MCGAUGHEY LOOKS TO ADD TO WHITNEY 'HONOR' ROLL

Shug McGaughey | *Mike Kane*

by *Mike Kane*

SARATOGA SPRINGS, N.Y. -- Following the draw for the GI Whitney S. Wednesday morning, trainer Shug McGaughey answered more questions about his previous Whitney winners than this year's runner, **Code of Honor** (Noble Mission {GB}).

McGaughey, a member of racing's Hall of Fame since 2004, will try for his fourth victory in Saratoga's premier dirt race for older horses Saturday with William Farish's 4-year-old homebred colt.

The chestnut drew in the middle of the strong five-horse field, that features Tom's d'Etat (Smart Strike), who has won four straight stakes, and GI Hollywood Gold Cup winner Improbable (City Zip), trained by Bob Baffert. Last year, Baffert won the Whitney with McKinzie (Street Sense).

The Whitney field also includes three-time graded stakes winner By My Standards (Goldencents) and Mr. Buff (Friend Or Foe), the massive New York-bred division champion seeking his first graded stakes victory.

With Whitney winners Personal Ensign (1988) and Easy Goer (1989), both Hall of Famers, and Honor Code (2015) on his vast stakes resume, McGaughey, 69, spent a fair amount of time talking about the present and the past.

JOHN SIKURA JOINS TDN WRITERS' ROOM

With the smoking hot sire Violence picking up another Grade I win, with Volatile in the Alfred G. Vanderbilt H. at Saratoga, John Sikura has a lot to talk about and a lot to be happy about. The President of Hill 'n' Dale Farms, where Violence stands, has seen that stallion's career get off to a fast start, slow down and now take off again.

Sikura joined the TDN Writers' Room podcast presented by Keeneland to discuss Violence's recent accomplishments, the decision to bring in Kantharos and his thoughts on the 140-mare cap being imposed by The Jockey Club on all stallions born after 2019.

One of the things that has most impressed Sikura about Violence is the versatile nature of his offspring. The story this year has been his sprinters. **Cont. p5**

Whitney Honor Roll cont. from p1

Code of Honor | Sarah Andrew

Code of Honor was moved up to second in the 2019 GI Kentucky Derby following the disqualification of Maximum Security (New Year's Day) and won last year's GI Runhappy Travers and GI Jockey Club Gold Cup via the disqualification of eventual GI Breeders' Cup Classic winner Vino Rosso (Curlin).

Code of Honor enters the Whitney following a third-place finish in the GI Runhappy Metropolitan H. July 4.

Though the Whitney field is the smallest since Personal Ensign beat just two others 32 years ago, McGaughey said it is deep in quality and will be a big test for his late-runner. Tom's d'Etat with Joel Rosario up, is the 6-5 morning-line favorite in the "Win and You're In" race for the GI Breeders' Cup Classic.

Improbable and Code of Honor are listed at 5-2. On June 27, Tom's d'Etat extended his win streak in the GIII Stephen Foster at Churchill Downs.

"It won't be easy," he said. "I've just got to hope that Code of Honor runs a monster race. It will be kind of interesting to see what the tactics are with only five. I know where I'm going to be, but I'm not sure what the others are going to do or how much they're going to press. You know that Joel isn't going to do anything stupid. Hopefully, he'll be up there fairly close, as he was, I think, in the Stephen Foster and we are able to pick him up. It's a pretty solid field. I feel like we're lucky to be in it. If he runs his race, they'll know he is there."

McGaughey said that Code of Honor is better suited for the two-turn 1 1/8 miles of the Whitney than the one-turn Met Mile at Belmont Park. Code of Honor is two-for-two at the Spa.

"I have a lot of confidence," McGaughey said. "He was so fresh last year for the Travers. I think it will be a little different kind of a race this year because he ran on June 6 [winning the GIII Westchester] and ran back in the Met Mile. He's bounced out of

it good. His two works here were good. I've got confidence that he will run his race. If that is good enough, we'll get our picture taken. If not, we'll figure out something else."

McGaughey was in his third year training for Ogden Phipps and his family when he ran Personal Ensign in the Whitney. She had recovered from an injury--a broken bone in a rear leg--that had kept her away from the races for almost a year. The 4-year-old filly faced two very capable runners, Gulch and King's Swan, and McGaughey said he had some concerns about asking her to face males over a sloppy track.

"The rain came up early, so I came over here to kind of see what was going on with the track," McGaughey said. "They ran a sprint race earlier in the card--I remember Angel Penna had a horse in there--and it looked like to me that the water was just on top of the track. I told Mr. Phipps that I thought they were going down into a drier track and I didn't think it would be a problem. I knew she didn't mind the mud."

Personal Ensign prevailed by 1 1/2 lengths over Gulch at 4-5 and is the last female to win the Whitney.

"She was able to run an incredible race," he said. "It's funny, one of the numbers guys called me earlier in the week and said 'She can win this race if she gets the perfect trip.' If you remember, [jockey Angel] Cordero and King's Swan pushed her way out in the middle of the racetrack. She was out there kind of the whole way, but she was good enough to win."

Three months later, Personal Ensign finished her career at 13-0 record with a heart-stopping victory by a nose over Kentucky

Derby winner Winning Colors in the GI Breeders' Cup Distaff at Churchill Downs.

McGaughey said the Whitney was part of the plan to silence some critics and put her at the top of the older female division.

"I remember on the West Coast they said, 'She only wins at Belmont.'" McGaughey said. "So I said, 'Well, I'll take care of that part of it.' We took her down to Monmouth and she won the Molly Pitcher from here to across the street. Mr. Phipps was anxious to start her against the colts and I thought this was the perfect place to do it. In case we were wrong and it took too much out of her, we would still have enough time for the fall racing. We thought this was a pretty good opportunity. Plus, he didn't want to duck and run to some place, like Chicago, to run against the colts. He wanted to do it here."

The following summer, McGaughey became the first trainer to win back-to-back Whitneys in over 50 years with the 3-year-old Easy Goer. After runner-up finishes to Sunday Silence in the GI Kentucky Derby and the GI Preakness, Easy Goer beat Sunday Silence by eight lengths in the GI Belmont S.. Rather than prep him for the Travers in the Jim Dandy, McGaughey put him in the Whitney and ran Fast Play in the Jim Dandy. Easy Goer, the last 3-year-old to win the Whitney, won as he pleased by three lengths over Clever Trevor at 1-5.

"We knew that Easy Goer was an exceptional horse," McGaughey said. "He came out of the Belmont--and I wouldn't have done it--but he gave you the feeling that you could run him back in two weeks. We obviously didn't do that, but we pointed

for here. Mr. Phipps was anxious to do something of that sort and we had an alternative, too, with Fast Play, who we could run in the Jim Dandy. Obviously, it was the right decision and I thought it was the right decision going in, too."

Hall of Fame jockey Jacinto Vazquez provided some drama by pinning Easy Goer along the rail behind the pacesetter for a while, but he took advantage of an opening.

"He had to come through there, but he was in a little bit of

trouble," McGaughey said. "I can remember watching Pat Day and thinking, 'He's got a lot of horse. Whenever it opens he's going to be there.'"

McGaughey was second to Criminal Type with Dancing Spree by 1 1/2 lengths in 1990 and Out of Place was second by a nose in 1992. He added his third Whitney five years ago with Honor Code, who edged Liam's Map by a neck at 7-2. It followed his victory in the Met Mile and was the last of his six wins in an 11-race career.

"Honor Code was an exceptional horse," McGaughey said. "He wasn't the easiest horse to train. He kind of did a little bit of what he wanted to do. After he won in the Whitney, he didn't want to go back to the training track. I had to bring him up here and train. I don't know why."

sire, showing that versatility. He's multi-dimensional. He's a big, handsome horse. And it really couldn't come at a better time with the September sales right around the corner. He's proven he can get the racehorse of the ultimate ability and we're right back on track and heading upward."

The breeding market can be so fickle that Hill 'n' Dale cut Violence's stud fee from \$40,000 to \$25,000 after a slow 2019. He was the number-one sophomore sire of 2018.

"My confidence in the horse has really never wavered or shaken, but the reality was we provided a price break this year because stud fees should be dependent upon not only sales success, but racing success," Sikura said. "Too often, people don't see that both ends of the business are interconnected and you sell these yearlings to be racehorses. I think you should be buoyant in terms of success, when horses are winning at the highest level and I think the breeder deserves a break when things are quiet."

In the fall of 2016, Stonestreet Stables announced that Kantharos would be moving from Ocala Stud in Florida to Hill 'n' Dale. He was the leading active sire in Florida at the time. Sikura conceded that a lot of guesswork goes into the equation when transferring a sire from a regional market to Kentucky.

"It's much like a high school athlete that is going to play in a local college and be successful, or can you play at a D1 school, whatever the sport might be, and succeed?" he said. "You have to have a feel for it. You're betting on the horse and you're betting that the quality of marriage that he bred, the success that he's had, is really disproportionate to the opportunity in a positive way. I looked at Kantharos, and I looked at the stakes winners, and looked at his winners. Then I started to see horses become graded stakes winners and that was very exciting. Then, with XY Jet and World Of Trouble, you're starting to get Grade I winners and champions. He was a really good racehorse. He threw a good type, and we believed that he would certainly fit a niche in the Kentucky marketplace. The hope is always that without limitation, he will continue to ascend the sire ranks and go to the next level."

Though Hill 'n' Dale does not typically breed its stallions to

huge books of mares, Sikura is not a fan of the new Jockey Club rules. He says they create a playing field that is no longer level because stallions that were grand fathered can breed to far more mares than those who were born after 2019.

"Whatever the rules are, they must be applied equally to everybody," he said. "And if it's going to be 140 mares, then there has to be a year under which every stallion that breeds in North America must comply with and have the same rules. We talk about this lack of consistency. The Jockey Club complains about the lack of consistency in different jurisdictions as far as medication, various control issues. Now they have an edict that sort of gets right in the middle of free enterprise, free commerce. I believe in fairness. I believe in competition, but I don't believe in any competitive edge. If genetic diversity or the concentration of one sire in the sales ring, giving more opportunity to others is the goal, and if it's an immediate and anxious goal, and important to the industry, which they state as the premise for the rule, then it must apply the same day to everybody."

The Writers' Room also discussed the return of Maximum Security (New Year's Day), the winner of the GII San Diego H.

In the West Point Thoroughbreds news segment, the writers discussed this weekend's stakes races and an incident involving jockey Hector Caballero. On Monday at Parx, Caballero struck his mount in on the neck or shoulder with his whip after the race had concluded.

SHANNON B. ARVIN OFFERS FIRST SALES & RACING UPDATE AT KEENELAND

Shannon Bishop Arvin, tabbed to replace Bill Thomason when he retires as Keeneland's President and CEO at the end of 2020, issued her first communique Wednesday evening.

"First, I'd like to thank everyone who has been so kind and welcoming as I transition into my new role with Keeneland," Arvin said. "This is both a privilege and a responsibility that I do not take lightly, and I very much look forward to working alongside our team to support your needs as we move into the fall season and into the future.

"While Keeneland is excited to unveil our full portfolio of remote bidding options, we continue to work closely with state and federal government officials, including representatives of both Senator Mitch McConnell and Congressmen Andy Barr, to seek exceptions to allow international travelers to attend the September Sale. Just as we have done for 80+ years, Keeneland will exhaust every measure possible to bring the world to Keeneland."

Keeneland photo

Final plans will be announced shortly regarding COVID-19 testing during the Keeneland September Sale. Proof of a negative COVID-19 test upon arrival at the sale will be required. If a participant does not have proof of a negative test, onsite testing will be available at Keeneland.

"We are working in concert with health and government officials as well as Fasig-Tipton to deliver consistent and reliable protocols and testing," Arvin said. "Keeneland's continued commitment to safety and our compliance with the Governor's Healthy at Work standards allow us the opportunity to operate our auctions and race meets."

In closing, Arvin paid tribute to late Keeneland employee Katherine McKee.

"As previous Manager of Keeneland's Horsemen Hospitality and most recent Director of Racing Administration, Katherine has been a part of the Keeneland journey alongside many of you. We will always cherish the legacy of her dedication and love for horsemen and her Keeneland family. Although she battled advanced melanoma for nearly three years, many of you may have been unaware as Katherine's positive attitude, dignity and grace never wavered. She was an amazing person and friend and will be tremendously missed by all of us."

DOUG PETERSON'S SON WINS IN MLB DEBUT

David Peterson | Getty Images

David Peterson, the son of Doug Peterson, who trained Seattle Slew during his 4-year-old year, had a night to remember Tuesday as he was the winning pitcher in his MLB debut.

Peterson, 24, led the Mets to an 8-3 win over the lowly Boston Red Sox.

"This is one of the greatest days of my life," Peterson said. "This is something I've wanted to do since I was a little kid, and to go out there and make my first major league start, we got the win and I couldn't have asked for much more."

Doug Peterson, just 26 at the time, was a little known trainer when Seattle Slew's owners called on him to take over for the fired Billy Turner. Peterson guided Slew to wins in the GI Marlboro Cup, the GI Woodward and the GIII Stuyvesant H. He was named champion older male of 1978.

Peterson's story ended in tragedy in 2004 when he died of an accidental drug overdose. David, his only child, was nine at the time. David subsequently moved to Colorado, where he was raised by his grandmother.

Peterson, who is 6' foot 6", two inches taller than his father, was taken in the first round of the draft by the Mets in 2017. He was a standout pitcher at the University of Oregon.

PROVEN STRATEGIES: THE EIDL VERSUS THE PPP by Len Green

How can the CARES Act plans help your horse business? | *Fasig-Tipton photo*

In our last article we discussed the Payroll Protection Program (PPP), which the government initiated to cover business-related expenses such as payroll, rent and utilities. But the Government also issued a second (and lesser known) relief program, named the Economic Injury Disaster Loans (EIDL).

The good news is that the EIDL can be used for a much larger group of expenditures, which we will discuss in this article.

For small business owners hit hard by the Coronavirus Pandemic, the CARES Act still has funds available after the second round of financial relief and offers several SBA programs to offset the negative economic impact. Two that have been in the news are the Payment Protection Program (PPP) and Economic Injury Disaster Loans (EIDL).

PPP vs EIDL - How do the Loans Compare?

These are two separate programs, and the benefits of each depend on your business and situation. PPP allows businesses borrow up to \$10 million in loans that are 100% forgivable if they do not lay off any employees or if they rehire employees they have already laid off.

The EIDL allows businesses borrow up to \$2 million in loans

and includes a grant of up to \$10k.

What is an Economic Injury Disaster Loan (EIDL)?

If you are self-employed and do NOT have employees, this may be a good option for you. The federal Small Business Administration (SBA) runs the Economic Injury Disaster Loan (EIDL) program directly. A part of the loan may be forgiven (up to \$10k).

In the thoroughbred industry, this program is especially valuable for independent contractors such as bloodstock agents, jockey agents, blacksmiths, bookkeepers, pinhookers, and/or small breeding operations.

Q. What can EIDL be used for?

Payroll, fixed debts, accounts payable, other expenses that you are unable to pay directly due to the Covid-19 impact.

Q. What are the basic terms of the EIDL?

If qualified, you can borrow up to \$2 million under the following conditions - 3.75% APR for up to a 30-year term.

Q. How do I apply for EIDL?

You should apply online at covid19relief.sba.gov. There are no costs or fees to apply. On the application, you can check the box to be considered for an advance before your loan is finalized. You will need to provide a bank routing number and account number for them to deposit the loan advance.

Q. How much of EIDL is forgivable?

Up to \$10k available as an emergency grant, upon approval. The SBA will determine how much loan advance they will give you, and when they will send the loan advance. If you receive a loan advance, the advance will not have to be repaid. The loan advance may be \$10,000, but it may be less.

Q. May I apply to Both PPP and EIDL?

Yes, you may apply for both. But you cannot use the funds from both loan programs for the same purpose. In order to help clarify the use of funds for the two programs, please find below some examples of how to best utilize the funds for your horse-related business, from each program.

PPP	EIDL
Payroll	Fixed debts (rent, etc.)
Rent	Working capital
Mortgage	Inventory
Utilities	Equipment
	Purchases
	Real estate payments
	Operating expenses
	Payroll
	Accounts payable

Questions:

I know that PPP loan money can be used for payroll, rent and utilities. What can I use EIDL loans for? How about repairs, maintenance, insurance, car expenses and professional fees?

EIDL proceeds can be used for operating expenses.

What about stud fees?

If stud fees can be characterized as operating expenses, then EIDL loan proceeds can be used.

Hay, feed, shavings and other supplies?

Hay, feed, shavings, and other normal supplies would be operating expenses, so okay.

To buy new horses, which is inventory for me, because I pinhook horses for resale?

EIDL proceeds can be used for inventory.

Buy a new truck for the farm?

If the truck is considered equipment, then EIDL loan proceeds can be used.

I have never paid myself a salary, but I am active in the business. My cash flow comes from distributions and the net income I take out from the profits. Can I take out a salary from the loan proceeds equal to what I used to take out before COVID-19?

EIDL proceeds can be used for payroll, but not for disbursements to owners unless for performance of services.

Is the lower interest that I pay on the loan still tax deductible?

Since the loan is business-related, the interest can be deducted.

Can my business pay me a dividend or bonus with the EIDL money?

The EIDL proceeds cannot be used for dividends or bonuses.

I have other debt (credit card and bank loans) with higher interest rates. Could I pay them down and save money because the interest on EIDL loan is less?

The EIDL proceeds can be used for accounts payable, but not for the refinancing of long-term debt.

I have been basically a pinhooker. Could I use part of the funds to go into a new business?

The EIDL proceeds cannot be used for expansion of facilities or acquisition of fixed assets.

If my PPP loan funds are used for payroll and utilities and that satisfies the amount of PPP funds received, can I now use EIDL for utilities, rent, etc.?

The EIDL proceeds can be used for fixed debts, such as rent.

I want to move my business. Is that cost allowed with the funds?

The EIDL proceeds cannot be used for relocation.

LONE STAR HIRES PATTERSON AS RACING SECRETARY

Tony Patterson will join Lone Star Park as the new Racing Secretary for both the Thoroughbred and Quarter Horse meets. Patterson will assume his new role Aug. 3, at the tail-end of the Thoroughbred meet which wraps up Aug. 12. Lone Star Park's Fall Quarter Horse meet begins Sept. 4.

"I am excited to welcome Tony Patterson as the new Lone Star Park Racing Secretary," said Lone Star Park's Vice President of Operations, Kent Slabotsky. "His experience, knowledge and enthusiasm make him a perfect addition to our Management team."

Patterson brings with him 36 years of experience in the horse racing industry. He began his career at Remington Park in 1988 as the Assistant Racing Secretary/Stakes Coordinator, eventually becoming Director of Racing/Racing Secretary at the Oklahoma City track. He has held positions at Sam Houston Race Park, Harrah's Louisiana Downs and most recently as the Executive Director of the Louisiana Quarter Horse Breeders Association.

"I am looking forward to taking on the role of racing secretary at Lone Star Park and thank Kent Slabotsky, Matt Vance and Tim Williams for entrusting me with this position," said Patterson. "There are some incredible horsemen that support racing in

Texas. I feel certain that we will present a very exciting Quarter Horse meet in the months to come."

RANDAZZO APPOINTED AS JOCKEY CLUB STEWARD AT FINGER LAKES

Samantha Randazzo has been named The Jockey Club steward at Finger Lakes Gaming & Racetrack upon the resignation of Don Combs. Randazzo will start at Finger Lakes Aug. 3.

The appointment was announced by Stuart S. Janney III, the chairman of The Jockey Club.

"Samantha brings a diverse background to her new position as The Jockey Club's steward at Finger Lakes," said Janney. "Her time as an assistant trainer, state steward, and safety steward, combined with a law degree, make her well-equipped to uphold the integrity of horse racing in this role."

Previously, Randazzo had experience as a state steward in Florida, Illinois, Minnesota, and New Jersey. She was a safety steward for the National Steeplechase Association, and, while in Florida, she spent time as a veterinary technician. Randazzo worked for Linda Rice for 27 years, with 17 of those years spent as an assistant trainer overseeing divisions in Saratoga, New Jersey, and Florida.

Randazzo is an accredited steward through the Racing Officials Accreditation Program for both Thoroughbred and Standardbred racing. She graduated from Albright College with a Bachelor of Arts degree and received her law degree from the University of Toledo College of Law.

Classic Lady was ridden tactically close to a loose leader and got first run on her chief market rival War Canoe en route to a narrow success in Wednesday's Dayatthespa S. at Saratoga.

Going out for the in-form Clement stable, Classic Lady was first to break the line but was wrangled back to sit second as Vortex Road (Quality Road) was ridden forward by Kendrick Carmouche, who then proceeded to drop anchor. Allowed to bowl along through an opening quarter in just :25.90 and a half in :51.59, Vortex Road continued to dictate the pace around the turn and into the stretch. Classic Lady claimed the front-runner with a furlong to race, but was soon joined to her outside by War Canoe, who had worked her way into striking position from fourth. But Classic Lady had plenty left after stalking that slow pace and won the 100-yard dash to the line. Wegetsdamunnys missed the kick and ran on well for third.

Out of the top three just twice in 13 prior appearances on the grass, Classic Lady took a state-bred second-level allowance over the Aqueduct turf last November in her final run for Jorge Abreu and just missed to the high-class Fifty Five (Get Stormy) in the July 2 Mt. Vernon S. downstate.

Classic Lady is the 12th black-type winner for her sire.

Produced by a half-sister to GSW Unbridled Humor (Distorted Humor), dam of SP Wild Medagliad'oro (Medaglia d'Oro), Guillaume has a yearling half-brother by Danzig-line sire Air Force Blue. BREAKING THE RULES (h, 5, War Front--Protesting {GSP, \$213,050}, by A.P. Indy), a half-brother to Performer (Speightstown), GSW, \$257,000, closed his busy 3-year-old season with a win in the Tropical Park Derby, but made just three trips to the races last season. A near-miss second in the GIII Canadian Turf S. in March, he was last of 13 to future Horse of the Year Bricks and Mortar (Giant's Causeway) in the GI Turf Classic in May and was eighth in the GIII Poker S. before going missing. The homebred resumed from a 369-day hiatus to best recent allowance winner Digital Age (GB) (Invincible Spirit {Ire}) at Belmont June 20 and was a 3-1 gamble here. Settled in third as Gidu (Ire) (Frankel {GB}) ran off on the front end, Breaking the Rules got going in earnest leaving the three-furlong pole, quickly closed ranks on the spent Gidu at the eighth pole and kicked

away to take it by a length from recent First Defence S. hero Therapist (Freud). Protesting, whose GSP second dam On Parade (Storm Cat) was a full-sister to Storm Flag Flying (See CNL 6 below), has not produced a live foal since Breaking the Rules and was most recently bred to Runhappy. READYFORPRIMETIME (c, 4, More Than Ready--Mana Pools, by Gone West) had shown he could fire fresh in the past, having finished a debut third to 'TDN Rising Star' Valid Point (Scat Daddy) at Gulfstream last February before breaking his maiden first off a 2 1/2-month freshening over course and distance in his second run for this barn last August. Seventh in the Allied Forces S. two weeks later, he was last seen taking a Laurel turf sprint allowance in October. A market drifter to be off at 11-1, Readyforprimetime proved an unlikely leader in a race that appeared on paper to be full of speed, getting the opening quarter-mile in :21.97. Unchallenged up front, the dark bay carried a two-length advantage into the final furlong and was drifting out late, but got home 3/4 of a length to the good of Backtohisroots (Mark Valeski). Produced by a winning half-sister to GISW Power Broker (Pulpit), Readyforprimetime has a 2-year-old half-sister named Point Wild (Point of Entry) and a foal half-sister by Uncle Mo. Mana Pools most recently visited Arrogate. Sales history: \$220,000 Ylg '17 KESEEP; \$295,000 RNA 2yo '18 FTFMAR. VALIANCE (f, 4, Tapit--Last Full Measure {GISW, \$293,245}, by Empire Maker) was perfect in three starts last season, including the Open Mind S. in June before going missing. Fourth in an off-turf renewal of Gulfstream's Powder Break S. May 16, the \$650,000 FTSAUG grad was a latest sixth in the GII New York S. at Belmont June 27. The 4-5 favorite was ridden like the best horse in the race, three deep and facing the breeze as Our Bay B Ruth (Candy Ride {Arg}) galloped them along on a good pace. Given her cue by Tyler Conner five-sixteenths out, Valiance took aim on the front-runner, who had a kick and looked home, but the chalk nailed her on the line. **Cont. p3**

The winner's dam, who earned her Grade I in Keeneland's Madison S., is a daughter of Lady Slusan (Slewvescent), herself a two-time winner at the top level. Last Full Measure, who was acquired by China Horse Club for \$1.5 million in foal to War Front at KEENOV in 2014, is the dam of the 2-year-old colt Harbor Bay (Exaggerator) and a yearling filly by Mastery. The War Front filly she was carrying at the time of her purchase was a \$600,000 KEESEP yearling and produced a filly by Always Dreaming for her first foal this year. Last Full Measure was covered by Constitution during the 2020 breeding season. Sales history: \$650,000 Ylg '17 FTSAUG. NORTH DAKOTA (c, 4, [Medaglia d'Oro](#)--Starry Dreamer {MSW & GISP, \$564,789}, by Rubiano) won his maiden and allowance back-to-back at Tampa in March and April, respectively, and was getting class relief off an allowance fifth at Belmont July 4. The Allen homebred settled in a share of last down the backstretch behind on opening half-mile in a pedestrian :51.45. Asked for his best by Forest Boyce fully three furlongs from home, the blaze-faced dark bay still had about three lengths to find entering the final eighth of a mile, but found his best stride late en route to a 1 1/4-length success as the 17-10 second choice. North Dakota is a half-brother to Riviera Cocktail (Giant's Causeway), SW & MGSP, \$204,095; Jay Gatsby (Giant's Causeway), MGSP, \$313,972; Teammate (A.P. Indy), MGSW & MGISP, \$618,276; 1/2 to Ecclesiastic (Pulpit), MGSW, \$346,472; and leading sire War Front (Danzig), GSW & MGISP, \$424,205. VIGILANTES WAY (f, 3, [Medaglia d'Oro](#)--Salute {MGSP, \$103,838}, by Unbridled) gave her sire, jockey and Hall of Fame conditioner their second winner on the program. A debut third sprinting over the Aqueduct main last December, the well-related bay graduated in a seven-furlong test at Tampa Apr. 4 and was a distant fifth to Tonalist's Shape (Tonalist) after hitting

the gate at the start of the May 15 Hollywood Wildcat S. at Gulfstream. A 13-5 chance switching to the turf for the first time, Vigilantes Way was soon in front for Forest Boyce, began to pull clear in the stretch and had a 5 1/2-length gap on even-money Luck Money (Lookin At Lucky) at the line. The winner is a half-sister to Snap Decision (Hard Spun), GSP, \$420,334; South African-based stallion Fire Away (War Front), GSW, \$613,397; and Mr Speaker (Pulpit), GISW, \$1,247,544, whose daughter Speech took out the GI Central Bank Ashland S. earlier this month. The filly's second dam is the irrepressible Personal Ensign (Private Account), dam of four-time Grade I winner My Flag (Easy Goer) and granddam of champion Storm Flag Flying (Storm Cat). The female family also includes GISWs Miner's Mark, Traditionally and Personal Flag. Salute is represented by the 2-year-old colt Uncle Mo and was most recently bred to Flatter. FARMINGTON ROAD (c, 3, [Quality Road](#)--Silver La Belle {MSP, \$111,971}, by Langfuhr) was runner-up in the Oaklawn S. Apr. 11, stayed on for fourth in the faster division of the GI Arkansas Derby won by Nadal (Blame) and was last seen finishing a well-beaten eighth to Tiz the Law (Constitution) in the June 20 GI Belmont S. Possessed of a pedigree for the turf and wanting every bit of this trip, the 9-10 favorite lobbed along at the back of this quintet with no pace up ahead of him.

Farmington Road (2) gets up in time | Coady

Sticking to the fence as they raced around the sweeping second turn, Farmington Road was full of run, but short of room entering the stretch. In tight while trying to thread the needle one off the inside at the eighth pole, he was deftly maneuvered

into the three path with time ticking away, knifed through between rivals and was along for an eventful neck success. The colt's stakes-placed dam is a half-sister to the Chrysalis Stable-owned Silverfoot (With Approval), a three-time winner of the 12-furlong GIII Louisville H. and runner-up in a GI United Nations S. over a mile and three-eighths. Farmington Road has a yearling half-brother named Romanichal (Munnings) and a foal half-sister by Goldencents. Silver La Belle visited Take Charge Indy this past breeding season. CARAVEL (f, 3, Mizzen Mast--Zeezee Zoomzoom, by Congrats) rallied from last and bridged a double-digit deficit after a slow start to blow up the tote at first asking over track and distance June 24 and was the 14-5 second choice to put them back to back. Quickly into stride this time around, the homebred skipped along on the front end, pinched a winning break in upper stretch and crossed the line a 5 1/4-length winner.

Caravel has a 2-year-old half-sister by Bourbon Courage and a yearling half-brother by Great Notion. The dam, a daughter of MSW & MGSP Zee Zee (Exchange Rate), was most recently bred to Holy Boss. Never out of a common gallop at 15 cents on the dollar, Spin A Yarn never looked a loser, coasting home six lengths the best untouched. ZERO TO SIXTY (f, 3, American Pharoah--Cat Moves {GISW, \$315,350}, by Tale of the Cat) eased out to 7-1 after being as low as 5-1 and kicked it in an eighth of a mile from home to graduate in sparkling fashion in the Wednesday finale from Saratoga. Drawn widest in the field of nine, the \$320,000 Keeneland September was beaten for speed and raced in the latter half of the field for the opening furlong before advancing outside into midpack nearing the entrance to the turn. Held together for a four-wide sweep on the bend, she came out in upper stretch and found that extra gear for the final furlong, besting Let The Eat Cake (Animal Kingdom) by 1 1/2 lengths. Zero To Sixty's dam broke her maiden by 8 1/4 lengths at first asking for Tony Dutrow and the late Ned Evans and added a 3/4-length victory in the GI Prioress S. two starts later ahead of a third in this track's GI Test S. in 2009. Zero To Sixty carries inbreeding to Storm Cat, which can also be found in three of American Pharoah's nine stakes winners to date (Sweet Melania, Ocean Atlantique and Danon Pharaoh). Cat Moves, who fetched \$2.4 million in foal to Malibu Moon at KEENOV in 2011, was knocked down for \$400,000 carrying to Candy Ride (Arg) at the same auction in 2017. The resulting foal, a colt, has since been exported to Saudi Arabia, while Cat Moves produced a filly by Widden Stud's Zoustar (Aus) (Northern Meteor {Aus}) following her export to Australia. She was barren to Justify for 2020. This is also the extended female family of GI Breeders' Cup Juvenile Turf hero Hootenanny (Quality Road). FIRST LINE (g, 3, First Samurai--Street Line, by Street Cry {Ire}) was the subject of considerable hype dating back to last winter and had been well bet each time before disappointing his backers. A debut fourth at 12-5 over Aqueduct's one-turn mile

Jan. 11, the chestnut was the 33-10 runner-up of a Big A maiden over three-quarters of a mile Feb. 28 and regressed by one spot going that same distance at odds of just over 9-2 at Belmont June 6. Stretching to two turns for this as a 12-1 outsider, First Line broke alertly and took up pace-chasing duties outside of the rail-drawn Hometown (Constitution). The duo pulled well clear of their competition entering the stretch and were more or less inseparable into the final 100 yards, but First Line did slightly the better work late, scoring by a neck. The gelding, whose third dam Serena's Sister (Rahy) was--as the name implies--a full-sister to the great Serena's Song, has a 2-year-old half-sister named Fast Lane Girl (Fusaichi Pegasus) and a yearling half-brother by Noble Mission (GB). NIENTE (f, 2, Not This Time--Three Degrees Mon, by Maria's Mon) overcame some wayward ways in the final furlong to provide her sire (by Giant's Causeway) with his fourth first-crop winner. Off slowly from the inside stall, the \$26,000 KEESEP yearling turned \$53,000 OBSMAR breezer was hustled along to assume command and, despite the tardy dispatch, clocked the opening two furlongs in :22.10. Firmly in front turning for home, the bay drifted out slightly passing midstretch, forcing Frankie Pennington aboard favored Vequist (Nyquist) to shift to the inside. Niente continued to get out and was nearer the outside rail than the inside, but she managed to get her nose down first at odds of 27-5. The winner has a yearling half-sister by Violence. NEW FIXTURE

MOHAATHER OOZES CLASS IN SUSSEX

Mohaather wins the Sussex | *Racing Post*

Denied a clear run when seventh in Royal Ascot's G1 Queen Anne S., Sheikh Hamdan bin Rashid Al Maktoum's **Mohaather (GB)** (Showcasing {GB}) gained some measure of compensation in the G2 Summer Mile back at the Berkshire venue earlier this month and produced an explosive turn of foot to secure a career high in Wednesday's G1 Qatar Sussex S. at Goodwood. The well-backed 3-1 second choice was handily placed in fourth after an alert getaway, but slipped one spot at halfway. Shuffled back to last of the seven runners when caught in a pocket against the fence approaching the final quarter-mile, he was angled to the outside by Jim Crowley with 1 1/2 furlongs remaining and fired up the afterburners once accosting his Queen Anne conqueror **Circus Maximus (Ire)** (Galileo {Ire}) and G1 Irish 2000 Guineas hero **Siskin** (First Defence) inside the final furlong to claim glory in a stellar renewal of the one-mile feature. At the line, he had 3/4-of-a-length and a half-length to spare over those adversaries, with an additional two lengths back to G1 2000 Guineas winner and G1 Epsom Derby fourth **Kameko** (Kitten's Joy) in fourth.

Reflecting on the win, and yet another high-water mark of a banner 2020, rider Jim Crowley beamed, "He's an absolute aeroplane! I wanted to ride him more forward today and, by doing that, we ended up in a bit of a pocket the whole way and he's had to do it the hard way." [Cont. p2](#)

NASSAU STARS ALIGN

It is the turn of the fillies and mares on Thursday, with the G1 Qatar Nassau S. headlining a fascinating third day of the Qatar Goodwood Festival. It features a clash between two fillies whose limits are far from set at present, with Shadwell's **Nazeef (GB)** (Invincible Spirit {Ire}) taking on the year-younger **Fancy Blue (Ire)** (Deep Impact {Jpn}). The former steps up from a mile for the first time, having captured the G2 Duke of Cambridge S. at Royal Ascot June 16 and G1 Falmouth S. at Newmarket July 10 in the manner of a filly that will improve for a step up to this 10-furlong trip. Sheikh Hamdan Al Maktoum's racing manager Angus Gold said, "She's been an absolute star this year--it's lovely to see her not only fulfil the potential, but exceed what we hoped. We were hoping to make her a stakes winner and it's been a real thrill. Stepping up in trip now will be interesting, but everyone who has ridden her has always felt she would get it. Obviously you never know for sure until they try, but I'm very hopeful she will stay it--the way she has always finished off her races."

G1 Qatar Sussex S. Cont. from p1

Crowley added, "He was shuffled back, got taken out of the race and he's had to come around them. Everything went wrong for him. If I'd have sat last, and ridden him more confidently, he'd maybe have been more impressive. This is serious, they're the best milers in Europe and I wouldn't say he's made them look ordinary, but he won very well."

"It was tactical, we thought it would be and I don't blame anyone for that because that is just racing," added winning trainer Marcus Tregoning. "He struggled to find his way out, but Jim [Crowley] kept his calm in the knowledge that he has that massive kick. He was very impressive, I have to say, and if he'd got out earlier he'd have

Mohaather as a foal | Gaie Johnson Houghton/GBRI

won very easily, but he won very easily anyway."

Tregoning, who'd not enjoyed Group 1 success since guiding Sir Percy (GB) (Mark of Esteem {Ire}) to Epsom Derby glory in 2006, has adopted a patient approach with the speedily bred bay and overseen a maximum of three runs in each of the now 4-year-old's three seasons' racing. Having closed a 2-for-3 juvenile campaign with victory in Newbury's G3 Horris Hill S., Mohaather's love affair with that track continued in the G3 Greenham S. last term, the first of two sophomore outings, and he ran fifth in October's G1 Queen Elizabeth II S. in his first start at Ascot. "I've had to wait a long time [for another Group 1 winner], but we haven't quite had the horses. When we left Lambourn [for Whitsbury in 2013] we didn't start with very many horses and it was like starting from the beginning again."

“Luckily, Sheikh Hamdan supported me well and I also have to give a big plug to Angus Gold. He found this horse as a yearling and asked me to go look at him. I looked at him and thought he was quite small, but I trained Dominica to win the [G2] King’s Stand first time out as a 3-year-old [in 2002] and she wasn’t even 15 hands. Angus is a good judge, we liked the pedigree and we thought we’d give it a go.”

Looking ahead, the trainer continued, “The [G1] Breeders’ Cup Mile is a possibility, we know tactical speed round those tighter tracks is what you have to have and this horse has so much pace. There’s also [the G1 Queen Elizabeth II S. on] Champions Weekend at Ascot and he is in the [G1] Prix Jacques Le Marois, but that might come a bit quick for him. I will come up with a plan, but it is entirely up to Sheikh Hamdan, Richard Hills and Angus Gold and so on.”

Connections were delighted with the customary full-blooded performance of Circus Maximus (Ire) (Galileo {Ire}), who again refused to yield without a battle on the front end for a second runner-up finish in the contest. “Circus Maximus ran his heart out and you get that every time with him,” said Coolmore’s Paul Smith. “He’s a solid Group 1 horse and he’s run a great race once again. We’re delighted with him and he’s going to be competitive wherever he goes next. I had goosebumps just looking at quality individuals in the parade ring, it was a great race and I’m looking forward to watching it back.”

Ger Lyons was thrilled, despite witnessing the first reversal for his Classic-winning stable star Siskin (First Defence), who held every chance before conceding only in the final strides. “I’m delighted with him. He came to win his race and was outstayed by two older horses. There were no excuses and that’s all I asked for coming into the race. Colin [Keane] said the ground blunted his speed a bit, but one thing we know is that he’s a proper miler and the faster the ground the better. There will be no decisions made just yet, but he probably has [G1] Breeders’ Cup written all over him.”

The final decision on plans will come in good time as Teddy Grimthorpe explained, “There are a number of options for him, all of which are pretty obvious, and we have got a bit of time to think about it. We will see how he comes out of the race, it was only his second race of the year, so there is still more to come from him. We will sit down, come up with a plan and take it from there. He has run a really good race. We have got absolutely no complaints and he has come out of the race as the best 3-year-old miler so that is a positive. He has had every chance and run really well so there we are. It was a good race, but he wasn’t beaten far. There is always a moment where you think you have a chance, but we have no complaints at all.”

Fresh from registering a first Goodwood winner in the previous race, Colin Keane also offered reflections in defeat. "It was a brilliant run, they went a nice even gallop from the word go and my horse travelled into it well. He came there to win and probably just bumped into two older, hardened, horses. Maybe the ground, just being on the slow side, blunts his speed a little bit, but we are very happy."

Oisin Murphy accepted full responsibility for the defeat of Kameko (Kitten's Joy), who was denied a clear passage--glued hard against the notorious far-side fence--inside the final quarter mile and hit the line full of run. "He jumped very smart and I wanted to take a lead," the rider explained. "I couldn't find any room up the straight and I felt the best horse didn't win on the day. Unfortunately, these things happen sometimes and this was jockey error. I hope the horse is sound in the morning and he lives to fight another day, but apologies to his connections. A lot of hard work goes into preparing these horses and nobody wants hard-luck stories. Everyone saw the way he travelled and I was full of horse for most of the race. I haven't spoken to [trainer] Andrew [Balding] or Prince Fahad about it in any depth, but I view him as a miler."

Trainer Andrew Balding added, "I have only seen it once with the naked eye and I would have to watch it again, but Kameko looked unlucky. He has finished on the heels of them and Oisin was a bit unlucky on him, but it happens round here."

Clodovil's Steel Bull won the G3 Molecomb S. | Rathasker Stud

NERVES OF STEEL

Colin Keane came to Goodwood for the first time on Wednesday and his debut ride was one of a rider who had been here many times before as he guided **Steel Bull (Ire)** (Clodovil {Ire}) to success in the G3 Markel Insurance Molecomb S. Held up in rear off the pace burn-up in front, Michael O'Callaghan's July 22 Naas maiden scorer was still sitting chilly at the back passing two out but when the gap was big enough he was through with relish to seize the advantage 100 yards from the line. Despite the stern challenge of **Ben Macdui (Ire)** (Kodiac

Steel Bull | Racing Post

{GB}), the 2-1 favourite asserted to score by 3/4 of a length, with **Internationaldream (Ire)** (Acclamation {GB}) 1 1/2 lengths away in third.

"When you are on a horse like this, they make it easy for you--he travelled very well and when I gave him a squeeze he picked up nicely," Keane said. "He had won in a hack canter in his maiden and he's a progressive horse."

Bought by his trainer at the Goffs UK & Arqana Breeze-Up from Andrew Lynch for just £28,000, Steel Bull is yet another advert for the strength of the Irish juvenile scene having upstaged the experienced yardstick Dense Star (Ire) (Starspangledbanner {Aus}) over five furlongs at Naas. Always travelling strongly in this contest behind a wall of rivals, the grey was push-button when the command was given and was well on top at the line to suggest he can go forward from this effort.

"He's done it very well and Colin was top-class--as good as ever," O'Callaghan commented. "We had a little interest in him after winning his maiden, but at the end of the day he had to go and prove he could do something like this. He's also owned by father and John Fleming and we've been lucky at the breeze-ups. We've found another one." [Cont. p6](#)

Memorable Week For Kilbrew Breezers

By Emma Berry

Exactly a month before **Steel Bull (Ire)** (Clodovil {Ire}) won the G3 Molecomb S. he was parading around the sales ring as one half of the Kilbrew Stables draft at the Goffs UK Breeze-up Sale, which had been delayed from its traditional late April slot.

Andrew and Riona Lynch of Kilbrew Stables took just two horses to Doncaster and in fact it was the other one, a colt by Mehmas (Ire), who was initially the star package as he vastly exceeded his yearling price when selling for £165,000 to King Power Racing. Steel Bull fetched the more modest sum of £28,000 from his trainer Michael O'Callaghan, though that was still an improvement on the £15,000 he cost at Tattersalls Ascot as a yearling.

Together, the pair has now provided a week to remember for the Lynch family. First out was Steel Bull to win a Naas maiden on July 22. Five days later the Mehmas colt, now known as Mystery Smiles (Ire) and trained by Andrew Balding, won convincingly on debut at Windsor before Steel Bull regained the upper hand during O'Callaghan's bold raid on Glorious Goodwood.

Andrew Lynch is better known as a jump jockey, his career highlights including winning both the G1 Arkle Trophy and G1 Queen Mother Champion Chase on Sizing Europe (Ire) at the Cheltenham Festival. But he is quickly making his name in the breeze-up world and operates in tandem with his wife Riona from their farm in Co Meath.

"It's been unbelievable," said Andrew on Wednesday. "To be honest we were a bit disappointed with the price of the Clodovil colt because we thought quite a lot of him and there was a good bit of interest in him. Three or four people said they were going to follow him in and they actually never did. So we were disappointed with that but they must be sick over it as well. I've been raving about him since February, I felt he was a good horse."

Reflecting on a trying season as sales were delayed and then relocated, he added, "At the beginning of the year when the pandemic arose we were worried and we didn't know what way the market was going to be." [Cont. p7](#)

Memorable Week for Kilbrew Breezers Cont.

"But we were lucky enough to have a few good horses and good results, so we were probably the luckier ones, I suppose," said Lynch.

Kilbrew Stables also brought four horses to Newmarket for last week's Tattersalls Ireland Goresbridge Sale, an auction which should have taken place only a few miles from their home in Ashbourne.

"You don't mind going anywhere if you have a chance to sell a horse and, to be honest, we were glad that the sales moved to England and that we were lucky enough that they were able to get clients there," Lynch commented. "We've only been doing this in a small way for the last three or four years and we've gradually been having a few extra horses each year. We had seven altogether and six went to the sales. We also have a Zoffany (Ire) filly who just scraped her knee on the Wednesday before she was due to travel to Newmarket so she was withdrawn, but we think a lot of her, she was up there with the two boys."

Like many jump jockeys, Lynch has been dealt his share of bad luck with injuries and he has been sidelined from race riding since February 2019 with a bad shoulder dislocation, though he has been able to ride out the breezers on his home gallop.

"I'm waiting to see the specialist in the next week or so but at least I have had something to keep me busy by doing this," he said.

While the delays to the sales have been frustrating for the consignors, the Lynch team has clearly done an excellent job in keeping the youngsters under their care in good shape mentally and physically and in having them ready to run so soon after their turn in the ring.

Lynch continued, "In general terms a breeze-up sale is meant to be for that purpose, the horses should be ready to go and run a couple of weeks later, and they should be able to run well and, if they're lucky enough, win. You hope that the horses should be able to take the work and be forward enough to run even in the back end [of the season] if that's what the owners and trainers want them to do."

He added, "Obviously we had them for a few months longer than normal but they progressed the whole time and Michael [O'Callaghan] has done a good job with Steel Bull, both in bringing him along and placing him in the right races. We were thrilled to bits by him even winning his maiden but to go on and win a group race at Goodwood a week after is just incredible."

Qatar Goodwood Festival Thursday Previews Cont. from p1

Fancy Blue was runner-up to Peaceful (Ire) (Galileo {Ire}) in the G1 Irish 1000 Guineas at The Curragh June 13 prior to outbattling Alpine Star (Ire) (Sea the Moon {Ger}) and that rival in Chantilly's G1 Prix de Diane over 10 1/2 furlongs July 5. While there were four fillies involved in a blanket finish to that Classic, it looked every bit a top-class renewal and trainer Donnacha O'Brien is in accord. "In a tight finish between four horses you can usually mark it down a bit, but they were definitely the right horses involved that day and they pulled clear of the rest of the field, so it looks like very strong form," he said. "Fancy Blue is very genuine, tries hard and takes her work well," he added. "She's a very uncomplicated and talented filly who relaxes and is able to quicken. She gets a mile and a quarter very well and is closely related to High Chaparral, so there's plenty of stamina in her pedigree and she will probably get a mile and a half in time. There are a great bunch of fillies around at the moment,"

Donnacha added. "Among the 3-year-olds you have Love, who looks special, and then of course you've got Enable and Magical and a few of the those turning up at Goodwood this week, including ours."

Last year's winner **Deirdre (Jpn)** (Harbinger {GB}) comes back with identical race conditions to suit, but possibly faces tougher opposition and has to reverse the form of the G1 Eclipse S. with the similarly-accomplished international mare **Magic Wand (Ire)** (Galileo {Ire}),

having finished 1 1/4 lengths behind that Ballydoyle rival when fifth in the July 5 Sandown feature. Oisin Murphy is again on board and commented, "I think she has improved since her last race and August is always her favourite season. We tried the Eclipse, because Sandown has a long straight and with the COVID situation it has been a little bit tricky to train the horses. We found there that she might struggle with the uphill, now we are heading to the Nassau S. with the long straight and flat course. We understand the great importance of the race, we have seen Midday win three times and we are the only horse to have a chance to win twice in a row."

Aidan O'Brien has booked Frankie Dettori for Magic Wand, who was electric when taking the Curragh's G2 Lanwades Stud S., or Ridgewood Pearl, over a mile June 13. "She's a lovely filly who takes everything in her stride and this looks a nice race for her in the middle of the summer," the Ballydoyle handler said.

"She's very straightforward and we're very happy with her."

Earlier on the card, the G2 Qatar Richmond S. and G2 John Pearce Racing Gordon S. provide ideal build-up to the main event with the Gordon seeing the first post-Derby run of Bjorn Nielsen's **English King (GB)** (Camelot {GB}). A lot went against the Ed Walker trainee when fifth in Epsom's July 4 blue riband, but his ability to handle difficult terrain is well and truly proven having won the June 5 Listed Lingfield Derby Trial and he has quickening ground conditions to aid his cause further. "He's in great form. The ground should suit, he should handle the track and he hasn't missed a beat since Epsom," Walker said. "We will see how it goes at Goodwood, but we would be hoping to go for something like the [G1] Grand Prix de Paris. It is shaping into a great race, but everything seems to be this year because it has all been condensed. Hopefully he can prove to us he deserves to take on the best, but we will certainly learn a bit more this week."

English King | Megan Ridgewell

Re-opposing English King is Ahmad Al Shaikh's **Khalifa Sat (Ire)** (Free Eagle {Ire}), who was closest to Epsom's runaway winner Serpentine (Ire) (Galileo {Ire}) when 5 1/2 lengths adrift and he has course form having won the Listed Cocked Hat S. over 11 furlongs June 14. "The course and the drying ground should suit him and all being well, a reproduction of his Epsom form should give him every chance," trainer Andrew Balding said. Also coming back from the Derby is **'TDN Rising**

Star' Mogul (Ire) (Galileo {Ire}), who was sixth behind his ebullient stablemate with Ryan Moore picking him. Aidan O'Brien said, "He seems to have come out of the Derby well and we've been very happy with him since. He's a big, strong, powerful horse who is made like a miler and he's not the easiest to get fit. He carries weight and we're just trying to get it off him. We think racing is going to bring out the best in him. We think he gets a mile and a half, but I wouldn't be surprised if we have to go back in trip."

In the Richmond, Sheikh Ahmed Al Maktoum's **Yazaman (Ire)** (Kodiac {GB}) is for once without The Queen's Tactical (GB) (Tornado {Ire}) for company and looks for compensation for two runner-up efforts behind that peer in the five-furlong Listed Windsor Castle S. June 17 and G2 July S. over this six-furlong trip at Newmarket July 9.

Qatar Goodwood Festival Thursday Previews Cont.

Fourth in the July was Shadwell's '**TDN Rising Star'** **Qaader (Ire)** (Night of Thunder {Ire}), who had previously finished runner-up in Royal Ascot's G2 Coventry S. June 20 when another **TDN Rising Star Admiral Nelson (GB)** (Kingman {GB}) was only eighth as the 5-2 favourite.

G2 Hardwicke S., the race in which he finished third this year on what would prove to be his last racecourse outing.

Varian's statement continued, "It is a great sadness that Defoe's final race came at an eerily empty Royal Ascot where he ran an admirable race to finish third in the G2 Hardwicke S., a scene that was a world away from those jubilant celebrations with Sheikh Mohammed Obaid in the winner's enclosure 12 months previously.

"We can't help but have favourites and Defoe was everyone's favourite horse; from his groom Mark, head girl Dee, regular rider Korrie and to Roger and Hanako's children he was a star, and such was his popularity with them that they had a rocking horse made in his image. A lasting memory for a great horse."

Andrea Atzeni was on board for seven of Defoe's nine victories and he paid tribute to him from Goodwood. Speaking on *Racing TV* after his winning ride on Mambo Nights (Ire) for Sheikh Mohammed Obaid, he said, "It was very sad news this morning. It is always sad to lose any horse but Defoe is very close to us all and especially to Sheikh Mohammed Obaid, who bred him. He gave us many great days and has been very close to my heart. I was actually hoping that one day when he retired I could have looked after him and given him a home in my paddocks but sadly that was not to be."

DEFOE SUFFERS FATAL GALLOPS INJURY

Defoe (Ire) (Dalakhani {Ire}), winner of last year's G1 Coronation Cup for Sheikh Mohammed Obaid Al Maktoum, suffered a fatal injury on the Newmarket gallops on Wednesday morning.

The 6-year-old's trainer Roger Varian announced his death via a statement on his website which read, "It is probably not a safe assumption that only those who were closely connected with the horse will be heartbroken that he has left this life. Although not large in stature Defoe had the heart of a lion and his adoring fans from around the world will no doubt join us in mourning his loss and celebrating his achievements."

Defoe was bred by his owner under the Darley banner and was the first foal of his dam Dulkashe (Ire), a winning daughter of Pivotal (GB). While he won on his debut at two over a mile, Defoe improved with age and distance to snare his Group 1 success as a 5-year-old. He won another six races along the way to Epsom, including the G2 Jockey Club S. and two Group 3 contests. His final victory came at Royal Ascot last season in the

GRAND FINALE TO SUMMER SALE

The third and final session of Goffs UK's Summer Sale on Wednesday provided the sale's highlight when The Million In Mind Partnership's unbeaten hurdler **Grand Roi (Fr)** (Spanish Moon) (lot 318) fetched £400,000 from Aidan O'Ryan and trainer Gordon Elliott. The pricetag is the second-highest ever achieved from the annual Million In Mind reduction.

Another pair of horses in training shared the day's second-highest price of £82,000: **Fabrique En France (Fr)** (Yeats {Ire}) (lot 340A), who was supplemented off a point-to-point second at Ballycahane on July 3 and bought by Olly Murphy and Aiden Murphy; and **Sky Pirate (GB)** (Midnight Legend {GB}) (lot 448), a two-time winner over hurdles bought by Wasdell Group.

From 186 horses offered on the day, 158 (85%) were sold for an aggregate of £2,369,850. The average was £14,999 and the median £7,000.

Commenting on the day's trade and the Summer Sale as a whole, Goffs UK Managing Director Tim Kent said, "The three-day Summer Sale has been a success from start to finish and today's trade has been no different. This unique sale was similar in format to our traditional Spring Sale and managed to attract a diverse buying bench that was prepared to spend at all levels of the market either in person, on the phone or online. It is this varied selection of horses that helps to attract these buyers each year and I would like to extend our heartfelt thanks to all vendors, of stores and horses in training, who have supported us during these unprecedented times and helped Goffs to conduct a very successful sale under a unique set of challenges."

MISS CHESS (IRE) (**Zoffany {Ire}**) bids to build on her debut third at Yarmouth earlier this month on the same card that her G1 Prix de Diane-winning half-sister Fancy Blue (Ire) (Deep Impact {Jpn}) takes part in the G1 Nassau S. The Phoenix Ladies Syndicate's €220,000 Arqana Deauville August Sale graduate is a relative of High Chaparral (Ire) and represents the Ed Vaughan stable in this maiden won in recent times by Rhododendron (Ire) (Galileo {Ire}) and Amazing Maria (Ire) (Mastercraftsman {Ire}). Amongst her opponents is Jeff Smith's **Iconic Queen (GB)** (**Invincible Spirit {Ire}**), a Ralph Beckett-trained half-sister to the G1 Juddmonte International heroine Arabian Queen (Ire) (Dubawi {Ire}).

MISS JINGLES (IRE) (**f, 2, Exceed and Excel {Aus}**)--**Veil of Silence {Ire}, by Elusive Quality**), who had opened her account over this trip at Sandown eight days previously, tracked the leaders throughout the early stages. Delivered to edge ahead from Country Carnival (Ire) (Mayson {GB}) inside the last half a furlong, the 7-2 second favourite toughed it out to prevail by a neck. "She's a really game filly," jockey William Buick said. "James [Doyle on Country Carnival] came at us very quick, but once you get this filly into a fight she loves it. She did it like at Sandown when she won her maiden and this race had her name written all over it. A sharp five furlongs on nice ground was ideal and she's quick." The winner is a full-sister to the G3 Prix Eclipse, Listed Windsor Castle S. and Listed Roses S. winner Sound and Silence (GB), GSW-Fr, MSW & GSP-Eng, SP-US, \$244,281. The dam, who has a foal full-brother to the winner to come, is a daughter of the late Gerald Leigh's G1 Irish 1000 Guineas and G1 Fillies' Mile heroine Gossamer (GB) (Sadler's Wells). A sister to the champion Barathea (Ire), she was responsible for this operation's G1 Racing Post Trophy winner Ibn Khaldun (Dubai Destination) and the dam of Silk Sari (GB) (Dalakhani {Ire}) who took the G2 Park Hill S. and was runner-up in the G1 QIPCO British Champions Fillies & Mares S. The winner is a half-brother to the recent G3 Meld S. winner and G1 Grosser Dallmayr-Preis third Patrick Sarsfield (Fr) (Australia {GB}), GSW-Ire, G1SP-Ger, \$129,040. The dam, a half to three black-type winners headed by Goathemala (Ger) (Black Sam Bellamy {Ire}) whose career achievements included the G3 Frankfurter Stutenpreis, has a 2-year-old full-brother to Patrick Sarsfield named Oz Legend (Ire). \$2.55 MILLION VIDDORA GOES TO YULONG

Viddora is in foal to Lope de Vega | *Magic Millions*

By Richard Edmunds

All eyes were on **Viddora** (I Am Invincible) on the third and final day of the Magic Millions National Broodmare Sale on the Gold Coast on Wednesday, and the dual Group 1 winner did not disappoint.

At A Glance:

- Multiple Group 1 winner Viddora (I Am Invincible) became the third mare to crack the \$2.5-million mark on the Gold Coast this week, selling for \$2,550,000 on Wednesday morning.
- She was bought by Yulong Investments, who finished the sale as leading buyer, securing 15 mares for a total of \$9,985,000, averaging \$665,667 apiece.
- Viddora was immediately followed into the ring by another daughter of I Am Invincible, **Viennese Star**, who was bought by Daandine Stud and Boomer Bloodstock for \$550,000.
- Widden Stud, which sold sale-topping Sunlight (Zoustar) on the opening day of the sale, finished as top vendor with 20 mares sold for a total of \$5,625,500.
- The overall aggregate for the sale was \$55,508,000, down from nearly \$105 million last year, but with 405 sold as opposed to 702 in 2019.

- The average was a very respectable \$137,058 and a median of \$60,000 compared to \$135,356 and \$65,000 last year.
- The sale clearance rate is expected to lift from 73%. It ended at 78% last year.

Viddora Another Jewel in Yulong's Crown

Yueshang Zhang's Yulong Investments headed to the Gold Coast this week on a mission to bolster their broodmare band, and that mission was well and truly accomplished.

At the end of the National Broodmare Sale, Yulong Investments sat at the top of the buyers' list, having secured 15 mares for a total of \$9,985,000. The average price of their purchases this week is \$665,667.

That big haul includes two of the big-ticket lots of the sale. On Wednesday they paid \$2,550,000 to secure the dual Group 1 winner Viddora, having purchased Unforgotten (Fastnet Rock) for \$2,750,000 earlier in the sale.

Yulong's Chief Operating Officer Sam Fairgray told TDN AusNZ that Viddora had been right at the top of the team's wish list for the week.

"It's really great that we were able to get her," he said. "She was a fantastic race mare, she's an absolutely lovely type, and she's in foal to a very, very good stallion in Lope De Vega (Ire). We're extremely pleased to be able to add her to our broodmare band.

"I think that these purchases, and the exciting young stallions Alabama Express and Grunt, have really cemented Mr. Zhang's commitment to developing Yulong, and to the Australian thoroughbred industry. We're very fortunate to be in the position where he's able to purchase mares of this sort of quality.

"Viddora and Unforgotten are both Group 1-winning mares by exceptional sires. We've seen all week how strong the market is for these mares at the top end, so we're very happy to have been able to secure them.

"To have bought so many mares and be at the top of the buyers' list is great—the week is going along really nicely for us. We might have to buy some more land soon to make room for all of these horses!

"We'll sit down after the sale and work out a plan for what we might do with all of these mares that we've bought, but obviously with Alabama Express and Grunt on our stallion roster, Mr. Zhang is very keen to give them all the support he can."

Yulong purchased another five mares for \$400,000 or more, including the multiple stakes winner and Group 1 Queensland Oaks placegetter **Another Dollar (NZ)** (Ocean Park {NZ}) for \$700,000.

Viddora was offered by Newgate Farm, which bought the star sprinter privately 12 months ago in partnership with SF Bloodstock. She was sent to Lope De Vega (Ire) in late September, and she is one of only 15 Southern Hemisphere pregnancies to that globally influential sire this year.

“I was thrilled with the outcome,” Newgate’s Managing Director Henry Field said on Wednesday. “She was just the most stunning mare you could ever wish to see, and I’m confident that Yulong will do really well with her. They’ve really invested a lot in high-quality stock and high-quality people, and I’m sure they’ll do really well.

“We bought her last year to send her to Lope De Vega, and there aren’t too many mares in this part of the world in foal to him this year. She was a serious sprinter with a huge amount of class, and she’s by a top sire, so she had a lot going for her.

“I found it encouraging that there were five different people on her at \$1.5 million. I really hope that Yulong hit it out of the park with her because she is ‘out of the box’ and they have bought the real deal. For what these elite mares are making, I thought she was reasonably priced. I had her clearly marked as the second-best mare in the sale [behind Sunlight] and she made in the middle of what I thought she’d make.”

For trainer Lloyd Kennewell, Wednesday’s result was the icing on the cake of a fairy tale that began at the Magic Millions Adelaide Yearling Sale six years ago. He paid just \$40,000 to buy Viddora as a yearling, and her glittering racetrack career netted more than \$2.8 million headed by victories in the G1 Winterbottom S. and Moir S.

“It was great to watch the spirited bidding for her,” Kennewell said. “I understand James Harron was the underbidder, and

obviously Yulong were very keen to buy her.

“She’s coming back to Victoria, to her home, and she will live a beautiful life down here. I would think she will be a good mum and hopefully her progeny live up to what she did.

“Henry Field and Tom Ryan [SF Bloodstock] did a tremendous job in promoting her and getting a great result. They took a chance on bringing her back from the UK, got her in foal and did all the hard work. She was offered for a lot less money privately to all those people, and they took the plunge to buy her and reaped some rewards.”

Viennese Star Fetches \$550,000

Viddora was always going to be a hard act to follow, but another daughter of I Am Invincible gave it a very good shot. Edinburgh Park’s **Viennese Star** was the very next mare through the ring as Lot 493, and she was bought for \$550,000 by Daandine Stud and Boomer Bloodstock.

Viennese Star was a winner as a 2-year-old and placed in the Listed Cinderella S., and her dam Viennese Lass (Redoute’s Choice) is a three-quarter-sister to super sire Snitzel, along with the stakes winner and black-type producer Viennese (Redoute’s Choice), and Group performer King’s Troop (Redoute’s Choice). Viennese Star was offered in foal to Shooting To Win.

“Viennese Star was an extremely desirable mare for my client Daandine Stud,” Boomer Bloodstock’s Craig Rounsefell said. “The goal is to breed high-class 2-year-olds, and we believe that she has all the ingredients to do that. She was a talented 2-year-old herself and is a beautifully balanced individual.

“She is the right line of one of the best families in Australia, by the champion I Am Invincible. We are absolutely delighted with the result.”

Viennese Star was one of five purchases for Boomer Bloodstock, spending \$1.2million. His other purchases include two from Godolphin, **Clothing** (Commands) and **Notre Dame** (Exceed And Excel).

Late Fireworks for Aquis

Aquis landed a couple of big results late in the sale with Lots 667 and 669. Lot 667 was the G3 Aspiration H. winner **Karavali (NZ)** (Nadeem), who was bought by Zhongli Thoroughbreds for \$540,000. The Aspiration was the best of five wins for Karavali, who also finished fourth in the G1 Manawatu Sires' Produce S. She is a sister to the listed winner and G1 New Zealand 2000 Guineas and Manawatu Sires' Produce S. placegetter Sir Nate (NZ) (Nadeem). Karavali was offered in foal to Written Tycoon.

She was followed by Lot 669, **Tremor** (Commands), who was knocked down to Fernrigg Farm for \$600,000.

Tremor is a half-sister to the Champion 2-year-old Earthquake (Exceed And Excel), winner of the G1 Blue Diamond, G2 Reislings S., G3 Blue Diamond Prelude and G3 Thoroughbred Club S. and placegetter in the Golden Slipper.

Other siblings include the stakes performers Palomares (Commands) and Pandemic (Sepoy), while her dam Cataclysm (Marauding) placed in the G3 Sapphire S. and the Listed Birthday Card H. and Doveton S. Tremor is in foal to I Am Invincible.

Widden Stud Claims Leading Vendor Title

Thanks in large part to the record-breaking Sunlight (Zoustar), Widden Stud took the title of leading vendor by aggregate at the 2020 National Broodmare Sale. They sold a total of 20 mares over the three days, earning a total of \$5,625,500. Their average price was \$281,275.

"It's a great result for us, but you'd have to say it was mostly about Sunlight," said Widden owner Antony Thompson. "She was certainly the jewel in our draft. It was a privilege to sell her on behalf of her owners, and we were delighted to get such a great result with her."

Considering the unusual circumstances, Thompson considered the sale a major success.

"I think the market has held up extremely well, all things considered," he said. "It presented some unique challenges. With the number of mares being sold in absentia, it was quite a logistical exercise for the buyers to get out to see them all, and it was also very difficult for breeders who were unable to travel.

"All in all, Magic Millions did a great job and it has been an excellent sale."

Successful Live Auction a Triumph for Magic Millions

The sale concluded with an aggregate of \$55,508,000, an average of \$137,058 and a median of \$60,000. The clearance rate was 73%. In the tumultuous and challenging COVID-19 climate, Magic Millions Managing Director Barry Bowditch sees this week as nothing short of an enormous success.

"It's been a hugely positive week for us at Magic Millions, and for the Australian industry as a whole," he said. "Leading into this week, the ability to hold a live auction was our absolute priority. To be able to do that and achieve the results that we did is a fantastic result. I think all participants here have just been happy to be back at a live auction. We've been waiting for the right time to hold this sale, which would normally be held in late May.

"I think the vendors are quite pleased and the buyers have sometimes found it tough to get the ones they were hoping for, and that bodes well for a good auction and gives us all a bit of confidence for the six months leading into yearling sale time."

Demand was high at the top tier of the catalogue, with six mares fetching more than \$1 million across the three days. Sunlight took top billing with her Magic Millions record price of \$4,200,000 on Day 1.

"With this sale, our mandate is to promote these elite mares to the world," Bowditch said. "The prices for those star mares this week, with six of them reaching the million-dollar mark, back that up. It really reinforces the fact that this sale is the place to sell the best mares.

It's been a fantastic three days of selling. Sunlight set the tone midway through Monday, and to close it out with Viddora at \$2.55 million early in the day today was great theatre.

Barry Bowditch

“It’s been a fantastic three days of selling. Sunlight set the tone midway through Monday, and to close it out with Viddora at \$2.55 million early in the day today was great theatre. Yulong and James Harron were going pound for pound from \$1.8 million.

“With no international buyers here and a lot of interstate buyers not being able to make it, the market has been a little selective, but for the right product there has been plenty of money here. We’ve cleared some 73% of the catalogue at an average price of \$140,000, so it’s been a fantastic sale for what we’re going through in the world right now.”

The action continues on the Gold Coast with the National Weanling Sale to begin on Thursday.
