\$500K JUSTIFY COLT PACES 'SOLID' FASIG-TIPTON OCTOBER OPENER

HIP 227 | Fasig-Tipton

by Jessica Martini

LEXINGTON, KY - The Fasig-Tipton October Yearlings Sale, which produced record-setting renewals in 2021 and 2022, opened Monday with solid, if less spectacular figures, than a year ago.

A total of 257 yearlings grossed \$11,224,800 Monday. The session average of \$43,676 was down 10.5% from last year's opening day and the median of \$20,000 was down 25.9%.

"It was a solid opening session," said Fasig-Tipton President Boyd Browning, Jr. "I think the results were basically in line with expectations and what we are seeing throughout the marketplace in 2023."

"A COLLECTOR'S ITEM," CHAMPION NEST POINTS TO FASIG-TIPTON NOVEMBER SALE

by Katie Petrunyak

Eclipse Thoroughbred Partners is proud to use the label #EclipseFillies to commemorate the long list of Grade I-winning fillies they have campaigned over the years, but one outstanding racehorse that will soon depart from their racing stable stands out above the rest.

Campaigned in partnership with Repole Stable and Michael House, reigning champion sophomore filly and three time Grade I winner **Nest** (**Curlin** – Marion Ravenwood, by A. P. Indy) took Eclipse President and Founder Aron Wellman and the rest of her connections on a journey they will not soon forget.

"There is no question that Nest has taken the queen's position at the top of the Eclipse fillies ranks," Wellman said. "She breathes different air. The ride she has taken Eclipse and our partners, the Repole and House family, on has been nothing short of a once-in-a-lifetime opportunity that we've all really cherished."

Nest will be a standout for Fasig-Tipton, too, when she goes through the ring in a few weeks at the Night of the Stars sale.

"We've had the opportunity to offer some amazing broodmares and broodmare prospects in the last decade or so, from Havre de Grace to Songbird to Gamine and so forth, and this year we have another special offering in Nest," said Fasig-Tipton's Boyd Browning. **Cont. p9**

Fasig-Tipton Oct., cont. from p1

"There was strong demand on the upper-end horses and less demand than you would hope on some of the lower-end horses." The buy-back rate was 26.4%. It was 27.5% last year.

"There is selectivity amongst the buying group," Browning said. "And it appears from talking to people that there is very close scrutiny on vetting. If you get a little ding here or a ding there, the buyers are basically just passing on your horse rather than offering you a discount."

The session was topped by a son of **Justify** who sold for \$500,000 to the bid of John Stewart. The Triple Crown-winning sire was also responsible for the day's second highest offering with De Meric Sales purchasing a colt for \$300,000. In all, 10 yearlings sold for \$200,000 or over. Eleven hit that mark during last year's opening session.

"It's always slow the first day," said Peter O'Callaghan, whose Woods Edge Farm consigned the session topper. "You have to be a little bit lucky that you are catalogued a little bit into the day almost each day. But there is always a market here. I love this sale. I've had a lot of luck here. It's saved our bacon many times. Fasig-Tipton do such an amazing job here, accommodating everyone in this market. And they do a great job recruiting people to come in for it."

The Fasig-Tipton October sale continues through Thursday

with sessions beginning daily at 10 a.m.

Stewart Back in Action at Fasig October

John Stewart, who made a splash at last month's Keeneland September Yearling Sale when buying 13 yearlings for \$8,425,000, got on the board during the first session of the Fasig-Tipton October sale when going to \$500,000 to acquire a colt by **Justify** (hip 227) for \$500,000 from Peter O'Callaghan's Woods Edge Farm consignment. **Cont.**

"The horse looked like a beautiful specimen," Stewart said after bidding for the yearling alongside bloodstock agent Gavin O'Connor and manager Chelsey Stone. "We actually have wanted to pick up a couple more horses at this sale before really coming out strong in November at the breeding stock sales where we have some things planned. We are just trying to balance out the portfolio of horses that we have right now. This **Justify** colt is a great addition. We just liked everything about the horse."

The gray yearling is out of Champagne Royale (French Deputy) and is a half-brother to Grade I winners Majestic Harbor (Rockport Harbor) and Danza (Street Boss).

"As I've said, I am a buyer, not a bidder," Stewart said. "So we were buying the horse regardless. I am happy with \$500,000. I think we got a good deal. There is a lot of money left on the table for us."

O'Callaghan purchased the colt for \$250,000 as a weanling at the 2022 Keeneland November sale. He RNA'd for \$325,000 at last month's Keeneland September sale.

"I think the six weeks made a difference," O'Callaghan said. "He was a beautiful animal in September, but he was a 25th of May foal and maybe he just had a slightly young look about him. Even though he was a well-grown horse, he just hadn't got that rugged, robust look about him yet in September. We were just hoping to get our investment back today, but we are delighted with the \$500,000."

Stewart's September haul included a pair of seven-figure yearlings, led by a \$2.5-million daughter of **Uncle Mo** (hip 337).

"Most of them are already broke," Stewart said of his September yearlings. "Now we are talking with trainers to get the right fit for them. And our first horse, Shiloh's Mistress (Vino Rosso)--who was our first purchase at Keeneland last September [2022]--just ran last Sunday at Keeneland. She ran well."

Stewart, who is founder and managing partner of the Lexington-based private equity firm MiddleGround, may soon have a new home for his horses.

"We put an offer in to buy Shadwell Farm['s Shadayid Stud]," Stewart said. "So we need to stock that up--800 acres that we've got to fill up with some horses. That's what we are trying to do."

Stewart came back a little later in the session to acquire a filly by **Good Magic** (hip 266) for \$150,000 from the Indian Creek consignment.

Barber Continues **War of Will** Buying Spree

Gary Barber watched **War of Will** carry his colors to victory in the 2019 GI Preakness S. and now the owner is supporting the stallion in his next career at Claiborne Farm. Barber purchased 14 yearlings by **War of Will** at the Keeneland September sale last month and he added a 15th yearling to his roster when going to \$230,000 for a colt (hip 194) from the Denali Stud consignment.

HIP 194, the 15th War of Will yearling to join Gary Barber's roster, in the ring | Fasig-Tipton

"War of Will has been very good to both Gary and me," said Mark Casse, who trained the Classic winner. "We are going to give him the best chance we possibly can. The good thing about the War of Wills is that they should be able to do anything--dirt or turf, short, long. We are excited about them."

Barber and Pantofel Stables purchased a pair of colts by War of Will (hip 844 and hip 2508) for \$200,000 to be his top-priced

purchases by the stallion in September. Monday's purchase was the owner's most expensive yearling purchase by the stallion.

"I've been fortunate to be around some pretty good sires through my years and I think this horse has great potential," Casse said. "Gary feels the same way and he is putting his money up to show it."

Hip 194, bred by Michael Hernon, is out of Callista (Tapit) and is a half-brother to Diamond City (Shackleford). Callista is a daughter of Grade I winner Sweet Talker (Stormin Fever) and a full-sister to stakes winner and graded placed Sweet Tapper.

"The horse that we bought today looks as much like dad as anybody," Casse said. "But I can tell you they are all really good sized, for the most part they have vetted really well. We've already started breaking. We've got 15 or 20 that are in the early stages of breaking. And they have been extremely smart. They are doing everything right. He was a brilliantly smart horse and could do anything. And so far, that's what we are seeing in the babies."

Fasig-Tipton Presents The November Mares

Nest, cont. from p1

"She ranks right up there as one of the finest offerings we've had the privilege to present to the marketplace. She's like poetry in motion, watching her run. Anyone that has ever watched a horse race knows just how special she is."

Purchased for \$350,000, Nest was a yearling that Todd Pletcher just kept coming back to when he was going over his short list with the Repole team. "Physically, she was a medium-sized filly," Pletcher recalled of the bay bred by Ashview Farm and Colts Neck Stables. "Very good conformation with a great neck, head and shoulder, but what really stood out to me about her was her walk. If I were talking to someone saying, 'Hey, what does a horse that walks really well look like?' she would have been a terrific example."

By **Curlin** and out of stakes-winning daughter of A.P. Indy, Nest was always expected to get better with age and distance. So when she came flying out of the gates as a juvenile to win by five lengths on debut and then claim the GII Demoiselle S., Wellman said her precocity was an unexpected bonus.

"To be a graded stakes winner at two as a daughter of **Curlin** with her pedigree, we felt like we were going into her 3-year-old season with some pretty heavy artillery," he said.

Nest exceeded any expectations set before her last year as a sophomore as she reeled off five stakes victories, including three Grade I wins, and was named champion 3-year-old filly.

While she came just short of a Kentucky Oaks win--having come off an eight-length victory in the GI Ashland S. and settling for second behind Secret Oath (Arrogate)--her next start was one that her connections believe might be her most underrated performance.

Although they initially planned on giving the filly some spacing before her next race following the Oaks, Nest flourished so well coming out of the race that they decided to go up against colts in the GI Belmont S. Despite stumbling at the start, she overcame a difficult trip to finish second behind stablemate Mo Donegal (**Uncle Mo**).

"Jose Ortiz had to really use her going into the first turn to get position, and then all the way up the backside and around the far turn she was really hemmed in behind big, burly colts," Wellman explained. "When she did finally get clear in the stretch, it was just a little bit too late, but she leveled off like you don't see horses do. It was an extraordinary performance even in defeat."

"What really impressed me was how she came out of the Belmont," added Pletcher. "We've run quite a few horses in the Belmont over the years and I don't think I've ever had a horse run really well in the Belmont and then just thrive afterwards. She bounced out of the race really quickly and it set her up for two big performances at Saratoga." **Cont.**

Nest dominates in the 2022 GI Ashland S. | Coady

Nest's victories in the GI Coaching Club America Oaks, which she won by over 12 lengths and earned a career-high 104 Beyer Speed Figure, was followed up with another dominating Grade I score in the Alabama.

"It gives me chills to think about those moments," Wellman said. "I was able to sit back and appreciate just how incredible of a filly she was and what she was doing for the business in gaining so many fans and what she was doing for my family, the Repole family, the House family, and of course all the Eclipse partners that are so privileged to be associated with her."

"She displayed an ability you don't see very often of being able to really quicken and finish on the dirt," explained Pletcher. "She has a high cruising speed, but it's not very often that you see any horse be able to accelerate on the dirt like she has been able to."

This year, Nest's 4-year-old campaign was delayed due to an early setback from a fever and it was **recently announced** that

Click here for our visit with champion Nest | Sarah Andrew

she will miss the upcoming GI Breeders' Cup Distaff, but her connections still celebrated a productive season with a win in the GI Shuvee S. and yet another Grade I placing in the Personal Ensign.

The chapter of her career with Eclipse will come to a close when the 4-year-old sells on Nov. 7 at Fasig-Tipton, going through the ring with Highgate Sales as Hip 163.

"Of course we would love to keep her ourselves, but the economics of the business do not allow for our operation to do that," explained Wellman. "Emotions will be running high come the Night of the Stars, without question. It's such a privilege and honor, and it's so humbling, to know that Nest will be well represented and looked after there at the Newtown Paddocks at Fasig-Tipton. The eyes of the world will be on her that night and it will be an exclamation point on what has been a career on the racetrack of constant exclamation points."

Nest gets a third Grade I score in the Alabama | Sarah Andrew

Nest's siblings have helped boost her pedigree since she was purchased as a yearling three years ago. Her full-brother **Idol** won the 2021 GI Santa Anita H. and now stands at Taylor Made and her 3-year-old half-brother Lost Ark (**Violence**) just won the Jockey Club Derby Invitational S. in his last start on Oct. 7.

"I think anyone interested in having one of the top, top fillies of her generation," Pletcher responded when asked about who Nest might appeal to on the eve of her sale. "It's a remarkable pedigree and a terrific cross with **Curlin** over A.P. Indy. It has worked so well many times. If you're looking for a broodmare prospect, this is as good as it gets."

"When you look at Nest's potential as a broodmare, it's truly remarkable," added Browning. "Not only is she by **Curlin**, who speaks for himself as a brilliant stallion, but you go through her pedigree and you've got the influence of Quiet American, Nureyev and A.P. Indy." **Cont.**

CLASSIC CONTENDERS ARABIAN KNIGHT, WHITE ABARRIO HEADLINE BREEDERS' CUP WORKS

It was a tale of two Breeders' Cup preps Monday morning at Santa Anita for **Arabian Knight** (**Uncle Mo**) and **White Abarrio** (Race Day), the former putting in an eye-catching six furlong work in 1:11.54 and then galloping out a mile in 1:37.57 without any pressing encouragement, as reported by the *DRF* in the Breeders' Cup Clocker Report, and the latter having it tentatively postponed until Wednesday. When asked for a reason, conditioner Rick Dutrow only said: "We weren't able to work [White Abarrio] this morning. Hopefully we'll get to gallop him tomorrow [horses are not permitted to work at Santa Anita on Tuesdays] and work him Wednesday."

Bob Baffert was thrilled with the work from the GI Pacific Classic winner--who many believe will ultimately be the post-time favorite in the Classic--and likes the changes he's seeing: "I was really happy with the work and the way he has been progressing since the Haskell, which was kind of a disaster all around. He just seems to be progressing and continuing to get better with maturity. We've still got another couple of weeks to go, but I couldn't be any happier with the way he's coming into the race at the moment."

CENTRAL DISPATCH (g, 3, Arrogate--Eve Giselle {GSW, \$288,620}, by Five Star Day) had made each of his three previous starts over this distance--somewhat curiously--finishing a debut third at Los Alamitos June 25, a distant sixth to recent Perryville S. runner-up Dr Venkman (**Ghostzapper**) at Del Mar July 21 and a latest second against \$62,500 maidens at the seaside Aug. 17. Back up in class for this and favored at 13-10, the \$175,000 Keeneland September yearling absorbed a bump at the break, then argued the pace inside a rival, disposed of that challenge in upper stretch and kept on well for a 1 1/4-length success. One of five winners from as many to race out of his Grade III-winning dam, Central Dispatch has a 2-year-old half-brother named Evening Magic (**Good Magic**), a yearling half-sister by **Improbable** and a weanling half-brother by **Knicks Go**. Eve Giselle most recently visited **Kantharos**. Sales history: \$175,000 Ylg '21 KEESEP. Lifetime Record: 4-1-1-1, \$51,700.

An improved second for her new connections, Monday's even-money favorite came from out of it, racing off the pace before sweeping up in mid stretch to strike the front. Princess Britni (**Girvin**) was 1 3/4-lengths behind in second on the line. A half-sister to Royal Palm Juvenile S. runner up Ocean Mermaid (GB) (**Kingman {GB}**), Ocean Spirit is out of a half to G1SW Kitesurf (GB) (Dubawi {Ire}). 2005 JUVENILE FILLIES WINNER FOLKLORE

Folklore (2003 bay mare, Tiznow--Contrive, by Storm Cat)

Lifetime record: Ch. 2yo filly, MGISW, 8-4-3-1, \$945,500

Breeders' Cup connections: B/O-Robert Lewis & Beverly Lewis (KY); T-D. Wayne Lukas; J-Edgar Prado.

Current location: Taylor Made Farm, Nicholasville, Ky.

The late owners Bob and Beverly Lewis, universally beloved in the industry and honored with the Eclipse Award of Merit in 1997, got their third and final Breeders' Cup win with Folklore, made all the more special as she was a homebred. Although they used a variety of trainers, all three of their of their Breeders' Cup wins were with D. Wayne Lukas.

"We partnered with WinStar on Tiznow and Folklore was in his first crop," said Mark Taylor of Taylor Made Farm, where Folklore was raised. "She was bred by Bob and Beverly Lewis. At the time, they used several different trainers and Wayne Lukas was one of them. Folklore was kind of slated to go to the sale. We had others for them that were by more high-profile sires at the time, higher-bred yearlings. Lukas was told he could pick one. He locked on her right away. He didn't even look at the pedigree, didn't care who she was by or what her family was. He wanted her and he just knew." **Cont.**

40 YEARS OF CHAMPIONS

The rich heritage of the Breeders' Cup is woven into horse racing's history. Thirty-nine years and more than 360 champions later, the world-class festival of racing has transcended the sport itself.

JOIN US IN CELEBRATING THE 40TH RUNNING ON NOV 3 & 4

To celebrate the 40th running of the Breeders' Cup, the *TDN* will share a photo and catch up with a past winner in each of the 40 days leading up to the event. Today, we have 2005 Juvenile Fillies winner Folklore. | Sarah Andrew

"And of course she turned into a Breeders' Cup winner and a champion. She really kicked off Tiznow's stallion career, him being such a special horse in Breeders' Cup lore, then to get her in his first crop. I give Lukas a lot of credit. He was right."

Folklore, now 20 and still owned by a branch of the Lewis family, has a yearling filly by **Practical Joke**, a weanling filly by Yaupon, and was bred to Mo Donegal for 2024. Her first daughter is the dam of multiple Japanese champion and Triple Crown winner Contrail (Jpn) (Deep Impact {Jpn}). --Jill Williams

DERBY HERO DESERT CROWN EUTHANISED

Desert Crown and Sir Michael Stoute
John Hoy/The Jockey Club

Desert Crown (GB) (Nathaniel {Ire}), the brilliant winner of the 2022 Derby, has been euthanised at Newmarket Equine Hospital after failing to recover from an injury sustained on the gallops in August. Everything was done to try to save him, we thought he was making progress but then he just started going backwards," said Philip Robinson, assistant racing manager to owner Saeed Suhail.

Trained by Sir Michael Stoute, Desert Crown was bred by Gary Robinson of Strawberry Fields Stud. He made just one appearance as a two-year-old to post a facile maiden victory at Nottingham and reappeared at three, the jungle drums banging loudly in the build-up to the G2 Dante S., which he won in imperious fashion to prompt him being backed into favouritism for the Derby. Similarly commanding at Epsom, he gave jockey Richard Kingscote his first Derby victory and his trainer a sixth success in the race since Shergar (GB) in 1981.

Desert Crown was beaten for the first time in what transpired to be his final start of only a four-race career when second to Hukum (GB) in the G3 Brigadier Gerard S. this spring.

In preparation for an intended start in the G1 Juddmonte International he fractured his off-fore fetlock on Sunday, August 20 and was transported immediately to Newmarket Equine Hospital for surgery. [Cont. p3](#)

SAUDI ARABIA BECKONS FOR COOLMORE'S CARRACCI AFTER 320K SALE AT TATTS

By Brian Sheerin

The action revolved around Coolmore's 17-strong draft on day one of the Tattersalls Autumn Horses-In-Training Sale where the Aidan O'Brien-trained Carracci (**Quality Road**) was sold to continue his career in Saudi Arabia for 320,000gns.

Carracci boasted one of the most attractive profiles on offer at Tattersalls on Monday and the market agreed. Placed in a Group 3 earlier this season, Carracci was last seen finishing a respectable fourth in a listed contest at Dundalk in September.

He boasts a rating of 101 and was described by Aidan 'Mouse' O'Ryan as his pick of the sale after the bloodstock agent signed for the top lot of the opening session on behalf of Saudi interests. O'Ryan said, "He has been bought for SBS Global and he goes to Saudi Arabia. He is my pick of the sale, I love the sire and he speaks for himself. This horse's form is good, and we were keen to get him. He should be one for the big races in Saudi in the spring."

He has remained there until the decision was taken for him to be humanely put down on Monday afternoon.

Robinson added, "With a severe injury like that there is a lot of pressure with the weight of the animal standing on it, but we really thought he was going to get there and it's very sad he didn't make it."

"You can try and help them with supports for the leg but at the end of the day they've got to be able to stand on their own. He had the best available treatment anywhere in the world, if he couldn't be saved here then he couldn't be saved anywhere. "He was a fantastic horse and his Derby win was an incredible day that we'll never forget."

James Savage, assistant trainer to Sir Michael Stoute, said, "He was a brilliant racehorse with an exceptional mind and we never really got to the bottom of him. We always thought that he was going to be a better horse with each race. To win a Derby on his third start was amazing in itself really. It's very sad. He could have reached the moon."

As well as making the frame in the G3 Irish 2,000 Guineas Trial at Leopardstown earlier this season, Carracci also won at two, when beating stablemate Farnborough (Ire) (Galileo {Ire}) in a back-end maiden at Dundalk.

Incidentally, Farnborough, who bolted up off 86 at Leopardstown on Sunday, went through the ring less than 24 hours later and sold to Hubie de Burgh and Darby Racing for 75,000gns.

Listed winner Salt Lake City (Ire) (Galileo {Ire}) also formed part of the strong Coolmore draft when selling to Australian interests Domeland for 100,000gns.

All told, Coolmore sold 17 horses to the tune of 834,000gns. At close of play on Monday, the aggregate stood at 6,273,500gns, which represented a 27% drop on last year's corresponding session. The median was the same at 16,000gns while the average fell 18% to 26,810gns and the clearance rate by 5% to 84%.

Inquisitively's Owner Returns To The European Market For Wootton Bassett Colt

Fresh from a breakthrough Group 3 success with Cornwallis S. winner Inquisitively (GB) (Ten Sovereigns {Ire}), Hong Kong-based businessman and owner Sean Wee Gan returned to the European market for promising Wootton Bassett (GB) colt Rascal Recknell (Fr) at 215,000gns.

The owner, who has enjoyed plenty of success locally in Hong Kong with European imports, notably First Responder (Ire) (Helmet {Aus}), was buying through agent Sam Wright and trainer Kevin Philippart de Foy.

It was Wright who sourced Inquisitively on behalf of Sean Wee Gan. The agent has close ties with Philippart de Foy, given the pair worked together at Christophe Clement's almost a decade ago.

The trainer explained, "The plan is the same--keep him in the UK for a bit and then send him to Hong Kong. This horse is a nice big type, he looks a decent prospect. We might run him once this year, but the plan is to give him as much time as he needs."

Philippart de Foy added, "He has a big frame and plenty of scope. I am surprised he ran in August, but he showed plenty of ability that day. He will hopefully run a couple of times next year and then head to Hong Kong next summer."

Firebird, Monday's top-priced filly | Tattersalls

Well-Bred Lope De Vega Filly Joins Paddy Twomey

The well-bred Firebird (GB) (Lope De Vega {Ire}), who finished second on her only start at Ayr this month in the colours of the late Sir Robert Ogden, will continue her career for Irish maestro Paddy Twomey.

Twomey secured Firebird for 260,000gns through agent Matt Coleman, who explained that the juvenile will be targeted at black-type races next season.

"She goes to Paddy Twomey. We know the filly well as I looked after the late Sir Robert and Lady Ogden's horses," he said. "The filly is a good-looking sort by Lope De Vega, has always shown plenty in training, put in a promising race on her debut and, fingers crossed,

she can go on to get some black-type next year."

Firebird's half-sister Balalaika (Ire) (**No Nay Never**) made a pretty penny at Park Paddocks last year. She was bought by BBA Ireland for 330,000gns after finishing third in the Sandringham at Royal Ascot. Both fillies were trained by Rebecca Menzies.

Coleman continued, "All of the mare's runners have achieved high ratings and this year's Too Darn Hot yearling made 110,000gns. Bluestocking (GB) (**Camelot {GB}**), under the second dam, finished second in the Irish Oaks in July, and was a neck second to Poptronic in the British Champions Fillies & Mares Stakes on Saturday. It is a happening family."

Australian Buyers Land A Blow

It wouldn't be a horses-in-training sale at Tattersalls without the Australian buyers and Will Bourne, head of bloodstock for Ciaran Maher, got in on the action early when going to 140,000gns for the Jamie Railton-drafted Kings Valley (Ire) (Territories {Ire}).

Kings Valley ran four times--and placed twice--in Britain for trainer Ollie Sangster, who sourced the colt for 65,000gns at Book 3 here last year.

Bourne said, "The plan is to send him to Harry Eustace for now and then ship him straight off to Australia. He has run some really good races, he has been unlucky, he is still a maiden but he is a lightly raced two-year-old.

"He is very athletic, sound, clean-limbed, has good feet, and he ticks a lot of boxes for Ciaran. We spoke to Ciaran and videoed the horse for him and he was very keen on this horse."

Triumph Candidate? Mullins Lands 100k Night Moon For Juvenile Hurdling

Willie Mullins and Harold Kirk played a major role at the horses-in-training sale here in July when snapping up Ethical Diamond (Ire) (Awtaad {Ire}) for 320,000gns and the pair were responsible for the first six-figure lot on Monday when snapping up Night Moon (Ger) (Sea The Moon {Ger}) for 100,000gns.

Trained by David Marnane, Night Moon earned a 14lb hike when bolting up off a mark of 60 at Listowel last month and will continue his career for Ireland's dominant jumps trainer.

Harold Kirk | Tattersalls

The sale represented a good return for Marnane and owners MRC International, who sourced the horse through the trainer's brother Con for €50,000 at the BBAG September Yearling Sale in 2021.

Marnane and MRC will offer the classy 93-rated sprinter Lady Tilbury (GB) (**Bated Breath {GB}**) at the December Mares Sale from the same batch of yearling recruited in 2021.

Explaining the concept, Marnane said, "We put the ownership group together in 2021 with the idea of buying some yearlings and we'd like to wish Harold Kirk and Willie Mullins the best of luck with Night Moon. It's a great result for the syndicate and we look forward to offering Lady Tilbury here in December."

Marnane continued, "We bought another batch of yearlings on behalf of the syndicate--upwards of 20--and are always open to new investors. The syndicate has enjoyed a lot of success in a short space of time and we have Jakajaro (Ire) (Too Darn Hot {GB}) to look forward to from last year's yearling crop. He is a smart colt going forward and should provide everyone with a lot of fun next season."

Nicholls And Malone To The Fore For Golden Horn Gelding

The jumps boys were out in force on Monday and Tom Malone, buying on behalf of Paul Nicholls, snapped up proven soft-ground performer Golden Move (GB) (Golden Horn {GB}) for 215,000gns.

The sale came off the back of a strong weekend for the sire. Not only did Golden Horn supply the winner of the G2 Long Distance Cup at Ascot through Trawlerman (Ire), but Cais Chorister (Fr) also landed a Group 3 in France.

Golden Move, a winner over 1m4f on soft ground, was bought on spec by Malone.

Speaking after the sale, he said, "He is a lovely animal, he looks like he stays, needs all of the trip he is running over at the minute, he goes on soft ground, is by Golden Horn, who is doing so well, and is the one we wanted today. He goes to Ditcheat and is for sale."

Mouse O'Ryan (phone) and Gordon Elliott | Tattersalls

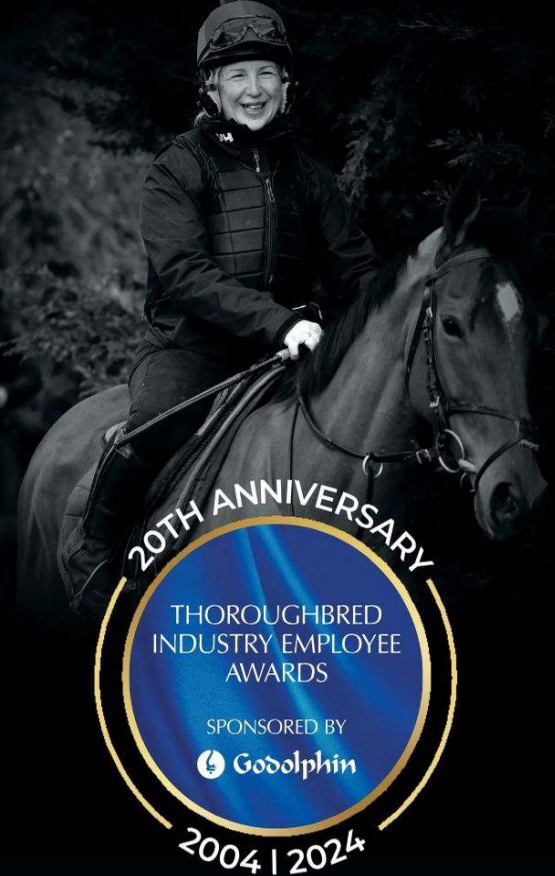

Buy Of The Day

Gordon Elliott made his mark in the training ranks with bargain buys and it was Silver Birch, the horse he sourced from Paul Nicholls for £20,000, who put him on the map when landing the 2007 Grand National.

While he may be more associated with signing for six-figure point-to-pointers in recent times, Elliott proved that he still has an eye for a bargain by snapping a sister to his own classy hurdler Pied Piper (GB) (New Approach {Ire}) for just 10,000gns.

Without being privy to how Barrier (Fr) (Australia {GB}) vetted, it's hard to see an outcome where Elliott, along with agent and close friend Mouse O'Ryan, didn't find value here.

RACING POST

Cont.

Lest we forget, Pied Piper is an extremely talented dual purpose horse who boasts an official hurdles rating of 157 and was only narrowly touched off in the Cesarewitch at Newmarket earlier this month.

He should also be a Cheltenham festival winner given Davy Russell was walking wounded when going down by just a head aboard the five-year-old in this year's County Hurdle.

There is so much more to come from Pied Piper this season and, given **Constitution** Hill is likely to frighten off plenty of challengers in the two-mile hurdling division, it's not beyond the realms of possibility that he could sneak a place in next year's Champion Hurdle.

Regardless of what more Pied Piper can achieve, the fact remains that his little sister will retain some residual value as a broodmare being a half to a black-type hurdler while few would bet against her making her own mark in that division for Elliott.

Thought for the day

Trade wasn't exactly straightforward on Monday, which was represented in the figures, but much better can be expected on Tuesday with a strong selection of horses due into the ring on day two.

HAVANA GREY TO STAND AT £55,000 IN 2024

Havana Grey | Whitsbury Manor Stud

Havana Grey (GB), one of the most in-demand young stallions in Europe, will stand at an increased fee of £55,000 at Whitsbury Manor Stud in 2024. The Group 1-winning son of Havana Gold (Ire) started his career at a fee of £8,000 and was advertised as low as £6,000 in his third and fourth seasons before the success of his first runners last year forced a price hike to £18,500. Havana Grey covered 164 mares this season.

Joe Callan, Whitsbury Manor Stud's head of Bloodstock and Sales, said, "After another phenomenal year, including dual Group 1 winner Vandeeek and nine other stakes winners in Europe, it is clear he is an elite stallion. We will continue to strictly limit his book to look after both the horse and our clients, so I hope people can understand if his book fills very quickly."

The fee for Havana Grey's stud-mate **Showcasing (GB)** will remain at £45,000 after a year in which he has been represented by the G2 Temple S. winner Dramatised (GB) and Group 1 performers Get Ahead (GB) and Swingalong (GB).

Whitsbury Manor Stud introduces a new stallion for 2024 in the homebred **Dragon Symbol (GB)**. The Group 1-placed son of Cable Bay (GB), who lost the Commonwealth Cup on a stewards' enquiry after he finished first past the post, will start his career at £8,000.

Callan added, "He was rated five pounds higher than his illustrious stud-mate Havana Grey so is ideally qualified for joining the Whitsbury roster."

Sergei Prokofiev, a son of Scat Daddy who will have his first runners next season, will remain at £6,000. The recently published Weatherbys Return of Mares shows that Sergei Prokofiev covered 155 mares this season, while Showcasing was sent 147.

CRYSTAL OCEAN THE BUSIEST STALLION OF 2023 WITH 335 MARES

Crystal Ocean (GB), the top-rated horse in the world in 2019, now has a new accolade as the busiest stallion at stud in Britain and Ireland, according to the Return of Mares, which has been published by Weatherbys. The son of **Sea The Stars (Ire)**, who stands for Coolmore's National Hunt division at The Beeches Stud in Co Waterford, covered 335 mares. Leading the Flat sires was Coolmore's **Sioux Nation** on 289.

Frankel (GB), who is on his way to regaining his champion sire title in 2023, covered 196 mares at Banstead Manor Stud, including the dual Arc winner Treve (Fr) and Breeders' Cup heroines Audarya (Fr), Glass Slippers (GB) and Newspaperofrecord (GB). The dams of his Classic winners Adayar (Ire), Chaldean (GB), Nashwa (GB) and Homeless Songs (Ire) all paid return visits.

The reigning champion sire Dubawi (Ire), now 21, covered 137 mares at Dalham Hall Stud. These included the Arc winner Alpinista (GB), Cabaret (Ire), the dam of St Mark's Basilica (Fr) and **Magna Grecia (Ire)**, and Group 1-winning sisters Magical (Ire) and Rhododendron (Ire), the latter being the dam of Auguste Rodin (Ire).

The returns to Sept. 30, 2023 show that the number of foals born in Britain and Ireland this year rose slightly to 13,438 (from 13,275).

[Cont. p12](#)

Crystal Ocean

Taken individually, there was a 4% rise in the number of foals in Ireland, to 9,082 (8,757 in 2022 and 8,638 in 2021), while the British foal crop contracted by 4% to 4,356 (4,518 in 2022 and 4,282 in 2021). The number of broodmares reported at stud in Britain and Ireland in 2023 is 22,600, down from 22,832 in 2022. Of these, 2,456 were not covered and there were 5,912 no returns, with 210 reported as barren.

The 187 stallions recorded in Ireland this year is a decrease of three from 2022, while the number rose in Britain by two to 113.

BIG ROCK AND BLUE ROSE CEN TO RACE ON NEXT SEASON

Christopher Head's two star three-year-olds of 2023, dual Classic winner Blue Rose Cen (Ire) (**Churchill {Ire}**) and Saturday's sensational Queen Elizabeth II S. winner Big Rock (Fr) (Rock Of Gibraltar {Ire}), will both remain in training for next season.

Timeform has awarded Big Rock a rating of 129 for his six-length romp on QIPCO British Champions Day, which is the highest figure recorded by a miler in Europe this season. The winner of two Group 3 Classic trials in the spring, Big Rock was second to Ace Impact (Fr) in the G1 Prix du Jockey Club and also finished runner-up in the G1 Prix Jacques Le Marois and G1 Prix du Moulin, behind Inspiral (GB) and Sauterne (Fr), respectively.

Head told *TDN* on Monday, "He's come out the race perfectly well. It's crazy, a horse coming back from that kind of race and looking like he hasn't even raced."

He continued, "We would have gone to the Arc de Triomphe if he had won the Jockey Club because we wouldn't have known the limit of the distance for him. So in one way I am happy that things have gone this way because we know better about him for next season."

Christopher Head claps Big Rock into the winner's enclosure at Ascot
Emma Berry

Both Big Rock and Blue Rose Cen race for their breeder Leopoldo Fernandez Pujals of Yeguada Centurion, who is also the breeder of their stable-mate Ramatuelle (**Justify**). The winner of the G2 Prix Robert Papin and G3 Prix du Bois, Ramatuelle was beaten only a short-neck by Vandeeek (GB) in the G1 Prix Morny. She was sold as a yearling to Arthur Hoyeau for a syndicate which includes Ecurie des Monceaux and Tony Parker's Infinity Nine Horses.

"It's the end of the season now for Big Rock, and for Blue Rose Cen and Ramatuelle, and they are all coming back next season," Head confirmed. "It's wonderful. Leopoldo loves his racing and he loves his horses and he doesn't want the public to get bored, so he wants them to be running next season and for everyone to be able to follow them."

He added of Big Rock, "He was from Rock Of Gibraltar's last crop so it is wonderful to have him doing what he is in the same year that his sire has disappeared. And now he will be able to carry on the genes because he already has value as a stallion."

CHAMPION FILLY TAHIYRA BOWS OUT

The Aga Khan's four-time Group 1 winner **Tahiyra (Ire)** (**Siyouni {Fr}**) has been retired following her third-placed finish in the Queen Elizabeth II S. at Ascot on Saturday.

Trained by Dermot Weld, she was unbeaten at two, jumping straight from her maiden success to victory in the Moyglare Stud S. This season, she was beaten half a length by Mawj (Ire) (**Exceed And Excel {Aus}**) in the 1,000 Guineas at Newmarket before gaining her own Classic win in the Irish 1,000 Guineas and adding the Coronation S. and Matron S. to her tally of top-level victories.

Tahiyra | PA Media

Tahiyra is the second Group 1 winner for the Cape Cross (Ire) mare Tarana (Ire), who is also the dam of Tarnawa (Ire) (Shamardal), the winner of nine of her 18 starts, including the Breeders' Cup Turf and Prix Vermeille.

"We have been absolutely delighted with her and we have spoken about what we would do since she ran on Saturday," said Pat Downes, manager of the Aga Khan's Irish Studs.

"We just took a view that, unlike her sister Tarnawa, who didn't win her Group 1 until four, Tahiyra was obviously a champion two-year-old and a champion three-year-old and a very important filly for the future of the stud.

"We felt we had done enough with her and she will move on now to the next stage. She's been an absolute star and she ran her heart out on Saturday. We have been delighted with her and she has been a tremendous filly for us."

CONTINUOUS TO RETURN 'HOME' FOR JAPAN CUP

The St Leger winner **Continuous (Jpn)**, a son of the late Shadai stallion Heart's Cry (Jpn), is set to return to the land of his birth to take on Equinox (Jpn) (Kitasan Black {Jpn}) in the Japan Cup on November 26.

Fifth in the Prix de l'Arc de Triomphe after his Classic success, the colt missed Saturday's Champion S with a raised temperature.

"But he's back fine, he's back cantering again, so the plan with him is to go to the Japan Cup," said trainer Aidan O'Brien on *Racing TV*.

"We were delighted with his run in the Arc. Ryan [Moore] took his time, like he always does with him, and the pace just went a little bit slow in the middle of the race and that was the way it was, but he came home very well."

Continuous | Scoop Dyga

Moore is familiar with Tokyo racecourse and was aboard last year's Japan Cup winner Vela Azul (Jpn) (Eishin Flash {Jpn}) for trainer Kunihiro Watanabe. Continuous's sire ran in three consecutive Japan Cups and was beaten just a nose when second to the Luca Cumani-trained Alkaased in 2005.

O'Brien added, "It's a race we've never won and you need a good horse to win it, so it would be great if we could be competitive in it.

"It'll suit him all right, because he's a good traveller, he can handle fast and soft ground, it doesn't matter. He's got a great mind and he's got a lot of ability that horse - he's probably better than everyone thinks he is."

DAUGHTER OF GOLDEN SLIPPER HEROINE ESTIJAAB SET FOR YARMOUTH DEBUT

14.23 Yarmouth, Nov, £9,950, 2yo, f, 8f 3yT

Emirates Park's homebred **EJAABIYAH (GB)** (**Frankel {GB}**) is a Roger Varian-conditioned daughter of G1 Golden Slipper heroine Estijaab (Aus) (Snitzel {Aus}), who encounters nine rivals in this unveiling. Team Gosden has won the last three renewals of this heat and is represented here by Godolphin homebred **Juneberry (Ire)** (**Night Of Thunder {Ire}**). She is out of G2 Lancashire Oaks victrix and G1 Prix Vermeille second Pomology (Arch) and thus kin to G3 Zetland S. victor and G1 Criterium de Saint-Cloud third Goldspur (Aus) (Dubawi {Ire}). Completing a trio of well-related debutantes is Charlie Fellowes representative **Mohave Dancer (Ire)** (**Kingman {GB}**), who is a 300,000gns Tattersalls October Book 2 daughter of G1 Queensland Oaks heroine Winning Ways (Aus) (Declaration Of War). [Cont. p12](#)

Memento Vivere Racing's once-raced **Rouge Sellier (Ire)** (**Lope De Vega {Ire}**) posted a debut third over this trip at Haydock at the end of last month and hails from the stable of Sir Mark Prescott. The 260,000gns Tattersalls October Book 1 acquisition is a three-parts sister to G1 Cheveley Park S. winner Lumiere (GB) (Shamardal) and GI E. P. Taylor S. victrix Sheikh Reika (Fr) (Shamardal). Another set to make the trip up the A11 from Newmarket is Michael Bell trainee **Climate Action (GB)** (**Cracksman {GB}**), who is a half-sister to three black-type performers out of a half-sister to five-time Group 1 winner and multiple Classic heroine User Friendly (GB) (Slip Anchor {GB}). She comes back off a runner-up finish, behind subsequent G1 Fillies' Mile seventh Seaward (Ire) (**Sea The Stars {Ire}**), in a one-mile test at Ascot last month. Climate Action's stakes-placed half-sister Madame Defarge (Ire) (Motivator {GB}) won this contest for the Bell yard in 2012.

Patrice Cottier trainee Sparkling Plenty notched a three-length debut success over course and distance earlier this month and swooped late to maintain her perfect record on black-type bow here. She was steadied off the tempo and settled into a smooth rhythm racing sixth through halfway. Hurried along rounding the

home turn, the 9-10 favourite made relentless headway under mild rousing in the straight and kept on strongly to usurp long-time leader Tiffanyli by a length nearing the line for a career high.

Sparkling Plenty, the latest of three foals, is one of two scorers produced by an unraced half-sister to multiple elite-level heroine and US champion Stacelita (Fr) (Monsun {Ger}), herself the dam of three black-type winners headed by MG1SW dual Japanese champion Soul Stirring (Jpn) (**Frankel {GB}**).

Descendants of Stacelita also include last term's G1 Oka Sho (Japanese 1000 Guineas) and G1 Yushun Himba (Japanese Oaks) victrix Stars On Earth (Jpn) (Duramente {Jpn}). Sparkling Plenty's dam Speralita (Fr) (**Frankel {GB}**) is also a half-sister to the dam of last month's G1 Prix du Moulin victrix Sauterne (Fr) (**Kingman {GB}**). The April-foaled homebred bay is a full-sister to G3 Jersey S. victor and G1 Prix Jean-Luc Lagardere runner-up Noble Truth (Fr).

TOMAKAY (FR) (c, 2, **Toronado {Ire}**--**Loumaxaye {Fr}**, by **Hold That Tiger**), unbeaten after notching victories here and at Lyon-Parilly, raced under a tight hold in third during the initial stages of this one. Bounding forward to grab control off the home turn, the 2-5 favourite was not for catching once in front and kept on powerfully under late urging to hold Keran (Fr) (Blue Point {Ire}) by 1 3/4 lengths. Tomakay is the sixth of seven foals and one of two scorers produced by a winning half-sister to Listed Prix Zeddaan third Marvellous Night (Fr) (Captain Marvelous {Ire}), herself out of a half-sister to G3 Prix Thomas Bryon third Oupoukaye (Fr) (Midyan) and Listed Prix Saraca third Kenkaye (Fr) (Kendor {Fr}). SECRET WORLD (IRE) (f, 2, Dark Angel {Ire}--World's Fair {GB}, by Showcasing {GB}), who ran second going seven furlongs at Southwell in her Oct. 10 debut last time, was swiftly into stride and led from the outset here. On the front end throughout, the 9-1 chance was shaken up to poach a decisive advantage off the home turn and ran on well under urging inside the final furlong to hold the late flourish of Jeanne D'Arc (GB) (Le Havre {Ire}) by a half-length in snug fashion. Secret World is the first of two foals produced by a half-sister to G1 1000 Guineas and G1 Sun Chariot S. heroine Billesdon Brook (GB) (Champs Elysees {GB}) and Listed Upavon Fillies' S. victrix Billesdon Bess (GB) (Dick Turpin {Ire}). Inching ahead at the top of the straight, the 4-11 lock had little bother from there and was pushed out to easily account for Monfrid (Fr) (Zoustar {Aus}) by 2 1/4 lengths, becoming the 41st winner for his freshman sire (by Shamardal). Gamekeeper is the sixth of seven foals and fifth scorer from as many runners for G2 Cherry Hinton S. victrix Gamilati (GB) (Bernardini), herself a daughter of G3 Chartwell Fillies' S. victrix and G1 Irish 1000 Guineas third Illustrious Miss (Kingmambo).
