EXCUSE ME, SIR!

by Steve Sherack

ELMONT, NY - Three weeks after capturing his first American Classic victory, trainer Mark Casse made the trip to New York with a fantastic shot at adding Saturday’s 151st renewal of the GI Belmont S. He got the job done—maybe just not with the horse that everyone was expecting, though.

Tracy Farmer homebred Sir Winston (Awesome Again), a rallying second in the local prep GII Peter Pan S. with a field-best 100 Beyer Speed Figure, pulled off a 10-1 upset with a one-length, come-from-behind victory under a brilliant ride by Joel Rosario before an announced crowd of 56,217 on a picturesque, sun-splashed afternoon on Long Island.

Highly regarded Juddmonte homebred Tacitus (Tapit), favored at 9-5 off a very strong third via disqualification in the GI Kentucky Derby, completed the exacta after enduring a very wide trip. The pacesetting Joevia (Shanghai Bobby), a front-running winner in the slop of Monmouth’s Long Branch S. May 12, held on well for third at 21-1 over a surface playing very kindly to speed throughout the weekend.

War of Will (War Front), well-supported as the 7-2 second choice following a dominating victory in the GI Preakness S. for Casse, tired in the stretch to finish ninth. He was the only sophomore to contest all three legs of this year’s Triple Crown.

MITOLE PROVES UP TO MET MILE CHALLENGE

by Brian DiDonato

The brilliantly talented Mitole (Eskendereya) still had some questions to answer while seeking his seventh straight victory, but first at a mile, in the GI Runhappy Metropolitan H. at Belmont Saturday. After pressing a fast pace, he fended off two world-class rivals to score and provide trainer Steve Asmussen and rider Ricardo Santana, Jr. with back-to-back renewals of the prestigious event. Race favorite McKinzie (Street Sense) ran on late to cut the margin of victory to 3/4 of a length after enduring significant traffic trouble that might have cost him the race, and two-time G1 Dubai World Cup hero Thunder Snow (Ire) Helmet (Aus) gave a good account of himself to be third. “This is really a special horse,” Santana said. “I can’t explain how happy I am with this horse. He can come [from the] back, he can go in front, you can put him between horses and he always keeps trying his best. Today, we delayed as long as we could. He’s a really amazing horse.” Cont. p8

"He's an amazing little horse," Casse said of the over achieving
Sir Winston. "If at this time last year, if you had asked me to rate
our top-20 2-year-olds, he would have been about 16th or 17th.
But I'm very proud of him because he's kind of what our
operation represents, and that is I feel like we develop horses. I
have this philosophy. I start every horse out thinking that they
are going to win the Kentucky Derby, or the Oaks. That's what I
do. And I will try different surfaces; I will try different methods.
With a horse like Sir Winston, you know, it paid off there."

Sir Winston broke well from post seven in the "Test of the
Champion" and was expertly guided to the golden rail by
Rosario--also aboard 2014 Belmont hero Tonalist, who spoiled
California Chrome's Triple Crown bid--to race in a ground-saving
eighth as Joevia was kept honest by Tax (Arch) through fractions of :
23.92 and :48.79 over the very lively surface.

Always traveling nicely on the inside, Sir Winston crept closer
entering the far turn as Tacitus began to launch a five-wide
sweep. Locked and loaded as Joevia and Tax were going at it at
the top of the stretch, Rosario tipped Sir Winston out three deep
into the lane and he closed with a rush to outkick Tacitus home
and pull off the upset.

"He's a very nice horse and you have to let him do this thing,"
Rosario said. "It seemed like he didn't mind [being] inside. I just
took my time with him. For the distance, he broke very good.
Today, he was a little closer, so I let him be where he was
comfortable."

Sir Winston entered the Belmont with only two career
victories to his credit, both over the Woodbine synthetic, dead-
heating for a maiden win last September and adding the Display
S. in December. Cont. p4
Belmont S. cont.

Last term’s GII Grey S. third-place finisher quietly ran well in defeat finishing with late interest to finish fourth in the GII Withers S. at Aqueduct Feb. 2 and fifth in the GII Lambholm South Tampa Bay Derby Mar. 9. A well-beaten seventh, albeit with trouble, in Keeneland’s GII Toyota Blue Grass S. Apr. 6, the chestnut bounced back with a very encouraging runner-up finish, 1 1/4 lengths behind ‘TDN Rising Star’ Global Campaign (Curlin) with Rosario riding for the first time in the Peter Pan.

Casse said that both of his Belmont runners may target the GI Runhappy Travers S. Aug. 24 at Saratoga Race Course.

"I tell you what, they all better watch out going to a mile-and-a-quarter because Sir Winston will come running, too," Casse said. “You didn’t see the real War of Will today. I know that. So, we’ve got to get back and figure out what’s up and why he didn’t run better. [We’ll] probably send him back to Kentucky [and] give him a little break.”

Longtime owner Tracy Farmer, who’s black-and-white silks have been carried by standouts such as Albert the Great and Commentator, was under the weather and didn’t attend the races Saturday.

“He’s actually better, but just wasn’t able to fly,” Casse said. “It’s a shame, because I know he loves running in New York, and I know this race will mean everything to him. Crazily enough, this is one of the first horses I ever trained for him. He’s very good friends with [John] Oxley. [Farmer] and his wife, Carol, and Mr. Oxley kept saying, ‘You should give Mark a horse. You should give Mark a horse.’"

Farmer and Casse also teamed up Thursday with Astoria S. runner-up Perfect Alibi (Sky Mesa).

Tacitus, winner of the Tampa Bay Derby and GII Wood Memorial S., lost little in defeat.

"He came running and finished up the race good, but it looked like he just got going too late," said Hall of Fame trainer Bill Mott, who also saddled this year’s Kentucky Derby winner Country House (Lookin At Lucky). "We did have a bit of a wide trip, which you never like. He came running and looked like he was traveling better than anybody. We planned to try and be in contention at the quarter-pole and he was. He just couldn’t get there."

Pedigree Notes:

Sir Winston becomes the 14th Grade I winner for Awesome Again, who is also the sire of GI Preakness S. winner and Belmont S. runner-up Oxbow as well as GI Haskell winner and narrow Belmont S. runner-up Paynter. Sir Winston, a second-generation Farmer homebred, is out of GSW & GISP La Gran Bailadora (Afleet Alex). The 12-year-old is also responsible for the 2-year-old filly La Isadora (Ghostzapper), who RNA’d for just $30,000 at last year’s Fasig-Tipton Kentucky Fall Yearling Sale. She was bred to both Practical Joke and Classic Empire for the 2019 season. Farmer purchased Sir Winston’s second dam SW & GSP Affirmed Dancer (Affirmed) as a weanling for $150,000 at Keeneland November in 1999. Sir Winston’s third dam is two-time Canadian champion Woolloomooloo (Regal Intention).

A STRANGE TRIPLE CROWN ENDS WITH ANOTHER ODD TWIST

by Bill Finley

Well, this one isn’t going to go down as one of those memorable Triple Crowns we will still be talking about 30 years from now, will it? No surprise there.

From the start, this was the Triple Crown series that just never gelled, that will be remembered more for chaos and odd circumstances than the three horses that won the three races. There was some excitement, but it came in small doses. Is this how soccer fans feel after the final score is nil-nil?

Take nothing away from Sir Winston (Awesome Again), who captured the final jewel of the Triple Crown, Saturday’s GI Belmont S., and was, by the way, the only horse in the field who had run a triple-digit Beyer figure. Benefitting from a very good ride by Joel Rosario, he was good enough to win the race and etch his name in the history books. He’s well-bred and improving and don’t be surprised if there is another big win or two left to come on his resume.

But he was trainer Mark Casse’s “other” horse. While GI Preakness S. winner War of Will (War Front), who ran so well in the middle leg of the series to prove himself after all the trouble he encountered in the GI Kentucky Derby, received all the attention, hardly anyone noticed that Casse had a second horse in the race. Even the trainer looked a bit bewildered when being interviewed after the race. Certainly, he was happy to have won a Belmont, but his excitement seemed muted. He’s too smart to have said so, but you can be pretty darn certain he didn’t see this one coming, Sir Winston beating War of Will or War of Will finishing ninth.
Finley cont.
It seems like 38 weeks ago and not that 38 days ago that Kentucky Derby favorite Omaha Beach (War Front) was withdrawn from the Derby with an entrapped epiglottis. Maybe we should have figured out that this was some sort of bad omen, but the cast of 3-year-olds eyeing the Triple Crown races still looked like a bunch capable of putting on a good show.

Bob Baffert had his usual embarrassment of riches in GI Santa Anita Derby winner Roadster (Quality Road), 2-year-old champion Game Winner (Candy Ride {Arg}) and Grade I winner Improbable (City Zip). After winning last year’s Triple Crown, Baffert didn’t so much as hit the board in any of this year’s three races. Tacitus (Tapit), the winner of the GII Wood Memorial and GII Fountain of Youth winner Code of Honor (Noble Mission {GB}), were both trained by Hall of Famers and also looked like they had the talent to go far.

So who wins the Kentucky Derby? It was Country House (Lookin at Lucky), who was 65-1 and the second-longest priced winner in the history of the race. Yet, owners Gary and Mary West still think they own the real Kentucky Derby winner in Maximum Security (New Year’s Day). A horse whose connections either had so little regard for or totally misread his ability, he broke his maiden for $16,000, but turned out to be a very good horse and won the GI Florida Derby for trainer Jason Servis. You know the rest of the story...crosses the wire first in the Derby, the bumping, the disqualification, the lawsuit, West offering a $5-million side bet to any of the owners involved in the Derby controversy if they would accept a race within a race wager that their horse couldn’t beat Maximum Security. Maximum Security needed time after the Derby and we may not see him again until the GI Haskell Invitational July 20 at Monmouth Park. Country House wasn’t able to make Round Two either as he came down with a virus. Not one of the first four horses that crossed the wire in the Derby returned for the Preakness. That was fine by Casse and owner Gary Barber, whose War of Will showed his toughness to win and showed that he might just have won the Derby if he hadn’t gotten mugged. Yet, the biggest headlines went to Bodexpress (Bodemeister) because he threw John Velazquez at the start and then ran merrily around the track without a jockey on his back.

Fast forward to the Belmont. As so often happens, the crop of Triple Crown campaigners was down to bare bones. War of Will, the only horse to run in all three Triple Crown races, and Tacitus looked like the two best horses on paper. Some thought Todd Pletcher could pull a rabbit out of his hat with either Spinoff (Hard Spun) or Intrepid Heart (Tapit) and Sir Winston had sandwiched some good races into between poor ones. It was hard to be inspired by anyone else in the field.

The star of the show was as much jockey Joel Rosario as it was Sir Winston. The same jockey who had Game Winner so wide on the far turn in the Kentucky Derby that he knocked over a mint julep resting on the lap of a patron in the first row, he rode a superb race. He saved every inch of ground on both turns before slipping into the three path after the field turned into the stretch. Meanwhile, Gaffalione had War of Will at least three or four paths wide for much of the trip before tipping out into the five path nearning the end of the far turn. On Tacitus, Jose Ortiz took the same overland route.

Sir Winston won by a length. Had Ortiz saved any ground, he easily could have won the race.

So, who is the sport’s best 3-year-old male? The answer is probably Maximum Security, but who can really say, at least until we get through the Haskell, the GI Travers S. and the GI Pennsylvania Derby? Hopefully, someone will step forward and clean up this mess.

Mitole (white silks) fends off McKinzie (red/yellow) and Thunder Snow (blue) | Sarah Andrew

Met Mile cont.

With G2 Godolphin Mile hero Coal Front (Stay Thirsty) somewhat surprisingly ridden to the lead from his rail draw, Mitole employed his ample early zip to latch on to that foe’s flank through an opening quarter of :22.17. He poked a nose in front in the vicinity of a :44.38 half, but still had Coal Front fighting on inside of him and the usually in front Promises Fulfilled (Shackleford) being scrubbed on three deep. Thunder Snow, meanwhile, looked loaded as he waited for a seam from the pocket, and McKinzie was revving up for his run further out. Mitole shook off his pace foes leaving the quarter pole, but by midstretch, Thunder Snow had gotten out from underneath Promises Fulfilled and McKinzie had finally found a clear path inside after getting completely bottled up behind the eventual third-place finisher. Mitole and Santana had left the fence open, but it didn’t matter as neither pursuer had quite enough kick or enough time to run him down.

"We had a little traffic trouble and if he could have gone right [outside] instead of left, that would have been the way to go," said Jimmy Barnes, assistant to McKinzie’s trainer Bob Baffert. "It’s up to Mike [Smith] to make the right decisions. The horse showed up and he ran well. Credit to Steve Asmussen. His horse ran lights out, and ours did too."

Hall of Famer Smith added, "It was a very unlucky trip. Very unlucky."

Mitole broke through by an emphatic 10 lengths at third asking last February at Oaklawn, but settled for second as a heavy favorite after finding some trouble in the sloppy-track Gazebo S. three weeks later. Since then, he’s done nothing but take trips to the winner’s circle. After bouncing back with a seven-length optional claiming event in Hot Springs in March, he was equally dominant in that venue’s Bachelor S. in April and in the Chick Lang S. on a wet GI Preakness S. undercard in May. Met Mile cont.
Given time after that due to a splint bone injury, he picked up right where he left off at Oaklawn Mar. 2, and made the grade in the GIII Count Fleet Sprint H. in Arkansas Mar. 2 before pressing and pulling away to a 3 1/2-length tally in the seven-panel GI Churchill Downs S. on GI Kentucky Derby day. That was his only prior effort at anything but a six-furlong trip.

“This win with this horse is so special,” said Asmussen, who saddled Bee Jersey (Jersey Town) to victory here 12 months ago. “I'm thrilled for the Heiligbrodts, who have so much to do with the success that we have. Winning back-to-back editions of the Met Mile, I can't even put into words what this means. Today is what we had targeted. We know what this race meant; what a tremendous field it had. For him to come out on top against this field today under the pressure that he had, he proved what we believed in him the whole time. We're just so fortunate to be associated with this horse.”

He added, “I believe this race is the showcase we want it to be. You know how I felt about the horse last year and then with that little splint issue he got off track. For the Heiligbrodts to wait it out, and to now be in this position, standing here with him where we are today, is very gratifying."

The Heiligbrodts, who took a hiatus from racing and dispersed their stock in 2011, have returned with a vengeance. They also co-campaign the likes of last month’s GI Humana Distaff S. heroine Mia Mischief (Into Mischief).

With his victory Saturday, Mitole earned an automatic spot in the starting gate for the GI Breeders’ Cup Dirt Mile, but future plans were still in the air after Saturday’s score.

"We weren’t looking past today,” Asmussen said. “Today was our target, and for this horse to put it all together the way that he has so far this year, is what we will enjoy. We will enjoy this victory and go back to Churchill for a couple of weeks and then regroup, and then go on from there." Cont. p11
Midnight Bisou wins the $700,000 Ogden Phipps Stakes (G1)

Divisional Leader Midnight Bisou, undefeated in 2019, captures her 4th Grade 1 win with a Dominant Victory on Belmont Day in the Ogden Phipps Stakes (G1), with ears pricked.

Congratulations to Midnight Bisou’s connections: Owners Bloom Racing Stable LLC, Madaket Stables LLC and Allen Racing LLC, Breeder Woodford Thoroughbreds, and Trainer Steven Asmussen.
Congratulations to World of Trouble’s connections: Breeder Darsan Inc. (FL), Owners Michael Dubb, Madaket Stables LLC, and Bethlehem Stables LLC, and Trainer Jason Servis.

The ultra-versatile millionaire World of Trouble, on the heels of a Grade 1 win on dirt, adds a Grade 1 victory on turf in the Jaipur run in 1:06 and a tick. Undefeated in four starts this year, the brilliant son of Kantharos boasts a record of 9 wins, 2 seconds and a third from 13 starts.
Pedigree Notes:
Mitole is one of two Grade I winners for his sire along with Mor Spirit, who dropped jaws when he took this race by 6 1/4 lengths in 2017. The late Edward Cox, Jr., bred and raced Mitole’s dam Indian Miss, who never found the winner’s circle. The bay colt is her second foal and she has since produced the unraced 3-year-old Tipperary Jack (Violence), a juvenile filly by Creative Cause and a yearling filly by Oxbow. WinStar purchased the half-sister to GSW Live Lively (Medaglia d’Oro) for $240,000 carrying a foal by Into Mischief at the 2018 Keeneland November Sale as part of the Cox dispersal. Indian Miss foaled a filly May 26. For more, see Mitole: A Memento to Ed Cox.

The Manhattan marked the fifth straight decision for Bricks and Mortar since returning from a 14-month hiatus. In addition to those aforementioned two Grade I victories this season, the streak also includes a narrow decision in the GII Muniz Memorial H. at Fair Grounds Mar. 23.

“He ran great, he was carrying a lot of weight,” Brown said. “Irad [Ortiz, Jr.] gave him a beautiful trip. Once again, he exploded in the stretch. This horse, it just amazes me how consistently he is finishing on the turf. He’s getting good trips, he’s kicking at all different distances. [He’s a] very rare horse.”

The Manhattan put an exclamation point on a spectacular Belmont Stakes Festival for Brown, who also captured Thursday’s GIII Wonder Again S. with Cambier Parc and the GIII Intercontinental S. with Significant Form; Friday’s GII Bed o’ Roses S. with Separationofpowers and the GII New York S. with Homerique; and Saturday’s GI Longines Just a Game S. with Rushing Fall and GI Acorn S. with Guarana.

"My staff does all the work," Brown said. "I’m giving the interview, but it’s remarkable the work they put in. This is what it is all about, getting to the big weekends. And I appreciate NYRA putting on such a great weekend."

GUARANA MUCH THE BEST IN ACORN

by Christie DeBernardis

ELMONT, NY - 'TDN Rising Star' Guarana (Ghostzapper) proved her ultra-impressive debut victory was no fluke with a dominant score in Belmont's GI Acorn S. A dazzling 14 3/4-length winner in her Keeneland unveiling Apr. 19, she was favored at 9-5 over GI Kentucky Oaks winner Serengeti Empress (Alternation) in this big step up in class. Sitting in a three-wide fourth early as the Oaks victress blazed through an opening quarter in :21.89, the bay was tucked in a bit, sitting just off the rail in third as Serengeti Empress continued her sizzling pace, putting up a half in :43.99. Biding her time on the backstretch run, Guarana tipped out to tackle the leader turning for home. The top two betting choices dueled for a few strides, but Guarana easily dispatched her more seasoned rival in the final furlong, powering clear to a six-length victory in a new track record of 1:33.58. Serengeti Empress held second over Jeltrin (Tapizar).

“She reminds me a lot of her father [Ghostzapper], so it's extra special to me having worked so closely with Ghostzapper and learning under Bobby [Frankel],” said winning trainer Chad Brown. “To have his daughter, who is equally as brilliant, hopefully, under our care is an incredible feeling. I'm a very lucky guy.”

He continued, "I felt really good because I thought there would be a strong pace. I just wanted her to break cleanly and be near the front. I didn't feel like she needed to be on the front. Honestly, I was surprised she was on the front in her race at Keeneland. I expected her to win, but she never had blazing speed in the morning. I thought she would rate in that race. She's always trained kind. I wasn't concerned about her rating at all."
Acorn cont.

Winning rider Jose Ortiz, who took off Serengeti Empress to ride the winner, said, “She broke great. I thought the moment she broke she could make the lead, but then I saw that the 1 [Serengeti Empress] and 3 [Cookie Dough] went on and I was able to drop in behind them. It was the first time she dropped behind. Her first race she went wire to wire, but she’s very classy. All I can say is wow!”

Guarana is the second foal and second winner out of Phipps homebred Magical World, who is a daughter of Gl Breeders' Cup distaff winner Pleasant Home. Her year-younger half-sister Magic Dance (More Than Ready) just earned ‘TDN Rising Star’ status Friday for a good-looking debut win for Three Chimneys Farm and trainer Steve Asmussen at Churchill Downs. Magical World’s most recent produce is a yearling colt by Pioneerof the Nile born May 5 of last year. This is also the family of champion Sky Beauty (Blushing Groom {Fr}); MGISWs Point of Entry (Dynaformer), Pine Island (Arch) and Tale of Ekati (Tale of the Cat); and MGSW Country Hideaway (Seeking the Gold). Guarana is the 36th graded winner and 69th black-type winner for her sire Ghostzapper.

Rushing Fall | Sarah Andrew

by Steve Sherack

ELMONT, NY - ‘TDN Rising Star’ Rushing Fall (More Than Ready), just a neck shy of being undefeated, collected her fourth Grade I trophy in style with a runaway, front-running tally in the GI Longines Just a Game S. at Belmont Park Saturday.

Beau Recall (Ire) (Sir Prancealot {Ire}) finished like a rocket from far back to complete the exacta, 2 1/4 lengths adrift the winner. It was another head back to Daddy Is a Legend (Scat Daddy) in third.

The e Five Racing colorbearer, favored at 3-5, broke on top and it was pretty much all over from there. She coasted on the lead through fractions of :23.91 and :47.21 and was confronted by Daddy Is a Legend at the top of the stretch. Rushing Fall had plenty left in the tank, however, and rebroke in the lane beneath Javier Castellano to win for fun.

"Brilliant performance, probably her best to date," winning trainer Chad Brown said. “She's nearly unbeaten. One of the greatest turf mares I've trained, for sure. She's earned that. When Daddy Is a Legend tackled her on the turn, I was concerned there for a moment because I knew it would be a real battle. I have a lot of respect for that horse. Thankfully, Rushing Fall showed her best stuff today and was able to fend her off and kick clear. I don't use the word brilliant too often, but it was a really brilliant performance." Cont. p17

   Rushing Fall, already one of 24 Grade I winners for leading sire More Than Ready, was picked up by bloodstock agent and e Five Racing advisor Mike Ryan for $320,000 as a FTSAUG yearling. A half-sister to the good SW & MGSP distaff dirt sprinter Milam (Street Sense), Rushing Fall is a maternal granddaughter of GSP Marie J, the dam of GSP Sisti’s Pride (Forestry). Rushing Fall’s MSW third dam produced SP Bright Feather (Fappiano), whose son Albert the Great (Go For Gin) won the GI Jockey Club Gold Cup. Autumnal is the dam of the unraced 3-year-old filly Queen Eli (Candy Ride {Arg}) but has not produced a live foal since. PHIPPS VICTORY SEALED WITH A KISS

by Steve Sherack

ELMONT, NY - Apparently Midnight Bisou (Midnight Lute) didn’t get the memo about Belmont Park’s perceived inside, speed bias this weekend.

The popular dark bay, owned in partnership by Bloom Racing Stable, Madaket Stables and Allen Racing, exploded down the lane to post a breathtaking come-from-behind 3 1/2-length victory in Saturday’s GI Ogden Phipps S., a ‘Win and You’re In’ for the GI Breeders’ Cup Distaff. Midnight Bisou is unbeaten in eight career attempts at 1 1/16 miles.

Come Dancing (Malibu Moon), favored at 4-5 off the heels of a pair of runaway wins in her last two, including the GIII Distaff H. with a gaudy 114 Beyer Speed Figure and the local GII Ruffian S. in the slop May 5, was second after setting the pace. It was another 3/4 of a length back to longshot Mopotism (Uncle Mo) in third.

"She makes you so proud," winning trainer Steve Asmussen said. "She changes people’s lives. She’s just a special horse and I’m proud to be associated with her. I believe she’s added to how great she is with consistency. She’s expecting to win, and I think the results speak for themselves.

Asmussen continued, "She will go back to Churchill immediately after this. The amount of time we’ve had her there, she’ll most likely have a breeze or two at Churchill before deciding on her next race."

Midnight Bisou, off as the 8-5 second choice, tracked on the inside in fourth in the compact field of five as Come Dancing, who stumbled at the break, led comfortably through fractions of :23.39 and :45.96. Racing under confident handling by Mike Smith on the rail approaching the quarter pole, Midnight Bisou was tipped out to take on the pacesetter at the top of the lane, and, with a quick shake of the reins, turned on the jets in the stretch to win as much-the-best while stopping the timer in a very sharp final clocking.

Midnight Bisou has three other top-level wins on her resume, including last term’s GI Santa Anita Oaks and GI Cotillion S. at Parx via disqualification. She captured her previous first three starts of her 4-year-old campaign, headed by a nose victory over Escape Clause (Going Commando) in the GI Apple Blossom H. at Oaklawn last time Apr. 14. The 2018 GI Breeders’ Cup Distaff third-place finisher romped by six lengths in her lone previous attempt at Belmont Park in last June’s GI Mother Goose S.

“She just seems to be getting better with age, and she just loves it here at Belmont,” Smith said. “I don’t know what it is, but Big Sandy seems to bring out the best in her. She broke good, in the bridle. And she stayed parked inside waiting for a chance to let it run. I thought the filly in front would be good enough to put some space between us, so I can get out when I wanted to, and that’s what happened. She’s a really nice filly."

Diva Delite has a 2-year-old colt by Warrior’s Reward, just a $1,500 purchase by Dalton Lawrence at this year’s OBS April Sale, and a yearling filly by Wicked Strong. Her now 3-year-old Stage Left (Congrats) was third in last year’s Sapling S.
LONGSHOT HUSTLES HOME IN THE WOODY STEPHENS

by Brian DiDonato

On the board in a trio of stakes this season, including a well-beaten second in the GIII Pat Day Mile on GI Kentucky Derby day last out May 4, Something Special Racing's Hog Creek Hustle (Overanalyze) picked a good time to break through as he led a parade of longshots in Saturday's GI Woody Stephens S. The 18-1 shot broke sharply, but dropped back to his customary off-the-pace spot with only Nitrous (Tapit) further behind.

Steadied ever so slightly off of heels heading down the backside and along the fence, he came off the inside and began picking off horses along the bend behind a snappy :44.53 half over a very speedy surface. Hog Creek Hustle shifted in sharply while switching leads in upper stretch, prompting Mind Control (Stay Thirsty) to get squeezed out from between he and Much Better (Pioneerof the Nile), but he leveled off from there to seize the lead late and hold off the fast-finishing Nitrous (Tapit) by a neck.

Borracho (Uncle Mo) also rallied at 15-1 for third, while pacesetting Strike Silver (Violence) held on for fourth to round out a $34,454.50 superfecta for a buck.

An inquiry was conducted into the move Hog Creek Hustle made at the top of the lane, but no change was made--it appeared that Mind Control was out of run when the incident occurred.

"I was worried about [the inquiry], especially watching the replay. I know he bothered [Mind Control] a little bit, but the fact he was done helped our cause. If that horse kept running and had gotten a better position, I think they would have disqualified us."

One of a trio of impressive debut-winning 2-year-olds trainer Vickie Foley unveiled at Ellis Park last summer, Hog Creek Hustle failed to lift a hoof when stretched out for Churchill's GII Iroquois S. in September. He bounced back off a brief freshening to annex a key Churchill optional claimer going this distance Nov. 10, but settled for third after a slow start and wide journey in the Sugar Bowl S. at Fair Grounds Dec. 22. He rallied for second at 13-1 behind War of Will (War Front) in the GII Lecomte S. Jan. 19, and was fourth behind that one and GI Kentucky Derby winner Country House (Lookin At Lucky) in the GII Risen Star S. there Feb. 16. Eighth in the GII Louisiana Derby Mar. 23, he proved one-turn racing was his game when shortened up a furlong for the Pat Day Mile.

"I was nervous during the inquiry," Foley admitted. "We're from Kentucky and came to the Big Apple, so I was a little nervous. It went our way and I think [the stewards] did the right thing. This is my first Grade I win, and what a thrill. He was tough in the paddock, which he always is, and then with the inquiry, it was stressful. But I knew there would be blistering speed in this race, and I knew that's what we needed. We were going for and hoping for the speed to come back to us. That's why we thought we'd be perfect in this race and why we came. Corey gave him a good ride, too."

ELMONT, NY - World of Trouble (Kantharos) proved too good
for his foes in Belmont's newly upgraded GI Jaipur Invitational S.
Saturday, taking them from gate-to-wire for a gutsy score.
Gunining straight to the lead as always, the 2-5 chalk zipped
through an opening quarter in:21.99 and a half in :43.85 with
Belvoir Bay (GB) (Equiano {Fr}) tracking from second. Belvoir
Bay and Om (Munnings) tried to challenge in early stretch, but
World of Trouble had plenty left in the tank, easily drawing clear
of those foes to register a 1 3/4-length score. Om got up for
second and record-setting past Jaipur winner Disco Partner
(Disco Rico) completed the trifecta.

"Man, what a horse," trainer Jason Servis said. "I have to tell
you, for some reason I missed the [fractions]. I was watching
him in the binoculars. I was a little bit relieved that [Belvoir Bay]
didn't press him. I got a little worried at the eighth pole and then
it looked like he was going to be okay. I think he runs a little
scared like 'I gotta go, I gotta go' but he's a special horse. I'm
looking forward to training some of his offspring. If I had a mare,
I think I'd want to breed to him with that speed."

"No one can do what Jason has done, he's really brought this
horse along incredibly," said owner Michael Dubb. "He picks his
spots and hasn't taken him to the mat every race. He just has
spaced his races and done everything the right way. I'm really in
awe of the job he's done."

Privately purchased by Kim Valerio on behalf of Michael Dubb
after his second start, World of Trouble dominated the Pasco S.
on dirt last term in his first start fo Servis. Off the board in the
GI Tampa Bay Derby and GI Woody Stephens S. last term, he
reeled off wins in the Quick Call S. and Allied Forces S. on the

Starting off this season on the right foot with a win in a sloppy off-the-turf renewal of the Gulfstream Park Turf Sprint S. Jan. 26, the bay scored his first top-level success back on dirt in Aqueduct’s GI Carter H. Apr. 6 and captured the GII Twin Spires Turf Sprint on Derby weekend May 3.

Marconi went straight to the front and never looked back, wiring the GII Brooklyn Invitational S. in the Belmont day finale. Seizing the early advantage, the $2-million KEESEP buy was perfectly ridden by Jose Lezcano, rated nicely through early splits of :25.16, :50.87 and 1:16.17. Showing the way into the lane, the gray kept on finding to hold Rocketry at bay at the line.

Third in last term’s GIII Withers S. after a ‘TDN Rising Star’-worthy debut, Marconi was off the board in both the GII Fountain of Youth S. and GII Toyota Blue Grass S. last spring. Shelved for 10 months following that effort, he was fourth in a Gulfstream optional claimer Feb. 6 and rebounded with a pair of wins in the Mar. 29 Skip Away S. at Gulfstream and the May 9 Flat Out S. at Belmont.

“It seems like he’s really found his niche,” said winning trainer Todd Pletcher. “He’s gradually improving and been a lot more consistent in not only his races, but also training. I was happy to see him continue moving forward

“The plan wasn’t to be on the front but we wanted him to be in the race. Especially from the one-hole, I didn’t want him to be shuffled back and over complicate things for him. Once Jose was able to establish that spot, the fractions were very reasonable. He kept finding a way to get it done.

"From here, we’ll consider going a mile and a quarter in the [GII] Suburban [July 6]. A prestigious race like that would mean a lot for him."

Pedigree Notes:

Marconi is a half-brother to GI Breeders’ Cup Classic hero and multi-millionaire Mucho Macho Man, who now stands at Adena Springs. The winner’s half-sister, ‘TDN Rising Star’ Southern Girl, summoned $775,000 from Rick Porter’s Fox Hill Farm as a KEESEP yearling and sold to Bridlewood Farm for $820,000 at the conclusion of her career at the 2016 Fasig-Tipton November Sale. Their dam Ponche de Leona RNA’d for $1.4 million at the 2012 Fasig-Tipton November Sale, but sold to Brushwood Stable for $775,000 at the 2014 Keeneland January Sale. She has a juvenile colt named American Citizen (American Pharoah) and her 2018 Tapit filly passed away.

Mom’s On Strike, making her first start since last year’s Breeders’ Cup, grabbed the lead in deep stretch and held off late challenges from Smart Shot and Limari to win the GIII Mint Julep S. at Churchill Downs Saturday. The 6-year-old mare sat within striking distance while racing along the rail behind pedestrian splits. She was tipped out three wide at the top of the stretch, but drifted further out before being straightened by Adam Beschizza and closing strongly to earn the second graded victory over her career.

“All the credit goes to owners Carl Moore and Brad Grady,” said winning trainer Joe Sharp. “They allowed us to be patient with this mare and give her the time off that she needed. After the layoff, she came back as a stronger mare and this is going to set her up for a really fun campaign.”

Mom’s On Strike, a three-time winner over the Fair Grounds turf in the winter of 2018, added the 12-furlong GII Bewitch S. at Keeneland last April. Fourth in the June 8 GII New York S., the bay mare was runner-up in the off-turf Waya S. at Aug. 12 Saratoga and again in the Ramsey Farm S. at Kentucky Downs Sept. 13 and was making her first start since finishing eighth in the Nov. 3 GI Breeders’ Cup F/M Turf.

**Pedigree Notes:**
Breeder Courtney Meagher purchased Mom’s Deputy, in foal to Aragorn (Ire), for $16,500 at the 2010 OBS October sale. Her daughter by He’s Had Enough sold for $27,000 at the 2017 OBS October Yearling Sale. Without foals in 2017 and 2018, the 14-year-old mare produced a filly by Bernardini this year.

Brad and Misty Grady, co-owners of Mom’s on Strike, purchased the 6-year-old’s half-sister Mom’s a Cougar (Kantharos), in foal to Gone Astray, for $20,000 at this year’s OBS January sale.

Mom’s on Strike’s third dam Love From Mom produced graded winner Sea of Secrets (Storm Cat) and Love That Jazz (Dixieland Band), dam of multiple Grade I winner Society Selection (Coronado’s Quest).

**PAIR SHARE QUARTER-MILE BULLET AT OBS SATURDAY**

by Jessica Martini

Stormy conditions delayed the start of Saturday’s fourth session of the under-tack preview of the Ocala Breeders’ Sales Company’s June Sale of 2-Year-Olds in Training, but once the skies cleared in Central Florida, the show resumed with four horses sharing the furlong bullet time of :9 4/5 and a pair of juveniles working the co-bullet quarter-mile in :20 3/5.

A son of Dialed In (hip 701) worked the quarter-mile in :20 3/5, equaling the fastest time of the week at the distance. Consigned by Parrish Farms, the dark bay is out of Pure Refinement (In Excess {Ire}), a half-sister to Grade I winner Pure as Gold (Stolen Gold).

“IT was a good work, he’s a nice horse,” G.W. Parrish said of hip 701. “He had prepped well and I felt sure he’d go fast.”

Parrish purchased the colt for $40,000 at last year’s Keeneland September sale.

“I liked his conformation and I liked that he was by Dialed In,” Parrish said of the youngster’s appeal. “He was a well-built, sturdy horse.”

Parrish has already had luck selling offspring of Dialed In.

“This is my third one,” he said. “I had two fillies and they both sold well. I had a filly named Phone Chick and one named Oozle and they ran pretty well.”

Parrish Farms sold Oozle for $190,000 at the 2017 OBS April sale and Phone Chick--a $12,000 RNA at the 2014 Midlantic December sale--for $125,000 at the 2016 Fasig-Tipton Midlantic sale.

Of the weather which delayed the start of Saturday’s session for about an hour, Parrish said, “It was raining and there was thunder and lightning early--it was a mess. We thought they were going to cancel it and luckily they didn’t because it turned out to be a nice day.” Cont. p26
OBS cont.

A colt from the first crop of multiple graded stakes winner Race Day (Tapit) (hip 706) also worked the quarter-mile in :20 3/5 Saturday. The juvenile is out of Queen Brianna (Unbridled’s Song), a full-sister to multiple graded stakes winner Rockport Harbor. Purchased by Green River Farms for $25,000 at last year’s OBS Winter Sale, he is consigned to the June sale by Hawks Nest LLC.

Four horses worked the :9 4/5 furlong bullet Saturday, bringing the total to hit that mark for the week to nine.

De Meric Sales sent out hip 653, a filly by Ghostzapper, to work the furlong in :9 4/5. The bay is out of graded stakes winner Palanka City (Carson City) and was purchased by de Meric Stables for $190,000 at last year’s Keeneland September sale.

A filly by Malibu Moon (hip 780) turned in a :9 4/5 work for Michael Caraman’s Race Ready Sales. Named Scoot the Moon, the dark bay is out of stakes-placed Scooter Bird (War Pass), a half-sister to graded placed Daring Reality (Include). Caraman purchased the filly for $65,000 on behalf of M.H. Walker at last year’s Keeneland September sale. She RNA’d for $145,000 after working a furlong in :10 1/5 at the OBS March sale.

Hip 795, a colt by Sky Mesa, also worked the furlong in :9 4/5. Consigned by Golden Rock Thoroughbreds and named El Guaya, the bay is out of stakes placed Serious Vow (Broken Vow) and is a full-brother to stakes placed Rowdy Dylan. He was bred by H & E Ranch and RNA’d for $10,000 at last year’s Fasig-Tipton July sale.

A colt from the first crop of graded winner Chitu (Henny Hughes) (hip 859) also turned in a :9 4/5 furlong work Saturday. Consigned by Vargas Sales and named Centaur’s Image, the bay is out of St Ballado’s Lady (Pleasantly Perfect) and was bred in Florida by Saul Rosas.

A son of More Than Ready (hip 657) turned in the week’s fastest three-furlong work, covering the distance in :32 3/5 Saturday. Out of Passionate Diva (Street Cry {Ire}), a daughter of multiple graded winner Roshani (Fantastic Light), the dark bay colt is consigned by C & J Stable. He was purchased by Carlos Rivers for $10,000 at last year’s Fasig-Tipton Kentucky October Yearling Sale.

The fifth and final session of the under-tack preview starts Sunday morning at 7:30 a.m. The sale will be held Wednesday through Friday with bidding beginning each day at 10 a.m.

Desert Ride, tabbed a 'TDN Rising Star' after her debut win at Fair Grounds in January, earned her first black-type victory with a hard-fought score in the Woodbine Oaks Saturday. The bay filly tarried at the back of the pack as Intanga Rose (Animal Kingdom) took the field through fractions of :23.48 and :48.01. Niggled at for more turning for home, Desert Ride began inching forward as Speedy Soul assumed the lead after three-quarters in 1:12.55. Still well back as Bold Script grabbed command inside the final furlong, Desert Ride uncorked a powerful late kick down the center of the track to just nip that rival on the line.

It was that same stunning turn of foot that carried Desert Ride from last to her debut win over the turf in New Orleans Jan. 17. She was second over that course Feb. 14 and returned to the winner’s circle with a late-running tally going one mile over the Keeneland lawn Apr. 18. She was stretching out and trying the synthetic surface for the first time, without benefit of a drill over the Woodbine surface.

“A fantastic filly from a fantastic family and we’re just so happy to be back up here again,” said Rick Balaz, president and general manager of Sam-Son Farm. “It’s been a little while for us and it’s pretty exciting. We’ll see where we go next with her, but hopefully she’s got a great future.”

The winning connections were playing a possible start in the Queen’s Plate fairly close to the vest.

“If I’m taking a line from the Raptors, you play it one game at a time and we just got this one on the scoreboard and we’ll see how she comes out of it and then we’ll have a conversation as we always do about what to do next,” said Sam-Son Farm’s CEO, Mark Samuel. “But we’re very excited by her and we love our good fillies.”

Desert Ride’s dam Fun in the Desert is a daughter of Canadian champion 3-year-old filly Eye of the Sphynx and a half-sister to champion Eye of the Leopard (A.P. Indy) and multiple graded stakes winner Deceptive Vision (A.P. Indy). Fun in the Desert produced a colt by Candy Ride (Arg) in 2018. ---

The progressive Majid negotiated the jump into stakes company with aplomb, leading past every pole to make Saturday's Easy Goer S. his fourth consecutive victory.

Hustled away from gate five by Luis Saez, Majid dropped down onto what has been a golden rail and got an opening couple of furlongs in :23.70 while chased by Alwaysmining. Galloping along evenly through the middle stages, Majid turned them in with a clear advantage and although he never switched over onto his correct lead until the eighth pole, managed to hold sway to the line. Still Dreaming rallied inside and crossed the line second, but was deemed to have come out and bothered Alwaysmining in the waning strides. Stewards ruled there was enough interference to merit the disqualification of Still Dreaming to fourth.

---

Unplaced and well beaten in a single appearance each for Todd Pletcher and Brad Cox, Majid defeated $30,000 maidens at Aqueduct Jan. 27 in his first start for the Rudy Rodriguez barn. The bay had upset his last two going a one-turn mile, first at 27-1 at Laurel Mar. 24 and then at 13-1 at this venue May 10.

The seventh stakes winner for his sire, Majid was sold in utero for $20,000 at the 2015 Keeneland November sale. He repaid that bill and then some when hammering for $210,000 at Keeneland September two years later and fetched $295,000 at last year's Fasig-Tipton Gulfstream sale.

Pay For Peace sat a trip better than midfield and came with a sustained stretch rally to cause an upset in Saturday’s Plate Trial S. to secure a spot in the main event in three weeks’ time.

Settled along the inside and just behind the early pace set by Federal Law, Pay For Peace raced in a share of third at midway before taking up that spot alone nearing the entrance to the second turn. Advancing steadily around the bend, Pay For Peace was pulled out into the three path at the top of the lane, took over from Federal Law a sixteenth of a mile from home and edged clear.

Perfect in three previous starts over the local synthetic surface, including a last-out success in the Star Shoot S. Apr. 21, Sister Peacock won for the first time in a trio of turf tries, taking Saturday's William D. Graham Memorial S. with a minimum of fuss.

The post-time favorite veered out at the break, but nevertheless showed speed enough to attend the pace three wide into the turn. Allowed to creep toward the front three furlongs out, she was held together while striking to the lead at the quarter pole, immediately put three lengths on her rivals when cut loose a short time later and won with something in reserve.

A $9,000 bargain purchase out of the 2017 Keeneland September sale, Sister Peacock is out of a half-sister to the Cecil Peacock-owned MGISW Brother Derek (Benchmark) and his MSW & GSP full-brother Don'tsellmeshort and MSW full-sister Sister Kate. Tracing from the same family as Saturday's spectacular GI Acorn S. winner Guarana (Ghostzapper), Goldwood added another stakes score to the family with a facile victory in the Unbridled Elaine S. The dark bay mare broke on top as the 1-2 choice and went straight to the lead. She never relinquished the top spot, cutting the corner on the turn and quickly putting daylight on the field.

Last seen when winning the May 18 Politely S. over this course, Goldwood also placed in Gulfstream’s Mar. 9 Captiva Island S. since being transferred from trainer Alan Goldberg late last year. All of Goldwood’s six career wins have come at five or 5 1/2 furlongs on the turf. She notched an additional blacktype placing in the Turf Amazon S. at Parx last summer in her last start for Goldberg.

Facing open company for the first time here, she sat mid-pack before weaving first inside, then out, to mow down the leader late while being pursued by Great Return (Exchange Rate), who nailed second three-quarters of a length back. Don’t Sell paid $8.80 for the win. All seven foals out of the winner’s dam are by Square Eddie, including How About Zero, MSW, $349,640. Juvenile colt Zero Down, as well as a yearling colt and filly foal are in the pipeline. Lifetime Record: 6-3-1-0, $133,760. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

8th-Laurel, $40,250, (C), Alw, 6-8, (C), 3yo/up, 1m, 1:34.07, ft. TOP LINE GROWTH (g, 3, Tapizar--Orinoquia (SW & GIS, $210,042), by Whywhywhy) impressed enough in his 9 1/2-length debut score going 8 1/2 furlongs at Laurel Apr. 22, where he registered an 84 Beyer Speed Figure, that he was wheeled back in Pimlico’s May 18 Sir Barton S. Second choice that day, he was bumped, ran a bit greenly, and faltered to make no impact. It was a different story here, with Top Line Growth breaking straight and true from the outside to settle into a stalking position at even money. He sat glued to the early pacesetter’s flank, collared him on the turn, and, although floating a bit wide, he powered home with rider Julian Pimentel sitting absolutely chilly down the stretch. The gelding crossed the wire eight lengths on top with his tongue flapping in the breeze, establishing a new track record of 1:34.07. Tappin Cat (Tritap) was second. The winner, who RNA’d for $245,000 as a Keeneland September yearling, is a half-brother to Seduire (Elusive Quality, GSW, $264,200); and Get Rhythm (Street Boss, SW, $116,236). 11th-Churchill Downs, $97,187, Msw, 6-8, 3yo/up, 6f, 1:10.49, gd. STRAIGHT SHOT (c, 3, Trappe Shot--Izarra (MGISP, $114,800), by Distorted Humor), fifth on debut at Keeneland last October, was last seen running third over this track and trip Nov. 2. The 2-1 crowd’s choice raced in a chasing pack down the backstretch. He waited for racing room at the top of the stretch and bullied his way through a narrow opening and bound clear to record a 1 1/4-length victory over the late-closing Debating (Giant’s Causeway). Izarra, whose granddam was Whitham Thoroughbreds’ champion Bayakoa (Arg), was second in the 2007 GI Oak Leaf S. and third in that year’s GI Del Mar Debutante. She is a half-sister to GI Breeders’ Cup Classic winner Fort Larned (E Dubai). The mare produced a filly by Into Mischief last year and a filly by Twirling Candy in 2019. **GOLD STANDARD** (f, 3, Medaglia d’Oro—Mi Vida {SP}, by Distorted Humor), entered for main track only, took full advantage of the sloppy underfoot conditions and ran up the score beneath the Twin Spikes Saturday afternoon. Three wide into the clubhouse turn, the $200,000 KEESEP yearling turned $1.2 million FTFMAR breezer stalked the fast fractions set by Our Bay B Ruth (Candy Ride {Arg}) into the far turn. Allowed to stride into the lead with about three-eighths of a mile to go, Gold Standard responded to a left-handed stick entering the final furlong and crossed the wire 7 1/2 lengths to the good of 19-1 Gorgeous In Rags (Union Rags). Our Bay B Ruth was six lengths further back in third. Gold Standard is bred on the cross of Medaglia d’Oro over Forty Niner-line mares responsible for the likes of Horse of the Year Rachel Alexandra, other Grade I winners Elate and New Money Honey and additional graded winners Lady Montdore and Super Espresso. Gold Standard’s second dam is SW Crystal Current (A.P. Indy), a full-sister to GSW Majestic Warrior and the dam of SP Savoy Stomp (Medaglia d’Oro), himself an $875,000 Fasig-Tipton Saratoga yearling purchase. Third dam Dream Supreme (Seeking the Gold) was a dual Grade I winner at seven furlongs. Mi Vida is the dam of a 2-year-old colt by Tapit and a yearling full-brother to Gold Standard. She was most recently bred to Tiznow. Lifetime Record: 3-1-1-1, $74,848. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

**NONE OF YOUR BIZ** (f, 2, Fed Biz—Two Punch Gal (SW, $141,583), by Two Punch) had been in steady work since mid-March and capped her tab with a strong half-mile breeze that was timed in :49 (8/64) over the local strip June 1. The 12-5 second wagering favorite was ridden along early to keep pace with favored Takes A Village (Lakerville) and poked a head in front of that rival leaving the three-eighths pole. Doing the better work of the two off the home turn, None of Your Biz asserted once and for all a furlong from home and went on to a 2 1/2-length tally. The winner has a yearling half-brother by Bluegrass Cat. Sales history: $130,000 Ylg ’18 BARSEL. Lifetime Record: 1-1-0-0, $39,000. **HALFMOON REEF** (c, 2, Half Ours—Glorious Exit, by Henny Hughes) had one previous racetrack appearance to her credit, a distant runner-up effort behind the Royal Ascot-bound ‘TDN Rising Star’ Kimari (Munnings) at Keeneland Apr. 25. Dispatched at 5-1 as first-starter Zyramid (City Zip) was crushed into 2-5 favoritism, Halfmoon Reef led after the first 50 yards, but was taken on three deep by Snell Yeah (Graydar) with Zyramid poking through between the two. Relegated to third between calls, the Louisiana-bred cut the corner nicely into the stretch, took a narrow advantage into the final eighth of a mile and stayed on gamely to score by 1 1/4 lengths. **CLAIRVOYANCE** (f, 4, Arch—Cool Ghoul, by Silver Ghost), the even-money favorite in this belated debut, settled in mid-pack early. Stopped behind foes in upper stretch, she found a seam to run in and burst to the lead to win going away by 1 3/4 lengths. Wrong Color (Gemologist) was second. The winner, a $160,000 KEENOV weanling and $450,000 FTSAUG yearling, is a half-sister to Bad Boy Rising (Freud, SP, $150,434); Dagabbit (Freud, MSW, $243,938); and to Darwin (Big Brown, GSW-Ire, G1SP-Eng, $243,772), who topped the 2012 Fasig-Tipton Florida sale when selling for $1.3 million. Glamour Gal RNA'd for $60,000 at last year's OBS April sale. Glamour Manor, in foal to Dialed In, sold to Calumet Farm for $60,000 at the 2017 Keeneland November sale. APPLEBY EYES ASCOT RETURN FOR MASAR

By Emma Berry
NEWMARKET, UK–A new Derby hero has been crowned since Masar (Ire) (New Approach {Ire}) last set foot on a racecourse when galloping to glory at Epsom, but the Godolphin star appeared in fine fettle in Newmarket on Saturday morning as he continues his comeback from injury and faces a potential return at Royal Ascot.

Watched by trainer Charlie Appleby and Godolphin's managing director Hugh Anderson, Masar completed a seven-furlong piece of work on the July Course under his regular rider Brett Doyle. They were joined by 5-year-old Secret Advisor (Fr) (Dubawi {Ire}), who was himself last seen in action when winning the Melrose H. at York last August and was partnered in the gallop by James Doyle.

"He galloped out well there," said Appleby as Masar was led around, appearing relaxed after his workout. "It was a good test for him and Brett was pleased with the way he felt so let’s hope that this time next week we’re still going forward. First and foremost it was just great to get him here."

KLASSIQUE DOMINATES THE PINNACLE

With the rain proving unrelenting at an already wet Haydock, Yvonne Jacques’s Klassique (GB) (Galileo (Ire)) made light of conditions to readily account for the Irish mare True Self (Ire) (Oscar (Ire)) in Saturday’s G3 Pinnacle S. Runner-up to the subsequent G3 Bronte Cup second Enbihaar (Ire) (Redoute’s Choice (Aus)) in the Listed Daisy Warwick S. over this 12-furlong trip at Goodwood last time on May 4, the daughter of Chachamaidee (Ire) (Footstepsinthesand (GB)) travelled easily in behind the leading pair early. Let loose with two furlongs to race, the 7-2 second favourite soon had the measure of the 8-11 market-leader True Self and drew away to score by three lengths.

William Haggas’s wife and assistant Maureen said, “They had the best of the ground, because they are on a fresh track and there was only a four-runner race before it, but she seemed to handle the ground. She is better with a bit of cut, but it’s rather exceptional today and is getting worse.”

Cont. p3
Appleby Eyes Ascot Return For Masar cont. from p1

Appleby continued, "It's been a long road but we're delighted to have him back on the racetrack for this gallop. Brett knows him inside out and I was pleased with what I saw—he travelled well into the gallop and picked up. He's never been an emphatic galloper, he gets the job done but he's never going to go and win a gallop by five lengths, that's not his style. More importantly that will sharpen him up mentally and will hopefully put him right towards a potential tilt at Royal Ascot."

A question still remains as to whether Masar will come back over the Derby distance or drop back two furlongs for the G1 Prince of Wales's S. on the Wednesday of the meeting.

Appleby added, "He's in both the Prince of Wales's and the Hardwicke and I think questions will be answered next week. Firstly, how he comes out of this and then where we are when he has his next bit of work on Wednesday, and that will likely be the deciding factor for whether he goes to the Prince of Wales's or whether we go down the Hardwicke route. We saw what he could do in the Craven—he certainly doesn't lack pace—and it doesn't bother me dropping back to a mile and a quarter. It's a stiff mile and a quarter at Ascot and they're not going to be going a gentleman's gallop, it will be a stern test."

The trainer also issued updates on several of his other stable stars ahead of Ascot and nominated last year's G1 King's Stand S. winner Blue Point (Ire) (Shamardal) as his best chance of success at the Royal meeting. He said, "It would be great to do back-to-back King's Stands with him. He's a horse we've held in high regard ever since his 2-year-old days and he has not let us down. We know he brings his A-game to Ascot—he's held the track record over five and six [furlongs] there in the past—so we're looking forward to getting him back there."

Appleby has the full range of distances covered and, along with his crack sprinter, he will be pitching the Melbourne Cup and Dubai Gold Cup winner Cross Counter (Ire) (Teofilo {Ire}) against reigning staying champion Stradivarius (Ire) (Sea The Stars {Ire}) in the Gold Cup.

"He's taking on the big guns now but he's won a Melbourne Cup so we've already had some exciting days," he said. "We've got a long season ahead and with stepping up in trip to two and a half miles for the Gold Cup, if he sees that out then that's going to be his forte for the summer, the Cup races. If he doesn't and we have to drop back to two miles then we would regroup and potentially consider another crack at the Melbourne Cup with him, but if he does see it out and he takes the Cup route through the summer, onto Goodwood and York, then Melbourne is probably unlikely as he'll be doing plenty of miles over here."

Also in the team for Ascot is Barney Roy (GB) (Excelebration {Ire}), whose poor fertility put paid to a stallion career and has seen him return to training. After a runner-up finish in the Listed Paradise S. at Ascot on his first start for Appleby on May 1, the 2017 winner of the G1 St James's Palace S. returned to the winner's circle at ParisLongchamp when winning the Listed Montretout S. under James Doyle three weeks later.
**Appleby Eyes Ascot Return For Masar cont.**

"We were delighted with his run at Longchamp, he won cosily over there and he's entitled to come forward for that," said the trainer. "It was nice for him to get his head in front before Ascot and to get his confidence up. He has come out of the race in good order and we're looking forward to him running in the Queen Anne."

Appleby also had news of William Buick, who has been out of action since May 11 with an injury relating to a fall on the way to post that day. He said, "William was in the yard this morning and watched the work. He is back in training now, but he has not given us a date when he is coming back. I've just told him, 'tell us when you are ready to come back'. When you have a world-class jockey like that you don't want him on the sidelines and you want him back."

He added, "He is slightly frustrated watching these horses work and not being able to ride them. I'm very fortunate to have James Doyle. They work well and are great friends and a great team. Will has given James all the information he can on the likes of Blue Point and Cross Counter, because James will be riding those horses at Ascot.

"Will is getting frustrated that he is on the sidelines but it is a long season ahead and while Royal Ascot is important, Will is not going to turn up not being 100%, being the professional that he is."

---

**Klassique Dominates The Pinnacle cont. from p1**

Maureen Haggas continued, "They've had three days of rain--it's bottomless. She was a tiny yearling and they were brave to buy her. She had a year out at two and when she came to us at three she was unrecognisable and has changed again this year--she's holding her condition better. There are a few races for her--there's the race at Doncaster [the Sept. 12 G2 Park Hill S.] and you could go back up in trip with her, but she's won a group race and will be a lovely mare."

---

**Pedigree Notes**

The lightly-campaigned Klassique, who was also runner-up in the 14-furlong G3 Prix Belle de Nuit at Saint-Cloud on her first attempt at black-type in October, is the first winner in this sphere for the classy dam who captured the G2 Lennox S., G3 Oak Tree S. and G3 Chartwell S. before being awarded the 2012 G1 Matron S. Her full-sister J Wonder was also successful on more than one occasion in pattern races, taking the G3 Fred Darling S. and the Oak Tree in keeping with family tradition.

IN SAFE HANDS

When it is wet on Merseyside, Safe Voyage (Ire) (Fast Company (Ire)) can be counted on to deliver and the Haydock specialist relished testing conditions to add Saturday's G3 John of Gaunt S. to his course-and-distance May 11 Listed Spring Trophy success. Also successful in the Galway festival's Ahonoora H. last August, the 5-4 favourite tracked the leading pair in third from the outset before tanking to the front passing the two-furlong pole. Set alight soon after, the bay gave generously to score by 1 3/4 lengths from Suedois (Fr) (Le Havre (Ire)) and take his track record to four-from-four.

Trainer John Quinn, who had earlier won one of Saturday’s bigger races, the Hilary Needler Trophy at Beverley, with Liberty Beach (GB) (Cable Bay (Ire)), commented, “You don’t have days like this very often, it’s just the job. He’s a nice horse, this. We thought he was the real deal as a 2-year-old, but he fractured his pelvis when he made his debut at Pontefract. That was a shame, but anyway he’s making up for lost time and he’s improved again. He’s better with a cut in the ground, but he doesn’t need it this soft. The great thing is he goes through it when so many don’t. The [30 G2] Lennox S. at Goodwood and the [Oct. 6 G1 Prix de la] Foret in France are the two races that spring to mind, now he’s won a Group 3.”

Pedigree Notes

Safe Voyage’s dam Shishangaan (Ire) (Mujadil) was twice listed-placed and is a half to two others who operated well in that company in Mister Ryan (Fr) (Acclamation (GB)) and Parker’s Way (Ire) (Pivotal (GB)).

GERMANY, ITALY HOST SUNDAY STAKES ACTION

Europe virtually goes to sleep on Sunday, but at Hoppegarten there is the G2 Diana-Trial for aspiring Classic fillies in which Gestut Park Wiedingen’s unbeaten Whispering Angel (Ger) (Soldier Hollow [GB]) holds favouritism. Successful in the G3 Preis der Winterkonigin in October, the homebred makes her return alongside the fellow Markus Klug-trained Akribie (Ger) (Reliable Man {GB}), who was second to her in that Baden-Baden contest, and Anna Pivola (Ger) (Pivotal [GB]) who was runner-up in the G3 Schwarzwald-Rennen at Cologne on Apr. 22.

If there is one to disrupt the Klug show, it is Gestut Wittekindshof’s Shining Pass (Ger) (Raven’s Pass), a relative of the 2016 G1 Preis der Diana heroine Serienholde (Ger) (Soldier Hollow [GB]) who scored over course and distance last time on May 12.

San Siro in Italy on Sunday holds the G3 Premio Carlo Vittadini for milers, and the G3 Premio Pariolo (Italian 2000 Guineas) winner Out Of Time (Ity) (Sakhee’s Secret [Ire]) is the lone 3-year-old electing to take on older runners.

MONARCH COULD BYPASS ROYAL ASCOT

Monarch of Egypt, the first runner, winner and ‘TDN Rising Star’ for American Pharoah when victorious at Naas on Apr. 13, will likely be given an entry at Royal Ascot but could bypass that meeting and instead target the G2 Railway S. at The Curragh on the Irish Derby undercard the following weekend.

"I might enter him in the [Listed] Chesham, but I’d say he won’t make it and I think he might end up going to The Curragh for the Railway," trainer Aidan O’Brien said.

A $750,000 Keeneland September yearling, Monarch of Egypt is campaigned by Peter Brant and the Coolmore partners.

QUALITY 3-YEAR-OLDS FOR GOFFS LONDON

Goffs has released the 3-year-old draft for its London Sale on June 17. The five 3-year-olds entered thus far are listed-placed Oxted (GB) (Mayson {GB}), who is entered in Royal Ascot’s G3 Jersey S.; Building Bridges (GB) (New Approach {Ire}), who broke his maiden at Navan last Saturday for Jessica Harrington; War Tiger, a 90-rated son of War Front and the G1 Moyglare Stud S. winner Quarter Moon (Ire) (Sadler’s Wells) who is entered in the King George V S.; May 25 Listed Cecil Frail S. winner Forever In Dreams (Ire) (Dream Ahead), who holds an entry in the G1 Commonwealth Cup; and dual-winning 3-year-old colt On A Session (Noble Mission).

ALL OK AFTER OSBORNE YARD FIRE

Trainer Jamie Osborne has reported all his horses and personnel to be safe following the outbreak of a fire in his yard early Saturday morning.

"It's been a difficult night," Osborne said. “The fire was in a staff house, which is surrounded by 10 stables. Thankfully nobody was hurt—we managed to get all those horses out safely, and the fire didn't get to the main stables.

"This all happened at 4 a.m., and I have no idea what caused it at this stage."
VISINARI A NEW RISING STAR AT NEWMARKET

Mark Johnston’s juveniles are not renowned for their precocity, so when one like Visinari (Fr) (Dark Angel {Ire}) pops up with an impressive debut it is always noteworthy. Sent off at 10-1 for Newmarket’s six-furlong Margaret Giffen Memorial British EBF Novice S. won 12 months ago by Calyx (GB) (Kingman {GB}), the grey was in front from the outset under Ryan Moore. Challenged by Godolphin’s Ottoman Court (GB) (Shamardal) from the two-furlong marker, he continued his momentum in relentless fashion up the rising ground to score by 3 1/2 lengths in a time that compared favourably with the card’s handicap winner Flavius Titus (GB) (Lethal Force {Ire}). There was a further 10-length margin back to the third Clareyblue (Ire) (Zebedee (GB)) and a head to the fourth-placed Daily Times (GB) (Gleneagles {Ire}), the half-sister to Newspaperofrecord (Ire) (Lope de Vega {Ire}).

Johnston’s son and assistant Charlie was pleasantly surprised by the performance. “Visinari is a tall, leggy horse who looks as if he needs more time but he kept working well at home so we decided to run him,” he told the Racing Post. “He probably wants seven furlongs and we may come back here for the July meeting.”

Visinari’s dam Visinada (Ire) (Sinndar {Ire}), whose first foal was the G3 Prix la Force runner-up Viserano (Fr) (Rock of Gibraltar {Ire}), is an Aga Khan cast-off who sold for just €28,000 at the 2011 Arqana December Sale. The second dam is the G1 Prix de Diane and G1 Prix Saint-Alary third Visionnaire (Fr) (Linamix {Fr}), whose three black-type performers were headed by the G3 Prix La Rochette winner Visionario (Ire) (Spinning World). The third dam Visor (Mr. Prospector) produced the G1 Prix de la Foret hero Varenar (Fr) (Rock of Gibraltar {Ire}), the G2 Prix Greffulhe-winning sire Visindar (GB) (Sinndar {Ire}) and the G3 Prix de Flore scorer and G1 Grand Prix de Saint-Cloud third Visorama (Ire) (Linamix {Fr}).

Maid In India is cut from the same cloth as her money-spinning dam Indian Maiden, whose eight black-type wins included the G3 Prix de Meautry and this venue's Listed Cecil Frail S. in 2005. Off the mark first time as a 3-year-old and 4-year-old, the bay repeated that feat on her sternest test yet and third try at black-type having finished fourth in the Listed Boadicea S. at...
Newmarket in October and fifth in the Listed Wentworth S. at Doncaster in November. Ruthless against the stand’s rail as Lady In France tried to wrest the advantage from her in the final furlong, the homebred made every yard to join her dam as a winner in this company for owner-breeder Con Harrington.

Maid In India’s seven foals have all won, with another who has done so at this level in the Listed Prix Servanne and Listed Prix Cor de Chasse scorer Love Spirit (GB) (Elusive City) who was also runner-up in the G3 Prix de Ris-Orangis. This is also the family of the fellow listed winners Free Roses (Ire) (Fasliyev) and Lake Volta (Ire) (Raven’s Pass), with the latter also third in the G3 Sirenia S., and further back the GI Kentucky Derby heroine and Fillies’ Triple Crown winner Chris Evert (Swoon’s Son) and Winning Colours (Caro [Ire]). Indian Maiden’s youngest progeny is an as-yet unraced 2-year-old filly by Free Eagle (Ire) named Sovereign Beauty (Ire).

Building a head of steam to swamp the long-time leader Lady Quickstep with 150 yards remaining, the 11-2 shot stayed on strongly to score by 2 1/2 lengths from Rose of Kildare (Ire) (Make Believe {GB}) with a half length further back to the promising newcomer Moon of Love (Ire) (Kodiac [GB]). The dam is a half to three black-type performers headed by La Rioja (GB) (Hellvelyn [GB]) who captured the G3 Dick Poole Fillies S. and G3 Summer S. Her yearling filly is by Mehmas (Ire). Steadied in a handy sixth after the entire field broke in line, he was nudged along to close at the quarter-mile marker and kept on strongly under a final-furlong drive to assert for a career high near the line. “He is such a consistent horse, but not the easiest of rides as he is sometimes reluctant to go through with what he is capable of in his races,” explained trainer Andrea Marcialis. “Stephane Pasquier knows him well and when it is time to press the button. He has run well at trips from six furlongs up to one mile, but I’m convinced that six is his best distance now. He’s been on the go for a while so I feel it is now time to give him a bit of a holiday. He’ll tell us when he’s ready to come back and when he does it’ll be in a group race.”

Do It Again won last year’s G1 Durban July and completed a South African big-race double in the G1 L’Ormarins Queen’s Plate on Jan. 5. He fell three-quarters of a length short of a major triple when second in the G1 Met three weeks later. He returned to the winner’s enclosure at Greyville on Saturday, and is now likely headed for a title defense of the July in about a month’s time.

FATHER AND SON MATCH
G1 ACHIEVEMENTS

By Paul Vettise

The Group 1 heroics of trainer Anthony Cummings at Eagle Farm with 2-year-old Prince Fawaz (Fastnet Rock) were later matched by the Randwick horseman’s son James, who produced Trekking (Street Cry {Ire}) for a memorable elite level double for the famous racing family.

Anthony Cummings triumphed in the G1 Magic Millions JJ Atkins Plate with his exciting colt Prince Fawaz and, not to be outdone, his son James landed a major blow of his own when Trekking claimed the G1 TAB Stradbroke.

“A Dad set the benchmark pretty high with his colt winning and on Brisbane’s feature race day to turn up here to win with Trekking is great,” James Cummings said. “This horse has just had a gun preparation.”

The success with Trekking was the result of careful planning and patience and it was pulled off with outstanding precision.

“He could have done more in Sydney in the autumn, but we held him back knowing that he’s got a real penchant for the drier tracks. Having said that, the track here is a lot different to Sydney and while I think he ran well a couple of weeks ago he only just got his confidence together on it. During the week we really wanted to see him work well and he did that. He worked in the style of a horse that was ready to fire big time.

“Is there anything in racing quite as satisfying as a plan coming off? Maybe the only thing is having a first time owner having a JJ Atkins winner, those boys were pretty pumped after the race earlier.”

Trekking settled in the body of the field and he sprinted quickly to hit the lead 200 metres from home and the 4-year-old was too good for Tyzone (Written Tycoon) and Endless Drama (Ire) (Lope De Vega {Ire}), whose stablemate The Bostonian (NZ) (Jimmy Choux {NZ}) was unplaced after blowing the start.

“The guys at Osborne Park that look after Trekking and the team in Melbourne have all done a great job,” Cummings said. “The last run the horse had as a colt we all needed skull caps and safety vests to saddle him up. It was a good call to have him gelded and his performances since on dry tracks have been unbelievable. It’s been a massive team effort to keep his mind fresh and to keep his body together. We showed great patience and you see that the way we have programmed him.”

It has been a fabulous 2018-19 for the Godolphin stable under Cummings supervision.

“The boys are going to take great delight in a Stradbroke win for Trekking,” he said. “That’s the eighth Group 1 for the season, it’s been a dream ride,” he said. “I can’t reiterate enough how enjoyable it is to achieve these sorts of targets and achieve a slam dunk with the enjoyable team we’ve got around us.”

But Cummings isn’t one to rest on his laurels and is already looking to more success in Queensland.

“We’re not finished yet. We can almost look back on what’s been a wonderful Brisbane carnival and a great season for Godolphin.”

McEvoy the master

 Integral to the success has been long-time jockey Kerrin McEvoy, who produced yet another highly professional display aboard Trekking.

“It’s a dream come true to do this again in the Godolphin blue and what a little star Trekking is,” he said. “He’s a fantastic little racehorse and back to handicap conditions suited him. Well done to James and the team.”

A modest McEvoy deflected praise for the ride he gave Trekking to the horse.

“He did it all for me. He jumped out and the race worked out lovely and they carved along out wide and I got a spot in the middle and on the bridle without doing much work.
“We hit the front at the furlong I thought I’m here to be run down and he hasn’t won at 1400 metres. But fair play to the horse, he rounded off really well and I couldn’t be happier.”

McEvoy said Trekking was a straightforward ride and the horse was always a willing and brave partner.

“I’d imagine he’d be a dream to train, he’s a dream to ride. He loves racing and always gives 100%. From a jockey’s point of view, it’s a great feeling when they give you their all.”

Pedigree Notes
Trekking is the only winner produced by the Redoute’s Choice mare Outdoor, who is a daughter of the multiple Group 1 winner and former champion filly Serenade Rose (Stravinsky (USA)). It is an international family that includes the two-time G1 Audemars Piguet Queen Elizabeth II winner Viva Pataca (GB) (Marju (Ire)), the dual G2 Santa Anita winner Brave Act (GB) (Persian Bold (Ire)) and the G3 Leopardstown Ballycurs S. winner Leitir Mor (Ire) (Holy Roman Emperor (Ire)).

GROUP 1 FOR SHAMUS AWARD
Mr Quickie gave sire Shamus Award his first Group 1 winner in a big way on Saturday when winning the Queensland Derby to also become the stallion’s third stakes winner. The race favourite broke slowly in the 2400 metre race but quickly made up the ground when racing up the rail to settle in midfield under John Allen. The gelding looked comfortable in his position as Trusty Lad (NZ) (Reliable Man (GB)) trying to gain on him but finishing second by three quarters of a length, 1 1/4 lengths in front of Aliferous (Hinchinbrook). The race was marred by the fatal breakdown of Lord Arthur (Camelot (NZ)) with jockey Corey Brown taken to the hospital.

Pedigree Notes
Bought for $115,000 at the Magic Millions Gold Coast Yearling Sale by Dalziel Racing, Mr Quickie is from the winning General Nediym mare Special Favour, who is a daughter of Group 2 winner My Tusker (NZ) (Volksraad). Special Favour’s third dam is five-time Group 1 winner Horlicks (NZ) (Three Legs (GB), who also produced champion full siblings Brew (NZ) (Sir Tristram (Ire)) and Bubble (NZ) with her other daughters producing a further two Group 1 winners. Mr Quickie was the first foal from his dam. Her 2-year-old daughter Recognize Nostradamus who sold for NZ$125,000 at Karaka earlier this year. She was served by Sacred Falls (NZ) in 2018.

**PROMISING FUTURE FOR PRINCE FAWAZ**

The handsome Prince Fawaz (Fastnet Rock) ran right up to his looks when he came from a midfield spot with an undeniable finish in the straight. The colt was too good for the previously unbeaten Kubrick (Shooting To Win), who did well to take second after covering extra ground in midfield. Reloaded (Snitzel) was doing good work late for third ahead of Shadow Hero (Pierro) who was another to hit the line strongly from back in the field.

**Pedigree Notes**

Prince Fawaz was purchased by trainer Anthony Cummings at the Magic Millions Gold Coast Yearling Sale for $220,000. He is a son of Lady Paget (Testa Rossa), who enjoyed modest success on the track with a couple of minor wins and she is a half-sister to the G1 Chipping Norton S. winner Casino Prince (Flying Spur). They are out of Lady Capel (Last Tycoon {Ire}), who also produced the G3 Tramway H. winner Tagus (Encosta de Lago) and the Listed winners Lord Of the Land (Timber Country {USA}) and Metallurgical (Redoute’s Choice).
