PINK SANDS WORST TO FIRST IN THE RAMPART

Pink Sands (Tapit) seems to save her best for Gulfstream Park, having posted two of her four previous victories over the surface. Making her fifth attempt at graded stakes competition in Saturday’s GIII Rampart S., the immaculately bred bay came with a stunning rally from last to earn a most valuable success.

The outposted Cookie Dough (Brethren) was well into stride from gate 10 and made her way down to the inside running rail, where she set a strong pace as Pink Sands dropped out to trail down the backstretch. Still out of the picture with three furlongs to race, Pink Sands raced in the slipstream of the rallying Cairenn (First Dude) while deep on the turn, was switched outside of that one traveling well into the stretch and kicked home sharply to grab the favorite in the final two jumps.

"She kind of went through her conditions here last year so we felt like when we brought her back down here that she does like the track and she's had a little bit of an opportunity," said winning trainer Shug McGaughey. "We had this in our mind...and it worked out well. She likes it here, it was a mile and [we were] trying to win a graded stakes with her."

A course-and-distance allowance winner just shy of one year ago, Pink Sands was third to Come Dancing (Malibu Moon) in the GII Ruffian S. in May ahead of a breakthrough stakes tally in the June 22 Lady’s Secret S. at Monmouth. Well-beaten in the GIII Shuvee S. at Saratoga in July and in the GIII Locust Grove S. at Churchill in September, she was last seen finishing a never-nearer third in Aqueduct’s Pumpkin Pie S. Nov. 9. TDN RISING STARS SETTLING IN AT SPENDTHIRT by Katie Ritz

Two ‘TDN Rising Stars’ have found their way onto the growing stallion roster at Spendthrift Farm. Coal Front (Stay Thirsty) and Maximus Mischief (Into Mischief) earned the ‘Rising Star’ title in their first and second starts, respectively, and both went on to become graded stakes winners. Both of these new sires are a part of Spendthrift’s ‘Share the Upside’ program, allowing breeders to have a continued breeding right throughout a stallion’s career. Spendthrift’s Stallion Sales Manager Mark Toothaker spoke to us about how the two were settling in and the first reactions from breeders.

Toothaker said he believes Coal Front is one of the most striking freshman sires coming in this year. "He’s such a well-balanced horse. He’s got a big hip and is very correct, but just has eye-dropping beauty." Cont. p4

The 78th career graded winner for Tapit, Pink Sands’s Grade I-winning dam was acquired by Larry and Karen Doyle’s KatieRich Farms for $1.5 million with the filly in utero at the 2014 Keeneland November Sale. KatieRich sold Pink Sands for $625,000 at the 2016 Fasig-Tipton Saratoga Sale. Her Smile, who earned her top-level success in the 2011 Prioress S., is a half-sister to the stakes-winning Moon River (Bluegrass Cat) as well as Doolittle (Polish Numbers), the dam of SW & GSP Tricks To Doo (Into Mischief). Pink Sands’s year-younger full-brother Timing Now was a $750,000 Keeneland September yearling purchase and was sent to Japan, where he has recorded two wins from four starts this season. The dam of a weanling colt by Candy Ride (Arg), Her Smile was most recently bred to Arrogate.

Toothaker said that breeders have already been drawn to him as well. “When you let him out onto the show ring and stand him up to people, they just step back and say, ‘Man, that is just about as pretty a horse as they make them.’”

The son of Bernardini’s Stay Thirsty was a $575,000 2-year-old purchase, bought by Robert LaPenta at the 2016 OBS April sale. Coal Front is out of the Mineshaft mare Miner’s Secret, and is a half to Conquest Titan (Birdstone), a stakes winner at two that went on to place second to Cairo Prince (Pioneerof the Nile) in the GII Holy Bull S. at three. Miner’s Secret is a half to the multiple graded stakes winner Woodlander (Forestry), as well as to stakes winner and sire Admiral Alex (Afleet Alex).

Coal Front is crossed 3x3 to A.P. Indy, which Toothaker said breeders have taken note of as well. “He’s really the best performer on that cross at three-by-three. A lot of people who are really into pedigrees are excited about Coal Front, and I think breeders are going to find a whole gold mine of genetics that they can tap into to get a great chance at a quality horse.”

Coal Front earned ‘Rising Star’ status on debut, breaking his maiden at Keeneland as a 3-year-old and beating the field by 6 1/2 lengths. He went on to take the GII Amsterdam S. at Saratoga and Parx’s GIII Gallant Bob S. later that year.

At four, he won the GII Mr. Prospector S., and then claimed three more stakes wins the next year including the G2 Godolphin Mile at Meydan and the GIII Razorback H. at Oaklawn. Toothaker said he recalls the Razorback as one of his most impressive wins. “He drew the 14 hole that day, but was able to overcome that disadvantage and win in a very impressive fashion.”

The Razorback was also Coal Front's first time stretching out to a mile and a sixteenth, and he won by a neck, getting past graded stakes winners Copper Bullet (More Than Ready) and Rated R Superstar (Kodiak Kowboy).

Coal Front retired after his 5-year-old season, finishing with over $1.8 million in earnings. Each of his five graded stakes was won at different tracks and at different distances, from six furlongs to 1 1/16 miles. Toothaker said of Coal Front's versatility, "Coal Front didn't need to have his own racetrack, he could take his track with him. He won at different distances all over the world. Breeders are going to love his versatility, and be very impressed with how talented he was."

Followed by leading second-crop sire Goldencents, Maximus Mischief will become the second son of Into Mischief to join his sire at Spendthrift. But Toothaker said he believes Maximus Mischief will offer a new type of Into Mischief to breeders.

"Maximus Mischief is a different kind of Into Mischief. He has a lot of size and scope, standing at 16.3. He has a beautiful length of neck and shoulder. He stands over so much ground, more than what we see in a typical Into Mischief."

Maximus Mischief was purchased by Charles Zacney for Cash is King LLC and LC Racing for $340,000 at the 2018 Fasig Tipton Midlantic 2-Year-Olds in Training Sale. He is the second foal out of the Songandaprayer mare Reina Maria, a half to Grade I-winning juvenile Secret Compass (Discreet Cat). Toothaker said, "He gets his stretch from the female line. It's a really solid family, and breeders are going to be happy with an Into Mischief with some size."

Toothaker said the colt's early career was defined by precocity and speed. "When you think of this horse, you think about raw talent--a horse just oozing with ability. In each of his races, he showed remarkable ability and a tremendous amount of talent."
As a 2-year-old, Maximus Mischief broke his maiden on debut at Parx, defeating the field by almost nine lengths. He went on to claim an allowance at nine furlongs, earning 'TDN Rising Star' status. The victory earned a 98 Beyer Speed Figure, the fastest recorded by a 2-year-old in 2018.

From there, he traveled to Aqueduct for the GII Remsen S. at nine furlongs. Breaking strongly, he went to the front and led the field through the race, fending off eventual GII winner Tax (Arch) and crossing the wire over two lengths ahead of Network Effect (Mark Valeski). Toothaker said of the Remsen, "He just crushed the field that day. It was one of those jaw-dropping performances that you're like, 'Wow, this horse is so talented.'"

After an undefeated 2-year-old season, Maximus Mischief entered the GII Holy Bull S. Although he finished third, a soft-tissue injury led to the decision to retire the colt. Toothaker said, "You start getting Derby dreams at that point, but unfortunately the injury ended his career."

It was announced in September that Maximus Mischief would stand at Spendthrift. Toothaker said, "With the start that Goldencents has given us, our breeders have been clamoring for another son of Into Mischief. We were anxious to get back to the well and provide them one."

Toothaker said he is excited to offer both of these new sires as a part of Spendthrift's Share the Upside program that allows breeders a lifetime breeding right after paying the first stud fee and then sending a mare back to the stallion in the second year. "The thing we have found with this program is that nobody knows which one of these stallions is going to hit. The last of Into Mischief's original breeding rights was sold last year for $550,000. "By taking a chance with the program, you know we are going to market these stallions and work hard to get them mares that will give them a tremendous chance so that you really have something one day in their breeding right."

Already a graded winner on the dirt, having annexed the 2018 GII Lecomte S. while under the care of Hall of Famer Jerry Hollendorfer, Instilled Regard took advantage of a golden trip to add Saturday's Gill Fort Lauderdale S. to his resume.

Drawn neatly in stall three, immediately to the inside of stablemate Flavius (War Front), Instilled Regard jumped cleanly and was able to secure the box seat, as Cross Border (English Channel) cut out the early fractions from fellow Three Diamonds runner Marzo (Medaglia d'Oro). Switched off nicely through the middle stages for Irad Ortiz, Jr., Instilled Regard traveled on the bridle, but was locked away and in need of running room off the home corner. The daylight materialized three off the inside at the three-sixteenths and Instilled Regard punched through to lead before holding off late bids from tail-ender Admission Office and Channel Cat. Cont. p7
Fort Lauderdale S. cont.

Flavius (War Front), who endured a tough trip when fourth in his U.S. debut at Aqueduct Nov. 9, was void of luck this time around as well, as he sacrificed stacks of ground and led late, only to give way grudgingly. He covered 65 feet (about 6 3/4 lengths) more than the winner, while Admission Office and Channel Cat were +44 and +57, respectively, according to Trakus.

“I got a perfect trip,” Ortiz, Jr. said. “My horse broke sharp and I used him a little bit to be close. I didn’t want to be too far and he put me in the right position. I was just waiting for the hole and finally at the end turning for home I got through and you could see how [he took off].”

Fourth at 85-1 behind Justify (Scat Daddy) in the 2018 GI Kentucky Derby, Instilled Regard was a good third in his turf debut in last year’s GI Hollywood Derby and was beaten a neck by Admission Office in his seasonal debut at Keeneland Apr. 4. A non-threatening sixth in the GI Alysheba S. back on the Churchill main track May 3, he returned from a six-month vacation to be a closing third in the aforementioned Aqueduct allowance Nov. 9.

Pedigree Notes:

Instilled Regard was bought back on a bid of $110,000 out of the 2016 Keeneland September Sale, but validated that decision in spades when fetching the fourth-highest bid at the 2017 OBS March Sale ($204,500). One of 42 group/graded winners for his late sire and one of five from Storm Cat-line mares—he counts champion and eight-time Grade I winner Heavenly Prize (Seeking the Gold) as his second dam. The latter was responsible for the likes of Grade I winner Good Reward (Storm Cat); the successful dual-hemisphere stallion Pure Prize (Storm Cat); the stakes-winning Cosmic (El Prado {Ire}); the stakes-placed
Distinctively (Awesome Again), the dam of SW & MGISP Faithfully (Smart Strike); and Just Reward (Deputy Minister), dam of GISW Persistently (Smoke Glacken). Instilled Regard’s third dam includes Heavenly Prize’s Grade I-winning sister Oh What a Windfall and GISW Dancing Forever (Rahy). Enhancing is the dam of the 2-year-old colt Grandexaltedruler (American Pharoah) and a weanling filly by Medaglia d’Oro. She was most recently served by Quality Road. Instilled Regard was bred by KatieRich Farms, which was also responsible for breeding GIII Rampart S. winner Pink Sands (Tapit).

War Story was beaten by better than 30 lengths when seventh to Gun Runner (Candy Ride {Arg}) in the 2018 GI Pegasus World Cup Invitational S., but the 7-year-old may have earned another trip to the big race with an upset victory in Saturday’s GIII Harlan’s Holiday S. at Gulfstream Park.

Fractious in the preliminaries, Bodexpress won the break and set the pace in the two path as his chief market rival Prince Lucky (Corinthian) pressed from the inside before taking an awkward step leaving the 6 1/2-furlong pole. For his part, War Story tracked along from midfield, but was having to be encouraged to do it by Luis Saez. Up into fourth position passing the half-mile pole, War Story was shoved along to come after the pacesetting Bodexpress, but he looked to be one-paced as they reached the top of the lane, with the first finish line in play. Three deep into the final eighth of a mile, War Story overtook a weakening Bodexpress with 100 yards to race and found the wire first. Prince Lucky was pulled up and out of the race by John Velazquez and reportedly walked onto the horse ambulance under his own power. It was the first graded winner for trainer Elizabeth Dobles, who was saddling War Story for the very first time.

“It’s exciting. Like every other race I win, it’s a pleasure,” Dobles said. “He’s a hard-knocking horse.”

The big figure winner of Tampa’s Challenger S. for his lone victory from eight starts in 2018, War Story won the GIII Monmouth Cup S. earlier this season two starts after hitting the board for the third consecutive year in the GII Charles Town Classic. Sixth in the GI TVG Pacific Classic Aug. 17, he was a latest second in the GIII Greenwood Cup S. at Parx Oct. 5.

A little more than 12 months ago, Lady’s Island was competing in the Claiming Crown series, finishing fourth in the Distaff Dash as a 10-1 chance. Some 53 weeks later, the Florida-bred was less than 7-2 in Saturday’s GIII Sugar Swirl S. and treated her rivals to a thorough beating from the front.

Appearing to be the speed of the speed, Lady’s Island was quickly into stride and made the lead with relative ease, covering the opening couple of furlongs in :22.15.

Left to her own devices on the lead, she passed the quarter pole in :44.69 while building a formidable lead and was able to cruise home untouched by Emisael Jaramillo.

“We were going to run her in the Claiming Crown, but when [stablemate Thinkin] Cowtown ran so good [to win the Claiming Crown Distaff Dash Dec. 7] we thought she handles the grass, but she’s probably better on the dirt,” said winning trainer Georgina Baxter. “She loves it in front. She’s really fast. Everyone always says they have fast fillies, but they’re not going faster than this one. She’s just super quick. And she’s put on all this muscle now, and she can carry it.”

Lady’s Island was winning for the eighth time in her last nine appearances, her lone defeat coming in this track’s Musical Romance S. in May. The dark bay beat the boys in a rained-off renewal of the Turf Sprint S. at this track June 29 and followed up with a 13 1/4-length success in a $25,000 starter-allowance at Saratoga Aug. 1. She prepred for this with a victory over Thinkin Cowtown in an Oct. 30 starter/optional event sprinting on the grass.

**Pedigree Notes:**

The third graded winner for her sire—a son of Mr. Prospector and SW/MGISP Harbour Club (Danzig)—Lady’s Island has a yearling full-brother named Imtakinittotheban, owned and bred by Joe Arboritanza, who trained Lady’s Island earlier in her career. Broadway Martha was most recently bred to Long On Value.

Multiple graded stakes winner Om (Munnings) will stand at Central California’s Harris Farms in 2020. The 7-year-old chestnut, who first made headlines as the vanquisher of eventual Triple Crown winner American Pharoah (Pioneerof the Nile) in a 2-year-old maiden at Del Mar, went on to win four graded black-type events, including the GI Del Mar Derby and GI Twilight Derby, and finish second or third in 13 more graded stakes, including two editions of the GI Breeders’ Cup Turf Sprint. The Sareen Family Trust colorbearer retires with earnings of more than $1.3 million.
"I have had my eye on this horse for years, and feel he is a perfect fit for California," said Harris Farms chairman John Harris.
Om will stand for $7,500 live foal.

Bank On Shea banked the biggest payday of his nascent career with a determined nose victory in Aqueduct’s New York Stallion Series S. On a dreary afternoon over a sloppy track, he settled mid-pack from his outside post position before switching paths to the inside leaving the turn. As Dream Bigger and Captain Bombastic were slugging it out down the lane, Bank On Shea resolutely wore them down from the inside as Captain Bombastic relinquished his position and Dream Bigger went on with the winner. It came down to a head bob at the wire with the photo showing Bank On Shea a nose the best.
"He had never run before on a wet track, but the horse was doing so well in the morning," said Henry Argueta, assistant to Jason Servis. "We were expecting a big race. [Dream Bigger] opened up a lot, but when [Bank On Shea] ran at Saratoga, he was covered up and when he got to the clear, he took off. At the top of the stretch, I wasn't sure but when he started running, I thought he might just get there."

Bank On Shea graduated at first asking July 14 at the Spa, taking a 5 1/2-furlong maiden special weight by three-quarters of a length. Freshened for four months, he was last seen finishing third to Dream Bigger in Aqueduct's Notebook S. Nov. 17. He is the only foal to live to date out of his dam, who has been bred to Home of the Brave for next term. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

J P's Delight romped home a 9 1/4-length winner versus $35,000 maiden claimers in her July 26 debut and was 6 1/4 lengths in front of state-bred allowance foes at Gulfstream Park West Oct. 11. The bay filly rushed up to contest the early pace, took command leaving the backstretch through a half in :45.96 and pulled away to remain undefeated. "She just had to be comfortable, and I thought she had the perfect post [five] to be comfortable," winning trainer Kathleen O'Connell said. "This track is very similar to Gulfstream Park West, and I'm happy we brought her here today." Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

Vanzzy graduated going one mile at Parx Oct. 14 and was runner-up behind Mischevious Alex (Into Mischief) in the Nov. 4 Parx Juvenile S. last time out. Adding blinkers for this try over the synthetics, the bay skipped out to the early lead and set a moderate tempo through the snowflakes before holding off late-closing favorite Elusive Knight.
Selva, who RNA’d for $120,000 with this foal in utero at the 2016 Keeneland November sale, produced a colt by Vancouver (Aus) this year and was bred back to Runhappy. Ocala horseman Randy Miles purchased Vannzy for $7,000 at the 2018 Keeneland September sale and resold the colt for $70,000 at this year’s Fasig-Tipton Midlantic May sale (:10 3/5). Cholula Lips was a debut winner at Santa Anita in May, but, despite runner-up efforts in the June 29 Debutante S. at Churchill Downs and the Aug. 28 Generous Portion S. at Del Mar, was winless in five subsequent starts. She was most recently fourth in the Nov. 1 Golden State Juvenile Fillies S. The dark bay filly shadowed the pacesetter through an opening quarter in :23.35 and darted to the lead after a half-mile up in :47.83. She skipped clear into the stretch and was unchallenged to the wire.

“This is a nice filly,” said winning rider Tyler Baze. “I knew I had a ton of horse once we hit the lead and she really kicked home.”

Vacherie Girl closed stoutly to record a 6 1/2-length debut win while facing state-bred foes going 5 1/2 furlongs at this track Nov. 28. The chestnut filly raced in the clear at midpack as the field split into two groups down the backstretch. She surged into contention on the turn and closed determinedly down the lane to get on top in the final strides. Vacherie Girl, the second stakes winner for her freshman sire (by Tapit), was purchased for $87,000 following a :10 1/5 work at this year’s OBS June sale.

Mitchell Road may be overshadowed by her younger half-brother, 'TDN Rising Star' and this year's GI Kentucky Derby winner Country House, but she has done her share to step out of the shadows. She won four straight from last December and May, including the GIII Gallurette S. at Pimlico on Preakness day and Fair Grounds' Albert M. Stall Memorial S. on the same day Country House was second in that track's GII Risen Star S. Facing stiffer competition since, Mitchell Road's last two starts featured a second in the GII Three Chimneys Ladies Turf S. at Kentucky Downs and a fading eighth behind eventual GI Breeders' Cup Mile winner Uni (GB) (More Than Ready) in Keeneland's First Lady S. Oct. 5.

Sent straight to the front as the prohibitive 2-5 chalk in Gulfstream's My Charmer S., Mitchell Road set lively daylight fractions of :23.37 and :46.57 before being headed by Take These Chains on the turn. The bay repelled the challenge and pulled clear again to secure a 1 1/2 length triumph.

"I was fairly confident," said conditioner Bill Mott. "She's been doing well and, with respect to all the other horses, with the races she's been running in this maybe would be a little bit of class relief for her because she's coming off really tough races. She's run against the very best. It was the spot to get her back."

Dam Quake Lake produced four foals before her death in 2016. She is a half-sibling to GSW & MGISP millionaire Breaking Lucky (Lookin At Lucky). Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

Chimney Rock, a maiden winner over the Saratoga turf Sept. 3, was a narrowly beaten second just a week later in the Sept. 7 Kentucky Downs Juvenile Turf Sprint S. and again in the Oct. 6 Indian Summer S. at Keeneland. He was beaten three-quarters of a length when second behind Four Wheel Drive (American Pharoah) in the Nov. 1 GI Breeders' Cup Juvenile Turf Sprint last time out. Making his first attempt on dirt since a third-place finish on debut in the Belmont slop in late June, the bay colt raced off the pace while three wide down the backstretch. He moved up four wide to challenge for the lead at the top of the stretch and powered clear to a much-the-best victory. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

*Midnight Fantasy finished first, but was disqualified and placed second.

Minit to Stardom capped a three-race win streak with a 1 1/2-length victory in the July 24 GII Honorable Miss H. She was second in the Sept. 22 GII Gallant Bloom H. and most recently captured a Laurel allowance Nov. 8. The bay filly pressed Midnight Fantasy through fractions of :21.64 and :44.67. Minit to Stardom briefly got a head in front in upper stretch and, as Midnight Fantasy battled back from the inside, was bumped as that foe drifted out. Strides later, Midnight Fantasy once again drifted out and impeded Minit to Stardom. The pacesetter ultimately was two lengths in front at the wire, but was disqualified and placed second as Minit to Stardom was promoted to the victory. BELLS OF WAR (f, 2, Declaration of War--Adorabell, by Distorted Humor), a half-sister to Harvey Wallbanger (Congrats), GSW, $337,620, broke through with a five-length maiden win here last time Nov. 30. Off at odds of 5-2 in the snowy opener, she vied for early command from the inside, then dropped back to third entering the far turn. Under a snug hold in traffic as they turned for home, the bay finally found a seam along the inside in deep stretch and kicked on nicely to take it by two lengths over Takota (Society’s Chairman). Adorabell had a colt by Daredevil this year. Sales history: $13,000 Ylg ’18 KESEP; $70,000 2yo ’19 EASMAY. Lifetime Record: 4-2-0-0, $64,270. COMPENSATE (f, 2, Liam’s Map--Recoupe, by Indian Charlie) invaded from trainer Mark Casse’s Woodbine base after earning her diploma as the 2-1 choice over 11 rivals Nov. 9. Making her dirt debut in the sloppy going here, the 3-1 shot pressed the early leader from the outside, hit the front as they straightened for home and outbattled Cruise and Danze (Danza) to the wire to score by a nose. Recoupe produced a colt by Liam’s Map in 2018 and a filly by Noble Mission (GB) this year. She was bred back to Liam’s Map. Sales history: $60,000 Ylg ’18 FTKOCT. Lifetime Record: 4-2-1-1, $92,624. The even-money favorite, who settled off the early pace, was floated out wide while rallying into the stretch and forged to the lead with a furlong to run en route to a one-length tally. The rail-drawn 3-1 shot was hustled to the front, showed the way through fractions of :22.82 and :45.86, and dropped the hammer in the stretch to graduate by 11 widening lengths. AJOURNEYTOFREEDOM (c, 2, Hard Spun--Imprecation, by First Defence), a half-brother to the same connection’s Aanother twistafate (Scat Daddy, SW & MGSP, $303,505), opened his career with a fifth-place effort sprinting 5 1/2 furlongs at this oval Sept. 22 and improved to second over six furlongs of the all-weather Nov. 3. The 8-5 favorite settled just off the pacesetter around the first turn, but snuck up along the rail to take the lead after a quarter in :24.16. Still in hand through a half in :49.89, he was asked to quicken turning for home and quickly opened a clear advantage before holding Descartes (Square Eddie) at bay late for a 1 1/4-length victory. Ajourneytobredom, who RNA’d for $65,000 as a KEESEP yearling, sold for $180,000 following a :21 4/5 work at this year’s OBS April sale. Imprecation, purchased for 130,000gns at the 2013 Tattersalls December sale, has a yearling filly by Into Mischief who sold for $410,000 at this year’s Keeneland September sale. CORRECTNESS (f, 2, Medaglia d’Oro--Veracity, by Distorted Humor), a $1-million Fasig-Tipton Saratoga graduate, was fifth after a troubled beginning in her one-mile bow over the main track at Laurel Nov. 8. Sent off the 6-5 favorite while moving to the lawn, the dark bay filly stalked pacesetting Duchess of Sussex (Palace of Malice) through fractions of :22.79 and :47.55.
She loomed a threat turning for home and overtook the pacesetter with a furlong to run before bursting clear to win by 1 3/4 lengths. Hedonism (Curlin) closed late to overtake Duchess of Sussex for second. Bob Edwards’s Fifth Avenue Bloodstock purchased Veracity for $460,000 at the 2016 Keeneland January sale. In foal to Justify, the mare RNA’d for $1.7 million at last month’s Fasig-Tipton November sale. The mare’s yearling filly by Medaglia d’Oro sold for $900,000 to Claiborne Farm at this year’s Fasig-Tipton Saratoga sale and she also has a weanling filly by the Darley stallion. Veracity is a daughter of Claiborne’s multiple graded stakes winner Yell (A.P. SERVE THE KING (GB) (c, 3, Kingman {GB}--Fallen In Love {GB} (GSP-Eng), by Galileo {Ire}), one of four first-time starters in this maiden special weight, had been working well the last few weeks at Payson Park, including a :49 3/5 half-mile (2/21) Dec. 7, and made an extremely professional-looking debut. From an early mid-pack position, he ran down the loose-on-the-lead Mungojerrie (Declaration of War) in the stretch, just catching him at the wire for a head victory as the 2-1 favorite. It was another 10 lengths back to third-place finisher Empirically (Point of Entry). Bred in England, Serve the King is a half to Loving Things (GB) (Pivotal {GB}), GSW-Fr, SW & GSP-Eng, $107,896; and to a yearling colt named Microphone (Ire) (Siyouni {Fr}), who sold for the equivalent of $205,283 at Tattersalls October. Dam Fallen In Love, who is out of a half-sister to English champion Fly to the Stars (GB) (Bluebird), produced a colt by Fastnet Rock (Aus) this year. Sales History: 260,000gns Ylg ’17 TATOCT. Pink Sands (Tapit) rallied from last to record her first graded win in the GIII Rampart S. at Gulfstream Park.

The line between Flat and National Hunt racing is often a little blurred, as Emma Berry reports in the first of a winter series on the crossover between the codes.

Most breeders would be glued to the television if they had a runner in a Grade 1 but both Simon Sweeting and Jono Mills had plenty to keep them occupied on Nov.30 as they concentrated on the final day of the Tattersalls December Foal Sale.

Sweeting's Overbury Stud offered its biggest ever consignment at the sale and posted some decent results, selling foals by Wootton Bassett (GB) and his son Almanzor (Fr) for 130,000gns and 125,000gns, but it was a member of the 2014 draft which made the day extra special. Cornerstone Lad (GB), a son of the late Overbury sire Delegator (GB), lined up for his first Grade 1 contest in the Fighting Fifth Hurdle at Newcastle and, with dual Champion Hurdle winner Buveur d'Air (Fr) (Crillon {Fr}) among the entries, the Micky Hammond-trained runner was ranked only fourth of the five runners in the betting behind the odds-on favourite. However, the 5-year-old came into the race in terrific form on the back of two recent wins and, jumping off in front, he soon opened up an impressive lead on the select field.

Though Buveur d'Air started to close in menacingly down the straight, a mistake at the second last blunted his finishing kick and Cornerstone Lad held on gamely to land the biggest win of his career.

"I must admit I didn't even know he had won until Simon sent me a message," said Mills, bloodstock manager to the Rabbah team. The former pupil assistant to leading jumps trainer Nicky Henderson also confessed that he rarely follows the National Hunt scene these days.

"Cornerstone Lad was a lovely foal, very correct, but sadly he was the mare's last foal as she died the year he was born," he recalled. "I saw him again later at the breeze-up sales and he didn't breeze that well but it's wonderful to see him go on to have such success."

Cornerstone Lad is out of the unraced Alhaarth (Ire) mare Chapel Corner (Ire), a half-sister to G3 Concorde S. winner Sheppard's Watch (GB) (Night Shift). Sold as a foal for 30,000gns, his price dropped to 7,000gns as a yearling and then his trainer Micky Hammond bought him for £9,000 at the Goffs UK Breeze-up Sale. It's an unusual route to big-time success for a jumper but Cornerstone Lad has proved to be a proper dual-purpose horse, with two wins on the Flat, including as recently as Oct. 29, and another six over hurdles.
He is the second high-profile jumper of the season to have graduated from Overbury Stud as Sweeting is also the breeder of the dual Grade 2 winner Thyme Hill (GB), who is being aimed at the G1 Challow Novices' Hurdle over Christmas. "It's only taken me 20 years to breed horses like this," he said with a smile. "Cornerstone Lad was really bred for the Flat but we're very happy to have inadvertently bred a Grade 1-winning hurdler."

Thyme Hill's success is made all the sweeter by the fact that he is a son of Overbury's veteran stallion Kayf Tara (GB), who has led the British National Hunt sire ranks for the last eight seasons. "Kayf Tara is the horse who put us on the map. We've been so lucky to have him and we are all really proud of the contribution he has made to National Hunt breeding in Britain. He's 25 now and we don't overface him with mares but thankfully he was still very fertile last season."

The dual-purpose roster at Overbury has a new stallion for 2020, Le Brivido (Fr), the first son of Siyouni (Fr) to retire to stud in Britain.

As One Gets Away

We've become accustomed to seeing Michael Tabor's famous blue and orange silks borne to victory by range of top Flat horses but the owner has also raced the odd jumper, and he added a classy recruit to his string from the Tattersalls December Sale when buying Verdana Blue (Ire) (Getaway {Ger}) from Crimbourne Bloodstock for 370,000gns. The 7-year-old mare, who has also won and been listed-placed on the Flat, was another to dethrone Buveur d'Air, beating her stablemate by a short-head in last year's G1 Christmas Hurdle at Kempton. Despite spending a few days at Newmarket while being inspected for the sales, she had galloped on the Saturday before she travelled and is on course for another crack at the race this Boxing Day now that she has been returned to the care of Nicky Henderson.

She won't be the first top-class jumping mare to race for Tabor as he also owned the 13-time winner Refinement (Ire) (Oscar {Ire}), whose record includes two Grade 1 victories at the Punchestown festival. She has produced two winners to date, Meticulous (Ire) (Fame And Glory {GB}) and West Coast Time (Ire) (Westerner {GB}), both bred by Tabor and trained by Joseph O'Brien. While Verdana Blue has now left the fold, the team at Crimbourne Stud, headed by Charlie Parker, looks to have another exciting mare to race in Vegas Blue (Ire). The Frank Motherway-bred 4-year-old is another daughter of Grange Stud's Getaway and was pinhooked as a foal for €10,000 by Harry Fowler and Ben Halsall, who later sold her through Fowler's Rahinston Farm & Stud for €30,000 at the Tattersalls Ireland Derby Sale.

Trained alongside Verdana Blue at Henderson's Seven Barrows, Vegas Blue has won her two starts to date, most recently romping to a four-length victory in the listed Fitzdares Henrietta Knight Bumper at Huntingdon. She's smartly bred, too: her dam Bella Venezia (Ire) (Milan {GB}) is a half-sister to the Gl Irish Gold Cup winner Bellshill (Ire) (King's Theatre {Ire}) and she has made a good start to her broodmare career with three winners from three runners.

Scottish Stud Accruing Smart Prospects

Until recent seasons, finding a mare in training in many of the big National Hunt stables was no easy feat. Willie Mullins and Nicky Henderson have always had a clutch of good mares among their strings and many others are now following suit thanks to enhanced racing programmes for mares in Britain and Ireland, along with a number of TBA/ITBA-led initiatives.

Mares-only races continue to have their detractors but their rise in prominence is important in order for National Hunt breeding to thrive—not just in boosting previously woeful prices for fillies at National Hunt foal and store sales but in encouraging owners and trainers to test them on the track. Only from a decent vat will the cream rise to the top and be able to go on to compete in open company.

Such an example is the Henry de Bromhead-trained Honeysuckle (GB) (Sulamani {GB}), who races for Kenny Alexander, one of the sport’s greatest supporters of jumps mares, which are selected for him by Peter Molony. Alexander is now the co-owner of New Hall Stud in Ayrshire, the former base of Gordon Thom and birthplace of Group 1 winner Donna Blini (GB) (Bertolini), the dam of Gentildonna (Jpn) (Deep Impact {Jpn}). In Honeysuckle, Alexander has an elite future broodmare for his fledgling breeding operation. The 5-year-old mare is unbeaten in six starts under rules, her two victories this season both being against males and including her recent nine-length triumph in the G1 Hatton’s Grace Hurdle.

Honeysuckle was bred at Doug and Lucy Procter’s The Glanvilles Stud by Geoffrey Guy, and though her dam First Royal (Ger) (Lando {Ger}) died in 2015, the Dorset farm is still home to Honeysuckle’s half-sister Roc Royal (GB) (Shirocco {Ger}), who is currently in foal to Motivator (GB). Meanwhile her year-younger full-brother Last Royal (GB) is in training with Keiran Burke.

Classic Class Of 2001

Galileo (Ire) and Milan (GB) were born three weeks apart, went on to win the Derby and St Leger of 2001, and now the 21-year-old sons of Sadler’s Wells are leading their respective sires’ tables for the Flat and National Hunt. In the case of Galileo, this is hardly news, but Milan has been threatening to land the National Hunt title for some time, though with a feast of top-class Christmas action just around the corner, the standings may well be shaken up in the weeks to come.

Currently snapping at his heels is another son of Sadler’s Wells, the four-time Gold Cup winner Yeats (Ire), now 18. At the time of writing, Yeats was the only other stallion to have passed £1 million in progeny earnings and he has been creeping up the National Hunt rankings with each passing year. His highest-profile representative this season is De Rasher Counter (Ire), winner of the G3 Ladbrokes Trophy Chase—he race still better known as ‘The Hennessy’—while another favourite among his offspring is the classy mare, 10-time winner Shattered Love (Ire), who landed last season’s G1 JLT Novices’ Chase at the Cheltenham Festival.

IRISH GUINEAS THIRD SET FOR HONG KONG DEBUT by Alan Carasso

With the Longines Hong Kong International Races now in the rear-view, attention on the local racing scene turns to the 4YO Classics, which begin with the Hong Kong Classic Mile Jan. 27. Irish import Decrypt (GB) (Dark Angel {Ire}) gets his first chance to lay claims to a berth in the series when he makes his Hong Kong debut in Sunday’s Class 2 Lukfook Jewellery Cup H. (1400m) at Sha Tin. Bred by Equine Origin Ltd., Decrypt cost £55,000 at the 2017 Goffs UK Premier Yearling Sale and was owned and trained by Paddy Twomey during the European portion of his career. The gray colt was a first-out second on Irish Guineas weekend in 2018, then graduated 13 days later, leaving future G1 Moyglare Stud S. and G1 QIPCO 1000 Guineas runner-up Lady Kaya (GB) (Dandy Man {Ire}) a length behind in third. An easy three-length winner on his return to action at Cork Apr. 20, he outran odds of 20-1 to be along for third in the G1 Tattersalls Irish 2000 Guineas behind Phoenix of Spain (Ire) (Lope de Vega {Ire}) and Too Darn Hot (GB) (Dubawi {Ire}) (video). The latter would go on to amplify the Guineas form with subsequent victories in the G1 Prix Jean Prat and G1 Sussex S. later in the summer.
Decrypt was subsequently sold to Hong Kong owner Albert Hung—who campaigned the ill-fated, but history-making 2017 Hong Kong Derby hero Rapper Dragon (Aus) (Street Boss)—and has turned the colt over to Frankie Lor, who swept all three legs of the 2019 Classic series, including the Derby with Furore (NZ) (Pierro {Aus}). Decrypt makes his Hong Kong debut as the 133-pound top-weight off a mark of 93 and has the services of Zac Purton Sunday afternoon. The Australian rider was in the irons for a 1200-metre barrier trial on the all-weather Dec. 3 in which he finished fifth, less than four lengths behind Hong Kong’s top dirt horse, Elusive State (Aus) (All American {Aus}) (video).

“He feels like he’s going to need a mile and maybe 2000 [metres], so the distance on Sunday might be a bit short for him,” Purton told the HKJC’s Declan Schuster. “He’s only small so hopefully there’s a little bit of pace on, he can run on and show us that he’s going to be a Hong Kong Derby chance.”

The Lukfook Jewellery Cup is carded as the day’s eighth race, with post time set for 7.50am BST.

WATCH
WILD RULER STARS IN INGLIS NURSERY

by Richard Edmunds

A sparkling debut victory in Saturday's $500,000 Inglis Nursery at Randwick has put Wild Ruler (Snitzel) on the road towards the G1 Blue Diamond and Golden Slipper.

A beautifully bred son of a mare who performed at Grade 1 level at Saratoga, Wild Ruler was a $525,000 purchase at the Inglis Easter Yearling Sale by big players the China Horse Club, Newgate Bloodstock and WinStar.

The dam, Gypsy Robin (USA), was knocked down to Alex Kingston on behalf of Kia-Ora Stud for US$750,000 at Keeneland November in 2013.

He showed all the right signs with comfortable wins in both of his trial appearances, and on Saturday he delivered brilliantly on debut.

Jockey Kerrin McEvoy settled Wild Ruler in fourth or fifth position along the rail, then got him out into clear air rounding the home turn.

Wild Ruler ambled up alongside the leading pair of Already Blessed (Better Than Ready) and Dubai Star (Pride Of Dubai), then accelerated and went clear.

Encountabull (Bull Point) produced a strong finish down the straight to narrow the margin to within 1l, but Wild Ruler never looked in any danger of defeat.

"It was a quality win," McEvoy said. "He's got a nice way about him."

"He's got speed but was out-sped early. We took a sit and I liked the way he picked up when I wanted to go. He's done it there in what I'd say is not a bad 2-year-old race."

The win was part of a satisfying day for trainers Peter and Paul Snowden, who also won the Listed Fugen Construction Razor Sharp H. with Signore Fox (Exceed And Excel), while the 2-year-old colt Bartley (Written Tycoon) scored an impressive debut win by 3.5l at Kembla Grange.

"The Kembla winner is as good as this bloke," Paul Snowden said.

"But he (Wild Ruler) did so much wrong today but still managed to win quite comfortably. He has got a bit of substance to him.

"He will be on a Blue Diamond-Golden Slipper preparation. He is a pretty good horse, he is still learning.

"He's got height and length, and there is a bit to work with there, so it's important to get these runs on the board early."

Wild Ruler is the second winner from three foals to race for Gypsy Robin (USA) (Daaher {Can}), who won the G2 Beaumont S., Raven Run S. and Sorority S. and finished second in Saratoga's G1 Test S.

Gypsy Robin missed to Not A Single Doubt in 2018, but produced a filly by American Pharoah (USA) this spring.

Meanwhile, Encountabull's jockey James McDonald was far from disappointed by the runner-up performance of the colt, who is trained by fellow expat New Zealander John Sargent.
“He’s a beauty, so willing,” McDonald said. “He had his chance today, but the winner was a bit too good. But he’s going to win a nice race.”

Brenton Avdulla was similarly enthusiastic about the third placegetter, the Chris Waller-trained Canadian Spice (Vancouver).

“Really nice filly, got a lot of time for her,” he said. “She did that today on raw ability, but in time she’ll develop into a really nice horse.”

Canadian Spice is the third stakes performer from the first crop of Coolmore stallion Vancouver, joining G3 Breeders’ Plate runner-up Postcode and G3 Gimcrack S. third placegetter Ticket to Ride.
