THE WEEKLY WRAP: FATHERS AND SONS

Saint Laurence, by Dubawi's son Al Kazeem | Racingfotos.com

By Emma Berry

Dubawi (Ire) being a good stallion is not exactly a newsflash. The increasingly interesting element of his success, however, is his growing number of sons and grandsons making a mark at stud.

Dubawi’s own season has been headlined by the Group 1 winners Ghaiyyath (Ire), Lord North (Ire) and Space Blues (Ire), while G2 Superlative S. winner Master Of The Seas (Ire) looks to be one of the more exciting juveniles seen out in Europe so far.

In this year’s freshman sires’ championship, Ballylinch Stud’s son of Dubawi, New Bay (GB), remains an interesting lurker with the best strike-rate of the lot, his seven winners coming from only 14 runners.

Meanwhile his stud-mate and Dubawi’s grandson Make Believe (GB) has leapfrogged Night Of Thunder (Ire) in the second-crop sires’ table, with his standard-bearer Mishriff (Ire) adding the G2 Prix Guillaume d’Ornano to his Classic success in the Prix du Jockey Club.

Darley’s Night Of Thunder is holding his own, however, and good results keep coming from the Dubawi sireline in a number of directions. Last Friday Night Of Thunder was represented by a new stakes winner in Stormy Girl (Ire), who won the Highfield Farm Flying Fillies’ S. at Pontefract to give trainer Rebecca Menzies her first stakes success. FIVE FACE GHAIIYATH IN JUDDMONTE INTERNATIONAL

Godolphin’s MG1SW Ghaiyyath (Ire) (Dubawi {Ire}), who defeated dual G1 Prix de l’Arc de Triomphe heroine Enable (GB) (Nathaniel {Ire}) when last seen in the G1 Coral-Eclipse S. at Sandown in early July, faces just five opponents in the G1 Juddmonte International S. at York on Aug. 19. However, four of the quintet have also won at the highest level.

Ghaiyyath faces the Qatar Racing pair of MG1SW Kameko (Kitten’s Joy), who won the G1 QIPCO 2000 Guineas this term, as well as G3 Musidora S. heroine Rose of Kildare (Ire) (Make Believe {GB}), brilliant G1 Prince of Wales’s S. victor Lord North (Ire) (Dubawi {Ire}), MG1SW Magical (Ire) (Galileo {Ire}), and German Group 1 winner Aspetar (Fr) (Al Kazeem {GB}).

“We had a front-runner in Meydan [in the G3 Dubai Millennium S. in February] thinking we’d be happy to take a lead, but they just aren’t quick enough to be able to lead him,” Appleby told the QIPCO British Champions Series of this year’s G1 Coronation Cup S. and G1 Coral-Eclipse S. hero.

Dubawi’s Haras du Logis-based son Hunter’s Light (IRE) was also on the score sheet in Deauville when notching his first group success with *Iriska* (Fr), the Markus Nigge-bred and -trained winner of the G3 Prix de Lieurey.

*Saint Lawrence* (IRE), who, like his sire Al Kazeem (GB), was bred at Oakgrove Stud in Wales, took Saturday’s Listed Denford Stud S. for his owner-breeder John Deer. He is one of just 27 foals from the stallion’s largest crop born in 2018.

The brilliant Al Kazeem, winner of four Group 1s for Deer and Roger Charlton, had a two-part racing career after he returned to Beckhampton when his compromised fertility cut short his tenure at the Royal Studs. The Deers’ persistence with their champion at Oakgrove, where he has now completed five seasons, is to their credit.

Despite his small foal crops, the 12-year-old stallion has Group 1 winner Aspetar (Fr), who was bred by Sheikh Mohammed Bin Khalifa Al Thani, who has clearly been a believer in Al Kazeem from the start and also bred and owns his son Usak (Fr), a listed winner in France earlier this year.

Saint Lawrence’s win was also another feather in the cap of the Oakgrove mare Affluent (GB), a daughter of Oasis Dream bought from Juddmonte in 2016 for 35,000gns and who has also produced Daahyeh (GB). The Bated Breath (GB) filly won last year’s G3 Albany S. and G2 Rockfel S. as well as finishing runner-up in both the G1 Moyglare Stud S. and G1 Breeders’ Cup Juvenile Fillies Turf.

The late Poet’s Voice | Darley

**Lost Voice**

Then there’s Poet’s Voice, from Dubawi’s first crop, who died two years ago at the age of 11 but can be considered, at the very least, to have been an extremely useful stallion. In pole position of his runners is the G1 King George and Queen Elizabeth S winner Poet’s Word (IRE), now himself at Boardsmill Stud in Ireland. While Craig Bernick’s filly One Voice (IME) – an inspired Goffs Sportsman’s Sale purchase at €55,000 – has been knocking on the Group 1 door this season and is already a Group 3 winner, another of Poet’s Voice’s daughters, *Song Of Life* (GB), landed her 10th victory and first black-type success when winning the Listed Grosser Sparkassenpreis at Dusseldorf on Saturday. She was also runner-up in the G3 Sparkasse Holstein-Cup last month.

Poet’s Voice spent five years shuttling to Australia and one of the products of those stints became his latest Group 1 winner in Singapore over the weekend. The former Godolphin runner *Aramaayo* (AUS) landed the G1 Kranji Mile (and has rather rather mysteriously gained an extra ‘a’ in this name since he raced in Australia as Aramayo).

Despite his Australian birth, the 5-year-old, who was runner-up in the G1 Spring Champion S. when trained by James Cummings, represents a family with deep British roots as Aramaayo is out of Peruvian (GB), an unraced Diktat (GB) half-sister to In The Wings (GB). He is one of many good horses to have Dubawi’s fourth dam Sunbittern (GB) (Sea Hawk {Fr}) on both sides of their pedigrees. A common source of this duplication comes about when Dubawi covers mares by In The Wings’ son Singspiel (IRE), which has been a notably successful nick and has been responsible for the Group 1 winners Too Darn Hot (GB), Old Persian (GB), Wuheida (GB) and Left Hand (GB).

Through her daughter High Hawk (GB) (Shirley Heights {GB}), Sunbittern features as the third dam of Aramaayo, who also has the repetition of her genes through Dubawi. Space Blues is another bred on this pattern as his third dam is Sunbittern’s daughter High Spirited (IRE), a full-sister to In The Wings’ dam High Hawk.

**Teofilo the Quiet Achiever**

While the hunt is on for Galileo’s heir at Coolmore, one of his sons who receives little recognition for his achievements as stud is the former champion 2-year-old Teofilo (IRE).

His trainer/breeder Jim Bolger’s early contribution to Galileo’s success at stud has been well documented. **Cont. p3**

Teofilo’s spotless juvenile campaign was mirrored the following year when another son of Galileo became champion 2-year-old: New Approach (Ire). While the latter went on to win the Derby, the Champion S. and the Irish Champion S., we can only guess at what might have been for Teofilo as a 3-year-old had injury not scuppered the continuation of his racing career.

All we really have to go on is what he has done subsequently at stud and the answer there is plenty, but with little fanfare. So here’s a toot for the old boy.

Now the sire of 18 Group 1 winners in Britain, Ireland, France, Hong Kong and Australia, Teofilo registered his latest top-flight winner in Germany on Saturday where Donjah (Ger) recorded her breakthrough success in the Preis von Europa. Now four, the filly was third in the race last year and had been runner-up to Ghaiyyath in the G1 Grosser Preis von Baden in 2019 as well as winning the G2 Gran Premio del Jockey Club in Italy. She is the second Group 1-winning filly for her sire this season after Shadwell’s unbeaten Tawkeel (GB), who strolled to a five-length victory in the Coolmore Prix Saint-Alary.

Donjah continues a fine spell for Dr. Stefan Oschmann’s Darius Racing and for breeders Gestut Karlshof. The same combination is found in Germany's Horse of the Year for 2019, Rubaiyat (Fr) (Areion (Ger)). The link between Darius Racing and Karlshof is Oschmann’s racing manager and bloodstock agent Holger Faust, who is the son of the stud’s owners Bruno and Michaela Faust.

Darius Racing also successfully campaigned G1 Deutsches Derby winner Isfahan (Ger) (Lord Of England (Ger)), who was bred and trained by Andreas Wohler and bought as a yearling by Faust for €35,000. Now standing at Gestut Ohlerweihof, Isfahan has his first 2-year-old runners this season and was represented by his first winner with his first runner, Nasche (Ger), in the Czech Republic last month. The winning breeder of Nasche, Australian Geoffrey Grimish, received a €20,000 bonus from Darius Racing for supplying the stallion’s first winner, and Grimish also has close ties to the Faust family as he is the owner of Gestut Karlshof’s young stallion Counterattack (Aus), the only son of Redoute’s Choice in Germany. A Group 3 winner and Group 1-placed in Australia, Counterattack is represented by his first crop of yearlings this year and has 15 catalogued for the BBAG Sale on Sept. 4 in Baden-Baden.

King of Deauville

Back in 2015, a fretful-looking John Gosden walked the rain-softened mile straight at Deauville ahead of what would be the final race for Kingman (GB) in the Prix Jacques le Marois. The trainer decided to let the Juddmonte colt take his chance and he went on to post his fourth consecutive Group 1 victory of the season.

Five years later, Kingman’s son Palace Pier (GB) faced similarly testing conditions in the same race on Sunday. There was no pre-race head-scratching on course for Gosden, who was unable to travel owing to reinforced quarantine conditions between France and England. If he fretted at home in Newmarket, happily any fears turned out to be groundless as Sheikh Hamdan bin Mohammed Al Maktoum’s colt maintained his unbeaten record and emulated his father’s victory to take his second Group 1 of the season. The first came in the St James’s Palace S., which was also won by Kingman.

His jockey Frankie Dettori will doubtless be enjoying his enforced stay in Normandy this week as he awaits further Group 1 action at Deauville on Sunday. Whatever happens with the Wesley Ward-trained Campanelle (Ire) (Kodiac {GB}) in the Prix Morny, Dettori’s wins aboard Palace Pier and his stablemate Mishriff will already have compensated the rider for having to sit out York’s Ebor meeting.

Palace Pier was the highest-profile winner in a good week for Kingman on both sides of the Atlantic. Another of Palace Pier’s fellow Clarehaven residents, Megallan (GB), made an eye-catching debut at Newmarket on Saturday and could just be another black-type performer for Hascombe & Valiant Stuks. The juvenile colt is a son of Eastern Belle (GB) (Champs Elysees {GB}), a winning half-sister to Anthony Oppenheimer’s champion 3-year-old Golden Horn (GB).

In America, the Saratoga Derby Invitational S. was won by the Rabbah Bloodstock-bred Domestic Spending (GB), who was bought by Mike Ryan and trainer Chad Brown for Klaravich Stables at Book 1 of the Tattersalls October Yearling Sale for 300,000gns. That team’s love of shopping for turf horses in Newmarket to export to America has been well noted, and their love for Kingman is likely to be growing, too.

On the same card at Saratoga, Brown and Klaravich Stables were represented by impressive first-time-out winner Public Sector (GB), Kingman’s 2-year-old son out of the Montjeu (Ire) mare Parle Moi (Ire) who was bred by Fergus Anstock’s The Kathryn Stud. The colt was the sole Book 1 offering in 2019 by Anstock’s son Farran in his first year consigning under the farm’s new name of Clearwater Stud. Mike Ryan signed the ticket at 170,000gns.

Brown, Ryan and the team at Tattersalls will doubtless be hoping that the current travel restrictions between America and Britain are lifted in time for this year’s October Sale.

Juddmonte International Field Cont. from p1

“As a 3-year-old, he also had a pacemaker [Stage Magic (Ire) (Dark Angel {Ire})] in the [G3] Prix du Prince d’Orange and we sat in behind him, but he could only do it for so long,” he added. “If something wants to go a gallop and we can sit in behind, we’d be just as happy. He’s got a long stride and it’s more a matter of letting him get into his own comfortable rhythm.”

Battaash in Good Form for Nunthorpe Defense

Shadwell’s MG1SW Battaash (Ire) (Dark Angel {Ire}), who won the 2019 edition of the G1 Nunthorpe S., is doing well ahead of a title defense in the Aug. 21 York contest. Trainer Charlie Hills is upbeat ahead of the big day, especially as the bay sports a two-for-two record in 2020. Cont. p5
Battaash Cont.

He opened his 6-year-old account with a win in the G1 King’s Stand S. at Royal Ascot on June 16, and then added his fourth G2 King George Qatar S. at Goodwood on July 31.

“He had a nice stretch of his legs on Saturday, and everybody was very happy,” said Hills. “He came out of his Goodwood run in good shape, and we’re happy with where we are with him at the moment. Goodwood was a great day, but this game moves on pretty quickly, so you have to come back down to earth.

“We’re well over Goodwood now and looking forward to this week. There’s a few showers around—but he has won on good to soft before, and York is a fast track, which obviously suits him.”

One horse who will not line up against the Shadwell dynamo is fellow Hills trainee Equilateral (GB) (Equiano {Fr}), who will instead take his chances in the G1 Derrinstown Stud Flying Five S. at The Curragh on Sept. 13. A winner of the Listed Dubai Dash at Meydan in January, the former Juddmonte runner ran second in the G2 Meydan Sprint on Feb. 20 and filled that spot again in the G1 King’s Stand S. behind Battaash at Royal Ascot. Racing in the colours of Mrs. Fitri Hay for the first time in the G1 Darley July Cup S., Equilateral was unplaced, but improved some last time, running fifth in the Listed John Smith’s City Walls S. at York on July 18.

“He’s fine—we just decided not to go to York,” Hills said. “We plan to run him in the Flying Five.”

OPERA POSSIBLE TARGET FOR ALPINE STAR

The Niarchos Family’s G1 Coronation S. heroine Alpine Star (Ire) (Sea The Moon {Ger}) could step forward in the Oct. 4 G1 Prix de l’Opera. Last seen finished a good second in the G1 Prix Jacques le Marois at Deauville on Sunday, the 3-year-old filly’s plans are yet fluid, but she has exited that Deauville test well.

“The Prix de l’Opera is a definite possibility for Alpine Star,” said Alan Cooper, racing manager for owners, the Niarchos Family. “She got home ok and we’ll need a few days to come up with a definitive plan.”

The Niarchos’s Circus Maximus (Ire) (Galileo {Ire}), who they race jointly with the Coolmore partners of Sue Magnier, Michael Tabor and Derek Smith, ran 3/4 lengths behind the filly in the Jacques le Marois. A winner of the 2019 G1 Prix du Moulin, the Aidan O’Brien trainee is a possible for the 2020 version, which is on Sept. 6.

“I haven’t spoken to Aidan yet,” said Cooper. “The Moulin is less than three weeks away. We’ll see what Aidan would like to do. They both ran very well indeed. It was a top-class race and the winner is very good.

Cooper also provided an update on GSP Highest Ground (Ire) (Frankel {GB}), who could take up his entry in the G3 Sky Bet And Symphony Group Strenssall S. at York on Saturday.

“Sir Michael [Stoute] is definitely thinking of running him, but we’ll just see how things go during the week and decide on Thursday,” said Cooper of the G2 Dante S. runner-up. “At the moment that’s the plan. He’d be taking on older horses and it will be interesting to see.”

GOLDEN HORDE BOUND FOR HAYDOCK SPRINT CUP

Group 1 winner Golden Horde (Ire) (Lethal Force {Ire}) is targeting the G1 Haydock Sprint Cup on Sept. 5 for his next start, according to trainer Clive Cox. A winner of the 2020 G1 Commonwealth Cup S. at Royal Ascot, the 3-year-old colt ran third in the G1 Darley July Cup on July 11 and was fourth in Deauville’s G1 Prix Maurice de Gheest on Aug. 9. As a juvenile, he ran third in the G1 Prix Morny at Deauville and went one better in the G1 Middle Park S. at Newmarket. Cont. p6
Golden Horde Cont.

“The Sprint Cup at Haydock would be a logical step to take from here, if all is well in the meantime,” said Cox of the 2019 G2 Richmond S. hero. “He has come back really well from his run in France. He is still only a baby in comparison to those he was up against in the Maurice de Gheest. As a 3-year-old, he is taking his racing really well, and I’m happy with him. He travelled really kindly in the Maurice de Gheest, but I think the last 100 yards was just a step too far after racing competitively throughout.”

WARD’S GOLDEN PAL STAYS STATESIDE

The group-placed Golden Pal (Uncle Mo), who has an entry in the G1 Nunthorpe S. at York on Friday, Aug. 21, will instead remain in America trainer Wesley Ward confirmed to the International Racing Bureau. The Ranlo Investments LLC runner ran second by a neck in the G2 Norfolk S. at Royal Ascot in June. On the same day as the Nunthorpe is the Skidmore S. at Saratoga, where the son of accomplished turf speedball Lady Shipman (Midshipman) will contest instead.

“Golden Pal is not coming,” said IRB Director Adrian Beaumont. “We received an email from Wesley overnight, saying he had been considering a race at Saratoga against the Nunthorpe. Looking at the weather forecast for York and obviously the opposition, he’s decided to keep him at home and run at Saratoga instead. It was a late decision--the horse would have been shipping tomorrow (Tuesday) if he was going to run at York.”

CHANGES MADE TO IMPROVE UK OWNER EXPERIENCE

After feedback from owners, trainers and other industry members, the owner experience in the UK has been enhanced, the British Horseracing Authority announced on Monday. The BHA, along with the Racehorse Owners Association (ROA), Racecourse Association (RCA) have agreed to several changes to enhance the owner experience on raceday, despite the ongoing COVID-19 pandemic. The measures are as follows:

- Good communication--racecourses will send timely communications regarding badges, entry requirements and amenities available on course prior to attendance.
- Badge allocation--most racecourses are offering an increased number of badges per declared horse, to enable more owners to enjoy the day in a safe and comfortable way. Allocation will vary depending on the capacity of the racecourse owner zone. Racecourses also have the flexibility to extend the number per horse once it is known how many owners plan to visit.
- Time on course--owners can stay on the racecourse for the entire meeting when they have a runner.
- Hospitality--in line with wider guidance on restaurants, pubs and bars. This includes complimentary hot food and beverages, and access to a bar serving alcohol.
- Briefing areas--where owners can speak with their jockey and trainer before and after races. These areas should be easily accessible, and every effort has been made to ensure proximity to the parade ring.
- Celebrations--a space within the owners’ zone for post-race celebrations and presentations in addition to photographs and mementos for all winning owners.
- Betting--as part of a trial, owners will have access to on course betting services. Cont. p7

GEORGE ROOKE SUSPENDED SEVEN DAYS

George Rooke, an apprentice jockey riding for Richard Hughes, has been suspended seven days after riding several races under an incorrect claim, the British Horseracing Authority announced on Monday. Rooke has had five winners removed from his record after failing to report three winners from Jersey in the summer of 2019, and he was thus claiming too much weight for a period of time. He was also disqualified from 19 of the 26 races in question. An enquiry was held by the BHA with evidence given on July 23. Due to the current COVID pandemic, it was determined that a more severe penalty was not appropriate. Rooke will be benched from Aug. 25-31.

A BHA spokesman said: “Mr Rooke was subject to a fair hearing in front of an independent disciplinary panel, and we accept their findings that he was in breach of the relevant rules and their decision to impose a seven-day suspension. It is appropriate for the panel to apply an approach consistent with the objective of the Judicial Panels Code to achieve a fair and just result with regards to the retrospective qualification of Mr. Rooke to ride in certain races in what were unusual circumstances,” said a BHA spokesperson. “There were a number of factors at play in this case. With such a significant number of horses involved, the impact on connections and on the administration of racing was considerable, but it was evident that Mr. Rooke’s actions have already had a considerable effect upon him, particularly at such an early stage of his career.

“We will be considering whether there is further work needed within the training and coaching procedures for young jockeys to minimise the risk of an incident like this happening again.”

The 3-year-old filly Wonderful Tonight (Fr) (Le Havre {Ire}–Salvation {GB}, by Montjeu {Ire}), the post-to-post winner of the G3 Prix Minerve in Deauville on Sunday, has a deep background in music. Most people know Eric Clapton’s ballad of the same name. The song was about Patti Boyd, former wife of Beatle George Harrison and a rock muse that launched numerous hits. (“Something” and “Layla” are just two of them).

Still, this courageous filly’s musical connection is not only with her gracious name, but with also her owner. Chris Wright was a brilliant manager/producer at the dawn of the glorious rock era in the 60s and produced some of the greatest star groups: Jethro Tull, Procol Harum, Blondie, Spandau Ballet, and Ultravox are just a few examples. Cont. p8
**FIRST-SEASON SIRES WITH RUNNERS**

**What’s In a Name: Wonderful Tonight Cont.**  
He is also partly responsible for the showstopping and scene-stealing act of the 1969 Woodstock Festival (and 1970 movie): the British band Ten Years After covering the classic “I’m going home” in an unforgettable medley rendition, highlighted by the exploits of virtuoso guitarist Alvin Lee. Chris Wright was behind those curtains as well, as he discovered the band and managed it for a long time.  
In any case, bloodstock agent Crispin De Moubray, who purchased the filly with David Menuisier for Wright, does a reasonable impression of Alvin Lee’s solo singing at Woodstock.  
So it’s all in the family, waiting for the next great performance.

**KINGMAN’S TDN RISING STAR GURU RETURNS**

4.25 Kempton, Nov, £6,400, 2yo, 7f (AWT)
Lady Bamford’s homebred GURU (GB) (*Kingman* (GB)) earned ‘TDN Rising Star’ status when gaining a narrow verdict over this distance on the Newbury turf last month and is burdened with a seven-pound penalty for that success. The John Gosden trainee, a son of MGISP G2 Prix de la Nonette victress Dream Peace (Ire) (Dansili (GB)) who was scratched from an engagement in last Saturday’s Listed Washington Singer S., faces a two-fold threat from Sir Michael Stoute’s nearby Newmarket base. It consists of King Power Racing’s 260,000gns Tattersalls October Book 1 acquisition Aerion Power (Ire) (*Kingman* (GB)), a half-brother to two stakes performers who has been showing up well at home; and Sheikh Hamdan bin Rashid Al Maktoum’s £170,000 Goffs November foal and fellow newcomer Qaasid (Ire) (*Awtaad* (Ire)), who is a half-brother to last year’s G1 Hong Kong Gold Cup third Dinozzo (Ire) (Lilbourne Lad (Ire)) and the stakes-placed Spring Loaded (Ire) (Zebedee (GB)).

BAHRAIN PRIDE (GB) (c, 2, Kodiak (GB)--Life of Pi (GB), by Sea the Stars (Ire)) was quickly away from the stands’ side gate and found cover behind the leading wave after the initial strides of this debut. Angled towards the centre of the track for an open lane approaching the two pole, 9-2 chance was ridden to the front entering the final furlong and driven out to prevail by 3/4-of-a-length from Fivethousandtoone (Ire) (Frankel (GB)). Half-brother to a yearling colt by Showcasing (GB), he is the first of two foals out of an unraced half-sister to Listed Prix Herod victor Temps Au Temps (Ire) (Invincible Spirit (Ire)) and G3 Ballyogan S. and G3 Anglesey S. runner-up After (Ire) (Danehill Dancer (Ire)), who in turn produced MG1SP G2 Futurity S. and last week’s G3 Tyros S. winner Armory (Ire) (Galileo (Ire)). MARK JOHNSTON RACING RAFFLE LAUNCHED

Racing fans will have the opportunity to own a 5% share in three new horses to be trained by Mark Johnston, as the Mark Johnston Racing Raffle was launched on Monday. Tickets cost just £2 and 20% of every sale goes to Racing Welfare. Racing Lotto is running the contest, with a share in the trainer’s Kingsley Park 20 Partnership up for grabs. The yearlings will be sourced from the Tattersalls October Yearling Sale. All costs association with the ownership are covered as part of the unique prize, which will last as long as the horses remain in training with Johnston.

“Racing needs enthusiasm in ownership more than ever and the Racehorse Lotto’s most recent raffle opportunity is excellent, not least with 20% of every ticket sale going to Racing Welfare,” said Johnston. “I can’t guarantee the raffle winner will have 5% of the next Frankel (GB), but we’ll do our very best to secure three nice types at the October sales. I then look forward to welcoming the lucky winner up here to see them train and maybe celebrating in the winners’ enclosure too.”

For more information on the raffle, please go to www.racehorsetattoo.com/mark-johnston-racing-raffle.

Monday’s Results:
3rd-Clairefontaine, €22,000, Mdn, 8-17, unraced 2yo, f, 7fT, 1:31.40, hy.
EVER PINK (IRE) (f, 2, Anodin (Ire)--Never Green (Ire), by Halling) was tardy at the break and was away in sixth before tanking to the front with two furlongs elapsed. Holding sway thereafter, the 17-5 favourite was scrubbed along at the top of the straight and kept on relentlessly under continued rousting inside the final quarter mile to gamely hold Antolya (Fr) (Prince Gibraltar (Fr)) by a short neck. Becoming the ninth winner from as many foals out of Listed Prix Occitanie victress Never Green (Ire) (Halling), she is a half-sister to Listed La Coupe des Trois Ans victor Galipad (GB) (Galileo (Ire)), G3 Prix La Rochette third Ecolo (Fr) (Invincible Spirit (Ire)) and to the dam of four black-type performers headed by stakes-winning G1 Prix Marcel Boussac runner-up Matematica (Ger) (Rock of Gibraltar (Ire)) and GSW G1 Prix Saint-Alary third Soustraction (Ire) (Lope de Vega (Ire)). Never Green is herself kin to six stakes performers including G1 Prix de l’Arc de Triomphe heroine Solemia (Ire) (Poliglote (GB)). Lifetime Record: 1-1-0-0, €11,000. Video, sponsored by Fasig-Tipton.

**Orandi (FR) (c, 2, Morandi {Fr}--Elusive Feeling, by Elusive Quality)** was well away to track the leaders in fifth for most of this first go. Half-brother to a yearling colt by Pedro the Great, he is the fifth of six foals and fourth scorer produced by a winning daughter of Shirley A Star (Cozzene), herself a winning half to GI Pimlico Special-winning sire Eddington (Unbridled) and G1 Dubai Golden Shaheen third Star Crowned (Kingmambo). BIVOUAC FAVOURITE FOR GODOLPHIN SPOT

By Paul Vettise

Outstanding sprinter Bivouac (Exceed And Excel) holds pole position to fill Godolphin’s slot for the $15-million The Everest. While there are a number of contenders, including G1 Stradbroke H. winner Trekking (Street Cry {Ire}), last start listed winner Regal Roller and G3 Bletchingly winner Viridine (Poet’s Voice {GB}) and G1 Thousand Guineas winner Flit (Medaglia D’Oro {USA}), trainer James Cummings confirmed the 4-year-old had the inside running.

The winner of last season’s G1 Golden Rose S. and the G1 Newmarket H., Bivouac took a positive step toward filling that Everest role with a smooth display to win his 800 metre heat at the Hawkesbury trials on Monday.

“We will make a decision on whether he resumes in the G3 McNeil S. at Caulfield a week later,” he said.

BLINKERED APPROACH WORKS

By TDN AusNZ

Tagaloa (Lord Kanaloa {Jpn}) reacted kindly to a gear addition when he performed well in blinkers in a Cranbourne jump-out on Monday.

“We wanted to test them out first so he didn’t jump slow or anything. He flew the lid nicely and Michael Walker was really happy with what he had underneath him and he cruised to the line nicely,” co-trainer Natalie Young told Racing.com.

Last season’s G1 Blue Diamond S. winner, Tagaloa will be nominated for the Listed McKenzie S. at The Valley on Saturday, but Young indicated the colt was more likely to make his reappearance in the G3 McNeil S. at Caulfield a week later.
THE TDN DERBY TOP 12 FOR AUGUST 18

by T.D. Thornton

All of the qualifying races for the GI Kentucky Derby have been run and we’re approaching the two-week mark for the first Saturday in September. Please note the rankings below are independent from the “Road to the Derby” points leaderboard Churchill Downs uses to determine starting berths. That list can be accessed here.

1) TIZ THE LAW (c, Constitution--Tizfiz, by Tiznow)
O-Sackatoga Stable. B-Twin Creeks Farm (NY). T-Barclay Tagg. Sales History: $110,000 yrl ‘18 FTNAUG. Lifetime Record: MGISW, 7-6-0-1, $2,015,300.

Last Start: 1st GI Runhappy Travers S., SAR, Aug. 8

Tiz the Law will head to the Derby as the imposing favorite backed by credentials no horse will be able to replicate once the world reverts to traditional Triple Crown scheduling. He’s 6-for-7 lifetime and undefeated in four starts at age 3, and is coming off an absolute trouncing of the GI Travers S. field at the Derby distance of 1 1/4 miles. Cont. p9

'It's Amazing How Things Work Out Sometimes' by Chris McGrath

What a name, for a mare salvaging her sire from extinction: Unicorn Girl. Certainly the faint footprint of A. P. Five Hundred on the North American breed would otherwise, by now, have been thoroughly effaced. His eligibility to compete with other sons of A.P. Indy at stud was marginal in the first place, third place in the GII Super Derby being as good as it got in a light career. And, really, he never got off the grid. After a single spring trying his luck in Florida, in 2004, he was exported to Chile.

Of the few foals he left behind, Unicorn Girl won more than the rest put together. But even she was operating at such a level that a record as prolific as 54-19-7-8 could not take her earnings past $483,508. Many of her wins came in claiming company, resulting in repeated changes of barn. In 2013, aged eight, she won for a $16,000 tag at Monmouth Park and her racetrack odyssey came to an end. Cont. p3

‘It’s Amazing How Things Work Out Sometimes’ (cont. from p1)

She was claimed that day by a previous owner, J. & J. Stable, comprising Carlo Vaccarezza and a partner. Vaccarezza was by then becoming a well-known figure in the business, his homebred giant-slayer Little Mike having rounded off a spectacular campaign in the GI Breeders' Cup Turf the previous fall. He also co-owns Frank & Dino's, a favorite Italian restaurant for patrons of Gulfstream Park. The following year, moreover, Vaccarezza would start training in his own right.

"When we regained her, we sent her back to South Florida," he says. "She was training well, but then I said: 'Listen, let's not ask her just to keep going and going. We know she tries, she's game and sound, let's breed her.'"

Her first couple of foals, Vaccarezza retained for his own stable: a Bodemeister filly who finished second a couple of times and a colt named King Theo, now three, by More Than Ready. "He won a maiden at Gulfstream Park last year," Vaccarezza says. "He was just beaten a head in an allowance at Ellis Park a few days ago, and I think he'll definitely be getting some black-type in the near future."

Unicorn Girl’s next foal was a colt by Maclean’s Music, who was sold to Kirk Robison through Taylor Made for $95,000 deep into the Keeneland September Sale last year. Vaccarezza had actually put Unicorn Girl herself in the same ring, the previous November, with the bonus of a Candy Ride (Arg) cover, but took her home as a $110,000 RNA. "I don't think we had much action, it's not the most fashionable pedigree in the world," says Vaccarezza. "Maybe God was sending me a message. Sometimes he sends them in a funny way!"
He didn't necessarily take the hint straight away. Unicorn Girl was again catalogued for the Keeneland November Sale last year, but this time Vaccarezza decided to scratch her altogether. After all, he had not only decided to persevere with the mare but to upgrade her covering fees. In March, she delivered a colt by American Pharoah; and she is now in foal to Into Mischief. Robison meanwhile sent the Maclean's Music colt to Steve Asmussen.

"Steve is a good friend and I'm so glad he has him, he's doing a phenomenal job," Vaccarezza says. "I was stabled really close to his barn in Keeneland, so every so often I would ask him about the progress of the horse. Steve always thought he was nice, said that he kept improving. Then he won first time out at Churchill, and Steve took him to Saratoga. And now he must be the top 2-year-old in the country so far."

That's because Unicorn Girl's son is none other than Jackie's Warrior, explosive winner of the GII Saratoga Special S. Aug. 7. Dominating throughout, he smouldered through fractions of 22.08 and 44.85 before winning by three lengths, geared down, in 1:09.62, with 'TDN Rising Stars' Therideofalifetime (Candy Ride {Arg}), Momos (Distorted Humor) and Cazadero (Street Sense) giving vain chase. Having so far blitzed his rivals at five and six furlongs, Jackie's Warrior will next try a seventh in the GI Hopeful S.

Asmussen, of course, supervised the tantalizing career of this colt's sire, whose freakish speed (21.24, 43.48, 1:07.44) in winning his solitary start earned an unprecedented debut Beyer of 114. His dam, Forest Music (Unbridled's Song), also showed terrific natural dash, as a Grade II sprint winner who clocked a record two-furlong bullet at the Fasig-Tipton Calder 2-year-old sales.

Cont. p5
Her other foals Kentuckian (Tiznow), Electric Forest ( Curlin) and Saturday’s GI Runhappy Travers S. disappointment Uncle Chuck (Uncle Mo) are graded stakes winners over seven, 8 1/2 and nine furlongs respectively. Asmussen says that he always felt Maclean’s Music would be able to stretch his speed, and ultimately this is the Ogden Mills Phipps-Wheatley Stable dynasty of Lady Be Good, which has many Classic branches in Europe. Sure enough, Maclean’s Music famously produced a Classic winner from his first crop in GI Preakness S. hero Cloud Computing.

That said, the hallmark of his immediate family is brilliance. It is full of fast horses that landed running, just like Jackie’s Warrior. So perhaps we’ll have to see what Unicorn Girl, herself a sprinter, can add to the equation.

With her sire’s influence virtually unreadable, much the most conspicuous feature of her pedigree is the fact that both sire and dam are by sons of Seattle Slew: A.P. Indy and Doneraile Court. Unicorn Girl’s dam Horah For Bailey was Doneraile Court’s first stakes winner, but neither she— in a career confined to six juvenile starts at Calder—nor her sire made a great deal of progress thereafter.

Doneraile Court was at least credited as an influence for hardiness, and seems to have made rather more of an impression in Chile than A. P. Five Hundred; while Horah For Bailey represents a doughty European turf line. Overall, however, there is little quality adjacent in the family tree and, on the face of it, the emergence of Jackie’s Warrior appears to reflect creditably on a sire consolidating his place in a market he entered with 79 mares covered at just $6,500.

Even before Cloud Computing (and indeed subsequent GI Champagne S. winner Complexity) had really put his name in lights, the debut crop of Maclean’s Music made such an impression in 2016—his 20 juvenile winners, a class high, came from just 40 starters—that Maclean’s Music received 181 mares at $25,000 the following spring.
Early graduates of that book include not only Jackie’s Warrior, but also Sonic Brees, on the podium in the GII Best Pal S. over at Del Mar Aug. 8.

As it happens, the sales division of his host farm Hill 'n' Dale is preparing Unicorn Girl’s daughter by Candy Ride for Fasig-Tipton’s Kentucky Yearling Sale in October. "She’s an outstanding filly," Vaccarezza says. "Really a beautiful individual. With the pandemic, of course, nobody knows what will happen at the sales. If she doesn’t make what she deserves in October, we will just send back to Ocala to Jim Gladwell, and sell as a 2-year-old at Gulfstream Park instead.

"But I think regardless of the pandemic the big buyers know where the good horses are: they'll have their people doing the legwork as always, even if they can't be there in person, and I think the top end is still going to be strong. And the scavengers in the last book are still going to be there. It's the middle of the market that may hurt, but I hope a good horse will still sell."

Vaccarezza will be shopping himself, of course, both as a pinhooker and as a trainer. It was his confidence in his judgment of horseflesh, after all, that emboldened him to embrace new challenges so deep in a Turf vocation that began as a hotwalker at Aqueduct way back in the 1960s, after his arrival from his native Genoa.

"God gave me a gift," he says. "I have a pretty good eye. Sometimes I look at horses a little different. I try to put a picture in my head: how will this horse look as a 2-year-old? If I am going to sell a horse, I look for a horse that is going to be fast, because this is 'the flavor of the week.' When I make my short list, I am looking for the athlete. Only then will I look at the pedigree, and see if the sire is commercial. Even if a horse breezes in :9.4, they won't make the big dollars if they don't have the right sire. So those I will look to race myself.

Cont. p7
"I started training 5 1/2 years ago and have had nearly 130 winners so far. It's challenging, but I like to see a young horse develop. I'm not the most proactive with the 2-year-olds. I've had some run well the last couple of weeks, but when they have run once or twice, I like to send them to the farm for 35 or 40 days, let them grow up, let them become a horse."

While so much of the industry has been stranded by the pandemic, these are especially exciting times for Vaccarezza. In March, after almost 30 years in Florida, he moved his 28-horse stable to Keeneland; and he will soon be opening a new Frank & Dino's in downtown Lexington.

"I feel that Kentucky is the future of racing," he says. "There are issues everywhere else: California, Florida, New York. And I think the way the purses are going to be structured, and with the reshuffle and reorganisation of racing at Keeneland and Churchill Downs, the Mecca of racing is going to shift here."

And, if the Bluegrass is the heart of the professional community nationwide, then there's nothing like a restaurant to put you at its own center. Frank & Dino's in Florida has frequently been the focus of fund-raising: recently to help backstretch workers through the coronavirus crisis; in times past, to aid flood victims in Houston, disabled jockeys and, most poignantly perhaps, victims of a mass shooting at the Marjory Stoneman Douglas High School in Parkland, Florida. Vaccarezza's two sons (one of whom, Nick, now works for Chad Brown) were in school that terrible day.

"They escaped by jumping a wall into an adjacent field," Vaccarezza says. "Unfortunately Nick's friend Joaquin Oliver did not make it. We raised $182,000 but no money in the world can pay for 17 innocent lives. As a human being, you have to do what you can. Some jockeys almost become homeless when they finish. Some will need a wheelchair. In a business that we love so much, that gives us so much pleasure, we should all give back to our community.

"And the restaurant business, that's always a great opportunity for getting people together. When the races are on, people who would never even think about horses are always asking: 'Carlo, are you having a party for the Breeders' Cup, are you having a party for the Derby?'"

No host could better convey the romance of the sport. He remembers stopping the van taking a mare named Hay Jude (Wavering Monarch) off to an uncertain future, repaying her purchaser, and sending her foal by the unraced Spanish Steps into training. That was Little Mike, who banked $3.5 million.

"The funny part is this," says Vaccarezza. "I was with Charlie LoPresti one time and we talking about the high prices for some of these horses. And my son, he was 13 or 14, he said: 'Dad, can you believe that for $8,000 you could have had Wise Dan and Little Mike?' And it was true. With the fees for Wiseman's Ferry and Spanish Steps, for that money you could have bred two champions. By the same token, you see people buy horses for millions and end up with nothing. It's amazing how things work out with horses sometimes. Like not selling Unicorn Girl that time. Now she's paying me back."

KEENELAND, FASIG-TIPTON RELEASE COVID-19 SAFETY PROTOCOLS AHEAD OF SALES

Keeneland and Fasig-Tipton released a list of safety protocols, which include the requirement for many participants to receive a negative COVID-19 test, Monday ahead of the two companies' upcoming yearling sales.

"Keeneland and Fasig-Tipton are committed to providing the safest environment possible for both horses and humans on our grounds during the September sales," Keeneland President and CEO Bill Thomason and Fasig-Tipton President Boyd T. Browning, Jr. said in a joint statement. "Given the proximity of our two sales in terms of both dates and locations, it is important that we provide consistent protocols for the convenience of our participants."

The protocols, which were developed in collaboration with local and state health officials, will require all consignors and their staffs, veterinarians and their staffs, farriers, van counter representatives, media and any other person who will be interfacing with the public on a daily basis to receive a negative COVID-19 test within 10 days of entry to the grounds.

Testing will be available at Fasig-Tipton Aug. 24 and 25 and Sept. 3 through 5. Keeneland will make testing available Aug. 24 and 25, Aug. 31, Sept. 1-2 and Sept. 11-12.

Buyers will not be required to be tested, but must complete a health questionnaire prior to the sale. Testing will be available to buyers if requested.

Other protocols in place at the sales include daily screenings and temperature checks, the wearing of face coverings at all times, as well as social distancing. Capacity will be limited throughout the sales pavilion and grounds and neither auction will be open to the public. All sales participants will be required to pre-register on-line and attendance will be limited to credentialed individuals.

The Fasig-Tipton Selected Yearling Showcase will be held at Newtown Paddocks Sept. 9 and 10. The Keeneland September Yearling Sale will be held Sept. 13 through 25.
‘WIN, PLACE, SHOW’ LOTTERY GAME OFFICIALLY LAUNCHED IN KENTUCKY

Win, Place Show, the first lottery game based on horse racing results, has officially launched with the Kentucky Lottery and is available at retailers across the commonwealth. Players are able to purchase quick-pick tickets based on the results of a live race each day. Races can be watched live or on replay via the Win, Place, Show mobile app available for Android and iOS devices.

“We could not be more delighted to launch our first game in my adopted home state of Kentucky,” said EquiLottery Games Founder and CEO Brad Cummings. “Especially at a time when people are looking for safe ways to enjoy live sports, Win, Place, Show lays the groundwork for a new category where players do not have to be experts to win real money on live events like horse racing. On behalf of the entire EquiLottery Games team, I want to thank the Kentucky Lottery for their leadership in helping to move the lottery industry forward with this new type of lottery game.”

EquiLottery Games supports each of its lottery games with proprietary systems that serve as the system of record for each game. Upon integration with a state lottery, these systems provide the game logic, Random Number Generator, and event data necessary to offer this unique lottery experience to players.

“Given that racing is such a big part of the fabric of Kentucky, we’re excited to be the first state to launch Win Place Show,” said Kentucky Lottery Interim President and CEO Marty Gibbs. “Increased Kentucky Lottery sales mean more dollars for the college scholarship and grant programs we fund, and we’re anxious to see how the game performs in the marketplace.”

Tiz the Law (cont. from p1)

This $110,000 SARAUG Constitution colt cuffed around an accomplished (but not spectacular) group by 5 1/2 lengths, earning a 109 Beyer Speed Figure despite being geared down late. (Highest Beyer ever in a Derby prep? Not quite. Bellamy Road ran a 120 in the then-GI Wood Memorial before running seventh as the 2005 Derby fave). More impressive than the numbers are Tiz’s visuals. He simply looks the part of a confident aggressor when he blows by the competition, and his far-turn blast-offs have been so emphatic that he has yet to have to fight any serious challengers inside the eighth pole. Just as important is how finely trainer Barclay Tagg has kept this colt honed over a 12-month period. Tiz’s Aug. 8 Travers romp came one year to the date of his maiden-breaking win at the Spa. Will pitfalls lurk in Louisville? The Derby favorite always has a figurative target on his back and the turnaround time between races for Tiz (four weeks) will be the shortest spacing in his career.

Long-striding, sharp-minded Honor A.P. has always carried himself like a horse with Triple Crown potential, and the pandemic delay has helped his progression arc. But he’s coming into the Derby off a subpar prep, so momentum-wise there is a question here that the two horses ranked ahead of him have already answered. And yes, this $850,000 FTSAUG Honor Code ridgling did encounter a bit of a “A trap” situation when not fully cranked at 1-5 odds in the Shared Belief S. at Del Mar. Honor A.P. was cutting back to 1 1/16 miles (not his ideal distance) and had to endure a tough trip (bumped at break, three wide on both turns in a four-horse field) when running second behind Thousand Words (Pioneerof the Nile). Honor A.P. is training tightened up nicely on Saturday with a five-eighths workout in 1:59.40 (4/96) prior to the first race at Del Mar with regular rider Mike Smith up. Honor A.P. has never run worse than second from five starts (2-3-0) and his 102-Beyer GI Santa Anita Derby was ultra-impressive. But that’s also his only win beyond the maiden ranks, and he got a bit of help that day when 1-2 fave Authentic (Into Mischief) veered outward at the start, costing him the race.

The pandemic has thrown all norms out the window. A horse winning the Kentucky Derby off a 127-day layoff? Why not?

Two years ago we saw Justify go from being an unraced maiden to a Triple Crown winner in 113 days, so traditional approaches to prepping for the Classics were already starting to slide off the grid. King Guillermo’s connections are banking on the fact that because this Uncle Mo bay ($90,000 RNA at KEESEP; $150,000 OBSAPR) won the GII Tampa Bay Derby at 49-1 odds off a 97-day respite back in March, a similarly spaced break might be just what he needs to get ready for 10 furlongs against the top of the crop. In a normal year, this would be the equivalent of a horse last racing in the final week of December, then not again until the first Saturday in May. But the circumstances are obviously different, and not drilling a horse hard through the summer months may well prove an advantage. King Guillermo was a visually impressive victor with a legit number (99 Beyer) in the Tampa Derby, and his second-place try in the faster division of the split GI Arkansas Derby showed this colt responds to insistent urging and doesn’t back down in the stretch.

5) **THOUSAND WORDS (c, Pioneerof the Nile--Pomeroy’s Pistol, by Pomeroy)**

O-Albaugh Family Stables & Spendthrift Farm. B-Hardacre Farm (FL). T-Bob Baffert. Sales History: $1,000,000 yrl ’18 KEESEP. Lifetime Record: MGSW, 7-4-1-0, $327,000.

Thousand Words has a nice confidence-builder under his belt as a prep for the Derby, but he still rates as a conundrum in terms of where he fits overall. He was ranked as the No.1 Derby prospect on this list from December through early March, then went off the rails form-wise for three starts (in two of them he just looked flat and in another he backpedaled while taking sloppy kickback). But this million-dollar KEESEP Pioneerof the Nile colt’s 104-Beyer win in the Shared Belief S. is evidence of his ability to summon grit under pressure. And even though he races in southern California, where the 3-year-old stakes fields come up notoriously short (three of his races have been against only three other rivals), Thousand Words has, on several occasions, slugged it out in early pace battles while still having enough energy left to repulse serious stretch challenges. It’s rare to see a Derby candidate for trainer Bob Baffert who keeps switching jockeys, but when Florent Geroux picks up the mount at Churchill, he will be the fourth different rider for Thousand Words in as many starts.

6) ENFORCEABLE (c, Tapit--Justwhistledixie, by Dixie Union)

Purchased by Team Casse
Broke and Prepared by Casse Training Center
Back in early March, after Enforceable was a stout-closing second behind a loose-on-the-lead winner in the faster division of the Gill Risen Star S., I wrote in the Top 12 that “this colt’s grind-all-day closing style and stamina-centric pedigree (by Tapit out of a MGISW Dixie Union mare) will be tough to leave off tickets at 10 furlongs.” It’s now nearly six months later, and my assessment remains unchanged heading into the rescheduled Derby. This $775,000 KEESEP RNA most recently ran fourth in the Blue Grass S., and I already noted in Art Collector’s write-up how that race is shaking out to be a stronger-than-perceived prep now that the 1-2 horses have both come back to win subsequent starts in impressive fashion. Enforceable is a half-brother to 2013 GI Breeders’ Cup Juvenile winner New Year’s Day (sire of DQ’d 2019 Derby winner Maximum Security) and is a full brother to fellow gray Mohaymen, who was fourth in the 2016 Derby. He breezed five-eighths from the gate Monday at Churchill in 1:01.40 (8/47).

• Bred by Peter Blum Thoroughbreds •

Authentic is usually a solo worker in the mornings, but trainer Bob Baffert put him in chase mode when bulleting six furlongs in 1:12.60 (1/4) last Thursday at Del Mar. Authentic was parked two lengths behind a 3-year-old, maiden-winning stablemate who was drilling five furlongs, and Authentic gradually reeled that colt in by a neck at the wire before galloping out stronger and longer on his own. This $350,000 KEESEP Into Mischief bay has high-level pace-pressing ability that could put him near the head of affairs for the first mile of the Derby. But Authentic’s caving-then-saving antics after getting away with soft splits in the GI Haskell S. underscore that this is a colt who still must overcome both focus issues and stamina concerns at 10 furlongs. John Velazquez has been named to replace Mike Smith (who rode Authentic in the Haskell but has the Derby mount on Honor A.P.) and Drayden Van Dyke (who was previously aboard for Authentic’s first four races).

LANE’S END SALES GRADUATE
This $6,000 KEESEP and $20,000 OBSAPR Karakontie (Jpn) pinhook doesn’t stand out as a top-tier threat. But he’s a fresh (78-day layoff), light-bodied stayer with a decent route-race foundation who reliably posts 90s Beyers and reportedly didn’t like the track surface in the GI Belmont S. This gelding has been repeatedly described by his connections as a quiet-minded, intelligent type who knows his job is to pass other horses. Expect him to make one run from off the tailgate, but he’s going to need a touch of help from a feisty pace and/or a very clean trip in a large field.

Ny Traffic has run three seconds and a third in four graded stakes tries this year, and he hasn’t been beaten by more than 1 1/2 lengths in any of those efforts. But this $27,000 EASMAY Cross Traffic gray hasn’t won a stakes race yet, and his only two lifetime wins were a Parx MSW and a Gulfstream allowance/optional claimer. Still, he digs in and tries, and already has two-credible nine-furlong and one 1 3/16-miles race to his credit. Could he end up overachieving as the “forgotten” New York-bred in the Derby with all of the attention focused keenly on fellow Empire State-bred Tiz the Law?
11) CARACARO (c, Uncle Mo--Peace Time, by War Front)
           ‘TDN Rising Star’ O-Global Thoroughbred & Top Racing LLC. B-SF Bloodstock LLC (KY). T-Gustavo Delgado. Sales History: $95,000 wlg ’17 KEENOV. Lifetime Record: GISP, 4-1-3-0, $238,800. Last Start: 2nd GI Runhappy Travers S., SAR, Aug. 8 Accomplishments Include: 2nd Gill Peter Pan S., SAR, July 16 Equineline PPs. KY Derby Points: 60.

This $95,000 KEENOV Uncle Mo bay will stable at Saratoga until it’s time to ship to Louisville, and he has two nice graded stakes seconds to his credit since returning to action off a six-month layoff. In the July 16 Gill Peter Pan S., Caracaro seized the lead in the stretch and scrappily brushed with the eventual winner, Country Grammar (Tonalist), to get beaten only a neck in a 96-Beyer breakout effort. In the Travers, Caracaro was clearly not in the same league as Tiz the Law, but that didn’t stop him from running hard to win the race among the also-rans by two clear lengths. But for Caracaro, winning the Derby would mean running three hard races at nine, 10, and 10 furlongs through a seven-week span at the height of summer. Repeated success at those distances in that time frame is something you just don’t see in the sport very often, let alone at the game’s highest level.

12) MAX PLAYER (c, Honor Code--Fools in Love, by Not For Love)

Max Player has been transferred from trainer Linda Rice’s care to the Steve Asmussen stable at Churchill Downs. He breezed five furlongs there on Monday in 1:01.80 (13/47). This first-crop Honor Code colt ($150,000 KEESEP RNA) was a commendable third in both the Belmont S. and the Travers S., but in neither effort did he get within true striking distance of much-the-best winner Tiz the Law. Max Player had been described as a slow but steady learner earlier this summer by Rice. And although he’s done little wrong and there is certainly room for rounding into a nice distance-centric horse, this colt would need to uncork a multi-level improvement in the Derby to leapfrog the proven multiple graded stakes winners ranked above him.

Margins: NK, NO, HF. Odds: 2.50, 7.60, 9.20.

Also Ran: Catch the Eye, Meal Ticket, Siberian Iris (Ire), Pretty Point, Imperial Creed, Don’t Blame Judy, Ms Peintour.

Maxim Rate, a debut victress at 28-1 on the Santa Anita lawn last February, was second by a nose in the GIII Providencia S. and annexed the GIII Senorita S. third out, but finished off the board in her next five outings before running second by a head in an Arcadia optional claimer June 14 and capturing a similar spot here July 10.

Made the lukewarm favorite in this first trip beyond nine furlongs, the gray broke on top before settling in a pocketed third through splits of :23.25, :49.26 and 1:14.31. Patiently handled by Umberto Rispoli while awaiting room on the far turn, she tipped into the clear at the top of the lane and steadily wore down pacesetting Quick in deep stretch to prevail. Quick just held the place from Over Thinking, a narrow runner-up in this event last summer.

The winner has a yearling half-brother by Violence and her dam produced a Street Sense colt this season before being bred to More Than Ready. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

Wet Your Whistle, who streaked his way to a Grade I victory last summer, overcame a slow break to get up late in his 5-year-old debut, the Karl Boyes S. Monday at Presque Isle.

Winning on debut against $40,000 maiden claimers two summers ago at Laurel, the gelding failed to find the mark in his next six outings before dominating an all-weather Woodbine allowance in December of 2018.
Repeating over the Laurel turf upon return last April, he kept it going with his first black-type success in the Get Serious S. at Monmouth and conquered top-level competition in the GI Highlander S. at Woodbine. Completing the superfecta in the GIII Troy S. at Saratoga, he was last seen running seventh in the Runhappy Turf Sprint S. at Kentucky Downs.

Breaking last by several lengths as the second choice here, the dark bay moved up a bit as even-money favorite Wellabled cut out a :22.76 quarter, saved ground on the turn and started to advance in the two path once straightening for home. Splitting horses four deep approaching the sixteenth pole, he surged late to get up in the closing strides and score going away over Smart Remark, who just edged the pacemsetting favorite for second.

The winner has an unraced 3-year-old half-brother by Algorithms and his dam was bred to Bolt d’Oro this spring. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

7th-Delaware, $42,880, Alw, 8-17, (NW2L), 3yo/up, 1m 70y (off turf), 1:41.60, ft.

MILITIAMAN (g, 4, Broken Vow--Classic Strike, by Smart Strike), a $400,000 Fasig-Tipton Saratoga buy, graduated second out going 10 furlongs for Chad Brown last May at Belmont and was fifth in an optional claimer there before heading to the bench. Reselling for just $20,000 at Keeneland January, he resurfaced to run fifth after contesting the pace in a Big Sandy allowance June 11 and was made a 33-10 proposition making his main track bow in this off-the-turf spot. Away smoothly, the gelding stalked the pace from second through fractions of :23.58 and :47.61, overhauled the frontrunner midway around the far bend and drew off down the lane despite drifting out and then in, hitting the wire 6 3/4 lengths to the good of favored Felix the Fox (Tapit). The victor is a half to Union Strike (Union Rags), GSW, $537,625; Handsome Mike (Scat Daddy), MGSW, $1,005,413; Pretty Lady (Scat Daddy), SW, $108,613; and Classic Sense (Street Sense), SP, $159,340. His dam is responsible for a yearling Pioneerof the Nile filly and produced a filly by Justify this term before being paired with Flashback. GELETA (f, 2, Speightster--Tweet, by Medaglia d’Oro) showed big speed in a handful of local breezes capped by a three-furlong gate spin in :34 4/5 (1/9) Aug. 11, but drifted up to over twice her 4-1 morning-line choice, breaking as a 41-5 chance. Traveling a bit greenly in a distant fourth as Donnybrook Girl (Street Sense) tore off through a :22.26 quarter, the homebred started to find her best stride passing the three-sixteenths marker and closed furiously up the inside to overtake the tiring pacesetter late for a 1 1/2-length graduation. The winner is the fourth for her freshman sire (by Speightstown). She has a yearling Munnings half-brother and her dam foaled a colt by Uptowncharlybrown this term before being paired with Flashback.
