth in a Belmont allowance race on May 18, 2018. The year would get no better as she went winless in 18 starts. DeVaux went on to lose her next 10 starts before breaking her maiden on March 29, 2019 with Traveling

(Tale of the Cat) in a maiden claimer at Gulfstream, 10 1/2 months after her first start.

“When I started out, some days it felt like I was rolling a really heavy rock up a hill,” DeVaux said.

But somehow that rock kept getting lighter and lighter until it disappeared. On Saturday, DeVaux won the GII Lexus Raven Run S. at Keeneland with **Vahva** (Gun Runner). It has been a year of firsts for the 41-year-old trainer, who is a rising star in the sport. The Raven Run was her first graded stakes win at Keeneland and the year 2023 has also seen her win her first Grade I race with

**She Feels Pretty** (Karakontie {Jpn}), the winner of the GI

Natalma S. at Woodbine. With more than two months to go in

the year, her stable has earned \$4,603,320, \$2 million more than she earned in 2022, which had been her best year to date.

“This started off in July when **More Than Looks** (More Than Ready) won the Manila S.,” DeVaux said. “Since then it has been

full steam ahead. I’m so excited, so happy and so grateful for all of it. When you work for Chad and you’re winning Grade I’s so often, you almost lose sight of how hard it is to win a stakes race.”

The trophy presentation for the GII Lexus Raven Run S. | Coady

If she made a mistake leaving Brown when she did, it was that she took off before being able to attract many new clients.

“When I left working for Chad, I didn’t have a whole book of business waiting for me,” she said. “I had to start from the ground up.”

But that she has become a successful trainer is not a surprise. She was ready to work hard and had the patience to get through her slow start, and learning under a future Hall of Famer like Chad Brown is no

small thing. Plus, she now works closely with her husband, respected bloodstock advisor David Ingordo.

“There were a lot of growing pains,” she said. “Then we got some momentum going and COVID hit. I would have been happy

if we didn't have any stakes winners so long as our stable was moving along. So this year has definitely exceeded my expectations."

In time, owners started to take notice. One of her main clients has been Belladonna Racing Partnership, which heads the partnership that owns Vahva, and was instrumental in getting DeVaux's career rolling. At this year's Keeneland September sale, Belladonna, Ingordo and DeVaux teamed up to buy 18 yearlings for a total cost of \$4,917,000.

"Yes, David and I work together," DeVaux said. "He earns his keep by keeping me off the ledge most days."

She also has horses for Lael Stable, West Point Thoroughbreds, Martin Schwartz and John Gunther.

"I think everyone can see how adept Cherie is at running a first-class stable," said West Point's Terry Finley. "She can identify talent, and what has consistently impressed our team and our partners is what a great communicator she is. Cherie is the total package."

**She Feels Pretty wins the GI Johnnie Walker Natalma S.**  
*Michael Burns*

As much momentum as she has and with all the recognition she is getting for recent victories, she's probably at the point where she could build the type of stable that could knock heads on a regular basis with a Chad Brown or a Todd Pletcher. But that's not in her plans.

"We have 85 right now," she said. "I don't want a whole lot more than that because that would dilute the quality of what we are doing. I wouldn't feel comfortable with that many horses with the values I have for my stable and the way I train. I try to be hands-on and work individually with each horse. All summer long I was traveling just to keep my own eyes on the horses so that I saw each one at least once a week. We want to have higher quality horses and not just horses in stalls." **Cont.**

More Than Looks | Coady

In less than two weeks, DeVaux will be shooting for what would be the biggest accomplishment thus far in her career, a win in the Breeders' Cup. She Feels Pretty will go in the GI Breeders' Cup Juvenile Filly Turf and **Stage Raider** (Pioneer of the Nile) will be entered in the GI Breeders' Cup Dirt Mile. She will pre-enter More Than Looks in the GI Breeders' Cup Mile, but doesn't think he will get in.

She's had just one Breeders' Cup starter previously, **Tarabi** (**First Samurai**), who was third in the 2021 GI Breeders' Cup Juvenile Fillies.

Win or lose at this Breeders' Cup, she will take nothing for granted. Go back just four years ago to Breeders' Cup week 2019 and she had yet to win a stakes race and had had all of six career winners. Now, she's a major player.

"The beginning really humbled me to the point where I appreciate every win, every stakes," she said. "That's because it did take me so long to get any momentum going. I'm really looking forward to the Breeders' Cup."

### Watch Out For Baffert-Frey Combo

When Bob Baffert ran three first-time starters in Saturday's ninth race at Santa Anita, gamblers likely had a hard time separating them. All three were typical Baffert... on paper, they looked loaded. There was **Urban Legend** (Into Mischief), a \$1.3 million purchase at OBS April. **Nysos** (**Nyquist**) cost \$550,000 at the same sale. Then there was **British Isles** (**Justify**), a half-brother to Grade I winner Eight Rings (Empire Maker) who was a Coolmore homebred.

Who did Baffert like the best? If you looked at his choice of jockeys, the answer was probably not Nysos. He had Ramon Vazquez on Urban Legend and Mike Smith on British Isles.

**Nyquist** has sired more Graded Stakes two-year-olds from his first three crops than any other American stallion ever, and two G1 winners this year.

**Could TDN Rising Star Nysos be next?** His curtain-raising win – by 10-and-a-half lengths! – came in 1:08.97, making the \$550k breezer **the fastest 6f juvenile on the dirt at Santa Anita since 2013**. And with a 96 Beyer: that's the second-top by a two-year-old this year, and the best by a debutant. Just imagine...

**\$85,000** S&N

**Darley**

His choice for Nysos was Kyle Frey, who was riding at a 6% clip at the meet and had won only 36 races on the year. So what happened? Nysos ran like a runaway train to win by 10 1/2 lengths and pay \$14.80 en route to being named a **'TDN Rising Star'**.

But those who were playing close attention might have been able to cash a bet. Baffert had used Frey exactly one other time and that pairing also resulted in a winner when **Wynstock** (Solomini) broke his maiden on Oct. 15 at Santa Anita and paid \$28.60.

## PROXY, PRINCE OF MONACO TOP BREEDERS' CUP WORK TAB

Godolphin homebred **Proxy** (**Tapit**) had his final serious drill Sunday for an expected start in the GI Breeders' Cup Classic. The 5-year-old breezed five furlongs in 1:02 flat (8/32) on Keeneland's fast track with regular jockey Joel Rosario in the saddle.

The plan was to go in company with Godolphin's unraced 2-year-old colt Surveyor (**Medaglia d'Oro**), but the duo was unexpectedly joined by workers from other trainers. Despite the surprise, trainer Mike Stidham, Godolphin Chief Operating

Officer Dan Pride and Director of Bloodstock Michael Banahan were all smiles watching from the grandstand.

"The main thing we were looking for today was that we would let him break off a little bit behind," Stidham said. "The other horses getting in there was not planned. That just happened. It turned out to be four horses working together. And when Joel took him out – and got him out in the clear – that's what we wanted to see. He needed that type of work; that was the most important work." **Cont.**

Stidham said Proxy will have a lesser workout Saturday or Sunday before shipping to Santa Anita Oct. 30.

“Next week will be less of a blowout for the Breeders’ Cup,” Stidham said about Proxy’s next assignment. “Today’s work was exactly what we were looking for. He handled it well and galloped out great and did everything right. We couldn’t be happier.”

Also at Keeneland Sunday, Peter Brant’s **Gina Romantica** (Into Mischief) worked a half-mile in :50 flat (62/103) in company with Lady De Berry (**Practical Joke**) over the fast main track for trainer Chad Brown.

“She worked good,” said Baldo Hernandez, assistant to Brown who noted that Gina Romantica has had most of her workouts on dirt during her career. “She’ll work again next weekend and may work on the grass with In Italian. That’s to be determined.”

Both Gina Romantica and **In Italian (GB)** (Dubawi {Ire}) are scheduled to ship to Santa Anita Oct. 30 for the Breeders’ Cup.

Also working toward a possible Breeders’ Cup start was **Nakatomi** (Firing Line) for trainer Wesley Ward who breezed five furlongs in 1:00.60, the fastest of 32 at the distance for the morning.

Out west, **Prince of Monaco (Speightstown)** and **Speed Boat Beach** (Bayern) were among a quartet of Breeders’ Cup prospects trained by Bob Baffert to record timed workouts at Santa Anita Sunday with both working six furlongs from the gate.

Prince of Monaco, pointed to the GI Breeders’ Cup Juvenile went in 1:12.00, while Speed Boat Beach, headed to the GI Breeders’ Cup Sprint, blitzed through his work in 1:11.00 to be the fastest of seven moves at the distance.

Also working for Baffert were **Adare Manor (Uncle Mo)** (5f, :59.60) for the Distaff and **Eda (Munnings)** (4f, :46.80), who is possible for the Filly & Mare Sprint.

Working for Hall of Fame trainer Steve Asmussen were **Clairiere (Curlin)** (5f, :59.80) and **Private Creed** (Jimmy Creed) (4f, :48.40).

**Dr. Schivel (Violence)** worked five furlongs in 1:00.80 for trainer Mark Glatt.

**Buttercream Babe (Twirling Candy)**, a candidate for the Juvenile Fillies Turf for trainer Michael Maker, worked four furlongs in :51.20.

Rounding out Sunday’s Breeders’ Cup workers were **Gold Phoenix** (Declan’s Warrior) (5f, 1:01.80) and **Balladeer** (Distorted Humor) (5f, 1:00.00), both candidates for the GI Breeders’ Cup Turf.

## TAMARA WORKS AT SANTA ANITA FOR BC JUVENILE FILLIES

Undefeated **Tamara** (Bolt d’Oro) worked six furlongs in 1:12.60 at Santa Anita Saturday morning in preparation for her next start in the GI Breeders’ Cup Juvenile Fillies under Mike Smith, who has been aboard the 2-year-old daughter of Beholder for each of her two wins.

In the work, Tamara hooked up with some company, reportedly an unraced 2-year-old colt, whom she outworked.

“I was actually kind of hoping to gain some company,” Smith told Zoe Cadman, “and it worked out great. If I hadn’t, she’s a pretty good work horse if you want her to be. But we were fortunate to catch a little company and she went really nice this morning. I gave them a five-length head start and she came up to them. I gave her a little breather around the turn and headed for home. I let her turn over to her right lead and I wanted to see if she was there, and boy she set me back in the seat, so all systems are go. She’s not a tall horse, but she’s long and she’s very athletic and she really gets up under herself good. You could put a glass of water up on her back and turn her loose out there and she probably wouldn’t spill half of it. She’s just so smooth.”

## 2022 FILLY & MARE TURF WINNER TUESDAY

**Tuesday (Ire)** (2019 bay filly, Galileo {Ire}--Lillie Langtry {Ire}, by Danehill Dancer {Ire})

**Lifetime record:** GISW-U.S., G1SW-Eng, G1SP-Ire, 10-3-3-1, \$1,828,827

**Breeders' Cup connections:** B-Coolmore (Ire); O-Westerberg Limited, Mrs. John Magnier, Michael B. Tabor, and Derrick Smith;

T-Aidan O'Brien; J-Ryan Moore.

**Current location:** Coolmore America/Ashford Stud, Versailles, Ky.

Coolmore's late super sire, Galileo, added his sixth Breeders' Cup winner with Tuesday just last year. He is a joint second by winners, but stands alone as the leading Breeders' Cup sire by money won with nearly \$16 million in purses--more than \$4.5 million more than his closest pursuer.

Tuesday, who also captured the G1 Cazoo Oaks in 2022 and now holds the 1 3/16-mile course record at Keeneland after her Breeders' Cup win, was retired shortly after the race and bred to Into Mischief this spring.

"She was such a tough, consistent race filly--like all of the Galileos are," said Ashford's Dermot Ryan.

**40 YEARS OF CHAMPIONS**

The rich heritage of the Breeders' Cup is woven into horse racing's history. Thirty-nine years and more than 360 champions later, the world-class festival of racing has transcended the sport itself.

**JOIN US IN CELEBRATING THE 40TH RUNNING ON NOV 3 & 4**

To celebrate the 40th running of the Breeders' Cup, the *TDN* will share a photo and catch up with a past winner in each of the 40 days leading up to the event. Today, we have Filly & Mare Turf winner Tuesday. | Sarah Andrew

“She was expertly campaigned by Aidan and his team to win the Oaks on her 3-year-old birthday and to defeat a top-class field containing six Grade I winners and a Canadian Classic winner at the Breeders' Cup gave her owners/breeders and the whole team at Coolmore such a thrill.” --Jill Williams

## Tamara Cont. From Pg. 9

Trainer Richard Mandella also pronounced himself pleased with the work.

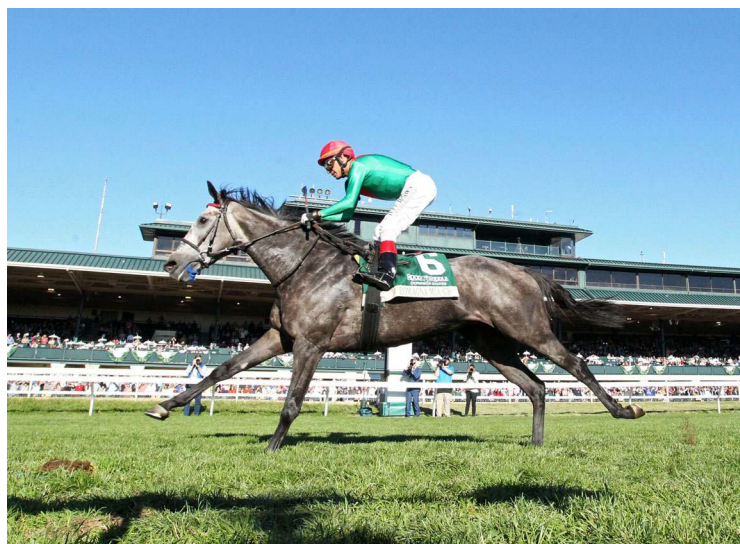

“She can run,” said Mandella. “She’s not a big horse, but when the time is needed, she rises to the occasion. She swells up. She’s not tall, she’s kind of stocky and stout and growing as we go along. She’ll end up bigger than this, but she’s big enough,” he concluded with a smile.

Mandella, of course, trained Beholder and Smith was the regular rider on Songbird, whom Beholder beat in her last-ever race in the 2016 GI Breeders' Cup Distaff. Smith was asked about the irony of that as Tamara's regular rider.

“I even rode her mother once,” said Smith, “but it’s pretty cool. I guess it means I’ve been around for a little bit. It’s kind of cool to see these young ones come up. Look, she’s got a long ways to go before she comes close to her mother, but she’s certainly on the right track.”

As for the upcoming Breeders' Cup, Smith said, “I can’t wait. I’m really looking forward to it, especially getting to ride a filly with the kind of talent she does. If all goes well, the sky’s the limit for her.”

## ROMAGNA MIA NOTE PERFECT IN DOWAGER

The 6-1 morning line didn't last long on this European invader as **Romagna Mia (GB)** (Mastercraftsman {Ire}) wound up receiving all the wagering attention before strolling home in Sunday's GIII Rood and Riddle Dowager S.

Already a group winner as a 3-year-old in Italy last Fall, the 4-year-old had considerably worse luck in several attempts at stakes in France before making the voyage across the pond to debut for trainer Graham Motion in the GI Beverly D. at Colonial Downs Aug. 12. She ran a valiant third that day behind only MGISW's Fev Rover (Ire) (Gutalfan {Ire}) and Gina Romantica (Into Mischief). **Cont.**

SCAN TO  
PRE-ENTER

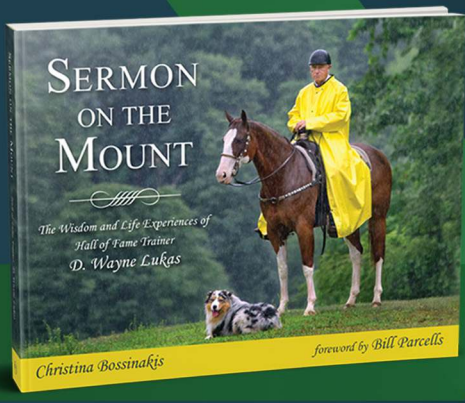

No stranger to the 1 1/2-mile distance the field contested in Keeneland's feature race Sunday, Romagna Mia spotted her rivals a step at the break and quickly found herself racing at the back of the seven-horse bunch inside of **Loved Reiko (Tapit)**. Sharpest from the inside, **Henrietta Topham** (Lemon Drop Kid) was able to outspurt **Vergara** (Noble Mission {GB}) to the lead and that 12-1 shot paced the group past the wire with a lap to run. Now a solo sixth, the 2-1 race favorite was held off the rail by veteran John Velazquez but continued to trail even as the runners began to bunch up on the backstretch through an opening three-quarters in 1:13.99. With a half-mile to run, Romagna Mia began to move, coming alongside the leading trio under her own power to get on even terms at the top of lane. Fanned five across the track in what looked to be a cavalry charge to the wire, the Team Valor-owned runner closed with a purpose, striking the front just outside the sixteenth pole and opening up to win going away. The Saffie Joseph, Jr. trained **Transient (GB)** (**Sea The Stars (Ire)**) was the best of the rest for Five Racing at 4-1.

"I knew she was not going to break," said Velazquez. "I rode her already, and she is very slow from the gate. I didn't want to be too far back. On the other hand, I didn't think the pace was going to be as hot as it was. I know I was comfortable enough where I was. As soon as we got past the wire the first time, she got into the bridle. I was following [jockey] Brian [Hernandez Jr. on Lovely Princess]. She was one of the horses to beat and he still had a hold of his horse, so I got to the outside of him on the backstretch. I was like, 'Let me force the pace a little bit maybe. I can force the pace a little bit with (Hernandez).' I know my horse takes a little bit to get going, so I wanted to put her in the clear and keep her going forward. [Owner] Barry [Irwin of Team Valor International] kept telling me, 'She stays all day. She stays all day.' So I just had that in my head. She's going to stay all day, so I'm going to put the pressure on and hope she keeps going that way. When she came to the three-sixteenths [pole], she straightened and she went on and ran away from the horses."

#### Pedigree Note:

Sunday's winner recently changed hands when selling for €500,000 at last December's Arqana Breeding Stock Sale. Romagna Mia's third dam, European champion 2-year-old filly Blue Duster (Danzig), produced 1,000,000gn purchase Blue Symphony (GB) (Darshaan {GB}). The mare, a winner herself, would go on to foal MGSW/MGISP Fantasia (GB) (Sadler's Wells) and GSW Pink Symphony (GB) (Montjeu Ire}). Washington Blue, sold in foal to **Magna Grecia (Ire)** for just €30,000 at Goffs February Sale, reported a filly from that breeding and has a yearling **Expert Eye (GB)** colt still to represent her as well.

## JOCKEY FRANK ALVARADO PICKS UP 4,000TH CAREER VICTORY

Veteran jockey Frank Alvarado, a mainstay in Northern California, picked up his 4,000th career victory in Race 2 on Sunday at Golden Gate Fields aboard five-year-old mare Shout It Out (Boisterous). 54-year-old Alvarado had to wait out a photo finish before giving an exuberant fist pump when the order of finish was posted. He was greeted in the winner's circle post-race by family, friends, racing officials, and fellow members of the Golden Gate riding colony. Among Alvarado's top mounts currently in training are champion Northern California sprinter Top Harbor (Harbor the Gold) and recent Santa Anita stakes-winning 2-year-old Grand Slam Smile (Smiling Tiger).

second in the GII Pat O'Brien S. going seven furlongs. Installed as the 5-2 second choice from the rail post here, the gray colt raced in third around the first turn, bided his time up the backstretch, took over around the far turn and ran on evenly for his third black-type win. The winner's dam's last produce of record is a 2-year-old filly named Above All Else (**Hard Spun**).

Entered as a main-track-only participant, Ninetypercentmaddie won the City of Brotherly of Love S. Mar. 6 at Parx before losing by a head next out in the Federico Tesio S. Apr. 15 at Laurel Park. Last seen running fourth in the GII Gallant Bob S. at Parx Sept. 23, the Butch Reid trainee went off as the 9-5 second choice here.

Ninetypercentmaddie allowed his three other rivals to set the pace, as he waited his turn to launch a bid around the far turn. With a full head of steam down the lane, he got up just in time to win.

"I could see when Irad [Ortiz, Jr.] started revving him up outside the quarter-pole, I thought he had a real good chance, said Reid. "The other thing is, he'd drawn inside his last couple of starts and he finally drew an outside post where he feels much more comfortable when he's a little freewheeling. He sometimes has trouble switching leads and Irad did a great job and got him to swap over and he finished well because of it."

### Carle Place S. cont.

The winner counts MSW Ninetypercentbrynn as a full-sister and stablemate. Her dam has visited Maximus Mischief for three straight years, producing an unraced 2-year-old filly named Victoriousvictoria, a yearling filly and foaling a colt Apr. 23.

After stepping up to win her first black-type in the Incredible Revenge S. in Oceanport Aug. 6, she ended up a well-beaten ninth in the GIII Turf Monster S. at Parx Sept. 23. As a 9-1 shot here, the Ken McPeck trainee was last into the first turn, took advantage of a more than honest pace of :47.45 for the first half-mile, got underway to the outside before the top of the lane and won by a head over Leading Contender (Gun Runner). Revealing Moment, who is a full-sister to GI Delaware H. heroine Belle Gallantey, was sold with the winner in utero for \$35,000 at Keeneland November to Bryan Anderson. **AGOO (c, 2, Munnings--Grandacious {SW & GSP, \$206,304}, by Grand Slam)** was a strong second after leading late on his six-furlong Churchill debut Sept. 17 behind Stretch Ride (**Street Sense**), who validated that performance with a 5 3/4-length allowance victory going two turns here Oct. 14, good for an 86 Beyer. One of the first to break the line from a double-digit gate, the \$72,000 KEENOV weanling and \$190,000 KEESEP yearling was forwardly placed, but was no better than five off the fence as there was plenty of speed underneath him. Ridden along and with no other option than to sacrifice ground with a four- and five-wide rally on the turn, Agoo went on the attack from that position on the swing for home as he set his sights on pacesetting debuter Mystik Dan (Goldencents). Maintaining a relentless gallop into the final furlong, Agoo finally edged to the front a sixteenth from home and prevailed by a hard-fought 1 1/4 lengths. Linebacker (Bolt d'Oro) also turned in a very promising first-out performance, settling well back in the field following a slow start before sustaining a long, wide rally to be third, beaten just two lengths. The winner's dam was purchased by Equus Farm for \$15,000 at KEENOV in 2021 and foaled a **Violence** colt the following season. The mare was most recently covered by **Mystic Guide**. **LINCOLN PARK (f, 2, **Gun Runner**--Lady Byng, by Distorted Humor)** was pegged at morning-line odds of 9-2, but was friendless in the market and was allowed to jump as the 15-1 second-longest price on the tote. Drawn widest in the field of seven, the homebred put herself right into the race and pressed the issue outside of fellow debutante Cart Girl Sam (**Tapiture**). Asked to claim that one approaching the entrance to the final furlong, Lincoln Park 'zoo'-med right on by and went on to score by a widening 3 3/4 lengths. Glen Hill purchased this filly's second dam Grat (A.P. Stretching out for this second start, the 8-5 favorite sprinted out to the early lead, then settled into a pressing second. He surged to the lead approaching the top of the lane to graduate by 6 3/4 lengths. Break Out (**Good Samaritan**) was second. Off at odds of 3-1 here, the bay filly settled midfield around the first turn, tipped to the outside at the top of the lane and ran on nicely to be up just in time to graduate over Cora's Legacy. The winner's dam produced a yearling colt named Al Faisal (**Kantharos**), who after being purchased for \$30,000 by Borah at Keeneland January was sent to Saudi Arabia. first time, the bay colt was hard held going around the first bend, took over the lead from the rail up the backstretch and cruising along, she sailed home a winner by 5 1/4 lengths over Twirling Troillet (**Twirling Candy**). Asked to improve his position leaving the half-mile pole, the homebred was consigned to a five-wide run around the far turn, but circled rivals impressively to strike to the front outside pacesetting favorite Town Hall (**Constitution**) at the quarter pole, appeared to idle a bit in upper stretch but went on to finish his job and score handily. ## IMPERIUM SALES OUT TO LIGHT UP TATTS WITH FIRST EVER DRAFT

Alex Elliott: makes his debut as a consignor through Imperium Sales at the horses-in-training sale | Tattersalls

By Brian Sheerin

Imperium Sales may be the newest name on the consignment block but this is no rookie outfit. Imperium is the brainchild of leading bloodstock advisor Alex Elliott and it makes its debut with 14 horses hitting the market at this week's Tattersalls Autumn Horses-In-Training Sale.

From what Elliott describes as a potential Melbourne Cup horse in Balance Play (Ire) (Lope De Vega {Ire}) to the rapidly-progressive He's A Monster (Ire) (No Nay Never), Imperium Sales has the potential to make its debut draft a memorable one.

In many ways, Elliott offering horses on behalf of existing clients will represent a new phenomenon at Tattersalls this week, but he explained how the same idea has been replicated with great success in America and beyond.

He said, "It's something that I have seen Bradley Weisbord and Liz Crow do successfully in America. They've got Elite Sales over there where they buy the horses, manage them and then sell them on behalf of their clients."

## SUNWAY TO THE FORE IN THE CRITERIUM INTERNATIONAL by Tom Frary

Maintaining the overseas stranglehold on the G1 Criterium International, Guy Pariente, Thomas Lines and Qatar Racing's **Sunway (Fr)** (Galiway {GB}--Kensea {Fr}, by Kendargent {Fr}) struck for the David Menuisier stable at Saint-Cloud on Sunday. Putting the pressure on the leader **Navy Seal (Ire)** (Dubawi {Ire}) soon after the start, the 4-1 shot bagged the stand's-side fence after the home turn and used that to his advantage as the 4-5 favourite **Alcantor (Fr)** (New Bay {GB}) loomed on his outside. Engaged in battle with that rival approaching the final furlong, the G2 Champagne S. runner-up asserted in the last 50 metres to win by half a length, with the other Ballydoyle runner **Portland (Ire)** (Dubawi {Ire}) 1 3/4 lengths away in third.

"He is improving and handles these [soft] conditions, but he's a beautiful mover and will be okay on faster ground as well," jockey Oisin Murphy said of the winner. [Cont., p5](#)

**Imperium Sales, cont. from p1**

Elliott added, “We have bought 85 yearlings on behalf of various different clients this year so why wouldn't we offer them the facility to see the process the whole way through for them?”

“It's something of a new thing over here but you've got Jacob West, probably the biggest yearling buyer in America, and he has Highgate Sales [along with Jill Gordon], while Michel Zerolo of Oceanic Bloodstock is involved in Capucines. It's just another service that we can provide to our clients and a lot of them were keen for us to do it.”

In an ideal world, horses with the ability of Balance Play and He's A Monster would not be going under the hammer this week. A lack of meaningful pots for horses rated 90 and above to aim for means that horses of this ilk are a far more valuable commodity to the international market than to keep in training in these shores. That's the simple fact of the matter at present and nobody is more aware of the situation than Elliott, who has been trading under his own name since 2014.

He explained, “We're offering 14 horses this week. Some of the horses we offer on Tuesday evening you wouldn't normally want to be selling those. But that's the way it is with my clients buying so many yearlings, they have to move some on.”

“Because we are racing around for little or no prize-money, the value is in the commodity, and you've got to look after that commodity. That's what I try to educate my clients about all the time.”

“There is a time in a horse's life where he is worth more to the foreign market than he is to keep running here in Britain. That is the case with our entire draft, really. We will be sad to see them gone. I know our trainers will certainly be sad to see them gone.”

“They've been with great caretakers—Ralph Beckett, Clive Cox and Archie Watson—and the horses will arrive at the sales in great shape and will do someone serious service.”

Elliott continued, “But they don't all have to be sold and, Balance Play, for example, will have an entry for the St Simon Stakes at Newbury the week after the sale. It's blue skies ahead for a horse like Balance Play. On one hand, we'd love to keep him but on the other, how do you hold on to a horse like that who could be running around for hundreds of thousands of pounds abroad whereas they are competing for a fraction of that in Britain?”

“As John Gosden said, we have become a nursery for the rest of world racing and if you own a three-year-old gelding who boasts a rating of 101 like Balance Play does, now is the time where he is at his maximum value to sell to the other jurisdictions around the world where he can potentially earn a lot of money. Balance Play could be a Melbourne Cup horse. But, as I said, buying so many yearlings for our clients, we've got to keep the conveyor belt going.”

**Balance Play: one of the star attractions in the Imperium draft |**  
*Racingfotos.com*

Balance Play will form part of what promises to be a helter-skelter Tuesday for Elliott's Imperium Sales with 11 horses going through the ring. The classy He's A Monster and similarly progressive three-year-olds Bear On The Loose (Ire) (**Footstepsinthesand {GB}**) and Just Bring It (Ire) (Harry Angel {Ire}) also take to the stage on Tuesday with Elliott quietly optimistic that the market will react kindly to his offerings.

"As I said with Balance Play, do we keep him here to run in a 20-runner November Handicap for thirty grand or do we sell him to a place where he will be running for a lot more money? He's a May foal and his best days are ahead of him. His numbers have improved run after run and he was very impressive last time at Newbury. He's very good over ten furlongs but he is bred to stay twelve-plus. He could be a Cup horse here next year or he could be a Cup horse abroad. Who knows?"

Elliott added, "Bear On The Loose is Timeform 103 and officially rated 93. He was a one-hundred-grand yearling and is three from five and very progressive. He's a half-brother to a black-type hurdler in Warnaq (Ire) and he hit the line strong over a-mile-and-a-quarter on his last start. He's very unexposed and has been very well cared for by Kevin Philippart De Foy. He's a horse I'd highly recommend.

"He's A Monster is Timeform 113 and officially rated 104. He's five from nine and his last run was his best run where he demolished a competitive handicap field at Chelmsford off 99. He loves fast ground and the synthetic surface and is a beautiful horse. The only time he let us down was when we ran him on soft ground. He could go on to be anything."

"Then we have Just Bring It, who has won his last two for Clive Cox. He's Timeform 99 and is officially rated 94."

Aga Khan graduates bred and sold in Ireland in recent years include **Gr.1 performers** SONAIYLA, TASHKHAN and ZANAHIYR, **Gr.2 winner** BASHIYR (IRISH SEQUEL) and multiple Group winner DIAMIL.

*Don't miss our draft at*  
**Goffs Autumn HIT Sale.**

**KALAPOUR**  
Group winner and Gr.1 placed  
in 2023, sold in 2022.

"He's a rapidly-improving horse and, again, who do we keep an improving three-year-old running around for twenty grand?

"He will love a mile on fast ground and, being out of a Pour Moi (Ire) mare, he'll probably get a-mile-and-a-quarter somewhere. He's an attractive horse. Overall, it's a very exciting bunch."

It says something about Elliott's hunger that, in a year in which he bought his greatest number of yearlings and was once again thrust into the spotlight on Saturday through King Of Steel, a horse of whom he sourced for Amo Racing, that he has added another string to his bow.

None of this would have been possible, according to Elliott, however, without the aid of right-hand woman Lucy Ryan.

He said, "Lucy Ryan, who works with me, has put this whole thing together. She has done all of the heavy lifting. Between us buying 85 yearlings and her getting this off the ground, she really is one in a million.

"Lucy has put a great team of people together who I know personally. We have some great show people and some great horsemen and women. That's what we wanted and that's what she's done. We've both been very busy at the yearlings sales so, for her to have been doing this in the background, it has been a great effort."

On future plans for Imperium, he added, "We're going to be selling four fillies at the December Mares Sale—two black-type fillies [Lose Yourself (Ire) (Lope De Vega {Ire}) and Trust The Stars (Ire) (**Sea The Stars {Ire}**)] and one [La Isla Mujeres (Fr) (Lope De Vega {Ire})] who is borderline black-type who might stay in training. I won't be getting involved in the yearling or foal market, it will simply be horses in training and fillies and mares."

#### **Sunway, cont. from p1**

The pair extended the dominance of foreign raiders in this mile with the last French-trained winner being Ectot (GB) (Hurricane Run {Ire}) in 2013. "He was very relaxed and perfect today. David thought he was very good from early on."

Impressive on his Sandown debut over seven furlongs in June, Sunway was one of a quintet who suffered defeat behind the subsequent G1 Prix Jean-Luc Lagardere hero Rosallion (Ire) (Blue Point {Ire}) in Ascot's Listed Pat Eddery S. on King George day who have since captured a significant black-type race. He had Rosallion behind when second to Iberian (Ire) (Lope De Vega {Ire}) again over seven in the Champagne at Doncaster last month and as a full-brother to the G1 Champion S. hero Sealiway (Fr) was always going to relish this extra trip.

Menuisier said, "Oisín rode him at home in a canter in May and he was gobsmacked—he said 'that's the best 2-year-old I've ridden all year' and he wasn't even working at that point. He won really well first time out and came out of Ascot lame, so we

have to draw a line through that and the form of the Champagne Stakes was amazing. We felt that he had improved as well, so we were quietly confident. He managed to grab the rail, which I think made the difference. Why not the [G1] Poule d'Essai [des Poulains]?—he will have to be entered everywhere."

## CAMELOT'S LOS ANGELES PREVAILS IN THRILLING CRITERIUM DE SAINT-CLOUD

by Sean Cronin

Aidan O'Brien had experienced a famine of sorts since annexing 2010's G1 Criterium de Saint-Cloud with Recital (Fr) (Montjeu {Ire}), but he was back in the familiar surroundings of Saint-Cloud's winner's circle after Ballydoyle second string **Los Angeles (Ire)** (Camelot {GB}--Frequential {GB}, by Dansili {GB}) prevailed in a blanket finish to Sunday's latest renewal of the 10-furlong feature.

The 67-10 chance found the necessary gears late on to register an ultimately impressive debut success tackling nine furlongs at Tipperary at the beginning of last month and was well away to track the leaders in fourth through halfway here.

**Los Angeles (inside) | Scoop Dyga**

Sent wide to the stands' side rail off the home turn, he was hustled along to launch his challenge with 300 metres remaining and stayed on strongly under continued urging to deny Joseph O'Brien trainee and G1 Vincent O'Brien National S. second **Islandsinthestream (Ire)** (**Wootton Bassett (GB)**) by a neck. The podium was an O'Brien family affair with the winner's stablemate **Illinois (Ire)** (Galileo {Ire}) keeping on well to finish 3/4-of-a-length adrift in third.

"He's a very big horse, I imagine he will be even better next year and we're very happy," the winning trainer commented after collecting a fifth edition. "He won very well, going left-handed, at Tipperary and Seamus [Heffernan] loved him when he rode him [there]. Christophe [Soumillon] was a bit worried because he wasn't changing his legs throughout the race, but he said he picked up very nicely. He'd only had the one run and this was great experience for him. He's obviously still a bit babyish, but I'm delighted that he won. He could get a mile-and-a-half next year and he's something to look forward to."

Los Angeles will seek to break an alarming trend set by recent winners. The gold medal has become something of a millstone since Waldgeist (GB) (Galileo {Ire}) prevailed in 2016, with 2020

victor Gear Up (Ire) (Teofilo {Ire}) the only one of five to have added to his tally, in that quintet's 41 aggregate starts, after claiming a career high in the contest.

Reflecting on the effort of runner-up Islandsinthestream, Joseph O'Brien said, "It was a very good run and I'm proud of the horse's performance. It was a very good ride from Maxime [Guyon], but it's always frustrating when you get beaten in a Group 1. He'll have a holiday now and we'll look forward to some of those 3-year-old Group 1 races next summer. He's a horse we'll probably campaign internationally as well as at home."

### Pedigree Notes

Los Angeles, half-brother to a yearling colt by **No Nay Never**, is one of three winners from as many runners produced by an unraced half-sister to G3 Prix Messidor victor Impulsif (GB) (New Approach {Ire}). The February-foaled dark bay is a full-brother to G3 Ballyroan S. third Hector De Maris (Ire) and this year's G3 Prix Penelope third Be Happy (Ire). His third dam, G3 Prix de Flore victrix Allez Les Trois (Riverman), produced G1 Prix du Jockey Club-winning sire Anabaa Blue (GB) (Anabaa) and is a half-sister to storied blue hen Urban Sea (Miswaki).

## SUMBE'S BELBEK IN SUCCESSFUL FAREWELL AT SAINT-CLOUD by Tom Frary

Winless since capturing the G1 Prix Jean-Luc Lagardere 12 months ago, Nurlan Bizakov's **Belbek (Fr)** (Showcasing {GB}) thrived back on a deep surface to regain the winning thread in Sunday's G3 Prix Perth at Saint-Cloud. Showing he retained his ability when third in the G2 Prix Daniel Wildenstein at ParisLongchamp on Arc Saturday, the Andre Fabre trainee was

kept fresh in the interim and raced a touch freely early anchored in fourth against the rail by Bauyrzhan Murzabayev.

One of five who stayed far side swinging for home, the 4-1 shot subdued stablemate **Tribalist (GB)** (Farhh {GB}) passing two out and kept on to secure the success by half a length from the stand's-side group's "winner" **The Revenant (GB)** (Dubawi {Ire}) as the 9-10 favourite Tribalist wound up two lengths further away in third. Bizakov and Sumbe's racing manager Mathieu Le Forestier revealed that Belbek is off to the Stud now. "He's been unlucky at times and it's lovely that he bows out with a thrilling win," he said. "He was our first group 1-winning homebred and is the first Showcasing and first stallion from the Hasili line to stand in France. Hats off to Andre, as he instructed his jockeys to stay on the inside rail even though all the races so far had been won on the stand's side--it was the right decision."

### Pedigree Notes

Belbek, whose record also includes a win in the six-furlong G3 Prix du Bois at two, is the second foal out of Bee Queen (GB) (Makfi {GB}) who was an inspired purchase at just 50,000gns from Juddmonte's draft in the 2017 Tattersalls December Mares Sale. A daughter of Trojan Queen (Empire Maker), she is therefore a half-sister to the talented G3 Hampton Court S. winner Sangarius (GB) (Kingman {GB}) and to the G3 Derrinstown Stud 1000 Guineas Trial-placed stakes producer Emergent (GB) by Showcasing's sire Oasis Dream (GB).

Trojan Queen is a daughter of Fabre's triple top-level-winning champion and Breeders' Cup Filly & Mare Turf heroine Banks Hill (GB) (Danehill), who produced the G1 Prix Jean Romanet winner Romantica (GB) (Galileo {Ire}) and the dual listed scorer and G2 Prix Niel runner-up Ideal World (Kingmambo).

As Le Forestier pointed out, the fourth dam is the legendary producer Hasili (Ire) (Kahyasi {Ire}), responsible for so many of Juddmonte's stars including the GI Beverly D. S. winner Heat Haze (GB) by Oasis Dream's sire Green Desert. Bee Queen's unraced 2-year-old colt Baysangur (Fr) is by Gleneagles (Ire).

## CAIUS CHORISTER DOMINATES THE BELLE DE NUIT *by Tom Frary*

**Caius Chorister (white cap) | Scoop Dyga**

Capping a red-letter day for the David Menuisier yard at Saint-Cloud on Sunday, Clive Washbourn's homebred **Caius Chorister (Fr)** (Golden Horn {GB}) outclassed her rivals in the G3 Prix Belle de Nuit. Third last time in the Listed Prix Scaramouche over this 14-furlong trip and track last month, the 9-2 shot was granted permission to carve out the early running by Oisin Murphy. Doing it all on her own in isolation, she was closed down and joined by **Sunset Point (GB)** (Dubawi {Ire}) two out but re-asserted to score by four lengths from **Royal Mila (GB)** (Nathaniel {Ire}).

Caius Chorister, who first sprang to prominence when winning a brace of Epsom handicaps by 31 lengths last summer, had also finished sixth in the valuable Ebor H. at York in August when

denied a clear passage. Menuisier believes she would have won without that trouble-in-running and said, "She is a top filly who is a real fighter. She always turns up and is exceptional like that--she isn't very big, but runs her heart out. The plan is to stay in training and now she is a group 3 winner she'll have to improve again, but she keeps on surprising us and you never know. She goes on any ground as well. To win two group races here means the world."

### Pedigree Notes

Caius Chorister is the first foal out of the dam, who is kin to the listed scorer Havre De Paix (Fr) (Le Havre {Ire}) connected to the group-placed half-siblings High Dynamite (Fr) (Kentucky Dynamite) and Contessa Du Barry (Fr) (Motivator {GB}). Her yearling filly is by Belardo (Ire).

## ZARAK'S VILLAGE VOICE ON TOP IN THE PRIX DE FLORE *by Sean Cronin*

Jessica Harrington trainee **Village Voice (GB)** (Zarak {Fr})--Sensible Way, by **Street Sense**, who ran third in last month's rescheduled G3 Denny Cordell Lavarack & Lanwades Stud Fillies S. at Fairyhouse, dipped into deep reserves and showed her mettle to claim a career best in Sunday's G3 Prix de Flore at Saint-Cloud. She had earlier accounted for the dual Group 1-placed Jackie Oh (Ire) (Galileo {Ire}) in Navan's Apr. 22 Listed Salsabil S. on seasonal return, but finished behind that rival when runner-up in Gowran's July 29 G3 Rathbride S. in her penultimate start. Positioned to the fore until relegated to second at halfway, the 13-10 favourite went wide into the straight to regain a slender advantage passing the two pole and stayed on relentlessly under a final-furlong drive to deny **Manisha (Ire)** (Lope De Vega {Ire}) by a neck in game fashion.

"She is a nice filly, who had previously won at Listed level and this was a good opportunity to win a Group race," commented owner's representative Alban Ore. "It is mission accomplished in good style and connections will be delighted. I don't know what immediate plans are and the entourage will decide on her future in due course."

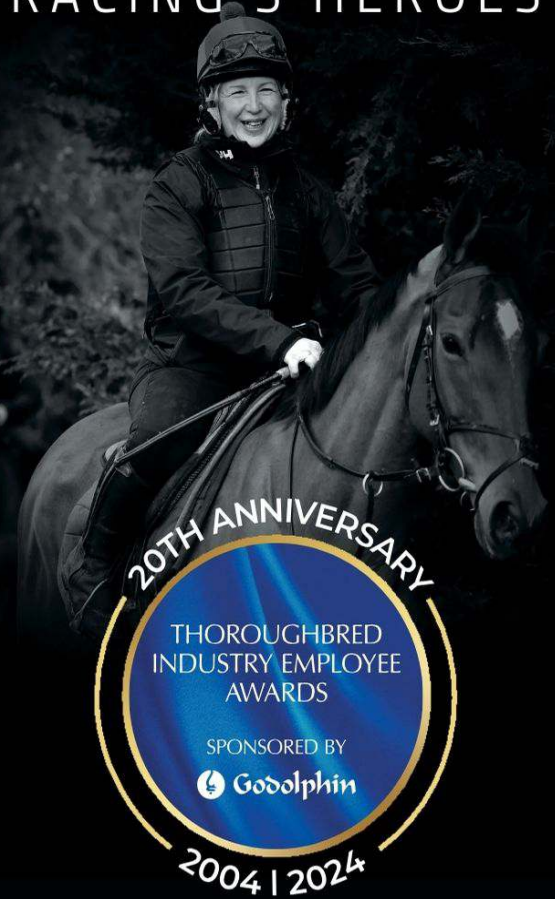

### Pedigree Notes

Village Voice, who becomes the 13th pattern-race winner for her sire, is the fourth of five foals and lone scorer thrown by a winning daughter of multiple Group-winning G1 1000 Guineas, G1 Coronation S. and G1 Fillies' Mile third Nasheej (Swain {Ire}).

## RELIABLE MAN'S NORTH RELIANCE SNAGS HANNOVER FEATURE *by Sean Cronin*

Michael Wachowitz's **North Reliance (Ger)** (Reliable Man {GB}--North Queen {Ire}, by Desert King {Ire}), who ran eighth when highly tried in Dusseldorf's Aug. 6 G1 Preis der Diana (German Oaks), lined up for Sunday's G3 Grosser Preis der Unternehmen Pohlposition und Klingenberg at Hannover coming back off a third in Baden-Baden's Sept. 2 G2 T von Zastrow Stutenpreis.

The 12-1 chance was patiently ridden from flagfall and settled into a comfortable rhythm racing off the tempo in ninth for the most part. Taking closer order on the final turn to straighten for home in fifth, she made continued headway under pressure to launch her challenge approaching the furlong pole and stayed on strongly in the closing stages to assert by two lengths from **View Zabeel (Ire)** (**Saxon Warrior {Jpn}**) for a career high.

Yuesheng Zhang's €1.3-million Arqana Arc sale purchase and G1 Preis der Diana (German Oaks) heroine **Muskoka (Ger)** (Sea The Moon {Ger}) held every chance in the home straight, but was

unable to dominate and finished a half-length back in third.

"I knew her from Baden-Baden where she ran well to third in a well contested Group 2 event," explained winning rider Thore Hammer-Hansen. "The riding instructions were to get her under cover and let her gallop freely while keeping an eye on Muskoka as the obvious one to beat. I tracked Muskoka and, once into the straight, she ran on very well and I soon knew that I would be able to get there and win."

### Pedigree Notes

## BREEDERS' CUP NOT RULED OUT FOR KING OF STEEL

King of Steel | Racingfotos.com

The GI Breeders' Cup Turf on Nov. 4 remains under consideration for Amo Racing's G1 QIPCO Champion S. winner King Of Steel (**Wootton Bassett (GB)**).

"He appears to have come out of the race physically in good shape, but he would have had a hard race yesterday and we can't ignore that. We just have to see how he is over the next week," said the colt's trainer Roger Varian.

"I know Kia is very keen on the Breeders' Cup anyway, in general, and if he could get a good horse there, then of course he'd want to be there.

"But in fairness to Kia, he's been very good all year and he's always said to me only run the horse when you're 100 per cent happy, and if you're not, we don't go."

He added, "I'm sure that will be the same regarding California in a couple of weeks' time. We need to give it a few days to see what messages the horse is giving us, so I'm not going to take it off the table and we'll just see how he is."

King Of Steel, who was runner-up to Auguste Rodin (Ire) (Deep Impact {Jpn}) in the Derby, has raced just seven times in his career, and also triumphed at Royal Ascot in June in the G2 King Edward VII S.

Mostahdaf (GB) (**Frankel {GB}**), a late defector from the Champion S. as the ground deteriorated on Saturday, has been confirmed as on course for the Breeders' Cup Turf, which is likely to be the final race of his career.

The winner this season of the Prince of Wales's S. at Royal Ascot and the Juddmonte International at York, the John and Thady Gosden-trained five-year-old was ruled out of action after the stable won the first race of the day at Ascot with Trawlerman (GB) (Golden Horn {GB}).

"John and I had another look at it and spoke to Sheikha Hissa and said, 'Look, it's your decision, but the ground isn't going to be in his favour', and John just felt it wasn't fair on the horse ending his career in ground we know he doesn't like--he couldn't hobble on it in the Arc last year," said Angus Gold, racing manager for Mostahdaf's owner Shadwell.

"With the option of the Breeders' Cup still to come, there didn't seem any point in bowing out on a low note when we can go to California with a chance of running him on fast ground in a couple of weeks' time if he's still well."

He added: "His best form here recently has been over a mile and a quarter, but over an American mile and a half, going down that hill for the first four furlongs or whatever it is, I think he'll stay it. He's a five-year-old now who has done brilliantly this year and I think if he does go to America that will be his last run."

Mutasarref, unsuccessful in five starts since registering a stakes breakthrough in last term's Listed Platinum S. at Cork, regained the winning thread with a game performance in this fifth black-type outing. The 8-1 chance was steadied at the break to occupy a position along the rail in fourth, but was shuffled back to race sixth by halfway. Inching closer when angled out for a clear run approaching the final furlong, he was ridden to gain a narrow advantage with 150 yards remaining and kept on strongly from there to hold the late threat of Honey Girl by a neck.

"I genuinely thought I was only running him because [owner] Eleanor [Kennedy] was over for a do at the weekend," revealed trainer Ger Lyons. "He's been on the wane all year, but Colin [Keane] said he's just a class horse and he's been very lucky for us since we got him. The ease in the ground helps him as he's had injuries and it helps his old bones. They went no gallop and it fell into his hands and, on his day, he's a good horse. It's horrible ground and it's catching a lot of them out, but it helps him."

Mutasarref is the second of five live foals out of a winning half-sister to MGSW G1 Irish 2000 Guineas third Mustajeeb (GB) (Nayef). His third dam Anja (Ire) (Indian Ridge {Ire}), herself a daughter of G3 Prix de Flore winner Allez Les Trois (Riverman), produced dual Australian Group 3 winner Great House (Ire) (Galileo {Ire}) and G3 Prix Miesque victrix Aboulie (Ire) (Exceed And Excel {Aus}). Allez Les Trois, herself a half-sister to G1 Prix de l'Arc de Triomphe-winning matriarch Urban Sea (Miswaki), is also the dam of G1 Prix du Jockey Club-winning sire Anabaa Blue (GB) (Anabaa). Descendants of Allez Les Trois also include Sunday's G1 Criterium de Saint-Cloud hero Los Angeles (Ire)

(Camelot {GB}) and Saturday's G3 Eyrefield S. victor Grosvenor Square (Ire) (Galileo {Ire}). Mutasarref is full to weanling colt and a half to the unraced 2-year-old filly Lahfa (GB) (Le Havre {Ire}).

Off the mark at the fifth attempt by 5 1/2 lengths at Naas in April having been Ryan Moore's choice over the soon-to-be-famous Savethelastdance (Ire) (Galileo {Ire}) at Leopardstown earlier that month, Boogie Woogie's next five starts came in pattern-race company with a second in Chantilly's G3 Prix de Royaumont over 12 furlongs in June her only placing. Fourth when trying to make all over this trip in Newmarket's G3 Pride S. nine days before this breakthrough, the daughter of the G1 Irish Oaks and G1 Yorkshire Oaks heroine Seventh Heaven was reserved this time by Seamie Heffernan and after enjoying a lead swooped to take control two out.

"She's a filly that has promised a lot all year, but things just haven't gone right for her at times," stable representative Chris Armstrong said. "She's a filly with a lot of ability. Seamie said she didn't handle the ground, but her class got her through. There has been no decision made yet about whether she'll stay in training next year or not."

Boogie Woogie's aforementioned dam Seventh Heaven is a daughter of the G1 Victory Ride S. heroine La Traviata (Johannesburg) whose four stakes performers include the stable's G1 Middle Park S. winner Crusade (Mr. Greeley) and the G2 Railway S. and G2 Coventry S.-placed Cristoforo Colombo (Henrythenavigator). She also has an as-yet unnamed 2-year-old filly by **Kingman (GB)** and a yearling colt by that sire who was a cheap 60,000gns purchase by Johnston Racing at the recent Tatts Book 1 Sale.

Waldfrieda followed up an Aug. 20 debut second over course and distance with a fourth in a stellar renewal of Cologne's Sept. 24 Listed Winterkonigin Trial last time and stepped forward to become the 40th individual, and fifth black-type, winner for her freshman sire (by Shamardal). The 27-10 third choice broke

sharply to seize early control. Holding sway throughout, she kicked clear of her four rivals off the home turn and kept on strongly under minimal urging inside the final quarter-mile to secure a first win of any kind by daylight.

"Making the running was just one option and [Jozef] Bojko was able to use his initiative to the filly's best advantage," said trainer Andreas Wohler. "She comes from a late-maturing family, so we hope that there is still plenty of further improvement in her."

Waldfrieda is the seventh scorer from as many runners out of stakes-winning G1 Preis der Diana (German Oaks) and G2 German 1000 Guineas third Waldtraut (Ger) (**Oasis Dream {GB}**), herself kin to MGSW G1 Haydock Sprint Cup third Waldpfad (Ger) (Shamardal) and six-time Group 3 winner Wiesenpfad (Fr) (Waky Nao {GB}). Improving markedly for his debut experience when fifth over a mile at Dusseldorf last month, Geminiano made all to place himself among the more exciting of Germany's Derby prospects for 2024. Always tanking in the hands of Leon Wolff, the homebred began to assert his superiority from early straight and once brought over to the stand's rail only needed to be pushed out to score comfortably. Simon Stokes, representing Gestut Fahrhof, said of the winner, "It is obvious that this track suited Geminiano much better than Dusseldorf, as he is a big and strong horse with a great action." **Cont.**

Geminiano is the fourth black-type winner for the G3 Frankfurter Stutenpreis-winning dam, who is kin to the listed-winning Guajara (Ger) (Montjeu {Ire}) who herself produced this year's G3 Preis des Winterfavoriten hero Geography (Ger) (**Holy Roman Emperor {Ire}**). Also connected to the G3 Meld S. scorer and G1 Grosser Dallmayr-Preis runner-up Patrick Sarsfield (Fr) (**Australia {GB}**), the five-times group 1-winning Irish Derby hero and sire Fame And Glory (Ire) (Montjeu {Ire}) and the triple group 1-winning 1000 Guineas heroine Legatissimo (Ire) (Danehill Dancer {Ire}), Goathemala's yearling filly is by Areion (Ger).

Looming large off the home turned, the even-money favourite eased to the front passing the quarter-mile marker and was ridden clear inside the final 300 metres to easily outclass Nachthimmel (Ire) (Fascinating Rock {Ire}) by an impressive five lengths. Flamingo Moon is the fourth of six foals and first scorer produced by a winning half-sister to MGSW G1 Deutschland-Preis runner-up Flamingo Fantasy (Ger) (Fantastic Light) and the dual stakes-placed Frantic Storm (Ger) (Nayef). Urged wide and seizing control soon after turning for home, the 2-1 second choice came under sterner urging inside the final quarter-mile and stretched clear in the closing stages to account for Savoya (Ger) (Soldier Hollow {GB}) by a geared-down 4 3/4 lengths. Donna Guilietta is the third of four foals and second scorer out of a half-sister to G3 Bavarian Classic victor and G1 Deutsches Derby second Django Freeman (Ger) (Campanologist) and stakes-winning G1 Grosser Preis von Berlin and G1 Grosser Preis von Bayern placegetter Dicaprio (Ger) (Adlerflug {Ger}). Making her first start since taking the G3 Premio Primi Passi over this course in early July, the bay filly received a ground-saving trip in the early going as rival Atmosfera (Ity) (Arcano {Ire}) set all the pace over a course listed soft due to the weekend's heavy rains in Europe.

As the frontrunner led the field around the bend and into the stretch, Folgaria was guided off the rail and between tiring rivals for clear running room. She reached the front with under 200 yards left to run and continued on to the wire in full flight under a strong ride to post the clear victory over Three Havanas as the 2.41-1 favorite. ### SUPERB LEMAIRE STEER LANDS DUREZZA IN KIKUKA SHO WINNER'S ENCLOSURE

by Alan Carasso

Sent off the fourth betting favourite at a little more than 6-1, the progressive **Durezza (Jpn)** (Duramente {Jpn}) was given a cerebral ride by Christophe Lemaire in Sunday's G1 Kikuka Sho (Japanese St. Leger) at Kyoto and raced away in the final 200 metres to defeat the winners of the first two legs of the Triple Crown--G1 Tokyo Yushun (Japanese Derby) hero **Tastiera (Jpn)** (Satono Crown {Jpn}) and market leader **Sol Oriens (Jpn)** (Kitasan Black {Jpn}), victorious in the G1 Satsuki Sho (Japanese 2000 Guineas) in the spring.

Only once beaten and winner of four starts on the trot in the lower grades, Durezza was away fairly from barrier 17 and was clicked up by Lemaire to take up the running after 400 metres, sliding over to the inside running rail as the Kikuka Sho field raced past the stands first time round. Positions were largely unchanged rounding the second of the three bends, but the complexion of the race changed somewhat when 300-1 chance **Pax Ottomanica (Jpn)** (Victoire Pisa {Jpn}) overtook Durezza with 1400 metres to travel, but Lemaire remained unfazed and unhurried, allowing his mount to lob along, and when **Libyan Knight (Jpn)** (Kizuna {Jpn}) went for a similarly early run, Durezza was relegated to third spot. Traveling strongly on the back of Libyan Knight nearing the straight, Durezza was produced by Lemaire off heels, took over 300 metres out and kicked on smartly for the victory. Tastiera, having his first run since the Derby, emerged from the pack to finish a non-threatening second for a Carrot Farm 1-2, while Sol Oriens was wide throughout and made belated progress to be third.

Durezza | JRA photo

"He made a flying start and was keen to go, so I decided to let him take the lead," said Lemaire, winning his 46th Group 1 on the JRA a week ahead of the G1 Tenno Sho (Autumn), where he rides defending champion Equinox (Jpn) (Kitasan Black {Jpn}). "He responded well between the third and last corner which made me confident that he was going to close strongly. When he accelerated in the stretch, I knew we were going to win. To see him beat such a strong field today over the 3000-metre distance means we can look forward to him doing well among Group 1 company over 2000 and 2400 meters also."

### **Pedigree Notes:**

For the gone-too-soon Duramente--also the sire of Filly Triple Crown heroine Liberty Island (Jpn)--Durezza is a 17th stakes winner, 12th group winner and a sixth Group 1 winner from four crops of racing age. His sons and daughters have accounted for no fewer than seven Triple Crown races, including 2021 Kikuka Sho victor Titleholder (Jpn).

Like Liberty Island, Durezza was produced by an Australian-bred mare. Bred by Raffles Dancers (NZ) Pty Ltd, More Than Sacred was campaigned in New Zealand, where she won the G1 New Zealand Oaks over 2400 metres and was a fast-finishing third to Who Shot Thebarman (NZ) (Yamanin Vital {NZ}) in the G1 Auckland Cup going 3200 metres. More Than Sacred, acquired privately and relocated to Japan in 2015, produced six foals in the country, including the as-yet unraced 2-year-old filly Divinest (Jpn) (Real Steel {Jpn}) and a yearling filly by King Kamehameha (Jpn)'s Tokyo Yushun-winning son Rey de Oro (Jpn).

More Than Sacred, a full-sister to Raffles Dancers's multiple Malaysian stakes winner Sacred Empire (NZ) and from the family of GI Breeders' Cup Turf hero Northern Spur (Ire) (Sadler's Wells), cost ¥9.35 million (*about \$63,141*) and was one of 13 mares purchased by Yuesheng Zhang's Yulong Investments out
