BRINGING THE HEAT
IN THE BOB HOPE

High Velocity (Quality Road) remained unbeaten with a game, front-running performance in Saturday's GIII Bob Hope S. at Del Mar.

The Gary and Mary West colorbearer, a sharp debut winner going 5 1/2 furlongs at Santa Anita Oct. 13, showed the way through an opening quarter in :23.28 and was met by slightly favored 4-5 shot Strongconstitution (Constitution) approaching the quarter pole.

Those two raced shoulder to shoulder into the stretch, but High Velocity had plenty left racing along the fence and turned back that rival to win going away by 1 1/4 lengths.

"He handled everything well for his second out," said Hall of Famer Bob Baffert after recording his 10th win in the Bob Hope (formerly run as the Hollywood Prevue).

"It's always a tough test after you break a maiden and he didn't have a lot of time between races. But the way he worked we thought he would run well. I liked the way that when that other horse came to him he dug in and took off again. And that's a nice horse that ran second."

Winning rider Drayden Van Dyke added, "I was loaded all the way. He's a fast horse. I got away with some pretty easy fractions here, so I was feeling good about that. I told Bob that he was just hitting his best stride as we went past the wire. He's a nice one." Cont. p3

NYTHA RESPONDS TO GOV. CUOMO PRESS RELEASE

The office of New York Governor Andrew Cuomo issued a press release Friday naming six trainers the state's Department of Labor has investigated for what the government deems to be unpaid wages and labor violations. (Click here for the release and here for the TDN story).

The New York Thoroughbred Horsemen's Association President Joe Appelbaum put out the following statement Saturday in response to the release from Cuomo's office:

"As New York's wage and labor practices continually evolve, New York's thoroughbred trainers have worked extremely hard to modernize their payment practices.

Pedigree Notes:
High Velocity marks his sire’s 40th stakes winner and he is bred on a wildly proven cross, as three of Quality Road’s 11 Grade I winners, including champion Caledonia Road, are also out of Dixie Union mares. Dixie Union, who died at 13 in 2010, made a lot of noise in this year’s 3-year-old picture as broodmare sire of both GI Travers S. winner Code of Honor (Noble Mission {GB}) and stallion New Year’s Day (sire of Maximum Security). High Velocity brought $350,000 at last year’s Keeneland September sale, while his yearling half-sister by Nyquist brought $325,000 at last month’s Fasig-Tipton Kentucky yearling sale. Dam Ketel Twist, third in the 2015 GIII Sixty Sails H., is out of a half-sister MSW & GSP Buff (Pleasant Tap), a stalwart performer on the Kentucky circuit two decades ago who was also a half-sibling to MGSW Masseuse (Dynaformer).

Mr. Misunderstood continued his love affair with the Churchill Downs turf course by successfully defending his title in Saturday’s GIII River City H.

Racing in a midpack sixth through easy fractions of :24.90 and :50.22, he began to roll off the turn for home and threaded the needle in the stretch to get the money.

Mr. Misunderstood has now won five of six career starts over the lawn beneath the Twin Spires, including last term’s GI Wise Dan S.

He failed to find the mark in his first four trips to the post this season, all as the favorite, including a third-place finish in the Kentucky Downs Preview Tourist Mile S. at Ellis Park Aug. 4 and a runner-up finish most recently in the Remington Green S. Sept. 29.

“He looks like he’s back to the old horse that he was,” winning owner Staton Flurry said. “I think that was a question in everyone’s mind, but we’re thrilled with today’s win. It’s always special when you get to win at Churchill Downs.”

Pedigree Notes:
A $130,000 2-year-old at the OBS March sale in 2016, Mr. Misunderstood is one of 11 black-type winners for 2011 GI Arkansas Derby winner Archarcharch, a striking son of Arch who has stood the last two seasons in South Korea after beginning his stallion career at Spendthrift Farm in Kentucky. Mr. Misunderstood’s dam is out of a half-sister to MGSW & GISP Middlesex Drive (Pine Bluff). Broodmare sire Afternoon Deelites, a popular dual Grade I winner in the ‘90s, was campaigned by composer Burt Bacharach. Now residing at Old Friends, he counts 19 stakes winners out of his daughters. Jodys Deelite’s most recent foal is a yearling colt by Flat Out who brought $6,500 at Keeneland’s September sale.

NYTHA Responds cont. from p1

“However, they sometimes find themselves in a difficult position as they try to manage agricultural businesses while faced with a myriad of complicated employment rules, many of which are not conducive to the effective care and training of a horse.

All racetrack workers should be paid fairly and appropriately under the law. No small business is perfectly run and these compliance issues mainly stem from a combination of long-term industry practices, the confusing nature of wage and hour rules and a challenging timekeeping environment.

We were disappointed with the Department of Labor’s language in characterizing these infractions. We had hoped that the DOL would be more willing to work with our industry to develop common sense regulations that are cognizant of the unique challenges our trainers face in working with animals. The DOL’s current approach is having a chilling effect on our ability to retain and recruit the hundreds of small agri-businesses that employ thousands throughout our State.

Our trainers are incredibly hard working and care deeply for their horses and the workers with whom they toil side-by side. Supported by NYTHA’s educational programming, which include labor practices seminars and one-on-one consultations with labor lawyers, they have quickly added the tools of modern employment to their businesses. New York’s trainers are focused on complying with New York’s employment laws and are genuinely concerned about meeting their obligations within a system that fails to recognize the unique nature of our industry.”
To the editor of the *TDN*,

It was with great interest that I read excerpts from Todd Pletcher’s recent *TDN* podcast. Of particular interest to me were Todd’s remarks that the Thoroughbred industry’s current crisis related to catastrophic racetrack injuries is not just a problem for trainers and racetracks, but an industry wide one. I couldn’t agree more. We are all in this together.

Trainers are commonly assigned or acquire equine athletes to train and race. Depending on the circumstances, these athletes have passed through many hands before reaching their trainer at a racetrack. From (1), planning the mating to balance traits of speed, stamina and soundness to (2), management and husbandry practices employed from conception through pre-training to (3), sales preparation for weanling, yearling or 2-year-old sales to (4), introduction to saddle and rider and the critical pre-training process before they ever reach the racetrack, many decisions and choices are made that impact the athletic future of these horses.

Inevitably, trainers and racetracks will receive the majority of the criticism when catastrophic racing injuries occur as they are most involved when this happens, but they generally have not bred, raised or prepared the horse for racing up to the point when it arrives at the racetrack. All stakeholders and inputs from planning, production, development, pre-training, training and environmental factors throughout impact performance. No doubt the greatest contributors to injury are encountered at racetracks in final race preparations designed by trainers, but those of us involved in the production and development of our equine athletes must do our part to ensure the horse is prepared to withstand the challenges he will face in training and competition.

Over the past several months of crisis, I have often asked myself “as a breeding farm manager, what can I do to make a difference?” I haven’t always had a clear answer. One thing I can do, every day, is ensure that all of the actions and choices made in the production and development of the horses in my care are preparing them physically and mentally to reach their full athletic potential as safe and sound as possible. If everyone involved in every phase from production through performance really works at it and puts the best interests of the equine athlete ahead of commercial or profit or other conflicting motives as we produce, prepare and compete, we will certainly be in a stronger position to minimize catastrophic injuries and proudly tell our story to the public. We can all make a difference daily by consciously and intentionally putting the horse first in every action, every choice we make.

(These are my thoughts and opinions, not necessarily those of Three Chimneys Farm.)

Sincerely,
Christopher L. Baker

PALACE MALICE HALF TO MONOMOY GIRL ROMPS TO RISING STARDOM

Mr. Monomoy (Palace Malice), a half-brother to champion Monomoy Girl (Tapizar), earned the ‘TDN Rising Star’ moniker with an impressive graduation at Churchill Downs Saturday. Rallying from last to be fourth in his six-panel unveiling at Keeneland Oct. 19, the €180,000 ARQMA juvenile buy was hammered down to 4-5 favoritism to improve this time around. With Florent Geroux, who piloted his sister to a series of Grade I victories, in the irons, Mr. Monomoy hustled out of the gate to seize the early advantage, doling out early fractions of :22.91 and :46.68 with a pair of rivals breathing down his neck. Showing the way into the lane, the bay powered clear of his foes under a hand ride to win by 5 1/2 lengths over In Sky We Trust (Sky Kingdom). He is the 15th winner for his freshman sire (by Curlin) and the second of the day at Churchill, following Maga Suite (Palace Malice), who won race four.
Mr. Monomoy cont.

The winner’s half-sister Monomoy Girl, (Ch. 3yo filly & MGISW, $2,954,750), who hails from the same barn and shares some of the same owners as her younger sibling, ran the table in the 3-year-old filly division last year with five Grade I wins, including the GI Breeders’ Cup Distaff and GI Kentucky Oaks. She did not make the races this year due to minor illness and injury, but her connections plan to race her in 2020 at age five.

Nicolas de Watrigant of Mandore International Agency alerted ‘Team Monomoy Girl’ after watching Mr. Monomoy breeze at the Arqana May Sale this spring.

“I woke up to an email from Nic saying that Monomoy Girl’s brother was in the Arqana Breeze Up Sale and breezed good and he thought the horse could make a dirt horse,” Bradley Weisbord of BSW Bloodstock said.

“I actually asked him, ‘What do you know about dirt horses?’ Considering we’ve been so successful with him buying [MGISWs] A Raving Beauty (Ger) and [GI TVG Breeders’ Cup Mile heroine] Uni (GB). He said this horse moves like a dirt horse. I immediately brought it to Sol [Kumin], who is the majority partner on Monomoy Girl. Sol and Mike Dubb are super game, a big fan of Nic and supportive of everything we do.”

Weisbord concluded, “It’s really fun to have a 2-year-old colt to dream with now.”

Purchased by Michael Hernon’s Highfield Ranch for $75,000 at the 2014 Keeneland November Sale while pregnant with Monomoy Girl, Drumette summoned $1.85 million from Bridlewood Farm at the culmination of her daughter’s Eclipse-winning campaign at the 2018 Fasig-Tipton November Sale. She was carrying a foal by Mastery at the time and she produced that filly Apr. 11 of this year. The 11-year-old mare was bred back to Tapit.

Newstome wired a field of state-bred rivals going 5 1/2 furlongs at Parx Aug. 3 before fading to seventh behind Four Wheel Drive (American Pharoah)—subsequent victor of the Gill Futurity S. and GII Breeders’ Cup Juvenile Turf Sprint—in the Rosie’s S over the Colonial Downs turf Aug. 31. Back to the state-bred ranks for the Oct. 16 Mark McDermott S. on the Presque Isle synthetic, the grey came from just off the pace to win again and was backed down to 9-5 favoritism while trying open company this time. Crowded at the start, Newstome scraped paint in third and remained in that position as the field rounded the turn into the stretch. With daylight opening up to the inside of leading Reform School (Munnings), Newstome drove through the narrowing gap late and was up in the final jump to collect his second stakes victory. Informative closed to be second, while Reform School held third.

“He broke really well for me today and the speed horse who I thought would go to the lead went to the lead and we were able to save all the ground and get a nice covered-up trip,” said winning rider Trevor McCarthy. “Turning for home, I was little worried that [Reform School] got away from me but he was very game. Every time I asked him for more, he just kept giving.”

After back-to-back wins at this distance, a Sept. 14 Monmouth maiden and an Oct. 16 Keeneland optional claimer, Cofactor was the crowd’s pick to make it three in a row and take her first black-type event. She sat on the rail in mid-pack behind smart fractions of :22.20 and :46.52, split horses coming off the turn, found clear running at least four paths wide down the lane, and made it look easy, cruising home a 1 3/4-length victress.

“I was worried that she was boxed in there,” said conditioner Kelly Breen. “She was in tight and when she got clear I was just hoping that she had that kick, and she did.”

Continued rider Joe Bravo, “She’s a really talented filly and she broke really fast. I think if I kept after her she could have kept up there close but she’s such a smart girl. She’s had [time] off, she let those horses go a fast, honest pace and turning for home those horses split and she was ready to roll.”

A debut winner at Churchill at the end of May, Rowdy Yates was a close second in the GIII Bashford Manor S. the following month before annexing the Aug. 18 Ellis Park Juvenile S. by daylight. Fifth behind Dennis Moment (Tiznow) in the GIII Iroquois S. Sept. 14, he easily handled several of these foes in the restricted Oklahoma Classics Juvenile S. Oct. 18, and was a heavy favorite to do the same around an additional turn. Taking up a good stalking spot in third early, the dark bay had to tap on the brakes as he waited for a seam heading for home. He tipped out to collar pacesetting Fly to the Bank in upper stretch, and kicked away convincingly from there. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

A nose away from being a perfect four-for-four this season, Jean Elizabeth loomed large in here off of a victory in the GII Ontario Fashion S. last out Oct. 19. She dueled outside of fellow grey Puntsville through splits of :21.73 and :44.89, and eventually wore that stubborn foe down after the pair exchanged some bumps. The winner has a foal full-brother and her dam was bred back to Laoban. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

MUCHO (c, 3, Blame―Extent, by Pulpit) garnered the ‘TDN Rising Star’ distinction for a second-out romp at Saratoga last August before finishing second as the favorite in that venue’s GI Hopeful S. that September. He resurfaced to take a Gulfstream optional claimer Mar. 1, but had gone winless since then while alternating between turf and dirt tries. The bay was most recently third in a spot like this one at Keeneland Oct. 20, and was dispatched at 5-2 this time. Away last, the homebred moved up one spot down the backside with only Where Paradise Lay (Into Mischief) behind him. The back markers both came with runs as the pace fell apart, and Mucho enjoyed an unencumbered run outside while Where Paradise Lay had to navigate through traffic and dive inside. They struck the line almost together, with Mucho earning the decision by a head. 

The winner is half to Size (First Samurai), GSW, $212,453. His dam is also responsible for the juvenile filly Pushin Buttons (Majesticperfection) and a weanling filly by Fed Biz. Debutante Dreamer was bred back to Funtastic. Sales history: $9,000 Ylg '17 KEESEP. Lifetime Record: 10-4-1-0, $190,358. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

ALTEA (FR) (f, 4, Siyouni {Fr}―Ensis {Spa} {SP}, by Zieten) wasn’t too shabby in France at two when trained by P. Sogorb, picking up a win at Vichy and two stakes placings, including a second in the G3 Prix des Reservoirs. She caught the attention of her current connections and was brought stateside before the end of that year, making her sophomore debut in March 2018 with a third in the GII Florida Oaks. She’s run respectably since then, also picking up a placing in last year’s GII Lake George S. and most recently hitting the board in three consecutive allowances including her last-out at Belmont Sept. 13, but she had yet to win on these shores. After a 60-day freshening, she was sent to post at 3-1, settled near the back on the rail and began moving up steadily entering the turn. Hugging the inside in upper stretch, she burst through and caught the dueling leaders. She switched briefly to her wrong lead in mid-stretch before being corrected, but switched back again right at the wire, still finishing full of run to clear Mean Mary (Scat Daddy) by 2 1/4 lengths. The winner’s dam, whose 2019 colt has been named Cade’s (GB) (Dabirsim {Fr}), hails from the family of Acceleration (Fr) (Acatenango {Ger}), who was both a GSW-Fr and a twin. SEDAMAR (f, 3, Richard's Kid--Win Allison Win, by Stormy Atlantic), on the board in six of seven prior starts this season, recorded her most recent win in a state-bred optional claimer at the seaside oval Aug. 15. Third last time out in an $80,000 optional claimer while facing open company Sept. 2, she was given a 3-1 chance trying similar here. Content to stalk the early pace in fourth through opening fractions of :22.79 and :46.91, the bay was drawn out by Brice Blanc for the stretch drive. Gradually inching her way closer to the front with every stride, she hit the front late and proved 3/4-length best over Courteous (Midnight Lute) at the wire. Lifetime Record: 11-3-2-4, $175,604. DOC YCO CHEEKS (f, 3, Unusual Heat--Sandy Cheeks, by Souvenir Copy), a full to Cheekaboo, GSW, $371,995, flew home only to miss by a head in her Santa Anita unveiling last October, and resurfaced off of almost a year lay-off to break through in Arcadia Oct. 10. Installed at even money to handle winners in her first try against them, the homebred hugged the fence under a snug hold in midpack early. Clearly full of run as she zoomed to the fore to prevail by a half-length over Rose Dunn, she hit the front late and proved 3/4-length best over Courteous (Goldencents) in the final strides and to win by a neck in a gritty performance, becoming the 20th winner for his freshman sire (by Curlin), is a half to Guest Suite (Quality Road), GSW, $345,600. Their dam Guest House produced an Exaggerator filly last term and was most recently bred to Justify. Maga Suite hails from the family of Horse of the Year and prolific sire A.P. MUSTN'T GRUMBLE (f, 2, Competitive Edge--Juanita Senorita, by Corinthian) made all the pace in her debut only to be passed in the stretch. She held second in that Oct. 26 maiden over this course, but shortening up by a furlong and the addition of first-time Lasix made her an easy choice here at 4-5. She wasn’t quick out of the gate this time and got caught in heavy traffic, trapped in second-to-last two furlongs from home. Splitting rivals with a furlong to go, the bay rallied to catch pacesetter Words of Gold (Goldencents) in the final strides and to win by a neck in a gritty performance, becoming the 20th winner for his freshman sire (by Super Saver). The winner’s dam has yearling and weanling colts by Fed Biz and Overanalyze, respectively. Juanita Senorita’s grand dam is Canadian champion Hope for a Breeze (Briartic). Mr Phil (Mr Speaker) and Trash Talker (Competitive Edge) gave game chase in the lane, but the former could only get within 3/4 of a length of Hemlock at the line with Trash Talker beaten another neck. The winner’s dam is a daughter of GSW and GISP Minister’s Melody (Deputy Minister), making her a full to local Grade I winner Bob and John. SWISS SKYDIVER (f, 2, Daredevil--Expo Gold, by Johannesburg) boasted a speedy worktab, including a half-mile bullet in :46 flat (1/10) last time at Keeneland Nov. 7, and opened up as the favorite for this debut, but floated up to 7-2 by post time. Caboozing the majority of the field as two runners trailed behind her, the chestnut saved ground through a half-mile in :46.67. Swung out for a four-wide bid approaching the far turn, Swiss Skydiver powered clear of her competition in the lane for a dominant 5 1/2-length score. Saxony (Hard Spun) was second. Swiss Skydiver is the ninth winner for her freshman sire (by More Than Ready). Expo Gold produced a full-brother to the winner in 2018 and a Danzing Candy colt in 2019. She was bred back to Into Mischief. This is also the family of GSW & MGISP Better Than Honour (Deputy Minister), dam of Gi Belmont S. winners Jazil (Seeking the Gold) and champion filly Rags to Riches (A.P. MUNDAYE CALL (f, 2, Into Mischief--Reve d’Amour, by Warrior’s Reward) missed by just a head in her Saratoga unveiling Aug. 11, giving her connections enough confidence to send her to that venue’s GI Spinaway S. next out Sept. 1, where she led early before fading to seventh. Favorited at 6-5 this time, the blaze-faced bay sped straight to the front from her rail draw and clicked off an opening quarter in :22.65. Putting up a half in :45.74, the $950,000 FTSAUG buy charged clear in the lane for a never-in-doubt 3 1/4-length success. It was the first victory for Don Chatlos since going back out on his own in June after serving as assistant to Jerry Hollendorfer. Mundaye Call’s unraced dam Reve D’Amour is a daughter of MGISP & G1SP Smolensk (Danzig), who also produced GSW & GISP sire Can the Man (Into Mischief). The winner is the second foal out of the 7-year-old mare, who has since produced a yearling filly by Malibu Moon and a weanling filly by Strong Mandate. She was bred back to Into Mischief. This is also the family of GSW & MGISP Better Than Honour (Deputy Minister), dam of Gi Belmont S. winners Jazil (Seeking the Gold) and champion filly Rags to Riches (A.P. Comfortably ahead at the top of the lane, he drew off to score by 8 3/4 lengths under a hand ride. Blue Ridge Mountain (Tapizar) got up for second. A $17,000 KEESEP yearling purchase, Benintendi developed into a $270,000 buy at OBSAPR after breezing an eighth of a mile in :10 flat (OBS video). The winner is a half to She’s Indy Money (A.P. NIGHTIME TO SHINE BRIGHT AT GOFFS

By Daithi Harvey

When a Classic-winning filly retires to stud great things are naturally expected of her subsequent progeny, but often a top-class race mare struggles to produce a horse as good as herself. This is certainly not the case with G1 Irish 1000 Guineas winner Nightime (Ire) (Galileo {Ire}), who is the dam of two Group/Grade 1 winners in Ghaiyyath (Ire) (Dubawi {Ire}) and Zhukova (Ire) (Fastnet Rock {Aus}), who both achieved a higher rating than their top-class dam did. In fact, Ghaiyyath’s 14-length romp in this year’s G1 Grosser Preis Von Baden pushed the Charlie Appleby trained colt's rating up to 126, which is top five in the world territory.

DISTORTED HUMOR MARE TOPS TATTERSALLS IRELAND

The winning MSP Wahgah (Distorted Humor) topped the single-session Tattersalls Ireland Flat Foal & Breeding Stock Sale on Saturday. Sold as lot 183, the 8-year-old--in foal to Mukhadram (GB)--was offered by Derrinstown Stud and was knocked down for €50,000 to BBA Ireland bidding on behalf of Gerry Aherne. Placed at the listed level at both Newmarket and Lingfield, the half-sister to GSP Bashaar (Street Cry {Ire}) is already the dam of the winning Tadreej (GB) (Mukhadram {GB}). Under the SP third dam is the G2 Debutante S. heroine Gaudeamus (Distorted Humor), as well as Stateside Grade III victor King Zachary (Curlin).

“She will stay in Ireland and most likely go to Ten Sovereigns (Ire) (No Nay Never),” said Aherne. “She was a good racehorse, is a young mare and is from a good farm. Her 2-year-old (Tadreej) has shown some ability too.”

It was a productive sale for Derrinstown, as they consigned three of the top four lots, also offering Buroog (GB) (Invincible Spirit {Ire}) (lot 151) in foal to Iffraaj (GB) and the dual winner Ejadah (Ire) (Clodovil {Ire}) (lot 184).

Rathasker Stud went to €30,000 for the former, a daughter of G3 Albany S. heroine Habaayib (GB) (Royal Applause {GB}). GII Adirondack S. victress Salty Perfume (Salt Lake) is the third dam, a half-sister to German highweighted juvenile, GSW and MG1SP Green Perfume (Naevus). Cont. p4
Nighttime’s ’19 Dubawi Colt Cont. from p1

The latest chapter in the Nightime story will be played out next week at Goffs when the 16-year-old mare’s Dubawi colt foal—the only one by the sire in the sale and a full-brother to Ghaiyyath, who himself was a €1.1-million Goffs foal in 2015—will be offered by The Castlebridge Consignment as lot 745 on Wednesday.

It is a pedigree synonymous with the Weld family with master trainer Dermot the current custodian having taken over the breeding career of Nightime upon the death of his mother Marguerite in 2014. Weld of course trained not only Nightime to win the Irish 1000 Guineas in his mother’s colours at The Curragh in 2006, but also the granddam Caumshinaun (Ire) (Indian Ridge {Ire}) who was champion older mare in Ireland in 2001, as well as the GI Man O’War S. winner Zhukova. Since retiring to be a broodmare, Nightime has bred five winners, headed by the aforementioned top-level winners in addition to the stakes-placed Sleeping Beauty (Ire) (Oasis Dream {GB}) and her progeny have grossed almost €4 million in the sales ring when offered as foals or yearlings; add another 3.7 million gns to that figure when one takes into account the sale of Zhukova to Godolphin as a broodmare prospect at Tattersalls two years ago. Bill Dwan of The Castlebridge Consignment knows the pedigree inside-out, having been entrusted by the Weld family to sell pretty much all of Nightime’s offspring that have been offered at public auction and he is naturally looking forward to offering the mare’s third son of Dubawi.

“He is quite similar physically to Ghaiyyath,” Dwan said of the March-born chestnut. “He is a strong, well-made colt with great bone. Both Ghaiyyath and this foal have wonderful temperaments and take everything in their stride. This colt has had a very straightforward preparation. He is hand walked daily and spends the rest of the day out in a grass paddock.” Cont. p3
Nightime’s ‘19 Dubawi Colt Cont.

Following the seven-figure sale of Ghaiyyath and the sale of another Dubawi foal last year to Godolphin for 700,000gns, one could assume that the Nightime/Dubawi alliance would be a perennial one, bolstered by Ghaiyyath’s subsequent success on the track. However, the emergence of an exciting young buck this spring lead to a change in routine for Nightime in 2019 and the result will be eagerly awaited in 2020.

“I actually saw Nightime the other day, she looks great, is very happy and is heavily in foal to Kingman (GB),” Dwan revealed. "Her plans for 2020 have not been decided yet but obviously with Kingman developing into such a brilliant stallion you’d have to be excited about what arrives in a few months’ time. While so much has happened already in the family there is so much more to come as well. I spoke to Jimmy Hyland earlier in the year and he told me the yearling is delighting him, he has really done well physically so fingers crossed he turns out as good as his older full-brother.”

Not only has Dwan played a pivotal role as consignor for Nightime’s progeny, but he also played a part in the racing career of Zhukova, in his position as advisor to the mare’s former owner Chantal Regalado-Gonzalez. Thus, he is well qualified to give his thoughts on what makes the pedigree tick so successfully.

"I have to say a lot of the credit must go to Galileo as he is a wonderful sire and broodmare sire and when you match that with super sire Dubawi it’s quite simply breeding the best to the best," he said. "This family has been nurtured by the late Mrs. Weld who was a wonderful breeder and it was quite an achievement by her to win the Irish Guineas with a filly she owned and bred and was trained by her son. All Nightime’s progeny have great temperaments, which makes them easy to handle and train and they are tough and enjoy racing, which is so important.

Nighttime’s ‘19 Dubawi Colt Cont.

“Class rises to the top and Nightime’s progeny have class in abundance. Ghaiyyath was a magnificent foal who sold at Goffs for €1.1 million to Godolphin, he won his Group 1 this year by a staggering 14 lengths and his half-sister Zhukova won the Man O’War by an impressive six lengths. Let’s not forget Nightime herself also won her Classic by six lengths.”

While Zhukova went unsold in the ring as a yearling she ultimately ended up in the ownership of Regalado-Gonzalez and her partner John Murrell. She was a relatively late developer, making her debut as a 3-year-old but the patience shown by Dermot Weld would ultimately pay dividends for connections.

"Zhukova was a beautiful yearling and we loved her at home,” Dwan recalled. "She turned into a fabulous race filly who gave her owners some great days winning group races in Leopardstown and The Curragh before heading to America to win the Grade I in Belmont Park. She went on to sell for 3.7 million gns at Tattersalls December sale which proves how well this pedigree is received and I believe she foaled a colt by Dubawi earlier this year. Nighttime’s Dubawi foal has all the family attributes both physically and mentally to allow us to dream of him being as successful as, or even better than, his illustrious siblings.”

Tattersalls Ireland Cont. from p1

“She is for a client who had a couple of good sales this year,” said Rathasker’s Maurice Burns. “She is from a nice family, is in-foal to a sexy stallion and on an early cover—there is a lot to like.”

Tetromeen Ltd. secured Ejadah in foal to Dawn Approach (Ire) for €25,000. She is half-sister to GSW First Cornerstone (Ire) (Hurricane Run {Ire}) and MSW & GSP Buxted (Ire) (Dynaformer).

The Bahri mare Cosmodrome (lot 174) also made €30,000, tying Buroog as the second priciest lot on the day, as she caught the eye of Kill Bloodstock. Hailing from the draft of Ballywalter Farm, agent, the Listed Height of Fashion S. scorer is a half-sister to SW Splashdown (GB) (Falbrav {Ire}).
Lot 112, a son of Kodiac | Tattersalls

Splashdown is the dam of G3 Solario S. winner Aktabantay (GB) (Oasis Dream (GB)). Cosmodrome is carrying to G1 2000 Guineas hero and first-season covering sire Saxon Warrior (Jpn).

Leading the weanling portion of the sale was a colt by prolific sire Kodiac (GB), who exited the ring unsold, but changed hands afterwards for €24,000 to Razza Del Velino.

Kilmaglish House Stud consigned lot 112, the third foal of the Italian winner Veronica Best (Ire) (Hernando (Fr)). Sapieha (Ire) (Petorius (Ire)), a GSW and G1SP in Europe, struck at the top level in South Africa and shares the same third dam as this Apr. 22 foal, the winning Sugarbird (Ire) (Ire).

By the end of the day’s trade, 85 lots (55%) had found new homes, while grossing €547,600. The average rose to €6,442 (+4%) and the median was unchanged at €3,000.

“The rationale for changing the new date was to increase the footfall at the sale,” said Tattersalls Ireland CEO Matt Mitchell. “We believe as indicated by the increase in the clearance rate that the change has been beneficial.”

BREEDING STOCK SALES: BY THE NUMBERS

By John Boyce

Breeding stock sale returns may not offer the same clear insight into the health of the bloodstock market the way that yearling auctions do. Trade in broodmares tends to be asset liquidations or asset acquisitions, the start of something new or indeed the end of something old. And as great broodmares underpin most bloodstock endeavours whether you are a commercial or private breeder, the clamour to invest in a potential 'blue hen' can send the markets into the stratosphere. But that's only at the top end of the market.

In the five years to 2018, the prices for mares have fluctuated from year to year and are subject to some distortion when major dispersals take place, but grouping the five years together can give us a useful insight to the market dynamics in Europe and in America. There is no clearer picture to be had than looking at a sample of 6,000 or so mares sold in each region over the period. I have limited Europe to the three main sales—Tattersalls December, Goffs November and Arqana December—and the U.S. sales to Keeneland and Fasig-Tipton November sales. On the face of it, both look almost identical in their price distribution. Breaking each market into 10% segments shows that the top decile in each region is subject to the same market dynamics. Both produce an average of nearly six times the overall average for the group as wealthy investors vie for the choicest lots. And the pressure gets even higher at the very top of the market where the top 5% (310 lots) average 9.3 times the general average in Europe and 10.8 times in America.

Whereas the average price for the best prospects in Europe are comparatively more highly valued against the market in general, compared to North America, inevitably it is the American market that has produced more high-priced fillies and mares. Cont. p7
Breeding Stock Sales: By the Numbers Cont.

In the five years the average price of the top 10% of the American market has averaged $594,000 compared to the $483,000 in Europe. Moreover, the middle market in the U.S. has typically outperformed Europe by about 50%. And there were also many more dollar millionaires in America: 108 compared to 55 in Europe. Our chart also shows a greater depth to the American market, with the top 30% of the market maintaining an average greater or equal to the overall average, something which the European market struggled to do. In real terms, the U.S. market has posted stronger numbers in every decile except the bottom three.

In the five years to 2018, 31 Group 1 winners have been sold in Europe bringing an average of $1.32 million, headed by the 6 million guineas for top-class sprinter Marsha (Ire) (Acclamation {GB}). Again it's a significant drop in price for Group 2 and Group 3 winners: 186 of them averaged $337,000 in the five years, while 328 listed winners changed hands for an average of $174,000. Restricting it to breeding prospects (i.e. fillies just off the track), Group 1 winners would have set you back $3.45 million on average, compared to $542,000 for Group 2 and Group 3 scorers. Listed-winning fillies meanwhile averaged $405,000.

In America, Grade I winners--there have been 108 of them since 2014--sold for an average of $1.3 million and they featured Tepin (Bernstein) at $8 million, Lady Aurelia (Scat Daddy) at $7.5 million and Stellar Wind (Curlin) who brought $6 million. Grade II and Grade III winners did better in America than in Europe with an average price of $461,000, compared to Europe's $337,000. Cont. p8
Breeding Stock Sales: By the Numbers Cont.

Listed and stakes winners in America in the period have sold for $133,000. Once again, fillies just off the track brought premium prices in the U.S., with Grade I winners making $2.53 million, other group or graded winners $774,000 and listed and stakes winners $298,000.

IVAWOOD HEADED TO FRANCE

MGSW & MG1SP *Ivawood (Ire)* (Zebedee (GB)–Keenes Royale (GB), by Red Ransom) will move to Haras du Mont Goubert in France and command €3,500 next year, *Jour de Galop* reported. Previously located at Coolmore Ireland, the G1 2000 Guineas runner-up and G1 Irish 2000 Guines third has first juveniles running this year, with 16 winners. Among them are stakes winners Chares (Ger) and Sopran Ival (Ire). Haras du Mont Goubert and Coolmore will stand the horse in partnership.

“I went to see the horse in Ireland and I must say, his physique is really remarkable,” said Haras du Mont Goubert’s Victor Langlais to Jour de Galop. “He’s a good walker too. It shouldn’t be forgotten that Ivawood, after having been a champion at two, was able to hit the board twice in Classics at three.”

DEEP IMPACT TRIFECTA IN TOKYO

The highly regarded Contrail (Jpn) (Deep Impact {Jpn}), favoured at 5-2 in his stakes debut, ran to the money and earned his first black-type rosette in the G3 Tokyo Sports Hai Nisai S. at Tokyo on Saturday. The grandson of American champion 2-year-old filly Folklore (Tiznow) closed from fifth in the 1800-metre contest and drew off to win by five lengths in a new course record of 1:44.50 over the firm ground. He defeated paternal half-brothers Al Jannah (Jpn) (Deep Impact {Jpn}), with Rhinebeck (Jpn) (Deep Impact {Jpn}) in third another four lengths behind.

Allowed plenty of time to settle once the gates flew, the bay was unhurried early in midpack as Meiner Destello (Jpn) (Eishin Flash {Jpn}) hustled out to a one-length lead on his rivals. That foe enjoyed his advantage until coming under pressure three furlongs from home, while Contrail was cruising ominously into contention under his own power. Asked to go by Ryan Moore leaving the bend, he accelerated impressively out in the middle of the course, seized command 400 metres from the line and dominated from there, crossing the wire with ears pricked.

Pedigree Notes

He is one of 144 black-type winners for his late sire. The Sept. 15 Hanshin newcomers’ scorer is the third winner and third foal out of his dam, the placed Rhodochrosite. Folklore, a winner of both the GI Breeders’ Cup Juvenile Fillies and the GI Matron S., is a half-sister to SW & GSP Divided Attention (A.P. Indy), as well GSP Delightful Quality (Elusive Quality).

WATCH
REDOUTE’S FILLY EXCELS
AT RICCARTON

By Paul Vettise

Loire (Redoute's Choice) turned her fortunes around in spectacular fashion at Riccarton where she claimed Group 1 honours off the back of a forgettable lead-up, which had understandably dented the confidence of her connections. Plans for the Tony Pike-trained filly were up in the air after she suffered a heart fibrillation when unplaced in the G3 Soliloquy S. at Ellerslie, but her recovery was excellent and she showed her class with victory in the G1 gavelhouse.com New Zealand 1000 Guineas.

Loire, whose form hiccup was reflected in her going to the post at odds of 27-1, sat back of midfield in a slowly run affair before she picked up ground near the turn and cut loose impressively down the centre of the track under jockey Michael McNab.

"He was very good and off a slow tempo. We talked about it beforehand and we talked about being a bit closer because we didn’t think there would be much speed," he said. "He gets on really well with the filly and it’s a great result for Michael and Brent and Cherry. She didn’t go to the sales because of a paddock injury and I bet they’re glad she didn’t.”

Loire is raced by breeders Brent and Cherry Taylor of Trelawney Stud and minutes after their Guineas success, another homebred Excelida (Exceed And Excel), who is raced by Cambridge Stud’s Brendan and Jo Lindsay, finished third in the Listed Twilight Glow S. at Sandown.

“We’ve always had an opinion of Loire and then she had that heart problem, which was a big shock and very disappointing,” Cherry Taylor said. “Tony did a great job and we’re just so thrilled.”

McNab said Loire was always going to appreciate the big track at Riccarton and the distance.

“I was glad to get back on the filly and she had been set for the mile. I wanted to be a couple of spots handier, but unfortunately she didn’t get away that well,” McNab said. “I went back to get in and then tracked into the race and got to top revs and got the job done. She was tough to the line. This has been her goal from the start and unfortunately I couldn’t ride her in her last couple, but luckily I was able to get back on her.”

Loire accounted for Jennifer Eccles (NZ) (Rip Van Winkle {Ire}), who made ground strongly from back in the field.

“She’s run really well, but all credit to the winner," trainer Shaune Ritchie said. “I guess my filly has justified her spot as the best maiden in New Zealand.”

The favourite Travelling Light (NZ) (El Roca) suffered the first defeat of her four-start career when third. She had an easy run in front, but had no answer to the finishes of the first two fillies in the closing 200 metres. The genuine Bavella (Snitzel) was fourth in ahead of Bella Mente (NZ) (El Roca) and the winner’s stablemate Kali (NZ) (Darci Brahma {NZ}) did well for fifth after walking out of the gates.

Pedigree Notes

Loire is by the late, great Redoute’s Choice, whose overall tally currently stands at 1099 winners from 1444 runners. He has sired 168 individual stakes winners, with 36 at Group 1 level—a list that features such big names as Miss Finland, Lankan Rupee, The Autumn Sun and Snitzel. Loire is the third Group 1 winner in New Zealand for Redoute’s Choice. Cont. p2

King’s Rose (NZ) also won the New Zealand 1000 Guineas in 2010, and later performed with distinction in Melbourne, while Redoute’s Dancer won a New Zealand Derby for Tim Martin. A half-sister to the G1 Thorndon Mile winner A Touch Of Ruby (NZ) (Pins), Loire is a daughter of Syrah (NZ) (Traditionally (USA)) and she is a sister to the Taylor’s G1 Queensland Oaks winner Vouvray (NZ) (Zabeel {NZ}). Their dam Real Success (NZ) (Success Express {USA}) won the G2 Dulcie S. and was a dual Group 3 winner. Since producing Loire in 2016, Syrah has had a colt by Ocean Park (NZ) and a colt by Tivaci.
