

ARABIAN KNIGHT FAVORED AT 3-1 FROM POST 12 FOR BREEDERS' CUP CLASSIC

Arabian Knight | Horsephotos

by Steve Sherack

ARCADIA, CA -- After firing a five-furlong warning shot at Santa Anita Monday morning, Zedan Racing's **'TDN Rising Star' Arabian Knight (Uncle Mo)** was installed as the 3-1 morning-line favorite while drawing post 12 at the Rood & Riddle Post-Position Draw for Saturday's GI Breeders' Cup Classic.

The Bob Baffert-trained GI Pacific Classic hero and \$2.3-million OBS April breezer will face 12 rivals in the \$6-million centerpiece, including fellow sophomore and the rail-drawn GI Belmont S. and GI Travers S. hero **Arcangelo** (Arrogate), GI Whitney S. winner **White Abarrio** (Race Day) and G1 Dubai World Cup winner **Ushba Tesoro** (Jpn) (Orfevre {Jpn}). **Cont., p3**

AFTER THE BREEDERS' CUP, SEARCH RESULTS BOUND FOR FASIG-TIPTON by Katie Petrunyak

Ever-consistent Grade I-winning millionaire **Search Results** (Flatter – Co Cola, by **Candy Ride {Arg}**) figures to be one of the top choices in the GI Breeders' Cup Distaff. A presence in the Chad Brown barn for three years, the 5-year-old's Distaff bid will be her final race sporting the Klaravich Stables silks as she will head to the Fasig-Tipton November Sale following Saturday's championship meet.

"Search Results has been such a wonderful horse not only for us to work with, but for Seth and Beth Klarman," said Chad Brown. "In a tough profession where you deal with a lot of ups and downs and a lot of changes with each individual horse from day to day, she's a rare horse that was very uncomplicated. When you came into the barn in the morning or you went to the paddock in the afternoon, you could always depend on Search Results."

Mike Ryan, a member of the scouting team for Klaravich, has high hopes for Search Results going into Saturday's race, but he is even more confident in how she will be received when she hits Newtown Paddocks on Nov. 7.

"To win the Breeders' Cup would be off the charts," he said. "It would be the culmination of a fantastic career. She will sell well. I know people are going to love her because she's a spectacular physical. I can't fault her and I don't think anybody else will."

Breeders' Cup, cont. from p1

All four of Baffert's Classic winners--Bayern (2014), American Pharoah (2015), Arrogate (2016) and Authentic (2020)--accomplished the feat during their 3-year-old seasons.

"I know this is going to be a tough race, but if he brings his 'A' game, I don't really care who's running against us," Baffert said.

Despite missing the last two days of training with a foot issue, trainer Jena Antonucci remains confident that Arcangelo is in good form for the Classic.

"He's rather annoyed with us right now, so yes," she said at the draw. "He had a warm hind foot and we pulled his shoe off. We'll be patient, always put the horse first and make sure he's 100 percent."

From the rail out, the complete field for the Classic: **Arcangelo** (Arrogate), **Zandon** (**Upstart**), **White Abarrio** (Race Day), **Missed the Cut** (**Quality Road**), **Derma Sotogake** (**Jpn**) (Mind Your Biscuits), **Saudi Crown** (**Always Dreaming**), **Clapton** (Brethren), **Ushba Tesoro** (**Jpn**) (Orfevre {Jpn}), **Senor Buscador** (**Mineshaft**), **Dreamlike** (**Gun Runner**), **Bright Future** (**Curlin**), **Arabian Knight** (**Uncle Mo**) and **Proxy** (**Tapit**).

Breeders' Cup 40, to be held for the 11th time at Santa Anita, will celebrate the return of four winners--**Caravel** (Mizzen Mast) (Turf Sprint), **Cody's Wish** (**Curlin**) (Dirt Mile), **Elite Power**

BREEDERS' CUP MONDAY BULLETIN: LOCALS, INTERNATIONAL CHALLENGERS ON TRACK

Arabian Knight | Horsephotos

GI Breeders' Cup Classic contender **Arabian Knight** (**Uncle Mo**) was first onto the main track Monday morning when he worked a bullet five furlongs in :59 flat, will walk at the barn Tuesday, and then is planned to return to the track Wednesday.

"He's healthy, he's working well. There have been no hiccups," Baffert said. "He's ready. I know this is going to be a tough race, but if he brings his 'A' game, I don't really care who's running against us. That's my focus with him."

The colt made an auspicious debut at Keeneland during the 2022 Breeders' Cup under card. The seven-length romp and a subsequent resounding victory at Oaklawn Park put him squarely in the Kentucky Derby discussions until he was sidelined for half a year. He returned to the races in the GI Haskell S., finishing third in an effort Baffert says showed Arabian Knight had some growing up to do:

"The race was a disaster," Baffert said of his runner's effort in which he relinquished the lead late. "He was too fresh and wouldn't rate on the lead. I think it showed his immaturity. But despite the outcome, we did learn from it."

Two months later, he won the GI Pacific Classic over the 10-furlong distance and prevailed in a hard-fought contest:

"That was a good race," he recalled. "I thought Arabian Knight might get beat from the quarter-pole home, but he really dug it. Now he's finally getting into form where we're going to see the best of him."

Baffert added: "We always thought of him as a top-class horse. You could see that as a yearling, which is why he cost us a pretty penny [\$250,000 at KEESEP; \$2.3 million 2-year-old at OBSAPR in 2022]." **Cont.**

GI Belmont S. winner **Arcangelo** (Arrogate) walked the shedrow for the second day in a row Monday after having a shoe removed Saturday afternoon.

"He just walked today," said trainer Jena Antonucci. "I wasn't able to get the shoe back on yet. He walked for about 45 minutes. There's no reason not to have an extra walk day on him. He's pretty fresh back there, so I probably won't be able to get many more walks on him. I'm happy with the direction it's going. Everything is going the right way."

Japanese Runners Fine Tune

Japan's Classic contender **Ushba Tesoro (Jpn)** (Orfevre {Jpn}) had a routine warm-up and canter around the Santa Anita dirt track, but things were less than routine when he was schooling at the gate Monday morning. The G1 Dubai World Cup winner kicked out multiple times and was irritable with the gate crew.

"The gate is set lower than in Japan and he's such a big horse that the doors brushed against his hocks in an awkward manner, causing him to kick out," explained the Breeders' Cup Japan representative Kate Hunter. "The vet checked him over and there are no issues. We will school him again on Wednesday after his breeze. For horses with similar issues, Santa Anita provides green mats that tie to the inside of the starting gate that we will use with him."

"They hug the hind-end and make it easier. We will now use that with all of our runners."

Fellow Japanese hopeful **Songline (Jpn)** (Kizuna {Jpn}) (Mile) cantered two laps of the turf with the final half easing up.

Juveniles & Sophomore Sprinters Make Moves

In his final prep for the GI Qatar Racing Breeders' Cup Sprint, **Speed Boat Beach** (Bayern) worked four furlongs in :47 4/5 and will walk at the barn Tuesday. Back from a long freshening to only begin his 3-year-old year in September, the colt made a strong impression in that seasonal bow, battling for the lead throughout the six furlong contest before ultimately just missing by a head on the wire.

"I really liked his comeback race," Baffert said. "Since that effort, he's trained really well. I've got the screws tightened on him now."

Bill Mott, no stranger to a big day at the Breeders' Cup, sent out GI Frizette victress **Just F Y I (Justify)** to work four furlongs in :48 3/5 with assistant trainer Neil Pozansky in the irons. The Krikorian homebred will try to get her owner his first 'Cup victory in 11 starts via the GI NetJets Breeders' Cup Juvenile Fillies alongside War Like Goddess' second tilt in the GI Longines Breeders' Cup Turf against the boys.

Neil was really happy with her and she looked great to me. He said she felt good and was responsive to whatever he wanted when she started the work."

Unleash the Europeans

On the international front, the Saturday arrivals were released from quarantine Monday night and will be on track to train Tuesday morning. **Live In The Dream (Ire)** (Prince of Lir {Ire}), in prep for the Turf Sprint, had a strong canter on the grass over five furlongs. He continued to travel with great enthusiasm in the hands of regular work rider Shoshana Cooksley since arriving. Owners Steve and Jolene De'Lemos were trackside.

Mawj (Ire) (Exceed And Excel {Aus}), also part of the Mile contingent, had a canter around the main track, gate schooled, and then walked in the gates before backing out in controlled fashion. Godolphin swapped riders to do the gate schooling with regular work rider Michael Greig hopping off for Matthew Lawson, who stood her in the gates.

"Mawj exercised very well this morning," Greig said. "I'm really happy with her. She knows what she needs to do so I just leave it up to her."

PIN OAK OFFERS GUARDED UPDATE ON GEAUX ROCKET RIDE

Pin Oak Stud has tweeted an update on the condition of its Grade I winner **Geaux Rocket Ride** (**Candy Ride** {Arg}), who suffered an open condylar fracture with intersesmoidian ligament damage during a work at Santa Anita Saturday. He underwent surgery Sunday evening.

"Rocket is having an unexpected response to the surgery and isn't recovering as we hoped," the tweet stated. "He appears to be in no pain and is eating. Our boy is still fighting hard, so we will keep fighting for him. Under Dr. Carpenter's recommendation, he is moving to another facility better equipped to handle his post-op recovery."

Trained by Richard Mandella, Geaux Rocket Ride won the GI Haskell S. at Monmouth Park in July and was most recently a narrowly beaten second in the Sept. 2 GI Pacific Classic.

"She's elegant. She's got size, strength, substance, quality, class and presence. She's the full package."

Ryan has been high on Search Results ever since he first saw the filly as a yearling at Machmer Hall in the summer of 2019.

Flash forward to the eighth session of the Keeneland September Sale and the image of the Flatter filly from Machmer Hall was still fresh in his mind. He was just as impressed with the youngster on the sales grounds.

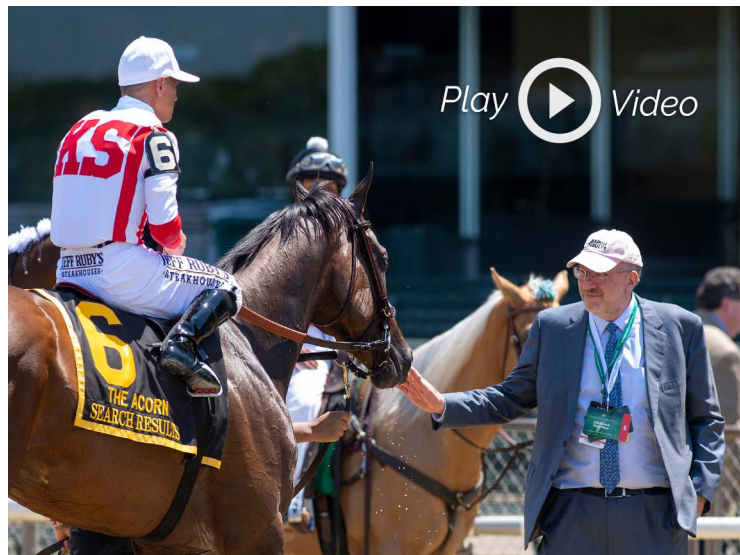

"She was an absolutely beautiful filly," he recalled. "A good size, strong, feminine, very powerful through her quarters and she moved like a cheetah. Her mind was fantastic. I told Chad that this was a filly that we needed to try and buy."

The promising bay, who was out of Grade III-placed Co Cola, wound up topping the session when she sold to Ryan for \$310,000.

As consistent as she was talented, Search Results went on to place in all but one of her 16 career starts, with earnings to date of just short of \$2 million.

Undefeated in her first three starts including a Grade III score in the Gazelle S., Search Results was handed her first career loss when she finished a close neck behind champion Malathaat (**Curlin**) in the GI Kentucky Oaks. The field also included four-time Grade I winner Clairiere (**Curlin**), plus Grade I winners Maracuja (Honor Code) and Pauline's Pearl (**Tapit**). It was a race that, to Ryan, emphasizes the filly's outstanding talent.

“She ran against the best of her generation,” he explained. “Malathaat was a terrific filly and if Search Results had switched to her correct lead that day, she may have beaten her. We'll never know. She was just born in a year with some very tough fillies and I think eight out of 10 years she might have been an Oaks winner. She competed at the highest level throughout her career and never disappointed.”

Turning back to a mile to claim the GI Acorn in her next start, Search Results delivered what Brown said he believes was her best effort.

“For her to come right back in five weeks and run as well as she did in the Acorn showed a lot about her constitution, resiliency, class and durability,” he noted. “That was a very tough stretch dual in the Oaks and I was so impressed with how she bounced out of it and was able to get the Grade I at Belmont.”

Search Results again stamped herself as a top performer as an older horse, adding to her resume with wins in the GII Ruffian S. and GIII Molly Pitcher at four and the GIII Locust Grove S. in her most recent start this year at five. She has also earned four additional Grade I placings, including two half-length runner-up efforts to Malathaat in the 2022 GI Personal Ensign and to Clairiere in the 2023 GI Ogden Phipps.

Search Results get her first career graded stakes win in the 2021 GIII Gazelle S. | Search Results

“She has won sprinting and going around two turns, so she is a very versatile horse,” said Brown. “She's very consistent and efficient in the way she moves. She's also a pleasure to work with in the barn. She's got a great attitude and a laid-back mind. Anyone that has had the pleasure of having their hands on her has commented on what a classy, sweet mare she is.”

“She never shunned competition,” added Ryan. “Half her starts were in Grade I races and she competed in all of them. It was pretty amazing because she never really got a lot of downtime. She never had a soundness issue. I bet when she walks in here to Fasig-Tipton, she’ll have legs like a yearling.”

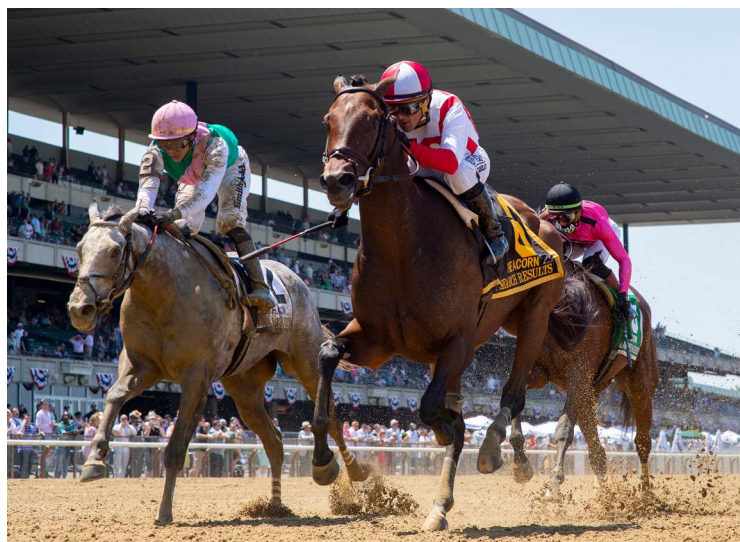

Selling as Hip 179, Search Results will be offered by ELITE Sales on the Night of the Stars. Fasig-Tipton's Boyd Browning said that the daughter of Flatter's pedigree is another bonus to her credentials as a broodmare prospect.

“Flatter was known to be a racehorse sire,” he explained. “They’re hard-knocking and trying--those attributes that you look for and hope that they’ll pass on to future generations. I think you’ve got a real opportunity with Search Results to combine the finest attributes of both Flatter and **Candy Ride**, along with an outstanding pedigree, race record and physical.”

“Search Results should attract buyers both domestically and internationally,” added Brown. “She’s such a flawless physical specimen and her consistency and soundness, which is so important to try to pass on to our breed, is really hard to match with anything else you could find.

Brown reiterated just how much Search Results will be missed within his operation, but noted her next chapter as a broodmare will make way for the next generation of Klaravich trainees.

“This is going to be a hard horse to let go of because she has

been so special to us, but the Klarmans are so active in the sport and they’re looking toward the next chapter with these young horses that we have,” he said. “Seth and Beth always want to do the right thing by the horses, from top-class mares like Search Results all the way to the horses that are still maidens. We’re looking forward to hopefully developing the next Search Results.”

WITH BLACKOUT, MCGINTY MERGES PASSION FOR RACING AND BOURBON

by Joe Scurto

The horse racing industry is a unique societal tapestry of people who approach each race day from a different perspective. You have your core glass half full optimists, who see every race and every horse as the key to a financial windfall, but we also know we can easily find those pessimistic half empty folks as well. If you happen to ask Kyle McGinty, Founder and President of the Blackout Group, how he perceived his glass, he would probably retort, "it doesn't really matter as long as his glass has bourbon in it."

As a racing fan since the age of five, when he first attended the GI Kentucky Derby with his dad, McGinty personifies what it is to be a Kentuckian. His love of racing is only matched by his passion for bourbon. The special education teacher from Louisville has made bourbon, horse racing, and helping others his North Star since 2016 when the Blackout Barrel Group was founded.

Named in homage for the Wednesday before the Thanksgiving holiday, the social group was first formed with 100 members that joined together and purchased a barrel of Wild Turkey. "Before Blackout was even an idea, Kyle, myself, and several other guys were shipping each other's bourbon store picks from one part of the country to the other, stated member Joe Hickson. By way of example, I'm outside of Boston, so I had access to bottles of interest to those in Kentucky and vice-versa.

When the first opportunity to do our own barrel pick came knocking, we already had a group of great folks with a shared interest and a high level of trust."

Robert Bevilacqua, another inaugural member, was drawn in via an invitation from McGinty on Facebook. "It was crazy back then, not much organization to speak of in any way," said Bevilacqua. "Super casual. That first barrel of Wild Turkey's Russell's Reserve Single Barrel Bourbon, that we called Blackout Wednesday, was superb, and I still regret not picking up more than two bottles. As the group went along and enjoyed success in procuring and delivering some fantastic single barrel bourbons, I suppose Kyle and others working with him recognized a need to put some organization around the group."

That organization led toward expansion of their bourbon barrel purchases to the current 300-barrel inventory, which is also used to brand their own select Blackout Bourbon which is distributed to members and used for fundraising.

McGinty, always one for creating new social adventures, would invite Blackout Barrel members to the Kentucky Derby each year to combine two of his great loves. Additionally, one of his fellow bourbon aficionados was D.W. Fries, assistant to trainer Mike Tomlinson, who guided Sir Cherokee (Cherokee Run) to an GI Arkansas Derby victory in 2003 and Barbados (Speightstown) to a score in the 2015 GIII Hutchenson S.

It was only a matter of time until the idea of horse ownership got toasted into the cask of the Blackout Bourbon Group.

"At some point, someone had the excellent idea of buying a racehorse as a group," said investor, Joel Hickson. "While Blackout was my first (and currently only) racing partnership/group, I grew up on a farm with many Arabian horses and rode, so I was naturally in at the first mention of the idea." Thus, the birth of Blackout Racing Stables in 2018. **Cont.**

The group's first taste of racing came with the claim of Doc Kane (Into Mischief) for \$16,000 at Churchill Downs in June of 2018. Two years later they would find a future star of the stable in GSP Thundering Creed (Jimmy Creed). The chestnut mare won over \$400,000 for the stable until her untimely passing in early July this year on the same day another one of the stable's horses, **Mrs. RIP** (Speightster) broke her maiden for the group. "It is extremely difficult when tragedy strikes a stable like this. Our best horse dies unexpectedly and then ironically one of our young horses breaks her maiden and happens to be named Mrs. RIP," reflects McGinty. The Blackout Racing Stable has recently partnered with others like Diamond F Racing and Patricia's Hopes LLC to take that next step forward to more stakes racing.

The Blackout Racing Stable now has over 250 members and has established five different racing groups based on the objective of the stable. The largest group focuses on claimers under \$50,000. There is also a group buying yearlings, and another involved in breeding. Members can typically buy in for \$1,000-\$3,000 which gives each member .75% to 1.3% ownership. McGinty retains a single share and manages each group so that cash calls are a rarity. The group has grown about 10% each year. Groups are formed in January of each year and generally have an end date or wind down event.

"The key is to make it affordable for everyone and keep the commitment limited," said McGinty. "There is a very strong social aspect to each of the segments of Blackout including the Racing Stable. Our members love coming out and seeing their horses."

Member Joe Hickson agrees. "We're all really lucky how things naturally developed and to have the partnerships and the stable that we've assembled. Horse racing is great to watch, but when the bell rings and it's your horse leaving the gate, that's something exceptional."

In 2019, the Blackout Group added philanthropy to what this group and its members do. Forming a trifecta, McGinty built Barrels for a Cause, a Kentucky-based 501(c)(3) organization that uses Blackout's connections and resources within the spirits industry to raise money for various charitable organizations. Their work primarily funnels through an annual event held every June.

"The initial and ongoing success of Blackout is entirely due to the character of its membership," said McGinty. "This has allowed us the ability to create a charitable wing of Blackout--that benefits charities including **Super Drew**, **Backside Learning Center**, **Misters for MS**, **Second Stride Louisville Metro Police** and more."

Since its inception, Barrels for a Cause has raised over \$800k for charities both inside and outside of racing. "We are so grateful for our longstanding partnership with Blackout Stables for their support of the important mission of the Backside Learning Center," said Sherry Stanley, Executive Director of the Backside Learning Center. "It is particularly meaningful to see those within the industry making the conscious choice to give back to those who are the backbone of horseracing."

Amy Eirich, Development Manager for Second Stride agreed. "The Blackout Group does amazing work for the community!"

"Second Stride has benefitted from their generosity in several ways including being the recipient of the proceeds raised during their annual Barrels for a Cause event. We appreciate the Blackout Group's commitment to aftercare and their generous support of Second Stride."

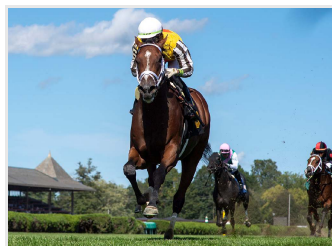

When asked about the best part of being involved in Blackout, original member Bob Bevilacqua communicates the successful blend that has been distilled.

"No matter where we come from across the country, or our personal ideologies, we share a mutual enthusiasm that connects us. Anytime we can get together as a group, it's an absolute blast. I think racing is mostly responsible for the strong social bond we have all developed. When, I'm out or meeting new people and they ask me about the Blackout shirt or hat I'm wearing, or one of our private label whiskey bottles, it's a great conversation starter, and frankly an opportunity to brag about how awesome it is to be part of something special like The Blackout Group."

Now that is a toast to Kyle McGinty and all the members, which demonstrates that life certainly goes down smoother when you can share the experience the Kentucky way with bourbon, horses and giving back.

IRAD ORTIZ, JR., SUSPENDED THREE DAYS FOR AQUEDUCT 'CARELESS RIDING'

by T.D. Thornton

Irada Ortiz, Jr., currently the nation's leading jockey in both purse winnings and victories for 2023, waived his right to appeal a three-day "careless riding" suspension imposed by the Aqueduct Racetrack stewards for an Oct. 22 bumping incident that resulted in a victory for Ortiz's mount, an inquiry by the stewards, but no disqualification.

As a result of waiving the appeal, Ortiz will sit out three days starting this coming Sunday, Nov. 5, the day after he rides the Breeders' Cup at Santa Anita Park, plus next Thursday and Friday, Nov. 9 and 10, the next two live racing dates on the Aqueduct calendar.

Riding Mister J T (Stay Thirsty), who was claimed as the 5-2 second favorite out of a \$12,500 claiming sprint, Ortiz, according to the Equibase chart, was bottled up "behind a wall of rivals slugging it out on the front nearing the eighth pole, opted to tip out bulling his way out by bumping Striking Speed [Brilliant Speed] twice and nearly forcing that rival to clip heels to make a lane for himself at that station, then forged clear in hand much the best in the late stages."

Striking Speed faded to seventh and last place.

Ortiz recently was suspended three days at Saratoga Race Course for a "careless riding" foul that **did result in the disqualification** of his mount from a July 27 win. He also served three days for committing the **same type of infraction** at Belmont Park June 11 that resulted in an inquiry but no disqualification of his third-place finisher.

FROM LAHUDOOD TO MALATHAAT, SHADWELL BLENDS THE OLD WITH THE NEW

Celebrating 40 Years of the Breeders' Cup

Photos by Sarah Andrew; story by Jill Williams

When Sheikh Hamdan bin Rashid Al Maktoum passed away early in 2021 after decades of prominence in Thoroughbred racing and breeding, it was unclear in the sport what would happen to his vast bloodstock and farm holdings. Racing needn't have worried. His daughter, Sheikha Hissa, catapulted into the public eye as the head of Shadwell right at the same time the racing stable was seeing a resurgence. The bedrock laid over decades of success by Sheikh Hamdan was the perfect foundation for stunning new success under the guidance of his daughter.

To celebrate the 40th running of the Breeders' Cup, the *TDN* will share a photo and catch up with a past winner in each of the 40 days leading up to the event. Today, we have 2022 Distaff winner Malathaat. | Sarah Andrew

Malathaat at Shadwell last month | Sarah Andrew

Sheikha Hissa is not yet 30, yet she seems to be instilling confidence throughout the sport--on American shores and beyond--by reinvigorating the Shadwell brand. She's doing it in Europe with Shadwell homebreds like English highweight Baaeed (GB), whose granddam was a Breeders' Cup winner for Shadwell, and she's doing it in the U.S. with sales purchases such as 2021 and 2022 champion Malathaat, who closed out her career with victory in last year's Breeders' Cup Distaff.

"Shadwell Farm in America is rebranding as Shadwell Racing," said Jonathan Smyth, general manager of the American arm. "Under the leadership of Sheikha Hissa, there is a strong passion for the business, much like her late father. It's truly exciting for all of us to be part of the next chapter of Shadwell."

Few things in this sport inspire passion and hope more than a Breeders' Cup winner. Malathaat provided just that. The elegant bay closed out her stellar career last November with a scintillating final-stride win in the Distaff after finishing third in the same race as a sophomore in 2021. Winner of the Kentucky Oaks, Alabama, and Ashland at three, her Distaff alongside Spinster and Personal Ensign wins at four was icing on the cake.

"What a day to remember! Malathaat's Breeders' Cup win was truly spectacular," said Smyth. "She's an extraordinary mare, and her victory was a testament to her remarkable talent and incredible determination. I remember the atmosphere at the Breeders' Cup, where the best of the best came together to put on a show."

"Malathaat's victory was the result of her not only being physically gifted but also having a beautiful, composed mind. [Trainer] Todd [Pletcher] and his team did an exceptional job preparing her for that race, and Johnny [Velazquez] gave her a thrilling ride."

With back-to-back Eclipse Awards secure, Malathaat was retired after the Breeders' Cup and bred to leading sire Into

Mischief this spring. Smyth reported she caught on the first attempt and has been determined to be carrying a filly. Despite her competitiveness and athleticism on the racetrack, Malathaat was known for her kindness off the track, making her a fan favorite.

"Malathaat's famously sweet disposition at the track has continued on the farm," said Smyth. "She's like a big teddy bear, as kind and gentle as ever. Her friendly and amiable nature has made the transition from the track to farm life a smooth and delightful experience. She still requires peppermints, though!"

"Malathaat has settled into life on the farm remarkably well," continued Smyth. "She has a great temperament and a sweet disposition, making her a joy to be around. She has formed a close bond with [Shadwell homebred and 2021 GII Mother Goose winner] Zaajel, which is heartwarming to witness."

Malathaat's presence in the Shadwell racing stable was a bit of a departure from the usual for Shadwell, as she was a \$1.05-million buy at the Keeneland September sale from Stonestreet, who bred and consigned her, during Sheikh Hamdan's tenure. Shadwell has had a mountain of success with homebreds in the past, but hasn't shied away from sales purchases either.

"Shadwell has historically been known for its breeding-to-race approach," said Smyth, "and that continues to be our primary focus in the American division. However, we do participate in sales as well. Sheikh Hamdan had a particular fondness for the Keeneland September sales, and it's been a wonderful tradition to carry on."

"We can't emphasize enough how fortunate we feel to have her as part of our stable. Malathaat is a beautifully balanced filly, and her walk is simply amazing. It's been an incredible journey since that acquisition, filled with victories and a deep sense of pride for Shadwell for owning a horse of such exceptional quality." **Cont.**

Malathaat's dam, Dreaming of Julia, was named 2022's Broodmare of the Year for Stonestreet, based in no small part on Malathaat's contributions to her accomplishments. Like Malathaat, both her dam and granddam were Grade I winners, which never hurts when one considers the potential of her future foals.

"We have big hopes for Malathaat's future as a broodmare," said Smyth. "We have a lot of options when it comes to selecting stallions for her, and our primary focus is on breeding to race. The plan is to race the offspring she produces and continue the tradition of excellence that Shadwell is known for in the world of horse racing."

While it will be a minimum of nearly three years before Malathaat's first foal can have an opportunity at the races, Malathaat herself has represented new hope for the Shadwell team and an excitement for what the future holds.

"Having a successful American horse like Malathaat early on in the midst of all the changes at Shadwell, with Sheikha Hissa at the helm, is truly significant," said Smyth. "Sheikha Hissa has achieved phenomenal success globally in the last two years and Malathaat's accomplishments are a testament to that. We hope to build on this success and uphold our commitment to continue the amazing operation her father built. It's a promising start to the next chapter of Shadwell under her leadership."

While Malathaat may be part of the new look and new future of Shadwell Racing, the old also remains prominent. Nowhere is this more evident than with another Breeders' Cup winner, 2007 Filly & Mare Turf victress Lahudood (GB). Following a French campaign, the Shadwell homebred was supplemented to the Breeders' Cup for \$180,000 after a win in the GI Flower Bowl. Eventually named champion grass mare in the U.S., Lahudood was part of the lone Breeders' Cup edition at Monmouth Park.

That renewal tends to be remembered as much for the soggy conditions as for the winners.

"On the day Lahudood triumphed at the Breeders' Cup," remembered Smyth, "the ground was exceptionally soft due to the rain at Monmouth Park. Undeterred by the conditions, she displayed exceptional skill and resilience. She broke from the gate very well and encountered some tight spots in the pack. However, a remarkably tough-minded filly, [she] held her own and found herself in second place at the halfway mark. As they reached the final turn, she surged forward with unwavering determination and astonishing speed, never slowing down. Her victory was a testament to her remarkable spirit."

"The translation of Lahudood's name, meaning 'no frontiers', couldn't be more fitting. It perfectly encapsulates her fearless and boundless determination on the track."

Yet, remarkably, Lahudood's Breeders' Cup win would not be her biggest contribution to the Shadwell program. Herself a third-generation Shadwell homebred tracing directly to the wonderful Height of Fashion (Fr), Lahudood has done much to boost that line since Sheikh Hamdan's death. Height of Fashion, of course, was famously acquired from Queen Elizabeth II and produced the magnificent Shadwell homebred champion and G1 Epsom Derby winner Nashwan, as well as additional highweights Nayef and Unfuwain and three more stakes winners. While a number of top-class winners trace to her through her daughters and their descendants, it's a safe bet Lahudood might be responsible for her greatest current legacy.

Lahudood's French black-type winning daughter, the Kingmambo mare Aghareed, is the dam of not only Baaeed—a spectacular 10 for 11 in 2021 and 2022 at the most elite level—but also of Hukum (Ire), another multiple Group 1 winner in 2022 and 2023. **Cont.**

Lahudood in the 2007 Breeders' Cup | *Sarah Andrew/Equi-Photo*

“The satisfaction of having a homebred like Lahudood win the Breeders' Cup,” said Smyth, “and then continue to provide excitement through her progeny is immense. Sheikh Hamdan's deep love for homebred fillies makes this accomplishment even more significant. It's a true testament to the success and legacy of their breeding program.”

Baaeed, a son of **Sea The Stars (Ire)**, retired to Shadwell's Nunnery Stud in the UK at the end of 2022 and covered his first mares this year. Hukum, his full-brother, remains in the ownership of Shadwell but will stand his first season at Darley Japan in 2024.

Breeders' Cup connections: B-Shadwell Estate Company Limited (GB); O-Shadwell Stable; T-Kiaran McLaughlin; J-Alan Garcia.

Current location: Shadwell, Lexington, Ky.

“Without a doubt, the influence of a mare like Lahudood being the second dam of Baaeed and Hukum is nothing short of remarkable,” said Smyth. “She holds a special place within Shadwell's breeding program, and her impact is profound.

Owning a mare of such caliber is a testament to the depth and quality of Shadwell's breeding families. It showcases a dedication to preserving and elevating the standards of Thoroughbred racing and breeding. The influence of this exceptional mare continues to shape Shadwell's breeding program, and her legacy is a source of pride for the Shadwell family and all who appreciate the beauty and power of these magnificent animals."

Lahudood, now 20, had her final foal in 2021. By Kitten's Joy, the colt has been named Sumood and has not yet raced. Smyth said two of Lahudood's daughters remain part of Shadwell's broodmare band in Kentucky.

"We have great hopes that the mares will take after their older sister and produce high-end athletes," said Smyth.

As for Lahudood, she's been pensioned "and is living her best life in our sheds with the other retired mares."

Shadwell has had other Breeders' Cup successes over the years, most notably with 2006 Classic winner Invador (Arg), Horse of the Year in both the U.S. and Uruguay, and 2016 Dirt Mile winner Tamarkuz. Still owned by Shadwell, Invador spent most of his stud career in Uruguay, where he was recently pensioned. Tamarkuz stands at Ballycroy Bloodstock in Canada. Shadwell's American arm is not currently standing any stallions.

"The American division of Shadwell--Shadwell Farm--was established in 1984," said Smyth. "It has been a significant part of Shadwell's global success in the horse racing industry.

"As for the future of Shadwell, we're all looking forward to continuing the remarkable legacy of Shadwell and the exciting developments that lie ahead. It's a joy to see the Shadwell legacy continued with such dedication and enthusiasm."

In addition to all those top-class homebreds gracing the fields, four yearling fillies purchased at the recent Keeneland September sale will be added to the racing stable and eventually the broodmare ranks. Sheikha Hissa attended the sale and

personally picked them out, said Smyth. Among the purchases were a \$2.3-million Into Mischief filly and a \$1.1-million **Medaglia d'Oro** filly.

"It's an exciting blend of the old and new, combining our traditional breeding approach with strategic sales acquisitions to continue Shadwell's success in the racing world," said Smyth.

From a freshly retired Breeders' Cup winner carrying her first foal to a pensioned Breeders' Cup winner who has contributed so significantly to the tremendous success synonymous with the Shadwell brand, the new Shadwell Racing is poised to honor the past as it melds into the future.

Later this week, Shadwell Racing has homebred Mostahdaf (Ire) pointing to the 40th renewal of the Breeders' Cup Turf. A win by the dual Group 1 winner would add yet another page to the sequel now being written at Shadwell. Win or lose, yet another Breeders' Cup contender seems a fitting way to honor Sheikh Hamdan's legacy and usher in the future with Sheikha Hissa at the helm.

KENTUCKY DERBY MUSEUM HOSTS 125 DIFFERENT FFA GROUPS

The Future Farmers of America (FFA) convention is being held in Indianapolis, IN and 125 different groups have booked tours in the Kentucky Derby museum. With almost 6,000 expected visitors this week, the 40% increase compared to standard weekly October attendance has proven it a popular destination for attendees. "FFA members represent the future of the Thoroughbred horse racing and agriculture industries," said Pat Armstrong, Kentucky Derby Museum President and CEO. "The fact that the number of FFA groups choosing to visit keeps increasing year-over-year proves that the Museum offers unique and interesting content for these students."

MOVISITOR (c, 3, Uncle Mo--Ristretto, by Medaglia d'Oro)

upset the state-bred restricted rained-off Crowd Pleaser S. for trainer Ed Vaughan and F L I Racing before changing hands for \$130,000 during the Horses of Racing Age Section of the Fasig-Tipton Kentucky July Sale. The five-length winner of a one-mile optional claimer July 26, the dark bay was a distant last of eight in the GIII Smarty Jones S. Aug. 23. The 37-10 third choice in a wide-open betting affair, the dark bay was hustled to the lead by Mychal Sanchez, widened past the eighth pole and remained well clear to the line. Movisitor is out of a daughter of Visit (GB) (Oasis Dream {GB}), a multiple Group 3 winner and Group 1-placed in England whose four American Grade I placings include a third to Forever Together (Belong to Me) in the 2008 GI Breeders' Cup Filly & Mare Turf at Santa Anita. Ristretto is the dam of the 3-year-old colt Kalahari Not Sorry (Nyquist), a weanling filly by Justify and was most recently bred to both War Front and Speightstown. Sales history: \$135,000 RNA Ylg '21 FTKOCT; \$120,000 3yo '23 FTKHRA. Lifetime Record: SW, 11-4-0-1, \$210,645. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

3rd-Horseshoe Indianapolis, \$34,000, Msw, 10-30, 3yo/up, f/m, 6f, 1:12.55, sy, 1 1/4 lengths.

EMPIRES PRINCESS (f, 3, Empire Maker--Baruta {Brz} {GSW-USA, MG1SP-Brz, \$314,058}, by Crimson Tide {Ire})

outran debut odds of 7-1 to complete the exacta in a local maiden turf dash Sept. 7 and was let go at 6-1 while forced to contend with a rain-affected strip at second asking.

Void of early speed and last through the opening exchanges, the bay commenced a rally inside on the turn and had the leading trio in her sights in upper stretch. Empires Princess looked to have the momentum on her side, was forced to steady when Icicles (Frosted) came out several paths and came with an rails rally to just miss. Stewards ultimately upheld an objection and reversed the placings. The winner's dam took the GIII Sen. Ken Maddy S. in this country and is also represented by the 2-year-old gelding Street Talker (Street Sense) and a yearling filly by McKinzie. Sales history: \$45,000 RNA Ylg '21 KEESEP; \$58,000 Ylg '21 OBSOCT; \$195,000 2yo '22 OBSAPR. Lifetime Record: 2-1-1-0, \$27,200. **Click for the Equibase.com chart.**

GRAN ORCA (c, 2, Liam's Map--Layla, by Union Rags) was a strong debut second to Historiai (**Liam's Map**) going this distance at Nakayama Sept. 24 and was the even-money favorite to go one better this time around. The bay appeared to bobble a few strides out of the gate, but nevertheless showed enough speed to prompt the pace from second while a fraction keen. Traveling strongly on the turn, Gran Orca was asked to win his race 200 meters from home and kicked on to post a comfortable 1 1/4-length victory. Produced by a winning full-sister to GISW Express Train, Gran Orca was the joint most-expensive of 58 of his sire's progeny to sell in 2022 (75 ring) when hammering for \$625,000 at last year's Keeneland September sale. Layla, a granddaughter of GISW November Snow (Storm Cat), was among the first book of mares bred to **Flightline** this past season. Lifetime Record: 2-1-1-0, \$56,301.

'SHE'S BEEN A SUPERSTAR FOR US THIS YEAR': FORTUNA OUT TO FAVOUR THE BRAVE

Porta Fortuna after her Cheveley Park S. win | Photographer

By Emma Berry

ARCADIA, USA--Bar those who have raced recently in the US, the European horses arrived at Santa Anita on Sunday evening, with their trainers mostly following on over the next few days. One early bird at the track on Sunday morning was Donnacha O'Brien, who is entitled to want to soak up as much of the atmosphere as he can this week as he has brought a Group 1-winning juvenile to be his first runner at the Breeders' Cup.

Only Bob Baffert has accrued more prize-money earnings than Donnacha's father Aidan O'Brien in the 39 previous runnings of the Breeders' Cup, with the Irishman's 16 winners having contributed towards a haul of more than \$30 million. Brother Joseph O'Brien, too, has his name on the board with one winner from five starters to date. That success, in the Breeders' Cup Mile also at Santa Anita back in 2019, came with Iridessa (Ire) (Ruler Of The World {Ire}), whose success was followed up in the same race the next year by her half-brother Order Of Australia (Ire) (Australia {GB}), trained by Aidan.

GROUP 1 WINNER TRIPLE TIME RETIRED TO DALHAM HALL STUD

G1 Queen Anne S. winner **Triple Time (Ire)** (Frankel {GB}) is to join the Darley roster at Dalham Hall Stud from 2024.

Trained by Kevin Ryan, the 4-year-old won four of his eight starts, including striking twice at two when he broke his maiden by nine and a half lengths and went on to win the Listed Ascendant S. at Haydock. Missing out on the following year's Classics with a setback, Triple Time returned in September to land the G3 Superior Mile, and posted his best performance this year, again on his seasonal debut, when beating Inspiral (GB) at Royal Ascot in the Queen Anne.

Bred by Sheikh Mohammed Obaid, he is one of seven black-type performers and six black-type winners for the remarkable Mark Of Esteem (Ire) mare Reem Three (GB), herself a Listed-placed treble winner who was rated 97.

What made those two victories all the more special was the fact that the siblings were bred by Aidan and Annemarie O'Brien under their Whisperview Trading banner, and now it is the turn of his Donnacha to attempt to secure another Breeders' Cup winner for his parents as breeders with Porta Fortuna (Ire) (Caravaggio). More importantly, however, the filly will be carrying the hopes of a large number of American owners in the Juvenile Fillies Turf on Friday.

"We've been coming to the Breeders' Cup since as long as I can remember, and I've been lucky enough to ride at a few, but this is my first one as a trainer, so it's exciting. I haven't been to the Breeders' Cup in the last few years because I haven't had a runner, so it's nice to be back," said O'Brien, the former dual champion jockey in Ireland who retired from race-riding in 2019.

Porta Fortuna remains confined to barracks until being allowed on to the main track on Tuesday morning.

"She travelled well and is in good form, and seems to have settled in well," he continued. "She's been a superstar for us this year. To win at Ascot was fantastic, but she had two wins before Ascot, so to still be going, and to have run in three Group 1s in a row, and against the boys as well, she's danced every dance and she's a very tough filly. We're very lucky to have her, she's been great for us."

That she has. From her maiden win at the Curragh on April 16, Porta Fortuna went straight into Pattern company for her first run in the colours of her new team of owners to win the G3 Fillies' Sprint S. at Naas, enjoying the perfect tune up before her first spot of travelling to Ascot for the G3 Albany S. Come August, she was chasing home Bucanero Fuerte (Fr) to be second in the G1 Phoenix S. before taking third in the G1 Moyglare Stud S. Finally she secured her own Group 1 success on her return to Britain for the Cheveley Park S. at Newmarket. She steps up now for a tight, turning mile, the first time she has gone beyond seven furlongs.

Her trainer reported, "She has taken every run very well. She's not a filly who needs a lot of work at home. She's not difficult to train, her races kind of bring her along."

"She is owned by Steve Weston, Barry Fowler, Dean Reeves and Medallion Thoroughbreds, as well, which is a big syndicate. They are all American, and from the moment they bought her this was the dream and it has just worked out incredibly well. It's great to be able to bring her over to the US for them."

The success of Porta Fortuna has also prompted greater involvement in O'Brien's stable from the ownership group, who bought into the filly through agent Mark McStay.

He added, "They bought her after she won a maiden, and they have bought some yearlings for me this year."

"In Ireland there's a small pool of owners, but internationally there's obviously a big interest in racing. This isn't something we've done on purpose, we were just lucky enough to get involved with these guys and it's brilliant to have some success for them."

The one question that remains is how Porta Fortuna will cope with a two-turn mile after the wide open expanses of the Curragh plains and Newmarket Heath.

"We won't be sure until we go and do it, so we'll see," said O'Brien. "It's going to be a lot different for her. Every race she's had so far has been on a straight track but she trains round a left-handed bend every day at home, so she's well used to turning left. She's obviously going up in trip as well, but on tight tracks, a mile around here is going to be like seven in Europe, and she has stayed seven before. We're not sure until we try but I feel she should handle it."

Triple Time's half-siblings include the Gi Prix Jean Romanet winner Ajman Princess (Ire) (Teofilo {Ire}) and G2 Prix Daniel Wildenstein winner Ostilio (GB) (New Approach {Ire}). The family has been boosted further still this season by the G1 Prix Jean-Luc Lagardere winner Rosallion (Ire), who is by Darley's first-season sire Blue Point (Ire) and out of Rosaline (Ire), a full-sister to Ostilio.

Triple Time | Racingfotos.com

Sam Bullard, Darley's director of stallions, said, "Triple Time's victory in the Queen Anne at Royal Ascot was the pinnacle of a superb career for this impeccably bred horse. He is from a truly outstanding female family and being an elite miler by **Frankel**, we think he will be very popular with breeders. We look forward to showing him at Dalham in the very near future."

ONE LAST DANCE FOR CONSISTENT ONESTO

By Emma Berry

Fabrice Chappet with Onesto in Chantilly | Emma Berry

ARCADIA, USA--Whisper it, and a few people have been doing so since the huddle started growing at Clockers' Corner over the last few mornings, but Onesto (Ire) (**Frankel** {GB}) should not be overlooked in a potentially red-hot running of the GI Breeders' Cup Turf on Saturday.

On Monday morning his trainer Fabrice Chappet was one of the few to be found trackside just before sun up at Santa Anita. Like Donnacha O'Brien, he too is fielding his first runner at the Breeders' Cup, but he is no stranger to American racing, having worked for a number of years for John Nerud, albeit on the other side of the country. Chappet also saddled Blue Panis (Fr) to be second in the GII Oak Tree Derby at the now-defunct Hollywood Park back in 2010.

A neat chestnut, on the small side compared to a number of **Frankel**'s runners, Onesto is better travelled than many of his fellow competitors, even if that is not immediately apparent from this bare racing record. Born in Ireland at Coolmore, he was sent to Tattersalls in England as a yearling and, retained by his Kentucky-based breeder Diamond Creek Farm at 185,000gns, he was then exported to Florida, mid-pandemic, where he was prepared for the Ocala Spring breeze-up sale.

Hubert Guy signed the ticket there at \$535,000, and Onesto returned to Europe, this time to France, the fourth country in his young life, where he settled into Chappet's Chantilly stable.

Lightly raced but a winner at two, by the spring of his three-year-old season he landed a key Classic trial in the G2 Prix Greffuhle and though the luck of the draw did not go his way in the Prix du Jockey Club, he still managed fifth, before landing the biggest win of his career in the G1 Grand Prix de Paris.

Cont.

"Onesto has been very consistent and has always run good races except this year in the Irish Champion," said Chappet. "He hasn't been lucky all his life, like in the French Derby, but he has always run well, including in the Japan Cup last year. He was seventh but again quite unlucky. So he really has been consistent except for some reason this year in Leopardstown, but then he came back nicely in the Arc."

Third in the Prix de l'Arc de Triomphe, less than two lengths off the winner Ace Impact (Fr), who has already been retired to stud, Onesto has his own stallion berth booked at France's historic Haras d'Etreham, which has been one of his owners for most of his racing career, along with a group which includes Jean-Etienne Dubois and Gerard-Augustin Normand.

Chappet continued, "He looks happy and he travelled well so I'm sure he's going to run a good race. We have to wait for the draw, and he's a horse you want to wait with. We saw what to do in the Arc and we saw what not to do in the Irish Champion this year, because he ran very well in that last year."

On the horse's impending retirement to stud, he added, "This is what it's about. He's a four-year-old, and we have had two

horses going to stud this year, as we had [G1 Prix Jean Prat winner] Good Guess as well, so for a boutique hotel like ours, 80 horses, I am very proud of that."

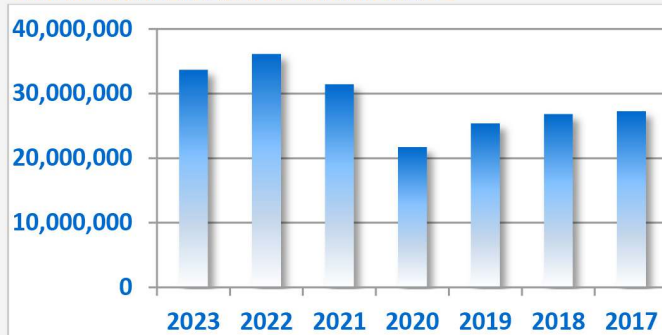

Like most of the incoming European contingent, Onesto will be allowed out on to the track on Tuesday, but don't expect to see him scorching the turf.

"We had to van him from Chantilly to Newmarket, and then he flew from there to Shannon, and then from Ireland to here. He'll trot tomorrow. It's been a long trip so we'll just go easy all week," said his trainer. For a seasoned world traveller, that should present no problem for Onesto, who has one last chance to star in the land of his breeder. And he would not be the first member of his family to feature prominently at the Breeders' Cup either. His Juddmonte-bred dam Onshore (GB) (*Sea The Stars {Ire}*) is a daughter of Kalima (GB) (Kahyasi {Ire}), herself a full-sister to Hasili (GB) whose daughter Banks Hill (GB) (Danehill) won the Filly & Mare Turf in 2001, a feat followed four years later by her full-sister Intercontinental (GB).

DOYLE TO BECOME FIRST RETAINED RIDER FOR WATHNAN RACING

James Doyle pictured with his mother at the 2022 Breeders' Cup Coady

Leading flat jockey James Doyle has signed a contract to become the first retained rider for Sheikh Tamim bin Hamad Al Thani's Wathnan Racing beginning in January, the organisation announced on Monday. The 35-year-old had been riding as second jockey for Godolphin since January 2015 and will join Wathnan when his contract expires at the end of this year.

"It is a tremendous honour for me to sign for Wathnan," Doyle said. "It's an amazing opportunity for me going forward with His Highness Sheikh Tamim's Wathnan Racing and I'm greatly looking forward to working with Olly Tait, Richard Brown and the rest of the team."

"I want to thank His Highness Sheikh Mohammed, Charlie Appleby and everyone at Godolphin for the unstinting support they've given me over the last nine years. It's been a wonderful time and I have enjoyed literally every moment. But this is an incredible new venture and I can't wait to get started in January."

Doyle is a multiple Group 1-winning jockey having partnered with notable runners **Kingman (GB)** (Invincible Spirit {Ire}), Noble Mission (GB) (Galileo {Ire}), Sea Of Class (Ire) (**Sea The Stars {Ire}**) and Rebel's Romance (Ire) (Dubawi {Ire}) over his career so far.

"James has been a key member of our team for his whole time with us and, whilst we will miss him greatly, he is leaving very much with our blessing and we wish him all the very best with

this exciting new chapter in his riding career," Godolphin trainer Charlie Appleby said.

Wathnan Racing's Adviser Olly Tait added: "Wathnan is delighted to have retained the services of James Doyle. He is a fantastic rider and an incredible addition to the team. We are all looking forward to working closely with James in the coming years."

RACING TO SCHOOL RENEWS CLOTC ACCREDITATION

Racing to School | Council for [Learning Outside the Classroom](#)

Racing to School has had its accreditation by the Council for [Learning Outside the Classroom](#) (CLOtC) extended for a further two years, the organisation announced Monday. The charity offers young people a high-quality outdoor learning experience and introduces many participants to horse racing for the first time by bringing the curriculum to life using racing's unique venues.

John Blake, Chief Executive of Racing to School said, “To be awarded the [Learning Outside the Classroom](#) (LOtC) Quality Badge once again is testament to our team’s efforts to achieve high quality interventions for our beneficiaries, even as we have expanded our work to record levels.”

Held by some of the leading providers of educational visits, the LOtC Quality Badge is endorsed by the Department for Education and the Outdoor Education Advisers’ Panel Cymru.

Dr Anne Hunt, Chief Executive of CLOtC said: “Educational visits are among the most memorable experiences in a child’s school life. Sparks Fly prevailed in seven of her last eight starts, all victories coming at handicap level, and bettered an off-the-radar effort in York's July 28 Listed Lyric Fillies' S. on black-type bow with a 12-length rout for a stakes breakthrough here. Breaking sharply to seize immediate control, she was in command throughout and thundered clear of toiling rivals, racing along the far-side rail, in the straight to easily outpoint Queen Sao by open water.

Sparks Fly is the fourth of six foals and one of three winners from as many runners out of a multiple-winning full-sister to Listed Beverley Bullet Sprint runner-up Duchess Dora (Ire) (Tagula {Ire}). The April-foaled bay is a half-sister to G2 Queen Mary S. and G3 Princess Margaret S. third Caroline Dale (GB) (Lethal Force {Ire}), the unraced 2-year-old filly Supernova Steps (GB) (Oasis Dream {GB}) and a yearling colt by Zoustar (Aus).

ROADSHOW (IRE) (c, 2, Galileo {Ire}--Acapulco {GSW & G1SP-Eng, SW-Ire & US, \$282,328}, by Scat Daddy) powered forward to stalk the pace in second after racing fourth during the initial exchanges of this first go. Gaining a slender advantage into the straight, the 27-10 second choice came under pressure passing the quarter-mile marker and was ridden out inside the final 300 metres to prevail by 3 1/2 lengths from Martin (Fr) (Almanzor {Fr}). Roadshow is the third of five foals and first scorer out of G2 Queen Mary S. victrix and G1 Nunthorpe S. second Acapulco (Scat Daddy), herself half to the stakes-winning Prenuptial (Broken Vow) out of Listed Nursery S. winner Global Finance (End Sweep). MIZ VEGA (IRE) (f, 2, Lope De Vega {Ire}--Mizdirection {MGISW-US, \$1,719,621}, by Mizzen Mast) broke swiftly and was steadied to stalk the leaders in third for most of this debut. Sent widest to the stands' side fence in the straight, the 14-5 favourite was hustled along with a quarter-mile remaining and kept on well under continued rousting to deny Family Silver (Ire) (Dark Angel {Ire}) by two lengths. Miz Vega is the fifth of six foals and second scorer out of dual GI Breeders' Cup Turf Sprint heroine Mizdirection (Mizzen Mast), herself a half-sister to the stakes-winning Hurricane Bernie (Sea Of Secrets). EVERLASTING (IRE) (f, 2, Kingman {GB}--Could It Be Love {G1SP-Ire & GSP-Eng, \$163,827}, by War Front), an Oct. 12 debut seventh going seven furlongs at the Curragh in her only prior start, asserted for an early lead. Holding sway through halfway, the 9-2 chance was shaken up when threatened by Kisiyra (Ire) (Sea The Moon {Ger}) off the home turn and stayed on resolutely under continued rousting defeat that rival by 1 3/4 lengths.

Galway-1, cont. from p11

“It looked a good maiden on paper, there looked to be plenty of talking horses and a few had good runs,” commented Ballydoyle’s Chris Armstrong. “She had a run at the Curragh and the plan was to bring her here by getting another run under her belt for next year. She is a classy type of filly, Seamus [Heffernan] gave her a lovely ride and she jumped and controlled it from the front. She quickened and, when the other filly [Kisiyra] came to her, she went again. Running downhill on heavy ground around here will definitely stand to her and she is one to look forward to. She is a work-in-progress and the penny hasn’t fully dropped, but will be a lovely filly for next year over a mile-and-a-quarter or a mile-and-a-half.” Everlasting is the second of three foals produced by G1 Irish 1000 Guineas runner-up Could It Be Love (**War Front**), whose first was G3 Kilternan S. victor and G1 Irish Derby, G1 Grand Prix de Paris and G1 Criterium de Saint-Cloud placegetter Adelaide River (Ire) (**Australia {GB}**). Could It Be Love, who is a half-sister to MGISW sire **Uncle Mo** (Indian Charlie), has a yearling filly by **Kingman** (**GB**) to come and was bred to **Gun Runner** this year. Lifetime Record: 2-1-0-0, \$10,147.
