MAXIMUM SECURITY PREVAILS ON HOT AND HECTIC HASKELL DAY

Maximum Security | *Sarah K Andrew*

Considering his involvement in one of the most surreal moments in racing history, it was only fitting that Gary and Mary West's **Maximum Security** (New Year's Day) would be the one to come out on top at the end of a GI TVG.com Haskell Invitational S. that was not without its own controversy. And of course, he had to survive another inquiry to do so. With sweltering weather prompting the majority of east coast tracks to cancel their cards, all eyes were on Monmouth Park Saturday. After holding the afternoon's first two contests following a delay, the announcement was made that all non-stakes events would be cancelled and that the carded stakes races would be held later in the evening.

The gate for the day's feature sprung some 2 1/2 hours after its originally scheduled post time and Maximum Security, the 4-5 chalk perhaps best known for being disqualified from first to 17th in the GI Kentucky Derby May 4, broke well and took up a stalking spot three deep. All but GI Preakness S. runner-up **Everfast** (Take Charge Indy) bunched up through splits of :22.92 and :47.71. **King for a Day** (Uncle Mo), who bested the favorite in the June 16 Pegasus, was the first to make his move up the fence heading into the home turn, but he was immediately tackled by Maximum Security with **'TDN Rising Star' Mucho Gusto** (Mucho Macho Man) soon joining the fray out wide for Haskell record holder Bob Baffert. **Cont. p3**

SEVERE HEAT, CONVERSATIONS WITH THE GOVERNOR, A LONG DELAY, BUT THE SHOW WENT ON AT MONMOUTH *by Bill Finley*

OCEANPORT, NJ--At the end of the day, which came a lot later than anyone had planned on, the story Saturday at Monmouth Park was a lot more than **Maximum Security** (New Year's Day) winning the GI Haskell Invitational. In fact, the Haskell almost seemed like an afterthought to what was undoubtedly among the stranger days in the history of the sport.

With a massive heat wave blasting the eastern portion of the country, several tracks decided to cancel. But for Monmouth, with its signature race as part of the card and NBC in town to televise the Haskell, this was no ordinary day at the races. Dennis Drazin, who heads the management team that runs the track, decided to hold the card. **Cont. p5**

King for a Day was the first to blink and seemed to be running out of horse, then dropped back sharply as Maximum Security appeared to make it tight for him along the inside. That left it up to Mucho Gusto to pull off the potential mild upset, but Maximum Security had more to give still and kept on steadily to score by daylight. After a quick look by the stewards that stood in stark contrast to the seemingly endless looks at replays before the Derby decision, the stewards made no change.

With the victory, Maximum Security earned an automatic berth into the GI Breeders' Cup Classic.

"I [knew there was] going to be a lot of speed in the race," said winning rider Luis Saez, who was also aboard Maximum Security in the Derby. "I'm not going to go to the lead and let everybody press me, and I had the best post, I think. I just came out of the break from the gate and waited to see how fast they were going. When I saw that everybody wanted take the lead I just stayed right there. And when he came to the half-a-mile he put me inside in a pretty nice spot, he was traveling good. When I saw [Mucho Gusto], he came outside me, he came close to me and tried to beat me. I just let my horse run and he kept battling with him."

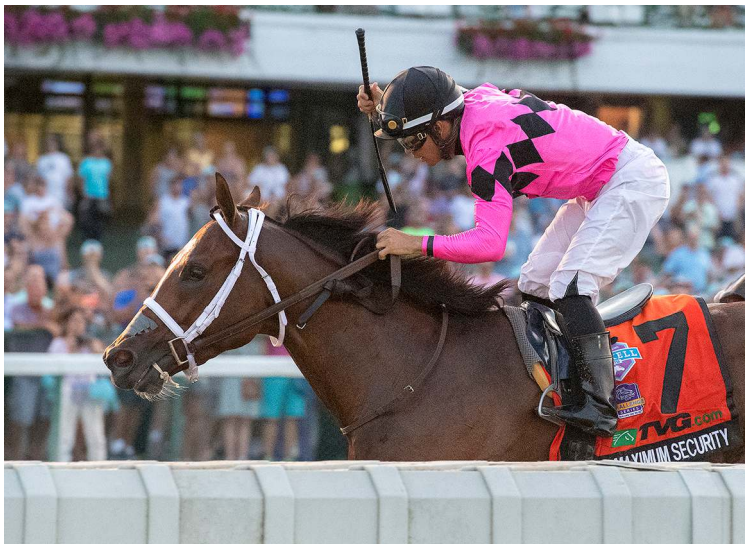
Dangled in for just $16,000 when he aired by almost 10 lengths at first asking in a Gulfstream sprint back in December, Maximum Security crushed starter/optional claiming foes in his next two before stretching out and dominating the GI Xpressbet Florida Derby going this distance Mar. 30. He veered out heading for home and impacted several runners before seemingly proving best in the GI Kentucky Derby, only to see his number pulled down and a frenzy of opinions--and litigation from his owners--to follow. The strength of his Derby performance had been flattered by subsequent efforts by a number of also-rans, but Maximum Security didn't seem quite like himself after stumbling and getting out-kicked by King for a Day going a sixteenth shorter at five cents on the dollar.

"When he was doing as well as he was coming up to the race I had every reason to be confident," said Maximum Security's trainer Jason Servis. "My horse has a lot of heart. He does not mind going head-to-head with any horse."

This was the first Haskell win for the long-time Monmouth fixture.

"I've been here 40 years so winning the Haskell means a lot. I worked in the jockeys' room [as a valet] for 22 years."

Servis remained noncommittal in terms of a next start.



Maximum Security | Sarah K Andrew

Gary & Mary West | *Sarah K Andrew*

Eight-time Haskell winner Bob Baffert said of the race, "That was exciting. I'm glad they didn't disqualify [Maximum Security]. That would have been awful. My horse is improving."

Pedigree Notes:

With Maximum Security part of his second crop, GI Breeders' Cup Juvenile winner New Year's Day has had six stakes winners, which include GIII Ben Ali S. winner Bourbon Resolution. After standing at Hill 'n' Dale Farm near Lexington, New Year's Day was exported to stand in Brazil in 2018 and was subsequently sent to Japan. Less well known is Maximum Security's broodmare sire, the A.P. Indy stallion Anasheed, who was runner-up in the 2002 GIII Arlington-Washington Futurity. He had six crops numbering a total of 112 foals and his daughters have been responsible for three black-type winners, including Florida's triple stakes winner Garter and Tie (Brooks 'n Down). Maximum Security's dam, Lil Indy, is a half-sister to three-time Grade I winner Flat Out (Flatter). She and her 2019 filly, a full-sister to Maximum Security, were sent to Korea earlier this year after she sold for $11,000 with the filly in utero at last year's Keeneland November sale. She leaves a yearling colt by Flashback in this country.

Finley on the Haskell cont. from p1

For most of the day, the temperature was about 96 degrees with a heat index of 107.

A tractor in action on Haskell Day | *Sarah K Andrew*

"When some of the other racetracks closed, in particular Saratoga, that put more pressure on the situation," Drazin said. "That put more focus nationally on the heat and the issues facing racing. People were saying, 'All the other tracks had closed, why are you guys staying open?' That led to a conversation about venues. Saratoga, Delaware, Laurel (three tracks that did not race Saturday), those tracks are in-land. Here we have an ocean breeze. To me, it was different circumstances. All the vets, every state vet and every private vet, we consulted with, along with weather people, they all use the same formula to judge the weather. It basically consists of temperature plus humidity, minus wind. They come up with a number, and it's either safe or unsafe to race. We were told it was safe to race."

When it came to safety, it turned out to be the right decision. No horses broke down during the card and there were no reports of any horses in distress after they had raced.

"I don't think it is too bad," said jockey Paco Lopez. "There's a little breeze. I come from Florida and ride in the hot weather all the time. I don't think today is a big deal. I've ridden on hotter days than today. Yes, definitely, they made the right decision to race today. None of my horses had any problems. Nothing happened to them."

So the card went on, but there were some bumps in the road. Plenty of them, in fact.

The first race was delayed by 38 minutes. During that time Drazin was on the phone first with someone who was in direct contact with New Jersey Governor Phil Murphy and then with Murphy himself. Drazin said Murphy wanted reassurances that racing under such conditions was not dangerous.

As Drazin and Murphy spoke, about 14 PETA protestors stood outside the track expressing their outrage that Monmouth was running.

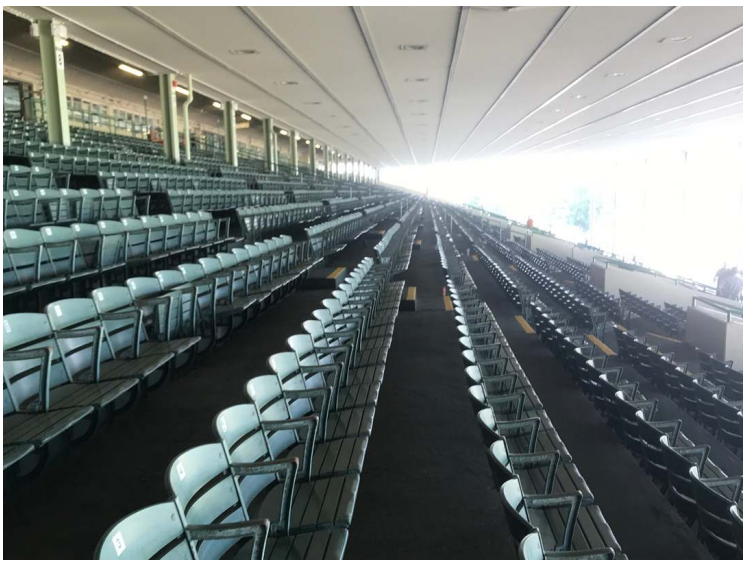
"Ultimately, I spoke to Governor Murphy and he was very kind about the whole thing," Drazin said. "He's supportive of racing and always has been. He quite frankly said that I have the expertise to make the decisions and that he doesn't. He relied upon my judgment and the state regulators, the racing commission and the state vets to try to do what's right. He just wanted to make sure that I was evaluating everything with the understanding that even if it's got nothing to do with the heat, if there was a problem we are under the national spotlight and would have had a big problem on our hands.

"Had the governor picked up the phone and said, 'I don't want you to race,' I would have done exactly what the governor said. And I told him so."

The first two races went off without incident, but then the card was abruptly stopped. Drazin, with hopes that it would cool off later in the day, decided to halt all racing until 6 p.m. and run only the remaining stakes races on the card. Six races were cancelled. The Haskell did not go off until 8:11 p.m.

The scene during the delay was an eery one. The atmosphere at the Haskell is usually festive and the track is jammed. Instead, the few people who were willing to stick out the heat delay huddled in the few air conditioned rooms at the track. For a few hours, it almost appeared that the track was closed. There was barely a human in plain sight.

"We always had a backup plan and that was waiting until six and just running the stakes," he said. "All the vets thought that it would cool off by then and we'd be well below the point where the heat index meant dangerous conditions." **Cont. p6**



The Monmouth grandstand around an hour before racing resumed on Haskell Day | *Bill Finley*

Near the Monmouth paddock during the extended break before racing resumed at around 6 p.m. | *Bill Finley*

The races resumed at 6:03 p.m. with the GIII Oceanport S., which was originally scheduled for 1:14 p.m. The Haskell went off at 8:11, two hours and 42 minutes after its regularly scheduled time. That meant that NBC's scheduled broadcast of the race turned into a Haskell "preview show."

The craziness didn't stop after Maximum Security crossed the wire in front as the stewards posted the inquiry sign. He did appear to come over on **King For a Day** (Uncle Mo) on the far turn. Could he possibly be taken down in both the GI Kentucky Derby and the Haskell? There was contact, but, the stewards decided it was not enough for there to be a change in the order of finish.

The race was still run under difficult conditions. It was 93 with a heat index of 104 when the field left the gate.

And thus ended a difficult day for Monmouth Park. It lost the NBC spotlight, wound up with a much smaller than normal crowd, many of whom went home after the delay was announced, and lost millions in handle.

"We would have been the only one in the Northeast running," Drazin said. "With New York being closed, and several other tracks closed, we would have been the only signal out there with an outstanding card. Conservatively, we would have done record numbers; we would have exceeded $20 million in handle. (The all-sources handle was $8,566,664). With the takeout, how much we would have handled on the track, and with the food and admission, we probably took a $4 million, $5-million hit. At the end of day, even though it's my responsibility to fiscally manage this place, if it comes to whether we're going to lose money, but in doing so are going to protect the horses and jockeys, I'm going to chose to protect the horses and jockeys. That's why we pushed back the races."

Sunday's forecast is for another scorcher on the Jersey Shore. Monmouth Park has already canceled the card. That was the only easy decision anyone at Monmouth had to make all day.

Mucho Unusual stayed unbeaten on turf and picked up her first graded stakes win with a last-to-first rally in the GII San Clemente S. Saturday at Del Mar.

A second-out victress last fall at Santa Anita, the George Krikorian homebred was runner-up as the favorite in the Golden State Juvenile Fillies S. there Nov. 2 before fading to fourth at odds-on in a state-bred optional claimer in her sophomore bow Jan. 27. Switched to turf in the California Cup Oaks Feb. 18, the bay went wire-to-wire to pull to upset at nearly 11-1, and repeated by a head in an open optional claimer June 16.

Made a lukewarm 5-2 chalk here, she dropped back to trail the 10-filly group as a pair of longshots duked it out through sharp fractions of :22.72 and :46.50. The field began to bunch up midway around the far turn, and longshot Apache Princess (Unusual Heat) made a bold, four-wide bid to take control at the top of the lane. That one went clear past the eighth pole, where Mucho Unusual emerged as the only danger, and the Tim Yakteen trainee kept charging under Joel Rosario to just get up in the shadow of the wire. **Cont. p7**

San Clemente cont.

"She just didn't show me a lot [of speed] early, so I let her do her thing away from there," said Rosario. "On the backside, she wanted to go, so we went after them. Turning for home I thought about going down inside, but she was making up ground and I didn't want to chance it. She had that nice acceleration through the stretch and we got it."

Pedigree Notes:

Mucho Unusual is the third stakes winner and second graded stakes winner for her sophomore sire, following up Saturday's GI Haskell Invitational runner-up Mucho Gusto. Her dam, a two-time winner for Krikorian, produced a colt by Mr. Big named Big Talker last term and a filly by the same sire this season.

Taking his record to six-for-seven Saturday, crowd's pick Catalina Cruiser made all to capture his second consecutive GII San Diego H. at Del Mar. He became just the fifth horse to win two San Diegos, and the first since Choctaw Nation (Louis Quatorze) completed the feat in 2004/2005. Native Diver holds the record with three in 1963-1965. It was the fifth victory in the race and third in succession for trainer John Sadler (Taste of Paradise, 2003; Kettle Corn, 2013; Accelerate, 2017; Catalina Cruiser, 2018) and third for Hronis Racing, who also raced Eclipse Champion Older Dirt Male Accelerate (Lookin At Lucky).

Bet down to 1-9 and toting four to eight more pounds than his adversaries, Catalina Cruiser faced just three rivals and took command from the bell. Dogged by Draft Pick to his outside flank, he covered the first quarter mile in :24.52. His lead diminished to a head after the first half-mile, as Draft Pick proved persistent for the backstretch run. Catalina Cruiser shook off that rival at the head of the lane and Mongolian Groom was winding up with his rally out in the four path. Despite the latter's best efforts, the Hronis Racing colorbearer deflected that foe as well to win by a measured length. Draft Pick was another 1 1/4 lengths back in second.

"The objective of the other jockeys was obviously to press the pace," Sadler said. "But he was running smooth all the way. When you're one-to-nine there's a lot of conversation about style points and things like that, but he was comfortable all the way. The fractions were slow, but this is not a fast track. We'll check the speed figures and things and we'll see how he comes out of it and decide whether to run in the [Aug. 17 GI] Pacific Classic or not. We've got options."

The 2018 San Diego was the chestnut's black-type coming out party, as he made all to win by 6 3/4 lengths. A winner of the GII Pat O'Brien S. locally later that August, Catalina Cruiser sustained the only blip on his resume with a sixth in the GI Breeders' Cup Dirt Mile Nov. 3. Put away for the winter, the now 5-year-old entire rallied to add the GII True North S. at Belmont on June 7. **Cont. p8**

Pedigree Notes:

Out of the dual winner Sea Gull who had her best days at the track routing over the Churchill sod, the $370,000 KEESEP yearling is a half-brother to GIII Ben Ali S. victor and GI Stephen Foster H. bridesmaid Eagle (Candy Ride {Arg}). Sea Gull, a daughter of MSW Exclusive Bird (Storm Bird) and a half-sister to SW & GSP Private Ryan (Quiet American), has the winning 4-year-old gelding Shoreline (The Factor), and several fillies to further burnish her reputation--the 3-year-old Royal Flag (Candy Ride {Arg}) and juvenile Shore Bird (War Front). Barren to War Front in 2018, she foaled a weanling by Candy Ride (Arg) Jan. 25. The classy sprinter and successful sire Mt. Livermore (Blushing Groom {Fr}) and G1 Prix Jean Prat victor Magical Wonder (Storm Bird) are under the graded stakes-winning fourth dam Flama Ardiente (Crimson Satan), who was runner-up in the 1975 GI Spinster S. and three more graded contests.

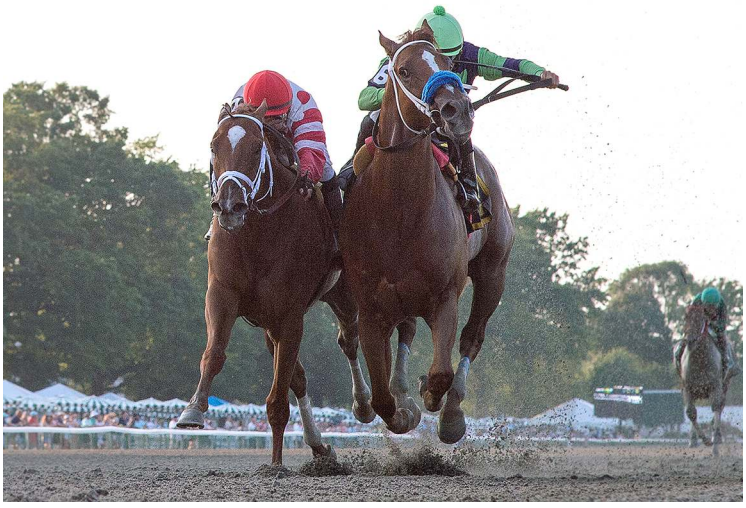
War Story, looking to bounce back after being all but eased in the GII Brooklyn Invitational S. last time June 8, applied pressure to heavy favorite Coal Front early and fended off that one's stablemate Bal Harbour late to add to his already ample bankroll.

Asked to show more from the gate by Luis Saez, the chestnut sat second and made Coal Front work for it a bit through splits of :23.58, :47.32 and 1:10.81. Bal Harbour soon emerged out wide and looked a likely winner as Coal Front came up empty, but War Story just kept finding to prevail in a stirring stretch drive.



War Story (inside) | *Sarah K Andrew*

Somewhat surprisingly having never competed before at Monmouth despite his trainer's dominance here in recent years, War Story last visited the winner's circle after a romp in last March's Challenger S. at Tampa. He finished second in three of his next four outings--in the GII Charles Town Classic, GII Brooklyn S. and GIII Greenwood Cup S.--and was third in the Temperence Hill Invitational S. at Belmont in September.

The long-winded veteran could only manage sixth in the GII Marathon S. on Breeders' Cup weekend at Churchill, but showed some life back in the Charles Town Classic in April before that disappointing performance in the Brooklyn.

"I'm still scratching my head why he didn't show up that day [in the Brooklyn]," winning trainer Jorge Navarro said. "I gave him the time off. The name says what he is. What a warrior. He's the only one from [Triple Crown and Haskell winner] American Pharoah's class of 2015 that's still going. It's amazing to have a horse like this still going around. You don't see that anymore."

Pedigree Notes:

The winner's dam sold for $1.050 million to Summer Wind Equine at the 2017 Keeneland November sale carrying a Medaglia d'Oro colt. She had produced a filly by the same sire earlier that term--now named Overjoyed, that one breezed at Del Mar Friday, covering four furlongs in :49.20 (40/96). Belle Watling was bred to Uncle Mo this breeding season.

There were a few anxious moments and she had to overcome a career-best performance from the runner-up, but Midnight Bisou proved her class in the end to capture the GIII Molly Pitcher S. as a 1-20 favorite Saturday at Monmouth.

A five-time graded stakes winner as a sophomore, including top-level tallies in the GI Santa Anita Oaks and GI Cotillion S., the dark bay closed out her campaign with a third in the GI Longines Breeders' Cup Distaff and went undefeated through her first four starts as a 4-year-old, capturing the GIII Houston Ladies Classic S., GII Azeri S., GI Apple Blossom H. and GI Ogden Phipps S. when last seen June 8 at Belmont.

Away smoothly with all the money on under Mike Smith in this spot, Midnight Bisou found a perfect spot tracking a slow pace from the pocket in third as Coach Rocks clicked off fractions of :24.79 and :49.06 with mild pressure from her outside. The favorite continued to ride the fence on the far turn and Smith remained patient as Coach Rocks tried to make a break for it after shaking off her pursuer at the top of the lane. Sticking to the inside, Midnight Bisou slipped through an opening nearing the sixteenth pole and quickly took over before edging away from her hard-trying rival.

"She was a little aggressive early on and that's probably because of the slow pace," Smith said. "I thought about pulling out from in behind early but I didn't want her to take off early. There was still plenty of race to go so I decided to wait. When I saw my opening [along the rail], she really responded."

"She's just a true blessing and I just so much appreciate the team and how they feel about her, and how Mike Smith handles her, and the confidence that everybody is showing in her," added trainer Steve Asmussen. "She is a very special filly. Her race today was beautiful."

Pedigree Notes:

Midnight Bisou is one of three Grade I winners for Midnight Lute and easily his top-earning progeny. She is the second of three foals to race thus far out of Diva Delite, who captured the GIII Florida Oaks as part of a three-race sweep of Tampa's sophomore filly stakes series in 2010 and sold for $750,000 to Breeze Easy at Fasig-Tipton November last fall on the heels of her daughter's 3-year-old success. She is responsible for a yearling filly by Wicked Strong and foaled a Pioneerof the Nile colt May 1 before being bred to Justify.

Just Howard was beaten a head by race favorite Divisidero when third in the Prince George's County S. at Laurel June 16, but he got his revenge on that foe Saturday. Ahead of only that runner early in this field of four, the chestnut began to rev up behind six panels in 1:13.39. Divisidero seemed to be going better when he uncorked a move down the center of the track, but Just Howard dug in gamely to stiff-arm the chalk at the line.

"The plan was to stalk today and once those two (Bird's Eye View and Dover Cliffs) went on, I was able to find a good spot and save ground," said winning rider Trevor McCarthy. "When I heard Divisidero start to make his move, I came out and we were just able to outkick him. He's been keeping good company and going against tough horses, especially in the [May 18 GII] Dixie. So I'm really happy to get this win."

Just Howard capped a four-race win streak in the 2017 GIII Commonwealth Derby in September of 2017, but lost his next four before a confidence builder in Laurel optional claiming company last August. He was well beaten in his next two before being shelved for the winter, but had seemed to return to some of his better form this year. A close fourth--beaten less than a length by stablemate Irish Strait (English Channel--in the Apr. 20 Henry Clarke S. back in Maryland, he was a close third behind MGISW Catholic Boy (More Than Ready) in Pimlico's Dixie on the GI Preakness S. undercard two back.

"My horse showed nice determination in the stretch," said conditioner Graham Motion. "He's a cool horse and he deserved a win. He's been sitting on a win for a long time. It was a nerve-wracking, day but we got through it."

Pedigree Notes:

Dam Aruban Sandwich's second win and final career appearance came over the Monmouth Park turf course in June of 2008. She sold for $8,000 carrying a full to Just Howard in the year after producing him and was sent to Saudi Arabia.

I'm So Fancy took advantage of a short three-horse field in the GIII WinStar Matchmaker S. to collect her first tasted of graded success at Monmouth Saturday.

I'm So Fancy, who started off her career with Jessica Harrington in Ireland, accounted for a trio of victories at the Curragh last season, including her most recent in a nine-furlong test Sept. 1. Third in her finale in a yielding 10-furlong contest there Sept. 16, the 5-year-old resurfaced for Lael Stables and trainer Arnaud Delacour and ran a credible fourth behind Mitchell Road (English Channel) in the May 18 GIII Gallorette S. at Pimlico before coming from off the pace to score in Laurel's Big Dreyfus S. as the 2-1 favorite June 16.

Taking advantage of the lack of speed, an uber-eager I'm So Fancy took to the front early and was allowed to saunter through pedestrian opening fractions of :27.23 and :52.19. About a half length in front of 2-5 choice Competitionofideas with Touriga another half length farther back in third, the compact field continued at a modest pace, closing out three quarters in 1:16.62. I'm So Fancy had a comfortable advantage turning for home, however, both Competitionofideas and Touriga appeared poised to pounce and in the run to the wire, the favorite made a run of it, but I'm So Fancy wouldn't be denied, gaining the neck decision. Touriga, who didn't get the clearest of runs, settled for third.

"Nobody really knew what to expect," said winning trainer Arnaud Delacour. "It was a three-horse field. On paper it looked like they were all horses that liked to stalk or come from behind. She broke very well so Trevor McCarthy decided to make the lead and slow down the pace. That was the best way to go and why he won the race. She is a nice filly. She deserved to win a grade stakes in America. There's a lot to look forward to with her."

Pedigree Notes:

With her Matchmaker victory, I'm So Fancy becomes the first graded winner for her sire Rajj (Ire). The 16-year-old unraced sire is a son of leading sire Danehill. Including the winner, dam Royal Jelly is responsible for seven foals, six of them winners, including a 3-year-old full sister to I'm So Fancy named Fancy Feat (Ire), who is her final registered foal. The represents the extended family of Champion juvenile filly Heavenly Cause (*Grey Dawn II), victorious in five Grade I races, including the Kentucky Oaks.

With Saratoga having cancelled Saturday due to extreme heat and Monmouth pushing its stakes action back to later in the evening, it looked like the powerful Chad Brown stable might have to wait a full 24 hours or more between graded stakes successes. Seek and Destroy got the job done north of the border with about an hour to spare, however. A clear-cut winner of the rained-off Chelsey Flower S. in her final juvenile start at Belmont last October, the bay resurfaced May 18 and showed a different off-the-pace dimension to take the GIII Soaring Softly S. back in Elmont. She was most recently third in that venue's Wild Applause S. June 22 behind stablemate Blowout (GB) (Dansili {GB}), who was second in Friday's GIII Lake George S. while book-ended by two other Brown trainees in a field of three.

Perhaps keen to do a bit more as she settled into the second flight just behind the speed and in between foes, Seek and Destroy seemed to be under a busy ride as they headed for home over Woodbine's new inner turf course. In tight at the head of the lane, she was able to tip out into the clear and fully extend in midstretch, at which point she overtook leader Sister Peacock and kicked away convincingly.

"I knew [Sister Peacock] was the one that was going to be on the lead for sure and when I saw the other one [I'll Take the Gold] with Skye [Chernetz] going after him, I just decided to stay right there, just right behind the speed," said winning rider Luis Contreras. "I had so much horse all the way and she destroyed the field at the end."

Seek and Destroy | *Michael Burns Photo*

Pedigree Notes:

Seek and Destroy is a half-sister to former Brown pupil and **'TDN Rising Star'** Tammy the Torpedo (More Than Ready), whose Deep Impact (Jpn) colt sold for the equivalent of more than $1.6 million at the JRHA foal sale earlier this month. Unplaced dam Search and Seizure hails from a Janney/Phipps family that includes the likes of graded winners Criminologist, Inspector Lynley, Deputation and Carriage Trail. She produced another Verrazano filly last year and a filly by Kitten's Joy this March.

DISTANCE THE ONLY QUESTION FOR GUARANA

'TDN Rising Star' Guarana (Ghostzapper) looks to stretch her speed around two turns and nine panels as she looms the one to reel in in Sunday's GI Coaching Club American Oaks at Saratoga. The Three Chimneys homebred thrashed sprinting maidens in the Keeneland slop Apr. 19 to the tune of 14 3/4 lengths. Favored off just that debut over GI Kentucky Oaks heroine Serengeti Empress (Alternation) in the one-turn-mile GI Acorn S. at Belmont June 8, the Chad Brown pupil put six lengths on that formidable foe in the stretch under Jose Ortiz, who had ridden both fillies in their prior outings.

Should Guarana falter, **Point of Honor** (Curlin) boasts the lone 1 1/8-mile win on her record, having annexed the GII Black-Eyed Susan S. last out May 17.

WOW CAT RETURNS IN SHUVEE

Wow Cat | *Sarah Andrew*

Wow Cat (Chi) (Lookin At Lucky), a rallying second from far back in last term's GI Breeders' Cup Distaff beneath the Twin Spires, kicks off her 5-year-old season in Sunday's GIII Shuvee S. at Saratoga.

A close second in this race last year, the 2018 Chilean Horse of the Year registered a career high in this country capturing the GI Beldame S. at Belmont Park in the fall.

"That day she ran really, really well," jockey Jose Ortiz of Wow Cat's Distaff runner-up effort to champion Monomoy Girl (Tapizar). "I wish I could have been a little closer. She was also a little wide going into the first turn, so I decided to take her back. I go out on the same set as her in the morning and she looks very good."

She's a Julie (Elusive Quality) posted a hard-fought win in the GI La Troienne S. May 3, then finished a close third behind **'TDN Rising Star'** Elate (Medaglia d'Oro) going this distance in the GII Fleur de Lis June 15. She's a Julie was a well-beaten second in last summer's GI Alabama S. at the Spa.

MARYLOU WHITNEY WILL ENDURE FOREVER IN HEARTS AND AT GAINESWAY

by Antony Beck

Marylou Whitney celebrating Birdstone's 2004 GI Travers S. win
Coglianese Photo

All these moving tributes to Marylou Whitney leave no doubt that she touched many, many lives. I cannot hope to give an adequate sense of how deeply she influenced my own--as a neighbor, counselor and friend. But I hope you will forgive me if I at least try.

Marylou belonged not only to a different generation, but in many ways to a different era. Her very name evokes a time of glamour that makes our own epoch seem rather colorless by comparison. Yet I cannot stress enough how firmly she remained ever rooted in the present. Rooted, that is, by a loyalty and generosity that transcended all barriers of age or origin. A generosity that comprised not just deep, genuine philanthropy, but also the countless quiet kindnesses that together achieved a no less decisive impact on many lives.

Decisive? Certainly. In my own case, I need only tell you how often Marylou would like to tease me that of all the matings she has supervised, none surpassed the one she instigated in my own engagement. For it was she who introduced me to my wife Angela; and she, as a result, who can be credited for the advent of our five wonderful children. Without Marylou, I'm not sure I would have become or remained as animated as I am by our work here at Gainesway. **Cont. p14**

Beck on Whitney cont.

As it was, no small part of the fulfillment I have found here can be traced to her abiding commitment to land once grazed by horses raised by her late husband Sonny. For her, as for me, it always felt as though the old and new reinforced each other. How we loved to see her and her husband John, also a very great friend, touring the farm on a golf cart on any day the weather was pleasant enough. This ritual became one of the highlights of her later years. And it had been the most natural thing in the world one day to find her presiding over the placement of headstones for the previously unmarked graves of champion Silver Spoon and her dam Silver Fog, in the cemetery that contains so many names synonymous with the Whitneys.

It will be easily understood, then, how unforgettable a privilege it was to be seated beside Marylou when Summer Bird--by her 2004 [Belmont] winner Birdstone--won the Belmont. I was able to tell her to close her eyes and reflect that neither Sonny, nor Harry Payne Whitney, had ever achieved what she had just done. And when that grand old lady opened those eyes, they were full of tears.

Given her love of the farm, there had never been any doubt that Birdstone would stand at Gainesway. But the affinity between our families extended far beyond horses. My children adored her. She was so kind to my mother especially, after we lost my father. And her beautiful nature defined so many places: Cady Hill, for instance, and Saratoga itself. How fitting that the place should fall respectfully quiet Saturday--because no midsummer sun could rival the sheer warmth of her character, a warmth that enabled so many different people to blossom.

Happily, whatever the challenges of health and age, Marylou retained her sharp mind and charm to the end. Even for a lady of advanced years, her loss is a terrible shock. Her passing is the one divide she cannot transcend. But Marylou will endure forever in the hearts of all of us who loved her.

Antony Beck is the president of Gainesway Farm.

TRAINER JIMMY PICOU DIES

Accomplished trainer James "Jimmy" Picou died Friday in South Florida following a long illness. One of 16 children born to Cajun parents in Southeast Texas, Picou got his start in racing as a jockey in 1949 before a training career that spanned 45 years. Based in New York and Florida, he conditioned runners for the likes of Fred Hooper, saddling 422 North American winners with earnings in excess of $15 million before retiring in 2004 at the age of 70. Picou's standout trainees included 1981 GI Travers S. winner Willow Hour; MGISW and $2 million-plus earner Val's Prince, who took the 1997 Hong Kong Cup; Hooper homebred Diplomatic Jet, who won a trio of Grade I events in 1996; 1967 Coaching Club American Oaks heroine Quillo Queen. Picou is survived by his son Jim Picou and daughters Debbie Markowski and Lisa Picou. His wife Helen passed away in December 2016. Brother Clarence Picou, also a trainer, died in November 1998. Arrangements for a family celebration of life will be planned at a later date.

SUNDAY INSIGHTS: PRICEY BAYERN FILLY DEBUTS FOR COOLMORE AT SARATOGA

Sponsored by Alex Nichols Agency

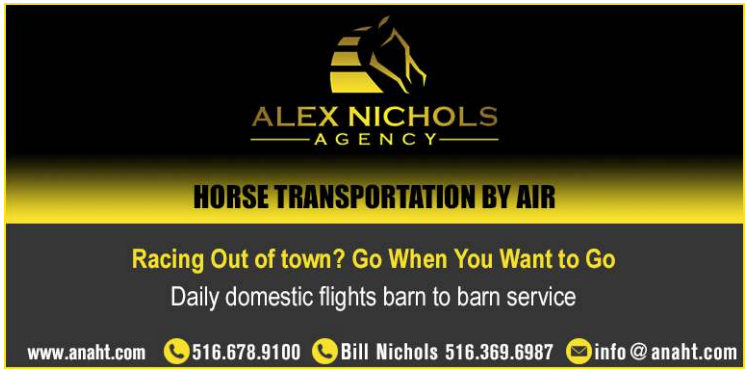
by Joe Bianca

Bayern | *Horsephotos*

7th-SAR, $90K, Msw, 2yo, f, 5 1/2fT, 3:56 p.m. ET

A field of 10 juvenile fillies will contest this turf sprint as racing resumes Sunday at Saratoga, headed by Coolmore's **SEQUIN (Bayern)**, who makes her career bow from the outside draw for Wesley Ward. Expectations are undoubtedly high for the dark bay considering she hammered for $500,000, easily the highest price for a progeny of her sire this year, at Fasig-Tipton Gulfstream after breezing a furlong in :10 1/5. Out of a SP half-sister to SW/MGISP 'TDN Rising Star' Mother Mother (Pioneerof the Nile), she tipped her hand with a bullet half-mile in :47 2/5 (1/34) over the Oklahoma turf July 13.

◊ ◊ ◊



Eclipse Thoroughbred Partners and Gainesway Stable went to $350,000 at Fasig-Tipton Saratoga to secure **Sharing (Speightstown)**, a daughter of 2010 GI Breeders' Cup Filly & Mare Turf heroine Shared Account (Pleasantly Perfect). Trained by Graham Motion, the chestnut shows a steady worktab at her trainer's Fair Hill base, capped by a three-furlong tightener over the training track in :37 4/5 (3/4) July 18. Other contenders include Claiborne Farm's homebred **Meritaten (War Front)**, a debutante out of a GSP full-sister to MG1SW The Gurkha (Ire) (Galileo {Ire}), and Robert Masiello's firster **Giggle Factory (The Factor)**, a half-sister to GISW turfer Watsdachances (Ire) (Diamond Green {Fr}). **TJCIS PPs**

EXPENSIVE WARRIOR'S REWARD FILLY ROLLS TO 'RISING STARDOM' AT DEL MAR

Pure Xena | *Benoit Photo*

Pure Xena (f, 2, Warrior's Reward–Pure Desire, by Gold Legend) turned heads when hammering for $370,000--over 82 times her sire's $4,500 stud fee--at OBS April, and did so again with a devastating first-out romp Saturday at Del Mar. Originally a $7,500 weanling purchase at Keeneland November, the bay turned into a $160,000 Fasig-Tipton July yearling and more than doubled that price tag after breezing a quarter-mile in :20 4/5 in Ocala. Backed to 11-5 second favoritism here off a half-mile work at Santa Anita in :47 4/5 (5/54) July 13, the Jay Em Ess Stable colorbearer broke a bit outwardly and was hustled up to duel with favored Save the Story (Will Take Charge) through a :22.27 quarter. Briefly appearing to be turned back by that rival

midway around the turn, she re-rallied to take control at the top of the lane and drew off powerfully with every stride thereafter to score by 11 1/4 lengths over longshot **Gold Included** (Goldencents). Six-time winner Pure Desire was claimed out of her career finale for $7,500 at Monmouth Park in 2006. Pure Xena is her most recent listed produce.

Armistice Day | *Michael Burns*

Armistice Day, winless since a dominant debut victory, picked up his first stakes victory in the Toronto Cup S. Saturday at Woodbine.

Unveiled to a 5 1/2-length triumph on the local main track last July, he was second at odds-on in the Victoria S. 13 days later before being shelved for the remainder of his juvenile season. Returning with a fourth in the Animal Kingdom S. Mar. 9 at Turfway, he was sixth in a turfy Churchill allowance May 2 and fourth in the GIII Matt Winn S. there June 15.

Made one of three 4-1 shots behind heavily favored Encierro (Pioneerof the Nile) getting back on grass here, the chestnut tracked loose leader Inventing Blame (Blame) from second through splits of :24.84 and :48.63. Sidling up to the frontrunner as the pace quickened through three-quarters in 1:11.64, he took charge at the quarter pole, edged away and held firm late to prevail. Mo Speed closed to tag Inclusive for the place, while Encierro was a no-factor fourth and Inventing Blame faded to fifth.

The winner's dam, victress of the 2003 GI Ballerina H., is responsible for a juvenile American Pharoah colt who hammered for $350,000 at KEESEP, and a yearling filly by Uncle Mo. She was bred back to the former sire this term. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Margins: 3/4, HF, HF. Odds: 5.20, 1.20, 16.10.

Also Ran: A Little Bit Me, Kentan Road, Holly Hundy, Gliding By, Gypsy Blu, Lady Suebee. Scratched: Harking.

Having made all 19 of her previous lifetime starts at either Del Mar or Santa Anita and all but two sprinting, Painting Corners felt right at home in the Daisycutter H. She broke sharply but let Kentan Road (Into Mischief) take the lead and moved to the outside to sit just off her flank. She tackled that one on the turn, took over in the lane, and drifted out several paths in the stretch, but held on to post a three-quarter length win.

The 5-year-old Painting Corners was making just her fifth start of 2019. Although her last effort, an off-the-turf seventh in the May 26 GIII Monrovia S., wasn't her best when she bled, she won the Apr. 13 Mizdirection S. in the start just prior. Other black-type was added to her page last year when she was second in the GIII Senator Ken Maddy S. Nov. 3.

The winner's dam, who has a yearling colt by Conveyance, is a half-sister to SW Ruthian (Rahy), dam of GISW Rutherienne (Pulpit) and GSW Ruthenia (Pulpit). **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Ahimsa | *Benoit*

Also Ran: Zaffinah (Ire), Supercommittee, Don't Blame Judy, Streak of Luck, Trustini, Ippodamia's Girl.

Ahimsa went off as the chalk here after a last out third in the GI Gamely S. May 27. Her connections parlayed a Santa Anita allowance optional claimer victory Apr. 14 into a third in the Gamely behind arguably one of the best grass mares in the country, Vasilika (Skipshot). In the Osunitas, Ahimsa broke from the inside and went straight to the front. Hugging the rail with her ears noticeably pricked early, the chestnut galloped along until joined at the hip by Supercommittee (The Factor) around the half-mile pole. The two raced in tandem until Ahimsa quickened at the top of the lane and began drawing away in spite of switching leads late. It was her first black-type win as she became the 11th individual stakes winner for her sire. The winner's dam has had only one reported foal after Ahimsa, a now-2-year-old full-sister named Garina Carina. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

3--**Mai Ty One On**, 117, g, 5, Put It Back--Kristy Lynn, by Bwana Charlie. O/B-George Vires (FL); T-Jane Cibelli. $7,500.

Margins: 1, 2 3/4, 3. Odds: 1.50, 3.10, 4.40.

Also Ran: Regal Image, Snowday (Fr), Tricks to Doo, Iredell, Wild Caramelo.

After placings last year in Presque Isle's Tom Ridge S. and Monmouth's Pegasus S. while under the care of trainer Keith Nations, Justaholic got a year off and didn't resurface until June 8 with some major changes: he shortened up to five furlongs, tried turf for the first time, and had a new conditioner in Thomas Clark. Whether it was the time off or a combination of the changes, he scored that day in the allowance optional claimer at Monmouth by 1 1/2 lengths and registered an 88 Beyer Speed Figure, the highest of his career.

Back in stakes company in the Wolf Hill and once again sprinting on the lawn, Justaholic broke smartly and parked three wide in the top flight. He dueled into the stretch, battling with Fig Jelly to his outside, before inching clear late in a determined effort for his first stakes victory.

"Just an amazing horse," Clark said. "It's just a great feeling. It's his second race back and they move up from that. He had some time off from a foot issue but he's come back great. It's hot, but I've raced in hotter. They all have to run in it too, so it's a level playing field."

The winner's dam, who also produced Korea's SP Haeya (Flatter), died in 2015 after producing Justaholic. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

AMERICAN ANTHEM (h, 5, Bodemeister--Indy's Windy, by A.P. Indy), a three-time graded stakes winner, ended his 4-year-old campaign with a dull sixth in the GI Bing Crosby S. and had failed to find the mark in two starts this term, running second in a Churchill optional claimer May 4 and fourth as the favorite in the GII Triple Bend S. three weeks later at Santa Anita. Supported to 3-5 to get back on track here, the bay tracked from a close-up fourth through a :22.13 quarter and angled out to challenge from the three path passing a :45.10 half. Appearing rebuffed by Flagstaff (Speightstown) at the furlong grounds, the chalk kept grinding and reeled that one in late to prevail by three-quarters of a length. The winner's dam, a half to champion Banshee Breeze (Unbridled), has an unraced 3-year-old filly by Pioneerof the Nile and was bred to Always Dreaming this season. STRIKE AT DAWN (f, 3, Declaration of War--Lucky Number, by Smart Strike), previously trained by Chad Brown and owned by Peter Brant and Joseph Allen LLC, broke her maiden at second asking over Tampa Bay's lawn Feb. 16 and was purchased by her current connections for $150,000 as a Keeneland April horse in training. Making her California debut June 16 at Santa Anita, she weakened to finish last in an allowance optional claimer, but had worked a trio of bullets in the interim. At 15-1 Saturday, the bay tucked in on the rail while midpack until finding a seam turning for home. She shifted outside to collar the leader and quickly sprinted clear while drifting out. Late closer K P Slickem (Include) was a length behind at the wire. The winner's dam is a half-sister to GISW Got Lucky (A.P. Indy) from the immediate family of 2010 GI Kentucky Derby winner Super Saver (Maria's Mon) and additional GISWs Imagining (Giant's Causeway), Girolamo (A.P. Indy), and Bluegrass Cat. AMAZONIAN (f, 3, Malibu Moon--Fly the Flag, by Giant's Causeway), on the board in her first three starts, graduated going 6 1/2 furlongs here July 1 and was sent off the 3-1 second choice to make it two straight in her route debut. Settled at the rail in a stalking third behind Stay Fantastic (Stay Thirsty), the Glen Todd trainee tracked that foe through opening fractions of :24.81 and :48.95. The well-bred chestnut tipped out to take over from the pacesetter midway down the backstretch, drew clear from there and was 2 3/4 lengths ahead of Stay Fantastic at the wire. Fly the Flag, who sold for $90,000 in foal to Strong Mandate in 2016, produced a filly by Distorted Humor last term followed by a filly by Outwork this season. She was bred back to Bolt d'Oro. The 12-year-old mare is also a daughter of multiple Grade I winning My Flag (Easy Goer), making her a half-sister to champion juvenile filly Storm Flag Flying (Storm Cat). Fly the Flag's granddam is the incomparable Personal Ensign, the undefeated champion older mare in 1988, as well as the Broodmare of the Year in 1996. MUSKOKA DANCER (f, 2, Danza--Asheba, by Quiet American) debuted with a distant fifth-place effort going five furlongs on the Tapeta June 1 before coming home an even fourth last time going a sixteenth farther June 29. Sent off at 10-1 while trying turf for the first time and getting blinkers off, the bay took control soon after the break, led narrowly for most of the way, was clear at the head of the lane and kept up the tempo late to score by 1 1/2 lengths over Freedom Machine (English Channel). The victory makes the filly the second winner for her freshman sire (by Street Boss). Asheba, who produced a colt by Reload last season, was bred back to the stallion. The 13-year-old mare Asheba is out of Ganasheba, who is herself a daughter of Horse of the Year Alysheba and out of Gana Facil (Le Fableux {Fr}). Gana Facil is best known for producing champion 3-year-old and Kentucky Derby hero Unbridled in addition to GI Wood Memorial victor Cahill Road. STREET ZAPPER (f, 3, Ghostzapper--Tara Street, by Street Cry {Ire}), second, beaten a head after leading in the stretch with first-time Lasix going seven furlongs over the all-weather June 15, was given a 5-2 chance in this first grass attempt. She settled in a good spot just behind the early leaders in fourth. The Chiefswood homebred hit the gas while four deep off the turn for home and came charging on the outside while lugging in some down the stretch to get the money by a neck. Maritime Breeze (More Than Ready) was second. **Cont. p6**

The winner's dam produced an Uncle Mo filly in 2017, a Kitten's Joy filly in 2018 and a Ghostzapper filly in 2019. Lifetime Record: 3-1-1-0, $48,069. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

SHORT SUMMER DRESS (f, 2, Munnings--Storm Star, by Candy Ride {Arg}) flashed speed before backing up to finish sixth debuting on the local main track June 29 and was pegged at 7-2 switching to turf here. Easily quickest from the blocks, the chestnut established command in the blink of an eye and opened up through a :22.82 quarter. Arriving at the head of the lane with ears pricked, she remained in control under minimal urging and cruised home 3 1/4 lengths to the good. Favored firster Magnanimous (Karakontie {Jpn}) rallied from last to get up for second. The victress has a yearling full-sister and her dam produced a colt by American Pharoah this season before visiting Mendelssohn. Sales History: $85,000 Ylg '18 KEESEP. FIRST STAR (f, 3, First Dude--Via Regina, by English Channel) lit up the tote board at 27-1 in this debut run. The chestnut kept close tabs on the leaders from third while under a ride by Drayden Van Dyke. Sunny Dale (Medaglia d'Oro) looked well on her way to victory as they turned for home, but First Star kept coming and produced a nice rail run late to get there by 3/4 of a length. Edging away from her pace foe past the five-sixteenths pole, she drew clear strongly after straightening for home and strolled across the line 7 1/4 lengths in front. Cleveland Cat (Bluegrass Cat), longest shot on the board at 16-1, won a photo for the place. The winner has a yearling full-sister and a full-brother of this season. Our Time and Opportunist, two six-figure sales yearlings making their first starts, couldn't be separated in this Gulfstream maiden although their trips couldn't have been more different. Our Time, the 8-5 crowd's pick, shot out of the gate after the early leader and quickly matched strides with that one before taking over a quarter-mile in, while Opportunist was far back and out of the camera angle for much of the race.
Cont. p7

Our Time stayed in front and looked well clear a furlong from home, but Opportunist began moving up on the inside with giant strides to unleash a fierce rally down the lane. The 7-2 second choice switched out a path with his sights set firmly on Our Time, getting up just in time to finish on equal terms. Shivaree (Awesome of Course) was 1 3/4 lengths in arrears.

Our Time has a 2019 half-brother named Voice of Now (Neolithic). His third dam was Canadian SW Sound the Fanfare (Vice Regent), a half-sister to Canadian champion and GI Spinster S. winner Wilderness Song (Wild Again). Opportunist has a yearling half-brother by Distorted Humor. CATCH AS CATCH CAN

Star Catcher and Franki Dettori stay firm all the way to the line in the Irish Oaks | *Racing Post*

Although he is to be feared in any racing scenario, it is a given that Frankie Dettori must never be allowed to dominate from the front but in reality there was little that could be done to stop the peerless jockey extend his current hot streak on **Star Catcher (GB)** (Sea the Stars {Ire}) in Saturday's G1 Kerrygold Irish Oaks. Quickly establishing dominion on Anthony Oppenheimer's '**TDN Rising Star**' on a Curragh track that is increasingly becoming a haven for front-runners, the homebred became the fourth consecutive Classic winner on this circuit to make all in 2019. As in the G2 Ribblesdale S. at Royal Ascot June 20, it was again Ballydoyle's **Fleeting (Ire)** (Zoffany {Ire}) who put the frighteners on in the closing stages with all else readily beaten but ultimately it was the same one-two with a half-length the margin this time. The 5-2 favourite **Pink Dogwood (Ire)** (Camelot {GB}) was 4 1/2 lengths away in third, unable to live with the pair of highly progressive contemporaries ahead of her.

"She's a filly who has done nothing but improve, the vibes at home were good and John is a great trainer and he had a good feeling about her so we knew we had her good enough to do herself justice," Dettori said of the 7-2 second favourite who had been supplemented for €40,000 at the confirmation stage. "We weren't going to sit and sprint and so when I knew we had to make our own way home it was just a matter of getting the fractions right. Having a tailwind up the straight helps when on you are on a front-runner. I smelled the runner-up coming, but I could have gone a little bit further and I don't think she'd have passed me." **Cont. p2**

A-GAME

Europe's racing on Sunday spans from The Curragh to Dusseldorf, with Deauville in between offering a key 2-year-old contest in the G2 Darley Prix Robert Papin. Staged over the unique distance of 5 1/2 furlongs, it has attracted Shaikh Duaij Al Khalifa's G2 Norfolk S. winner **A'Ali (Ire)** (Society Rock {Ire}) who bids to inflict another in a string of defeats on the French-trained contingent. Going from a defeat on debut at Ripon June 5 to a neck verdict over Saturday's Weatherbys Super Sprint disappointment Ventura Rebel (GB) (Pastoral Pursuits {GB}) in the June 20 Royal Ascot speed test, the Simon Crisford trainee bids to become the sixth British-trained winner since 2012.

The exception is the filly **Jolie (Fr)** (Power {GB}), who in another stride would have beaten the Norfolk abstainer **Maven** (American Pharoah) in the G3 Prix du Bois at Chantilly June 29. At The Curragh, the G2 Friarstown Stud Sapphire S. features some usual suspects among the sprinting scene and the 3-year-old **Soldier's Call (GB)** (Showcasing {GB}). Third in the G1 King's Stand S. at Royal Ascot June 18, Clipper Logistics' representative has proven ultra-consistent throughout his brief career so far and evades a penalty for his G2 Flying Childers S. success at Doncaster in September. **Cont. p9**

G1 Kerrygold Irish Oaks Cont. from p1

It was possible at the time to put Star Catcher's Ribblesdale win in part down to the "Frankie effect", as she made up one of his unforgettable four-timer on Royal Ascot Thursday, but it is more likely that she was a filly on the up tackling a mile-and-a-half trip that was made for her. Like her G1 Epsom Oaks-winning stablemate Anapurna (GB) (Frankel {GB}), she was introduced on the all-weather in December and was likewise unplaced but that outing on Chelmsford's Polytrack was over an inadequate mile. Next seen earning TDN Rising Star status when the 4 1/2-length winner of the 10-furlong Newbury maiden Apr. 12 won by the future Oaks heroines Eswarah (GB) (Unfuwain) and Dancing Rain (Ire) (Danehill Dancer {Ire}) and last year by her accomplished stablemate Lah Ti Dar (GB) (Dubawi {Ire}), she seemed to excel on the soft ground which she also encountered at the Royal meeting.

In between, Star Catcher had finished third behind the class act Queen Power (Ire) (Shamardal) when not going hard enough in front in the May 18 Listed Haras de Bouquetot Fillies' Trial S. over the same course and distance of her maiden success. That came on ground officially described as good and so when the rain failed to arrive in Kildare there was a doubt as to how she would handle the quick surface, but in the event it only served to enhance her chances once Frankie had usurped **Peach Tree (Ire)** (Galileo {Ire}) on the speed. Able to use her generous stride to suppress the majority of her rivals' ambitions by the two-furlong pole, there was only the habitual strong closer Fleeting who was able to engage where it mattered. Motoring into contention with what looked to be a winning surge inside the final furlong, Donnacha O'Brien's well-supported mount instead met a wall of opposition with Star Catcher countering the move as the line neared.

While there was no repeat of the demolition job of the stable's 2017 winner and now-legendary Enable (GB) (Nathaniel {Ire}), this performance had significant merit with Fleeting rating an improved performer and the G1 Pretty Polly S. protagonists **Iridessa (Ire)** (Ruler of the World {Ire}) and Pink Dogwood unable to land a blow. It makes the earlier eclipse of the stable's fellow **'TDN Rising Star'** and Ribblesdale third Sparkle Roll (Fr) (Kingman {GB}) in the Listed Aphrodite S. at Newmarket even more surprising, but first and foremost it provides Gosden with an enviable quandary as to how to divide his clutch of high-class middle-distance fillies and conquer throughout the remainder of the season.

"She's a fabulous filly and she's won a Classic, so that's what it's all about," he said. "It's no fluke and we've always liked this filly. I couldn't believe it when she was beaten first time out at Chelmsford." **Cont. p3**

G1 Kerrygold Irish Oaks Cont.

He added," Frankie said her best furlong was her last in the Ribblesdale and he was determined not to see a falsely-run race. That's Frankie, he has the courage to do that which comes from years of experience and having a clock in your head. He rode a quite beautiful race. She's out of a good mare and is by Sea the Stars, who to me is a phenomenally good stallion. She's very talented and can only get better with age, as she's only just coming to herself."

With Enable, Anapurna, Coronet (GB) (Dubawi {Ire}) and Lah Ti Dar to juggle, Gosden was understandably non-committal about Star Catcher's future targets. "She is a mile-and-a-half filly and we've not over-raced her," he added. "Anthony [Oppenheimer] is a great sportsman and he brought Cracksman here and Golden Horn to the Irish Champion, so he's a competitor. Maybe later in the year, the [G1] Prix Royallieu [at ParisLongchamp Oct. 5] or [G1] Prix Vermeille [at ParisLongchamp Sept. 15] could be options, but we'll see how she comes out of this."

Pedigree Notes

Star Catcher had some living up to do after the GI Canadian International triumph of her half-brother Cannock Chase (Lemon Drop Kid), but she now has the bragging rights among the progeny of Lynnwood Chase (Horse Chestnut {SAf}) which also include Cannock Chase's G2 Prix Eugene Adam-winning full-brother Pisco Sour. The second dam is the listed-placed Lady Ilsley (Trempolino), who was responsible for the late Dr. Vincent O'Brien's G3 Ballycorus S., G2 Jebel Hatta and G3 Al Rashidiya-winning sire Lord Admiral (El Prado {Ire}). The third dam Sue Warner (Forli {Arg}) is kin to the G2 Prix Maurice de Gheest scorer Beaudelaire (Nijinsky II) and is the ancestress of the GI Breeders' Cup Juvenile hero Action This Day (Kris S.) and the GI Breeders' Cup Sprint winner Drefong (Gio Ponti). Lynnwood Chase also has the unraced 2-year-old filly Maurimo (GB) (Kingman {GB}), a yearling filly by Frankel (GB) and a colt foal by Time Test (GB).

ROMANISED BACK IN BUSINESS IN THE MINSTREL

Without a win since his G1 Irish 2000 Guineas heroics last May, Robert Ng's **Romanised (Ire)** (Holy Roman Emperor {Ire}) came back to that standard in style reverting to seven furlongs for Saturday's G2 Paddy Power Minstrel S. Settled with three behind early by Billy Lee, the 2-1 second favourite who had caught the eye with an unlucky fourth in the June 18 G1 Queen Anne S. last time allowed the 7-4 market-leader **Hey Gaman (GB)** (New Approach {Ire}) several lengths headstart in a race run at a strong gallop. While that could have been chancy given the merit of Frankie Dettori's mount, it turned out to be a mark of supreme jockey judgment from the winning rider. As Frankie took over from the pace-setting **All the King's Men (Ire)** (No Nay Never) with two furlongs remaining, he became a sitting target for last year's Classic hero who readily took his measure a furlong from home en route to a length success.

Springing a surprise when mastering US Navy Flag (War Front) in the Irish Guineas, Romanised, who had been second to Masar (Ire) (New Approach {Ire}) in the G3 Solario S. at Sandown as a juvenile, was unable to shine in three subsequent outings at the top level in 2018.

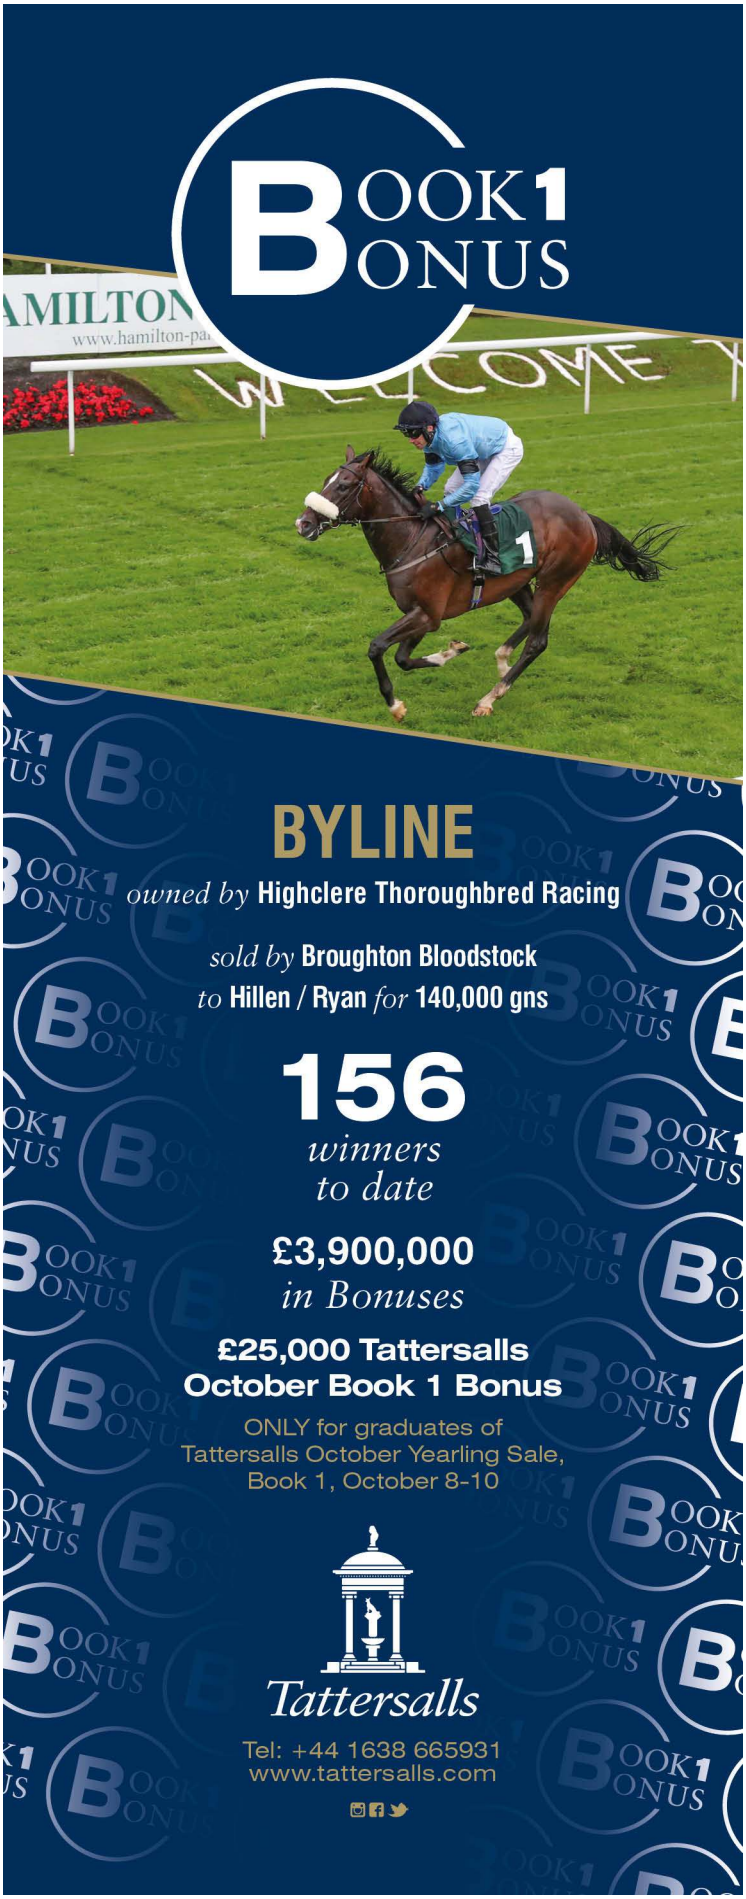
G2 Paddy Power Minstrel S. Cont.

Seventh in the G1 St James's Palace S. at Royal Ascot in June, fifth in the G1 Prix Jacques le Marois at Deauville in August and ninth in the G1 Queen Elizabeth II S. back at Ascot in October, he returned from winter quarters with a highly encouraging effort to be fifth after a troubled trip in the G3 Gladness S. over this trip at Naas Apr. 13 before running fourth in the G1 Lockinge S. at Newbury May 18.

In the Queen Anne, he was affected by the refusal to race by his next-door neighbour Accidental Agent (GB) (Delegator {GB}) and although he lost lengths at the start and met interference two out he was under two lengths away in fourth at the finish. This performance in a rapid time confirms him as a top-drawer performer granted his ideal conditions of fast ground and a strong pace to run at and connections were looking ahead with understandable positivity. "He's been in good shape this year and has gone very professional, more relaxed and easier to deal with," trainer Ken Condon said. "I thought it was a lovely performance."

Romanised | *Racing Post*

While Romanised is now established over seven furlongs, Condon is thinking of an immediate return to a mile. "He'll come out of the race well and he'll go the [G1 Prix] Jacques le Marois [at Deauville Aug. 11] next," he said. "There was just a big gap between Ascot and the Marois, the guts of eight weeks, and I just thought he'd need something to keep him at a level. What helped was that Billy said they went a good pace. I thought he quickened well there and switched leads like a nice horse. Billy was very good on him. Last year I was looking at the Prix de la Foret, but thought maybe the round track at Longchamp would be too sharp for him. I don't know now, as that opens up options." **Cont. p6**



Pedigree Notes

Completing an afternoon group-race double at The Curragh for his sire, Romanised is out of the Moyglare Stud cast-off Romantic Venture (Ire) (Indian Ridge {Ire}) who also produced the G3 St Leger Italiano winner Rock of Romance (Ire) (Rock of Gibraltar {Ire}) and the dual listed scorer Fictional Account (Ire) (Stravinsky). She is a full-sister to the G3 Brigadier Gerard S. and G3 Newbury Arc Trial scorer Sights On Gold (Ire) and a half to the four-times Group 1-winning Hong Kong Horse of the Year Designs On Rome (Ire) who shares Holy Roman Emperor as a sire with Romanised. Also a half to the GII American Derby hero Simple Exchange (Ire) by Holy Roman Emperor's sire Danehill, she hails from the family of the G2 Feehan S. winner and G1 George Ryder S. runner-up Rekindled Interest (Aus) by another son of Danehill in Redoute's Choice (Aus). Romantic Venture also has the as-yet unraced 3-year-old full-sister to Romanised named Roman Venture (Ire).

TURBO KICKS IN FOR ANGLESEY SUCCESS

There was a thriller for The Curragh's G3 Jebel Ali Racecourse and Stables Anglesey S. on Saturday, with all seven protagonists in with a shot in the closing stages before **Roman Turbo (Ire)** (Holy Roman Emperor {Ire}) found that bit extra that makes the difference at this level. Having taken a well-contested maiden over six furlongs on debut here when sent off at 25-1 on Irish Derby weekend June 28, Sammy Hon Kit Ma's bay was afforded greater respect at only 6-1 in this tight affair in which Ballydoyle's **'TDN Rising Star' Pistoletto** (War Front) was making his comeback after a break. Settled third early by Ronan Whelan, he had a suitably strong pace to run at courtesy of Rosegreen's second-string **Mount Fuji (Ire)** (Dark Angel {Ire}). Although he was fifth a furlong from home with the field all in contention, it was his stamina which played out over the additional 63 yards of this test and at the line he held a 3/4-of-a-length advantage over **Lil Grey (Ire)** (Starspangledbanner {Aus}). **Soul Search (Ire)** (Zoffany {Ire}) was a head away in third, while the 9-4 favourite Pistoletto was beaten only a total of 2 3/4 lengths in sixth.

"We always liked him at home and although he obliged first time, we thought like all of Mick [Halford]'s he'd improve for the run," jockey Ronan Whelan said. "He travelled through the race nicely and was a little bit green, so ideally I'd have liked a lead for a bit longer. He's only going to do enough when he gets there and I always felt comfortable in the race. I never felt that something would come and do me, even though he still rides a bit babyish."

Halford is not a typical 2-year-old trainer and is expecting progression from Roman Turbo. "We are never particularly hard on the 2-year-olds at home, but we knew he'd come forward," he explained. "He's only the third 2-year-old we've run this year, so it's hard to get a line on them. He's a smart horse, very professional. He just jumps and is very straightforward.

Roman Turbo | *Racing Post*

He's coming forward well. He wasn't in any of the big races, so we'll have to talk to his owner and see what he has in mind for him. At home he just does enough. I'd still say there could be more to come from him. I'd say long-term he'll probably end up in Hong Kong."

Pedigree Notes

On another day when German breeding came to the fore, Roman Turbo was becoming the second black-type winner for the unraced Swish (Ger) (Monsun {Ger}) who hails from one of the best families that country has to offer. She is a full-sister to the GI Breeders' Cup Turf, G1 Coronation Cup and G1 Deutsches Derby hero Shirocco (Ger) and to the four-times group scorer Subiaco (Ger) and the G1 Deutschland-Preis runner-up Storm Trooper (Ger). Having already produced the triple listed-winning and G2 Union-Rennen third Swacadelic (Ger) (Adlerflug {Ger}), it is a surprise that Roman Turbo is able to show such speed and precocity and in all likelihood underlines what a class act he is to win over these distances as a midsummer juvenile. The renowned second dam So Sedulous (The Minstrel) is from the family of the G1 Moyglare Stud S. heroine Gala Event (Ire) (Sallust {GB}) and it would be no shock if this colt can add more big-race glory to the list. Swish also has a yearling full-sister and a 2019 full-brother to Roman Turbo.

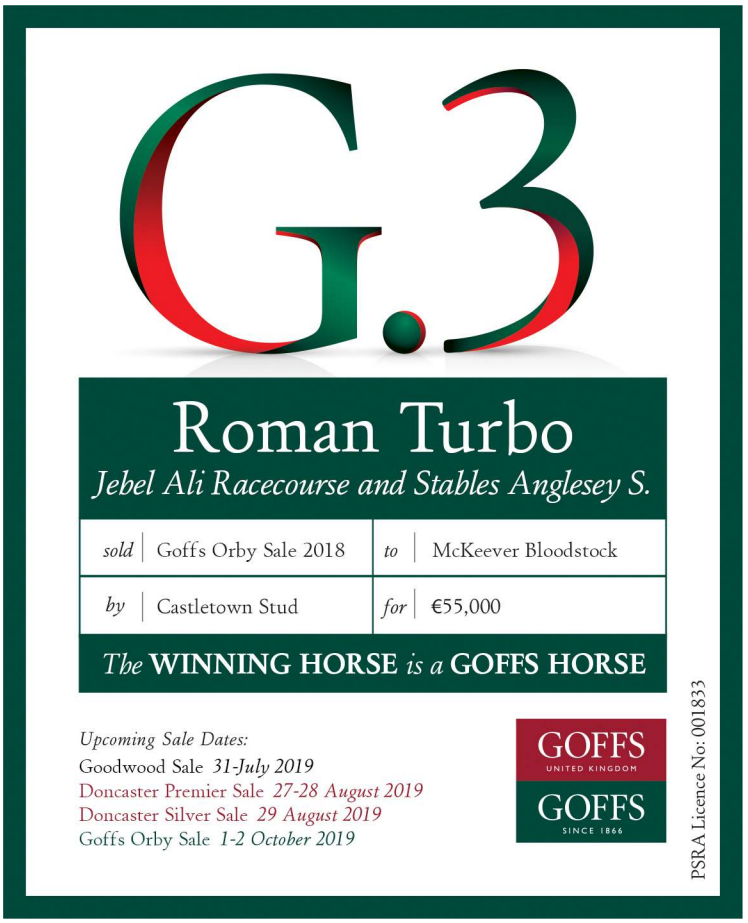
WALDPFAD DOMINANT IN THE HACKWOOD

German raiders in Britain are never shown the respect they are due and if their odds are to be believed are always in over their heads, but **Waldpfad (Ger)** (Shamardal) was the latest to turn that logic on its head as he became the latest anomaly for the punters in Saturday's G3 bet365 Hackwood S. at Newbury. Ignored by the majority at 33-1 despite the fact that he had won the July 3 G3 Sparkasse Holstein Cup with authority on his first start over this trip, Gestut Brummerhof's lightly-raced 5-year-old was settled off the pace by Andrea Atzeni on the far side. Making steady progress down the outer to take control passing the two-furlong pole, the bay edged right but was in the clear at the time and hit the line strong to record a 1 3/4-length verdict over the 3-year-old **Khaadem (Ire)** (Dark Angel {Ire}).

Campaigned over a mile and seven furlongs by his first trainer Andreas Wohler, Waldpfad was shortened up by Dominik Moser after switching stables and was caught late when runner-up in the seven-furlong G3 Grosser Preis der Landeshauptstadt Dresden June 16. Comfortable at six when tried in the Hamburg feature, he is unexposed as a sprinter and beat enough classy rivals here to warrant greater respect in such events in future.



"There are only two Group 3 races of this type in Germany and he won one of them last time very easily," commented Moser, who had also won Nottingham's Listed Kilvington S. with another 33-1 shot Artistica (Ger) (Areion {Ger}) in May and the 2012 G3 Summer S. with Gracia Directa (Ger) (Kyllachy {GB}) on previous British raids. "We thought maybe a Group 3 in England would be the best plan, hoping he would be in the first three but he's gone and won just like last time. I shall get him home and monitor his weight loss and how well he takes the race. If I'm pleased with him, I won't mind stepping him up in trip for the [seven-furlong G2] Hungerford S. [back at Newbury on Aug. 17]."

Pedigree Notes

Waldpfad is the third black-type winner for the unraced Waldbeere (GB) (Mark of Esteem {Ire}) after the six-times group-winning miler Wiesenpfad (Fr) (Waky Nao {GB}) and the listed scorer Waldtraut (Ger) (Oasis Dream {GB}) who was also placed in both the German Fillies' Classics, the G1 Preis der Diana and G2 German 1000 Guineas. The four-times group-winning second dam Wurftaube (Ger) (Acatenango {Ger}) counts among her descendants the G1 Deutsches Derby hero Waldpark (Ger) (Dubawi {Ire}), the triple Group 1-winning Waldgeist (GB) (Galileo {Ire}) and the G1 St Leger hero Masked Marvel (GB) (Montjeu {Ire}). **Cont. p9**

Sunday Previews Cont. from p1

The defection of June 19 G2 Duke of Cambridge S. winner **Move Swiftly (GB)** (Farhh {GB}) from the G2 Kilboy Estate S. due to the fast ground robs that nine furlong contest of some competitiveness and it provides Ballydoyle **'TDN Rising Star' Goddess** (Camelot {GB}) with a chance to return to winning ways. She has been gently eased back to competitive action and her latest third, albeit beaten nine lengths, in the June 26 Listed Naas Oaks Trial and the fact that Ryan Moore picks her over two fillies with better form suggests she is on her way back.

Last year's G1 Prix du Jockey Club hero **Study of Man (Ire)** (Deep Impact {Jpn}) looks for his first win subsequently in the G3 Prix Messidor at Deauville and there will be no excuses on the back of second placings in the Apr. 28 G1 Prix Ganay and May 26 G1 Prix d'Ispahan at ParisLongchamp. Dusseldorf's G2 Meilen-Trophy sees the May 26 G2 German 1000 Guineas third and July 1 G3 Hugo Phohe-Rennen runner-up **Shalona (Fr)** (Soldier Hollow {GB}) take on the older horses with the weight-for-age scales swung firmly in her favour. ***(Return to p1)***

Springing a surprise but clear best at the end, Dame Malliot sprung forward from her second in a 10-furlong Chelmsford novice contest June 6 to suggest she can take high rank among the season's middle-distance fillies. Always travelling with purpose despite being anchored in rear, the homebred was pushed along and seemed to be going nowhere for a few strides with three furlongs remaining. Switched to the stand's rail by Hollie Doyle, the bay rushed to the front a furlong from home and surged clear of the battling duo Spirit of Appin and disappointing **TDN Rising Star** Sparkle Roll.

With Sparkle Roll having finished so close to Star Catcher (GB) (Sea the Stars {Ire}) and Fleeting (Ire) (Zoffany {Ire}) in the G2 Ribblesdale S., this performance from Dame Malliot looked out of the ordinary. Her time was second only to the 1998 winner Catchascatchcan (GB) (Pursuit of Love {GB}) who went on to win the G1 Yorkshire Oaks and was the equal of that recorded by the 2008 winner Dar Re Mi (GB) (Singspiel {Ire}) whose subsequent record speaks for itself.

Trainer Ed Vaughan said, "I expected her to win first time out and she did, then we went to Chelmsford with a penalty and she behaved badly beforehand and everything went wrong. She has been working with the filly that should have won the novice here on Friday night, Ardiente (GB) (Australia {GB}), and she has been working over her and I really rate that filly. She will be having some really big entries. The aim would be Doncaster [for the Sept. 12 G2 Park Hill S.], as Goodwood will come too soon and I don't think mentally she is ready for that. I think she is top-class, as the time has shown. The [Oct. Fillies' and Mares' race at Ascot on Champions Day will be the big end-of-year aim."

Dame Malliot, who had won on her debut on Wolverhampton's Polytrack in December, is a daughter of a minor winner at that venue in Stars In Your Eyes, who was sold for just 32,000gns to Tally-Ho Stud at last year's Tattersalls December Mares Sale. Her dam Apache Star (GB) (Arazi) was third in the Listed Cheshire Oaks before producing three black-type performers including the G2 Dante S. third Coordinated Cut (Ire) (Montjeu {Ire}) who was later re-named Victor Delight in Hong Kong. This is also the family of Anthony Oppenheimer's G3 Lingfield Derby Trial winner Mystic Knight (GB) (Caerleon) and his G1 Coronation S.-winning Rebecca Sharp (GB) (Machiavellian). Next up from Stars In Your Eyes is the unraced 2-year-old colt Zabeel Champion (GB) (Poet's Voice {GB}) who cost Rabbah Bloodstock just 20,000gns at the Tattersalls Craven Breeze-Up, while she also has a 2019 colt by Lawman (Fr). **Click for the Racing Post result. Having begun his career with a four-length success over a mile here Apr. 13, Fox Chairman went into all the notebooks when overcoming a troubled passage to be third behind Circus Maximus (Ire) (Galileo {Ire}) and Mohawk (Ire) (Galileo {Ire}) in Chester's Listed Dee S. at this trip May 9. Again denied a clear run when second to Sangarius (GB) (Kingman {GB}) in the G3 Hampton Court S. at Royal Ascot June 20, the bay continues to be dogged by slow ground wherever he goes and did not appear comfortable on it throughout the early stages. Held together by Silvestre de Sousa tracking the leading trio, he was cajoled to the front passing the two-furlong pole and despite drifting left had gone beyond the recall of fellow 3-year-old Pondus.

"He's still green and he was going so good I pulled him out to let him stretch and he put the race to bed," de Sousa said. "With the headwind and his greenness, he just didn't know what to do. It's tacky, holding ground. That would not have been in his favour." Trainer Andrew Balding added, "He handles this ground well, but I'm sure he'll handle faster ground too--he's a talented horse who is improving so we'll have a look through the options. He's in a group 2 at Deauville [the Aug. 15 Prix Guillaume d'Ornano] and that's a possibility, but we could wait for the autumn as he stays in training as a four-year-old. He's out of a Galileo mare, so he could stay a mile and a half in time."

Fox Chairman is the third black-type winner for the unraced Starfish, with her previous best being the G1 Matron S. and G1 Phoenix S. heroine La Collina (Ire) (Strategic Prince {GB}). She is a half-sister to the G3 Chester Vase runner-up Icon Dream (Ire) (Sadler's Wells) and to the dam of last year's Listed Junioren-Preis winner and G3 Zukunfts-Rennen runner-up I'll Have Another (Ire) (Dragon Pulse {Ire}). This is also the family of the triple group-winning sire Fracas (Ire) (In the Wings {GB}) and the excellent Juddmonte producer Bahamian (Ire) (Mill Reef) responsible for Wemyss Bight (GB) (Dancing Brave) and her son Beat Hollow (GB). It also features Fox Chairman's sire Kingman. Starfish has the unraced 2-year-old filly Astadash (Ire) (Zoffany {Ire}) and a yearling colt by the same sire. **Click for the Racing Post result. Settled off the pace in rear until coming under pressure to close at halfway, the 14-1 chance launched her bid underneath the stands' side rail inside the eighth pole and was driven out to deny Show Me Show Me (GB) (Showcasing {GB}) by a head on the line. "My wife Louise picked this filly at the sale, there was no interest in her and she paid just three grand," explained trainer Rod Millman. "She is watching racing at a motor circuit with our son James so I rang and told her what's yours is mine! I was a bit nervous when Bettys Hope stood up in her stall, but all was well and Silvestre [de Sousa] gave her a fantastic ride." She is the latest foal and one of four scorers out of a half-sister to G1 Nunthorpe S.-winning sire Kyllachy (GB) (Pivotal {GB}), the dual stakes-placed Borders (GB) (Selkirk) and to the granddam of stakes-winning G3 Curragh S. third Yulong Baobei (Ire) (Choisir {Aus}). Virgin Snow (GB) (Gleneagles {Ire}), the daughter of Snow Fairy (Ire) (Intikhab), was 16-1 but put up a highly encouraging debut effort to be just over three lengths away in fourth. Nudged along approaching the quarter-mile marker, the 7-2 pick was angled away from the fence entering the final furlong and quickened smartly under mild urging in the closing stages to prevail by 3/4-of-a-length from Jungle Cove (Ire) (Mastercraftsman {Ire}). MIA MARIA (IRE) (f, 3, Dansili {GB}--Majestic Silver {Ire}, by Linamix {Fr}), the even-money favourite on the basis of her debut third behind Pink Dogwood (Ire) (Camelot {GB}) over a mile at Gowran Park in September, broke smartly despite the long lay-off to track the pace in a share of third. Cruising to the long-time leader Bellakris (Scat Daddy) with two furlongs to race, the homebred looked likely to go clear but may have been idling in front as she had only 3/4 of a length to spare over that rival at the line. The unraced dam Majestic Silver has proven a star broodmare for Moyglare, producing five winners from as many runners which include this filly's G3 Meld S.-winning full-sister Carla Bianca (Ire), the listed scorer and group-placed Joailliere (Ire) (Dubawi {Ire}) and the G2 Beresford S. runner-up True Solitaire (Ire) (Oasis Dream {GB}). PROMISING FUTURE FOR SEBRING COLT

Jye McNeill aboard Huntly Castle | *Bronwen Healy*

by Paul Vettise

Lindsay Park can sit back and make a Group 1 plan with certainty following a commanding performance from **Huntly Castle** (Sebring) at Flemington that has handed him a golden ticket for a classic start on Melbourne's premier course in the spring.

The David and Ben Hayes and Tom Dabernig-trained 2-year-old produced an encouraging effort to waltz away with the Byerley H. over 1800 metres and one that has guaranteed him a spot in the G1 VRC Derby.

The stable was in a bullish mood before the race and the colt didn't let them down, enjoying a fine ride from jockey Jye McNeill and when the pressure went on Huntly Castle responded in regal fashion.

"He looked really well and it was a very good effort to beat the older horses at Bendigo," Ben Hayes said. "All his work at home had suggested he had trained on well. He's needed a bit of time to mature and he should be a good Derby chance for us."

Hayes was appreciative of the opportunity to test Huntly Castle over more ground at this stage of his career.

"It's fantastic that they're putting on these longer races. It gives us trainers the opportunity to develop our stayers and he's a good example," he said. "We've just got to wrap him in cotton wool now and get him through to the Derby. It takes that pressure off and he really looks like a horse that will run out that distance."

Huntly Castle wasn't brilliantly out of the gates and he settled behind the leading pack on the fence and was into the clear soon after straightening.

"We're really happy and it was a great ride by Jye," Hayes said. "He slightly missed the kick and got further back than we were expecting, but Jye didn't panic and had the horse in a good rhythm. He was patient and it was a really good effort."

Hayes is unsure about Huntly Castle's immediate programme, but there is a chance he could again run over the same trip next time out.

"We'll take him home and take the foot off the accelerator," he said. "We'll have him on the water walker and keep him ticking over and happy. There's another 1800 metre Derby trial coming up so we could target that."

Huntly Castle was too good for the filly **Marndarra** (Foxwedge) with **Presently** (Hinchinbrook) taking third with the pacemaker **Echo Lad** (Squamosa) finishing fourth.

"I'd like to take the opportunity to thank the barrier boys, they don't really get the recognition they deserve," McNeill said. "He was a bit fractious and was a little bit slowly. Thankfully, we were still able to get into a good position and he switched off into a lovely rhythm and it was quite easy in the end."

Confident on Turn

Huntly Castle travelled easily and McNeill said he was full of running at the top of the straight. **Cont. p2**

Promising Future for Sebring Colt Cont. from p1

"My confidence really grew at the bend when I knew I was going to get plenty of space to wind up. He's a horse that takes a little bit of riding initially and the further the better for him. He gave me a really nice feel. The Derby is a long wait and I hope I can stay on him."

A half-brother to his winning stablemate Friday Funday (Nicconi), Huntly Castle is a son of Friday Hussy (Hussonet {USA}) and she won five races up to 2050 metres. Her dam Free Friday (Helissio {Fr}) is a sister to the dam of multiple Group 1 winner and former champion 3-year-old colt Weekend Hussler (Hussonet {USA}) and the Listed Nitschke S. winner and G1 Australian Guineas runner-up Peaceful State (Animal Kingdom {USA}). It's also the family of the G1 William Reid S. and G1 Toorak H. winner Lucky Hussler (Husson {Arg}), the G3 Tasmanian Derby winner Phantom Thief (Jade Robbery {USA}) and his half-brother Saturday Fever (Groom Dancer {USA}), who won the G3 Manion Cup.
